Chapter 2201: I work in Xia Lingqiu, drip-proof!

Who is coming? "

Outside the gate of the Lingxian Emperor's Palace, the two disciples watched the shadows in the dark warily.

"Ye Chen!"

The shadow of the famous tree!

Ye Chen walked out of the shadows.

The two disciples were startled slightly, and then sneered: "Ye Chen, you coward finally dared to come and die."

"It was really guessed by the palace owner."

"The palace lord has an order, if you come at night, you must crawl like a dog to enter the gate of the Lingxian Emperor Palace!"

"In this way, we will inform you!"

Ye Chen's eyes were cold, but he did not expect the disciples of the Lingxian Emperor's Palace to be so!

"No need!"

As soon as Ye Chen's voice fell, he took out the Beast Rotten Sword from his back, held it in his hand, and aimed it at the gate of the Lingxian Emperor's Palace.

boom!

A quaint sword light suddenly cut out!

The gate of the entire Lingxian Emperor Palace couldn't bear Ye Chen's sword aura, and it shattered instantly!

...

At the same time, the palace deep within the Lingxian Emperor's Palace.

Xia Lingqiu and Lingyun opened their eyes together,

Ling Yun's murderous intent was released, and he wanted to get up, but was held down by a force of coercion!

"Ling Yun, what are you anxious about."

A smile was drawn at the corner of Xia Lingqiu's mouth: "That Ye Chen didn't show up during the day and came to the appointment at night, so he must bear some price."

"Come on!"

In the next second, ten black shadows appeared in front of Xia Lingqiu.

Xia Lingqiu stretched out her hand, ten drops of blood appeared on the tip of her finger, and the blood shot on the eyebrows of ten people, and said:

"Some ants are here, you will meet."

"When necessary, you can use the formation we taught you."

Ten people's cultivation base was temporarily improved, and their eyes were happy.

"Yes, Palace Master!"

...

Whoosh whoosh!

The sound from outside caused Lingxian Emperor Palace to fly into the void one by one.

Ye Chen looked up and found ten strong men standing in the void.

"presumptuous!"

One of the strong men roared, watching Ye Chen flash a trace of anger.

"The one-year appointment has come, and today has not passed, the agreement is still valid! Let Lingyun get out!"

Such a strong Ye Chen didn't care about it at all!

The humiliation and humiliation that Lingyun gave him will be done today.

"Want to see our deputy palace lord, you don't have the capital yet!"

One of the old men sneered disdainfully, and then slapped them directly!

It's just an ant, and dare to be disrespectful to their deputy palace lord and look for death!

A huge slap phantom fell from the void, Ye Chen's expression remained unchanged.

No matter how strong you are, I have a sword to break the law!

In an instant, Ye Chen waved his sword, the devilish energy surged, and the sharp sword energy rose into the sky.

Sword Qi was floating around, and the trees in a radius of a hundred miles suddenly shattered with a click.

The extreme sword light circulated in the void, at the moment when the two touched.

Jianguang pierced through the middle of the palm print and suddenly rushed towards the strong man.

boom!

Huh!

The strong man spewed blood and water, and a hideous scar appeared on his chest, braving black devilish air.

His whole face was pale, and he tried his best to resist the invasion of demonic energy.

"Elder Chen!"

The remaining powerful men of the Lingxian Imperial Palace came to Elder Chen, and no one thought that Elder Chen would be severely wounded by Ye Chen.

Ye Chen is only the second-tier heaven of the Star Aperture Realm!

"Don't forget the palace lord's order, everyone will take action together to destroy this arrogant kid!"

Elder Chen roared, wishing to tear Ye Chen to pieces now!

There is a trace of power from the palace owner in the center of his eyebrows, and he has been temporarily promoted to the initial stage of the gate closure!

But even a strong star orifice is not an opponent, and an old face is completely lost.

Hearing Elder Chen's words, the remaining strong face changed slightly.

Ye Chen can defeat Elder Chen with a single sword, can they really stop Ye Chen by taking action together?

In fact, they don't have any confidence in their hearts, but they have to send arrows on the strings!

If Ye Chen rushed into the Lingxian Emperor Palace unscrupulously, what would the face of their entire sect be?

When the remaining strong men thought of this, they rushed to the past, and all the aura on their bodies burst out.

Facing a freak like Ye Chen, they must use their best.

The sound outside had already alarmed the disciples of the Lingxian Emperor's Palace, and they all probed them with their spirits.

When they saw Ye Chen's figure, their faces showed a strange look.

The entire Lingxian Imperial Palace knew about the one-year agreement between Ye Chen and Lingyun.

In their eyes, it was just a joke, they didn't believe Ye Chen dared to come!

You must know that the current Lingyun is in the late stage of the gate closure!

Even if Ye Chen broke through to the second layer of the Star Aperture, what if he could leapfrog?

Can Ye Chen be able to compare the horror of the gates?

When Ye Chen came, some disciples admired his courage, and some warriors thought that he was just an idiot.

Knowing that there are tigers in the mountains, they tend to go up and die by themselves!

In a wing room of the Lingxian Emperor's Palace, Xia Lingqiu was drinking tea, with a mocking smile at the corner of his mouth.

At the moment Ye Chen stood outside the door, she already knew, but she didn't make a move.

What is her status? What status is Ye Chen?

The so-called one-year appointment is just a joke in her eyes.

In Xia Lingqiu's eyes, the current Ye Chen didn't even have the qualifications to let her shoot.

She looked at Lingyun with cold eyes and said, "Lingyun, when did I harm you?"

"This year's agreement, I will not let you lose, you can rest assured."

"The ten people outside have a part of my energy, so I should consume that kid."

"And we can also know from this how far that kid has grown up."

"I work in Xia Lingqiu, dripping water is not leaking, this is about the dignity of the sect, let alone fail."

Lingyun heard Xia Lingqiu's words and finally chose to close her eyes.

...

Outside the gate of the Lingxian Emperor's Palace, Ye Chen stepped out and rushed directly to the nine powerful men.

Feng Qingyang's sword intent burst out from his body, permeating the entire void.

cut!

Ye Chen held a sword in his hand, rushed directly to a strong man, and cut it out in an instant.

The sword light burst out with brilliant light and cold sword intent.

Stabbed!

With one sword down, the strong defeated one and fell to the ground, leaving only a weak breath.

Behind Ye Chen there was a sudden shout of anger, and a strong man from the Lingxian Imperial Palace was holding a sword and attacked from behind him.

A sneer appeared at the corner of Ye Chen's mouth, and the whole figure tilted, avoiding the attack of the saber, then turned around and blasted out with a punch.

boom!

A punch was on the opponent's chest. His whole chest was sunken, and he didn't know how many ribs were broken.

A blood flower burst out of his chest, and the blood flew into the void.

"I only want Lingyun's life! You block it, it's just killing your own life!"

Click!

The flowers and trees on the ground are covered with layers of frost, and there are snowflakes floating in the void, crystal clear!

Around Ye Chen, the ice spread rapidly, and the beastly sword was covered with a layer of frost.

Chapter 2202: Are you still sitting there?

The strong gate-sealing realm who wanted to get close to Ye Chen was suddenly frozen into an ice sculpture.

Their frozen figures became stiff, and ice sculptures stood tall in the void.

Elder Chen on the side, his entire face changed drastically.

What exactly did Ye Chen's strength have reached!

There was only a cold chill in Ye Chen's eyes. Since these people want to stop him, they don't need to be polite.

cut!

The sword light fell, and as Ye Chen waved his hand, a sword light came out.

Click!

boom!

The ice sculpture shattered, and the strong spit out blood, and there was a layer of frost on their bodies.

The faces of these people were bruised, red and swollen, and the whole person was pale and weak, and even some strong people had been seriously injured, leaving only a weak breath.

Just a sword!

These short-lived powerhouses lost directly.

There was a bitter look at the corner of Elder Chen's mouth, which he knew very well now.

Currently they are no longer Ye Chen's opponents.

If you want to counter Ye Chen, you can only use a stronger force.

Ye Chen's icy eyes, without any fluctuations, walked into the Lingxian Emperor's Palace step by step.

When he entered the gate of the Lingxian Emperor's Palace, he found a group of disciples standing in front, holding sharp blades, short knives, and long whips, one by one, looking at Ye Chen like a big enemy.

They are all disciples of the Lingxian Imperial Palace, and now the Lingxian Imperial Palace is in trouble, they must stand up.

Seeing these disciples, Ye Chen showed a look of disdain at the corner of his mouth.

A group of mobs also want to stop his pace?

There was a solemn atmosphere in the sky, when Ye Chen took a step.

These disciples all backed away.

Even some disciples couldn't hold the knife in their hands, their legs trembled and their foreheads were covered with sweat.

