Chapter 971 Four Immortals Join Forces to Restrain Sword Crown, Chu Kuangren Fights Immortals

“You all may give it a try!”

The fluctuation of Immortal’s Core on Sword Crown’s body erupted, and the sword intent was shocking!

The five Immortals looked at him solemnly.

“As expected of one of the Seven Crowns, the aura is extraordinary. I suppose he was close to Earthen Immortal tier in his heyday!”

“Everyone be careful.”

“We take action according to what we’ve just said.”

Frost Heaven Saber Immortal uttered.

He took the lead to step out. An incomparably powerful saber strength erupted, turning into a gigantic saber shadow and slamming forth towards Sword Crown!

Golden Ridge Temple’s Holy Monk Jue Fa followed closely behind.

A golden Buddha Avatar appeared from thin air as he pressed his palms together. Then, the Buddha’s palm blasted out, accompanied by Buddhist light filling the sky.

“Hmph, are you trying to stop me just like that?”

Sword Crown snorted and formed a sword hand sign.

An azure lotus was blooming in the void while Thousand Lotus Sword Intent surged, shattering the saber shadow and forcing back Buddha Avatar, which was extremely powerful.

At this moment, Prince Yuan took action.

He took a step forward, then countless Daoist patterns emerged in the void, and the power of Immortal’s Core blasted down in Sword Crown’s direction like a Boundless Snaring Web!

The Immortal’s Core manifested thousands of Ashuran Ghouls, and the surrounding was like purgatory.

“Immortal Technique, Underworld Realm!”

Prince Yuan chuckled.

Sword Crown frowned. “Oh, a domain type Immortal Technique. Are you thinking of trapping me with this move? That’s whimsical

He formed a sword hand sign to release sword qi that poured out in all directions, madly attacking the domain Immortal Technique and causing thousands of Ashuran Ghouls to collapse.

“As expected of the Sword Crown. Such sword qi is rare in Planquilon Immortal World,” said Prince Yuan with his expression changed.

“Attack him. Prince Yuan can’t stand any longer.”

Nan Ke uttered. Following that, he, the Frost Heaven Saber Immortal, and Holy Monk Jue Fa made their move together to suppress Sword Crown.

On top of that, they had Prince Yuan's domain Immortal Technique. Therefore, the power of four great Immortals managed to delay Sword Crown's pace.

On the other side, Holy Divine Fire Cult's Immortal Blazing Day stared at Chu Kuangren with fiery murderous intent in his eyes.

"So this is your battle plan. Four Immortals attack to restrain Sword Crown, and then the weakest one will take action against me."

Chu Kuangren chuckled.

"The weakest?"

Blazing Day raised his eyebrows and held the wound on his broken arm that was slashed off by Sword Crown not long ago.

He broke one of his arms, which greatly reduced his strength. It was indeed true that he was the weakest among the five Immortals.

At that thought, he stared at Chu Kuangren with hatred in his eyes and said, "You killed Holy Divine Fire Cult Divine Bachelors one after another, and broke my arm. I must kill you today to vent my hatred!"

Chu Kuangren seemed calm while facing the Immortals killing intent. "Do you think you have the ability to kill me?"

Upon hearing this, Blazing Day was stunned for a moment, then chuckled. "Chu Kuangren, no matter how powerful you are, you're not an Immortal after all, and no matter how weak I am, I'm an Immortal! Killing you is

as easy as turning my palms!"

The moment he said those words, he raised his hand to gather the surrounding flame current, causing the fluctuation of Immortal's Core to erupt. It was all source energy!

With a punch unleashed, fiery fire waves surged out, turning an area of a thousand miles into a sea of fire.

The surrounding Immortals were immediately forced back and dared not approach.

"Such powerful. That's the strength of an Immortal!"

"An Immortal Progeny isn't an opponent at all. Even a King Immortal Progeny is powerless in the face of such strength."

All Immortal Progenies were amazed and looked at Chu Kuangren with excitement.

He defeated them with one move, making them disgraced and even taking away their opportunity of Immortal Ascension Pool.

They were eager to kill Chu Kuangren, but they did not have the strength to do so. Now, an Immortal took action.

In their opinion, an Immortal Progeny was merely an Immortal Progeny. Facing the mighty power of an Immortal, he would definitely be destroyed like a rotten tree.

However, when everyone thought that Chu Kuangren would be dead, they noticed an extremely horrifying energy wave erupted from him.

One, two, three...

Fourteen source energies erupted!

It was not over yet. Mysterious seal marks appeared in the sky and hovered above Chu Kuangren's head, blessing him with his power.

There were Dao Proclamation Seals.

One, two, three...

The blessing of eleven Dao Proclamation Seals!

Chu Kuangren revealed his two greatest trump cards, source energies and Dao Proclamation Seals, making him look Immortal and majestic.

A dazzling purple sword ray erupted as Descendant Self Sword was unleashed.

The slash pursued the ultimate attack!

It was a brand-new Immortal Technique formed by Chu Kuangren by improving the Heaven-Slaying Sword Drawing Technique, transforming it into an Immortal Technique, and merging with Thousand Lotus Sword

Intent.

He still called it Thousand Lotus Sword Intent, which belonged to him!

Sword ray wrapped the purple lotus, tore the sea of fire apart, and completely disintegrated the blow of Blazing Day.

This scene shocked everyone present.

Immortal Blazing Day widened his eyes as if he saw something incredible. "Fourteen sources and eleven Dao Proclamation Seals! What the hell is going on with this guy?!"

His doubts were still unsolved, but Chu Kuangren took the initiative to slash his sword forward to kill him. His figure changed and was unpredictable.

At this moment, Chu Kuangren seemed to be integrated into the void, and Immortal Blazing Day's Immortal Consciousness could not capture his trajectory for a while.

All figures before him seemed to be Chu Kuangren, but they seemed to be illusions.

It was a combative technique created by Chu Kuangren, Ethereal Illusory Body!

“Sword Qi Weaves Heavenly Web!”

Chu Kuangren’s figure was ever-changing in the void. His sword qi gushed out one after another, intertwined in the void and turned into a Boundless Snaring Web, then dashed towards Immortal Blazing Day with a

tyrannical massacre aura.

It was another self-created Immortal Technique!

Sensing the imminent danger, Immortal Blazing Day roared loudly. The fluctuation of Immortal’s Core erupted from his body, and the majestic fire waves swept through, shattering the Boundless Snaring Web.

After the Boundless Snaring Web was broken, a bright moon emerged in the void. While the moonlight was flowing, countless sword qi burst out like a sword qi river, mighty and unstoppable!

“Moonlight On The Great River!”

Chu Kuangren’s voice sounded.

Immortal Blazing Day roared, and the fluctuation of Immortal’s Core circulated, blasting out a giant python composed of flames that collided with the sword qi river.

The two forces collided, and Immortal Blazing Day was... Pushed back more than a hundred yards!

“Endless Ghouls Resentment!”

It was not over yet.

Chu Kuangren manifested from the void and flipped Descendant Self Sword in his hand, then the rage qi from Immortal Ancient Battlefield swept in, turning into thousands of resentful ghouls, madly gnawing towards

Immortal Blazing Day!

Fourteen source energies, eleven Dao Proclamation Seals, and endless Immortal Techniques allowed Chu Kuangren to forcibly suppress Immortal Blazing Day as an Immortal Progeny!

Although Immortal Blazing Day was at rock bottom and the weakest Immortal, he was still an Immortal!

Such a scene made all Immortals feel as if they were dreaming.

The Immortal was repelled and suppressed?!

Moreover, he was suppressed by an Immortal Progeny!

Such an incident was beyond their imagination.

“W-What is this?! We’re striving to become Immortals, and he has been able to compete with Immortals! This is an existence of two different tiers!”

An Immortal said with an indescribable shock in his tone.

The rest of the Immortal Progenies, including King Immortal Progenies, looked at the peerless figure in white that competed with Immortals and felt a sense of powerlessness. There was a huge difference between

their strength..

Chapter 972 Immortal Blazing Day Attacks With All His Strength, Three-Headed Six-Arms Resentful Buddha, Defying

Heaven To Kill An Immortal

Outside Immortal Ascension Pool, Sword Crown was fighting for Immortals alone!

On the other hand, Chu Kuangren could compete with the Immortals with his Immortal Progeny's body and even suppressed his opponents to a certain extent.

All Immortal Progenies felt incredible upon seeing such a situation.

Although an Immortal Progeny and Immortal were one word different, both of them were worlds apart!

They had never heard of anyone that could cross the barrier and compete with Immortals. Even in the ancient complete Immortal World, not many could do this!

"Chu Kuangren, what a remarkable outlier!"

"If he's not dead, he'll definitely be Planquilon Immortal World's top-notch existence in the future. It's almost certain that he'll reach the level of Seven Crowns."

All Immortal Progenies were shocked and amazed.

The King Immortal Progenies' faces had turned ashen. They realized an unimaginable gap between them and Chu Kuangren.

They were unable to surpass!

Boom, boom, boom...

Chu Kuangren cast Immortal Techniques continuously, and they poured towards Immortal Blazing Day to suppress him.

At this moment, thousands of evil ghouls that were formed by the rage qi, madly gnawing towards Immortal Blazing Day.

Immortal Blazing Day's face was extremely gloomy. The divine fire surrounded his body, burning those hideous ghouls into ashes.

However, the grievances were inexhaustible, and the evil ghouls reappeared continuously.

"D\*mn it, D\*mn it!"

"How can this guy possess such a bizarre Immortal Technique? Plus the blessing of eleven Dao Proclamation Seals, the power of his Dao Techniques has far exceeded the limit that Immortal Progenies can cast!"

