

## Urban 2241

Chapter 2241: Xiao Huang's change!

Mu Yan was also within a certain range of Ye Chen, and she stared at Ye Chen with beautiful eyes.

The silence on the scene was a bit terrifying, on the ground, dust was flying, sand and rocks were flying.

The three powerful demons looked around, no one knew what was going on right now.

Cough!

At this time, two voices came, and two powerful demons flew out from the dust.

As for the other one has fallen!

At this moment, Ye Chen had changed back to his original appearance, his face was pale and his arms were trembling slightly.

Using the power of six fingers has basically consumed all the energy in his body.

Despite this, the other two powerful demons did not make a move!

They don't know if this is an illusion!

Everything Ye Chen exposed is too weird!

In case Ye Chen has other means, or can still play the finger of the heavenly devil, they may fall!

"go!"

One of the powerful demons spoke. Although they came to besiege Ye Chen, they would not take their own lives.

They are all high positions in the sect, and once they die, everything will disappear.

Ye Chen's location has been found, then tell Master Demon Shadow, let him arrange for the strong from Demon Emperor Palace to come.

There is no need for them to work hard.

Although it is an affiliated sect of the Demon Zun Imperial Palace, it is not a fool.

Ye Chen couldn't help but exist in this way, and they rushed over to die.

Ye Chen did not chase after the group left.

"It seems that the current realm is far from enough. After all, the spiritual power that the dantian can hold is too little."

"We must improve our strength as soon as possible!"

Mu Yan came over with a mixed emotion in her eyes: "Actually, you don't need to help me like this."

"My father has fallen, even if he wants to be resurrected, it is extremely difficult..."

"You can see that his former subordinates have been like this. You will not gain anything by doing this."

In Mu Yan's view, Ye Chen helped him so much because of his father's face.

But the father's spirit disappeared, how could he be resurrected?

She has no confidence.

She knew that the greater the hope, the greater the disappointment!

Ye Chen alone was enough to escape.

But with yourself, it represents many threats.

In Mohai, she has adapted to the rules of Mohai, and her strength can be maximized.

But the enemies faced here, she found more powerless.

She has been out of touch with the outside world for too long.

She didn't want Ye Chen to take risks for her again.

Is a stranger worth the effort?

Ye Chen's eyes fell on Mu Yan, and he smiled: "You think too much, my relationship with your father is not that simple."

"As for your father's resurrection, trust me."

"Although he fell back then, he will inevitably make the kingdom of God fear again in the future."

"Jun Mochen is certainly strong, but the previous contact made me understand that there will be a barrier in his heart that he can't pass. This barrier comes from your father."

Mu Yan's body was slightly startled: "Do you really think my father can be resurrected?"

Ye Chen did not speak, but cast a firm look.

Mu Yan's disappointed eyes glowed again: "Okay, I believe you once."

"Since you said that my father is Jun Mochen's demon, then we will use some means to enlarge this demon."

Ye Chen looked weird: "What do you mean?"

Mu Yan opened the mouth and said: "We are too passive now. As far as I know, the city lord mansion close to the Demon Sovereign Palace was established by Jun Mochen himself, and there is a statue of the demon lord in the city lord mansion."

"This is the first statue of Lord Demon Chen in the Demon Race, we might as well destroy it."

"And the strength of the City Lord's Mansion, we can barely resist."

"You come with me, and it will be clear then."

Although Ye Chen felt that this trip was a bit dangerous, instead of running away passively, he might as well take the initiative!

Mu Yan continued: "But the biggest problem right now is that it is difficult for this Demon Bone Mountain to leave."

"The only exit is blocked, and I can perceive that there is a stronger presence guarding it. If I guess correctly, that person is the person next to Jun Mochen, and his strength is above Tai Xu."

Ye Chen knows his own strength, how can it be possible to fight against too virtual!

"Forget it, take one step and look at another step, let's go deeper..."

Muyan Road.

The two of them no longer hesitated, their figures disappeared completely.

At the same time, outside Demon Bone Mountain, a black robe man carried his hands on his back, his eyes closed tightly.

Suddenly his eyes opened, and his eyes fell in front of the scarred powerhouses.

Those strong men who attacked Ye Chen knelt down one after another.

"Master Demon Shadow, that little beast is extremely powerful, and he hits us heavily with the help of the formation!"

"Also invite Master Demon Shadow!"

"As long as the adults take action, those two people will definitely die."

Demon Shadow's eyes were cold, and he glanced at everyone: "Do you know why I didn't make a move?"

"Because my magic shadow is not just a dog of Jun Mochen."

"It is the daughter of the Devil Emperor that you are chasing and killing. As for that young man, it is very likely that he is the descendant of the Devil Emperor."

"This is a confrontation between Devil Emperor and Jun Mochen."

"I don't want to shoot until the final win or loss is revealed."

"Because I want to have the last laugh."

"But right now, it seems that Jun Mochen has a better chance of winning."

The faces of those powerful demons changed slightly, they never thought that the demons beside Jun Mochen had such ambitions!

If the Demon Emperor loses, he will definitely solve Ye Chen and Mu Yan with his own hands. In Jun Mochen's eyes, Demon Ying is the number one hero.

If Monarch Mochen loses, Moying secretly helps Ye Chen and Mu Yan, then the Demon Emperor restores the Demon Clan, Moying is still the number one hero!

In this game of chess, as long as Mo Ying is cautious, he must be the one who has gained the most!

The MoxieTV line swept over everyone and slowly said: "Do you know why I told you this matter?"

"Because the dead will always keep secrets!"

Everyone was startled and wanted to escape!

However, it is too late!

The magic shadow turned into a magic energy and swept everyone!

Everyone was injured, how to resist!

After a few seconds, there is only one man in the world!

Mo Ying glanced at Demon Bone Mountain and smiled slightly: "Ye Chen, Ye Chen, you seem to be losing this game of Demon Race. I will give you one last chance. If you can't let me see the hope of Demon Emperor winning. , Maybe, I will cut off your heads and sacrifice to the only king of the demons!"

After that, the magic shadow disappeared!

He actually wanted to let Ye Chen and Mu Yan go!

...

In the depths of Demon Bone Mountain Ye Chen stopped suddenly.

Mu Yan was a little suspicious: "What's the matter?"

Ye Chen said directly: "Are you sure you want to come out?"

"What are you talking about?" Mu Yan was a little confused.

Is there a second person around?

Or is there something wrong with Ye Chen's head?

At this moment, a dome appeared out of thin air!

The red and blue light glowed around the dome, which was extremely mysterious.

"Xiao Huang, do you really want to absorb all these formations? Is this good for you?"

Ye Chen continued to ask, completely ignoring Mu Yan.

Chapter 2242: Revenge begins!

Just now, he sensed that Xiao Huang was eager to come out!

After some communication, I realized that Xiao Huang had taken a fancy to the countless formations of this Demon Bone Mountain!

After all, there are too many formations here, and it is the formation of the power of heaven and earth and the condensed demon energy, far more powerful than the energy of the general formation!

Xiao Huang now seems to have discovered that the energy of the swallowing array will speed up his shelling and strengthen himself.

Xiao Huang nodded at Ye Chen, and in the next second, he headed towards several formations!

Mu Yan's eyes widened. Although he didn't know what this dome was, he would definitely die if he rushed directly into the formation!

She quickly looked at Ye Chen and reminded: "That guy should be your pet beast, let him come back quickly, the power of those formations is extremely terrifying, if you are careless, your pet beast that has not broken its shell will Torn on the spot!"

As soon as the words fell, Mu Yan witnessed an extremely strange thing.

She subconsciously covered her mouth, and a stormy sea raged in her heart!

In an instant, that powerful formation was absorbed by the dome!

And the dome has not stopped!

Speed through the entire Demon Bone Mountain!

Wherever you go, any formations disappear!

She looked at Ye Chen, why is there such an incredible existence around this guy?

Swallowing formations, and still such a powerful formation!

Does the formation need money?

You must know that the powerful demons just used all their strength and couldn't break one of the formations!

And that dome has nothing left for all formations?

Is there such a monster in the world?

After an hour.

Mu Yan's shock did not dissipate for a long time, she found that the entire Demon Bone Mountain had disappeared in half!

All the surrounding formations disappeared!

The dome flew slowly, came in front of Ye Chen, and burped.

"I'm full, this Devil Bone Mountain is barely good, boss, I'm going to sleep."

"By the way, the strong man outside Demon Bone Mountain seems to have left. You should be able to leave safely."

In an understatement, Xiao Huang returned to the reincarnation cemetery.

But Mu Yan is messy, can this dome speak before it hatches?

She looked at Ye Chen and said excitedly: "Ye Chen, what is this? An egg from outside the domain?"

Ye Chen smiled: "My friend, his name is Xiao Huang."

After speaking, he felt his surroundings for a while, his face was weird.

