Chapter 2231: He has a common life

Since he is an outsider, the demon lord should have died long ago. There are probably some reasons for being able to live till now.

"Boy, the magic sea is extraordinary."

"In order to fight against the powerful forces of the Lingwu Continent, the Devil Emperor forcibly took a piece of territory from the hands of those who control everything in the kingdom of God."

"This territory is the Jiuyou and Mozu, collectively called the Demon Domain."

"Although the Devil Emperor is a demon, he is the person I have ever admired the most."

"He never kills innocent people indiscriminately, he has the common people in his heart."

"He wants to use his power to change the world's view of demons."

"He walked against the sky and stepped into the dark abyss, pulling out the only demon vein in the world with his own power and planting it under the demon domain."

"Combined with 72 ancient mages to form the realm of the demon."

"This is also the reason why the Kingdom of God does not dare to attack Jiuyou and Mozu."

"The Devil Emperor has fallen, but he has guarded us for tens of thousands of years."

Ye Chen shook slightly.

He didn't understand that the Devil Emperor had such a story.

On that day, all the power used by the eternal saint king and the devil emperor is probably the power of the demon realm and the demon vein.

"Then why is this magic sea? I found outside that all outsiders were imprisoned and no one survived."

Ye Chen asked.

The demon master smiled: "The formation of the magic sea is because there is an extraterritorial monster living in that magic vein."

"The Devil Emperor suppressed that extraterritorial monster at a great price, and the Demon Sea is the blood of that extraterritory monster."

"In that battle, the blood of extraterritorial monsters changed the destiny of some people of the Demon Race. They left the Demon Race and stepped into the Demon Sea. They became the supreme existence in the Demon Sea. Even thousands of years ago, someone named themselves God of the Demon Sea."

"As for why I live, it is because of that battle, my ancestors were contaminated with the blood of extraterritorial monsters, and those guys let me go."

Ye Chen knew about it, thought of the most important purpose, and said: "Then you should know the whereabouts of the Devil Emperor's daughter, right."

"Where is she?"

The demon master smiled slightly, and said a few words in Ye Chen's ear.

Ye Chen's face changed slightly in an instant: "Farewell!"

He continued to stay here, he had no intentions, the Devil Emperor's daughter wanted to rescue it, and it was more difficult than he thought.

Continue to walk a hundred miles ahead, there is a palace!

In the whole palace, there is the so-called royal family!

They are the heirs of the gods of the demon sea, and the demon lord can continue to survive only because of the signing of the soul contract.

The price of selling his soul and getting the chance to live, but he can never step out of the magic sea.

The daughter of the Devil Emperor was imprisoned in the palace of the Demon God's imperial family, and, because Ye Chen made a noise in the Demon Emperor's Palace not long ago, although Jun Mochen could not step into the Demon Sea, he could still negotiate with the emperor at a great price. Let those people agree to offer the daughter of the Devil Emperor as a sacrifice to the God of Demon Sea in three days!

Ye Chen didn't know the strength of the Demon Sea God, but if I want to come, I am afraid it is also extremely strong!

After a hundred miles away, Ye Chen accelerated forward, and after two days, he finally saw a palace in front of him.

said it was a palace, but it is more accurate to say that it is a castle!

The entire castle is black, and the cold atmosphere makes people shudder.

Ye Chen saw outside the old castle, a strong man in the magic sea wearing a black robe.

On the upper right side of the robe, there is a fierce head engraved.

This should be their belief, the **** of the magic sea!

Ye Chen took out the beast rotten sword and the demon spear of the gods and held them in his hands, the daughter of the devil emperor was inside.

He wanted to break into it forcibly, only one day was left for him, and he might have to face the God of Demon Sea at that time.

Ye Chen had no certainty that he could defeat the God of Demon Sea.

"Outsiders, if you want to get a soul contract, come back in three days!"

The royal family of the God of Demon Sea, seeing Ye Chen, thought it was another outsider who wanted to survive.

Ye Chen beast rotten sword clenched tightly, and the immortal sword intent on his body burst out directly.

He wants to take away the daughter of the Devil Emperor, the two are destined to be enemies!

In this case, there is no need to waste too much time.

Beast Rotten Sword waved out, a sharp sword light suddenly rushed over.

Boom!

A sword erupted with a dull sound, and the surface of the entire Demon Sea continuously stirred up layers of waves.

Mohai strongman's body was cut in half, and Ye Chen rushed directly into the castle.

嗖! Whoosh! Whoosh!

Three figures in black robes appeared.

Ye Chen took a look, his brows furrowed, these feelings were extremely strange.

His own injuries have not yet recovered, and his strength will be restricted in the Demon Sea.

It is not easy to defeat the three strong men in front of you!

Ye Chen's breath continued to spread, and behind him, killing intent gathered.

The devilish energy on his body is constantly pouring out and spreading wanton!

Ye Chen's body, one gold and one black, shone with dazzling light constantly.

Immortal body and magic body, two physiques coexist!

The coexistence of angels and demons!

Ye Chen's whole body suddenly rushed over.

With a flash of wind and thunder, he reached the extreme with a speed like a spirit fox. The ten thousand demons on his body burst out, and his mouth murmured: "Ten thousand demons thunder sword!"

The thunder sword's breath swept all around, and there were layers of arcs condensed in the magic sea with a radius of thousands of miles.

The surrounding temperature, at this moment, keeps dropping!

The faces of the three black-robed men did not change, only one of them held out a finger!

A sneer smile appeared at the corner of his mouth!

The finger of did not gleam with any light, but Ye Chen's face had become extremely ugly.

He found that his body was already unable to move!

The imprisonment in his body is accelerating its flow, and the aura in his body is instantly suppressed!

The imperial family of the God of the Demon Sea is able to use the power of the Demon Sea's restraint!

Ye Chen didn't expect this at all!

The energy in his body kept trying to burst out, breaking away from the shackles, but found that it had no effect at all.

"In the magic sea, our royal family is an invincible existence!"

One of the black robe men spoke directly!

Ye Chen showed a wry smile at the corner of his mouth, he had planned well!

No matter how strong the Demon Sea royal family is, he is confident that the Demon Sea God will not appear, and he will be able to escape with the Devil Emperor daughter.

Who knows...it's a bad job!

Mohai royal family can easily imprison his body.

"This kid has a weird breath and a unique bloodline, so I will dedicate it to the Lord of the Demon Sea!"

The man said directly.

The momentum that the opponent had just exploded had already been able to kill the mid-door sealed realm. .

Absolutely extraordinary, dedicated to Lord Demon, will definitely be more satisfied.

Ye Chen at this moment has been imprisoned, two strong men came to him, used spells to trap Ye Chen, and even threw him into the dungeon mercilessly.

Chapter 2232: The Devil's Daughter

Entering the dungeon, Ye Chen found that there were no prisoners. Originally, he thought he would be able to meet the Devil Emperor's daughter, but he didn't want to come here.

The restriction in his body prevents him from using any power, Ye Chen must find a solution.

Otherwise, facing any royal family, they will be suppressed in Mohai.

Immortal divine body and demon body have no effect at all. They cannot move in the body.

can't even use his soul skills.

What is the origin of the blood of that extraterritorial monster, and why did it form a magic sea?

At this moment, Ye Chen noticed something strange!

The Lingfeng divine veins in his body moved slightly, and this time it actually reacted.

Is this the special Lingfeng divine vein?

It is impossible to use Lingfeng divine veins to lift the restriction in the body.

This allowed Ye Chen to see hope, and Lingfeng's divine veins kept pouring out of his body.

Activate bit by bit.

An hour passed, Ye Chen was shocked to find that most of the restrictions in his body had been lifted.

Using Lingfeng's divine veins, it was able to stop the restriction in the Demon Sea.

Then he doesn't need to worry about the problem of Mohai.

But Ye Chen understands that the Lingfeng Divine Vessel, as a part of the reincarnation bloodline, is definitely not that simple!

This effect is just the tip of the iceberg!

One day passed quickly, Ye Chen did not leave in the dungeon.

He doesn't know at all, the location of the Devil Emperor's daughter can only wait for the God of Demon Sea.

When the time comes, the Devil Emperor's daughter will naturally appear, and then find a way to grab someone from the Demon Sea God.

In the dungeon, two royal families of the Demon Sea God appeared. They glanced at Ye Chen, grabbed his two arms and took them away.

Ye Chen did not resist either, and remained silent. Two people took him around the castle for half an hour and came to a room.

In the room, there is a five-star altar.

In the center of the altar, some black ancient magic stones are placed!

Ye Chen came in and found that he was alone, which made his brows furrow.

