Chapter 631 Evelyn Begged For Mercy Part 2 -

Evelyn was rendered speechless.

Evelyn was rendered speechless.

"I saw from the hotel surveillance video. Although you were hit by me, a girl helped you up, and you guys ran away in a hurry. At that time, you have no problem standing up."

Evelyn was dumbfounded. She was running so fast at that time.

"You hurt yourself in an accident, didn't you? Don't blame everything on me, okay? I'll call the police."

Evelyn was stunned. She could not even refute it.

Alene helped Evelyn get up, and they ran to the lift together. At that time, Evelyn had no problems with her legs.

However, Evelyn could not get out of bed and stand up the next day in Avelon.

If that was the case, it seemed that Evelyn had no reason to blame Emmeline at all.

Evelyn frowned, but why could she not stand up now?

Emmeline could not help but smirk.

Who asks you to lie down to sleep? If you didn't lie down, you might still be able to stand up and walk now!

Flynn was confused.

Did Emmeline really not do it?

Evelyn was rendered speechless.

"It's useless that you beg me here!" Emmeline shook her hand. "Go to the hospital."

"It's useless that you beg me here!" Emmeline shook her hand. "Go to the hospital."

"No!" Evelyn bewled. She was anxious. "I only have two days. If I'm not cured within these two days, I will be paralyzed for the rest of my life!"

"Really?" Emmeline put her fingers on her chin and sighed. "It's a pity that such a beautiful lady has to spend the rest of her life in a wheelchair."

"Ms. Louise, it's really not you? Please... please help Evelyn. I can apologize on her behalf," Flynn begged. His face darkened.

"Flynn, it's not me. I really can't help Evelyn... There's nothing I can do!"

"Damn!" Flynn was worried. "What would happen to Evelyn if she's not cured in these two days?"

"I'd rather die!" Evelyn cried.

"Well, I think I know someone who can save her," Emmeline said.

Hearing that, both Evelyn and Flynn were excited.

"Who is it?"

"I've never seen her before. I've only heard about her. She rescued Old Mr. Ryker twice!"

"It's useless that you beg me here!" Emmeline shook her hand. "Go to the hospital."

Hearing that, both Evalyn and Flynn were excited.

"Who is it?"

"I've never seen her before. I've only heard about her. She's called Old Mr. Ryker twice!"

Hearing that, Flynn was surprised. "Who is she?"

Hearing that, Flynn was surprised. "Who is she?"

"Well, she's a very skillful doctor."

"Where is she? I want to meet her!" Flynn was excited. He would do anything to save Evelyn.

"It's not easy to find her," answered Emmeline slowly. "But you can call her assistant. If she wants to see you, she will ask her assistant to contact you."

"Oh, okay..." Flynn could not help but nod. "But what's her name?"

"Wonder Doctor!"

"Wonder Doctor?" Flynn gasped. "I think I've heard of her name before. From my father."

"Great! Then you can ask your father about it," Emmeline replied.

"All right. Let me ask my father. Sorry to bother you, Ms. Louise."

With that, Flynn pushed Evelyn's wheelchair end left.

It was not until Flynn carried Evelyn back to his car that Kendra let out a sigh of relief.

"It's ridiculous. How could they accuse you like that? You're such a kind and caring woman."

Hearing that, Flynn was surprised. "Who is she?"

"No way!" Emmeline pinched Abel's cheek. "I'm not a pig. But you are!"

Abel could not help but laugh.

Only Emmeline dared to pinch his face and talk to him like that. However, he felt very happy.

"By the way, I've helped you teach a lesson to the Murphy family. More than a dozen companies that used to cooperate with them stopped their contracts with them. How dare they bully my wife?" Abel said.

"Honey, I can handle and deal with them myself," replied Emmeline. "You don't have to worry about it..."

"No way!" Abel kissed Emmeline on the cheek again. "I'm so pissed off thinking of what Evelyn had done to you. How I wish I could wipe out the Murphy family completely."

"Evelyn came to look for me today," Emmeline smirked. "She still doesn't know what's coming for her."

