Chapter 2491: regret?

However, no one noticed Mentor Zhang's expression.

Their eyes are all focused on Lang Shaotian! Why was Lang Shaotian seriously injured and dying?

Ye Chen, there should be only one move, right?

What was the immense pure power that they vaguely felt just now that made the soul tremble?

Countless questions surfaced in everyone's mind...

Indeed, Lang Shaotian underestimated the enemy and was careless, but even so, no one thought Ye Chen could win!

Not to mention, it was a win! ! !

Here, but Shenjizong! There is never a shortage of geniuses who can leapfrog!

However, fighting by leapfrog refers to fighting by leapfrogging outside the Shenji Sect, not within the Shenji Sect!

The evildoer who can enter the Divine Extreme Sect has almost reached the peak level of this realm!

And Lang Shaotian is still one of the best!

However, such a strong man was killed by Ye Chen with a single blow?

What realm is Ye Chen?

Close the door for five levels, maybe even close to six levels?

How many levels is this difference?

With so many layers, what the \*\*\*\* can be more? ? ?

Still in the Shenji Sect!

If someone told them something like this, he would definitely not help but slap them on the face!

Nonsense, shouldn't it be a bit limited?

But this is almost impossible, it is impossible to understand, something like a dream, but it happened before their eyes!

Shocked so much that the soul is about to explode...

In this dead silence, Ye Chen didn't seem to care. He carried Qinglian Tiantian Sword on his shoulders, turned his head and looked at the middle-aged woman who was already dumbfounded, as if petrified, and said: "Hello, can you help me transfer my contribution points? Yet?"

It seems that he still somewhat underestimated his strength. Originally, he thought that facing a warrior of this level, he could only be undefeated, and may not be able to win...

However, this is because after he fought Ling Jiuxiao, he subconsciously used the evil spirits with the supreme divine body level as a reference relationship...

However, even in the Divine Extreme Sect, it is impossible to have such a pervert all over the ground!

Otherwise, the Supreme Divine Body is no longer called the Supreme Divine Body!

Of course, he was able to defeat Lang Shaotian instantaneously because of Lang Shaotian's carelessness and the weird power of his atomization.

The middle-aged woman came back to her senses and quickly started to deal with work...

But her heart was turned upside down!

Even, there is a faint feeling that Shenjizong is about to change!

A new era is coming!

At this time, Yuan Dao also came to his senses. He took a solemn look at Lang Shaotian who was lying on the ground. In the depths of his eyes, his killing intent and fighting intent were constantly rising!

Lang Shaotian is not so strong in Yuan Dao's eyes, but he is not weak...

Otherwise, even if he recommends it, it is impossible to be liked by Mentor Zhang.

But Lang Shaotian couldn't sustain a single blow in Ye Chen's hands?

This! Enough to make Yuan Dao take it seriously!

At the same time, Ye Chen's martial arts talents were slightly shocked!

He now finally understands why Ye Chen can enter the Divine Extreme Sect with the Sealed Door Realm cultivation base...

However, this is not good news for Yuan Dao...

Yuan Dao glanced at Instructor Zhang from the corner of his eye, and his pupils shrank! Cold eyes are overflowing!

As he expected!

In addition to the shock, there was a touch of excitement in the pair of sharp eagle eyes at this time.

In his opinion, even if he has seen countless evildoers, the extremely visionary Teacher Zhang is attracted by Ye Chen!

Indeed, facing a monster who can leapfrog so many levels, it is too difficult not to be attracted...

Yuan Dao's eyes were narrow, and Teacher Zhang must not be attracted to this handyman!

Lang Shaotian became the disciple of Teacher Zhang. He Yuan Dao was not worried, because he knew very well that his talent was much stronger than that of Teacher Zhang. Lang Shaotian would not shake his position in the heart of Teacher Zhang.

But Ye Chen, it's different!

If Ye Chen becomes a disciple of Teacher Zhang, then Teacher Zhang will definitely do his best to train Ye Chen!

This is not what Yuan Dao wants to see!

Yuan Dao turned his gaze to Ye Chen, and said solemnly: "Shaotian, he was impulsive and shot at you, but you wouldn't be so cruel, would you beat him like this?"

But this will affect his foundation of martial arts? Everyone is a sect brother, are you too much? "

Ye Chen glanced at Yuan Dao coldly, and didn't bother to pay any more attention.

This incident was caused by Lang Shaotian, even if he died, he deserved it!

Impulse?

Lang Shaotian's hand sword must have the intent to kill. If an ordinary handyman disciple is really killed, even if it is in the mid-term of Taixu, if he does not die, he will definitely be seriously injured!

He didn't kill him, it was already cheaper for him.

A brother from a sect?

At this time, the contribution point has also been transferred. The middle-aged woman handed Ye Chen's token.

Ye Chen took the token and was about to leave with Zhou Yuanxin.

But as soon as he turned around, Yuan Dao's body blocked his way!

Yuan Dao stared at Ye Chen fiercely, without any intention of giving in. His voice was extremely cold and said: "Go and apologize to Shaotian, apologize, and treat your contribution points as compensation to him, even if it is over. Otherwise, I will make you regret it, I regret it!"

When Yuan Dao did this, first of all he knew that Teacher Zhang accepted his disciples, and the first thing he valued most was the spirit of the warrior!

As a warrior, you must be proud!

If you are not arrogant, how can you survive in this law of the jungle, in an extremely cruel world?

Will only be bullied, squeezed, and slaughtered to nothing, right?

If Ye Chen apologized to Lang Shaotian now, no matter how good his aptitude, Tutor Zhang would never see him again!

On the other hand, Lang Shaotian was seriously injured in front of him, he could not ignore it!

He is Yuan Dao, the outer giant spirit sword!

If his friend is in front of him and was hurt by a handyman disciple, but he is indifferent, and spread it out, wouldn't his face be lost?

What's more, his Yuan family has to rely on the Lang family's power!

Ye Chen smiled coldly stretched out a finger, pointed at Lang Shaotian who looked like a puddle of mud and said, "He said he wanted me to die, what happened?"

"However, I can tell you that he is lucky."

"You want me to regret?"

"I can assure you that human luck is limited. Fortune will not come twice in a row, and you will never be as lucky as him!"

"Regret is to regret, but the person who regrets it is you, not me!"

"Opportunity, I only give you one time, get away."

Even though everyone is already a little accustomed to Ye Chen's madness, they are blatant...

But when they heard this, their eyes widened. If Lang Shaotian is awe-inspiring, it is because of his potential and because he is favored by Mentor Zhang...

Then Yuan Dao is completely able to convince everyone with his strength!

Chapter 2492: Big brother!

Yuan Dao and Lang Shaotian, it can be said that even if Ye Chen kills Lang Shaotian in seconds, it looks extremely against the sky, but facing Yuan Dao, it can be said that it is hopeless and reckless!

Even, many people have discovered that Tutor Zhang obviously has a crush on Ye Chen. Here, even if he does not apologize to Lang Shaotian, there will be a more sleek solution, and it may even be directly accepted by Tutor Zhang!

But Ye Chen chose to carry it head-on!

Everyone shook their heads, proud, which is very good, but proud is also skillful, Ye Chen's proud, stupid...

No matter what kind of world you are in, it is not enough to only practice martial arts. You must have a certain social and adaptable ability, otherwise, it is difficult to have a chance to rise!

WINK's Surge to \$1: Join the Wave!

Ye Chen obviously had a chance to reach the sky in one step, but he made the worst and stupid choice!

There was a sneer at the corner of Yuan Dao's mouth. This was what he was waiting for!

So, today, Ye Chen is doomed to die under his giant spirit sword!

"Hahahaha!" Yuan Dao laughed wildly, and pulled out the giant spirit sword behind him, and a wild and fierce aura instantly rippled from the sword body!

Yuan Dao narrowed his eyes slightly, and said with a dangerous light: "Give me a chance? Many people have said that they gave me a chance..."

"Then, they are all dead!"

A bang came out of Yuan Dao's body, his figure was actually raised by a head, the muscles all over his body bulged, the surface shone with bronze luster, the hand holding the big sword behind him was bruised with veins, and his body was accompanied by spiritual power. With a fierce air, it surged out wildly.

Just the eruption of breath caused many outer disciples to retreat frantically and their faces were pale. If Yuan Dao hadn't poured all his strength on the hand holding the sword, they would have been injured!

too horrible!

Just when Yuan Dao was about to make a move, a figure suddenly stood in front of him!

It is Mentor Zhang!

"Yuan Dao, step back!"

"Apologize to this person."

A few simple words dazzled everyone instantly!

Even Ye Chen was a little unclear.

This tutor actually speaks for himself?

how is this possible!

I have offended Teacher Zhang!

At the moment, Yuan Dao's anger is burning!

