

## Urban 2461

Chapter 2461: Nothing to do

"Since you accept it, then one month..."

Tu Lanxin's voice suddenly stopped!

Shock was written on her Furui Bubo face!

She planned to adopt the same choice as Ye Chen for this woman!

However, this woman refused!

She refused, but the extremely powerful Shenjizong of the Kingdom of God!

This girl is crazy!

Tu Lanxin forced herself to calm down, and said coldly: "Do you know what it means to reject Shenjizong?"

Ji Siqing's expression was flat: "I know."

"I will give you another chance to regret now! Are you willing to join the Shenji Sect?"

Tu Lanxin's expression is already a bit hideous!

Her anger is suppressing!

Her whole body is blowing gusts of wind!

She is threatening Ji Siqing!

However, Ji Siqing's eyes closed tightly.

then suddenly opened!

Those eyes seem to have experienced the vicissitudes of the world!

In an instant, Tu Lanxin's coercion disappeared!

At this moment, she is not Ji Siqing!

It's the song Chenyan who is the most powerful in the ages!

"I said, I will not join Shenjizong."

"It's enough for your sect to have that guy."

"And I, just join another sect, even a fourth-class sect."

"Don't bother me anymore."

"I like quietness."

Tu Lanxin's expression is extremely weird. She thought of something and said seriously: "You didn't join Shenji Sect because of Ye Chen?"

Ji Siqing under the veil of        was a little flustered, but in the end he nodded: "Forget it."

Tu Lan didn't think much about it.

In her opinion, the rejection of this woman is nothing more than Ye Chen's talent.

After all, a sect can only possess a genius against the sky!

And the girl's choice is better than chicken head, not phoenix tail!

is obviously afraid of Ye Chen.

She naturally won't force herself too much.

Tu Lanxin suddenly offered a jade medal in his hand, threw it to Ji Siqing, and said, "Your qualifications, joining those sects, are not suitable."

"The sect where this jade card is located may be suitable for you."

"Take this jade card to report. I hope that within ten years, I can hear your legend on the top of the Shenjizong mountain."

"Even, I faintly feel that it doesn't take ten years."

After        explained, Tu Lanxin disappeared.

Ji Siqing looked at the jade medal in his hand and fell into deep thought.

After a long time, she smiled: "One year is enough."

.....

At the same time, Lingjia!

Above the main hall, all the furniture is turned into powder!

This is Ling Wuji's anger!

The death of Ling Jiuxiao made him angry!

The hope of the rise of the spirit family, just like that, turned into powder!

How can he not be angry!

There are pictures of that scene in his mind!

Ye Chen's strength, Ling Jiuxiao's fear!

"why why why!"

The constant roar sounded!

He thought about revenge!

But now Ye Chen has a trace of Tu Lanxin's power on his body, and he is also a prospective disciple of Shenjizong!

He can't move!

Once        moves, the whole soul family is implicated!

If Ye Chen wants to die, he must also let others do it!

At his level, it's absolutely impossible to act arbitrarily

Just then, a subordinate from the spiritual family knocked on the door of the main hall.

"Master, someone is asking to see you outside!"

Ling Wuji's killing intent was released, angrily said: "No one is seen! Get out!"

The man hesitated for a few seconds, and still said outside: "Master, this man said he was a friend of Young Master Ling."

"Come revenge for the young master."

"Also, this person said it was Lin Juelong."

"He knows everything about Ye Chen..."

In the next second, Ling Wuji's expression changed. After hesitating for a few seconds, he commanded: "Let him in!"

Ling Wuji has never heard of Lin Juelong!

In Ling Jiuxiao's mouth, this Lin Juelong from Lingwu Continent is a wicked talent!

Even the potential is no less than Ling Jiuxiao!

Only because this man can swallow the blood of others and become stronger!

Soon, a black robe man appeared on the main hall!

His face is covered, with a hint of coldness and evil all over his body.

is extremely scary.

The face covered by        is an extremely hideous face.

Ling Wuji frowned when he saw Lin Juelong's appearance. As the strongest person, he could feel the chaotic breath of Lin Juelong.

This chaos makes him very uncomfortable.

But even so, he still asked: "You said, can you avenge Jiuxiao?"

Lin Juelong under the black robe raised his head: "That's right."

"Not only can I get revenge, I can also make your soul family the top family in the kingdom of God!"

Ling Wuji startled!

What a big tone!

He was even a little angry!

Just because this is nonsense!

But he calmed down because his instinct told him that Lin Juelong had a great secret!

"If I guessed correctly, do you have the conditions?"

Lin Juelong laughed suddenly, and stepped out: "I want the blood and cultivation of ten gods' strongest geniuses!"

"You give me five first."

"I will kill Ye Chen for you!"

"After completing the task, you will give me the remaining five, and I will help your spiritual family become a top family!"

"At present, I have found a few good seedlings, and they are also amazing in the trials."

.....

Manshan Mountain Villa, in the quiet room, Ye Chen sat cross-legged, his eyes closed slightly, his whole body surged, and a golden glow flashed in the air from time to time.

In front of him, there is an ice coffin. Inside the ice coffin is a beautiful woman.

Although the woman was lying in the ice coffin, her complexion became more and more rosy. Suddenly, Ye Chen opened his eyes, and the golden glow in her eyes flashed, and she let out a long and joyous roar!

He stood up and his face was filled with joy. Now, a few days have passed since the trials are over. In these few days, he has finally completely refined the extremely evil spirit in his body!

Its strength has increased by 30% again! The realm has also reached the fifth floor of the closed door.

In the case of using the power of breaking the sky, his power has reached a terrifying number!

Ye Chen now, if he meets Wuming again, he will definitely not be so embarrassed!

He estimated that with all the means available, he could defeat the existence of the sixth layer of the Taixu, and possibly even fight some weak evildoers of the seventh layer of the Taixu!

At the same time, he also understands that the more you go to the back, the harder it is to fight by jumping.

The disparity between Tai Xu is like a heaven!

At this moment, what did Ye Chen perceive!

Take out a jade charm from the reincarnation cemetery!

Just now, the jade talisman made a move!

An extremely strong movement!

He looked at the jade talisman in his hand with a solemn expression!

This is exactly what Lin Yaqin gave to himself when he stepped into the endless sea.

That day, he owed Lin Yaqin a favor!

Lin Yaqin explained to herself before leaving. If there are special circumstances, she will naturally contact her through Yufu!

"Never mind, I don't want to owe this person a favor."

"Since you have come to the kingdom of God, please return this love to her."

"From then on, I have nothing to do with her anymore."

#### Chapter 2462: Scorching Soul Flame

At this time, a beautiful figure outside the door flashed, Yin Ming walked in and smiled: "Ye Chen, your strength is stronger, right?"

Ye Chen also smiled and said, "This retreat has some gains."

As he said, he looked towards Chu Ying in the ice coffin. Although he had melted the dragon heart fruit into the ice coffin, it would take some time for Chu Ying to fully recover.

By the time Tu Lanxin agreed with him, it should be almost done.

Immediately, Ye Chen said to Yin Ming: "Ming'er, I'm going out for a while, during this time, help me take care of Ying'er."

Dragon Heart Fruit has a special medicinal power. It cannot be used when stored in the storage space. Therefore, Ye Chen can't go out to do errands with the ice coffin as before.

Yin Ming nodded, but suddenly he looked at Ye Chen with a strange expression.

With that gaze, Ye Chen could not help but ask: "Ming, what's wrong with you? My eyes are uncomfortable?"

Yin Ming snorted: "Ye Chen, you are going out this time, wouldn't it be for women again?"

Ye Chen couldn't help being taken aback when he heard the words, and then he showed a wry smile!

"This....."

Women's intuition, sometimes, is really scary!

"Sure enough!" Yin Ming pursed his mouth, and a hint of resentment flashed through his beautiful eyes.

Ye Chen is good with everything, but the wife is so good!

Besides, the people around Ye Chen are all that kind of superb beauties! Still the best beauties with different styles! !

It is basically impossible to not be jealous!

However, although Yin Ming said it on his lips, he accepted it in his heart.

Such a strong man, shouldn't it be like this?

Besides, before her, Ye Chen had known Sun Yi, Xia Ruoxue, Ji Siqing and others.

"Forget it, tease you! I don't care."

"I just hope you come back safely."

"Don't make trouble."

"The Kingdom of God is not as dangerous as the Lingwu Continent."