“How despicable!”

As an Immortal, Immortal Blazing Day was being suppressed by an Immortal Progeny, which put him in disgrace.

He was afraid that he would become the laughing stock among Immortal Progenies.

The first Immortal to be suppressed by an Immortal Progeny?

Of way!

If he bore such a name, he would probably spend the rest of his life in endless ridicule, which he would never allow it.

“Chu Kuangren, I must kill you today!”

Immortal Blazing Day roared angrily. The fluctuation of Immortal’s Core in his body was driven to the extreme at this moment, then the vast Immortal’s Core turned into endless red flames, and the majestic fire waves

burned the rage qi of thousands of miles to nothingness.

Chu Kuangren cast Ethereal Illusory Body to dodge the fire waves.

He grinned. “Are you annoyed?”

“Chu Kuangren, hand me your life!”

Immortal Blazing Day ignored Chu Kuangren’s ridicule. His eyes were red with anger while his whole body was full of divine fire, burning most of the sky, and the earth of radius of millions of miles dried up and cracked

due to the extremely high temperature.

Countless Immortal Progenies were sweating profusely and urging their cultivation base to resist.

Chu Kuangren looked at the angry Immortal Blazing Day with a calm demeanor. Dao Proclamation Seals were above his head, source energy surrounded him with a dazzling Immortal radiance.

It was sui generis in the endless sea of fire!

“Eight Wind Ultimate Flame, Conquering Empyrean!”

As Immortal Blazing Day yelled, the surrounding divine fire erupted around him, emerging crazily in his palm and turning into a huge crimson fireball like a gigantic sun. It had a dazzling firelight and illuminated the

entire Immortal Ancient Battlefield.

Chu Kuangren’s gaze narrowed upon seeing this.

The Immortal struck with all his strength, even the weakest half-crippled Immortal should not be underestimated. It was not easy to block Immortal Blazing Day’s attack with his current strength.

In the distance, Sword Crown, who four Immortals restrained, looked anxious.

“D\*mn!”

He snorted, and an emerald sword ray burst out from his body.

Sword Crown gripped onto the Azure Lotus Immortal Sword, then cast Thousand Lotus Sword Intent to the extreme!

Thousands of sword qi surged in all directions, sweeping away the Ashuran Ghouls.

The four Immortals dared not be careless upon seeing this and immediately urged their Immortal’s Core to resist, followed by all kinds of Immortal Techniques.

“Sword Crown, although you’re powerful, your injury has not fully recovered. It’s not easy for you to defeat us as quickly as you wish!”

“Indeed. Chu Kuangren will die today!”

“It’s amazing that he can achieve this step, but he is under the Immortal after all. Facing Immortal Blazing Day, the chances of him turning the tide were close to none.”

The four Immortals uttered coldly, trying to disrupt Sword Crown’s state of mind.

On the other side, Immortal Blazing Day attacked with all his strength, propping up a gigantic sun with one hand. Chu Kuangren looked insignificant under the shine of the firelight.

Immediately afterward, the gigantic flaming sun slammed towards him!

The void was distorted as the sun passed.

The Immortal word seemed to have collapsed because of it.

All Immortal Progenies were extremely shocked.

This was the true strength of an Immortal!

“Chu Kuangren’s doomed now!”

“For sure, he can’t sustain this move!”

None thought that an Immortal Progeny could sustain this Immortal’s full blow, even Lan Yu showed a hint of worry in her eyes.

Lil Fox was as anxious as a cat on a hot tin roof.

Gu Wuding was furious as his benefactor was about to be killed by an Immortal, but he was helpless and dissatisfied.

“Alas, what a pity.”

Gu Liufang sighed.

He regretted that Chu Kuangren’s talent and strength were not comparable to ordinary Immortal Progenies. He would be successful in the future if he did not die.

"If he doesn't die, perhaps he'll become the child of destiny in the prophecy," mumbled Gu Liufang while feeling extremely regretful.

Just when everyone thought Chu Kuangren could not sustain Immortal Blazing Day's move, a soaring blood ray erupted from Chu Kuangren's body.

The blood ray, which contained Buddhist Light and rage qi, shone into the sky. Two completely different energies trembled the void in all directions.

A Three-Headed Six-Arms blood-colored Buddha statue emerged behind Chu Kuangren, then it turned into a gigantic Resentful Buddha Avatar.

Not far away, Golden Ridge Temple's Holy Monk Jue Fa had his pupils shrank in horror upon seeing the Buddha statue. "That's Three-Headed Six-Arms Resentful Buddha!"

The Immortal weapon, Three-Headed Six-Arms Resentful Buddha!

It was Wicked Buddha Sect's signature Immortal weapon in the past.

Now, the Immortal weapon from a long time ago would bloom in Chu Kuangren's hand. The boundless blood-colored Buddha ray surged, then the gigantic Resentful Buddha Avatar pressed his palms together, and the

Buddha ray impacted the massive fireball.

The two great forces collided, causing the surrounding void to collapse and the entire Immortal Ancient Battlefield to tremble!

The impact of the energy swept through. Some Immortal Progenies that were relatively close could not resist the force and turned into blood most on the spot.

After the smoke and dust dissipated, Chu Kuangren stood proudly while the Three-Headed Six-Arms Resentful Buddha sat in the void behind him with mighty power.

"It's Heavenly Immortal Weapon!"

Immortal Blazing Day uttered with his expression changed.

There were various grades and ranks among Immortals, so did Immortal Techniques and Immortal Weapons, such as ordinary Immortal Weapons, Hell Immortal Weapons and Heavenly Immortal Weapons.

A Heavenly Immortal Weapon was a rare treasure in the entire Planquilon Immortal World, even Holy Divine Fire Cult did not have any, but Chu Kuangren took out a Heavenly Immortal Weapon!

"D\*mn, why does he have so many trump cards?!"

Immortal Blazing Day was extremely annoyed.

"Although you have an Immortal weapon in your hand, your cultivation base is still under an Immortal. How much power can you cast from this Immortal weapon?!"

“You can block my blow for once, but I don’t believe that you can cast this Immortal weapon to block me numerous times!”

Immortal Blazing Day roared angrily, then activated divine fire again.

Chu Kuangren chuckled indifferently at this time. “Who told you that I only have an Immortal weapon?”

He raised his hand again to take out the Ancient Azure Mirror that rose into the sky and shone at Immortal Blazing Day.

An azure ray burst out, accompanied by Azure Phoenix’s cries. The azure ray hit Immortal Blazing Day, and most of his body was smashed into powder!

Afterward, the resentful Buddha behind Chu Kuangren made an attack. He pressed his palms together to release a blood-colored Buddhist Light and kill Immortal Blazing Day!

All of these happened in a flash of lightning.

Before everyone could react, Immortal Blazing Day had already fallen!

Chu Kuangren defied heaven to kill an Immortal!.

Chapter 973 Leaving Immortal Ancient Battlefield, Seven Chord Guqin Heart, Cloud Nine Insignia Sounds  
Immortal Ember Sun fell!

Such a scene caused a momentary silence on the battlefield.

A resentful Buddha was hanging in the air behind Chu Kuangren with the blood-colored Buddhist Light illuminating the world. Beside him, the ancient Azure Phoenix Mirror’s surface flowed mysteriously, shattering

the mountains and rivers and destroying planets.

“A-Another Immortal Weapon?!”

“This Immortal Weapon looks much more powerful than the Three-Headed Six-Arms Resentful Buddha. One is more powerful than the other. Where did he manage to get so many Immortal Weapons?”

Everyone was stunned.

Immortal Weapons belong to Immortals. Some Immortal Progenies with either profound opportunities or influential backgrounds possessed them too.

However, those were mainly ordinary Immortal Weapons, unlike Chu Kuangren, who owned most Heavenly Immortal Weapons.

The ancient mirror could kill Immortal Ember Sun all at once. It might be even more terrifying than a Heavenly Immortal Weapon to enable an Immortal Progeny to exert such strength!

“That’s Azure Phoenix Mirror?!”

A Yokai Tribe among the crowd had his pupils shrank in horror and was surprised upon seeing the ancient mirror next to Chu Kuangren.

'Why does the Azure Phoenix Mirror, which Honorable Yokai Hall has been looking for, appear in the hands of a Human Tribe?'

'What's going on?'

Chu Kuangren was not aware that someone was envious of him owning Azure Phoenix Mirror. He did not bother even if he was aware of it.

Qing Feng left Azure Phoenix Mirror, and for some unknown reasons, he did not ask Chu Kuangren to return it to him when he left.

However, this Immortal Weapon was powerful. Since Qing Feng did not request it, Chu Kuangren was willing to keep it as a trump card.

He had just used it to kill an Immortal!

"Such frightening Immortal Weapon."

"It is at least the level of a true Immortal Weapon."

"There's still a true Immortal Weapon in Planquilon Immortal World?"

The rest of the Immortals who did not participate in the siege of Chu Kuangren could not help feeling shocked upon seeing Immortal Ember Sun being killed.

Chu Kuangren held two Immortal Weapons, looked at the void, and said indifferently, "Is there any Immortal who would still like to kill me?"

He was provoking Immortals as an Immortal Progeny!

Such a scene surprised countless people.

Chu Kuangren was the only one who dared to do so among present Immortal Progenies.

At this point, the rest of the Immortals did not act rashly. Not far away, the four Immortals besieging Sword Crown were shocked and distracted by Chu Kuangren's combat strength. Hence, Sword Crown seized the

opportunity and broke Prince Yuan's domain Immortal Technique, allowing him to escape.

Sword Crown came to Chu Kuangren's side. "Master, are you alright?"