Jun Mochen's men did leave.

how can that be?

The two walked towards the exit, Ye Chen covered the soul to the extreme!

Still not found.

And he found that the powerful demons who dealt with them had all fallen!

"Could someone help us?"

"This matter will be discussed later, let's go to the nearest city of Demon Zun Emperor Palace, Demon Zun City!"

...

One day later.

The closest city in the Mozun Palace, Mozun City.

A young man wearing a mask and a girl wearing a veil mixed into the crowd.

Ye Chen did not choose to disguise.

Back here, he had a dispute with the son of the city lord, so naturally there was no need to change his face.

"Master, look, it's the kid last time!"

On the street, Wang Hu was wandering, and a guard next to him spoke.

Looking at Wang Hu's eyes, he found that it was the same young man!

The mask has not changed!

After returning to the City Lord's Mansion, he asked his father to take action, but he did not find this person.

Unexpectedly, Liu Anhua would make another village, and finally let him meet again.

Wang Hu saw the woman next to Ye Chen, although she was wearing a veil, but a pair of beautiful legs was already attractive enough.

Make his heart itch!

This kid is really beautiful!

Wang Hu no longer hesitated, and the sound transmission note in his hand was crushed, which was specially given to him by Wang Hu's father.

Once you meet this person, you can directly smash the sound transmission talisman, and then the city lord will rush over.

Ye Chen saw Wang Hu standing in front of him, smiled and said nothing!

He originally wanted to go to the City Lord's Mansion, but he didn't expect Wang Hu to send it to the door by himself.

"Boy, you dare to step into Demon Venerable City! Last time you took those women from me. This time, the women next to you seemed pretty good. Give it to me. Maybe my father will come over and be able to forgive you. A fate."

Wang Hu didn't have an arrogant look on his face. It was true that Ye Chen was slapped in the face for fear.

It will not be too late to be arrogant when the father comes over!

When the surrounding warriors saw Ye Chen's disguise, someone recognized it.

Isn't this the one who beat Wang Hu specifically?

They thought that this person would not show up, but who knew they would dare to show up.

Hearing such flimsy words, Mu Yan just wanted to make a move, Ye Chen stepped out, and a palm swept through the devilish energy directly slapped Wang Hu's cheek!

"Snapped!"

Very crisp.

At this moment, Wang Hu was a little confused.

He had already told the other party that his father was coming over soon, and he even dared to make a move against himself.

The rest of the guards didn't make a move, they had already seen Ye Chen's strength.

Ye Chen stepped on Wang Hu's body, and said: "It seems that Jiangshan is easy to change and its nature is hard to change. That incident has not changed you."

"In that case, you don't need to change!"

Ye Chengang wants to make a move! The sky was suddenly overcast!

"Quickly let go of my son!"

At this moment, an old man in the void rushed over and saw Wang Hu's miserable appearance, his heart was bleeding.

He has always had a son, just such a son, but now he has ended up like this!

When Wang Hu turned his head to see his father, tears suddenly flowed from his eyes.

His father finally came, and if he doesn't come, he feels that he can be beaten to death.

Ye Chen glanced at the city lord and smiled without saying a word, then grabbed Wang Hu by the neck.

Originally, the city owner wanted to make a direct shot, but he stopped when he saw this scene.

He was not confident that he could directly kill before Ye Chen started.

"What do you want to do, just let go of my son and you can let you go."

Wang Hu was extremely excited when he saw his father coming!

"Father, save me!"

"I want this kid to die, I want to crush every bone of him with my own hands!"

Ye Chen shook his head, fingers suddenly hard.

Click!

Wang Hu's neck was directly broken, and Ye Chen threw it out, just like throwing away a dead dog.

This person is afraid of hurting a lot of people, even if he is killed, there is no psychological burden. The crowd onlookers look dumb!

This young man dared to kill his son in front of the city lord.

The warriors took two steps back unconsciously, they knew something big was about to happen.

His own son was killed in front of his own eyes, and the city owner could never let this kid go.

They couldn't help shaking at the thought of the city lord waiting to be furious.

The eighth-level heavenly powerhouse in the closed door realm was angry, and blood flowed into a river.

Some timid warriors have already left, who knows if the city lord will vent his anger on them after killing the youth.

Just in case, it is better to leave as soon as possible!

"Dare to kill my son! I want you to die!"

The city lord roared, the violent figure came directly in front of Ye Chen, raised his arm, and slapped it straight down.

Chapter 2243: On the day the Devil Emperor descends, when the Lord Demon Chen's body falls

There was room for this palm, and he didn't want to kill Ye Chen immediately, but wanted to save his life and torture him.

Mu Yan watched quietly at the side, Ye Chen couldn't help but do nothing about the eighth-layer heaven in the gated state.

When the city lord rushed over, the sword intent on Ye Chen suddenly burst out, the beast rotten sword was directly held in his hand, and the sword was cut out!

The sword intent turned into reality, like a storm, swept away, and the surrounding warriors kept retreating.

The fierce sword intent, although not aimed at them, has already felt that the sword intent is cutting the flesh.

Although the strength that broke out was a bit fierce, the martial artists around did not think Ye Chen could win.

The gap between the Star Aperture Realm and the Sealed Door Realm is too big.

Even if they can leapfrog, they are certainly not the opponents of the closed door.

However, Ye Chen went down with a sword, and the city lord took two steps back, with a horrified expression on his face.

Just now, if he hadn't retracted his palm in time, I'm afraid his hand would have been cut to the ground.

hiss!

The martial artist onlookers took a breath, and went down with a sword, the city lord actually fell into the wind.

Their eyes are correct!

Could this kid really be able to kill the powerhouse in the late sealed door realm?

A ridiculous idea appeared in their hearts.

Ye Chen pressed harder, the sword light on the beast rotten sword was constantly waving out, and the sword intent and the devilish energy merged together.

The city lord didn't dare to hold big now, feeling that Ye Chen was a little weird, giving him a hint of danger in his heart.

A magic wand overflowing with devilish energy appeared in his hand, waving it out and driving the world.

The houses on the street were torn apart, flying sand and rocks, exploding in an instant.

The stick struck, making a tiger roar, like a tiger leaping forward.

There was a faint smile at the corner of Ye Chen's mouth, and the Beast Rotten Sword instantly blocked it, and the endless fog gushed out.

At the moment of blocking, his arm tilted, throwing the stick, and then the blade of the beast rotten sword was covered with ice power.

The surrounding temperature dropped in an instant, and the warrior on the side couldn't help but shiver.

cold! Extremely cold! As if being in the ice and snow.

Layers of ice appeared on the ground, continuously extending.

A sword swung out, the blue sword light mixed with killing intent, suddenly rushed over.

The city lord's magic stick was thrown out, the dragon and tiger phantom circled, roared, and suddenly rushed over.

When the two touched each other, there was a violent explosion.

boom!

The terrifying aftermath continued to spread, and there was a scream.

Some warriors were wounded and retreated in a panic.

Is that young man really the strength that erupted from the Star Aperture Realm?

Whoosh!

With a burst of air, Ye Chen's whole body had disappeared in place and came to the city lord.

The beast rotten sword slashed out suddenly, as fast as lightning, like a stream of light flying.

"The third sword of the six swords gods, the eternal thunder sword!"

A sword fell, and a scream!

The \*\*\*\* arm of the city lord landed on the ground, and blood erupted from where the arm was broken.

Just now Ye Chen rushed over by surprise, but it was too late for him to resist.

From the reincarnation cemetery, he took out the Zhutian God Demon Spear and held it in his hand, murmured in his mouth: "Break me!"

The spear intent surged crazily, and the \*\*\*\* of death's magic spear pierced his heart.

This shot will take away the city lord!

There was a cold light on the spear head, and Ye Chen's figure stood in place, but it was just an afterimage.

Stabbed!

A stream of blood shot out from the heart of the city lord, blood in the heart!

The city lord stared at Ye Chen with wide eyes. Just when he wanted to speak, his whole person had no aura and fell to the ground.

Pulling out the Zhutian God Demon Spear, Ye Chen led Mu Yan towards the City Lord's Mansion.

The warriors who were onlookers saw the body of the city lord and hurriedly packed their things and left.

It's going to change!

The lord of the Demon Zun City was killed under the public!

Although Jun Mochen rarely comes to this city, this is the most meaningful place before Jun Mochen reaches the peak!

There is even a statue of Monarch Demon Dust in the City Lord's Mansion of Demon Zun City!

The young man's actions are undoubtedly pulling his teeth out!

Maybe the Mozun Emperor's Palace was angry, none of them wanted to live.

It is already normal for the Demon Race to slaughter the city with a rage.

After Ye Chen brought Mu Yan to the City Lord's Mansion, he soon found a huge statue!

The statue is ten meters high and exudes billowing magic!

The posture is extremely domineering, like a \*\*\*\* who controls the world!

