Having said that, Wei Ying, the woman in white clothes, looked at the plaque on the door, condensing her murderous intent! Show your hand with a light wave!

The plaque, which was simple and contained a protective barrier, shattered!

Those two Taixu gatekeepers realized the seriousness of the matter!

Don't hesitate anymore, sacrifice the long sword, and the dantian spiritual power will continue to gather!

He slashed against Wei Ying on the spot!

Endless killing intent was swallowing Wei Ying like a storm.

Wei Ying didn't move. Suddenly, she looked at the door and murmured, "Oh, yes, I forgot to tell you the purpose of this trip."

"I just want to ask the Heavenly Dao Palace for some interest."

"So, today, this Heavenly Dao Pavilion must be stained with blood."

After finishing speaking, Wei Ying stepped forward, completely ignoring the two powerful swords!

And just when Jianyi was about to touch Wei Ying, Wei Ying suddenly condensed her eyes!

The whole body suddenly condensed a violent storm!

She seems to be in the center of the storm!

And the moment that the two overwhelming swords intended to touch the storm, they completely disappeared!

Those two gatekeepers were dumbfounded!

How could such a young woman have such strength!

Only the kingdom of God!

But if the other party is from the Kingdom of God, don't you know what Tiandao Palace means in the Kingdom of God!

Blood stained Tiandao Pavilion, the anger of Tiandao Palace, even if the power behind this woman is terrible, she will definitely die!

Just as the two of them wanted to say something, the storm around Wei Ying completely tore them apart.

This is just a look!

Wei Ying's gaze fell on the gate of the Heavenly Dao Pavilion, with a cold snort, the Ice Sword became its own!

The chill radiated from that ice sword broke the door directly!

And inside the gate, someone had noticed the change!

Thirty strong men are standing by!

Among them are three elders!

And the strength of these three old men is exactly the same as Wei Ying!

Taixu eight levels!

"Little girl, do you know what it means to break here?"

"The Kingdom of God has established ten cities to communicate with Lingwu Continent. No one has dared to cause trouble!"

"If you kill two people from the Kingdom of God now, you will definitely be wanted by the Palace of the Kingdom of God!"

"At that time, it will be too late if you want to regret it!"

"If you are kneeling in front of us now, and grabbing with your hands, maybe there is still room!"

Wei Ying's body still stood proudly, she looked around everyone, and finally fell on a high tower.

There is a cold threat on it.

As for these people in front of her, she could contend.

She stepped out simply, and a chill sounded: "Are everyone here?"

"In that case, I'll find them one by one without saving."

After the words fell, Wei Ying's icy storm suddenly expanded!

Several strong people of the kingdom of God were torn on the spot!

Everyone has to step back!

"Do it together, this girl is just one person!"

"Don't we have so many people still can't win it!"

"Shen Kingdom Tiandao Pavilion, no outsiders are allowed to enter!"

The three old men shouted!

In an instant, three ghosts appeared behind the three!

This phantom is a monstrous beast without exception!

In an instant, the three old men tore the void and came to Wei Ying's side!

Five fingers formed into claws, and the power of Tai Xu crashed down!

Once you touch any body, it must be turned into nothingness on the spot!

A hint of surprise flashed through Wei Ying's eyes, and her red lips lightly murmured: "It seems that this so-called Tiandao Pavilion is not a waste."

"If this is the case, there is nothing wrong with going out anyway, so I will play with you!"

In the next second, Wei Ying disappeared!

The expressions of the three old men changed suddenly, and they hurriedly cast spells and wanted to check!

However, they found that their spiritual sense was like sinking into the ocean!

Within a hundred miles, there is no such girl!

how can that be!

And when the three of them were horrified, a icy voice fell from the top of their heads!

"Hey, are you looking for me?"

"Sorry, let you wait for a long time, and I will send you on the road immediately!"

The three of them shrank, before they could react, they saw three icy swords above their heads!
Hanging down!

Every ice sword is almost ten thousand feet!

Like a giant tower suppressed from the sky!

And the power above this ice sword is far more than the eighth-layer heaven of the Taixu realm!

This mysterious woman even has the ability to leapfrog!

Could it be the reincarnation of ancient power?

Otherwise, at this age, how could there be such strength!

"Bang! Bang! Bang!"

Three loud noises resounded throughout the giant city!

This Tiandao Pavilion, which stood tall in the giant city, shattered on the spot!

The dense cracks seem to be thousands of feet deep, even touching the magma underground.

The smoke and dust billowed like a thousand feet!

Those strong in the early and middle stages of Taixu did not dare to do anything!

Can only shrink in the corner!

They know that a fight of this level will tear once they get close!

After all, from the beginning of the Taixu realm, the gap between a small realm is very different!

The smoke and dust finally dispersed!

Their eyes seemed to explode!

The three elders in the eighth-layer sky were not able to resist!

Two of them turned into blood mist on the spot!

Only one of them survived!

It's just that the old man was lying on the ground, his body trembling!

His posture is more like kneeling in front of a mysterious veiled girl.

Wei Ying was obviously uncomfortable, her face was pale, and she used almost her strongest blow from the beginning!

She doesn't like to waste time on others!

Just ask for results!

She adjusted her breath condescendingly looked at the dying eighth-layer old man from Taixu, and said: "Finally, I will give you a last word."

The old man's eyes were dim and he wanted to get around, but he saw the chill in Wei Ying's eyes.

He knew that everyone in Tiandao Pavilion was going to die!

Obviously, this is the girl's revenge on the Heavenly Way Palace of the Kingdom of God!

This is also the first person who dared to retaliate against the existence of the Heavenly Dao Palace in the Kingdom of God in so long!

The old man's hoarse voice fell: "I want to know, why did you shoot us! What did Tiandao Palace do wrong..."

Wei Ying was expressionless, raised the sword in her hand, and said, "Do you still remember the sword of destruction that Dao dropped the other day?"

The old man was startled, thinking of something!

The sword of destroying the world descended on Lingwu Continent, who didn't know!

It seems that the palace owner of Tiandao Palace killed a young man himself!

It seems that the young man also fell as his wish.

Is this girl's anger related to the young man's death?

Wei Ying paused for a moment and continued: "Your palace lord descended on the sword of destruction, and it was my man Wei Ying that moved."

The words fell, a sword fell!

The old man's horror had not spread to the depths of his eyes, it had turned into a cloud of blood.

After doing all this, Wei Ying's eyes fell on the rest of the people and walked step by step.

Her white clothes that did not stain everything seemed to be scattered with a little blood.

Like plum blossoms blooming in winter.

Plum with blood.

The Heavenly Dao Pavilion in the Great City of the Kingdom of God is filled with countless blood.

Like a sea of blood.

Except for the proud girl in the veil, there was silence all around.

Wei Ying did not leave the Tiandao Pavilion for the first time, but instead set her gaze on the tower of the Tao Pavilion that day.

From the moment she stepped into the Tiandao Pavilion, she felt threatened.

From the tower.

It seems that among the high towers is the biggest secret of the Giant City Tiandao Pavilion.

WINK's Surge to \$1: Join the Wave!

Wei Ying is very curious.

She glanced around, no longer hesitated, and went straight to the tower!

The gate of the tower was closed and the surrounding area was completely dark.

Wei Ying closed her eyes, obviously waiting for something.

Suddenly, her eyes opened and she found an old man standing in front of her.

The old man is just a shadow!

But it was this phantom that made Wei Ying feel threatened.

The opponent's body must be above Zhan E.

"You are not from the kingdom of God."

The old man spoke.

Wei Ying snorted coldly: "Indeed, the purpose of my coming here is to destroy this Tiandao Pavilion."

"If you want to do it, I will stay with you to the end."

However, the old man didn't mean to do it, and there was even a hint of appreciation in his kind eyebrows.

"Girl, I can tell from the look in your eyes that you are going against the sky."

"This tower is unbreakable, do you want to try to open it?"

"For you, it may be a chance."

The old man stood up at this moment, stared at Wei Ying and said.

It's the first time Wei Ying heard of the Spirit Tower of the Kingdom of God, but she didn't hesitate to speak directly: "Open!"

"Please choose one of the three modes: normal, brave, and hell. Once you choose, you cannot change it."

The old man didn't have any expression, and spoke in a cold voice.

Wei Ying frowned, three choices, if the simplest, I am afraid that the things you get are not as good as the last two.

