

Urban 2581

Chapter 2581: I want to see big brother!

But thinking about it, Chu Ying's mother also withstood a lot of pressure.

Ye Chen didn't feel anything about such a family. With his current strength and status, let alone a second-class family, even if the first-class family of the Kingdom of God was in front of him, he would not have any fear.

Ye Chen followed Chu Ying into the Shenyin Restaurant. The reception at the door was a beautiful woman with glamorous makeup. Looking at Ye Chen, her brows frowned casually.

Too fictitious?

Or is it too virtual?

How can this kind of people afford to eat at Shenyin Restaurant? Shenyin Restaurant, the handyman serving tea and water, all demanded more than three levels of heaven.

However, when Chu Ying took out the VIP card and reported the number of the private room booked by the Wen family, the receptionist still showed a professional smile, leading them upstairs very politely.

However, the gaze that looked at Ye Chen was faintly weird.

Obviously, she regarded Ye Chen as the kind of little white face who eats soft rice.

All this, naturally, could not hide Ye Chen's eyes, but he didn't care.

What is there to care about with a servant?

Shenyin Restaurant has a total of 999 floors. The higher the number of floors, the more expensive and higher the private room.

The private room booked by the Wen family is on the 900th floor. It is already considered the highest-level private room.

After all, the last ninety-ninth floor can only receive guests from first-class forces.

Soon, Ye Chen and Chu Ying entered the private room on the 900th floor.

There is no one in the private room yet.

Ye Chen glanced at the decoration and design of the private room, and nodded, it was luxurious.

Even in the Kingdom of God, it is considered top-notch.

His current residence in Shenjizong is from the hands of famous experts in the Kingdom of God. Even if Ye Chen hasn't specifically learned about it, he will naturally have a certain appreciation for decoration and design after living for a long time.

Among other things, this carpet alone uses the skin of the Evil Monster Beast!

Walking on it, you can still feel the billowing spirit, pouring into the body, the whole body is warm, as if soaking in hot water, very comfortable, even if you don't eat, sitting here is a kind of enjoyment.

After Ye Chen and Chu Ying sat down at the dining table, Chu Ying looked at Ye Chen hesitatingly, and said, "Ye Chen, my mother's literary family is a second-class family. My grandfather and grandmother's personality may be a bit Snobbish, if there is anything rude..."

Ye Chen smiled and said, "Don't worry, I have a sense of measure."

Chu Ying smiled happily and nodded. To be honest, now she should be considered as climbing Ye Chen!

Although she doesn't care about the family background, there is a man who makes herself proud. She can't wait to introduce Ye Chen to her grandfather.

...

At the same time, the Kingdom of God Yanxuan Mountain.

This is one of the ten forbidden places in the Kingdom of God.

Yanxuan Mountain is full of special magma that can burn Taixu and Zhan'er.

Under the magma, there are many dead souls of the strong.

There is no grass here.

There is no aura here.

Among the violent magma, there is also a flame stone beast that cannot be broken by the strongest!

The flame stone beast is surrounded by extremely hard giant spirit stones.

They carry extremely high temperatures!

Is the overlord of this area.

They swallowed too many warriors.

At this time, in the magma, there were only a few hundred wild beasts that were originally densely packed!

The key to these hundreds, the eyes are full of fear!

What seems to be afraid of!

suddenly!

The magma enough to kill the slasher surging!

In the magma, a huge whirlpool appeared!

Suddenly bursts of low voice sounded in the whirlpool!

The sword of lightning and flint, a burly man rushed out of the whirlpool!

Scary flame tattoos all over the man!

He is like a ball of flame!

An unquenchable flame!

The man rose to the sky, then suddenly landed!

A punch directly hit the body of a flame stone beast!

That's a giant spirit stone with a strong attribute!

The force of the counter-shock is enough to stifle oneself when the slasher touches it!

However, when the fist touches.

The flame stone beast actually shattered, even turned into powder!

What kind of brute force is this!

The man laughed, with no strength at all!

The fist pierced through the powder and plunged into the violent lava!

In an instant, thousands of stormy waves were set off!

"Bang! Bang! Bang!"

During the mine storm, the man punched out!

The remaining hundreds of flame stone beasts were all destroyed!

You know, in the history of the Kingdom of God, there are 87.85 million flame stone beasts on Yanxuan Mountain!

This monster beast with almost no natural enemies in Yanxuan Mountain! At this moment, he was destroyed by that man!

Strange ripples surged all over the man, and the light aura was a bit shocking.

He bent his knees and burst out suddenly!

The whole person rises into the sky! Came to the top of a mountain in an instant.

On the top of the mountain, a wicker chair, an old man drinking leisurely.

The man squeezed his fists, and his steel-like muscles burst out with a strong killing intent: "Yong Lao, you let me destroy the fire stone beast, I have completed it! These rough-skinned guys are really resistant! Good I have the blood of the Qiankun clan!"

"I have completed the task, can I go to the eldest brother!"

"You said that the eldest brother is in the Shenji Sect, I will go to the Shenji Sect!"

Eternal Saint King stretched his waist and glanced at Yan Kun, Gu Jing Bubo's eyes were slightly shocked.

But the shock quickly disappeared. He glanced at the man and said, "Yan Kun, it's not enough."

Yan Kun was a little annoyed: "My current strength is not enough?"

"Do you really want me to go to the eldest brother when the Chaos Realm is destroyed with a punch? You play with me!"

"I won't do it, I'm going to find Big Brother!"

The Eternal King narrowed his eyes and nodded: "It's better to be so."

"The enemy your elder brother faces is not an ordinary existence."

"Leave aside those behind the scenes that manipulate countless lives and deaths. At the moment, the causal formation of the forty-nine Zhan'er Peak Powers is the Great Tribulation."

"Your current strength is really not enough."

Yankun's face suddenly became murderous: "My eldest brother, as the Lord of Reincarnation, plus me, the last person of the Universe Protoss, that **** Heavenly Dao Palace is a hairy, I punch it!"

The Eternal Saint King shook his head: "Battered with a punch? You too underestimate the Heavenly Dao Palace!"

"Since you feel that you are strong enough, I will take the risk to take you to the Heavenly Dao Palace today to let you know how much you are still short of!"

"That is the gap between heaven and earth!"

Yan Kun's eyes flashed with hesitation, but in the end he was extremely determined, and flames burst out of his body!

This is the innate flame of the universe!

The fire of the universe!

"For the sake of big brother, just go!"

"No matter what, they can't kill me!"

The Eternal Saint King's eyes flickered, and he murmured, "Perhaps it is not bad to use you to disrupt Xuanyuan Moxie's position right now."

Chapter 2582: Angry!

After half an hour, there was a sound of footsteps and a bold voice outside the door.

"Hahahaha, our Ying'er is a disciple of Shenjizong, the pride of our literary family!"

At the door, four people appeared, two men and two women.

Ye Chen's gaze swept across the faces of the four people. Those two old men with luxurious costumes and all over their bodies revealed a sense of nobility. They must be Chu Ying's grandparents.

And a woman behind them looked a bit similar to Chu Ying, and she was a beautiful woman who was all over the country, but compared to Chu Ying, she was far behind.

If you are scoring with Ye Chen's eyes, you can barely score seven points, and the woman is now holding a white robe, with narrow eyes, and a seemingly elegant young man.

The old man who spoke was naturally Chu Ying's grandfather, Wen Tianshi, the head of the literary family, and his cultivation was terrifying!

Standing beside him, the woman with vicissitudes and temperament was Chu Ying's grandmother Li Shushu.

Somewhat similar to Chu Ying's appearance, is Chu Ying's cousin Wen Xin. Wen Xin is not only in appearance, but inferior to Chu Ying, talent in martial arts, and not as good as Chu Ying's. In the late stage of imaginary stage, Wen Xin, but just broke through too imaginary, aura, and a little unstable, it seems that it has taken advantage of external force.

As for the elegant man, it was Wen Xin's most recent engagement partner, named Yu Fengxian.

Ye Chen's eyes swept across the crowd, and he stayed on Yu Fengxian for a while, his eyes flickering slightly.

This Yu Fengxian, who is less than a hundred years old, his cultivation base has reached Zhan E!

Even if it is placed on the Shenjizong, it is considered a monster.

Wen Xin's gaze fell on her younger sister, and a trace of jealousy flashed through her beautiful eyes.

