But what Noelle did next took everyone by surprise , Without missing a beat , she stared at Miriam Clark , her cheeks flushed slightly , leaned in , and whispered .

Miss , you might wanna fix that .

Your underwears hanging out She kept her voice low , but everyone could hear her loud and clear .

Bryan and Miriam were both at a loss for words .

It was clear Noelle had a totally different way of seeing things .

After a brief , awkward silence , Miriam let out a laugh .

She quickly adjusted her clothes , gave Noelle a playful pat on the shoulder , and smirked Youre a little firecracker , huh ?

Without waiting for Noelle to say anything back , she turned and walked out , her hips swaying .

Miss Anderson , Mr.

Sawyer is probably still in the bath .

Please , make yourself comfortable inside , Bryan said , offering her a small , polite smile .

Alright Noelle replied , stepping into the room .

She turned back and asked , Mr.

Kingston , you not coming int I leave your to it .

Bryan nodded and gently closed the door behind him .

The large room was now empty , except for Noelle Hored , she sat on the edge of of the bed , tapping her fingers on the mattress while waiting for Nicolas to make an appearance About ten minutes later , the bathroom door creaked open .

A tall man wrapped in a white bathrobe emerged from the steam , droplets of water sliding down his sculpted face .

They traced his collarbones before disappearing beneath the role .

There was something so effortlessly sexy about him Lazy and teasing , making it almost impossible not to stare .

Noelle couldnt tear her eyes away .

This guy ... is fucking gorgeous , she thought .

Sure , her brothers from the Anderson family were good looking too , but this guy ? He was in a whole other league .

Staring into Noelles wide , unblinking eyes , Nicolays lips curved into a lazy grin .

His voice , deep and magnetic , had a certain relaxed charm to it So , youre Vincent Andersons real daughter , huh ? Noelle Anderson ? Noelle snapped out of her daze and nodded quickly , Yep , thats me ! Did you just see Miriam he asked , keeping the conversation going Are you talking about the lady who just stormed out of your room ! Noelle askeil , her curiosity piqued .

Veal , that one , I saw her .

His face was barely inches from hers as he casually said .

Ive already slept with ber Wait what Noelles eyes went wide .

Nicolas raised an eyebrow , clearly pleased with the reaction .

whats your take on that ? You ... you two ... Noelle blinked in shock , then asked bluntly .

You already did it in the middle of the day , and you can sleep at night Nicolas was completely at a loss for words .

This girl is so damn innocent , its almost painful , he thought , feeling a mix of disbelief and amusement He took a deep breath , clearly deciding on something Without any warning , he leaned in , pinning Noelle against the soft bed She barely seemed to notice the danger as she looked up at him , now hovering over her .

Her eyes were full of confusion .

Why are you on top of Nicolas exuded a relaxed , seductive vibe , his body drawing closer to hers .

He spoke slowly , his voice thick with temptation Miss Anderson , it seems like you dont know much about these things .

I figured Id show you a few pleasures only grown ups understand If it were any other woman with a bit of fire , she wouldve slapped him and walked out .

If it were a more sensitive woman , shed probably be crying by now If it were one of those women the moment omen who were familiar with such things , they wouldnt have run off or broken down in tears , theyd be too caught up in But Noelle ? She was n was none of that .

As soon as she heard the words pleasures only adults understand her eyes practically sparkled with excitement .

Wait , is it what I think it is ! You mean , like , having sex !! She e didnt get the whole sleeping thing , but sex yeah , she was all over that .

Seeing the eager look on Noelles face , Nicolas couldnt help but blink in disbelief .

This girls mind is on another planet Hed originally meant to scare her off with this , thinking hed use it to cancel the engagement with the Anderson family .

But now ? Things were definitely not going the way he planned .

How do we do it ? Come on , hurry up Noelle said eagerly , then suddenly flipped him over and pinned him to to the b bed .

She straddled him , hands reaching for his bathrobe , and asked , dead serious .

Do we need to take off our clothes first In her eighteen years , Noelle had dabbled in a lot of things and excelled at just about every one of them .

She had reached the top in almost every held .

But because of her age , the mysterious man trapped in her necklace had strictly forbidden her from anything related to sex Now that she was of legal age , and the timing couldnt be better , Noelle had made up her mind to seize the moment and experience everything shed been told to avoid until now Nicolas never expected this girl to be more impatient than any man hed ever met .

Holding onto his bathrobe like his life depended on it , he gave a sarcastic smile and said , Do you even get it I just had physical contact with that woman , and you dont care ? Doesnt it gross you out ! I dont mind ! Noelle responded , her face completely innocent .

And besides , you just showered , so youre not dirty ! Nicolas froze , his mind utterly blank for a second .

What the hell is this girl on about ? His eyes widened , and he stared at her in stunned disbelief He couldnt even form a coherent thought in the moment This girls brain works on a whole different level .

Totally out of left field , he thought .

And ... How the hell is she so strong ! Nicolas was genuinely shocked to realize he couldnt overpower this tiny girl on top of him .

As he felt himself on the brink of losing control , he took a deep breath and said , his voice low and warping .

If you dont stop right now , Im not teaching you that thing anymore He figured this strange girl had no clue what he was talking about Sure enough , the moment the words left his mouth , Noelle immediately stopped .

She pouted , clearly frustrated , and asked , Why do I have to stop ! Didnt you say you were gonna teach me ? 2/3 Chapter 3 upon Finally breaking free from her grip , Nicolas casually sat her up on the bed , brushing off her question with a lazy , indifferent tone .

Tu tired from ember Cant teach you right now .

What Noelle face instantly tell into disappointment .

So when can you teach me then Now Nicolas was really starting to feel exhausted .

Noelle always had such a refreshingly bizarre way of thinking .

She was completely different from everyone else .

He glanced down at Noelle , still sitting on his lap like she was completely at ease .

She was still clutching his bathrobe , looking all delicate and sweet , When she was quiet , she looked like a perfectly pored doll , but the moment she opened her mouth , everything changest For some strange reason , a new , unfamiliar feeling surged inside him .

Suddenly , he found himself intensely curious about her .

A slow , amused smile spread across his lips , and his voice softened as he said , You , little weirdo , are one hell of a unique oddity
