Chapter 2471: Kuangwu overlord!

A peak standing above the kingdom of God.

Clouds and mists surround the peaks and ridges, straight into the sky.

If you look closely, you will surely find that there is a very strong gossip array around this peak.

Here is the Taoist Temple of Heaven.

A temple in the depths of Tianji Taoist Temple.

Nothing.

There was only one old man wearing a Taoist robe.

The old man sat cross-legged, with tortoise shells, formations, and gossip stones in front of him.

Obviously, the Heavenly Ji Taoist wants to deduct the whereabouts of others!

Suddenly, Tianji Taoist eyes opened, and a cold light flashed!

His skinny fingers moved quickly, three drops of blood floating!

In the end, it disperses on its own!

Tortoise shells, formations, gossip stones are all floating!

The strange wave pattern rippled away.

A picture jumped out!

It was exactly what happened in Shenxuanzong!

When he saw the picture that Ye Chen faced such a powerful enemy, Tianji Taoist's heart burned with anger!

"What trash sect, dare to touch the old man's uncle!"

In the eyes of Tianji Taoist, Ye Chen is his uncle!

Otherwise, he would not lie in front of Xuanyuan Moxie!

Now that Uncle Master is in trouble, how could he sit and wait for death!

The Taoist Tianji just wanted to tear the void, but suddenly he noticed something!

Outside the Taoist Temple, there are powerhouses from the Kingdom of God and Heavenly Dao Palace coming!

He snorted coldly, and closed the void: "It seems that Xuanyuan Moxie is not that easy to deceive, and he sent someone to watch me!"

He thought again and again, still sitting cross-legged back to the original position, watching the picture!

Until the last moment, he will not rush to make a move!

"Uncle Master, look at you!"

...

The screen turns, Shen Xuanzong!

Shen Yong, the head of Shenxuanzong looked at Ye Chen in front of him, and stepped back subconsciously!

Because of the breath released from Ye Chen!

that.....

That is the original breath of the strongest...

The key is more than one fucking!

This is the existence of two Xeon's!

One of them he could not even imagine!

This kind of original aura, but at least only a martial artist in the Evil Realm can condense it!

The aura released from Ye Chen's body is not just as simple as slashing the Evil Realm!

The main reason why Lei Yunpeng was able to save his life in the hands of Lin Yaqin was that he possessed a source of energy planted by Lei Youwei!

That is to say, what Lei Yunpeng met was Lin Yaqin who possessed innate murderous aura. Due to the restraint of the innate murderous aura against the coercion of various auras, she would be much less affected by the original aura!

Otherwise, the general too virtual realm warrior may not be able to hurt Lei Yunpeng!

Moreover, Shen Yong is sure that the strength of these two powerhouses is still above Lei Youwei!

Because, Lei Youwei didn't even feel that breath, only he who shot Ye Chen felt it!

Immediately, Shen Yong took his breath, lowered his head without saying a word, and stopped looking at Ye Chen.

Ye Chen's background is not something he can afford! It's not that he can't continue to shoot, but he dare not!

In his guess, Ye Chen is also at least a core disciple of the third-class forces if he can get the original aura planted by the strongest?

If Ye Chen knew what Shen Yong was thinking, he would definitely laugh at his stupidity!

Can you continue to shoot?

The two original auras just now, because Shen Yong stopped earlier, did not completely explode. With only one percent or one thousandth of the breath, Shen Yong was so shocked that he did not dare to continue.

As for where these two breaths come from!

One is the new awakening power of the reincarnation cemetery!

As for the other one, it comes from Tu Lanxin!

Let alone the power of the reincarnation cemetery, if the original aura left by Tu Lanxin on his body is completely exploded, let alone a shot!

Shen Yong, who was not even a warrior in the middle of the Evil Slash Realm, would most likely be killed by that breath!

A short absence! Ye Chen came to the reincarnation cemetery.

There are already four great abilities in the reincarnation cemetery!

The first one is Feng Qingyang, but the current Feng Qingyang is very weak!

Talk as little as possible!

He wants to gather the last force and teach Ye Chen the ultimate sword technique! Six swords in one!

The second is Cangu Medical God.

The third place is the early appearance in Kunlun Xu, giving Xiaohuang the power of blood and strength!

As for the fourth place, it is the great power who just awakened!

At this moment this great power has appeared above the tombstone!

This great power looked forty-five years old, with his hands behind him, and his ink hair fell on the golden robe! A powerful fighting spirit is circulating all over!

The whole body exudes the same cold temperament as his sword! The three-dimensional facial features carved like a sharp knife exude an icy atmosphere, and the eyes that are too deep to see through are shooting the blade!

The simple stop of this great power was to make Ye Chen flow with extremely strong fighting spirit!

Even the existence above life and death!

Ye Chen quickly arched his hands and said, "Ye Chen has seen Senior! Thank you Senior for helping!"

This great power is different from the ancient medical god, but he is not too stubborn, and he smiles heartily!

"The deity is a madman overlord, and he is not used to seeing arrogant people in his life."

"Besides, the deity didn't make too many shots just now!"

"Boy, there is a strong breath in your body, this breath is enough to shock the outsider."

"In this matter, the deity will no longer intervene!"

"This is the reincarnation cemetery? It's really a strange thing in the world!"

Suddenly, Kuangwu Overlord's eyes fell on Canggu Medical God!

In an instant, his eyes became angry!

And the ancient medical **** Cang coughed lightly and returned directly to the tombstone!

Obviously avoiding the Kuangwu Overlord!

The violent overlord is full of fighting spirit, letting go!

"Canggu Medical God, you are actually here!"

"It's just right! Today we'll take the old account!"

In an instant, a gust of wind blew up in the reincarnation cemetery!

Ye Chen reluctantly returned to reality.

It seems that there are still some stories about Canggu Medical God and Kuangwu Overlord.

...

Shen Xuanzong.

Ye Chen ignored Shen Yong, and under the gaze of everyone, he fisted Yu Shaoyou who had collapsed Dao Heart.

Killed another one!

Just kill another one!

Lawless!

A closed door that didn't know where it came out, unexpectedly killed people one after another in the dignified **** Xuanzong?

It's like a killer who came out of thin air, it's incredible!

"Travel less!"

Yu Shaoyou's master Lin Jiu originally saw that Ye Chen was about to stop Shaoyou from taking action, but Shen Yong stopped him!

They have already provoked a Lei family! You can't provoke another force equal to or even above the Lei Family!

Lin Jiu watched, his beloved disciple was killed by Ye Chen, and a look of grief appeared on his face.

However, Shen Yong, with his eyes flashing, whispered in Lin Jiu's ear: "Old Lin, don't worry, take a look first, maybe we don't need our hands to solve this kid!"

He knew that Ye Chen questioned Yu Shaoyou after Xu Menghua angered Yu Shaoyou.

Then it is very likely that Ye Chen came for Lin Yaqin!

Ha ha.....

For Lin Yaqin, Ye Chen is bound to face Lei's family!

Then, there is a good show.

Chapter 2472: Wood show in the forest, the wind will destroy it!

He is afraid of Ye Chen, but the higher Lei Family, will he?

At this time, Ye Chen was walking towards the high platform directly under the eyes of everyone!

"stop!"

Lei Youwei snorted, looked at Ye Chen with a gloomy expression, and said faintly, "Boy, what are you doing?"

Ye Chen looked at him blankly, without any fear of Lei Youwei's breath, and said lightly: "Save people."

Play breath?

Ha ha.....

He possesses the original aura of Tu Lan's heart, even if the slasher releases the aura on him, it will not affect it at all!

When Shen Yong heard the words, his eyes brightened, and Ye Chen was here to save people!

"Save people?"

Lei Youwei smiled disdainfully, Ye Chen's talent did scare him, but no matter how scared he was, it was nothing more than a closed door, thinking that he had killed a too vain Yu Yan, everyone should give way to him. ?

Although it was strange that Shen Yong stopped suddenly, what about the trash master of Shen Yong's power backing down?

He is very promising, and he is not at the same level as Shen Yong.

And the boy in front of him who didn't know the height and the earth wanted to save people from the Lei family?

Is your mind flooded?

Lei Youwei squinted at Ye Chen contemptuously and said: "Boy, there are people outside the world, and there are days outside the sky. You have some talent. However, you don't think that if you kill a small virtual existence, you will let me thunder. Did you give in?"

