

## Urban 2451

Chapter 2451: Old man, accept me?

Ye Chen stayed for a while, why is he here? Vaguely, it seemed to feel a sense of disharmony, but couldn't tell.

"Don't!"

At this time, an extremely miserable woman scream came into Ye Chen's ears.

Ye Chen looked up, but his pupils shrank instantly, his spiritual power surged, his anger exploded, his eyes were congested, and he was going crazy!

The screaming woman is not someone else, but Sun Yi!

At this time, Xu Hou, with a grinning face, was piercing a dagger into Sun Yi's abdomen, blood was splashed all over his body!

The illusion reflects the fear buried deep in the heart of the warriors, to test their Taoism.

Is Ye Chen afraid of death?

He is not afraid. Although he is not afraid of death, he is also a human. As long as he is human, he will have fear.

The scene that appeared before his eyes was Ye Chen's fear.

Although Ye Chen protected Sun Yi and Xuan Yuezong, his heart was unavoidable.

I was afraid that I was late, I was afraid that I could not stop everything...

In the battlefield, just entering the illusion, after twenty breaths, Ye Chen's breath tended to be violent!

The originally confused eyes were completely overwhelmed by the killing intent!

In the fighting field, the sound of ridicule, one after another! Twenty breaths, better than the average contestant, but compared with those super evildoers, it's just one place every day! There is no comparison at all, let alone, compared with Wuming!

Just twenty breaths, is it all right?

What else did you say, let's see the result of the trial?

You dare to pretend to be like this?

still dare to gamble with old man?

really laughed out of his teeth!

Yin Ming and Gu Lao also looked at Ye Chen very worriedly. Ye Chen was the best and most heaven-defying existence in their hearts, but at this time, even they could not deny that Ye Chen was in divine trial. The performance is really a bit too ordinary, too mediocre...

Sure enough, no one is perfect, Ye Chen is indeed very good, but it is not perfect.

Tu Lanxin in the VIP Pavilion, she withdrew her gaze when she saw this scene. In her beautiful eyes, the original interest completely dissipated. Now Ye Chen is not worthy of her attention.

Instead, her gaze fell on a veiled girl. She frowned slightly and murmured: "Why are you hiding everything?"

At this moment, Wen Tianli smiled slightly and was about to take the pearls. A junior like Ye Chen, before gambling with him in public, he didn't say anything, and naturally he was very upset with such arrogant Ye Chen. Now, He couldn't wait to take a look, Ye Chen knew that he had only 20 breaths, what kind of expression would he look like?

At this moment, Ye Chen in the illusion, with a loud roar, was about to make an effort to completely wipe out Xuhou, but at this moment, Ye Chen's eyes suddenly burst out with a burst of black light, dark color, The white part of his eyes is completely filled, and it looks very strange!

The black is even reddish!

A round of blood moon appeared in his eyes!

As soon as the blood moon came out, Ye Chen's whole body was killing intent, and he also stagnated.

Originally, the corpses of Xuan Yuezong disciples, the screaming Sun Yi, and the grinning Xu Hou, disappeared under Ye Chen's eyes.

In an instant, the chaos in the mind was swept away!

On the martial arts arena, Wen Tianli was about to make a move, but suddenly, in Ye Chen's eyes, blood flashed, and the extremely restless aura began to quickly converge!

The mocking smile on Wentianli's face solidified in an instant!

How is this going?

Ye Chen, why does it seem to be calm again?

He has been presiding over the trials for tens of thousands of years. He has only seen people who have fallen into the illusion step by step. When has he seen someone who fell into the illusion at first, and then gradually recovered?

weird!

is too weird!

Ye Chen, is this the opposite of other people?

Originally, Yin Ming and Gu Lao, who were desperate when they saw Wen Tianli preparing to take a shot, their eyes lit up again!

In the illusion, the black glow converged, Ye Chen's eyes returned to their original appearance, and all the illusions reappeared in front of him.

However, Ye Chen at this time just stared at all of this calmly, with no killing intent in his eyes, anger, and clarity, just like the purest sky.

Cang Ancient Medicine God's voice sounded in Ye Chen's heart: "Boy, you take the initiative to let go of the defense of the spirit and soul, in order to clean up the Dao Xin. Did you gain just now?"

Ye Chen nodded and said: "Faced the thing I feared the most, Dao Xin was firm."

Canggu Medical God said with a smile: "Hehe, others are desperately defending the soul, but you, relying on the body of mind, actively let go of the defense of the soul, in order to sharpen the Dao heart. If you let others know, I wonder if they will be what expression?"

Ye Chen smiled slightly and didn't say much. The reason why he dared to do this was because he possessed the body of thinking demon!

The body of Nian Demon is the strongest soul physique. The soul illusion that Wen Tianli, a strong man in the alliance, uses ancient tools to display? Hehe, to him, it's nothing!

The body of the demon is enough to dispel all illusions and falsehoods!

On the aspect of divine soul, it is powerful, even above divine body! Unless it is an illusion that truly reaches an extraterritorial level, it will not have the slightest impact on Ye Chen.

Therefore, Ye Chen can take the initiative to open up his spirit defenses to sharpen Dao Xin.

Anyway, with the body of mindfulness, it is completely impossible for him to fall into the illusion.

Now, he wants to stay in this illusion as long as he wants, but Ye Chen doesn't want to stay anymore.

He watched Sun Yi suffer, and watched the tragic deaths of Xuan Yuezong disciples. Although he knew it was an illusion, he was still very upset!

Unhappy, what should I do?

Cang Ancient Medical God said: "Boy, what are you going to do now?"

Ye Chen said lightly: "Since my Taoism has been tempered, these illusions have lost their value to me. I have seen enough. Although I know this is an illusion, I am still very upset. Since it is unhappy, of course it must be wiped out."

annihilate it?

These phantoms are all intangibles How to vanish?

Cang Ancient Medical God laughed and said: "Okay, let's do it. Originally, you only possessed the body of chanting demon and were not deceived by all illusions, but now, you still have the extremely evil spirit!

has the extremely evil spirit, can display the supernatural power of the god-breaking god, the extremely evil golden pupil! However, the extremely evil golden pupil can completely defeat this divine soul illusion, breaking the illusion! I also look forward to those guys who underestimate you, what kind of expressions will they look like when you emerge from the illusion? "

At this moment, Ye Chen thought of something and said in amazement: "Old man, don't you not accept me? Why do you seem to admire me now?"

Cang Ancient Medical God stagnated, and then shook his head fiercely: "Humph, you are wrong!"

"The old man can't appreciate you!"

Ye Chen raised a smile at the corner of his mouth.

This old man is really stubborn.

As for the nameless.

Ha ha.....

Then I, Ye Chen, will break the entire illusion directly!

With a bang, two golden flames were condensed in Ye Chen's eyes. The extremely evil spirit that was originally cultivated by him began to run wildly and merged into his eyes.

The golden flames in the eyes burst out, and with a bang, two golden fire pillars were shot out!

The moment the pillar of fire shot, there was a shattering noise in the entire illusion, and the space was like broken glass with cracks. .

The next moment, it completely collapsed!

But in the fighting arena at this time, Wen Tianli's expression changed wildly. Just now, there seemed to be a glimmer of golden light in the depths of Ye Chen's eyes, and then two extremely terrifying evil auras hit him. In the sea of knowledge!

Chapter 2452: Rise!

The light from Ye Chen made Wen Tianli panic a bit!

Although the realm of Wen Tianli's sea of knowledge is extremely strong and will not be hurt, the illusion under his control is completely broken!

Not only was it broken, but that precious ancient pearl uttered a cry, and the light quickly dimmed, even with a click, a crack appeared on the surface of the pearl!

Ye Chen's extremely evil golden pupil actually hurt the origin of this ancient artifact! ! !

A breeze blew across the martial arts arena, but it seemed to be the extremely cold current from Jiuyou Glacier, freezing all the martial artists present, and even time stopped!

Ye Chen's eyes were shining, and Qingming reappeared, and the corner of his mouth was in this silence, and a smile was raised.

This smile, like a heavy hammer, broke the ice forever!

Huhuhu...

Countless sounds of cold breath sounded in the fighting arena!

Just now, everyone could see clearly that Ye Chen regained consciousness before Wen Tianli took the power of the ancient artifact!

Is this true?

Simply broke the limit of thinking! The limit of imagination!

Even if you are dreaming, it won't happen, right?