In his opinion, Teacher Zhang has actually begun to favor this handyman disciple!

My chance is completely gone!

He even has to apologize!

As a warrior, he has the arrogance that belongs to him. He would rather die than apologize to such ants!

At the next moment, Yuan Dao roared: "Teacher Zhang, you are a mentor, you can't interfere with our affairs!"

"Otherwise, you won't be able to bear this price mentor!"

Mentor Zhang's face sank slightly, what Yuan Dao said was correct.

Although Ye Chen is most likely a disciple of the Six Dao Sword Gods, this involves a disciple, if he forcibly intervenes, it is tantamount to breaking the rules of the sect.

But since this matter is related to the Six Sword Gods!

No matter what the price, he is willing to bear it!

He stepped out: "Yuan Dao, if you do, I will do everything against you, even if you violate the rules!"

In a flash, everyone's expressions were weird.

Mentor Zhang is actually willing to choose manual hands for foreign geniuses for a handyman disciple?

Even regardless of the rules!

Is this handyman disciple really so important?

At this moment, Yuan Dao was burning with anger! Extremely angry!

He stared at Instructor Zhang firmly, and could only suppress his anger forcibly. Just as he was about to leave, an indifferent voice suddenly sounded!

From Ye Chen!

"I can deal with the matter of disciples, and I don't need the tutor to intervene."

"What's more, if I don't take action today, I'm afraid someone in the clan will find trouble every day."

"I like being quiet."

Teacher Zhang's eyes widened. Although he believed Ye Chen, he still said, "Yuan Dao's strength..."

Ye Chen interrupted directly: "No need to say more, I Ye Chen, I don't fear anyone."

Instructor Zhang shook his head helplessly and backed away.

If Ye Chen is really in danger of life, he will still take action!

At this moment, the crowd dispersed, leaving Ye Chen and Yuan Dao in the middle!

Yuan Dao smiled, extremely grinning!

"Little beast, since you want to die so, I will fulfill you today!"

In the next second, the giant sword behind him was completely pulled out, and evil spirits rolled over the sword body, and ghosts flashed on it from time to time. This heavy sword, I do not know how many souls of genius warriors have been swallowed by this heavy sword!

At the moment Yuan Dao drew his sword, an extremely tall and divinely tall man with a huge sword in his hand, a phantom of a burly man appeared behind Yuan Dao. The moment a group of outer disciples saw the phantom, they were all at the same time. There is a sense of worship!

"Giant Spirit Slash!"

Yuan Dao yelled, as if putting all of his power into the giant sword in his hand, he slashed out a strong sword towards Ye Chen as if slowly!

The phantom behind Yuan Dao was also cut down with Yuan Dao's action!

Crazy sword intent gathered infinitely, condensed, turned into a gray sword shadow and merged with the white light cut by the divine phantom behind Yuan Dao, as if the gods were raging out of the sword, majestic, containing the power of opening up the world!

In the void, there was a broken sound, an extremely stable space, where the sword light passed, cracks appeared in the road, and the protection array of the Lingyuan Pavilion was suddenly radiant!

After Yuan Dao took the shot, he panted slightly, but his eyes were filled with excitement!

The sword that was cut just now, whether it was sword intent, strength, shots, etc., all reached the peak he could reach now!

Vaguely, the attainments of his giant spirit sword have all made breakthroughs!

It can be said that it is almost the strongest sword he has cut so far!

Even if it is the sacred mountain of Wanzhang, he has the confidence to wipe it out!

Even after Teacher Zhang witnessed Yuan Dao's move, there was a flash of light in his eyes!

Amazing light!

What a beautiful sword!

The Giant Spirit Sword was taught to Yuan Dao by him, and this martial skill can be considered powerful!

However, Teacher Zhang is also very clear about how difficult the Giant Spirit Sword is to cultivate. There are countless geniuses in the Divine Extreme Sect, but in history, no more than a hundred outer disciples can be trained!

And Yuan Dao has not practiced it anymore, but has cultivated this extremely obscure and difficult to practice giant spirit sword to the realm of Dacheng!

But with Yuan Dao's sword just now, Teacher Zhang saw it clearly that his sword intent was faint and there were signs of a breakthrough?

If you break through again, you will be complete!

Yuan Dao is not more than 100 years old this year! Is it about to cultivate this giant spirit sword to the perfect state?

This is one of the few in the history of Shenjizong!

His martial arts talent is really terrifying!

Even Ye Chen looked at the sword light that Yuan Dao had cut with his dignified eyes, this sword was indeed terrifying!

Even surpassed the opponent's limit!

Even the warriors of the Seventh Layer of Taixu will be killed by such a sword!

Ye Chen didn't dare to take it lightly, holding the Qinglian Tiantian Sword, standing tall, full of breath, faint blue flame, countless purple and gold lines appeared on the surface of his body, flashing across his skin, all kinds of true spirits and shadows, Guarding in the void behind Ye Chen!

"Nine Heavens Punishment Divine Sword and Heaven Slashing Sword are one!"

Ye Chen gave a low shout Golden light burst all over his body, and the power of breaking the sky swept out, holding the Qinglian Tiantian Sword, and slashed at the gray sword light!

This is the first time Ye Chen has tried to combine two swords into one!

It is also his limit!

He can't use the six swords in one of the clear wind! But this sword should be enough!

Everyone's pupils shrank, and this sword was the sword that instantly defeated Lang Shaotian!

And stronger!

But Mentor Zhang is extremely excited!

Sure enough, this is a combination of the first sword and the sixth sword!

Ye Chen must be Feng Qingyang's true disciple!

True disciple!

If you talk about seniority, I have to call Ye Chen a big brother!

Chapter 2493: Identity!

But soon, Teacher Zhang shook his head slightly, and a trace of regret flashed in his eyes.

Although Ye Chen learned the sword intent of the six swords, his cultivation was too low, and it was impossible to use the full power of the sword intent!

If it is too imaginary, Yuan Dao will definitely die!

Moreover, the sword that Ye Chen used had no rank!

How to win?

Ye Chen's sword is indeed very strong, whether it is sword intent or strength, it is extremely terrifying!

However, he knew clearly in his heart that the power of Ye Chen's sword was still worse than Yuan Dao's Giant Spirit Slash!

Unfortunately, Ye Chen chose to head to head!

This can only show that Ye Chen doesn't even have the basic vision or feeling to measure the power of the opponent's blow!

If he stood in Ye Chen's position, he would definitely use the atomization supernatural power to deal with Yuan Dao, and then he would find the flaw before he took the shot!

Not like Ye Chen, although simple and direct, but also very reckless!

In his opinion, Ye Chen has already lost, one move is defeated, one move is defeated!

According to his experience, Ye Chen would die under Yuan Dao's giant spirit sword if he couldn't survive ten moves at most!

That being the case, he is ready to shoot at any time!

At this time, Yuan Dao had a sneer at the corner of his mouth. He knew he had won!

He can clearly feel that Ye Chen's sword is not as good as himself!

This \*\*\*\* kid, it's over!

But Ye Chen's eyes kept flickering, and he didn't know what he was thinking...

Just one ten thousandth of an inch between the Qinglian Destroying Sword and the gray sword light, the joy of victory was already revealed on Yuan Dao's face, Zhou Yuanxin's face was pale and bloodless, and Teacher Zhang was ready. When to go...

Time seems to have stopped in an instant!

A strange force suddenly burst out from the tip of the Qinglian Detian Sword!

In the next moment, Ye Chen's incomparably surging power and extremely terrifying sword intent started to condense toward the tip of the sword! Condense crazy!

Endless flames burst out!

This is the power of Qinglian Demon Fire!

The joy on Yuan Island disappeared...

Mentor Zhang's regret turned into shock in an instant!

In an instant, the sword beams of the Qinglian Sky Destruction Sword and the Giant Spirit Slash finally collided, as if the two worlds were impacting each other!

There was a loud bang, and the powerful energy radiated to the surroundings. The disciples from the outer sect were spitting blood and falling to the ground by the aftermath!

However, before they fell to the ground, from the corner of their eyes, they caught a glimpse of a figure, still moving!

Still rushing towards Yuan Dao!

Ye Chen's sword completely wiped out the giant spirit that seemed to be able to open up the world!

And this sword is not over yet!

"No!!! I can't die here!!!"

Yuan Dao roared wildly, and his eyes were bloodshot, full of madness and panic!

He regretted it! I really regret it!

If he was given another chance to choose, he would never provoke Ye Chen!

At this time, Yuan Dao reluctantly wielded the giant sword in his hand, intending to resist, but could it be stopped?

A blood mist burst into the Lingyuan Pavilion...

Outer door fifty-three, giant spirit sword Yuan Dao, die!

Ye Chen's sword pierced the ground, covered in blood, and his broken muscles looked extremely miserable...