Seeing this scene, Mu Yan's eyes burned with anger, and no longer hesitated, he held a magic sword in his hand and cut it directly!

However, the magic sword has not yet touched, and a barrier is revealed!

This statue is actually protected by formations!

Mu Yan's body instantly retreated, and his face became even more pale!

Ye Chen's eyes were solemn, and Xiao Huang was directly sacrificed, and the formation was instantly swallowed!

Ye Chen looked at this huge statue, his anger was no lower than Mu Yan, no longer hesitated, and rose into the sky!

Yijian carries the power of the sky and cut it directly!

"bump!"

The statue of Jun Mochen instantly turned into powder!

Billowing smoke and dust!

Mu Yan was overjoyed, and fell with a sword, and directly carved a line of text on the wall of the City Lord's Mansion!

"The day the Devil Emperor descends, when the Lord Demon Chen's body falls!"

...

At the same moment.

Mozun Imperial Palace.

Angrily and solemnly.

Jun Mochen closed the screen with a gloomy face.

He looked at the demon shadow who was kneeling in front of him, and said: "Why miss?"

Mo Ying's face was solemn: "Those subordinate forces deceive the minister, the minister is careless!"

"Mozun, give me another chance!"

"Snapped!"

Jun Mochen snapped it up, and the floor of the hall was instantly torn apart!

The demon's body shook off on the spot!

"Such ants, sent out my Demon Sovereign Palace to chase and kill, they still can't be destroyed!"

"Instead, let the other party come to Demon Zun City and destroy the portrait I personally set!"

"This is a provocation! A provocation to my Lord Mochen!"

"Moying, I will give you one last chance. If you can't bring back the lives of these two people, you will die for them!"

Mo Ying's expression changed slightly.

"Yes! Demon Lord!"

He thought he was in charge of everything, but he didn't expect Ye Chen and others to be let go, they were so provocative!

It's just looking for death!

Now, he can no longer help Ye Chen!

Ye Chen must die!

The majesty of the Mozun Imperial Palace cannot be provoked!

After Mo Ying left, Jun Mochen stared at a shrinking sarcophagus not far away.

In the sarcophagus is the body of a demon dog.

Sent from the Kingdom of God not long ago.

The meaning is obvious. Some of his actions, the Kingdom of God has obviously discovered.

During the War of the Ancients, Jun Mochen suddenly attacked the Devil Emperor from behind, which made it possible for God to destroy the Devil Emperor.

After that, the strength of Jun Mochen increased step by step, climbing to such a position, there was the shadow of the kingdom of God.

But he didn't want to be a dog of the kingdom of God.

He wanted to sit on an equal footing with the Kingdom of God like the Devil Emperor.

However, he obviously overestimated himself.

He does not have the strength of the Devil Emperor, nor the opportunity of the Devil Emperor.

After a long time, Jun Mochen sighed: "Devil Emperor, if you really are resurrected, then no one can blame me."

"When the demons and the kingdom of God truly unite, even if you are resurrected, you will never escape the fruit of the fall!"

...

Chapter 2244: Sorry, I want it all!

About the killing of the city lord, quickly spread throughout the entire demons.

In an evil sky city, Ye Chen and Mu Yan came to an inn restaurant.

The whole evil sky city is home to the evil sky sect, which is relatively prosperous.

Sha Tianzong, when they were in Demon Bone Mountain, a strong demon clan besieged the two of them.

Crucially, Sha Tianzong also has a statue of Lord Demon Chen!

Jun Mochen's move is to wipe out the faith of the demons in the Devil Emperor!

And he can become the faith of the true demons!

"Ye Chen, there is a real strong man in the Sha Tianzong, I am afraid it is not easy to solve."

"He is one of the ten strongest demon clan."

"Even many of Jun Mochen's iron cavalry come from the Evil Heavenly Sect."

Mu Yan whispered to the side.

Ye Chen nodded slightly, the Evil Tianzong was not like the City Lord's Mansion, it could be destroyed easily.

If you want to solve the evil Tianzong, you must take your time.

As disciples of Sha Tianzong, their robes are engraved with a word of heaven.

In one place in the restaurant, there were three disciples of Sha Tianzong drinking.

Ye Chen stood up and came to the front of the three Sha Tianzong disciples.

The cultivation level of these three disciples is not high, and he can shoot to death with one palm.

"Don't prevent us from drinking, get out!"

They could tell at a glance that Ye Chen's strength was in the Star Aperture Realm, and the three of them were still not afraid.

The evil sky city is the territory of their evil sky sect, whoever dares to take action against them is impatient.

Ye Chen smiled without saying a word, then raised his arm and dropped a palm directly.

boom!

With one palm down, the three disciples fell on the spot.

A muffled sound alarmed the guests in the restaurant. Seeing the death of three Sha Tianzong disciples, everyone hurriedly left.

Mu Yan, who was sitting on the chair, was stunned. She reminded Ye Chen just now that she didn't want to have an open conflict.

Wanting to solve the evil sky sect gradually secretly, who knew that Ye Chen slapped three disciples to death.

This is completely different from the low-key shot she thought.

There are many customers in the restaurant, and there are quite a few warriors who saw Ye Chen take action just now.

If this continues, how can they hide in the evil sky city?

Ye Chen came to Mu Yan and said, "Go, let's go to Tongbao Pavilion."

Tongbao Pavilion is the property of Jun Mochen.

Since you can't compete with Jun Mochen, use the time difference to destroy Jun Mochen's foundation.

When I came to the door of Tongbao Pavilion, I found that the surrounding martial artists were bustling with each other. Ye Chen and Mu Yan walked in, and a maid came over and said, "Hello sir, what do you want to buy."

Ye Chen glanced faintly and smiled and said, "You are not qualified to be the master. Call your shopkeeper. I have a big deal to talk to him."

The maid glanced at Ye Chen, what big business can a star aperture realm have?

She didn't dare to ask more, turned around to find the shopkeeper, and soon the shopkeeper came over. He was a fat middle-aged man with strong strength.

The history of the demons is longer than that of the four regions of Lingwu Continent, and the cultivation base of the warriors is also much higher.

But the bigger reason lies in the magic veins underground.

With the help of demonic energy, the speed is obviously faster than that of spiritual energy!

The entire Tongbao Pavilion is in charge of a middle-aged man, and being able to make such an existence a treasurer, one can imagine how much the Tiansha Sect attaches importance to Tongbao Pavilion.

"This guest officer, I don't know how much business he wants to talk to me."

He saw that he was just a star-aperture realm, and he didn't think too much in his heart. I'm afraid there are not many so-called big deals.

"I want all the treasures of Tongbao Pavilion!"

The warrior who had been walking and stopping, heard Ye Chen's words, stopped, and looked at him with weird eyes.

All the treasures of Tongbao Pavilion were taken away. What a tone, how rich is this?

The shopkeeper twitched the corner of his mouth unconsciously, and then said: "Your Excellency, you are sure you are not joking."

He has been a treasurer for so many years, but this is the first time he has heard that someone wants to take away all the treasures of Tongbao Pavilion.

"Naturally, and I don't spend a penny yet."

Ye Chen's words completely made the shopkeeper's face gloomy, isn't this a joke?

I want to take away all the treasures without spending a penny.

"Your Excellency, I think you came to Tongbao Pavilion to find fault."

The shopkeeper waved his hand, and the surrounding guards came over immediately and looked at Ye Chen disdainfully.

Dare to find fault in Tongbao Pavilion, I don't know how many years it hasn't happened.

This is the Tongbao Pavilion established by Jun Mochen!

After Jun Mochen came to power, who would dare to trouble the Tongbao Pavilion!

"how do you know?"

As soon as Ye Chen's voice fell, the deadly beast sword in his hand and the demon spear of the God Slayer were taken out in an instant.

When he took it out, he glanced at the surrounding guards and suddenly rushed over.

Mu Yan also followed by. Although she could not deal with the shopkeeper, she was more than enough to deal with some guards.

"court death!"

The shopkeeper of Tongbao Pavilion took a look and rushed to Ye Chen directly.

If you dare to make trouble in Tongbao Pavilion, you will definitely not be able to leave here alive.

At the moment the shopkeeper rushed over, Ye Chen's whole figure suddenly turned away.

An extreme sword light rushed past in an instant.

The sword intent flowed crazily at this moment, a sword swung out, and the shopkeeper took two steps back.

With a shocked expression on his face, he looked at Ye Chen and said in a cold voice, "You are not in the Star Aperture Realm?"

The sword just now made him feel threatened. It was definitely not the power that the Star Aperture Realm could exert.

Ye Chen smiled without saying a word, did not speak, but rushed towards the shopkeeper.

The beast rotten sword and the \*\*\*\* of death spear burst out with terrifying killing intent at the same time.

The killing intent gradually became real, with one shot and one sword like the call of death, ready to harvest the life of Tongbaoge treasurer.