"A half-crippled Immortal can't harm me," uttered Chu Kuangren.

Sword Crown looked at Chu Kuangren and was shocked like the others, as a half-crippled Immortal was still an Immortal.

"Everyone, do any of you still want to attack me?"

Sword Crown looked at the rest of the Immortals while the sword ray of Azure Lotus Immortal Sword was flowing in his hand. The violent sword intent swept in all directions, making the Immortals fear.

"Retreat!"

Nan Ke was displeased.

The four Immortals have already reached their limits to restrict Sword Crown's movement. As Immortal Ember Sun was dead, and Sword Crown had gotten rid of their restraint, none of the Immortals was willing to

face the resentful Buddha and Azure Phoenix Mirror for the sake of killing Chu Kuangren.

The Immortal Killing Bureau collapsed!

It ended with Chu Kuangren killing Immortal Ember Sun.

"Heh. If no Immortal is willing to take action, we'll leave," said Chu Kuangren indifferently while putting away Azure Phoenix Mirror and resentful Buddha.

It was not that he did not want to deal with the other Immortals who were besieging him, but it was because these Immortals' strengths were far exceeding that of Immortal Ember Sun with a broken arm. He was not

fully confident of winning the battle even though he had Azure Phoenix Mirror, not to mention that Sword Crown's strength has not fully recovered yet.

Following that, Chu Kuangren left with the rest.

Everyone looked at the back of him leaving complicatedly, and understood that there was always someone better than them!

Even a King Immortal Progeny could not stand above an Immortal Progeny.

There was Chu Kuangren who could defy heaven to kill an Immortal!

After leaving Immortal Ascension Pool, Chu Kuangren did not stay in the Immortal Ancient Battlefield, but he went to Heavenly Web City to rest for a few days instead.

At an inn in Heavenly Web City, Chu Kuangren was sitting on one end drinking.

The diner around looked at him with fear in their eyes.

Not many had Chu Kuangren's courage, who dared to appear in Heavenly Web City and drink after offending the Holy City.

However, they accepted the fact that Chu Kuangren had the strength and ability to do so. After all, he was the only one among Immortal Progenies in Planquilon Immortal World who could defy heaven to kill an

Immortal.

"Congratulations, Host! You've won a God-tier item, Seven Chord Guqin Heart."

Chu Kuangren was stunned for a moment while doing his gacha roll.

Seven Chord Guqin Heart?

He had drawn a God-tier item again.

Although he had the blessing of Lucky Halo, the chance of drawing God-tier items successively in a short period was still very small.

He only drew Myriad Divine Lotus Seed a few days ago, and he thought there would not be much gain in the next period.

Unexpectedly, he got a Seven Chord Guqin Heart.

‘Seven Chord Guqin Heart, what is it?’

Chu Kaungren opened the inventory and looked at the introduction.

There were various physiques in the world, but there were also various talented divine abilities, such as Azure Phoenix’s Eye and Moonlight Fox’s Ignoring Restriction...

Seven Chord Guqin Heart was also a talent.

It was a talent regarding Guqin Dao.

A cultivator with this talent has unique conditions on Guqin Dao and could learn all tunes rapidly. Besides, he could easily become a Musical Daoist Grandmaster without much practice, and even a Guqin Immortal.

It was a talent that guqin masters in the world dreamed of.

He was initially a Musical Daoist Grandmaster, but now with the addition of Seven Chord Guqin Heart, he felt that his understanding of Guqin Dao had risen to a new level.

There was a glimpse of surprise in his eyes.

Then, he slowly stretched out his hands and fiddled with them in the void.

At that moment, in the entire Heavenly Web City, all guqin masters’ guqins were automatically played. The guqin music reverberated throughout the city and shocked everyone.

A guqin master gulped and was shocked upon seeing the guqin that automatically sounded in front of him. “It’s affirming one’s Dao through guqin! Someone has affirmed his Dao through guqin and become a Guqin

Immortal. Besides Guqin Crown, there’s another Guqin Immortal in Planquilon Immortal World!”

At this moment, heaven and earth resonated. Guqin Dao Source’s strong and mysterious fluctuation spread out with Heavenly Web City as the center.

Millions of miles away, in a manor by the lake, thousands of guqins resonated, and graceful guqin music circulated.

In the manor, countless guqin masters looked at the guqins in their hands with dull expressions and could not believe what they had just seen.

Ding...

At this time, guqin music resounded from the depth of the manor. Thousands of guqins gradually returned to calm wherever the guqin music landed.

“It’s the manor lord.”

“I never thought that someone else in Planquilon Immortal World has become a Guqin Immortal besides manor lord.”

At an attic deep in the manor, a woman in a long white dress looked at the guqin in front of her and chuckled. “Someone has become a Guqin Immortal after me. Heh. My Dao isn’t alone.”

When the woman was immersed in joy, a dusty guqin beside her suddenly made a sharp zing sound.

The woman’s expression changed greatly upon seeing this scene, and her beautiful eyes widened.

“Cloud Nine Insignia... has sounded?!”.

Chapter 974 I’m The Dao, Upgrading Physiques, Visiting Cloud Nine Insignia Manor

In Heavenly Web City, as Chu Kuangren lifted his hands, guqin music in the city gradually stopped. He fiddled in the void and manipulated all guqins in the world with his hands, thus obtaining the Guqin Dao Source.

Chu Kuangren could now combine his Emperor qi with Guqin Dao Source, plus the talent of Seven Chord Guqin Heart and his aptitude, it would not be long before he was crowned as a Guqin Immortal!

However, he did not do so.

“Guqin Dao. Heh, It’s not my Dao.”

Chu Kuangren shook his head and chuckled.

In an inn, countless diners discussed the sudden guqin music that sounded just now. They were all felt incredible. “There’s another Guqin Immortal in Heavenly Web City?”

“It’s incredible.”

“I wonder which guqin master has affirmed Dao. There’s another Guqin Immortal in the world besides Guqin Crown.”

At this moment, being the center of everyone’s discussion, Chu Kuangren smiled faintly and did not bother. He looked into the distance and mumbled, “There was an inexplicable resonance in the distance when I was affirming my Dao just now.” “It seemed to be... An Immortal guqin?”

“That’s interesting. Let’s go and have a look.”

Chu Kuangren determined his next action target. Sword Crown, Lan Yu, and Lil Fox left the room and approached Chu Kuangren. Lil Fox uttered excitedly. “Boss, did you see it just now? Someone in Heavenly Web City has become an Immortal!”

Chu Kuangren nodded. “Well, yes, I saw it.”

“I wonder who it is that’s such powerful.”

Lil Fox was chattering. On the other side, Sword Crown looked at Chu Kuangren with eyes filled with uncertainty. He felt a source fluctuation that only an Immortal had, from Chu Kuangren, and he once felt it from Guqin Crown.

He had a bold guess upon thinking of the vision just now. While looking at Chu Kuangren, he uttered, "Master, did you cause the transformation just now? Have you become an Immortal?"

Lil Fox and Lan Yu were all stunned as soon as the words landed.

'Chu Kuangren has become an Immortal?'

"The fluctuation just now was indeed caused by me, but I haven't become an Immortal yet. Guqin Dao isn't my way of Dao," said Chu Kuangren.

Hiss...

Lil Fox gasped. "B-Boss, you mean you can become an Immortal, but you just don't want to, right?"

Chu Kuangren nodded slightly. "It's not the right time yet."

Lil Fox and Sword Crown were stunned.

It was the first time they encountered such a person. He could become an Immortal, but he did not want to as it was not the right time yet?!

That was an Immortal!

Countless cultivators had cultivated all their lives to become Immortals!

However, Chu Kuangren was not tempted at all?!

Was he even a cultivator?

"What's your Dao, Master?" Sword Crown asked curiously.

"I'm my own Dao," uttered Chu Kuangren.

Self-empowerment and Invincible Dao!

He was his own Dao!

These were his latest insights, but Sword Crown was slightly confused upon hearing his words.

'He is his own Dao?'

'What Dao is it?'

He had no idea.

Sword Crown shook his head and did not ask further, as it would involve a cultivator's fundamental if he asked.

"Come on, it's time to leave," said Chu Kuangren.

Then, they left Heavenly Web City.

Chu Kuangren researched Lan Yu's Radiant War Immortal Physique and mastered Radiant Combat Source energy during their journey.

In addition to Guqin Source, he had two more source energies, but these were not his greatest achievement.

By studying the Radiant War Immortal Physique, he had mastered some laws of transformation of a Daoist Physique into an Immortal Physique and had taken a big step towards understanding the Tome of Physiques.

The Tome of Physiques first gave Chu Kuangren two abilities. One was to analyze his physiques and utilize others' physiques for his use, and the other was to make perfect use of his physiques.

Now, Chu Kuangren had gradually mastered the third ability of Tome of Physiques through his comprehension, which was to upgrade his physiques!

However, such ability to upgrade was not achieved overnight and needed to be deduced slowly. Chu Kuangren first chose Exquisite Nine Orifices Sword Heart as the experimental object to see if it could be upgraded to an Immortal Physique's level.

An Immortal Physique was already very mysterious. Comprehending the Tome of Physiques was insufficient if Chu Kuangren wanted to upgrade an Immortal Physique.

"Master, where are we going?"

Sword Crown asked during their journey. For some reason, he felt familiar with the path that Chu Kuangren took.

"Some time ago, when I was affirming Dao through guqin, I felt something resonated with me in that direction. I would like to go there and have a look," said Chu Kuangren while looking into the distance.

Sword Crown also looked in the direction thoughtfully. "Isn't that the direction to Cloud Nine Insignia Manor?"