She did not hesitate to use the medicine pill to affect her martial arts foundation, and she had to reluctantly improve her cultivation level, but in the end, she was thrown away so much by her sister who appeared suddenly?

why! Since I was young, I have been excellent in the family!

But not long ago, the appearance of this woman deprived her of all honor.

In the past few days, my sister will always be appreciated by my family!

However, she soon thought of something again and calmed down, holding Yu Fengxian's hand tighter.

"Grandpa! Grandma! Sister!" Chu Ying was also very happy, after all, in this foreign country, she could see her blood relatives.

Ye Chen also stood up and said politely to several people: "Grandpa, grandma, younger sister, and this brother, hello, Ye Chen is next."

Ye Chen regarded Chu Ying as his own woman, so he naturally wanted to call it after Chu Ying.

With a scream, everyone's eyes were focused on Ye Chen. Wen Xin frowned and snorted, ignoring him. Yu Fengxian was also pale and silent, only Chu Ying's grandmother Li Shushu was facing Ye Chen. Chen smiled slightly and said, "Hello."

Wen Tianshi frowned directly at Chu Ying and said, "Ying'er, who is he? Why did you bring a kid from the Taixu realm to this place? You should know that you are from the Wen family, just bring it with you. With men in and out of this kind of occasion, what if there is any rumor that affects your reputation?"

As he said, he also pointed at Yu Fengxian next to Wen Xin and said, "Even if you want to bring it, you have to be like Xin'er. You should bring a young talent like Fengxian! You... why did you bring this? People who come here? This Shenyin restaurant serves tea and water, all of whom have a higher level of cultivation!"

Wen Xin raised his chin proudly, and smiled at Chu Ying as if showing off: "Sister, I haven't introduced you to it, this one next to me is your brother-in-law, the true story of the first-class power Ghost Jianmen. Disciple, Yu Fengxian, come over and say hello to your brother-in-law."

When she talked, there was a smile on her face. She admitted that her appearance and talent were indeed inferior to this sister, but she didn't need it, did she?

She, after all, is a woman, the most important thing in a woman's life is not to find a good man?

The greatest achievement in her life is to capture Yu Fengxian!

With this alone, she completely defeated her sister!

Could it be that Chu Ying could also find a man as good as Yu Fengxian?

Ha ha, my sister's cold personality, who wouldn't even let her hand touch her, would any man like it?

What's the point of being beautiful?

In Wenxin's eyes, Chu Ying is disgusting, pretending to be noble!

At this time, Chu Ying's pretty face with a smile was completely gloomy!

She takes her man, where does she need to worry about rumors?

She brought her own man, is there anything to be ashamed of?

The True Legend of Ghost Sword Gate, Yu Fengxian? It seems to be very good, but compared to Ye Chen, what is it?

Why, Ye Chen is not as good as him!

She didn't like it, someone said bad things about Ye Chen in front of her, even her grandfather would not do it!

Ye Chen, is her Nilin!

Chu Ying ignored Wen Xin, but stood up and looked at Wen Tianshi blankly and said, "Grandpa, please apologize to Ye Chen, because Ye Chen is my man!"

As soon as this remark came out, the entire Shenyin Restaurant seemed to be plunged into dead silence!

Wen Tianshi looked at his granddaughter in disbelief, Chu Ying, who has always been well-behaved, actually contradicted himself?

Although he didn't meet Chu Ying for too long, but after getting along during this period of time, he knew that Chu Ying was knowledgeable and well-behaved, and he had never confronted himself once! Not to mention, let yourself apologize!

Now, for a kid in the Taixu Realm, to contradict the elders?

Besides, what did Yinger say?

She said, this trash is her man! ! ?

In an instant, Wen Tianshi's beard was furious, and in his eyes, the flames rose, staring at Ye Chen, he was about to bleed!

The violent spiritual power is infinitely irritable, and the surrounding void, under the anger of Wen Tianshi, seems to have been ignited, and it starts to twist continuously!

He almost couldn't help it, and killed Ye Chen directly!

Wen Xin was also taken aback when she heard this. The next moment, waves of ridicule and sarcasm appeared in her eyes. She knew that Chu Ying could not find such a good man as Yufeng, but, Find a waste directly?

This is too funny, right?

She held her belly, smiled, stretched out a hand, pointed at Ye Chen and said, "Sister, my good sister, this is how you look at looking for a man? Isn't this great?"

It looks good, but man, it depends on strength, do you understand? Did you find a piece of **** in the kitchen of Shenyin Restaurant?

Or just pulled in a waiter who served tea and water? Oh, I'm sorry, I forgot, Shenyin Restaurant, even the waiters, don't have people in this state. "

Chu Ying, completely angry!

Chapter 2583: Nervous!

She originally wanted to introduce Ye Chen to her family!

Although she knows that her family is relatively snobbish, she is their blood relatives after all, but do they treat themselves and the guests they bring?

Wouldn't you even give her an opportunity to introduce Ye Chen?

Besides, ignore Ye Chen's greetings, forget it, but still mock and insult her man like this!

She can't stand it!

If she had known that the Wen family would treat Ye Chen like this, she would never have brought Ye Chen over!

next moment! When Chu Ying turned her wrist, she actually held a long sword directly, her sword intent burst out, pointed directly at Wen Xin, and said coldly: "Sister, if you are so rude to my man again, don't blame me, regardless of sisterhood Up."

The whole family was taken aback again!

They never dreamed that Chu Ying would draw the sword directly to her sister for Ye Chen!

"Ying'er, are you crazy!?"

Wen Tianshi trembled angrily. Did this kid give his daughter some fascination soup? She turned out to be like this!

Just when the atmosphere was a little nervous, Ye Chen suddenly stretched out his hand and pressed Chu Ying's long sword.

He said lightly: "Since you don't welcome me, I won't bother you."

The Wen family is Chu Ying's family, and he can give each other a face.

However, if the other party didn't want it, then Ye Chen wouldn't be easy to accompany him.

He has never had the habit of resignation.

Had it not been for Wen Xin to be Chu Ying's sister, he would have slapped it over.

After all, Ye Chen would walk out of the door as soon as he moved.

Chu Ying was really panicked at this time. She quickly grabbed Ye Chen's hand and looked at Ye Chen with big eyes aggrieved. Pear Flower looked like rain, and whispered: "Ye Chen..."

Ye Chen smiled slightly and touched Chuying's head and said: "Silly girl, you are you, your family, your family, I can tell you clearly."

"Then, I'll walk with you!"

Ye Chen shook his head and said: "Be with your family, I'll wait for you outside."

He knew that Chu Ying hadn't seen her family for a long time. Although it was unpleasant because of herself, no matter what attitude these people treated themselves, they were still Chu Ying's family. They should accompany or accompany them.

But at this moment, a figure flashed and stood in front of Ye Chen.

Ye Chen faintly looked at the man standing in front of him with his hands folded back and his expression cold and proud.

This person is the true disciple of Ghost Daomen, Yu Fengxian!

Yufeng glanced at Ye Chen first, and said coldly, "Did you let you go? Just leave? Apologize to Xin'er!"

Apologize to Wenxin?

Wen Xin insulted herself, she didn't do anything, and it was considered enough to give the Wen family face, so he wanted Ye Chen to apologize?

In an instant, Ye Chen's complexion also turned gloomy.

With a sneer, "Apologize? Why should I apologize?"

In Yufeng's slender eyes, a chill flashed, asking you to apologize, just apologize, a rubbish, and so much nonsense? Don't you want to live anymore?

As soon as he entered the door, Ye Chen was not pleasing to his eyes, an ant in the too virtual realm, did not speak to himself in a low voice, was he not humble?

Still **** spine?

Is bone strength something a waste should have?

The waste should lie on the ground and lick the strong shoes!

However, when he looked at Chu Ying, greed flashed in his eyes, Chu Ying, too beautiful! ! !

Much more beautiful than Wenxin! Sisters take it all, it's not bad, isn't it?

Therefore, he still doesn't want to leave Chu Ying with a bad impression.

He faintly said: "If it weren't for you, Ying'er, would you be facing your sister with a sword? Don't you know what you did wrong? It is already light to ask you to apologize. Originally, you should be called Kneeling, look at Ying'er's face, avoid it."