Stabbed!

With one sword down, the treasurer of Tongbaoge suddenly retreated, a sword mark appeared on his body, and blood continuously flowed out of his body.

At the moment when he was about to fight back, Ye Chen's God Slayer Demon Spear had arrived.

The intent of the gun continued to permeate the Tongbao Pavilion, like waves hitting.

Zhutian God Demon Spear locked onto the shopkeeper and fell suddenly!

boom!

A shot fell suddenly, and a blood hole appeared in the chest of the shopkeeper, which was dripping with blood.

At this moment, the shopkeeper's face was pale, without any blood, he took out a sound transmission note, and instantly crushed it.

He is not qualified to contact Jun Mochen!

But you can contact the nearest evil sky sect!

The strength of the Evil Tianzong is enough to shake everything!

...

In a palace of Sha Tianzong, the sovereign sitting at the top, saw the sound transmission talisman on his waist.

"No, something went wrong with the Tongbao Pavilion set up by the Demon Lord in this city! Elder Hui, immediately take people to support! The person who came is not good!"

The sound transmission note sent by the treasurer of Tongbao Pavilion sent ordinary warriors to death.

Elder Hui stood up and got up immediately!

Tongbao Pavilion is one of the most important industries of Jun Mochen, and there must be no mistakes.

There must be no accidents under their shelter!

Whoosh! Whoosh!

Three powerful auras flew into the void, towards Tongbao Pavilion.

They are only a moment away from Tongbao Pavilion!

Chapter 2245: Ji Siqing's choice!

In Tongbao Pavilion, the treasurer resisted with difficulty, and the beast rotten sword exploded with a terrifying aura.

The warrior who bought treasures in Tongbao Pavilion had already left.

Those guards had all been killed by Mu Yan, and the entire Tongbao Pavilion was bloody.

After getting rid of the guards, Mu Yan directly started loading treasures.

Already thinking about it as early as the way here, Ye Chen dragged the treasurer of Tongbao Pavilion, she came to collect the treasure, and then left directly.

The Sha Tianzong should have received the news now, and is going to support them, and there is not much time left for them.

With the continuous swing of one shot and one sword, the shopkeeper of Tongbaoge retreats steadily, becoming increasingly unable to resist.

"You dare to provoke Monarch Demon Chen, don't wear a mask if you have the ability, Evil Tianzong and even Demon Lord will definitely not let you go."

The treasurer of the Tongbao Pavilion roared, he had never been so suffocated before, being pressed and beaten by a martial artist of the Star Aperture Realm.

"Don't worry, I will not only become the nightmare of the Evil Heavenly Sect! I will also become the nightmare of Lord Mochen!"

As soon as Ye Chen's voice fell, the God Slayer's Demon Spear directly penetrated his chest.

A rush of blood, the whole figure of the shopkeeper fell on the ground.

"Is it almost?"

Ye Chen glanced at Mu Yan, now is the time to leave!

"It's ready soon!"

As soon as Mu Yan's voice fell, three tyrannical auras came from the void.

Ye Chen furrowed his brows and saw that the powerhouse of the Evil Tianzong had arrived.

Although these three breaths did not pose a threat to him, they couldn't continue to drag on.

If the Sect Master of Sha Tianzong arrives, it would be difficult for him to leave.

He took out various looted high-level weapons from the reincarnation cemetery, glanced at Mu Yan, and said, "We are leaving now."

"A thousand soldiers exploded!"

Ye Chen murmured in his mouth, and there was a humming sound from the artifact.

Mu Yan came to Ye Chen and threw it out in an instant.

The breath of terror suddenly spread and exploded in an instant.

boom!

The Tongbao Pavilion was in ruins and collapsed in an instant. When the three evil Heavenly Sect experts saw this scene in the void, the whole person's complexion changed drastically.

They are dripping blood inside.

The Tongbao Pavilion is destroyed, and the Sha Tianzong will suffer a huge blow!

"Little bastard, don't you want to run!"

The Evil Tianzong powerhouse saw Ye Chen and Mu Yan running away, and suddenly chased them.

They came a step late, and now Tongbao Pavilion has been destroyed, they must catch the culprit.

Otherwise, no one can calm down the anger of Sect Master and Monarch Mochen.

Those two people who covered their faces would definitely not be able to live.

Behind them, the Evil Tianzong powerhouse was chasing after him, but Ye Chen's wind and thunder flashed faster.

The strong man who was chasing Ye Chen behind, saw their figure gradually go away, a mouthful of blood spurted out.

They couldn't even catch up with a warrior in the Star Aperture Realm!

At this moment, the figures of Ye Chen and Mu Yan had disappeared from their sight.

The three evil Tianzong powerhouses stood in the void, like a fool.

One of the strong men suffocated a word abruptly.

"go!"

They have no use for staying here, they can only go back and report to the sovereign, and then find a solution.

In Sha Tiancheng, all warriors knew that Tongbao Pavilion was looted and suffered heavy losses.

Not only that, but the three powerful men of the Evil Tianzong did not catch the murderer.

In an instant, the prestige of Sha Tianzong dropped to the extreme.

The Sect Master of Sha Tianzong was furious, and in desperation he could only report to Jun Mochen.

Mozun Imperial Palace.

Jun Mochen naturally got the news.

His body trembled!

How long is this!

The two little beasts were provoking one after another!

If it wasn't for these two little beasts to be too cunning, he would have killed him!

He looked at the Sect Master Sha Tianzong and said directly: "The identities of those two people should be the daughters of Ye Chen and the Devil Emperor."

"I will tell Mo Ying to stop looking for it to the north of the Mozu."

"If you see it, inform Mo Ying as soon as possible!"

The Sect Master Sha Tianzong had a strange expression, but he still said, "Devil Lord, please rest assured!"

"If they didn't leave, I would definitely make them hard to fly!"

...

At the same time, the border between the Kingdom of God and Lingwu.

A golden red gate is extremely dazzling.

The ancient inscription is carved on the gate of God.

Solemn and majestic.

The aura revealed by the gatekeeper outside the key Golden Red God's Gate turned out to be extremely powerful!

There are two vigorous and powerful characters written on the golden red gate!

Kingdom of God!

And not far from this golden red gate!

Two veils appeared!

One of them has a graceful figure, although the veil can also feel the thrilling beauty under the veil.

These two people are Xia Lingqiu and Ji Siqing!

Xia Lingqiu still had a trace of hatred in her eyes, and she looked at Ji Siqing beside her: "Ji Siqing, don't think about running away. The things in your hands are made by the top craftsmen of the Kingdom of God and can control your spiritual power."

"I want to kill you easily."

"What you have to do now is take orders from me!"

Ji Siqing glanced at the bracelet engraved with ancient patterns on his hand and sneered: "Xia Lingqiu, the Lingxian Imperial Palace is gone, everything about you is gone, now you plan to be a dog of the kingdom of God?"

"I used to think that your ambitions surpassed the kingdom of God, but now it seems that it is not too much."

Xia Lingqiu looked angry and roared: "Shut up!"

In the next second, Ji Siqing's face changed slightly.

It's even painful.

Just because there is violent power in the bracelet!

Xia Lingqiu controlled this power to rush into her body just now!

Xia Lingqiu snorted coldly: "Ji Siqing, I know that your soul is powerful, and that your talent is mysterious and heaven-defying!"

"But you can only become my puppet from now on!"

"If I find a way to break your powerful soul, I will deprive you of your body! Deprive you!"

"You might as well think about it. I stood in front of the little beast with your face and killed the little beast. What kind of expression would he look like."

Ji Siqing didn't panic at all, put her slender hands behind her, and said lightly: "My soul, no one in the world can break it, you will die."

Xia Lingqiu became more and more angry: "Go, join me and enter the kingdom of God!"

"The Kingdom of God is extremely strange to you, and you will see real geniuses in it!"

"Also, there is one thing you may not know. The opportunity I got back then came from the kingdom of God!"

"With my qualifications as a descendant, they will treat me well, and you can only become my slave!"

After speaking, Xia Lingqiu showed the token and stepped directly into the kingdom of God!

Ji Siqing glanced at the gate of the Kingdom of God with a complicated gaze, and muttered: "After all, Ye Chen came to the Kingdom of God one step before in this life."

"It's just that the Ye family is no longer there, but the Qu family has become a dog of the Heavenly Dao Palace. Although the power is overwhelming, but in this life, I will no longer have any connection with the Qu family. After all, Qu Shenyang is dead, in this life, there is only Ji Siqing."

"If my memory is restored, I might be the ancestor of those guys."

"However, if you enter early, you may be able to investigate the affairs of the Ye Family in the ancient kingdom of God."

"This muddy water is dangerous."

"Ye Chen, if possible, I hope you stay away from the center of this storm."

"I will bear all costs for you."

"The meaning of my existence in this life is to protect you."

