

## Urban 2531

Chapter 2531: Ji Siqing's evildoer

Yu Zhenzi smiled excitedly: "Even if it is a monster, it is also a monster of our Divine Extreme Sect. The potential... even I can't see his limit, but I can guarantee that if Ye Chen doesn't die, the future His achievements are by no means under the Patriarch!"

The elders looked at Ye Chen with their eyes straight, and they were about to fall out.

Even Tu Lanxin, who has always been glamorous, looked dazed.

She knew that Ye Chen had a good talent, she was very optimistic, and even secretly helped many times.

But never thought that there would be such an evil side.

How long has it been since then?

It was so high by Yu Mako.

Suddenly, the figure of a veiled girl appeared in her mind.

She later sent someone to investigate the girl, but she was the lowest status in a family in the Kingdom of God.

With this status, it is logical to say that the trials should have soared to the genius.

Why hide your talent?

She even wondered, how far is the potential of this young girl compared to Ye Chen?

Or stronger?

Soon, Yu Zhenzi calmed down and said to the other people: "Ye Chen is very good and worth training, but for the time being, let him be tempered in the clan."

"Let's go."

...

At the same time, Luoxiazong.

A temple in the depths.

No one.

Not even a bird.

Nothing wants to break the silence at this moment.

This period is definitely the most exciting moment of Luoxia Sect.

Just because a disciple who has just started to become a true disciple of the Luoxia Sect in just half a month!

At such a speed, it was terrifying to the blast!

Although Luoxia Sect can only be regarded as a second-class sect, it is not as good as Shenji Sect!

But becoming a true disciple for more than ten days, this is the ultimate enchantment in the kingdom of God!

The lord of the Luoxia Sect, the Supreme Elder, knew that the Luoxia Sect was about to rise this time!

Because of a girl named Ji Siqing!

And the temple in the depths can only be practiced by one person!

That is Ji Siqing!

This is the strongest treatment offered by the Luoxia Sect in thousands of years!

Ji Siqing's aura is provided to Ji Siqing alone!

And underneath the palace in the depths is the strongest spiritual vein of the Luoxia Sect!

Sect Master is not willing to cultivate spiritual veins!

In the depths of the palace, a beautiful girl suddenly opened her eyes.

Because someone interrupted her practice.

Ji Siqing knew that he must improve his strength as soon as possible.

Because, that man, that thing is about to happen.

With the fall of the Lord of Reincarnation in the previous life, the ancient chess game was completely defeated.

This time, the person who laid out such an overall situation, Ye Chen, as the Lord of Reincarnation, was the strongest hope of the Ye Family.

He cannot be defeated.

Only by raising to the extreme and restoring the peak power of the previous life can he shake everything.

At that time, what about Tiandao Palace!

What about Xuanyuan Moxie!

But for that man, she still has no right to shake.

It can only be seen how far Ye Chen can go in this life!

Ji Siqing looked at the person outside the door and said, "What's the matter?"

The disciple outside the door trembling, said: "Fairy Ji, outside the sect, someone is asking for a meeting."

"Who?"

"The Patriarch of the Kingdom of Gods."

When these words came out, Ji Siqing Gu Jingbubo's face was full of surprise.

"Did you find me so soon?"

"It's the Patriarch who came to the sect in person."

Ji Siqing murmured for a moment, then returned to the position again, his eyes closed tightly, and he began to practice.

"not see."

She refused!

...

At the same time, Ye Chen walked out of the Demon Pool, and as soon as he came out, he saw the crowds in front of him.

He couldn't help but wonder, why are so many people?

Are these people preparing to enter the God Demon Pool to practice? Didn't Zhou Yuanxin say that almost no one came to the Demon Pool?

At this time, a harsh sound came from the crowd.

"Our great genius finally came out of the gods and demon pools? It's really amazing. He stayed in the gods and devil pools for seven days? The eternal evildoer, really well-deserved?"

Ye Chen looked at that person. This person was Qiu Wen's dogleg, Zhao Shangzhi!

Everyone laughed when they heard the words, but some people soon found out strangely, why Ye Chen's cultivation base was too virtual? Didn't he say that he was a warrior who closed the door?

However, they didn't take it too seriously, too virtual? It was just the level of a general handyman disciple.

At this time, Zhou Yuanxin hurriedly ran to Ye Chen's side and whispered: "Big Brother Ye, Qiu Wen, the first one in the outer door, wants to challenge you! Even, he ran out of the Demon Pool to stop you!"

Upon hearing this, Ye Chen looked at the young man standing in the front of the crowd with a proud face, and his cultivation base was in the Evil Realm.

"You want to challenge me?"

Qiu Wen showed a seemingly gentle smile and said: "Hehe, I heard that Brother Ye has been very popular in the sect recently. There are even rumors that Qiu is not your opponent? In that case, I naturally want With Brother Ye, I asked for advice."

Ye Chen took a deep look at Qiu Wen, and was a little surprised at Qiu Wen, who turned out to be the number one outsider?

He could see that Qiu Wen possessed a high-level bloodline, and with his initial cultivation level, he could even burst out extremely terrifying strength!

Such strength, even if it is placed in the inner door, is an existence that cannot be ignored, right?

If Ye Chen used to be, he would be far from Qiu Wen's opponent. Even if he tried his best, he would not be able to take Qiu Wen's ten moves, right?

Of course, it was only once.

Today, he is not an exaggeration to say that he is already invincible at the first level of the Evil Realm, and even the warrior of the second level of Evil, Ye Chen has the confidence to fight.

However, the gap after Zhan E is probably getting bigger and bigger.

Although Qiu Wen was strong, he was just a stronger bug.

After all, it's still a bug.

You will feel annoyed by bugs coming to harass you, but if you have a duel with you, you will just ignore it, right?

Because it's too ridiculous and too funny.

Ye Chen thinks like this now.

He met Qiu Wen's gaze and said lightly: "Well, you won."

Ye Chen never paid much attention to fame, even if he stepped on Qiu Wen in public, what would he do?

It's a waste of time.

Qiu Wen smiled slightly This was exactly as he expected.

But outside the Gods and Demon Pool, it fell into silence for an instant...

The warriors who came to watch the battle, full of expectations, were sluggish for a moment, and soon they all looked at Ye Chen with extremely contempt...

They knew that surrendering might be Ye Chen's best choice, but Ye Chen's attitude of surrendering defeat was simply and indifferent, but it was completely indifferent to the arrogant genius in the rumor!

They cannot accept it!

"Too scary?"

"This is the legendary, proud Ye Chen?"

"Reincarnation of the demon god? The turtle \*\*\*\* is reincarnated?"

...

Wen Min'er shook her head, there was no need to look anymore, she said to Wang Wenjiu:

"Let's go, this man, it's not worth watching."

Chapter 2532: Refuse to challenge

She and Wen Jiu, in fact, can't understand Qiu Wen's personality, a person who relies on the resources of his master to improve his cultivation, but for his own safety and security, stays at the outer door and acts as a blessing, instead of rising into the inner door to meet the challenge. Guy, no matter how high the aptitude is, he is just a villain.

Originally, if Ye Chen was really as proud as the legend, he was an upright man, even if Ye Chen would be crushed by Qiu Wen, she and Wen Jiu would take action and save Ye Chen.

Although they are not Qiu Wen's opponents, Qiu Wen can't help but give face to their teacher. Together, they are enough to block Qiu Wen's moves.

But now, she found that she was wrong, Ye Chen, don't say anything indomitable, it is inferior to Qiu Wen!

The kind of person she looks down on most.

Ye Chen didn't care about everyone's gossip. He only relied on his own ideas, not the opinions of others.

He said to Zhou Yuan: "Let's go."

When he moves, he will pass through the crowd and leave.

But suddenly, the figure in front of Ye Chen flashed, and Zhao Shangzhi stood in front of Ye Chen with a sneer.

At the same time, Qiu Wen's faint voice came from behind Ye Chen.

"I want to ask, Brother Ye, why did you give up like this? I heard you are very proud, right?"

He was still smiling, but his eyes began to cool.

He always likes to give courtesy before pawn, if Ye Chen answers well, he can't let Ye Chen go.

But, if Ye Chen can't answer well...

Ha ha.

