

Unwanted Girl Spoiled By Billionaire

Chapter 5

Chapter 5

Chapter 5 Nicolas didnt really take Noelles words to heart .

The weird stuff she mentioned sounded more like some wild daydreams pretty hard to believe After dinner , he drove her to the gates of the Anderson family villa .

Noelle jumped out of the car like it was nothing , then quickly spun around and slammed the door shut Her bright eyes were full of excitement as she looked at him .

Hey , Nick , when can we hang out again ! Nicolas had planned to use this meeting to shut down the rumors about the families potential marriage , but Noelle showing up threw that idea right out the window .

She looked all sweet and innocent , t , but there was this sharpness about her .

Being around her , though , was oddly fun .

He paused for a second , then looked up at her with a lazy grin , the kind that made her heart skip a beat .

Whenever I have some free time , Ill come find you .

So whens that gonna be Noelle pressed , her voice sounding a little impatient .

Nicolas shrugged , not in a rush .

Hard to say Noelle immediately pouted , clearly not liking that answer .

She felt like he was just giving her the brush off .

The way her lips stuck out and her cheeks puffed up just made her that much cuter Pif ... Nicolas couldnt help but laugh at how adorable she was .

He reached over and playfully pinched her soft cheek .

Got a phone ? Yeah , Noelle replied cheerfully Give me your number \$ 198 .

Noelle rattled it off like shed done it a million times .

Nicolas quickly pulled out his phone and typed it in Just as he did , her phone rang Thats my number .

Hit me up if you need anything he said .

Okay Noelle nodded eagerly , her face lighting up with a huge smile .

Nick , Ill call you when I get a chance ! Nicolas couldnt help but chuckle to himself .

She seems to have all the time in the world .

He casually added , Dont call me too much , though .

Just maybe once in a while , like in the evenings Sounds good ! Noelle agreed without hesitation , clearly excited She bounced toward the villa , then stopped halfway to turn around and wave her arm at Nicolas with a big grin .

See you , Nick ! Watch your step .

Nicolas called out softly .

I got it ! Noelle shot back cheerfully , stretching her arms wide like a bird finally getting to fly free , chattering to herself as she skipped through the gates of the Anderson family villa .

She looked like a happy little ball of energy , full of optimism and totally carefree Nicolas waited until she disappeared out of sight before giving Bryan the nod to start the car .

On the drive , Bryan couldnt hold back his curiosity .

Sir , werent you planning on keeping your distance from the Andersons ? Whyd you Anderson your number ? Nicolas let out a small smirk , his lips curling up .

Shes ... different , dont you think ? Yeah Bryan hesitated , then said bluntly , Shes definitely one of a kind , but honestly ? She comes off as kind of innocent ? Nicolas didnt have an answer for that .

He couldnt really argue .

After a long pause , Nicolas suddenly let out a soft laugh .

He rested his chin in his hand , staring out the window as the scenery flew by His lips pulled into a sly grin .

The Andersons arent exactly the nicest people .

I wonder how long shell last in that jungle , all alone .

Theyre probably gonna chew her up .

give Miss 9:23 AM c Chapter 5 Yeah , sounds about right .

Bryan replied .

In their minds .

Noelle seemed way too naive to fit in with that crowd .

Shed probably get destroyed in that family .

the Noelle strolled through the corridor leading to the villa , and in the distance , she spotted no seriously good looking guys leaning against the marble pillars outside , talking .

It was her fourth brother .

Damon , and her fifth brother , Eli She felt closer to Eli , so she immediately waved and shouted , Eli ! Eli ! Im back ! The brothers both turned at the sound of her voice , Whoa Eli jumped when Noelle came running at him .

Lately , hed been a bit wary of her she was just too familiar for comfort .

Damon , who had been standing nearby , gave the two of them a once over , a smirk playing on his lips .

Eli , you and this girl are real tight , huh ! Shes all over you every time she sees you .

