

Urban 2371

Chapter 2371: Big trouble!

Ye Chen and Elder Xiao talked about it, planning to leave and step inside from another place.

When the four of them were about to leave, Ji Lin murmured: "I look down on someone, isn't it the Supreme Void Realm? Sooner or later I can reach the Supreme Void Realm."

Although Ji Lin's voice was not loud, it was more like a complaint. Unexpectedly, these two powerhouses in the emptiness realm heard clearly.

One of the strong men of the Supreme Void Realm pulled out a sharp sword, and the killing intent on his body suddenly burst out.

An ant dared to speak up in front of him.

嗖!

The moment he drew the sword, the whole figure rushed over.

Ye Chen felt the strong murderous intent behind him, suddenly turned around, took out the gods and magic spears, and stabbed them out!

boom!

At the moment when the two touched each other, Ye Chen and the powerhouse of Taixu realm backed two steps slightly.

Even if Ye Chen doesn't want to cause trouble, it doesn't mean that anyone can ride on him.

shoots at Ji Lin and has already touched Ye Chen's inverse scale.

"This little girl, die! Otherwise, all of you will stay here."

Supreme Void Realm powerhouse, speak directly!

Ji Lin will be killed today, dare to say that they are strong in the kingdom of God, they must pay the price of blood to be able to end!

Elder Xiao didn't expect that there would be a sudden change, so he hurriedly said: "I'm sorry, adults, children are not sensible."

As soon as his voice fell, he winked at Ye Chen desperately.

Now is not the time to cause trouble, as long as you enter the kingdom of God safely.

Seeing that Ye Chen was unmoved, Elder Xiao came to him and said: "Let's leave first, there is no need to conflict."

Ye Chen looked at Elder Xiao, and said, "There is a good saying, Ma Shan is riding, and Ren Shan is deceived!"

"Jilin's words just now were not insulting, what qualifications does the gatekeeper have to obliterate by just one sentence?"

After he finished speaking, there was a touch of movement on Elder Xiao's face, and a trace of anxiety flashed in his eyes.

Just when he was about to speak, the gods and magic spears in Ye Chen's hand suddenly aimed at the strong in the Taixu realm.

Ye Chen would be able to bear it if he shot him just now, but he would definitely not be able to deal with his relatives!

Ji Lin cannot be aggrieved at all!

This is Ye Chen's principle and cannot be changed.

The powerhouse of the Taixu realm dismissed a smile, a trash in the Door-Seal Realm even dared to point his gun at him, really knowing how to die!

Although the two people retreated at the same time, they did not pay attention to the power of the kingdom of God.

I just shot Fu Jilin, but he didn't even use 30% of his strength.

Ye Chen was able to repel him in the door-closing state, but it was just a little talented.

He didn't pay attention to it at all.

But they didn't even know that Ye Chen was injured by the blood dragon's backlash not long ago!

If it is the heyday, what qualifications do these two people have!

After all, the true cultivation of these two people is only in the early stage of the too virtual realm!

In the distance, another strong man from the kingdom of God, motionless, with a smile on his mouth.

There is no need for two people to deal with the closed door environment.

Ye Chen swallowed the pill, and his injury had recovered a bit. The gods and magic spears in his hand were filled with cold light and strong spear intent.

At the speed of lightning, he suddenly rushed over.

The strong man of the kingdom of God sneered when he saw this scene, and even dared to take the initiative to take the initiative. An ant couldn't help it.

When Ye Chen rushed over, the corner of his mouth murmured: "Broken Star!"

The spear head pierced the space and made a tearing sound, like a dragon roaring.

The surrounding spear intent was constantly intertwined, a cold light flashed, and it rushed to the power of the kingdom of God in an instant.

When he was only three centimeters away from the powerhouse of the kingdom of God, he raised the sharp sword in his hand.

When the arm is raised, cut it down with a sword!

boom!

At the moment when the two touched each other, there was a huge force, the body of the power of the kingdom of God, suddenly retreated!

The blood in his body surged, and if it were not forcibly suppressed, a mouthful of blood would have been vomited out.

The complexion of the strong man in the kingdom of God was solemn.

When he shot just now, he used half of his power, but he couldn't help it.

When the first blow retreated, Ye Chen's stern killing intent spread, and the same shot continued to stab it out!

At this moment, the strong of the kingdom of God did not dare to be careless, and directly used his full strength, swiping a sword.

Spear intent and sword intent spread in the void. When they touched each other, Ye Chen suddenly took out the beastly sword.

Immortal sword intent gushes out directly, the law continues to condense, and the surrounding temperature drops instantly.

There were snowflakes floating in the air, sword intent gushing out, braving the twinkling golden light.

When shot out, the sword fell directly afterwards!

"The Sword of Burning Heaven!"

Boom! boom! boom!

pedal! Pedal! Pedal!

The figure of the strong man in the kingdom of God kept retreating, and a mouthful of blood spurted out.

The brows of another strong man in the kingdom of God frowned, how could this make a martial artist of the closed door state press and beat!

is really a rubbish, I have cultivated to the Void Realm, I have cultivated to the dog!

When he was hesitant to help, Ye Chen's ghostly figure had already rushed over.

The breath of the law of time floated in the air, and Ye Chen muttered in his mouth: "Eternal Thunder Sword!"

Immortal sword intent and the law of time merge together, and the entire space is constantly shaking.

During the shock, Ye Chen raised his arm, raised the sword in his hand and fell, and a sword fell instantly.

stab!

From top to bottom, he directly split the head of the powerhouse of the kingdom of God, and tore it in half.

The powerhouse of the kingdom of God in the distance was dumbfounded for a moment, but soon he woke up.

"Presumptuous! Looking for death!"

A roar His whole figure rushed over.

From the moment the kingdom of God was killed, he could no longer be kind, and Ye Chen would definitely die.

Otherwise, where do they put the dignity of the kingdom of God?

When he shot, he didn't dare to be careless, the strength that Ye Chen showed just now had already made his heart tremble.

In the hands of the powerhouse of the Kingdom of God, he held a white long knife.

When the sword intent was surging, holding the long knife in both hands, he cut down suddenly in the direction of Ye Chen.

shot out, the space was constantly trembling, and Ye Chen fell directly with a backhand sword.

boom!

One knife and one sword collided with each other, and there was a violent noise.

Ye Chen's figure retreated two steps slightly. At this moment, what surprised him was that the law of death was wrapped around the beast sword.

This endless sea seems to activate the law of death obtained from the land of ten thousand demons?

The immortal divine body was shining with golden light and sharp sword intent, directly rushing over.

The sword light has not arrived, but the sword intent has quietly arrived!

stab!

The sword intent continuously condenses in the void, forming a storm, rushing towards the figure of the powerhouse of the kingdom of God.

The strong man of the kingdom of God slashed down, shattering the sword intent into two pieces, and the figure disappeared into the void out of thin air.

Holding a long knife in his hand, he has come behind Ye Chen. .

slashed down, and the blade intent penetrated Ye Chen's afterimage directly.

Elder Xiao, Ji Lin and others watched from a distance. When one of the powerhouses of the Kingdom of God fell, they knew that this matter had already become a big deal.

Chapter 2372: Crisis, 1 is imminent!

Although Elder Xiao was anxious, he was helpless.

Ye Chen has already killed one, what else can he do? Can only find a solution.

When the sword's intent was spreading, Ye Chen's figure turned directly, and the gods and magic spears pierced out!

boom!

In a hurry, Ye Chen's figure stepped back two steps, and a ghost of a beast appeared behind him.

Mythical beasts are lifelike, as if they are real, a roar, causing space shock.

The ground is constantly cracked and torn apart.

The phantom of the **** beast rushed directly towards the direction of the powerhouse of the kingdom of god.

There was a look of disdain at the corner of the mouth of a strong man in the kingdom of God. If it was really a beast, he could still be afraid of it.

is nothing more than the ghost of the beast.

The long knife in his hand, the knife fell in his hand, and he kept waving, the ghost of the beast couldn't resist.

When the power of the kingdom of God was solved, it was found that Ye Chen's figure had already disappeared.

Ye Chen used a spell just now, it was just a cover.

Behind the power of the kingdom of God, in Ye Chen's hand, the Horcrux was cast and thrown directly out.

hum! Hum! Hum!

The Horcrux was in the void, making a buzzing sound, and a terrifying breath filled it.

The powerhouse of the kingdom of God feels the murderous intent behind the horror, and the soul shakes! Never imagined that this door-sealing powerhouse was still a soul repairer!

The whole person turned around, but it was too late.

The Horcrux has fallen directly.

Boom!

There was an explosion, and a deep hole appeared on the ground.