"We can't forgive her and let her off just like that. She's too vicious. How could she be so despicable and plot against you?"

"Don't worry. I'll make her regret what she has done. She will not dare to bully others again!"

"Mr. Abel, Ms. Emmeline, lunch is ready," informed Kendra, wearing an apron.

With that, Abel walked into the house with Emmeline and Quincy together.

On the other hand, Flynn and Evelyn returned to the village in Struyrie.

After the maid sent Evelyn back to her room, Flynn took out his phone and dialed the number.

As soon as Paul received Flynn's call, he shouted over the phone.

"I was just about to call you. What's wrong with Evelyn? Why do more than a dozen companies stop cooperating with us? She's putting us into trouble."

"I'm looking into it," answered Flynn. "But Dad, I have something urgent to ask you."

"What? What could be more urgent than our family business? What the hell did Evelyn do that made the Ryker family treat us as their enemy?"

Hearing that, Flynn took a deep breath. "Well, Evelyn might have offended Ms. Louise, Abel's wife. That's why..."

"Abel's wife?" Paul was surprised. "When did Abel get married?"

"Not sure. But he has a wife. Her name is Emmeline. They have four sons together."

"Then how did Evelyn get involved?" asked Paul worriedly. "How would they treat us as their enemy suddenly?"

With that, Abel walked into the house with Emmeline and Quincy together.

Chapter 633 Seeking Help From the Wonder Doctor -

10-13 minutes

"Evelyn has put off the idea of pursuing Abel. The Murphy and Rykers alliance is still ongoing. Evelyn had her eyes on the Ryker's eldest son, Adam." Flynn explained to his father.

"Evelyn has put off the idea of pursuing Abel. The Murphy and Rykers alliance is still ongoing. Evelyn had her eyes on the Ryker's eldest son, Adam." Flynn explained to his father.

"I want to know why the Ryker family is targeting us. As for who Evelyn has her eyes on, I don't give a damn now," Paul said impatiently.

"I will deal with what's going on with the Ryker, but please help Evelyn now."

"Help Evelyn? What's wrong with her?"

"She was partially paralyzed all of a sudden."

"Half... half paralyzed? What happened? How could Evelyn be in paralysis? She's still young." Paul was shocked.

"I suspected it was Emmeline who did that, but there was no evidence of it."

"Emmeline? She has such power?"

"She's very good at martial arts. Evelyn was covered in bruises when she got beaten by her."

"She deserves it. Why did she get close to Abel knowing that he isn't single? She is getting more and more rebellious. Why can't she be like Lizbeth? I spoiled her too much! How could I bring the wrong baby home in the first place?" Paul was furious.

"Don't say that, Dad. Evelyn would be sad if she heard that."

"She brought that upon herself! Why doesn't she learn from Lizbeth? Why did she interfere with other's families?"

"It's too late to say anything now. The doctor there's still a day and a half to treat her, otherwise she'll be in a wheelchair for the rest of her life," said Flynn.

"It's too late to say anything now. The doctor there's still a day and a half to treat her, otherwise she'll be in a wheelchair for the rest of her life," said Flynn.

"Just let her stay in a wheelchair then. This girl pissed me off!"

"Dad!"

"Tell me how could I help her? I'm not a doctor!" Paul exclaimed.

"I remember you mentioned a miracle doctor... called the Wonder Doctor?"

"Wonder Doctor? It was rumored that he was able to heal any sickness. He was quite famous among the wealthiest locally and abroad."

"It's him then. The only way to cure Evelyn is to find him now."

"I'll try to contact him. Fortunately, we have the contact info of his assistant. You'd better bring Evelyn home first. There are maids to take care of her and I also have to give her a good lesson!"

"Alright. I'll bring her back to Altney today."

The call ended. Flynn looked gloomy. Dad is really pissed off by Evelyn this time.

"What did Dad say about me?" Evelyn's unhappy voice came from upstairs.

Flynn looked up and saw a maid pushing Evelyn in a wheelchair.