Sometimes ignorance can really bring courage to people. You don't know how terrifying my Lei family is, right? The Lei family, but the existence that overrides the Shen Xuanzong, do you understand? If I want to, I can wipe out thousands of closed doors in an instant! "

"Although you have proved that Lin Yaqin was designed by others, you would not be so naive to think that my Lei family would not be held accountable for this?"

This bitch, hurt my son, she must die! Today, my Lei family, if she wants her to die, no one can save her! What are you worthy of saving people from my Lei family? If it weren't for your talent, now you're a dead man, you know? "

Lei Youwei didn't make a direct shot, but it was because, behind such an outstanding young man like Ye Chen, there were often some forces standing behind him, and he didn't want to offend these forces.

But, when Ye Chen knew what was good or bad, and would not toast or eat fine wine, if Ye Chen had to save Lin Yaqin?

Then die with Lin Yaqin.

It is true that making geniuses is more beneficial than killing them directly, but that is when there is no conflict of interest!

Right now, Ye Chen wants to save Lin Yaqin, so he is going to conflict with Lei's family!

He is very promising, but is he afraid of a small door lock?

joke!

Everyone on the square looked at Ye Chen, not knowing how he would answer.

At this time, Ye Chen, after hearing Lei Youwei's words, actually laughed...

Contemptuously, ridiculed, laughed disdainfully.

Everyone was taken aback, why did Ye Chen laugh?

Isn't Lei Youwei right?

What's so ridiculous?

Lei Youwei's complexion was a bit ugly and gloomy...

Ye Chen's smile was very dazzling.

After a lesson, Ye Chen not only didn't bow his head, but admitted his mistake, he even showed this kind of smile?

For many years, no one dared to laugh like this in front of him?

At this moment, Ye Chen spoke slowly.

He looked into Lei Youwei's eyes and only said six words in total.

But these six characters set off waves in the square of Shen Xuanzong!

Ye Chen, what did you say?

With a faint smile on his face, he said: "What are you pretending?"

Is it important to Ye Chen whether Lin Yaqin was framed?

The reason why he pressed Yu Shaoyou was just that he didn't want the villain to be free, as for the Lei family?

Ye Chen didn't pay attention to it from beginning to end.

Even if Lin Yaqin was not calculated, even if he was not seriously injured, but completely killed Lei Yunpeng, then what?

It's just Lei Yunpeng, he's looking for death by himself!

He still wants to save Lin Yaqin!

The disciples of Shenxuanzong were completely terrified, shocked, and incredible!

Just thinking about the consequences of saying these six words to a Patriarch of such a power, their cold sweat has come down!

But Ye Chen said these six words just in front of Lei Youwei! ! !

Their heads are about to explode!

This genius warrior who killed Yu Yan was really crazy!

Crazy to the end of the sky!

Even Shen Yong looked at Ye Chen in disbelief. He had thought that Ye Chen might be in conflict with Lei Youwei, but he had never thought that it would be such a conflict!

Ye Chen's madness far exceeded his expectations!

However, for Ye Chen's behavior, he secretly shook his head.

Ye Chen seemed a bit stupid to him!

He guessed that if Ye Chen moved out of the forces behind him, treated Lei Youwei with courtesy, and then gave Lei Youwei a little bit of face and gave him a step down, it would be possible for the Lei family to give up and let Lin Yaqin go!

If Ye Chen had a bit of brain and was good at dealing with things, this matter could obviously be resolved peacefully!

But now?

Taunting Lei Youwei in front of so many people is still so direct, so unsparing ridicule! Then, I just want to die forever!

Where can a long-standing existence like Lei Youwei bear such ridicule?

What is the use of a person like Ye Chen, no matter how strong his martial arts talent is?

No amount of genius can save his arrogance!

This kind of person has no chance to grow up!

Although martial artists are respected by martial arts and their strength is supreme, martial artists are also human beings and need to get along with others! The ability to deal with people, sometimes, can really determine a person's fate!

You may not need strong communicative skills, but! Do you still understand the most basic advances and retreats?

Wood show in the forest, the wind will destroy it!

Ye Chen, this is not Mu Xiuyulin anymore!

This is simply fucking, it's going to grow to the sky!

Can it be broken?

However, this scene is precisely what Shen Yong would like to see!

Ye Chen destroyed the hope of Shen Xuanzong and killed his most optimistic disciple. Of course, he hoped that Ye Chen would die. The worse the death, the better!

Otherwise, how can he relieve his hatred? Even better, let the forces behind Ye Chen face the Lei family and kill you to death!

Although Shen Xuanzong was already preparing to execute Lin Yaqin this time and pleaded guilty to the Lei Family, in the final analysis, he still offended the Lei Family!

The Lei family is immortal, and he feels uneasy!

If the forces behind Ye Chen destroyed the Lei Family, it would be equivalent to not having a **** sword, and it would have eliminated the confidant trouble of a **** Xuanzong!

He knew that he didn't dare to shoot Ye Chen, but Lei Youwei was different from him!

Regardless of the fact that they are all slashing, the strength is different!

The original aura on Ye Chen's body can shock him, but it definitely cannot shock Lei Youwei!

At this time, Lei Youwei was already in a state of anger, and there would never be any possibility of keeping his hands!

Ye Chen, must die! ! !

Chapter 2473: Ye Chen's identity!

Sure enough, Lei Youwei had a pair of triangular eyes, his eyeballs were about to go out of his sockets, and his eyeballs were instantly covered with bright red bloodshot eyes, and he was so angry that he almost ignited his soul!

The skinny body began to tremble, and the table in front of him, made of the highest quality wood in the Profound Sect of God, instantly turned into dusty powder under its breath!

The scruples and worries about Ye Chen's forces behind him were all left behind by Lei Youwei!

At this moment, his brain is blank, full of only one thought!

That is to kill Ye Chen!

Immediately, wipe out the kid who dared to be disrespectful to him!

The next moment, Lei Youwei made a move!

The terrifying aura of the slasher, instantly rushed to Jiuxiao, the color of the wind and the cloud changed, pattering!

Under the impact of that god-like aura, all the disciples of Shen Xuanzong, without exception, vomited blood, fell to the ground, and passed out!

More importantly, these breaths were not directed at them at all!

They are just being affected...

The target that Lei Youwei's aura locked in was Ye Chen!

It is impossible to imagine how powerful Ye Chen is now!

The only disciple of Shen Xuanzong who is still standing is Lin Yaqin on the high platform!

However, an extremely reluctant look appeared on her pretty face!

The innate murderous aura is already coercive to all kinds of auras, and it has an incomparably powerful effect!

can!

No matter how restrained, there are limits!

The breath of the slasher, even if it is innate murderous aura, can't be completely restrained!

What's more, Lin Yaqin's spiritual power is still imprisoned!

It was a miracle that Lin Yaqin could still stand!

However, even so, the bones of Lin Yaqin's body are creaking!

However, at this moment, Lin Yaqin didn't care about her physical condition at all, and she stared at Ye Chen with her beautiful eyes!

The eyes are full of anxiety!

In the face of Yan, Ye Chen was able to defeat it. Although it was almost a miracle, there was still room for understanding!

What about Lei Youwei?

There is no possibility!

Could it be that Ye Chen is really going to die?

but! Ye Chen at this moment can still stand!

Moreover, above the face, still maintains the indifferent color!

Lei Youwei's breath was extremely frightening, to Ye Chen, it was like a breeze blowing on his face.

"Junior, do you dare to insult me!? Today, I want to let you know the horror of the chaotic powerhouse!!!"

Lei Youwei yelled and punched!

"Wan Mo Fist!"

One punch, Wan Mosheng!

In the entire Shenxuanzong, the sound of ghost crying and demons roaring everywhere! The dark clouds are rolling, the wind gusts, and the evil spirits are surging! Countless ghosts, ghosts, flashing crazy! Like a purgatory on earth!

Shen Yong and the others trembled, their faces were full of horror!

They weren't dead yet, but it seemed that they had fallen into the netherworld, full of vitality!

In their eyes, they seemed to have seen their flesh burst and die tragically, and their souls fell into the future of endless torment!

Wanmo Fist is a real ancient martial art!

From the hands of this warrior Lei Youwei, it is even more powerful!