There is only one explanation for this situation, and that is that Ye Chen broke out!

The real illusion came out!

Wen Tianli, this terrifying realm of the strong existence that is unimaginable, has the illusion displayed with the help of ancient artifacts broken?

Or was it broken by a young man in his twenties who closed the door for repairs?

This is simply more incredible than that the kingdom of God will be completely wiped out by a meteor tomorrow!

Is this Ye Chen a man or a ghost?

And if you want to say that the most shocking, incomprehensible, and fuzzy, I'm afraid it belongs to Wen Tianli himself!

He looked stupidly at Ye Chen standing in front of him, for a moment, he didn't even react to what happened just now!

Yin Ming and Gu Lao had ecstasy on their faces. Originally, they were desperate and thought that Ye Chen was defeated, but Ye Chen once again brought them a surprise!

Ye Chen, he is a god! God who is always undefeated and always on top!

In the VIP Pavilion, in Tu Lanxin's beautiful eyes, the same light flashed!

"Somewhat interesting."

Then her eyes fell on the veiled girl in the crowd again.

Everyone was horrified, but this girl was still calm.

Did the girl already know?

She can't see through.

I can't see through.

"Does this man and woman want to set off a violent storm in the kingdom of God?"

Tu Lan's heart came from an extraordinary background. There was almost nothing in this world, which surprised and surprised her.

However, Ye Chen and Ji Siqing were beyond her expectation.

But at this moment, Ye Chen smiled at Wen Tianli and said, "Old Wen, what's the result?"

Wen Tianli was sluggish for a long time. At this time, Ye Chen spoke, and his people were still a little dumbfounded. He didn't really come back to his senses until his eyes swept across the crack on the ancient pearl!

Hearing this, it was a wry smile.

He is a gambler, and he has seen a lot of gambling reversals in his life, and many unimaginable variables, but he has never lost his stance like today.

What I have to say is that Ye Chen is too bad! Guards to the extreme!

Even the light of the Supreme Divine Body will be overshadowed by it!

Ye Chen's evildoer is about to make him unable to understand...

Wen Tianli couldn't help but sighed. It seems that he is really old, and now is the era of the rise of young people.

However, Wen Tianli has experienced countless storms, and soon calmed down, and announced:  
"Superb test, first place, Ye Chen!"

Wen Tianli knows very well that although Ling Jiuxiao can not be affected by the illusion, it does not have the ability to break the illusion. However, this is normal. Even if it is changed to a Supreme Void Peak, even a true Evil Slayer is almost here. It is impossible to break the illusion created by Kaiwen Tianli.

But Ye Chen did it...

Turning the impossible into possible...

He is not number one, who is number one?

Hearing Wen Tianli's announcement of the results, the warriors of the three or four forces all seemed to have lost their souls, standing in place, dumbfounded, and their eyes would not turn...

What did they hear?

Ye Chen, first?

Physical test first, magic test, still first?

This... doesn't it mean that Ye Chen's aptitude is better than Ling Jiuxiao, who possesses a divine body?

These warriors of the third and fourth ranks are going crazy! I regret that I want to smoke myself ten thousand times! The blood and tears are about to shed!

Ye Chen was blatantly rejected by them just now, and it is impossible to earn someone from the school!

Such a stunning talent, a demon who is comparable to the supreme divine body owner, or even surpasses the divine body owner, was rejected by them and offended?

If you have Ye Chen, a hundred years...no, ten years later, the power you are in will probably rise by leaps and bounds, and as a guide who leads Ye Chen into the entry, the benefits they will get, I'm afraid It's also unimaginable, right?

But now, everything is in vain...

However, they can't be blamed for this, who would have thought that Ye Chen's talent was so terrifying?

It can actually step on the \*\*\*\* body!

At this moment, Ye Chen, who had left the martial arts arena, walked towards these sect representatives.

The representatives of these sects were taken aback for a moment, and the next moment, they put on a pleasing smile. As for giving Ye Chen a good face, would it offend the divine body genius? Now, they are all left behind...

The Kingdom of God is so realistic...

However, their smiles hadn't fully bloomed on their faces, Ye Chen had already spoken coldly.

"Just now, I heard you said that you would never accept Ye Chen to get started?"

The expressions of several people froze, Long Chen barely squeezed out a smile, and was about to explain: "This, Ye Gongzi..."

But Ye Chen didn't give him a chance to explain, and interrupted blankly: "You guys, what a big face?"

what?

Long Chen and others stayed...

Ye Chen, actually taunted them directly without giving the slightest face?

How do they say, it's also the third and fourth-class forces, there are some who have a face!

Ye Chen is against the sky, how dare he just mock them in public?

But Ye Chen didn't intend to stop, and continued: "The third-class force the fourth-class force, are you embarrassed to refuse? Haha, even if you kneel down and ask me to join your sect, I will not join, because you are not worthy!"

The fighting field was shocked again...

Ye Chen gave them too much shock...

Directly mocking the strong of the third and fourth class?

Even if you are a genius, you haven't fully grown up yet!

Compared with the strong of the third and fourth ranks, it is far worse!

What is even more unacceptable is that the powerhouses of the third and fourth ranks must show their favor to Ye Chen!

As long as Ye Chen gives the other party a step down, not only will the previous humiliation be wiped out, but on the contrary, he can make good friends with these people!

This is not a bad thing, but an opportunity! For a genius like Ye Chen who hasn't risen to become acquainted with a few big powers, there are too many benefits...

Chapter 2453: Wen Tianli was silent

But what did Ye Chen do?

Don't give the slightest face, room, steps...

A good hand, was born to Ye Chen, played badly...

Ye Chen's hard, mad, scalp burst, to the point where it is totally unreasonable!

Crazy to the end of the sky!

Domineering is domineering, but what will happen?

Too crazy, too upright, obviously, it will incur dissatisfaction from others...

Many viewers looked at Ye Chen coldly, and said with disdain: "Thinking that they have some talents, so they can be unscrupulous? This kind of person will live soon!"

"No matter how talented you are, what's the point of not surviving the moment of growth?"

"Crazy is ok, but mad must have a bottom line and be measured, otherwise, it is not mad, but stupid!"

"With such a mind, if the true \*\*\*\* descends, you must die?"

"Hehe, Kong has talent, no brains, a good hand, he has turned his life into his own death, this kind of person, no matter how genius, I look down on."

Ye Chen's expression is faint, he is like this, if anyone respects me, I will respect others, and if anyone offends me, I will pay back ten times! Nothing will change because of your identity, strength!

Just now, didn't these powerful men of the third and fourth ranks openly stated that they would never accept him for entry?

Then he naturally wants to get it back.

Boom!

For a while, Long Chen and the others, the killing intent surged wildly, their spiritual power roared, and Ye Chen was locked firmly!

You Ye Chen is indeed a genius, but the kingdom of God speaks by strength!

No matter how genius you are, you are now just a gated ant! Taunt them in front of them?

Haha, then, no matter how abnormal your talent is, you will die!

I can't die again!

They are the strong, and the strong must not be humiliated!

Insult, kill!

Ye Chen looked at several people with expressions, but still calm and calm.

Just when Long Chen and others were preparing to take action to completely kill Ye Chen, a breath suddenly spread from the VIP Pavilion!

An extremely terrifying, icy breath!

The moment the breath appeared, everyone in the fighting field trembled involuntarily, and vaguely felt a shadow, covering the sky.

The shadow of death!

"Here!" Ye Chen smiled slightly, and at the same time, he was secretly frightened. When he broke out just now, he vaguely felt that there was a strong person who seemed to be paying attention to him.

At this moment, Ye Chen really felt the other party's breath, and Ye Chen deeply realized the horror of the other party! If the other party wants to kill himself, even if he does his best, he will only turn into nothingness with one move, right?

The current Ye Chen is too far away from this strong man, just like Tianyuan!

Now that the strongest person has come to the trial site, the purpose is naturally to choose a disciple with excellent qualifications for his own forces, and in Ye Chen's perception, this strongest person should still be in Wentian. On the ceremony!

Well, it is likely to come from the top power!

A top force of the strongest came to the trial site. He was confident. Based on his performance, the opponent could not fail to notice him. Therefore, he provoked these three or four class martial artists, what happened? ?

And at the moment when the horrible aura appeared, Long Chen and others were almost weakened!

Because, that breath is very obvious, with a trace of consciousness aimed at them, now they seem to be in an abyss of death, as long as there is a slight thought of defying, they will be completely swallowed by this abyss, and their body and spirit will be wiped out!

