

Urban 2381

Chapter 2381: 1 is not left!

Lin Yaqin's killing intent and chill are getting stronger!

"Ye Chen! Say one more thing!"

In the next second, Lin Yaqin cut down directly with a storm-like sword!

She wants Ye Chen to die!

Ye Chen naturally cannot keep his hands!

Others are used to this supreme saint, he won't!

He stepped up into the sky with one step, and the whole person roared directly, and cut down with a sword!

This sword is his first attempt!

Although it is not as clear as the wind, it can be considered a bit of aura!

just right, this Lin Yaqin is an excellent test object!

"Six Dao Sword God Fifth Sword! Nine Heavens Excalibur!"

When the sword light fell, Lin Yaqin raised the Xiujian in his hand to block.

"Puff!"

Lin Yaqin was caught off guard, a mouthful of blood spurted out of her mouth.

When the blood spurted out, Lin Yaqin's eyes were burning with anger.

This thief deceives so much!

In addition to anger, there is a hint of surprise in his eyes!

Ye Chen could actually hurt her?

Lin Yaqin never thought of this!

How long is this?

You must know that she is the saint of Shen Xuanzong, and there are a lot of resources in the sect that can make her breakthrough.

'S own talent is already incomparable, and coupled with the resources of the sect, the speed of cultivation is rapid.

Ye Chen is not the same as her. The humble Lingwu person seems to have a weak bloodline, and now he can hurt her. There are indeed some accidents.

She does not plan to keep her hands!

Lin Yaqin's whole person's breath changed, a horrible killing intent that made Ye Chen slightly shocked, soaring into the sky, and Lin Yaqin's long black hair also instantly turned into blood red!

is not just the terrifying murderous aura, a thick blood qi radiates from Lin Yaqin's body, turning into a stream of blood, circulating around Lin Yaqin's body!

For a while, in Lin Yaqin's beautiful body, a powerful divinity burst out, and the whole person looked like a sea of blood, like an extremely beautiful iceberg goddess!

"Goddess Sword!"

Lin Yaqin whispered at the corner of her mouth, and the plum blossoms bloomed, but they contained killing intent.

嗖嗖嗖!

The illusory plum blossoms rushed towards Ye Chen's direction.

Ye Chen had no choice but to take out the beast rotten sword in his hand to resist.

Had it not been for something to ask Lin Yaqin for help, he would have patted his **** and left.

This makes Ye Chen a little angry, but also a little helpless!

噗嗤!

The plum blossom fell on the Beast Rotten Sword, Ye Chen was under immense strength, and the blood in his body was constantly surging, and a mouthful of blood came out directly.

"Suffer to death!"

Lin Yaqin roared, stabbing towards Ye Chen's figure.

Ye Chen stood there, did not move, and even the beast sword in his hand did not resist.

When Yijian was about to pierce Ye Chen's body, Lin Yaqin was slightly startled, and suddenly stopped.

"Why don't you block, your strength is obviously qualified to block."

Ye Chen smiled helplessly:

"Miss Lin, we will only lose if we fight, I hope to step into the endless sea of the kingdom of God, and I have been wanted by the gatekeeper of the kingdom of God."

Next, Ye Chen explained what had happened, and told Lin Yaqin exactly.

"Hehe, why should I help you? Go away! Before I change my mind."

Lin Yaqin's voice fell, Ye Chen's expression was slightly ugly, and finally he nodded slightly.

It was an accident that Lin Yaqin didn't chase him.

It seems that this road is also blocked.

At this moment, Ye Chen suddenly heard a voice in his mind!

"Boy, you haven't fully refined the Chaos Star Tree, shouldn't it be time to fully refine it in your body?"

This voice naturally comes from the ancient medical **** Cang.

Ye Chen gave a white glance at Cangu Medical Shendao: "I'm not in the mood for refining now, I'll talk about it another day."

The ancient medical **** Cang was startled, and his complexion immediately turned ugly.

A few seconds later, he said: "Boy, you want to convince that girl, it's not impossible."

"If you do what I said, there may be a silver lining."

.....

Soon, a smile appeared on the corner of Ye Chen's mouth. He turned around abruptly and walked towards Lin Yaqin again.

Lin Yaqin's cold eyes condensed, and the murderous intent was released again: "Ye Chen, who allows you to come back!"

"I gave you a chance!"

"In that case, don't leave!"

In the next second, Lin Yaqin was full of boundless killing intent, and a sword was sacrificed and shot directly at Ye Chen's heart!

This power far surpasses the third-layer heaven of the Supreme Void Realm!

even caused a storm in the entire yard!

In an instant, the sword was about to destroy Ye Chen into nothingness.

Ye Chen didn't move, his hands were behind him, and his eyes were even more beautiful.

Suddenly, he spoke.

"Lin Yaqin, whether your dantian has ever been shattered once, of course, you have used magic to make up for it, but after using your divine nature and extremely strong swordsmanship, your dantian will have an inexplicable pain."

"This kind of pain lasts for a long time, and it may even make your chest swell, and your body will feel lustful."

"Also, you should have been treated by many genius doctors, but unfortunately, this sequelae is getting stronger."

"And, it's been a day since the last pain."

"If I didn't guess wrong, if this continues, your cultivation will increase, but the pain will continue to deepen!"

The sword stopped.

Lin Yaqin's face was full of frost and killing intent, her mouth slightly opened, her body trembling!

All right!

There is no gap even in time!

The key, how could Ye Chen know such a secret thing!

All the world, no one can know except yourself!

Lin Yaqin's sword is trembling. This is the most incredible thing she has ever seen in her years of practice.

Does this young man know how to use divination?

But there is such an accurate divination technique in the world!

Lin Yaqin put away the sword in his hand, and said coldly, "Who are you?"

Ye Chen stepped out in one step, exuding an extremely mysterious aura, as if he was above everything else!

"I am a **** of medicine, I act out wind and rain with one hexagram, and save a floating life with one needle."

"And Your disease, I am the only one in the world who can treat you!"

At this moment, Lin Yaqin's beautiful eyes were full of brilliant colors, staring at Ye Chen deeply, her beautiful suffocating face was full of horror... She wanted to see Ye Chen through.

Ye Chen's martial arts is so against the sky, is there still room to study medical skills?

And it seems that this person's medical skills are far better than martial arts?

She knows how difficult her sequelae are!

One of the ten great doctors of the Kingdom of God is helpless!

This guy who seems a little unreliable can really do it?

Lin Yaqin knows that if this problem is not resolved, her martial arts will definitely have an impact!

The key kind of pain is unbearable!

After hesitating for a long time, Lin Yaqin chose to believe in Ye Chen once, and she said, "Are you sure you can heal me?"

"OK." Ye Chen's eyes were light.

"Okay." Lin Yaqin suppressed his murderous intentions, and became even more excited, "Then tell me how to treat and what is needed?"

However, in the next second, Ye Chen's words shocked and angered Lin Yaqin!

"You don't need anything, just take off your clothes."

"On the upper body, there is nothing left."

At this moment, the atmosphere is weird to the extreme. .

Chapter 2382: 7 Color Needles

"On the upper body, there is nothing left."

As soon as Ye Chen's words fell, Lin Yaqin's cold sword surged! Endless anger is like a monstrous monster!

Lin Yaqin, as the saint of Shen Xuanzong, was so insulted!

Last time, Ye Chen looked at himself completely!

This time, do you have to take it off yourself?

As a saint, how could she have such a slutty behavior!

How could she not be angry!

"Ye Chen, don't think that I really dare not kill you, although you are now powerful, but if I use magic techniques, you will definitely die!"

"I don't mind to die with you!"

Ye Chen looked at Lin Yaqin who was burning with anger, and stretched out, "In that case, you and I are gone, you are free."

After speaking, Ye Chen turned and left.

said as he walked: "It's a pity, some people's martial arts can only go here."

"That kind of pain, I can't even think about it..."

It's not that Ye Chen wanted to molest Lin Yaqin, it was the technique of the ancient medical **** Canggu.

Lin Yaqin's problem is a bit serious, and only a needle technique of Canggu Medical God can solve it!

And the ancient medical **** Cang has passed the magic technique to Ye Chen's mind.

Ye Chen himself had mastered Lin Qingxuan's medical skills, and his understanding of medical skills was different from ordinary people, and he quickly learned that acupuncture technique.

Lin Yaqin bit her red lips as she watched Ye Chen's figure moving away.

Her face flushed.

She was hesitating!

She is tangling!

She knew that Ye Chen was the only possibility to solve her problem.

Of course, this time, there was some humiliation and anger.

But hasn't Ye Chen never seen his body?

Why can't you be honest again?

Countless thoughts disturbed Lin Yaqin's calm heart.