Devil Emperor's daughter, why doesn't she show up yet?

He was locked in the room, and the two royal martial artists had already left, and after a time of sticking incense, the door of the room opened.

A woman appeared with a veil on her head and her face invisible. She was dressed in black and her beautiful white legs were exposed to the air.

Three thousand green silks scattered on the shoulders, twisting his waist every step.

She stood aside, without any words, peerless and independent!

Ye Chen suspected that this should be the daughter of the Demon Emperor. Now that the God of Demon Sea has not appeared, it is definitely the best time to escape.

"Are you the daughter of the Devil Emperor?"

At this time, Ye Chen came to her and said directly!

The woman raised her head, glanced at Ye Chen with twinkling eyes, and said in an icy voice: "What is it? What is it not! Who are you!"

Ye Chen raised his brows, grabbed her hand, and said directly: "Follow me!"

Now he doesn't have time to explain too much, he can only leave here first.

Mohai's prohibition has no effect on him, and it is not easy for the royal family to threaten him.

"I can't leave, if you want to be able to leave, then run away! My soul has been controlled by the God of Demon Sea."

"Once you leave, you will die."

"My destiny ends with this sacrifice."

"It's also a relief."

As soon as the voice of the Devil Emperor's daughter fell, Ye Chen's entire face became difficult to look.

He also understands why the Devil Emperor's daughter was able to survive in the Demon Sea for so long.

Because of the limitations of the soul contract, it is impossible to leave the magic sea.

If you want to break the soul contract, I'm afraid it can kill the God of Demon Sea.

Ye Chen's mouth showed a wry smile, relying on his current strength, how easy is the God of Demon Sea to kill?

If you want to kill the God of Demon Sea, I am afraid it is a little unrealistic.

When he was considering how to solve it, a flash of light came from the entire altar.

The altar made a humming sound, and air currents flowed through the room.

In the center of the altar, a black shadow appeared!

His face is hideous, there are two black horns on his head, and his cold eyes are staring at Ye Chen and the Devil Emperor's daughter.

An endless **** swallows Ye Chen like a giant beast.

The beast mortal sword and the gods and demon spears were held in his hands, Ye Chen's whole face was a little gloomy.

'S aura suddenly burst out, the speed of Lingfeng Divine Veins and Chichen Divine Veins urged to the extreme, and the whole person rushed directly.

The moment he rushed over, the corner of the Demon Sea God's mouth showed a disdainful smile.

With a wave of his palm, the momentum of the surrounding world suddenly flooded into his palm.

A slap fell, the whole room split in four or five!

The gods and demon spears of the heavens were raised at this moment, and the horrible spear intent continued to permeate.

Boom!

The moment the two touched each other, a trace of blood overflowed from the corner of Ye Chen's mouth.

Qi and blood kept surging in his body.

嗖! Whoosh! Whoosh!

The royal family of the Demon Sea God rushed over and saw Ye Chen's figure, raging to the sky.

During the sacrifice, he actually took action against the God of Demon Sea!

If the God of Demon Sea is angry, they don't know how many people will die!

kill!

Murderous intent surging from them, they can't wait to get Ye Chen off!

The Devil Emperor's daughter flew into the void, only to see the devilish energy in him constantly surging.

Devilish energy came out wantonly, slender hand, stretched out a finger!

The demon finger!

Boom!

A finger fell, the wind and clouds surging, the world faded.

噗嗤!

A strong man who rushed to the front fell straight away!

Ye Chen was slightly startled, he never thought that the Devil Emperor's daughter had such strength!

The demon's finger that is displayed is obviously stronger than himself!

.....

at the same time.

Kingdom of God, Palace of Heaven.

Xuanyuan Mo Xie sat cross-legged, his eyes closed tightly.

There is a faint flame around him, representing his anger.

In the past few days, he doesn't know how many people have been killed.

Yantian Dragon God still hasn't fallen Could it be that his so-called trump card has completely fallen.

This is not a good message.

Being in a high position is easy.

But it is extremely difficult to hold this position forever.

Under the stage, the powerhouses of the kingdom of God knelt in front of Xuanyuan Moxie, their bodies trembling.

They know that life and death are between the man's thoughts.

"I have given you a chance again and again."

"So many days, I haven't fallen yet."

"There is a price, you have to bear it!"

Xuanyuan Moxie's murderous intent with his eyes closed tightly, his five fingers probed, and he just wanted to make a move! Above the sky, a dragon chant suddenly sounded!

This dragon chant is painful and long!

even with a trace of sorrow!

Xuanyuan Mo Xie's eyes suddenly opened, and his eyes were full of ecstasy!

This is the voice of the Yantian Dragon God!

He is not dead, he is back!

Xuanyuan Moxie turned into an afterimage, and instantly appeared at the gate of Tiandao Palace.

He stared at the sky, the void torn apart! A black shadow fell straight down!

"boom!"

The dust is up!

The entire Tiandao Palace seems to usher in an earthquake!

The dust dissipated.

Xuanyuan Mo Xie's body was shaking.

His eyes are even more frightening!

Only because of the Yantian Dragon God in front of me, scarred! !

even broke a dragon horn!

Fighting with that mysterious blood dragon, he broke the most important part of Shenlong!

Chapter 2233: Where is the blood dragon?

Xuanyuan Moxie walked towards the injured Yantian Dragon God step by step.

Soon, his footsteps stopped.

His hand gently touched the wound of Yantian Dragon God.

Domineering anger rose in his heart, he wanted to suppress!

can't be suppressed at all!

A fiery flame surged behind him.

As soon as the flame came out, the whole world seemed to be burned out.

Shen Kingdom Tiandao Palace's subordinates naturally saw this scene.

They felt the ground scorching hot.

Like magma.

They knew that the Yantian Dragon God was Xuanyuan Moxie's most important mount and companion.

Very strong!

The key, such an existence against the sky, why is it hurt?

They knew very well that after today, the entire world, Lingwu Continent, and even the Kingdom of God will bear the wrath of this powerful man.

At this moment, Xuanyuan Moxie spoke.

"Everyone, get out of my sight."

"Also, in an hour, let the heavenly jade Taoist come to the Heavenly Dao Palace."

Hearing the four words Tianji Taoist, Xuanyuan Moxie's men were slightly startled.

An old man hesitated for a few seconds and still opened his mouth: "Palace Master, the Taoist Heavenly Mystery is in retreat, but the world is coming..."

Xuanyuan Moxie's cold voice came again: "I don't want to say it a second time. I must see him after an hour."

The old man's face sank, and he could only hand his hand: "Subordinates, please go and please."

Soon, there was no one around.

Only Xuanyuan Moxie and the injured Yantian Dragon God.

Xuanyuan Moxie's eyes condensed, forcing a drop of essence and blood on the Yantian Dragon God, and then pinched his finger.

In the mouth of Yantian Dragon God, a stone monument suddenly appeared!

As soon as the stele came out, a colorful light instantly surrounded!

If Ye Chen were here, he would definitely find that this stele was the samsara mysterious stele he had been searching for!

"Yan Tian, who really hurt you."

"If I see him, I swear, he will fall into the abyss of death."

Xuanyuan Mo Xie whispered softly, the reincarnation profound stele radiated bright stars and fell on the Yantian Dragon God.

Enough time to make incense.

The body of the Yantian Dragon God moved.

A pair of longan opened slightly.

Xuanyuan Mo Xie's eyes were pleasantly surprised and solemn, and he quickly said, "Yantian, what happened?"

"Where is the brute that hurt you!"

The Yantian Dragon God spit out a mouthful of dragon blood, and said with difficulty: "I don't know..."

"We tore the void and entered the battle of chaos. I broke the dragon's horn and it was also injured."

"I have never heard of the killing intent on it...too strong..."

"More importantly, the blood dragon actually controls the combat skills of the beasts."

"Shenlong was supposed to perform the magic of the dragon, but it can command the beasts, it is too heavenly..."

"Fight against it, I felt danger for the first time."

Xuanyuan Moxie's eyes froze: "Where is it now? No matter what, it hurt you. I must erase this threat!"

The Yantian Dragon God shook his head: "I don't know. Although it is powerful, its body is not stable. I vaguely remember that it was seriously injured, and its blood-stained body seemed torn...I wonder if it is still alive."

"You send someone to the Nine Heavens Shenlong Temple, we must determine whether it is still alive..."

"The threat of this dragon is not weaker than that of the mysterious kid... even more dangerous!"

Xuanyuan Moxie's eyes were gloomy, and he groaned for a moment and said: "Don't worry, anyone involved in this matter can't run away."