After that, Ji Siqing also stepped into the kingdom of God.

Chapter 2246: Mu Yan's plan!

Lingwu Continent, Wanjian Emperor Palace.

Standing in the center of the hall, Xia Ruoxue looked like plum blossoms.

She looked at the top Ice Sword Saint King and said, "Senior Ice Sword, from today onwards, I plan to enter the Demon Race."

"I have broken the blood spirit tribe's teleportation array, and those blood spirit tribe people who tried to deal with Kunlun Void have been solved by me."

"In a short period of time, the Blood Spirit Race shouldn't attack Kunlun Xu again."

"So, I want to enter the Demon Race to find Ye Chen."

"But just in case, I hope Senior Bingjian will pay more attention to Kunlun Xu."

"The little girl came to talk today for this."

The Ice Sword Saint King shook his head: "Ruoxue, you are afraid that you don't understand the relationship between me and Ye Chen as a master and apprentice. We are all suffering together, Kunlun Xu will naturally take care of it."

"According to the news I control now, the Blood Sword Gate and even the Blood Spirit Race have no time to go to Kunlun Xu."

Xia Ruoxue frowned: "Why?"

The Ice Sword Saint King stood up and said lightly: "There seems to be a big movement in the kingdom of God."

"My people have discovered that a lot of powers from the kingdom of God have come."

"So many people from the kingdom of God came to the Blood Spirit Race, I suspect it has something to do with the trapped masters of Ye Chen."

Xia Ruoxue frowned. Although she didn't know that Ye Chen had so many masters, but the blood spirit race and the kingdom of God have such a close relationship, it is definitely not a good thing.

"Senior Bingjian, what would Ye Chen do if Ye Chen were here?"

The Ice Sword Saint King's eyes sank, and after a while, he said: "He will find a way to rescue those masters."

"It's a pity that the strength of the Kingdom of God is too strong, and Ye Chen cannot be shaken now."

"This matter needs to wait. Now Ye Chen is in the Demon Race, and the opportunity has not arrived. If he comes out early, the opportunity may be affected, which is not good for him."

Xia Ruoxue did not hesitate, and stepped forward: "If this is the case, I will go to the Blood Spirit Race to sort out what conspiracy is brewing between the Kingdom of God and the Blood Spirit Race."

The Ice Sword Saint King nodded and said: "Actually, I hope so too. If you go to the Demon Race now, it may prevent Ye Chen from using his fists."

"But the blood spirit race, you can indeed go. Although the kingdom of God is powerful, you have a reincarnation star stone."

"If the reincarnation star stone is activated with a spell, it can cover the breath, and those in the kingdom of God will definitely not notice you."

"This spell was told to me by the Eternal Holy King, and I will teach it to you today."

After the words fell, the Ice Sword Saint King appeared in front of Xia Ruoxue, and pointed at Xia Ruoxue's eyebrows.

A stream of information flooded my mind instantly.

Xia Ruoxue's eyes were surprised, and immediately became extremely serious: "Senior Ice Sword, I will go to the Southern Region now."

The Ice Sword Saint King exhorted: "Ruoxue, this matter is not trivial, remember not to conflict with the power of the kingdom of God, what you have to do is to investigate the connection between the kingdom of God and the blood spirit race, and why the kingdom of God came recently So many strong people!"

"I am following a spell in your knowledge of the sea. Once a special situation occurs, you will burn this spell and it will bring you back instantly."

"And in the next few days, I'm going to hit the Taixu Realm, you may not see me."

"If you come back here by that time, and I have not yet cleared the customs, you will go to the Demon Race."

Xia Ruoxue took a deep look at the Ice Sword Saint King, nodded and said: "Okay."

After the words fell, Xia Ruoxue's figure disappeared.

...

Mozu, evil sky city.

In the inn, the cultivating Ye Chen opened his eyes.

In the past few days, he has been constantly comprehending Lingfeng's divine veins.

The effect of Lingfeng divine veins seemed to be completely inactivated.

He felt that he had only mastered the tip of the iceberg.

Moreover, this time the wind monument has improved its strength much lower than the dust monument.

This is unreasonable.

The dust monument is the weakest of the ten reincarnation monuments.

The wind monument should not be so ordinary.

Ye Chen faintly felt that things were not that simple.

Suddenly, Ye Chen's door was pushed open.

Ye Chen frowned, "Isn't there no habit of knocking on the door of the Mozu?"

Mu Yan walked in mysteriously, and smiled: "Show you something good."

"I found a secret, the woman of the Sect Master Sha Tian had an affair with an elder."

"If we destroy the Evil Tianzong, will Jun Mochen vomit blood?"

After speaking, Mu Yan handed a carved shadow stone to Ye Chen.

Ye Chen naturally knows the role of the shadow stone, which can record scenes, similar to a Chinese camera.

The point is, Mu Yan has been mysterious these days, just for this thing?

His divine spirit poured into it, and his face turned red in an instant.

The unbearable state was actually recorded by Mu Yan?

Mu Yan noticed Ye Chen's weird look in his eyes and coughed lightly: "You don't need to explore the details, we'll go to Sha Tianzong later."

"If you want to inflict heavy damage on Jun Mochen, we must make him restless!"

Ye Chen frowned, although he felt that Mu Yan's behavior was a bit nonsense, but this was not a way.

After half an hour.

In the void, above the Sha Tianzong, two figures appeared.

One man and one woman, the man dressed in white, took out the beastly sword in his hand, and walked from the void step by step.

Beside him, a woman wears a veil to cover her peerless face with a smile on her mouth.

Although he can't see his face, he smiles and is unique and independent!

The two stepped forward, and the warrior hiding in the void knew that the good show was about to begin.

Whoosh! Whoosh! Whoosh!

At the moment when Ye Chen and Mu Yan appeared, voices broke through the air.

On the opposite side of the two, Sect Master Gui Ping of Sha Tianzong stood in front of him, and behind him were two elders with terrifying auras.

As for the Star Aperture Realm disciple, standing below, holding a sword in his hand, waiting for him.

Endless devilish energy rises to the sky!

Although the battle hasn't erupted yet, there is already a weak wind in the void.

Originally, the moon in the sky was shrouded by a layer of dark clouds, and the wind and clouds changed color before the war.

"Ye Chen, you destroyed the Tongbao Pavilion of Lord Demon Venerable, and Demon Venerable angered me. I have disagreeable enemies with you, so I even dared to come to Evil Heavenly Sect to seek death."

"I have notified Lord Demon Shadow! Before he dares to come, I will kill you all!"

Gui Ping's height is not high but the aura that erupts from him is extremely terrifying.

His every move contains the power of heaven and earth, as if standing in the void, he is the master.

Facing Gui Ping's momentum, Mu Yan smiled and said nothing.

She took out the carved shadow stone in her hand and placed it in the void.

When the carved shadow stone appeared, the warrior hiding in the void still couldn't figure out what to do.

There was a bad feeling in Gui Ping's heart. This incident seemed to be related to him.

The carved shadow stone stood in the void, and a picture soon appeared.

Quiet!

silence!

The warrior hiding in the void looked dumbfounded, Gui Ping's face was flushed, and his whole body was trembling constantly.

Behind Guiping, Elder Chen's legs trembled a little with fright.

Chapter 2247: Give another gift!

The picture above happened to be a conversation between him and a woman.

Gui Ping knew that there were many hidden warriors in the void, but he didn't stop it either.

It is possible for the warriors of the evil sky city to see them kill Ye Chen and Mu Yan, and they can also stand up.

Who knows that there is no Liwei yet, but such a picture appears.

His old face was completely lost.

The warrior in the void has an extremely strange expression.

It was originally to watch the excitement, but discovered a big secret.

Stormy waves were set off in Gui Ping's heart. One hand grabbed Elder Chen behind him, and the breath from his body continued to flow out.

"Sect... Sect Master, don't kill me, I was wrong!"

Elder Chen's legs kept trembling, and he never thought that things would be exposed.

Everyone knows this, even the entire demons will know.

In the next second, Elder Chen cast a spell, covering his body with violent devil energy!

He went directly to the west of the Demon Race!

Under the Sect Master Sha Tianzong, the strength of Elder Chen is beyond doubt!

Although it is not defeated by the suzerain, but with life-saving techniques and burning blood, you can definitely escape!

However, how could the Sect Master Gui Ping, who was on the verge of anger, let go of Elder Chen! In an instant, it seemed to become a magic lion chasing after Elder Chen!

"Sect Master, what should Ye Chen do..."

Several elders quickly reminded.

However, Gui Ping has long since disappeared from sight.

Sect Master left, the elders standing in the void, glanced at each other and decided to take action.

On their side, there is also a late-stage powerhouse in the gate-closing stage. Although he is less likely to go to the Sect Master, he can still fight Ye Chen.

Mu Yan's figure stepped back slightly to make room for Ye Chen.