"Choose, **** mode!"

Since coming here, Wei Ying of course chooses the best thing, no matter what is in the **** mode, she chooses to enter.

"The girl has some courage, much stronger than the kids in the Kingdom of God. The **** mode is on, girl, close your eyes."

Wei Ying closed her eyes and suddenly felt dizzy. When she opened it again, she found that she had already arrived in a palace.

"Girl, you are only the Eighth Layer of the Supreme Void, the **** mode is to kill the Elei Bird at the peak of the Supreme Void!"

"He has a hint of Erley that Taixu Realm fears most."

As soon as the indifferent voice fell, a barrier was found in front of Wei Ying.

Inside the barrier is a thousand-meter-high Erley bird, glowing with lightning.

The terrifying breath gave Wei Ying a feeling of suffocation.

Upon seeing this scene, Wei Ying showed a bitter smile.

Can she have a chance to choose again now?

In the Spirit Tower of the Kingdom of God, the **** test is the monster at the peak of the Supreme Void Realm.

She is confident that she can deal with the warriors of the eighth layer of the Taixu, facing the peak of the Taixu realm, let alone kill.

I'm afraid there is no chance to escape, and it is the Errei Xuanniao that is dealt with.

This bird is not bad in terms of speed and body!

Wei Ying took a deep breath, took out the cold sword, and released his killing intent. Once he chooses, he cannot change it.

Either die here, or break through the Spirit Tower of the Kingdom of God.

She was going to make the first attempt, to test the depth of the Errei bird, and walk step by step toward the barrier.

As soon as he entered the barrier, the originally quiet Erley bird became completely violent.

Lightning radiated from its whole body, and it rushed toward Wei Ying's direction.

The thunder and lightning flickered wildly, and Wei Ying raised the cold sword with a click.

She did not crush!

Instead, a mouthful of blood came out, and the whole figure crazily exited the barrier.

With just an ordinary blow from Erlei Xuan Bird, she had already suffered some serious injuries.

After being too virtual, the gap in a small realm is too big!

When she withdrew from the barrier, a golden light fell in the palace, treating Wei Ying's injury, and within a moment, she had healed.

The power of the evil blood spirit body burst out, and the cold air was pressing, and Wei Ying was ready to try again.

Countless forces blessed together and entered the barrier. There is no doubt that the thunder and lightning rushed over again.

Wei Yinghan raised the sword, and the lightning fell into her body, barely able to withstand it.

Continue to advance, the range of thunder and lightning becomes larger and larger, and the attack becomes more intense.

Thunder and lightning densely penetrated Wei Ying's body, and Er Lei Xuan Bird stood in place, not making any moves.

It has been trapped here for not knowing how long, and finally an ant came in.

Although an ant is very boring, it is better than nothing.

Wei Ying moved forward cautiously. When only three meters away from Er Lei Xuan Bird, the cold sword lifted up in an instant, and the breath of cold body power crazily submerged into the cold sword.

boom!

A sword fell, slashing on the body of Erlei Xuanniao, but it seemed to be just tickling it.

Erlei spread its wings, with endless thunder and lightning with every wave.

These thunder and lightning poured into Wei Ying's body, and her body had a burning smell.

Huh!

A mouthful of blood spurted out of Wei Ying's mouth, and Han Jian lifted slightly and pierced the body of Erlei Xuanniao.

With a sword stabbed, Erlei Xuanniao did not feel much pain, but stretched out its sharp claws and landed in Wei Ying's chest.

Stabbed!

Blood water poured out of her body, and Wei Ying backed away frantically.

This is the first time Wei Ying feels embarrassed!

Her chance made her enjoy the feeling of crushing!

However, Wei Ying knew that this test would be good for her!

If you don't have the courage to face a strong enemy, how can you step into a higher realm!

Erlei Xuanniao did not attack, but looked at Wei Ying with interest.

When you meet an ant, you have to let it play until you are not interested in it before killing it.

Wei Ying exited the barrier, and the soft light poured into her body again.

After completely recovering from the injury, Wei Ying did not rush to take the shot.

She can't even break the Errai bird's body now, let alone kill it. If she wants to deal with the Errai bird, she can only take a long view.

At least she knew now that Errei Xuanniao didn't want to kill her.

It also gave her a chance to kill Errei Xuanniao.

In the face of Erlei Xuanniao, relying solely on the power of the cold sword is definitely not enough. The most vulnerable place of the monster beast is the eye.

Once both eyes are broken, he becomes a blind man, but he will be completely angered by the time.

Er Lei Xuan Bird is wildly animalistic and will definitely attack Wei Ying by any means.

So far, Wei Ying has not thought of a good way, and decided to take a risk.

During this period, she wanted to let Errei Xuanniao completely relax her guard.

Wei Ying entered the barrier twice, attacking only its physical body each time.

Gradually, Erlei Xuanniao had relaxed her guard. After recovering from her injuries outside, she planned to enter the barrier again.

This time she was going to completely smash the eyes of Erlei Xuanbird.

When Erlei Xuanniao saw Wei Ying, it was motionless. It had long been used to it.

This time it will definitely attack the physical body, when it throws Wei Ying out with a paw.

After going back and forth no less than ten times, Wei Ying kept getting closer and came to Erlei Xuanniao.

The cold sword in his hand was raised, and the whole person suddenly flew into the void.

At the moment when they arrived in the void, the Cold Sword and the Cone of Ice were condensed, and both shot at the same time, aiming at the eyes of the Ere Xuan Bird.

Errei had already been alert, but it was too late.

Han Jian and Xuanhan Ice Cone pierced into its eyes, and blood flowed out immediately.

Naruto!

Errei Xuanniao roared loudly, with a monstrous breath rushing toward his face.

Its eyes are already invisible, and it can only keep attacking.

The thick thunder and lightning, like a water snake, gushed out frantically.

Wei Ying was caught off guard and was attacked by thunder and lightning, spraying out a mouthful of blood.

Her whole face was pale, without any blood, facing this situation.

Wei Ying can only evade his edge and retreat one after another.

Now Erley's eyes have lost their light and become a blind man.

The threat to her is no longer big, she withdrew from the barrier and recovered from her injuries.

Er Lei Xuan Bird flew in the barrier wantonly, trying to rush out to kill Wei Ying.

Unfortunately, due to the power of the barrier, it can't get out of trouble at all.

Wei Ying entered it again, a ghostly figure came to the top of Erlei Xuanniao.

Han Jian aimed at its head and pierced it in an instant.

boom!

With a clear sound, Errei's head showed a trace of cracks, but it had not broken yet.

The chill and killing intent on Wei Ying's arm violently increased, attacking again and again.

The overwhelming thunder and lightning attacked her body, and there was a pain, but she did not give up.

Finally, there was an opportunity to kill the Erlei Xuanniao, and Wei Ying saw a glimmer of hope. How could such an opportunity be let go?

boom! boom! boom!

One sword after another fell one after another. Ten minutes later, Wei Ying's body was already scarred.

She laughed.

This feeling made her feel more!

The head of the Erlei bird had blood and water, and it had gradually begun to crack.

"dead!"

Wei Ying uttered a sharp voice, and stabbed down crazy with a sword.

Click!

Cracks began to appear in the head of Erlei, and began to spread continuously.

As it spread, it suddenly split in four or five.

At the moment of splitting, Er Lei Xuan Bird let out a sorrowful scream, and the aura of the whole monster beast became weaker and weaker.

Huhu!

The Erley bird fluttered its wings and gradually landed on the ground. It has now vented a lot and aired less.

After an hour passed, the breath of Erlei Xuan Bird had completely dissipated in the air.

Wei Ying was lying on the corpse of Erlei Xuanniao. At this moment, she had lost any strength.

"Girl, you made me feel surprised. If you succeed in the challenge, the Erley in this Erlei mysterious bird will be given to you. With this thing, it will be easy for you to enter the Slashing Evil Realm!"

"Even Erley, who is afraid of countless Taixu peaks, will be your chance!"

In the void, a violent and quiet thunder and lightning appeared and fell in Wei Ying's hands.

Completely sealed.

Above the seal, the breath of Erley was flowing.

Wei Ying was slightly surprised. Although she had the resources against the sky, she understood that if she wanted to enter the Slashing Evil Realm, the resources were simply not enough!

If today's chances are added, she will easily step into Zhan'er!

Only then will you be eligible to go to the kingdom of God to avenge!