Ye Chen turned around, looked at Qiu and asked, "Are you sure you want to know?"

"of course."

Qiu Wen was ready for Ye Chen to belittle himself in front of him, and he was ready to use Ye Chen's frustration to lift himself up, and he was ready to enjoy everyone's awe of him.

"Because you are not interested in letting me shoot."

The disciples were shocked again. Wen Min'er, who was about to leave, also stopped abruptly, turned around and looked at Ye Chen in shock.

What's the matter with this guy?

Just now, he looked like a coward, now, why is he so arrogant?

Could it be that this is the legendary split personality?

But Qiu Wen's complexion was instantly cold and stiff, and his smile disappeared.

In his eyes, the murderous intent was revealed, and he said in a cold voice: "Not interested? You mean, you are better than me? The gap between you and me is so big that fighting me is just a waste of time for you?"

Qiu Wen is undoubtedly proud, and he values his pride and face more than anyone else!

Otherwise, he won't be so long, he has been staying outside!

He can't allow anyone to insult him!

"Ye Chen, I now give you a chance, a chance to survive, in front of me, kneel down, kowtow, and tell everyone that you are just a dog in front of me Qiu Wen, I can let you go, otherwise... .."

"You know, cross-college life and death battles are forbidden, but as long as no one is dead, it is not a life and death battle, right? For example, without hands or feet?"

At the moment when Qiu Wen's voice fell, the air around him suddenly fluctuated, and an inexplicable frightening aura rose from Qiu Wen's body, spreading towards all directions with boundless power!

In an instant, most of the disciples took a step backwards!

His eyes opened wide, and he looked at Qiu Wen in shock!

Is this, this is the power of the Heavenly Bloodline?

It was terrible. At the moment when Wen Wen's bloodline emerged that day, everyone felt that Qiu Wen in front of them suddenly became extremely tall, as if he had become the sage who used martial arts to ask the heavens!

Wen Jiu looked at Wen Min'er with an ugly expression: "It's too terrifying to ask for blood this day. Even if you and I join forces, you can't stop Qiu asking a trick, right?"

Min'er, do you know now? Proud, there is a price to pay, if this kid is subdued, now, he has left! Leave peacefully!

You say xinxing? Xinxing is indeed important, but that is on the premise of being alive! "

Wen Min'er also looked at Ye Chen with beautiful eyes, could it be that she was really wrong?

Ye Chen looked at Qiu Wen expressionlessly, flipped his wrists, and held the Qinglian Heaven Slaying Sword, facing the shocking coercion emanating from Tian Wen's blood, he didn't react at all.

He is troublesome, not afraid of things.

Someone wants to die, he will not stop.

Qiu Wen looked at Ye Chen actually planning to make a move, and couldn't help showing a grinning smile:

"Well, it seems that you have decided to accept this life and death battle?"

There is also a black and white long sword in his hand, which is an ancient weapon!

Just when everyone held their breath and the flames of war between Qiu Wen and Ye Chen were on the verge of breaking out, suddenly, a beautiful female voice sounded in front of the Demon Pool.

"Wait!"

"Min'er, what are you doing!?"

Wen Jiu's expression changed, and he wanted to stop it, but it was too late.

Wen Min'er appeared between Ye Chen and Qiu Wen for a moment.

Qiu Wen raised his eyebrows, looked at Wen Min'er with amusement and asked, "Wen Min'er, what do you want to do?"

Wen Min'er said: "Qiu asked, in your capacity, you shouldn't fight with a disciple in the handyman's house, right?"

Although Ye Chen's answer just now was arrogant, making people feel a little arrogant and arrogant, but at any rate Ye Chen has the courage to provoke Qiu Wen, and has the courage to accept the battle!

Now that Wen Min'er saw what she wanted to see, she would do what she thought she should do.

No matter how strong Qiu Wen is now!

After speaking, Wen Min'er turned her head slightly, looked at Ye Chen behind her, and whispered: "You, go now."

Ye Chen gave Wen Min'er a weird look, what's going on?

Shouldn't you know yourself and this woman?

Wen Min'er watched Ye Chen's motionlessness, and she couldn't help but frowned slightly: "When you and Qiu Wen start hands, with his current strength, I can't guarantee that I can save you. You know this..."

Before Wen Miner finished speaking, Ye Chen interrupted lightly: "I don't seem to say that you want to help me, right?"

"you!"

Wen Miner heard this for a moment...

With her appearance and status, no one has ever spoken to her like this in the Divine Extreme Sect...

Not to mention, this time she took the initiative to help!

Why is this person so ignorant of what is good or bad?

He actually rejected his kindness! ?

For a while, Wen Min'er couldn't help getting angry, snorted coldly, turned her head, and no longer cared about Ye Chen. He was going to die, so let him die!

But even if she didn't want to admit it, Ke Wen Min'er felt a trace of appreciation for Ye Chen from the bottom of her heart.

If Ye Chen really ran away as she said, although she saved Ye Chen's life, she might have lost interest in Ye Chen.

But Ye Chen's inner strength and undaunted attitude made her care more about Ye Chen.

Chapter 2533: Damn man

Ye Chen stepped forward, walked up to Wen Min'er, and faced Qiu Wen with a sneer on his face, and said, "You have a good talent. It's a pity that you are dead. I only have one move. Whether I can survive or not depends on you. Yourself."

To put it bluntly, Ye Chen looks at Qiu Wen now, just like the seniors watched the youngers, and he sucked up the gods and demon pools, but was not stopped, although he did not see the high level of Shenjizong, Ye Chen knew clearly in his heart. , Is their acquiescence.

It was Shenjizong who gave himself the Demon Pool!

At this time, Ye Chen had a sense of belonging to Shenjizong, and Qiu Wen was a disciple of Shenjizong, and his death was a loss for Shenjizong.

But Qiu Wen smiled grimly, "Pretend to be! Die to me!"

He completely misunderstood Ye Chen's meaning, thinking that Ye Chen was going to use his potential to suppress himself, so that he was worried about the dissatisfaction of the high level of Shenjizong, and did not dare to kill him!

Haha, Ye Chen, Ye Chen, you still underestimate the cruelty of the first-class forces!

The dead genius is the waste among the waste! Worthless!

After that, a black air and a white air floated behind Qiu Wen, and the two intertwined, gradually forming a shadow of Tai Chi Yin and Yang fish. The long sword in his hand echoed the shadow, bursting out black and white brilliance!

In an instant, everyone seemed to have fallen into a barren world, where there was fighting and death everywhere!

But in this wild, there is a person holding a long sword in his hand, confronting the heavens, making the wind and the cloud open, the thunder giving way, all the way forward, the countless fights, death in front of him, all turned into nothingness, this cruel The world fell prostrate at his feet!

This person is Qiu Wen!

This is the aura of the Tianwen Clan, vertical and horizontal in ancient times!

The sword light flashed, killing with one sword!

Qiu Wen's whole person was integrated into the black and white sword light, one sword per person turned into a black and white electric light, slashing towards Ye Chen!

The world trembles! It seems that this sword is the ultimate question to the heaven and the universe!

In the high altitude, the elder frowned and asked Yuzhenko: "Do you need to stop it?"

Qiu Wen's sword is amazing, and the martial art mood is comparable to true disciples!

Yu Zhenzi shook his head slightly and said, "With such a mind, death is not a pity."

"Oh, what a pity." Another elder sighed.

"Do you really think that you have a breakthrough, no one can beat it?"

"Old Li, he is going to be sad."

At this time, their eyes were all on Qiu Wen, with regrets, hatred for iron but not steel, anger...

What they said was Qiu Wen!

In the eyes of these high-level officials, this super enchanting evildoer of the awakened Tianwen bloodline could not stop Ye Chen's move at all! ?

If it were to be heard by others, I am afraid I would really be scared!

But at this moment, Ye Chen moved.

He danced the Qinglian Tiantian Suppressing Sword in his hand, and the power of breaking the sky surged in his body, and he cut it towards Qiu Wen with a single sword.

Even without using swordsmanship.

With a sword coming out, Ye Chen frowned slightly, seemingly hesitant and uncomfortable.

When everyone saw Ye Chen's expression, they couldn't help feeling nervous!

Ye Chen, are you finally afraid now?