"Cloud Nine Insignia Manor? That's the residence of Guqin Crown," Chu Kuangren uttered surprisingly.

"Indeed. I heard that in Cloud Nine Insignia Manor, there's an ancient Immortal guqin called Cloud Nine Insignia, which is also the origin of the manor's name. However, none in the manor could play the guqin, not even Guqin Crown. Could it be the thing that resonated with you, Master?"

Sword Crown uttered in surprise.

Chu Kuangren was interested upon hearing this. "A guqin that Guqin Crown can't play? That's interesting."

It was indeed an Immortal guqin that resonated with him.

Unless a miracle happened, it was Cloud Nine Insignia in all likelihood.

They heard a lot of news about Cloud Nine Insignia Manor as they gradually approached.

“Have you heard about it? Guqin Crown is recently organizing a Cloud Nine Banquet to find a master for the rumored Cloud Nine Insignia.”

“What? Guqin Crown is willing to hand over the guqin to others?”

“Many years ago, the Cloud Nine Banquet was held once, but none could play the Immortal guqin. Therefore, it has been kept in Cloud Nine Insignia Manor.”

“Tsk tsk, for some reason, Guqin Crown has started organizing the Cloud Nine Banquet again. This time, it has attracted many people and many of those who don’t cultivate Guqin Dao. It’s an Immortal Weapon after all.”

All kinds of remarks entered Chu Kuangren’s ears, making him look forward to this trip to Cloud Nine Insignia Manor even more.

“As a matter of fact, I still have a token given by Guqin Crown’s daughter, Xue Qinxin.” Chu Kuangren held a jade talisman in his hand. “Well, let’s visit her since we’re here.”

Shortly after, he reached Cloud Nine Insignia Manor along with Lan Yu and the rest.

The manor was huge with towers of different heights, and it was also divided into two sections. One was used to welcome guests, while the other core area was where the manor lord and disciples were situated.

“Honorable guests, I’m sorry. Guest rooms in the manor are all occupied currently. Please could you look for another place?”

A disciple said apologetically to several youngsters at the entrance of Cloud Nine Insignia Manor. Those young Immortal Progenies were dissatisfied upon hearing this. “What, we come all the way and don’t even have a place to stay. Is this how Cloud Nine Insignia Manor treating its guests?”

“My apology.”

The manor disciple smiled apologetically. Rooms in the manor were full due to the Cloud Nine Banquet, as too many cultivators came for

“Let’s leave.”

The young Immortal Progenies said dissatisfiedly and wanted to leave.

Chu Kuangren happened to pass by them.

“How are you doing? We’re here to visit the manor,” said Chu Kuangren.

Chapter 975: Perhaps It’s Just A False Rumor, Seeing Xue Qinxin Again

“How are you doing? We’re here to visit the manor.”

The young Immortal Progenies who wanted to leave overheard Chu Kuangren’s words. They looked at him but had no idea who he was as his face was covered with a layer of spiritual veil.

However, it did not stop their eagerness to know what would happen next.

“We can’t get into the manor, let alone him.”

“Daoist Brother, it’s better for you to look for another inn.”

They uttered without much malice.

While smiling helplessly, the manor disciple said, “Brother, I’m sorry. Guest rooms in our manor are all being occupied.”

Chu Kuangren took out the jade talisman Xue Qinxin gave him, then said, “Brother, we are Miss Xue’s friends.”

The manor disciple was stunned for a moment upon seeing the jade talisman. He took it over and pondered for a while, then his expression changed slightly.

“It’s indeed young lady’s jade talisman. Please come with me,” uttered the manor disciple.

The young Immortal Progenies beside were stunned for a moment.

“I didn’t expect he’s the friend of Guqin Crown’s daughter.”

“Tsk, it’s good to have a background.”

They shook their heads helplessly and left.

At a garden in Cloud Nine Insignia Manor, Xue Qinxin gathered with a few young Immortal Progenies, but she was not that interested, and her mind seemed to wander somewhere. A few high-spirited young men were next to her, discussing and talking loudly.

“If you ask me, in today’s Planquilon Immortal World, apart from the Twelve Kings of Immortal Progenies, Brother Yuan Xu and Brother Qin Feng are equally powerful. ”

“Indeed.”

“Brother Yuan Xu is the Great Yuan Divine Dynasty’s prince, whereas Brother Qin

Feng is Guqin Crown’s eminent disciple. They should be respected under the King Immortal Progenies and among the Supreme Immortal Progenies. Moreover, they have the appearance of a king.”

Among these people, both of them were the most notable ones.

One of them had a noble temperament. At first glance, he looked like a high-ranking person who had been in a high position all year round. The other was personable and elegant.

The Immortal Progenies around were touting both of them.

“You guys are giving us far more credit than we deserve.”

“Indeed. There are people out there better than us. We’ll have to be more diligent in improving ourselves and not indulge in complacency.”

Although they said so, their eyebrows raised slightly, and it could be seen that they were proud of the praise.

“Both of you are being humbled.”

“We should learn from both of you for being so humble.”

Xue Qinxin yawned and said casually, “No matter how powerful both of you are, what about comparing yourselves to Chu Kuangren?”

Everyone’s expression stiffened as soon as this statement sounded.

Chu Kuangren...

Of course, they heard of this name which had risen to fame recently and could not help feeling amazed.

Killing King Immortal Progenies one after another?

Defying heaven to kill an Immortal?

Did an Immortal Progeny do these?!

“Chu Kuangren’s ability may just be a false rumor that can’t be taken into consideration,” said an Immortal Progeny with a hollow laugh.

“Oh, a false rumor. Do you mean everyone in the world is an idiot? Are all the incidents of killing Immortals fake?”

Xue Qinxin uttered.

There was another embarrassment when everyone heard this. They would have driven her away if she was not Guqin Crown’s daughter.

“Junior Sister Xue, you seem to regard Chu Kuangren highly. Do you know him?” asked Qin Feng with a smile, but his brows were slightly wrinkled.

Although he was personable in the eyes of others, his bearing was far less than what it seemed.

He was Guqin Crown’s eminent disciple, and he had long coveted Xue Qinxin.

Besides being fond of her appearance, it was more due to her identity as Guqin

Crown’s daughter. As long as he married her, it was almost certain that he would inherit cloud Nine Insignia Manor in the future.

“No, I don’t know him. I’m just casually saying,” uttered Xue Qinxin.

One thing worth noting was that her mother was very dissatisfied with her running away from home last time. If she knew that she was almost dead, she probably would not be able to step out of the manor in the future.

Therefore, she did not mention the danger she encountered after returning. None in the manor knew about her acquaintance with Chu Kaungren.

“Miss Qinxin, people in this world are ignorant, and some things can’t be trusted. My brother is one of the Twelve Kings of Immortal Progenies, so I know very well about a King Immortal Progeny’s ability. There’s almost no match under

Immortals, not to mention killing King Immortal Progenies one after another and defying heaven to kill an Immortal,” uttered Yuan Xu.

He also admired Xue Qinxin like Qin Feng. If he could become a Daoist companion with Xue Qinxin, with Guqin Crown’s help, even if he could not ascend to the

throne in the future, his status in the Divine Dynasty would be significantly improved. As such, he would not fall victim to the battle for the throne.

“Even if there is, some shameful means might have been used.” Yuan Xu thought for a while and added.

Xue Qinxin felt uncomfortable upon hearing his words. “No matter what, he’s not someone you guys can compare to.”

“Miss Qinxin, you...”

Yuan Xu’s face sank slightly, and he seemed to be mad, but he had to suppress his anger due to her identity.

At this moment, a disciple in the manor found Xue Qinxin and said with a jade talisman in his hand, “Junior Sister Xue, your friends are here.”

“Friends?”

Xue Qinxin was stunned for a moment.

Then, her eyes lit up, and she said excitedly upon noticing the jade talisman, “Where are they now?”

“I’ve arranged for them to wait at the inner hall.”

After hearing his words, Xue Qinxin left Yuan Xu, Qin Feng, and the rest.

They looked at each other upon seeing this.

“What kind of friend make Junior Sister Xue value this much?”

Qin Feng uttered with a frown.

“It’s a man.”

The manor disciple said truthfully. A cold look flashed across Qin Feng and Yuan Xu’s eyes upon hearing this.

“Oh, saying that, I’m a little interested. I’d like to see what kind of friend it is.”

“Let’s go and have a look together.”

Although Qin Feng and Yuan Xu were considered rivals in love, they could not allow others to come and compete with them to win Xue Qinxin’s heart.

How could the rest be allowed to intervene when two tigers were fighting?

At the inner hall of Cloud Nine Insignia Manor, Chu Kuangren was drinking tea when a beautiful figure appeared.

It was Xue Qinxin. "Brother Chu, you're here."

"Greetings, Miss Xue."

Chu Kuangren smiled lightly. "I heard that Cloud Nine Insignia Manor is holding a Cloud Nine Banquet, so I came to watch it specially. I remembered Miss Xue's previous invitation, and I came here to visit without prior notice. Please forgive me for any trouble caused."

"You're too kind, Brother Chu."

Xue Qinxin looked at Chu Kuangren with excitement in her eyes.

Since he rescued her last time, his figure had been lingering in her mind for some reason.

She was extremely excited when Chu Kuangren turned up in Cloud Nine Insignia Manor. At this time, she felt that she had a lot to say to him, but she had no idea where to start and hesitated.

Chu Kuangren chuckled upon seeing this. "Miss Xue, may I know where is Senior Guqin Crown now? I have a friend of hers here that would like to meet her." The friend he meant was Sword Crown.