Wei Ying looked at the old man and said, "You seem to be helping me? Are you not from the Kingdom of God Tiandao Palace?"

The old man smiled: "Girl, in fact, I already knew that your inheritance came from the ruined Imperial Palace."

"I have seen the last palace lord."

"I am ashamed of her."

"The Kingdom of God Tiandao Palace is out of control. This is not the situation I want, so I hope you stop it."

"If no one stops, I am afraid that the glory established by the ancestors will be completely destroyed."

"Girl, I feel the cause and effect of the Lord of the Six Paths from you...remember, this person must never die."

"If he dies, everything will collapse, and evil will swallow the whole world."

Wei Ying's eyes condensed.

The Lord of the Six Paths?

Controlling the existence of heaven is so tricky, let alone controlling the six realms.

She seems to have never been in contact with this kind of existence.

Suddenly, Wei Ying thought of a young man!

"Is it him?"

At this moment, the old man disappeared.

The face that was finally revealed carried a trace of regret and a trace of expectation.

Wei Ying left the Spirit Pagoda of the Kingdom of God, and Umang fell from the sky!

The huge black wings seemed to cover the whole world!

Wei Ying stepped onto Umang, and the killing intent was once again condensed: "Umang, a city is bloodied, it's time to go to the next one!"

Umang let out a roar that shook the sky instantly, and went away!

Billowing smoke and dust, this is destined to be an unforgettable night!

...

The next day, in front of a tall and luxurious hall, several Tianchen auction staff in white robes were guarding the entrance. This is the venue where the auction will be held today.

At this time, many people have been walking towards the auction venue one after another.

One of the petite women in black robes yawned and looked a little bored. Beside her were two young men with cold looks.

The woman complained: "We're here early, and the auction will not start for a while."

A man in a white robe with proud eyes smiled beside her: "It is better to come early than to be late."

At this moment, the petite woman suddenly lit up and said to the two people beside her: "Look, is that the one who was at the reception before... Ye Chen!"

Another black robe man beside the woman sneered, "It's him, what's the matter?"

Obviously, the black-robed man was a bit disdainful of Ye Chen!

But the petite woman didn't seem to care about the black robe man's opinion, she actually walked directly toward Ye Chen!

At this moment, Ye Chenzheng and Chen Zhifan walked to the auction venue. Suddenly, in front of them, a petite woman appeared with a smile on her face and seemed quite lively. She waved to the two of them and said, "Hello!"

Ye Chen and Chen Zhifan looked at each other a little inexplicably.

The black robe man behind the woman flashed with coldness in his eyes! Staring at Ye Chen, the hostility is very obvious!

The white-robed man smiled and shook his head. No one could see that the black-robed man was interesting to the petite woman, but it was a pity that the petite woman herself was too slow to realize this.

At this time, Ye Chen and Chen Zhifan might be out of luck.

Although Ye Chen beat Xu Sheng violently at the cocktail party and showed his power against the sky, to be honest, in terms of the strength that Ye Chen showed, although the three of them didn't mean to underestimate, they were not too jealous either.

After all, they are not ordinary people.

Moreover, the auction is mainly about money, not strength, right?

At this time, the smiling woman smiled at Ye Chen: "My name is Li Yanxi."

She pointed to the two people behind her: "The two of them, the one in white clothes is Ke Jing, and the one in black clothes is called Xiangyang."

Ye Chen looked at the two, but Ke Jing was okay, and nodded politely to him.

Xiang Yang was full of disdain, and he didn't even look at Ye Chen.

Chen Zhifan, standing next to Ye Chen, changed his expression after Li Yanxi introduced herself!

He looked at Li Yanxi, and asked in disbelief: "You are Li Yanxi of the Li Family of the Ancient East Forest in Lingwu, Wushengjian Ke Jing, and Nangang Xiangjia's Ghost Sword Xiangyang?"

Li Yanxi nodded and smiled: "Yes, it's us."

It's not to blame Chen Zhifan's discoloration, these people are all very different, especially this petite girl Li Yanxi!

Donglin Li Family is not only one of Lingwu's strongest families, but also known as the head of Lingwu's top ten families!

The so-called top ten families are the Lingwu Continent, the most powerful family forces in the east, west, north and south regions!

These families have a long heritage, even longer than many sects in the sphere of influence.

Among them, the Donglin Li family is the family with the longest history and the most terrifying background among the top ten families!

Moreover, this Li Yanxi is not only the daughter of the contemporary Patriarch of the Donglin Li family, but also the seventh-ranked genius on the Xuan list!

Wushengjian Ke Jing, although not like Li Yanxi, has such a terrifying family background, but with a mysterious inheritance, it is known as the Wushengjian.

This person is gentle and polite. Although his appearance is ordinary, he has the temperament of a humble son. He usually doesn't deal with people, let alone draw a sword, but! As long as he draws the sword, one person must die!

Either the other party or yourself!

Therefore, known as the Wushengjian, Ke Jing is the tenth genius on the Xuan List!

Don't underestimate this ranking at tenth, Ke Jing has no family background! He didn't even join the sect! In terms of qualifications, they should be similar to Li Yanxi.

Xiang Yang, the black-robed man, and Xiang Hai, who took advantage of Song Rou at the reception, are brothers. They are also from Nangang Xiang's family. However, although they are brothers, they can be described as Yunni in terms of appearance, aptitude, and strength. The difference!

Xiangyang has a dark complexion, a tall and straight body, a slightly pointed chin, and a handsome face, with an evil nature. The most famous inheritance of the Xiang family is a family of swordsmanship. When practicing to a very high level, it is said that one The sword comes out like a thousand ghosts!

So Xiangyang is called Ghost Sword.

This time, he did not come as Young Master Xiang, but as Ye Chen as a genius on the Xuan Xuan List, ranking twelfth in the Xuan Xuan List!

However, Ye Chen didn't know this, and didn't care about it. He just asked indifferently: "Hello, may I ask what is the matter with you?"

As soon as Li Yanxi was about to speak, Xiangyang behind his back said coldly, "What do you have to say about Yanxi and this kind of person?"

Li Yanxi looked back at Xiangyang with a bit of discomfort. Although Xiangyang is a friend of hers, she doesn't care about being so wide, right?

Whoever greets and speaks to oneself must be approved by him, is it allowed?

Ke Jing shook his head, knowing it was about to start again.

In fact, the main reason why Xiang Yang came to participate in the Tianchen auction this time was for Li Yanxi. Otherwise, he would only need to have his brother Xianghai attend instead of Xiangjia.

The reason why he came with him was because he was worried that there were too many talents and celebrities at this Tianchen auction, and it was impossible to guarantee that no one would beat Li Yanxi's idea.

Secondly, he wanted to take a few gifts for Li Yanxi at the auction to give her!

Although he and Li Yanxi have known each other since they were young, and have always been good to Li Yanxi, Li Yanxi has never realized his feelings for her!

So this time, he plans to confess to Li Yanxi!

Originally, the few people got along very well the other day. Ke Jing was also their friend. He knew that Ke Jing had no special meaning for Li Yanxi, and Li Yanxi seemed to have no interest in celebrities and geniuses who came to meet her. .

Xiang Yang was already secretly proud of it!

Who would have thought that after seeing Ye Chen yesterday, Li Yanxi suddenly showed interest in him!

How can Xiangyang stand this?

He has always been very careful about women, especially the women he likes!

"Oh?" Ye Chen glanced at Xiang Yang playfully, "This son, what kind of person do you mean by me?"

Xiang Yang was taken aback. He didn't expect that Ye Chen would dare to confront him?

Immediately, with a sneer on his face, he walked to Ye Chen and said:

"Boy, you said at the reception yesterday that we couldn't take anything today? Haha, it's really crazy, even I admire you a little bit.

However, talking about it and whether it can be done are completely different things, do you know? Do you think that if you defeat Xu Sheng, you will be invincible?

Xu Sheng is just a waste in our eyes. The reason why you dare to say that is that you don't know who we are? Show off wealth in front of us? It's ridiculous, no one has ever dared to show off their wealth in front of our top ten families! "

After all, he cast a playful look at Li Yanxi, the meaning is obvious, he is telling Li Yanxi not to be confused by this kid's performance, he is just pretending!

However, Li Yanxi did not respond. The reason was simple. She didn't think Ye Chen was acting!

There is no basis, just her intuition.