Chu Ying was trembling with anger when she heard the words, but when she was about to speak, Ye Chen spoke first.

He stared at Yu Fengxian, suddenly remembered a sentence from Hua Xia, and smiled: "Silly fork."

"These are the words from my hometown, understand?"

Deadly...

The whole box fell into a dead silence!

Everyone, even Chu Ying didn't expect that Ye Chen would be so direct and suddenly insult Yu Fengxian in front of the Wen family!

This is ten times stronger than Wenxin's insult to Ye Chen!

Yu Fengxian did not react for a moment, and subconsciously asked, "What did you say?"

Ye Chen looked at Yufeng with a smile and said, "Silly fork."

...

Too insulting, naked insult!

Wen Tianshi is a little dumbfounded, is this kid addicted to death?

Look down on Yu Fengxian's strength? You should be able to understand human words, right?

Didn't hear that Wen Xin said Yu Fengxian's identity?

Or is there a problem with the brain? Can't understand people?

How is this kind of person worthy of Chu Ying from the Divine Supreme Sect?

But Yu Fengxian, at this time, there was blood red in his eyes, blue veins jumping wildly in his forehead, and he was so angry!

He is Yu Fengxian, a true disciple of the Ghost Dao Sect! Above the sword, talent is amazing forever!

Even a kind of elder and head of the Ghost Dao Sect treated him with care and love. When has he been insulted like this! ! !

Not to mention, it was a waste of a too virtual realm! ! !

Now, there is only one thought left in his mind!

Kill Ye Chen!

The next moment, there was a loud bang, and the incomparably powerful Yin evil spirit spread from Yu Fengxian's body. In his hand, he held a handle that was as red as blood. The handle of the knife was carved with a ghost head. , Numerous blood-colored lines on the blade keep flashing, as if the best long sword with a beating heart!

"Trash, die to Lao Tzu!!!"

As soon as the voice fell, the evil spirits condensed, and the blood flashed. In an instant, everyone seemed to have fallen into the monstrous sea of blood, the ghost flashed wildly, and a soul-punching magic knife fell from the sky!

The void is gone, everything dissipates, and only blood and killing intent are left!

With a single cut, numerous sharp knife marks appeared on the walls, floors, and furniture in the box built with extremely strong materials !

And the extremely tough animal skin on the ground was directly broken into countless pieces!

Wen Tianshi looked at this knife, his eyes widened and his face appeared in admiration!

This knife is really amazing! If it is only on the level of martial arts, this sword has far surpassed himself!

Wen Tianshi, I don't know how many tens of thousands of years he has lived! And what about Yu Fengxian? A hundred years old, not even...

If you give him time...

Just thinking about it, Wen Tianshi is excited!

Wen Jia has a good son-in-law! Maybe it won't be long before the literary family will be qualified to attack the first-class forces?

Yu Fengxian is indeed a true disciple of Guidaomen! The future is limitless!

Even Chu Ying was a little nervous!

Chapter 2584: Sinner!

Ye Chen, even though he defeated Han Jiuxi, when it comes to the level of martial arts artistic conception, Han Jiuxi is obviously ahead of Yufeng, a few points!

Ye Chen, can you win?

At this moment, the corner of Yu Fengxian's mouth even raised a cruel smile. Is this idiot scared and stupid?

This knife, wrapped in boundless Yin Qi and blood evil, landed on Ye Chen's neck.

But at this moment, Yu Fengxian's pupils shrank suddenly!

What did he see?

In front of him, why is this waste of the emptiness realm laughing?

Smile so disdainfully?

Unreasonable, really unreasonable...

In this case, no one can laugh!

The powerful fighting talent gave Yu Fengxian a feeling of extreme danger!

At this moment, Ye Chen moved.

"Jiwu: God flash!"

Ye Chen's speed rose to a strange level in an instant! Originally, the **** long knife, which was almost at zero distance from his neck, suddenly seemed to stand still!

Ye Chen easily escaped this stab that should have been hit and flashed behind Yu Fengxian.

As for everyone in the box, even Wen Tianshi, Ye Chen seemed to have disappeared directly!

Yufeng was even more sluggish!

But, instinct tells him that there is danger behind him!

In the next moment, he swiped around without hesitation, his body swiftly, and he slashed towards his back!

With a loud bang, this knife directly smashed the building in the 900-story Shenyin Restaurant!

Yu Fengxian, but he was taken aback...

Where is anyone behind him?

Not even a ghost!

At this moment, Ye Chen's voice resounded from where he had stood before: "The strength and response are all good, but it's a pity that the speed is too slow!"

"what!?"

Ye Chen, didn't he disappear? Why, it's back to the original position? !

Yufeng's cold sweat began to flow crazily, and his pores began to shrink, and his eyes were scared!

This Ye Chen is too weird!

"Now, it's me."

Ye Chen smiled slightly, he would no longer give Yufeng a chance to make a move first, it was a waste of time.

He wants to try the martial arts he has learned and created!

"Jiwu: Heavy punch!"

A punch, a punch that looks unpretentious, and even I can't feel any punch.

The only feeling it gives him is heavy!

Very heavy!

It seems that it can directly penetrate the law of martial arts!

Ye Chen, even though he didn't use any martial skills, he brought a black light on his fist!

That is not the black light emitted by spiritual power.

That is, there is a slight crack in the law of martial arts, and the extinction breath released by it! ! !

"Do not!!!"

Yufeng screamed first, before he could take the sword again, so he had to completely arouse the ancient body armor he was wearing!

All the spiritual power, blood, and even the spirits are burning frantically, pouring into this body armor!

The blood burst out, an extremely solid phantom of the skeleton, bursting out from Yu Fengxian's body, and protecting it!

However, the protection released by this ancient weapon and magic weapon with full power was broken when it touched the black light on Ye Chen's fist...

It's like paper, broken...

Everyone in the literary family is another horror! The brain has stopped working!

That Skeleton Phantom, even a blow from a warrior in the mid-term Slash, can resist, right?

That's it, broken?

Is this a **** fake?

At the next moment, Ye Chen's fist fell on Yu Fengxian's body.

"puff!"

Yufeng vomited blood first, his waist, under the action of huge force, bent 180 degrees, the whole person, like a cannonball out of the chamber, flew forward! Boom!

Yu Fengxian's body actually smashed a big hole directly into the wall of the Shenyin Restaurant!

Pata, like a puddle of mud, fell in front of the main entrance of Shenyin Restaurant! His bones and muscles were all shattered, and his breath was dying.

Ye Chen slowly withdrew his hand, this was because he gave the Wen family face, and didn't want to kill people at the Wen family's party, otherwise, Yu Fengxian had already been punched into nothingness by him.

A person with such strength and talent is invincible in the eyes of Ye Chen now.

Outside the door, a woman leaned limply against the wall, looking at Ye Chen, her body trembling constantly, warm liquid flowing out of her body, this woman was indeed the receptionist of the Shenyin restaurant who looked down on Ye Chen. !

Originally, she heard the sound of the quarrel and came up to take a look, but when she arrived, she saw Ye Chen's terrifying punch!

The power of this punch alone almost made her feel broken!

Thinking of her rudeness to Ye Chen before, this female receptionist unexpectedly kowtowed to Ye Chen an apology: "I'm sorry! I'm sorry this son! Just now, I had no eyes! I offended you, please forgive me!"

Ye Chen glanced at her lightly, ignored it, and went downstairs.

Behind him, he was completely dumbfounded, his eyes were blank, and he stared blankly at the big hole that was punched out by Yufeng's body first.

What happened just now?

They felt that their brains were also blasted by Ye Chen's punch.

Above Wen Xin's pretty face was pale, and the next moment, she burst into tears and ran downstairs, holding Yu Fengxian, who was like a rotten flesh, and hissed in sadness.

Although she and Yu Fengxian have some feelings, they are not so good.

She cried, is her own future!

Yu Fengxian, although he was not dead, he was ruined!

Where is she going to find another Yufeng Xian?

Without Yufengxian, what would you be? I am nothing!

She will live forever and be trampled by her sister!

How can you not be sad? It's almost crazy!

Ye Chen stood at the door, glanced at Wen Xin, sneered, too lazy to care about her, there is a saying that people are cheap, and they have their own days.

As for Wentian Stone, standing like a stone statue, he felt extremely regretful in his heart!