They knew that this breath undoubtedly came from the mysterious woman with a very high status in the VIP Pavilion. This mysterious woman actually had the intention of protecting Ye Chen!

Long Chen and the others, instantly shuddered!

The breath quickly disappeared, as if nothing had happened.

Tu Lan's expression was faint, she didn't want to protect Ye Chen specifically, but since Ye Chen aroused her interest, naturally, he couldn't let him die so casually. There was a third competition, right?

Compared with her interests, what is the anger, dignity, and dignity of several warriors of the third and fourth ranks?

Even if Ye Chen wiped out the whole family of these people, compared with her interests, it was nothing.

However, in her capacity, she naturally disdains to really kill Long Chen and others.

Although Tu Lanxin had already recovered his breath, at this time, Long Chen and the others were still trembling, their hearts were chilling, their complexions were pale, and they almost didn't dare to look at Ye Chen. Numerous thoughts in their hearts turned.

Just when Ye Chen glanced at a few people indifferently, and was about to turn around and leave, suddenly, he thumped...

Long Chen and others actually knelt against Ye Chen one by one!

Really kneel down!

In front of countless audiences, Shengsheng knelt down!

Long Chen trembled and said, "Ye... Ye Gongzi, I was so offended just now, it was me who waited and was rude..."

"Young Master Ye, I'm sorry..."

"Young Master Ye, please forgive me..."

Humble, the ultimate humble!

These warriors, who are always on top, have completely abandoned their faces at this time!

When Ye Chen saw this, he couldn't help but froze for a moment, and looked at the direction of the VIP Pavilion with some surprise...

He knew that the strongest man was terrifying, but now he found that the horror of the other party was still above his expectations!

Actually, just to let out their breath, they scared these warriors who are also considered good in the kingdom of God into this way?

However, Ye Chen wasn't a person who was unreasonable and unforgiving. Since he had already settled the accounts, he didn't mean to kill him, waved his hand casually, turned and left.

But Long Chen and others are as amnesty! He exhaled heavily, and he was almost slumped to the ground for the rest of his life!

And the audience was completely dumbfounded!

How is this going?

Ye Chen slapped those strong men in the face so arrogantly and domineeringly. He was so mad that he didn't know how to measure. Shouldn't he be killed on the spot by thunderous means by the third and fourth rank fighters under his anger?

Isn't it a good hand that was badly played by him?

And now, what do they see?

Ye Chen not only lived well, but also made Long Chen and others kneel down and apologize!

How can there be such an incredible thing in the world?

It's like the son of the richest man wants to make friends with you, but you slap the other person. When everyone thinks you are dead, the son of the richest man suddenly feels like you are kneeling!

Those martial artists who had mocked Ye Chen before, thought that Zhizhu was in their hands, and had a scheming warrior, their eyes were almost out of their sockets!

Seeing the gazes cast by the surrounding warriors at them, now I can't wait to find a hole in it!

The embarrassment is beyond description!

At this time, Wen Tianli coughed and announced: "Now, the physical test, the magic test, has ended, I will announce the temporary ranking, first place, Ye Chen, second place, Ling Jiuxiao, third place First place, Yuanlu, fourth place, Ouyang Yun, fifth place, Ji Yan (Ji Siqing), sixth place, Fang Xiu, seventh place, Lin Yu, eighth place, Zhao Sheng."

After speaking, Wen Tianli was a little silent.

Chapter 2454: Ji Siqing's strength!

Ye Chen, actually performed better than Ling Jiuxiao, who has a divine body? Become the dark horse in this trial?

But at this time, Ling Jiuxiao had no expression on his face. Since Ye Chen was in a divine trial, he didn't have any expressions.

Those who are familiar with him know that Ling Jiuxiao is angered to the extreme!

Now, he only had the killing intent to Ye Chen, the most killing intent in his heart!

Just now, the strong man in the VIP Pavilion released his breath, which has shaken Ling Jiuxiao in his heart!

He was afraid, afraid of himself, and once again lost to Ye Chen, and even the opportunity to enter the top power and go straight to Jiuxiao was taken away by Ye Chen!

Ye Chen has become his devil!

Therefore, today, Ye Chen must die, otherwise, Ling Jiuxiao may not be able to get out of the shadow of his heart for a lifetime...

Ye Chen glanced at Ling Jiuxiao, sneered in his heart, he naturally understood Ling Jiuxiao's thoughts.

However, he thought about the same as Ling Jiuxiao.

Ling Jiuxiao wants him to die?

Ha ha.....

It is impossible for him to let Ling Jiuxiao survive today!

Wen Tianli continued: "This ranking is only tentative, not the final result, and the third game is a battle test. The martial artist cultivates martial arts!

What is martial arts? The way to fight and kill! For martial artists, the most essential and most important thing is combat power! In the third test, the rules are very simple. For those who are not satisfied with the current ranking, they can challenge it. If the challenge is successful, they can replace it! "

Although that is the case, the results of the previous two tests can, to a large extent, also reflect the strength of a warrior, so it is generally unlikely that several challengers will seek death.

Ye Chen nodded secretly, sure enough, the most important thing was to fight, but after all, this ranking was just a false name.

It's not that the previous two tests are meaningless, because this trial is to prepare for the major forces to select talented disciples. Since disciples are selected, they must naturally be investigated from various aspects such as potential and Taoism. Yes, otherwise, in this trial, the contestants will fight each other directly.

Even if you get the first place in the battle, if your potential is too bad, those big forces won't want it.

"I want to challenge Ji Yan!"

Suddenly a burly man who was too imaginary and five-layered directly stepped onto the ring!

He was watching the veiled girl from beginning to end!

The Veil Girl performed mediocre in both the first and second games!

Why is the ranking so high!

He felt unfair, and he naturally wanted to take the other side's place.

Countless eyes instantly fell on Ji Siqing in the crowd.

Although the figure is graceful, but it hides the face, but can not be seen through by anyone.

Ye Chen's gaze naturally fell on the opponent.

In the next second, he felt a sense of familiarity!

Although the girl covered her face, it always made him feel familiar.

"Is it Siqing?"

This was Ye Chen's first reaction.

But then he shook his head, how could Xia Lingqiu let Ji Siqing participate in this kind of trial.

"It seems that I want to think too much."

Ye Chen murmured.

Under the veil, Ji Siqing was slightly panicked when he heard the challenge, but quickly converged.

Without saying a word, he flew directly above the ring.

Wen Tianli didn't want to waste time, so he announced the start!

In an instant, the burly man moved, releasing endless qi!

Hold the cold sword in your hand!

This sword is his peak!

He wants to kill Ji Siqing!

The beautiful eyes of Tu Lan's heart in the attic flowed, but a trace of interest was generated, and he muttered: "I want to see when you are going to pretend."

On the ring, the sword light flashed.

Ji Siqing under the veil was hesitant!

She hesitated not to be afraid of each other!

But how to end it!

If you hide yourself again, you may fall off the ring!

It may fail!

But if he bursts out of power, he will definitely be discovered by Ye Chen in the audience!

Just when the sword intent was about to swallow her, Ji Siqing shook his head, and his red lips moved slightly: "No matter, let's use the previous life technique."

After the words fell, Ji Siqing stretched out a slender hand, and the golden words flowed in the palm of his hand!

She caught the air slightly!

It turned out to be a natural petal!

She looked at the petals in the palm of her hand and pointed it out!

The next second is to touch the opponent's sword intent!

Everyone in the audience thought it would be a stalemate!

but! A few seconds! The sword intent is broken!

The tiny petals actually set off endless killing intent, like an ancient giant beast stepping towards the opponent!

The dust rolls!

The burly man was horrified and wanted to get off the ring, but found it was too late!

He didn't even have the right to make a sound, so he was completely knocked off the ring!

He almost died and became a useless person!

The world just fell silent.

Ji Siqing didn't say a word, and left the ring directly, drowning in the crowd.

She believes that no one will challenge her again.

And as the third round progresses, her performance will gradually be forgotten.

At this moment, Wen Tianli was stunned. He knew that this veiled girl had the possibility of hiding her strength, but he didn't know that she could burst out such an amazing power!

This person is definitely a dark horse no less than Ye Chen!

But why should girls be mediocre everywhere?

Is it because of low-key temperament?

Wen Tianli couldn't help looking at the attic.