Just when Ye Chen was about to leave the yard, a crisp voice sounded: "Ye Chen! Come with me!"

Ye Chen stopped and smiled slightly: "Shen Xuanzong saint? I really think that Ye Chen can't cure you?"

.....

A room with a faint fragrance.

There are only Lin Yaqin and Ye Chen.

Lin Yaqin forced out the essence and blood, took out a piece of jade pendant, and set up an isolation formation!

Only Ye Chen and himself can view this array.

I can't touch even the spiritual mind!

Even the Tiandao plate of the Tiandao Palace cannot be broken.

Everything is ready to continue.

Lin Yaqin's face that was as cold as the ice became redder, as if she could bleed.

Her breathing is a bit short, and her body is constantly shaking.

Her fists were pinched tightly.

Her gaze fell on Ye Chen again, and she said word by word: "Ye Chen, remember, you are a genius doctor now, you can't peek at me half a minute!"

"Otherwise, even at the end of the world, I will chase you down!"

"Also, if you heal me, I will take you to the kingdom of God! And you still need to promise me a condition, no matter what the condition, you are not allowed to refuse."

"If you object, you can go out now, and I don't need your treatment."

Ye Chen raised his eyebrows, but he didn't care about this condition.

As long as you can enter the kingdom of God and find the endless sea, it is enough.

"I promised."

Ye Chen nodded slightly, agreeing to come down.

I originally wanted Lin Yaqin to tell him the conditions, but Lin Yaqin hadn't figured it out yet, so I'll talk about it later.

Lin Yaqin adjusted his breathing, and finally said: "If you can't cure me, I will kill you, I swear."

Ye Chen waved his hand: "I see, take it off quickly, don't delay my treatment."

In the next second, Lin Yaqin put her hand on the silk ribbon around her waist.

The ribbon is untied.

Spiritual power was shocked, and a piece of light yarn slowly fell.

The exquisite and translucent body gradually emerged.

The beauty is beyond description.

Ye Chen is certainly not the first time I have seen each other, but at this moment, I also feel dry and dry.

piece by piece of light gauze fell, and finally even the close-fitting clothes that covered the proud were untied.

The magnificent wave suddenly appeared before my eyes.

Ye Chen was stunned.

After all, he is a healthy youth.

"Ye Chen, when do you want to see!"

"Don't forget what you are going to do!"

Lin Yaqin's Bingham voice sounded.

Ye Chen was relieved, using spiritual power to suppress the restlessness in his heart.

In the next second, he pinched his fingers and muttered words!

Spiritual power runs to the palm of your hand!

A few colorful needles slowly condense on the palm of his hand!

Ye Chen was slightly shocked, Canggu Medical God's medical skills were indeed powerful, although he was only teaching himself a needle technique, he could comprehend many powerful medical skills! If you have mastered all the medical skills of Canggu Medical God, the warriors of the kingdom of God will probably have to be a little cautious about themselves.

Fortunately, now there is the Chaos Star Tree, and the temper of the ancient medical **** Cang has been somewhat reduced!

This is a very good signal!

I must find a way to control all the medical skills of Canggu Medical God as soon as possible!

Ye Chen walked to Lin Yaqin's side, the colorful needle was suspended between the five fingers!

In an instant, Ye Chen pointed out!

touched Lin Yaqin!

That soft feeling is like an electric shock!

Lin Yaqin has a strange face, she can feel her whole body being flowed by a magical force!

Finally all gathered at the pubic area!

The once shattered pubic field seems to have descended in spring, full of vitality.

Although the contact between the two at this moment is a bit ambiguous and weird, but Lin Yaqin knows that Ye Chen in front of him really has heavenly medical skills!

What is the origin of this person?

Lingwu Continent has such a powerful young man with martial arts and medical skills!

This is simply going to crush those famous geniuses in the Kingdom of God!

If this person steps into the kingdom of God, I am afraid it will cause violent storms!

Lin Yaqin's heart moved slightly.

But her killing intent did not disappear.

This time, she hated Ye Chen deeper.

not only looked at herself, but also touched her sensitivity, maybe one day, she will kill this man without hesitation!

But, by no means now!

An hour later.

Ye Chen's hand left Lin Yaqin His forehead was covered with sweat.

The ancient medical gods of Cang are certainly powerful, but they obviously have a great influence on the spiritual power of his dantian.

If it weren't for entering the Sealed Door Realm, I'm afraid I would not be qualified to use it!

Lin Yaqin slowly exhaled a turbid breath, she naturally felt the change in her dantian!

She suddenly thought of something: "Turn me around!"

Ye Chen smiled, instead of turning around immediately, he smelled the palm of his hand. He just wanted to feel the power of the colorful needle!

But in Lin Yaqin's eyes, this scene undoubtedly used Ye Chen's own hands to smell herself!

Her anger is growing!

"Get out of here!"

Ye Chen was slightly startled, and gave Lin Yaqin a blank look before leaving.

The door is closed.

No one knows how Lin Yaqin's mood fluctuates in the house!

Another hour later.

The gate to the endless sea of the kingdom of God.

Inside a Lingdeer carriage.

Elder Xiao, Ji Lin, and Ye Luoer have not reacted at all!

All three of them opened their eyes wide and looked at Ye Chen!

The most shocking one is Elder Xiao!

He never expected that Ye Chen would actually invite the goddess of Xuanzong!

This is the saint of the sect!

Below one person is above ten thousand! Very noble!

How could it have something to do with the gated realm of Lingwu Continent? ?

The key is still willing to take the risk to bring everyone into the kingdom of God!

This is illegal!

Chapter 2383: Cangu Medical God's request!

If discovered, the position of the saint may not be guaranteed!

Although everyone has countless questions in their hearts, they dare not speak out!

Fortunately, there is Lin Yaqin along the way, so they don't need to worry too much.

The journey went smoothly without any inspection.

, after all, was the carriage of the saintess of God Xuanzong, and it wasn't something that could be checked by others.

When the Linglu carriage was about to step into the kingdom of God, there was a sudden noise in the void.

Ye Chen frowned, and he felt the gatekeeper of the Kingdom of God appear outside!

"Mr. Lin, someone killed our gatekeeper in the Kingdom of God. Routine inspection is needed. I hope I can open the curtain to take a look."

Seeing the gatekeeper of the Kingdom of God, Ye Chen frowned, planning to make a **** road with three people, and didn't want to hurt Lin Yaqin.

Lin Yaqin asked Ye Chen to be safe, and she had a solution on her own.

"Why?"

Lin Yaqin smiled disdainfully and spoke directly!

It's just a gatekeeper of the Kingdom of God, want her to open the curtain?

"Don't forget that I am the saint of Shenxuanzong, even if you are the gatekeepers of the Kingdom of God, you are not worthy of checking!"

The gatekeeper of the Kingdom of God heard Lin Yaqin's words, and said nonchalantly: "This is the rule set by the Palace of the Kingdom of God! It represents the will of the Palace of Heaven!"

In a word, it directly represents the Heavenly Dao Palace, which is also a giant in the Kingdom of God.

Lin Yaqin comforted Ye Chen in the car, then took out an old jade brand and threw it directly out of the curtain.

When the gatekeeper of the Kingdom of God saw clearly the appearance of the jade card, he was shocked and turned pale with a plop, and fell to his knees on the ground.

This turned out to be the jade medal of the last Tiandao Palace elder!

He respectfully took the token and placed it on the Linglu wagon. Lin Yaqin took the jade token back with his five fingers and left without looking back.

Seeing this scene, Ye Chen's eyes flickered slightly.

She knew that this **** Xuanzong saint was not as simple as she thought!

How could an ordinary saint have such a token!

But this is Lin Yaqin's business, Ye Chen didn't plan to ask in detail.

After entering the gate, Lin Yaqin stopped the team in a remote place.

She looked at Ye Chen and threw out a jade charm: "Ye Chen, this is your condition for agreeing to me."

"I have done what you asked me to do."

"It's up to you next."

"If this jade talisman vibrates, it will expose its coordinates, and you should be able to find me."

"I will state the conditions then."

"Of course, I never want this jade talisman to vibrate."

"Even, maybe at some point, I will change my mind, maybe I will kill you."

"In my eyes, I still can't forgive that incident!"

After finishing speaking, Lin Yaqin directly put down Ye Chen and others to let the team move forward! After all, she has more important tasks to enter the endless sea.

Ye Chen watched Lin Yaqin go away, and then said to everyone: "Let's go, it's time to go to the endless sea."

Finding the endless sea is extremely easy.

Here, the endless overflowing evil spirit and demonic energy are extremely rich.

The most violent of the evil spirit must be the endless sea.