.....

Three days later, the Flower City of the Kingdom of God.

A handsome young man in a black robe with a faint smile was facing a vendor and asked: "Does the boss know where Shen Xuanzong is?"

This person is naturally Ye Chen.

After the trials ended, he inquired about the position of Shen Xuanzong and came to Huacheng.

After all, Lin Yaqin helped herself last time in the endless sea.

In the way of martial arts, any emotion will have cause and effect.

He didn't want to have too much involvement with Lin Yaqin, a woman full of murderous intent.

He knows that for a woman with Lin Yaqin's personality, if you are not active and strong, the relationship between her and you will not change in your life, progress!

According to Ye Chen's speculation, Lin Yaqin should now be frantically improving her strength in order to kill herself?

Thinking of this, Ye Chen couldn't help but smile.

Moreover, he is confident now, even if Lin Yaqin has broken through above the emptiness, his strength should be above it!

But when the vendor heard the words, he looked up and down Ye Chen, but his face was strange.

Ye Chen asked a little puzzled: "Boss, what's the matter?"

The vendor said, "Little brother, are you going to Shenxuanzong? Now, Shenxuanzong can't get in!"

"Can't get in?" Ye Chen frowned, "Why can't you get in?"

The trader's eyes flickered and said: "Shen Xuanzong, now is preparing to hold the soul burning torture!"

"Soul-scorching torture?" Ye Chen vaguely, seemed to have heard people mention that this scorching-soul torture was an extremely cruel torture in ancient times!

, as the name suggests, is to burn the warriors with a strange burning soul flame!

This scorching soul flame was often used as an auxiliary soul flame for soul cultivation to cultivate soul skills in ancient times.

At the same time, it was also used by various forces to torture the most sinister within the sect!

Those who are burnt by the soul-scorching flames will not only be physically burned, but will gradually be burned into coke, and even the soul will be burnt at the same time, which is extremely painful!

Ye Chen had a bad premonition in his heart, and he couldn't help asking: "Boss, has anyone in the Shenxuanzong made a big mistake? Why should such torture be performed?"

The vendor heard this and said with some regret: "Oh, the person who was tortured is Lin Yaqin, the saint of Shen Xuanzong!"

Speaking of it, this girl Lin is said to be really beautiful, but she rarely shows up in Huacheng. However, it can only be said that since ancient times, the confidant is so fateful. These days, Miss Lin, somehow, crazy in and out of the major battlefields, Fight to death!

Her fame became more and more popular. I don't know if it was because of this that she actually attracted Lei Yunpeng, the son of the Lei family! "

"Young Master Lei, in our Huacheng, he is notoriously profligate. He is obsessed with Miss Lin's beauty. He is actually excited and wants to rely on his identity to be lighter than her!

Who would think, although this girl Lin looks like an immortal, but in her bones, she is a murderous figure! Regardless of what identity and family background, he will shoot directly and want to kill Young Master Thunder!

Young Master Lei, although his family is terrifying, but his strength is extremely rubbish, where is Miss Lin's opponent? Although Lord Lei survived by means of life-saving means, he was seriously injured and ruined the foundation..."

After listening to Ye Chen, his expression suddenly became cold A horrible killing intent erupted from him, and the expression of the vendor standing in front of Ye Chen changed wildly, looking at the door in horror. Youth of the realm!

At this time, he actually feels that his life has been completely out of his control. As long as Ye Chen's eyes, he can be destroyed!

Ye Chen took a deep breath, suppressed the extremely murderous intent, and asked the vendor: "Miss Lin, is she okay?"

The vendor replied with a trembling: "Miss Lin...Lin, there is nothing wrong now. It is said that she was imprisoned in the Shenxuanzong. However, she severely injured Lord Lei and angered the Lei family. The Lei family asked Shenxuanzong to burn the soul. Burning, tortured Lin Yaqin to death, to apologize to the Lei family!"

.....

On the outskirts of Huacheng, there is a Baihua Mountain Range, which is like spring all year round. Tens of thousands of spiritual flowers bloom throughout the year. The scenery is unbelievable. In this mountain range, an ancient and elegant building sits in it, like a dragon entrenched in a hundred flowers. .

Here is where Shen Xuanzong is.

Shenxuanzong is a powerful force in Huacheng. The scale of the sect is not too small, and it can barely be called a large group, but it is only barely. Its strength, background, and upper-level forces are different from the upper-class forces. .

It is said that the \*\*\*\* Xuanzong has a long heritage and was founded by a disciple who walked out of the super sect at that time in ancient times. There have been glorious moments.

However, after many years, Shen Xuanzong has long since fallen, and nowadays, it is not strong in the kingdom of God. .

But for Lingwu Continent, it is the height of the sky.

There are five thousand disciples in the Shen Xuanzong sect. The strongest in the sect is the master of the contemporary Shen Xuanzong.

Chapter 2463: Bad news

At this time, within Shen Xuanzong.

An ordinary wing room, outside the door, there are a few purple light circulating, good-breathing runes, faintly, and a magic circle covering the entire wing room.

Outside the room, there were five or six young men and women in the Taixu realm, all of whom were direct disciples of the Shenxuanzong!

Several people seem to be guarding here, their faces are full of disdain and gloat.

A woman sneered and said: "Hehe, I have long seen this woman not pleasing to the eye. Relying on the Sect Master's importance to her, I do what I want? I have known that she will get into trouble sooner or later!"

Another woman said: "I don't know anything good or bad. I thought I became a saint in the clan. She really was a virgin woman? Ha ha, pretend, it's her blessing that Lord Lei fell in love with her. If she could seize the opportunity, it wouldn't be impossible to even rise with our God Xuanzong!"

How about her? That's how to repay the sect? Think how precious and clean is her body? I think it's just a \*\*\*\* who wants to set up an archway as a bitch. "

Another man said coldly: "The beauty is indeed beautiful, but all day long, as cold as a dead person, this kind of woman is a calamity, a calamity! The lord back then should not be kind enough to leave this disaster!"

"The son of Lei, although he is a bit of a waste, he is a decent son of the Lei family anyway!"

Lei Family, that is a real big power, which is not comparable to my God Xuanzong!

Moreover, Lei Yunpeng seems to be loved by the head of the Lei family, why is he not worthy of this bitch? She would be fine, even if she doesn't appreciate it, will Young Master Lei be seriously injured? Don't you just want to pretend to be bingqingyujie? "

"This kind of person will die if they die, and they have to join the sect!"

Lin Yaqin is a famous iceberg goddess in the sect. His appearance and aptitude have made countless female disciples go crazy with jealousy!

Although there are many male disciples who used to be happy with her, Lin Yaqin treats everyone so coldly that he is not allowed to enter. He does not give anyone face, and even makes many self-confident talents. Lost!

Therefore, when Lin Yaqin had an accident this time, almost none of these disciples made a sound for Lin Yaqin!

Even after learning that she was going to be tortured by soul-scorching, she was extremely gloating!

If Ye Chen heard these people's conversations, he would definitely feel sad for Lin Yaqin.

On that day, Ye Chen killed a disciple of Shen Xuanzong, but Lin Yaqin risked his life to chase him down!

But these disciples, that's how they think of her?

At this time, a young man with a pale face and a delicate face, who was slightly gloomy and a bit feminine, walked over in Shen Xuanzong costumes.

The few disciples of Shenxuanzong, after seeing the youth, immediately stopped discussing, and respectfully saluted the youth: "Brother Yu!"

This person, named Yu Shaoyou, is the most powerful existence among the disciples of Shen Xuanzong!

All his cultivation bases have reached the fifth level of Taixu!

The youth nodded lightly and said, "I want to go in and talk to Lin Yaqin."

"Yes!"

In the wing, Lin Yaqin is sitting cross-legged on the bed, her beautiful forehead is covered with fine fragrance and sweat, as if she is practicing concentrating.

What is surprising is that Lin Yaqin has already broken through the realm of Taixu, and has also reached the cultivation level of the third layer of Taixu!

The speed of practice is terrifying! It can also be imagined that during this period, she really worked hard to increase her strength!

However, Lin Yaqin has no spiritual fluctuations all over her body!

She is all self-cultivation and has been sealed.

At this time, I was just trying to crack the seal.

However, this seal was planted by Shen Yong, the lord of Shenzuanzong himself. How could Zhan'e's seal be so easy to crack?

With a creak, the door of the wing opened.

