

## Urban 2421

### Chapter 2421: Zi Ning's Beauty

Ye Chen opened his mouth and was about to say something, but suddenly, his face was stagnant, and a soft body fell into his arms.

Zi Ning suddenly hugged him!

"Sister..."

"Ye Chen, at first, I just felt that you are very similar to my former junior brother, but gradually, the figure that had been blurred in my heart became clear again, but that person is not my junior brother, but you!

At this time, I finally understand. It turns out that I already like you..."

Ye Chen was silent. Naturally, he had a good impression of Zi Ning. The reason why he didn't show any expressions was because he knew that Zi Ning seemed to be a little confused in her heart, and he was still unsure of his own mind.

But now, Zi Ning confessed to him!

Zi Ning suddenly raised her beautiful face and stared at Ye Chen. There was a little sparkle in her beautiful eyes, and the moonlight shone on her body, looking like a fairy falling into the world.

Ye Chen sniffed the fragrance from Zi Ning's body, and when he stared at her, his brain couldn't help but feel dizzy. Even with his concentration, he couldn't hold it anymore!

"I have never dared to tell you, but now you are going to the kingdom of God, if you don't say it again, I am afraid...I will regret it forever..."

"Sister, I..."

"Don't call me senior sister, call me Zi Ning, or... call me Ning'er, okay?"

Ye Chen took a deep breath, grabbed Zi Ning's slender waist, his figure flashed, and he appeared in a detached attic in Chenyue Pavilion.

At this time, the voice of Cangu Medical God suddenly sounded in Ye Chen's mind: "Boy, you have absorbed the power of two reincarnation monuments, and this girl also has a reincarnation monument in her body. Maybe, Yin and Yang rendezvous. It has a miraculous effect."

"But don't worry, the reincarnation cemetery has a strong prohibition, and we can't detect this kind of picture."

Ye Chen was taken aback for a moment, and then a glimmer of enlightenment flashed in his eyes.

Zi Ning's physique is extremely special. Aside from the reincarnation monument, it is also a very precious Tianxiang treasure body. Its primordial yin is obtained, which has unimaginable benefits to the foundation of the martial artist!

In other words, Ye Chen's strength can be improved again!

In addition, if it can produce the reaction of the reincarnation monument, perhaps it can have more benefits!

Zi Ning was already blushing at this time, her beautiful eyes looked at Ye Chen with a little bewilderment. She was ready, but when she saw Ye Chen's expression, she couldn't help asking: "Ye Chen, what's wrong?"

Ye Chen stared at Zi Ning and said, "Ning'er, your physique is very special. If you...you and I will get a lot of benefits, if you don't want..."

Having said that, Ye Chen's voice stopped abruptly, and he couldn't continue...

Because, Zi Ning kissed his lips...

In the room, the ambiguous atmosphere intensified.

Zi Ning's face turned red, and he smiled at Ye Chen, "Why would I be unwilling?"

"It's just that I haven't done everything, so I don't know much..."

"I also know where Ruoxue and Sun Yi are in your heart... I don't ask for much, I only hope that your heart can have a small corner of mine, even if it is very small, I am satisfied."

Ye Chen's eyes are moved!

If he fails this woman again, then I am really sorry Zi Ning!

"Zining, don't worry, my heart will have your place no matter what."

The next second, the two embraced each other, their skins pressed tightly.

White hands, hold tightly.

climbed to the peak, the two merged.

Heavy gasps began to sound!

At the same moment, Zi Ning's eyebrows flashed a light!

That light turned into an ancient rune!

is exactly the same as the text on the reincarnation monument sealed in Zi Ning's body!

This samsara mysterious stele awakened within Zi Ning's body.

And above the two fusion bodies, there are four phantoms of reincarnation mysterious tablets floating out!

Dust monument! Wind monument! Yan stele! Ling stele!

The reincarnation monument in Zi Ning's body turned out to be a spiritual monument!

Controlling the living beings, represents the spiritual monument of recovery!

The collision lasted two hours, everything was calm.

Ye Chen also faintly felt the reincarnation monument in Zi Ning's body!

represents the power of recovery!

can even be said to be better than Canggu's medical skills!

The most unbelievable revival in the world! Convergence of origin!

It's a pity that Ye Chen knew that there was still no way to get the Reincarnation Profound Tablet from Zi Ning's body.

Once taken out, Zi Ning will die.

He will never allow it!

Ye Chen looked at the soft and tender body lying on his chest, and closed his eyes.

Reincarnation cemetery.

Ye Chen looked at the ancient medical \*\*\*\* Cang and said: "Old man, can you have a way to untie Zi Ning's dependence on the Reincarnation Stele?"

The ancient medical \*\*\*\* Cang shook his head and nodded: "This girl's physique is a little special. It's almost desperate. It's impossible to live logically."

"If there were no reincarnation monument sealed by her master, I'm afraid it would have fallen."

"She is alive because of the reincarnation monument."

"She is too dependent on the reincarnation monument."

"Of course, there is no way to break this balance."

Ye Chen rejoiced: "What way?"

The ancient medical \*\*\*\* Cang stepped out and said lightly: "First, she has stepped into the chaos realm, and the years are endless, and the reincarnation monument is no longer dependent."

"Second, we are going to the Kingdom of God. Several things in the Kingdom of God converge to form a chaos-level pill. After taking that pill, her life will be recast naturally."

"It's a pity, those herbs are not simple."

Ye Chen suddenly thought of Chu Ying again, and said excitedly: "Then Chu Ying's question is much simpler!"

The ancient medical \*\*\*\* Cang looked at the ice crystal sarcophagus and nodded: "Indeed, her problem is simple, and my medical skills can solve it."

Ye Chen quickly said: "Then old man, hurry up!"

However, Cangu Medical God stretched his waist: "I said, if you don't save it, it made an exception last time! I don't do charity!"

"You want me to help, no way!"

Ye Chen was a little angry, and suddenly thought of something: "Old man, Cangu and his party, you said you want to teach me some medical skills!"

"Teach me now!"

The ancient doctor \*\*\*\* Cang looked a little ugly, and snorted coldly, "I only teach you a part! But if you want to learn my medical skills, it depends on your talent!"

.....

The next day, a luxurious speeding car pulled by a crimson dragon with a length of several hundred feet, rose from the Xuanyue Sect into the sky, turned into a red rainbow, and flew towards the sky.

In the carriage, there are three men sitting, it is Ye Chen, Du Chengshi and Li Ling.

At this time, Master Du Cheng and Li Ling face Ye Chen with respectful faces.

Not only because of Ye Chen's strength, but also because Ye Chen really forgot about their previous affairs.

At this time, Ye Chen suddenly asked with some curiosity: "Master Du Cheng, where is the kingdom of God?".

Master Du Cheng smiled and said: "Ye Gongzi, the Kingdom of God, in fact, is not completely above the Lingwu Continent, but on the border of the Lingwu Continent, and the border with the Kingdom of God is not only the Lingwu Continent. "

"The place we are going now is called Lingshen Sea, which can be said to be the end of Lingwu Continent."

Chapter 2422: A trip to the kingdom of God!

said, he suddenly took out a simple token with countless complicated runes.

"Ling Shen sea area is connected with part of God Kingdom. The two realms are separated by a super large array. You must possess this token before you can enter it."

Ye Chen glanced at the token curiously and said, "What is this token?"

"This is a Divine Light Order. With this, we can freely travel between the Kingdom of God and the Lingwu Continent. There are only dozens of Divine Light Orders in our Kingdom of God.

Part of it is in the hands of the super sects, part of it is in the hands of the Heavenly Dao Palace, and part of it is in the hands of the top family.

However, this one in my hand is nothing more than an imitation. There are a lot of them, but they can only be used once. In addition, there is another drawback, that is, it will leave a mark on the user. Only three imitations can be used.

reuse, it will be invalid. If the forces of the Kingdom of God need to travel to and from Lingwu Continent, they generally use such imitations. "

"Of course there are many special circumstances in traffic. I will tell you about this later."

"Are you not afraid of being robbed and used to enter the kingdom of God?"

"Grab?" Du Chengshi smiled bitterly: "Young Master Ye, although I am not very strong, in this Lingwu Continent, besides you, few people can \*\*\*\* this imitation Shenguang order from me, right?"