If she had to say it, it was because she felt Ye Chen resembled herself!

There is a kind of pride from the bones!

Xiang Yang saw Li Yanxi's expression, his expression even more gloomy.

And Ye Chen shrugged indifferently and said, "If you want to make you happy like this, then do it whatever you want, or that sentence, if you can photograph any treasures at the auction, I will give up."

Although Ye Chen didn't ridicule anything, this kind of ignorance and completely indifferent attitude towards his words angered Xiang Yang even more. More importantly, Li Yanxi seemed to be faintly biased towards Ye Chen?

He shouted: "What are you pretending? I have already understood your information, but you have entered the Shenhua Academy from Xuan Yuezong, and dare to show off your wealth in front of us? I guess, yours. How much money did the dean give you? Two million **** marbles? No more than three million, right?"

Your Shenhua Academy only has that little capital, right? Do you really think there is any capital fighting us? Do you know how terrifying the assets of our Lingwu Nangang Xiangjia are? "

"Oh?" Ye Chen said with a playful expression on his face, "How scary is it? I'm a little curious."

Xiang Yang sneered and said, "It is not an exaggeration to say that the sacred marbles we brought to the Xiang family this time are more than three times your total assets. Do you understand the concept? Even if you have some strength, the top ten families It's not something you can afford!"

As he said, he glanced at Li Yanxi again and said: "It's not something you can afford! Don't think that you have a little strength. If you know how to pretend, you can attract the attention of others. I advise you not to have such a plan!"

"enough!"

At this time, Li Yanxi finally broke out, and she yelled, "Xiang Yang! Although you are my friend, who do I talk to and pay attention to, don't you need to point me?"

Originally, she was only interested in Ye Chen, but now that Xiang Yang is so disturbed, she wants to know Ye Chen even more!

Xiang Yang was also stunned when he heard this. Li Yanxi was angry with him for this Ye Chen?

In an instant, Xiang Yang's expression could be said to be so ugly and ugly, and he stared at Ye Chen, his eyes flashed with killing intent!

Why would a kid from Xuan Yuezong's **** place make Yanxi pay so much attention?

How can I not compare to him? In all aspects, it's all over burst, right? But it was himself who was scolded by Li Yanxi?

He didn't understand, and was angry!

His pride, his dignity as the son of the top ten families, are all damaged because of this kid in front of him!

Now, he feels that Ye Chen is like the son of the top ten families in front of Li Yanxi, the top genius on the black list, and he is nothing...

He gritted his teeth tightly, pressed his left hand, and firmly grasped the hilt of a black sword at his waist, and even wanted to make a move!

At this time, Ke Jing walked up and rounded the scene:

"Okay, okay, the auction is about to begin. If you really want to divide the victory and defeat, it will not be a short time? When it comes to the auction, isn't everything clear?"

Ye Chen smiled, didn't say anything, triple the Shenhua Academy funding?

But it's less than ten million gods. Is this the strength of the top ten families? But that's all.

However, Ye Chen also knew that this was mainly because Ge Qing invested too much in him!

Almost all the resources of the academy were handed over to him, and Nangang Xiangjia naturally couldn't do this, but only used part of the funds.

In fact, as far as the top ten families are concerned, they have more or less contact with the Kingdom of God. Compared with other top powers, the top ten families also value this auction, but they have not yet come out. The point of most assets.

At this time, the auction officially began to enter.

Ye Chen and Chen Zhifan walked into the auction room, but Li Yanxi glanced at Xiangyang coldly and said, "Xiangyang, I am very dissatisfied with your behavior just now. Let's not sit together at the auction."

After all, he followed Ye Chen and entered the auction venue.

Xiangyang is completely panicked now!

He still wants to confess to Li Yanxi after this auction is over!

And now, looking at what Li Yanxi meant, it turned out to be sitting with another man?

He shouted anxiously: "Yeonhui, listen to me..."

At this time, Ke Jing stopped Xiangyang and said with a smile: "Brother Xiang, if you stop Yanxi now, it will only make her even more offensive. Let her go. You don't know her character."

Xiang Yang hesitated for a while before stopping his figure. He firmly held the hilt of the sword, the blue veins in his hand were violent, and his eyes flashed coldly and said:

"Ye Chen? I will let you know how big the gap is between you and the top ten families. At that time, if you can't shoot anything, I wonder if you can still pretend to be?"

With that, he and Ke Jing also walked into the venue.

At this time, Ye Chen and Chen Zhifan had found a place to sit down. At this time, Li Yanxi walked to Ye Chen's side and said, "May I sit here?"

Ye Chen shrugged and said: "Whatever, we are only two of us."

Li Yanxi showed a cheerful smile when he heard the words: "Ye Chen, you said yesterday that you would let us not shoot anything? Then you'd better hope that nothing I like appears in the auction, otherwise I won't be merciful."

"Oh?" Ye Chen smiled, "Then it depends on you, if you can do it."

He wants to use money to compete with him. He has no opinion. The auction is originally for competition, right?

However, since it is a competition with money, as long as he has enough money, no one should have any opinion on sweeping the audience, right?

At this moment, a young man dressed in a very luxurious purple silk shirt, thin body, handsome face, and a touch of feminine, walked into the venue.

Chen Zhifan pointed to the person and introduced to Ye Chen: "This person is named Liang Qiu, and he is the third son of the Liang Family in the West Huangshan Mountain in Lingwu. The Liang Family is one of the top ten families. Although the Liang family is in general The strength is slightly weaker than other families But Xihuang produces all kinds of fine spar for refining, and the Xihuang Liang family monopolizes most of the refining material market in Lingwu Continent, so in terms of financial

resources, It can even be compared with the Donglin Li family, the most powerful of the top ten families!"

As he said, he looked at Li Yanxi next to him and said: "This Miss Li is the eldest of the Donglin Li family, and she is also the seventh-ranked super genius on the Xuan List."

When Li Yanxi heard the words, she turned her head and smiled brilliantly at Ye Chen. She didn't care about Chen Zhifan's introduction. On the contrary, she also had a hint of interest. She pulled Ye Chen's sleeve and pointed to a muscular body over two meters tall. 5. The terrifying big man said:

"That big man is also very famous, don't look at him, he is actually only twenty-five years old! He is called the "Jushan" Tong Niu!

A body of steel and iron, extremely tough, the one who used to fight against the virtual and the strong will not die with all three strokes!

Ranked ninth in the Xuan Xuan ranking, the cultivation base is the pinnacle of the gate. It is said that he once relied on his physical strength to break into the wasteland secret realm of Lingwu Continent and harvest the most treasures, so his wealth is not cheap! "

Chen Zhifan was taken aback, and couldn't help showing a hint of laughter or crying. Originally, he wanted to introduce Ye Chen some people who need attention at this auction, but now he was snatched by Li Yanxi?

However, he knew this would be better, because as Li Yanxi, he must have a better understanding of the people present.

But at this moment, Ye Chen suddenly asked with some curiosity: "This time, has the first person on the Xuan list come?"

If anyone at the scene is interested in anyone else, then that Lingwu is ranked first on the Xuan List.

He knew that no matter where he was, the first had its own uniqueness, and even the second and the third were two completely different levels.

With Ye Chen's current strength, only a genius of this level can attract his attention.

But when Li Yanxi heard the words, her eyebrows were slightly frowned, and she appeared contemplative. After a while, she said: "Actually, I don't even know who the genius is on the Xuan list. It is extremely mysterious!

Don't even know if he exists! Because, on the top of the Profound List, the No. 1 genius does not even have a name, we all call him "No Name"! "

After all, her expression seemed to dim and said:

"Actually, there are not so many geniuses on the Xuanxuan list who have come to participate in the auction this time, because many geniuses who climb the Xuanxuan are actually related to the kingdom of God. They are either descendants of a certain family in the kingdom of God, or Then he had contact with a certain sect of the kingdom of God.

In fact, people like them can still improve their rankings on the Profound List. It's just that they may have entered the Kingdom of God. Once they enter the Kingdom of God, the creators of the Profound List will not receive any news from them. Therefore, the ranking will no longer rise. "

Obviously, Li Yanxi is also very yearning for the kingdom of God, but unfortunately she doesn't seem to get the mark now, let alone step into the kingdom of God.

Ye Chen nodded, so it turns out, it's no wonder that most of the people he saw were some wealthy children, and the kind of powerhouses that made him feel good, such as the boy cow just now, were few, but overall, Participants of this Tianchen auction still made him a little lamented!