"I have sent someone to invite the Heavenly Ji Dao Ren. Their real nightmare has just begun!"

"For thousands of years, no one in the world can shake the kingdom of God!"

"The past is, the present is, and the future will be!"--dangercen

.....

In the castle.

The Devil Emperor's daughter has endless methods, and her magic skills are terrifying.

The endless magical energy seems to be her weapon.

Ye Chen couldn't help feeling that blood and genes really destined how far the warrior could go in his lifetime.

If the Demon Emperor's daughter is not trapped in this Demon Sea, perhaps, it is this woman who controls the Demon Race and Jiuyou.

Ye Chen quickly took back what was in his mind.

There are already many powerful presences surging!

Murderous intent is like a monster swallowing him.

The immortal divine body on Ye Chen burst out with brilliant golden light, and saw the three powerful men rushing over.

The beast sword in his hand, swing out with a sword!

Sword Qi swept across, the building was cut in half, and three corpses fell into the magic sea.

A half-step door-sealing powerhouse came to Ye Chen's face, and a giant axe appeared in his hands for some time!

The giant axe braved the cold light and cut it down suddenly!

Ye Chen avoided his sharp edge, his figure kept retreating, and an axe slashed on the Demon Sea, causing turbulent waves.

The **** of the magic sea watched quietly from the side, his servant was enough to deal with two ants.

A steady stream of strong men rushed towards Ye Chen!

Ye Chen knew that he could no longer keep his hands!

This place is full of demonic energy, and the methods taught by the Devil Emperor are enough to deal with!

The Devil Emperor's daughter in the distance naturally paid attention to Ye Chen's side.

There is a faint smile on the corner of her mouth.

In her opinion, Ye Chen is so powerful, and he is not a member of the Demon Race, so he still wants to save her.

is ridiculous!

But, the next moment, the expression of the Devil Emperor's daughter changed.

Roar!

I saw Ye Chen's figure suddenly enlarged, and his whole body exuded a terrifying murderous aura, spreading all around.

Nine Nether Shura!

The figure of a huge monster appeared in front of everyone. At this moment, the royal family of the God of Demon Sea looked extremely small, like an ant.

Summoning Nine Nether Shura in this magic sea is simply right and right!

Buzz! Hum! Hum!

Raised six arms behind Ye Chen, and also pointed out!

One finger!

Use six fingers to urge hair, this is Ye Chen's first attempt!

Nine Nether Shura itself is also a demon, there is no problem in urging one finger of the heavenly demon.

The magical energy of thousands of miles in the magic sea poured into Ye Chen's body, the magic sea churned huge waves, and the void was covered with dark clouds!

Boom! boom! boom!

Six fingers fell instantly, aiming at the strong who swept around!

His fingertips formed a small black whirlpool. The black rays of light impacted the bodies of those strong in the magic sea.

Thorn it!

The space was cut into two halves. When the demon's finger fell, a huge vortex appeared in the magic sea.

The strong screamed, and the whole body exploded directly.

In Mohai, there are no resources, and being able to cultivate to such a realm has reached its peak!

Ye Chen is not restricted by the Demon Sea, unscrupulous, and does not fear anyone except the God of Demon Sea.

When so many powerful men fell, the surrounding royal family unconsciously stepped back.

The expressions they looked at Ye Chen had completely changed to horror!

Such a strong person has been killed in seconds, and they rushed over to die.

The Devil Emperor's daughter, looking at Ye Chen's figure, a strange color flashed between her beautiful eyes.

When will the Star Aperture Realm martial artist be able to summon such a powerful Nine Nether Shura?

even used Nine Nether Shura to release his father's demon finger!

It's crazy!

You must know that the power of the demon's finger is not something that ordinary strong people can bear!

Not to mention using six fingers!

Chapter 2234: condition!

She could feel the difference between Ye Chen.

Even a stormy sea raged in my heart!

The God of Demon Sea looked at Ye Chen's figure, and didn't know what was thinking in his mind, a gleam of light flashed in his eyes!

"Surrender me and give you supreme strength!"

Ye Chen turned his head and looked at Mohai Yishen, with a mocking expression at the corner of his mouth.

"If you want me to surrender, you are not worthy!"

When the voice fell, his whole figure suddenly rushed over.

So far, he couldn't see the power of the God of Demon Sea at all, he only felt terrifying!

However, what appeared at this moment was only the phantom of the God of Demon Sea.

If the main body is there, Ye Chen might be killed by one finger.

But this phantom, at most the Ninth Heaven Peak of the Sealed Door Realm, he has a chance to win!

"I can't help myself!"

The God of Demon Sea smiled contemptuously, with one finger condensed, the sea water of Demon Sea just came alive, forming a vortex, entwining Ye Chen's body.

The Devil Emperor's daughter came to Ye Chen, just about to take a shot, but found that her body could no longer move.

Her soul had already been sold to the God of Demon Sea and became a slave!

If the God of Demon Sea is willing, a single thought can determine her life and death.

"If you want to live, surrender me!"

He values Ye Chen's potential, and he may be able to get him out of this ghost place!

Ye Chen's eyes flashed stubbornly, even if he died, he would not surrender anyone!

This is his pride!

The God of Demon Sea frowned, and he could see the pride in Ye Chen's bones.

Hum! Hum!

Under Ye Chen's feet, a huge whirlpool appeared in Mohai!

The vortex entangled Ye Chen's body, submerged in the sea water, and the ghost of the God of Demon Sea also flashed away!

When Ye Chen opened his eyes, he found that he had reached the deepest part of the Demon Sea. He looked up and found that a pillar was wrapped around the body of the Demon Sea God.

His body is entwined with golden chains. As long as he moves slightly, golden runes will appear to suppress his body.

Ye Chen found that his body was dripping with dark green blood all the time.

Doesn't it mean that the entire Demon Sea was formed because of his blood?

It is hard to imagine how the God of the Demon Sea can survive till now!

Ye Chen thought of the demon lord's explanation, and said, "Are you that extraterritorial monster?"

The God of Demon Sea shook his head: "No, you are not qualified to know about this."

"From the moment you shot, I felt the blood in your body, it seemed to suppress me..."

"Although it is weak, this feeling can't be wrong."

"If I guessed correctly, your origins are mysterious."

"Even related to the Kingdom of God."

"There will be no more than three people in the world who can suppress my blood."

Ye Chen frowned slightly: "What are you trying to say?"

"If you don't want to surrender me, you might as well make a deal with me."

When the Demon Sea God spoke, he found that the surrounding golden runes were rolling, tearing his body.

"I will give you five years to defeat Tiandao Palace and rescue me. If you disagree, although I am trapped, I can easily kill you."

Five years, for the strong, passed in a flash.

Ye Chen did not speak, he and Heavenly Dao Palace also had some grudges.

Sooner or later, he will stand on the opposite side of Tiandao Palace.

Five years is too short, even Ye Chen is not sure that he will be able to fight Heavenly Dao after five years.

"For five years, I am not sure to defeat the Dao of Heaven, I can only do my best!"

Ye Chen didn't say everything, once he promised something, he would do his best to do it.

"I can't try my best, I must defeat him, I hate it! Ah!"

The **** of the demon sea let out a roar, and the golden runes flashed instantly to suppress his breath.

Above the sky, a phantom guarding here seemed to perceive something and stretched out a finger!

A finger fell from the firmament to the depths of the Demon Sea in an instant, and the golden rune burst out with brilliant light in an instant.

The light fell on the body of the Demon Sea God, and dark green blood was constantly flowing out.

"Haha! Even if you torture me, you can't kill me."

At this moment, the God of Demon Sea became a little crazy, even crazy!

Ye Chen watched quietly from the side, even if he wanted to rescue the God of Demon Sea, relying on his current strength was still not enough!

"Five years! I only give you five years!"

The God of Demon Sea stretched out a finger with difficulty, and it fell into Ye Chen's mind.

At this time, Ye Chen discovered that a restriction appeared in his mind.

"If you haven't killed the Heavenly Dao Palace in five years, the restrictions in your mind will automatically explode!"

Ye Chen's entire complexion turned gloomy, he hated threats most, not to mention a restriction appeared in his mind.

It is possible to explode at any time, and his life is not in his control.

"That woman's soul contract has been cancelled, you can take her away."

"Also, since I want you to help me, naturally I won't let you help in vain. There is still a power left by me hidden in your body. This power, at a critical moment, is enough to save your life."

"Of course, if I am still trapped five years later, this strength is enough to kill you."

As soon as the words of the Demon Sea God fell, Ye Chen found that his body had left uncontrollably.

When he opened his eyes again, he was already in the castle.