Yuan Dao's sword was indeed terrifying. Even if he wiped it out, he suffered a lot...

However, in this battle, Ye Chen won him!

At this moment, Master Zhang opened his eyes violently, staring at the \*\*\*\* figure in disbelief...

Yuan Dao, his most proud disciple, died like this?

And died in the hands of handymen in the Sealed Door Realm?

Is Feng Qingyang's unique knowledge so terrifying! ! !

And Lingyuan Pavilion was completely plunged into the abyss of tranquility. The expressions of those outer disciples looking at Ye Chen were no longer shocking or horrifying, but a kind of fear from the depths of their souls!

Ye Chen is a bit too abnormal!

With the closed door realm repair base, just kill Lang Shaotian with one move! Even Yuan Dao, the 53rd Giant Spirit Sword in the outer door, is a one-shot kill? ? ?

Where is this, what kind of handyman?

Is the demon \*\*\*\* reincarnated?

Now they have only one thought in their hearts, that is, even if they provoke the inner disciple, they must never provoke Ye Chen!

Even, let alone Ye Chen, now they have a kind of fear towards the handyman disciples!

It's like a Ye Chen out of the handyman's yard, and at any time, he might pop out another evildoer who is so violent that the soul will burst...

And Zhou Yuanxin looked at Ye Chen as if he were dreaming, and he couldn't distinguish between reality and illusion!

Ye Chen vomited a mouthful of blood, picked up the giant sword left by Yuan Dao and his storage bag, and walked to the counter again. The deep and reachable bones on his body looked extremely serious and even made people curious. How could Ye Chen's wounds that were still alive began to heal quickly.

He handed Yuan Dao's token to the middle-aged woman who had been completely sluggish and said: "Please handle it for me again."

This Yuan Dao can be regarded as the most powerful opponent he has ever encountered so far. If he was before the retreat, it would be difficult to defeat him, even if he could have paid an extremely heavy price...

Fortunately, after the trials, he didn't do nothing!

Don't forget, he absorbed part of the original power of Lingjiuxiao's Forbidden Spirit Body in the trials!

Although he couldn't release the forbidden spirit law domain like Lingjiuxiao, but through this period of cultivation, he also mastered the method of using part of the forbidden spirit law body power!

Forbidden spiritual body, not only can only be used to forbid spiritual power, artistic conception!

In the trials, Ling Jiuxiao also used the forbidden spirit body to compress and condense its meteorite sword light!

The power that Ye Chen mastered was to use the power of the forbidden spirit body to condense his sword intent and power!

Although the forbidden spirit body cannot stop pure power, it can condense it.

However, with Ye Chen's current ability, he could only use his physical power for a short moment.

If he hadn't had the extremely terrifying power of the soul ordinary people, even like Ye Chen, would basically be unable to convert the power of the forbidden spirit, which could only last for an instant, into combat power.

Coupled with the help of the Qinglian Demon Fire in the Qinglian Slayer Sword.

This sword is too extreme!

However, after today, I am afraid that those clowns from Shenjizong will no longer harass them, and they will gain some peace for the time being.

Suddenly, a shadow enveloped him, Ye Chen turned his head slightly and saw a middle-aged man with sunken cheeks standing behind him.

It is Mentor Zhang!

Ye Chen's pupils shrank. Could this instructor see his disciple being killed by him, and want to attack him? This is a little difficult!

Mentor Zhang stared at Ye Chen for a moment, and said: "Who brought you into the Divine Extreme Sect, I never had an impression of you, shouldn't..."

Ye Chen's eyes flickered and said: "Tu Fairy."

Chapter 2494: Unwilling

"Tu Lanxin? Ye Chen?"

Suddenly, Ms. Zhang's eagle-like eyes suddenly lit up!

Isn't this Ye Chen the enchanted evildoer who was brought into the sect by Fairy Tu by exception?

Although he didn't understand what was going on, according to Tu Xianzi's intention, he should directly train Ye Chen as a true disciple. How could he become a handyman?

At this time, Ye Chen's aura turned, he knew that he was definitely not an opponent of Tutor Zhang. If Tutor Zhang really wanted to attack himself, although Ye Chen did not like to rely on the power of others, he could only use it temporarily. The technique of atomization supported, and used the power of the soul to inform Tu Lanxin...

A ray of cold light flashed through his eyes.

If that were the case, even if Tu Lanxin wouldn't do anything to Teacher Zhang, he would guarantee that one day in the future, Teacher Zhang would be killed! To revenge today!

But the next moment, Teacher Zhang said to Ye Chen: "Ye Chen, are you willing to come into my door?"

Suddenly, Teacher Zhang realized that he had said something wrong, and he whispered and explained softly: "It is so in name, but how do I call you brother..."

"It's hard to explain, I..."

The outer disciples who fell on the ground almost squirted out a mouthful of blood when they heard this!

Did they hear me right?

Yuan Dao is the most proud disciple of Teacher Zhang!

Now, Yuan Dao was killed by Ye Chen, and Lang Shaotian was seriously injured by Ye Chen, but Teacher Zhang still wants to take Ye Chen as a disciple?

Moreover, Ye Chen is still a handyman disciple!

In the history of Shenjizong, there has never been a tutor who accepted handyman disciples as apprentices!

That is an insult to the tutor!

They thought that Teacher Zhang was quite fond of Ye Chen, but if they wanted to accept disciples, they would have to wait for Ye Chen to enter the outer door, right?

But Tutor Zhang made an exception for Ye Chen!

What the \*\*\*\* is this treatment?

And Zhou Yuanxin, who was seriously injured because of the aftermath of the battle, was full of excitement!

Even if Tutor Zhang favors Ye Chen, isn't it?

Even Ye Chen glanced at Tutor Zhang with a little surprise. This instructor was not planning to make trouble for him. On the contrary, he wanted to accept him as a disciple at this time!

Even more weird, this accepting disciples is a superficial ritual. In fact, this superior teacher still calls himself a brother?

This tutor has a problem with his head?

So cheap, let yourself account?

At this time, Master Zhang looked at Ye Chen's eyes, even a little hot!

Disciple of the Six Sword Gods!

He finally got his wish!

Ye Chen, that's enough for the sect to destroy the tradition, the rules, and the enchantment under the sect!

He has lived for tens of thousands of years, and the geniuses he has seen are countless...

But I've never seen a person against the sky reaching Ye Chen's level!

This is the eternal evil among the real eternal evil!

Now, what he didn't understand was why Ye Chen became a handyman disciple? Isn't this \*\*\*\* violent?

It's as if you picked up a piece of gold and then used it to cushion the table!

Ye Chen should become a true disciple, and use the power of the entire sect to cultivate!

However, thanks to this, he found such a big treasure!

He believes that with his help, Ye Chen will really shine through the entire Shenji Sect, even above the true disciples!

At that time, with the light of Ye Chen, he was really on a steady pace!

As for Ye Chen killing Yuan Dao?

No matter how optimistic about Yuan Dao, Yuan Dao is just a disciple.

Everyone looked at Ye Chen with envy. Lang Shaotian, who had just regained consciousness, had blood red eyes, and looked at Ye Chen with a dull face, forgetting about the healing.

Even, its breath is extremely messy, it seems that the injury is even heavier...

You know, as long as Ye Chen agrees, it will really fly into the sky!

But Ye Chen, after being silent for a while, said lightly to Teacher Zhang: "I don't want to."

"Huh???" Instructor Zhang was a bit suspicious that he had auditory hallucinations, "What did you just say?"

Not only him, but everyone in Lingyuan Pavilion felt this way!

Ye Chen still said lightly: "I said, I don't want to."

...

The people in Lingyuan Pavilion felt that if Ye Chen continued to do this, they would be confused and heart problems. How many times did they go up and down because of Ye Chen?

After hearing Ye Chen's answer, Zhou Yuanxin, who seemed to be dreaming, his smile froze all of a sudden, and even his originally ruddy round face began to pale, and his injuries seemed aggravated...

Zhou Yuanxin, almost crying!

Ye Chen, what is this?

That's the teacher disciple!

To some extent, you can even get some benefits that inner disciples can't get!

Moreover, to become a disciple of a mentor, it is bound to become an inner disciple!

It can be regarded as the existence of Shenji Sect second only to the true disciple!

Their handyman disciples themselves don't have much contribution points. Basically, they can only get contribution points by doing chores or simple tasks. As for fighting and snatching? Who can their handyman grab? Can only grab handymen!

And how many contribution points can you grab for handyman?

Not to mention robbing others, my own contribution points are often robbed by outside disciples!

You can imagine how difficult it is for the handyman disciple to survive in the sect!

But the inner disciple is another kind of creature!

The inner disciple can be regarded as the true Divine Extreme Sect disciple, and the contribution points allocated by the Guangguang Sect every month are that the handyman disciple can't save it for a lifetime! Can make the most of the resources in the sect!