"Ye Chen, sometimes, strength can't represent everything."

"Although I am not as good as my father, I am still better than you in my resourcefulness."

"Now Sect Master Sha Tianzong has left, and the rest is left to you."

"I will destroy the stone statue of Evil Tianzong Lord Demon Chen!"

Roar!

Nine Nether Shura appeared, Ye Chen directly used the strongest state to make a quick battle.

Tick! Tick!

The rain was falling, and the wind roared like a \*\*\*\*\* or devil.

"The devil pointed!"

Ye Chen whispered in the corner of his mouth, and the magic energy of thousands of miles was constantly pouring into his body.

The demonic energy was wanton, forming a storm, and at the same time stretched out a finger on the six arms behind Ye Chen.

The fingertips are condensed with black light, and there is an aura of destruction.

The evil Tianzong powerhouse who originally wanted to take action stopped for a moment.

His figure stopped abruptly, staring at Ye Chen, with a look of fear in his eyes.

Unless the Sect Master can resist the breath coming from the demon's finger, even if it is him, there is a danger of falling.

The void kept trembling, cracks appeared on the ground, spreading wildly.

The warriors who were originally hidden in the void were so frightened that they left hurriedly.

boom! boom! boom!

The six fingers fell instantly, and the first to attack was the strongest Sha Tianzong elder.

Seeing this scene, the elder of Sha Tianzong instantly grabbed a core disciple of Sha Tianzong and used his body to resist.

He has felt the threat of death, and it is better for others to die than himself!

The black light directly penetrated the core disciple's body, tearing instantly.

Huh!

The violent air waves directly blasted the elders of the evil sky sect in the late stage of the closed door stage!

Fortunately, he saved a life!

"Everyone returns to the sect and opens the guardian formation!"

The elder in the late sealed door realm realized that something was wrong and quickly shouted.

However, in the next second, the stone statue of Lord Demon Chen in the Evil Tianzong sect shattered again!

Everyone's faces changed drastically!

Ye Chen took out ten weapons with powerful aura, smiled and said, "I will give you another big gift!"

The door-sealing elder held his chest, his eyes trembled violently, and hurriedly said, "Hurry up and open the guardian formation!"

As soon as his voice fell, the weapon had already fallen, falling in the direction of Sha Tianzong.

It is too late to open the guardian formation.

When the soldiers of time and space fell, there was an infiltrating breath.

The disciples who had been waiting for the battle saw this scene and fled in fright.

Although they didn't know what Ye Chen meant by throwing the weapon down, the breath that came out had already made them frightened.

boom!

No matter how fast they flee, they are not as fast as the explosion of a thousand soldiers.

It exploded in an instant!

Gui Ping, who was chasing Elder Chen, felt something, his old face changed slightly: "No, turn the tiger away from the mountain!"

In the next second, the figure hurriedly moved in the direction of Sha Tianzong!

...

After Ye Chen and Mu Yan left, less than an hour later, the powerhouse of Demon Sovereign Palace had already appeared.

It was Moying who was headed by him. He got the news and rushed over immediately.

Who knows that Sha Tianzong has become a ruin!

Even if the stone statue of Lord Mochen has a protection mechanism, it still shatters!

Mo Ying looked at the Sect Master of Sha Tianzong who was kneeling in front of him, and said coldly: "Sha Tianzong has become such a situation, why don't you have any injuries on your body!"

Gui Ping's face was pale, and he quickly explained: "Master Demon Shadow, the two little beasts are to blame for this, they..."

Before the words were finished, Mo Ying's palm that swept all the devilish energy suddenly fell!

"This matter, you still have to explain to Lord Demon Lord!"

Gui Ping spit out a mouthful of blood and begged for mercy: "Master Demon Shadow, I am willing to follow the Lord in the next time, arrest Ye Chen, and redeem the merits!"

Mo Ying stopped talking nonsense, and spoke to the many powerful men in the Demon Emperor's Palace behind him: "The two should not run far, we will chase them according to the breath!"

"But according to the actions of these two people these days, it seems that they want to destroy all the stone statues and properties of Lord Demon Lord in the Demon Race."

"If this is the case, I might know where these two people will go next."

"The Devil Dragon City is the city that Demon Lord has visited the most. If you want to touch the devil's anger, then Devil Dragon City is undoubtedly the best choice."

"Are these two guys crazy?"

...

Ye Chen and Mu Yan came to Demon Dragon City and found that after three days, Demon Huanzong would arrange an auction.

The two decided to wait three days later and were working on the auction.

Three days passed in a flash, if you want to enter the auction, you must hand in 10,000 magic crystals.

Relying on Ye Chen's wealth, you can get one hundred thousand magic crystals by selling one thing casually.

The two of them concealed their faces and masked their breath, and entered easily.

When I came to the auction house, I found a box, and then a maid brought tea.

There is still a stick of incense before the auction begins, and the warriors have been coming in one after another.

The time for a stick of incense passed, and a exposed woman appeared in the center of the auction house.

It is one of the elders of Demon Huan Sect.

This time, a specialist from the auction house asked an elder to come over to preside, which shows that he paid enough attention.

Chapter 2248: Never future trouble!

"Dear guest officials, it's the first time that the slave family has come to host an auction. Not much nonsense. The first auction item is a female cauldron. As long as two people repair it, the strength may reach a small state."

The elders of the Demon Huan Sect used alluring techniques in every move. .

"The price starts at 100,000 magic crystals, and each increase is not less than 10,000."

As soon as the elder of the Demon Huan Sect fell off, the scene suddenly became lively.

The Demon Huan Sect does not have a long history in the Demon Race, but it has a special significance.

Jun Moqiu, the younger sister of Jun Mochen, is the helm behind Mohuan Sect.

Soon the price has been raised to one million magic crystals, and the cauldron that can increase the cultivation base can also be useful for the martial artist of the Star Aperture Realm.

Naturally, there is no room for bidding, and it takes a lot of time to upgrade to their current state.

"Two million magic crystals!"

At this time, Ye Chen was bidding. Although he only had one hundred thousand magic crystals, there were still too many treasures, so he didn't worry at all.

The most important thing is that he never thought about spending money!

It was originally to make trouble, how could it be possible to give money to Demon Huanzong.

With a one-time increase of two million magic crystals, all the warriors who were auctioned were dumbfounded!

It's just that it's possible to improve one level of cultivation, at most 1.5 million magic crystals.

If you buy two million, you have already lost some money.

"Two and five million!"

In a box, a warrior spoke. He was already at the eighth level of the Star Aperture Realm, and one more level would be the pinnacle.

Only one step away from the closed gate.

"Five million magic crystals!"

Ye Chen spoke again, and all the warriors who were auctioned looked at the talking box.

Five million magic crystals will continue to bid without a warrior, even if they want to buy it, they are still powerless.

The elder of the Demon Huan Sect, with a smile on her face, the first auction sold for a high price of 5 million yuan, and she was able to get a lot of magic crystals herself.

The second auction item is a magic sword, but it has some special features that can bless twice the combat power.

This twice the combat power was enough to make the Star Aperture Realm martial artist leapfrog and kill, and the auction price of two million magic crystals started, and soon reached five million.

"Ten million!"

Ye Chen spoke again, completely inhumane, and directly increased the price of 5 million magic crystals.

The face of the auction martial artist was slightly gloomy.

If this continues, they may not be able to buy one.

"I suspect that he bid maliciously, and I hope the auction house can find out!"

The elder of Demon Huanzong nodded slightly, and she also suspected a malicious bid.

Even if there is a powerful demonic force behind him, it won't be such a waste of magic crystals!

She called a warrior at the pinnacle of the Star Aperture Realm and entered Ye Chen's box to find out.

Soon the warrior at the pinnacle of Star Aperture Realm came out and nodded slightly!

"The bidding is valid!"

The auction house has ascertained that Ye Chen is fully capable of taking out the magic crystal.

The auction went on again, and every time Ye Chen came over at a high price.

Two hours passed, and apart from Ye Chen, no warrior obtained the treasure.

Ye Chen had already consumed 200 million magic crystals within two hours, but the auction house personnel did not stop it, indicating that they could really spend 200 million.

The auction house was gradually coming to an end, and every Demon Warrior gritted his teeth with hatred.

At this auction, they came in vain, and they didn't get a treasure.

Ye Chen came to the back of the auction house and was responsible for the transaction. The elder of the Demon Huan Sect looked at him with a smile.

All kinds of treasures were placed on the table, and Ye Chen took them away directly. Seeing this scene, the elder of Demon Huan Sect did not say much.

They had already confirmed that Ye Chen had enough money.

Only a martial artist in the Star Aperture Realm, they didn't worry at all that Ye Chen would run away.

After Ye Chen received the treasure, he glanced at Mu Yan, and the two were about to turn around and leave.