The fist marks in the void have not yet fallen, and there are countless buildings in the Divine Profound Sect collapsed and the ground cracked!

Ye Chen's pupils contracted, but this punch was extremely strong. Even if he used his vitality to cast the misting magical powers, he would be wiped out by Lei Youwei, right?

Lei Youwei has been long live this year. Although his appearance is ugly, he can be regarded as a strong man in the Kingdom of God!

Ye Chen's strength has improved, although he is approaching the level of defying the sky, the gap between him and the veteran powerhouse like the Kingdom of God is like Tianyuan!

However, Ye Chen, do you need to take action?

There was a sneer at the corner of his mouth.

Indeed, he doesn't like bullying others, he likes to rely on his own strength to solve problems.

However, in the face of Lei Youwei's stuff, sometimes it's quite interesting to take advantage of it, isn't it?

Think about it, the appearance of Lei Youwei, who has the strength against the sky, but dare not attack Ye Chen?

Ye Chen wanted to laugh.

He likes to watch others upset and can't beat him to death!

Just when the scary fist mark in the sky was about to hit Ye Chen, a strong breath suddenly burst out of Ye Chen!

Vaguely, behind Ye Chen, a phantom figure of a tall woman in black dress appeared, with cold eyes, lightly sweeping the countless ghost shadows and the fist prints of ghost shadows.

In an instant, the world was clear and bright, the sun was shining, all the dark clouds, the wind and the evil spirits, all disappeared, not even a single trace was left!

It seemed that everything just now was an illusion.

The fist mark in the void was completely wiped out under the glance of the woman's shadow!

Shen Yong and others were all dumbfounded, looking at Ye Chen inexplicably in astonishment!

Especially Shen Yong!

This.....

What the fuck! Where is the original aura that the core disciples of the forces can have! ! !

What kind of powerhouse, with only breath, can eliminate the invisible blow of the slasher?

too scary!

It's so abnormal!

What exactly did Ye Chen come from?

Wouldn't it be the son of a super big family from God Capital?

Shen Yong, even started to tremble, he... just now, he seemed to have spoken harshly to Ye Chen, and even meant to attack Ye Chen!

Although, it was because Ye Chen killed his disciple...

but! ! !

This is a capital offense for a child of a super family!

It was the death penalty to destroy the entire sect!

How can he not tremble? I almost wanted to kneel down and apologize!

However, Lei Youwei, who was originally furious and desperate, calmed down instantly as if he was overwhelmed by cold water!

He stared at Ye Chen in disbelief, and finally understood why Shen Yong just stopped suddenly!

Judging from Lei Youwei's insight, the original aura just now is likely to come from a strong one among extremely powerful forces!

Otherwise A strong Zhaner of the same power, even if the strength is higher than him, it is impossible to be so terrible that the illusion transformed by the source of energy only glances at it, and then wipes out his fist mark. Ah!

The potential is higher than the sky!

If Ye Chen really has something to do with the powerhouses of these forces, then it is not something that Lei Family can afford!

If you knew that Ye Chen was probably from such a force, let alone letting Lin Yaqin go, he would be willing to let the Lei family apologize to Lin Yaqin and pay a gift!

But now, the situation is different again!

why?

Unlike Shen Yong, he actually shot Ye Chen! Although it did not cause Ye Chen to be injured, it was enough to kill the Lei Family. At the very least, he had to die to repay it!

Lei Youwei's eyes flashed crazily! He is scared! I was sweating all over, coming out!

Gradually, his eyes became stern and fierce, and his face was uncertain, as if hesitating...

Chapter 2474: rely!

why?

Since everything is dead, it is better not to do it! Two endlessly! ! !

Now that he has forged a beam with Ye Chen! I can only tear my face completely!

Of course, if you want to kill Ye Chen, I'm afraid that he has no ability to do it...

However, he is very promising, how can he not have any successors if he can go to this day?

Just doing this will use up one of his hole cards!

An extremely precious hole card!

He didn't want to do this when he was not a last resort.

Therefore, Lei Youwei decided to test it out before taking the shot. If it can be resolved peacefully, naturally, it is best...

As for the face?

Hehe, Lei Youwei walked along the way, and he didn't know how much humiliation he had endured before he could live to this day and grow into a powerhouse in the Slashing Evil Realm!

face? In front of interest, it's just a fart...

He looked at Ye Chen with blinking eyes, and said, "This... prince, Lei dare to ask, are you from a third-class power? Can you tell Lei, your parents, who is strong?"

Lei seems to be quite familiar with the original energy just now, maybe, your parents and Lei are old acquaintances? I just made the move. How offended, I am afraid that the flood rushes into the Dragon King Temple and hurts his peace? "

The pupils of Shen Yong and others shrank!

Ye Chen's identity is really not simple!

Lei Youwei was obviously subdued.

Ye Chen almost laughed out loud when he heard this!

Hehe, quite familiar?

Old acquaintance with Lei?

Flooded the Dragon King Temple?

This thunder is promising, and his face is really thick to the sky!

This is the breath of Tu Lan's heart!

Not to mention acquaintance, Ye Chen believed that as long as Lei Youwei knew Tu Lanxin's appearance, he would never dare to say such a thing!

Feel free to connect with the strongest of the first-class forces?

A thousand Lei Clan will not be destroyed!

However, he knew that Lei Youwei said that, he should have mistakenly believed that Tu Lanxin's original aura came from a third-class force.

Thinking of this, Ye Chen couldn't help but smile, the original energy left by Tu Lanxin was really interesting.

Faced with opponents of different strengths, they will release breaths of different strengths!

If it is completely released, what was wiped out just now is not Lei Youwei's fist!

Even Lei Youwei himself would die too much!

However, in that case, the consumption of the original energy would be even greater.

After all, the source of Qi, in the final analysis, belonged to an external force, Tu Lanxin injected into Ye Chen's body, it could not be endless.

Ye Chen looked at Lei Youwei with a disdainful smile and said: "Pretend, then pretend!"

Don't give the slightest face!

Ye Chen, why is it necessary to give Lei You a face?

To be honest, in terms of identity, it is easy for him to destroy the Lei family. How can disciples of first-class forces be humiliated at will?

However, that is not Ye Chen's character.

Taking advantage of the situation to oppress Lei Youwei, yes, but relying on the power of the sect to destroy the whole clan?

no need.

Lei Youwei's expression changed drastically. He had already subdued and apologized, but this kid still slapped him in the face like this?

Shen Yong and the others couldn't help but swallow, and were shocked by Ye Chen's madness again.

Anyone can hear the meaning of Lei Youwei's words. At this time, Ye Chen can resolve everything by following Lei Youwei's words and compliments!

But what about Ye Chen?

Not to mention that the steps are not given, they are all kicked directly!

However, at this moment, the solemnity in Lei Youwei's eyes weakened by one point.

why?

Because, according to his experience, the children of the high sect are extremely important to their power ranks. I just asked him if he was a third-class power, just to test!

And what about Ye Chen? Although ridiculed mercilessly, but did not refute!

If it is a child of a more powerful force, would he not refute it?

Just now, if Ye Chen rebutted and reported the forces behind him, Lei Youwei might really admit it, and he would no longer dare to resist.

But Ye Chen, no!

Then, he guessed right!

Ye Chen is very likely to be a child of a third-class force!

Lei Youwei's eyes flickered, his Lei family really couldn't match this kind of force, but to suppress a disciple, do you need to completely match this kind of force?

His Lei family can exist for so long, and it is not entirely dependent on the Lei family itself!

At this time, Ye Chen is walking towards the high platform. He just wants to save people now. As for the person who injured him in the Lei family, he will personally find Lei You to settle this account.

But suddenly, in front of Ye Chen, a figure flashed!

Lei Youwei sneered and blocked Ye Chen's way!

In Ye Chen's eyes, a cold light flashed, and he said coldly: "Looking for death?"

Normally, the original Qi that Tu Lanxin stayed in his body could not be actively mobilized by Ye Chen, but could Ye Chen use it normally?

In his body, there is the existence of the reincarnation cemetery. As long as one of the powerful forces is temporarily borrowed, he can actively mobilize Tu Lanxin's original qi. Although doing so, it is likely to consume the original qi, but he is sure to be able to Kill this thunder promising!

However, his current strength has killed Lei Youwei. Although he can shock the Lei family as a disciple of the Divine Extreme Sect, who can guarantee that after Lei Youwei's death, there will be no lunatics in the Lei family. , Want to kill him desperately?