"My Honorable Teacher is in closed-door meditation, she won't be out until the Cloud Nine Banquet starts. Even if she doesn't have closed-door meditation, it's difficult for us disciples to see her, let alone others."

At this moment, a voice sounded.

Qin Feng, Yuan Xu, and a few Immortal Progenies walked into the inner hall. The person who spoke was Qin Feng, and his words clearly stated that none could meet Guqin Crown as he wished..

Chapter 976 He Is Chu Kuangren, Weak In The Knees, I Have Not Lost Yet

"You must be my Junior Sister's friend. My name is Qin Feng. Before my teacher comes out of seclusion, I will be in charge of everything within the manor." Qin Feng smiled faintly and looked at Chu Kuangren before continuing. "I wonder how you came to befriend my Junior Sister?"

The man was hostile toward him.

Chu Kuangren noticed Qin Feng's abnormality, and the corner of his mouth curled up into a grin.

Before he could speak, Xue Qinxin, who could no longer hold it in by the side, said, "Senior Brother, I don't think there's a need to tell you how I met with Brother Chu. It is something between us."

If she told Qin Feng about how she was in danger, it would be equivalent to telling her mother about it.

By then, she would definitely receive a scolding.

CO

“Junior Sister, you know too little about the world. Human hearts are unpredictable and corrupted, so you have to be aware of them. I am saying this for your good,” Qin Feng said. His words obviously indicated that Chu Kuangren was an evil villain. It made Xue Qinxin annoyed and embarrassed. “Senior Brother, what do you mean by that? I am not a child anymore. I don’t need you to worry about me.”

“Miss Qinxin, you should listen to your Senior Brother. You never know what is in a person’s heart. What’s more, this man conceals his face, and he’s not even willing to show himself in front of us. There must be something fishy going on.” Yuan Xu snickered.

Then, his figure flashed, and he tried to destroy the spiritual veil on Chu Kuangren’s face.

“How presumptuous!” Behind Chu Kuangren, Lan Yu had already taken action before Yuan Xu could come near them. She threw out a straight punch.

Now that Lan Yu had inherited the inheritance from a Winged Human Tribe’s elite and had the Radiant War Immortal Physique, she was no weaker than a King Immortal Progeny in any way.

Yuan Xu was only a Supreme Immortal Progeny. When their palms met in the air, the sky shook. Yuan Xu was sent flying backward a few meters, and the rippling Palm qi dissolved the spiritual veil covering Lan Yu’s face. A cold and beautiful face appeared in front of everyone’s eyes.

The crowd was stunned at the sight.

A look of astonishment flashed across Xue Qinxin’s eyes, and then, a sour feeling arose in her heart.

It turns out that Brother Chu had such a pretty lady accompanying him.

Yuan Xu looked at Lan Yu with shock and confusion after her punch sent him flying. Although he was enraptured by her beauty, he was even more surprised by her strength.

After all, he was a Supreme Immortal Progeny. What’s more, he was one of the best among them. He could say that he was only second to the few King Immortal Progenies.

However, Lan Yu had defeated him in one move.

Was she a Supreme Immortal Progeny?

Or, could she be a King Immortal Progeny?

Thinking that her strength was rather remarkable, Yuan Xu did not dare to offend her anymore. He stood still and did nothing to attack.

Qin Feng was also surprised, and he sized up Chu Kuangren in a serious matter. “May I know your name?”

Chu Kuangren snorted. “Do you guys always attack before asking for someone’s name?”

The mockery in his tone was obvious.

While speaking, he dispersed the spiritual veil on his face. A handsome and charming face appeared, causing the crowd to fall in a daze.

He glanced at Xue Qinxin and said, “Miss Xue, I have quite a reputation out there, so I have been covering my face with a spiritual veil. I forgot to disperse it just now, which was my bad. Sorry.”

Xue Qinxin immediately shook her head. “It’s okay.”

In the crowd, an Immortal Progeny fixed his gaze on Chu Kuangren, his pupils trembling. He yelled, “H-He is Chu Kuangren!”

Someone recognized Chu Kuangren.

Within seconds, everyone was in an uproar. One should know that Chu Kuangren’s fame in the Immortal World was at its peak now, unparalleled by anyone. To most of the cultivators and even Immortal Progenies, a man like Chu Kuangren was equivalent to an unattainable God that was out of their reach.

Yet now, this God had shown up in front of them.

“Chu Kuangren, i-it was you!”

Yuan Xu was dumbfounded. Even though he undermined Chu Kuangren just now, a person’s reputation was as important as a tree’s shadow — it could protect the weak from anything. Chu Kuangren’s unparalleled fame was enough to prove how strong he was.

Did he just try to attack such a person?

God!

Did he have a death wish?!

“Yes, it’s me. Do you have any doubts?”

Chu Kuangren raised his eyes and glanced at Yuan Xu. That one glance was enough to make Yuan Xu shiver and feel as if he was drowning in a freezing pool.

How terrifying!

Yuan Xu trembled, and his knees buckled before he fell to the ground. Cold sweat was forming on his forehead.

as

He was so frightened that his knees went weak!

The other Immortal Progenies were struck dumb by this scene.

F\*ck!

That was too scary!

He had traumatized a Supreme Immortal Progeny with just one glance!

Chu Kuangren was on a totally different level from them.

Gulp...

Qin Feng could not help but gulp. He said in shock, “So it was Brother Chu. I apologize for my rudeness.”

He dared not reveal any hostility anymore.

The man in front of him was one who could defy heaven to slay a God!

He had offended the Holy City, the Holy Divine Fire Cult, the Golden Ridge Temple, and even the Divine Beast Tribes of Sycamore Mountain!

His insane acts were inconceivable.

Even though the Cloud Nine Insignia Manor had the Guqin Crown protecting them, they were nothing compared to the few forces up there in terms of origin.

In other words, if he said something wrong, that man could have swung his sword at him if he was pissed off.

Chu Kuangren had offended countless immortal orthodoxies. What was a mere Cloud Nine Insignia Manor to him?

At that thought, Qin Feng felt his legs go weak, and he almost collapsed like Yuan Xu.

“Brother Chu, please ignore them. Since you just arrived at Cloud Nine Insignia Manor, why don’t I give you a tour?” Xue Qinxin said.

Chu Kuangren nodded slightly. “Thank you.” After they left, Qin Feng, Yuan Xu, and the others were still rooted to the ground, in a daze for a long time.

“I didn’t expect someone of this level to come!”

“That’s true. I didn’t expect Chu Kuangren, the man who could turn tides and slay Gods, to show up in our Cloud Nine Insignia Manor.”

“Hey, do you guys think he’s here to join the Cloud Nine Banquet? If so, there might be a good show on the banquet.”

“Tsk, no wonder Miss Xue was so excited. It turns out that her friend is Chu Kuangren. It’s not surprising to fall for such a man.” “I would like to be on good terms with him too.”

A few Immortal Progenies were talking and discussing. Yuan Xu had scrambled up from the ground by then, and his expression looked dark. He was a Supreme Immortal Progeny in the Great Yuan Divine Dynasty, yet he was so scared that his knees went weak. What would people think of him if news of that spread?

However, at the thought of Chu Kuangren’s gaze just now, he could not help but tremble in fear. That man was too scary.

“I’m afraid that even my brother is much inferior to that man. Rumor has it that the man has even killed King Immortal Progenies. It was probably true.”

Yuan Xu thought so helplessly.

He might still have the will to compete with others, but facing Chu Kuangren, he did not even dare to think of it.

“Qin Feng, we lost.” He took a deep breath and said.

Making an enemy out of Chu Kuangren for Xue Qinxin was not worth it.

“No, I haven’t lost yet!”

“As long as I gain the Guqin Immortal’s approval on the Cloud Nine Banquet, my teacher will marry Junior Sister to me. Then, Cloud Nine Insignia Manor will still be mine in the end!” Qin Feng looked determined.

Chapter 977 Exquisite Nine Orifices Sword Heart Upgraded, Cloud Nine Banquet Starts

Xue Qinxin arranged for Chu Kuangren to settle down in Cloud Nine Insignia Manor for the time being. As the daughter of the Guqin Crown, requesting some guest rooms for Chu Kuangren and company was a piece of cake for her.

Inside one of the guest rooms in the manor, Chu Kuangren sat down with his legs crossed. He was activating his Exquisite Nine Orifices Sword Heart, attempting to upgrade the Daoist Physique to an Immortal Physique.

He was almost at the end of the process.

Buzz...

All of a sudden, a profound energy fluctuation emanated from his body, scattering in all directions.

The Descendant Self Sword by his side was the first to react to the energy fluctuation. It shook a little and also released a clear sword chime.

Outside the room, the Sword Crown’s eyes widened. The Azure Lotus Immortal Sword inside him shook, with the urge to fly out from his body.

“This feeling... It’s a Sword Dao Immortal Physique?! Someone is awakening a Sword Dao-related Immortal Physique?! Who could it be?!”

“That direction... Could it be...”

A strange look appeared on the Sword Crown’s face when he felt the source of the energy fluctuation. “It’s... Master?!”

He realized that the more time he spent with Chu Kuangren, the less he knew about that master of his.

First, he used guqin to affirm his Dao, and now, he got himself a Sword Dao Immortal Physique?!

It was beyond him at that point.

“The master really is full of surprises,” the Sword Crown said as he shook his head and smiled.

The mystical energy fluctuations from the evolution of Exquisite Nine Orifices Sword Heart spread further, covering the entire Cloud Nine Insignia Manor. Those sword cultivators who came to the manor for the banquet felt the energy fluctuations in the air, and it put a shocking look on their faces.

“Someone is awakening an Immortal Physique!”

