She quickly stepped forward , flashing an apologetic smile at the sales assistant before pulling Noelle aside .

Sweetheart , what on earth were thinking ? she whispered .

e you Huh ? Noelle tilted her head , her round eyes wide with confusion .

Whats wrong ! Didnt you tell me to pick out clothes ! I just thought itd be a hassle to choose one by one , so I figured Id take the whole row , That was how she used to shop quick , easy , and efficient .

Looking at Noelles innocent expression , Kimberly was at a loss for words .

Is something wrong with her head ? she wondered .

Kimberly had purposely avoided her usual stores and gone up few classy outfits suitable for formal occasions .

extra floors to avoid bumping into acquaintances .

The goal was simple pick up a The starting price here was 100 thousand dollars per piece .

Kimberlys plan was to buy one outfit for each daughter , with a budget of about 500 thousand dollars .

Of course , she could stretch it to 650 thousand dollars if they found something special .

But Noelle , without hesitation , wanted to buy an entire rack .

This wasnt some clearance sale at a supermarket ! Leia , equally stunned , stepped in with a calm , elder sisterly demeanor .

She approached Kimberly and Noelle and said gently .

Noelle , you cant be so impulsive .

part of the Anderson family , you need I know this might be your first time shopping in such a high end store , and its exciting , but now th that youre p to act with some restraint Buying like this could make us look bad .

Its like we dont know any better .

Do you understand ? Oh .

Noelle blinked , processing Leis words .

She didnt quite get what made this store so special or why Leia was suddenly asking her to act with some restraint But she decided to let it go .

Shed already learned that the Anderson family didnt think like normal people .

Trying to figure out their logic always left her feeling dirty , Leia liked to talk , so she probably had a point somewhere in all that .

Leia ..

Kimberly glanced at her , impressed .

Leia had taken it upon herself to guide Noelle , showing the maturity and poise of an older sister .

Not long ago , Lea had been heartbroken after learning she wasnt the Andersons biological daughter .

Yet now , she seemed to have adjusted and was doing her best to fill her role as a good sister .

Kimberly couldnt help feeling proud of her .

Kimberly glanced at Noelle , briefly tempted to compare the two girls , but she stopped herself , No , no , she thought , shaking her head .

Noelles had a different life shes been out in the world , so its only natural shes picked up some bad Maybe shes a bit self centered and impulsive , but as her mother , I need to be understanding and patient .

Lrian undoubtedly more polished , but if 1 , as their mother , start showing favoritiun , how will the children feel it would hurt them both .

Noelle has her flaws , but shes also shown her potential she ace that test , after all .

I need to focus on her strengths and help her being a good mother is all about ! grow .

But a twinge of sadness lingered in her heart .

Noelle just caused such a scene , but Mom didnt seem upset not even a little .

She wasnt annoyed or embarrassed .

Blood really does make a difference .

Leia thoight to herself Since Kimberly mentioned theyd d be visiting several more stores , Noelle only chose one item this time .

Mom .

Noelle said , holding up the dress she had picked ..

Kimberly smiled and nodded .

If you like it , try it on in the fitting room .

Okay , Noelle said , following a sales assistant to the fitting room .

Leia , having already made her selection , went to try hers on as well .

Le was the first to step out , dressed in a flowing pale yellow gown that highlighted her elegant figure .

She looked every bit like an exquisite little princess The sales assistants immediately crowded around her , offering glowing compliments .

This dress looks like it was made just for you , miss .

Its perfect ! Miss , it brings out your elegance beautifully Many customers have tried this dress , but no one has worn it as gracefully as you .

Your figure is absolutely stunning Leia soaked up the praise , feeling a swell of pride .

So what if Im not the Andersons biological daughter ? After all these years of upper class upbringing .

Im more refined than Noelle could ever hope to be , she thought .

With a confident twirl , Leia turned to Kimberly and smiled .

Mom , what do you think ? Does it look good on me ! Its gorgeous .

Kimberly said warmly .

You look beautiful in everything .

Leia .

Shall we go with this one ? Tll leave it up to you , Leia replied , her tone demure .

The dress was a designer piece , part of a limited edition , priced at 190 thousand dollars -a perfect price without being excessive .

Kimberly nodded , satisfied with the choice .

Then , realizing Noelle still hadnt come out , she glanced toward the fitting rooms and frowned slightly .

Well , why hasnt Noelle come out yet ! As if on cue , Noelles voice called out from behind the door , sounding a little helpless .

Mom , I cant figure out how to put this on Everyone in the store tried to stifle their laughter .

Kimberly felt a flush of embarrassment rising , wishing Noelle wouldnt draw attention in such a way Leia rolled her eyes internally , enjoying the moment .

How typical .

Noelles making a fool of herself again .

Shes completely out of her depth here , she thought smugly Thankfully , the staff in high end stores were highly professional .

Instead of laughing , one of the sales assistants turned to Kimberly with a polite smile .

Madam , would you like me to assist her ? Yes , thank you Kimberly replied , her tone composed despite her discomfort ..

Its no trouble at all , the assistant said graciously , heading toward the fitting room A few moments later , Noelle finally stepped out .