"Dad compared me with Lizbeth again, right?"

Flynn frowned, "Evelyn, don't think too much about it. Dad is just angry with the big changes in the Murphy family."

"I'll try to contact him. Fortunately, we have the contact info of his assistant. You'd better bring Evalyn home first. There are matters to take care of her and I also have to give her a good lesson!"

"Alright. I'll bring her back to Altnay today."

She called and dad. Flynn looked gloomy. Dad is really pissed off by Evalyn this time.

"What did Dad say about me?" Evalyn's unhappy voice came from upstairs.

Flynn looked up and saw a maid pushing Evalyn in a wheelchair.

"Dad compared me with Lizbeth again, right?"

Flynn frowned, "Evalyn, don't think too much about it. Dad is just angry with the big changes in the Murphy family."

"I heard Dad complain about me. I'm not his biological daughter and he brought me home by mistake. Can I be blamed for that?" Tears began to form in her eyes.

"I heard Dad complain about me. I'm not his biological daughter and he brought me home by mistake. Can I be blamed for that?" Tears began to form in her eyes.

"No one blames you," Flynn comforted her, "Go back to your room and rest first, we'll return to Altnay after lunch."

"Dad promised to help me search for the Wonder Doctor?" Evalyn looked up at her brother with teary eyes.

"Yes. Don't worry about it now." Flynn nodded.

"Thank you, Flynn."

"Go back to your room and rest now. When you're better, you should hurry up and get married to Adem. Live a happy life with him. Mom and Dad will not be worried about you anymore."

Marry Adem? Happy life with him? Evelyn scoffed. Adem knew she married him because she couldn't be together with Abel. Adem also wanted to use the Murphy family to increase his strength. How can they live happily in peace?

The CEO's office of the Adelmer Group.

"Ring... ring..."

Benjamin's other phone rang. This phone seldom rang, but as long as it rang, it was worth a mountain of gold.

Benjamin smirked. It should be the Murphys?

Chapter 634 A Billion Dollar Consultation -

9-11 minutes

Benjamin answered the call lazily.
Benjamin answered the call lazily.

"Hello, I'm Paul from the Murphy family in Altney."

"Hello, Mr. Murphy. I'm the assistant of the Wonder Doctor."

"Sir, I have a patient and I would like to seek help from the Wonder Doctor. Is he available for a consultation?" Paul spoke respectfully.

"Tell me the patient's condition and I will report it to the Wonder Doctor for you."

"It's my daughter, who suddenly became partially paralyzed. I have no choice but to ask for help from the Wonder Doctor."

"Well," said Benjamin, "I'll report it to him. Just in case, do you know the consultation fee for the Wonder Doctor?"

"I heard it starts at a hundred million. I wonder if that's true?"

"Of course it's true, it might not be just a couple hundred million."

Paul took a deep breath.

"If Mr. Murphy thinks that it's inappropriate, then forget about it. The Wonder Doctor doesn't simply heal someone."

"It's fine. I'll pay no matter how much the price is. Please report to the Wonder Doctor. I'll wait for your reply."

"Alright, but I can only give you a reply until a day later."

Benjamin answered the call lazily.

"Well," said Benjamin, "I'll report it to him. Just in case, do you know the consultation fee for the Wonder Doctor?"

"I heard it starts at a hundred million. I wonder if that's true?"

"Of course it's true, it might not be just a couple hundred million."

Poul took a deep breath.

"If Mr. Murphy thinks that it's inappropriate, then forget about it. The Wonder Doctor doesn't simply heal someone."

"It's fine. I'll pay no matter how much the price is. Please report to the Wonder Doctor. I'll wait for your reply."

"Alright, but I can only give you a reply until a day later."

Benjamin answered the call lazily.

"Hello, I'm Paul from the Murphy family in Altney."

"Hello, Mr. Murphy. I'm the assistant of the Wonder Doctor."

"Sir, I have a patient and I would like to seek help from the Wonder Doctor. Is he available for a consultation?" Paul spoke respectfully.