Besides, who would dare to grab something from the League of Gods? "

Ye Chen nodded, and continued: "You just said that God has a super sect, a top family? Tell me carefully."

"The power of the kingdom of God is also divided into nine levels, and this super sect, the top family, plus the gods, the palace of heaven, etc., are the top power in the kingdom of God!

Every power in the kingdom of God has a \*\*\*\* pillar, which is used to connect with the mysterious land. The \*\*\*\* pillar can not only bring the aura of the mysterious land, but also inherit the martial arts, techniques, artistic conception and so on of the mysterious land!

The \*\*\*\* pillars of the top forces have the strongest realm connected, the strongest aura, martial arts, exercises, etc., are also the highest! Moreover, if you perform well on the battlefield, you may directly pass the \*\*\*\* pillar and step into a mysterious place! "

Ye Chen's eyes lit up! It seems that after entering the kingdom of God, we must find a way to join these top forces!

However, Ye Chen glanced at Master Du Cheng again, and asked: "The battlefield you said? What is it?"

Master Du Cheng smiled and said: "Ye Gongzi, in fact, the reason why the kingdom of God is so powerful is the mysterious place because it wants to open up a battlefield to resist forces from outside the territory, and all forces must send strong people to fight and maintain balance.

Therefore, the kingdom of God is extremely cruel, because the least valuable thing in the kingdom of God is human life! Thousands of people die every day on the battlefield! "

Ye Chen frowned slightly, unexpectedly, the Kingdom of God that the people of Lingwu had been yearning for, turned out to be a \*\*\*\* battlefield?

However, such an environment is the most suitable for warriors to improve their strength!

don't know what happened to Ji Siqing.

Master Du Cheng said again: "Young Master Ye, soon, it will be a trial contest where various forces select foreign geniuses. If you want to join a force now, you can also participate.

However, if you want to participate in the trials of a more powerful force, you need to get a \*\*\*\* card, and I don't have a \*\*\*\* card, so Master Ye needs to find a way by himself. "

Ye Chen nodded. After Master Du Cheng said that Ye Chen had a general knowledge of the Kingdom of God, and he asked: "There is one more thing, do you know, where is the Palace of the Kingdom of God?"

Master Du Cheng's expression was terrifying and weird: "Young Master Ye, what do you think of Tiandao Palace..."

"Do you want to join the Heavenly Dao Palace? This is even harder."

"When you arrive in the Kingdom of God, you try to mention Heavenly Dao Palace as little as possible."

"As for the specific location, I am not qualified to know."

"Let's talk about the things you have to face after entering the kingdom of God. If you can get the first place in the trials, maybe you have a chance to get the treasure.

There is a rule in the League of Gods, which will give the first place in each trial, a treasure..."

"Also, the people you meet may know the Heavenly Dao Palace..."

Ye Chen looked ecstatic upon hearing this!

No matter what, he still has to set foot on the Heavenly Dao Palace himself!

A touch of firmness flashed in his eyes.

It seems that he must win the first place in this trial!

The speed of this red dragon was extremely fast. Three days later, he had already reached the sea of the spirit gods. Above the sea, there was a gray-white mist, and the three of them seemed to be in chaos!

Suddenly, in the speeding car, a brilliance shot out, and brilliance turned into a token, shooting a golden light toward the sky!

In the next moment, endless gray mist suddenly surged and gradually separated. Ye Chen looked up and looked towards the sky from the separated mist!

In his eyes, purple light flashed, his eyesight was full, but his face was shocked!

He vaguely saw that above the sky, countless obscure runes flashed, as if the entire sky was covered by an extremely large formation!

Even though they were so far away, Ye Chen could feel an aura of destruction that made his heart palpitate! He can be sure that this formation is terrifying!

At least, with his current strength it is absolutely impossible to break through!

Even, let alone rush, ten more him, one hundred him, ten thousand him, will only be killed by him at the moment he touches the formation!

At this time, the huge formation, under the induction of the imitation Shenguang Ling, suddenly shot out a beam of light, covering Ye Chen and the others!

Ye Chen's bodies were in the beam of light, and they flew uncontrollably toward the magic circle above, and fell into a light hole opened in the magic circle!

After a while, when Ye Chen opened his eyes again, he saw himself in a completely unfamiliar place. By his side, Master Du Cheng and Li Ling also woke up soon.

Du Chengshi and Li Ling glanced at the surrounding scenery, but their complexions changed!

Ye Chen glanced around and entered, but it was a stone mountain full of pale silver boulders.

Here is the Kingdom of God?

Ye Chen lifted his spirits. First of all, the most obvious thing he felt was aura!

Even in such a barren wilderness, the aura of heaven and earth here can be said to be extremely rich!

Even, it is several times richer than the origin of the spiritual veins of Shenhua Academy!

According to Master Du Cheng, among those top powers, the aura of heaven and earth is still a thousand times higher than that of this wilderness!

At this time, Master Du Cheng hurriedly released the Scarlet Flying Car, and said anxiously to Ye Chen: "Let's go quickly, it is very dangerous here!"

Ye Chen's expression also changed slightly when he heard the words, he didn't want to just arrive in the kingdom of God, something happened!

The three of them rode in a speeding car and drove in a certain direction.

Chapter 2423: Yin Ming!

Along the way, Ye Chen also saw many warriors on the way. What shocked Ye Chen was that the strength of the kingdom of God was really extraordinary!

These warriors that I saw on the road hardly existed below the gate-closure realm!

Soon after, Ye Chen and others saw a towering city wall, Du Chengshi and Li Ling, and they were slightly relieved. Du Chengshi smiled at Ye Chen:

"Young Master Ye, this is the Qinglan City of the Kingdom of God."

As he said, he took out a card made of an unknown light red metal and handed it to Ye Chen, "This card is the VIP card of the Shenmeng Tiansuan Pavilion. If Ye Gongzi needs to inquire about the trials, he will use the magic card. , Elixir or other things, you can go to Tiansuan Pavilion."

Ye Chen raised his eyebrows, took the VIP card, and said, "I have written down this love."

Although Du Chengshi had offended him before, but since he had apologized in his way and performed well afterwards, Ye Chen could accept his favor once.

Master Du Cheng smiled slightly and didn't say much. Soon, a few people got off the speeding car and entered Qinglan City.

After separated from Master Du Cheng, Ye Chen followed the guidance of Master Du Cheng and came to the Tiansuan Pavilion in Qinglan City.

An hour later, Ye Chen left Tiansuan Pavilion with a pensive expression on his face, and after a while, he walked in a certain direction.

First of all, he knows the date of the trials, one month later, and secondly, it is the magic card.

The reason why the trials held by the more powerful forces require the magic card to participate, it can be considered as a screening in advance. Most of the forces in the kingdom of God have a clear affiliation, that is, even if you are temporarily at a low level. Such forces, if they perform extremely well among the forces, also have the opportunity to be promoted to higher forces.

Shangshen card is similar to a letter of recommendation. Those low-level forces will distribute the card to the best children in the door, so that they have a chance to be promoted.

Of course, this trial is also open to geniuses who come to the kingdom of God from the outside world, but they have to figure out their own way to get the magic card.

One of the methods is to randomly join an inferior power and then slowly promote, but Ye Chen would naturally not choose this way.

too slow! He doesn't have so much time!

He wants to become stronger, become stronger as quickly as possible!

The second way is to buy the \*\*\*\* card, which can also be sold...

Ye Chen naturally doesn't care about money, but! What made him a little embarrassed was that Ye Chen, who spent money like earth in Lingwu Continent, got into the dilemma of no money when he arrived in the kingdom of God!

The currency used by the Kingdom of God, Shen Yunshi is not the mainstream!

Shen Yunshi can be used, but it is the lowest currency!

The mainstream currency is the best Xuan Lingshi!

Fortunately, for general staying in a store, traveling, etc., it is enough to spend the Shen Yuan Stone.

However, if it is used to buy Shangshen cards, it is far from enough...

The last news is about Yin Ming! The specific location of Mount Mang!

And Ye Chen is now rushing to a place called Mang Mountain. According to Mo Lingzi's news, Yin Ming and Na Gu Lao live in seclusion among the mountain villa on the top of Mang Mountain!

.....

Manshan Villa!

On the main seat of the living room in the village, sits a very thin middle-aged man.