Eli quickly shrugged it off .

Shes the one who wont leave me alone .

Its got nothing to do with me .

Yeah , sure .

Damon sad with a cold laugh , his eyes gleaming with amusement .

Then tell me , who was the one practically dying to gossip about Nicolas Sawyers scandals when she said she was gonna marry him ? Whos been waiting by the door like a damn puppy went quiet , his face going red .

He looked away , trying to play it off .

Damon , what the hell are you talking about ! I dont get it .

Damon sneered , clearly enjoying Elis discomfort .

He gave a cold chuckle .

Sure you dont Noelle hurried toward Eli but was intercepted halfway by Damon .

Damons good looking face twisted with a bit of sarcasm .

Noelle , is it just Eli in your world ! You see him , and totally forget about me , your fourth brother ! Not even a hello ? Noelle looked up at Damon , trying to smooth things over .

Hey , Dumon ! I saw Eli first , so I went to say hi to him first .

I didnt mean to ignore you , I ne with No need to explain , Damon cut her off , his voice dripping makes me sick .

Without another word .

Damon turned and walked into the villa disdain .

From now on , dont bother greeting me .

Just hearing you call me Damon Wait , Damon Eli didnt expect Damon to be this harsh toward Noelle .

While Eli didnt exactly go out of his way to be kind to her .

Damons coldness was on a whole other level .

Noelle lowered her gaze for a moment , then looked up at Eli .

Brother , I just figured something out .

What now ? Eli shot her a side glance , mentally rolling his eyes .

This girls always up to something .

Noelle got serious , thinking it through .

Do you think Damon doesnt like me ? You just realized that ? Eli deadpanned .

The truth was , the whole Anderson family wasnt exactly thrilled about Noelles sudden return .

She was a threat to Leia , their golden girl .

Anyone who upset Leia was in trouble , and Noelles presence alone was enough to stir up tension Well , I guess Ill just have to try harder ! Noelle clenched her fist , determination lighting up her face .

Tim going to make Damon like me ! Eli looked at her like shed lost her mind .

Youre really going to keep dreaming , huh ? Hes not going to warm up to you that easily .

Out of all the brothers , Damon was the one who spoiled Leia the most , Getting him to accept Noelle as a sister was as likely as winning the lottery .

I can do it ! Noelle flashed him a confident grin .

If I set my mind to something .

I always get it done ? Shed always been able to do whatever she set out to do , and she was sure shed fit in with this family , no matter what .

Ha , well , good luck with that , Eli muttered , dismissing her .

Then something clicked , and he asked .

By the way , youve met Nicolas Sawyer , right ? Yeah , Ive met him , she replied .

2/3 Uh ... Eli scratched his head , feeling a little uneasy .

Nicolas had a reputation , and Noelle was too pretty to trust around him .

He didnt want anything bad happening and the last thing the Anderson family needed was more drama .

So , hed had someone watching over Nicolas place The report he got was that shortly after Noelle went inside , a woman came out of the villa .

That didnt sit well with him .

What if Nicolas is involved in something shady , and Noelle caught him red handed ? hed thought So he decided to wait by the door to get the full story .

Tell me something .

Eli asked carefully , When you went in , was there a woman coming out of Nicolass room ? Noelles eyes widened in surprise , looking impressed .

Wow , Brother , youre good ! Huh ? How did y I you know there was a woman coming out of Nicks room ? What ? There really was one ? Eli was so stunned , he almost didnt even notice how Noelle was addressing Nicolas .

Yep ! Noelle smiled playfully , clearly not bothered .

When I went in , they were just done , and the woman came out all disheveled , not even dressed properly .

I had to remind her to put her clothes back on By the end of her little story , Noelle was looking pretty pleased with herself .

Eli was left speechless , his mind racing .

Damn it ! He just met his fiancée , and this idiot was still out here messing around like this ? Nicolas is a piece of shit