Yu Shaoyou stepped into the room and looked at Lin Yaqin's sweaty head, vainly impacting the seal. He couldn't help but feel very good, and his face showed a sardonic smile.

Lin Yaqin opened her beautiful eyes, looking at Yu Shaoyou, but her face was blank, as cold as ever.

Yu Shaoyou sat at the table leisurely and said playfully: "Sister Lin, do you want to crack the seal? Ha ha, I advise you, don't waste your effort, and even if you crack, what can you do? Go out? You will be sent to the execution ground in half an hour, right?"

In the last half hour of life, why not relax? "

Lin Yaqin's expression didn't change at all, and she spoke without emotion, "Done? Get out."

Yu Shaoyou's look instantly became savage! He came this time because he wanted to see Lin Yaqin humble, Lin Yaqin lost her attitude, Lin Yaqin put down the goddess's shelf and begged to save her!

But what? Lin Yaqin is still that defiant look!

Lin Yaqin's cold and arrogant, like a ruthless foot, stomped his pride on the ground!

He hates Lin Yaqin, he hates it so much!

He comes from his family, and the Yu family is also a fairly good power in the Kingdom of God, only slightly weaker than Shen Xuanzong. Yu Shaoyou's background is already very powerful among the Shen Xuanzong disciples!

More importantly, he is not Lei Yunpeng's kind of waste who can only rely on his family background. Yu Shaoyou's own martial arts talent is extremely powerful!

And when he first entered the sect, he fell in love with Lin Yaqin, who was like a heavenly man, with a beautiful appearance, and exuding an extremely cold air like a goddess of ice and snow!

He desperately improved his strength, in the sect, became the existence standing on the top of the true disciple, and then he confessed to Lin Yaqin in front of the many disciples of Shen Xuanzong...

He has been preparing for a long time, utilising many family resources, and even invited friends with good family lives, just to give Lin Yaqin the most gorgeous confession!

At that time, I didn't know how many teenage disciples there were, and I was crazy with envy!

Yes, the result?

Lin Yaqin not only rejected him, but also slapped him in the face in front of everyone!

He still remembers what Lin Yaqin said to him at the time...

On that day, facing the grand confession he prepared meticulously, Lin Yaqin didn't even plan to take another look, so he ignored it!

And when he stopped Lin Yaqin and confessed to him, Lin Yaqin just spit out two words coldly...

"Step aside."

It seems that there is nothing, but in fact, this just shows that Lin Yaqin did not take everything he did, even him!

On that day, Yu Shaoyou was ashamed to the extreme...

Even, it became a joke in the circle...

On that day, Yu Shaoyou secretly vowed that one day, he would revenge that bitch! !

The \*\*\*\* who made him lose face!

Now, Lin Yaqin's attitude towards him is the same as it was then!

Chapter 2464: Unforgivable

Yu Shaoyou took a deep breath and suppressed his anger. Why should he be angry with a \*\*\*\* who is about to be put on the torture frame and subjected to unimaginable torture?

Yu Shaoyou suddenly smiled and said: "Hehe, Junior Sister, I came this time to tell you that Lei's family is far away from Huacheng, but why did Lei Yunpeng just go to the martial arts arena that day? Did you see your test? ?"

Lin Yaqin's beautiful eyes flashed a cold light, staring at Yu Shaoyou, after a long silence, he said coldly, "Why?"

She naturally knew that Yu Shaoyou said that Lei Yunpeng's appearance must have nothing to do with him!

In other words, Lin Yaqin has fallen into the situation it is today. It was Yu Shaoyou who arranged and created it!

What makes her puzzled is that she doesn't seem to have a holiday with Yu Shaoyou, right?

Although Lin Yaqin hardly has any intersection with other disciples, in the end, they all belong to the same sect.

Yu Shaoyou, why do you do this?

"Hehe." Yu Shaoyou sneered. He finally attracted Lin Yaqin's attention?

Very good.

He looked at Lin Yaqin bitterly, and said sharply: "Why? What a why!"

"Lin Yaqin, don't you remember that day, when I confessed to you, did you say anything to me? "Get out of the way"? In front of my friends, in front of the disciples of Shen Xuanzong, facing my confession, you just said two words, "Get out of the way"? Well, what a \*\*\*\* Xuanzong saint, what an iceberg fairy, what an ice and jade Lin Yaqin!"

"From that day on, I secretly vowed that I must retaliate against you, and I must make you pay!"

"It's a pity that you have been practicing in the sect and I can't find a suitable opportunity."

"However, some time ago, after you returned from the division mission, what kind of excitement did you seem to be stimulated? Going crazy in and out of the major arenas, fighting life and death, honing your strength?"

"I know, the opportunity is here..."

"Aren't you Bingqingyujie's saint? I would like to see, when you face Lei Yunpeng's molesting, can you still be so chaste?"

"Sure enough, you didn't let me down! Indeed, stupid enough! Such a good opportunity, if you don't know how to seize it, even if you climb to the Lei family, you have also seriously injured Lei Yunpeng!

Now, the Patriarch of the Lei Family is forcing my God Xuanzong to execute you by burning the soul to apologize to the Lei Family! Sect Master and your master, even if you look after you, they can't save you! "

"Even, you will become a sinner of my Shen Xuanzong! You seem to have a sense of belonging to Shen Xuanzong? Well, dying as a sinner of the sect is quite suitable for you, isn't it?"

Lin Yaqin did not speak, but even with her cold personality, she still couldn't help feeling a little chill...

Although she is cold by nature, she is not really affectionate. In her heart, she regards the people of Shen Xuanzong as her own. Otherwise, she would not be a disciple of Shen Xuanzong, even if she jumped off the cliff, she would kill Ye Chen. Up.

And now, Yu Shaoyou designed her like this because of her own words?

How can you not feel chilly?

When Yu Shaoyou saw Lin Yaqin's beautiful eyes, there was a trace of sadness flashing, and he couldn't help feeling happy, and smiled: "Yes, I have to tell you one more news, our \*\*\*\* Xuanzong's saint son is mine. My brother Yu Yan, during this period of time, is hitting the seventh heaven of Taixu!

It's about to leave soon! Hehe, he is less than a hundred years old this year, and the late Taixu who is less than one hundred years old exists. Can you imagine? "

"My brother also admires you, but even if you are such an incomparably outstanding and amazing monster like my brother, you bitch, but still look down on?

pretending to be noble, rejected him? Haha, but I have to thank you too, if you hadn't rejected my brother, I couldn't retaliate against you. "

"Now, my brother is about to become the proud son of heaven, the most dazzling new star of Shenzuanzong, and even lead the entire Shenzuanzong to rise strongly and shine in the kingdom of God! And you?"

"You will only die on the torture frame in an extremely painful way, Lin Yaqin, do you regret it?"

Yu Yan can be said to be the pride of the whole Yu family! Although Yu Shaoyou's aptitude is not bad, it is nothing compared to Yu Yanlai!

is the object he has longed for since he was a child, and has always been his goal! In Shaoyou's mind, his brother is like a god!

To be honest, if Lin Yaqin refuses to be the only one, he might not hate Lin Yaqin so much!

Ke Lin Yaqin, this \*\*\*\* bitch! But even the \*\*\*\* in his mind refused!

The brilliance of the gods has cast a shadow!

This can never be forgiven!

This \*\*\*\* must die!

Only when she is dead, can my brother completely get rid of the shadow of rejection, leaving Daoxing without flaws!!!

In Lin Yaqin's beautiful eyes, a different color flashes, Yu Yan is going to advance to the late stage?

This really surprised her. Yu Yan's martial arts talent is indeed very good. Maybe he can really lead the sect against the trend. It is almost certain that Yu Yan will be the future Sect Master of the Shen Xuanzong.

But, do you regret it?

Ha ha, she Lin Yaqin never regrets!

Even if she was asked to go back in time and make another choice, she would still reject Yu Yan!

What she repaired is to kill Dao! In order to reach the ultimate martial arts, do everything possible!

There is no extra place in her heart, which is left to Yu Yan.

Maybe, there will be someone, a person who cannot be erased even with her killing, staying deep in her heart, but that person is not Yu Yan.

Suddenly, a man appeared in Lin Yaqin's mind...

The indifferent is full of an inexplicable and attractive voice, which once again rang in Lin Yaqin's ears.

"Remember my name, my name is Ye Chen..."