Within the scope of the explosion, the dust was flying, and inside came the powerful roar of the gods.

When the powerhouse of the kingdom of God rushed out from the scope of the explosion.

His body is already **** and bloody, like a **** man.

At this moment, the power of the kingdom of God has completely lost his mind, and there is only one thought in his mind, that is, to tear Ye Chen directly into pieces, to be able to relieve his hatred.

He is a strong man in the Taixu Realm, always aloof, when he has been insulted like this.

When the power of the kingdom of God rushed over, Ye Chen appeared behind Ye Chen's sword!

Every sharp sword exudes cold light, buzzing in the void.

铮! Zheng! Zheng!

The sword intent has been transformed into the essence in the void, a sword cut the sky!

The space trembled, the void shook, and the ground began to crack continuously.

This sword rushed straight into the sky, and the strong man in the kingdom of God felt a strong sense of crisis.

With a sword down, he might die.

The five drops of blood from the power of the kingdom of God forced out, and the whole person's face became completely pale.

In order to avoid a sword, he almost hurt the foundation, but as long as he can survive, it is worth it!

Thousands of swords are sent together, and the rain of swords is overwhelming, and they are constantly falling towards the strong of the kingdom of God.

嗖! Whoosh! Whoosh!

One sword after another, holes appeared on the ground!

When Wan Jian shot out, the body of the power of the kingdom of God was filled with a cloud of blood.

The blood mist wrapped around his body, resisting Wanjian!

Ten thousand swords are sent together, lasting ten minutes!

When everything is over, the aura of the power of the kingdom of God is as if there is nothing in the whole person.

Even so, he believed Ye Chen would not be much different.

With such a terrifying power, the energy in Ye Chen's body should be consumed almost.

As long as he is paying some price, there should be no problem killing Ye Chen.

The only loss is his blood, and there is still a lot of energy in his body.

It should be enough for Fu Ye Chen. He thought of Ruyi Abacus. Although he paid some price, it was enough to survive.

The main reason why the strong man of the kingdom of God was destroyed so quickly was mainly because of carelessness.

Otherwise, Ye Chen wouldn't be killed easily.

When he raised his head and stared at Ye Chen, his brow furrowed.

Looking at Ye Chen's appearance, he didn't seem to consume a lot of money, his face was ruddy, and he seemed to have spare energy.

This makes him a little uncertain, does Ye Chen still have the power to fight?

When he thought of this, he directly vetoed it. Ye Chen must have deliberately pretended to be like this and wanted him to escape.

Inside the corners of the kingdom of God's mouth, there was a sneer, and a sneer in his eyes.

Really think he is a fool? Ye Chen's conspiracy had already been seen through.

The long knife in his hand was clenched tightly, thinking about how to remove Ye Chen's eight pieces so that he could relieve his hatred.

The energy in the body continuously poured into the long sword, and the depressed breath spread everywhere.

Ye Chen clenched the beastly sword in his hand, the devilish energy and the sword intent, both gushing out at the same time.

When the law surged, the energy in the body burst out suddenly.

If it is not serious injury, he can solve the battle instantly!

Fortunately, the injury is now recovering.

A strong man in the Void Realm, how could he not have a hole card to save his life?

Ye Chen has already reserved a successor!

"Slaying the Devil and Destroying the World Sword!"

Ye Chen's arm was lifted in a blink of an eye, and the beastly sword in his hand burst out with brilliant light.

There is a trace of magical energy, constantly flowing.

Immortal sword intent gushes out, and the surrounding air drops suddenly.

Frozen to the extreme, as if coming to a world of ice and snow.

When the kingdom of God rushed over, he suddenly found that his movement speed was slowing down.

It seems time, frozen in this moment.

Two extreme sword lights, tearing the space apart, circulating in the air, rushing towards the direction of the power of the kingdom of God.

Boom! boom!

A sword light fell on the chest of the powerhouse of the kingdom of God, a scar appeared, and blood continuously poured out.

One blow directly caused the power of the kingdom of God to be seriously injured, but it was not over yet, another sword light had already fallen!

boom!

A sword penetrated the body of the strong man in the kingdom of God, tearing it in half.

The two powerhouses of the kingdom of God have fallen. Elder Xiao came to Ye Chen and said directly: "Oh, this is the end of the matter. We leave now as the other gatekeepers have not yet appeared."

The fall of the two gatekeepers of the Kingdom of God must have alarmed other strongmen of the Kingdom of God.

If I don't run away, I'm afraid there is no chance.

Ji Lin and Ye Luo'er came to Ye Chen, their eyes full of worry.

If it wasn't for himself, Ye Chen would not kill the two.

When she thought that her strength was so weak, she couldn't help Ye Chen at all, and she couldn't wait to practice hard in her heart.

"Ye Chen, sorry, I don't want to be like this..."

Ye Chen shook his head: "You are not to blame for this. Those two people just look down on us."

"They also paid for it."

"I promised your sister never allow you to be wronged."

Ji Lin's eyes flashed with tears: "Really?"

Ye Chen nodded: "Really!"

"Thank you, Ye Chen."

Ye Chen nodded slightly, knowing that killing the gatekeeper of the Kingdom of God would definitely attract more powerful men to chase after him, but he didn't regret it. He had to die if he dared to attack Ji Lin!

"Go now! The endless sea, let's find a way!"

When the four were about to leave, there was a shock in the void.

嗖! Whoosh! Whoosh!

At this moment, five figures appeared in the void.

Their expressions were indifferent, and they stared at Ye Chen and others.

"We guarded the endless sea for a long time, and it was the first time that people from the Lingwu Continent dared to kill the powerhouse of our kingdom of God, looking for death!"

One of the powerhouses of the fifth layer of the Supreme Void came forward.

His eyes are full of strong killing intent.

The Kingdom of God cannot be insulted!

The gate of the kingdom of God kills, so bold!

Ye Chen's crisis is about to break out!

Chapter 2373: can not avoid

"Elder Gong, why bother talking nonsense with them, just four ants, and I don't know what methods were used to kill two gatekeepers in the Supreme Void, but it is not worth mentioning."

One of the gatekeepers of the Kingdom of God spoke directly.

Ye Chen's face was dignified. There were four powerhouses in the third-tier of the Supreme Void, and an elder from the fifth-tier of the Supreme Void.

was intercepted at the moment, I am afraid it is impossible to escape, and can only fight to the death.

Maybe there is still a chance to rush out!

Fortunately, Ye Chen's injury is much better now.

Immortal body and demon body, plus his blood, the recovery speed is too fast!

Elder Xiao's entire complexion was hard to look at. He knew Ye Chen had killed the two Divine Kingdom powerhouses at the moment, he should run away, maybe they were all right now.

Things have happened, and there is no way to regret it.

Ye Chen said to Elder Xiao: "Protect Ji Lin and Luo Er."

The only thing he worried about was Ji Lin, who was relatively weak and vulnerable to threats.

Elder Xiao knew that the situation was serious, so he nodded slightly, and led Ji Lin and Ye Luoer towards the back.

The five powerful kingdoms of God stood in the void, with a mocking smile at the corner of their lips.

An ant wants to deal with five of them? Where does the courage come from?

"Elder Gong, I am willing to take action to kill this ant."

One of the powerhouses of the Kingdom of God stood up with a look of disdain in his eyes.

Elder Gong nodded slightly, is it worth the five of them to take action together with an ant in the closed door realm? No need at all!

They can't afford to lose this face either!

If you let the same door know that you still need five powerhouses of the Supreme Void Realm to deal with the Door Closed Realm, you can't hold your head up for a lifetime in front of others.

Seeing that only one person took the shot, Ye Chen's pressure was less.

First think of a way to kill a strong man in the third layer of the Supreme Void Realm, and then the chances of being able to rush out are greater.

made up his mind, Ye Chen's ghostly figure rushed out directly.

The moment he rushed out, wind and thunder burst out.

The magic energy swept behind, like a pair of jet-black wings, flapping its wings, and a gust of wind formed around it.

Seeing this scene, the strong man from the Kingdom of God sneered disdainfully, without even taking out his weapon.

Dealing with a spirit martial artist in the gated state, if he still takes out a weapon, he is not worthy to practice.

Ye Chen took out the beast rotten sword, and cut it out in an instant.

The sword intent rose to the sky, and the sharp sword light condensed together, and directly fell toward the powerhouse of the three-tier sky in the Taixu realm.

At the moment it fell, Ye Chen suddenly took out the Zhutian God Demon Spear.

A cold light flowed from the tip of the gun, and the gun intent spread in the void.

stab!

With a sword down, when Jianguang rushed over, the powerhouse of the kingdom of God clenched his fists.

If you want to use your physical body to directly resist, how much strength can a garbage in a closed door realm show?