Not to mention, there are many places open only to inner disciples!

And to become a disciple of Teacher Zhang, with Ye Chen's qualifications, it won't be long before he can become an inner disciple, right? Even with the support of Teacher Zhang, there is a chance to attack the true disciples!

Who can join Shenjizong, who is not a proud genius? Who wants to be a handyman in a low voice?

With their qualifications, if they are willing to go to the second-class sect, not to mention the true disciple, becoming an inner disciple is extremely easy!

All the handyman disciples, the reason why they still insist on not leaving is because they dream of one day, being able to become the inner door?

But this way everyone is working hard for it, for the opportunity to endure it, Ye Chen just gave up!

Not to mention that Zhou Yuanxin is new, those outside disciples who don't know Ye Chen feel extremely sorry for him!

This kid, even if he is exceptionally talented, is a bit too clueless, right?

Addicted to being a handyman?

Ye Chen didn't care about that much. He said that he would rely on his own strength to make the elders who look down on him look admired!

Moreover, Ye Chen didn't have much interest in Mentor Zhang.

He even suspected that this teacher Zhang's sexual orientation was not normal, and the hot eyes, how could he look at his disciple's eyes?

And at this moment, Teacher Zhang is anxious!

Turning his head, he instantly thought that Ye Chen had already worshipped Feng Qingyang's door, how could he have come to his door.

I'm too anxious!

Mentor Zhang quickly said:

"Senior Brother Ye, that...it doesn't matter if you don't want to. From now on, you and I will be called seniors in the courtyard..."

"I think my brother has a strong sword intent. Although I am a teacher, but on the road to martial arts, the pinnacle is a teacher. I still want to learn from you."

Chapter 2495: Great omen?

At this moment, everyone was fierce.

They even suspect that this person is really a mentor?

Call a handyman a senior in front of them?

Are you sure that your brain is not sick?

Ye Chen glanced at Instructor Zhang deeply, frowned slightly, and directly received the token handed by the middle-aged woman, and said to Zhou Yuanxin: "Yuanxin, let's go."

Zhou Yuanxin nodded and didn't ask much. He knew that Ye Chen must have his reason for doing this!

After that, the two left Lingyuan Pavilion.

Master Zhang's eyes flickered, and he shook his head, Feng Qingyang mysteriously disappeared, once became a taboo in the kingdom of God.

He could not directly identify himself.

Even if he made it clear, would Ye Chen accept it?

You can only approach this big brother step by step through your own behavior.

Even though Ye Chen left like this, after he killed Yuan Dao, his reputation was considered to be in the Shenji Sect, and it was completely spread!

...

After leaving the Lingyuan Pavilion, the two of them came to the Demon Pool.

Zhou Yuanxin said to Ye Chen: "Brother Ye, this \*\*\*\* and devil pond is the signature of this sect! It is said that this is the essence of \*\*\*\* and devil that our founding ancestor of the Divine Extreme Sect received back then. Zhijing, rising strongly, became one of the strong men who stood at the peak of the kingdom of God in that era.

There was also a trace of the essence of the gods and demons that had not been refined, staying in this divine ultimate sect, with the supreme divine power, creating the gods and demons pool! Use this as a disciple to wash the tendons and cut the marrow! Increase potential! "

Ye Chen looked not far away, in the woods shrouded in an extremely dense white mist. In his eyes, there was a glimmer of excitement. The Demon Pool was in that woods!

"But..." Zhou Yuanxin continued with some regrets: "This God and Demon Pool was originally divided into an outer pool and an inner pool. Now all we can enter are within the scope of the outer pool! Ten thousand years ago, this outer pool was not like what it is now. The energy is so strong that ordinary disciples cannot enter it!"

"Oh?" Ye Chen showed interest and said, "Tell me."

Zhou Yuan said: "The reason why our current outer pool is so terrifying that ordinary disciples can't use it is because the inner pool of this \*\*\*\* and magic pool has not been opened for thousands of years!

The energy in the inner pool, called the essence of the gods and devil, has been accumulated for tens of thousands of years, and it has begun to overflow into the outer pool. Therefore, the energy of the outer pool has increased countless times!

But improving is not necessarily a good thing! Tens of thousands of years ago, the inner pool of the gods and demon pools, but the most enchanting evil of this sect, was only qualified to use it!

Ordinary people can't bear the terrifying energy of the gods and demons essence pouring into their bodies! "

"But ten thousand years ago, I don't know what happened, the original head heir disappeared, and he still disappeared with the soul stone that entered the inner pool!

As a result, in the next tens of thousands of years, no one can enter the inner pool! As for the outer pool, ordinary disciples cannot use it. It is also for this reason that there are so few contribution points required to enter the gods and demon pools. However, even so, the outer pool and the inner pool are still incomparable. I really don't know, who What kind of evildoer is the heir to the head! "

Ye Chen heard the words, but there were two fiery rays of light in his eyes! Zhou Yuanxin who was on the side was shocked!

Ye Chen, what's wrong?

At this time, Ye Chen, in his heart, the joy is blooming!

why?

Because the soul stone that entered the \*\*\*\* and demon pool is on him!

Presumably the thing that Gu Lao asked him to take away was also in this inner pond, right?

In this way, Gu Lao was not an ordinary disciple at all ten thousand years ago! It's the heir to the head of this Shenjizong!

In a place like Shenjizong with evildoers, there is only the inner pool that the head inheritor is qualified to use. The energy contained in it must be so rich that it is unimaginable!

And what will become of such terrifying energy after 10,000 years of accumulation?

With Ye Chen's heart, he was so excited that he wanted to tremble!

The essence of the gods and demons accumulated for tens of thousands of years is going to be cheaper for him!

Ye Chen smiled stupidly. After he came out of the Demon Pool, he didn't know how much his strength would increase?

Immediately, Ye Chen couldn't wait to move towards the forest immersed in the sea of fog!

But at this moment, his eyebrows tingled!

Zhou Yuanxin also discovered the strangeness, and said in shock: "Your eyebrows...what's the matter?"

Ye Chen's eyes sank, and he said to Zhou Yuan: "I will go to the Divine Demon Pool a few days later. Now I am leaving Shenji Sect for a few days."

"You take a few days off for me."

As soon as Zhou Yuanxin wanted to say something, Ye Chen disappeared!

His eyes were filled with excitement!

Just because a voice from the Devil Emperor just came!

Let him meet in a place in the Kingdom of God!

Could it be that the Devil Emperor has recovered to its peak?

...

An hour later, Ye Chen finished all the formalities and successfully left Shenjizong.

Originally, the handyman disciple could not leave casually.

But to Ye Chen's surprise, the Tutor Zhang took the initiative to come to the Hall of Entry and Exit, declaring that this departure is a task he issued to Ye Chen, and that Tutor Zhang will bear all the consequences.

When he left, Teacher Zhang was full of smiles on his face, and he forced Ye Chen out.

"Big brother, I'm waiting for you in the clan, you can just shout if you have something."

"In the future, there will be no worries for Senior Brother!"

Ye Chen: "..."

At the same time, Tianji Taoist Temple.

The eyes of the Tianji Taoist sitting cross-legged suddenly opened.

This time he confirmed Ye Chen's whereabouts again.

Originally, if Ye Chen escaped from Heaven's Dao, he shouldn't be able to track down any spells.

But the Taoist Tianji cleverly determined Ye Chen's whereabouts through the Chaos Star Tree in Ye Chen's body.

The Chaos Star Tree is contaminated with Tao and cause and effect, and belongs to the same origin as the Tianji Taoist.

The whole process is troublesome, but not too difficult.

However, at this moment, the Tianji Taoist looked at the tortoise shell on the table with an extremely heavy expression and muttered: "It seems that Xuanyuan Moxie is not that easy to deceive. Due to the fluctuations, the Heavenly Dao Palace should be able to barely get the general position of Uncle Master through some means."

"The picture I saw just now should be the confrontation between Tiandao Palace and Shishu soon after!"

"Damn it!"

"It's just that this hexagram is not a big evil hexagram, is there a turning point?"

"At this time, why did Shishu leave Shenjizong and get out of shelter?"

"Xuanyuan Moxie has established barriers in many places. Once he gets close, he will be noticed."

"Uncle Master was too careless."

"It's just like a sheep's mouth! I have to do something."

However, when Taoist Tianji was about to leave, he felt something again and finally chose to sit down.

Since it wasn't a serious omen, he must not expose it.

Chapter 2496: The chase of Tiandao Palace!

At this moment, in the Palace of Heaven.

Palace Lord Xuanyuan Moxie still sat on the Yantian Dragon God to practice.

His breath became stronger and stronger.