Can't help but, Lin Yaqin's beautiful mouth raised a smile of disdain.

Yu Yan's talent for martial arts is really good, but how can it be compared with that person?

No matter how powerful the ant is, it is still an ant, which cannot be compared with the dragon.

She suddenly became a little curious about Ye Chen's current strength.

"What are you laughing at?" Lin Yaqin's disdainful smile was extremely dazzling when she saw it without swimming!

"You, is that disdain?"

Yu Shaoyou looked at Lin Yaqin with a gloomy face: "Do you know the horror of the strong in the late Taixu period? Disdain? You have the right to disdain? Until now, you still have to pretend, but also be arrogant?"

Lin Yaqin didn't say anything, and there was nothing to say. If Yu Shaoyou was originally a disciple of Shen Xuanzong, she still had a little weight in her heart, now, this weight has long disappeared.

For Lin Yaqin, Yu Shaoyou is air.

"Okay! Very good!" Yu Shaoyou smiled sullenly, "Look at you, how long can you still pretend? When suffering from the burning soul, your beautiful body was scorched by flames and became Can you be so arrogant when it's extremely ugly?"

Talking about Yu Shaoyou turned around and left, looking forward to it!

Looking forward to the fire torture in half an hour! !

Half an hour, for the martial artist, it is fleeting!

Soon, Lin Yaqin was taken to the square in front of the Shen Xuanzong Hall.

Chapter 2465: Bloodbath

In the square, a high platform was temporarily erected. Around the high platform, there are dark firewood. This firewood is the dead branch of the black soul wood, which is very suitable as the fuel for the soul fire!

And Lin Yaqin, at this moment, is standing under the high platform, beside her, there are several Taixu realm disciples guarding!

Lin Yaqin's spiritual power was banned, and her face was pale. She had repeatedly tried to hit the seal, but she suffered internal injuries, with a trace of blood on the corner of her mouth. Standing under the high platform, I felt pity.

However, all the disciples of Shen Xuanzong were just watching silently at this time, and even most of them didn't have much expression on their faces.

Soon, the figure of a group of people appeared at the gate of Shen Xuanzong's main hall, walking towards the high platform.

Shen Xuanzong Sect Master Shen Yong, Great Elder Lin Jiu, Second Elder Guo Tai, and Third Elder Xu Mengqiu came to the square.

Their faces are very gloomy, even sad and resentful.

Lin Yaqin, the saint of Shen Xuanzong, possesses innate murderous aura and extremely powerful potential. It is the hope of Shen Xuanzong's rise. They have also poured countless resources on Lin Yaqin!

But now, they are dying, because a word of the Lei family is dying, and they need to be executed by torture by themselves!

How can we not grieve, resent?

But! Grief, resentment, what can we do?

There is a saying in the state of God, which is called the high power and the first grade higher than the sky!

What does        mean?

That is, as long as one power is stronger than the other, even if it is only one rank higher, the gap is the same!

And Shen Xuanzong compares with Lei's family?

is enough, two ranks short!

Shen Xuanzong, what do you take to resent?

Don't talk about resentment, the lord Shen Yong, even in front of Lei's family, accompany smiling faces!

For fear of the other party, anger to the entire Shenxuanzong!

He, there is no room for resistance at all!

Even if the Shen Xuanzong tries his best to fight, what can he do? The Lei family can pinch God Xuanzong to death with one hand!

did this, just ruining the entire sect in vain!

And the third elder Xu Mengqiu is Lin Yaqin's master. At this time, her expression seems to be the calmest among the people.

However, in the eyes, there is no trace of brilliance, completely dim!

Sorrow is great, nothing is more heart-broken!

Xu Mengqiu's tears have drained, and he is plunged into complete despair. The whole person is already confused.

Lin Yaqin, she is the one who brought up her. She has no children under her knees. Lin Yaqin is like her biological daughter!

Sect Master, Grand Elder, Second Elder and others are so heavy on their faces, mostly because of the loss of the sect, and because of the loss of the face of the Shen Xuanzong, but Xu Mengqiu is different...

She is from the heart...

If he could save Lin Yaqin, even if he had to sacrifice his life, Xu Mengqiu would not hesitate to shoot.

But, in front of Lei's family, what is she Xu Mengqiu? She was just a warrior at the peak of Taixu, even if she tried her best, she was just committing suicide and dying.

is the kind of meaningless death.

So, she can only despair.

Beside the high platform, there are several seats, like an auditorium. On the table in front of the seats, there are spirit tea and spirit fruit.

This is what the Lei family asked for.

They intend to appreciate Lin Yaqin's death in torture like a performance.

At this time, several powerful auras rose from the east of Shen Xuanzong.

A disciple of Shen Xuanzong shouted: "Every guest of the Lei family is here!"

In the next moment, more than a dozen figures fell within the Shen Xuanzong.

Headed by        is a middle-aged man dressed in a brocade robe with a gold pattern and a huge half-step ancient artifact.

This person is Lei Youwei, the lord of the Lei family!

Don't look at his shameless appearance, but his strength is a real slaying!

And he was followed by the rest of the Lei family and a few servants.

The shocking thing is that even those with the lowest cultivation base and the weakest strength are all in the Supreme Void!

Tai Void Realm exists, and it is already qualified to become a true disciple within Shen Xuanzong!

Yes, where are you at Lei's?

More in number!

All Shen Xuanzong disciples have a slight change in their complexion, and they feel the power of the Lei Family from the bottom of their hearts!

However, the most conspicuous thing is that the Lei family brought up a big red flower bed!

On the red bed, lies a bloodless, unconscious young man with a faint breath!

This person is Lei Yunpeng!

Moreover, Lei Yunpeng is wearing a wedding dress impressively!

Shen Yong and others, quickly reduced the resentment, gloomy and other emotions in their eyes, did not dare to show a bit, and greeted them with a smile on their faces: "Patriarch Lei, are you here?"

Facing the greetings from Shen Yong and others, Lei Youwei actually ignored them. He sat directly on the first seat next to the high platform, picked up the spirit tea, and took a sip.

Shen Yong and others looked embarrassed, but they could only stand aside with a smiling face.

After a while, Lei Youwei put down his teacup, glanced at Shen Yong and the disciples of Shen Xuanzong, and sneered with disdain, "This is the Shen Xuanzong? You are Shen Xuanzong's master Shen Yong. ?"

The sweat on Shen Yong's forehead suddenly poured out, and he smiled reluctantly: "It's under."

Lei Youwei suddenly said indifferently: "Sect Master Shen, in such a grand scene today, why don't you let your disciple of Shen Xuanzong come out to see and see?"

what?

Shen Yong was taken aback for a moment, and looked at the disciples in the square, the disciples of Shen Xuanzong, aren't they here?

Lei Youwei, what do you mean?

But, he still bit the bullet and replied: "Patriarch Lei, the one on the square is the disciple of my \*\*\*\* Xuanzong..."

Lei glanced at the people in the square playfully, and said with a shrill smile: "Oh? Really? Why didn't I see it? I only saw a bunch of rubbish!"

Shen Yong, the first elder, the second elder, and even all the disciples of Shen Xuanzong, all looked stiff!

This Lei family is deceiving too much!

was not giving the slightest face, but when he came up, he sneered directly!

Even, there is not even the slightest obscurity!

In the hearts of everyone, anger arose, but what can be done?

They just lowered their heads, almost buried under their feet!

Even Shen Yong squeezed out a smile and echoed: "Patriarch Lei, the lesson is that Shen has been taught...".

not only did not dare to have any dissatisfaction, retort, was slapped in the face, and even put the other half of his face together!

Lei Youwei smiled coldly and said: "If you are acquainted, you have a bit of a wink. Otherwise, it's up to you Shen Yong to teach your disciples so that you God Xuanzong will have the cousin that seriously injured my son. My Lei family has already Your \*\*\*\* Xuanzong is bloodbathed!"

Chapter 2466: limit!

Shen Yong was already sweating coldly at this time, so he could only nodded and apologized...

Suddenly, Lei Youwei raised his gaze and looked at Lin Yaqin under the high platform. There was a bit of resentment in his triangular eyes and said: "This, that's the bitch? There is indeed a bit of beauty, no wonder my son will be affected by her. confuse."

At this time, Lin Yaqin still looked extremely indifferent. Even if she knew that she was about to face the terrifying torture, her expression did not fluctuate or change at all.