He now Where can't he see that Ye Chen is the real future of the Wen Family, the most powerful evildoer that can shock the entire kingdom of God?

Originally climbed up to Ye Chen, the rise of the Wen family was a certainty!

Even becoming a first-class family is only a matter of time!

However, such a golden opportunity was born and destroyed in my own hands!

He calculated and snobbish all his life, but he did not calculate it to this day!

He is a sinner of the literary family!

At this time, Chu Ying's cold voice sounded from behind him.

"Grandpa, now, do you know why I brought Ye Chen to this Shenyin Restaurant?"

Wen Tianshi trembled, turned around hurriedly, looked at Chu Ying's eyes, there was a trace of pleading, and said: "Ying'er, go and persuade Ye Chen... No, Ye Gongzi, say grandpa. It's wrong. You can ask Grandpa to kneel down and apologize to him. You can ask Mr. Ye to forgive Grandpa, okay?"

Chapter 2585: What's the background of this girl?

As long as Ye Chen and Wen Jia can be tied together, what about his kneeling?

Face, is it important to have benefits?

Chu Ying looked at her grandfather with beautiful eyes, but she was even more disappointed. Until now, Wen Tianshi still only sees benefits?

If so, Wen Tianshi sincerely apologizes, she is willing to help him tell Ye Chen, can it be for benefit?

Ye Chen, such an apology is not rare!

She finally understood why her mother insisted on leaving the kingdom of God back then, and even changed her name and surname to live in the country of Jiuyou.

My mother didn't want to have any contact with the literary family of the Kingdom of God!

For the sake of love, she abandoned everything that was entangled with cold blood and interests.

She came to the country of Jiuyou, choosing to forget everything about the kingdom of God.

That doesn't belong to her.

Today, she Chu Ying may be the same.

Chu Ying said coldly: "No need, grandpa, since I have the blood of the Wen family in my body, I will be a member of the Wen family forever, but Ye Chen, from now on, will not have any relationship with the Wen family! "

After speaking, he ignored Wen Tianshi and went straight downstairs.

...

At this moment, Ye Chen did not leave for the first time.

Because when he was about to leave the restaurant, several elderly men with extremely powerful auras had already stood in front of him.

Ye Chen knew that these people had nothing to do with Na Yufeng.

It should be from Shenyin Restaurant.

The key to the strength of these people has already threatened him.

Although Ye Chen has the meaning of martial arts, he has strengthened a lot.

But now facing the fifth level of the Evil Slash Realm and above, there is still some danger.

Of course, it does not include some of the ultimate evildoers of the fourth layer of Evil.

The Kingdom of God is an existence that absolutely cannot rely on realm to measure strength.

You can leapfrog one level if you are too empty.

Ye Chen believed that there must be someone like himself.

The nameless one he has encountered so far.

But it has died.

If there are other counts, Lin Juelong will count as one.

Although Ye Chen never saw Lin Juelong after entering the kingdom of God.

But Ye Chen had a hint of anxiety in his heart.

In Lingwu Continent, he heard that Wuming had contact with Lin Juelong.

Then Wuming fled to the kingdom of God, will Lin Juelong follow?

Moreover, last time he returned to Lingwu Continent, he got an unexpected news.

The soul hall people go to the building empty.

Except for the hall master and several important elders, all were destroyed.

And it doesn't look like an outsider did.

It's more like the Soul Palace killing everyone in order to keep some secrets!

Where are the remaining high-levels in the soul hall?

Kingdom of God?

Ye Chen no longer thought about it, he looked at the old men in front of him: "Why?"

A headed old man with a childlike face stood up: "Why? You ruined the Shenyin Restaurant, so you want to leave like this?"

"Don't you really know the origin of Shenyin Restaurant?"

Ye Chen shook his head: "I don't know, I'm not interested in knowing."

The childlike old man was startled and a little annoyed, but he suppressed it, and said: "The movement you just made has quarreled the people above. I don't want to trouble you. I personally apologize to them."

"This matter ends here."

Ye Chen raised his head, glanced at the few floors of the highest building, and then smiled: "Your restaurant's formation is good, and it shouldn't affect the group of people dining."

"I have something else to leave."

Ye Chen didn't want to fight with this group of people.

He could feel a pair of eyes staring at him in the dark.

The opponent's strength is extremely strong.

Even if he uses the power of the violent overlord, it is impossible to shake it.

This restaurant is indeed unfathomable!

"Sorry, brother, you can't go."

The old man with a childlike appearance directly stretched out his hand, blocking Ye Chen's path.

The whole body is flowing with extremely strong aura.

Killing intent is pressing.

Ye Chen's eyes condensed, and a jade card was sacrificed in his hand, which was a true disciple of Shenjizong.

"I am Ye Chen, a disciple of Shenji Sect. If there is any compensation, I can go to Shenji Sect to harass!"

I thought this jade brand would be useful.

Unexpectedly, the old men all laughed.

An old man even said, "Little brother, you don't seem to understand our restaurant."

"What about the true disciples of the first-class forces?"

"Even if the head comes, it is useless!"

"Apologizing obediently may save you some trouble."

"Little brother, I know you can leapfrog and fight, but for a few of us, you have no chance of winning."

Ye Chen's fighting spirit surged, and the Qinglian Sky Destroying Sword appeared in his hand.

Dantian spiritual power surges!

Just wanted to shoot!

A soft voice suddenly sounded: "Several people, can you give the little girl a face and let my master go?"

Ye Chen frowned slightly when he heard this voice, somewhat familiar.

But it can't be said.

Still calling yourself a master?

He confiscated several apprentices.

Ye Chen raised his head following the source of the sound, only to see a woman in Qingyi appeared in the sight of everyone.

Qingqiuyun!

Ye Chen never expected that Qing Qiuyun, the first genius doctor of the Kingdom of God, who he met in Dilin City, would appear here!

And looking at the other person, it seems that they are dining in a higher building?

Before Ye Chen could react, the old man with a childlike face stepped forward and arched his hands: "Miss Qing."

There was a trace of awe in his tone.

Qing Qiuyun's cultivation base is not high, is it so?

Is it true that as the Sect Master that Emperor Lincheng said, this Qing Qiuyun's identity is extremely unusual?

The old man with Hefa Tongyan hesitated for a few seconds, and still said: "Miss Qing, it's not that you don't give you face, but this person has an adverse effect on the restaurant."

"The restaurant needs an explanation."

"If I guessed correctly, there shouldn't be any connection between Qing Family and Shenjizong... there is no need to run into this muddy water."

He originally thought that Qing Qiuyun would leave, after all, although Qing Qiuyun's identity was unusual, he should be able to distinguish which one was lighter and heavier.

For an irrelevant friend, it is really not worthwhile.

However, in the next second, something unexpected happened to everyone!

Within a few steps, Qing Qiuyun came to Ye Chen, knelt down on one knee, and said, "See Master!"

In an instant, the restaurant seemed silent.

The old man with a childlike face held his breath?

Who is qualified to be Qing Qiuyun's master?

That kid?

how is this possible!

Even Ye Chen was a little confused He never agreed to accept Qing Qiuyun as a disciple, why does this girl insist on apprenticeship?

The twisted melon is not sweet!

Qing Qiuyun blinked at Ye Chen, her smart eyes were a bit playful.

Seeing Ye Chen's delay in answering, she coldly snorted, stood up, her eyes shot like a sword at the old man in Hefa Tongyan, and said every word: "Old Zhou, any loss will be borne by my youth! If you insist on letting me teach Respectfully apologize!"

"Okay! Please count me Qing Qiuyun!"

Old Zhou trembled and shook his head fiercely!

The back is soaking wet!

Behind Qing Qiuyun is a behemoth!

He can't afford to offend!

How could it be possible for Qing Qiuyun to apologize!

Chapter 2586: Votive pool

He hurriedly made three steps and two steps before he came to Ye Chen and apologized: "Senior Ye, how offended you are, please forgive me."

After speaking, he took out a golden jade plaque engraved with the restaurant logo and handed it to Ye Chen: "This thing is deemed to be a guilty condemnation. With this thing, you can go to any floor for free consumption."

After speaking, Zhou Lao glanced at Qing Qiuyun, and left with the crowd.

Ye Chen then turned his gaze on Qing Qiuyun's body.

It seems that Qing Qiuyun's identity is extremely special.