His current strength is not enough, an Ewu Slayer, it is possible to threaten his life!

Therefore, he has no intention of using the original energy to kill the thunder.

Of course, this is the case of Lei Youwei, not actively seeking death!

"court death?"

When Lei Youwei heard this, he actually laughed: "This is the style of a third-class sect disciple? Sure enough, it's crazy, and it's boundless! To a strong Zhan'er, say 'death'?"

"Do you think that you are invincible if you have the power behind it? You think my Lei family can't afford you?"

"The sect behind you is indeed powerful, but, as I told you, there are people outside the world, there are days outside the sky, do you remember?"

"Boy, you look down on me too much, do you know?"

"Today, I will not only kill this bitch, but also you, kneel down in front of me and apologize! Believe it or not?"

With that said, Lei Youwei's hand flashed, and he actually held a transmission jade talisman!

Lei Youwei held the jade symbol and sneered at Ye Chen: "Boy, do you know who will be contacted after I activate this jade symbol?"

Seeing Ye Chen's silence, the ridicule on Lei Youwei's face became stronger, and he said disdainfully: "The third-class power? Haha, the kingdom of God is very big, and the third-class power can't run wild in the kingdom of God. Don't, otherwise, it's easy to hit the iron plate, you know?"

"My jade talisman, the person you can contact is as powerful as you can't imagine, and the power behind it is beyond your imagination!!!"

"This person is Long Chen, the Young Master of Long Yuanzong! Moreover, I can tell you that Long Chen is in this flower city!!!"

"Are you scared?"

Ye Chen was stunned for a moment when he heard the words, and then, his gaze at Lei Youwei became a little weird, and a strange smile appeared on the corner of his mouth.

He was a little curious about what Long Chen would look like when he saw him...

Because Long Chen is one of the third-class powerhouses who kneeled to him in the trials!

Chapter 2475: bluff

...

Huacheng

In an exquisite attic, Long Chen was hugging a woman at this time, and that woman was gently feeding Long Chen the spirit fruit, enjoying it very much.

But even so, on Long Chen's face, there was a deep irritability!

He stood up abruptly, snorted coldly, waved his hand, and directly blasted the stone table full of spirit fruits to pieces! Vent the suffocation in my heart, unhappy!

How can you not be aggrieved?

He, the young master of the dignified third-class power Long Yuanzong, but under the gaze of the countless pairs of eyes on the fighting arena, he knelt down to a closed existence!

His face is completely lost!

But what can we do?

Ye Chen, he is now a disciple of the first-class forces! He was still a disciple of the first-class forces that Tu Lanxin looked forward to, and was incomparable to ordinary disciples!

I can only endure it!

At this moment, Long Chen's expression moved and he took out the transmission jade talisman.

"Lei Youwei?"

Looking at the Linghui displayed on the jade symbol, Long Chen frowned slightly.

This Lei Youwei helped him once in the past. He once promised that the other party could make a shot for him. After the trial, this Lei Youwei suddenly invited him to Huacheng. Long Chen was insulted in the trial. When I was upset, I just came to Huacheng to relax and agreed.

But this old guy, how did he contact himself at this time?

"It's me, what's the matter?" Long Chen picked up the jade talisman, and after a while, he put the jade talisman away, disgust and disdain flashed in his eyes, and coldly said: "What waste, deal with such a trash. The forces also want this young man to take action? Well, it's just that, this young man also wants to kill and vents, and it is considered to be a trash shot."

After all, Long Chen disappeared from the attic when he moved.

At this time, within Shen Xuanzong.

Shen Yong and others watched Lei Youwei put down the jade talisman in his hand with a sneer on his face, and his face was extremely shocked and horrified!

That... But the real third-class forces!

And it's still very advanced!

Ordinary warriors of the Kingdom of God have no chance to come into contact with the first-class or even the second-class forces. The third-class forces are the most terrifying existence in their minds! Each one can suppress the existence of a domain!

Moreover, the person Lei Youwei called was not an ordinary disciple among the third-class forces, but the young master of the third-class forces!

Just thinking about it makes people tremble!

Listening to what Lei Youwei said, this young man in the closed door realm comes from an ordinary third-class force?

Then, he is dead!

Weird, I can only blame him for being too crazy and too unlucky!

Who would have thought that the Patriarch of the Lei Family could be related to the Young Sect Master of the third-class forces?

It's incredible!

But, in fact, that's it!

Shen Yong was a little regretful. What he hoped was that the Lei family would clash with the forces behind Ye Chen, not that Ye Chen was crushed to death by the Young Sect Master of Long Yuanzong. However, this can be regarded as a solution to his hatred. Up!

Lei Youwei misunderstood the weird color that appeared on Ye Chen's face, thinking that this kid was finally scared, and the disdainful smile on his mouth could not help but be more intense, and even more sure that Ye Chen came from a common third-class force!

Lei Youwei sneered: "Boy, why aren't you crazy? I'm afraid? Don't worry, I just said, as long as you kneel down and apologize, I will forgive you, you know?"

The so-called cutting grass and roots were to let Ye Chen know that he was an existence he couldn't afford to provoke, and he directly conquered Ye Chen! Let him never have the courage to offend himself!

If you kill Ye Chen directly, it won't be good. After all, there is a powerful force behind Ye Chen, isn't it?

Even if Long Chen protects him, Lei Youwei is not sure what will happen to his Lei family if he does this.

He looked at Ye Chen's appearance, and he became more proud, he has been running for thousands of years, how can he not point his wrist? Really think that relying on the forces behind, can you suppress me?

Shen Yong and the others all looked at Ye Chen, not knowing what he would do, even Lin Yaqin was beautiful and slightly frowned.

But at this time, Ye Chen showed a faint smile, and asked Lei Youwei, "You are so sure, can Long Chen help you?"

When Lei Youwei heard the words, as if he heard the biggest joke in the world, he laughed and said: "You mean that you are the identity of Lord Long, not as good as you?"

Boy, at this time, you still have to pretend? Are you real and not afraid of death? Well, you just talk, you talk, what force do you come from? As long as you can tell, don't say that the old man will no longer stop you from saving that bitch. Now, I will kneel down with her and apologize, how about? "

Ye Chen looked at Lei Youwei indifferently, and said, "I'm under the sect of Shenji Sect."

silence.....

As soon as Ye Chen said this, in the square of Shen Xuanzong, it seemed that even the wind was forbidden.

However, this silence lasted less than one breath...

The next moment, there was a burst of laughter in the Shen Xuanzong!

Shocking laugh!

All the Lei family laughed!

The loudest laugh was Lei Youwei, who almost bent his waist to the ground with a smile!

This kid, if you want to pretend, also pretend to be a bit like!

If Ye Chen said that he was a third-class sect, or even second-class, Lei Youwei would think about it a little bit, but a disciple of the first-class forces?

Ha ha.....

When are they idiots? Can it be fooled by being so casual?

It seems that it is not unreasonable for this kid to be so mad, but that he has a problem with his brain.

Shen Yong and others also shook their heads slightly, Ye Chen pretended to be too much, and he was the only one who was ashamed of doing so.

Even they, such forces exist, know how the first-class forces exist, let alone Lei Youwei?

Ye Chen pretended to be like this, just taking his own humiliation.

Even a pig, you can see that Ye Chen is bluffing!

Even Lin Yaqin slightly averted her eyes, her beautiful eyes were dim and disappointed.

She didn't want to believe Ye Chen, but Ye Chen was obviously talking about an impossible thing. After all, she knew Ye Chen better than others, knowing that Ye Chen was just a member of Lingwu Continent not long ago. It's a martial artist, it's already a miracle to be able to come to the kingdom of God, where to join the first-class sect?

And she hates men who speak big words and bluff the most.

She even had some doubts, did she miss it?

Ye Chen, isn't she the kind of man she imagined? It's just that he is a shameless person who can pretend?

Lei Youwei finally stopped laughing and smiled at Ye Chen: "Boy, you haven't seen the first-class sect, so don't use the first-class sect to pretend, okay?"

You think you have some talents, and your strength is beyond your realm. No matter how you pretend, someone will believe it? Do you know the entry requirements for first-class sect disciples?