However, when the four of them came to the central place, they found that the endless sea was surrounded by a strong restriction!

This is the power of Slashing Evil Realm!

even stronger!

Prohibition is like a wall, separating the land and the endless sea!

Ye Chen frowned slightly: "What's the matter?"

At this moment, Elder Xiao remembered something and slapped his forehead!

"Ye Chen, I have forgotten one very important thing! After the endless sea was deprived of the kingdom of the gods, the strong man of the kingdom set up a rule, and the endless sea was opened every once in a while! This time period It won't be too long, but it's obviously not open today!"

"Now, we have to wait!"

Ye Chen glanced at the restriction, he knew that his current strength could not be broken at all!

can only wait!

At this moment, a voice suddenly came from the reincarnation cemetery!

"Strange."

"The Kingdom of God actually placed a piece of territory here."

"Too strange."

This voice naturally comes from the ancient medicine **** Cang!

Suddenly, the medical **** Cangu felt a little excited, and quickly said to Ye Chen: "Boy, I helped you before, and now I don't want you to rush to refine the Chaos Star Tree. I want you to help me do something else. one thing!"

"Now the endless sea is in a closed state, which is a good thing!"

"Even I am willing to teach you more medical skills!"

Ye Chen frowned slightly: "What's the matter?"

Cang Ancient Medicine God paused for a few seconds, then said: "I want you to go to Cangu Gate!"

"Originally, this was only required after you officially entered the kingdom of God!"

"But now, I discovered that after the Kingdom of God turned the endless sea of Lingwu continent into a territory, it actually bordered another part of the Kingdom of God with the endless sea!"

"Presumably the kingdom of God will completely absorb the opportunity of the endless sea!"

"And there is a Cangu Gate in this place!"

Ye Chen heard these three words, and immediately thought of the sect of Cangu Medical God.

But isn't Cangu Medical God alone? Why is there another sect?

"Cangu Gate?"

"Master, is this school your true school?"

Ye Chen asked.

"No!"

"I walked up and down the kingdom of God."

"This Canggu Gate is just a sect that I raised and created casually back then, but left a treasure of the mountain to this sect-the Spirit Needle of Heaven's Fury. I felt it before. They haven't used this thing yet. , This thing is attached to my divine mind!"

The ancient medical **** Cang was a little sad, and he couldn't help but sighed: "Looking back then, I crossed the kingdom of God, who can stop me?"

He suddenly laughed at himself and said with emotion: "I incarnate all kinds of characters and travel the world, leaving behind the great Weiming and martial arts, but I don't want to be trapped in the body."

"Although Canggu Sect Wu only stayed for a year, he left the Skywrath Needle. There is an active divine mind in the Heavenwrath Needle. Unlike this one, I do not know how long I sleep, and that divine mind can absorb the world. Immortal Qi makes up for itself, as long as it is not destroyed, it can always exist."

"Perhaps, the old man can know how the main body is trapped if he takes the Skywrath Needle back!"

Cang ancient medicine god!

The famous God of Medicine in the Kingdom of God, outsiders only know that he is the God of Medicine, and he saves the wounded.

didn't know, he incarnates many people behind him, and surpassed the great Weiming with monstrous combat power, but in this way, his body was also trapped.

can only be known by going to Cangu Gate.

"Cangu Gate!"

"If my perception is correct, it will be nearby."

Ye Chen felt the change of Cangu Medical God, he hesitated for a few seconds, still nodded and said: "Well, if it's nearby, I'll go to Cangu Gate!"

The ancient medical **** of Cang was slightly startled: "Boy, don't you negotiate terms with me?"

Ye Chen gave a white glance at the ancient medical **** Cang: "Don't use me all the time... I don't need the conditions. Your trapped whereabouts are probably the same as those of the masters. No matter what, I will rescue it, even if you don't now. Recognize me."

The ancient medical **** Cang glanced at Ye Chen complicatedly, and said lightly: "Okay."

After Ye Chen replied to Cangu Medical God, he settled down with Ji Lin and others, planning to investigate alone. .

Cangu Gate, I don't know how many years ago it was established by Cangu Medical God.

I don't know what to do now.

Chapter 2384: Another star of reincarnation?

Bordered by the endless sea is a huge seaside city.

Very vast.

Although this is the land of the Kingdom of God, it is obviously the weakest place in the Kingdom of God.

The overall cultivation base is not extremely high!

Otherwise, it will not border the endless sea and provide resources for many sects.

He asked a lot of people along the way, but it was obvious that these people were too low-level and didn't know where the Cangu Gate was.

Ye Chen knew that he was unfamiliar with the place of his life, and he could only get news if he went to make trouble.

.....

"Hit him!"

"Damn thing, don't look at what you are!"

"Inferior humble bastard, I am embarrassed to come and buy something!"

"The Lord gave you three spirit buns!"

"How much inferior did you give the **** marble!"

A burst of curses came over.

attracted many people's attention at the same time, Ye Chen frowned, originally wanted to give up onlookers, but he heard another voice!

"I obviously gave you seven inferior divine marbles!"

"Then you can buy five Ling Man!"

"Boss, you can do it well, just count again, I beg you."

"Really, I beg you."

'S voice was sad and sincere, but it was full of seriousness and anxiety.

It looked like an honest man was bullied by a tough shopkeeper.

"This idiot!"

"Hahaha, idiot, insufficient idiot!"

"Boss, lie to him, just lie to this idiot, who makes him mentally insufficient!"

The crowds onlookers made bursts of noise, all of which were sneers.

seems to have determined that the store can bully that person, but still helps the store.

Ye Chen felt wrong, and walked slightly up a few steps. He saw a young man in the crowd, wearing a tiger-skin fur coat, who looked like a simple boy from the village, but he saw the boy seriously standing in front of the store, over and over again. I counted seven of the finest sacred marbles, but the store insisted on saying that it was five. Originally, the store only gave three for five Lingman.

It seems that the land of the Kingdom of God is not as good as the people of Lingwu Continent yearn for.

"what!"

"Let me take a look at Wei Jia, isn't this the little **** who begged on the street yesterday?"

Several young men walked up, grabbed the boy with animal skins, and pressed them directly on the ground for a beating.

The youths have a dignified aura, and there is a force of law attached to their fists. When they hit the animal skin boy, they can only hit the boy with a bruised nose and swollen face, but he can't break his body!

"Little bastard?"

"I saw it once and beat you once. Next time you dare to appear in front of Lao Tzu, I will kill you!"

"You bastard, with such a powerful body, you will be beaten every day honestly."

The young people hit the animal skin boy Qin Aotian with a beating.

The leader of the team is Wei Han, the son of the Wei family.

When the people around saw the boy rolling all over the floor, they were a little bit unbearable, but because of the superb status of the Wei family, they did not dare to disturb.

Weijia!

But the real family in this giant coastal city, although it is a third-rate family, it is not something ordinary people can offend.

Ye Chen stared at this scene, and did not stay too much. It is normal for the weak to eat, and it is normal for people to be inferior in strength, and to be beaten and scolded.

just as he was about to leave.

Wei Han, who led the team, slapped the animal skin teenager a few times, then spread his legs and sneered: "Boy, get in here from the young man, otherwise, the young man will kill you today!"

胯下下膻!

The boy with animal skins had already been beaten up with blood, bruised all over, and almost seriously injured.

At this moment, he saw the sword drawn by the people of the Wei family. He would die if he didn't climb or drill. He bit his teeth and crawled under Wei Han's crotch. He was humiliated and better than death.

especially here!

The people of the kingdom of God are the souls that can destroy others.

means that reincarnation and rebirth cannot be done, and once they die, they will truly disappear.

Huhu! !

Hoo! !

The breeze blows.

The animal skin boy wears a stone necklace on his neck to reflect the gloss.

Ye Chenyuan stopped when he was about to leave, and stared carefully, only to find that the stone necklace carried by the boy with animal skins was extremely strange!

is exactly the same as the reincarnation star stone Xia Ruoxue showed to herself back then!

Energy fluctuations are the same!

how can that be!

Even, Ye Chen could feel the movement of the black stone in his pocket.

His eyes condensed, and for a moment, he came to the front of the young animal skin boy.

boom! !

With a light palm, Wei Han burst back several steps.

Ye Chen condensed his strength, otherwise Wei Han's whole body would burst open with a palm.

Ye Chen didn't want to cause trouble.

He turned around and gently supported the young animal skin boy, took out a pill to take it down, smiled, and said, "It's okay, I'm here!"

"Boy!"

"What are you?"

"A little bit of strength?" Wei Han dismissed it, rubbed his chest, drew the guard's spirit sword forward, and drove a sword on Ye Chen's neck, smiling: "Boy, I let this idiot get from my hip Drilling down is the glory for him!"