The moment the sword light touched the fist, the powerhouse of the kingdom of God directly let out a scream.

"what!"

fiercely screamed, his fist was already dripping with blood, revealing his bones!

He is too arrogant, thinking that Ye Chen can burst out of the gate-sealing strength at best.

Otherwise, it would not be easy to get hurt.

When he screamed, Ye Chen's whole figure had already come to him.

Zhuotian's demon spear pierced directly out, and in a hurry, the powerhouse of the kingdom of God hurriedly took out his weapon and used a sword to block it!

boom!

A shot fell, and the body of the powerhouse of the Kingdom of God took three steps back, a hideous look flashed in his eyes.

Elder Gong and his friends watched by the side. It was a shameful shame to be injured by a door-closure attack!

If you do not perform well in front of Elder Gong, it is impossible to reuse it in the future!

In the distance, Ji Lin and Ye Luoer's eyes were full of worry.

Ye Chen's strength is certainly clear to them, but not long ago, Ye Chen was seriously injured!

How can there be such a quick recovery!

If you deal with the powers of the third layer of the Taixu realm now, I am afraid it will cost a certain price, not to mention that there are four powers of the kingdom of God next to it.

If you want to escape from the dead, I am afraid it is not easy!

Ji Lin gritted his teeth, if it was a last resort, he would blow up his congenital poison.

At that time, the original power of the innate poison body will rush out, and even the strong of the fifth-layer heaven of the Taixu realm will avoid its edge.

It's impossible to say that Ye Chen can find a chance for Ye Chen.

The training of the eternal saint king during this period of time has allowed her to discover the more powerful white innate poison body!

Her now awakening innate poison is only a part!

And congenital poison is not extremely dependent on cultivation base!

What really depends on is poison!

Endless poisons!

.....

In the void, Ye Chen and the powerhouse of the third layer of the Supreme Void Realm are still constantly clashing.

At the beginning, he was able to suppress the three-tier heavenly powerhouse of the Supreme Void Realm, completely because of his carelessness.

Now the powerhouse of the third layer of the Taixu realm, using all his strength, made Ye Chen have to be careful.

Once there is a mistake, Ye Chen will fall into crisis.

"If it wasn't for my injury that hasn't healed, you would have already turned into blue smoke!"

Ye Chen stretched out a finger, his fingertips flashed with golden light, and the speed of the wind around him had become slow.

嗖!

A bright light rushed over, Ye Chen took out the beast sword, and his whole body disappeared into the void.

At the moment of disappearing, there was already above the three-tier heavenly powerhouse of the Supreme Void Realm.

The beast rotten sword fell from the top, the strong man of the kingdom of God sneered with disdain, then raised the sharp sword in his hand.

boom!

The moment the two touched Ye Chen's figure took two steps back slightly.

At this time, the murderous opportunity has come quietly!

Sky Soul Sword!

The light poured into the body of the third layer of the Taixu realm, and suddenly felt that his consciousness was constantly being lost.

"Soul Skill!"

The strong man of the Kingdom of God roared, shaking with anger!

Ye Chen took out a beast sword to attack just now, it was just a guise. The real idea was to completely submerge the spirit ability into the body of the powerhouse of the kingdom of God.

does not allow the strong of the kingdom of God to escape.

"You should be thankful that my soul is still weak now!"

Ye Chen smiled contemptuously, each of these people had their eyes higher than the top, not putting anyone in their eyes.

Ye Chen had already watched them upset, who was born a strong one? Who has no ants.

He has been practicing for thousands of years longer than him. What is there to be proud of? If Ye Chen has a few thousand years of cultivation time, one look can kill them.

The power of the kingdom of God roared into the sky, and the whole figure rushed over.

If Ye Chen could not be killed, he would become his demons.

Once the heart demon appears, it is probably impossible for him to break through to a higher realm.

The law of death on Ye Chen's body was constantly surging, and the temperature in the void dropped instantly.

In the void, ice has even begun to condense. .

The beast rotten sword in his hand, braving the faint blue light, the body of the sword is condensed with ice-cold death.

Ye Chen raised his arm and dropped a sword directly!

Chapter 2374: Do it yourself!

"Eternal Thunder Sword!"

The extreme sword light rushed over, and the space was torn in half.

The power of the kingdom of God is unwilling to fall behind, and a sword is also swept out.

The moment the two sword lights touched each other, a violent explosion came from the void.

Ye Chen took out many artifacts in his hands, and muttered in his mouth: "Thousands of soldiers burst!"

The artifact rushed towards the position of the powerhouse of the kingdom of God, exuding a terrifying aura.

Boom!

directly exploded in an instant!

When it exploded, Ye Chen's ghostly figure rushed over.

The powerhouse of the third layer of the Taixu realm, his arms were **** and bloody, and his eyes had turned blood red.

WINK is growing to \$1 - Don't lose you chance - Buy On Binan...

In less than a few minutes, he has already suffered a lot from the Martial Artist of the Sealed Door Realm.

Even if this battle can be won, I am afraid that others will have opinions on him.

After all, the three-layer sky in the Taixu realm, it is enough to not be able to kill the door-sealing realm with a single blow, and he was still injured.

I am afraid it will be difficult to raise my head in front of my friends in the future.

The hatred for Ye Chen has reached an extreme in his heart.

When Ye Chen rushed over, the beast rotten sword in his hand gushed out devilish energy.

When the demonic energy surged, a black sword light had fallen crazily!

stab!

A sword light slashed on the abdomen of the third layer of the Taixu realm.

A scar appeared, and blood continuously poured out of his body.

Ye Chen once again appeared in the hands of the God of Killing Spear, stab it directly!

hum! Hum! Hum!

Void made a noise, and Ye Chen muttered in his mouth: "Broken Star!"

With this shot down, the powerhouse of the Kingdom of God was caught off guard and took out the sword in his hand to block it.

boom!

pedal! Pedal! Pedal!

The figure of the powerhouse of the kingdom of God kept backing away, and a mouthful of blood came out directly from his mouth.

He already had some injuries on his body, and he couldn't resist Ye Chen's blow.

If it weren't for using the sharp sword in his hand to block, the gun had now penetrated his heart directly.

On his forehead, cold sweat came out. Fortunately, his reaction was fast enough, otherwise he was already a dead person.

Ye Chen frowned. Just now was the best time to kill the powerhouse of the kingdom of God, but it was a pity for him to escape.

"Draw the sword!"

The strong man of the Kingdom of God roared and used his hole cards directly!

If it continues to drag on, he feels really going to die.

Swordsmanship was found in the cave of a strong man, and he would never use it at all.

will only be used at the moment of life and death!

He didn't even think that he would deal with a warrior in the closed door realm.

With a backhand sword, from bottom to top, Jian Guang rushed towards Ye Chen instantly!

draw swordsmanship, only use one sword, it is also the strongest one!

When the Supreme Void Realm third-tier heavenly powerhouse used it, there was no blood on his face.

Using sword drawing skills, all the energy in his body has been consumed.

If the enemy does not die with one sword, he is dead!

The sword light flows, and Ye Chen feels a huge sense of crisis!

At this moment, within the gate of God, endless magic energy gushes out!

This is the magic of the endless sea!

Good!

At this moment, Ye Chen's demon body exudes black magic energy on the outside, Ye Chen stretched out a finger!

The magic energy surged in an instant, condensed in the fingertips.

"The demon's finger!"

Ye Chen whispered from the corner of his mouth, a black light fell instantly!

The moment the two touched each other, there was a bang!

The power of the kingdom of God stared wide, and he was able to block his sword drawing skills. How could it be possible?

When he used sword drawing, basically the enemy died.

This is at the cost of consuming all the energy in his body, and the hole card he used was actually destroyed!

almost made his eyes go dark, falling from the void.

How could this happen!

Ye Chen gasped slightly, even in his current realm, using a finger of the heavenly devil, the energy consumed was huge.

Swordsmanship, although strong, but in front of the devil emperor's stunts, it is not worth mentioning.

Ye Chen took out the beast rotten sword and aimed it at the power of the kingdom of God.

At this time, the powerhouse of the kingdom of God reacted to the current situation.

"Don't... don't kill me, the elders save me!"

Only Elder Gong can save him now.

However, Elder Gong was on the side, unmoved, even a warrior in the closed door realm could not kill.

Even the Supreme Void Realm of the Kingdom of God is a waste!

This kind of waste is not worth saving!

The powerhouse of the kingdom of God looked at his companion, but no one moved.

Elder Gong did not indicate that they would be saved. They did not have to offend Elder Gong for a dying person.

this is the truth!

Don't look at the usual relationship, once something big happens, you will just look on the sidelines.