"roll!"

Ye Chen roared angrily, with a frightening aura.

Huh!

The warrior in the front spouted blood and fell to the ground, knowing his life or death.

For these warriors, Ye Chen didn't bother to take action at all, and to this point, the number of people had no significant effect.

These warriors were not enough for Ye Chen to slaughter by himself, it just needed to waste a little time.

"Why? Is there no one in the Lingxian Emperor Palace? Want to send these disciples to death?"

Ye Chen clenched the beastly sword, pointed the sword at these disciples, and the terrifying killing intent filled the heart of every disciple.

All the disciples of the Lingxian Imperial Palace can feel the terrifying killing intent, as long as they dare to take a step, they will definitely die.

Although Elder Chen was seriously injured, he still had no problem walking or anything, and came to everyone.

"Everyone listens to the order, and form the Qisha Dragon Yin Formation!"

In a word, everyone seemed to have found the backbone and directly surrounded Ye Chen.

Their position is not to stand randomly, but to correspond to the universe.

The Seven Evil Dragon Yin Formation is a large-scale killing formation in the Lingxian Emperor's Palace, its strength is extremely terrifying!

Even the strong in the middle of the lockdown will die inside if you are not careful.

When these people condensed the Qisha Dragon Yin Formation, Ye Chen remained motionless, as if letting them go.

No matter what the formation is, Ye Chen has absolute confidence!

Roar!

Ye Chen was enveloped by the Qisha Dragon Yin Formation, and seven giant dragons hovered above him.

The earth is shaking and the mountains are shaking, coercion is condensed.

boom!

The night is getting darker and darker, dark clouds are covered, and the thunder is shining with electricity.

Tick! Tick!

The blood dripped on the ground and splashed on Ye Chen's robe.

Elder Chen's eyes were full of coldness.

The Seven Evil Dragon Yin Formation not only relies on strength, but the main reason is the seven emotions and six desires of the warrior.

The seven evil spirits also represent the seven deadly sins, representing the darkest heart in the human race, and can unknowingly disturb the mind of the enemy.

The seven dragons correspond to the seven deadly sins!

Arrogance, jealousy, anger, laziness, greed, and gluttony.

The darkest existence in these hearts radiated from the seven giant dragons.

"Ye Chen, even if you are strong, but too proud, I will let you die here today."

As soon as Elder Chen's voice fell, he let out a frantic laughter. He had already foreseen the scene of Ye Chen being killed in his mind.

When I think of this, my heart can't help but become excited.

Seeing the Qisha Dragon Yin Formation, Ye Chen suddenly smiled.

The so-called seven evil spirits and the seven deadly sins, in his eyes, are completely tonic.

His body was already full of violent power.

And because of the one-year appointment, he had a sense of enchantment in advance.

To put it plainly, he is now a complete demon, a real demon!

These darkest things in his heart are not worth mentioning in his eyes?

"Why are you laughing?"

When Elder Chen saw Ye Chen's smile, a bad premonition suddenly surged in his heart.

Ye Chen didn't speak, but the next scene almost made Elder Chen's eyes pop out.

I saw Ye Chen's whole body, a monstrous devilish energy, completely emerging.

The entire array was filled with terrifying demons.

Ye Chen stepped out, and the black lotus appeared. In his eyes, there was no righteousness or evil.

The so-called demon is just a joke!

Whether it is good or bad depends on the heart!

The seven giant dragons originally roared, and suddenly became timid at the moment when Ye Chen's demon air flow emerged.

At the beginning, Ye Chen turned into a demon, causing a vision of heaven and earth, and the demon worshiped.

Once the demon master protected his body, the so-called seven deadly sins were just some gadgets in front of him.

Boom boom boom!

The devil qi continued to condense together, suddenly soaring into the sky, enveloping the seven dragons.

"not good!"

Suddenly, the expressions of the people in the Lingxian Emperor's Palace changed drastically, and they could feel the strength in their bodies being constantly lost.

These forces continuously poured into Ye Chen's body.

The seven dragons were originally transformed by the strong power of the Lingxian Imperial Palace.

These seven giant dragons cherish each other's lives, and they will lose all of them.

Elder Chen's entire complexion became extremely ugly. He did not expect that he would be self-defeating and become someone else's wedding dress.

This is simply a gift to Ye Chen for no reason!

"Break it for me!"

Ye Chen roared, and the devilish energy surged wildly, squeezing the big formation.

Click! Click!

At this time, there were cracks in the big formation.

boom!

With a loud noise that pierced the sky, the Qisha Dragon Yin Formation was instantly shattered.

The powerhouses of the Lingxian Imperial Palace were caught off guard, these devilish energy poured into their bodies, and there was a scream.

"Everyone retreat..."

Before Elder Chen finished speaking, Ye Chen's ghostly figure suddenly came to him.

The beast rotten sword fell on his neck, only to feel the sword light flashing, blood gushing out, and the neck parted.

Killers, people will kill them!

Since Elder Chen had already moved to kill, how could Ye Chen let him go?

The strong man in the Lingxian Emperor's Palace fled, and he didn't dare to look at Ye Chen's eyes, as if they were the eyes of a demon, and he would enter the abyss at a glance.

These disciples, Ye Chen didn't bother to do anything, standing on the ground, looking at the brilliant palace in front of him.

"Ling Yun, you still sit still, get out of me!"

With a deafening roar, the entire palace was crumbling.

Chapter 2203: There are no permanent enemies!

Inside the room, Ling Yun frowned, her eyes showing a trace of anger.

But Xia Lingqiu beside her looked indifferent, as if she had expected it a long time ago.

She stood up and spoke slowly: "Ling Yun, it seems that I still underestimated that kid."

"That kid broke through that formation so quickly, it shows that this kid's true strength should exceed the five-layer sky of the door seal."

"The cultivation base is only two levels of the star aperture, but it can have the power to seal the five levels of the sky. This is very interesting."

"It's worth your fight."

At this moment, the door was knocked suddenly.

Xia Lingqiu smiled slightly, his arm shook, and a figure suddenly appeared.

It is Xia Ruoxue!

Xia Ruoxue naturally heard the movement and knew Ye Chen was here!

Although she knows Ye Chen's power, she knows the strangeness of Lingxian Imperial Palace better!

Xia Lingqiu and the power contained in the mysterious stone are terrifying!

Ye Chen is here now, undoubtedly looking for death!

Xia Lingqiu sat back in her position and released her breath slightly: "Ruoxue, my good disciple, what are you doing now?"

"Could it be to celebrate the successful return of your master?"

"Ling Yun, your apprentice knows the general situation."

Xia Ruoxue bit her red lips lightly and said:

"Palace Master, Master, please, forgive Ye Chen's life!"

With tears shining in Xia Ruoxue's eyes, she chose to beg.

The current Lingyun is definitely not something Ye Chen can fight before. If she doesn't intercede, then Lingyun can't really kill Ye Chen.

"Spare him? Since Ye Chen dares to come, he must be ready to die."

Ling Yun squinted her eyes, and a fierce expression gleamed.

She had given Ye Chen many opportunities, and even saved his life because of her disciple.

If you don't know how to be grateful, even if you dare to come to the Lingxian Emperor's Palace, she has already had a murderous heart in her heart.

The key is that she paid all the price!

Even if there is a chance against the sky in the future, her cultivation level cannot go further!

All this is because of Ye Chen!

"Master, as long as you forgive Ye Chen's life, I am willing to never see him!"

Xia Ruoxue's pretty face didn't have the slightest blood, standing still, her body tilted a little.

When I think of never seeing Ye Chen, I feel like the sky is falling down.

"Well, I will naturally leave Ye Chen a life."

As soon as Lingyun's voice fell, there was a smile at the corner of his mouth.

Is it really possible to let Ye Chen go?

But naturally she would not let Ye Chen die so easily.

She would sever Ye Chen's limbs and abolish Ye Chen's dantian!

Let Ye Chen experience the torture of eternal life!

This kind of pain is much heavier than killing a person!

This was what she had to do, but it would be great if Xia Ruoxue's heart was changed.

Just when Ling Yun was about to leave, a figure appeared outside the door!

This girl is Ji Siqing!

At this moment, Ji Siqing's cultivation has reached the third level of the sealed door realm!

Without the limitation of Lingyun, her breakthrough speed is so fast!

Weird to the extreme!

Her appearance made Ling Yun's eyes a little angry.

That day, it was because Ji Siqing didn't get any applause!

Moreover, this apprentice, because of Xia Lingqiu's words, she no longer accepts it!

All matters of cultivation are directly connected with Xia Lingqiu!

This status and treatment far exceed oneself!

Now Lingyun is even a little angry at Ji Siqing!

Ji Siqing was full of a breath of breakthrough, her eyes glanced at the crowd, and then a sword came out!