"Since, you don't want him to drill!"

"Then do it yourself, Wei Han is not annoying!"

Ye Chen shook his head without speaking.

The cultivation of these young people of the Kingdom of God is far inferior to the gatekeepers of the gate of the Kingdom of God.

He is fearless.

When Wei Han saw that Ye Chen didn't pay attention to him, but was still communicating with the animal skin boy, he snorted and said: "Wei Nan Weibei, watch what to do, give this kid in front of the little master, kneel down. On the ground!"

"Yes!"

"Yes, master!"

Two young warriors stepped forward.

The two of them were specially sent by the Wei family to protect Wei Han. They looked like young men, but their cultivation base had already reached Taixu, and even the other one was already on the second-tier of Taixu!

"Boy!"

"Kneel down!"

Wei Nan and Wei Bei came forward, preparing to press Ye Chen to kneel. In an instant, Ye Chen's vitality bloomed like a terrifying tsunami, and they instantly pressed them to kneel, even pressing the floor. Kneeling to pieces.

"How could this be?"

"Impossible!" Wei Han was shocked, knowing the strength of his two guards, how could he kneel to the ground by the breath of this kid?

"what!"

"Let us go, ah..."

Weinan and Weibei kept struggling, but they couldn't stand up no matter what.

Wei Nan, in particular, struggled desperately, even with a burst of vitality, but still couldn't get rid of it. On the contrary, he was pressured by his breath to bleed through seven holes.

"Want to let go?"

"You keep doing evil, and there is no need to live!"

Ye Chen lightly waved his right hand, only to hear two bursts of sound.

Wei family, a Taixu first-tier heaven, a powerful warrior of Taixu second-tier heaven, burst directly into two masses of minced meat, even unable to resist, just like this, the whole body burst open.

Blood splashed all over the ground, causing people around to exclaim in an instant.

"So powerful!"

"This young man, his breath alone can kill the early stage of Tai Xu!"

"Could it be that he is not a young man, but a thousand-year-old monster?"

Chapter 2385: Heart evil

"Don't provoke, don't provoke~~"

.....

There was a burst of discussion.

Gradually, the crowd took a lot of steps back, staring at Ye Chen with a very vigilant look, not daring to make a difference, or even running, for fear of offending this powerful existence!

"Wei Han, right?"

"How do you want to die?"

Ye Chen turned to stare at Wei Han, his face didn't matter, this class of martial artist was no different from tofu in front of him.

Wei Han was so scared that he fell directly to the ground, climbed a few steps back, looked at Ye Chen with horror, and shouted: "What are you going to do, what are you going to do, my son doesn't want to die, I tell you, I It is Wei Han, the second son of the Wei family!"

"Our Wei family is a big family in the city!"

"I warn you, our guardian is very powerful!"

Hearing this, Ye Chen was taken aback and smiled: "Strong?"

He smiled, and a wave of destruction flew out between waving his hands, directly enveloping Wei Han, only to see that Wei Han's whole body shattered like glass, turning into fragments all over the floor, and fell directly!

Ye Chen has no scruples, he will leave soon anyway, what about killing someone?

"You come with me, let's talk to a place!"

Ye Chen took the boy with animal skins, and appeared in an inn for a flash.

He took the animal skin boy into the room, and his hand spilled powerful spiritual power. With its healing power, he quickly healed the animal skin boy's injury. This injury is nothing to him!

"Thank you, sir!"

"Thank you, sir!"

"Great grace has nothing to do with it, and is willing to be a cow and a horse!"

The boy with animal skins knelt directly to Ye Chen, tears of gratitude.

Ye Chen helped him up, and with a stroke of his left hand, a brilliance emerged. When the brilliance dissipated, the animal skin teenager no longer wore animal skins, but instead wore a pair of blue robes, and the dirt on his whole body was cleaned. Clean!

He smiled and asked, "What's your name?"

"My lord! My name is Qin Aotian."

The animal skin boy responded truthfully.

After talking, Ye Chen knew that he was the illegitimate son of the Qin Patriarch, a third-rate family in the city. Because he was jealous of the Patriarch's wife and was not accepted by the genealogy, Ye Chen fell into the street.

life experience is extremely pitiful.

At the age of fifteen or sixteen, the only clothing on his body was made of the skin that he had taken out of the city to hunt and kill a tiger.

As for the Qin family, it is also a family equivalent to the Wei family. It is a big family in the eyes of ordinary people, but it is actually a third-rate family.

Ye Chen nodded slightly, feeling a little moved, and inadvertently looked at the stone necklace on Qin Aotian's neck, and asked, "I don't know where your necklace came from?"

This is the key to Ye Chen saving this person!

may be able to touch the secrets of the reincarnation cemetery!

"Master Ye!"

"This is a relic left to me by my mother!"

Qin Aotian paused for a moment, seeming to be making a choice.

Soon, he took off the stone necklace, handed it to Ye Chen in a very sincere manner, and said: "My lord, this necklace has blessed me many times. When I hunted the stone tiger last time, I lived by it. Yes, there have been many times, relying on it to survive."

"Today, if the adults don't make a move."

"I will be severely insulted, and I may not even be able to live."

"Grateful to the adults, I am weak and unable to help the adults, so this necklace was given to the adults. This is the only thing I can repay the adults!"

Ye Chen stared at the stone necklace he handed over. He hesitated. The stone on the stone necklace was indeed a reincarnation star stone, and he needed it so much, but it was a relic of his mother.

At the next moment, Ye Chen took the stone necklace and said: "This thing is extremely precious. You can live for a reason. If you give it to me, I will compensate you a lot, and even accept you as a disciple, but , Are you sure you think about it?"

Ye Chen disdain to deceive, even if the reincarnation star stone is important.

He won't deceive either, let alone whether his conscience can bear it, just go through the Tribulation of the Heart Demon Tribulation, there are also heart demons that deceive people, there is no need to increase the difficulty of the Heart Tribulation.

"grown ups!"

"I have been insulted for a long time, and no one has helped me and cares about me."

"However, the adults not only took care of me, helped me, but also gave me an excellent set of clothes. I didn't expect it to be repaid, so this thing was given to adults. This is my most precious thing. It is the most useful thing for adults. All right!"

Qin Aotian also responded very sincerely. Although he was a little bit mentally insufficient, he was more innocent and not a fool.

"Okay!" Ye Chen accepted the fragments of the reincarnation star stone with satisfaction, took out a set of armor and a set of weapons from the reincarnation cemetery, placed it in front of Qin Aotian, and said, "You will accept all these things!"

"Once, it's my reward for you!"

"Secondly, count as my apprenticeship for you!"

Accepting the relics of other people's mothers, Ye Chen is not an evil person, so he would give Qin Aotian a lot of things.

Qin Aotian immediately knelt down and bowed to Ye Chen three times and bowed nine times. He was grateful and even cried: "Thank you, Master Ye, Master Ye is willing to accept me as a disciple. I am extremely happy. I dare not ask for armor and weapons, please take it back! "

"Silly boy!"

"It's really simple!"

Ye Chen cursed with a smile, and the set of heavenly armor in the waved hand had been placed on Qin Aotian's body, and he turned to stare at Qin Aotian's choice of an axe for him, which was also a true artifact called the Heavenly Splitting Axe.

"You have a strong physical body and great strength. The Sky Splitter is very suitable for you!"

"That's right!" He suddenly remembered something and asked: "Aotian, do you know the whereabouts of Canggu Gate?"

"Canggu Gate?"

"Master, why do you ask this school?"

Qin Aotian was a little stunned, not to mention that he was wearing a heavenly armor and holding a heavenly splitting axe in his hand. The two real artifacts really felt like a warrior. Sure enough, people rely on clothes and horses and saddles. At this moment, he has a whole new look. It seems that he has improved with his mind. A lot.

Ye Chen is proficient in medical skills. When he waved his hand to remove the dirt on Qin Aotian's body just now, he also expelled the power remaining in his body, the power that caused him to be mentally insufficient, so that Qin Aotian was no longer as simple and mentally insufficient as before. Up.

"I want to find something in Canggu Gate as a teacher!"

Ye Chen paused for a moment, staring at Qin Aotian with deep eyes, and asked: "You grew up here, do you know where this school is?"

Qin Aotian thought for a long time and said, "Master, I once heard someone in the restaurant talk about this school when I was begging. It is very powerful and mysterious. The ordinary people don't know his situation. People who know him, Rich or expensive!"

"Ke Tu'er just knows that Canggu Sect is still there, but I don't know where Canggu Sect is!"

Qin Aotian described the Canggu Gate as a place similar to the hermit sect. People who can know him are either rich or noble, and even require a high level of cultivation and status to be qualified to know the whereabouts of the Canggu Gate.