The biggest taboo for the strong to fight against is stage fright!

Ye Chen's hesitation was already doomed to his defeat!

The sneer and ferocious sneer on Qiu Wen's face gradually enlarged, as if he had already seen victory!

In the next moment, the black and white sword light finally ran into Ye Chen's Qinglian Heaven Slaying Sword...

Click...

A faint sound spread to everyone's ears, but soon, it was overwhelmed by a loud noise that seemed to shake the entire world!

The incomparably surging power burst out, without the slightest sword energy, spiritual power, or light, but!

This sword cut out the billowing darkness!

That darkness is a broken void!

But originally, the black and white sword light that seemed boundless and mighty, together with Qiu Wen was swallowed by the long darkness...

Soon, the darkness dissipated, and the void closed, but Ye Chen still frowned slightly, staring at the Qinglian Destruction Sword in his hand.

Lighter...

Too light...

This arrogant Qinglian Heaven Slaying Sword was no longer suitable for Ye Chen to use.

Therefore, just now, when he took out the sword, he hesitated for a moment.

However, this did not affect Ye Chen's second killing Qiu Wen.

He glanced at Qiu Wen's original location, where only the top-quality ancient artifact that was cut by Ye Chen's sword and Qiu Wen's storage bag were left.

The Qinglian Heaven-extinguishing Sword under the blessing of tens of thousands of strengths can be said to be invincible, and the ancient artifacts can't resist it.

Not to mention, Qiu Wen's body was gone, and even without screaming, it completely turned into nothingness.

Ye Chen said lightly: "It seems that you can't even survive a single move."

After that, with a wave of his hand, Qiu Wen's storage bag was put away, and he turned and left.

He hoped that in Qiu Wen's storage bag, there would be more top-quality materials so that he could use it to re-forged the Qinglian Heaven-extinguishing Sword.

This time, he will use all the remaining Skystone!

Just thinking about it, the terrifying power of the new Qinglian Heaven-extinguishing Sword made Ye Chen's face a smile.

But in front of the Demon Pool, a group of disciples of the Divine Supreme Sect were completely sluggish, as if they had lost their souls!

Outer door first, Qiu Wen, who has awakened the blood of Tianwen, is that way, dead?

Like ants, crushed?

Many people shuddered at the thought of the legend that Ye Chen had spread more and more mysterious.

Those who had just ridiculed and insulted Ye Chen were directly frightened and slumped to the ground. Some people even collapsed and were almost frightened!

Wen Min'er also stood on the spot like a piece of wood. Suddenly, a crimson flew over her pretty face, as if it was burning, hot.

She asked Ye Chen to leave just now, and she still had to worry about Ye Chen's business? I still feel that Ye Chen has no idea...

Isn't this embarrassing!

Wen Min'er, she has never made a fool of herself like this!

"Huh! Damn man!"

Wen Min'er scolded in annoyance. Regardless of Wen Jiu's cry, she left on her own.

At this time, Ye Chen had already arrived at the refining pavilion in the Shenji Sect. After paying some contribution points, he could use the top refining tools in the sect.

Although the Qinglian Heaven Slayer Sword is based on the Sky Stone, it mainly relies on strength to polish it, and does not require high-level refining equipment, but it is, of course, better than nothing.

Immediately, Ye Chen moved his hand to take out the entire Sky Rock, and put it into the high-temperature magma along with many top-quality materials obtained from Qiu Wen and others...

Three days later, Ye Chen picked up a cyan long sword with great effort, put it beside him, let out a sigh of relief, looked at the emerald green lotus sword, the corner of Ye Chen's mouth. , Raised a slight smile.

The current Qinglian Heaven Slaying Sword has a more terrifying weight!

If he doesn't use the power of breaking the sky, he can barely hold it.

This weight is suitable for him to use now!

Chapter 2534: Han Ke!

However, what made him a little bit dumbfounded was that he didn't know if it was because of the nature of the Sky Stone. Even if he added a large amount of high-grade materials enough to forge a top-quality ancient artifact, this Qinglian Tiantian Sword was distributed. 'S aura is still extremely weak...

After shook his head and put away the Qinglian Heaven Slayer Sword, Ye Chen returned to his dormitory.

First of all, I fell asleep recklessly!

In the past few days, although he has gained a lot, it is never easy!

Several times near death, tormented by severe pain all the time!

Even if his body can bear it, his spirit is about to reach its limit.

Need to relax and recover.

This sleep, slept for three days and three nights!

In the morning three days later, a ray of sunlight shot into the window sill and sprinkled on Ye Chen's face. Ye Chen slowly opened his eyes and stretched out, full of energy!

He got out of bed, moved his body, and walked outside the house.

Isn't he going to do it, just casually strolling in the sect, cultivation emphasizes the long flow of water, relaxation and relaxation, rather than facilitating the growth of his strength this time, he will slow down and slow down.

As he walked, Ye Chen came to the Xianxin Forest in the outer courtyard. This Xianxin Forest was open to all the disciples of the sect, and even the handyman disciples could enter.

However, when Qiu Wen was still alive, basically, few people entered it except himself.

The inner disciples and the true disciples naturally have a higher rest place, while the general handyman and outer disciples, worried about angering Qiu Wen, dare not come.

But after Qiu Wen died, Xianxinlin gradually became lively.

Ye Chen walked into the fairy heart forest and saw a scene like a fairyland on earth. Many disciples walked, meditated, talked, and drank freely, showing harmony and auspiciousness.

Ye Chen walked into the forest, and the whole person relaxed, as if temporarily leaving the cruel and \*\*\*\* world of martial arts, enjoying the uncontested atmosphere, and getting a short rest.

But before Ye Chen's smile appeared, a quarrel came into Ye Chen's ears.

Ye Chen was taken aback for a moment, shook his head, with a wry smile, returning to reality from fantasy.

Sure enough, in a world where strength is respected, where is there really no competition in the world?

He looked in the direction where the quarrel came, but his pupils shrank!

I saw a few women, surrounded by another woman, and the woman who was surrounded was Chu Ying!

At this time, Chu Ying stood blankly on the spot. Although she entered the Divine Extreme Sect for a short time, she relied on the resources provided by her extremely defying martial arts talent and the care of Tu Lanxin after she awakened. The strength can also be called a leaps and bounds!

His martial arts cultivation has broken through many small realms! With the unexpectedly awakened life and death body, the true strength is comparable to the evildoers of the mid-Taixu period.

There are a total of three women surrounding Chuying, two of them are outer disciples of the late Taixu period. The headed one is a middle-upper, but enchanting woman. She tailors the outer disciple's clothes and trims the bottom. Short to the base of the thigh, almost a pair of white long legs, completely exposed to the air.

The neckline is also greatly opened, revealing a large amount of plump and tender white.

This woman, named Han Jiaojiao, has a cultivation base of the Seventh Heaven!

The strength of these women is normal at the outer door, but now Chu Ying is quite reluctant to deal with them.

Ye Chen's eyes flickered, he didn't take action immediately, but first observed.

With his current strength, although these women can be dismissed at will, since Chu Ying is cultivating in the Divine Extreme Sect and encounters some contradictions, the dispute is certain, Ye Chen can't be by her side every time. It's not bad to give her some experience in confronting conflicts.

Just show up when necessary.

Han Jiaojiao looked at Chu Ying up and down, and sneered: "Look at the way you look like you scratching your head, Taixu Realm? Are you a handyman disciple? What about your handyman disciple costumes? Do you understand the rules of the sect? Who are you trying to seduce?"

First of all, this fairy forest, isn't it the place for a \*\*\*\* like you? Think you have a bit of beauty, so coquettish everywhere? Ha ha. "

Ye Chen's eyes were cold, Chu Ying, under Tu Lanxin's care, naturally didn't have to start as a handyman and didn't receive clothes. This enchanting woman, dressed like this, still has the face to talk about others?

A coldness flashed in Chu Ying's beautiful eyes, and she said blankly: "Get away."

A vicious expression flashed across Han Jiaojiao's face: "Oh, are you angry yet? I can't see it. If you say a few words, you still have a temper? Think you're cold and clean?"

As she said, she had an extra long sword in her hand, and she put the sword body on Chu Ying's pretty face and said: "If you are angry, can you learn from me?"