The royal family of the God of Demon Sea originally wanted to take the Devil Emperor's daughter back, but found that Ye Chen's figure had appeared.

what's the situation?

Ye Chen is still alive!

They originally thought that Ye Chen was taken away by the God of the Demon Sea, and he would definitely not be able to leave alive, but who knew that he appeared in front of them again!

"roll!"

Ye Chen didn't bother to pay attention to them and came to the front of Devil Emperor's daughter.

"Your soul contract has been cancelled, let me leave!"

The Devil Emperor's daughter nodded slightly, she had found that the prohibition in the soul had been lifted.

The two people left, but the royal family of the Demon Sea God did not stop them.

So many powerful men are already dead, and they rushed over, only to die.

The soul contract was cancelled, but the Devil Emperor's daughter was still unable to fly in the air.

Ye Chen grabbed her hand and took her to the void.

The Devil Emperor's daughter has been found, and only the resurrected Devil Emperor is left.

It's just not easy to resurrect the Devil Emperor. Although the blood has been obtained , it is just the first step to resurrect the Devil Emperor.

After all, in the Sombra sarcophagus, the key moment when the Demon Emperor reunited with his body, because of the sword of destruction, fell short.

Coming out of the Demon Sea, Ye Chen discovered that two sharp auras swept across the void.

"Ok?"

Ye Chen frowned. Did Jun Mochen still not give up, afraid that he didn't die in the Demon Sea?

When the two figures appeared, their eyes showed Ye Chen for an instant, revealing a look of extreme horror.

How could someone enter the Demon Sea and come out unharmed?

how can that be!

The Demon Sea is the real Dead Sea!

No one can get out of it!

Chapter 2235: it a accident!

The two of them were powerhouses in the late sealed door realm, so Jun Mochen asked them to check it out just in case.

I originally planned to leave before Ye Chen a month later, who knows...

When he saw the woman next to Ye Chen, his eyes became completely ugly.

Devil Emperor's daughter! He came out alive!

If Jun Mochen knew about this, he would definitely be angry.

They didn't know what was in the Demon Sea, but the warriors who entered were already dead, but...

Their hearts have been completely messed up.

Now is not the time to think too much, since Ye Chen has come out, they can capture it again.

Perhaps Lord Mochen is happy, the more cultivation resources they control!

More able to become the iron army under Lord Mochen!

"You step back, I will solve these two people!"

Ye Chen stretched out his hand, stopped in front of the Devil Emperor's daughter, and said coldly.

However, the next second, his arm was a little stiff.

Because at that moment, he actually touched a touch of softness.

Ye Chen Yuguang glanced at the Devil Emperor's daughter, and saw that the opponent's eyes were filled with anger.

"If you do anything to me again, I will use taboo methods to burn your soul."

Ye Chen coughed: "Unexpected accident."

"Wait until I resolve these two people."

After speaking, Ye Chen stepped out.

The two elders of the Mozun Imperial Palace saw a sneer from the corner of Ye Chen's mouth.

They were not afraid of Ye Chen at all except for the fear of the demon.

And the demon's finger that day was not released by this kid at all!

The two elders opened their bows to besiege Ye Chen!

Ye Chen's eyes became cold, and the beast rotten sword and the **** of death spear were held in his hands at the same time.

"Broken Star!"

Ye Chen murmured in his mouth, and at this moment, the God of Death Demon Spear suddenly stretched out.

The veins on his arm violently violently, and the horrible gunshot intent spread.

The spear's intention was flying in the void, condensed on the Zhutian God Demon Spear.

The gun hadn't arrived, but the intention of the gun had been condensed into substance, tearing the robes of the two elders.

The two elders took out weapons swept by demonic energy and rushed towards Ye Chen.

One sword and one sword besieged Ye Chen, and the sword intent and sword intent flew around.

boom!

The **** of death demon spear blocked a sword, and the beast rotten sword in Ye Chen's hand suddenly lifted up.

At this moment, the power of the law flowing on his body, a sword slashed out.

In the void, ice condensed into layers of ice, entwining the legs of one of them.

During the controlled breath, the elder broke free from the ice.

Although there was only one breath, it was enough for Ye Chen.

The Thunder Sword of Ten Thousand Demons fell instantly, causing the elder to retreat.

At this moment, two phantom beasts appeared behind Ye Chen.

White tiger, unicorn!

The sound is trembling, with great power!

Two phantom beasts trapped another elder.

"You and I work together to kill this phantom!"

"This kid is a bit evil, so he took his head and dedicated it to Demon Lord!"

"No need to live!"

After the two elders solved it with one sword and a sword, they found that Ye Chen had stretched out a finger.

The demonic energy surged wildly, and seeing this finger, the two elders' entire faces changed drastically.

At the beginning, Ye Chen pointed at the door-blocking realm in seconds, and it was still vivid in their minds!

The two elders glanced at each other and decided to join forces to resist the demon's finger.

Otherwise, it would be absolutely irresistible to be alone.

The sword intent and sword intent on their bodies constantly erupted, and even forced out two drops of blood!

Burning blood!

One sword and two extreme rays of light fell in an instant.

Ye Chen's eyes looked at the two of them. At this moment, his demon finger had formed.

A finger fell in an instant and confronted with the sword light.

Boom!

The explosion-like sound erupted in an instant.

The terrifying aftermath caused Ye Chen's figure to retreat slightly.

He underestimated the strength of these two men.

The essence and blood burned, and unexpectedly released the strength close to the peak of the gate closure!

At this moment, his face was slightly pale, consuming too much energy in his body, but he did not stop, and did not intend to waste time, offering a few long swords.

Throw it out suddenly!

"A thousand soldiers exploded!"

The soldiers of time and space were in the void, and there was a buzzing sound, and a breath of terror suddenly diffused.

boom!

The earth-shaking sound blasted the entire void continuously.

Ye Chen looked at the front, and he didn't know what the two elders were doing now, and I was afraid it would be uncomfortable.

The two elders spit out a mouthful of blood. At this moment, they have gray heads and gray faces, and they have all kinds of injuries.

Looking at Ye Chen in their eyes, they were about to explode!

The two powerhouses in the gate-closing state have not yet taken Ye Chen, and they have made them shameful!

Of course, there is more fear in their hearts, and Ye Chen's methods are endless, making them all feel a trace of fear.

"Not dead yet?"

"It seems that Jun Mochen sent you here for no reason."

The beast rotten sword swung out suddenly, two extreme sword lights, rushing crazy.

At this moment, the figures of the two elders suddenly disappeared into the void.

Feeling a strong murderous intent behind Ye Chen, he turned around and directly pierced out with the Zhutian God Demon Spear.

With one shot, he penetrated the abdomen of another elder.

The devilish energy of the beast rotten sword gushes out.

boom!

A cloud of blood erupted, and one of the elders of the Demon Zun Emperor's Palace fell!

Another elder, holding a sharp sword, became completely crazy, and a sword swung out.

Ye Chen raised the beastly sword in his hand to resist, and the figure kept backing away.

When he retreated, the spirit ability was directly used!

That elder was delayed for a second!

Dilated pupils!

"You are still a soul repair! How could it be..."

The words hadn't fallen yet, and the God of Death's Demon Spear lifted up directly at this moment, piercing his chest with a shot.

Huh!

The last elder spouted blood from his mouth, and the whole figure retreated.

When he retreated, he ran away without any hesitation!

He is already injured now, and it is a bit unrealistic to kill Ye Chen.

Seeing this scene, Ye Chen rushed over directly, absolutely not being able to let the elders of the Demon Sovereign Palace leave.

If not, Jun Mochen will know by then.

His situation in Demon Domain will become even more dangerous.

The extreme sword light kept waving out, and the elders of the Demon Zun Imperial Palace kept evading.

His speed has been played to the extreme, but Ye Chen is still chasing after him.

If you want to leave, it might not be so easy!

The elder of the Demon Sovereign Palace gritted his teeth and pinched his fingers, causing his whole body to burn.

The surrounding heaven and earth magic energy poured into his body.

In order to survive, even at the expense of everything he has, he will not hesitate.

Ye Chen frowned, he was already about to catch up, but the other party's methods were too weird, and he gradually distanced himself from him.

It is unrealistic to want to catch up anymore, and can only return the same way.

At that time, if this is a plan to adjust the tiger away from the mountain, then the daughter of the Devil Emperor will be in danger.

Chapter 2236: Go against the sky!

Ye Chen returned to the original place.

The Devil Emperor's daughter has been waiting on the spot, her cheeks are still slightly red.

"Next, where are we going?" Ye Chen said, "By the way, what's your name?"