Lei Youwei turned his head and glanced at Shen Yong and said: "Soul Burning Flame, how are you preparing?"

Shen Yong quickly said: "Ready..."

He walked under the high platform, his eyes were a little heavy, he looked at Lin Yaqin guiltily, and after a moment of silence, he said, "Go on stage!"

WINK is growing to \$1 - Don't lose you chance - Buy On Binan...

Lin Yaqin did not hesitate, hesitated, step by step on the high platform.

On the square, when Yu Shaoyou saw this scene, his heart was full of joy, and it was so refreshing!

Right now!

is about to witness with his own eyes, how this \*\*\*\* is crying in pain!

Shen Yong's finger moved, and a gray flame hovered in front of him. It was the kind of flame that burned the soul.

He pointed toward the high platform where Lin Yaqin was standing, and the fire slowly flew towards the black soul wood on the high platform.

Seeing, the fire fell on the Black Soul Wood.

At this moment, Lei Youwei suddenly stood up and said, "Wait!"

Shen Yong quickly stopped the fire, and asked respectfully: "Patriarch Lei, do you have any more instructions?"

Lei Youwei looked at Lin Yaqin sarcastically and said, "Just let her die like this? No, since she is the woman my son is fond of, of course, she wants to die again after marrying my son!"

As he said, there was a hint of playfulness on his face: "I heard that she is still extremely cold and has never touched a man. She is so pure and clean? Well, very good, just in front of everyone today. Let's make a round with my son for everyone to see. , How pure is this slut."

As soon as he said this, even Shen Yong's expression changed!

This is a bit too much, right?

Let people die, or use the most cruel means, tortured to death, even if...

Have a woman suffer such a big humiliation before she dies?

Ruthless...

This thunder and promising, is too cruel...

Even Lin Yaqin, who has been looking cold all the time, has a look of panic on that delicate and pretty face...

She is not afraid of death, but she is afraid of death with such dignity!

In her bones, she is a very proud woman! No matter how terrifying the scorching soul flames, what kind of pain it will bring, she can endure...

But so humiliating her is the real torture to her!

It is more cruel than burning her to death with the scorching flames, and it is even more cruel and unable to accept torture 10,000 times!

"Come here!" Lei Youwei smiled at Lin Yaqin's expression.

He has always been very good at spotting a person's weaknesses.

"Yes!" Two Taixu martial artists in grey clothes stepped forward.

Lei Youwei said indifferently: "Now, you can't please our Miss Lin to marry my son. Well, Miss Lin seems a little shy. If she doesn't want to, she will interrupt her limbs and teach her. What is the etiquette of getting married, right?"

The two Taixu realm warriors stepped onto the platform.

flipped his hand, and there was an extra hammer in his hand!

Now Lin Yaqin, whose spiritual power is banned, is it the opponent of these two Taixu Martial Artists?

Not even the slightest ability to resist!

The two smiled grinningly, holding hammers in their hands. Even if they were facing a woman, a woman whose spiritual power was imprisoned, they didn't mean to keep their hands at all.

They held up the hammer in their hands.

The muscles all over his body are knotted and agitated. It is conceivable how terribly destructive the two hammers will be.

The next moment, on the hammer, there was a sound of breaking wind!

hit Lin Yaqin's legs and knees fiercely!

Since we are going to get married, surely, we must first visit the church.

How to worship?

Of course, I'm going to kneel down!

Lin Yaqin refused to kneel, what should I do? Then, interrupt her legs and let her kneel!

The hammer fell heavily on Lin Yaqin's slender and soft knees.

The blood was soaked in Lin Yaqin's white dress!

Lin Yaqin trembled, her face was extremely painful, but she was clenching her silver teeth and making no sound!

She is almost on her knees, it is already difficult to support her body...

But, she relied on a tenacious will to control the muscles of her legs tightly, and barely kept her standing!

"Hehe..." The two warriors looked at each other and sneered.

Support?

How long can you last?

But, it's just suffering for nothing!

But, this is also good.

On weekdays, they don't have the opportunity to torture a beauty like Lin Yaqin who looks like a fairy!

The two raised their hands high, their muscles shook again, and even vaguely felt that the spiritual power in their bodies was rolling!

This time, they obviously worked harder! If it were replaced by a Taixu existence with a slightly weaker body and unable to use spiritual power, I am afraid that it would be smashed into fleshy flesh?

looked at the two hammers surrounded by spiritual power.

Even in the square, among the disciples of Shen Xuanzong who have been faceless, there are many people who show unbearable expressions and quietly look away.

is too cruel, too inhuman!

Yu Shaoyou, like many others, looked intolerable and lowered his head as if I couldn't see the same kind of suffering.

can be in his heart, but it is joyful, so satisfied that it is beyond description!

He hopes that Lin Yaqin can continue to be so proud and continue to fight against the Lei family!

Before she died, the more tortured she was, the happier he was! ! !

Huhu! !

Two hammers, with a gust of wind, smashed through the air, and the strength is amazing!

嘭! ! Bang! ! !

even the entire high platform shook a bit!

Lin Yaqin's body trembled, and a heart-wrenching beauty flashed across her beautiful face.

but! ! !

Lin Yaqin, but still standing! ! !

can hardly imagine how she did it!

But, she just stood like this, although she seemed extremely reluctant, but Lin Yaqin had not fallen down yet!

Countless disciples of God Xuanzong flashed admiration in their eyes!

Regardless of what they thought of Lin Yaqin before!

Lin Yaqin at this time, let them respect! As a warrior, respect from the heart!

proud, this word is simple to say.

It's proud, it's not that you kill the whole family if you don't agree.

Real pride, how many people can do it?

Lin Yaqin's pride was recognized by the disciples of Shen Xuanzong!

But, no matter how proud and unyielding, what can you do? ?

Many things in this world cannot be overcome by will.

People are people after all, after all, there are limits!

Chapter 2467: Even if it is, what can you do?

Lin Yaqin is already arrogant to the extreme, but how long can she last?

The cruel and hideous smiles on the faces of the two servants became more intense!

The harder Lin Yaqin is, the worse he will end up!

Waiting for the moment when she really can't hold it, but it's not hurt, it's that simple.

Estimated that both legs will burst completely, right?

In their eyes, a bloodthirsty light flashed, and once again forcefully raised the hammer in their hands that was stained with the blood of this beautiful woman, screamed, their muscles moved wildly, and their spiritual power was surging!

With this hammer, they have surpassed the limit and contributed 200%! !

Even if it is a Supreme Void Martial Artist who is not imprisoned by spiritual power, facing their hammer, will they feel dangerous?

Huhu! ! !

The two hammers trembled, like a meteorite falling to the ground! With violent wind and destruction, he struck Lin Yaqin.

In the strong wind, Lin Yaqin has long black hair, dancing with the wind, showing a tragic beauty!

Suddenly, the sword light flashed!

Killing intent erupts, terrifying spiritual power, soaring into the sky, sword intent is biting, covering the wild!

Those two Supreme Void Realm martial artists were agitated by this extremely strong, fierce sword energy, their hearts were chilled, their consciousness was lost, and their spiritual power was messy. They screamed and quickly closed their hands. If they continue to smash the double hammers down, they may not be able to fully grasp the power in their hands, and they may hurt themselves.

At this time, above the square.

A figure was actually holding a sword towards the disciple of Shen Xuanzong in the field!

All the disciples looked at that figure, and their faces were shocked. This person was actually Xu Mengqiu!

At this time, two tears of blood fell in her eyes.

The tears are already drained, only blood is left!

Shen Yong shouted: "Elder Xu, what are you doing!?"

After , his figure flashed and he stood in front of Xu Mengqiu.

He is a strong Zhan'er, Xu Mengqiu at Taixu Peak is naturally not his opponent.

Immediately, the sword light was wiped out.

Xu Mengqiu's eyes were bleeding and tearing, but he stared at Yu Shaoyou sternly, and said sharply: "It's him! It's him! It's him who killed Qin'er! All this was designed by him!"

Ever since Lin Yaqin seriously injured Lei Yunpeng, Xu Mengqiu felt that things were a little weird, and she investigated secretly, and finally she found a clue.

All this was arranged by Yu Shaoyou!

Although she can't shake Lei's family, at least she will kill Shaoyou to avenge Lin Yaqin!

Yu Shaoyou's expression changed slightly when he heard the words, but he quickly calmed down.

He knew that Xu Mengqiu had no actual evidence. Otherwise, he would have been handed over to the sect and let the sect master handle him, right?