The battle of life and death, I will continue, I really want to see, after scratching your face, is it still beautiful? "

At this time, a man's voice came from not far away.

"Han Jiaojiao, what are you doing? It's impolite to point your sword at others casually, right?"

It was a young man with a handsome face, good temperament, and a neat dress. He was also wearing the clothes of an outer disciple, but his strength was a bit stronger than Han Jiaojiao!

He walked in front of Han Jiaojiao and separated her from Chu Ying, "Can you give me Luyuan a face? Everyone is here to play, don't disturb others' interest."

Although Lu Yuan had just advanced his strength, he might be a little worse than Yuan Dao, but it was enough to rank one hundred in front of the outer door, and the existence of Han Jiaojiao could be described as one place each day.

Facing Han Jiaojiao, Lu Yuan was naturally full of confidence, saying and showing a hearty smile at Chu Ying: "Sister, don't worry."

But at this time, when Han Jiaojiao saw Lu Yuan, she showed a playful look. She didn't care about it at all, and asked frivolously: "Hehe, this deer, it seems that you are in love with you? Good luck. Ah, so soon, a fish is hooked?"

At this time, more and more people around were looking towards this side.

Hearing this, Lu Yuan said with a slight expression: "Han Jiaojiao, you should respect your words, and be polite."

However, he did not refute. Chu Ying is very beautiful. Even in a sect like Shenjizong, it is a first-class existence. Even Wen Min'er, the number one beauty in the outer sect, is worse than Chu Ying in terms of appearance alone. one cent.

Han Jiaojiao slapped her hands with her long sword and said, "Listening to your tone, are you trying to stand up for her?"

Lu Yuan brushed his sleeves and said, "I'm in the early? I just can't bear to see someone bully others!"

"What a righteous Young Master Lu!" Han Jiaojiao suddenly said with a cold voice: "But, don't you know if you know Han Ke?"

Chapter 2535: The power of life and death

After Lu Yuan frowned and pondered for a while, his expression was a little strange and said: "Han Ke, the top powerhouse in the inner sect, who is famous for his strength?"

Han Jiaojiao smiled brilliantly: "Have you noticed that I look a bit like him?"

For a while, Xianxinlin fell silent, and the noisy disciples who heard the name Han Ke stopped talking.

Shenxiangquan Han Ke, ranked 33rd in the inner door!

This person is extremely warlike, brave, and often disagrees with each other, so he fights out. Therefore, many people in the clan know it whether it is the inner court, the outer court, or the handyman's house!

Hearing Han Jiaojiao's words, Lu Yuan's expression suddenly changed!

The original self-confidence, righteousness and righteousness disappeared instantly. The clothes behind his back were soaked with cold sweat. Now he suddenly remembered. It is said that Han Ke has a cousin who joined the outer door of Shenjizong...

There used to be a small-eyed outsider boy who was good at strength. He was a dozen or so taller than himself. He accidentally provoked this cousin, was directly marked as disabled and dropped out of school...

Han Jiaojiao took out a transmission jade talisman, threw it in her hand, and said with a smile: "Continue to be fair, Lord Lu?"

"That...that..." Lu Yuan's lips trembled and said, "Xianzi Han misunderstood, I didn't mean that, I was...I was..."

As he said, he lowered his head and dared not look at Chu Ying: "I'm here to support you. You are doing the right thing. As disciples of the Shenji Sect, the Sect is our pride. How can we not wear Zongmen costumes? What..."

He admits it, anyone can hear it, he is subdued, picking up what he has said, and eating it. It can be said that it is a shame, and it is still in front of many people.

Lu Yuan felt extremely humiliated!

However, he had to do this and didn't dare to complain. If Han Ke really came, he would not even have a chance to be soft!

"Haha." Han Jiaojiao pointed at Chu Ying and smiled: "You said, she is dressed in a showy dress?"

Lu Yuan's head lowered lower: "Sao."

"Have you heard?" Han Jiaojiao looked at Chu Ying disdainfully, "I didn't aim at you, others said the same."

Chu Ying glanced at Lu Yuan coldly and felt sick.

If it was Ye Chen, even if Han Jiaojiao had a strong background, she would never be as cowardly and disgusting as Lu Yuan.

"Fairy Han, if there is nothing wrong, I will leave first..."

"Get off." Han Jiaojiao waved her hand.

When Lu Yuan was about to leave, Han Jiaojiao said coldly, "I told you to go, not to go."

Lu Yuan trembled, Han Jiaojiao, too much, too unsparing! In this case, he would not be able to lift his head in the clan for the rest of his life!

He is subdued, is this still the case?

"Why? Don't want to leave? Then stay?"

"I'm going..." Lu Yuan gritted his teeth and said: "I'm going!" After saying that, he really bent down, like a ball, and rolled toward the fairy heart forest. His white robes were covered with mud.

Again! Han Ke, can't afford it! Humiliated or alive? Luyuan, choose to be humiliated!

"Now..." Han Jiaojiao stretched out her long sword and patted Chu Ying's pretty face, "No one can help you?"

With this sword going down, although Chu Ying wouldn't be hurt, her cheeks were flushed and swollen, but she couldn't escape.

However, with a clear cry, the sword was blocked.

There was an extra ancient sword in Chu Ying's hand, which was given to her by Tu Lanxin.

She blocked Han Jiaojiao's sword, and faint anger flashed through her beautiful eyes, and she said coldly: "If you want to fight, then fight, don't disgust me."

"Haha!" Han Jiaojiao's smile suddenly became savage: "Fight? What to fight? I teach you how to be a man!"

As soon as the voice fell, the long sword in Han Jiaojiao's hand suddenly exploded with a hot red sword glow, and the condensed spiritual power of the Taixu realm continued to surge, facing Chu Ying, cutting out a sword!

The sword light is bitter, and all the fields are cold!

The entire fairy heart forest is turbulent in the sword light! The high temperature distorted the air and swept the heat, everyone just felt like they were in a sea of fire!

The coldness of the sword, and the fieryness of the sword light, merge into one!

Although this sword is not too bad, it is definitely not so easy to take. This sword shows the tyrannical strength of the warriors in the late Taixu period!

And this sword still swept away at Chu Ying's face!

However, let alone being hit by this sword, Chu Ying would be completely disfigured if it was wiped slightly!

As soon as he shot it, it was extremely vicious, I didn't know, I thought Han Jiaojiao and Chu Ying had any feud between life and death!

But in fact, they met today for the first time! I haven't even said anything!

Han Jiaojiao saw Chu Ying and hated her allure! I want to kill this!

Facing the sweeping red light, Chu Ying's eyes suddenly flashed with dazzling seven-color light. The world in her eyes suddenly turned into a gray color. The outline of everything is clearly visible, even if it is the cause. The same is true for the red light transformed into spiritual power.

Everything between heaven and earth has become a collection of countless complex lines, and in this line, Chu Ying saw a dark black dot.

She knew that it was a point that symbolized death!

The so-called life and death body is the ability of people who have been wandering between life and death for a long time to see the essence of the creation and destruction of things!

As soon as Chu Ying's figure moved, she retreated backwards quickly, while piercing the red light that swept towards him with a sword!

Above this sword, waves of gray and white evil spirits rolled and hit the red sword light!

This sword fell on the black spot!

next moment!

The crimson sword light, which seemed to be far stronger than Chu Ying's sword, collapsed instantly!

Transformed into spiritual power, dissipated in the air!

Everyone was shocked, so strong!

Such a powerful existence can actually block this powerful sword? Unbelievable...

Han Jiaojiao's face also became gloomy, her figure flashed, she flicked his sword frantically, and the scarlet sword light leaned toward Chu Ying like rain!

Chu Ying took a deep breath, condensed her mind. In her beautiful eyes, the gorgeous seven-color light became more intense. She controlled the spiritual power in the body with great precision, and manipulated the life and death body that can hit the essence of all things. The spirit of death, the unarmed hand moves, every sword strikes, never waste a trace of spiritual power!

And every time she moves, there will be a crimson sword glow, which will disappear!

Chu Ying was evenly matched with Han Jiaojiao for a while, not letting the wind fall!