A look of despair flashed in the eyes of the powerhouse of the kingdom of God.

did not expect to be abandoned by his companions at the last critical moment.

If I knew Ye Chen was so powerful, he would definitely not be the first to stand up.

Shoot the first bird!

The beast sword in Ye Chen's hand was already clenched, and the whole figure rushed over.

As he rushed over, his arm was raised instantly.

The powerhouse of the third layer of the Taixu Realm, his eyes were dead ashes, and he had no fighting spirit at all.

Beast Rotten Sword fell directly, piercing his heart!

噗嗤!

A rush of blood and water, his whole breath has disappeared!

the figure fell from the void to the ground!

Ye Chen took out the energy-recovering pill from the reincarnation cemetery and put it in his mouth.

Next, is the real fierce battle, just now it was just an appetizer.

At the moment when the third layer of Heaven in the Supreme Void Realm was killed, the rest of the powers of the kingdom of God had a sense of unreality.

The powerhouse of the three-layer heaven of the Taixu realm was actually killed by a closed door realm warrior.

is really unacceptable. I have met a genius who has leapfrogged, but compared with Ye Chen, it seems that he is not even a fart.

"Which one of you wants to shoot?"

At this time, Elder Gong said!

Even if Ye Chen killed the third layer of the Supreme Void Realm, his heart was a little shocked, but on the surface, it still looked calm and calm.

He does have the proud capital of the fifth-layer heaven of the Taixu realm, and the third-layer heaven of the Taixu realm, the two are not at the same level.

The rest of the powers of the kingdom of God did not speak when they heard Elder Gong's words.

After they saw Ye Chen's strength, who would dare to be the first bird?

Although Ye Chen has consumed a certain amount of energy, who knows what other cards are?

What if you can kill them? The older you live, the more afraid of death.

Elder Gong saw this scene, a flash of anger flashed in his eyes.

A group of rubbish, was frightened like this by an outsider,

In the face of Elder Gong's gaze, the rest of the kingdom of God chose to ignore it!

Offending Elder Gong is better than losing his life! !

Living is the most important thing!

Elder Gong stared at Ye Chen and decided to do it himself!

Chapter 2375: opportunity

It's just a strange gate-sealing realm, he can kill by himself.

The three-tier sky of the Taixu realm is in front of the fifth-tier sky.

When Elder Gong moved slightly, the entire void was slightly turbulent.

Ye Chen's brows were furrowed, and his eyes had become solemn expressions.

The powerhouse of the fifth layer of the Taixu realm, he himself is not certain that he can kill.

"Boy, although you have some abilities, let's decide on your own!"

Elder Gong seems to have decided Ye Chen's life and death.

Ye Chen sneered disdainfully when he heard these words.

These powerhouses, one by one, think that they are superior, and don't put anyone in their eyes.

It seems that everyone except him are ants, and they should all perish.

"Are you worthy?"

Ye Chen spoke directly, and the angry elder Gong wanted to pinch a finger to death.

"Arrogant!"

Elder Gong roared like an explosion from the sky.

Tai Void Realm has been able to use the coercion of heaven and earth at will.

Ye Chen's body was faltering, he was caught off guard, a mouthful of blood spurted out of his mouth.

When Elder Gong spoke just now, he directly used the power of the soul, and his mind seemed to burst.

Although Ye Chen's spirit is powerful, the blood dragon absorbed a part of his power, causing him to be seriously injured. In addition to the constant use of spirit abilities and the explosion of a thousand soldiers, his spirit has already been injured!

A look of anger flashed through Ye Chen's eyes.

This old thing is so insidious!

As soon as Elder Gong's voice fell, the whole figure had disappeared.

When Ye Chen was in a daze, he didn't know where Elder Gong had gone.

Boom!

On his right, Elder Gong suddenly appeared, without using any weapons, he punched out at will!

This punch is entwined with the power of the dragon and tiger, as if seeing two dragon and tiger phantoms, entwined together.

噗嗤!

Ye Chen's whole figure stepped back five steps, a mouthful of blood gushing out.

"I really thought that if I could kill the third layer of the Supreme Void Realm, I would be able to presume in front of me?"

"You must be in Lingwu Continent, and your identity is not ordinary."

"Kill you, I will investigate your identity soon."

A sneer of disdain came from the corner of Elder Gong's mouth.

His strength is not comparable to that of the people of the third layer of the sky.

Ye Chen wiped off the blood from the corner of his mouth with his hand. Without saying a word, he raised the beastly sword in his hand and rushed directly.

"Slaying the Devil and Destroying the World Sword!"

A sword light fell instantly, and the strange sword light disappeared directly into the void.

suddenly appeared in front of Elder Gong at this time.

Elder Gong smiled disdainfully after seeing Jian Guang.

He stretched out his palm and took it directly!

With a palm down, the sword light disappeared directly, and Ye Chen's figure had already rushed in front of Elder Gong.

The **** of death demon spear stabbed down, and Elder Gong stretched out his arm and grabbed the spear directly.

lifted his right leg and kicked it out! Gas waves surge!

boom!

One foot fell on Ye Chen's body!

Ye Chen's chest was already sunken, and the blood in his body surged.

Ye Chen forcibly held back the blood that he wanted to vomit out.

Holding the Beast Rotten Sword in his left hand, he cut it down directly.

Immortal sword intent, madly pouring out, as if endless.

One sword opens the sky!

More and more devilish energy gushing out of the gate of God!

The world is dim!

At this time, Elder Gong frowned, and the whole figure stepped back slightly.

When Elder Gong dodges a sword, the devilish energy overflowing from the endless sea unexpectedly gathers a figure!

'S figure instantly reached a thousand feet.

Nine Nether Shura!

The more devilish energy, the stronger the Nine Nether Shura!

This endless sea is extremely suitable for the martial arts of the Devil Emperor!

Killing intent is intertwined, with three heads and six arms, a huge body, and six eyes looking at Elder Gong.

At this time, Elder Gong seemed to be like an ant.

Unknowingly, the entire void has dimmed.

The sky loses its color, it's dark!

Elder Gong saw this scene, and his original appearance was calm and calm, but his face finally appeared solemn.

Nine Nether Shura, dominates the killing, known as the killing machine, the enemy is immortal, immortal!

Boom!

When Ye Chen's figure moved, a muffled noise came from the void.

When the noise continued, Ye Chen stretched out six fingers, and the law of death surged.

"Fuck me!"

Ye Chen murmured in his mouth, and his six fingers rushed towards the figure of Elder Gong.

嗖! Whoosh! Whoosh!

Elder Gong no longer despised him, and offered a long spear. The spear's intent came out, and the spear pierced out directly.

boom!

fell on the magic energy, but penetrated directly.

When the six fingers immersed in Elder Gong's body, he felt the vitality in his body, which was being eroded continuously, and his entire face changed.

It was the first time he saw such a weird method, and he finally knew why the power of the kingdom of God had fallen.

If Ye Chen really regarded Ye Chen as a warrior in the Sealed Door Realm, I'm afraid he didn't die fast enough.

"The demon's finger!"

At this time, Ye Chen murmured in his mouth.

Demonic energy poured into Ye Chen's fingertips, and the ground was dusty.

Flying sand and rocks, like the end of the world.

At the same time, he used six demon fingers, Ye Chen's whole face was pale.

In the face of Elder Gong who possesses the five-layer sky of the Supreme Void Realm, Ye Chen must make an all-out effort to have a certain chance of winning.

Despite this, Ye Chen didn't have any confidence.

Heavenly Demon's finger can make Elder Gong suffer some injuries, it is already considered good.

Boom! boom! boom!

The demon's finger kept falling, and Elder Gong's brow furrowed. The spear in his hand was stabbed frantically.

The speed of one finger of the heavenly demon is too fast, even if Elder Gong can smash **** of the heavenly demon.

But there are still four rays of light that have already rushed towards his body.

After the bombardment continued, Elder Gong's body shed a trace of blood.

The powerhouses of the Kingdom of God who were watching from a distance were frightened. Fortunately, they did not take action.

Elder Gong was already injured. If they had taken action, they would be dead now.

Ji Lin, Ye Luoer and Elder Xiao did not have any excitement on their faces, but rather worried.

Don't look at Ye Chen's strong attack, but it consumes a huge amount of energy in the body!

How much energy does Ye Chen still use in his body now?

is still unknown.

"Little bastard, I want you to die!"

Elder Gong spoke furiously. As a powerhouse of the fifth layer of the Supreme Void Realm, he was injured by Ye Chen. Shame!

There was no change in Ye Chen's face. Elder Gong's whole figure had already rushed over.

The spear in his hand has penetrated the space, and the void has been penetrated into a hole.