Slightly hard! Directly on the ground!

Dissemination of powerful sword intent!

"Xia Lingqiu, let's stop here, if you really want Lingyun's one-year appointment with Ye Chen, there is no need to resort to so many methods."

"It's fair, isn't it?"

As soon as these words came out, Xia Ruoxue and Lingyun changed their colors slightly.

They never expected that Ji Siqing would call the palace lord directly!

The key is why Ji Siqing feels strange!

Even those eyes were filled with a determined arrogance!

However, Xia Lingqiu laughed: "Ji Siqing, if you don't practice well, what are you doing here?"

"Also, do you really think you have some talents, so you can interfere with some things?"

"If it weren't because you still have use value, you might be dead."

After speaking, Xia Lingqiu released a strong chill all over his body.

Endless coercion shrouded Ji Siqing!

It seems to force Ji Siqing to kneel.

However, Ji Siqing's eyebrows flashed with an ancient line, and the pressure was instantly resolved.

Xia Lingqiu's eyes were slightly startled.

She found that Ji Siqing seemed to be out of control.

With such talent and blood, could it be that Ji Siqing is a legendary reincarnation.

Or, this person was taken away?

Xia Lingqiu's expression was solemn, but when she thought that Xia Ruoxue and Ji Siqing were both planting her own restrictions, she not only sighed.

Regardless of what Ji Siqing's background is, he will make wedding dresses for her after all!

Even the stronger Ji Siqing, when she completely controls Ji Siqing's young body, she will be able to surpass the current limit!

Step into the kingdom of God and become a truly dazzling top genius!

This is her Xia Lingqiu's ambition!

Ji Siqing stepped out and said, "Xia Lingqiu, what's the matter with the two old men outside."

"This is the grievance between Lingxian Emperor Palace and Ye Chen, it seems unethical if you find someone else."

Xia Lingqiu was surprised again, she never expected Ji Siqing's spirit to be so terrifying.

Actually noticed the two people in the dark place!

Xia Ruoxue recovered her calm, clapped her hands, and instantly two elderly men with terrifying aura appeared outside the door.

The breath of these two people has nothing to do with Lingxian Emperor Palace!

Even these two people still have a sense of weirdness!

Ji Siqing glanced at the two of them with indifferent eyes, and continued to speak: "Xia Lingqiu, don't you really think you have passed it?"

"It's just dealing with a person, and there is still collusion with the Soul Palace?"

Hearing this, Xia Ruoxue's eyes widened!

Don't the Soul Palace and the Lingxian Emperor's Palace have a grudge, then why did these two Soul Palace old men appear here!

Not only Xia Ruoxue was shocked, but also the aura of the late Fengmen period.

She looked at Xia Lingqiu: "Palace Master, this is my grievance with Ye Chen, why should the people in the Soul Palace intervene?"

Xia Lingqiu stretched out, shook the teacup in his hand, and said lightly: "There are no permanent enemies in this world."

"I certainly don't like the Soul Palace, but the conditions set by the Soul Palace Hall Master are too attractive."

"The fate of Ye Chen, the chief of the Soul Palace."

"In that case, it's better to let them send Ye Chen on the road."

"If Ye Chen loses, I can only blame him for not being qualified to let you shoot."

"If he wins, it means that Ye Chen is really against the sky. Before you fight him it seems not bad to consume this kid."

Ling Yun was a little embarrassed and turned into anger: "Palace Master, I am strong enough to fight the ants, and I don't need Soul Palace to take action! Please..."

"Snapped!"

Before the words were finished, an invisible palm swept down!

It slapped Lingyun's cheek directly!

Then Bingham's voice slowly fell.

"I said, my Lingxian Imperial Palace can only win, I won't give Ye Chen a chance!"

"Also, my Xia Lingqiu's order, no matter who it is, is not qualified to resist!"

"Ji Siqing is like this, so is your aura!"

Chapter 2204: The ultimate sword light

In the palace.

The atmosphere is full of tension.

As the supreme palace lord of the Lingxian Emperor Palace, Xia Lingqiu naturally has this right!

She was extremely proud all her life.

And never miscalculated!

Looking at the entire Lingwu Continent, her talent can be said to be against the sky!

When she was eighteen years old, she accidentally got one of the most mysterious inheritances in Lingwu Continent!

She practices the supreme exercise!

Of course, the price of improving strength is quite huge!

But she has no regrets.

She climbed up step by step!

Relying on one's own power to make the Lingxian Imperial Palace the top power in Lingwu Continent!

Her life is full of mystery.

At this moment, she knew that the one-year appointment between the ant Ye Chen and Lingyun was her springboard.

This springboard must be successful.

at all costs.

Ji Siqing at the door had a chill in her eyes, although she was unhappy in her heart, but she knew very well that her current strength could not compete with Xia Lingqiu.

She just wanted to convince Xia Lingqiu.

It now seems that this stubborn and crazy woman can't be convinced by herself.

Ye Chen's situation will become more and more dangerous.

The two soul hall powerhouses have their cultivation bases closed to the sixth heaven.

Obviously, these two people are not weak in the soul hall!

The head of the soul palace obviously decided to erase Ye Chen desperately!

In addition, this is Xia Lingqiu's territory, Xia Lingqiu will never let Ye Chen win!

No matter how Ye Chen goes against the sky, the chance of falling today is extremely great.

Unfortunately, she is destined to be unable to stop now.

You can only take one step and see one step.

At this moment, the two soul hall elders arched their hands and said: "Summer Palace Master, we still have a task. Since Ye Chen is here, we will take it away."

"Our palace master only needs Ye Chen's head, and his body can belong to your Lingxian Emperor Palace."

Dark energy surged over the two of them, and they looked extremely sinister and weird.

Xia Lingqiu took a sip of tea and said calmly, "The rules are naturally like this."

"It's just that you, the second elder of the world, who is so famous in the Soul Palace, can really take down that little beast?"

The two elders of Heaven and Earth snorted coldly: "Don't worry about the Lord of Summer Palace! There is a reason for the Lord to let us come here."

"We are confident that Ye Chen's little beast can't survive three moves!"

After speaking, the two black qi moved towards the outside!

The crisis is imminent!

Lingyun watched the two elders leave, and clenched her fists.

She never expected that her strength was so high that it was useless at all!

After all, she could not enjoy the pleasure of strangling Ye Chen and torturing Ye Chen!

Even if she can't defeat Ye Chen personally, her Dao heart will be shaken!

Facing these two people, Ye Chen must die!

Everything about her will be in vain!

Xia Ruoxue frowned. Knowing that she could not change the situation in front of her, she came to Ji Siqing and whispered, "Siqing, what should I do next?"

Ji Siqing pondered for a moment, then said: "Next, our only choice is to believe in Ye Chen."

"He has done too many miracles, and I hope this time, it will be no exception."

...

In the Lingxian Imperial Palace.

Ye Chen finally stopped.

Two old men stood in front of him.

Ye Chen looked at the two people in front of him, showing a solemn expression.

Although the aura of these two people didn't come out, Ye Chen could feel that he was definitely a strong man in the Gate Sealing realm, and he had the strength of five layers or more.

However, what makes Ye Chen feel strange is that the auras of these two people are extremely familiar!

He didn't even have to think about it, he guessed the Soul Palace!

In the Nether Gorge, the Soul Palace and the Lingxian Emperor's Palace were obviously not dealing with them.

Why do people from the Soul Palace appear here today?

He hesitated for a few seconds, or opened his mouth: "When did the soul hall elders become the dogs of the Lingxian Imperial Palace?"

As soon as these words came out, the two old men of heaven and earth had a hideous face!

"Little beast! Your existence has threatened the soul palace's plan."

"The Lord has an order, you must let you survive today!"

"I think you should consider your situation!"

The two elders in the soul hall have been twin brothers since childhood.

The two people have a strong heart, and they also have a set of combined attacks, even if they face the seven-tier heavenly powerhouse in the Sealed Door Realm, they have the power to fight.

"Today, it is your honor to die in the hands of our brothers."

Both of them were strong in the Sixth Heaven in the Sealed Door Realm. If it weren't for Elder Chen, they would be too wasteful.

They wouldn't take the action personally, and it was a bit of a suspicion of bullying the small ones in the closed door realm to deal with the early stars of the star aperture.

"You two talk too much nonsense!"

As soon as Ye Chen's voice fell, he clenched the beastly sword and rushed directly.

The brave wins when we meet on a narrow road!

With the help of the power of the ground, his legs bend slightly and fly into the void.

At the moment of flying into the void, the beast rotten sword swung out.

When the sword went down, the wind and clouds changed color, and the sword aura was surrounded by black magic aura, like a ghost roaring in their ears.

