Chapter 6

Chapter 6

Chapter 6 Eli was seething with rage .

He never thought that Nicolas , the notorious playboy , would be messing around with some other woman on the very day he was supposed to meet his fiancée .

And to make matters worse , his fiancée had caught them in the act The tension in the study was so thick one could cut it with a knife .

Dad , just call off the damn engagement ! Eli snapped , dragging Noelle along as he confronted Vincent .

His voice was boiling with anger .

That guy clearly doesnt give a shit about her .

He promised to meet Noelle , but instead , hes out there screwing around with other women Vincents face darkened instantly .

Nicolas had just slapped the Anderson family in the face with his actions .

But the marriage between the Andersons and the Sawyers wasnt just about love it was a strategic alliance , a way for both families to secure mutual benefits Despite the blow to their pride , Vincent wasnt ready to throw everything away over a line affair .

After a pause , he spoke slowly , his tone firm .

In these high society marriages , how many couples are actually in love ? As long as the Sawyers recognize Noelle as the third young lady of their family , no matter what Nicolas does , it wont change her position .

Dad Eli was boiling with frustration Vincent turned to Noelle , his tone firm .

Noelle , youre an Anderson .

When it comes to marriage , you cant just think with your heart .

You need to look at the bigger picture .

Eli couldnt hold back any y longer .

His voice cracked with anger .

Then why did you drag your feet when Leia didnt want to marry in the first place ? Eli ! Vincent slammed his hand on the desk , his voice deep and commanding .

Leia is Leia , and Noelle is Noelle .

You cant compare them ! Do you know how much it would hurt Leia to hear you say than ? .

Eli was taken aback , his words faltering .

He knew deep down he couldnt compare Noelle to Leia .

Leia had been in their precious little princess , spoiled and loved for years .

Noelle , on the other hand , was a stranger who had just returned to the family But even so , Eli couldnt help feeling this decision was wrong for Noelle .

Making her marry that sleazebag was practically a death sentence for her .

Noelle , what about you ? Vincent shot at her , his anger clear .

If you dont care about the familys honor , then Ill just pretend I dont have a daughter ! Dad , are you serious ? Eli fired back , clearly upset .

Im good with that , Noelle replied , unfazed by her fathers rage .

She tilted her head and gave him a mischievous smile .

I actually really like Nicolas .

Im cool with marrying him .

What ?! Eli almost jumped out of his chair .

His eyes were wide with disbelief .

Are you nuts ! You want to marry him ? Yep , Noelle said with a grin .

Hes hot .

Im into him .

So what if hes hot ? The dudes a total mess ! Eli growled , barely holding back from losing his temper .

This girl shes all about the looks , huh ? he thought , rolling his eyes , So what if hes a mess ? deal .

Who cares ? Noelle shrugged , looking totally unbothered .

He can mess around with girls , and I can mess around with guys .

Its no big was completely blindsided .

His mind was reeling .

Holy , shit .

She is on a whole different level of open minded : Since Noelle had no objections to marrying Nicolas , the whole idea of calling off the engagement was quickly dropped .