"Tell me the patient's condition and I will report it to the Wonder Doctor for you."

"It's my daughter, who suddenly became partially paralyzed. I have no choice but to ask for help from the Wonder Doctor."

"Well," said Benjamin, "I'll report it to him. Just in case, do you know the consultation fee for the Wonder Doctor?"

"One day? My daughter's condition could only last for one and a half days until she becomes worse." Paul said impatiently.

"One day? My daughter's condition could only last for one and a half days until she becomes worse." Paul said impatiently.

"I can't help it then. The Wonder Doctor would only come out tomorrow as he was cultivating his skills. Hence, the reply's tomorrow."

"There's only half a day left. Will there be any delay in my daughter's case?"

"As long as the Wonder Doctor agrees to help you, there wouldn't be much problem," Benjamin replied.

"Alright."

Paul was worried for both his hundred million and Evelyn. Money could be earned back but it would be problematic for the Murphys if Evelyn was in a wheelchair for the rest of her life.

If she isn't able to get married, who will take care of her in the future? The Murphy family would also be mocked by the upper class. This brat is nothing like Lizbeth! Lizbeth is way better than her and she's my biological child!

Paul felt suffocated with anger.

Benjamin had hung up the call when Paul was in his thoughts.

"Ring... ring... ring..."

Emmeline's phone rang while she was cooking something for the munchkins.

Emmalina's phone rang while she was cooking something for the munchkins.

She knew it was the Murphy family asking for help. She was furious when she thought of the nasty things that Evelyn had done. Great! Here comes Evelyn after Alana!

"Ben," Emmeline answered the cell.

"Emme, Paul called me. What are you going to do?"

"Of course, I'm going to treat her. She harmed me. How could I spare her?"

"Hm. What's the price?"

"Let them pay! One billion dollars. I'll donate it to the Hope Project. No negotiation."

"Alright. One billion dollars it is."

Flynn had returned home with Evelyn yesterday evening.

Evelyn was happy knowing her father contacted the Wonder Doctor. However, she felt worried as the Wonder Doctor had no news yet, she barely slept. Would it be over for her if the Wonder Doctor refused to treat her?

When Benjamin called, Paul picked up hurriedly.

"Hello, is there any news from the Wonder Doctor?"

"You're lucky. The Wonder Doctor agreed."

"Greet! How much is the consultation fee?"

"A billion dollars."

"A... A billion dollars?" Paul almost fainted when he heard the price.

"The Murphy family doesn't have a billion? If you can't pay this amount. I think we should not waste each other's time."

"The Murphy family doesn't have a billion? If you can't pay this amount. I think we should not waste each other's time."

"I have it. It's just that Murphy was in a difficult situation recently, one billion will have a significant impact right now."

"Not my problem. I'll hang up now if there's nothing else," said Benjamin.

"Wait! When will the Wonder Doctor be here? My daughter is running out of time."

"If Mr. Murphy had made the decision, please pay the deposit of 500 million. The Wonder Doctor's private plane will fly there soon."

"Alright. I'll pay the deposit now."

"Hm." Benjamin nodded, "I will contact you when we arrive in Altney."

Ten minutes later, Emmeline received the 500 million deposit in her bank.

She called Benjamin, "Ben, we can depart now."

"I'll pick you up. The helicopter is waiting on the tarmac."

"Okay. I'll wait for you."

"And me," Abel appeared at the door, "How can you go without me?"

"You?" Emmeline was amused, "Wonder Doctor is going out for a house call. Why is Mr. Abel following me?"

"I can be the bodyguard," Abel leaned on the door frame and smiled, "and the husband will be at ease."

"Aren't you worried that the Murphy family will recognize you?"

"Aren't you worried that the Murphy family will recognize you?"

"Bodyguards are usually dressed in black suits, masks, and sunglasses. I don't think anyone can still recognize me."

"Pfft. Hurry up and get ready to go."

They arrived in the afternoon and stayed in the seven-star Altney Hotel.

Benjamin called Peul.