But why would he treat people for the sake of absolute weapons?

Qing Qiuyun seemed to see through Ye Chen's thoughts: "Master, everyone has their own interests, and medical skills are my interests."

"It just so happens that the master's medical skills are so perfect."

"From now on, the master will be my Qing Qiuyun's interest."

Ye Chen: "..."

"I didn't promise to accept you as a disciple."

After speaking, Ye Chen threw out an ancient book.

The above records a set of stitches that the old man eliminated.

But this stitch is a treasure to the kingdom of God.

"I don't owe you anymore for this love."

After Ye Chen finished speaking, he turned and left.

But Qing Qiuyun did not catch up, she excitedly held the ancient book that Ye Chen threw out.

The waves on his chest trembled magnificently.

Her eyes stared at Ye Chen's far away back, and she outlined a smile: "Master, you will change your mind."

...

At the same time, Lin Yaqin also came to Shenyuan City. After Ye Chen learned the news of the celebration of God's Day, he sent some invitations to Shen Xuanzong.

Originally, Lin Yaqin was not interested in this kind of celebration at all, she had always only practiced in her heart!

However, after getting along with Ye Chen last time, after being taken by Ye Chen to relax for a few days, she discovered that it turns out that sometimes rest and rest are more helpful to practice!

Ye Chen also taught her how to cultivate martial arts and pay attention to the combination of work and rest.

Therefore, she came to Shenyuan City this time. After all, every person in the Kingdom of God is quite curious about the celebration of the gods.

And now Lin Yaqin, after her master, became the head of Shenxuanzong, and after receiving the care of Long Chen, she has received support from many martial arts resources, and her strength has also improved by leaps and bounds.

Now, impressively, he has broken through to the realm of emptiness!

With his innate murderous aura, even in the face of ordinary warriors who slash the sky, they have the strength to fight!

Lin Yaqin walked on the street. Along the way, she saw countless food stalls, filled with fragrance, and the celebration of the gods was hosted by Shenmeng. The food on these food stalls can be eaten for free.

Lin Yaqin had already taken a lot of weird snacks after he had just finished shopping.

Xu Mengqiu followed Lin Yaqin, smiled and shook his head slightly. Now her cultivation level has broken through.

Before, I didn't realize that my apprentice was still a foodie?

However, compared with Lin Yaqin before, Lin Yaqin now feels much better.

Who would hope that his children are full of murderous intent?

Suddenly, Xu Mengqiu smiled at Lin Yaqin and said, "Yaqin, do you know that a place called the Vowing Pool in Shenyuan City will be open on God's Day? Would you like to see it?"

Lin Yaqin blinked, and asked, "Wanting Pool?"

Xu Mengqiu said: "It is said that in the ancient times, in the war between humans and demons, there was a couple who lost their lives in the battle. The woman was suppressed in a pool of water. Tens of thousands of years later, they still haven't seen each other.

Legend has it that these tens of thousands of years of prayer finally moved her will to the law of martial arts. This pool of water has divine power, and in the midst of it, she attracted her Taoist companion..."

Xu Mengqiu smiled slightly: "This is the origin of the Volunteer Pool. Since then, on every celebration of the gods, there will be couples who go to the Volunteer Pool to make a wish, hoping to be blessed by the gods, and will never leave..."

Lin Yaqin heard this, a figure of a man appeared in her mind, her face turned reddish, but she nodded and said, "Master, let's go to the Vow Pond..."

No matter how frosty, Lin Yaqin is still a woman in nature, and women are generally interested in this kind of ritual.

Immediately, the two moved towards the direction of the votive pool.

Outside the votive pool, buildings have already been erected. It looks beautiful. Inside the gate, there is a clear pool. In the pool water, there is a faint light shining. There are many men and women standing by the pool with their hands together. , Praying with a smile on his face.

Lin Yaqin also walked to the side of the pool, picked up the pool water slightly, her beautiful eyes closed slightly, and she spoke her wish to the pool water.

But at this moment, many people at the votive pool were slightly taken aback.

There was a magical scene before his eyes.

The aura in the voicing pool suddenly became gorgeous, surrounding Lin Yaqin, and Lin Yaqin, who was closing her eyes slightly at this time, and praying sincerely, embellished it like a fairy who fell into the world on the nine heavens!

Many men were stunned and obsessed with this scene! Dazzled!

nice!

It's so beautiful!

Is this still a woman in the world?

They felt for the first time, it turned out that they were beautiful and possessed such a powerful force?

Even many men, directly leaving behind their female companions, are about to walk towards Lin Yaqin!

Can't resist!

At this time, Lin Yaqin also opened her eyes. The moment she opened her eyes, the brilliance dissipated, and her complexion returned to that cold look.

However, in my heart, there was a little more expectation.

Ye Chen, will you come to this Shenyuan City?

The moment she turned around, a man stood in front of her.

Lin Yaqin raised her head slightly, and standing in front of her was a handsome, handsome young man in a red robe with a rusty dragon pattern.

The young man smiled at Lin Yaqin and said, "In Huachenxin, Longdian, Xiazhen, can you ask the girl's name?"

The moment I saw this man The original agitated votive pool suddenly became quiet!

The men who had just walked the first few steps stopped for life, cold sweat, and slipped from their foreheads, looking at that Hua Chenxin, and said with a trembling voice: "Zhenlongdian Huachenxin?"

Many people also started talking.

"That first genius in the Zhenlong Palace?"

"It is said that the dragon blood in this person's body is extremely rich and can be called the evil spirit of the kingdom of God..."

"I also heard that his name in the Zhenlong Palace is Blood Sea God Dragon. This person is the strongest, but he is also extremely domineering. If he feels unhappy, he will kill people. The genius who died in his hands is not counted. The number!

It is simply the dragon that has stepped out of the sea of blood! "

"I also heard that what Hua Chenxin hates most is that someone steals women from him..."

For a time, there was no one, and there was another thought to step forward...

Chapter 2587: Want to kill me?

Lin Yaqin is very beautiful, as beautiful as an immortal, but if you want to have beauty, you have to live.

Moreover, in their opinion, Hua Chenxin took the initiative to strike up a conversation, Lin Yaqin, can you not respond, can you not become Hua Chenxin's woman?

Although Lin Yaqin is beautiful, after all, he is just a Taixu martial artist, and he has no new qualifications to refuse Hua Chen!

At this time, Xu Mengqiu's face had already turned into horror!

Although Hua Chenxin is young, she is very good, and should be much better than Ye Chen!

After all, Ye Chen of the day, in her opinion, was just relying on power to suppress the Lei family.

Although his own strength is against the sky, it is far behind the first genius of a force like Hua Chenxin!

However, she knew very well the character of her disciple! Lin Yaqin, as long as one person is identified, there is only that one person in this life!

It cannot be changed again!

Not to mention that Hua Chen is new, even if the true **** descends in front of her, it is the same!

But can someone like Hua Chenxin be offended casually? Don't talk about Ye Chen, even Shenjizong can't keep them!

Lin Yaqin was expressionless, and walked directly away from Hua Chenxin.

The votive pool is another dead silence...

This imaginary woman actually left Hua Chenxin directly there!

This.....

This is too courageous, right?

Well, Hua Chenxin!

Long Huachen, the blood sea **** who kills without blinking! Even if it is changed to a woman from the Evil Slayer, I dare not treat him like this here, right?

Even Hua Chenxin stayed for a while. How many years did she dare to treat herself like this after she gave her name?

Don't say leaving oneself in the air, almost all the women he admired are eager to stick to him!

Hehe, Hua Chenxin smiled slightly, a bit interesting.

Wouldn't it be boring if every woman he fell in love with pestered him like that?

His interest in Lin Yaqin became even stronger.

Seeing Lin Yaqin's departure, his eyes were fiery!

This woman, he must get a hand!

The next moment, Hua Chen's new figure moved, and in the blink of an eye, he appeared in front of Lin Yaqin and Xu Mengqiu.

Following Hua Chen's new actions, many people also followed out. They were also a little curious, what is Hua Chenxin going to do?

Hua Chenxin glanced at Lin Yaqin with a slightly frowning face, but looked at Xu Mengqiu and asked, "Who are you from this girl?"

Xu Mengqiu replied politely: "Master Hua, I am Yaqin's master..."