The Devil Emperor's daughter glanced at Ye Chen and said, "Mu Yan."

It's extremely simple.

"As for where are we going? There is a place I must go."

Ye Chen was startled slightly: "Where?"

"Devil Dao Sect!"

The news that they were alive would definitely reach Jun Mochen.

When the time comes, the warriors of the entire demons will hunt them down.

Along the way, Mu Yan introduced the Demon Dao Sect.

The overlord of the Demon Dao Sect was once a subordinate of the Demon Emperor. He was severely injured in the battle of the ancient times, and after luckily survived, he established the Demon Dao Sect in the Demon Clan.

Always wanted revenge.

It's a pity that Jun Mochen's methods reach the sky.

For thousands of years, there is no right to revenge.

Ye Chen had nowhere to go now, and decided to follow Mu Yan's opinion.

...

At the same time, the elder who had escaped from the Mozun Emperor's Palace came to the hall of Jun Mochen.

At this moment, his strength has fallen, and his body is bloodied.

There is no hope of breaking through to too empty in this life!

After the elders reported, Jun Mochen frowned and his eyes were cold: "Your value is here."

Two such strong men let Ye Chen kill one person and successfully escaped. They were just a waste.

If it is too virtual realm, he will stay, but he has fallen into his cultivation base, and there is no need to continue living.

"Magic Shadow!"

As soon as Jun Mochen spoke, a blood-colored figure appeared behind him.

Mo Ying wears a black robe and a mask, and can't see his cheeks clearly.

"They should still be in the Demon Race. Now, I give you all the authority to find Ye Chen and the Demon Emperor's daughter. If you can't bring them back alive, kill them directly, holding an extra token, and an attachment to the Demon Emperor's Palace. The forces will obey your orders and be sure to take them down!"

Mo Ying grabbed the token and disappeared into the air directly after taking the command.

Jun Mochen sat alone on the palace, frowning.

Ye Chen's immortality in a day was a potential threat to him.

If the Devil Emperor is resurrected someday, he will never be let go.

Jun Mochen must kill the potential threat in the cradle.

At this moment, there was a trace of fear in his heart!

The shadow of the Devil Emperor has been hidden in his heart, lingering!

Ye Chen must die!

...

Along the way, Ye Chen and the Devil Emperor's daughter disguised their breath and rushed crazy.

The Demon Dao Sect was thousands of miles away from the Demon Sovereign Emperor's Palace, and the two of them rushed madly, and in only one day, they had already arrived outside the Demon Dao Sect.

The Devil Emperor's daughter took out a token with the word Emperor written on it!

When the token appeared, the surrounding magical energy continued to flood in.

Within a quarter of an hour, a middle-aged man appeared, who was the sovereign of Demon Dao Sect.

"You...you are your highness!"

At this moment, the Demon Emperor's daughter has returned to her original face, wearing a veil, except that she can't see her face clearly, but the aura on her body and the token in her hand are for the Sect Master of Demon Dao Sect to be sure.

It must be the daughter of the Devil Emperor!

"It's not convenient to talk, let's go in!"

The Devil Emperor's daughter spoke directly, the Sect Master of Demon Dao Sect nodded slightly, and led two people to a secret room.

"His Royal Highness, you are still alive. If Lord Demon Emperor is alive, you will be very happy."

The Sect Master of Demon Dao Sect, with tears shining in his eyes, Ye Chen had been watching by the side.

Once he has anything wrong, he will directly kill him.

For so long in the past, who knows whether he is still loyal to the Devil Emperor.

If it were the puppet of Jun Mochen, it would be troublesome.

Next, the Devil Emperor's daughter and Sect Master talked about something, Ye Chen had been listening quietly.

After a stick of incense, two people came out of the secret room, but they had completely become two others.

They decided to hide in the Demon Dao Sect first, become a disciple, and resurrect the Devil Emperor.

In the next time, Jun Mochen will definitely look for them at all costs!

It is even possible to come here!

In the Mozu, Ye Chen had already cancelled Ye Chen's wanted, completely reappearing in everyone's field of vision.

Originally, the warriors of the demon clan thought that the Demon Sovereign Palace had already dealt with Ye Chen, but now it seems that this is not the case.

The Mozun Imperial Palace unexpectedly missed!

During the three days of Demon Dao Sect, Ye Chen was considering how to resurrect the Demon Emperor.

The essence and blood of the Devil Emperor alone cannot be completely resurrected!

The most important thing is to resurrect the Devil Emperor, which will surely attract Heavenly Dao Palace and Lord Demon Dust!

That vision must shake the world!

Going against the sky, heaven will surely descend thunder.

What's more, it is the devil emperor who has been resurrected, and has enmity with heaven!

How could Tiandao watch the devil emperor resurrect, maybe at that time, Tiandao itself will appear...

"Ye Chen, I plan to find the old men before my father!"

"There is no retreat right now."

"I want revenge."

"Even though my father fell and countless strong men around him died, a group of people survived."

"Our power is too weak, and Jun Mochen's search will not stop. If you and I don't take the initiative, we will definitely be discovered."

"At that time, we will definitely not be able to contend against Lord Demon Chen."

The Devil Emperor's daughter came to Ye Chen's room that day.

She knew Ye Chen's name, but Ye Chen only knew her name was Mu Yan, and the specific name was not clear.

"Reliable?"

Ye Chen frowned. If it were him, I'm afraid he wouldn't look for it.

People's hearts will change!

"do not know!"

The Devil Emperor's daughter smiled bitterly. Since she has escaped from the Devil Sea, she must get rid of Monarch Demon Chen in her lifetime.

When Jun Mochen came to power, and killed most of the Demon Emperor's subordinates, only a small part of them were hidden and escaped.

Ye Chen decided to give it a try, if he could win some strong players, even better!

The two of them came out of Demon Dao Sect and headed to Demon Bone Mountain!

Demon Bone Mountain is one of the ten forbidden mountains of the Demon Race.

The bones are full of bones, like a skeleton of ten thousand demons.

This place is so dangerous that most people would never approach it.

Just because the people on Demon Bone Mountain are all powerful demons who have hatred with some sects or practice alone.

The cultivation base is unfathomable!

According to legend, there is a strong man at the peak of Taixu, who is hidden in Demon Bone Mountain.

Demon Bone Mountain has various natural formations, and some strong sects dare not enter.

Will create a paradise for the devil!

Demon Bone Mountain, as its name suggests, is full of demonic energy and bones everywhere. Ye Chen and Mu Yan came to Demon Bone Mountain and found various formations as soon as they stepped in.

These are all natural formations, formed naturally. Regarding the mansion of that strong man, they had already asked the Sect Master of Demon Dao Sect on the way to come.

After Ye Chen and the others stepped into Demon Bone Mountain, the figure of Demon Shadow appeared outside Demon Bone Mountain.

Behind him is an unbeatable army.

Enough to stifle the strong of the Supreme Void!

What's more, Ye Chen of Star Aperture Realm!

Chapter 2237: The scary thing is the human heart

This team are all affiliated forces of the Demon Zun Imperial Palace.

Regarding the remnants of the Devil Emperor, there was one in Demon Bone Mountain, they had known for a long time.

It's just that the Devil Emperor is dead, and the only daughter fell into the Demon Sea.

Did not take care of the remnants of the Devil Emperor!

Now it's different. The Devil Emperor's daughter has already appeared, and if not sure, he will summon the remnants of the past.

"You all go in and look for Old Monster He!"

At the time, one of the Demon Emperor's men was seriously injured but had not fallen yet, that was He Rong.

After escaping from Demon Bone Mountain, there was no more news.

After Mo Ying finished speaking, he left directly, he only needed to wait for the news quietly.

Not only that, the remnants of the Devil Emperor have all arranged for his men to go to the Qing Dynasty.

Ye Chen and Mu Yan didn't know all of this. The two of them moved forward together, and met some formations in the middle, which were easily resolved.

He Rong's residence was only an hour away, but he was stopped by an old man full of blood evil spirits.

The strength of the old man is extremely strong, his eyes are full of greed, seeing Ye Chen and Mu Yan two people, naturally feel that these two people are not ordinary.

Mo Zu has no rules!

Demon Bone Mountain, especially so!

"Hand over your storage ring and everything on your body, including clothes, I can let you go!"

The old man's endless demonic energy swept through, and the cold voice fell!

Ye Chen shook his head helplessly: "Are you really going to stop me?"

The beastly sword was held in his hand, and the ghostly figure rushed over.

When the old man saw Ye Chen rushing over with the beast sword in his hand, a strange look appeared on his face.