This middle-aged man has dry skin and almost no muscles. What is even more bizarre is that through his pale skin, he can vaguely see his bones, showing a pale golden color!

This man is really old!

Behind the man, stood a graceful figure wearing a veil. It seemed that it was Yin Ming!

However, at this time, the middle-aged man frowned slightly, and Yin Ming's eyebrows also appeared sad.

The man sighed: "Don't worry, since the Demon Lingzi brought you to the kingdom of God and gave it to me, I became your master. If someone wants to force you to do something you don't want, you must first become a teacher. Step over this old bone!"

When he spoke, his voice was extremely old!

said, the middle-aged man suddenly smiled bitterly and said: "What's more, I promised Demon Lingzi, I will never let you have an accident."

Yin Ming seemed to want to say something, but at this moment, a boy ran outside the door and told: "Old bone, the son of the Wu family and his father, are here."

As soon as the voice fell, an old man's smile came from outside the door: "Hahaha, Brother Bone, I haven't seen you for a few days. How did you think about the matter I said before?"

To be honest, with my Wu family background, is it necessary for Brother Bone to think about it for so long? "

said, two men walked in.

A young man with a cold, arrogant and frivolous look, dressed in a neat, luxurious, tiger-shaped battle uniform, with a big axe on his back, handsome and masculine, tall and straight.

is standing beside him, and there is a man with white hair, a slightly sinister smile, rich clothes, and a few shining rich aura rings on his hands.

These two people are the same as Gu Lao, both of them are Taixu Sixth Heaven cultivation base! The strength is extremely terrifying!

Especially the young man carrying the big axe, his body is filled with a depressive breath makes him look like a giant tiger that traverses the world, full of power!

These two people came from the Wu family in the Kingdom of God. The Wu family was in the city near Manshan. However, they were not the direct line of the Wu family. They could only be regarded as members of the family. The young man was named Wu Xinshan, and that name The old man is Wu Xinshan's father and his name is Wu Bo.

Originally, Wu Bo could only be regarded as an unknown person in Wu's family, but recently, his son Wu Yushan has risen strongly. Not long ago, at the age of only 30, he successfully broke through the sixth heaven of Taixu!

Even most of the children of the Zong family are far behind the dust, faintly becoming the first genius of the Wu family! Even the head of the Wu family is very optimistic about Wu Xinshan, and because of this, Wu Bo's position in the Wu family has also risen!

Originally, Wu Bo was considered to be a friend of Gu Lao. This Mangshan Villa, Gu Lao bought it under Wu Bo's introduction.

The two have been getting along with each other quite happily. They often communicated. By a coincidence, Wu Bo learned that the reason Yin Ming was wearing a veil was because of his beautiful appearance!

After that, he took his son Wu Yushan, and often came to Manshan Mountain Villa as a guest, and even if Yin Ming was wearing a veil, Wu Yushan fell in love with Yin Ming at a glance!

However, Wu Xinshan at that time was nothing more than a Taixu existence, and Wu Bo's status in the Wu family was also very ordinary. When Wu Bo proposed marriage to Old Gu, but was tactfully rejected by Old Gu, Wu Bo stopped mentioning it. , Still get along as usual. .

Wu Yushan thought that Yin Ming didn't appreciate his own strength, so he didn't come to Manshan Mountain Villa any more, but practiced like crazy!

But just recently, Wu Bo's attitude suddenly changed!

Chapter 2424: Threat of slaughter!

Because, not long ago, his son became the proud son of the Wu family, and he, also in the Wu family, has a lot of power!

At first, he took Wu Yishan with him and happily came to propose marriage to Gu Lao again. Wu Yishan thought that with his current strength, talent, and status, he should be enough to make Yin Ming change his mind, right?

But who would think of it! They were rejected again!

After that, at first, Wu Bo always persuaded each other euphemistically, but after repeated rejections, Wu Bo completely turned his face!

A few days ago, he gave Gu Lao an ultimatum so that he can be prepared today! Even if he didn't want to, they would forcibly take Yin Ming away!

This is no longer a marriage proposal, it's all about forcing Yin Ming to be Wu Yushan's woman!

Hearing this, Old Gu coldly snorted: "Wu Bo, if you are still seeing our friends once, don't force me to be a disciple! Humph, let alone, you still want her to be a concubine? Even if she is willing, the old man will not agree!"

At the same time, a pair of dark blue eyes faintly flashed in his dark blue eyes. If it weren't for the catastrophe that he had suffered, he had almost died, and had slept for tens of thousands of years. Now, he has not been able to return to its heyday. How does it need to be in the eyes?

Wu Bo sneered and said: "Brother Bone, you are a little confused. Be a concubine for my son? What's wrong with being a concubine? A genius like my son, a demon, the future is bound to be limitless. He wants to be his concubine. Woman, I don't know how many there are!

To tell the truth, if it weren't for Shishan, he was obsessed with Xiaoming. With my son's current status and status, Lao Chen would really not agree to this marriage!

Being a concubine for Tushan, that's Xiao Ming's blessing! "

, he looked at Yin Ming's gaze, and a hint of sarcasm was faintly revealed. At this time, Yin Ming had already closed the door for half a step, which was a huge improvement compared to when he was separated in Lingwu Continent! But, in the kingdom of God, it's still a bit too short...

Wu Bo said indifferently: "Brother Bone, you wouldn't think that with Xiao Ming's strength, you would be qualified to become the main room of Mingshan? What's more, we did some investigation, Xiao Ming, she should not be a member of our kingdom of God. , But from Lingwu Continent, right?"

Haha, such a background, can be our concubine room, brother bone, you should have fun, and there is not only one woman who is strong, with Xiao Ming's strength and identity, can he keep his position in the main room? ? I am afraid that it will only be more miserable in the future! "

Wu Shishan also nodded. He likes Yin Ming forever, but in the Kingdom of God, strength is respected. In addition to strength, birth is also very important. Although he can be sure that Yin Ming's appearance is the best, but strength He was born but it can only be said to be very rubbish, such a woman, no matter how beautiful, it is impossible to be his main room.

Gu Lao and Yin Ming are both angry, what does this mean? Wu Yushan and Wu Bo look down on Yin Ming's strength and come from birth, but they still want Yin Ming to be his concubine?

However, Gu Lao didn't know how to refute, because he also agreed that the strong would not have only one woman, the Kingdom of God is like this, and if Yin Ming is really in the middle, with insufficient strength and no background, on the contrary, , There will be many dangers...

At this time, Yin Ming said with a cold expression: "Master Wu, Elder Wu, I understand your kindness, but you may have misunderstood. The reason why I reject you is not because of your conditions.

To be honest, although I was not born in the Kingdom of God, the rules of the Lingwu Continent and the Kingdom of God are no different. I can accept that there are many women in the strong, and even I don't mind being a concubine! "

Yin Ming said this, Wu Shishan and Wu Bo looked at each other, and they all saw the joy of the other side!

It seems that things are going to be done!

They knew that Yin Ming's remarks might just be for himself!

Wu Yushan with a gentle smile, looked at Yin Ming and said, "Why is that?"

He asked, just to give Yin Ming a step! In his mind, Yin Ming has no reason to reject himself!

But the next moment, Yin Ming said blankly: "Because! For the person I like, I am willing to be a concubine for him, even if he has no status, but! The person I like is not you, I already have someone I like.

So, please stop pestering me! "

Silence.

The air in the living room of Manshan Villa instantly became cold, and even the moisture floating in the air was about to condense into ice!

For a time, in the hall, it was extremely depressed!

And Wu Yushan's body was full of the breath of six layers of heaven, and he was surging crazily, almost on the verge of an explosion! He stared at Yin Ming, his eyes were full of anger!

The woman Wu Yushan likes, but he doesn't like him, is there any other sweetheart? How can he not be angry!

Bone old frowned, his whole body exuded a faint golden light, and he protected Yin Ming in it. Otherwise, just the breath that Wu Chengshan could not control and leaked would be enough to shock Yin Ming.

After a while, Wu Shishan reduced his anger, and instead smiled: "Xiao Ming, you are naughty. Are you mad at me for being too strong and deliberately using this reason to anger me?"