At this moment, Tu Lanxin's mouth was drawn with a smile: "That's right."

"Interesting, really interesting."

"It seems that I am right."

Soon, Wen Tianli reacted and said to everyone: "Continue."

As soon as Wen Tianli's voice fell, Zhao Sheng stood up and said: "I want to challenge Lin Yu!"

Zhao Sheng actually wanted to challenge Ji Siqing, but seeing the shot just now, he withdrew all his thoughts.

He still wants to survive!

This time, there were seven forces from the third and fourth ranks who came to watch the trials, but he was just eighth!

That is, if he can defeat Lin Yu, he still has a good chance to be selected by the fourth class!

After all, although his potential is somewhat different from Lin Yu, it is not particularly large!

Enough to make up for with combat power!

Hearing this, Lin Yu walked up silently, his face solemn.

Standing in the center of the arena, Wen Tianli said lightly: "Let's start."

At that moment, Zhao Sheng yelled abruptly, flipped his wrists, and a long sword full of earthy yellow with a pattern of alien beasts fell into his palm. The breath was surging throughout his body. Before the sword was released, the surging sword aura swept everything around him. Tear!

The floor of the fighting field built with the best materials has also been cracked by the sword energy!

Everyone looked at Zhao Sheng with a little surprise, this person's aptitude is not very good, but the strength is really not weak!

Lin Yu's complexion also changed slightly. Zhao Sheng's strength was still higher than what he expected. He immediately burst into aura, and a ring on his thumb was shining with blood, and he was full of blood. In the midair, he turned into a party. Blood Claw, severely suppressed Zhao Sheng!

Chapter 2455: Gu Dao!

"Blood Demon Sky Claw!"

Lin Yu's shot was extremely shocking, with a strong \*\*\*\* smell that even the audience present could smell it!

"Hunting Heaven Sword!"

Zhao Sheng shouted, facing the \*\*\*\* claws that came in the sky, a sword crossed, and the long sword buzzed, actually echoing Zhao Sheng's shout, a cry of the beast, the inscription on the sword The beast patterns on his body also seemed to come alive, constantly wandering on the long sword!

A flash of sword light, greeted that hideous blood claw!

There was a bang, and the two disappeared. They were evenly matched!

However, when you look closely, Lin Yu has taken a half step back than Zhao Sheng!

The two are swimming, you come and I go, and they have fought against each other hundreds of times in a stick of incense!

Suddenly, Lin Yu's whole body was weakened, and a little blood overflowed from the corner of his mouth. Under the constant fighting, his body finally couldn't support it.

Zhao Sheng's eyes were bright, and naturally he would not miss such a good opportunity. His whole body's spiritual power surpassed the limit, and he cut out the strongest sword. The sword light instantly tore the \*\*\*\* claws that Lin Yu had hurriedly hit. The next moment, a blood stain, Emerging in Lin Yu's eyebrows, Zhao Sheng's sword was only half an inch away from his eyebrows.

Lin Yu burst into a cold sweat, swallowed and said: "I... lost..."

Zhao Sheng let out a sigh of relief, and the two walked out of the fighting arena, and there was a warm applause in the fighting arena!

Wonderful!

really wonderful!

Although the results of the two in the test are not very good, but after all, they are also the enchanting men who passed the physical test, and their strength is still very strong!

I have seen the battle between Lin Yu and Zhao Sheng, and the audience is looking forward to the battle between Ye Chen and Ling Jiuxiao!

They knew that Ling Jiuxiao and Ye Chen had an enmity, and that they weren't ordinary enmities, there was bound to be a battle between the two!

Sure enough, Ling Jiuxiao looked at Ye Chen with a cold face, and sneered: "Ye Chen, do you dare to fight with me?"

Today's Ling Jiuxiao, breaking through the Taixu realm, is strong enough to crush the general Taixu six-layer existence. Moreover, its forbidden spirit body can be said to have an advantage in battle. Naturally, there is no reason to lose. !

As long as Ye Chen is killed, he will still be the dazzling Spirit Jiuxiao in the kingdom of God!

Talking, Ling Jiuxiao looked at Wen Tianli and said: "Old Wen, during the competition, what if one party dies?"

Ling Jiu Xiao said this, and there was another silence in the fighting arena!

Ling Jiuxiao, this is a naked killing intent!

does not hide it at all!

Although they already knew that Ling Jiuxiao and Ye Chen had hatred, and the hatred was not small, but they didn't expect that it would really be where you die!

Originally, Ye Chen was just a clown-like existence in the hearts of everyone, and died.

But now, everyone's view of Ye Chen has completely changed!

Ye Chen is definitely an enchanting evildoer with aptitude against the sky. If he died, it would be a pity that many people were worried about him.

But, although Ye Chen's aptitude is against the sky, is he now Ling Jiuxiao's opponent?

This, not necessarily.

First of all, Ling Jiuxiao's aptitude is obviously incomparably against the sky, even if it is worse than Ye Chen, it is only a little bit worse.

It can be lingering in the sky, and it is a realm higher than Ye Chen!

Secondly, the martial arts practitioners present are not the people who have no vision. Through the test just now, many people have already suspected that Ling Jiuxiao possesses one of the legendary divine bodies, the forbidden spirit body, but they are still not sure.

And the forbidden spiritual body, in the divine body, it is like cheating!

Especially, when the realm of the martial artist is not high, the spiritual forbidden body is even more horrible, and it can even suppress many bloodlines!

If what Ling Jiuxiao really possesses is a forbidden spirit body, then, not to mention the future, the current Ye Chen will undoubtedly lose!

In the history of the Kingdom of God, the owner of the forbidden spirit body seems to have never been defeated by opponents below his own realm!

Therefore, many people think that Ye Chen should not take up the challenge of Ling Jiuxiao!

Because, Ling Jiuxiao is obviously not going to compete, but to kill!

Ye Chen now has demonstrated his aptitude against the sky. Although he has offended those powerful men of the third and fourth ranks, what about it?

With Ye Chen's qualifications, I am afraid that even if he wants to join the top power, he can do it!

Therefore, the wisest thing for Ye Chen now is to refuse Ling Jiuxiao's challenge. Everyone will understand him, and he will not feel that Ye Chen is weak.

is also an eternal evildoer, but you have a forbidden spiritual body, you have to fight, and you have to wait to reach the same realm, right?

Now, if Ye Chen challenged, he would be proud, but he would be reckless.

The people of the kingdom of God, although proud and look down on the weak, they are not reckless.

Pride is also arrogant sensibly based on circumstances.

Ling Jiuxiao sneered. With his understanding of Ye Chen, Ye Chen would definitely be able to challenge.

Regardless of Ye Chen's disrespect to him, and his feasts, in terms of interest, Ling Jiuxiao must have Ye Chen die.

With a divine body, he is bound to be able to enter the top power, but the mysterious powerhouse from the top power who is here today is obviously already a little fancy Ye Chen!

In this way, he is likely to enter the top power with Ye Chen!

This is the last situation Ling Jiuxiao wants to see!

To be honest, Ye Chen's aptitude has already made him feel terrified. If he enters the top power together, under equal conditions, even Ling Jiuxiao has no confidence that he can crush Ye Chen...

And he knows If Ye Chen is strong, the first one to kill is his Spirit Jiuxiao!

So, he must cut the grass and roots here today!

is his creed all the time.

More importantly, Ling Jiuxiao has made enough preparations for today's trials!

In addition to breaking through Taixu, there are several other players!

He had fought with Ye Chen and deeply felt Ye Chen's horror. If he changed to another time, he really had no confidence that he would definitely be able to kill Ye Chen.

But today, Ye Chen will definitely die!

Wen Tianli frowned slightly when he heard this. Although he had a bet with Ye Chen, he was also a lover of talent.

At this moment, Ye Chen has been recognized. With his vision, he naturally clearly faces the terrifying dominance of the low-level existence and the forbidden spirit body, and Ye Chen's eternal evil spirit, death is all for the kingdom of God. Not a small loss, I can't help asking:

"Are you going to die?"

Ling Jiuxiao nodded and said: "Not bad."

Not only Wen Tianli, but the cold woman in the VIP Pavilion also frowned slightly. Just as Ling Jiuxiao expected, she did intend to bring both of them under the door, but after a flash of beautiful eyes, Tu Lanxin was not There is no meaning to stop.

Because, in Tu Lan's heart, he believes that a warrior needs to practice Gu Dao to grow up!