This was the first time he had met, the Star Aperture Warrior dared to attack the strong man in the late stage of the Sealed Gate Realm, but he didn't care about it. It was just an ant. Even if he had some courage, that was all.

It was a pity that when Ye Chen's beast rotten sword fell, he felt that his thoughts were grossly wrong.

A sword fell, as fast as lightning, and the old man in the closed door realm was caught off guard, and a sword directly cut off one of his arms.

Goshawk fights rabbits with all their strength!

This is the end of the boss underestimating the enemy.

Ye Chen beast's rotten sword kept swinging out, the old monsters retreated steadily, and his eyes had become completely shocked.

At this moment, he didn't want the so-called murder of money, he just wanted to escape quickly.

Where did the monster come from? The Star Aperture Realm chased the gate-sealing realm powerhouse.

"I want to escape now, isn't it too late!"

Ye Chen's mouth showed a sneer, and the law of time was in the air.

He stretched out his hand and directly attacked with his spirit ability! Moreover, the breath of the law of time is constantly condensed at his fingertips.

The old man found that his speed had become unusually slow, and a finger suddenly fell on his body.

At the speed visible to the naked eye, his body directly became aging, and his figure fell from the void to the ground.

Ye Chen came to him step by step, and the beastly sword in his hand fell on his neck.

"No... don't kill me, I will give you all the treasures."

I thought it was a soft persimmon, but who knew it was completely kicked on the iron plate.

"I really won't kill you!"

There was a wicked smile at the corner of Ye Chen's mouth, and then a golden light shot into the old man's eyebrows.

In less than three minutes, the old man's eyes completely lost color.

Standing behind Ye Chen like a puppet.

"Take me to find He Yun!"

When the Devil Emperor's daughter saw this scene, there was a look of shock in her eyes, which flashed away.

The Star Aperture Realm actually controls the Divine Soul of the Sealed Door Realm!

Still have soul skills?

Who the **** is this kid?

Soon, a few people came to He Yun's residence.

Mu Yan went in alone, and came out in less than half an hour, a trace of disappointment flashed in her eyes.

Ye Chen just caught it, and smiled and said, "He doesn't want to fight against Jun Mochen, it's normal!"

Jun Mochen is in the middle of the Demon Race, although he does not completely control the entire Demon Realm, it is just a matter of time.

Especially when stealing the essence and blood, the powerhouse of the kingdom of God that you met might help Jun Mochen control everything.

At that time, the entire Demon Realm will become the world of King Demon Chen alone!

For this result, Ye Chen had already guessed that whether the Devil Emperor could be resurrected was still a question.

Relying on the Devil Emperor's daughter alone, even with him, it is not easy to deal with Jun Mochen.

When the two people were about to leave, a voice suddenly came out: "Since they have already come, don't leave!"

Ye Chen looked up and found that there were countless dark shadows hidden in the void and in the woods.

They are all the pinnacles of the door closed realm!

There are even half-step too virtual strong!

Now he can barely deal with the ninth-tier celestial powerhouse, but there are still some difficulties in the face of the peak of the gate and the half-step too weak.

The more you get to the back, the harder it will be to leapfrog!

Such a strong person, Ye Chen was not sure to leave safely.

The beast rotten sword and the gods and magic spears were held in their hands at the same time, and they decided to fight back!

Inside He Rong's mansion, a figure rushed over, wearing a yellow Taoist robe, holding a whisk in his hand.

"He Rong, since you appeared, you are also in doom today."

One of the demons directly spoke, looking at He Rong, a look of mockery flashed in his eyes.

He Rong was seriously injured that year and his strength fell.

Now it's just a layer of heaven in the Supreme Void!

Although he was still better than himself, the demons were confident that the appearance of He Rong could not change the situation of the battle.

"I don't want to be an enemy of Jun Mochen."

He Rong didn't want to get angry, although he was boring in Demon Bone Mountain, but he could live.

"There is no proof in your mouth. If you kill two people, you will not only be able to leave Demon Bone Mountain, but you will also receive the attention of Demon Venerable."

He Rong's face became a little ugly when he heard these words.

Ye Chen did not speak, but looked at He Rong's attitude.

If He Rong is willing to make a move, they are not without any chance to escape.

He Rong pondered on the ground for a while, then suddenly rushed towards Mu Yan.

"Princess sorry!"

"Years have consumed my will."

"I am ashamed of the Devil Emperor. The Devil Emperor is dead, but I cannot be ashamed of myself."

As soon as He Rong's voice fell, he had come to Mu Yan's face, and he stretched out his palm and patted it suddenly.

In Ye Chen's heart, although he had been vigilant, he still underestimated He Rong's speed.

It's too late to support in the past!

A slap fell on Mu Yan's body, and Mu Yan flew out directly, spitting out a mouthful of blood.

The next moment the whisk in He Rong's hand rushed over, trying to kill Mu Yan.

At this moment, Ye Chen's figure had already arrived in front of Mu Yan.

The Zhutian God Demon Spear stabbed out in an instant!

At the moment when the two touched each other, Ye Chen spit out blood in his mouth.

The sky of the Supreme Void Realm is one level, although it is injured, it should not be underestimated!

The whisk fell in He Rong's hands, Ye Chen turned his head and glanced at Mu Yan:

"Are you okay?"

Chapter 2238: Bad root heart!

Mu Yan stood up from the ground, shook her head, and directly injured her severely with one blow.

The strong man who besieged Ye Chen on the side did not make a move, but watched with interest.

It would be best if He Rong could get rid of Ye Chen and Mu Yan.

If they can't solve it, they will do it again.

This time Ye Chen and Mu Yan couldn't escape with their wings.

"He Rong, when my father saved your life, he let you live to this day!"

Mu Yan stared at He Rong, her eyes full of disappointment.

He Rong didn't want to fight against Jun Mochen, she could understand, but what was the difference between dealing with her and the seller Qiurong.

Ye Chen sighed, the sinister world can't be said clearly in a few words.

Originally, he thought He Rong would take a shot with him, leaving with certainty.

Now it seems to be worse!

He Rong didn't speak, although he knew it was shameful, but as long as he could live, what would it matter?

Ye Chen controlled the Blood Fiend old man in the Sealed Door Realm and gave orders directly.

The old man in the gate-sealing realm rushed over, did not make a move, but a frightening aura spread from him.

To deal with He Rong, even if the opponent makes a move, he can't insist on a few tricks, it is better to directly blew himself up.

The explosion damage is a little bit higher!

He Rong's whole body kept retreating when he saw that the strong man in the door closed state wanted to explode.

In these ten thousand years, he didn't have much practice.

Can only watch his own cultivation base fall!

He just wants to live!

If he resisted hard, although he would not die, he would still suffer serious injuries.

The whisk in his hand spread out and wrapped his body.

boom!

The sound of the explosion was deafening, and a deep hole appeared on the entire ground!

The whisk scattered, He Rong's robe shattered a bit.

But his face was extremely calm.

The door closure blew himself up, causing his body to suffer some shocks, but only a slight injury, which did not cause any major physical harm.

Ye Chen's ghostly and charming figure rushed over, the Beast Rotten Sword and Zhutian God Demon Spear suddenly lifted up.

The moment it was lifted up, it crashed down!

There was no change in He Rong's face. He was just a martial artist in the Star Aperture Realm, and he could solve it easily.

Whisk's white silk controlled Ye Chen's beastly sword and Zhutian god's demon spear, and then slapped it out suddenly.

The moment He Rong took the photo, Ye Chen released the beast sword, his five fingers clenched into a fist, and made a creaking sound.

A fist blasted out, and at the moment when the two touched, Ye Chen spouted blood, and his legs took two steps back.

Both the immortal divine body and the demon body burst out at the same time, one gold and one black, flowing on the surface of his body.

Theology, Gengjin Qi, and Rolling Demon Qi erupted at the same time, but it was not over yet, Ye Chen murmured from the corner of his mouth: "Everyone has their own choice!"

"It's just your choice that chills the heart of the Devil Emperor!"

"The devil pointed!"

He Rong has ferocious eyes! Never imagined that Ye Chen would use the martial arts of the Devil Emperor!

He even seemed to see the devil of the past!

But then I thought about it, this son and the princess are together, this demon one finger must be taught by the princess!

He no longer hesitated, the whisk in his hand was scrolling, and the meaning of emptiness was released!

Between heaven and earth, it seems to be the silk of ten thousand demons!

Trying to devour Ye Chen!

In an instant, Ye Chen was wrapped in the silk of ten thousand demons!

Destined to be unable to compete!

He Rong shook his head: "I live and die."

"The Devil Emperor has already fallen, why do you still have to fight against Lord Demon Chen?"