“What kind of Immortal Physique is this? Elysian Sword Physique? Supreme Sword Bone? Or the Indomitable Sword Immortal Physique? But the energy fluctuations don’t feel like any of them..”

All the swords in the respective sword cultivators’ bodies flew out uncontrollably. Each and every one of them flew towards Chu Kuangren’s direction.

A while later, countless swords floated above Chu Kuangren’s room. The sword qi from everywhere gathered as if it came to welcome a Myriad Sword Supreme. Its aura was vast.

The scene shocked a lot of the sword cultivators.

In fact, not only Cloud Nine Insignia Manor, but all the swords within a few-million-kilometers radius had felt the energy fluctuation too and resonated with it with their respective sword chime.

It was as though all swords were welcoming the Sword King!

Even the great ones of Planquilon Immortal World were shocked by the phenomenon.

“This energy... A Sword Dao Immortal Physique is born! And it’s not just any Immortal Physique. It’s probably the highest level of Sword Dao Immortal Physique!” “There are five grades of Immortal Physiques — Common, Mystic, King, Emperor, and Supreme. And this phenomenon can only be caused by a King-grade Immortal Physique or above.”

“Throughout the entire history of Planquilon Immortal World, only a handful of King Immortal Physiques have been recorded. Who could this be? In that direction points to Cloud Nine Insignia Manor. Strange. Isn’t it the place for a bunch of guqin masters?”

The great ones of Planquilon Immortal World could not wrap their heads around the occurrence. However, no matter which techniques they used to deduct, they could not come up with an answer.

Some of them refused to accept the fact and decided to deduce it by force.

However, they all suffered the backlash instead.

“Induceable Taboo?!”

Inside a certain pavilion, an old man with a white beard stared in the direction of Cloud Nine Insignia Manor in shock.

“How could such an outlier exist? There’s nothing in its past or future!”

“Even if he’s the rumored chosen one, he should not bear such fate. Who is this person who has awakened his Immortal Physique?”

A great one reincarnated?

A certain taboo in the universe?

Innate Gods?

The elderly with the white beard had countless thoughts and speculations in his mind, but deep down, he knew this person would certainly be the biggest taboo in the realm.

Back in Cloud Nine Insignia Manor, Chu Kuangren wore a satisfied smile as he successfully upgraded his Exquisite Nine Orifices Sword Heart to an Immortal Physique. He could also sense all the swords that flew over because of that.

"It seems like I'm under the spotlight now." He pursed his lips.

He swung his sleeve, and all the floating swords fell. The cultivators who came to watch quickly went over to catch their respective swords. After that, they looked at the room in awe. "Who's in there?"

"The person who awakened the Immortal Physique must be in there. Who exactly is he? Does Cloud Nine Insignia Manor have someone like that?"

A certain cultivator got curious and decided to find out the truth. His figure flashed and flew towards the room. However, before he could get close enough, a powerful Emperor qi blasted him away like a tidal wave.

"Back away!" A bellow echoed.

Suddenly, a tremendous aura appeared and almost suffocated everyone present. It felt like they had a mountain on their chest.

Everyone present swiftly left the scene.

Further away, a young man in golden robes stared at where Chu Kuangren was. His golden eyes showed a hint of surprise. "I didn't expect a human could awaken a Sword Dao Immortal Physique. What a surprise."

"Not only the Immortal Physique, but this person's strength is also extraordinary. His aura alone forced everyone to back off. Given his strength, even if he is not an Immortal, he should be a Half-Immortal."

Another elderly with golden hair said beside the young man. "A peak-stage Half-Immortal? Hmm. What's there to be afraid of?" The young man shook his head.

"Regardless, we must get the Cloud Nine Insignia. No matter what tricks the Guqin Crown prepared, it won't change anything." Back in the room, Chu Kuangren spent some time getting used to the powers of the upgraded Exquisite Nine Orifices Sword Heart. The Immortal Physique could amplify the sword technique's strength and also help him to gain insights into the Sword Dao's source. It was quite useful but not much.

With his current strength level, the powers could no longer gain a huge boost with just one or two Immortal Physiques.

"The Tome of Physiques allows one to master multiple physiques, but getting too many will only make things messier. It seems like I have to figure out this first," Chu Kuangren muttered.

"Analyze, master, and upgrade... Can I combine all physiques into one? Fuse tens of thousands of physiques into one!" The more he thought about it, the more he believed it should be the next goal in his study on the Tome of Physiques. However, it remained a thought for now as he had not yet figured out a clue.

He should be more patient with it. “I should focus on upgrading all the other physiques to Immortal Physiques first. It might be helpful for me to master more source energies.”

As the thought lingered in his mind, he set his eyes on his Chaos Physique. It was ranked the first out of Three-thousand Physiques in Firmament Star, so it naturally became his next target to upgrade to Immortal Physiques.

If everything went smooth, he should be able to master the Chaos Physique Source.

While Chu Kuangren upgraded his Chaos Physique, the Cloud Nine Banquet finally started. Countless guqin masters gathered under one roof.

Other than the guqin masters, there were quite a number of powerful cultivators as well. They did not cultivate Guqin Dao, but they were still attracted by the Cloud Nine Insignia.

The Immortal Weapon was tempting to many.

On top of that, Cloud Nine Insignia was no common Immortal Weapon. The Guqin Crown once said that the Cloud Nine Insignia might very well be a Heavenly Immortal Weapon.

A Hell Immortal Weapon was already scarce in Planquilon Immortal World, let alone a Heavenly Immortal Weapon. It would even attract the attention of Immortals.

Chapter 978 Divine Dragon Island Dragon Bachelor, The Arrival of Guqin Crown, Cloud Nine Insignia

“I have heard a lot about the Cloud Nine Insignia but never had the chance to see it. Today, I will be able to see it with my own eyes.”

“I agree. I wonder what the legendary Guqin Crown looks like too. I’m looking forward to it.”

All the guqin masters and cultivators gathered at an empty field within the manor just so they could catch a glimpse of the Immortal Weapon.

“The Cloud Nine Insignia is going to be mine!”

Then, a cold voice echoed.

A middle-aged man in white robes slowly came over with a guqin tied to his back. There was energy swirling around him, emanating a powerful source energy fluctuation.

He might not be an Immortal, but he was close to one.

The man was considered a peak-staged Half-Immortal who had started on his Immortal Path.

The crowd was in awe at his arrival.

“It’s him! Guqin Master Tian Yue!”

“I heard he has passed the Ninth Doom of the Three Disaster and Nine Dooms — the Fire Tribulation! He must be powerful, and I heard his strength is only second to an Immortal!” “Aside from the Guqin Crown, this man is the top among the guqin masters! He really has come to the Cloud Nine Banquet!”

Astonishment filled the crowd.

It was at that moment, Immortal Sparks shone further away, and following a terrifying sword intent, a man in green clothes came over slowly.

At his arrival, some of the crowd's pupils shrunk in shock.

"It's him! One of Planquilon's Dual Swords, Dugu Yu of Spiritual Empyrean Mountain! He's one of the Twelve Kings of the Immortal Progenies!"

"I did not expect the presence of a King Immortal Progeny!"

Planquilon's Dual Swords referred to the two most outstanding Sword Dao Immortal Progenies among the younger generations of Planquilon Immortal World.

They were Dugu Yu of Spiritual Empyrean Mountain and the elder senior brother of Dragon Roar Sword Orthodoxy, Ye Feichen. Both of them were also two of the Twelve Kings of the Immortal Progenies.

Dugu Yu scanned the crowd and said coldly, "Someone here awakened the Sword Dao Immortal Physique a few days ago. Who could it be?"

The crowd came to a realization when they heard what he said.

He came because of the Sword Dao Immortal Physique, but that was fair too because Dugu Yu was a sword cultivator.

However, since Chu Kuangren barely stepped out of his room for the past few days, no one knew it was him who had awakened the Sword Dao Immortal Physique.

Dugu Yu's question did not meet with an answer, so he stepped aside quietly. Other than looking for the one who awakened the Sword Dao Immortal Physique, he also came to see the infamous Cloud Nine Insignia. The arrival of Guqin Master Tian Yue and Dugu Yu added more liveliness to the event. Then, more famous guqin masters and cultivators arrived one after another.

"It's Prince Yuan Xu of the Great Yuan Divine Dynasty! He's one of the strongest Supreme Immortal Progenies out there!" "Lady Qing Yue is here too! She's considered one of the elites in Guqin Dao among the younger generation, together with the Guqin Crown's eminent disciple, Qin Feng!" "There's Shang Chanjuan as well! She used to be an eminent disciple of the Guqin Crown as well, but she was said to be an extremist in Guqin Dao and was called the Guqin Demon. The Guqin Crown disliked her, so she traveled the world all year long, but she's finally back now."

Further away in a loft, Chu Kuangren yawned as he watched the younger Immortal Progenies and famed guqin masters show up. "When is this Cloud Nine Insignia going to show itself?"

He, too, had come here for the insignia. As for the others, he was not intrigued at all.

"Mother will come out of closed-door meditation today, so you'll be able to see the Cloud Nine Insignia later. But Brother Chu, do you know anything about guqin?" Xue Qinxin asked out of curiosity.

Chu Kuangren nodded. "I know a thing or two."

The Sword Crown and Lil Fox reacted strangely to his words. One of them rolled her eyes, and the other's mouth twitched.

A thing or two?

He had affirmed his Dao with a guqin already, and yet he was claiming he only knew a thing or two?!

Xue Qinxin was not overly concerned. She simply believed Chu Kuangren and his claim. After all, who would have thought that an Immortal Progeny who had awakened the Sword Dao Immortal Physique and possessed unmatched sword technique could affirm his Dao with guqin.