Void turbulence poured in, when facing Elder Gong with a shot.

Ye Chen's beast sword directly blocked.

boom!

The moment the two touched each other, Ye Chen retreated, and a mouthful of blood came out. .

The figure flew out directly.

Ji Lin, they thought well, there was not much energy in his body to support it.

Chapter 2376: The day the broken sword is recast!

Ye Chen stood up from the void, took out the energy recovery and healing pills, and put it in his mouth.

He needs some time now to restore the energy in his body, but Elder Gong will not give this opportunity at all.

Ye Chen was able to hurt him just now, and Elder Gong felt a slight threat.

In case the time is too long, Ye Chen might really kill him.

This is not impossible!

Taking advantage of Ye Chen's weakness, Elder Gong's whole body directly rushed over.

The spear head exudes fierce spear intent. With this shot, Elder Gong wanted to kill Ye Chen.

didn't want to give Ye Chen any chance to breathe.

Ye Chen didn't hesitate anymore, sacrificed the Horcrux and the artifact, and threw it out.

He doesn't want to use the only energy in the body, he wants to use the power of the soul to delay time.

Boom! boom! boom!

The magical weapon bombarded wildly, and the whole body of Elder Gong kept receding.

Although the power of a thousand soldiers exploded, he could not threaten him, but he did not want to be injured.

Ye Chen had a moment of breathing time, but it was only a moment of breathing time.

When the power of the explosion of the artifact ended, Elder Gong rushed over again.

Ye Chen clenched the real artifact in his hand and threw it out in an instant!

If it hadn't been for this time, the wealth of many top powers had been searched! Ye Chen doesn't have so much capital!

Boom! boom! boom!

The sound of the explosion is endless, and the entire void has begun to crack.

Elder Gong's brows frowned, he could see that Ye Chen wanted to delay time.

For Ye Chen's wealth, he was silent, in a small door-sealing state, there are so many treasures in his hands, where did he come from?

Elder Gong didn't think much, his whole figure disappeared into the void.

Since Ye Chen wanted to delay time, he was hidden in the void, and no one else could find it.

When Ye Chen wants to use a magical weapon to blow him up, he has to find his way.

If not, can it still explode like a headless fly?

This makes Elder Gong not believe that no matter how rich he is, he cannot be so prodigal!

However, the next scene made Elder Gong a little dumbfounded.

Ye Chen actually took out countless powerful weapons, used a thousand soldiers to explode, exploding everywhere!

For a while, Elder Gong wanted to be close, which was somewhat unrealistic.

Don't say that Elder Gong was a little dumbfounded, and the corners of the mouths of the rest of the kingdom of God couldn't help but twitch.

The prodigal also has a limit. Do you really treat the artifact as a piece of broken copper?

When Ye Chen exploded, Elder Gong had been hiding in the void without moving.

He doesn't believe it anymore, can Ye Chen still persist for half an hour?

Ye Chen insisted on stopping for ten minutes, which made Elder Gong feel better.

This time should be over, right?

If a gated state is richer than him, it is really difficult to accept.

Actually, it is not that Ye Chen has no artifacts, but that the power of the soul is about to reach a limit.

If you use it again, it may affect the next battle.

If you let Elder Gong know that in Ye Chen's reincarnation cemetery, the artifact is really like broken copper and iron, thrown aside at will, it may really vomit blood.

When Ye Chen stopped, the figure of Elder Gong appeared directly behind Ye Chen.

stab it out, stab it towards Ye Chen's heart.

boom!

At this time, Ye Chen had been prepared for a long time, and the gods and magic spears in his hand fell directly.

The two touched each other, and Ye Chen's figure stepped back slightly.

In almost ten minutes, the energy in Ye Chen's body has recovered some.

When Ye Chen retreated, the Beast Rotten Sword fell directly with a backhand sword.

stab!

A sword came out, the sword intent went straight into the sky.

Immortal divine body and nine-claw golden dragon entwined on the surface of Ye Chen's body.

This is also trying to protect Ye Chen's body, able to withstand part of the damage.

The sharp sword light rushed over, and the corner of Elder Gong's mouth showed a look of disdain.

Such a weak attack, so embarrassed to shoot?

A shot penetrated the sword light, and the figure of Elder Gong directly rushed over, and the gun intent spread into the void.

Ye Chen took out the Beast Rotten Sword and directly blocked it, but when it blocked, he also endured huge strength.

made the blood in his body surge, and the blue veins on his arms burst.

Ye Chen is recovering energy, and when he is not a last resort, he doesn't want to use it at all.

When the energy in the body was almost restored, Ye Chen planned to give Elder Gong another fatal blow.

can't be sure, it can really kill!

Elder Gong constantly shot, Ye Chen has been passively defending.

At this time, his body was already like a blood man, and there was a **** breath in the void.

On the ground, Ji Lin shed tears. If it weren't for her to talk too much, Ye Chen would not kill the gatekeeper of the Kingdom of God.

will not appear, things at this moment.

Ji Lin puts all the responsibilities on himself.

Ye Chen panted hard, already a little bit unable to open his eyes, and everything around him began to blur.

Although his injury is serious, the energy in his body has almost recovered.

Elder Gong saw Ye Chen's appearance, and a cruel smile appeared in his eyes.

If you dare to be arrogant in front of him, you have to pay the price of blood!

An ant should accept death honestly.

The powerhouse of the kingdom of God on the side was finally relieved, and Elder Gong made a move, absolutely leaving Ye Chen dead.

"Blood dragon, blood dragon, this time you really cheated me."

"If you don't deprive me of my energy I won't be so embarrassed."

"But fortunately, this endless sea has enough magic energy."

"Now, Demon Eye! Open!"

"I want to be enchanted!"

"Blood Demon Sword, the Demon Emperor said that I can only use you if I am in a demon!"

"I want to know how strong you are now!"

At this time, Ye Chen spoke weakly, and a trace of blood appeared in his right eye.

Above the void, a jet black eye suddenly appeared.

This is his demon eye!

and contains a trace of power of the Devil Emperor!

In the eyes of the devil, blood is flooded!

A **** magic sword is floating above the sky!

The **** magic sword appeared, as if suppressing everyone present!

The Blood Demon Sword was originally a demon saint weapon, but it was crafted by the mysterious Master Wu of the Shenhua Academy, coupled with the tempering of the Demon Emperor, and sealed the power of the great demon!

It's not what it used to be!

At this moment, the Blood Demon Sword is not like a sword, but a demon!

Ancient Demon!

An ancient demon that only the enchanted Ye Chen can use!

As soon as the Demon's Eye and the Blood Demon Sword came out, the sky seemed to be turned into the Nine Nether Hell.

The demonic energy surged wildly. When Elder Gong saw this scene, his whole face changed slightly.

This...what the **** is this? ?

When he saw this eye and that sword, his heart couldn't help shaking.

There seems to be a kind of inborn fear, rising in his heart.

Chapter 2377: best gift

The energy in Ye Chen's body rushed out desperately.

He was waiting for this moment. He had a chance to kill Elder Gong, how could he let it go.

The devil's eye and blood magic sword surged, locking the figure of Elder Gong.

There are cracks in the void, as if the sky is about to fall.

The dust was flying on the ground, and the power of the kingdom of God saw this scene in the distance and was shocked.

felt even more grateful in my heart, thanks to not shooting like a fool.

Otherwise, they are already dead, I am afraid that only Elder Gong can contend with this blow.

If you change to them, you will definitely die!

Elder Gong has a bitterness in his heart, he can't tell, he can resist, but he has to pay some price.

Knowing that, he would never stand up.

It is better to let the three martial artists of the Kingdom of God take action, and Ye Chen would be seriously injured by that time.

At that time, if he took a strong shot, not only would he not suffer any injuries, but he could also shock everyone.

Unfortunately, there is no regret medicine in this world.

The moment the Demon Eye and the Blood Demon Sword locked onto Elder Gong, he knew he couldn't escape.

The devilish energy of the devil's eye surged, as if the sky was broken and the earth was cracked.

Elder Gong's eyes flashed with solemn expressions, and he took out the spear in his hand.

Essence and blood spurted from his mouth, dripping onto the spear.

At this time, the spear emits a strange light, buzzing.

At this moment, the closed demon eyes opened their eyes, exuding a terrifying breath.

Ji Lin and Ye Luo'er clenched their hands in the distance, their eyes didn't dare to blink at all.

I'm afraid to miss the slightest detail!

Elder Xiao hopes to kill Elder Gong directly, and the threat that exists will be greatly reduced by then.

Maybe they can really rush out, it's hard to say!

This gave Elder Xiao and Ji Lin a glimmer of hope.

Although a little vague!