Although her age was much older than Hua Chenxin, she knew that compared to her strength, Hua Chenxin would not be much harder to kill her than to breathe.

Hua Chenxin looked happy, and said, "This girl is called Yaqin? Good name, since you are her master, should you be able to take charge of her? Hua Chenxin is going to marry her as his wife!"

For a time, the people in the whole street were very shocked, and the sound of cold breath, one after another!

So domineering!

So strong!

Directly, want to marry someone?

Genius, the way to find a wife is so special?

But what shocked them even more was that Hua Chenxin actually proposed to a woman who could not be cut! ?

This, for the woman, is like a pie in the sky!

Make a big profit!

Soaring into the sky, right?

As long as you get the new favor of Hua Chen, in this kingdom of God, you can be regarded as under one person and above ten thousand people!

But at this time, Lin Yaqin and even Xu Mengqiu didn't say a word.

Everyone looked at the woman with excitement. Lin Yaqin didn't speak, and they all became anxious!

Their eyes seemed to say, promise! Promise!

Such an opportunity is rare in a lifetime!

To be Hua Chen's new woman is already a great fortune, let alone his wife?

Not far away, Ye Chen and Chu Ying stood side by side. After they left the Shenyin Restaurant, they were strolling around. They just came here and saw the scene in front of them.

Chu Ying looked at Lin Yaqin and said in surprise: "Ye Chen, such a beautiful woman, I don't know, will she accept it?"

Ye Chen smiled without saying a word, but looked at Hua Chenxin's eyes, a little cold.

He has no real relationship with Lin Yaqin, but this does not mean that Ye Chen can tolerate people approaching Lin Yaqin at will, let alone force her to force her.

Hua Chenxin frowned slightly and had no patience. To Xu Mengqiu's tone, he became cold and said: "Why don't you speak?"

At this time, Lin Yaqin suddenly raised her head, looked directly at Hua Chenxin's eyes, and said blankly: "You don't have to ask, I already have my heart!"

what?

Everyone looked at Lin Yaqin in disbelief...

Does the heart belong?

Who can be compared with Hua Chenxin?

Hua Chenxin is almost a famous genius of the younger generation of the Kingdom of God!

Even if you really belong to your heart, you can't say it like that, right?

Is this woman a bit too stupid?

Don't have a good chance to be in position, and still offend a genius like Hua Chenxin?

Everyone shook their heads.

Xu Mengqiu's heart suddenly sank to the bottom.

Huachen News said that his complexion instantly became gloomy, and his eyes were violent with killing intent!

What he hates most is that someone snatches women from him.

The woman he likes can only be his! Anyone who snatches a woman from him must die!

Among them, naturally also includes the person this woman likes!

With a bang, the monstrous might, suddenly broke out!

In an instant, the people on the entire street seemed to have fallen into the boundless sea of blood, and Hua Chenxin seemed to be transformed into a dragon **** who could destroy the world!

As long as the dragon god's heart moves, they will all die!

What a scary atmosphere!

Hua Chen's new cultivation base has reached the fourth level of Zhan E?

This is no ordinary four-story heaven!

How old is he?

This is too bad, right?

A well-deserved man of the evil spirits of the Kingdom of God!

"Name that person."

In Hua Chen's new eyes, Long Wei bloomed: "I, want him to die everyone, can't help but swallow..."

They don't know who Lin Yaqin likes, but they know that this person is miserable...

It was extremely miserable...

For no reason, he was targeted by Hua Chenxin, can it be miserable?

Lin Yaqin gritted her teeth, unreservedly released her innate murderous aura, resisting Hua Chen's new breath!

She didn't want to say Ye Chen's name, even if she died, she wouldn't say it!

But at this moment, among the crowd, a faint male voice sounded.

"Hehe, want to kill me?"

A smiling young man stepped out from the crowd and walked in front of Hua Chenxin, and said coldly: "I'm afraid you are not worthy."

Everyone, looking at Ye Chen who suddenly appeared, their minds were a little confused...

Chapter 2588: Turned into a rain of blood

No way?

Actually, it really came out?

Even if you come out, you still provoke Hua Chenxin directly?

Moreover, he is still a kid on the second floor of the Supreme Void Realm! ?

Are young people nowadays popular to find death?

Lin Yaqin looked at Ye Chen anxiously and exclaimed: "Ye Chen! Why are you here?"

She was indeed in the votive pool just now, wishing to see Ye Chen...

But now, she never thought of it, this votive pond is so effective!

Hua Chenxin, it's horrible!

Although young, he is already a monster standing on the corpses of many geniuses in the kingdom of God!

Hua Chenxin, strength alone is enough to kill the Lei Family Patriarch Lei Youwei, right? But Ye Chen obviously had to rely on external forces last time!

How long has it passed since Ye Chen left Shenxuanzong and joined Shenjizong?

Even if Ye Chen goes against the sky, he can't make up for such a gap in a short time!

Hua Chenxin looked at Lin Yaqin's anxious look, his face turned green!

Lin Yaqin, cold and frosty towards herself, with a seemingly indistinct emotion, is so anxious about this kid named Ye Chen?

It seems that she really likes this person...

The next moment, Hua Chenxin's eyes burst out with a terrifying killing intent, staring at Ye Chen, and a sneer appeared at the corner of his mouth: "Boy, I will give you a chance to stop yourself, otherwise, I promise you, You will die miserably, miserably,"

An ant that is too imaginary?

He had 10,000 ways to make Ye Chen worse than death.

"Are you deaf?"

The killing intent in Ye Chen's eyes became more intense: "I said, kill me, you are not worthy, didn't you hear?"

Hua Chenxin's gaze condensed, this trash, is he still going to pretend to be?

Okay, I'm up to you, when can I pretend!

With a bang, the dragon erupted, boundless blood, rolling in, Hua Chen's new figure flashed, soaring into the air, and transforming into a blood-colored dragon about a hundred meters long, with distinct scales and astounding aura!

The moment the scarlet dragon appeared, the aura of the heavens and the earth in the gods' original city was madly agitated, like a whirlpool, sucked into the body by the scarlet dragon, lightning and thunder, wind and cloud changes, extremely terrifying!

In this high altitude, the moment when the giant dragon appeared, the flood dragons that fell into the Shenyuan City and pulled the cart, no matter how high their bloodline concentration, cultivation base, or how high, were all trembling, lying on the ground, here. In front of the scarlet dragon, he dared not lift his head!

All the martial artists onlookers were all fearful and in awe of Hua Chenxin!

Dragon God!

This is the arrival of the real Dragon God!

While Hua Chen was newly transformed into a dragon body, Ye Chen's expression was also quite solemn...

What a powerful bloodline...

True dragons are not weaker than true spirits. Ye Chen also has several true spirit bloodlines, but if the concentration is added up, they are not as good as the concentration of true dragon blood in Hua Chenxin's body!

Hua Chenxin, even though he only has the cultivation base of Zhan E's fourth layer of heaven, but!

Its strength at this time is already comparable to many super powers of higher realm!

It seems that this person is not a vain name...

Ye Chen flipped his wrists and held the Qinglian Tiantian Sword, and the golden light flashed all over his body, the power of breaking the sky, the blood of the gods, the blood burning tactic, the reincarnation tactics of the gods and demons, etc., all displayed.

Facing Hua Chenxin, he must do his best!

At this time, Hua Chenxin, who had turned into a blood-colored dragon in the sky, was filled with surprise in his eyes!

After transforming the dragon, his spiritual sense has greatly improved!

He originally thought that by relying solely on Longwei, he could make his life worse than death and fall into the waste of the emptiness of the abyss of fear. At this time, he actually gave him a very dangerous feeling!

next moment!

Hua Chen's new figure moved, and the dragon pattern widened, and he uttered a sound of dragon chanting straight into the sky. The boundless blood instantly condensed and turned into several blood dragons, constantly wandering in the sky, with a slight movement, it made the whole body empty. , Into pieces!

Above the blood dragon, a faint black glow flickered, and that black glow was very familiar to Ye Chen!

It is the law of martial arts, a symbol of a slight crack!

"The Nine Dragons Destruction Technique!"

Hua Chenxin spit out words, and instantly, the eight blood dragons, together with himself, turned into nine thick blood rays, rushing down towards Ye Chen!

For a time, the galaxy reversed, and the whole earth trembled crazily, as if the world was on the verge of collapse under the impact of this **** light!

too scary! Hua Chenxin is too scary!