Why is it like this, crazy dog?

With a smile on his face, he said faintly: "Elder Xu, I know that your disciple has done something wrong, and you are sad, but in order to save your disciple, you can't do this, right?"

You said I designed it? Excuse me, Elder Xu, is there any evidence? "

The Great Elder Lin Jiu also guarded Yu Shaoyou's body, coldly said: "Elder Xu, even if you are in a hurry, you have nowhere to go, you can't, drag my disciple into the water, right?"

Shen Yong's eyes flickered. He knew Xu Mengqiu and knew that she would not target Shaoyou like this for no reason, but now, is the truth still important?

Whether it was designed by Yu Shaoyou or not, Lin Yaqin was framed, and now Lin Yaqin is doomed to die!

And Yu Shaoyou?

He is not only talented, but more importantly, he also has a very enchanting brother!

If Yu Shaoyou died, Yu Yan would definitely withdraw from Shen Xuanzong and even become an enemy of Shen Xuanzong, right?

Is it worth losing Yu Yan for a dead Lin Yaqin?

After Lin Yaqin died, Shen Xuanzong needed Yu Yan even more!

Soon, Shen Yong also stood in front of Yu Shaoyou.

"Dead!!!" Xu Mengqiu shouted violently, and she wanted to make a move desperately. How could she have any evidence?

She just inferred from clues!

The only person who can testify for her is Lei Yunpeng who is now fainted and lying on the flower bed!

At the moment when Xu Mengqiu was about to make a desperate move, Shen Yong and Lin Jiu's spiritual power surged to stop Xu Mengqiu, and everyone's attention was focused on these people.

A strange male voice echoed in the square of Shen Xuanzong.

"is that you?"

Before Shaoyou, a young man in a black robe appeared at some unknown time!

A young man with a cold expression and inexplicable pressure.

This person is naturally Ye Chen!

"You, you..." Yu Shaoyou looked at Ye Chen with a pale face. He, who has always been able to talk about things, stuttered for a while!

At this time, Ye Chen exudes an extremely frightening aura, and his eyes are like two thunders, piercing directly into the sea of knowledge of Shaoyou!

It made him feel terrified inexplicably, and his whole body was cold and sweaty. He wanted to defend, but found that he couldn't speak at all, and he didn't have the courage to lie to Ye Chen. In Ye Chen's power, Yu Shaoyou was actually scared. Two steps back!

The whole person, tends to chaos!

He didn't even react, Ye Chen was just a gatekeeper!

And he, but in the mid stage of Tai Xu!

The gap, I don't know how big it is...

Ye Chen stared at Yu Shaoyou. He had just arrived at Shen Xuanzong. With his current strength, although Shen Xuanzong had been closed to the outside world, he was still intruded in, but it was slightly delayed.

As soon as he arrived at the square of Shen Xuanzong, he heard the conversation between Xu Mengqiu, Shen Yong and others.

is that Shaoyou's mental pressure is extremely heavy, and he almost can't bear it. After he confessed, a black shadow flashed and blocked Yu Shaoyou.

In an instant, Yu Shaoyou's pressure dropped sharply.

He sighed softly, and looked at the figure in front of him.

He originally thought that this person was his master or the master of Shen Xuanzong.

Yes, he was wrong.

The young man standing in front of him was wearing a white dress embroidered with golden sword patterns. It was the costume of the son of Shen Xuanzong.

This person exudes the breath of the Seventh-layer Heaven in the Supreme Void Realm!

Yu Shaoyou was taken aback, and the next moment, on his face, a look of excitement, excitement, and joy suddenly appeared on his face, and he said: "Brother! You are out of the barrier! And, a successful breakthrough!!!"

This person is the ultimate evildoer of Shen Xuanzong, Yu Shaoyou's brother, Yu Yan!

Yu Yan has a slender figure, a heroic face, a dark complexion, and a well-defined face, full of coldness and arrogance, and a slightly wide lips evokes a chuckle of disdain.

He turned his hands on his back and looked invincible. He was vigorous, raised his head slightly, and looked down at Ye Chen, as if he was not looking at a person, but at a rubbish.

The look in his eyes at this time is very similar to the look in the eyes of Lei Youwei, the disciple of Shen Xuanzong. .

Yu Yan said indifferently, "Is it right? Even if he is my brother, what can you do?"

Yu Yan's voice is soft, but anyone can hear the arrogance and arrogance in his words!

Chapter 2468: He is not dead, who will die?

For a while, in the fighting arena, it became quiet.

There is no sound.

Everyone, even Lei Youwei, looked at Yu Yan with a gleam.

The people of Shen Xuanzong, including Shen Yong, looked at Yu Yan in shock.

Yu Yan, he broke the barrier so quickly?

He has been in retreat for only three days, right?

broke through in three days?

This is a huge bottleneck! Even in the kingdom of God, where the martial arts are extremely prosperous, the Seventh Heaven of Taixu is not easy!

This level, I don't know how many people have been stopped. Among the hundreds of billions of warriors, I am afraid that only one in 10,000, or even one in 100,000, can break through?

Even Shen Yong, he thought he was amazingly talented, but it took seven years to break through this realm gap!

WINK's Surge to \$1: Join the Wave!

Can Yu Yan?

Three days! Only three days!

For him, this threshold was crossed without any effort!

is like, doing trivial things!

can't imagine how terrifying Yu Yan's talent is!

How brilliant his future achievements will be! ! !

And, the point is, Yu Yan is less than a hundred years old!

In terms of the longevity of the warrior of the Kingdom of God, he is extremely young!

He is now in the golden age of improving his strength! In other words, in a short time, Yu Yan is likely to make crazy progress!

The next moment, ecstasy appeared on Shen Yong's face!

Originally, before Lin Yaqin had an accident, Lin Yaqin's weight was still heavier than Yu Yan in his heart.

After all, Lin Yaqin is younger and has a murderous instinct.

What about now?

Even if Lin Yaqin did not cause trouble, Shen Yong would be more optimistic about Yu Yan!

Not to mention, Lin Yaqin is now doomed to die!

He secretly made up his mind that this time, no matter what Xu Mengqiu is, he must save Yu Shaoyou.

The reason is very simple. He is Yu Yan's younger brother.

And Shen Xuanzong needs Yu Yan so much!

As for Ye Chen, the closed martial artist who suddenly jumped out?

Shen Yong ignored it directly. In the next second, someone who might die would care what he did.

And at this time, Yu Shaoyou, who had recovered his composure, finally clearly felt that Ye Chen's cultivation base was just a waste of five layers of heaven?

He sneered and looked at Ye Chen and said, "Who are you? Aren't you a disciple of our Shen Xuanzong? It's already a deadly crime for a closed door to break into our Shen Xuanzong. You dare to question me? Are you worthy?"

Now, I am severing my siblings, and kowtow to admit my mistake, maybe, I can keep you a dog! "

After Yu Yan appeared, Yu Shaoyou's self-confidence and pride have swelled thousands of times, and even he has nothing to hide or justify.

It's him, so what?

Is there evidence? It was Lin Yaqin who made the injury, and even the Lei family could hardly blame him!

And, obviously, even Lei Youwei was a bit shocked by Yu Yan's talent. Lei Youwei is an obvious businessman character. He knew that being good at a super enchanting genius like Yu Yan would definitely kill him directly than now. To be more profitable!

Just when everyone thought Ye Chen would shrink, be afraid, and even kneel down to beg for mercy.

Ye Chen, but his complexion was still plain, his eyes were staring at Yu Shaoyou, his eyes were not deflected at all, even if Yu Yan appeared, it was the same!

Ye Chen, didn't even look at Yu Yan!

As everyone looked at Ye Chen, Ye Chen spoke again.

is not to beg for mercy, not to apologize...

Still, it was that cold question.

"Did you calculate Lin Yaqin?"

Ignore!!!

completely ignore it!!!

is simply the ultimate enchantment of Shen Xuanzong, the super martial artist Yu Yan, as air!

Yu Yan, just warned Ye Chen!

Ye Chen, but treats Yu Yan's words as farting!

didn't care about it at all!

And Lin Yaqin on the high platform also fell on Ye Chen.

In the beautiful eyes, although it is still as cold as before, it can be faint, but a trace of complexity flashes...

Even she herself couldn't believe it. At the moment when her legs were in crisis, what she thought of was the man who was under the cliff of Tianyin, which made her resent, took her innocence and wanted to kill him. ...