The moment the Devil Eye opened his eyes, Elder Gong forcibly held back the fear in his heart.

The figure of the whole person, not retreating but advancing, directly rushed over.

Boom!

The black light fell directly in an instant, and Ye Chen rose into the sky, his hand holding the Blood Demon Sword!

At this moment, he felt that he was in control of the power of gods and demons!

Not only that, his soul and spiritual power are constantly passing away!

Obviously, the power of this sword is too strong.

If he is not engrossed, he will be seriously injured if he touches it!

This is the best gift the Devil gave him!

Ye Chen condensed murderously and rushed in the direction of Elder Gong.

Elder Gong stretched out his arm and pierced the spear directly.

The two touch directly, and the boundless power surges!

As if the end of the world is coming!

"Damn it!"

Elder Gong let out a miserable cry.

Even if he paid some price, he would suffer serious injuries.

Boom! boom!

The black light is still falling!

Elder Gong's screaming voice has not stopped. The rest of the kingdom of God heard Elder Gong's scream, and their bodies couldn't help but tremble slightly.

is too cruel!

Elder Gong didn't know what he was tortured inside.

Thinking about it makes them a little scared!

If this falls on their bodies, I am afraid there will be only one fall.

Demon Eyes and Blood Demon Sword, the black sword intent exuding, lasts for a minute.

Elder Gong's scream is the same.

Ye Chen frowned, and Elder Gong's screaming sound could only prove that he was still alive.

His energy has been exhausted, and there are still some injuries on his body.

If he shoots at Elder Gong again, there is no resistance at all.

Ye Chen couldn't help showing a wry smile at the corner of his mouth.

After the eyes of the devil dissipated in the void, Ye Chen finally saw Elder Gong's appearance clearly.

At this time, the elder Gong was disheveled, blood was dripping from his body, and his mouth was dry.

was alive like a beggar, I don't know which slum he came out of.

Elder Gong stared at Ye Chen with **** eyes!

Although he didn't speak a word, the anger in his heart can be imagined.

It was the first time that he, a strong man of the fifth-layer heaven of the Supreme Void Realm, had been tortured like this by the Sealed Door Realm.

unprecedented!

Even if Ye Chen were to be killed, if this incident spread, his lifetime reputation would be ruined.

For a strong like him, the most important thing is reputation and his own face.

Elder Xiao saw that Elder Gong had not fallen, and a look of despair flashed in his eyes.

They haven't entered the kingdom of God, are they going to die here?

Ye Chen put away the blood demon sword, his current state of enchantment disappeared, if he uses the blood demon sword again, the consequences will be serious!

He sacrificed the Beast Rotten Sword and Zhutian God Demon Spear again, and let out a gentle breath.

Since Elder Gong has not fallen, he can only fight desperately, even if there is only one breath left, he will not admit defeat.

Elder Gong stood still and didn't make a move, don't look at his vicious appearance now.

The fear of Ye Chen has already made him afraid to make a move!

What if Ye Chen still has a hole card? The older you are, the more you are afraid of death!

He still has the glory and wealth, how could he choose to die in front of the Martial Artist of the Sealed Door Realm.

Elder Gong took out a token with the word "array" written on it!

He didn't want to make a move himself, he planned to use the formation to completely obliterate Ye Chen and the others.

The token in Elder Gong's hand was thrown out in the direction of Ye Chen.

When throwing it out his whole figure, slightly backed away, with a cruel smile at the corner of his mouth.

When the token appeared, Ye Chen instinctively wanted to use the beast sword to cut it off.

hum! Hum! Hum!

The token floated in the void, and suddenly a dull sound erupted.

A beam of light not only enveloped Ye Chen's figure, but also Elder Xiao and Ji Lin.

"Formation?"

Ye Chen murmured at the corner of his mouth, frowning.

I didn't expect that Elder Gong was so afraid of death, he actually wanted to use the formation to kill him.

At the moment when the formation was formed, Elder Gong said directly: "This is the Ten Thousand Snake Venom Heart Formation. Even the strong of the sixth-layer heaven of the Supreme Void Realm may fall. Enjoy it!"

"What qualifications do you have to resist now?"

Elder Gong stood aside, laughing wildly.

This is also one of his hole cards, and I didn't expect it to be wasted in the hands of a gatekeeper.

Ji Lin, Ye Luoer, Elder Xiao came to Ye Chen's side, Elder Xiao ignored Elder Gong, and said: "Today, the four of us will die here together."

Elder Xiao already has the determination to die!

Ye Chen doesn't have much effect now, Ji Lin still needs protection, and Elder Xiao himself can only withstand a moment of effort.

Ye Luoer's strength is also not enough. .

Elder Gong returned to the place where the powerhouse of the kingdom of God stood, looked at them coldly, and then gave a cold snort.

If it weren't for these people who didn't dare to take action, how could his first-time fame be ruined in the hands of the Martial Artist of the Sealed Door Realm.

Chapter 2378: How to do?

Facing Elder Gong's cold snort, the rest of the kingdom of God did not dare to speak, but they were somewhat despised in their hearts.

When the ten thousand snake venom heart formation, at the moment of operation, overwhelming venomous snakes spring out.

There is a cold light in the eyes of each poisonous snake, and the tongue is spit out.

"Ye Chen, you protect Ji Lin first, I will take action!"

Elder Xiao wanted to delay some time to let Ye Chen recover some energy.

As long as Ye Chen recovers, it is not without a chance.

Elder Xiao shot frantically, and every poisonous snake bit at him.

Ye Chen's brow furrowed, and the power of this ten thousand snake venom heart formation, Elder Xiao might not last long before he would fall.

He thought of Xiao Huang for the first time!

After all, Xiao Huang can swallow the formation!

However, at the moment Xiao Huang is sleeping in the cemetery of Samsara!

can't wake up anyway!

This guy, at a critical moment, he's starting to fall again!

It is impossible for him to watch the fall of Elder Xiao, hold the beastly sword in his hand, and ask Ji Lin to be careful and rush directly.

Every venomous snake bit Elder Xiao frantically, causing some scars on his body.

But the weird thing is that the poisonous snake did not get close to Ji Lin and Ye Luoer.

Perhaps it was because the poisonous snake sensed the toxicity of Ji Lin's body and did not dare to approach.

But Elder Xiao is not treated like this!

"The Sword of Burning Heaven!"

Ye Chen murmured from the corner of his mouth, and swung out a sword!

The poisonous snake that had attacked Elder Xiao directly rushed towards Ye Chen!

Because of Ye Chen, the pressure on Elder Xiao's side has been reduced a lot.

Outside the formation, Elder Gong sneered constantly, and Ye Chen's four must definitely die.

The power of the Ten Thousand Snake Venom Heart Formation, even the strong of the sixth-layer heaven of the Supreme Void Realm, may fall.

Ye Chen himself has a certain injury, and the energy in his body has not recovered.

How long can the two of them last? At most, insist on five minutes.

will be eroded by ten thousand snakes, bitten into pieces!

Ye Chen kept consuming the energy in his body just to prevent the poisonous snake from rushing towards them.

Only gradually, the energy in his body has been consumed almost.

has gradually become a little unsupportable!

"A thousand soldiers burst!"

Ye Chen threw out a lot of weapons and exploded wildly!

The weapons exploded continuously, and the power of the soul in his body recovered some, and he should be able to hold on for a few minutes.

Elder Gong saw this scene outside, completely dumbfounded.

Originally thought that the artifact in Ye Chen's hand was gone, who knew that in an instant, he took out a lot of them.

This damn, a closed door realm martial artist is richer than their imaginary realm powerhouse.

still let people not live!

In the formation, Elder Xiao was struggling to support him, and he almost couldn't hold on.

If it hadn't been for Ye Chen's support, it would have fallen by now.

Ye Chen couldn't see any change on his face, even if it was him, he didn't find a way to crack it.

At this moment, the three of them are in desperation!

If you want to break the formation, you can only use the strongest power, but it is a pity whether it is Ye Chen or Elder Xiao.

Now I don't have the strength to break open!

What's more, there is Ji Lin in the back, once the poisonous snake bites Ji Lin.

Her small body can't resist.

"Ye Chen, it seems that the four of us are going to Huangquan together, and there is a reference on the road!"

There was a smile at the corner of Elder Xiao's mouth, and it was true that when he was about to die, there was not much fear.

The warrior is going against the sky, and death is as simple as a commonplace meal.

What's more, his life is saved forever, so it can be regarded as a return of the love forever.

Ye Chen smiled slightly, did not speak, he was still thinking about how to leave.

Even if he is exhausted, he will not miss the last chance.

Ye Chen and Elder Xiao, the breath on their bodies has become weaker and weaker, and the wounds on their bodies are already countless.