Suddenly, the starlight ball in front of him flashed with an unusual luster. He raised his head slightly, frowning at the corner of his eyebrows, his expression became more and more fierce, and he waved a colorful wave of light across the starlight ball.

Huhuhu! !

Huhu! !

There were bursts of colorful ripples in the starlight ball, and after the ripples collapsed, a unique scene was revealed.

It is like a projection, showing the appearance of a street.

An extremely vague young man walked in the street impressively, wearing a black robe and a long sword on his back, scanning the surrounding environment.

"This guy actually appeared in the kingdom of God?"

"Sure enough, it's not that simple."

"Fortunately, I didn't believe in the gods, and it was not wasted that the palace master sent many powerful men to set up a formation to catch your traces in the kingdom of God!"

Xuanyuan Mo Xie's lips outlined an evil smile, slowly lowering his hand, his eyes seemed to return to a few days ago, he used the supreme magic power to go up and down in the kingdom of God, and set massive restraints through the heavens, as long as Ye Chen had some aura. If it leaks out, it will be captured by the phantom of the heavens, and the place where it is will be presented, manifested by the starlight ball.

Heavenly Palace!

Xuanyuan Moxie!

No one is waiting for leisure, and it is not difficult for the most powerful people to find a youth.

"go with!"

"Call Qiu Xuehan over!"

Xuanyuan Moxie still returned to his \*\*\*\* position, it seems that Ye Chen is not worth his own hands.

In fact, he just can't leave here, he needs to sit down with something!

Not long!

A burst of blood burst out!

A middle-aged man wearing a blue robe with blood glowing all over appeared in the study, carrying a knife and a sword. The knife was a knife of ice, and the sword was a sword of blood evil. He was proficient in the power of blood evil and cold. The power of ice-Qiu Xuehan!

Simultaneously!

It is also the pinnacle of Taixu, who can step into Zhan'er at any time, even without fear of Erley's powerful existence.

The reason why he sent this person is because he doesn't want to be stunned!

This time, he learned the lessons of the previous few times!

Qiu Xuehan's identity is one of the top killers in the Shen Guo Pai, and he is also an elder with a very special identity.

Although the strength is not high, but the ability to leapfrog is extremely strong!

The assassination mission has never failed.

Xuanyuan Moxie sensed that young man's cunning, if he sent many elders, maybe the other party would run away again!

This time, choosing Qiu Xuehan is the biggest opportunity!

Qiu Xuehan is a strong presence! Even strangled the powerhouse!

"Qiu Xuehan pays respects to the palace lord!"

"Excuse me, Palace Master, what do I need to do?"

Qiu Xuehan clasped his fists and leaned forward slightly. His eyes were filled with the meaning of endless ice, like a cold winter in the twelfth lunar month. It seemed that this man contained the ultimate ice, and his eyes were like the entrance to the world of ice and snow. Biting!

"Qiu Xuehan!"

"You are one of the best killers in the Kingdom of God!"

"There is a task here, go and execute it!"

Xuanyuan Moxie threw down a note and said: "It must be completed. If it is not completed, you have no need to come back! Remember, don't let this palace master down. If you complete this task, I will give you no chance. !"

Qiu Xuehan!

Once in his youth, he was in the kingdom of God with one sword and one sword. In one night, twenty-one factions were destroyed and thirty-five homes were stolen.

The methods are endless, killing intent is monstrous.

He never keeps his hands on any enemy!

Was born to kill.

The missions performed were all successful without exception. He was the evil \*\*\*\* of martial arts under Heavenly Dao Palace Zhan E!

Qiu Xuehan didn't say much. He picked up the note and looked a little surprised. He said, "Palace Master, kill this son? There is no specific appearance yet, a guy in the closed door realm, is it a little fuss?"

Receiving this kind of task, for him, it is a sledgehammer, overkill!

"Ha ha!"

"Qiu Xuehan, you are not in the kingdom of God these days. I don't know this, it's okay!"

"This little \*\*\*\* is very cunning. Many elders have failed. This time I will only send you alone, because I believe you will not fail."

Xuanyuan Moxie said coldly.

"It must succeed!"

"Yes, Palace Master!"

"I promise that within three days, Ye Chen's head and soul will be sent to you, the palace lord!"

Qiu Xuehan couldn't help but sneered for a moment, and whispered: "A trivial kid, an arrogant little thief, according to the palace lord's words, he is a genius, but it is a pity that if you dare to provoke our Heavenly Dao Palace, you are really looking for death!"

"Palace Master! Leave!"

Qiu Xuehan walked slowly out of the hall of Xuanyuan Moxie with his fists, and turned his eyes to scan the many elders who were welcoming in front of him. The mission of the little bastard, everyone is waiting for my return!"

"That's for sure!"

"What a person Elder Qiu is, how terrified are the ants, Elder Qiu, I will prepare a promotion banquet for you!"

An elder also smiled and said: "Yes, I will wait for Elder Qiu to prepare gifts for advancement, close the door, and beheaded is just like trying to get something!"

Qiu Xuehan nodded slightly and stepped into the teleportation formation with a smile. As many of his colleagues said, his own evil spirit shot and killed a door-sealing kid, it was too simple!

After Ye Chen came out of Shenjizong, he hurried all the way.

The Devil Emperor gave him a coordinate. Although he didn't know the reason, he knew very well that he must get there as soon as possible!

Countless afterimages moved.

Ye Chen has been on the road for a whole day!

Suddenly, his footsteps stopped, and his cold eyes stared around!

An extremely ominous premonition came to my heart!

Suddenly, black space debris appeared in front of him, accompanied by a suction force.

Click, click~~

Click~~

A clear voice came out.

Then, the space shattered like a black hole, but there was no unacceptable suction power. Instead, a blue channel opened through it. A middle-aged man wearing a blue robe out slowly, carrying a sword and a sword on his back, like a powerful man, his breath and aura have reached the peak!

When everyone looked at his blue robe, they still didn't think there was any problem.

But when everyone looked intently, Lan Pao's chest was stabbed with a group of signs, and the crowd was shocked for a while, and people fled in all directions, even afraid to look up at the middle-aged man!

It's a person from Tiandao Palace!

The clothing with that mark is the robes of Tiandao Palace!

The comer is a strong man in the Heavenly Dao Palace!

"Tiandao Palace?"

Ye Chen frowned.

"It seems that my whereabouts have been discovered."

"Isn't Yong Lao saying that Tiandao can't detect me? It seems that I still underestimate Tiandao Palace."

"But, so soon, someone came up to die?"

Chapter 2497: Changes in the reincarnation cemetery!

Ye Chen did not panic at all, even if he perceives a strong threat from the opponent!

He found a place to sit down, slowly raised his teacup, drank the extremely delicious tea, and suddenly looked down at the teacup, the rich fairy aura even condensed into a green pine and jade dragon lingering in the teacup.

"Taste such a delicious tea!"

"It's a pity that you are disturbed by this fellow!"

The person here is amazingly Qiu Xuehan!

Qiu Xue looked at the giant city that had become an empty city with cold eyes, then looked at Ye Chen in the teahouse, and a vague picture appeared in his hand. The figure on the picture coincides with Ye Chen!

Although there is no face, the people around are scattered!

Only the young man is not afraid.

He determined the goal instantly.

"Boy, this elder thinks that your cultivation level will kill you more than one sword, and will never torture you!"

"after all!"

"For your existence in this realm!"

"At this age, such talent and military strength are really rare!"

"For you, such a genius, this elder has the meaning of respect. Killing you with one sword is the glory for you!"

The strong genius naturally respects the strong genius!

It's a pity that Qiu Xuehan is a strong genius who has grown up, and Ye Chen is just a genius. What he can do is to make him die well and not torture him as much as possible, because Ye Chen is too weak in his hands!

"Your words!"

"I have never heard of it among the people of Heavenly Dao Palace!"

"What's your name? Which elder of Tiandao Palace?"

Ye Chen drank the \*\*\*\* tea in the teacup. The \*\*\*\* tea entered his body. After clearing his throat, he slowly pulled out the Qinglian Tiantian Sword behind him, came to the edge of the teahouse, stared at Qiu Xuehan, and said with a smile: " You know, you arrogant Tiandao Palace elder, I have repelled and killed a lot!"

"Tiandao Palace!"

"Since I, Ye Chen, stepped into the kingdom of God! I must crush Lingxiao!"

"Unfortunately, my cultivation base hasn't reached the Slashing Evil Realm yet, but your palace lord can't come and kill me personally, it's his fault!"

Hearing these words, Qiu Xuehan nodded slightly, and the cold breath all over his body rang loudly, saying: "Your last words are finished, you can go to death!"

The voice falls!

A long sword filed out from behind Qiu Xuehan, the body of the sword flashed with cold light, and countless cold air burst out, turning into a pure ice long sword, attacked from all sides, and some even wore it. Through space and time, it has incomparable lethality!

