Chapter 2

Chapter 2 El leaned in close to his younger sister Noelle and whispered .

Stay here .

Ill grab you something to eat .

But before she knew it , he vanished like a gust of wind and never came back .

Noelle looked around , but there was no sign of him .

With nothing else to do , she decided to tidy up her room .

Thanks to her past experience working in housekeeping , she moved quickly and efficiently .

The maids , hearing the sounds of things being moved around- longs and clangs -curiously gathered .

They watched as Noelle , small and nimble , darted back and forth , moving furniture and boxes with ease .

My god Miss Anderson , youre actually cleaning up yourself ? one maid exclaimed , her voice full of disbelief Mary Noelle greeted with a bright smile , her eyes narrowing into crescent moons .

I was bored , so I figured Id tidy up a line But those boxes look heavy ! another maid said , staring at the large boxes outside .

Normally , it took two grown men to move these things , but here was Noelle , a small girl , handling them like it was nothing .

Oh , its fine .

Theyre pretty light , actually ! Noelle shrugged and easily lifted the top box to prove her point .

The maids stared in shock , mouths hanging open like they had just seen a miracle .

Holy crap , this girl is a freaking powerhouse ! they thought My god ! The rooms spotless ! One maid stepped inside and was completely stunned to see the once messy storage area now gleaming clean .

The Boor was so shiny , you could see your reflection .

The others crowded in , eyes wide , and confirmed it was cleaner than theyd ever seen it .

Miss Anderson , how did you do all this ? the maids asked , their faces full of astonishment These women were professionals , and it would have taken them hours to clean up such a mess .

But Noelle ? Shed done it in no time .

Noelle , noticing their wide eyed expressions , placed her hands on her hips and proudly lifted her chin .

Heh , I used to work as a housekeeper , so I know how to clean fast and efficient .

What responsibilities ? What obligations ! Vincent sighed and explained slowly .

The Anderson family and the Sawyer family made a marriage agreement a long time ago .

When our familys heiress comes of age , she has to marry the youngest heir of the Sawyer family .

In short , youre going to marry Nicolas Sawyer , the third young heir of the Sawyer family .

Oh ! Noelle finally understood , then asked , frowning , But doesnt marriage go in order ? My sisters older than me , shouldnt she be the one ? Vincent looked stern .

Shes not blood related to the Anderson family .

You , on the other hand , are my real daughter .

This responsibility falls on you After hearing this .

Noelle , though reluctant , had to admit her father made sense .

She sighed and reluctantly nodded .

Fine , Ill marry As if afraid Noelle might suddenly change her mind .

Vincent immediately reached out to the Sawyer family .

Soon , word came from the Sawyer family that Nicolas wanted to meet her first .

Vincent agreed without hesitation .

The next day , Noelle was dropped off at the door of a luxurious villa , Nicolass private residence .

After the Anderson familys driver left , he disappeared quietly .

Just then , a man in a suit with gold rimmed glasses , looking every bit like a secretary , approached her with a smile .

Politely , he said to Noelle , Miss Anderson , Mr.

Nicolas Sawyer is waiting for you inside .

Please follow me .

Thanks Noelle nodded politely .

The man raised an eyebrow slightly , a flash of pity crossing his face .

This girl seemed so innocent and naive he couldnt help but wonder if she could handle what was coming her way .