"We are at the Altney Hotel, bring the patient over."

"We'll be there in half an hour," Peul said.

After the call ended, Evelyn said happily in her wheelchair, "Dad, the Wonder Doctor is here?"

"It cost me one billion for them to be here!" Peul said in a bad mood.

"My worth is less than a billion dollars in your heart, Dad?" Evelyn was upset.

"It's not a matter of a billion dollars. Look at what you did in Struyria. Two days and you caused the Murphy Group's stock price to fall so much. Is that a matter of a billion dollars?"

"I can't be blamed for that. I have no idea that so many problems would arise."

"Still being stubborn? Can't you learn from Lizbeth and behave yourself by not causing trouble?" Paul asked angrily.

Paul slapped Evelyn, "You're really an ungrateful brat!"

"Actually, I've always suspected that you were the mastermind behind Liz's kidnapping by the Imperial Palace. Be honest, did you do it or not?" Mrs. Murphy came over and said.

"I..." Evelyn panicked, "Mom! How could you? I'm also heartbroken when Liz was kidnapped by the Imperial Palace being sold as a Canary."

Evelyn was shocked, "Dad, Mom, don't drive me away! Don't you guys want me anymore?"

"I know you don't like me that much. Lizbeth is your biological child. Ever since she came back, Mom and you have treated me differently."

"That's right, Mom and Dad. Evelyn would still be your daughter even when she made a thousand mistakes. You raised her, you can't kick her out."

"That's right, Mom and Dad. Evelyn would still be your daughter even when she made a thousand mistakes. You raised her, you can't kick her out."

"Yes mom and dad," Flynn said, "A thousand mistakes, Evelyn is also the daughter you raised, you can't kick her out."

Mrs. Murphy kept quiet. She was also upset but the Murphy family was screwed by Evelyn recently.

Paul frowned, "Fine, let's talk about it later. We're going to the Altney Hotel now. The Wonder Doctor is waiting for us."

Half an hour later, they arrived at the door of the luxury suite of Altney Hotel by Benjamin's instructions.

Paul couldn't help but slow down his steps when he saw ten black-clad bodyguards in front of the suite door. They were all wearing black masks and black sunglasses. All of them were tall and stern.

Among the bodyguards, there was one that stood out. He was more charismatic and it could be seen from far away.

Evelyn's heart skipped a beat when she looked up from her wheelchair. She was stunned by the extraordinary "bodyguard". She had a vague feeling that he was Abel. Evelyn was excited and secretly marvelled that there was another man in the world who was as good as Abel!

Paul knocked on the door upon arriving at the presidential suite.

"Come in!" Benjamin said in a deep voice.

"Come in!" Benjamin said in a deep voice.

Paul stepped in slowly with Flynn and Evelyn behind him.

In the large room, a man in a protective suit was standing there. His face was covered.

"I am the Wonder Doctor's assistant, the Wonder Doctor is inside," said Benjamin.

"Please ask the Wonder Doctor to treat my daughter, there's still an hour left for her," Paul begged.

"Don't worry, Ms. Murphy will be fine."

Although Paul cared for the billion dollars, he had to cure Evelyn immediately. If word got out, how could the Murphy family still gain a foothold in Altney?

Benjamin went to the inner bedroom and whispered to Emmeline.

Emmeline fixed her protective mask to make sure her face could not be seen. Only then she walked out with both hands behind her back.

Paul hurriedly stood up to show respect, "Thank you for being here, Wonder Doctor."

Emmeline kept quiet and walked around Evelyn. Evelyn didn't even dare to breathe.

"Sleep! Sleep!"

In a flash, Emmeline pulled her up and slapped her twice.

Evelyn's face was red while Paul and Flynn were both shocked.

Evelyn let out a cry and covered her face with her hands. Emmeline poked a needle twice under Evelyn's raised arm.

"It's done! Transfer the remaining 500 million and you guys are free to go. I need to rest now. "

Emmeline said.

Evelyn realized that she had stood up. "Wow, I'm cured!"