Ye Chen raised his eyebrows and showed an appreciative smile. Ying'er's martial arts talent and combat talent were still above his expectations. Only at this level, he could leapfrog!

It seems that Chu Ying died for herself before, really a blessing in disguise!

If you continue to practice in this way, Ying'er's future achievements are bound to be no worse than Tu Lan's heart.

Chapter 2536: I want to discipline you too

Gradually, half an hour passed, and Han Jiaojiao's original cruel face was already full of anxiety, dripping with sweat, Chu Ying, who was originally cultivated at this level, could just be pinched to death in her eyes. Nothing annoying bugs, but who knows, this woman is so difficult to deal with!

She is even more jealous, resentful, jealous that Chu Ying's appearance is so outstanding, and her talent for martial arts is so defying!

But her heart was messed up, and the sword in her hand was messed up!

Her Huoyun Liantian Sword is a powerful sword technique, but she has only cultivated to the beginning.

Her swordsmanship is almost exhausted!

Originally, Chu Ying, who had been retreating, defending, and dodging, at this time, faced the sword light rain and stepped forward!

WINK to \$1: Secure Your Spot Now!

The long sword in his hand danced, and the suffocation was tumbling, and the red glow was wiped out!

Han Jiaojiao was taken aback, Chu Ying actually figured out her sword way through this short half-hour fight?

Chu Ying, began to fight back!

Suddenly, the situation turned upside down, and Han Jiaojiao fell into a defensive situation instead!

The anxious color on her face is thicker, and the swordsmanship is more messy, she knows that if she continues like this, she will lose!

The two women who stopped Chu Ying with Han Jiaojiao, glanced at each other, and walked quietly to the outside of Xianxin Lin, while taking out the jade talisman for transmission.

They can also see that Han Jiaojiao's situation is very bad, and now they can only find Han Ke to solve everything!

As long as Han Ke is here, Chu Ying will go against the sky and be dead!

One minute, two minutes, three minutes...

In just five minutes, Chu Ying had already bullied Han Jiaojiao!

"No!"

Han Jiaojiao screamed and retreated desperately. Regardless of the consumption of spiritual power, she sprinkled sword light on Chu Ying indiscriminately. The strong sword light formed a sea of flames, only to force Chu Ying back!

However, Chu Ying smiled coldly. She had completely penetrated Han Jiaojiao's sword path, her figure flashed, seized the momentary opportunity, and escaped the sharpest sword light.

With a single move of her hand, the sword appeared like a dragon, and the sword turned the seemingly surging sea of fire into nothingness. Even if Han Jiaojiao desperately tried to dodge, the sword fell on her white thighs!

Wow, a flash of blood!

"It hurts!!!" Han Jiaojiao screamed, looking at Chu Ying, there was already a look of horror in her eyes.

Chu Ying's face was cold, and her beautiful eyes gleaming with seven colors revealed a terrifying anger.

She suddenly spoke and said with a smile: "Do you know? My physique is a life and death body, which can see through the destruction of everything. If I hit the vanishing point, it will be difficult to recover even with ancient medicine. "

With that said, she pierced Han Jiaojiao's face with a sword!

Appearance is very important to every woman. Sometimes it is more precious than life. Although Chu Ying will not show off her beauty, she will never allow anyone to damage her appearance!

Han Jiaojiao, want to disfigure her.

Then why can't she treat Han Jiaojiao like this?

The next moment, blood flashed, and the skin on Han Jiaojiao's face burst instantly. She was originally a pretty face, but at this time, it was bloody!

"You bitch!"

Han Jiaojiao stepped back one after another, the long sword in her hand fell to the ground, and she touched her face with her fingers like a nervous breakdown. The pain on her face told her that she was really disfigured by Chu Ying!

Two tears of blood slid down Han Jiaojiao's face. She disheveled her head and snarled at Chu Ying in a terrible way: "I swear! My brother will use the most cruel means to torture you to death and avenge me! "

Chu Ying glanced at Han Jiaojiao coldly, and left Xianxin Forest ignoring her.

But at this moment, there was a loud bang, and a ray of light came from the main entrance of the Xianxin Forest, and it fell directly outside the Xianxin Forest.

In the next moment, everyone just felt that a flower was in front of them. A tall man dressed as an inner disciple serving with a height of nearly two meters appeared in front of Han Jiaojiao.

A man with a fierce breath, just like an ancient demon!

This person is exactly the idol boxing Han Ke! Cultivate the second layer of heaven! It seems that the distance breakthrough is only a trace!

"Cousin!" Han Ke glanced at Han Jiaojiao, her pupils contracted!

Since he was a child, his parents have disappeared. He was raised by his uncle's parents. He had a deep relationship with Han Jiaojiao. After he became strong, he also loved Han Jiaojiao very much.

But now, my cousin is disfigured!

Han Jiaojiao shed blood and tears, and threw herself into Han Ke's arms and said, "Cousin! Take revenge for me. I want her to be uglier and ten thousand times uglier than me! Smash her face!"

"Okay! Cousin will avenge you!"

Han Ke stared at Chu Ying fiercely with a pair of giant eyes, Zhan'er's breath exploded frantically, crushing towards Chu Ying!

Chu Ying's face turned pale, sword light danced wildly, and Han Ke's breath made her try her best to resist!

This is still the case where she has a life and death body, can extinguish her breath, otherwise, she can't stop it!

But, even so, she was forced to retreat frantically, a trace of blood spilled from the corner of her mouth, and she suffered internal injuries!

Chu Ying panted, the evil spirit surging from the long sword, and the seven-color light shining in her beautiful eyes, she knew that the gap between herself and Han Ke was too big, and there were limits to life and death. Han Ke's casual blow, even if she could hit The vanishing point, there is no ability to destroy it.

She even felt that if Han Ke didn't want to kill her directly, and didn't release her breath with all her strength, now she was seriously injured!

But, even so, she would never bow her head!

She is proud, and she is Ye Chen's woman, she will never do anything to shame Ye Chen!

"Haha, hurt my cousin like this? It seems that your tutor is really bad!" Han Ke roared at Chu Ying: "No one cares about you, then I can only take care of you and do wrong things. , Is to be punished!"

As he said, he made a big hand and slapped Chu Ying's pretty face directly!

Chu Ying took a sigh of relief, and Han Ke slapped it, as if the sky was falling, making her unavoidable! Even, immobile!

And With her current cultivation base, she can't even see the vanishing point...

And when this palm fell, her face would really be broken, right?

Tears flashed in Chu Ying's beautiful eyes. She would rather die directly than let Ye Chen see her ugly.

But now she can't even commit suicide!

It's over...

Chu Ying closed her eyes, desperate...

But the next moment, the expected pain did not come...

Han Ke's hand stopped abruptly.

To be precise, it was caught.

Ye Chen stood in front of Chu Ying, he looked at Han Ke coldly, and said: "Has anyone told you that hitting a woman is not a good habit, especially, the woman who hits me? Do you have a tutor? , I also want to discipline you."

Chapter 2537: Devil Ye Chen

All the disciples in Xianxinlin looked at Ye Chen with shock to the limit, as if they saw the sun exploding in front of them...

Looking at Ye Chen's appearance, he is just a handyman disciple, right?

Now the handyman disciples like to commit suicide so much?

That's Han Ke, the idol fist of Inner Sect 33!

What kind of thing are you in charge of teaching others? Dare to say such big words? Could it be that I heard that there was an invincible evildoer out of the Handyman Yard, and all the handyman disciples thought that they could sweep everything, ignoring the gap between the outer door and the inner door? Extremely ridiculous!

But suddenly, the eyes of everyone looking at Ye Chen changed...

Originally, everyone swallowed back when they met the ridicule, insult, and birth of their mouths...

Why does this handyman who grabbed Han Ke's hand look familiar?

In the battle between Ye Chen and Qiu Wen, many people recorded them with photo crystals and sold them within the sect.

Now, it can be said that there are not many people in the whole family, and they don't know Ye Chen.

Those disdainful, contemptuous sights, instantly turned into excitement!

Could it be that he is the legendary handyman evildoer, the devil-Ye Chen! ?

That's right, generally in the Shenji sect, as long as the genius who is famous and ranked at the top will get a title, but there is never a disciple of the handyman courtyard.