What is Gu Dao? ?

Put all kinds of aptitudes into the Gu, let them fight, and choose natural things!

In the end, the one who survives will often be sublimated, transformed, will maximize its potential and get real growth!

Chapter 2456: Town family treasure

And Ye Chen and Ling Jiuxiao are evildoers with comparable qualifications!

The two fight for life and death. After this battle, the one that survives will surely be sublimated!

She would rather have a supreme existence than two eternal evildoers!

Wen Tianli looked at Ye Chen, his eyes flashed and said: "Ye Chen, the kingdom of God is cruel, even if it is a competition, it is normal for people to die. As the host, I cannot intervene.

However, according to the rules of the battle test, you have the right to refuse. As for the dragon heart fruit, if you double try first, even if the old man loses to you, now I ask you, do you want to fight? "

The audience was taken aback for a while, Mr. Wen was obviously admonishing, reminding Ye Chen!

You need to know that the Shenmeng generally does not actively intervene in the competition!

Where is the old man? Even for Ye Chen, he even gave up his bet!

what does this mean?

means that even the Shenmeng has the meaning of soliciting Ye Chen! ! !

The League of Gods, even among the top powers, is a rather detached existence. After all, the League of Gods is in charge of most of the affairs of the kingdom of God!

Joining the League of Gods is itself a kind of supreme honor. In addition to its own sect resources, there are many privileges in the kingdom of God!

Moreover, the League of Gods generally does not accept the entry of martial artists in the Evil Realm. Old Wen, this is all about opening the back door for Ye Chen!

Everyone couldn't help but cast envious eyes at Ye Chen.

is favored by a Xeon, I don't know how many years of struggle can be saved, hard work is almost equal to reaching the sky in one step!

Such a god-given opportunity, if Ye Chen still doesn't know how to cherish it, and refuses it, then it is really a recklessness in life and death!

Wentian's eyes flashed brightly. Originally, Tu Lanxin had a special status. He wouldn't fight for the genius she fancied, but Ye Chen was so amazing!

Even Wen Tianli was tempted.

However, Ye Chen is good at everything in his heart, but his disposition is too arrogant, too mad, and not stable enough.

This is a martial arts taboo!

If Ye Chen can listen to his admonition and take a step back at this time, then it means that Ye Chen is a manufacturable, but what if Ye Chen insists on fighting?

Ha ha, so even if Ye Chen's aptitude is against the sky, Wen Tianli would not even care for such a person!

Then, he will not stop him, but will let him die in the hands of Ling Jiuxiao!

For a while, everyone stared at Ye Chen, in the fighting arena, it was so quiet that the needles fell!

Everyone is waiting for Ye Chen's answer with full concentration!

Among them, Yin Ming and Gu Lao are the most nervous, and their hearts are strained!

Under the attention of all the people, Ye Chen's expression was indifferent. He stepped forward and said: "Thank you Wen Lao for your kindness, but I, I want to fight!"

boom!

In everyone's heart, it seems that there is a sledgehammer, hitting it heavily!

looked at Ye Chen with horror.

They were shocked by Ye Chen's answer!

Ye Chen really wants to refresh their cognition again and again, and break through the limits of their thinking!

is so \*\*\*\* dead!!

A great future lies in front of you. You don't accept it, but you want to jump into the fire?

Is this his mother's brain flooded?

can't pretend like that!

Wen Tianli's complexion sank, shook his head, and looked at Ye Chen's gaze, extremely disappointed. People like Ye Chen have seen too many people in thousands of years.

He is a gambler, so he knows the importance of calmness. In the casino, he has seen countless vigorous and radiant young evildoers. Although they may have a glorious moment, they will eventually fall from a height.

The higher you climb, the worse you fall! Because of pride, because of one's own reluctance, because of conceit, many evildoers in the world, in the end, not only the family wealth, but also his own hands, feet, and even his life were lost!

This kind of person is destined to be a loser!

Ling Jiuxiao and Ye Chen are standing opposite each other. Since Ye Chen has accepted his challenge, now he is not in a hurry to take action.

Instead, he looked at Ye Chen playfully and said, "Hehe, Ye Chen, I am still worried, you will be afraid and shrink back? Fortunately, you did not disappoint me, or you are as stupid as you were in Lingwu Continent, then No conspiracy?"

Ye Chen looked at him blankly and said lightly: "Do you remember what I said?"

"What did you say?"

"I said, I will kill you today, since I said it, I will do it."

Ling Jiuxiao heard the words, he was taken aback, and then he laughed in a gaffe, almost stooping to laugh, and crying!

seems to have heard the most funny thing in the world!

He raised his head and looked at Ye Chen with a mocking expression on his face and said, "Mad, Ye Gongzi, you are really crazy, so crazy that Lingmou can't bear to look straight!"

Suddenly, Ling Jiuxiao's voice instantly became cold for a hundred thousand minutes and said, "What did you use to kill me?"

His eyes were completely cold, and he stared at Ye Chen, "Do you know that the physique I have is the forbidden spirit body of the kingdom of God, one of the gods?"

In the fighting field, there was a burst of exclamation!

Before, they were only suspicious, but now Ling Jiuxiao has admitted it!

is really forbidden spirit body!

Everyone looked at Ye Chen with a pity look.

If Ling Jiuxiao didn't have a forbidden spirit body, Ye Chen might still have a glimmer of hope, and this is completely dead.

But, Ling Jiuxiao hasn't finished talking yet!

"You also know that the forbidden spirit body is in the battle under slashing and even can completely suppress other bloodline defenders, which can be called invincible? Throughout the history of the kingdom of God, the forbidden spirit body has never been defeated by a warrior below his own realm?"

"You know, after I broke through the emptiness, how terrifying the growth of the body has reached?"

As soon as the voice fell, Ling Jiuxiao suddenly had a blue-purple light in his hand. Numerous mysterious runes circulated in the glory, exuding an ancient, terrifying long sword!

As soon as the long sword came out, an extremely sharp cold light flashed out of thin air!

Ling Jiuxiao didn't even have spiritual power, but simply held this blue-purple long sword, and the aura that it radiated made the many warriors present in the heart chill!

Even, his pupils were pierced by the sword light, and he couldn't look directly at Ling Jiuxiao who was holding the sword!

The faces of everyone were shocked, this blue and purple long sword is a truly ancient weapon!

Moreover, the manufacture of this ancient tool is still very high-grade, at least it is the kind of top grade!

Ling Jiuxiao holding the sword sneered and said, "Do you know that this sword is called the Lingfeng Sword, it is the treasure of my Lingjia town clan, and it is a genuine high-grade ancient artifact?"

Have an invincible spiritual forbidden body under Zhan'er, and use such a heaven-defying ancient weapon?

This is nothing more than a sledgehammer, but a nuclear bomb!

The unprecedented power gap, Ye Chen didn't even have the chance to come back! !

Everyone thought that Ling Jiuxiao was already prepared enough and terrifying enough, but Ling Jiuxiao laughed again at this time.

"Do you think this is over? Haha..."

Chapter 2457: Ye Chen's madness

"All of this is nothing compared to my real trump card!"

Suddenly, a bright radiance rose from behind Ling Jiuxiao's head, azure, and instantly enveloped the entire fighting arena.

For a time, the tens of millions of spectators present felt that at the same time, the spiritual power in their body was condensed and almost unable to operate!

Wen Tianli, who has been in the dark for a long time, saw that behind Ling Jiuxiao's head, a precious orb exuding brilliance, her pupils contracted crazily and could no longer remain calm, exclaiming: "This... is this a precious orb? ?"

Ling Jiuxiao smiled and said: "Yes, it is the Qingling Orb!"

Many people have a look of doubt, what is the Qingling Orb?

Ling Jiu Xiao looked at Ye Chen playfully and said, "Do you know, what is this Clear Spirit Orb? Ha ha, don't know? It's okay, I can tell you."

"The Qingling Orb is the most precious treasure left by my ancestor of the spirit family!"

"Under the blessing of the Qingling Orb, using the forbidden spiritual body, the power of the magic body can even more than double! With my current cultivation base, if the forbidden spiritual body is used, even if it is a real Zhan E. In the forbidden spirit law realm, the spiritual power will be lost and become an ordinary person!"

Silence...

Doomsday silence...

In other words, above the ring, Ling Jiuxiao's strength at this time already surpasses everything?

What are you going to do?