These hidden top forces are really terrifying!

Take Li Yanxi herself as an example. She seems to be only 22 years old, a little younger than Ye Chen, and her cultivation level has reached the eighth floor of the door! And Ye Chen could see that her strength was much higher than her realm!

As for the people present, almost no one is below the closed door!

Of course, it is not necessarily how talented these young masters are. It can only be said that the resources possessed by these top forces are too terrifying!

At this moment, there was a sudden rush, and the sound of irritable footsteps suddenly became louder and louder.

Because that person is walking in the direction where Ye Chen is!

Ye Chen looked at the man, and saw that he was a man with a sallow complexion, a pair of triangular eyes, a hooked nose, and a dark look in his eyes.

This person looked like a poisonous snake, but from the sound of his footsteps, his temperament was very grumpy!

Chen Zhifan narrowed his eyes, showing a dignified color, and said to Ye Chen:

"This person, named Guo Rong, is as vicious as a poisonous snake, yet violent like a raging fire! He is known as the 'snake'! Ranked twenty-seventh on the Xuan list. It is said that this person is extremely friendly with Xu Sheng, and there are even rumors. After he has advanced for a half-step Taixu, he will join the Xu family as an worshiper, and assist Xu Sheng to become the next Patriarch, and jointly take charge of the Xu family!

Now, if you abolish Xu Sheng, you have ruined his hope of taking charge of the Xu family! He may trouble you! "

Ye Chen glanced at Guo Rong, but didn't care too much. He was twenty-eight years old, late in the lockdown period, and seemed to have a special physique, but he wanted to threaten him?

It's too far.

And Guo Rong's gaze flashed with surprise when he scanned Li Yanxi next to Ye Chen, but soon, his gaze locked on Ye Chen, and he said coldly:

"You are Ye Chen? Is it you who hurt Brother Xu?"

Infinite anger rolled in his triangular eyes, Xu Sheng is a very important part of his climbing step by step!

In order to successfully make this link work, Guo Rong didn't know how much effort and methods he had spent!

But yesterday, was this ruined by an unknown kid?

And it just so happened that he had something to delay yesterday and only arrived on Feilei Island today, so he could not attend Xu Sheng's cocktail party!

Guo Rong did not lower his voice, but spoke loudly!

For a while, many celebrities and buddies present at the scene cast curious eyes towards Ye Chen's direction.

Although Ye Chen was at the cocktail party yesterday, which made everyone remember him, the cocktail party was actually created by Xu Sheng and some celebrities who were close friends, and there were not too many people participating.

Even Li Yanxi suddenly wanted to go in for a drink while strolling around yesterday.

Therefore, many people present are actually a little curious about Ye Chen's identity.

After all, not everyone is qualified to sit next to Li Yanxi, the young lady of the Donglin Li family, the head of the top ten families.

And now, after hearing Guo Rong's words, these people were surprised!

Ye Chen!

Is he Ye Chen?

At the reception, he smashed Xu Shengsheng from the Xu Family in Beihai into a severely injured Ye Chen with his fist?

After the reception, Ye Chen threatened to let the celebrities present get nothing at the auction?

Although they haven't really seen Ye Chen, but Ye Chen made such a big noise, these people must have heard of Ye Chen's name!

"It's me." Ye Chen looked at Guo Rong with a faint smile, "Why, the top 30 super evildoers on the Xuan List are also interested in me?"

"Interested?" Guo Rong sneered, "I don't want to be interested in you, Ye Gongzi!"

Who told you to hurt Xu Sheng like that when you shot? I am in the top 30 of the Xuan ranking, so what counts?

Ye Gongzi has just become a genius on the Xuan Xuan list, right? As soon as he became a genius on the Xuan ranking list, he would use his predecessor to show his strength? Still acting so exaggerated?

I'm afraid, those of us on the Profound List will probably become the props for Ye Gongzi to practice hands after a short while? "

What Guo Rong meant by saying this. Apparently it was because of Ye Chen's serious injury to Xu Sheng, and he had already expressed his position!

Ye Chen said indifferently: "Show strength? Use Xu Sheng to show strength? Guo Gongzi, you are wrong. I really want to show strength, and I would not choose Xu Sheng!

Would you choose a trash, a trash to show your power?

And Xu Sheng, in my eyes, is not rubbish, it is **** among rubbish! As for exaggeration? Is that an exaggeration for me? Without a punch, he blasted him into nothingness, already very restrained, okay?"

When Guo Rong heard this, his face changed in an instant, and it was extremely difficult to look at him. There was a hint of undisguised viciousness in his eyes!

Originally, he thought that Ye Chen would be afraid and retreat because of his arrival, and even bow his head to admit his mistake!

The results of it? He came to the door, but he insulted Xu Sheng so much in front of him?

That means he hasn't considered him, the super enchanting "Snake" who is ranked 27th on the Profound List!

In Guo Rong's triangular eyes, a hint of sarcasm suddenly flashed, since you want to pretend, if you want to be mad, then I will let you pretend to the end!

Then, Guo Rong said: "Young Master Ye said so loudly, Xu Sheng was once our genius on the Profound List. He was just squeezed by you, but you said he was so unbearable?"

If Xu Sheng is really as **** as you said, why can he once become a genius on the Xuan ranking? Is it true that the Dengxuan list where his name has appeared is nothing in your opinion?

Will most of the geniuses on the Xuanxuan list be crushed by your strength? "

Chen Zhifan's expression changed when he heard the words, and he winked at Ye Chen!

This sentence is obviously a trap!

These words of Guo Rong wanted Ye Chen to match up with the genius on the Xuan ranking!

Ye Chen had already offended many celebrities at the reception. What if most of the geniuses present on the Profound List were added?

Then, Ye Chen directly confronted most of the people in the auction room!

For Ye Chen, both this auction and the future situation may be very disadvantageous!

After all, this is the Lingwu Continent, which is cruel. Sometimes it kills you because you said something you shouldn't say. It's that simple.

"You said..." Ye Chen pondered for a moment, and then faintly replied: "It seems, that's how it is, in my opinion, it's also the top ten geniuses in the Profound List. They have some strength!"

Ye Chen didn't notice the meaning of Guo Rong's question, but he didn't care.

Why does it matter?

If you have the strength, when you encounter a trap prepared by others, you can directly crush it. It will only be the trap that is broken, not you.

Ye Chen thought very clearly. He just said yes if he felt it was, and said no if he felt it was not, there were not so many twists and turns.

Could it be that he is obviously far superior to most of the geniuses on the Profound Rankings, and he still needs to be humble with them, even touting each other?

Ye Chen annoyed this kind of thing the most, it didn't make any sense.

However, he can think so, others can't!

After confirming that he had not misheard, Chen Zhifan couldn't help shaking his head with a wry smile.

Even Li Yanxi and Guo Rong were a little shocked!

Ye Chen, really dare to say it!

And the eyes of those people at the auction looking at Ye Chen changed and became colder!

Most of the wealthy children in the circle are accustomed to the social way of touting each other. Naturally, they have no favor with Ye Chen who is extremely public and has no scruples about speaking.

And what about the geniuses on the black list?

He was directly irritated, Ye Chen was provoking them!

For a time, several powerful auras surged in the auction hall. These proud geniuses couldn't help but want to teach Ye Chen a lesson, so that this newcomer who has just made the Xuan list knows what is called heaven and earth!

Then, Ye Chen waved his hand impatiently and said, "Are you talking about this? If you want to chat and quarrel, I'm sorry I don't have that interest, you can go."

Guo Rong's eyes became more gloomy, and even his killing intent was revealed. He was a genius in the top 30 of the Xuan Xuan ranking, and he had a very good friendship with the Xu family of Beihai. One just entered the Xuan Xuan ranking. And the kid from Shenhua Academy, dare to speak to himself like this?

However, in the end, Guo Rong just gave a cold snort and left and found a place to sit down.

After all, the auction was about to begin, and even he didn't dare to make trouble at this time. That would be tantamount to offending Tianchen Auction House.

However, after sitting in the position, Guo Rong's mouth raised a sneer. He knew that there was always a time when Ye Chen paid the price for his ignorance.

At this moment, a handsome man with white hair and a very young face, dressed in the uniform white robe of the Tianchen Auction House, walked onto the booth of the auction house and smiled at everyone:

"Hello everyone, I am the person presiding over this auction, and my name is Huang Wenxin."