"This friend, there are a total of 1.8 billion magic crystals, please settle it."

The elder of the Demon Huan Sect stood in front of the two people with a gloomy expression.

"Paying, why should I pay?"

The elder of the Demon Huan Sect, his face completely turned gloomy.

Are these two people making trouble?

"You know what kind of existence stands behind our sect! Can you bear the anger of Lord Demon Lord!"

Ye Chen's eyes condensed: "You are talking about Jun Mochen. I can naturally bear his anger!"

In the next second, Ye Chen's beast rotten sword took out, with a faint smile on the corner of his mouth, and then cut it out with a sword.

The elder of the Demon Huan Sect was right, he was here to make trouble.

A sword fell suddenly, and there was a dull sound.

boom!

The warriors who had already left one after another, heard the voice and stopped.

What's happening here?

Does anyone do it at the auction house?

boom!

With a dull sound, a figure flew out.

The warrior took a look and found that it was the elder who presided over the auction.

The figures of Ye Chen and Mu Yan walked over step by step, Mu Yan didn't talk nonsense, a finger of endless demon energy gathered directly tore apart the other's flesh.

A stream of blood spewed out and scattered on the ground.

Whoosh! Whoosh! Whoosh!

What happened at the auction site, as early as the first time told Mo Huanzong.

A series of powerful figures rushed over.

After the Sha Tianzong had something to do, their Demon Huanzong was ready to fight at any time.

In the void, a woman stood tall, the elder of Demon Huan Sect.

Behind her, there are three elders who are equally powerful.

"Ye Chen, it's you!"

"After the Devil Heaven Sect was destroyed, don't you want to get involved in the Demon Huan Sect too! Looking for death!"

"This time, you can't escape with your wings!"

The elder of Demon Huan Sect spoke, she had already prepared, crushing a token in her hand.

A large formation slammed up, in order to prevent Ye Chen, the formation had already been secretly arranged.

The big formation is not a killing formation, but a trapping formation, which can prevent Ye Chen from leaving for a short time.

Whoosh! Whoosh! Whoosh!

At this moment, another voice broke through the air, Mo Ying and Gui Ping arrived.

Behind them stood the powerhouse of Demon Zun Emperor Palace.

When the demon shadow appeared, Ye Chen frowned.

So strong!

The strong man who was guarding outside Demon Bone Mountain must be this one!

The moment Demon Shadow appeared, he knew that it was not that simple to escape.

The Supreme Void Realm powerhouse has absolute speed and can catch him and Mu Yan.

"Get out of the trap, I can't escape with Ye Chen!"

Mo Ying said in a cold voice, he has absolute confidence.

"Yes, my lord!"

The elder of Demon Huanzong spoke respectfully and waved his hand to relieve the trap.

Ye Chen and Mu Yan didn't leave. They knew in their hearts that they couldn't run away in front of Mo Ying, they could only fight!

"You find a place and hide first."

Mu Yan nodded slightly. Whether he could leave this time or not depends on whether Ye Chen could stand out from the encirclement, but his hope was a little bleak.

With the God Killing Spear and the Beast Rotten Sword in his hands, Ye Chen's figure flew up and stood in the void.

Mo Ying stepped out one step, he decided to take action personally, forever!

Chapter 2249: Luo Chen!

Originally, he expected to reap the benefits of the fisherman, but now it seems that Ye Chen's behavior touched the anger of Jun Mochen!

He can only please Jun Mochen!

He has seen Ye Chen's methods, and this time he will never give him a chance to escape.

Mo Ying stretched out a finger, and the magic energy surged wildly, suddenly falling!

This finger hadn't fallen on Ye Chen's body, but the aura was gradually crushing.

Ye Chen squinted his eyes, the Beast Rotten Sword and the God Killing Spear, both fell at the same time.

A sword was swung out, and the God of Killing Spear followed closely!

boom!

Ye Chen took two steps back, a trace of blood overflowing from the corner of his mouth.

The power of a finger directly injured him!

There was a mocking smile at the corner of Mo Ying's mouth, and the ants dared to make a move in front of him.

Mo Ying's palm opened, five sword intent appeared, and it was thrown out in an instant.

The sound of breaking through the air came from the sword intent, and the speed was extremely fast!

This is enough to kill an ant.

"Ye Chen, do you know why Demon Venerable doesn't make a move? That's because he is afraid of dirtying his hands."

"I don't want to shoot you either, because killing you will also dirty my hands!"

"Star Aperture Ant, even daring to destroy the stone statue of Lord Demon Venerable, really looking for death!"

Wudao Jianyi represents the power of the five elements!

Instantly transformed into a monstrous magic sword!

This is too virtual power!

Enough to shake everything!

Seeing that the Overwhelming Demon Sword was going to penetrate Ye Chen's body, Ye Chen no longer hesitated, activating the Chichen Divine Veins!

A golden light shines instantly!

Guarded like a golden dragon!

"boom!"

Two forces touch! The monstrous magic sword dissipated on the spot!

But Ye Chen just stepped back three steps, his face pale to the extreme.

There was even a faint spit of blood.

Mo Ying's expression changed, and his confident smile suddenly stiffened.

His confident blow was actually blocked by a Star Aperture Realm ant?

how can that be!

Also, what is that light just now!

Even faintly made his blood line a trace of fear!

After a brief absence, a figure swept over!

Ye Chen endured the pain in his body and rushed towards the magic shadow.

In front of Moying, he shot it out!

The demon shadow was expressionless, clenched his fists, the devilish energy surged, and fisted out.

"Although I don't know the origin of that shield."

"But you still have to die!"

"Perhaps after you die, I can find your secret from you!"

boom!

The Zhutian God Demon Spear hasn't arrived yet, but Demon Shadow's fist has arrived.

The gap between Ye Chen and Mo Ying is too big!

But the power of the magic shadow has not yet fallen! Abnormal protrusion!

The surrounding demonic energy continuously poured into Ye Chen's body, and a jet black eye appeared in the void.

When Mu Yan saw the Devil's Eye, the tears in the corners of his eyes couldn't help streaming out.

This is his father's breath, the most familiar breath!

Only Ye Chen knew that although this demon eye had the aura of the devil emperor, it was not the demon eye formed by the demon emperor.

This is his own demon eye.

Is the incarnation of one's own demon!

But it is still not enough to fight against Demon Shadow!

The eyes of the devil came to the world, and the warriors of the Demon Emperor's Palace kept retreating.

There was no change in Mo Ying's face. In the face of absolute strength, any secret technique was useless.

The demon energy in the eyes of the devil kept pouring in, and a black light fell instantly.

boom! boom! boom!

Demon Shadow waved his hand, and a blood-colored barrier appeared on his body to resist the damage of the Demon Eye.

Come to Ye Chen step by step!

A blood-colored machete appeared in his hand and cut it down suddenly.

Ye Chen's figure kept backing away, stretched out a finger, and the devilish energy surged wildly.

"The devil pointed!"

The black light fell in an instant, and Mo Ying lifted the scimitar and swung it directly.

boom!

The two touched each other, and Mo Ying did not suffer any injuries.

Instead, he has come to Ye Chen's front, raised the weapon in his hand, and the blue veins on his arm burst.

boom!

With a dull sound, Ye Chen's figure fell beside Mu Yan.

Cough!

Blood spit out from his mouth!

In front of Demon Shadow, none of his tricks worked.

"Today, you must die!"

As soon as Mo Ying's voice fell, the scimitar in his hand was lifted, and he decided to kill Ye Chen with a single blow.

As for Mu Yan to bring back to the Demon Zun Emperor's Palace, let Jun Mochen solve it himself.

The blade of the scimitar suddenly struck.

Ye Chen faintly felt that something was coming out of the reincarnation cemetery!

But soon, everything fell silent!

Just because at the critical moment, a man in black suddenly appeared beside Ye Chen.

His whole body was wrapped in black clothes, and he couldn't see any faces.

With a wave of his hand, he blocked Demon Shadow's knife.

Strong strength!

"go!"

The man in black glanced at Ye Chen, grabbed his arm and Mu Yan, and left instantly.

The endless magical energy seems to turn into a magic dragon!

Unstoppable!

Mo Ying saw the man in black appearing in front of him, his face sank, he could feel the threat of the opponent and chased after him frantically.

The strength of the man in black is comparable to the magic shadow!

But the speed of the man in black is too fast, even the Demon Shadow is almost unable to catch up.

Can only watch the three figures gradually go away.

Mo Ying's gloomy expression wanted to kill someone. He was able to kill Ye Chen just now, but he was blocked by the men in black who rushed out.

"My lord, what should we do now!"

Gui Ping spoke cautiously on the side, who knew that Mo Ying slapped his cheek.

"Go back first!"

Mo Ying roared, Gui Ping did nothing wrong, he just wanted to vent his inner anger.

When Gui Ping came over at this time, he naturally became the target of his anger.