Yin Ming was already pale to no blood at this time, she couldn't restrain herself anymore, and shouted at Ye Chen desperately:

"Ye Chen, don't fight him! Don't!"

She understands Ye Chen's pride, and she believes in Ye Chen. If there is only one percent, one-thousandth chance of defeating the opponent, she will support Ye Chen without hesitation!

But now, no!

Because, even the slightest chance of winning is gone!

Ji Siqing in the crowd, under the veil, a trace of extreme anger flashed!

She holds a rune in her hand.

This rune was made by her!

Even, she is ready to coagulate blood at any time!

ruin everything!

Just because, this fight is too bad for Ye Chen!

Her Ji Siqing man is not allowed to be treated so despicably by others!

Even Tu Lanxin in the VIP Pavilion shook his head with beautiful eyes.

Originally, she thought this would be a close battle, which would make one party completely sublime...

But now, she found that she seemed to be wrong.

This battle is a massacre at all, and it can't even be called a battle!

It's not that Ye Chen is really so much worse than Ling Jiuxiao, but martial artists can fight, but it's not just your personal strength!

Ling Jiuxiao took out a piece of treasure, this is in the battle test, it can be said that it is equivalent to cheating...

Under these conditions, who can win him?

Even with her eyes, she couldn't even see the possibility that Ye Chen could come back.

And she has never made a mistake in judgment.

Ling Jiuxiao did not conceal the sarcasm on his face, and smiled at Ye Chen with a seemingly gentle smile: "Now, Master Ye, I want to ask you?"

"You, by, what, what, kill me?"

Six words, one word after another, echoed constantly in the hearts of the audience in the arena...

"Why?" Ye Chen also smiled, but with a flip of his wrist, the Qinglian Destroying Sword fell into his palm!

He raised the Qinglian Heaven-extinguishing Sword in Yang Yang's hand, and said lightly: "Only this."

Everyone looked at the long sword in Ye Chen's hand that looked like an inferior sapphire jade, and they were taken aback...

This.....

Isn't this the long sword that Ye Chen took out during the physical test?

Originally, everyone thought that this long sword might have some special abilities, such as stabilizing mind, accelerating spiritual power and so on...

Unexpectedly, this long sword was actually Ye Chen's weapon! ?

They even, some can't believe their eyes!

What the fuck! Don't say what a real artifact, Saint Soldier!

Basically, you can't even touch the lowest weapons!

can only be regarded as a mortal thing with a little aura...

This kind of thing, in the kingdom of God, you throw it on the street, no one wants to pick it up...

Can Ye Chen use it as a weapon?

Poor, there must be a limit...

This blood-colored long sword, it is estimated that it will be shattered when it is touched by the high-grade ancient sword Lingfeng sword?

Everyone looked at Ye Chen's expression, and they even became sad, as if they saw a beggar...

That's horrible.....

The contrast between            and Ling Jiuxiao is too strong!

"Hahahahaha!"

Ling Jiuxiao, leaned forward with a smile, this Ye Chen is simply a treasure!

is dying, still acting?

Be a clown?

Ye Chen looked at Ling Jiuxiao with a faint gaze, and said, "Have you laughed enough? If you haven't laughed enough, smile more. Right now, you won't be able to laugh."

Ling Jiuxiao was completely relaxed at this time, there was no pressure, and he smiled after hearing the words: "Hehe, don't worry, I don't know if you can laugh in the future, but when you die, I will definitely laugh."

"It seems that the problem with how you like to bark is still the same as in the past? If you laughed so happily, why did you escape from Lingwu Continent like a dog and escape to the kingdom of God?"

Now, what are you, Ling family, right? Spirit family, I am afraid it is not a small force, why didn't you retaliate against me? "

Ling Jiuxiao's face changed fiercely: "What are you talking about! Shut me up!"

Ye Chen smiled slightly and continued: "You are now the hope of the spirit family, the eternal evil spirits of the spirit family, naturally cannot let the spirit family know that you, a god-body genius, will be sealed by a Lingwu genius. Fleeing in fright, dare not face it?"

Ling Jiuxiao's complexion suddenly became gloomy. He kept this matter hidden in his heart, but it was exposed by Ye Chen in public!

"Here, I, die!!!" Ling Jiuxiao yelled: "Forbidden Spirit Realm, open!!!"

The Qingling Orb that hung behind his head suddenly shone brightly. For a moment, even Wen Tianli, who was standing aside, flashed with a different color in his eyes. At such a distance, even him, All were suppressed for a while, this forbidden spirit body, combined with the clear spirit orb, was really terrifying!

As soon as Spirit Jiuxiao shot, he cooperated with the Qingling Orb and used the Forbidden Spirit Realm!

Yin Ming could not help but exclaimed: "Ye Chen, stop him!"

Everyone believed that if Ye Chen had any chance of reversal, it would be to stop the opponent with a thunder strike before the Lingjiuxiao domain was fully developed...

However, what they saw Ye Chen, was standing still indifferently, without even intending to shoot!

Support big!

Too big!

How confident is it that he can still stand still at this time? ?

Yin Ming's face turned gray in an instant, completely desperate. Although Wen Tianli didn't say anything, looking at Ye Chen, the disappointment in his eyes became more intense.

Ye Chen is not crazy anymore, he doesn't even have basic fighting consciousness and fighting talent.

Chapter 2458: Not afraid!

As long as anyone with a little fighting talent knows that at this time, they must do their best to prevent the opponent from expanding the jurisdiction.

And the audience who originally had some expectations for Ye Chen snorted, Ye Chen's attitude was disgusting.

At this time, Ye Chen has been completely enveloped by the law domain, with the originally extremely active spiritual power in his body. At this time, it is almost like a completely frozen glacier in an environment of hundreds of degrees below zero. No matter how it runs, it remains motionless...

However, Ye Chen's expression did not change at all.

Ha ha, do I need to take action in advance to prevent the expansion of the jurisdiction?

His spiritual power was banned, but the bloodline could not be restrained, and the heaven-shaking power in the bloodline could still work!

This is enough!

One force, breaking ten thousand laws, right?

Besides, with the speed at which the Forbidden Spirit Realm expands, it is very difficult for him to crack it in advance, so he can barely do it, but it may reveal flaws.

However, everyone present didn't know what Ye Chen was thinking. Although they understood that the forbidden spirit body could be broken by force, they automatically ignored it in the subconscious.

Because there have been so many amazing physical trainings throughout the ages, why has no one ever defeated the owner of a forbidden spiritual body by strength?

That is because, if you want to rely on strength to break the forbidden spiritual body, its strength must be beyond the realm!

Ling Jiuxiao smiled, his winning ticket was in his hands, and he was too lazy to say anything. The Lingfeng sword in his hand flicked, with a lot of blue and purple light, and the boundless sword intent wafted!

That extremely terrifying sword intent, interlaced with the sword light of the Lingfeng Sword, Ling Jiuxiao's whole body, there was a breath of dying surging!

What a strong sword!

Zhao Sheng looked at Ling Jiuxiao's swordsmanship, his complexion changed wildly, and his eyes showed obsession!

And in the fighting field, many sword repairs are just like Zhao Sheng!

Spirit Nine Heavens sword, beyond its realm, too much!

has been faint, to break through the extreme of the sword, with its sword, break through the road, exhaust the roots of martial arts!

Above its sword light, with the ultimate kendo aura, watching Ling Jiuxiao's sword, for the sword repair, it is simply a kind of enjoyment!

Even, let them have a lot of improvement in their understanding of swordsmanship, swordsmanship, and the origin of swords!

Wen Tianli's eyes are bright!

Ling Jiu Xiao's sword, at the level of artistic conception, even made him feel refreshed!

Yes!

The sword of Lingjiuxiao is not over yet!

A weird wave circulates on the blade of the Lingfeng Sword, that pure and incomparable sword intent and sword light gradually condenses, shrinks, and converges on the tip of the Lingfeng Sword!

The countless sword repairs, one after another, came to wake up, because they can't feel the breath of the origin of the sword...

Why can't I sense it?

Because, that terrifying sword intent, all, condensed, condensed, condensed, concentrated, condensed on the tip of the sword!

has become a point shining with extreme blue-purple light, making the surrounding void constantly disappear!

Ling Jiu Xiao displayed this sword, and his expression was quite reluctant. This sword was his ultimate!

He smiled at Ye Chen and said: "Boy, dying under my sword is the greatest achievement in your life, proud!"