"The power of Jun Mochen shakes the world and fights him, it will only die faster."

Having said this, he walked towards Mu Yan!

His eyes were cold-blooded.

He is no longer the He Rong of the ancient times.

He is nothing more than a stubborn waste.

Without peak cultivation, one can only immerse in this chaotic and chaotic place.

His whisk just wanted to shoot! Intend to completely obliterate Mu Yan!

At this moment, a surge of extreme energy!

The silk of ten thousand demons broke suddenly!

A figure steadily fell on the ground!

He Rong was startled: "How is it possible!"

Although his strength has fallen, but the opponent can't break it!

He didn't think too much, just about to continue to kill Ye Chen, but suddenly noticed Ye Chen's eyebrows!

The eyebrows flicker!

That is the light of Jiuyou!

That is the light of the Devil Emperor!

Not only that, but the billowing devilish air obscured all sight!

No one can see what happened in the devilish energy!

All I know is that He Rong and Ye Chen are the only ones in the demonic energy!

"He Rong, you let me down!"

"Remember the old love, you can stop it yourself."

A voice suddenly came from He Rong's sea of knowledge!

He Rong's pupils dilated instantly, and he knelt directly on the ground.

The voice of the devil!

His body is shaking!

Although the words were calm, he could feel the anger of the Devil Emperor!

He Rong trembled for a few seconds, and finally there was a sense of relief in his eyes, and he pointed at the center of his brows:

"Devil Emperor, He Rong knows his mistake."

"He Rong's heart is destined to be unable to follow the Devil Emperor."

"Only death may be He Rong's following."

In the next second, a surge of extreme energy!

He chose to blow himself up!

And converge the energy to the extreme! Don't dare to hurt Ye Chen a bit!

The devilish energy gradually dissipated!

When seeing the picture clearly, at this moment, the forces that besieged Ye Chen showed a strange look on the side.

He Rong actually died?

A strong man who is too imaginary, even if he is injured, cannot die in the hands of the star aperture!

how can that be!

"Ye Chen, how are you?"

Mu Yan came to Ye Chen's side and checked Ye Chen's injuries.

Ye Chen shook his head: "No problem."

However, Mu Yan didn't think so, the spiritual power and demon energy in Ye Chen's body were decreasing.

It is impossible for the two of them to kill!

"Slap! Slap!"

Suddenly a black-robed man stood up, applauded and smiled and said, "It's really exciting, but it should stop here."

They didn't mind He Rong's death at all.

If it wasn't for He Rong's words, maybe Ye Chen would really be able to kill their strong gate closure.

Now that He Rong caused Ye Chen to be injured, it was considered deadly.

"Find a way, escape!"

Ye Chen glanced at Mu Yan and said directly.

He took Mu Yan's hand and walked toward the depths of Demon Bone Mountain.

Outside of Demon Bone Mountain, there may be more Demon Race powerhouses waiting for them.

Furthermore, Ye Chen felt that there was an extremely powerful aura outside!

This breath is extremely similar to Jun Mochen

Must be the strong around!

Only by entering the inside of Demon Bone Mountain can there be a ray of life.

When Ye Chen took Mu Yan's hand, her cheeks were slightly rosy.

From childhood to adulthood, it was the first time she had such contact with a man.

It's just that it's not time to think too much, Ye Chen and Mu Yan struggled to escape, and the powerful behind them were chasing and killing them madly.

Seeing that these people are about to catch up with the two of them.

Ye Chen frowned, took out some weapons, and threw them out.

The breath burst out frantically, exploding in an instant!

boom!

The terrifying breath spread, Ye Chen burned a drop of essence and blood, speeding up.

Although the explosive power of Thousand Soldier Burst is powerful, it is obviously impossible to kill so many powerful people.

And now with Mu Yan, he can't use the atomization magical power!

Chapter 2239: I promised the Devil Emperor to take care of you!

Lingwu continent.

Connected to the land of Kunlun Virtual Spirit City.

The broken formation has been repaired.

Countless powerful men in black robes contaminated with blood gathered in front of the formation.

A jade plaque was hung around their waists.

There is only one word on the jade card.

blood.

These powerhouses are naturally the blood spirit tribe from the blood sword gate.

If it hadn't happened to the Lord of the Kingdom of God recently, I'm afraid they would have attacked Kunlun Xu long ago.

And it took a lot of time to repair the formation that was enough to lead to so many strong people.

The headed black robe old man had cold eyes, looked at the people behind him, and said directly: "Ye Chen's strength in Lingwu Continent is not low."

"Our Blood Sword Sect wants to shake this person, it is extremely difficult now."

"The ancestor's opinion is to destroy Kunlun Void and bring everyone related to Ye Chen back to imprisonment."

"Perhaps, this is the condition for us to negotiate a bargaining chip with Ye Chen."

"Remember, there are only two goals this time."

"Destroy Kunlun Xu, and then bring back all people related to Ye Chen, including his parents and subordinates."

"That kid is worrying about his life and death, and he can't take Kunlun Xu into consideration. This is our only chance."

After the words fell, the black robe old man didn't intend to delay, and stepped into the formation.

The rest of the blood spirit race also stepped into the formation.

Their aura is strong, although their strength in Lingwu Continent is mediocre, but it is enough to obliterate many of Kunlun Xu's powerhouses.

Even their eyes are full of murderous intent.

It seems that the next moment, Kunlun Xu will have the calamity of extinction!

The black robe old man pinches the tactics with his fingers, and the formation starts instantly!

A bright light lingers!

The ancient lines in the ground are like gold threads!

Just when the teleportation array was about to be fully activated, suddenly overcast clouds spread across the world!

Countless petals fall from the sky!

Looking up at the sky, the black-robed old man suddenly had an ominous premonition in his heart!

"Quick! Speed up the formation!"

However, before the words fell, a beautiful figure appeared in the petals of the earth that day!

The girl's skin wins the snow, her eyes are like a cold spring, her eyes are condescending, she has a refined and elegant temperament, which makes people photographed, embarrassed, and dare not blaspheme!

But that Leng Ao Ling Dong had killing intent at this moment!

The woman holds a cold sword! Cut it down with one sword!

The sword intent instantly formed a phoenix phantom and rushed towards the blood spirit tribe in the formation!

"Quickly, congeal!"

The formation is instantly condensed! The golden beam of light enveloped everyone!

However, the moment the beam of light touched the sword intent, it shattered directly!

The teleportation array was broken on the spot!

The violent air wave rolled up everyone!

Suddenly people turn their backs!

The black-robed old man spit out blood, even hitting his eyes.

The formation is completely destroyed!

They can't step into Kunlun Xu!

mission failed!

The black-robed old man took the pill forcibly and wanted to escape, but soon, he heard footsteps in his ears.

A figure fell in front of him.

His voice trembled: "Senior, we are from the blood spirit race, and we just want to go to a low-martial world, why do we want to shoot at us?"

"Oh?" The indifferent female voice fell. "Then I did not come wrong."

The black robe old man's eyes widened, raised his head, and instantly saw the beautiful girl.

The next second, he was like hell!

Because of this girl, he knows!

The information he has, this girl is from Kunlun Xu!

It is Ye Chen's confidante, Xia Ruoxue!

"How can your strength...only one year..."

Endless fear swallowed the black robe old man!

Xia Ruoxue's sword suddenly moved.

"I tried my best to cultivate, hoping that one day I would not drag him down."

"Now, I find that I can do more."

"Although he is in the Demon Race, I am willing to guard Kunlun Xu."

"There can only be a piece of pure land, and no forces can touch it."

"Once touched, I will find a way to turn them into a sea of blood."

The words fell, the sword intent swept the entire formation!

Wherever he went, it turned into a blood mist!

This carries the anger of Xia Ruoxue!

She was not that weak girl long ago, and the Lingxian Imperial Palace improved her strength, but she didn't expect that all this was to make her own wedding dress after all!

Around the formation, it turned into a **** cold.

The girl hovered above the sea of blood, looked towards the demon clan, and muttered: "Ye Chen, I will protect Kunlun Xu."

"What you have to do is to become stronger as soon as possible, and shake the high heavenly kingdom!"

...

At the same time, Ye Chen's face became paler and paler, but the power of Jun Mochen was still chasing after him, and was about to catch up with the two of them.

Ye Chen frowned, his speed was already declining, and it won't take long for him to catch up.

"It really can't, you run away first, I will stop them."

Mu Yan had a decisive look, Ye Chen's strength was stronger than her, and she was just an oil bottle with the injury.

If she could buy some time, Ye Chen might not be able to leave.