How long can I hold on at this moment, no one knows!

"Apprentice, let me come!"

"I should also teach you the fifth sword."

"I will only demonstrate this sword once, the sword of the six paths, the fifth sword, the Nine Heavens Excalibur!"

At this time, the breeze in the reincarnation cemetery was clear, and he spoke directly!

occupied Ye Chen's body for an instant!

Ye Chen's original strength in the Sealed Door Realm actually directly reached the half-step Supreme Void Realm.

"Elder Gong, is this?"

The rest of the powers of the kingdom of God looked a little dazed, how could the strength of the gate-sealing realm directly break into the half-step Taixu realm?

Even when riding on a rocket, the breakthrough speed is not so fast, right?

"There seems to be a soul possessed in his body."

Elder Gong said, even if he breaks into the half-step Taixu realm, he is just struggling for a while.

"Elder Gong, he won't break the formation directly, will he?"

A divine country powerhouse spoke with some worry, after all, Ye Chen was a bit too evil.

"Don't worry, it's impossible for him to break my formation!"

Elder Gong spoke with a confident face, he was sure enough of his formation.

He had just finished speaking, and one of the powers of the kingdom of God directly said: "Elder Gong, it's not good! There is a crack in the formation!"

When he heard the sound, Elder Gong looked up and found that there were actually cracks in the formation.

how can that be?

What happened just now?

His formation is unbreakable, how could cracks appear? Isn't this a moment of slap in the face?

At this time, Ye Chen raised the beastly sword in his hand, closed his eyes, and suddenly swung out a sword.

This sword, communicate with the world!

This sword goes down to Jiuyou!

This sword, Zhushen Twilight!

This sword destroys everything in front of you!

The sword hasn't fallen yet, and the violent air currents and sword intent have turned those powerful poisonous snakes into blood mist!

This sword, named, Jiu Tian Zhu Divine Sword!

Elder Xiao had been severely injured and had retreated and stood beside Ji Lin.

At this moment, Ye Chen seemed to have become another person, with a feeling of God blocking and killing God, and Buddha blocking and killing Buddha.

Elder Xiao looked a little scared!

Ye Chen's frenzy until the sword of Jiuyou fell madly.

Every sword and every gun hit the top of the formation, and occasionally some poisonous snakes rushed over and were directly killed.

boom! boom! boom!

The formation was shaking fiercely, and the formation started to vibrate constantly.

When it vibrated, there were cracks in the formation.

When the crack appeared, Elder Gong raised his brows, and there was a trace of worry in his eyes.

Is it really possible that the formation will be broken?

When the thought in my heart appeared, I shook my head hurriedly!

impossible! Absolutely impossible!

The sword intent suddenly expanded and released to the extreme!

Boom!

Click!

There was a broken voice at this time, and the corners of Elder Gong's mouth kept twitching when he saw this scene.

This is a naked face slap!

噗嗤!

Elder Gong couldn't help it anymore, he vomited a mouthful of blood, his eyes were a little dizzy.

The formation is broken!

Things he hadn't thought about at all, and the rest of the kingdom of God, no longer wanted to see Elder Gong's appearance.

It's so sad!

Of course their thoughts passed away in a flash. Now the main reason is not that Elder Gong was beaten in the face.

Now that Ye Chen has rushed out, what should they do?

This is the main thing. .

"Elder Gong, what shall we do now?"

One of the powerhouses of the Kingdom of God spoke directly.

Chapter 2379: Goodbye Saint

Looking at Ye Chen now, he looked like a demon god.

made them look scared, let alone face Ye Chen!

Elder Gong was silent for a long time, and finally he said, "Grab the little girl!"

Now Elder Gong is not sure that he can kill Ye Chen.

He could also tell that Ye Chen seemed to care about that little girl very much.

As long as you catch Ji Lin and threaten it again, there will be no problem.

Elder Gong knew in his heart that Ye Chen is now occupied by another soul!

It is absolutely impossible to hold on for too long.

Ye Chen will definitely have a certain period of weakness at that time, and if he makes another move, he will definitely be able to catch it.

Hearing Elder Gong's order, the rest of the powers of the kingdom of God did not hesitate.

I am afraid it is their last chance, otherwise they can only be killed by Ye Chen.

Ye Chen frowned when the powerhouse of the kingdom of God rushed towards Ji Lin.

even dared to shoot Ji Lin, already touching his Ni Lin.

"Looking for death!"

Ye Chen heard an indifferent voice, and the Beast Rotten Sword and Zhutian Demon Spear fell directly!

Boom!

One shot and one sword went down, and the two powers of the kingdom of God fell directly!

There was a strong man in the kingdom of God, his face changed, his legs trembling constantly.

Is that human being? Go down with one shot and one sword, and directly kill two powerhouses of the third layer of the Supreme Void Realm.

Just now, Ye Chen was not so vigorous.

Elder Gong's whole face has completely become difficult to look at, what kind of monster is this kid?

For a moment, Elder Gong had an impulse to escape by himself.

Seeing Ye Chen's strength, if he continues to stay, I am afraid he will fall.

"You block first, I'll call the rescuer!"

Elder Gong's voice fell off, and the last one of the strongest kingdom of God was shocked.

How could he not see that Elder Gong wanted to abandon him and run away alone.

When the God Kingdom powerhouse was about to speak, he found that Elder Gong's arm had grabbed his arm and threw it out in the direction of Ye Chen.

At the moment it was thrown out, the complexion of the powerhouse of the kingdom of God had turned green.

Elder Gong has abandoned him without hesitation!

Ye Chen rushed towards the figure of Elder Gong, and saw a powerful kingdom of God rushing over, and fell directly with a sword in his hand.

With a sword, he cut his body directly and tore it in half.

Elder Gong was behind, feeling Ye Chen's breath, and was shocked.

嗖! Whoosh! Whoosh!

Ye Chen's speed reached an extreme, and he had come to Gong Chang's side in a blink of an eye.

Elder Gong saw Ye Chen's figure in front of him, and his entire face was pale in fright.

"Don't... don't kill me!"

Elder Gong has been seriously injured, and now there is no power in the five-layer Taixu heaven!
He is extremely weak!

can only admit defeat!

If he doesn't kowtow again, he might already be a dead person.

Ye Chen showed a sneer at the corner of his mouth, and then directly said: "Want to survive? I have never missed the person I want to kill!"

As soon as his voice fell, Elder Gong's expression became extremely frightened!

What did he hear?

The wind is clear?

There is only one wind in the kingdom of God!

That is the six sword gods!

Once a legendary evildoer in the Kingdom of God!

It's a pity, according to legend, this kendo evildoer seems to have been suppressed by the Kingdom of God and Heavenly Dao Palace!

actually come alive now?

When he was just about to speak, the beast rotten sword in Ye Chen's hand, raised the sword in his hand, and directly swung it down.

stab!

After went down with a sword, Elder Gong's whole head fell, completely losing his vitality.

The wind that had originally occupied Ye Chen was clear, so he just retreated!

After retreating, Ye Chen's whole face became extremely pale.

There are cracks in his body.

"Ye Chen, are you okay?"

At this time, Elder Xiao came to Ye Chen's side and said directly.

Ye Chen shook his head slightly, then said directly: "Let's leave quickly."

Killing Elder Gong and the four powerhouses of the Kingdom of God, I am afraid that more powerhouses will be attracted by then.

Don't run now, when will you wait!

As for the endless sea, Ye Chen will not consider it for the time being!

Elder Xiao and Ye Chen left with Ji Lin and Ye Luoer.

.....

is in a cave near the gate of God.

Ye Chen, Ji Lin and others sat on the ground, recovering the energy and injuries in the body.

Ye Chen's injuries are basically healed, but there is no major problem.

And he was pleasantly surprised to find that this time after the catastrophe, his cultivation base was infinitely approaching the second layer of the sealed door!

As long as enough time, he can definitely break through this layer of shackles.

The only regret is that Ye Chen found that the Feng Qingyang in the reincarnation cemetery was a bit weak.

If you finish teaching yourself the sixth sword, I am afraid it will dissipate.

Feng Qingyang is the best to Ye Chen among many masters.

Ye Chen is grateful.

He knew that the kingdom of God would eventually enter, and after saving the bleeding dragon, he spared no effort to find the masters who were trapped.

From the current point of view, the Heavenly Way Palace of the Kingdom of God would not take action against these masters.

After all, these masters are contaminated with their own cause and effect.

This is the only opportunity Tiandao Palace has to deal with itself.

"Ye Chen, now we should be wanted by the gatekeeper of the Kingdom of God."

"It is very difficult to enter the endless sea from that divine gate."

Elder Xiao spoke directly.