Even the handyman disciples are in the Taixu Realm! Just you, a closed door waste? Still a sect disciple? Are you trying to laugh at me? "

Chapter 2476: shut up!

Everyone nodded secretly, to say that Ye Chen said that he was a disciple of the Divine Extreme Sect. If there is any fatal loophole, that is his cultivation base!

Ye Chen is really amazing! The gate-closing realm has the strength comparable to that of his Taixu realm, which is terrifying forever! Extremely guarded!

To be honest, it is understandable that Ye Chen is favored by a first-class power. However, the first-class power of the Kingdom of God, the rules of the first-class power, even if it is an incredibly stunning evildoer like Ye Chen, generally, it will allow him to enter. The subordinate forces will not be accepted until his cultivation reaches the minimum entry standard.

Otherwise, it is easy to cause dissatisfaction from other disciples!

WINK to \$1: Secure Your Spot Now!

When Ye Chen heard the words, his eyes flashed slightly and he was silent.

There is such a thing?

He couldn't help but startled secretly.

It's not shocking, the high barriers to entry for first-class forces, but shocking, Tu Lanxin's status in the Divine Supreme Sect!

Tu Lanxin, who had accepted himself under the sect of Shenjizong, broke the rules of the first-class forces!

This is not, anyone can do it!

I'm afraid, even the elders of Shenjizong can't do this at will, right?

So, Tu Lanxin's position in the sect is actually comparable to the sect master?

Thinking about it, Ye Chen couldn't help but swallowed a mouthful of water.

Lei Youwei and others only regarded Ye Chen's silence and reaction as a gaffe after being exposed to the truth!

Even Lin Yaqin let out a slight sigh when he saw Ye Chen's appearance, turned his head completely, and stopped looking at him.

At this moment, a burst of strong aura suddenly came from the sky above Shen Xuanzong, and a figure flashed before appearing in the air.

When everyone looked up, they saw a handsome young man in a brocade robe embroidered with dragons, with a handsome face and powerful eyes, standing out of thin air!

The moment this person appeared, even Lei Youwei, who was in the Evil Slashing Realm, felt a surge of depression in his heart, showing the horror of his strength!

And Shen Yong and others, when they saw him, even had the urge to kneel and worship!

It's like seeing a god!

This person is Long Chen!

When Lei Youwei saw Long Chen, his face was ecstatic, and his figure flashed, he appeared by Long Chen's side, and said respectfully to Long Chen: "Long son, are you here?"

Long Chen glanced at Lei Youwei indifferently, and snorted coldly: "Lei Youwei, you are also the head of a good family anyway. In such a sect, will you still encounter problems that need to be solved by this young man?"

I think your Lei family is going to fall. "

Everyone was slightly startled. This Long Chen, who is promising towards Lei, is completely regarded as his own subordinate, like a vassal, so he directly laughed at him?

What is even more shocking is that the dignified Patriarch of the Lei Family, in front of Long Chen, nodded and bowed his head and said: "It's the old man who is incompetent. What the Long master taught!"

Shen Yong and the others all took a breath, how terrifying this Long Chen is!

Long Chen waved his hand impatiently: "Never mind, it just happens that my son is annoying and wants to kill a few people to vent his fire."

As he said, he looked towards the square of Shen Xuanzong and said: "These are these..." His gaze swept across Shen Yong and the others, his expression becoming more and more contemptuous, disdainful, and such waste. I'm a bit lazy...

But suddenly, Long Chen's voice stopped abruptly!

Even his pupils trembled crazily, and the cold sweat on his forehead slipped like rain!

What did he see?

How could that nightmare in the trials appear here! ! !

Did he have hallucinations?

But at this moment, Ye Chen looked at Long Chen with a calm smile on his face.

Long Chen pulled Lei Youwei beside him, stretched out a trembling finger, pointed at Ye Chen, and asked: "You, you, you... can you see that person?"

Lei Youwei looked at Long Chen suspiciously and said, "Young Master Long, I am looking for you this time to deal with this third-class guy? What's wrong with you?"

Could it be that this kid looks a lot like the dead brother of Long Gongzi?

Why did Young Master Long see him so gaffe?

When Long Chen heard Lei Youwei's words, his face instantly paled, with an expression about to cry.

Third-class forces?

Deal with?

If Lei wanted to die for the fuck, he wanted to die by himself, so why did he want to get him?

He really wanted to slap Lei Youwei to death!

When everyone didn't know why Long Chen behaved so strangely, Ye Chen said lightly.

"Young Master Long, I heard that you are here to deal with me? Huh? You want me to kneel and apologize?"

Everyone was stunned when they heard the words. Why did they listen to Ye Chen? He seemed to know each other with the young master of Long Yuanzong?

next moment.

On Long Chen's face, an extremely frightened expression flashed across him, and he hurriedly waved his hand: "Ye... Ye Gongzi, you have misunderstood, there is absolutely no such meaning here!"

Deadly...

Time stands still, and the universe falls into a dead silence like nothingness!

Everyone, as if their souls had been taken away, looked at Long Chen with immense shock and sluggishness...

Long Chen, such a strong man, the young master of the third-class forces, exists like a god...

Actually, did you apologize to Ye Chen?

Still that kind, apologize with extreme fear! ?

Even Lin Yaqin, who has always been cold, has shocked expressions in her beautiful eyes!

how can that be?

Could it be...

Could it be that what Ye Chen said is true! ?

Is he really a disciple of Shenjizong?

Otherwise, everyone can't think of why Long Chen is like this!

Lei Youwei, who has always been shrewd like a mouse, has completely lost the light of wisdom in his triangular eyes, and his thinking can no longer work!

He looked at Long Chen stupidly, and stammered a bit, "Dragon...Long Young Master, what's wrong with you? He is just a waste of a third-class force?"

Lei Youwei already had an extremely bad premonition in his heart, but... he didn't want to believe it! I can't believe it!

"Shut up!!!" When Long Chen heard the words, he turned his head suddenly and looked at Lei Youwei with a stern face. The breath of his whole body broke out completely, and there was even killing intent in the eyes of Danfeng Flashing!

"Puff!" Under the pressure of Long Chen's breath, Lei Youwei instantly vomited blood and fell heavily to the ground.

Everyone's jaws almost fell off!

Long Chen, actually shot himself for Ye Chen?

One can imagine how much he fears Ye Chen!

As for everyone in the Lei family, at this time, all of them looked at their Patriarch in horror, and their legs began to tremble!

They still can't see where they are now. This time, the Lei family has kicked the iron plate!

Long Chen fell from the sky, with a pleasing expression on his face, squeezed a bright smile and walked in front of Ye Chen, and said: "Ye Gongzi, sorry, this old thing with no eyes has offended you, if I knew it, if he wants to deal with you, give me 10,000 courage, and I dare not come! Please forgive me!"

Chapter 2477: that's it?

Long Chen's heart was already full of bitterness. Originally, because of the trials, he wanted to vent and vent, but who would have thought that he would meet this heaven-defying kid again!

How unlucky is he?

Ye Chen waved his hand casually and said, "That's it."

Long Chen felt a little loose in his heart. He looked at Lei Youwei who was lying on the ground and was barely trying to get up. He said with a frosty face, "Master Ye, this kid has offended you. Or, I will do it for you. Lei family is destroyed?"

He is real, he is murderous against Lei Youwei!

If it hadn't been for this old immortal to provoke Ye Chen and implicate himself, he is still alive! Where do I need to hit this evil star?

And everyone in the Lei family was frightened and weakened!

Lei Youwei's whole body trembled even more, his breath decayed in an instant, and his whole person looked as if he was several dozen years old!

He braced his body, climbed to Ye Chen's feet, raised his head, and looked at Ye Chen pleadingly in his eyes, saying: "Young Master Ye, it's me who is guilty, and I have no eyes. I beg you, please. Let's spare Lei's family this time, from now on, my Lei family will be your dog!"

He knew that if he wanted to save Lei's family now, he could only ask for Ye Chen's kindness!!!

Ye Chen looked down at Lei Youwei at his feet coldly, and said, "Didn't you say that you want me to kneel and kowtow?"

Lei Youwei's complexion changed, he actually got up forcibly, regardless of his injury, and knelt in front of Ye Chen.

With a loud bang, Lei Youwei smashed his head against the ground extremely hard!

Directly smashed the hard ground, deep cracks!