When everyone heard this, they were all refreshed!

After waiting so long, it's finally about to start!

When I saw those present, they were already looking at themselves. After calming down, Huang Wenxin smiled slightly and continued: "Next, the Tianchen auction will officially begin. Before it starts, I still have to talk to everyone. , Our auction rules."

With that said, Huang Wenxin's finger was adorned on the handles of the seats of the crowd, and a strange animal sculpture said:

"First of all, I have to ask you all to put your storage bag for storing the **** marble into the animal pattern of this gluttonous statue. This is a special artifact of the kingdom of God, and it is used in all major auction houses. Check the amount of funds in your hands. Don't worry, we will not know the specific amount.

This gluttonous statue will be sensed only when you bid. If your bid exceeds your own funds, the gluttonous statue will sound an alarm. This is also to prevent malicious bidding! Protect your interests. "

Everyone nodded when they heard this, and Yiyao put the storage bag in the animal pattern. Naturally, they didn't want anyone to bid maliciously.

Then, seeing everyone present put their storage bags in the beast patterns, Huang Wenxin smiled and said:

"Then I won't sell too much, you must have been waiting in a hurry? Okay, let's invite our exhibitors to come out and show you the first product of this Tianchen auction!"

Huang Wenxin's high-pitched tone immediately aroused the atmosphere of the scene. The celebrities and geniuses all seemed a little excited! Some are eager to try!

Soon, a beautiful woman in a fiery red cheongsam with a split end almost reaching her waist, 18 or 9 years old, with an extremely hot figure, smiled and pushed a delicately shaped cart onto the stage.

The table top of the cart is covered with a layer of white cloth. This red cloth is obviously a bit special seems to be able to shield the exploration of divine minds, and under the white cloth is this first product!

At this moment, everyone was staring straight at the white cloth. Huang Wenxin did not immediately lift the white cloth, but with a smile on his face, continued:

"This is our first product. The starting price is fifty thousand **** marbles! And this auction has a total of 13 products!"

When everyone's expressions changed, this was the first treasure, and it would cost fifty thousand gods and marbles? You know, fifty thousand **** marbles are a sky-high price for many forces!

And the first treasure is undoubtedly the appetizer of this auction. It is used to bring out everyone's taste and interest. It is the worst treasure in the auction.

It shows that Tianchen auction is indeed not comparable to ordinary auctions.

Seeing the looks of everyone, Huang Wenxin was also quite satisfied, nodding his head, the cheongsam girl lifted the white cloth on the table!

At the next moment, everyone felt a slight tingling in their eyes!

However, what they saw was a ugly piece of dark metal.

When everyone saw this, they seemed to be a little disappointed, that's it? Is it worth 50,000 Supreme God Marble?

There is only one person, and his eyes are faintly eager!

Ye Chen!

Ye Chen stared at the fast dark metal, and asked Feng Qingyang in his heart: "Master, this metal, is it..."

Feng Qingyang laughed and said: "Yes! This metal is the essence of Gengjin! With your current physical strength, ordinary Gengjin, even the best quality, can't make your physical fitness continue to improve. You can only use it. The essence of gold can be effective!"

This group of so-called people from the kingdom of God doesn't know anything at all! They definitely didn't recognize the essence of Gengjin, so they were auctioned at such a low price, boy, this is a good thing! Take it! You make a lot of money! "

Ye Chen's eyes flashed, and the thing that could strengthen his physical body was naturally impossible to let it go! He was also a little excited. He didn't expect that the first item that appeared on the stage was something that would greatly help him improve his strength!

At this time, Huang Wenxin also continued to introduce:

"Everyone, don't underestimate it. According to the appraisal of our Tianchen Auction, this metal grade is definitely not low! Even incorporating it into a real artifact or holy weapon will have an effect on weapons!

It also exudes a terrifying golden evil spirit, and we think this is a very, very rare variant Gengjin! "

After this introduction, the people present finally got some interest. They knew that since even the Tianchen auction could not identify something, it must be unusual!

Dang even someone bid: "Five thousand!"

"Sixty thousand!"

"Sixty-five!"

...

The price kept rising, and soon it came to 200,000!

At this time, there are very few bidders.

After all, although Gengjin is precious, it has never reached the level of 200,000 Supreme God Marbles!

Even if it is a heterogeneous Geng gold, it is not worth buying at this price.

However, Ye Chen noticed that the real wealthy and outstanding group of people present at the scene, such as the top ten families, Tong Niu, Ke Jing, Guo Rong, and other geniuses who made the top rankings on the Profound List, have not yet Shot.

Obviously, this heterogeneous Gengjin can't catch their eyes. Although the essence of Gengjin is extremely precious, how many people can maximize its value like Ye Chen?

"Two hundred ten thousand!" At this moment, a young man with a vicious appearance said.

The scene fell silent for a while.

Over two hundred thousand, no one wants to bid anymore.

Just when the sullen young man was a little proud, a man's voice sounded abruptly.

"Three hundred thousand."

Everyone was a little surprised and looked in the direction of the sound. One time, an increase of 100,000? Bold!

And the person who spoke was Ye Chen!

There was a glimmer of cold light flashing in the eyes of the ruthless man. After a moment of silence, he gritted his teeth and said, "Thirty-one thousand!"

Even without stopping, Ye Chen said, "Four hundred thousand."

Although, the people present at this price are not unable to get it, come to participate in this auction, which one does not have millions of superb divine marbles?

But just spending 400,000 on the first product was a bit of a waste.

At this time, Huang Wenxinjian didn't seem to continue to bid, opened his mouth, and was about to start shouting.

At this moment, Xiang Yang looked at Ye Chen with a smile, and suddenly said, "Seven hundred thousand!"

An increase of 300,000 yuan at a time! Everyone couldn't help looking at Xiangyang with a little admiration, as expected to be Nangang Xiangjia! Lavish!

Xiangyang smiled and enjoyed the eyes of these people. Today he brought 10.73 million superb divine marbles. Even though it was a bit of a loss to buy the alien Gengjin at this price, he took out a fraction and gave it to Ye Chen added a blockage, to him, it was nothing.

Moreover, it can achieve two goals with one stone.

Originally, he thought Ye Chen would be angry, unwilling, even regret...

However, Ye Chen just glanced at him lightly, and continued to speak without any emotional fluctuations: "One million."

At this moment, the meeting place was silent for a while.

one million!

Even for the average top power, it is a number that will hurt one's muscles and bones!

This Ye Chen spent so casually on a piece of metal of unknown value?

Even Huang Wenxin was stunned for a while, and soon he reacted, and he started shouting with joy: "One million once! One million twice! One million three times! Deal!"

The cheongsam girl respectfully picked up the wooden plate containing the essence of Geng Jin, walked in front of Ye Chen, and handed the wooden plate to him.

At the same time, Ye Chen's storage bag also scratched a million gods.

Xiang Yang frowned, Ye Chen gave out a million, and even he was a little afraid to bid. After all, if he continued to bid and Ye Chen didn't follow along, he would lose a bit too much, and he would have to pay for the next treasure. Be prepared.

But soon, his brows were stretched. He knew that Shenhua Academy could only produce about 3 million of the best-quality divine marble, and now Ye Chen spent a third?

Haha, what will you fight with him next? Let Ye Chen win this time first.

The cheongsam girl continued to push up a cart, Huang Wenxin smiled and said:

"This second auction item is a rare martial art of the ancient kingdom of God. I believe that everyone present is no stranger to ancient martial arts, but you also know that the martial arts passed down by our kingdom of God are similar to those of the Lingwu continent. The martial arts are different.

Shen Kingdom martial arts are all martial arts that can touch the origin of martial arts! Believe that this swordsmanship martial art "Blood Sword" can provide a lot of help to your martial arts practice! The starting price is one million yuan, the best God Marble! "

When Huang Wenxin's voice fell, Xiangyang was overjoyed!

This "Blood Sword" is completely tailored for him!

His Nangang Xiangjia was originally famous for his family's Xiangjia sword technique Yin Ming Meng Gui Sword. Although Yin Ming Meng Gui Sword was also a rare martial skill, although this martial skill was inherited from ancient times, it was impossible to The martial arts of the Kingdom of God touches the origin of martial arts.

If he comprehends this sword of blood transformation, his strength will definitely be greatly improved!