Ling Jiu Xiao, with the power of the forbidden spirit body, forcibly concentrated the power of that horrible sword to one point!

It's almost unimaginable how violent this sword is!

"Meteor Sword!" Ling Jiuxiao let out a low cry, his wrist trembling extremely fast!

The next moment, the sword light flashed, and a very thin and extremely thin sword light shot out from the tip of the Lingfeng Sword, directed at Ye Chen!

Where the sword light passed, a dark crack was left, and the turbulence of space exuded from the crack. This sword completely wiped out the void, and almost made the space of the Kingdom of God a hundred times more stable than the land of Lingwu. , All slashed away!

One sword can fall the gods!

At the same time as the sword light shot out, Ye Chen also moved!

What's moving is that Ye Chen didn't mean to dodge or resist, so he just stiffly faced Ling Jiuxiao!

greeted the extremely terrifying sword light of Ling Jiuxiao!

Ling Jiu Xiao's sword is indeed very strong, and it is impossible to hide!

For a ten-thousandth, a dazzling golden light rushed into Ye Chen's whole body. It looked like Ye Chen's body was like a gilded body. At the same time, the strong spirits gushed out frantically, capturing the wandering in the void. Meteorite sword light!

Forbidden spirit body can prohibit spirit ability attacks, but Ye Chen, who possesses the body of mind demon, can't help catching his mind!

Suddenly, Ye Chen bulged all over his muscles, twisted his waist, retracted his back, poured his whole body strength into his right hand, and let out a roar like a giant beast in his throat!

Endless power, howling crazy!

And in his hand, the Qinglian Heaven-extinguishing Sword, which reached the sky, was thrown fiercely by Ye Chen, and it was thrown towards Ling Jiuxiao!

Ling Jiuxiao smiled coldly: "Hehe, do this trick again?"

A breath of ancient artifacts gushes from his chest. Under his clothes, he is wearing an inner armor with a faint bluish light!

Inner Armor of Ancient Artifact!

Inner Armor released a brilliance to completely protect Ling Jiuxiao!

If Ye Chen throws out a half-step ancient artifact, or an ancient artifact Ling Jiuxiao may still be a little nervous and cautious, but it's not even a spiritual weapon. Rubbish?

The moment it touches the light of his ancient protective device, it will shatter, right?

At this time, the meteorite sword light was about to collide with the meteorite sword light!

Ling Jiuxiao's sneer is thicker!

Very good, this time he can't even touch the defense of his ancient protective equipment, just destroy it.

With a bang, the sword light and the Qinglian Heaven-extinguishing Sword collided together. In an instant, time seemed to stand still, and space also froze for an instant!

In the next second, a buzzing buzzing sounded in everyone's ears, and invisible energy radiated to the surroundings. The floor of the fighting arena, which was built with top-quality materials, was enough to withstand the battle of Taixu peak martial artists. It broke up instantly!

An incredible scene appeared!

The blade of the Qinglian Mietian Sword accurately hits on the meteorite sword light, not only did not vaporize instantly, but instead greeted the meteorite sword light and shot towards Ling Jiuxiao!

Everyone in the fighting field, including Wen Tianli, and even Tu Lanxin in the VIP Pavilion, flashed shocking colors in their eyes!

how can that be? Even the ancient artifacts will be damaged if they collide with this meteorite sword light?

And this garbage long sword, which is not a spiritual weapon, can fly against the sword light? ?

Ye Chen is not only incredibly weird, but even the weapons he uses are weird to a level beyond imagination?

A smile floated at the corner of Ye Chen's mouth. The Qinglian Heaven-extinguishing Sword, which surpassed all its weight, was strong enough to surpass ancient artifacts under the blessing of its huge power. How could it be so easily damaged?

Chapter 2459: Absorb the source!

However, the meteorite sword light was not extinguished by the Qinglian Mietian Sword that was flying with great power. The moment the sword light collided with the Qinglian Mietian Sword, it exploded with an immense majesty. The sword intent!

Jianyi, why did it explode?

Because the blessing of the forbidden spirit law domain in it, condensed, was broken by Ye Chen!

The condensed sword light exploded again, slashing towards Ye Chen!

Ye Chen's eyes condensed. In the Forbidden Spiritual Realm, he couldn't use the magical power of atomization, he could only use his body to resist this sword!

He hit the Light of the Meteorite Sword with the Qinglian Destroying Sword in order to weaken it. If you let it condense a little, even Ye Chen would suffer a devastating blow. However, if it is dispersed again, the pressure will be sudden. Less!

The next moment, the crystal blue armor under Ye Chen's robe exudes a faint blue light, protecting Ye Chen!

At this time, Ling Jiuxiao, the original mockery and disdain on his face, has completely solidified!

The Qinglian Heaven-extinguishing Sword has reached his front!

Until this moment, he didn't really feel that this seemingly trash mortal sword actually contained a terrifying force against the sky!

A kind of forbidden spiritual body, even a huge force that screams!

This long sword that flies up is like the nemesis he hits!

but! I want to hide now, but it's too late! ! !

rumbling, a loud noise!

Meteorite Sword Light and Qinglian Detian Sword hit the target at the same time!

The strong shock wave dissipated, and the ground of the fighting arena instantly turned into scorched earth, dust was everywhere, and the protective light curtain kept flickering, trembling, and with a click, cracks appeared!

shocked.....

completely stunned...

Not only the audience, all the participants, including Wen Tianli, were already stunned...

This...is it still the battle of the warriors under Zhan'er?

Yuanlu swallowed, his eyes straightened. He thought he was a super genius who could scorn the Kingdom of God. But seeing the battle between the two, he only felt that he was not even a fart!

Wentian waved his hand, the wind rolled, and the dust under the light curtain was swept away!

At this time, Ye Chen was dripping with blood, and his body was full of holes!

Blood oozes even on his head! The crystal blue armor he was wearing had also been completely shattered.

When everyone saw this, they almost didn't stare out their eyes!

Ye Chen has a random wound on his body. If he changes to an ordinary person, he can't die anymore! ?

Can Ye Chen?

Not only is alive and well, but on the wound, flesh and blood squirm crazily, and heal at a speed visible to the naked eye!

What the fuck?

Still human?

is almost immortal, right?

Even the top evildoer of the Kingdom of God does not have such vitality, right?

bluntly resisted that terrifying sword?

Wen Tianli, where is there any kind of demeanor of the alliance strong, experienced gambler at this time?

He looked at Ye Chen's continuously growing and recovered body, with golden light faintly flashing in his blood, and he couldn't help muttering: "What kind of body is this? Is it the legendary body of all calamities?"

Wen Tianli did not deliberately lower his voice. Many people present heard his murmur.

Immediately, everyone was horrified!

Ten thousand robberies!

is not weaker than the existence of the divine body at all!

What is the body of a thousand robberies?

, as the name suggests, is the body of immortality!

Ten Thousand Tribulation Body, perhaps not particularly powerful in combat and martial arts, but it is the physique that almost all martial artists hope to have!

Why?

Because, if you want to completely kill the owner of Ten Thousand Tribulations, even if your strength is far stronger than the opponent, or even higher than the opponent by a large level, it is difficult!

No matter how strong other divine bodies are, they must live until they can fully grow up!

No matter how powerful the battle is against the sky, life is not important!

There has even been a legend that after being destroyed by human form and god, a very powerful man with a body of tribulations was resurrected by a surviving finger and a strand of remnant soul sealed in the finger. !

And Ye Chen's such terrifying vitality, there seems to be no other explanation other than Wanjie Body!

Everyone thought that Ye Chen would be completely killed by Ling Jiuxiao's forbidden spirit body, but unexpectedly, Ye Chen turned out to be a genius with an evil spirit body!

At this time, everyone looked at Ling Jiuxiao again.

For an instant, on everyone's faces, a look of horror that could no longer be horrified appeared!

Where Ling Jiuxiao originally stood, but no one was seen. On the ground, there were fragments of the inner armor of that ancient artifact.

but! In the air, there was an extremely strange blood-colored figure left behind! ! !

Above the blood-colored figure, one can vaguely see that Ling Jiuxiao's face is mixed with fright, incomprehension, resentment, anger, madness, pleading, etc. emotions, extremely complicated look!

This blood-colored figure is undoubtedly the figure of Ling Jiuxiao, but it is only a figure!

A blood-colored figure imprinted in the void by being bombarded by the supreme power!

As for Ling Jiuxiao himself?