In the Kingdom of God, if you want to know the Canggu Sect, you need status and realm. It seems to be a sect belonging to the upper class, especially the sect that heals people and cultivates healing medicine. It is normal that there are some strange rules.

Chapter 2386: I am willing to go!

"in this case!"

"Canggumen, you still have to find someone with status to ask?"

Ye Chen hesitated a bit, his identity is not too easy to reveal, but he doesn't have any contacts here, how do you ask?

"Master, I know someone knows the whereabouts of Canggu Gate."

Qin Aotian seemed to see that Ye Chen was a little jealous. He hesitated for a moment and said, "My father is the head of the Qin family in the city. People of this level, even if they are famous in the city, can definitely know the whereabouts of Canggu Gate."

"Just."

"Just, disciple..."

He wanted to stop talking, and finally sighed. He took out an invitation card from his arms, an invitation card inlaid with sapphire and white gold borders and imprinted with dragon and tiger patterns. From the looks of it, it should be issued by a family that is either rich or expensive. .

"At night, it happened to be the birthday banquet of the Qin family's grandfather. This was given to me by my second uncle, but my second uncle obviously wanted me to go, thus embarrassing my father."

Ye Chen took the invitation, pondered one side, his expression was a little weird, and then calmed down, saying: "Would you like to go to your grandpa's birthday banquet tonight?"

This disciple, anyone really dares to bully him.

just right, the opportunity has arrived.

"I... Master, I am willing to go!"

Although Qin Aotian was a little scared, he nodded and was willing to go.

He stared at Ye Chen, knowing that Master was by his side, so he didn't need to be afraid of others.

"it is good!"

"I will take you with me!"

"The Qin family, I owe you a lot of things, and the master will ask them back for you."

Ye Chen took out a secret book and some high-quality medicines from the reincarnation cemetery and handed them to Qin Aotian, saying:

"There is still some time before the evening. You can take these pills and take them. If you hold the cheats, you should be able to break through."

"Thank you, Master!"

"I will take Master with me!"

After Qin Aotian responded respectfully, he began to practice under Ye Chen's guidance.

As expected by Ye Chen, Qin Aotian's foundation is very deep, and he broke through two small realms back then.

The only pity is that this person has no resources since he was a child.

Otherwise, the current achievements will be even more feared.

Such a person is just because of an illegitimate child, he is so unwelcome in the family.

This may be the last thing the Qin family regrets.

Evening.

A huge house located in the southeast of the city is very lively, with various characters playing music and celebrating.

At the front entrance of the house, a middle-aged man dressed in a Chinese robe happily greeted all the people who came to the banquet with a fist, and smiled: "Thank you, thank you, my grandfather of the Qin family for today's birthday banquet, thank you for showing your face Come!"

"You're welcome, please!"

"Patriarch Qin is polite!"

"You are really polite!"

.....

All kinds of polite remarks came up, and everyone who came to participate also warmly congratulated.

The streets outside the Qin family's house were almost full of people of all colors, some of them were strong sects, and even people from other families who belonged to the same city. There was an endless stream of people coming and going, and the line even lined far away.

The older generations among the guests are almost all strong.

For this giant city close to the endless sea, there are more than 20 families. Although the Qin family is a third-rate family in the giant city, the old man who sits in the Qin family is also a strong man at the peak of the nine-layer heaven of the Supreme Void Realm. The side is enough to suppress one party, especially for his long live birthday, there will naturally be many people!

Qin Baitian, the Patriarch of the Qin family, grinned and took a step forward and returned to his house.

Then, more than a dozen servants on both sides of the gate began to welcome the arriving guests.

The people accepted a gift and an invitation, and laughed: "The deputy lord of Longweizong is here, and I will give the old man Wannianhuo a ginseng, please!"

"The elders of the Tianmen Sect are here and give the old man a 12,000-year-old water spirit pearl, please!"

"The Chen Family Patriarch arrives and gives the old man a 13,000-year wooden spirit orb, please!"

"The Wang Family Patriarch arrives and gives the old man a 7,000-year-old snow lotus, please!"

"The elders of the Tianshan Sect are here, and give the old man a 5,000-year-old Earth Spirit Orb, please!"

"The Patriarch of the Chen family has arrived and will give the old man a blood ginseng for 18,000 years, please!"

"The Chen Family Patriarch arrives and gives the old man a 15,000-year wooden spirit orb, please!"

"The head of the public family will come and send the old man..."

"Lian Family Patriarch arrives, send me away..."

After giving gifts one by one, the big people stepped into the door of the Qin family.

This move is a bit like China's rules. Participating in banquets to give gifts, giving gifts and identity is called out, and it also demonstrates one's own financial resources and the honor of identity.

Qin Baitian, the Patriarch of the Qin family, stared at these gifts and was very happy.

The grandfather's banquet is a good thing!

These gifts alone are enough for the Qin family to live for thousands of years. If they are used to cultivate the descendants of the family, I believe that in the next few years, there will be a few geniuses at the peak of the virtual reality!

"Second Lord!"

"Uncle over there, you really have face!"

In the courtyard, a guard watched Qin Baitian receiving the gift somewhat angrily. This person was the personal guard of Qin Nansheng, the second master of the Qin family.

Qin family!

passed down to this generation, there are two people in the family!

The first person is the boss Qin Baitian, who is also the head of the Qin family.

The second person is the second child Qin Nansheng. He is not much younger than Qin Baitian, but he has always coveted the position of Patriarch. He usually makes trouble for Qin Baitian. He is also a master of the Supreme Void, and he is not afraid of Qin Baitian.

"Ha ha!"

"Receiving gifts? Are you going to raise other sons?"

"This old thing The old man banquets gifts given by others, the decision-making power is in his hands, but after today, he has no reputation."

Qin Nansheng dismissed it, and even resented Qin Baitian.

Qin Baitian only needs to be righteous and famous.

For no reason, it is not easy to drive him from the position of Patriarch.

"The invitation you sent, is it here?"

"Qin Aotian, is that guy coming?"

Qin Nansheng looked gloomy, but he knew deeply that Qin Baitian had a child with a mysterious woman more than ten years ago, and the mysterious woman died. Qin Baitian brought her child back. It was his

own work that caused Qin Baitian to exile the child. The family seems to be wandering around in the city.

this matter.

Very few people know, Qin Baitian was also the person who suppressed the party at that time, and suppressed the incident.

But now, Qin Nansheng's cultivation base has come up. Naturally, he is not afraid of Qin Baitian. Of course, he has to make a good calculation to make this famous gentleman Qin Baitian embarrassed, and then destroy his reputation with this. It's much easier to seize the position.

Regardless of the Kingdom of God or the continent of Lingwu!

Fame and face have always been things that everyone valued.

is not like Ye Chen, it is not about face and reputation, not being trapped, even if other people are not as good as their cultivation base, if they have reputation and face, he can get some positions that he shouldn't have. .

Such as Qin Baitian!

If someone knows that he meets women outside, destroys the Qin family's rules, and abandons his own son, his generation will end!

Chapter 2387: reputation!

"Report to the second master."

"The invitation has arrived."

"However, that kid Qin Aotian may not dare to come. Yesterday we were going to send him to catch him, and we found that he was gone."

The personal guard's eyes flashed in confusion, and continued: "Not long ago, I heard that the young man Wei Han bullied Qin Aotian, but he was rescued by a young man. Wei Han and two guards were all killed by that young man. All three corpses shattered into sludge, and Qin Aotian was also taken away by him!"

"Youth?"

"Have you found out, what is the origin of this person?"

"I don't know."

"However, someone just came to deliver the letter."

The personal guard took out the letter, handed it to Qin Nansheng, and said: "Second Lord, I have found out who sent the letter. It is a letter sent by the second person from an inn. It is clear from the above that Qin Aotian will come today, and Qin Baitian will also be sure. It has to be paid."

"That's good!"

"That's fine, it seems that the young man is the one who is making trouble for Qin Baitian."

Qin Nansheng looked relieved, so there was no need to worry about anything.

He tidied up his clothes, walked from the courtyard to the main hall, glanced over the patriarchs and elders of the various factions and families who had already seated, smiled slightly and said, "Welcome everyone, today is the birthday of our Qin family grandfather, thank you for coming. To a banquet."

"Er Qin is polite!"

"Yes, it's really polite. We can come to the Qin family to save face."

Immediately, two people joined together. One was the elder Danqiusheng of the Qingtianmen, the other was Bing Han, the head of the Bing Family, and both were the leaders of the city. At the same time, the two of them were also in alliance with Qin Nansheng.

The main hall is extremely large, covering thousands of square meters with hundreds of high-quality banquets. The wines are all millennia old, and the various dishes are cooked with the limbs of the beasts.