Maybe, it is possible to improve your ranking on the Xuan Xuan list!

Immediately, Xiang Yang shouted in a deep voice: "Two million!"

In the auction room, there was silence for a while, and everyone looked towards Xiangyang's location!

In their hearts, they couldn't help being slightly shocked!

What a Nangang Xiangjia!

It doubles directly when you speak!

This Xiangyang is undoubtedly showing to everyone that he is determined to win this sword of blood!

Although many of the people present had some thoughts about this **** sword, they couldn't help but hesitate to see this scene!

First of all, financial resources. Can they compete with Nangang Xiangjia?

Secondly, if they participate in the bidding, it is not certain whether they can get this **** sword, but if they offend Nangang Xiangjia, that is for sure!

There were a lot of celebrities who were eager to try and raised their hands, the geniuses quietly put down their hands.

Upon seeing this, Xiangyang raised a smile at the corner of his mouth.

Many people still have to give Nangang Xiangjia's face.

Of course, not everyone.

For example, the top ten families and the top geniuses on the Xuan List.

However, as far as Xiang Yang knows, among the top ten families, the Xiang family is the only one practicing swordsmanship!

And the geniuses who climbed the top of the Xuan ranking list are also very few practicing swordsmanship!

Therefore, the value of the Blood Sword to them must be greatly reduced!

In his opinion, this **** sword is almost in his pocket!

Just when Xiangyang smiled and was ready to pay, a voice suddenly sounded!

"five million!"

...

At the same time, the Kingdom of God, the Palace of Heaven.

Xuanyuan Moxie sat cross-legged on the high platform, and his extremely evil and angry eyes stared at the Yantian Dragon God who was lying in bed not far away.

For so many days, Yantian Dragon God's injury has not healed.

His Xuanyuan Mo evil energy sat in this position, and a large part of it relied on the Yantian Dragon God in the Nine Heavens Dragon Palace.

Moreover, the Yantian Dragon God is not his mount, let alone his pet beast!

It's a collaborator!

If it weren't for the Dragon God of Yantian, Xuanyuan Moxie might still be a disciple who is struggling hard in the gods.

You know, the Xuanyuan Family is a legend in the Kingdom of God!

The Xuanyuan Family and the Ye Family of the Kingdom of God are equally famous, but they will always be overwhelmed by the Ye Family!

Just because the Ye Family of the Kingdom of God used to be too strong!

Holding the six powers in your hand, shaking the posture of the world!

And his Xuanyuan Moxie is nothing but a large number of beings of the Xuanyuan family!

He is very talented, but he will never be favored by his family elders!

He is hideous, he is crazy!

But his life changed after meeting the Yantian Dragon God!

His strength has grown rapidly!

He became the Lord of Heavenly Dao Palace after a thousand years!

The Yantian Dragon God is also constantly advancing because of Xuanyuan Moxie!

It even swallowed a legendary thing with a powerful energy-Samsara mysterious stele!

Xuanyuan Moxie slowed down from his memory. He looked at the old man kneeling in front of him and said, "Let's talk about it, what is the urgent matter today."

"Has the news about that kid and the blood dragon come down?"

The old man trembled and said helplessly: "Palace Master, there is no news, the Nine Heavens Dragon Palace has been searched, and there is still no trace of the blood dragon."

"Even Lingwu Continent has no clue."

"The two guys seem to have evaporated."

Xuanyuan Moxie raised his head, cold and bloodthirsty: "Then what are you doing here! Get out!"

The old man hesitated for a few seconds, then said: "Among the ten cities established by the Kingdom of God in Lingwu, two cities have been slaughtered by a strong man!"

"Two Tiandao Pavilions were hit hard!"

"If this continues, ten cities will suffer!"

"My Lord Palace, please send someone to take action!"

"what!"

Suddenly, Xuanyuan Moxie stood up, devouring everything with endless killing intent! The wind is blowing!

"In these ten cities, no one has dared to move for thousands of years! I have such a status in the kingdom of God, and there are still people who dare to slaughter the blood! It is so bold!"

The old man spit out red blood! Forcibly resisted: "Palace Master, please also ask the Heavenly Dao Palace powerhouse to take action and guard the remaining eight cities!"

"If that person dares to do it again, let's have a turtle in the urn!"

Xuanyuan Moxie waved his hand directly: "I give you the right to mobilize eight Taixu peak powerhouses and one Zhan'er powerhouse to guard the remaining eight cities!"

"Once someone makes trouble, just kill him!"

"The ants in Lingwu may have forgotten what my kingdom of God represents!"

Auction house.

"five million!"

what?

Everyone can't help but doubt their ears?

Is there such a bid? Double directly? More than doubled!

and! This is all about fighting Xiangyang to the end!

They looked in the direction where the sound came from, and saw Ye Chen sitting in the position calmly, as if what he had just called was not five million, but five hundred!

Ye Chen!

Ye Chen again!

If it is said that Ye Chen had just bid for one million and photographed the alien Gengjin, everyone was just a little surprised, and they didn't feel anything.

Now I was completely shocked and shocked!

They couldn't help but wonder, wondering, didn't Ye Chen come from Shenhua Academy? How can you be so rich?

Of course, none of them suspected that Ye Chen was shouting at will, after all, the alien beast statue did not react!

But after Ye Chen, after Feng Qingyun yelled out five million, even if they didn't want to, the people present couldn't help but think of what Ye Chen said at Xu Sheng's reception.

If you can photograph a treasure, I will lose!

Originally, they were just pretending to be Ye Chen, but now it seems that this is not just casual talk!

And Xiangyang's complexion was completely gloomy, staring at Ye Chen, and at the same time, his eyes were also shocked!

how can that be?

It was completely different from what he expected!

To be honest, after Ye Chen spent a million to buy the alien Gengjin, he didn't put Ye Chen in his eyes! Who knows, jumped out so soon?

Ye Chen smiled at Xiang Yang and said, "What's wrong? Young Master Xiang looked at me like this? If you don't continue to bid, Ye Mou will take this "Blood Sword" for you."

Huh, everyone's eyes are focused on Xiangyang!

Xiangyang's complexion is hard to see the extreme!

provocative!

This **** dare to provoke yourself?

Originally, he planned to win the blood-changing sword for two million, and then compete for one or two treasures or keep the funds to compete for the final treasure!

To tell the truth, the price of five million has exceeded the price of this **** sword.

It is very unwise to continue bidding.

After all, the origin of martial arts is not the only method that can be accessed, but it can reach that realm faster by doing so, and improve one's strength in a short time.

Although time is important, it's a bit extravagant to exchange five million superb divine marbles at this time!

But now, can Xiangyang quit?

Everyone is looking at themselves!

If his Nangang Xiangjia couldn't even bid for the **** of a Shenhua Academy, where would they put Xiangjia's face?

Where to put his Xiangyang face!

Xiangyang's eyes were already bloodshot, his eyes were full of anger, and the killing intent was surging!

He knew that if Ye Chen hadn't intervened, he would have won this **** sword by two million!

Because of Ye Chen! Even if he wins the Blood Sword, he will have to lose millions of Divine Clouds!

Even if Xiang Jia doesn't hurt his muscles and bones, he can't stand it!

Xiang Yang gritted his teeth, almost squeezing out word by word from his mouth, and said viciously: "Six! Hundred! Ten thousand! Young Master Ye! Are you really planning to compete with Xiangmou for this **** sword?"

This **** sword is very important to my Xiang family! If Brother Ye is willing to be an adult and make friends with me, I will definitely invite Brother Ye to come to my family to thank you! "

Everyone opened their eyes wide again and looked at Xiangyang!

This is ranked twelfth on the Profound Ranking. The proud son of one of the top ten families, Xiang Yang, who is extremely proud, has bowed his head!

These remarks clearly showed good to Ye Chen and gave in! It is incredible!

Even Ke Jing and Li Yanxi looked at Xiangyang in surprise!

There was a smile on everyone's face, knowing that Ye Chen should stop, as long as he is not a fool, he should stop now. First of all, continue to bid, this martial art has already been greatly premium, and the purchase is a loss.

Moreover, that would completely offend Xiang Jia! No matter how arrogant Ye Chen is, it's impossible to really ignore the top ten families, right?

Who knows, Ye Chen just glanced lightly, and then continued: "Ten million."

He didn't even say much, he didn't plan to respond to Xiangyang at all!