The expressions of the two old men of Heaven and Earth remained unchanged, and even a sneer in their eyes.

The power of Ye Chen's sword is good, but you want to defeat them? There are still some gaps!

The disciples of the Lingxian Imperial Palace who watched the battle in the distance were all excited. Although the two elders of Heaven and Earth were not from the Lingxian Imperial Palace, they would inevitably crush Ye Chen from the perspective of aura. The two of them joined forces to make Ye Chen absolutely unable to survive. .

This is the powerhouse in the gate-closure realm, and every move contains a terrifying power.

Sword Qi spread out wantonly, and Ye Chen's figure suddenly rushed over.

The two elders of the world and the elders have a sharp heart, and with a slight glance at each other, they can understand what the other party is thinking.

The figures of the two of them suddenly rushed over, flanking back and forth, and decided to kill with one blow.

If Ye Chen can't be lost in a single move, they will have no face.

Before and after Ye Chen, the two elders of heaven and earth formed a pincer, and in their palms, terrifying energy came out wantonly.

Condensed into a phantom with one sword and one sword, slashed at Ye Chen's body.

One sword and one sword circulated extremely fast, condensing into a world trend, wanting to completely suppress Ye Chen.

"Slashing the sky with a sword!"

The violent sword intent vented from the beast sword in Ye Chen's hand.

However, the power of Zhantianyijian could not bring too much obstacle to the two elders of heaven and earth, it could only make one sword and one sword stay for a while, but for Ye Chen, it was enough!

Ye Chen used the time of this breath to avoid a knife in front of him and rushed towards the old man in an instant.

The aura of sword intent constantly permeated Ye Chen's body, and the beast rotten sword burst out with brilliant light.

The immortal sword intent came out of Ye Chen's body desperately.

The two elders of the world and the earth have a strong heart, and Ye Chen must solve one of them as soon as possible to have the hope of victory.

As for the sword behind, Ye Chen didn't care about it, but he still had to suffer a certain amount of injury to Di Lao.

Only by finding a breakthrough can Ye Chen find the first opportunity from this breakthrough.

An extreme sword light caused the space to tremble, and the disciples of the Lingxian Emperor Palace in the distance could feel a terrifying sword intent, making them afraid to move.

Chapter 2205: If this son is not strangled, there are endless troubles!

Seeing that Ye Chen had rushed in front of him, Di Lao burst out with a palm.

He is confident that his own strength in the gate-sealing state can resist Ye Chen's sword even with his hands.

This is the crushing of the realm!

Even if Ye Chen goes against the sky, the power that is impossible to release, even he can't stop it!

However, he was obviously wrong!

boom!

Ye Chen went down the entire ground with a sword, the earth shook the mountain and the entire world dimmed.

A sword of purple energy comes to the east!

Stabbed!

Di Lao let out a painful roar, one of his hands was cut off by Ye Chen with a sword.

Di Lao's eyes were ferocious, filled with disbelief.

In the moment just now, he thoroughly felt Ye Chen's power!

This is the Star Aperture Realm!

This power does not lose himself at all!

how is this possible!

The enchanting genius of leapfrog combat ability is not without!

But there are almost none in Lingwu Continent that can shake them with the early stage of the Star Aperture Realm!

The only thing that can appear is the kingdom of God!

When Tian Lao saw that his brother was injured, he was so angry that he rushed over with a loud shout.

Originally, Ye Chen wanted to take advantage of the moment when Di Lao was injured, and directly launch a fatal blow, but the moment Tian Lao rushed over, he could only do it.

There was blood flowing behind him. In order to hurt the old man, he could only force a sword behind him.

He didn't even activate the Chichen Divine Veins!

After all, Chichen Divine Veins consumes too much spiritual energy!

If his spiritual power is exhausted, perhaps facing Lingyun, he doesn't even have the ability to fight back!

when!

In a rush, Ye Chen turned his head and blocked Tianlao's sword with a beast sword.

Huh!

The huge counter-shock force, the dantian shakes!

Ye Chen directly spit out a mouthful of blood from his mouth.

Blushing blood.

His body involuntarily stepped back two steps, and his eyes looked at Tianlao solemnly.

Although both of them are closed for six levels, the gap is so big!

"You dare to hurt my brother, today the old man wants your life!"

Tian Lao was angrily attacking his heart, and a sword continued to stab Ye Chen.

Each sword was mixed with terrifying power, Ye Chen waved the beastly sword in his hand, slashing away with sword light.

Tian Lao's strength is obviously better than that of Earth Lao, even Ye Chen can only temporarily avoid the edge.

At the same moment, the old man with his broken arm had solemn eyes, and instantly escaped into the void, pinching his fingers, and his breath was completely hidden!

Obviously a certain magic method of the Soul Palace was used!

Ye Chen's eyes were heavy. While he wanted to fight the old man, he had to be careful about the old man hiding in the dark!

at this time!

A figure suddenly appeared behind Ye Chen, it was Di Lao!

Di Lao smiled coldly, holding a short knife in his hand.

Suddenly stabbed him in the back!

Ye Chen snorted coldly, just about to fight back, but the endless sword shadow of the old man swallowed from the front like a giant beast!

Ye Chen can only give up!

In his opinion, the old man is already injured!

His strong physical body must be able to barely support it!

With a stabbing sound, Ye Chen's back was bleeding, splashing in the air.

Ye Chen forcibly held back the pain behind him, twisted and cut out with a sword.

When Yijian slashed, Di Lao retreated two steps, and at this time, Ye Chen escaped from the surroundings of the two people.

The sound of the wind is constantly coming in my mind!

"Ye Chen, the union of the two elders of heaven and earth cannot be underestimated. They are certainly two people, but because of years of practice, the spells and sword intent can completely explode beyond the power of the six heavens!"

"To face such two powerhouses, you can only combine the three sword intents that I handed over to you!"

"It may be difficult for others, but it is not difficult for you!"

"Next you do as I said!"

Ye Chen's eyes condensed: "Okay."

The moment Ye Chen escaped, he moved away from the two people instantly, a drop of blood was forced out, and the beastly sword in his hand burst out with a terrifying sound.

The monstrous devil qi spewed out, and three kinds of sword intent burst out of Ye Chen's body.

These three sword intents floated in the void, and there was a terrifying muffled noise.

Slash the sky with a sword!

Burning the sky with a sword!

Eternal Thunder Sword!

Ye Chen didn't dare to take it lightly for the close cooperation between the two!

The sword body of the Beast Rotten Sword possessed three auras, and these three auras were weirdly together without any conflict.

The faces of the two old men and the old man in the world were extremely strange, they had never seen such an evil thing before.

These three sword intents were merged by this kid!

One person actually used three swords in an instant!

how can that be?

The key is that every sword intent has reached the power of closing the door!

It can be seen in incredible ways!

Their eyes were extremely serious, and they no longer contempt Ye Chen!

If this son is not strangled, there will be endless troubles!

The breath of the three sword intents condensed together, and there was a deafening sound.

The disciple of the Lingxian Imperial Palace, covering his ears, his ferocious cheeks, kept backing away.

If this continues, they will not survive at all.

There was no change on Ye Chen's cheeks. The fusion of the three sword intents was indeed impossible in the eyes of others, but in Feng Qingyang's eyes, it was indeed possible!

Being able to fuse together, burst out power beyond itself!

This force continued to fuse together, and a horrible atmosphere spread, and the surrounding trees and palaces heard a clicking sound.

Click! Click!

Cracks appeared on the ground, the whole ground began to fall apart, and sand and rocks splashed everywhere.

A storm formed around Ye Chen. He stood in the void, and the beastly sword in his hand gave out devilish energy.

The devil energy and the three sword intents merged together to reach an extremely terrifying level.

The expressions of the two elders Tiandi became serious, and they glanced at each other.

The two of them sensed the arrival of the crisis, and no longer hesitated, touched with one palm!

An inscription of the Soul Palace flashed in the palm of his hand!

The energies in the two bodies alternately merge with each other.

The two breaths caused the disciples of the Lingxian Imperial Palace to back down continuously, and the power of the two was no longer something they could resist.

cut!

Ye Chen raised the sword in his hand, and the ultimate sword light condensed into a black dragon.

The black dragon's blood-red eyes stared at the two elders of the world and roared.

Ye Chen's energy was vented The world changed color, and it was like the end of the world in the radius of the Lingxian Emperor Palace.

The thunder flickered, and the thunder merged into the storm, mixed with the power of thunder to destroy the world.

With this sword, Ye Chen vowed to cut out a great world.

Cut Fanghua with one sword!

Sword Qi was like lightning, and suddenly rushed past, but only the two elders of heaven and earth, one person extended a hand.

In the palms of their hands, energy recklessly, a horrible breath erupted, and a shining beam of light burst out instantly.