Dozens of forces, plus their subordinates and disciples, plus the major forces in the city, almost 10,000 people, people of all colors, many young people, even Wei Jia Wei Han's father, Wei Jia Patriarch Wei Tianzheng is here.

"Everyone, you are all seated!"

"Let's, please let the old lady come on stage!" Qin Baitian still smiled, but he did not know that he had already fallen into calculations.

"Welcome old lady!"

"Old Mrs. Qin, good life and health!"

"Old lady, good life and health!"

"The old lady..."

Before the people came out, the bosses of these various branches and shops began to lead people to their feet to welcome the Qin family old man.

For them, Taixu's nine-tiered peak, a master of this level, especially a veteran master who has passed ten thousand years! Such existence, killing other warriors, is a matter of waving hands.

Unless the Evil Realm is slashed, those realms are powerhouses that are only found in the core of the kingdom of God and the top families in the city. For these second- and third-rate forces, the masters of the peak of the Ninth Floor of Taixu are A super mountain, a mountain weighing in everyone's hearts, dare not make the slightest second move.

Huhuhu! !

Huhu! !

The door opened, and the breeze came.

A middle-aged man in a gray robe slowly walked in with the support of two beautiful maids. Unlike other warriors on the peak of the Ninth Floor, his face looked extremely old, but his body was only forty or fifty years old. appearance.

is very weird.

These powerful people who can dominate a region invincible in Lingwu Continent, but some seem to be old-fashioned.

Just as the Qin's old lady walked in.

Wei Tianzheng, the head of the Wei family, was a little surprised, and the sound transmission said: "Elder, why is the situation wrong with this old man of the Qin family?"

"Patriarch, this old lady is a sequelae of practicing the law of time. Obviously, he has not comprehended the time law of Dzogchen, or that he has comprehended it but is not perfect, so it has caused problems in his own time."

An elderly guardian explained.

It is rumored that Grandpa Qin has mastered the time law of the Great Perfection realm and has truly stepped into the peak of Taixu.

This means that there will be one more of the twenty top powerhouses in Endless City.

Infinite City is different from the true main city of the Kingdom of God. Its power system is much weaker. Otherwise, it will not be stripped by the Heavenly Dao Palace and become a place to guard the endless sea.

Therefore, a new grandfather Qin who understands the time rules of the Dzogchen realm is newly added, and it will be especially noticed by everyone!

"Hello, everyone!"

"Welcome to my Qin's house to join the old man's birthday party!"

Old Madam Qin is not like rumors, she is really old, righteous and confident.

He waved his hand and motioned the two maids to retreat and sat on the throne. Holding an iron-wood cane in his hand, he glanced over the people in front of him and smiled slightly and said: "That's not bad. It happened to be a birthday, and there were many young masters in this endless city!"

The words came out.

Everyone looked at each other.

Soon, a young man stood up, clasped his fist and said, "Kuang Boye, the core disciple of the Qingtianmen, pay homage to Grandpa Qin!"

The young people who followed them also stepped forward one after another, and reported with them: "Weijiaweicheng, pay homage to Mrs. Qin!"

"Bing Family Bing Wushuang, meet the old man Qin, the old man has a good life and health!"

"Xuejia Xueleihan, meet the old man Qin, old man Shoubi Nanshan."

"Wang Lei from the Wang family, meet the old man of the Qin family, and wish the old man a happy life."

In an instant.

The five young people stood up and showed their cultivation momentum, and they were obviously extremely powerful young men.

All of them are young and powerful under the age of one hundred. This is not easy. Having such a master in a city means that the talent is excellent. The family has a profound heritage!

"Good!"

"Sure enough, talents are born from generation to generation. New generations are replaced by old ones!"

"Such a young talent, the old man admires it very much." The old grandfather Qin was a little emotional, looking back at the three sons of the contemporary Patriarch of the Qin family, he couldn't help but sigh.

The Qin family, the younger generation seems to be inferior to the others.

It is expected that back then, fifteen families in the endless city were fighting for hegemony, and each family had enchanting talents, and there was more than one person. I didn't expect the Qin family to be so downhearted today.

"Everyone."

"They are all young talents, and the old man will give you some gifts later."

"It can be considered as an expression of my heart, and I encourage you all."

The old Qin had so many insights that Qin Baitian, the head of the Qin family, was a little ashamed.

at this time.

A cold voice came from outside the door.

"Give gifts to outsiders."

"For your children and grandchildren, I don't know what gift Grandpa Qin would give you?"

The voice spread.

However, he saw a young man slowly walking out of the house with a young man. When he walked to the front of the main hall, he was blocked by the guards.

Everyone turned around to take a look, and suddenly felt a little familiar, but unexplainable.

The Qin Family's Qin Baitian's face turned pale, his expression unkind.

Second master Qin Nansheng sneered with his hands in arms.

Qin Baitian, Qin Baitian! !

You call yourself a gentleman sword.

If these thousands of people know that you abandon your child, your reputation will be ruined.

Chapter 2388: Arrogant!

"Oh?"

"Who is this young man?"

"Your strength is not low!"

Old Madam Qin faintly felt a slight threat from Ye Chen, and still faced with a smile.

is his true descendant Qin Aotian, although he wears a heavenly armor, he doesn't see him.

"Who am I, don't care about it!"

"But I know that your Patriarch of the Qin family disregarded his children and let them live on the streets. My master, I am here to ask, what do you, the Patriarch of the Qin family do for food, so incompetent!"

Ye Chen looked bad, his eyes were like swords, and he scanned various characters.

"My own child?"

"Qin Baitian, what is going on?"

Before Grandpa Qin could speak, some Qin parents began to talk.

They usually practice in retreat. They often retreat for hundreds of years, and some even thousands of years. If it's not for the birthday of the old man, they would not go out to participate. At this moment, facing the current Patriarch of the Qin family, there is no doubt that some Complaint!

My Qin family establishes a family with fame!

And the Patriarch of my Qin family abandoned his son and let him live on the streets?

How is this going? Don't I lose the reputation of my Qin family? Qin Baitian, are you a father?

"Qin Baitian, you are the head of the Qin family this year!"

"Is everything the young man said is true, this young man, he said it was your child?"

The old man of the Qin family looked uncomfortable. He always advertised that the Qin family was harmonious. He hoped that his descendants would not kill each other. He didn't expect that he had been closed for more than a thousand years. After two generations, he became the head of the Patriarch.

My own son!

can be allowed to live on the streets regardless. Tiger poison does not even eat its children. Animals do not kill their own children in times of crisis. Unexpectedly, there is no danger. The contemporary Patriarch of the Qin family actually abandons his own son?

"Old lady!"

"This this....."

"Well, let me explain later. Today is your birthday banquet. It's better to ignore them."

Qin Baitian's face was livid, and he held his fist towards the old man Qin and gestured with grief in his heart.

Old Madam Qin waved his hand slightly, and the power of the five elements converged into a huge palm, directly fanning Qin Baitian out. This Supreme Void Realm master was nothing in front of him.

"You shut up the old man!"

"When the old man left customs, he heard that your daughter-in-law was tyrannical, and your husband was weak, and you couldn't even protect your child!"

"Are you worthy to be the head of my Qin family?"

He snorted coldly, spread his hand slightly, pierced Qin Aotian's arm, and a drop of blood overflowed.

He forced another drop of blood out of his body, collided with it, compatible, and then nodded in satisfaction. It was his descendant, and said: "What is your name?"

"Grandpa Qin!"

"I, my name is Qin Aotian!"

Qin Aotian answered truthfully, facing the ancestor's gaze, a little timid.

Ye Chen sketched out a smile, and said: "Old Madam Qin, so, can I take a seat later?"

"come in!"

"Take a seat!"

Grandpa Qin nodded slightly, and after a few words, he talked with the masters and elders at the front table.

Qin Baitian flew in front of Ye Chen, staring at Qin Aotian with a cold expression, he was extremely unkind, flicked his cuff, and whispered: "Nizi, why are you here in this situation?"

Without waiting for Qin Aotian to explain, he waved his hand and left. Before leaving, he said, "Just arrange a place for them!"

"Yes!"

"Understand!"

A group of guards nodded and led Ye Chen and Qin Aotian to the most fringe table. There were only two of them on the table.

The guards have followed Qin Baitian for hundreds of years. Unlike Qin's elders, they lived under Qin Baitian's breath. Since the ancestors have allowed them to take their seats, the Patriarch ordered them, but the Patriarch was in a bad mood, so he arranged a spot for the bastard. .