At the same time as the Kowloon impact, everyone on the scene was shaking, and blood was surging. They all couldn't help vomiting blood, and their breath instantly wilted!

Just a ray of power exuded, severely injured these people! Even the warriors of Chaos Realm are no exception!

In the field, only Lin Yaqin, Chu Ying, and Xu Mengqiu stood still intact...

Obviously, Ye Chen defended them with his own martial arts charm...

However, Lin Yaqin looked into the sky at this time, but was extremely terrified and worried!

She is scared!

Fear, Ye Chen couldn't stop this heaven-defying blow! Even so scared that Dao Xin was shaken!

At this moment, Chu Ying's figure flashed and appeared beside Lin Yaqin, and said in a deep voice, "Trust him!"

Lin Yaqin glanced at Chu Ying, she was confused in her beautiful eyes.

At this time, Chu Ying stared at Ye Chen's figure, and said, "He joined the Divine Extreme Sect. During this time, he has risen strongly, drained the God Demon Pool, broke through the Refining Pavilion, and instantly defeated the outer powerhouse. Destroy the four humans and demons, and step on the Qihan Sect genius who provoked Shenjizong!"

"He has created countless miracles and is called the Demon God. He is an undefeated myth!"

"So, trust him!"

Lin Yaqin glanced at Chu Ying in shock. She didn't know if what Chu Ying said was true, but...

Her heart has calmed a lot...

"Jiwu: God flash!"

Ye Chen's figure was in the void, constantly flashing, but! That thick **** light followed him like a shadow, even at Ye Chen's current speed, it was impossible to get rid of it!

Ye Chen frowned slightly. Suddenly, he stopped his figure and took a deep breath. Facing Hua Chenxin's terrifying attack, a powerful martial intent shook the sky!

"Ling Xiao Wuyi Tushen breaks the sky!"

Ye Chen snorted, the sword light flooded, as if instantly covering the whole world!

Originally, the world on the brink of collapse instantly solidified!

A hint of darkness suddenly appeared in the sword light!

Invisible, it seemed that there was something broken, and all the martial arts practitioners in Shenyuan City felt an indescribable sense of disharmony for a moment!

The feeling that was originally compatible with martial arts suddenly became extremely strange? Even the spiritual power in the body was restlessly restless?

It seems that the martial law between heaven and earth has been impacted?

The blood light collapsed, and the nine-headed magic dragons screamed one after another.

Hua Chen's new body remained, stagnating for a moment in the air, and Baizhanglong's body made an explosive sound, and blood spewed out, turned into a rain of blood, and sprinkled on the world...

Chapter 2589: Contempt of the King of Blood Dragon

At this time, Ye Chen had three huge blood holes on his body. However, apart from his pale complexion, there was no abnormality. The blood holes were quickly closing.

In the blood rain, a figure fell down.

It is Huachenxin!

At this moment, his whole body is already fragmented, but relying on the tenacious vitality brought by dragon blood, he is still supporting...

And Ye Chen, standing out of thin air in the rain of blood, is looked up by thousands of people...

At this moment, everyone's eyes widened, and even their own injuries were ignored, and they stared at Ye Chen motionlessly...

In their hearts, coincidentally, four words emerged...

"Asura God of War..."

At this moment, Ye Chen, really like that legend, created a sea of blood and blood, stepped on the endless bones, and the **** of war of Shura who slayed the dragon against the sky! !

Lin Yaqin and Xu Mengqiu were all staring blankly at Ye Chen, who was slowly falling from the sky. For a while, they were a little dazed...

Is this the young man who came to Shen Xuanzong in the first place?

Even with Chu Ying's reminder, I still can't believe it...

Untrue...

Too unreal!

Others were just shocked by Ye Chen's cultivation of the second layer of Taixu, defeating the first genius of Zhenlong Palace with a single sword, and even Hua Chenxin, a genius of the Kingdom of God!

But what was even more shocking to them was that Ye Chen, the speed at which he improved his strength!

Their thinking has collapsed a bit. If Ye Chen were given another year, what level of terror would Ye Chen at that time...

It is impossible to imagine, even if it is a real god, it is nothing more than that, right?

At this time, the only person who remained calm was probably Chu Ying.

From beginning to end, she believed in Ye Chen and would not fail!

She met Ye Chen and created too many miracles!

Ye Chen looked at Hua Chenxin who was dying at his feet. The dragon blood was really strong. After taking such a sword, he was not completely dead yet?

"Do you know who I am?"

"Dare you move me?"

At this moment, Hua Chenxin hadn't even conceded.

Eyes were bloodshot, killing intent skyrocketed.

"I want you to die!"

Ye Chen frowned slightly: "You still want to kill me now?"

However, in the next second, he found Hua Chen's new smile extremely hideous.

He held a jade medal tightly in his hand!

The jade card was broken.

A Qianzhang Shenlong suddenly appeared!

Shenlong even has a golden dragon pattern.

The breath is extremely terrifying!

It may even reach half-step chaos.

Ye Chen's eyes shrank!

Damn it!

Careless!

He hastily activated the Chichen Divine Veins!

Whole body spiritual power package!

He even activated the body armor given to him by the head of Shenjizong!

Faced with such a blow, he can only do so.

There is no right to resist at all.

Even the meaning of martial arts!

Hua Chenxin was laughing wildly: "It's useless, this is a life-saving blow from the master."

"It was originally intended for me to deal with a chaotic powerhouse. Although it is a bit wasteful to deal with you, it is worth it."

"This is the real Longwei."

"Long Wei that you ants can't contend!"

Qianzhang Shenlong dived down!

Open your huge mouth!

The surrounding space seems torn!

Too strong!

Everyone around seemed to disappear.

Only Ye Chen remained in the entire world.

And how should Ye Chen stop.

Ye Chen's eyes were filled with extremely strong perseverance.

He refused to admit defeat.

Even if it is so powerful.

Hua Chenxin's laughter kept coming.

Grim laughter.

Although he was seriously injured, he knew that Ye Chen's talent was better than himself.

It's so cool to kill a genius with your own hands.

Just when the Shenlong was about to completely devour Ye Chen.

...

Nine Heavens Shenlong Palace, in the mysterious abyss.

Suddenly, a blood dragon opened its eyes.

The moment his eyes opened, the trapped outer magic dragon was slightly startled.

Such a strong killing intent.

It has not felt this level of killing intent since it has fought against this blood dragon.

Like a scarlet moon in the dark.

The month of death.

What caused this terrifying blood dragon to have such a murderous intent?

Suddenly, the blood dragon raised its head and let out a scream!

This dragon trembles the entire Nine Heavens God Dragon Palace!

Countless dragons resounded in the Nine Heavens Dragon Palace!

The earthquake trembled, and the vision came!

The world has changed!

And at this moment, the ghost beast in Ye Chen's body suddenly burst into an extreme light!

That is the color of blood!

Then, Ye Chen unexpectedly rushed out of the shadow of a blood dragon!

When the shadow of the blood dragon appeared, the whole world seemed to collapse!

The divine dragon that swooped down was full of horror and fear in his eyes!

After a ten-thousandth of a second, Ye Chen's shadow of the blood dragon glanced lightly at the divine dragon.

This is not a simple look!

But-Wang Zhi despised!

In an instant, the dragon jumped to pieces! As if never existed!

Hua Chenxin spit out blood, his eyes were extremely horrified: "Who are you!"

"What is the shadow of the blood dragon on you!"

"You are the devil! You are the devil!"

A generation of geniuses saw that the shadow of the blood dragon was on the verge of collapse!

What a strong shadow this is!

"Do not kill me....."

The once incomparable genius, the blood sea **** Long Huachen Xin, at this time, there was a pleading expression in his eyes.

But, begging, is it useful?

With a move of Ye Chen's wrist, he cut off with a sword, and the number one genius of the Dragon Palace in the world was completely annihilated.

With a wave of his hand, he put Hua Chen's new storage bag into his hand.

Just now, the Nine Dragons Destroying the World Jue gave him a special feeling. It seemed that it was also a good martial skill?

Maybe, it can improve his martial arts level by one point.

As for the shadow of the blood dragon.

Ye Chen knew that this was the blood dragon of the Nine Heavens Dragon Palace.

A look broke through that strong blow.