"I promise the Devil Emperor, I will take care of you!"

As soon as Ye Chen's voice fell, his fingers tightened to prevent Mu Yan from breaking free.

His face gradually paled, and finally rescued the Devil Emperor's daughter from the Devil Sea, how could she be sent to death.

Among them, several powerful demons were only less than one kilometer away from Ye Chen.

They took out their sharp swords and cut them out suddenly!

Even if this sword could not kill Ye Chen, it could still cause him to be seriously injured.

An extreme sword light struck, Ye Chen took out the God Killing Demon Spear, turned around and stabbed it out.

boom!

At the moment when the two touched, Qi Lang instantly moved towards Mu Yan!

Ye Chen's face changed slightly, these people didn't even plan to keep their hands on Mu Yan!

His body turned abruptly, and he stood behind Mu Yan abruptly!

The air wave hit Ye Chen fiercely!

Mu Yan naturally noticed that Ye Chen was protecting herself, her pretty face was pale: "Ye Chen, you don't need to be like this..."

Ye Chen snorted coldly, "Stop talking nonsense!"

In the next second, Ye Chen cast the Thunder Sword of Ten Thousand Demons and fell on the spot!

The spiritual power of the dantian is fading rapidly!

Billowing smoke and dust! The powerful air wave lifts everything!

What Ye Chen wanted was this kind of effect, although it would hurt him, but using the aftermath of the shock, he distanced him from these strong men.

"Cunning little beast!"

Those strong men saw this scene, and instantly knew that they were being used.

The whole person is angry I can't wait to slap Ye Chen to death.

This time he honestly chased after him, not daring to make any more moves.

I am afraid that Ye Chen will use the same trick again!

Relying on Ye Chen's cruelty, he would definitely be able to do the same thing.

Anyway, Ye Chen was about to catch up, not short of time.

The more it is consumed, the more beneficial it will be for them.

Ye Chen himself understands the current situation, if there is no Mu Yan, he will definitely be able to retreat.

But right now he can only grind his teeth and hurry.

If there is no way to get rid of the strong behind.

The two of them couldn't escape at all!

The key is that he can always feel a pair of eyes staring at him!

Chapter 2240: Can't resist!

The strong man hiding in the depths did not make a move!

Ye Chen looked at the dense woods in front of him. When he was walking forward, suddenly a white barrier appeared beside them.

"Formation?"

Mu Yan murmured, showing a wry smile.

Now it's really worse, Demon Bone Mountain has endless natural formations.

They accidentally entered it.

If it were not for chasing soldiers behind them, they would only be able to leave after spending some time.

Unfortunately, now, what they lack most is time!

Whoosh! Whoosh! Whoosh!

The three powerful demons came outside Ye Chen's formation, with a sneer at the corners of their mouths.

"Now I see how you run away!"

One of the powerful demons spoke, a fierce expression flashing in his eyes.

Now that Ye Chen is trapped by the formation, they can defeat the two of Ye Chen by breaking the formation.

It's true that God didn't help both of them.

"You break the formation!"

The strong commander of the Demon Race started and said, as long as the formation broke, they would immediately capture the two.

boom! boom! boom!

The crazy power fell on the formation, but the formation did not move.

Ye Chen saw the scene in front of him, slightly relieved.

This is just a simple trapped formation, and will not suffer any harm in the formation.

So there is no need for Xiao Huang to swallow the formation.

"A bunch of trash!"

The strong demon cried angrily and shot himself, the devilish energy swept his arms, his five fingers clenched, and a black mysterious tattoo was engraved on his fist!

The tattoo flashed, and a punch hit the formation.

boom!

With a fist, the horrible aftermath will surely make the surrounding ruins, but unfortunately he will be beaten in the face in the next second.

There is still no problem with the formation!

"We will recover as soon as possible!"

Ye Chen glanced at Mu Yan and said directly.

He doesn't know how long the formation can last. Only when the injury recovers as soon as possible can he have the ability to protect himself.

Take out the pill from the reincarnation cemetery, put it into Mu Yan's hand, and then sit cross-legged on the ground.

The strong man outside the formation saw Ye Chen sitting on the ground unharmed to heal his injuries, his chest rising and falling.

I originally thought that grabbing Ye Chen was a matter of hand, who knew that this formation was extremely strong, and it was impossible to break it in a short time.

As time passed bit by bit, there was already a crack in the formation. As long as the attack continued for an hour, the formation could be broken.

Ye Chen opened his eyes and stood up from the ground. At this moment, his injury had almost recovered.

As for Mu Yan, most of it has also recovered.

"Yeah, haven't you broken it yet? Go on!"

Ye Chen smiled and said, with a smile on the corner of his mouth.

The breaking of the formation is just a matter of time and night. Before breaking, Ye Chen didn't mind taunting them.

He has already remembered the faces of these people.

When he gets rid of these warriors, he will find a way to retaliate against these sects.

Since he was hunted down, we must be prepared to pay the price.

It is Ye Chen's character that Jai Xuan must report.

Hearing Ye Chen's words, the demon clan's strong man became angry and shot himself!

The devilish sword intent fell on the formation one by one!

The formation method soon appeared cracks!

Ye Chen didn't care about all this, his strategy had been successful.

If the enemy can consume a little energy, he will have an extra chance to escape.

He can't stay in the formation forever.

Even if the formation can withstand the opponent's attack, they have been exposed, and there will only be more powerful ones.

From the beginning, Ye Chen never thought about staying in the formation.

Click!

There was a crisp sound throughout the formation, and the cracks continued to expand.

Ye Chen Beast Rotten Sword and Zhutian God Demon Spear were held in his hands, and the whole figure rushed over.

The spear intent and the sword intent burst out frantically, suddenly attacking with one shot and one sword.

The three powerhouses didn't expect that Ye Chen would not choose to escape, but directly shot.

In a hurry, the figure backed away from Ye Chen.

Mu Yan rushed out of the formation, his strength recovered a bit, and he was naturally qualified to use the demon's finger.

She herself is the daughter of the Devil Emperor, and she can still fight leapfrog!

The brave wins when we meet on a narrow road!

Devilish energy, sword intent, immortality, and soul skills continue to fill the air.

The immortal sword intent poured out frantically, Ye Chen raised his arm, and the beastly sword burst out with the ultimate sword light.

boom!

With a sword swung out, one of the door-sealing experts was easily resolved, with a calm expression on the corner of his mouth.

Suddenly, behind Ye Chen, a figure appeared out of thin air, and his palm fell.

Slapped on Ye Chen's back, slapped down, Ye Chen took a heavy blow, turned around, and stab it out.

When he stabbed a shot, two extra strong soul clan players formed a pinching force, leaving Ye Chen no retreat at all.

Ye Chen knew that there was no way to retreat, and the Zhutian God Demon Spear in his hand did not retract, but continued to stab it out.

The Zhutian God Demon Spear in his hand pierced through a blood hole on the body of the strong gate seal realm.

Three powerful demons made Ye Chen under tremendous pressure.

Ye Chen beast rotten sword swung out, and the extreme sword light burst out frantically.

The sword light danced wantonly, and the breath of the immortal sword intent was mixed with demonic energy.

The terrifying aura continued to spread out, and Ye Chen used them to escape from the attack when they retreated.

Roar!

Ye Chen's figure stood in the void, and Nine Nether Shura seemed to cover the sky and the sun.

Like God but not God!

Like a magic but not a magic!

The surrounding demonic energy continuously poured into Nine Nether Shura's body.

At this moment, Nine Nether Shura's eyes turned blood red, and the killing intent was crazily condensed in his eyes.

The killing intent was turned into reality, forming a terrible aura, and immediately rushed towards the three powerful demons.

boom!

One shot fell, and the surrounding trees were torn apart and shattered!

Although the three powerful demons avoided the past, they all suffered some injuries.

"The devil pointed!"

Ye Chen murmured in his mouth Behind Jiuyou Shura, six arms raised up, each extending a finger.

The demon energy of Demon Bone Mountain is stronger than that of any place in the Demon Race. Six fingers stretched out, which is equivalent to the drop of six demon fingers.

Devilish energy poured into Ye Chen's fingers madly. Above his head, a terrifying devilish energy enveloped him, like the night, without any light, as if being in the darkness.

The three powerful demons who were not surprised at first saw this scene, and their faces became pale!

The devil emperor's stunt is terrifying in itself, let alone the six fingers falling!

From the breath of a finger, they felt the threat of death.

boom! boom! boom!

Six fingers fell madly, and the warrior who had besieged Mu Yan kept backing away.

The breath that came out was too terrifying. Although it was not directed at them, it was completely unstoppable.