Naturally, the body and spirit are gone...

He, there is no such thing as a body...

This life-and-death battle is beyond everyone's expectations...

Finally, Ye Chen turned out to be the winner! ! !

silence, but only a brief silence...

The next moment, the scene burst into cheers!

Countless people are shouting Ye Chen's name!

Impressed! ! !

These warriors of the Kingdom of God were completely impressed by Ye Chen!

Why, many people in will ignore the race and nationality barriers and worship some sports stars?

is because I was impressed by his talent, skills, and skills!

For warriors, this is especially true!

Ye Chen, more than just killing Ling Jiuxiao, or killing it with a single sword!

Even, this miracle of branding blood shadows into the void has been accomplished!

Even if you have a sacred body, hold ancient artifacts, sacrifice the supreme treasure, and shake the sky with a sword...

I will kill myself with one sword!

What kind of style, what kind of brilliance is this!

The Kingdom of God respects strength. As long as you are strong, no matter what your background or past, you can get the respect of others!

Ye Chen's injury has almost recovered, and he found that he had broken through the fourth layer of the gate, which was only a step away from the fifth layer.

He limped a little before the blood shadow left by Ling Jiuxiao, his eyes lightly looked at the complex look on Ling Jiuxiao's face, and he said: "I said, I will kill you today, then, you absolutely There is no possibility to survive today."

As he said, he looked far away, looking towards the clouds gathering and scattered in the sky.

If the brothers and sisters of Xuan Yuezong were alive in the sky, I would be very pleased, right?

I, Ye Chen finally avenged you! ! ! !

Suddenly, Ye Chen retracted his gaze and scanned the void, the blood shadow of Ling Jiuxiao, on the face, a strange color appeared.

In his heart, he asked Cangu Medical God, "Cangu Medical God, there seems to be something in my body... I seem to have absorbed this nameless part of the origin..."

Chapter 2460: Ji Siqing's attitude!

The ancient medical \*\*\*\* Cang was silent for a moment before he said: "Boy, your physique is really too bad, it's a metamorphosis in a metamorphosis... I can assure you now that your life experience is absolutely terrifying!

You have indeed absorbed the unnamed source. Although you have not been able to have a complete forbidden spirit body,...this part of the source is enough to protect you from the power of the forbidden spirit! "

Ye Chen couldn't help expressing ecstasy upon hearing this!

In other words, does this anti-spiritual body belong to oneself?

This is too bad!

Is it the blood of reincarnation?

He just activated the red dust and Lingfeng divine veins in the blood of reincarnation!

To be honest, even though he succeeded in beheading Wuming with a single sword this time, Wuming underestimated the power of the Qinglian Tiantian Suppression Sword, and the power he gained happened to restrain the Wuming. Forbidden spirit body!

In general, the Forbidden Spirit Body is still very terrifying. Don't look at his body now recovered. If he doesn't have a sword to destroy the condensing power of the meteorite sword light, then even Ye Chen will definitely have life. Danger!

but! Now that he is not affected by the power of the forbidden spirit, the situation is very different!

No matter how strong the Meteor Sword Mang is, with his physical fitness, terrifying vitality, plus the magical power of atomization, it is nothing at all.

Ye Chen waved his hand, and took away the Spirit Blade, the Clear Spirit Orb, and the storage bag of Ling Jiuxiao that fell on the ground.

Naturally, he would not have any idea of returning to the spiritual family.

Ling Jiuxiao wants to kill him, but he will kill him. Ling Jiuxiao's things are naturally his.

If it was him who died, would Ling Jiuxiao return the treasures he got from him to Xuan Yuezong?

At this time, Ling Wuji, the head of the Ling family, looked at Ye Chen, his eyes were bloodshot, and his body was surging wildly.

The hope of the rise of the spirit family was destroyed by Ye Chen, the treasure of the spirit family was taken away by Ye Chen, and his nephew was killed by Ye Chen!

He, can he not be angry? The resentment is about to burst!

可, does he dare to attack Ye Chen? Can you shoot Ye Chen?

Ling Jiuxiao is dead, then Ye Chen must be the one who joined Shenji Sect!

Such a powerful disciple, even if it is an ordinary disciple, is not their spiritual family at all, so they can afford it! ! !

Ling Wuji, can only swallow the sound!

Suddenly, a beam of brilliance flew out of the VIP Pavilion in the Arena and landed in front of Ye Chen.

The brilliance converged, and a woman appeared.

A woman wearing a black gauze skirt with an extremely cold look, but extremely attractive!

Tu Lanxin's figure!

But at this time, no one was present, dare to look directly at Tu Lanxin!

She didn't deliberately exude any breath, just standing there, it made people tremble with conscience!

That is a kind of lower life, when facing the upper life, it comes from instinctive fear!

Tu Lanxin's strength is terrible! ! !

Even Ye Chen marveled in his heart!

At this time, the woman standing in front of him seemed to be not human!

is like a \*\*\*\* who really descended from a mysterious place!

Ye Chen was overwhelmed, almost out of breath!

Tu Lan looked at Ye Chen and said coldly: "This seat is from the Divine Extreme Sect. Would you like to come into my door?"

Ye Chen's expression moved, Shenjizong?

Isn't that the sect where Old Gu used to be?

This saved him a lot of trouble.

Immediately, Ye Chen nodded and said: "The younger generation is willing."

Tu Lanxin nodded, and a little bit of jade hand, a black light fell on Ye Chen!

Tu Lan said indifferently: "I left a breath on you, you are ready, I will come to pick you up in a month."

After        said, the figure flashed and disappeared.

Ye Chen exhaled abruptly, this woman puts too much pressure on him!

At this time, the voice of Cangu Medical God resounded in Ye Chen's heart: "Boy, you are lucky, this woman is extremely strong, just the aura that stays on you is enough to shock people in the Evil Realm. Exists!"

Ye Chen's expression changed, which is convenient for him to do something.

This time I came to the Kingdom of God, there are still a few things I haven't done.

But, he is not in a hurry right now, what is he doing now?

Of course I got dragon fruit!

Ye Chen smiled, looking at Wen Tianli.

Wen Tianli at this time is full of embarrassment.

Why is it embarrassing?

Before Ye Chen fought Ling Jiuxiao, what did he think of Ye Chen?

Think Ye Chen is a destined loser? Have you seen countless people who are as arrogant as Ye Chen, but have nothing in the end?

It looks like I have seen you through?

What's the result?

It was Ye Chen who survived!

He is only fortunate now, he said nothing at the time!

Otherwise, his old face is really lost!

Ye Chen, he is a dragon in the sky at all! Is he able to measure and predict the existence?

Ye Chen smiled at Wen Tianli: "Old Wen, can you tell me, who is the first in this trial?"

Wen Tianli smiled and said, "Uh... of course, it is Ye Gongzi you."

He just wants to leave the field quickly, and he feels embarrassed to see Ye Chen!

immediately waved his hand and threw a jade box to Ye Chen and said, "This is the dragon heart fruit you want. Okay, if there is nothing wrong, I will leave."

After        said, the figure was shaken and disappeared into the void!

Ye Chen took the jade box, exhaled gently, stroked the surface of the jade box, muttered to himself: "Chuying You died because of me, you can finally resurrect you, sorry, let you Waiting so long..."

at last!

He finally got Dragon Heart Fruit, which was able to restore Chu Ying from suspended animation!

Ye Chen couldn't help feeling ashamed again when he thought that Chu Ying was dying by Mu Ye in order to save him.

Let Chu Ying lie in the ice coffin for so long, always making Ye Chen feel extremely guilty.

But now, everything is over...

at the same time.

Outside the attic.

There are two figures.

It is Tu Lan's heart whose strength shakes everything!

As for the other is Ji Siqing, who has been hiding his cultivation base!

Ji Siqing under the veil has a calm expression!

As if to the noble and strong in front of him, he didn't have a trace of emotion.

Tu Lan smiled: "If you guessed correctly, that's not your real name."

"What is your real name?"

Ji Siqing put his hands behind him, and said lightly: "Is the name important?"

"However, my talent shouldn't be worth your visit to see me in person."

Tu Lan shook his head, stepped out, and said seriously: "No matter what your name is."

"I ask you! Miss Ji, you are willing to join the Shenji Sect."

This is a great honor!

She doesn't think Ji Siqing will refuse!

However, not even a second has come! !

The girl in the veil spoke up!

"Sorry, I refuse."