When the two touched each other, a terrifying sound came from the center.

The energy of the explosion was wanton, and some disciples of the Lingxian Imperial Palace were caught unprepared and directly injured.

The surrounding area was completely in ruins.

Chapter 2206: Already dead!

Huh!

Huh!

Huh!

Some disciples vomited blood and water, their faces were pale.

Ye Chen stood in the void, his arms, abdomen, and thighs were full of scars.

His face was slightly pale, and he took out some pills from the reincarnation cemetery and put it in his mouth.

The two elders of heaven and earth were not much better, the two of them stood on the ground, forcibly enduring the pain.

If not for the two of them, one of them would have died long ago.

Now the faces of the two of them were full of solemn expressions, and they never dared to underestimate Ye Chen.

Ye Chen's current strength is qualified to fight them.

The disciples of the Lingxian Emperor's Palace were already shocked, and among them there were also strong stars, who were called geniuses by the Lingxian Emperor!

But compared with Ye Chen, there is no comparison at all!

The two elders of Heaven and Earth glanced at each other, and they no longer wanted to drag on.

If it drags on like this, the greater the variables, no one knows what Ye Chen has to follow.

"Using the soul hall taboo!"

"Evil Dragon and Phoenix!"

The two old men of Heaven and Earth roared and pinched their fingers. In an instant, an evil dragon with a thousand feet appeared behind the old man.

A dark phoenix appeared behind Di Lao, spreading its wings in the void.

The roar of the dragon and the phoenix made Ye Chen slightly change the color of the sound.

The vaguely swaying between the void is about to break!

The disciples of the Lingxian Imperial Palace saw this scene, showing a trace of worship.

The evil dragon and the phoenix are the signature stunts of the two elders of the world, once used, it means desperate!

Ye Chen was the only one who could make the two strong gatekeepers face the warriors in the early stage of Star Aperture.

Evil Dragon Mingfeng enveloped Ye Chen, and a roar came.

Ye Chen's eyes were dignified, and the power of the evil dragon Mingfeng made his legs tremble!

This power is extremely strong!

It seems that the Soul Palace treated itself at such a price, and really decided to kill itself!

He even thought that allowing the Soul Palace to do this is because of his former hatred with the Soul Palace!

It was because I knew the secret between Soul Palace and Lin Juelong!

That's the secret that shocked Lingwu Continent!

His body was dripping blood.

But Ye Chen would not admit defeat.

His eyes are solemn.

He slowly said, "Master, should I use the power of the Red Chen Divine Veins and Lingfeng Divine Veins?"

Feng Qingyang shook his head: "I always feel that things are not that simple."

"There are some hole cards, don't expose them too early."

"Evil Dragon Mingfeng is certainly strong, but you Ye Chen is the disciple of my six swords, Shenfeng Qingyang!"

"How can I let you lose!"

"Six sword boxes, unlock the seal!"

Feng Qingyang in the reincarnation cemetery suddenly pinched his fingers and pointed on the six sword boxes that Ye Chen had recovered for him!

The real six sword box!

...

And the outside world.

At this moment, Ye Chen grasped the beastly sword in his hand, and suddenly the sword intent erupted all over his body.

At this moment, he was like the master of kendo.

"I am the six sword gods! The sword is coming!"

Ye Chen stood in the void and roared up to the sky.

Buzzing!

There are not a few disciples who use swords in the Lingxian Emperor's Palace. Their sabers trembled, and suddenly they did not listen to their orders and rushed behind Ye Chen.

The sword intent in Ye Chen's hand was constantly pouring out.

Click!

A crack appeared on the void, and the sword intent was pervasive.

All the thousands of miles were shrouded by Ye Chen's sword intent.

"The way of sword, the six ways are respected!"

Ye Chen murmured in his mouth, and then squeezed the Beast Rotten Sword, his sword aura soaring to the sky.

As if at this moment, came to the world of swords!

And Ye Chen is the well-deserved kendo overlord!

This is the secret in the six sword boxes!

When the sword intent reaches a certain level, even the Star Aperture Realm can kill the Sealed Door Realm with one sword.

At this moment, Ye Chen is not only the six sword gods, let alone his immortal sword intent, the two are combined into one, reaching an astonishing degree.

Whoosh!

Waved a sword down, as if cutting out a dazzling fragrance.

Only this sword is left in the entire world!

The sword light cut through the sky, rushing crazy with a breath of killing.

The huge body of the evil dragon rushed past, but it was directly broken in less than three breaths.

Mingfeng spit out a mouthful of dark fire, but it didn't have any effect.

This sword is unstoppable!

The sword must see blood!

The old man's complexion changed drastically, and he opened his mouth unconsciously.

This sword is too terrifying, and a fatal sense of crisis permeates their hearts.

They can't resist!

The two elders of Heaven and Earth glanced at each other, and suddenly sacrificed a scarecrow filled with blood.

This scarecrow didn't have any breath flowing, but it made Ye Chen's brows frowned.

boom!

The sword qi vented out and fell on the two elders of the world.

The two elders of heaven and earth disappeared in place, and the warriors of the Lingxian Emperor's Palace were shocked.

Did the two old men of heaven and earth died?

how can that be!

Huh!

In a place in the void, everyone saw the figure of the two elders in the world.

At this moment, the atmosphere of the two elders in the world was chaotic, and there was a lingering fear on his face.

Fortunately, they were only able to survive when they obtained a replacement straw in a forbidden area.

Otherwise, in Ye Chen's sword, he would have died long ago!

"You little beast, the old man must kill you today!"

Di Lao roared, his left hand was severed by Ye Chen, and he was only a line from death just now, making him angry.

Ye Chen smiled without saying a word. Although his face was a little pale and there were some injuries on his body, there was no problem in eliminating the badly wounded Elder Tiandi.

If these two strong gatekeepers wanted to die, Ye Chen wouldn't mind sending them a ride.

At the moment when the two elders of heaven and earth were about to take a shot, suddenly there was a cold voice.

"Get out!"

In a word, the two elders of Heaven and Earth did not dare to refute, the disciple of the Lingxian Imperial Palace, hearing the voice, showed a trace of excitement.

The lord of the Lingxian Imperial Palace is here!

A wicked smile appeared at the corner of Ye Chen's mouth, and Lingyun and Xia Lingqiu finally appeared!

He waited for this moment, already waiting for a year!

It's time to make a break between them!

"Soul Palace, it's just that."

"You two elders from heaven and earth fought a star-aperture-level beast, and you were so seriously injured!"

"It seems that I, Xia Lingqiu, still look up at the Soul Palace."

Hear his voice before seeing him!

This is Xia Lingqiu's voice!

Although the two elders of Heaven and Earth were furious in their hearts, they lowered their heads in shame. Just now they fought Ye Chen, they were indeed lost!

They all resorted to the evil dragon and the phoenix! But who can believe that he still lost to Ye Chen's sword!

Now the two are seriously injured, facing the enchanting Ye Chen, there is no power to fight!

Can only be crushed!

Who would have thought that a year ago, that humble youth who had just entered the Lingwu Continent had grown to this point in a year!

Shocking!

"Lord Summer Palace, I'm waiting to retire!"

The two elders of Heaven and Earth spoke respectfully, glanced at Ye Chen ferociously, and walked straight away.

In their eyes, Ye Chen is already a dead person!

Chapter 2207: I long for a fight!

Of course you can't die by their hands.

But now Ye Chen is not much better, the injuries on his body are extremely serious!

If Lingyun makes a move, Ye Chen will definitely lose!

You know, Xia Lingqiu didn't know what method was used to promote Lingyun to the late stage of the gate closure!

How could a badly injured Star Aperture Realm shake the aura of peak state!

...

In the void, a black figure stood tall, her face full of indifference and arrogance.

A pair of disdainful eyes glanced at Ye Chen lightly.

She looked down at Ye Chen, as if looking at an ant.

And behind her, stood three figures!

An extremely shocking and cold breath, that is Lingyun!

I once humiliated Ye Chen endlessly, and took away the aura of Ji Siqing and Xia Ruoxue in front of Ye Chen!

The remaining two beautiful figures are naturally Ji Siqing and Xia Ruoxue.

Xia Ruoxue opened her mouth slightly, trying to say something, only to find an invisible force locked herself.

She couldn't speak, let alone take a step towards Ye Chen.

Ji Siqing's eyes were solemn and indifferent.

At this moment, her heart was actually shaken.

After all, Ye Chen now is a blood man.

A little embarrassed.

But she still chose to believe in Ye Chen.

Not showing panic is giving Ye Chen the greatest peace of mind.

This is the self-knowledge of a genius girl.

"Fuck!"

Xia Lingqiu stretched out her hand and applauded: "Ye Chen, we meet again."