Blood, instantly poured out from Lei Youwei's head!

Bang! Bang! Bang!

Lei Youwei didn't say a word, kowtow to Ye Chen frantically!

Ye Chen glanced at him faintly, ignored him, walked directly onto the high platform, and came to Lin Yaqin's side.

At this time, the two servants standing next to Lin Yaqin were already so frightened that they collapsed all over, and they fell aside, watching Ye Chen come, screaming in horror, almost no urine!

Ye Chen glanced at the injury on Lin Yaqin's knee, his eyes were slightly cold, and he kicked out his feet in an instant, and two screams came from the servant's mouth. Their two legs were actually kicked to pieces by Ye Chen!

From then on, I am afraid I can only be a useless person!

Lin Yaqin looked at the man in front of him, and a very complicated feeling emerged in her heart...

She was originally an extremely proud woman. Ever since Tian Yinya fought with Ye Chen, she has worked hard to practice and exercise in order to wash away the shame of the day...

But now, she was saved by the man who wanted to kill?

Moreover, he was still a man whose aptitude was unimaginable against the sky, his strength soared in a short period of time, and he also joined the first-class sect, almost impossible to surpass.

However, with Lin Yaqin's pride, even if Ye Chen's aptitude is terrifying, she will not admit defeat!

Ye Chen stretched out his hand and shot the silver needle into Lin Yaqin's body. In an instant, he broke the seal that Shen Yong had planted.

During this time, Cangu Medical God also fulfilled his promise and taught Ye Chen a lot of medical skills.

Naturally, I am not afraid of this kind of seal.

Feeling the spiritual power gushing out of the body, even Lin Yaqin said lightly, "Thank you."

If this scene is seen by a disciple of Shen Xuanzong, it will definitely be shocked.

But the next moment, Lin Yaqin resumed her usual cold tone and said: "However, don't think that you saved me, I won't kill you. Last time in the endless sea, you and I were even. Ye Chen waited for my injury to recover. I will fight you decisively!"

"I will never lose you this time!"

Ye Chen smiled bitterly. He saved Lin Yaqin. Even if he is not grateful, he still has to fight?

However, in his heart, he was very clear that since a woman like Lin Yaqin, who was extremely cold and arrogant, thanked him, it meant that he had a different feeling in his heart.

It's just that Lin Yaqin's pride is not willing to admit it.

Women, sometimes, are really troublesome.

No matter how cold Lin Yaqin is, she is still a woman.

He smiled and said, "Take my life? Miss Lin, I'm afraid you don't have that strength?"

Lin Yaqin's beautiful eyes were cold, and she looked at Ye Chen murderously and said, "I will surpass you!"

After all, dragging one's own broken leg will limping off the platform.

Ye Chen smiled again: "Beyond me? You have been practicing desperately these past few months, right? But now, instead of surpassing me, on the contrary, the gap with me is getting bigger and bigger, right?"

Lin Yaqin turned around abruptly, staring at Ye Chen with her cold jade eyes, "What do you want? If you save me just to humiliate me, it's better to kill me now!"

Ye Chen said lightly: "If I wanted to kill you, you were already dead that day, didn't you?"

Lin Yaqin frowned and stared at Ye Chen, wondering what he was going to do.

Ye Chen said suddenly: "Don't you want to know why I become stronger so fast?"

Lin Yaqin's eyes lit up, and she said without hesitation: "Yes!"

A smile flashed in Ye Chen's eyes, and for women, whether they were martial artists or not, they all wanted to do what they wanted.

What attracts an iceberg beauty like Lin Yaqin who is only devoted to martial arts?

Naturally, it is a means to enhance strength.

Ye Chen smiled and said: "I can teach you practice and help you improve your strength, but there is one condition."

Lin Yaqin looked hesitant, and she faintly seemed to think something was wrong.

Ye Chen looked at Lin Yaqin's expression and smiled: "Why, didn't you mean to kill me? Just like this, you will never catch me."

Lin Yaqin heard the words, a resolute color flashed in her beautiful eyes, after all she could not resist the temptation to improve her strength, and asked, "What conditions?"

"It's nothing, the scenery of this flower city is very good, accompany me outing, admire the flowers, um, and that is, these few days, personally serve me, don't worry, just serve tea and pour water, I will not do anything to you of."

"that's it?"

"that's it."

Lin Yaqin frowned Ye Chen's conditions were simple. Although she was extremely proud, she could accept these things in order to improve her strength.

However, she always felt that something was wrong?

But I don't know what is wrong.

The smile on Ye Chen's face was thick.

"Okay!" Lin Yaqin nodded, "However, if you can't help me improve my strength, or what you want to do to me, I will definitely kill you!"

Ye Chen said with some playfulness: "What do you do to you? I'm afraid, what will you do to me."

Lin Yaqin remembered the incident at Tianyinya that day, and a blush appeared on her pretty face.

"you!"

Before Lin Yaqin finished speaking, Ye Chen suddenly grabbed Lin Yaqin's waist and said, "Heal your injuries first."

After all, their bodies flashed, and the two disappeared from the platform.

Chapter 2478: Shenjizong

After an hour.

Ye Chen returned to the square of Shen Xuanzong, Shen Yong, Long Chen and others immediately greeted him, respectfully saluting: "Young Master Ye."

Ye Chen glanced at him. Lei Youwei, who had already knocked his head and blood on the floor, said lightly: "Go away, take care of your son, otherwise, I will personally flatten your Lei family."

Lei Youwei, who was already a little dizzy in his consciousness, heard the words, as if he was amnesty, and thanked Ye Chen in tears, "Thank you, Master Ye, for the great kindness, and thank you, Master Ye for the great kindness!"

With the support of Lei's family, Lei Youwei left Shen Xuanzong.

After the Lei family left, Ye Chen glanced at Shen Yong coldly and said, "From now on, the master of Shen Xuanzong will be the master of Yaqin, you know?"

Shen Yong's expression changed, but where could he dare to say a word?

He nodded and said, "I understand that everything will be arranged by Young Master Ye."

From the bottom of his heart, Ye Chen looked down on someone like Shen Yong who only cared about interests, disregarded feelings, and was unable to defend his disciples. Since Lin Yaqin would stay in Shen Xuanzong for the time being, naturally, it would be better for Xu Mengqiu to become the sovereign.

In fact, it is not impossible to let Lin Yaqin be the sovereign, but it is not necessary.

In the first place, Shen Xuanzong is just a small sect, which is optional.

Secondly, if you are a suzerain, you will be entangled in mundane affairs, which is not conducive to martial arts.

Anyway, with him, even if Lin Yaqin was not the lord, he was still the person with the highest status of Shen Xuanzong. Besides, he could see that Xu Mengqiu treated Lin Yaqin sincerely.

Long Chen arched his hand to Ye Chen: "Young Master Ye, if there is nothing wrong, let's say goodbye."

Ye Chen nodded and said: "Well, Young Master Long, I will go to Shenjizong to practice in the future, it may be very busy, Shenxuanzong, can you help me take care of it?"

Long Chen was stunned when he heard the words, and the next moment, not only did he show no dissatisfaction, but he nodded happily and promised: "This is natural. This matter is covered by his body. In the future, who wants to move God Xuanzong? First asked me if Long Yuanzong said yes!"

He is not a fool, and he can naturally see that the relationship between Ye Chen and Lin Yaqin, taking care of Shen Xuanzong by himself, is to have a relationship with Ye Chen!

Instead, he made a lot of money!

How can you not be happy?

In the next few days, Ye Chen and Lin Yaqin played in the flower city, and from time to time instructed Lin Yaqin to practice. With Ye Chen's terrifying comprehension, and nowadays super soul, even if it is a real ancient martial arts, Ye Chen can be At first, Lin Yaqin didn't believe it.

But it took Ye Chen one night to comprehend a martial skill that she had been comprehending for a long time, but she still could not get into it. She cultivated to the Xiaocheng realm, and instructed her to practice. After she successfully got into this martial technique, Lin Yaqin, There is nothing to say...

I can only sigh, Ye Chen's talent is too enchanting...

And Ye Chen, while playing, gradually began to joke with Lin Yaqin, molested her, and the relationship between the two of them was also invisible and slowly increased.

...