"Six Sword Gods, Nine Heavens Punishment God Sword!"

Following Ye Chen's violent shout, the Qinglian Destruction Sword danced out, and the sky was full of evil spirits, as terrifying as the sea.

The evil spirit surged to form a barrier, trying to block the ice sword.

Bang bang bang! !

Boom! !

Dozens of heavy impact sounds came out.

The barrier ruptured, and a hundred-handed ice long sword penetrated Ye Chen's body, flew out with thick blood, and overturned the teahouse behind it. ,

puff! !

Ye Chen flew for tens of meters and rolled down in the ruins with a shocked expression. He didn't expect the people from Heavenly Dao Palace this time to be so powerful!

The opponent is only at the peak of Taixu, although Ye Chen is invincible, it is impossible to be so embarrassed!

Ye Chen wiped off the blood from the corner of his mouth, his expression was cold: "It seems that this time, I underestimated the Heavenly Dao Palace."

"Well, today, I will try my limit!"

Next second!

Breaking power!

God blood!

Immortal body! Devil!

The law of destruction! The law of time!

The law of death! The law of space!

The law of time and space! The law of degree!

The law of killing!

The seven laws of Dzogchen realm and the five avenues rushed out together, and the endless divine might surged out like an ocean.

A number of extremely powerful forces are intertwined, and then all the powers are gathered in the Qinglian Sword of Heaven!

"Old stuff from Tiandao Palace!"

"I killed you with one sword!"

Ye Chen yelled again and again, holding the Qinglian Sky Extinguishing Sword in both hands, but he felt that the Qinglian Sky Extinguishing Sword was as heavy as a thousand-thousand-thousand-thousand-thousand-thousand sword. The sword wave flowed, and the ancient inscription carved on the sword shone with luster, A breath that seems to originate from the wild and ancient overflowing, terrifying and barren.

Wow~~

With the Qinglian Destroying Heaven Sword drawn out.

A handle mixed with multiple powers, exuding colorful sword gangs whizzing out, the sword aura is overflowing, every sword aura penetrates time and space, tracing back thousands of years of time, once it hits a person, it is enough to make its destruction!

It can even weaken the enemy's realm and combat power, and at the same time there is destructive power in the sword gang, enough to kill the enemy!

This time, Ye Chen used all his strength!

This sword far exceeds the power to deal with Yuan Dao!

"Such a force, plus seven rules!"

"Five Great Avenues, and practicing magic skills, worthy of a genius, no wonder the Palace Master asked me to kill you personally. This strength is enough for me to use some of my power to kill you!"

Qiu Xuehan's expression remained unchanged. He slightly raised his left hand and waved between his fingers. The Ice Longsword once again turned and shot out. Unlike before, the body of the Ice Longsword at this moment was wrapped in a strange luster, like the light of chaos. , Blast the various forces on the sword gang one after another.

Boom!

Click~~

Two explosions were heard.

The power attached to Jian Gang shattered, and the power of many laws shattered one after another!

However, Jian Gang was directly smashed by the Ice Long Sword, and then the long sword shot at Ye Chen's chest, like a giant hammer bombarding him, knocking it away!

Puff!

puff!

Ye Chen discovered that the person who appeared this time was completely different from the elder sent by Tiandao Palace!

Of course there is no slaying of Evil Realm! But the killing intent of the whole body completely surpassed the Evil Realm!

This is the top killer of the Kingdom of God!

Ye Chen didn't hesitate anymore and activated the Chichen Divine Veins! It's still too late!

The clothes all over his body were broken, and he really did not expect that his full blow would not kill Qiu Xuehan.

Immediately, he looked at the flying ice long sword in amazement, and wanted to mobilize all his strength to resist it again.

Boom! !

Another explosion sounded!

Ye Chen kept retreating, using all the power of the sky, the seven laws and five avenues that gathered the power of the whole body barely blocked Qiu Xuehan's sword power, but he was completely broken and injured very seriously!

This person is the strongest enemy Ye Chen has ever encountered!

none of them!

He even used the atomization supernatural power and spirit ability, but it still had no effect!

If Ye Chen didn't guess wrong, this person could kill the Evil Realm powerhouse at will!

Damn it!

Now his limit, it is impossible to respond to this person!

"Oh? He's not dead yet?"

"Ordinary Taixu Realm later picking up this sword will have to fall!"

"Unexpectedly, you, the gate ant, can still stand?"

"Interesting!"

Qiu Xuehan didn't continue to take action. He killed so many people, and it was the first time he saw this kind of immortal gate closure.

He wanted to see how powerful Ye Chen's vitality was.

Can Ye Chen be regarded as a Xiaoqiang who can't die?

Anyway, Ye Chen couldn't jump out of his attack range, unless Ye Chen instantly became a powerhouse in the Evil Slayer, otherwise, he would die!

Just as Qiu Xuehan was about to wait for Ye Chen to recover.

Earth-shaking changes have taken place in the reincarnation cemetery. A tombstone cracked at an extremely fast speed, and the cracks overflowed with divine light, accompanied by an extremely powerful aura and fighting spirit.

Chapter 2498: The power of Kuangwu overlord!

Slap~~

boom!

The explosion sounded soon, accompanied by dust and stone tablet fragments flying out.

A group of brilliance emerged, and after the brilliance dissipated, a middle-aged man appeared. He was wearing a gold-inlaid robe and a crownless head. The middle-aged man appeared with sword eyebrows and stars. He looked extraordinarily handsome with thick and thick. The handsome look and the aura of righteousness are especially unique.

boom!

The middle-aged man shook his top robe slightly.

He shook his head, stretched out his body, and said to himself: "In this reincarnation cemetery, it's too boring!"

"Canggu Medical God, don't come out again if you have the ability!"

"On medical skills, your kingdom is invincible, and the deity cannot resist!"

"But in martial arts, you are not the opponent of the deity!"

"Ten thousand years ago, at the martial arts conference, you pierced the deity's vital point with a single needle, and put the deity to shame in front of thousands of people!"

"Today, you and I appear here at the same time, it is cause and effect!"

"You better never come out!"

After the middle-aged man finished speaking, he stretched his muscles and bones, but saw the blood red aura overflowing from the golden bones of his body. The aura gradually turned into a fighting will to

dominate the heroes. The monstrous fighting intent swept the way, like a world-famous warlord. Suddenly, that face and sword eyebrows and star eyes seemed particularly overbearing.

Ye Chen's eyes are overjoyed!

"This is the Overlord of Kuangwu!"

"This time it came out again!"

What is a Kuangwu Overlord?

Born for war, until he died, he has cultivated for tens of thousands of years. After 18 million battles, 1,799,999 times were defeated, and only one time was defeated by If a certain power in his two realms is raised, the rest of the battle will be victorious regardless of whether it crosses a large realm or dozens of small realms!

usually!

Sword eyebrows, stars, robes and robe, walk the world!

During the battle, the fighting intent was manifested, and the monstrous fighting intent made thousands of powerful people daunting, dominating the world, once three punches killed a powerful man in the late stage of Zhan'er realm, such existence, appeared again!

Ye Chen also understood the grievances between Cangu Medical God and Kuangwu Overlord during this period, and he couldn't laugh or cry.

But in this situation, he had to face Qiu Xuehan in front of him, watching the killing of the ice sword, he barely gathered the monstrous devil energy, his eyes turned into blood red, and even the eyebrows were opened. Now, the surging demonic energy seems to be endless.

Such status and combat power!

If it were in Lingwu Continent, it would be invincible!

But in front of Qiu Xuehan, it was not enough!

"Senior, please do it again!"

...

outside world.

"The gate-sealing realm, but it can burst out the equivalent of the seventh or eighth layer of the Supreme Void Realm!"

"Yes, it's not bad, but it's a pity! You don't even know, I could have entered the Slashing Evil Realm long ago!"

"So, if you go against the sky, you still have to die!"

Qiu Xuehan didn't want to let Ye Chen go, his hands were placed on his chest, and the sky was full of ice immediately under his feet.

In just an instant, the huge giant city turned into an ice city, no matter the creatures, everything was frozen by the ice!

Immediately, he raised his hands slightly, and the sky of cold ice left the ground to gather and gather in the cold ice long sword, his aura skyrocketed, and his murderous aura crowned the heavenly imperial guard, giving Ye Chen the feeling of being in hell, and his whole body was locked!

"dead!"

Qiu Xuehan pushed out with both hands, and the Ice Longsword came back again, the sword was swept by the wind!

Ye Chen looked shocked, unable to move, but knew that if he was hit by a sword, he would definitely die!

And at this moment, the Kuangwu Overlord obviously also felt the external situation.

His eyes were cold: "Boy, you really have trouble everywhere."

"The breath of the person from the outside world who did it to you is completely slaying the Evil Realm."