You don't even need to think about this. Now it has become difficult for them to enter the kingdom of God.

Ye Chen nodded slightly, knowing the current situation.

Entering the kingdom of God has become a bit difficult.

Ye Chen condensed his eyes, and suddenly thought of something: "Elder Xiao, besides this method, is there any other way to enter that divine gate?"

"I am willing to try any method!"

Elder Xiao pondered for a moment suddenly thought of something, and said:

"There is no way, but it will be more difficult."

"When I came back just now, I found a team standing outside the gate of God. I recognize that rune is the Shen Xuanzong of the kingdom of God!"

"Shen Xuanzong is not too strong in the kingdom of God, but there is one characteristic, that is, it has a lot to do with the endless sea!

The endless sea is the place of trial for the disciples of Shen Xuanzong. "

"If Shen Xuanzong is willing to accept us, maybe we can get in!"

Ye Chen was slightly startled, of course he is no stranger to Shen Xuanzong!

Isn't the murderous Lin Yaqin the saint of Shen Xuanzong?

He never expected that God Xuanzong would have such a great relationship with the endless sea!

Elder Xiao continued: "And according to the information channels I have, that team should be the team of the patron saint Xuanzong Saintess."

"It's just that Lin Yaqin, the saint of Shenxuanzong, is cold and unkind. If you want her to help, I am afraid that it will be more difficult than climbing, and it is impossible to agree to our request."

"This method is actually tantamount to nonsense."

As soon as Elder Xiao's voice fell, Ye Chen's expression became richer when he heard the three words Lin Yaqin.

That team is actually Lin Yaqin.

At the beginning, under the cliff, Lin Yaqin was poisoned, but after taking off her clothes, Ye Chen could see the ultimate beauty. .

Fortunately, she left early, otherwise Lin Yaqin would not forgive herself.

Now that he wants to enter the gate of God and step into the endless sea, obviously Lin Yaqin is the only chance.

Chapter 2380: Xibe

Ye Chen thought for a long time, finally his eyes condensed, and he said:

"Elder Xiao, it's okay, I'll try it. I also have a relationship with Lin Yaqin."

Elder Xiao had a strange expression: "Are you sure?"

Lin Yaqin and Zongmen Shi brothers are extremely cold, let alone people from Lingwu Continent.

How could Ye Chen know each other?

However, Elder Xiao didn't have a good solution, he could only nod and agree.

"Lin Yaqin should be nearby now. We can only try our luck when we go to find her."

"it is good."

Ye Chen nodded slightly.

Then, Ye Chen arranged Elder Xiao, Ji Lin, and Ye Luoer in the cave, and he chose to go alone to find Lin Yaqin.

came all the way to the camp.

What surprised him was that this team had hidden many masters!

Obviously, after the last accident, Shen Xuanzong's protection of the saint was obviously strengthened!

The key to this killing god, really needs protection?

Ye Chen was secretly frightened, he didn't have any confidence in his heart, if Lin Yaqin suddenly went crazy and asked everyone to act on him, then it would be difficult for him to escape!

"who!"

Before Ye Chen approached, the two Divine Xuanzong disciples sacrificed their swords and waited for them.

Ye Chen arched his hands: "My name is Ye Chen, and I want to see Lin Yaqin, the sage of the nobility, please let me know."

The expressions of those two Shen Xuanzong disciples suddenly changed!

Since they protected the saint, no one dared to find the saint!

Isn't this young man afraid of death?

The saint does not want to have anything to do with any man!

However, the disciples of Shen Xuanzong were obviously not bullying others.

Ye Chen called the name of the saint after all.

You know, the name of the saint is taboo in Shenxuanzong.

If this young man really knew the saint, they would not be able to bear the responsibility if they delayed.

What's more, it is impossible for this young man to pose a threat to the saint in the closed state.

"You come with us!"

The two Shen Xuanzong disciples led Ye Chen to a unique courtyard, turned around and left.

Ye Chen stood in the yard and waited. After a while, a beautiful figure appeared!

The girl looked like she was only in her twenties, she was cold and wearing a veil.

Between the linguistic woods in the garden, the skin is as white as snow, long black hair is scattered behind him, his hands are held behind him, and a hint of killing intent is released!

Although this woman concealed her face, from her pair of swaying hearts and souls, even the sky filled with stars, the eyes paled in front of her.

and the unevenness, as if the exquisite figure carved by the **** himself, no one would doubt that this woman is a stunning beauty with the ultimate beauty.

But, if you stand in front of this woman now, you can't give birth to the slightest dream.

The reason is very simple, because of the temperament of this woman.

Her temperament is too cold!

cold to the bone!

As long as you look at her, you will feel that your life is threatened. Who would dare to think about it?

She is the saint of Shen Xuanzong, Lin Yaqin.

Lin Yaqin's eyes are filled with endless anger at this moment! With a hint of shyness!

Her body has never been seen before!

But he didn't think about searching for the Reincarnation Xuanbei that time, and was seen by this thief!

How can she meet people as a high saint!

She was full of spiritual power, that was a cold killing intent!

"Unexpectedly, you dared to throw yourself into the net and die!"

Long sword sacrifice!

At the moment Lin Yaqin rushed over, Ye Chen knew this would happen long ago, the beast sword was sacrificed, and his spiritual power was running to the extreme.

He was even more horrified to discover that Lin Yaqin's cultivation had already broken through the Void Realm!

and it has reached the third heaven of the Supreme Void Realm!

deserves to be a genius of the kingdom of God!

You know, Lin Yaqin's three-tier sky is not an ordinary three-tier sky!

It's just that he came to Lin Yaqin this time, not to fight, but something.

Who knew that Lin Yaqin had just met, and she did it directly without saying a word.

boom!

blocked with a sword, Ye Chen's figure took two steps back slightly.

Lin Yaqin's strength, Ye Chen is very clear, the two are on par!

"Miss Lin, this time I am..."

Before Ye Chen's words were finished, Lin Yaqin said directly: "Any thief! Death!"

Lin Yaqin took out the Xiujian in his hand, backhanded a sword flower, and rushed in the direction of Ye Chen.

Ye Chen saw this scene, a wry smile appeared at the corner of his mouth.

Lin Yaqin is coming fiercely, if he keeps blocking, he is not an opponent.

"Slaying the Devil and Destroying the World Sword!"

Ye Chen murmured from the corner of his mouth, and the sword intent on his body kept flowing.

Endless sword intent seems to converge to the extreme!

This sword can kill demons!

can destroy the world!

boom!

A sword fell, Lin Yaqin was slightly surprised!

Only then did she discover that Ye Chen had broken through the door seal!

And you have the power to counter yourself?

What kind of evil is this?

However, after a moment of loss of consciousness, she quickly became sober, with a stronger killing intent, and the Xiu Sword in her hand, without any hesitation, rushed over.

At the moment the two touched each other, the two sword lights were destroyed at the same time.

"Ye Chen, I didn't kill you in the first place. Since you took the initiative to send it to the door, don't blame me for being polite."

Lin Yaqin came fiercely, and the ghostly figure disappeared in place.

Ye Chen frowned when Lin Yaqin disappeared.

He knows Lin Yaqin's strength, and now the two are blunt, they are on par.

The moment Lin Yaqin disappeared, he suddenly appeared behind him.

A sharp sword light has already rushed over.

When Jian Guang was about to arrive in front of Ye Chen, his whole figure turned around and took out the Zhutian God Demon Spear.

Stabbed out in an instant!

A flash of cold light flows from the gun head The gun is intended to shoot out directly at this moment.

Ye Chen's mouth murmured: "Broken Star!"

Boom!

In the void, there was an explosion, and Ye Chen's whole figure stepped back two steps.

When retreating, the law of death kept surging out.

The surrounding temperature dropped to an extreme in an instant.

There were icy snowflakes floating in the void, and a black sword light rushed directly.

When cut down with a sword, Lin Yaqin's figure kept retreating.

boom! boom! boom!

Lin Yaqin waved the Xiu sword in his hand and kept falling!

喂!

When the sword light shattered, Lin Yaqin's whole figure rushed over.

Ye Chen frowned when Lin Yaqin rushed over.

He wanted to speak, but Lin Yaqin never gave herself a chance.

stab!

Lin Yaqin clenched Xiu Jian with both hands and fell madly.

When falling, Ye Chen's figure kept backing away, trying to avoid its sharp edge.

This time, he really has something important!

When Ye Chen retreated, Lin Yaqin refused to give up, and there was only one thought left in his heart, which was to kill the thief who had seen himself.

Her body is ice and clean, and she was desecrated by a stranger!

"It's you who forced me!".

"As for looking at your body, you can't help but take it off by yourself!"

"If you blame it, you also blame yourself!"