It sounded impossible.

Roar!

Just as Chu Kuangren was waiting for the Cloud Nine Insignia to appear, a dragon's roar suddenly echoed in the sky.

The cloud rumbled violently, and a golden dragon's shadow appeared with an unmatched aura and terrifying energy that shocked everyone.

Even Chu Kuangren was attracted by the roar. "Dragon Tribe..."

The golden dragon then transformed into a handsome man with golden long robes. His appearance attracted everyone's attention.

"The Dragon Tribe of Divine Dragon Island is here as well?!"

"My goodness. Even the Divine Beast is here for a piece of the cake?"

"There are five attributes of a True Dragon, and his dragon form is golden color, which should be a metal attribute. Tsk, tsk. I have never heard of anyone in the Dragon Tribe who is good at Guqin Dao."

The crowd gasped in awe.

Their eyes glimmered in admiration as they stared at the golden dragon. "I am Jin Yi of Divine Dragon Island, and I am here today for the Cloud Nine Insignia," he said.

His words put a slight frown on some.

Judging from his tone, he seemed determined to get the Cloud Nine Insignia. If they were to go up against him, would it mean going up against Divine Dragon Island?

The thought discouraged a lot of them.

Divine Dragon Island was definitely one of the top forces in Planquilon Immortal World. They originated from ancient Immortal times. Even the Holy Divine Fire Cult and Holy City, both immortal orthodoxies, paled in comparison.

Being on the opposite side would be suicidal if one did not possess some incredible background.

"Only the worthy shall possess the Cloud Nine Insignia. If the insignia acknowledges the True Dragon, it will surely be yours."

A clear voice sounded in response to his words.

Then, a lavender-colored guqin surrounded by Immortal Sparks came down from the sky and stopped in front of everyone. Its vast aura swept across the field and forced a lot of the guqin masters and cultivators backward. A fluttering figure flew out from the mountains and appeared beside the lavender-colored guqin. She was in a white long, simple but elegant dress. No heavy makeup was put on, and yet her fairy-like beauty impressed everyone present. The lady was none other than the famed Guqin Crown.

The guqin before her was the reason why the crowd gathered. It was an ancient Immortal guqin that was said to be played by none — the Cloud Nine Insignia.

“Is this the Cloud Nine Insignia? It really lives up to its name.”

“A great Immortal guqin with magnificent Immortal Sparks.”

The crowd looked at the guqin with a blazing gaze.

Jin Yi’s eyes almost shone like gold as he stared at it. “Sycamore wood as its front and taxus as its foundation... This is the legendary Immortal guqin, Cloud Nine Insignia!”

“Great eyesight you have there, Dragon Bachelor. But in order to play this guqin, it will depend on your capabilities,” the Guqin Crown said.

With a fling of her sleeve, a stone table appeared, and the Cloud Nine Insignia was put on it. Then, restriction seals were set up around the guqin, intersecting like the strings of the guqin.

“Fellow cultivators, since the Cloud Nine Insignia is here, let the Cloud Nine Banquet begin. However, no mediocre cultivators are allowed to lay a finger on it. Those who wish to play it must first get past my restriction seals,” the Guqin Crown said before she stepped aside.

Xue Qinxin walked up to her from not far away.

“Mother, you are finally out.”

“Mmhm.” The Guqin Crown nodded with a smile. Following that, she noticed Chu Kuangren and company behind her daughter.

Her eyes widened when her eyes landed on the Sword Crown. A deep breath later, she said, “Li Juexin, you’re finally back.”

“Hi, old friend. It’s been a while.” The Sword Crown smiled.

The Guqin Crown then looked at Chu Kuangren with intrigued eyes. “If I am correct, this handsome young man here must be Chu Kuangren.” “Greetings, Guqin Crown.” Chu Kuangren bowed.

“Sword Crown, you have really become his follower?”

“Yes.” The Sword Crown nodded.

The Guqin Crown then carefully sized up Chu Kuangren. “You must have something great to make the Sword Crown your follower. Apologies for not welcoming you in the past few days as I was in closed-door meditation.”

“You are too kind, Guqin Crown. Ms. Xue here welcomed us with open hands, and we are grateful for that,” Chu Kuangren said with a smile.

A few courteous exchanges later, they directed their attention to the Cloud Nine Banquet.

Chapter 979 The Fight For Cloud Nine Insignia, Useless Technique, Dragon Bachelor’s Snatching Forcefully

Due to the restriction seals set up by the Guqin Crown, many other guqin masters and cultivators were denied entry. Only a handful of participants were capable of breaking through the restriction seals to get closer to the Cloud Nine Insignia for a chance to play it.

Among those qualified, Guqin Master Tian Yue was the fastest.

His figure flashed, and the Guqin Dao source energy around him rumbled as he dashed into the restriction seals. None of the seals were able to stop or slow him down.

A moment later, he appeared in front of the Cloud Nine Insignia.

“This guqin is mine.”

Delighted, he reached out to the guqin.

His fingers struck the strings, but at the next moment, the delight on his face changed.

The guqin did not move or make a sound.

“Hmph! I refused to believe there is a guqin that can’t be played. I must put more of my power into playing it!” As the look on his face sank, the source energy in his body infused into the guqin, attempting to force it to make a sound.

However, his efforts were futile. No matter how much source energy he infused in it, the Cloud Nine Insignia did not react.

“Impossible! I’m a peak-stage Half-Immortal! My Guqin Dao Source energy is only second to the Guqin Crown! Yet, there’s a guqin in this world that I can’t play? “Impossible!”

There was a mix of shock and gloom on his face.

It was then a terrifying sword intent erupted and tore the restriction seals. The King Immortal Progeny of Spiritual Empyrean Mountain, Dugu Yu, had come to the guqin.

He knew nothing about Guqin Dao, but he wanted to try if he could play the Cloud Nine Insignia. If he somehow managed to make it sound, it would be a surprise harvest.

Excited, he went up and struck the strings, but it was useless. The guqin did not react at all.

“As expected.” Dugu Yu shook his head sentimentally.

After that, he stepped aside as he was no longer interested.

The other famous guqin master broke the seals one after another and got to the guqin. Nevertheless, none was able to play it. "This guqin is an unusual one. Normal playing technique won't make a sound from it, but using one's Guqin Dao's insights might work," Qin Feng said as he placed his hand on the guqin.

He tried to gain insights into the mystical powers of the Guqin Dao contained in the Cloud Nine Insignia.

The others were intrigued by the scene.

"That's a great idea. We can use our Guqin Dao to try and gain insights into it!"

"Maybe it will work."

The others channeled the Guqin Dao source energy from within, including their insights of Guqin Dao, to try to play the Cloud Nine Insignia.

However, no matter what they tried, nothing worked. The Cloud Nine Insignia did not respond at all.

Further away, the Guqin Crown shook her head. "If it's that easy, this whole event would be a child's play."

She did a swift scan over the crowd. The anticipation in her eyes, however, only lasted for a moment before she looked away in disappointment.

Xue Qinxin asked curiously, "Mother, what's wrong?"

"A while ago, someone in Planquilion Immortal World successfully ascended into a Guqin Immortal, and that person's Guqin Dao's source energy fluctuation resonated with the Cloud Nine Insignia.

"This is one of the reasons why I held the Cloud Nine Banquet, hoping to attract that person's attention. That person might very well be the owner of Cloud Nine Insignia. But unfortunately, I don't see this person here," the Guqin Crown said with a shake of her head.

Upon hearing her, Lil Fox and the Sword Crown could not help but glance at Chu Kuangren.

Others might not know, but not them.

The Guqin Immortal who resonated with the Cloud Nine Insignia was just in front of them!

However, Chu Kuangren did not react or say anything. Hence, the two of them decided to remain quiet as well.

The Sword Crown glanced at his friend, the Guqin Crown. Deep down, he chuckled and thought, "Oh my, oh my, my friend. You would never have thought that the Guqin Immortal you are looking for is just right beside you!"

He did not make it verbal, though. He wanted to see the look on her face when she found out the truth later.

Back at the banquet, the guqin masters and cultivators took turns trying to play the Cloud Nine Insignia, but none was successful.

At that moment, a dragon's roar echoed in the sky. Jin Yi of Divine Dragon Island came to the guqin and reached out for the strings.

His source energy erupted, and he wanted to play it by force. However, a surge of powerful repulsive energy blasted him backward.

"This Immortal guqin really does live up to its name, and that's why it is valuable enough to be a bridewealth," Jin Yi said and smiled.

When the crowd heard him, they were curious.

Bridewealth?

What bridewealth?

However, before they could think further into it, Jin Yi grabbed the entire guqin, seemingly trying to take it by force.

Everyone was shocked

"How audacious!"

"Dragon Bachelor, how can you do that?!"

The crowd tried to stop Jin Yi from taking the Cloud Nine Insignia by force, but he returned them a fierce glare. He said coldly, "I don't care whether it can be played or not. I am taking this Cloud Nine Insignia. Are you people trying to go against the Divine Dragon Island?"

His words rendered the crowd speechless.

Go against the Divine Dragon Island?

Not unless they had a death wish.

However, it did not alter the fact that the Cloud Nine Insignia was a rare Immortal Weapon. If they would just give it up like that, it would tear them apart internally.

"Whatever. I can't play this Cloud Nine Insignia anyway. There's no point for me to oppose the Divine Dragon Island for something I can't use."

"You're right. Let's just retreat for now."

Some guqin masters stepped back with a sigh.

Even the eminent disciple of Cloud Nine Insignia Manor, Qin Feng, was forced backward by Jin Yi's powerful aura.