Flynn and Paul glanced at each other. Evelyn is cured with 2 slaps?

Paul was grateful and angry at the same time. After hearing 2 slaps, a billion was gone!

"Dad, I'm really cured! I can stand and move now!" Evelyn jumped up in surprise.

"You're cured but the Murphy family is screwed by you!" Paul grunted.

"Dad, are you still angry with me? You're not really going to kick me out, are you?" Evelyn asked nervously.

"I think your mother is right, we can't afford to raise an ungrateful brat anymore. It's best if you leave the Murphy family."

"Dad! Don't kick me out. I've been your daughter for more than 20 years. I have nothing left if I leave the Murphy family. How could I survive?" Evelyn begged.

"If you cared about survival, why did you harm us with your actions? Did I give a billion dollars just to hear two slaps? Do you think that money can be earned easily?"

"Go back to Struyria immediately after packing. If Emmeline doesn't forgive you, you can leave the Murphy family!"

"Dad..." Evelyn was upset. How could she leave the Murphy family? She was a princess in the family. She was nothing without the Murphy family.

"Don't be afraid. As long as the crisis is solved, you will still be my daughter," said Paul.

"Don't be afraid. As long as the crisis is solved, you will still be my daughter," said Paul.

"Thank you, Dad," Evelyn answered while wiping her tears.

"Talk about your family matters at home, my ears hurt from the noises," complained Emmeline.

"I'm sorry. I'll have the finance transfer the remaining 500 million to you." Paul apologized respectfully.

"Hurry up then, I have to go now!" Emmeline left the bedroom with Benjamin.

Abel led the bodyguards to escort Emmeline into the elevator.

"Emma, you shocked me with your hands of the Wonder Doctor," said Abel.

"Everyone thought the Wonder Doctor was an old man. Who would have thought that she's a young lady?" Benjamin laughed.

"Ben, you're slightly wrong. Have you forgotten that Master Robert was an old man?"

"That's true, Wonder Doctor does not refer to you alone."

"It's a name created by Master Robert, I'm just a legacy."

The next day at The Precipice.

"Ms. Emmeline, the Murphy siblings are here again," Kendra informed Emmeline who was sunbathing on a beach chair.

"Don't be afraid. As long as the crisis is solved, you will still be my daughter," said Paul.

Abal led the bodyguards to escort Emmalina into the elevator.

"Emma, you shocked me with your hands of the Wondar Doctor," said Abal.

"Everyone thought the Wondar Doctor was an old man. Who would have thought that she's a young lady?" Benjamin laughed.

"Ben, you're slightly wrong. Have you forgotten that Master Robert was an old man?"

"That's true, Wondar Doctor does not refer to you alone."

The next day at The Precipice.

"Ms. Emmalina, the Murphy siblings are here again," Kendra informed Emmalina who was sunbathing on a beach chair.

"Well, I'm waiting for her. Let her in."

"Well, I'm waiting for her. Let her in."

Kendra told the security guards to open the gate while Emmeline went back to the main living room.

Flynn walked in with Evelyn, carrying two boxes of gifts.

Evelyn knelt in front of Emmeline before she spoke.

"Emme, please tell the Rykers and Adalmer to stop striking on the Murphys. We are in deep trouble now. Please let us go."

"Your leg is healed?" Emmeline asked.

"Thanks to Ms. Louise's advice, it was the Wonder Doctor that healed Evelyn," Flynn said.

"That's great. Treat others better in the future, karma is real. Look what happened to you. It's a disaster for a beautiful girl like you to be in a wheelchair for the rest of her life."

"Emma, I know I did the wrong thing. I shouldn't have drugged you and ordered some old man to assault you. I apologize sincerely to you, please forgive me. Please don't make things difficult for the Murphy family anymore, okay?"

"Are you kidding me? When did I have the ability to make things difficult for the Murphy family? You're begging the wrong person again, aren't you?" Emmeline said with a smile.

"I won't forgive you. I can't forget how you influenced Madame Ryker to kick me out with your tricks. I was with a baby. You had never thought of giving us the chance to live. I have never seen such a vicious woman like you!"