What did the blood dragon go through?

When Ye Chen was thinking deeply, a voice interrupted Ye Chen's thoughts.

"Ye Chen, how did you become... so powerful?" Lin Yaqin asked stupidly.

Ye Chen smiled slightly: "Do you know me?"

Chu Ying on the side also knew about the relationship between Ye Chen and Lin Yaqin, but she didn't feel jealous at all. Instead, she glanced at Ye Chen and said, "It seems that you are still so good to pick a woman's eyes."

Lin Yaqin is indeed beautiful, on par with her...

"Hahaha." Ye Chen smiled, "After all, there are always many good women around good men, Ying'er, you have to get used to it."

Chu Ying pouted slightly, but there was no dissatisfaction The Kingdom of God was like this.

...

At the same time, the kingdom of God is a mysterious place.

Here is the Tiandao Palace of the Kingdom of God.

Tiandao Palace is an existence above all forces in the Kingdom of God.

No one dares to touch.

No one even knows how many Evil Slayers are in the Heavenly Dao Palace.

How many Chaos Realm experts are there.

There are hundreds of thousands of elders in the Heavenly Dao Palace.

The forces are complex, but only organized.

At this moment, outside the gate of Tiandao Palace.

Two figures emerged.

It is Yan Kun and the eternal holy king.

Chapter 2590: I am Yankun, for Pangu!

It's just that both of them have changed their faces, and they are extremely clever.

He even passed the guard of Tiandao Palace outside.

Yan Kun clenched his fists, and his fighting spirit was overwhelming: "Forever old, you still have a lot of relationships, and even Tiandao Palace can enter casually."

"I suddenly thought of a wonderful plan."

"You said, we mixed into the place where Xuanyuan Moxie ate, and then used a drop of Ji Lin's innate poisonous body's essence and blood, would it kill Xuanyuan Moxie?"

"Yong Lao, you always say that I have a muscle in my head, I think I am still very smart."

"If the big brother is here, he will definitely praise me."

The eternal holy king coughed fiercely, and cast a blank look at Yan Kun: "Your kid looks a bit like a Qiankun clan except for his blood, and his IQ is totally inadequate!"

"It's still too little experience."

"It is estimated that I slept for too long, sleeping stupid."

"How can the Heavenly Dao Palace be mixed in casually? We are only on the periphery. Do you really think you can successfully enter it?"

"I brought you here this time just to let you know how far you are from Tiandao Palace!"

Yankun frowned slightly: "Forever, what should I do next?"

The Eternal Saint King spread his hands and stepped back: "Aren't you going to smash the Heavenly Dao Palace with one punch? What plan do you want?"

"Get in now!"

"The bigger the noise, the better!"

Yan Kun was a little dazed. He was just talking big before, and he was still a little panicked when he let him enter the Heavenly Dao Palace alone.

However, looking at the look in the eyes of the Eternal Saint King, his killing intent was condensed, and he stepped out: "I want to see what Tiandao Palace is!"

At this moment, the eternal holy king said: "Wait?"

Yan Kun stopped: "What else can I order?"

The Eternal Saint King throws out an array: "When you are alive and dead, activate it, and it will bring you back."

"This is the treasure of my eternal family."

As soon as the words were finished, the eternal holy king disappeared.

Only Yan Kun was left.

Yan Kun accepted the formation, with a violent aura flowing all over his body, step by step towards the Heavenly Dao Palace!

"who!"

In an instant, the gatekeeper outside Tiandao Palace discovered Yan Kun's existence.

The key Yankun's aura is too strong!

The eyes are full of killing intent!

Just stick it on my head—I'm looking for something! These four words!

It's hard not to be noticed.

"Boy, where are you from! Stop! Offering a token of Heavenly Dao Palace! Where do you belong! What is your name!"

A goalkeeper disciple who cut his half-step directly spoke.

Yan Kun moved his neck, revealing a mouthful of white teeth: "What is my name? Hey, my name is Xuanyuan Moxie!"

"Let the dog Xuanyuan Moxie recognize his father!"

The gatekeeper disciples were startled.

Completely confused.

They had never seen anyone who came to the Heavenly Dao Palace to seek trouble!

I have never seen anyone who asks for trouble and scolds the palace owner!

This is brain damage!

In the next second, anger filled the whole body, and all the gatekeepers' intent to kill together: "Hands, take this person!"

However, the words were not finished yet, a flaming afterimage flickered!

Yan Kun has appeared in front of everyone!

Then, a punch came!

This punch seems to break Xinghe!

Those disciples of the outer gatekeeper turned into blood mist on the spot!

There is no right to struggle at all!

At the same moment, a piece of red crystal above the Heavenly Dao Palace glowed brightly!

The whole world seems to turn red!

This is the alarm of Tiandao Palace!

The temple in the depths of Tiandao Palace.

Xuanyuan Moxie, who was sitting cross-legged on the Shenlong cultivating, suddenly opened his eyes, killing intent together: "What happened outside?"

A figure appeared in the void: "Open to the palace master, it seems that a troublemaker is coming!"

"Kill a few gatekeepers."

Xuanyuan Moxie frowned: "After the Devil Emperor covers the sky, no one seems to dare to make trouble in the Heavenly Dao Palace."

"How did this person get here?"

"Ten seconds, erase this person."

The figure nodded: "Yes, Palace Master!"

Later, Xuanyuan Moxie closed his eyes again.

...

At this moment, a burly man is blood red!

He was surrounded by hundreds of Heavenly Dao Palace powerhouses who had cultivated the skills of Zhan E!

Countless sword intent, full of sword intent!

Dense!

However, the moment that the power that can punish any powerful slasher fell on the burly man!

All disappeared!

As if this man's body was made by the most rigid thing in the world!

"The palace lord has an order to kill this person immediately!"

A middle-aged man said.

In the next moment, hundreds of people forced out their blood, and guided them with their hands.

The ground shakes, and all swords are sent!

Directly at the burly man Yan Kun!

Yankun's brows were solemn, but he was not afraid: "Lao Ziyun..."

The words stopped.

He remembered Yonglao's explanation, don't expose it.

Then take a pseudonym.

Suddenly, some Chinese legends that Ye Chen had talked about appeared in his mind.

"Yan Kun, there is a legend in China, this is the origin of the world.

A long time ago, the sky and the earth had not been separated, and the universe was in chaos. There is a giant named Pangu who has been sleeping for 18,000 years in this chaos.

One day, Pangu woke up suddenly.

Seeing the darkness around him, he raised his axe and slammed into the darkness in front of him. Only hearing a loud noise, the chaotic things gradually separated.

The light and clear things slowly rise and become the sky; the heavy and turbid things slowly fall and become the earth. "

"Yan Kun, this is my Chinese legend, explaining the origin of the world, my hometown, and awe of Pangu."

Yan Kun's eyes condensed, and he laughed: "I'm named Pangu!"

"Pangu, the pioneering world!"

"Split your Heavenly Dao Palace today!"

Next, Yan Kun's legs suddenly bend, and then he burst out!

The whole person actually jumped a thousand feet!

Disappeared!

The hundred elders of the Heavenly Dao Palace present had weird eyes. What kind of martial arts is this?

This person wants to run away?

However, they quickly discovered something!

Above the sky, a man clad in flames, and then descended from the sky!

Like an extraterritorial meteorite descending on the Heavenly Dao Palace!

Even, a fiery red boxing shadow appeared!

The power contained in that is too scary!

"Everyone, retreat!"

The middle-aged man spoke suddenly!

However, it is too late!

Yan Kun's fist shadow falling from the sky is getting closer!

In an instant, it touched the ground!

A force like a tsunami broke out like this!

The rock-solid ground of Tiandao Palace shattered on the spot.

The dense cracks dispersed in all directions!

At the same time a strong wave of anger rages everything!

In an instant, the elders of the Heavenly Dao Palace were all blown away!

A sound of explosion resounding through the sky followed!

Tiandao Palace seems to usher in an unprecedented earthquake!

The abyss pit, shocking!

And Yan Kun in the deep pit stood up slowly, his eyes were burning like flames in flames!

That is the fire of the universe of the universe.

He walked towards Tiandao Palace step by step!

"Xuanyuan Moxie, come and see your father!"

A roar spread all over the world!

It even spread to Xuanyuan Moxie's palace.