Albeit unwilling, he did not have the courage to oppose Jin Yi. Aside from the forces behind the golden dragon, Jin Yi was already a King Immortal Progeny. He would never be a match.

Only a lady remained standing in front of Jin Yi. The lady wore along, black dress and had a black guqin in her hands.

"This guqin belongs to Cloud Nine Insignia Manor. No one is allowed to take it away without the permission of the manor lord or Immortal guqin," the lady said. The lady was the other eminent disciple of the Guqin Crown, Shang Chanjuan. Rumor had it that Shang Chanjuan chose an extreme way on the path of Guqin Dao and received the cold-shoulder treatment from the Guqin Crown.

Ironically, she was the only one bold enough to stand up against Jin Yi to protect the pride and name of the Cloud Nine Insignia Manor.

"Oh? Trying to stop me, I see? Do you have what it takes?" Jin Yi smiled coldly.

Then, he raised his hand, and his rampant Dragon qi's energy fluctuation exploded into a golden torrent that gushed towards her.

Shang Chanjuan dared not take the attack lightly. She played her black guqin strongly, her fingers dancing on the strings like heavenly demons on the loose. Guqin energy fluctuations fired towards the golden torrent.

However, the golden torrent crushed the guqin energy fluctuations and went straight for Shang Chanjuan, blasting her a few hundred meters away. Jin Yi raised his hand again, and the powerful Dragon qi transformed into a dragon's claw, which went after Shang Chanjuan again.

"This is bad!" The look on Shang Chanjuan's face changed.

Just when she thought she would be killed, a melodious song sounded and negated the powerful dragon's claw attack. "This energy... It's the Guqin Crown! You finally made a move."

"Dragon Bachelor, you are still in Cloud Nine Insignia Manor's property. Not only have you disregarded the rule, but you've even attempted to hurt my disciple. This is unacceptable," the Guqin Crown said as she sauntered over.

"I said, I am taking this Cloud Nine Insignia."

A figure then appeared behind Jin Yi with a tremendous Immortal aura that swept across the land.

Chapter 980 Cloud Nine Insignia Resonance, One Strike At The Dragon Bachelor, I Am Your Master

A golden-haired elderly suddenly appeared behind Jin Yi followed by a powerful Immortal aura that swept across the land.

The crowd was shocked by his arrival, even the Guqin Crown had a gloomy look on her face.

"It seems like the Divine Dragon Island came prepared."

"It is imperative that we get the Cloud Nine Insignia," the golden-haired elderly said coldly. "It depends whether the Divine Dragon Island has what it takes to take it away from me," the Guqin Crown answered with a hmph.

The Cloud Nine Insignia was her favorite. She could devote herself to finding a true master for the guqin, but she could not bear watching others snatching it by force.

The energy of the Dragon Immortal and the Guqin Crown clashed, unleashing a horrifying aura around the field that sent the guqin masters and cultivators flying. "Holy moly. The Cloud Nine Banquet is turning into a battle between Immortals!"

"Things are getting interesting." The Guqin Crown and the golden-haired elderly disappeared from the spot and clashed in the air, where a loud explosion followed.

A guqin appeared in the Guqin Crown's hands.

She struck the strings with her slender fingers, blasting out guqin music.

The Dragon Immortal bellowed and swung his hands in a flurry. Waves of terrifying Dragon qi erupted one after another and tore the soundwaves into nothing. The battle between Immortals was unlike anything else.

Their aura enveloped heaven and earth.

On the other hand, Jin Yin reached out to the Cloud Nine Insignia since the Guqin Crown was engaged.

This time, no one would be able to stop him.

However, guqin strings suddenly appeared out of the void and stopped him.

"This is the restriction seal from the Guqin Crown? Hmph! An Immortal might be powerful, but this was set up in a hurry. How powerful could it possibly be? It's a futile effort," Jin Yi said with a grunt.

Dragon qi erupted and transformed into a giant dragon claw.

The restriction seals trembled, but they held up against the attack.

Jin Yi narrowed his eyes. "Oh, it seems like I have underestimated you, Guqin Crown, but this is it."

He pulled out his golden spear with Immortal Sparks around it, which was obviously an Immortal Weapon.

"Break!"

Jin Yi thrust the spear at the restriction seals. Given its status as an Immortal Weapon, the strike successfully broke the seals.

"Qin Feng, lend me a hand and stop him!" Shang Chanjuan said to Qin Feng.

However, Qin Feng looked hesitant as he said, "Don't waste your energy. We are no match for him. The Cloud Nine Insignia is useless to us anyway. Just let him take it."

Shang Chanjuan widened her eyes in disbelief. "Qin Feng, the Cloud Nine Insignia is the teacher's favorite guqin. Are you just going to stand and watch that bastard snatch it away? You are bringing shame to the teacher's name by not doing anything! "Fine. If you won't do anything, I'll do it myself!"

Shang Chanjuan attacked again.

With a grunt, Jin Yi released a blast of Dragon qi and sent her flying.

"Know your limits," Qin Feng said with a shake of his head.

The other disciples of the manor could not help but frown at the situation.

Although Shang Chanjuan was no match for Jin Yi, she was once a member of Cloud Nine Insignia Manor.

As the eminent disciple of Cloud Nine Insignia Manor, not only did Qin Feng do nothing, but he even teased and mocked Shang Chanjuan.

Was the man really the Elder Senior Brother they knew?

His reaction was disappointing.

Bang! Bang!

Several restriction seals were broken.

“Finally.”

Just when Jin Yi tried to put his hand on the Cloud Nine Insignia, the ancient Immortal guqin shook and made a loud noise.

As its strings tremble, a powerful soundwave erupted! Dealing with the brunt of the soundwave, Jin Yi was blasted away.

The scene left everyone in awe.

Even the Guqin Crown and the Dragon Immortal were forced to pause their fight and look at the Cloud Nine Insignia in shock.

The Immortal guqin then floated up in the air. Immortal Sparks sparkled brightly as a tremendous aura of an Immortal Weapon emanated outward like a torrential wave.

“The Cloud Nine Insignia... sounded?”

Guqin Master Tian Yue was shocked.

Everyone else shared the same look on their faces.

The ancient Immortal guqin that has never released a sound finally sounded!

“What’s going on? Why is it sounding?”

“No one is playing it!”

“Can anyone tell me what’s going on?”

“Look! Look at that person!”

At that moment, one of the cultivators cried out in shock.

A young man in white robes walked out from the crowd and slowly headed towards the Cloud Nine Insignia. The man’s handsomeness was peerless, and the Immortal Sparks around him sparkled brightly. Every move he made contained elegance that was out of this world.

More importantly, the source energy of Guqin Dao was swirling around him and resonating with the Cloud Nine Insignia!

At that moment, everyone finally knew that the Cloud Nine Insignia chimed because of him!

He was the master that the Cloud Nine Insignia has been waiting for.

“It’s him!”

Yuan Xu, Qin Feng, and the others looked at Chu Kuangren in awe.

At the same time, someone in the crowd recognized him.

“It’s him! He’s Chu Kuangren!”

“He’s here at the Cloud Nine Banquet? The mystical Guqin Dao source energy is so powerful! He’s also a master of Guqin Dao?!”

“Not only that, but he even resonated with the Cloud Nine Insignia!”

The crowd gasped in awe.

The Guqin Crown also looked at Chu Kuangren in shock. “The Guqin Dao energy fluctuation... He’s the Guqin Immortal from before!”

“It’s him...” Xue Qinxin’s mind went blank.

Chu Kuangren claimed that he only knew a thing or two about guqin, and she believed him.

Could anyone explain to her what was going on? He knew a thing or two, yet he resonated with the Cloud Nine Insignia!?

Chu Kuangren walked towards the Cloud Nine Insignia. The strong Guqin Dao Source energy fluctuation spread across the entire manor. All the guqin on the scene automatically released melodious sounds as if a pair of invisible hands were playing them.

The resonance of a myriad of guqins!

“Trying to take the Cloud Nine Insignia? In your dreams!” Jin Yi grunted.

He was determined to get the guqin. As such, he channeled his Dragon qi and infused it into his Immortal Weapon before he thrust it towards Chu Kuangren. However, the golden-haired Dragon Immortal in the sky reacted differently.

“No!”

Nevertheless, it was too late.

Chu Kuangren put up a sword hand sign and simply drew in the void. With the help of his dozen source energies, it transformed into a violet sword ray.

As the sword ray traveled forward, violet lotuses bloomed in its trail.

It moved forward with a destructive force that crushed the golden Dragon qi, and Jin Yi failed to escape in time. He was slashed into half by the sword ray!

The strike shocked everyone present.

Jin Yi was an Immortal Progeny of the Dragon Tribe! He was as powerful as King Immortal Progeny, and yet he was cut in half by a simple strike!

What kind of power was that?

“Killing a King Immortal Progeny with a simple strike? The rumors about this man are true!” Yuan Xu said with a nervous gulp.

Qin Feng was rendered speechless, and he felt extremely helpless in front of Chu Kuangren.

He lost in terms of power, talents, and even looks.

He thought that if he could somehow play the Cloud Nine Insignia, he might stand a chance to win Xue Qinxin’s heart from Chu Kuangren.

Now, even the Cloud Nine Insignia sounded for Chu Kuangren!

Qin Feng was defeated!

He had lost in every possible aspect!

Chu Kuangren stood in front of the guqin and touched the body. The guqin trembled softly, and its melodious sound continued to echo.

“You rang because you wanted to get my attention?” Chu Kuangren mumbled.

The Cloud Nine Insignia continued to shake as if it was trying to answer Chu Kuangren. “Very well. If that’s your answer, from today onwards, I will be your master,” Chu Kuangren said softly.