Ye Chen is the first handyman disciple to win the title!

Moreover, once obtained, it is the title of "Devil God", extremely domineering!

Generally, only true disciples can have such a title!

It can be seen that Ye Chen is against the sky in the hearts of many disciples!

Think about it, it's really possible!

Ordinary handyman disciple, can hold Han Ke's hand? Haha, it's not bad if it didn't burst directly.

Han Ke looked at Ye Chen's hand, a dignified flash of eyes flashed in his eyes.

"Let go." Han Ke said grimly: "I don't care who you are, get out now, I will spare you not to die!"

Ye Chen smiled slightly and let go of Han Ke's hand.

Everyone frowned, but actually let go?

Shouldn't it? Demon God Ye Chen, shouldn't he be extremely domineering?

Could it be that they read it wrong? Isn't this person Ye Chen?

Seeing Ye Chen let go, Han Ke smiled, and a trace of contempt flashed across his rough face: "Get out, kid, it's not worth dying for a woman."

Ye Chen didn't mean to move at all, but stared at Han Ke's eyes and said: "Ye Chen, the handyman's house, fight you for life and death, do you dare to take it?"

Quiet!

At this moment, in the fairy heart forest, everything is still, silent!

They heard that right?

Propose a life and death battle to Han Ke directly! ?

Even the legendary Ye Chen is too crazy!

Han Ke, in Zhan E, I don't know how many years, and, among his powerful martial arts, his extremely fierce Idol Fist has already been completed to perfection! Its strength and Qiu Wen are not at the same level at all!

Some people even say that Han Ke's strength is enough to kill many inner sect people!

Ye Chen's eyes locked on Han Ke, indeed, Han Ke's strength is still higher than Qiu Wen, but what about that?

He hurt his own woman, it is a capital crime!

There is no forgiveness!

Han Ke smiled, with a surging killing intent in his smile!

"It turns out that you are the Demon God Ye Chen? Hahaha, the Demon God? It's so funny, I heard that you are invincible? Are you going to step on the geniuses and evildoers of the entire sect?"

The waste of the handyman's house, maggots, seem to be holding you to the sky? Isn't it? In a few days, our inner courtyard disciples will bring tea and water to the maggots in your handyman courtyard? "

Han Ke's muscles swelled up suddenly, and an unspeakable power instantly enveloped the entire fairy heart forest!

"Lao Tzu, I wanted to beat you with a punch! Unexpectedly, you hit Lao Tzu's hand! Life and death? Only you die and I live!"

"Idol Fist!"

"expensive!!!"

An elephant rang, resounding through the sky!

A white light appeared behind Han Ke! A white elephant phantom full of divinity and true spiritual aura descended in the fairy heart forest!

In an instant, except for Chu Ying, everyone in Xianxin Forest was crushed to the ground by the breath of this white elephant, unable to move!

Chu Yingneng stood because Ye Chen resisted this breath for her!

Ye Chen raised his eyebrows, and a faint surprise flashed in his eyes.

This Han Ke, like him, can also refine the power of divine power and true spirit?

However, in terms of purity and the extent of exerting power, Han Ke's Ye Chen is like an earthworm and a giant dragon.

However, the power of Han Ke's fist is quite good. Counting the bonuses of spiritual power, divine nature, true spirit, martial skills, etc., it is already capable of breaking through an extremely powerful existence!

This punch was enough to kill Qiu Wen, who had the blood of Tianwen!

However, Ye Chen's expression restored calmness.

That's it.

He is not Qiu asked.

The power of breaking the sky screamed violently in Ye Chen's body, Ye Chen was the same, punching Han Ke's huge white light-shrouded fist!

Just physically touch it!

and! Ye Chen didn't use any martial arts! It's just an ordinary punch!

Fists collided! Like two planets, colliding with each other in the universe!

With a bang, an invisible shock wave swept away in all directions, and the ground under the feet of the two of them was instantly shattered. Originally, the fairy forest resembling a fairyland on earth, under the impact of the shock wave, the trees shattered, the flowers and grass dissipated, and the situation changed. , In an instant, it became a barren scene like apocalypse!

Then, under the incredible gaze of everyone, Han Kona seemed to be able to punch through the kingdom of God, and numerous cracks appeared on the extremely hard iron fist!

The crack spread quickly, spreading over Han Ke's whole body in an instant!

Then, with a click, a little powder was scattered on the fist, it was a broken body!

On Han Ke's face, a look of horror appeared. He opened his mouth as if he wanted to talk...

But before his voice came out, the whole person turned into a little powder and dissipated in the air!

Silent...

Even if everyone is still lying on the ground, they even forgot to stand up!

At this time, they don't have any thoughts, their brains are completely blank!

There are only two words in their minds, crazy jumping!

Devil!

It's the devil!

The real demon!

Ye Chen's expression faintly withdrew his hand, power is not mathematics.

Han Ke's punch reached one-half of Ye Chen's, but the difference between the two was not as simple as one plus one, equal to two.

At the level of Ye Chen's power, a gap of one time can cause a thousand times the destructive power!!!

Han Ke's strength is very strong, it can be regarded as against the sky, but unfortunately, he met Ye Chen, but unfortunately, he chose to use his strength to crush Ye Chen!

Chapter 2538: Threat in the dark

Ye Chen absorbed the power of the Demon Pool and only broke through to the top of the sky.

This is actually an illusion.

The cultivation base is nothing to Ye Chen.

His cultivation was suppressed by the blood of reincarnation!

The blood of reincarnation allows Ye Chen to break through every realm is a \*\*\*\* mode!

Breaking through is far more difficult than ordinary people!

Moreover, the thunder and tribulation has not come yet! Ye Chen didn't know why!

He knew that Thunder Tribulation was brewing!

And at the moment!

Inner door thirty-three, idol fist Han Ke, die!

Han Jiaojiao lay on the ground, watching Han Ke turn into powder, stretched out her hand and held it in the air in vain. In her eyes, her sanity had completely disappeared, she was defeated by Chu Ying, disfigured, she was the only cousin she could rely on. Was beaten into powder again?

Han Jiaojiao's Taoism completely collapsed.

Ye Chen's gaze swept over the people present. On the way, a few gazes collided with him, a few gazes from the inner courtyard far away!

He knew that there were disciples in the inner courtyard who had witnessed his battle with Han Ke.

Ye Chen took a deep breath and suddenly said, "Chu Ying, it's my Ye Chen's woman. Don't take any thoughts on her, let alone hurt her hair. Otherwise, I promise Han Ke will end up with Your fate!"

The sound waves rolled, rushing in all directions, and in an instant, it was conveyed to every corner of Shenjizong!

The people in Xianxinlin lowered their heads in panic, did not dare to lift up, did not dare to show any disrespect, did not dare to make any actions, making Ye Chen think that he was defying his orders.

That's right, it's the order!

Ye Chen now, in the eyes of these disciples, is the supreme existence!

Devil, worthy of the name!

But Chu Ying, standing behind Ye Chen, smiled with a blushing face.

Laugh happily.

The feeling of being maintained by such a strong man is really good.

She believes that as long as Ye Chen is there, no one in this world can really hurt herself!

Ye Chen turned around, looked at Chu Ying, saw the blood on the corner of her mouth, a trace of distress flashed in his eyes.

He originally wanted to let Chu Ying face the conflict and grow up in the conflict, but at the moment Chu Ying was shocked by Han Ke's breath, he regretted it!

Heartache!

For the time being, it's better for you to guard Ying'er. When she grows up a little bit and has the ability to face the strong in the inner sect, it will not be too late for her to temper.

In the hall of Shenjizong, a group of elders, Sect Master Yu Zhenzi, and Tu Lanxin are sitting together. Their faces are full of smiles, one by one old monsters who have lived for tens of thousands of years. Happy as a child!

Ye Chen is a man enough!

Ye Chen's performance once again surprised them!

Kill Han Ke with a punch?

True disciple, may not be able to do it?

How long has Ye Chen joined the Shenji Sect? Is it comparable to a true disciple?

This kind of performance would be strange if they were not happy or giggled!

Originally, Shenjizong, among the many sects, because there were no disciples of evildoers, it can be said that in the exchange of disciples, exchanges and exchanges every year, they are all embarrassing, but this year, they know, Shenjizong is about to rise!