Haha, I understand, this is just an excuse. After you came to the Kingdom of God, you have been in this Mang Mountain Villa all day long. Where can you contact anyone? How is it possible that there will be someone you like? "

In Wu Tingshan's thoughts, if Yin Ming has someone else he likes, that person's conditions must be better than himself, and people who are better than himself will only appear in the kingdom of God, but where did Yin Ming come into contact? What genius of the kingdom of God?

Yin Ming'e frowned, and a trace of disgust flashed in his beautiful eyes. How could this Wu Xinshan be so narcissistic and shameless?

Looking at Yin Ming's appearance, Wu Yushan thought he was right, and laughed:

"Okay, just when you have someone you like, then this person must be in Lingwu Continent? Then, is the person you like as strong as me?"

Even if he can be in Lingwu Continent, call the wind and call the rain, cover the sky with one hand, suppress everything, and come to the kingdom of God? Haha, it's just an ant. Now that you have come to the kingdom of God, can your favorite person give you the protection you deserve like me?

Xiaoming, don't blame me for not reminding you, following a weak person, a woman like you, the future will be very miserable! Your best choice is to marry me! "

Yin Ming just said indifferently: "I said, not because of conditions, I know that the kingdom of God is very realistic, but I have my own persistence!".

Wu Yushan smiled even harder when he heard the words. Yin Ming said this, undoubtedly acquiescing that the person of Lingwu could not be better than him.

So he said to Yin Ming playfully: "Oh? Xiao Ming, you know I've always been a very careful person. If you really have a sweetheart, in Lingwu Continent, I don't mind getting a fake Shengguang order. Massacre in Lingwu Continent?"

Chapter 2425: Inferno Sword

Originally, he just wanted to tease Yin Ming.

But who would have thought that Yin Ming's face turned pale when he heard this, and he said anxiously: "What did you say!?"

Immediately, Yin Ming's pupils shrank, and he realized that he was in a bad mood, the secret path was not good, he calmed down immediately, and said coldly: "Whatever you want!"

She seemed indifferent, but actually regretted that she was about to collapse. The cold sweat behind her kept flowing. She couldn't imagine what would happen to Ye Chen and Xuan Yuezong if Wu Xinshan were really angry and stepped into Lingwu. !

Yin Ming knows that Ye Chen is a peerless evildoer with terrifying talent, but even if she wants to believe it again, she knows very well in her heart that Ye Chen is definitely not Wu Yushan's opponent...

How long did she leave Lingwu Mainland?

At that time, Ye Chen's cultivation base...too low!

Even if Ye Chen's improvement speed, no matter how terrifying, he cannot be the opponent of Taixu Sixth-tier Celestial Warrior...

But, it's too late!

Wu Yushan's expression turned cold in an instant, Yin Ming's performance just now, is it true that she said?

She is in Lingwu Continent, does she really like someone?

Thinking of Yin Ming's various experiences with other men in Lingwu Continent, Wu Yushan's eyes couldn't help but murderous intent!

His complexion was green, his eyes were stern and terrifying, and he looked directly at Yin Ming, and asked in a majestic manner: "Say, who is he?"

In his voice, there seemed to be some kind of innate power, which made people almost afraid to defy.

Yin Ming's complexion changed continuously. She knew that she wanted to lie and conceal now, almost impossible to do, but she still gritted her teeth tightly and pressed a few words from her throat: "Do you think I will tell you!"

Seeing Yin Ming desperately defending the appearance of other men, Wu Yushan's eyes are almost bleeding!

He sneered with a grim face: "Don't tell me? Hehe, slut, are you still defending other men? To be honest, if you really say it, my son might not be too lazy to take a trip and pinch Kill an insignificant ant.

But, the more you defend him like this, the more upset I will be and the more you want to kill him! Do you think I can't find it if you don't say it?

I have checked your identity before. You are from a sect called Xuanyuezong, right? Ha ha, then this person is probably a disciple of Xuan Yuezong, right? Hmm... How about destroying Xuan Yuezong first? "

Yin Ming couldn't help his eyes go dark when he heard the words, and felt like the sky was spinning, almost crying!

She hates herself, why is she so stupid! If it's because of yourself that it hurts the sect and Ye Chen, it would be countless times more painful than letting her die!

At this moment, Wu Bo's eyes flashed and he said:

"Tui Shan, I heard that there was a guy named Ye Chen in the Lingwu Continent recently, and he was very popular. I heard that even the general Taixu early warriors in the Kingdom of God are not his opponents, is it this person?"

This time, not only Yin Ming, but even Gu Lao's face was completely changed!

Wu Xinshan sneered when he saw it, "Haha, did Taixu exist in the early days? It's just an ant, Xiaoming, I will give you the last chance. Now, you decide whether to marry me or not. If you really marry me, these things, I can ignore it.

Otherwise, no matter who that person is, this Xuanyue Sect, and this Ye Chen, I will kill it! Moreover, I can assure you that even if the person you mentioned is not in Xuan Yuezong, it is not Ye Chen, I will kill him one day! "

Yin Ming heard this, for a while, she was in a daze, and she was in a dilemma. At this time, her eyes were full of tears, and she was more willing to die than marrying Wu Xinshan.

Originally, she had already made a decision. If Wu Xinshan and his son really wanted to force herself, she would rather commit suicide!

But now, she doesn't know what to do, die?

Death is really easy, but when she is dead, Wu Yushan will definitely take Ye Chen and Xuan Yuezong to vent her anger!

Can she be so selfish?

And Wu Yushan saw Yin Ming's expression, his eyes flashed, it is almost certain that Yin Ming's sweetheart is this Ye Chen! He secretly decided that no matter what Yin Ming chooses, Ye Chen must be killed!

He said that he has a very small mind!

Besides, it's just an ant. Since it's an eye-catcher, it's not normal to destroy it.

Wu Yushan looked at the silent Yin Ming, knowing that her heart had been shaken, and could not help but slow down:

"Xiao Ming, I really like you. Since you have come to the kingdom of God, forget about it. To tell you the truth, Patriarch Wu has already given me a reward.

Soon, I'm going to participate in the trials. With my qualifications, even third-class sects may join! At that time, your status will skyrocket instantly!

The third-class women of the sect, there are not many people who dare to bully you at will in the kingdom of God, these, that Ye Chen, can you do it? "

Yin Ming at this time was already angry and trembling in despair, but what else could she do?

Just when Yin Ming's beautiful eyes were almost dim, he lost all his light, his lips moved slightly, and he was about to say something, the boy who was the doorkeeper before came in again and reported respectfully:

"Gu Lao, a young man named Ye Chen is here."

Everyone was taken aback when they heard this.

Ye Chen? This is really saying Cao Cao, Cao Cao is here, is it a coincidence?

Next, the looks of several people were completely opposite!

Bone had an ugly face, Yin Ming was extremely frightened, and Wu Bo and Wu Shishan had weird and cruel smiles on their faces.

It seems that God wants Ye Chen to die!

And Ye Chen, who just came to Mangshan Villa, vaguely heard at the door, someone was saying something about the magic card, and his eyes lit up and he walked in directly!

As soon as he entered the living room, Ye Chen was slightly taken aback, because he noticed that there were quite a few people in the living room!

His eyes stared at Yin Ming tightly!

Soon, Yin Ming's temperament became more and more exciting!

Immediately, he smiled at Yin Ming and said: "Ming'er, I am here."

What Ye Chen didn't expect was that Yin Ming acted very coldly, and even said coldly to him: "You admit the wrong person!"

Ye Chen frowned slightly, but when he saw Wu Yushan's expression on the side and Yin Ming's trembling shoulders, he probably guessed what was going on in his heart.

For a while, the look at Wu Xinshan also became cold.

"Ming'er, are some dogs disturbing your quiet?"

.....

The same moment.

A huge altar in the depths of the kingdom of God.

Surrounded by endless magic in the altar!

The demonic energy here far exceeds the demons!

A sword is floating in the center of the altar!

This sword is engraved with ancient lines, just like a bloodthirsty demon!

If someone from the ancients appears here, you will definitely find that this sword is the sword of the Devil Emperor that is powerful for nine days!

Purgatory Demon Sword!

Suddenly, there was a sound of footsteps! !

A figure that dominates the world came to the center of the altar!

Five fingers hold the Purgatory Demon Excalibur: "Friend, long time no see."

Chapter 2426: Lost by half!

.....