"It seems that I still underestimate you after all."

"Now that you are in the Star Aperture Realm, it is incredible that you can shake the two elders of the Soul Palace."

"If you continue to grow, maybe I will feel scared."

"Interesting, really interesting."

"However, are you really sure that this year's agreement will continue?"

"How long can you support you now?"

"My Lingxian Imperial Palace does not want to spread the bad reputation of bullying the weak with the strong."

"No, I seem to have been thinking too much about how the dead spread the news."

Speaking of this, Xia Lingqiu looked at the cold aura of his eyes and ordered:

"In terms of strength, I have already promoted you to the Seventh Floor of the Gate Seal Realm. This is considered the late stage of the Gate Seal."

"If you lose to a severely injured Star Aperture Realm in the late stage of the gate closure, you should understand the consequences."

"This time, you can only win."

Lingyun stepped out and sneered: "My good sister, don't worry."

After speaking, he headed towards Ye Chen!

Xia Lingqiu was slightly startled, but did not expect that Ling Yun would tell the relationship between the two at this moment.

Her expression sank, and said to Xia Ruoxue and Ji Siqing: "Starting today, you have stopped thinking about this son."

"Practice well."

"One way of martial arts, seven emotions and six desires must be cut off!"

"Only in this way can we embark on the supreme way!"

...

Above the sky, the two figures face each other.

The cold breath exudes!

This is a one-year appointment!

"Ling Yun, I thought you always planned to hide in the palace."

Ye Chen spoke softly, he could feel the breath of Lingyun, unfathomable, as if the vast ocean could not see the end.

It's just that there is no fear on his face.

He had already understood the strength of Lingyun.

He is ready to fight to the death, no matter what, he will defeat Lingyun.

This is the dignity of a man!

"I didn't expect you, an ant, to get this far."

There is a hint of shock in Ling Yun's words, but more disdain.

How about beating the two elders of the world?

In her eyes, the two elders of heaven and earth are no more than six layers of heaven, but she is seven layers of heaven! Even breaking through that day, stopping at eight levels!

If it weren't for the lack of some insight, she might have entered the eighth level!

After the door was closed, a small gap in the realm was extremely different!

At this moment Ye Chen was seriously injured, and there was an absolute gap between her and Ye Chen.

No secret technique can make up for this gap.

Ye Chen didn't speak, Lingyun's mean face, he had never seen it once or twice.

This time, he wants to completely crush Ling Yun's pride.

Whoosh!

Ling Yun threw out a pill, Ye Chen held it in his hand and glanced at it.

"This is Lingchun Pill, which can heal any injuries on your body. Since you want to complete the one-year agreement, I can fulfill you."

"Xia Lingqiu's despicable means, I disdain."

"I want to crush you upright!"

"It completely makes you feel desperate! Lets you understand what true strength is!"

Ling Yun's words were like a gift to Ye Chen.

"Ha ha!"

Ye Chen directly smashed the pill with one hand, and he disdains Lingyun's things!

Seeing this scene, Ling Yunqi's chest rose and fell, and he didn't expect Ye Chen to be so arrogant and ignorant.

"furious!"

Endless sonic shock!

The world suddenly changed color!

The aura at this moment seems to be dominated by one party!

She is cultivating in the Lingxian Imperial Palace and knows the surrounding world well!

With a roar, Ye Chen spit out blood and his whole body retreated.

The disciples of the Lingxian Emperor's Palace saw the scene in front of them, and their eyes sparkled.

"The Deputy Palace Master is mighty!"

The sound was deafening, and when Ling Yun appeared, they finally saw the hope of Ye Chen being killed.

Ye Chen reached out his hand to wipe the blood from the corner of his mouth, showing a sneer.

The strength of the Seventh Floor of the Sealed Door Realm is indeed strong, but so what?

Why are you afraid of it? Warriors are not afraid of a battle!

Ye Chen clenched the beastly sword in his hand and aimed at Lingyun.

Seeing this scene, Ling Yun only felt that she was about to be blown up. Shouldn't Ye Chen kneel down and beg her for forgiveness? He even dared to aim at her with a sword, undoubtedly picking up scraps.

"I long for a battle!"

Ye Chen murmured in the corner of his mouth, only feeling that the breath of the whole person had been sublimated.

The warrior must have a heart that is not afraid of everything.

Only then can we overcome all obstacles and climb the peak of martial arts.

Zheng Zheng Zheng!

The sword behind Ye Chen rushed towards Ling Yun in unison.

"court death!"

Ling Yun didn't expect that Ye Chen would dare to take the lead, knowing nothing about life and death.

She stretched out a finger, burst out a faint blush, and rushed over suddenly.

boom!

A sharp sword, constantly falling from the void.

The disciples of the Lingxian Emperor's Palace looked at them one by one and felt pain in their hearts.

These sharp swords are all theirs, and now they are all shattered, and their hearts are dripping blood.

A red light rushed towards Ye Chen like a broken bamboo so fast that Ye Chen couldn't even check it with his soul power.

boom!

At this moment, Ye Chen could only resist with the beast sword in his hand.

The next moment Ye Chen flew out like a cannonball.

boom!

The blood on Ye Chen's arm spread all over instantly!

"The Way of Sword! Breaking the sky! Extinguishing the sky! Disdainful of the sky!"

Ye Chen steadied his figure, roared, his sword intent burst out like a giant dragon.

This sword possesses the power of slashing the sky, and even the strong in the middle of the gate stage must be afraid, but there is no change on Ling Yun's face.

Chapter 2208: Thousand Demon Thunder Sword!

In her eyes, it's nothing more than a trick.

The strength of the Seventh Floor of the Sealed Door Realm was not something Ye Chen could imagine.

Ling Yun decided to completely abolish Ye Chen, anyway, as long as he keeps his life, he will become a disuse.

Ye Chen couldn't get over any waves anymore.

Although she didn't have much expression on her face, she just knew it in her heart.

Ye Chen's potential is too terrifying, if given another ten years, I am afraid that killing her would be like killing a dog.

Ye Chen must be strangled in the cradle.

If it wasn't for Xia Ruoxue's bitter pleading, she wouldn't even have left Ye Chen's life.

Ling Yun waved his big hand, and Ye Chen's sword dissipated in the air.

Ye Chen's brows were frowned. If it were simply to fight like this, his injury would be too serious, and his dantian's aura would not be much. It would be impossible to use the seal power of Feng Qingyang's six sword boxes!

If this continues, he will not be Lingyun's opponent at all.

The disciples of the Lingxian Emperor's Palace became more and more excited, staring at Lingyun with a fanatical look.

Although Ye Chen was powerful, he was like a weak baby in front of the Seventh-tier Heavenly Powerhouse in the Gate-Seal Realm.

At this moment, Ye Chen could perceive a sudden increase in the demonic energy on his body!

Endless magical energy swept behind you!

A tingling sensation came from the center of the eyebrows.

"Boy, I am condensing the power of the profound devil into your blood devil sword, and I am destined to not be able to help you with my own body. The only thing I can help you is this endless devilish energy!"

Ye Chen's eyes were filled with gratitude!

The next second, he closed his eyes and pinched his fingers!

"Sura Attracting Magic Technique! Open!"

"Nine Nether Shura! Out!"

Click!

There was lightning and thunder in the sky, wind and rain were intertwined, and in Ye Chen's body, the devilish energy poured out frantically.

At this moment, behind Ye Chen, a shadow stood proudly.

That is the real demon!

The devil from hell!

Behind Ye Chen, six lacquered arms were flying freely, and every movement caused a gust of wind.

The three heads of Shura suddenly appeared.

Behind Ye Chen, stood a demon of Shura!

Shura's height reached a thousand feet, like a giant standing in the void.

The devilish energy surged, and the warriors in a radius of thousands of miles fled wildly, one by one.

These devilish energy are not something ordinary martial artists can bear, and if they are not careful, they will become a complete killing machine.

Thousands of miles were in ruins, the ground vibrated and the sky exploded.

A **** moon appeared strangely in the sky, the **** moonlight, strange and beautiful.

Lingyun's beautiful eyes were tightly locked, and she could feel that the strength of the phantom behind Ye Chen was constantly soaring.

Ye Chen's eyes turned blood red, and he clenched the Beast Rotten Sword in his hand, and came to Ling Yun's side in the blink of an eye.

Every movement of him is connected to the Nine Nether Shura behind him!

Xia Lingqiu's eyes flashed above the sky.

The red lips were slightly opened: "I thought this kid was a kendo man, but now it looks more like a demon."

"The key is why this son can motivate Shura at such an age?"

"Does he have any connection with the Demon King's Mochen?"

"If it is really the person next to Jun Mochen, maybe I can use it a bit."