"It's in the past, right? Aren't you back now? Please forgive me. If the Murphy family kicks me out, I will be living in the streets."

"Kendra, I'm sorry. I'm very sorry about it. I apologize."

Kendra turned around.

"Ms. Louise, please forgive Evelyn. She is really repenting now." Flynn begged for Evelyn again.

Emmeline sighed, "Alright. I forgive her. Make sure she won't harm anyone in the future!"

"Thank you, Emma. Thank you. What about the Murphy family? Evelyn was extremely happy."

"I will inform Abel and Benjamin. You're the one who's at fault but your father had to pay for it. I saw how pitiful he was."

Evelyn and Flynn looked at each other in surprise.

Emmeline saw how pitiful Dad was? When did she meet him?

However, both of them stayed silent thinking it was Emmeline's slip of the tongue.

"You're so ungrateful! How can you say that about your dad?" Emmeline frowned.

"I don't mean it that way. I know how difficult it was for him. It's me who caused it." Evelyn defended herself hurriedly.

"I'm worried for Paul, he raised an ungrateful brat!" Emmeline was furious.

"No, I'm not. I will definitely be filial to my parents in the future. How could I be ungrateful towards them?"

"You better do what you said. Otherwise, God will punish you."

Emmeline's phone suddenly rang, and it was Benjamin calling.

"Emma, did Janie contact you?"

"Janie? No. What happened to her?"

"Janie said she was going on a trip abroad. It's been a few days. I couldn't get through to her when I called her today."

"Janie is traveling abroad? It's so sudden. I didn't hear her mention it before."

"She decided it spontaneously. I couldn't reach her today."

"She decided it sponteneously. I couldn't reech her today."

"Is it because her phone is dead?" Emmeline asked.

"Maybe. I'll call her later."

"Update me if you have any news about her."

"Okay," Benjamin hung up.

"Strange," Emmeline muttered to herself, "Why did Jenie travel abroad suddenly? She didn't tell me about it either."

"Jenie? I nearly forgot about it if you didn't mention it. I ran into Jenie in the hospital a few days ago."

"In the hospital?" Emmeline questioned, "What happened to Jenie?"

Evelyn lowered her voice and said, "I saw her going to the ob-gyn. I went in to ask about it, it turned out..."

"What's wrong?"

"Jenie is pregnant and she wants an abortion. The doctor advised her not to do so and she left."

"Jenie is pregnant? Whose child is it?"

"It should be Mr. Benjamin's, right? I mean, who else could it be?" Evelyn said

Emmeline had goosebumps, "Benjamin? How can he be so irresponsible?"

"Ms. Emmeline, take it easy. There might be some other reasons for it," said Kendra.

"I don't think so. Jenie loves Benjamin and the baby must be his. I can't imagine that Benjamin is so irresponsible. I got to meet him now!"

"She decided it spontaneously. I couldn't reach her today."

Emmeline arrived at the Adelmer Group in half an hour.

Emmeline kicked open the door of the CEO's office on the 88th floor.

"Dear Emme," Ethen was shocked by her kick as he was bringing over some documents.

"Emme, what are you doing?"

"None of your business, stay away."

Emmeline barged into the CEO's office in a huff.

"Emme?" Benjamin was also startled and got up from his chair, "Why are you here?"

Emmeline leaped over the desk and held Benjamin's collar.

"Dear Emme, you can't do that!" Ethen shouted.

Benjamin instructed Ethen to close the door to his office.

"Emme, what is wrong with you?"

Emmeline's eyes were red while she tugged on Benjamin's tie, "I couldn't imagine that you're such a person. You've disappointed me."

"Emme," Benjamin put her hand away and said, "What happened? Don't be like this. I'm scared!"

"You're scared? How about Jenie? She is pregnant. Do you think she wouldn't feel scared, lonely and helpless?" Emmeline's tears were welling up in her eyes.

Benjamin frowned, "Emme what did you say?"