At this moment, the man in the cave held the Purgatory Demon Sword and fell into a long period of contemplation.

In ancient times, he was the first person of the demons.

The existence that is most qualified to shake the kingdom of God!

The era when many powerful people in Lingwu Continent are willing to become dogs of the kingdom of God!

He was the first one to stand up against the kingdom of God!

The Devil Emperor in those days was holding the Purgatory Demon Divine Sword in his hand, slashing the demons with one sword! Slash the Kingdom of God with one sword!

even created the undefeated myth!

If it wasn't for Jun Mochen to shoot behind! How could the Devil Emperor fall!

Even the demons can contend with the kingdom of God!

That is another flourishing age.

The Devil Emperor wakes up from his memories, looking at the sword in his hand, the whole body's devilish energy is released!

"In this battle, I owe too many demons, I don't know if they can survive."

"Of course, Ye Chen owed the most in the first battle of the Mozu."

"Along the way, if there is no Ye Chen, I am afraid I will not be where I am today."

"This love cannot be repaid forever."

"Fall, I will get back to the top as soon as possible."

"Demon Lingzi prepared a place of inheritance for me."

"This place suits me too well. Only by setting foot here can I be qualified to set foot on the kingdom of God."

"If I return to the top, dare to cut the heavens!"

In the next second, the devil crossed his legs in the center of the altar! Inhale endless magic energy in Dantian!

Purgatory Demon Sword is also suspended on the head of the Demon Emperor, releasing the power of the ancient Demon God!

The battle between the Devil Emperor and the Heavenly Dao Palace is completely launched!

.....

At the same moment, Mangshan Villa!

The atmosphere is solemn to the extreme!

Wu Yushan looked up and down Ye Chen, suddenly, he burst into laughter, pointed at Ye Chen and asked:

"You are the Ye Chen? The super enchanting who can leapfrog, the warrior in the early stage of the Supreme Void is not your opponent? So strong, really strong, so strong, it is the first time I have seen it, such a terrible door closure Does the environment exist?"

Wu Bo also laughed mockingly: "Yes, it's simply subverting the old martial arts thinking, such a terrifying evildoer, even the top sect, will be regarded as a treasure, right? Hahahaha!"

After seeing Ye Chen, the two obviously thought that those rumors were exaggerated! A closed door exists, and in their eyes, it is simply an ant among ants!

A cold light flashes in Ye Chen's eyes, the six-layer sky is too empty? If it had been before, he would still be weak in the face of Taixu's sixth heaven.

But now, he has experienced the first battle of the Demon Race, and has received a trace of Zi Ning's profound stele. His foundation has been strengthened several times, and his strength has also doubled!

Of course, he did not take down the profound monument of Zi Ning!

But Zi Ning's bloodline is extremely special. Even in a world where the strong, all kinds of evildoers emerge in endlessly, it can be called a treasure, and naturally has an extremely powerful effect!

plus growing up with the reincarnation monument since childhood!

The influence on Ye Chen is not as good as the refining reincarnation monument, but it is also beneficial!

Now he is confident that he has the power to fight even if he faces the sixth heaven of Taixu!

At this moment, Gu Lao stood up abruptly, walked in front of Ye Chen, blocked the Wu family, and said with a deep gaze: "Two, this Master Ye is my guest. Now we have something to discuss. I have already rejected the matter of my disciple, please, go back!"

The meaning of        is obviously to defend Ye Chen!

He understood the character of this kid from Yin Ming and Mo Lingzi. He was too arrogant and would never be silent in the face of the ridicule of the two!

Wu Bo narrowed his eyes and said, "Oh? Brother Bone meant to meet us for such a closed door?"

Gu Lao said lightly: "Yes, so what!"

Wu Shishan licked his lips, and to be honest, he had long seen this old thing displeased. If it hadn't been for this old thing to repeatedly refuse his father's proposal, perhaps Yin Ming would have gotten it already?

So, he grinned and said, "Then let me learn and teach the old martial arts, and see if your old bone still has the strength to shield others!"

After all, Wu Xinshan stepped forward suddenly, his whole body surged with spiritual power, turned into red light, and came out through his body. The tiger-shaped pattern on his battle uniform suddenly became alive, along the body of Wu Xinshan. Constantly wandering, in the void, there are faintly roaring tigers!

Bone's old pupil shrank, and said in a little surprise, "The body of the tiger?"

The body of the emperor tiger is also a very powerful physique in combat. A warrior with this physique, his strength and physique are just like the ancient fierce beast emperor tiger, and can even surpass his own realm!

Gu Lao no longer hesitated. With a move of five fingers, golden glows flowed on his nails, and with a violent wave of his hand, the martial arts charm burst, five golden claw glows, cut into the void, and appeared in Wu Xinshan's body in the blink of an eye, as if to Printed directly into Wu Xingshan's body!

This emperor tiger's body, the stronger the war, the more you must take the lead when dealing with such warriors!

And Wu Yushan laughed loudly and said: "Good job!"

The red light in the body, burst out! The whole person of Wu Xinshan was submerged in it, and the weird and fierce five claws fell into the red light, but it was like a mud cow entering the sea, and instantly disappeared!

At this time, Wu Yushan has reached Gu Lao's body and shouted: "Now, it's me!"

In the sound of the tiger's roar, Wu Yushan raised the big axe behind him, and slammed it towards Gu Lao!

Gu Lao had his dignified gaze, took a deep breath, held a pair of short swords with his palms, turned his spiritual power to the limit, suddenly crossed his hands, strangling away against the big axe above, the sword intent was vertical and horizontal!

Originally, facing this axe, his best way to deal with it was to dodge! But he couldn't flash, because it flashed, Ye Chen behind him was directly exposed to the big axe!

The next moment, there was a loud bang, and the light broke out. Yin Ming had already escaped far away at this time. The battle at this level was just an aftermath, and it was also fatal to her!

Ta Ta Ta!

After Gu Lao took the axe, he stepped back three steps in a row, smashing the floor of the living room! Left a deep footprint!

He stared at Wu Xinshan, his hands folded.

Ye Chen standing behind Gu Lao clearly saw that Gu Lao's two arms were shaking slightly!

In the confrontation with this blow, Gu Lao actually lost by half!

This Wu Yushan's talent is really terrifying! !

You need to know, Wu Yushan just advanced to Taixu Sixth Heaven, but what about Gu Lao? He himself is a more terrifying warrior, but because his body cannot be recovered, his realm is stuck in the sixth layer of the Taixu Heaven. It stands to reason that his strength should be better than the general existence of the sixth-layer Taixu, but he can face Wu Xinshan. , Was actually a disadvantage!

Wu Yushan also frowned slightly. Just now, when he fought with Old Man Gu, he felt a vaguely dangerous aura, making him dare not act rashly for a while!

Chapter 2427: Believe!

He couldn't help turning his gaze to Ye Chen, and said with a scornful expression: "Boy, I heard that your strength is very terrifying, then, don't hide behind the old guy like a turtle with your head down? Can you? Stand up like a man, huh? Just a soft egg like you is worthy of Xiao Ming?"

Want to come here in Wu Yushan, to repel the old bones with a single blow, and to show the horror strength, this closed garbage should be scared to the leg weakened? I can only endure my own humiliation, but will Yin Ming continue to like it when he sees such waste?

Soon, I will recognize reality.

But who would have thought, the next moment, Ye Chen said lightly: "Xiao Ming, is it yours?"

Quiet, extremely quiet.

No one thought that Ye Chen would really dare to speak to Wu Xinshan like this?

Still after Wu Xinshan, after showing his strength?

crazy! It's crazy!

Even Wu Yushan looked at Ye Chen in disbelief, isn't this guy really afraid of death?

Then, there was anger, incomparable anger!

I was hit by a door closed garbage?

He is the pride of the Wu family, a super enchanting man with unlimited future!

That's it, was hit by a \*\*\*\* that is not even considered an ant?

Wu Yushan's eyes were red, and he said murderously: "Very good, very good! Boy, are you really afraid of death?"

Ye Chen said lightly: "Death? I don't know if I'm afraid or not, but you don't have the qualification to let me die."

"Hahahaha!" Wu Xinshan laughed wildly, his face covered with veins and blood spurting!

This \*\*\*\* is very talkative, very annoying, and it makes people want to pinch him to death!