Many guards knew what happened back then. The owner of the family was weak, cowardly afraid of his wife, and the child he brought back, Qin Aotian, was forced out by his wife, and was forbidden to enter the genealogy by the second master, so he was thrown out by the owner. Fortunately, the child's vitality is tenacious, and with the help of some neighbors, he survived.

"Master Qin."

"After eating, hurry up."

"The Patriarch's mood is not very good, the old lady still has to retreat."

A captain of the guards whispered to Qin Aotian and Ye Chen.

He is Qin Baitian's personal bodyguard. He has stretched out his hand to take care of Qin Aotian in recent years, but he is not as cold as Qin Baitian. After Qin Baitian abandoned Qin Aotian, he has almost never seen it in decades.

"Thank you!"

Qin Aotian hurriedly thanked him, and said by the way: "Master, this eldest brother, who has taken care of me before, will often give me some food and divine marble."

Ye Chen nodded slightly when he saw this, without expressing anything.

"Don't dare to ask for credit!"

"These days, I was sent by the master to do business in the Kingdom of God, and only came back last night. I have suffered for the young master during this time!"

The guard didn't say much, and left quickly for fear of being discovered.

Ye Chen sat at the table and looked around. There were also many banquets, but his table had the worst food.

Even the table served by the maids and guards nearby was much better than his own. In an instant, Ye Chen's expression was not good.

Suddenly, the Qin family always smiled and said: "The banquet started, and it was when my Qin family disciples congratulated the old man on his birthday, and invited my Qin family's descendants to come out!"

in an instant.

Seventeen young men and women walked out of each seat, all wearing Chinese robes, standing on the red cloth in the middle of the banquet, congratulating Grandpa Qin in unison, each holding a treasure in his hand to give it to Old lady's gift.

"I have always put filial piety first in my Qin family!"

"Now, my children from the Qin family offer treasures, let's start with this."

"The old man also wants to see if my descendants of the Qin family give gifts to the old man, are you dedicated?"

Qin Nansheng, the second child of the Qin family, came out to preside over the treasure offering ceremony in person, and at the same time looked at Qin Aotian and Ye Chen meaningfully, don't have any calculations.

After he presided over, he retreated to the side of the old man, and together with more than a hundred Qin parents and tens of thousands of people, watched the ceremony of offering treasures to the descendants of the Qin family.

"Old lady!"

"My father is Qin Baitian, and my name is Qin Zheng. This thing was obtained from my adventure in the endless sea."

A young man stepped forward slowly, handing out the treasure box in his hand, and after opening it, a burst of brilliance overflowed inside. He said: "The treasure presented by the grandson is a colorful gilt jade, which has calming and firmness. For the effect, please accept it!"

The voice fell off. .

Before the old lady had spoken, the banquet caused an uproar.

The colorful gilt jade is a treasure comparable to a holy soldier, which is nothing to the strong, but for Qin Zheng, it must be a great price.

Chapter 2389: Waste Dan!

"You have a heart!"

Grandpa Qin was pleased to order someone to take it, and his eyes fell on Qin Baitian's second son.

The second son of Qin Baitian, Qin Cheng, stepped forward and offered a gift, saying: "Grandma, the grandson presented the Beihai Tianyue Beast. The meat is extremely tender and has not been slaughtered. It is an excellent dish treasure. After cooking, it has a firm view of the law of time. It works! Grandson also got it from the endless sea adventure!"

"Good, good!"

"You have a heart too!"

The Qin grandfather is very satisfied. At the moment these elders, these families, descendants, etc. are all his descendants, and still remember the past, when he created the Qin family alone ten thousand years ago, and after the New Year, the Qin family has truly become a big family!

"Old lady!"

"My father is Qin Baitian, I am his third son!"

"The treasure I dedicate to you is produced in the depths of the endless sea. It is a monster named Swallow Sky Cat! It is said that it can swallow part of Erley, and it has a miraculous effect on the grandfather's breakthrough!"

The third son, Qin Yuan, also went forward to give gifts.

"Good, good!"

"You three brothers are interested!"

Grandpa Qin is quite satisfied.

followed closely, and another young man came forward, not belonging to the main line, but a branch line, a descendant of an elder.

At this moment, Qin Nansheng said, "Wait a minute, according to my Qin family's rules, after the descendants of the main line offer treasures, they will get the branch line, Qin Tian, now it is not your turn!"

heard this sentence.

The young man named Qin Tian was a little lost, but he was holding his own treasure and obediently returned to his original position.

Qin Nansheng looked at the one with Qin Aotian in the farthest, with a smile on his face, and said: "Qin Aotian, you are the fourth son of my elder brother Qin Baitian. All three of your brothers have given away good treasures. I think your treasures are not bad. !"

The words came out.

In an instant, all eyes were focused on Qin Aotian and Ye Chen.

Qin Aotian was a little anxious. He hurriedly searched for various gifts. The embarrassment showed up. Everyone probably guessed that he couldn't bring out any gifts.

Second master Qin Nansheng smiled and said, "My nephew, it's my uncle who embarrassed you a little, please forgive me."

He said kind words, but he looked at the owner of the family, Qin Baitian, and said meaningfully: "As expected, it is rumored that you abandon your wife and children, and throw your child on the street regardless of your eldest brother. I thought it was a villain. Pretentious, I didn't expect it to be true."

"Qin Aotian, as a child of my Qin family, you are also a disciple of the main line, but at the time of the grandfather's birthday, you can't get any treasures."

"Hey."

"Big brother, how can you be so cruel?"

"Qin Aotian is your child. He doesn't have a gift that can be given to the old man. It shows that you are vicious to him."

Ye Chen gave Qin Aotian the heavenly armor and the sky-splitting axe, but it was not revealed. From a distance, Qin Aotian was just wearing a suit.

just responded to Qin Nansheng's words.

Everyone stared at Qin Baitian with a bad expression.

"You're bloody!" Qin Baitian finally couldn't help but retorted, "What is Qin Aotian, but the product of the master's overnight romance, come here, drive this guy out of me!"

is the plan of the day.

Qin Aotian could only be driven out.

Qin Baitian also understood that Qin Aotian was the reason his second brother Qin Nansheng arranged to make things difficult for him.

must be driven out!

Right now!

锵锵!!

The guards in armor rushed up and surrounded Ye Chen and Qin Aotian, with the intention of asking them to leave.

is other sects and so on. They are all looking at the show. They have no good feelings about this gentleman sword Qin Baitian. It is hard to imagine that Qin Baitian, who loved the people in the past, is secretly such a despicable villain.

The old Qin family sighed, becoming more disappointed in Qin Baitian, and didn't want to bother about it.

"Come to the banquet, you really need treasures."

"Well, as Qin Aotian's master, I will take out a treasure!"

"This thing is not like the garbage in front of it!"

Ye Chen got up, glanced at the people around him, dismissively, looked at the old man of the Qin family, and said lightly: "The treasure I gave you is enough for you to use in this life!"

"I have only one request, my disciple, the Qin family is protected by you in this life!"

Say this!

Everyone was shocked, and they didn't expect the youth in front of them to say these words!

"Little guy, I think you are not too old, so you disrespect Grandpa Qin with such words!"

"Yes, you little guy, you are not yet a hundred years old. Although your cultivation base is not low, you can't talk like that!"

"Yes, little guy, you dare to be so arrogant when you are so arrogant?"

In an instant, the elders of the masters all spoke out to reprimand Ye Chen.

Even the Qin elder said in an extremely unkind manner: "Boy, let me tell you, today is the birthday of our Qin family old man. If you dare to make trouble, don't blame the old man for suppressing you!"

"Not bad!"

"My old lady, what kind of person? You can also show the treasures that the gods will use for a lifetime?"

"Boy, your mouth is too big."

An old Qin parent scolded Ye Chen. In their eyes, Ye Chen was just a closed door!

I don't know how high the sky is!

Many elders were not happy, and even Qin Nansheng had a bad look. He didn't expect that there was a guy beside Qin Aotian who didn't know the height of the sky.

Qin Baitian waved his hand and ordered: "Rampant boy, with no respect and long-term, bold and daring, drive out the owner of the house, so as not to disturb the mood of the old lady!"

"Yes!"

"Yes!"

In an instant, more than a hundred guards came forward, preparing to press Ye Chen away.

Old lady Qin smiled and said, "Little guy, what do you have? It can be useful to the old man for a lifetime? So, you can take it out and have a look. The old man will not blame you for the time being. Today is the old man's birthday party, not suitable for anger, you You don't have to wait for the guards. If you can't get them out, you guys, sit down too."

The old lady Qin was kind and didn't blame Ye Chen. On the contrary, many elders of the Qin family and the elders and patriarchs of various factions and families, etc., looked indifferent to Ye Chen, and felt that Ye Chen's cultivation level was good, and he could take it out. Treasure, but the tone is too big!