Because Ye Chen came out of Shenjizong!

Demon God-Ye Chen!

Inside the inner door, inside a pavilion carved out of white jade, a very rich aroma of wine wafted out, and the four people were sitting around the only table in the attic.

These four people have different looks, but one thing is the same.

Their eyes are dark purple, and the aura on them is also extremely strange, it seems to be different from ordinary people!

At the same time, they are all exuding a thick \*\*\*\* atmosphere, and these people are obviously carrying a lot of lives! It's like crawling out of the sea of blood in the dead mountain!

These four are Hong Yan, the first demon of the inner door, Qi Xin, the third flame demon of the inner door, the fourth thunder demon fish Feiye of the inner door, and the sixth stone demon Zhao Kun of the inner door.

These people are the ones standing at the peak of the inner gate, and they are not pure human races!

It's a human being!

What is a human being?

The human demons are different from the extraterritorial demons that are opposed to the kingdom of God. It can be said that they are the native demons of the kingdom of God!

Even surpassed the demons of Lingwu Continent!

These demons, hundreds of billions of years ago, may have originated from the same source as the extraterrestrial demons. However, hundreds of billions of years later, the human demons stayed in the kingdom of God to survive and intermarried with the human race, and they have completely adapted to the kingdom of God. His heaven and earth aura has become a completely different existence.

If it is an extraterritorial demon who invades successfully, I am afraid that the first thing to kill will be these demons!

Because the demon outside the territory is proud of his blood! The human demon race mixed with the blood of the human race and possessed the existence of part of the demon blood, which is a shame for the demon outside the territory!

Therefore, the human demon race, of course, joined the forefront of the fight against the outer demons!

Although the human demon race is mixed with the blood of the human race, it also retains the original part of the demon race, and most of the demons are more powerful than the human race!

Therefore, most of the warriors of the human demon race are extremely talented in martial arts, and they are far stronger than the warriors of the same rank human race!

Hong Yan and the other four were not more than thirty years old, but the cultivation bases of a few of them were already regarded as elites in the kingdom of God!

Hong Yan is even more against the sky, twenty-eight years old, but his cultivation is terrifying to the extreme!

Qi Xin, Yu Feiye, Zhao Kun and others also cut E's cultivation base!

Qi Xin has a delicate face, but with a trace of evil charm. His skin is fair with exquisite features and personable demeanor. He wears an earring made of a purple gemstone that seems to contain the entire starry sky, exuding seduction. The human and dangerous breath, although he is not smiling, anyone who sees him feels inexplicably wanting to get close.

However, they dare not get too close!

He smiled at several other people and said: "Several people, I heard that recently a guardian disciple appeared in the handyman's yard and became an idol for many people. Do you know what the title they gave him?"

Although both of the human and demons, Qi Xin's appearance is completely different from Hong Yan. Although he can be called handsome, his face is sharp and sharp, extremely masculine, and extremely hot temperament!

Hearing Hong Yan's words, he smashed the wine glass in his hand and said with a grim expression: "Hehe! Demon God! A handyman disciple who dares to be called a Demon God? Even the title of Brother Hong is just a demon. This guy is called a demon god, and he accepts it as it should be? This is not to put our demon clan in the eyes at all!"

Yu Feiye, who had a pale face and a gloomy appearance, also sneered and echoed: "If you kill a few trash human races, you dare to be called a demon god? These human races are going to climb on our heads and go wild? To be honest, there is no I've played with ants in the sect. How about playing with this ants?"

Chapter 2539: Ancient magic scales!

Zhao Kun, who had been silent for a long time, suddenly drank a glass of wine and said: "Several brothers, I watched the battle between this kid named Ye Chen and Na Han Ke at that time."

When everyone heard the words, they all looked at Zhao Kun.

Zhao Kun's expression was a little gloomy and authentic: "Han Ke, although it's not a big deal in our eyes, it is still a bit of a waste of strength, especially his strength, which is considered strong. Apart from Brother Hong, we want to kill He, I am afraid he will use more than one trick!"

Yu Feiye's eyes flashed and said: "You mean, this kid, with one move, killed Han Ke?"

Zhao Kun nodded heavily and said, "That's right! Besides, I still use strength to crush Han Ke!"

"In terms of strength, this kid is invincible."

"I really can't figure out how this kid has cultivated such terrifying power."

"Look at that kid, he is only thirty years old..."

After hearing this, everyone fell silent for a while...

Even they are not confident to kill Han Ke with a single trick, let alone use only strength. Could it be that this handyman disciple of the Supreme Void Realm is stronger than them?

impossible?

Qi Xin frowned and said: "This kid, although he is not worthy to be called a demon god, but his aptitude and potential are indeed somewhat terrifying."

Among the four, only Hong Yan, still looking calm, was drinking leisurely. Hearing Qi Xin's words, he just smiled lightly: "If he didn't have such qualifications, then how could this kid be caught by Tu Lan's heart and personally bring the money? Zong?"

I even heard that the senior officials of the sect were paying attention to him in secret. "

Tu Lanxin!

Upon hearing this name, the other three's complexions changed!

The warriors of the human race have always been extremely proud, with their eyes above the top. They don't think much of the warriors of the human race, and they don't put them in the eyes of the strong human race. If you hear the news, you will be Tu Lan's heart!

It is said that many years ago, the strongest of their people, Demon Clan, Mo Zunyun was invisible. During the battle with the outer demons, he accidentally met Tu Lanxin!

Even among the human and demons, Yun Wuxian possesses the ultimate talent. He has cultivated martial arts for thousands of years, and he has reached the top to become the top 100 strong in the kingdom of God!

It's amazing forever, let alone the human race, even the women of the human and demons, he doesn't look at it at all, and feels that there is no one at all, and he is worthy of him!

Even a demon from the former kingdom of God wanted to marry his extremely enchanting daughter, but he refused.

But since he met Tu Lanxin, Yun Wuxian fell in love with Tu Lanxin out of control!

Start chasing her frantically!

However, Tu Lanxin never saw Yun Wuxian directly, and after repeatedly rejecting him, she even felt annoyed and had a conflict with Yun Wuxian!

No one knows the specific process, but since then, the Demon Venerable has been in retreat and no longer fights. Even now, it is still like this...

It can be seen how terrifying the strength of Tu Lanxin is!

And how high is her vision!

But such a woman fell in love with Ye Chen.

It is enough to explain how Ye Chen exists against the sky.

Yu Feiye's eyes flickered and said: "Could it be that we really can only swallow the sound?"

Qi Xin stood up abruptly and was about to walk outside the attic.

Hong Yan said lightly: "Qixin, where to go?"

Qi Xin stopped, turned his head slightly, and said coldly: "Brother Hong, if you want us to bear it and don't hit this kid's hands, I have heard enough. There is nothing else, let me first gone."

"Sit down."

Hong Yan took out a wine glass again, poured a glass of wine, put it on the table, smiled at Qi Xin and motioned: "You know, the thing I dislike the most is to bear it."

When Qi Xin heard the words, his expression changed, he sat down again, drank Hong Yan's drink and said, "Brother Hong, what do you say? Are you sure to defeat this kid?"

Hong Yan shook his head and said, "No."

He is a sensible person, he judges strength very accurately, he will not be blindly arrogant, he knows that he is too arrogant and die fast.

The other three frowned slightly.

Hong Yan didn't care, and smiled: "You know, why I asked you to join Shenji Sect together?"

The three looked at each other and shook their heads.

With their qualifications, any first-class force can go, but Hong Yan took them and joined the weakest Shenji Sect together.

In Hong Yan's purple eyes, a flash of light flashed: "Because there is an ancient book in the Shenji Sect! An ancient book that records the inheritance of the secret arts of the ancient demons!"

Zhao Kun opened his eyes wide and said, "You mean, found the Four Demon Sealing Heaven Judgment?"

"Not bad!"

Qi Xin and the three of them were overjoyed. These four demon conquests are a treasure to the human beings and demons!

They have been searching secretly for years.

As the name suggests, these four demon conquests were originally a combined martial art practiced by four ancient demon races. According to legend, this martial skill integrated the power of the four demon races into one, and even burst out several times. The power of the sum of the four!