"In that case, tomorrow, life and death battle, do you dare to take it?"

Yin Ming heard the words and said nervously: "Ye Chen! Don't promise him!"

Gu Lao also persuaded: "Boy, don't be impulsive!"

Ye Chen's potential, in his opinion, is higher than that of Wu Xinshan. If Ye Chen is given time, he will definitely be able to catch up with Wu Xinshan, but not now.

Ye Chen was silent.

Upon seeing Wu Yushan, the contempt on his face became more and more intense:

"Why? I'm afraid? I'm afraid to speak? Didn't you pretend just now? Huh? It will only force Lailai? When a real knife and a gun touch, it will wither? Waste? Continue to call?"

The reason why he wanted to provoke Ye Chen to take over tomorrow's life and death battle was because he didn't want to have a conflict with Gu Lao today. The trials are just around the corner. At this juncture, Wu Xinshan will not allow himself to be injured!

Moreover, he didn't want to leave the name of an oppressor before the trials. Therefore, it is the best way to set a life-and-death battle in front of everyone. No one can say anything.

As for Ye Chen? There is no chance of hurting him.

Ye Chen ignored Wu Xinshan, but asked Gu Lao: "How is their family?"

Gu Lao frowned slightly when he heard the words, but still replied: "For you, you must pay attention. Because it is said that there is one in the clan who existed in the middle stage of Zhan'er, two existed in the early stage of Zhan'er, and several Taixu six layers of heaven!"

Ye Chen nodded, his eyes flickered, Wu Xinshan? He is not afraid, but the family behind this person has to consider.

If Ye Chen is alone, he can do everything, but he doesn't want to involve Yin Ming, and he has no time to waste fighting the forces now.

Seeing this, Wu Xinshan couldn't help but sneered: "Trash, don't you want to continue to pretend, right? You are good at acting? I dare not fight, but I want to take my son's family to talk about it? Haha, just say if you're afraid. I'm afraid, now I kneel down and lick my shoes clean for my son. I can consider letting you go, how about it? A super enchanting villain in Lingwu Continent?"

"Play?" Ye Chen suddenly raised his hand, and a scroll hovered between the two.

He stared at Wu Xinshan, without any intention to evade:

"Just relying on you, are you worthy of me acting? I said, you are not qualified to make me afraid, and even less qualified to let me act, the frog at the bottom of the well, don't think of yourself as a real dragon, your confidence is just a funny clown in my eyes Performance."

Without waiting for Wu Yishan to speak, Ye Chen pointed to the scroll and said lightly: "I don't like to call, and I don't like to hear you. If you want to fight, then don't make any noise."

This is the soul deed. The above content is that after the life and death battle, you can no longer rely on the forces to retaliate, sign your name, and I will fight you! "

This soul deed was obtained from the storage bags of many elders of the kingdom of the gods in the last time in the endless sea. The rank is extremely high, even for the martial artist of the Evil Slayer, it has a strong binding force.

Yin Ming, Gu Lao was shocked when he heard this, and even his mind was completely blank!

Ye Chen, really want to take over Wu Xinshan's life and death battle?

Challenge the Taixu Sixth Floor by closing the door for repair?

This is unheard of since ancient times! Even beyond the legend!

Regardless of anyone's point of view, this is a battle whose results are already destined!

Wu Yushan's eyes were full of anger, and he was about to ignite his eyes. He forcibly suppressed the urge to shoot, leaving his own soul mark on the soul deed, and then sneered at Ye Chen:

"Okay, I think you can pretend, but I don't know the life and death fight tomorrow, can you still pretend?"

Since you signed the soul contract, you can't escape, right? Haha, I hope you don't let me down, you have to pretend to the end, pretend to die! "

After that, he gave Ye Chen a fierce look, turned and left, and left Manshan Villa with Wu Bo!

After seeing Wu Xinshan leave, Old Gu shook his head and said: "Boy, you are too impulsive."

Ye Chen glanced at Gu Lao, and his expression became milder. Judging from Gu Lao's behavior and Yin Ming's attitude towards him, he really regards Yin Ming as his disciple, not like him at the beginning. What he said was just to blackmail Ye Chen and use Yin Ming as a bargaining chip.

At this time, Ye Chen's arms warmed, and Yin Ming's soft body suddenly fell into his arms, hugged him tightly, and said nothing for a long time.

Ye Chen felt Yin Ming's shoulders shudder slightly and seemed to be crying. He gently patted Yin Ming's soft-lined back, and comforted: "Ming, it's okay, trust me."

"In the Kingdom of God, I am afraid that there are only two disciples of Xuan Yuezong, you and me. We can't shame Xuan Yuezong!"

said, in his eyes, a cold light rose up and said: "What about the six-tier Taixu heaven! Realm never represents strength!"

Dare to shoot his woman? Still put it to death?

This kind of person, let him live, don't you feel sorry for yourself?

Yin Ming took off his veil, raised a dazzlingly beautiful face and looked at Ye Chen. In the reddish and rainy eyes, she asked with expectation, "Really?"

Ye Chen smiled and said: "Have I lied to you?"

In Yin Ming's beautiful eyes, although there was still a look of worry, he laughed. Although the reason told her, Ye Chen was definitely not Wu Yushan's opponent, not only not, but also a terrible loss!  
!

But, she is more willing to believe Ye Chen's words than reason!

is more willing to believe that she is Yin Ming's man!

Chapter 2428: Xuanming Blood Axe

There is almost no reason for this kind of trust. What I have to say is her love for Ye Chen.

She believes that Ye Chen will definitely be able to do it after saying it, no matter how incredible such a thing is, she will support him wholeheartedly!

At this time, Gu Lao said to Ye Chen: "Ye Chen, you call me Gu Lao, the previous thing was that the old man offended."

Ye Chen glanced at Yin Ming, Yin Ming can have the current cultivation base, indicating that Gu Lao is really teaching her with all his heart, and immediately shook his head:

"If it weren't for my old bones, I wouldn't be able to make a breakthrough. Maybe I would really die. Since you became Ming'er's master, then you would be my own."

Gu said with a smile: "Naturally, the old man will not really threaten you with Ming'er, but I still have something to ask you for help, and this matter is also good for you."

Ye Chen nodded and said: "But it's okay to say, as far as I can, I will not refuse."

Bone old said: "This is natural."

"By the way, since you found this place, you must have seen Mo Lingzi! What happened to Mo Lingzi?"

Ye Chen thought for a few seconds before telling Gu Lao what had happened to the Demon Race.

Gu Lao was full of emotion, looked outside the house, suddenly reminiscent, and talked about what happened back then.

It turned out that Gu Lao was actually a peak powerhouse in the Evil Slayer realm back then, and he also came from the top sect of the gods!

However, in an event jointly organized by the top forces, he almost died. Although he managed to escape here by relying on the secret technique, he fell asleep for too long, and his strength could hardly be recovered. It's over...

And his adversary has now become the top powerhouse of the kingdom of God. He wants to return to the sect again, it is a delusion, and even, it is impossible to reappear among the major forces. He can only hide himself and steal his life.

Suddenly, he took out a strange spar and handed it to Ye Chen: "Ye Chen, this is my natal soul stone, and it is also a strange treasure. In fact, my identity back then was not simple, even Freedom first entered the forbidden land of Shenjizong!

And if I want to recover my body, I need to take out the back hand I left in the forbidden area. You hold this soul stone. If you have a chance to reach the Divine Extreme Sect, relying on it, you should be able to enter the forbidden area once, that forbidden area. , But a god-level god-devil pool related to the outside world has magical effects on the body and strength of the warrior.

And I only survived by the substitute that stayed in the pool of the gods and demon. However, if I want to recover my body now, I need to take out the substitute and blend it with my body. "

Ye Chen accepted the soul stone, nodded and said: "So, I have to join this Divine Extreme Sect?"

Old Gu smiled and shook his head: "You can join any top power. There is no shortage of opportunities for exchanges and learning among the large powers. In addition to the ten major sects, even many top families and the League of Gods. Been there."

"However, if you want to enter this god-level god-devil pool, it is best to wait for your cultivation base to be higher, and you must remember that entering the god-devil pool, although it is of great benefit!

No matter how strong your physique is, I am afraid that you will not be able to withstand the terrifying energy in the gods and magic pools for too long, so be sure to come out early! "

Ye Chen smiled non-committal when he heard the words, what he was most afraid of was huge energy!