"No, according to Jun Mochen's style, how can you reach out to Kunlun Xu, a low-spirited world?"

Thinking of this, Xia Lingqiu's eyes became even colder.

At the same time, with a slight flick of her fingertips, a bright brilliance wrapped around Ling Yun's body.

...

In the battlefield.

When the beastly sword in Ye Chen's hand was cut out, the six thick phantom palms behind him suddenly shot out.

The moment it was shot, it seemed as if the wind was roaring and the earth was roaring.

Lingyun's complexion did not change, stretched out his arm, just about to challenge!

At this moment, she obviously found something, and glanced at Xia Lingqiu!

After a glance, a holy breath spread from her side.

boom!

Like a thunderstorm, a black figure flew out suddenly.

Cough!

Ye Chen accompanied Jiu You Xiuluo's huge body, landing on the ground, blood flowed out from the corner of his mouth, raised his head and looked at the void.

The holy aura in Lingyun is like a holy girl in this world, and any succubus is restrained.

The moment he met, those holy breaths poured into his body, and suddenly exploded silently.

"Ye Chen, he has a holy light in his body!"

At this moment, in Ye Chen's mind, the Devil Emperor suddenly spoke.

A warrior with holy light is basically not afraid of demons.

The key holy light is extremely rare in Lingwu Continent and the Kingdom of God!

How could the Lingxian Imperial Palace be qualified to control it!

"Ye Chen, it seems that the Xia Lingqiu not far away is not simple, presumably the secret in her body is extremely shocking."

"Now you don't just want a little soul charm, but also be careful of Xia Lingqiu, the lord of the Lingxian Imperial Palace!"

Nine Nether Shura also belonged to the top demon. He was not afraid in his heyday, but now Ye Chen and Lingyun are far behind.

Ye Chen nodded slightly, he had to try anyway.

Standing up hard from the ground, when the holy light exploded, it did not dissipate, but remained in his body.

Nothing happened in a short period of time, but over time, he would suffer backlash.

Now he can't manage so much, he can only fight with all his strength and has no time to suppress the holy light in his body.

When Ye Chen stood up, Ling Yun suddenly came next to him, and with a wave of his arm, a pattern suddenly hit Ye Chen's abdomen.

boom!

Ye Chen spit out blood again!

However, before waiting for Lingyun's reaction, Ye Chen was carrying the pain, cast a flash of wind and thunder, and appeared in front of Lingyun in an instant!

The eyes that are so fast as Lingyun are full of shock!

Haven't waited for Lingyun to react!

Ye Chen slammed out a palm!

A slap fell down!

"Snapped!"

The violent air surging!

No one thought that Ye Chen actually left a palm print on Lingyun's cheek!

Deep palm prints!

Even Lingyun was stunned!

She knew that Ye Chen was injured, but she didn't expect Ye Chen to be so fast!

Lingyun was caught off guard and took a step back subconsciously.

After the panic, the eyes were filled with endless anger!

Xia Lingqiu slapped her, she has no complaints!

But this ant from Kunlun Xu has what qualifications to slap her!

Before she could react, Ye Chen left!

"How about being in the devil the devil is drawn, and the devil worships!"

"I have never used the sword of the six sword gods when I was in the demon!"

"Today, I let the Devil Emperor and the Six Sword Gods unite!"

"This sword is not called Wangu Jinglei Sword! This sword, I named Ye Chen Wanmo Jinglei Sword!"

Ye Chen actually adapted Feng Qingyang's sword technique at this moment!

He wants to go slant forward!

Ye Chen roared, and behind him there were countless phantoms of demon heads, densely packed and uncountable.

One by one, these demon heads rushed towards Lingyun like moths fighting a fire.

Chapter 2209: I know I don't need to shoot

The wind Qingyang in the reincarnation cemetery was slightly startled, and immediately his eyes showed relief.

There is even some ecstasy!

If Ye Chen always relied on the three swords he taught!

Ye Chen's kendo will never improve!

But at this moment, Ye Chen actually adapted the Eternal Thunder Sword!

Use devilish energy as a guide!

Created the most suitable sword for Ye Chen!

it is good! it is good! it is good!

At this moment, Feng Qingyang felt hope!

If before this, he was only optimistic about Ye Chen!

Then, at this moment, Feng Qingyang is firm, and Ye Chen is that eternal chess game, the only hope!

Above the sky, Xia Lingqiu's eyes shook: "I have seen these ten thousand demons worship in ancient books!"

"One person used to act!"

"That's the Devil Emperor in charge of the Demon Race and Jiuyou!"

"Does this youth have any connection with that fallen Devil Emperor? He accidentally got the inheritance of the Devil Emperor?"

Boom!

The sound of the explosion continued, a mountain collapsed, and the whole ground shook.

Ye Chen kept backing away, the beast rotten sword hummed, devil energy and sword intent gushing out of his body.

"That's the reason for my appointment!"

Stabbed!

The power of heaven and earth is constantly pouring into Ye Chen's body, and now he can barely spur a sword.

With sword intent surging, Ye Chen specially used the power of heaven and earth to continuously enhance his strength.

If you ask if there are immortals in the world, I cut them with one sword!

The sword light kept surging, and the sword flowers gathered around Ye Chen.

Waving a sword down, the void shattered, and a sword mark appeared on the entire ground, stretching for thousands of miles.

boom!

The beast rotten sword stuck on the ground, Ye Chen knelt down on one knee, he didn't have much strength now.

The aura in the body is almost exhausted!

That sword was the strongest sword he could release!

That sword almost consumed all his strength.

His body is almost unable to bear the load.

He took out a handful of pills from the reincarnation cemetery and put them directly in his mouth, staring at the front.

boom!

There was a loud noise, and Lingyun rose to the sky, but her condition was not very good, with a shameless expression on her face, like an old witch.

Sword marks appeared on her body, and blood was flowing.

Now Ling Yun only felt that her lungs were about to explode, and she was actually injured by an ant.

These injuries did not have much impact on her, but for her, it was a complete shame.

A wry smile appeared at the corner of Ye Chen's mouth, and the Seventh Floor of the Sealed Door Realm was too powerful, and it had surpassed Ye Chen's limit.

The key is that there is Xia Lingqiu behind Ling Yun.

From the very beginning, this appointment represented a banquet and unfairness.

Thousand Demons Shocked Thunder Sword, Ye Chen was confident that even the Seventh Floor of the Sealed Gate Realm would be seriously injured, and there was a possibility of accidentally falling.

However, facing Lingyun now, only minor injuries were caused.

There are many magic weapons in Lingyun.

"Ye Chen, it's really not possible, run away, leave the green hills, not afraid that there will be no firewood."

At this moment, the Demon Emperor discouraged Ye Chen, and the two of them joined together as one.

Once Ye Chen had an accident, he would not survive.

Now anyone can see that the gap between Ye Chen and Lingyun is not a little bit.

Ye Chen shook his head, this matter must be done.

What's wrong with death?

He wants to prove his invincible Taoism, as long as he decides things, he will never give up.

If he runs away now, how can he climb the peak of martial arts in the future?

In this life, he wants to suppress an era!

No matter how difficult this road is, Ye Chen will go on.

The Demon Emperor sighed, knowing that it would have no effect if he continued to persuade him.

In an instant, Ling Yun came to Ye Chen's side and grabbed his collar with one hand.

A dexterous long sword appeared in Lingyun's hands, braving the cold light.

"Ye Chen, you are just an ant from a lower world, and you want to fight against me."

"Do you know what resources I have!"

"I have a true artifact-level spirit armor on me!"

"There is also a guardian jade card given to me by the palace lord!"

"What are you fighting with me!"

"Although your talent is against the sky, your starting point is too low after all!"

"This is the gap!"

"The Lingwu Continent is a world where the strong are respected. It treats human life like a grass, and kills if you say it, as long as you are strong.

This is a world of strong and indifferent, you don't understand at all! "

"Now, your dantian doesn't have a trace of spiritual power, what are you fighting against me!"

Ling Yun spoke in his ear, and then a sword pierced into Ye Chen's abdomen.

Stabbed!

This sword penetrated Ye Chen's abdomen directly, and blood flowed out like money.

Ye Chen snorted, clenched his teeth but didn't scream.

Although one sword was not enough to be fatal, it already caused him great pain.

boom!

Ling Yun loosened Ye Chen's collar and slapped it out directly.

The torture has just begun!

Although victory is not martial!

But after all, it won!

Ling Yun's heart is deformed!

A faint voice in her heart told her that she had failed!

Because Ye Chen fought her with serious injuries.

But she didn't want to listen to her inner voice!

She just wants to see the reality before her!

Ye Chen's figure fell on the ground, clenched his fists, his nails pierced into the flesh, but he didn't feel any pain at all.