The man who appeared several times in Lin Yaqin's sleep, who had never dreamed before...

The man who told her to remember his name...

When Ye Chen appeared in Shen Xuanzong, Lin Yaqin even thought that he saw an illusion.

But, at that moment, she felt a touch of warmth for the first time in her heart that had been frozen since she was born...

A trace, she herself has some incomprehensible warmth...

She didn't know why Ye Chen appeared here, she didn't know why Ye Chen wanted to question Yu Shaoyou for her. Although she had a special connection with Ye Chen, it was just an accident...

As for the last treatment, it is unavoidable.

I have always wanted to kill Ye Chen. I and him should be enemies, right?

But he, why do you treat yourself this way? Shouldn't he want to die?

Lin Yaqin didn't understand. When Ye Chen didn't kill her under the cliff of Tianyin, she didn't understand this man, and now she is even more confused...

But, this man who made her confused and puzzled her, but actually made her feel the warmth that she had never experienced...

Master treats her very well. She has respect and affection for her, but that cold heart has not melted because of it...

What made her even more unbelievable was that at this moment, she saw Ye Chen confronting Yu Yan, and seeing the man she had always wanted to kill, confronting the Evil Slashing Martial Artist...

What she thought was to stop it!

Prevent the conflict between Ye Chen and Yu Yan...

She knows that Ye Chen is indeed very talented, but, judging from the situation of her fight with Ye Chen at the time, even if Ye Chen broke through the gate, she is far from Yu Yan's opponent...

She couldn't help asking herself, is this worry?

Regardless of the reason for such feelings, Lin Yaqin knew that if there was anyone in her murderous way, it would be indelible...

In this world, there will only be one person...

That is, she is staring at the man at this moment.

At this time, Yu Yan's complexion instantly became gloomy!

This door-closing boy, dare to ignore himself?

He broke through the realm in three days when he was full of ambition. Even his master, Shen Yong, the head of Shen Xuanzong, he didn't put it in his eyes, but this little \*\*\*\* who didn't know where he got out, unexpectedly Dare to lose your face in front of so many people?

He is not dead, who is dead? ?

Originally, if Ye Chen, as Yu Shao lobbied, would amputate his limbs and kowtow to apologize, he would not bother to deal with this kind of garbage.

having \*\*\*\* blood on his hands will make him feel sick, which is an insult to himself!

Chapter 2469: 1 sword and 1 doom!

In Homura's view, even death in his own hands can be said to be an honor.

And Ye Chen is not qualified.

But now, it's different.

This rubbish, ignoring his own words, is like violating the imperial decree, committing the death crime of the nine clans!

Yes, Yu Yan is so domineering!

Let me say a word, you ignore it, don't care, and when the ears are off, that's a death penalty!

There is no room for tolerance!

A stray dog, blocking the way, he can give it a chance to roll, but if it is called to roll, if it does not roll, but instead calls itself, it can only be crushed to death!

"Ha ha....."

Yu Yan sneered: "If you are deaf, you'd better be cured sooner, otherwise, you will be like today, because you are deaf and offend someone you shouldn't offend. Then, there is no second result except death! "

The next moment, there was no opportunity for Ye Chen to speak at all, and Yu Yan shot directly!

His wrist turned over, and a half-step ancient long sword that was almost transparent, shimmering with colorful brilliance, and exuding incomparable coldness, fell into his hand!

In an instant, the situation changed, and the strong sword intent burst out! ! !

Hoo! ! !

The disciples of Shen Xuanzong present, without exception, were sweating coldly at the same time, and their faces were extremely frightened!

Some of those with weaker cultivation bases and weaker strengths are directly slumped to the ground!

For an instant, they seemed to have fallen into a world dominated by swords, and even the air they breathed turned into extremely sharp sword energy that could kill them at any time!

Is this the power of Taixu's late genius to shoot?

too horrible!

Even more terrifying than Xu Mengqiu's sword just now!

Yu Yan's shot turned out to be a 100% extreme explosion, and there was no idea of keeping his hands at all!

at the corner of Yan's mouth, with a cold smile.

The lion fights the rabbit, it takes full strength, not to mention, this is a good opportunity to show strength, isn't it?

His strength has skyrocketed this time, and he has nowhere to use it. It just so happened that there was an idiot who was delivered to the door!

The two elders besides Shen Yong and Xu Mengqiu were all ecstatic and extremely excited!

What a strong sword!

Yu Yan's retreat this time, not only broke through the realm, but even the sword intent has been sublimated!

This is too bad, right?

The aptitude is strong enough to compare with the disciples of the top forces, right?

In terms of sword intent and martial arts, Yu Yan is already above Xu Mengqiu!

This sword is too amazing!

Even Lei Youwei, this kind of strong nodded slightly, showing his appreciation.

This Yu Yan is really good.

Lin Yaqin's face turned white, and her heart sank instantly. In those beautiful eyes that never seemed to change at all and did not have any emotional fluctuations, the pupils were trembling, showing an extremely nervous and anxious look!

She knew that what Yu Yan displayed was their \*\*\*\* Xuanzong, a martial skill of the highest rank called Xuanyun Jianjue!

is a true heaven-defying sword technique! Powerful!

And Yu Yan, at this time, it is clear that he has cultivated this Profound Cloud Sword Art to the realm of Dacheng, and even reached the extreme!

Completely display the power of martial arts!

Even if she completely liberated her innate murderous state, she couldn't resist this sword at all!

Let alone Ye Chen who was just closing the door for repair!

She wants to move, she wants to shoot desperately!

But...

Even standing is already her limit, how can she move?

She can only helplessly, watching the sword light of Xuanyun Sword Art, drown Ye Chen...

But when everyone had no doubt that Ye Chen would be completely swallowed by the terrifying sword light that Yu Yan cut out.

Ye Chen, moved!

The green lotus extinguishing sword came out, and the golden light flashed!

The power of breaking the sky, surging crazily in the body! And Ye Chen's body also slammed into Yu Yan's surging sword intent with the sword that was cut out!

Yu Yan's sword, is it strong?

Strong!

Even Ye Chen felt extremely solemn!

This sword is not even weaker than the meteorite sword light blessed by Ling Jiuxiao with the forbidden spirit body!

You must know that although Ye Chen killed Ling Jiuxiao with a single sword, his sword did not kill the meteorite sword light.

At most, it can only be regarded as evenly matched. This is achieved with the help of the Qinglian Tiantian Sword under the strong blessing, which surpasses the tenacity of ancient tools.

So, will Ye Chen's sword be evenly matched with Yu Yan?

In that case, Ye Chen is really dangerous!

First of all, Ling Jiuxiao's sword had already severely damaged Ye Chen. Even if Ye Chen's terrifying physique had been lost, he still hadn't fully recovered.

Therefore, although he has completely refined the extremely evil spirit, his current physical state, in terms of vitality, is still one point worse than when he faced Ling Jiuxiao that day.

Besides, he now has no crystal blue armor!

Don't underestimate the protection of a half-step ancient artifact! With his bare hands, Ye Chen was also quite difficult, only to smash Wu Xinshan's half-step ancient weapon uniform!

Even, in order to break the half-step ancient artifacts, facing Wu Yushan's attack, he did not use the atomization supernatural power, but replaced the injury!

The most important thing is that he can kill Ling Jiu Xiao with a single sword. Another big reason is that although the spiritual body is strong, it may not be as good as himself in terms of vitality.

Finally, the Qinglian Sky Destroying Sword came into contact with the mysterious cloud sword light that Yu Yan had cut out...

In an instant, Yu Yanna was originally extremely stable and infinitely overwhelming in the world of sword intent. Suddenly, a horrible sword intent appeared with a touch of power, as if it had the power to open up the world!

A dazzling blade light flashed in everyone's eyes!

click, click, click, click...

A series of black cracks appeared in the void, and in the cracks, the violent wind rushed out, the ice and snow roared, and the flames burst!

An aura of destruction overflows, and the earth screams!

Shen Xuanzong, a doomsday scene!

It seems that this sword can really destroy a world!

At this moment, Yu Yan's sword world, which made countless people tremble, collapsed!

One sword, one doom!

Yu Yan's Xuanyun sword light, which is approaching the extreme, disappeared!

was killed by Ye Chen with a single sword!