The last time Burning Heaven's blood pool was the best example.

But obviously, the energy of the gods and devil pools that Gu Lao said far exceeds the gods blood pool!

Ye Chen asked Gu Lao again: "Gu Lao, do you know Dragon Heart Fruit?"

After all, this is about Chu Ying's resurrection.

"Dragon Heart Fruit?" Old Gu shook his head and said, "I don't have it. This thing is too rare, but I know who has it!"

Ye Chen's eyes brightened upon hearing this!

"If I remember correctly, the old guy from the League of Gods who presided over each trial has one in his hand! However, it is not easy for you to get it from him."

Ye Chen frowned and said: "I heard that if you become the number one in the trials, Shenmeng will give a gift?"

Old Gu Gu nodded and said, "Yes, but even so, it is impossible to let him take out the dragon heart fruit."

Ye Chen said with solemn eyes: "Is there any way? This matter is very important to me."

Gu Lao pondered for a moment, and suddenly smiled: "This person has a problem and likes to bet against others! If you can stimulate him and bet against you, even if you bet on dragon heart fruit, he will take it! Although this person is a man Gamblers, but they have never been wronged."

Ye Chen looked happy, and the burden in his heart was lightened!

.....

On the second day, in the largest fighting arena in Mancheng, under the Mang Mountain, at this time, there was a loud voice!

Many people are talking about today's game.

A man asked his companion next to him: "I heard that Young Master Wu is going to compete with someone? Do you know who it is?"

"According to my news, it seems to be a warrior from the Lingwu continent!"

The man looked disdainful and said: "Lingwu warrior? Haha, Lord Wu is our first genius in Mang City. Isn't the Lingwu warrior all waste? Do you dare to challenge Lord Wu?"

Another person said: "I thought Mr. Wu would make a move I wanted to see the style of the first genius. It seems like a trip for nothing. Even if Mr. Wu blows his breath, it can shock him. Die?"

"Hehe, more than that? I heard that this little \*\*\*\* has not even reached the Void Realm. Most of the people present can crush it. I only hope that Young Master Wu can be magnanimous and not kill him so quickly. Let this Clown, perform more performances and have some fun for us."

"I also heard that this \*\*\*\* dare to \*\*\*\* women from Young Master Wu? You know, Young Master Wu has always been very careful about women. Today, this \*\*\*\* has become an extravagant hope for death, right? We should There is a good show."

Many people in the audience laughed cruelly. They didn't have a shred of optimism towards Ye Chen, they were only ready to appreciate a \*\*\*\* massacre and a feast of blood!

What they want to see is not even a battle anymore. The result of this battle is already doomed, isn't it?

What they want to see is Ye Chen begging for mercy, crying!

At this time, Ye Chen and Wu Yushan had already stepped into the field.

Today, Wu Yushan did not use the original big axe. Instead, he carried a strange battle axe with a whole body of jet black and many scarlet lines on it!

Ye Chen looked at that battle axe, and a dignified color flashed in his eyes. This battle axe was actually faint, giving him a sense of depression!

The rank of this battle axe is so high that it even surpasses that of too imaginary holy soldiers!

When everyone saw this, they couldn't help but talk. .

"Isn't that the treasure of the Wu family, Xuanming Blood Axe?"

"Does it take this thing to deal with a Lingwu garbage?"

Chapter 2429: Purple rune!

"Hehe, it seems that Young Master Wu is a chance, I won't leave it to this kid~"

"Cruel, hey, too cruel, but I like it!"

A man suddenly said: "You guys, don't just pay attention to Wu Shao's weapons, look at his uniform!"

Everyone looked intently, and couldn't help taking a breath!

The battle axe is the treasure of the town family, even if it is even a high-level thing? Moreover, this battle uniform seems to be made of the tiger skin of the \*\*\*\* of the sun, almost tailor-made for Wu Xinshan's physique!

Everyone shook their heads, this Ye Chen is dead, he can't die anymore!

Wu Yushan, is this too bullying?

The realm itself is much higher than Ye Chen, and the martial arts and techniques that he has cultivated, with the support of the Wu family, are not comparable to those of Ye Chen.

Even so, do you still have to take out the weapon of the town clan and come up with a tailor-made superb uniform to fight?

This is simply not a sledgehammer to kill a chicken, but a heavenly axe!

Wu Shishan smiled slightly, what he wanted was this kind of effect. He wanted to show his strong strength and crush Ye Chen in all directions. Otherwise, how could he be worthy of the title of the number one genius in Mang City?

Even Ye Chen's eyes couldn't help but feel more solemn.

These two half-step weapons have improved Wu Xinshan's strength, not small, really not small!

Seeing Ye Chen's expression, Wu Xinshan smiled sensibly: "What's wrong? Can't get up mad? Ha ha, do you remember what I said? Now if you are willing to kneel down and lick my shoes, what I said still counts. Willing to let you go, how?"

Chance, but this time? "

For Wu Yushan, letting Ye Chen kneel down and lick his shoes and humiliate Ye Chen in public is more meaningful than killing him himself!

Yesterday, wasn't Ye Chen very arrogant? He held his breath for a long time, and killed him directly. How could he relieve his hatred?

He wants to humiliate Ye Chen severely in front of Ye Chen's beloved woman, in front of so many audiences, and trample his dignity into the dust!

"Really?" Ye Chen looked at Wu Xinshan with a faint smile, "Well, don't worry, I will give you the same opportunity later."

"Hahahaha!" Wu Xinshan smiled back in anger, this kid really didn't seem to be pretending? Dare to be mad when death is imminent?

"So, my son, which hand should I cut from?"

Wu Yushan smiled, and his voice suddenly became cold. The poisonous snake stared at Ye Chen and cut out an axe!

With one stroke, the world changes!

Wu Yushan's martial arts is really good, and the cultivation base of the sixth layer of the etheric virtual sky has completely brought out the power of the weapon in his hand!

This axe cut out, and gave everyone present, a feeling of dark clouds pressing on top, the sky collapsed!

As if, the end of the world is coming!

The audience was so shocked that they even held their breath!

They all stared at Ye Chen!

In their thoughts, facing such a terrifying axe, Ye Chen would be mad no matter how mad, and now, he should have collapsed!

but!

To everyone's surprise, Ye Chen not only did not collapse, but did not even take a step back!

At this time, he, holding the beastly sword in his hand, is actually going to take the axe that destroys the world!

"The power of breaking the sky!"

Ye Chen gave a low cry, and golden light appeared all over his body. It was not only the power of breaking the sky, the true spiritual transformation, the blood burning tactic, the blood of the gods, the demon, the great road, and so on, all displayed!

At the same time, ten Horcruxes were hanging in the air behind Ye Chen!

looks like a pair of dark wings!

These ten Horcruxes were re-refined after Ye Chen's strength increased. Their power is not the same as the original ones. They can be activated at the same time, and they can even damage the Sixth-layer Celestial Martial Artist!

Facing the shocking axe, Ye Chen snarled, "The spirit demon Zhutian Sword!"

The sixth sword of the clear wind!

Ye Chen can barely use it now!

The ultimate sword light, wrapped in boundless power, cut off to the pitch-black giant axe that was heavily smashed, and at the same time, the ten Horcruxes burst, and endless spirit fluctuations emerged, instantly submerging Wu Yishan!

"Ah ah ah ah ah!"

A terrible scream sounded in the fighting field!

Everyone knows that someone will scream.

But, they didn't expect Wu Xinshan to scream! ! !

At this time, Wu Yushan, blood was gushing out of the seven orifices, and the soul was shocked!

However, Wu Yushan deserves to be the number one genius in Mang City. Even so, the big axe in his hand is still extremely stable and has not been shaken by the slightest!

However, the spiritual power on the axe is inevitably lost.

If it were the original, if this axe could score 100 points, now it is 97 points!

These three points, for others, there may be no difference, but! For Ye Chen, enough!

The next moment, there was a loud bang, and the light burst!

A crowd of viewers, at this time, fell into a complete sluggishness, as if it was not Wu Xinshan that was attacked by the horrible soul, but themselves!

Their spirits, consciousness, now, as if they were being bombarded by countless artillery fires, are about to burst and shatter!

What did they see?