He was not reconciled, so he lost!

In a year's time, he practiced madly, just for the moment, but the gap with Lingyun was too big.

Ling Yun's eyes flashed with a look of disdain, Ye Chen's talent was indeed good, but after all, he came from the lower world and was not supported by any top forces.

Ye Chen stood up hard, there was no blood on his face, holding the beast sword in his hand.

His arms were shaking slightly.

Pedal!

Ye Chen stepped out step by step, his walking speed was very slow, when he came to Ling Yun's side, he raised the beastly sword in his hand.

However, the moment he lifted it up, the violent power of Ling Yun surged.

Ye Chen returned to the place.

Scars are everywhere.

Xia Ruoxue's eyes were full of tears in the sky.

She couldn't help but begged Xia Lingqiu, but Xia Lingqiu remained silent.

indifferent.

Even Ji Siqing was a little moved.

Could it be that Ye Chen really lost?

In the darkness of the void, two figures stood proudly.

If Ye Chen were here, he would definitely find that one of the two was the Ice Sword Saint King of the Ten Thousand Sword Emperor Palace!

And the other person is Bai Zhentang!

These two are Ye Chen's masters!

Ice Sword has been with Ye Chen for a long time, his heart is slightly moved, but there is no action!

The same is true for Bai Zhentang, he admires this apprentice too much. But at this moment, he can't make a move!

The Ice Sword Saint King opened his mouth and said: "You won't make a move?"

Bai Zhentang shook his head: "Didn't you not make any moves? Your close to Taixu strength can change all battles, but you did not interfere."

"This shows that you are the same as I thought."

"This is the catastrophe that kid must go through!"

"The world has never been fair."

"If you want to defend your dignity, you can only rely on yourself."

"You and I will only harm Ye Chen."

Ice Sword Saint King smiled: "Actually I am different from you, I believe in Ye Chen."

"I know, he doesn't need me to act."

Chapter 2210: I, Ye Chen, my fate is up to me, not from heaven!

Ye Chen didn't know.

He fell to the ground again.

Tick tick!

Ye Chen's blood flowed on the ground, but he didn't give up, still getting up a little bit.

Lingyun smiled contemptuously, in her eyes, this was just the last struggle of the ants.

If it weren't for torturing Ye Chen, Ling Yun would have slapped him to death.

Ye Chen kicked and continued to move forward step by step, his body was already numb, he could not feel any strength, only relying on a tenacious will.

Every time he took a step, a blood footprint was left on the ground.

The beastly sword in his hand was already somewhat unstable, but Ye Chen did not give up.

There was only one idea in his mind, defeating Lingyun.

Devil Emperor He Feng Qingyang was silent.

Ye Chen's paranoia made him not understand!

Even in his eyes, this was an idiot behavior, but it was a little cute.

"Boy, I really don't understand, what are you going to do?"

"Your act of shaking the tree by worms is ridiculous!"

"This year's agreement shouldn't have been there. I have accepted Xia Ruoxue and Ji Siqing as my disciples. You should be grateful for Dade instead of resisting."

Ling Yun was about to smash all Ye Chen's arrogance. At the beginning, she condescended to save Ye Chen because of two apprentices, but she didn't appreciate this kid.

An ant in the lower world should be grateful.

The pain in Ye Chen's right arm already made him unable to hold the beastly sword in his hand, so he had to hold the sword with his left hand.

The disciples of the Lingxian Emperor's Palace who were onlookers were silent, and no one shouted now.

In their eyes, Ye Chen was an enemy, but this will made them deeply shocked.

Ask yourself, if it were them, it wouldn't be like Ye Chen.

I'm afraid I had already given up long ago, and only Ye Chen persisted stupidly.

Once, twice, five times, ten times, every time Ye Chen fell down, the next moment he stood up with difficulty.

His eyes were blurred, there was no good place on his body, and blood was bleeding every second.

Gradually, Ling Yun became a little impatient, and Ye Chen was like a Xiaoqiang who couldn't die.

Can get up every time.

boom!

Lingyun patted it out with a palm, and there was no longer any intention to continue playing.

This palm exhausted her eightfold strength and was deadly enough for a dying person.

Ye Chen lay on the ground, only feeling the pain all over his body.

With a slight movement of his fingers, he felt something biting him.

"Ye Chen, as long as you beg for mercy and say a few good things, I can keep you alive, but you can only be a mortal in the future."

Ling Yun raised her arrogant head and looked at Ye Chen with a pair of disdainful eyes.

She believes that anyone who is not a fool can make the right choice.

Although he will become a mortal, but there is a saying that it is better to live than to die.

Ye Chen grinned when he heard Ling Yun's words, and raised his head on the ground with difficulty.

Pooh!

He spit on the ground, although he didn't speak, but he already showed his attitude.

Rather Stick to your guns!

Some things, even if you die, you will not give up!

Ling Yun's eyes were filled with anger, and her aura suddenly burst out.

When it broke out, Ye Chen's flesh and blood was continuously crushed.

Ye Chen gritted his teeth and didn't say a word of pain. There was already blood in his mouth.

The body was trembling, and a subtle sound of broken bones could be heard.

Ye Chen closed his eyes tightly, did not say a word, forcibly resisted the pain.

His whole body seemed to have tens of thousands of needles constantly piercing him.

Seeing this scene, Ling Yun became even more angry, her chest constantly rising and falling, she wanted to see how long Ye Chen could hold on.

As time passed bit by bit, Ye Chen's vision kept getting blurred.

He knew in his heart that once the whole world turned into darkness, he couldn't live anymore.

He wants to live, and there are still many things that have not been completed, and he absolutely cannot fall here.

Ye Chen stretched out three fingers, took the Beast Rotten Sword, and pierced it in his thigh.

The intense pain stimulated his nerves and finally made him feel a little bit.

"Vice Palace Master, I really can't let the old man destroy his dantian, throw it out!"

At this time, Elder Chen came to Ling Yun's side and spoke directly.

Even if he is already moved, he can't kill but nodded, why should he be tortured like this.

The Deputy Palace Master glanced at Elder Chen with a pair of eyes, and suddenly he dared not say more.

He knew Lingyun's temper very well, and once provoked, there would be no good fruit.

Fortunately, Elder Chen is good at strength, otherwise, Ling Yun might slap to death.

Half an hour later, Ye Chen only felt that he was about to pass out, and once he was in a coma, he might never wake up again.

"I have no interest in you, Elder Chen, you abolish his dantian and throw it out."

"I won't kill you, but you never want to see Ruoxue and Siqing again in this life!"

As soon as Lingyun's voice fell, he recovered his momentum.

Although Ye Chen was about to fall into a coma, he could vaguely hear what Ling Yun said.

Never see Xia Ruoxue and the others!

Ye Chen knew in his heart that it was probably the result of two women's pleading that they exchanged it.

He was angry, he roared!

In an instant, a very strong breath erupted in his dantian!

This breath comes from the power of the seal of the samsara profound monument!

It has not been opened before!

But at this moment, it broke open!

Countless forces flooded Ye Chen's body!

Ye Chen actually broke through!

Pedal!

With a muffled sound, when Ling Yun was about to leave, Ye Chen's strange figure actually stood up.

Ling Yun frowned and looked at Ye Chen.

Logically speaking, let alone standing up, Ye Chen might not even have the strength to breathe.

Ye Chen lowered his head, his eyes had turned blood red, and a drop of blood and tears flowed out of his eyes.

"Lingxian imperial palace is noble? The gap between you and me is like a moat? Never meet forever?"

"What the **** do you have!"

"I'm Ye Chen, my fate is up to me, not from heaven!"

Ling Yun sneered when she heard the voice.

What capital does Ye Chen have now to make her pay?

Pedal!

Ye Chen stepped out, and the whole world made a muffled sound, and the devilish energy enveloped him.

The black magic energy entangled on the surface of Ye Chen's body.

Every time Ye Chen took a step, there was an explosion from heaven and earth, as if heaven was angry!

Lingyun's face gradually became difficult to look at, and she never expected that something would happen.

In such a moment, Ye Chen's body unexpectedly broke out such terrifying power!

Moreover, she was shocked to find that Ye Chen had broken through!

Holding the beastly sword in his hand A strange pattern appeared between Ye Chen's eyebrows.

By his side, black lotus blossoms bloomed, continuously entering Ye Chen's body.

Black lotus body shaping!

At the speed visible to the naked eye, the injuries on Ye Chen's body are constantly recovering.

The sudden change made Lingyun never expected.

Now she is a little afraid to make a move.

Ye Chen felt too weird for her now.

Above the sky, red fire burning clouds, blooming continuously.

Every step Ye Chen takes, it affects the power of heaven and earth.

Ye Chen is angry! God is angry!