Above the flames' face, there was originally a look of contempt, sneer, arrogance, etc., and with the sword light, it turned into nothingness!

Now, only panic is left in his eyes, panic to the extreme!

In a panic, he had only time to reluctantly sacrifice the half-step ancient jade pendant hanging on his neck, but he didn't wait for the white light emitted from the jade pendant, which contained the powerful sword light that made the gods and demons tremble. Completely swallowed by flames!

Shen Yong and others, their pupils shrank!

Ye Chen's sword is too fast!

Moreover, before Ye Chen took the shot, they didn't even have a guard!

It's too late to save people now!

There was a loud bang! !

Yu Yan's body turned into blood mist and dissipated, completely disappearing from the world.

Even the soul is also annihilated!

Chapter 2470: acting!

Ye Chen's sword and Yu Yan's sword are evenly matched?

Ha ha.....

Ye Chen's sword, indeed, was evenly matched with Ling Jiuxiao's sword.

but!

Don't forget, Ye Chen at that time was in the forbidden spirit law realm blessed by Qingling Orb! Unable to display the sword intent of the wind!

This is the real horror of the Forbidden Spirit Realm! If not, Ye Chen would not be hurt at all in the face of Ling Jiuxiao!

Yu Yan, indeed excellent, but is he comparable to the owner of the Supreme Divine Body?

Especially, after Ye Chen has refined the extreme evil spirit, his strength has increased a lot, and the gap between him and Yu Yan, who has just advanced, is naturally even greater!

WINK's Surge to \$1: Join the Wave!

Now Ye Chen, with the power of breaking the sky, under the blessing of the infinite weight of the Qinglian Sword of Destroying the Heavens, used the blessed di five swords, its horror is unimaginable!

Ye Chen's sword shocked everyone in Shen Xuanzong!

Even Lin Yaqin had an incredible color in her beautiful eyes!

Even with a hint of joy!

She actually killed Yu Yan for Ye Chen in seconds, and felt joy from the bottom of her heart!

Faintly, there is a hint of... pride?

For a moment, Lin Yaqin's pretty face, which was extremely pale because of the injury, turned red...

She is cold and has never experienced love, but that does not mean that she is completely ignorant...

When will a woman be proud of a man when she shows her excellence and excellence?

Only when this woman has special feelings for that man, right?

At this time, Yu Shaoyou was indeed completely stupid. He was stunned. He couldn't believe it and looked at Yu Yan's long sword and storage bag that fell on the ground, only despair was left in his eyes.

His pride, his longing since childhood, in front of him, died...

Just die...

"Why?" Yu Shaoyou trembling all over, asked Ye Chen, "Why!!! Why on earth are you going to kill my brother!!!"

"Why?" Ye Chen took away Yu Yan's long sword and storage bag with a faint expression. "If he wants to kill me, I will kill him. Why are there so many?"

The hope of rising is extinguished! !

This is simply more painful than directly killing Shen Yong!

Shen Yong's aura broke out completely, spiritual power surged, in the void, transformed into a palm, engulfing boundless palm strength, as if a huge mountain fell, he was about to face Ye Chen, suppress!

Ye Chen looked at Shen Yong, and his gaze also condensed. With his current strength, he was not yet another opponent's opponent.

However, on his face, a look of surprise and joy suddenly appeared!

Because just when Shen Yong shot, a tombstone in the reincarnation cemetery shook!

A strong breath surged out!

This! It means that a new power can be inspired!

Not only that, but a faint voice came from the reincarnation cemetery:

"Oh? When the deity came out, it was so lively outside?"

"Beheaded to kill and block the door?"

"Somewhat interesting."

"However, what the deity hates most is this overriding crush!"

"It just so happens that the deity wants to see how powerful it is to stay in this divine mind!"

Suddenly, Shen Yong, who was about to take action, looked stiff! Even, faintly, a little pale!

The giant palm that emerged in the void also dissipated in an instant!

Everyone looked at Shen Yong with a look of doubt.

Even Lei Youwei looked at Shen Yong in confusion.

This young man was indeed against the sky and was even better than Yu Yan, but he could not be Shen Yong's opponent in the Evil Slayer Realm.

Shen Yong kills the opponent with one move, right?

Why, Shen Yong can't move? Why is there a look of fear on Shen Yong's face?

It's impossible, what can this kid threaten Shen Yong's back hand?

Only Shen Yong knows it himself!

Just now, the moment he was about to shoot Ye Chen, what did he sense!

...

At the same time, the Kingdom of God Tiandao Palace.

Above the main hall of Tiandao Palace, the atmosphere was solemn to the extreme!

Not long ago, none of the elders of the Tiandao Palace sent by Xuanyuan Moxie survived!

Although these elders are not too strong, they are more than enough to deal with Lingwu Continent!

But it failed!

Not only failed! Even Xuanyuan Moxie noticed something was wrong at the time, and the Heavenly Punishment he lowered was useless!

More importantly, the Devil Emperor is likely to be resurrected!

How could Xuanyuan Moxie not be angry!

The Devil Emperor was a threat in ancient times. If it were to be resurrected this time, it would be the most troublesome thing at present!

These days, Xuanyuan Moxie has been waiting for someone!

That is the only Tianji Taoist who survived!

Only when the Tianji Taoist returns to the kingdom of God can he know everything that happened that day!

At this moment, a servant of the Heavenly Dao Palace cautiously walked up, holding a jade slip in both hands.

"Palace Master, recently I heard that a strong gatekeeper rose in the kingdom of God, and he actually killed a godlike body owner in the trial match. Some elders proposed to include this person in the Heavenly Dao Palace..."

Before he finished speaking, Xuanyuan Mo's evil aura on the verge of rage shook!

That jade slip instantly turned into powder!

Even the subordinates have completely disappeared from the world!

And what was recorded on the powdered jade slip was the shocking battle between Ye Chen and Ling Jiuxiao!

"I don't want to read any information today, I just have to wait for the Heavenly Ji Taoist!"

After ten minutes!

An old man in Taoist robe was late.

It was the Tianji Taoist who was in the Mozu that day!

Xuanyuan Moxie's eyes were excited, he hurriedly stood up, and said, "My God, what happened that day! You made me wait so hard! Let me talk as soon as possible!"

There was a dignified look in the eyes of the Tianji Taoist, pretending to be melancholy.

A few seconds!

Suddenly, he slapped himself heavily!

"Hey, palace lord! In order to find the little uncle, I came too late for that battle! I \*\*\*\* it! I can't forget that scene for a long time. The elders of the Heavenly Dao Palace blew themselves up to kill the Devil Emperor!"

"Even if I stop them, they will be resolute and push me away. The palace owner must treat their descendants well!"

"As for the result, the Devil Emperor was seriously injured, and the final step of his true body condensing failed! But he is still alive! He is alive in the form of a remnant soul, but it is not to be feared right now!"

Xuanyuan Moxie was slightly overjoyed, the life and death of those elders is not important, the failure of the Devil Emperor is a good thing!

But he has to find a way to erase the remnant soul!

Suddenly, he thought of something: "That day, I faintly perceived the existence of the mysterious gate-closing youth, what happened to him?"

Taoist Tianji frowned, pretending to be puzzled: "Ah? What youth? I haven't seen any youth that day, could it happen to pass by?"

"Furthermore, in this level of battle, how could it be possible for the gate to participate, as soon as it enters, I am afraid it will become ashes."

Xuanyuan Moxie stared at the Taoist Tianji, feeling something was wrong, but he couldn't tell. He still said, "The Taoist Tianji is sure about this? Isn't it wrong?"

This time Tianji Taoist is a little unhappy, waving his sleeves, raising his right hand: "The old man swears to the patriarch, if he lied, Dao Xin..."

Before he finished speaking, Xuanyuan Moxie interrupted: "Tian Lao, don't have to be like this, I believe Tian Lao."

The Taoist Tianji nodded and left with his hands: "The old man will not disturb the palace lord. The Taoist temple hasn't been seen until now..."

The moment he turned around, the Taoist Heavenly Journey was covered with sweat on his forehead, and he said in his heart: "Fortunately, I was not found. I almost lost my life for the little uncle. I am afraid that the little uncle is already in the kingdom of God."

"I am a dignified and mysterious Taoist, but today I did this kind of sneaky and slapped the face for acting. Hey! What a sin!"

"Go back and copy the Taoist talisman to redeem your sins, this is not a long-term solution, you must find the little uncle as soon as possible..."