"I said... Jenie is pregnant." Emmeline repeated.

Benjamin was stunned.

"Don't you say that it's not your baby."

Benjamin nodded, "It's mine."

"I really feel like sleeping you now!" Emmeline exclaimed, "Why did you sleep with her if you don't love her?"

Benjamin didn't know how to explain what happened to Emmeline.

He didn't even know that it was Jenie who took the initiative that night.

"How could you be so irresponsible?" Emmeline's tears fell, "Benjamin, do you want another Emmeline from five years ago to appear?"

"No," Benjamin panicked, "Where is Jenie? I'll go find her. I didn't say I will not be responsible for it. It's Jenie who won't agree with me!"

"How do I know where she is? Why did you hurt her when you don't love her?"

"It's my fault. You can beat me and scold me. I will be responsible for Janie. Don't worry."

"It's my fault. You can beat me and scold me. I will be responsible for Janie. Don't worry."

"Then why are you still here? Go find her now!"

Emmeline knew that Benjamin didn't love Janie. Love couldn't be forced. However, it's wrong to sleep with her and get her pregnant if he doesn't love her.

"Ben, I'm so disappointed in you."

"Emme..." Ben was at a loss for words.

He turned around and called his secretary, "Check to see if there is any record of Janie's departure abroad!"

"Mr. Benjamin, Janie has not left the country."

"She's still here?" Benjamin hung up the phone and muttered, "Then where did she go?"

"Hurry up and go to her apartment! Stupid!" Ethen urged them.

"Yes, let's go! Maybe Janie is still hiding in her apartment."

Benjamin grabbed his jacket and strode out of his office with Emmeline following behind him.

When they were in the CEO's private elevator, Benjamin reached out to wipe Emmeline's tears.

"Dear Emme, I will find her. Don't cry anymore. I feel restless seeing you cry."

Emmeline sniffled, "I'm already restless."

"Janie will be fine." Benjamin comforted Emmeline by hugging her.

"Who knows what will happen? I didn't want her to be me 5 years ago. If I hadn't run into you and Mister Robert, we would be dead. Would Janie have been so lucky?"

"Don't worry, I will take care of this. I can even marry Janie immediately, but..."

It was Janie who did not agree.

Benjamin knocked on Janie's apartment with a strong force, "Janie, are you in there? Open the door!"

"Janie, I'm here. Don't be afraid. I'll stay with you," Emmeline called out.

No one answered and the next-door neighbor came out from their unit.

"Stop shouting, I haven't seen her for days."

Emmeline sniffled, "I'm already restless."

"Janie will be fine." Benjamin comforted Emmeline by hugging her.

"Who knows what will happen? I didn't want her to be me 5 years ago. If I hadn't run into you and Master Robert, we would be dead. Would Janie have been so lucky?"

"Don't worry, I will take care of this. I can even marry Janie immediately, but..."

It was Janie who did not agree.

Benjamin knocked on Janie's apartment with a strong force, "Janie, are you in there? Open the door!"

"Janie, I'm here. Don't be afraid. I'll stay with you," Emmeline called out.

No one answered and the next-door neighbor came out from their unit.

"Stop shouting, I haven't seen her for days."

"Janie is not here. Where did she go?" Emmeline was anxious.

"Janie is not here. Where did she go?" Emmeline was anxious.

"She is avoiding me. Why didn't she tell the truth?"

"Are you still blaming her now? She knew you didn't love her, how can she tell you the truth? Forcing you to be with her with a child? Don't you know she had her pride too?" Emmeline slapped Benjamin's shoulder.

"Hush Emma, I will find her."

"It's not only about finding her. You have to try to love her and give her a family. I don't want her to be like me."

"I won't let that happen, Emma. Trust me!"

"But where should we search for her now?"

Benjamin thought for a moment, "Let's go in. Maybe she left us some clues."

"That's right." Emmeline nodded. What if Janie left some messages?

Benjamin used his necktie clip to break into Janie's apartment.

"Janie is not here. Where did she go?" Emmeline was anxious.