Swords and axes struck each other. Unexpectedly, Ye Chen was chopped into blood mist, his chest and abdomen were cut open, his hands and feet were severed...

What they saw was that Wu Xinshan had retreated!

And, more than ten steps back! ! !

A proud child of the Sixth Floor of the Supreme Void, using such a weapon, the result of a confrontation with a person of Lingwu in the Sealing Realm turned out to be the genius of the Sixth Floor of the Supreme Void, retreat Up?

This, it's like seeing a ghost alive!

weirdly weird!

And Ye Chen, staring at Wu Xinshan, said indifferently: "You, underestimate the enemy."

said, as soon as he moved, he rushed towards Wu Xinshan!

At this time, Wu Yushan, on the slightly pale face, is there any hint of arrogance and disdain?

There is only an extremely solemn one!

Because, he has found it!

This battle, if he is careless...

will die! ! !

Although this kid has sealed the door for three levels, but half of his foot has entered the fourth level!

may even break through the four heavens at any time!

Suddenly, Wu Xinshan suddenly flipped his hand and put a purple crystal paper talisman on the center of his eyebrows at a very fast speed. The paper talisman melted instantly, as if it had blended into Wu Xinshan's head. The center of his eyebrows, One more purple rune!

Ye Chen looked at this rune, but frowned slightly, Wu Xinshan's spirit defense was obviously strengthened!

This paper talisman should also be a top grade, and its value is not even under those two weapons and armor!

For the time being, Ye Chen's Horcrux has no effect on Wu Xinshan!

With a roar, Wu Yushan retreated again, but this time he only took five steps back! !

For a time, two figures flashed in the fighting arena!

The constant impact caused the entire martial arts arena blessed with a strong formation to shake and become unstable!

Chapter 2430: The demeanor that a martial artist should have!

And the audience present is already enthusiastic!

They don't know how Ye Chen did it, but even though this battle looks extremely incredible, it is undeniable that this battle is extremely exciting, almost the most exciting battle they have ever seen in their lives. Up!

The martial arts performed by Ye Chen and Wu Yushan are extremely powerful, exquisite, and powerful, but the two of them continue to fight hard, their bodies have long been stained with blood, wounds everywhere, blood spurting, blood surging!

Originally, these audiences only thought they were going to watch a funny and absurd performance, but they did not expect that what they saw was an unimaginable wonderful battle!

The Kingdom of God, advocating martial arts, every person in the Kingdom of God has a passion for fighting, but not everyone can do such extreme fighting!

Immersed in such a deadly and magnificent fight, no one would laugh at Ye Chen. At this time, Ye Chen had already won the respect of everyone!

Even worship!

Why?

Because, now Ye Chen is hitting Wu Xinshan!

This is simply a feat that can be recorded in the annals of history!

Say it out, I'm afraid no one will believe it, right?

It's the truth, but that's the case!

Even some people have begun to shout Ye Chen's name, cheering for Ye Chen!

At this time, Wu Yushan's complexion is already hard to see the extreme!

Because he knows that if this continues, he will be defeated by Ye Chen!

But at this moment, a sudden change occurred!

When the sword and axe met, the beast sword in Ye Chen's hand uttered a scream!

The next moment, a slight crackling sound echoed in the fighting arena, and countless cracks spread across the beast sword...

Then, with a click, this beast sword that had accompanied Ye Chen for a long time was unsupported and shattered!

Fighting battlefield, fell silent for a while!

Even Ye Chen was a little dumbfounded, just staring blankly at the hilt in his hand...

However, the only thing worthy of comfort is that he vaguely felt that the spirit of the beast sword had not disappeared, but was hidden in the hilt.

Yes!

The most important thing is that he doesn't have a weapon to take advantage of now!

Beast Rotten Sword has always been strong in Lingwu Continent!

But in front of Wu Bo's weapon, it is obviously weak!

Maybe it's time to refining!

If the spirit of the instrument is not dead, it can be reborn to prove Dao!

Seeing this, Wu Yushan couldn't help laughing wildly: "Hahahahaha, Ye Chen, I have to admit that you are indeed very strong, very enchanting, and beyond all my expectations!

But, it's a pity, Lingwu garbage, it's Lingwu garbage after all, don't even have a decent weapon? Haha, now, do you know why we look down on Lingwu? Now, do you understand the gap between you and me? "

said, with another axe, he slashed at Ye Chen!

At this time, there was a boo in the audience!

This Wu Yushan is shameless!

Wu Yushan sneered in his heart, his face? Hehe, face is important, but compared to fate, it's just shit!

Ye Chen gritted his teeth, suddenly took out his hand, and held a long knife. However, after changing the knife, Ye Chen was unexpectedly for a while, and he couldn't restrain Wu Yushan!

He wanted to use the Zhutian Demon Spear!

But in the first battle of the Demon Clan, the power of the Demon Emperor was too strong, and the Demon Spear of the God Killing God was also extremely worn!

If it is taken out now, it will definitely end in the same way!

He can only take out a powerful long knife that the elder of the Kingdom of God got in hand! !

But, after a while, there was another cracking sound, and the knife in Ye Chen's hand was actually broken again!

Wu Yushan's weapons are too terrifying!

And above Wu Xinshan's face, there was also a cruel smile!

The two kept fighting each other, half an hour later, the weapons in Ye Chen's hand were all shattered without exception!

Wu Yushan carried the big axe, his face was mocking, and he sneered:

"What's the matter? Don't you have a lot of weapons? Keep taking them out?"

A real artifact, it can't compete with the weapon in his hand!

The only battleable thing in Ye Chen's hand is the Blood Demon Sword!

But he can't get into the evil for a short time now, how can he use the Blood Devil Sword!

Even Ye Chen thought about the explosion of a thousand soldiers, but on this arena, there are even restrictions on the explosion of a thousand soldiers!

Wu Yushan looked at Ye Chen coldly, now, should Ye Chen give up?

Should you despair?

Should I give in?

After all, he can feel that Ye Chen's hole card is the strongest. If he had no weapons, his strength would be greatly reduced!

But the next moment, in the surprise, shock, and admiration of everyone, Ye Chen assumed a posture with his bare hands...

Even if there is no sword in his hand, Ye Chen still wants to fight!

There was a burst of cheers in the fighting field!

"Die to me!!!"

Wu Yushan roared fiercely, he didn't understand, really didn't understand, Ming Ming Ye Chen was already exhausted, why did he want to fight?

Why are you still struggling?

Is it true that he will never admit defeat and bow his head?

With a bang, this axe hit Ye Chen's body severely!

Red Dust Divine Vessel is activated!

blocked most of the power!

But Ye Chen still bleeds!

However, Ye Chen's fist also hit Wu Yushan's chest at the same time. The powerful battle uniform emitted a burst of red light, and tried his best to resist Ye Chen's terrifying fist!

But even so, Wu Yushan couldn't help but spit out a big mouthful of blood, and the whole person flew upside down in an instant!

Ye Chen at this time was bloody, and it was even hard to believe that he could still live!

Yin Ming in the audience is already in tears!

Ye Chen who can be covered in blood an excited, crazy, evil smile appeared on his face!

In his mouth, he suddenly let out a roar, like a wild beast, rushing towards Wu Xin Mountain!

Wu Yushan couldn't help but stepped back.

His eyes trembled, and a fear from the soul filled his heart!

At this time, Ye Chen looks like a ghost from hell. He doesn't care if he is injured or whether he will die, but he is thirsting for blood!

his blood!

For a time, blood was splashing, Ye Chen's body was chopped again and again, but still, it did not fall down!

This is the power of killing!

Half an hour later, Ye Chen at this time was covered with hideous wounds, but his slightly pale face was still burning with crazy fighting spirit.

In the fighting field, there was no sound, everyone was shocked by Ye Chen!

was shocked by his unyielding fighting spirit!

This is the style that a martial artist should have!

And Wu Yushan was already covered with blood at this time, and he didn't know how many bones had been broken, many internal organs had been broken, his facial bones had been cracked, even his teeth had fallen out a lot, and his face was covered with blood!

And his eyes were shaking when he looked at Ye Chen!

How many axes did Ye Chen eat from him?

He can't even remember himself, but Ye Chen still hasn't fallen down!

Is that human being? ?

What kind of body and blood is this!

Almost not dead!