On this day, Ye Chen left Shen Xuanzong. The purpose of his visit to Lin Yaqin this time was to solve the cause and effect of the two, but he did not intend to completely subdue her directly, but for a woman like Lin Yaqin, you just have to walk into her. In my mind, it's basically enough, the next step is to follow the flow of the boat.

A few days later, after Ye Chen returned to the Mang Mountain Villa, he greeted Gu Lao so that they could move to Shenxuanzong later. In this way, with Long Chen's shelter, he could also feel relieved.

Later, Ye Chen went into retreat.

Before entering the Divine Extreme Sect, it would be good to be able to improve one more point.

On this day, Ye Chen, who was sitting in the room, suddenly opened his eyes suddenly and looked at the ice coffin in front of him. Even with his mind and face, there was an excitement that could not be suppressed. The color!

The next moment, the lid of the ice coffin flew up suddenly, and a beautiful woman slowly sat up.

"Ying'er..." Ye Chen called out gently and walked towards Chu Ying.

Chu Ying finally woke up!

On Chu Ying's pretty face, there was still a confused look. Hearing this call, Jiao Chu suddenly trembled, turning his head to look in the direction where Ye Chen was.

Suddenly, a burst of seven colors burst out of Chu Ying's beautiful eyes.

For an instant, Ye Chen stopped!

"this is....."

At the same time that the seven-color light burst in Chu Ying's eyes, he actually felt a dangerous breath!

Moreover, now he has also noticed that Chu Ying has slept for such a long time, but now, her cultivation has stepped into the realm of emptiness!

"Huh..." At this moment, a soft voice sounded in Ye Chen's mind.

It was the voice of Cangu Medical God.

Ye Chen couldn't help but asked tightly in his heart: "Cangu Medical God, is there any problem? Could it be that Ying'er was taken away?"

Canggu doctor said divinely: "Du She? Boy, where did you think of it?"

"But why, just now, I felt a very dangerous breath?"

Canggu Medical God pondered for a moment, and then said: "If I read it correctly, this girl has awakened an extremely rare physique called the life and death body!"

"Life and death?"

"This body of life and death is an extremely rare body. The conditions for awakening are extremely harsh. It must be hovering between life and death for a long time before there is a trace of awakening, but once awakened, it has extremely strong potential and is almost not in the kingdom of God. Under the Supreme Divine Body!"

"A few of my friends also awakened a little bit between life and death."

"However, this girl is more awakened... If I guess right, it is because of this reincarnation cemetery."

"The energy of the reincarnation cemetery has also faintly gathered into this girl's body during this time."

Ye Chen was overjoyed when he heard this. In other words, not only did Chu Ying wake up this time without any sequelae, but it was a blessing in disguise!

No wonder, he felt a breath of danger just now!

Ye Chen walked to Chu Ying and helped Chu Ying out of the ice coffin, and said softly: "Ying'er, what do you think? Is there anything uncomfortable?"

"Ye Chen..." The dazed look in Chu Ying's eyes gradually faded, she remembered... she was at the birthday banquet of the Ninth Princess, when Ye Chen fought with Mu Ye...

Thinking of this, Chu Yingqiao's face suddenly changed, and she exclaimed: "Ye Chen, are you all right! How is that Muye?"

In Ye Chen's eyes, a touch of warmth flashed, and he smiled faintly: "Ying'er, don't worry, listen to me..."

Next, Ye Chen would probably talk about what happened that day, as well as his later experience, how he came to the kingdom of God, and about going to Shenjizong.

Ye Chen looked at Chu Ying with gleaming eyes: "Ying'er, you have suffered during this period of time."

On Chu Ying's pretty face, a beautiful smile appeared: "Why do you suffer? If not, how can I advance so quickly, and get a life and death body comparable to a divine body?"

Ye Chen said: "I'm going to Shenjizong soon, Ying'er, why don't you follow me to Shenjizong?"

Chapter 2479: Refuse!

Chu Ying's current qualifications are completely enough to join Shenji Sect. As for Yin Ming, it's not that Ye Chen doesn't want to take her. It's just that with Yin Ming's current strength, Shenji Sect is too dangerous for her, and it's up to it. Not the standard for entry.

As for Lin Yaqin, although he could barely join, with Lin Yaqin's personality, how could he be willing to enter the Shenji Sect with Ye Chen's help?

Chu Ying nodded her head, her beautiful eyes flashed. Originally, she was not particularly interested in martial arts, but after experiencing Makino, she had unprecedented desire for strength!

Even if you can't help Ye Chen, at least, you can't hold Ye Chen's hind legs!

And if you want to increase your strength, the first-class forces of the Kingdom of God are naturally the most suitable!

...

Ten days later, Ye Chen and Chu Ying arrived at the peak of Mang Mountain. Today is the day he and Tu Lanxin agreed.

The two stood on top of the mountain and the sea of clouds. Suddenly, a figure flashed in the void, and a woman with a very cold and terrifying temperament dressed in a black gauze dress and veil appeared in front of the two.

Ye Chen and Chu Ying respectfully saluted Tu Lanxin, "I have seen a fairy."

Tu Lanxin glanced at Chu Ying in surprise, and asked, "Who is she?"

Ye Chen said: "She is Chu Ying, I wonder if she can join the Shenji Sect with me?"

Tu Lanxin's beautiful eyes with a hint of violet light stared at Chu Ying. For a moment, Chu Ying felt like being seen through from the inside out.

After a while, Tu Lan was surprised, and then nodded and said: "Life and death body? It's enough to join this sect, well, let's go."

With a wave of Tu Lan's heart, he took Ye Chen and Chu Ying into the air, breaking through the void, and fleeing at extremely fast speed.

In the void, that terrifying spatial turbulence, spatial storm, and void thunder, to Tu Lanxin, it turned out to be nothing! Falling on the qi of its body protector, not even a slight ripple aroused, it disappeared into invisible.

After half a day, three figures suddenly appeared in the space.

In front of them, there is an extremely majestic, towering mountain!

Ye Chen looked up, and was also shocked by this extremely tall sacred mountain. At the top of the sacred mountain, there was a thick beam of light directly sealing the door!

Ye Chen knew that it was the **** pillar of Shenjizong!

When he was in Shenxuanzong, he also saw the **** pillar, but the **** pillar of the **** Xuanzong only had the thickness of the arm.

Basically, it is less than one ten thousandth of Shen Xuanzong!

What shocked Ye Chen even more was the aura of heaven and earth here!

It is so rich that it turns into a strip of seven colors, surrounding the entire huge mountain!

Just suspending outside this sacred mountain, he didn't even operate his spiritual power specially, just breathing, Ye Chen had a kind of full body comfort, and his cultivation base grew a little bit of feeling!

It is conceivable that after truly entering the sect, the spiritual energy of heaven and earth will be so rich!

Is this the Shenjizong?

Sure enough, it is a holy place for spiritual practice!

With a wave of Tu Lan's heart, an exquisite token flew out of her arms. On the token, a brilliance was emitted, and before the huge mountain, there was an invisible wave.

Ye Chen knew that it was a forbidden magic circle, and opened an entrance to Tu Lanxin.

Tu Lanxin took Ye Chen and Chu Ying into it and flew towards the top of the mountain, where Shenjizong was like a Wolong sitting on top of the mountain.

Ye Chen also saw a lot of Divine Extreme Sect disciples along the way, but Tu Lanxin took the two, but was not hindered by the slightest. On the contrary, everyone saw Tu Lanxin's escape light flying by, and they all saluted extremely respectfully.

At the same time, Ye Chen was also secretly surprised!

Shenjizong is worthy of being a first-class power. Along the way, most of the people he saw were warriors above Taixu Zhan'er, and there were even more dangerous existences!

Ye Chen's eyes flickered, and it seemed that he was going to increase his strength fiercely.

Soon, Tu Lanxin took Ye Chen to a hall on the top of the mountain.

But as soon as he fell into the hall, Tu Lanxin frowned.

In the main hall, it was empty, there was no one!

After a moment of silence, Tu Lan said apologetically to Ye Chen: "Originally, I arranged for you the appraisal of the true disciples. In our Shenji sect, the seven elders have always taken care of the disciples. After passing the test, one of the elders will accept him as a disciple, but..."

Ye Chen flashed in his eyes, and said, "It seems that these elders don't mean to accept me as a guide?"

Tu Lan said heartily: "After all, you only have to close the door for cultivation. I made an exception and brought you to join the Divine Extreme Sect this time, which caused a lot of dissatisfaction with several elders.