What a character the old lady Qin!

The existence of the Ninth Heaven Peak in the Taixu Realm!

You are a young man in your neighborhood, with a closed door, but not a hundred years old, but dare to say that the treasure you took out will be enough for Old Qin to use for a lifetime?

arrogant!

bold!

Ignorance!

Ye Chen didn't explain anything. He signaled Qin Aotian not to say anything, but he took out a simple pill box from the reincarnation cemetery, led Qin Aotian all the way up, came to the front of the old man Qin, and said with a smile: "My name is Ye Jitian is considered Aotian's master, this treasure is considered to be given to Aotian by me."

He handed it to Grandpa Qin and said, "Take it!"

This lofty and inexplicable painting has aroused the anger of many Qin parents.

Old Madam Qin thought with a look on his face thought: This kid in front of you, who is extremely powerful, and a master of Aotian, must be a little emboldened. Let me take a look!

He took the pill box, and the moment he opened it, a dark pill appeared. This scene made everyone stunned!

"What do you mean!"

"Ye Jitian, what do you mean!"

"Give us a waste pill to our grandfather, don't you want to survive?"

"You are looking for death!"

In an instant, countless Qin parents were angry.

Even Qin Baitian and Qin Nansheng felt that Ye Chen was insulting their Qin family.

Grandpa Qin's eyes flickered, and then his eyes fell deep, staring at the waste pill carefully, and instantly waved his hand to stop the elders and law protectors who wanted to take action, got up and came to Ye Chen, cleaned his robe, and took the pill toward Ye Chen bowed down, and then said, "Thank you Master Ye!"

what?

what happened?

Everyone looked blank, completely unclear what was going on.

Isn't it just a waste pill?

How did the old man Qin act like this?

What is the waste pill that Ye Suotian brought out?

"This is the waste pill of the ancient medical **** of Cang!"

"Even if it is a waste pill, it is enough for the old man to comprehend, and even have the opportunity to enter the realm of slaying."

"This gift... is too big!"

Chapter 2390: Cangu Gate

Cang ancient medicine god's waste pill!

is certainly a waste pill, but as long as there are the four words Cangu Medical God, it is a rare treasure!

Old Mrs. Qin explained, but it caused the whole main hall to fry. Everyone looked at Ye Chen in shock.

Ye Suten!

Which son?

Is it the main city of the Kingdom of God?

Although the endless city also belongs to the kingdom of God, it is divided here!

is left here!

Just because the endless city can't enter the qualifications of the main city of the kingdom of God!
Can only guard the endless sea that used to be the Lingwu continent!

"No wonder, no wonder, no wonder Ye Gongzi said it will last a lifetime!"

"The abandoned pill that can step into the half-step slaying state is indeed enough for my old lady
to last a lifetime."

"I have offended a lot before, come to apologize to Ye Gongzi."

Qin Baitian, who had a pale face, bowed and apologized to Ye Chen with a smile, ecstatic, his
grandfather had a chance to enter the realm of slashing ill-fated!

This means that the Qin family is no longer a third-rate family in Endless City. After the grandfather
enters, the Qin family can rise to a higher level.

Patriarch Qin Baitian was ecstatic, even the major elders of the Qin family, guards and guards and
disciples, all looked at Ye Chen as if looking at a **** or Buddha, and the gratitude and excitement in his
heart was beyond words.

In the main hall.

Many powerful forces, watching this scene, sucked in air.

They never expected that the young boy who looked down just now would be so generous in their
shots!

Even the identity is hard to guess!

Cang ancient medicine god's waste pills are so expensive in the kingdom of God!

Take it out casually, who can imagine the monstrous power standing behind this young man!

"Aotian!"

"Your master is not wrong!"

Qin Nansheng's eyes condensed, and he said: "Aotian, you did a good job. Having this master is enough for you to live."

Qin Baitian also forgot about the others, and said joyfully: "Aotian, you have such a master, it is the beginning of my Qin family's prosperous age! For my father, I like you so much!"

In an instant.

Everyone in the Qin family changed their attitude 180 times.

Nothing is as important as this waste pill, even if the treasures of other schools and schools add up, they are not as useful as this waste pill.

What are the treasures given by others? Only the treasures given by Ye Jitian are called real treasures!

Ye Chen saw their expressions excited, it didn't matter.

The ancient medical **** Cang took out a waste pill casually, something he couldn't see in his eyes, but he didn't expect these guys to be so excited.

"Old Madam Qin, Patriarch Qin, I have something to ask."

"Why don't you tell me in the office? How about?"

Ye Chen narrated softly.

"Good, good!"

"no problem!"

"Qin Baitian, you make arrangements quickly."

The old lady of the Qin family was very polite. He had already put the waste pill into his universe ring, looked at other guests, and said: "Everyone, I am so happy today. I have received the heaviest treasure in 10,000 years. I declare The next Patriarch will be Qin Aotian. Everyone, I have something to do. Everyone will eat first and I will come later."

The voice fell.

Everyone's face changed slightly!

Old Madam Qin changed the situation of the entire Qin family in one sentence!

Of course Qin Aotian is young! But there is a Zhan E standing behind! In this endless city, no one can shake it!

Grandpa Qin directly pulled Ye Chen and others into the side hall.

The second master Qin Nansheng reacted and couldn't help but sighed, the position of Patriarch is hopeless at present, even if Qin Baitian is brought down, the next Patriarch is Qin Aotian.

Not to mention the old lady, his fourth nephew, Qin Aotian, was still standing behind Ye Jitian, who could take out the waste pills that existed at the level of Canggu Medical God, how could he deal with it.

From then on, to be the second elder by yourself, the second master will do.

In the middle of the hall.

The Qin family grandfather, Qin Baitian, Qin Nansheng, Ye Chen and Qin Aotian gathered together.

Ye Chen didn't say much, and asked directly: "I have something. I got this waste pill by accident. My parents sent me to the Canggu Sect to meet the contemporary Sect Master, but I don't know where the Canggu Sect is. , So I want to ask three people, where is Canggu Gate and how to get there?"

heard the question.

The Qin's grandfather and the others looked a little surprised. After looking at each other, they all nodded slightly.

Qin Baitian stood up, took a deep breath, and then said: "Actually, Canggu Gate is the only special power in our endless city.

The kingdom of God forced us to border the endless sea of Lingwu Continent, but in a sense it was actually expelled.

We have been far away from the kingdom of God for too long, and resources cannot flow.

Although there are countless opportunities in the endless sea, most of them are provided to some gods.

We want to enter, and it depends on luck.

Originally, our Qin family was not qualified to know the location of the Canggu Sect, but three hundred years ago, we were lucky enough to be eligible to participate in the Canggu Sect pill trade, so we also knew some! "

"The Canggu Gate has a detached position in the endless city."

"You don't know Ye Gongzi, this is normal, an ordinary character, even a master at the peak of the Void Realm would not know."

"The Canggu Sect will only cooperate with martial family forces. They have a rather weird rule. Here we will say later that their geographic location is in the Blue Moon Mountains, three hundred miles west of Infinite City, and there are mazes outside. With the protection of the phantom formation, you can only enter with the tokens issued by them. No matter how powerful other people are, such as the Nine-level Heaven Peak, the Half-Step Slashing Evil Realm, and even the super masters of the Evil Slashing Realm, they can't get in! "

Canggumen!

An extremely rare medical school is mainly a school of alchemy and healing martial artists. It is not good at fighting, but its school has many healing pills and various magical doctors, and it is also afraid of being evil. The peep of the forces, this is hidden.

is farther away from disputes and voluntarily expelled to the vicinity of the endless sea.

Ye Chen got the whereabouts of Canggu Gate, no longer hesitated, and directly bid farewell to everyone in the Qin family.

Qin Aotian's position is because of Ye Chen, no one should be able to shake it.

As for whether we can see you again in the future, that's something for me.

But Ye Chen faintly felt that the fate of the two of them was more than that.

After all, Qin Aotian possessed the existence of the reincarnation star stone against the sky.

Blue Moon Mountains.

Numerous mists surge.

covers everything.

There is a faint slashing potential in the mist!

If you step in accidentally, you will definitely die!

But Ye Chen at this moment is shuttled in the mist.

If it is an ordinary warrior, it is naturally dangerous, but for Ye Chen, this fog is simply his gospel!

Atomized magical powers, allowing him to shuttle through it easily!

If Canggu Sect knew that this mist still had such loopholes, I am afraid it would destroy it at all costs!

A few minutes later, Ye Chen finally came to Canggu Gate.

That is a magnificent stone wall gate. .

Although the door is closed, countless medicines are still coming!

What surprised Ye Chen was that there was a statue in the middle of the gate!