...

Time goes by.

In the depths of the Demon Clan, the man in black put down Ye Chen and Mu Yan.

Ye Chen looked at the man in black, feeling a little puzzled. They had no friends in the Demon Race.

What's more, he is still a strong man in the Taixu realm!

Ye Chen thought of the eternal old who fell into the demons for the first time.

But Yong Lao had already entered the Slashing Evil Realm that day, and it was impossible for his cultivation base to fall.

"Princess, it's too late to come down, the sin deserves death!"

The man in black knelt down in front of Mu Yan, bowing his head.

Ye Chen was silent on the side. It seemed that he was a former subordinate of the Devil Emperor.

Mu Yan looked at the man in black and didn't know him. Basically, her father's men had fallen.

Next, I knew the reason from the people in black.

It turned out that the Devil Emperor rescued a young boy who was about to fall from the hands of the people of the kingdom of God!

It even taught the teenager a demon exercise.

The boy was named Luo Chen.

Luo Chen had always been grateful, and wanted to repay the kindness that day, but later discovered that the unmatched Demon Emperor had fallen under the hands of many powerhouses in the Kingdom of God.

He stayed away from disputes and cultivated in the depths of the Demon Race. Although his aptitude was mediocre, his thousands of years of cultivation finally gave him the strength of the Void Realm!

Not long ago, I heard the news that Ye Chen and Mu Yan were hunted down, and only then did they help at a critical moment!

This place was specially used by Luo Chen for cultivation. It was very hidden, and basically no one knew about it.

Chapter 2250: Little Yanzi, not bad!

"You two are resting here, Moying and Jun Mochen should not be able to find here."

"I have also learned about your behavior these past few days. I think there are some problems with you two alone."

"The power of Monarch Demon Chen is not built overnight. The Demon Race is almost shrouded in the shadow of Monarch Demon Chen."

"In fact, although Jun Mochen is in charge of the Demon Race, there are still many sects who have objections to Jun Mochen."

"Ye Chen, you are the descendant of the Demon Emperor, and Mu Yan is the daughter of the Demon Emperor. Your two identities may allow some people to change their minds and fight against the Emperor Demon Chen together."

"Of course this is just my suggestion."

Abandoning these words, Luo Chen left.

...

Within two hours, Ye Chen recovered from his injury, and Mu Yan came to his room again.

"Ye Chen, I decided to create a sect in the Mozu to fight against Jun Mochen!"

"I believe my father will wake up someday."

"And I want Master Father to see that, as her daughter, I can also shake Jun Mochen."

They are being targeted everywhere now, and it is not easy to deal with the power of Jun Mochen.

If you want to contend with the Demon Zun Imperial Palace and rely on them alone, it is impossible.

And Mu Yan knew from Luo Chen that in the depths of the Demon Clan, a sect had been dissatisfied with Jun Mochen's tyrant policy.

That is Demon Dao Sect!

And the master of the Demon Dao Sect has once received the favor of the Demon Emperor!

Demon Dao Sect is a good starting point. Using Demon Dao Sect, they can eat away the Demon Clan a little bit.

A single spark can start a prairie fire!

Ye Chen's eyes condensed, and finally nodded.

His purpose of this trip is to resurrect the body of the Demon Sect and find the injured eternal holy king.

As for the establishment of forces against Jun Mochen, if Mu Yan had intentions, he would naturally agree.

At the beginning, he created the Killing Sect because he was alone and it was difficult to compete with the major forces.

When he has power, he has the qualifications to contend with the major forces.

MoZu is a very good place for development, chaotic and uncontrolled!

In the Western Regions, it is not easy for the killing of Zong to develop.

The major forces will not allow any forces to threaten their existence.

The demons are different, as long as you are strong, you can be in the position, no one will say anything.

As for whether the Sect Master of Demon Dao Sect could agree, Ye Chen didn't know yet, he needed to ask before he could understand clearly.

Making up his mind, Ye Chen asked Mu Yan to ask Luo Chen's opinion.

After receiving news soon, Luo Chen was naturally willing to go.

For Luo Chen, there is no difference in his eyes between being able to follow Mu Yan and follow the Devil Emperor.

The three rushed to the Demon Dao Sect. They wanted to discuss with the Sect Master, but they did not expect that the Demon Dao Sect Sect Master agreed on the spot!

When the Devil Emperor saved his life, he was just the Sect Master of a sect, and he didn't care at all.

Besides, the reason why the Sect Master of Demon Dao Sect is so angry with Monarch Mochen!

It was because when he went to Lingwu Continent, his wife and children were all killed by Jun Mochen!

Sect Master called many elders into the hall, Ye Chen and Mu Yan had changed appearances.

After all, Jun Mochen's minions reached anywhere in the Demon Race!

Once exposed, the Demon Dao Sect will definitely be destroyed!

The Sect Master of Demon Dao Sect was called Jian Jiu, and he explained the situation and appointed Ye Chen as the Sect Master.

Originally, the elders still didn't agree, but when he saw Luo Chen who was too virtual and strong behind Ye Chen, countless words still swallowed back.

"By the way, I don't know how to call the new master? We can also declare to the public." An elder said.

Ye Chen hesitated for a few seconds before blurting out: "Ye... Yankun!"

Naturally, it is impossible for Ye Chen to use the original name, the two words Yankun are the most difficult to find!

...

At this moment, outside the gate of the Mozu.

A burly figure appeared directly.

His figure is like an iron tower, with an overwhelming momentum.

The blood pressure radiating from his body made the gatekeeper of the Demon Race fearful.

This person is Ye Chen who harvested Yankun from the ancient Qiankun clan in Qiankun Killing Domain!

Yan Kun is the last member of the Qiankun clan!

The Yankun tribe was hailed as a \*\*\*\* in ancient times!

Far beyond the kingdom of God!

Killing the universe, the power of the kingdom of God comes!

In addition to Ye Chen's fearlessness, there is one more person! That is Yan Kun!

If it is said that the strong blood of the kingdom of God is noble!

That Yankun's blood is the nobility in the nobility!

It's a pity that Yan Kun had just awakened from the sarcophagus in the Qiankun Killing Domain, and his cultivation has not yet recovered.

The only way for the Qiankun clan to regain strength is to fight!

After leaving Qiankun Killing Domain, Yankun did not follow Ye Chen, but kept looking for battle in Lingwu Continent!

His blood is gradually activated!

Now he seems to have recovered to the ninth level of the closed door realm!

Of course it is the nine-layer heaven, but as one of the ten bloodlines that are only in the reincarnation bloodline! He can fight the strong too!

And beside Yan Kun, two figures followed.

It is Ji Lin and Ye Luoer!

They learned about Ye Chen's fall from the Demon Race from the Shenhua Academy, so naturally they couldn't stand idly by. They found Yan Kun for the first time and directly killed the Demon Realm.

No matter whether Ye Chen is alive or dead, they will find it!

Outside the gate of the demon clan, swords are drawn.

Yan Kun stared at the powerful demon in front of him, and said coldly: "Are you sure you won't let it?"

Many powerful demon clan are ready to wait: "This place is the site of Lord Monarch Demon Dust, if you dare to make trouble—"

Before the words were finished, Yan Kun made an iron fist!

The speaker turned into blood mist on the spot!

Endless waves surging!

At this moment, Yan Kun is like an ancient beast, a real killing machine!

Ji Lin clapped his hands: "Little Yanzi, not bad, very handsome, like a girl back then."

"It seems that during this period of 'jungling', your strength has increased a lot!"

Yan Kun: "..."

Ye Luoer: "..."

Yan Kun fist shadow surging, instantly turned into a sea of blood!

In the end, his cold eyes fell on the restriction of the Demon Clan's gate, sneered, and directly cut his finger, blood flowing!

The blood turned into his gloves, directly hitting the restriction!

The Demon Gate shook!

Yan Kun frowned, looked at the only one left, stepped out, and directly said: "Open the restriction for me! Hurry up!!"

...

At this moment, Ye Chen naturally didn't know what happened outside the Demon Clan The Demon Dao Sect was completely renamed Mie Zunzong, which means to kill the Demon Zun Emperor Palace!

And Ye Chen intends to invite all the sects who refuse to obey Jun Mochen.

Although Jun Mochen enveloped the entire demon clan, secretly, many sects refused to accept his suppression!

There are even strong clan!

This is the opportunity!

This place is some distance away from the Demon Zun Imperial Palace. In a short time, there is no need to worry that the Demon Shadow will find it here.

Demon Dao Sect occupies a small city called Demon Dust City.

The warriors in Demon Dust City already knew that the Sect Master of Demon Dao Sect had changed.

Originally it was just a trivial matter in the Western Regions, but a martial artist in the Star Aperture Realm became the sovereign.

They are a little strange to the truth, Jian Jiu's strength is far beyond this person, why would the Zongmen change the position?