If Xiang Yang treated him with courtesy before, he might still think about it. After all, is the Six Dao Sword that is more advanced and closer to the ultimate martial art?

The reason why Ye Chen wanted to take this **** sword was to confirm his understanding and see if he could take the sword intent further.

However, Xiangyang threatened and made things difficult for him everywhere, which made him very unhappy!

Now, want him to give Xiangjia face? Haha, I'm sorry, Ye Chen really doesn't put Xiang Jia in his eyes!

This Xiangyang is not worthy of being his friend!

Now, everyone in the venue is suffocating! Ten million!

And Xiang Yang was taken aback when he heard this! What did Ye Chen just say? Ten million?

Ten million! ! !

How could he have so much money?

Now, even if he wants to continue bidding, he can't do it! Ten million is his limit! If he continues to increase the price, he can't afford it!

After reacting, he was like a beast driven to a desperate situation, almost crazy! The breath and sword intent of the whole body began to be released uncontrollably infinitely!

Ye Chen didn't even leave him a little face?

When did he Xiangyang suffer such insults? Even the descendants of the top ten families dare not do this to him! You are a **** from Shenhua Academy, dare to do this to me?

In an instant, all the people present felt chills both physically and mentally! As if there was a cold sharp blade aimed at their back! The cultivation base was worse, and even saw countless ghosts flashing in front of them, as if he was already dead, and came to Shura Hell, screaming in horror!

Huang Wenxin frowned, an aura surged from him, and the Xiangyang breath disappeared in no time. He said: "Master Xiang, please restrain yourself!"

His voice was a little cold, and Xiang Yang was also an exciting spirit, calmed down instantly, and looked at Huang Wenxin in awe.

Huang Wenxin is the real powerhouse of the Supreme Void, or the powerhouse of the Kingdom of God!

Although Xiangyang had a very strong combat power in the closed existence, it was easier for Huang Wenxin to die than to squeeze an ant.

Although Xiangyang's eruption just now was a bit gaffe, everyone understood why he was like this!

After all, the bid that Ye Chen directly doubled just now is no longer a shame to Xiangyang!

Instead, they rubbed the faces of Xiangyang and Xiangjia on the ground!

If Xiangyang can bear it, it is not Xiangyang!

Chapter 2320: rule? is that useful?

At this time, Xiang Yang had already sat down, his expression returned to cold, and there was no anger or other emotions in his eyes at this time.

Yes, only the most biting killing intent!

Seeing Xiangyang's expression, everyone couldn't help but chuckle.

This Ye Chen is over.

Even if he can really sweep this auction, he still has to consider whether he can return to Shenhua Academy alive...

And most people didn't think Ye Chen was pitiful, but felt that he deserved it...

Although, as far as the auction rules are concerned, Ye Chen did nothing wrong.

But this is Lingwu Continent! The extremely cruel Lingwu continent! rule? is that useful?

The rules are based on the premise of equal strength!

Without strength, dare to be so arrogant?

Only death is waiting for you. No rules can save you...

Chen Zhifan also frowned, with a solemn expression on his face. Li Yanxi on the side couldn't help but say to Ye Chen: "Ye Chen, you won't end up like this..."

"is it?"

Ye Chen shrugged indifferently.

If Xiangyang doesn't have any other ideas for him, then nothing else, if he really wants to find his own death, even if there is something Xiangjia behind him, Ye Chen will not be soft on him.

Top ten families, are they amazing?

Seeing Ye Chen's expression, Li Yanxi also retracted his gaze, and said no more.

At this time, Huang Wenxin also officially announced that the Blood Sword had been taken down by Ye Chen, and at the same time, his gaze looking at Ye Chen changed a little.

Originally, because of Ye Chen's identity, he still didn't take Ye Chen seriously. Now, he faintly felt that Ye Chen's weight in this auction was no less than the top ten families!

Even if Ye Chen only spent more than ten million now, this is the instinct he has cultivated by hosting auctions for many years.

Xiang Yang let out a sigh of relief, and comforted himself: "This rubbish, ha ha, I bought a blood sword for ten million, very good, I don't believe you will have the strength to bid for other treasures, and now it's the second one. Treasures just squandered capital, idiot!"

At the same time, killing intent appeared in his heart!

Ye Chen made him a laughingstock for everyone and lost his face. How could he give up?

Even, he faintly expects Ye Chen to take more treasures!

That way, after he killed Ye Chen, aren't these things all his own?

Soon, the auction of the third product began. The third product is a genuine artifact produced by the Kingdom of God, which is close to the Holy Soldier!

It's a superb long sword of ice with a magical spirit, named Tianhan Blade!

The attack performed by Cold Blade this day will carry a terrifying cold poison!

After auctioning off the martial arts of the Huaxue Sword, the sale of a superb Excalibur can be regarded as a small abacus for the Tianchen Auction. People who photograph the Huaxue Sword should also have a lot of interest in this Tianhan Blade.

The supreme true artifacts possessing the spirits are extremely rare in the Lingwu Continent, and they also carry cold poison! This cold blade is also considered powerful among the best artifacts.

And the starting price of this Tianhan Blade is 3 million God Marble!

When Guo Rong saw this, his eyes were bright!

Although his swordsmanship is not a strong point, this Tianhan Blade is extremely compatible with his practice and physique!

In his hands, Guo Rong can be sure that his strength can be improved by at least 10 to 20%!

Immediately, Guo Rong said solemnly: "Three and a half million gods!"

At the same time, he stood up, smiled and held his fist at the people present: "Under Guo Rong, you must know me? Hey, I am very satisfied with this Tianhan blade. I hope you can sell one of Guo Rong. face."

When everyone saw this, their hearts were slightly stunned!

Guo Rong originally didn't have much background, but this person's communication skills can be said to be extremely good!

Soon with his own strength he entered the top circle of Lingwu Continent, and became friends with many brothers and celebrities.

and! The most important thing is that this person's scheming is very, very deep, and his wrists are extremely hot!

Once, a young master from a top power clashed with Guo Rong, and Guo Rong endured it.

However, three years later, this young master never came back after going out for fun!

The top power was shocked and searched with all its strength, but never found any clues...

It's just faint, it seems to have a connection with Guo Rong!

But at this time Guo Rong has completely climbed the Xu family in Beihai! If there is no actual evidence, this is good, barefoot people are not afraid to wear shoes! If you really offend Guo Rong, you have to get rid of it completely, or your troubles can be said to be endless...

Guo Rong is a lone family member. Although he has a certain relationship with the Xu family, he is not the Xu family after all. You can't put pressure on the forces behind him, but! If he wants to target you, even the top power will be very annoying!

Seeing the faces of everyone, Guo Rong raised a smile without passing through the corner of his mouth.

The psychology of these people is very clear.

However, the people of the four major forces naturally wouldn't be afraid of Guo Rong. Their forces were too terrifying. If Guo Rong was against him, he would only die, and the Xu family would not be able to protect him.

But Guo Rong knew that the best real artifact is not so precious to the top ten families, even if it is the sun with a sword, the weapon in his hand is not weaker than the Tianhan Blade.

So there is a high chance that you won't compete with him!

Guo Rong was secretly proud and saved a lot of money for himself. Although he came to the auction this time and brought the assets of the Xu family, he replaced Xu Sheng to bid for the treasures of the Xu family, but his own Property is only four million less than five million **** marbles.

But at this moment, Ye Chen's voice sounded again: "Seven million."

Everyone is getting used to it now, and sure enough, it is Ye Chen again.

Others may be afraid of Guo Rong. After all, these young masters are used to considering the benefits and gains and losses of all sides, but Ye Chen is not afraid.

If Guo Rong really wants to attack him or Shenhua Academy, Xuan Yuezong, etc., Ye Chen will definitely be able to kill him if he is confident!

As for this Heavenly Cold Blade, although he already has a beastly sword, his avatar also needs a weapon. This Heavenly Cold Blade is good.

Guo Rong glanced at Ye Chen, he didn't go wild like Xiang Yang, but with a weird smile on his face, he sat down.

Ye Chen accepted the Heavenly Cold Blade, a hint of thought flashed in his eyes.

Now the income from the sale of Horcruxes from Wangshenlou, plus his own accumulated wealth, and all his property, there are still more than 80 million Shen Yunshi. After all, the two Shen Xuanzong disciples he killed, they all come from the gods' nation, they are also worth a lot of money!