Moreover, they should think that you can't pass the trial. Normally speaking, the disciples who can enter the Divine Extreme Sect are incredibly enchanting, but they should start from handyman, only in the courtyard where they are. Among them, to stand out and become the best one can you climb up step by step and get the chance to be evaluated by the true disciples..."

Ye Chen nodded. He had heard about this from the old man. Shenji Sect was divided into a court of handymen, an outer court, and an inner court, and the inner court was the true story.

And even the minimum requirements of the Handyman Hospital are not weak, that is to say, in terms of realm, Ye Chen is the lowest level existence among the handyman.

Tu Lan said heartily: "Ye Chen, you and Chu Ying will wait here for a while, I will call the elders to evaluate you, they still have to give my face."

But at this time, Ye Chen said lightly: "No need."

In his eyes, a hint of coldness flashed, and he said: "Look at me? Very good, then I, Ye Chen, will never worship them, never!"

Ye Chen In his bones, he is an extremely proud person!

Since these elders look down on him, why does he worship these people as teachers?

Start with a handyman disciple? so what? He is confident that even on his own, he can still become the most dazzling existence in the Divine Extreme Sect!

At that time, it will only be the elders who do not want to be present today!

Today you are ignorant of me, and tomorrow, I will make you unable to afford it!

Tu Lanxin frowned and said, "Ye Chen, don't be arrogant. With your talent, you can definitely pass the test of true biography. Starting from a handyman is a waste of time. You should know that for a monster like you, Time is so important, and there is a world of difference between handyman and true disciple in martial arts resources!"

Tu Lan was also a little angry. Since Ye Chen can be favored by her, his aptitude, even in the Divine Extreme Sect, should be an existence that has been cultivated with all his strength!

It is equivalent to a huge gold mine waiting to be mined!

Chapter 2480: It's revealed

But now, because of the arrogance and prejudice of these elders, they have been abandoned and buried in the dust!

But Ye Chen said indifferently: "Fairy, my heart is determined, so I don't need to say more."

Tu Lanxin stared at Ye Chen, and finally sighed: "Okay, but I want to remind you that the Divine Extreme Sect is very dangerous. The disciples in the same courtyard are never forbidden to fight each other in order to sharpen their bloodlines. The strength, after all, the disciples in the various sects of the Kingdom of God are all going to the battlefield. Here, the real life is like grass."

Ye Chen nodded and said, "Thank you Fairy for the reminder."

After that, he looked at Chu Ying and said, "Fairy, Ying'er, I beg you."

He himself can be arrogant, he can dismiss the position of the true disciple, but Chu Ying can't.

Although Chu Ying possessed a life and death body, her strength could be regarded as far superior to the same level, but without the protection of Tu Lanxin, it would still be extremely dangerous in this Divine Extreme Sect.

Tu Lanxin nodded and said, "Don't worry."

Chu Ying looked at Ye Chen worriedly in her beautiful eyes and said, "Ye Chen, you..."

Ye Chen smiled and said, "Trust me."

Tu Lanxin handed a token to Ye Chen and said, "If you take this, you can go to the Handyman Pavilion to collect the items you need and allocate the dormitory."

Ye Chen took the token and walked towards the yard.

Along the way, many people pointed at Ye Chen.

After all, Ye Chen's cultivation is too conspicuous!

Soon, Ye Chen finished receiving the clothes and returned to his dormitory room.

After changing into Shenjizong's clothes, Ye Chen sat in the dormitory with a pensive expression on his face.

Before coming to Shenjizong, he and Gu Lao had inquired about Shenjizong.

In Shenji Sect, the most famous are the two holy places.

One is the place where there are dead bones, and the other is called the Seven-Star Refining Pavilion!

If you want to quickly improve your strength, these two places are Ye Chen's first choice!

But now, Ye Chen didn't rush to go directly.

Although these two places are open to any disciple in the sect, Ye Chen, as a handyman disciple, wants to enter them, but he has to use contribution points to redeem them, and contribution points can be used in addition to doing tasks. In addition to obtaining, another method is to bear some sundries in the Shenji Sect.

These sundries include taverns, shops, and other places in the clan to provide services.

Ye Chen planned to take a stroll in Shenjizong first, and then consider whether to accept the task to get contribution points or do chores.

Anyway, whether it is to enter the old bone storage or the Seven-Star Refining Pavilion, the contribution points needed are actually not too many.

Immediately, Ye Chen was about to leave the dormitory.

But at this moment, a leaf suddenly burst out of his dantian.

The branches and leaves became more and more luxuriant, even blocking Ye Chen's path.

The branches and leaves carry a touch of chaos.

Obviously the Chaos Star Tree!

Ye Chen only then remembered that from the Demon Race to the Kingdom of God, he had not completely refined the Chaos Star Tree!

"Little Taoist, what do you mean?"

In the next second, a voice sounded!

"I waited for a long time, but I didn't wait for your time to refine me!"

"Now it's finally time!"

"This Divine Supreme Sect is quite powerful regardless of its aura and resources!"

"If you refine me, you will benefit infinitely!"

Ye Chen frowned: "Benefits are endless? What do you mean?"

The little Taoist just wanted to talk, and the surrounding space was turbulent!

A ghost rushed out directly!

The ghost is not someone else, it is the ancient medical **** of Cang!

Canggu Medical God's eyebrows were filled with excitement: "Boy, do you know what kind of sky-defying value the Chaos Star Tree has?"

"If the Chaos Star Tree grows completely, the first benefit is that it will exude the power of Chaos!"

"What is the power of Chaos! This is the power of Chaos Realm experts!"

"If you have this power, you have the qualifications to save us!"

"Even faster to set foot on the Heavenly Dao Palace!"

Ye Chen looked strange: "Are you sure?"

In the next moment, a terrifying roar resounded throughout the house!

"Smelly boy! Old man, Cang, the ancient medical god, will lie to you as a doorstep boy!"

"Just say one more thing, if you see if the old man's silver needle sticks, you'll be over!"

Ye Chen: "..."

...

At the same time, Luoxiazong.

A young girl opened her eyes.

There was a strong aura flowing around this girl.

Her eyes were pure, but she seemed to see through the cycle of reincarnation.

This girl is no one else, it is Ji Siqing!

Not long ago, she came to Luoxia Sect.

Although the Luoxia Sect is weaker than the Shenji Sect, it is also a major Sect in the Kingdom of God!

Don't underestimate!

Because of Tu Lanxin's jade card and extra explanation!

As soon as Ji Siqing stepped into it, he became a genius with abundant resources of the Luoxia Sect!

And here, Ji Siqing finally released his true strength!

But at this moment, it is the fifth day of Ji Siqing's retreat!

There was a bead of sweat on her forehead, and she murmured: "Today, it should almost activate a forbidden technique in the previous life."

"Otherwise, at the current cultivation speed, it is too slow."

"That kid will have to face even more trouble in the future."

"The Kingdom of God is the real territory of the Heavenly Dao Palace."

"He is the master of reincarnation who rules the six realms. He must not die."

"Only if I am strong can I help him a bit."

In the next second, Ji Siqing's eyebrows flashed with extremely bright light!

The light enveloped the whole body, and it went straight to the sky!

The countless disciples outside the Luoxiazong Hall, the eyes of the elders were panic!

All staring at this holy light like a god!

They know that Luoxia Sect will completely rise today!

Just because of that new disciple named Ji Siqing!

...

Kingdom of God, composer.

Qu family ancestral hall.

Only one statue is available!

Among the statue is a beautiful girl!

Girl holding a long sword!

Like a Valkyrie that shakes the world!

This statue is Qu Shenyang, the ancestor of the Qu family!

Qu Shenyang has now become one of the supreme families of the Kingdom of God, and Qu Shenyang has contributed!

Qu Shenyang from ancient times is even above Tiandao Palace!

Although the composer has fallen a lot from the ancient times!

But no one dares to despise the composer!

And this moment is the annual sacrificial hall of the Qu family!

Countless strong men bowed before this statue!

Look solemn!

Among them are Zhan'er Peak, and even stronger warriors!

There is no trace of disrespect in their hearts!

Suddenly, a cry of exclamation resounded through the ancestral hall!

"Patriarch, the statue has appeared!"

"Ancestor Qu...has been revealed!"
