Why the hell do you want Leias You seriously cant stand seeing her happy , can you ? Seeing the disappointment in Elis eyes .

Leia couldnt help but let a small , smug smile tug at the corners of her lips .

This was exactly what she wanted .

Noelle , the idiot , she thought has finally become the target of everyone .

She deserves every bit of it .

Leu thought she was hiding her feelings well , but what she didnt realize was that her subtle smirk had been noticed by Adriel , who had been watching her Adriel expression froze for a second .