"Although it has not broken through, but I am afraid that it is invincible under the behead."

"The deity didn't help you that day, I will give you a meeting gift today!"

"Let me a little bit from your body!"

Before Ye Chen could react, he saw the spirit body of the Kuangwu Overlord, flew out of the reincarnation cemetery and merged with Ye Chen.

In an instant, Ye Chen's breath soared again and again, and he broke free from Qiu Xuehan's confinement. His black hair fluttered like a black waterfall, sword eyebrows and stars, sharp corners of his eyes as sharp as a blade, and a \*\*\*\* fighting intent rushed out. Then Ye Chen punched out!

Boom!

boom! !

Two big explosions were heard.

Ye Chen didn't take a step back, and blood overflowed from his left fist.

However, the Ice Longsword broke apart and fell in front of Qiu Xuehan. Qiu Xuehan was also shocked ten steps by the powerful impact. He looked at Ye Chen in amazement and said: "You The breath! Why has it suddenly changed!"

"The punch just now...impossible! Never possible!"

Qiu Xuehan is very familiar with that punch technique!

Only one person in the entire kingdom of God can perform such a domineering punch!

"Are you actually a disciple of the Kuangwu Overlord?"

"So, it's no wonder your cultivation base is so low, but you can leapfrog so many people!"

Qiu Xuehan's eyes were solemn and he didn't dare to be careless. He had heard of the name of Kuangwu Overlord. Since the opponent is his disciple, he must have unique means.

He hesitated for a moment, and smiled: "It's nothing, the lion fights the rabbit with all its strength!"

Soon the next moment!

Qiu Xuehan directly forced out the essence and blood, and then used the essence and blood to provoke the blood throughout his body to burn. With a burst of loud shouts, Qiu Xuehan's blood boiled all over his body, and his breath soared. Like a Vulcan, the combat power has faintly reached the level of the second-tier sky of Slashing Evil Realm!

And, at this level, it's not a problem to fight against the three-tier heaven of Slashing Evil Realm!

The lion fights the rabbit with all its strength!

Qiu Xuehan has been like this since ancient times, and will not easily look down on any opponent!

Furthermore, his life span is unlimited, he burns his essence and blood at most for a period of time, and at most he has some dark ailments. The mission performed on this trip cannot be lost!

"Ye Chen!"

"Let me see, you got a bit of a true biography of the Kuangwu Overlord!"

Qiu Xuehan yelled violently and pulled out the \*\*\*\* sword behind him. It was also an ancient weapon!

He came to kill from the air, and the cold ice under his feet condensed more, and he was not affected by the burning of his essence and blood. It seemed that he was proficient in both. It must not be the first time to burn the essence and blood. Chen's determination burns blood!

Burning essence and blood is an act of death for a low-level warrior!

But for the existence of Slashing Evil Realm, it will only hurt itself and definitely not be suicidal, but it has caused the combat effectiveness to skyrocket in a short time. However, it takes several years to recover afterwards!

Boom!

boom! !

The two began to fight, and the shock wave continued to destroy the frozen giant city.

Ye Chen didn't use the Qinglian Tiantian Suppressing Sword, but used the famous boxing technique of the Kuangwu Overlord-Shenwu Zhanquan!

Fight with bare hands!

One punch was the strongest blow that destroyed Qiu Xuehan!

There is even a feeling of crushing!

Qiu Xuehan became more and more frightened!

He found that the young man in front of him had completely changed, and his control of martial arts was too strong!

Strong to horror!

This feeling is as if it is not the disciple of the Kuangwu Overlord, but the Kuangwu Overlord himself!

Chapter 2499: Fiercely

"boom!"

A voice resounding through the sky came!

The endless waves are rolling! Like a thousand feet of huge waves!

Qiu Xuehan vomited a mouthful of blood, and his body retreated a full 100 meters!

He was covered with blood and scars!

His eyes were extremely frightened!

No match at all!

The key is that he uses a powerful ancient weapon, but the opponent is just bare-handed!

The realm gap is so huge that it has been crushed!

"Boy...who are you!"

"You are by no means a closed door realm! You can't even be a virtual realm!"

At this moment, Ye Chen's eyes were solemn.

Because the voice of the crazy overlord came in my mind.

"Boy!"

"Your name is Ye Chen, right?"

"Your injury was too serious just now, and this is just a Taoist mind body, and the deity cannot last too long."

"If you stay in your body again, your physical body may explode."

"So, I can probably help you breathe."

"The deity awakens in the reincarnation cemetery, and there is one important thing to do, which cannot be dissipated yet."

"Find a way to leave, don't love war."

Kuangwu Overlord said again: "This person is a sword and sword. If the true body of the deity is here, you can kill him with just a glance without punching, but this divine mind body is less than one thousandth of the true body. Power, hey."

In the words, Qiu Xuehan's eyes condensed crazy meaning!

He closed his eyes and offered a \*\*\*\* jade pendant in his hand.

This is the back hand Xuanyuan Moxie gave him!

Don't use it as a last resort!

Obviously, it's time to use the back hand!

In the next moment, Qiu Xuehan's breath soared!

The whole body is surging with extremely strong evil spirit and thunder arc!

Holding a weapon, jumped up!

"Heavens Blood Fiend Sword!"

"Little beast, you must die!"

Qiu Xuehan strove out with all his strength, the blood evil long sword swung towards the sky, the tip of the blade shot out bursts of blood evil divine light, stimulating the power of heaven and earth, turning the surrounding mountains and rivers into scarlet long swords, and there were thousands of them in a moment. The blood fiend long sword struck, and each long sword had the ability to kill the nine-layer peak of the Supreme Void Realm!

"Kuangwu Fight Fist!"

"crack!"

Ye Chen yelled again and again!

However, he saw that his fists roared out like giant cannons, and the golden fists were extremely fast, smashing a long \*\*\*\* sword one after another, and then turned around and blasted out another punch. A pair of golden fists changed into ten thousand feet in size. He blasted out, and his fist smashed all the \*\*\*\* swords, but he was accidentally smashed in the chest by Qiu Xuehan and knocked out!

Just now, the Kuangwu Overlord left!

If he doesn't leave, Ye Chen's burden is too heavy.

"Boy, although I will leave, I will give you a strength in the end. After the release is over, leave immediately, don't love war!"

"There is a fierce land in the distance, this is your only chance!"

The voice of the violent overlord sounded.

The mind body is not the real body.

The energy contained is limited. This is a common problem of every power in the reincarnation cemetery, and it can't be regarded as a common problem. After all, they are not real bodies, and some people can't absorb the heaven and earth aura to replenish naturally, even if the arrogant overlord has the ability to absorb the heaven and earth aura. The power of the divine mind body energy is strong and weak, but it consumes too much, and it is too late to replenish it!

"understood!"

"Thank you seniors for your help!"

Ye Chen stared at Qiu Xuehan who was killing in front of him, his eyes flashed with a fierce color, and his figure trembled violently, attracting Qiu Xuehan to approach. The next second, he was hit by the blood evil long sword in his chest, and his fist was also hit. Like a hammer, it directly penetrated Qiu Xuehan's chest.

Didi~~

Drop~~

Blood is overflowing.

Qiu Xuehan's face turned pale, and a blood hole appeared in his chest.

He barely supported it, drew the \*\*\*\* sword, and once again smashed Ye Chen's arm, blood was overflowing, and Ye Chen also cut his left arm with a sword!

Stop fighting!

Leave directly!

"what!"

"Animal, don't run!"

Qiu Xuehan trembled all over with anger, his blood evil sword didn't cut off Ye Chen's arm, instead, Ye Chen cut off an arm!

As a top-level killer, Erley is not afraid of him. He has a complete body, and his body has been forged to an extremely powerful level. No ordinary sword can hurt his body. But if his body is cut and defeated, it will be seriously injured!

What happened to that kid's burst of power just now?

Why does this person's strength always feel up and down?

The corners of Ye Chen's lips overflowed with blood, but he smiled and flew fiercely in the distance.

In the fierce land, there are many strange fierce beasts, and even the peak-level fierce beasts of the Supreme Void Realm, some special caves, and there is a half-step slashing Evil Realm, a fierce beast king who slashes the Evil Realm one layer of the sky. Not necessarily surprising!

Trade injury for injury!

Go to Fierce Land again, and get rid of Qiu Xuehan for the time being!

Huhuhu! !

Huhu! !

With the squally wind howling again and again.

Gradually, there was a strong smell of blood in the strong wind, and a blood-colored forest appeared in front of Ye Chen's eyes!

Blood Fiend Forest!

This is what the Kuangwu Overlord said!

Ye Chen didn't even think about it, and went straight into the Blood Fiend Forest!

Qiu Xuehan chased here with a cold expression, his forehead was covered with big drops of sweat, and his eyes scanned everything around him quietly. The broken left arm was still not reborn.