It's just that the Human Demon Race, after all, is not the ancient Demon Race, and only the Human Demon Race warrior with very good aptitude can be trained.

Moreover, the requirements for the core person are extremely strict!

It must be a clan talented person who is called a Returner by the Human Demon Clan to be qualified to serve.

The so-called return to the ancients are the people of the Demon Race whose blood is as powerful as those of the Ancient Demon. This kind of people, among the Human Demon Race, does not exist in tens of thousands!

And Hong Yan is a returnee!

If you train these Four Demon Heaven Conferment Judgments, even if they are just a beginner, the combined strength of the four of them will already be able to compete with the powerhouse of Zhan'er Fourth Layer Heaven, right?

But soon, the few people calmed down. Zhao Kun sighed and said: "This is a good thing, but Brother Hong These four demon Fengtian Jue must be performed by four of them together. Do we want Four people together, challenge Ye Chen?"

As he said, he couldn't help but laugh.

However, Hong Yan said indifferently: "If I say, am I right?"

The three were surprised when they heard this, and the four joined hands to challenge a Taixu realm handyman disciple?

Or do you want them to join forces with the top four of the inner door of the demons?

If this spreads out, they will lose their face, right? Moreover, not only in the Divine Extreme Sect, but even among the humans and demons, they will be ridiculed!

With the pride of humans and demons, it is unwilling to do this.

Besides, Ye Chen, unless he is a fool, how could he accept such a fight?

Hong Yan saw the people's hesitation, he suddenly moved his hand, and three black scales were placed in front of Qi Xin and the others.

"Ancient Demon Scale!" the three exclaimed in unison!

Chapter 2540: promise

Hong Yan nodded and said: "Yes, to cultivate the Four Demon Conferring Heaven Judgment, you need ancient demon scales. This ancient demon scale, even if it is not used to cultivate this martial skill, is a unique weapon for the human demon clan. Treasure, count as I gave it to you."

Absolute artifacts are a rank above ancient artifacts, even in the kingdom of God, they are also invaluable!

Artifacts, true artifacts, holy weapons, ancient artifacts, unique artifacts!

The Qi Xin trio stared at the ancient demon scales, swallowed, and their hearts were already shaking!

Hong Yan stood up abruptly and said solemnly: "Several people, we can't wait any longer, otherwise, with this kid's martial arts talent, soon, it may grow into an existence we can't deal with!"

WINK's Surge to \$1: Join the Wave!

Did you forget? What did we say when we joined Shenjizong? We have said that this Divine Supreme Sect is destined to be under the control of our Human Demon Race in the future. If Ye Chen is allowed to rise, do you think our Human Demon Race still has a chance to become the heir of the head? "

Hong Yan's ambition is great!

If there is no Ye Chen, he can guarantee that the position of the head in the future must be his!

But now, the appearance of Ye Chen has ruined his plan!

Just as his title is Demon God, Ye Chen was like a shadow, pressing on Hong Yan's head.

The eyes of Qi Xin's trio flashed. Although their human demon race is on the same front as the human race, the gap between them is still very huge!

Although the human beings and demons have superhuman aptitudes, the number is far less than that of the human races. They are often treated unequal by the human race in the kingdom of God!

Therefore, when a few people joined the Shenji Sect, they vowed to make the Shenji Sect a sect controlled by the Human Demon Race. Here, the Human Demon Race will never be discriminated against, nor is it allowed to be discriminated against!

Zhao Kun still hesitated and said: "Brother Hong, will Ye Chen challenge? Even if he refuses, we will only be ashamed..."

Hong Yan sneered and said, "This person is called the Demon God, not only because of his strength and aptitude, but also his madness and arrogance! I know this kind of person very well, and he will not refuse."

"But..." Yu Feiye frowned and said: "If we really kill him, the high level of Shenjizong, if we investigate..."

"Haha, Feiye, you have to know that if Ye Chen is dead, Shenjizong will only need us more! On the contrary, if Ye Chen is alive, we are truly insignificant existences!

This is originally a world where the weak and the strong eat the strong, and, as their identity, how can they be embarrassed to intervene in the struggle of the juniors? "

The three of them glanced at each other, and finally made up their minds. As soon as they grasped the ancient demon scale in front of them, they said cruelly: "Done!"

What kind of face, and how can there be actual benefits, it is important!

Hong Yan laughed and said, "Okay! That's right! With our qualifications, it only takes half a month to cultivate these Four Demons, you can get started, or even be successful! At that time, we can at least be able to join hands Invincible before the strong in the early stage of Zhan'er, even if the opponent is a top evildoer!

Although this Ye Chen was against the sky, he would never win! "

After all, he walked out of the attic, and he knew that Ye Chen was dead!

How can I not die?

Therefore, he must do a good job of publicity, so that more people can see how the Demon God in their mouth is crushed by the real human demon!

Ye Chen was sitting cross-legged in the Immortal Heart Forest. After he returned from the Divine Demon Pool, he had gained too much, so he had to consolidate it.

Although he did not prohibit others from entering the Immortal Heart Forest like Qiu Wen, those outside gates and handyman disciples who saw Ye Chen cultivating here were very active to stay away for fear of disturbing Ye Chen.

But at this moment, there was a rush of footsteps beside Ye Chen.

Ye Chen opened his eyes and looked over there. A familiar figure came into view.

It is Zhou Yuanxin.

Zhou Yuanxin at this time, with an anxious look on his round face.

"Yuanxin, what's wrong?"

"Brother Ye, haven't you received the news?"

Zhou Yuanxin wiped the sweat from his forehead and said, "The four demons in the inner door have been in the battle. After half a month, they will fight you for life and death, or the four will fight you together!"

"Huh?" Ye Chen raised his eyebrows: "Which Demon Race?"

"The four demon races are the Heaven Demon Hong Yan, the Flame Demon Qixin, the Thunder Demon Fish Feiye, and the Stone Demon Zhao Kun! These people, except for Zhao Kun, are the top five evildoers, especially Hong Yan, First in the inner door!"

With that, Zhou Yuanxin's complexion looked ugly.

"I have long heard that these people and demons are vicious and despicable, seemingly proud, but in fact they have no bottom line in doing things! Four fights one, this kind of thing can be done, and they are the top of the four inner doors! It's shameless to the extreme!"

When Ye Chen heard the words, he showed a look of interest and asked, "What strength are they all?"

He likes challenges.

Since he is called a demon god, with one enemy four, there is nothing wrong, right?

Zhou Yuanxin's complexion changed slightly, why did Ye Chen seem to be repulsive to this battle?

However, he still opened his mouth and said: "Hong Yan cuts the third level of the sky, and the others are also the second level. Ye Chen, don't be fooled by the realm. The idol fist Han Ke that you killed yesterday is among them. Door Thirty-three! Although it is also the second-tier heaven, but he and the people of the human and demons are very different!

After cutting E'er, it is extremely difficult to break through a small realm! But in the same realm, there will be a gap like heaven and earth! Although the other people are on the second floor, they can easily kill Han Ke! "

"The four of them are human demons, and they are much stronger than ordinary warriors. Together, they should have the ability to kill any third-tier heaven in the world!"

"Big Brother Ye, don't worry, such an unfair battle is a life-and-death battle! Even if you refuse, everyone will stand on your side. They shamelessly let out the news in a straightforward manner?"

Haha, the human race keeps saying that our human race is unfair to them? Discriminate against them? Isn't this reputation their own? Now the clan has already cursed these people ! "

How long has Ye Chen started! Need four to fight one out?

Ye Chen didn't care about it, he was a little interested in this demonic clan.

Does God Kingdom also have demons?

How much is the difference between the power of the God Kingdom Demon Race and the Zhetian Demon Emperor?

Seeing Ye Chen not talking, Zhou Yuanxin was anxious: "Brother Ye, you are talking, as long as you speak, I will help you reject them!"

Ye Chen is now Zhou Yuanxin, no, it should be said that it is the faith of all the handyman disciples.

There is even a tendency to establish Ye Chen Divine Sect in the clan, even the slogan they thought about.

Ye Chen, the gods of the heavens.

After thinking for a moment, Ye Chen said, "Yuanxin, go and promise them."

what! ?