Because the body still surpasses the Indestructible Bone, it is extremely powerful, and the ordinary ancient weapon cuts the body continuously, but if it is cut off, it is not that simple to restore it!

To his level.

Every part of the body is a source of strength.

As a result, any body damage, especially broken arms and legs, etc., are all serious injuries, the injuries are no less than the loss of the road, but their bodies of the same level cannot be shredded, but Ye Chen relied on Qinglian Tiantian Sword. Qiu Xuehan was hit hard by the power and the force left by the Kuangwu Overlord!

Ho Ho Ho Ho! !

Roar! !

Towering roars came out.

A giant golden beast came into view, with a body of several hundred feet tall, towering into the clouds, and the surrounding hundred-meter trees, etc., as small as grass and trees. This beast was covered with golden hair and had a big mouth of blood. It's not like any kind of fierce beasts in Lingwu Continent, but it's extremely ugly and weird!

"Evil Blood Beast!"

"Unexpectedly There is actually a blood beast that slashes the Evil Realm for the first time!"

Ye Chen was overjoyed. Seeing the golden beast in front of him walked into a huge hole in the ground, he turned to look at Qiu Xuehan behind him, gave a cold snort, and followed directly in!

"Damn it! Damn it!"

"Even the blood beasts were encountered here!"

"Asshole, the blood beasts in the Evil Realm are enough to kill me now, what should I do?"

Qiu Xuehan chased to the entrance of the cave, trembling with anger, and he watched Ye Chen enter the cave of the Hexue Heavenly Beast and did not dare to chase him in.

He looked down at himself, his chest was broken, spiritual power and blood were rushing out frantically, his left arm was broken, and his combat effectiveness was greatly affected!

"That's it!"

"The palace lord is right, this little beast is too cunning, I'm guarding the door, I don't think you can get out!"

Chapter 2500: Refining demon fire!

"And I will try to completely break through Zhan E today!"

"When you come out, it will be dead!"

"The cave of the Evil Blood Beast has always only one exit. You will either die in it or come out and die!"

Qiu Xuehan sat outside the cave, offering an ancient artifact to block his breath, so as not to attract the coveting of other fierce beasts!

...

The cave is so huge, it doesn't look like the cave of an ordinary beast.

This cave, no, should be called a cave palace. It extends in all directions. There are various relics everywhere. Some of them are like the gates of the martial arts. They are buried in the ground, but they were dug by this blood beast. When it was time to dig, each palace had a special huge pothole.

Just like a human collecting decorations, this blood beast is also collecting this type of palace!

Ye Chen walked in the passage, his eyes swept across the two giant potholes on the left and right. There were two magnificent palaces. The palaces were stained with a little dirt, but many of them were cleaned up. It should be a \*\*\*\* heaven. The strong wind blowing from the beast's mouth cleaned the gate.

He walked into a pit casually, after the blood beast came in, there was no trace, and he didn't care about so many.

Before he came to the mountain gate, he walked through the huge stairs, found a room to hide, and began to heal his wounds. The spirit body of the mad martial master also returned to the reincarnation cemetery!

Obviously there was a brief silence.

At this moment, Cangu Medical God appeared in the reincarnation cemetery with a sad expression on his face.

"Boy, I don't have any problem with whom you call!"

"Why do you summon this guy with a bad brain!"

"They are all people with such a cultivation base, and they still remember the hatred ten thousand years ago!"

"Isn't it just a needle at the point? As for?"

Having said this, Cangu Medical God raised his eyebrows, and he even showed a smile: "Boy, how about discussing something with you?"

"I can teach you all the medical skills and accept you as a disciple, but how about you use the Berserker Overlord?"

"Let this guy dissipate quickly..."

"Don't keep talking, I will add another ten pills of personally refined pills!"

Ye Chen was startled. He never expected that there would be an existence to contain the old man in the reincarnation cemetery, and there would be such a benefit!

All medical skills, plus ten pills of the ancient \*\*\*\* of medicine!

This is too expensive!

Ye Chen just wanted to agree, and the reincarnation cemetery was shaking again!

"Cangu Medical God!"

A shocking roar!

Obviously the overlord of Kuangwu!

Ye Chen quickly withdrew from the reincarnation cemetery.

He began to examine the current situation!

The Devil Emperor is good, calling himself over, but he still hasn't appeared yet!

Did something accident happen?

"Huhuhu!"

"There is a blood beast in front and Qiu Xuehan in the back!"

"Today's luck is really bad!"

Ye Chen sat in the room, watching the cave through the window to prevent Qiu Xuehan or the Evil Blood Beast from coming, while healing his wounds, he couldn't help but mutter to himself: "Two guys, one is comparable to the Evil Realm. A level comparable to the Evil Realm!"

"Even if Qiu Xuehan burned his essence and blood, I was severely injured by my injury."

"It should also be able to guarantee the combat power of the eight or nine layers of Taixu!"

"Such a gap, how difficult it is to cross, it is much stronger than those guys of the Divine Extreme Sect!"

Ye Chen could not help but sighed, leaning on the wall, looking at the exit of the cave, and saying: "If you want to go out, it is not enough to recover from the injury. You need to strengthen your combat power. Otherwise, you will not be able to get out. go with!"

"I can't be passive, I must be active!"

exit!

Qiu Xuehan was injured by him, and he would definitely guard at the exit!

These Heavenly Dao Palace guys will never leave if the mission is not completed, or if he is not found at all.

If he wants to leave, he must defeat or kill Qiu Xuehan, which means that he has at least a short period of time to possess the power of the eight or nine layers of the Taixu Heaven, so that Qiu Xuehan can be stabilized and stabilized. Kill it to eliminate future troubles!

And what he can do is to increase his strength!

The only way to increase strength is to refine Qinglian Demon Fire or Primordial Fiend Flame!

Although Qinglian Demon Fire surrendered to the Qinglian Heaven Slayer Sword, he had not yet refined it.

Can't really control it!

Only by refining the Qinglian Demon Fire and increasing the combat power several times can it be possible to escape from the crisis. Otherwise, even if the Evil Blood Beast has not found itself, once the time has passed, he will find himself and be killed by the Evil Blood Beast and Qiu. If the blood and cold are blocked together, that is the trouble!

Taigu Shayan, Ye Chen dare not think about it now!

Then try Qinglian Demon Fire!

Use your own profound flame to swallow and refine the Qinglian demon fire!

This is the only way!

Ye Chen did as soon as he thought of it, and meditated cross-legged, with the Qinglian Detian Sword inserted in front of him!

Xuan Yan came out, and the Qinglian Demon Fire above the sword also sensed something, and poured out into the room.

Huhuhu! !

Huhuhu~~~

Phoo~~

In an instant.

When the Qinglian demon fire came out, the dark flames undulated layer by layer, directly burning everything in the room.

I am afraid that Ye Chen himself was burned by the flames and his cheeks were flushed, which was extremely uncomfortable!

He gritted his teeth and separated a drop of essence and blood to arrange the formation, so as to prevent the power of the Qinglian Demon Fire from spilling out, leading to the discovery of the Hexue Tian Beast.

He stared at the Qinglian Demon Fire, which gradually shrank into a spark, took a deep breath, his hands were sealed, and his palms overflowed with a blue flame. It was his own profound flame, which was once extremely fierce.

Zi Zi Zi~~

Zizi~~~

However, when Xuan Yan collided with the Demon Fire of Qinglian, it was quickly burned to ashes as if a white paper hit a fiery flame!

One blaze burns another blaze, and the situation today is really rare!

"carry on!"

"I don't believe that your Qinglian Demon Fire is so powerful!"

Ye Chen relented and released his own profound flame again. The azure blue flame filled every corner of the room, and then the profound flame turned into a huge palm, directly enveloping the Qinglian demon fire.

Zi Zi Zi~~

Zi~~

Xuan Yan continued to devour to refine the Qinglian demon fire.

But not long after, Qinglian Demon Fire counterattacked, and instantly defeated Xuan Yan, and even Ye Chen was knocked out and hit the cave, spurting blood, and the injury was not light!

Qinglian Demon Fire is clearly willing to enter the Qinglian Heaven Slayer Sword, why not surrender for himself!

"Don't I just be unable to refine the Primordial Fiend Flame, but also the Qinglian Demon Fire?"

at this time! The voice of Canggu Medical God sounded!

"Boy!"

"I'm afraid it won't work!"

"Qinglian Demon Fire is an ordinary Slashing Evil Realm, and it is almost impossible to subdue refining!"

"What's more, it's you!" The ancient medical \*\*\*\* Cang sighed and said, "Boy, if you are trapped, you will be trapped. After ten years of cultivation, you will become the Supreme Void Realm. Then you will kill Qiu Xuehan. It is also possible!"
