Chapter 2591: Ye Biwang

Xuanyuan Moxie's eyes opened: "Kill!"

In the next second, the void around Yan Kun was torn apart.

Ten old men appeared.

These ten old men, the breath of any one person is absolutely world.

Yan Kun stopped, he knew this was a tough battle.

It seems that the Eternal Saint King is right. The outer elders he killed may not be strong, but the real power of Tiandao Palace is the deepest person.

For example, ten people in front of you.

The ten murderous intent were gathered, without any nonsense, just do it!

Boundless Sword Shadow swallowed Yan Kun.

In an instant, a wound appeared on Yan Kun's body.

Even bleeding.

How terrifying is the power that can make the universe bleed!

Yan Kun glanced at his injury, his eyes condensed, and roared, "Lao Ziyan...Pangu, don't be afraid of all enemies!"

After speaking, he just hit one of the ten people.

All he has to do is to exchange injuries for injuries!

"Boom!"

Fist to the flesh!

One of them was beaten into meat sauce by Yan Kun abruptly!

The eyes of the other nine people were a little horrified.

In their opinion, this guy named Pangu is a lunatic!

"The battle is over, the palace lord is furious, and the battle is fast!"

In an instant, the formation started.

The strength of the nine people even moved towards Yan Kun's shadow with a trace of the will of heaven!

"bump!"

Two extreme energies broke out completely at this moment!

Yan Kun's body flew out suddenly!

After all, he hasn't been too long before waking up!

Did not even restore the peak!

When you meet such a strong one, you are naturally invincible.

Yan Kun spat out a mouthful of blood, he slapped the ground fiercely, and stood up again!

"Xuanyuan Moxie, this dog son, why didn't you see Dad! Haha!"

It was another punch!

Nine separated!

One person was seriously injured!

madman!

A complete lunatic!

Yan Kun suffered more and more injuries, but at this moment he was blushing!

There was a shocking knife mark on his chest.

Even saw blood bones.

However, his brows did not frown, and he punched again!

Another person was seriously injured!

Only seven people left!

The eyes of these seven people are full of horror!

Ordinary people would die long ago with such a blow!

This guy is still alive!

And it can be hit hard!

The seven forced out their blood and pinched their fingers: "Brother, please do!"

Then, the void behind Yan Kun was torn apart.

An old man appeared.

The old man's eyes were dull, and he pointed out a finger.

Suddenly, a surge of extreme energy!

It turned into a beam of light that penetrated Yan Kun's body!

"bump!"

This time, Yan Kun hit the ground fiercely!

Out of breath!

Yan Kun held the formation and smiled.

"It seems that my trials are really not enough!"

"However, this battle is very cool! Haha!"

The old man had appeared in front of Yan Kun, his face was still plain, but he said: "Those who disturb the Heavenly Dao Palace, die!"

He pointed out!

Want to kill Yan Kun.

But at this moment, a formation suddenly appeared in Yan Kun's hand!

Array of brilliance circulating!

Yan Kun disappeared!

Moreover, there was a voice that shook the world in the entire Tiandao Palace:

"Haha, Pangu will come back again! Next time I come, I will bring my eldest brother!"

"My eldest brother is... King Ye Bian! Hahaha!"

"Xuanyuan Mo Xiegou son, wait for Lao Tzu!"

This sound is like a magic sound, which lasts for a long time.

Destined to become a shame to Tiandao Palace.

In fact, Yan Kun was secretly frightened, he almost said Ye Chen's name.

Then it's dead.

Fortunately, Ji Lin's babbled words appeared in his mind again.

Obviously, the king of Ye Bi was taken by Ji Lin.

...

In the next few days, Ye Chen, Chu Ying, Lin Yaqin and others spent this celebration together in Shenyuan City. While they were having fun, Ye Chen's reputation was completely spread!

He defeated Yu Fengxian, the true disciple of the Ghost Sword Gate, and killed the first genius of Zhenlong Temple. The power of a sword is enough to shake the law of martial arts...

All kinds of legends continue to circulate in the kingdom of God.

After the celebration of the gods, several people took the dragon cart and left Shenyuan City.

Inside the dragon cart, Lin Yaqin suddenly asked Ye Chen, "Ye Chen, can I join Shenji Sect?"

Although she is proud, she feels the importance of strength even more when facing Hua Chenxin this time!

At that time, when Ye Chen and Hua Chenxin were fighting, she could only stand aside, the feeling of being unable to wait and see, she never wanted to feel it again...

To improve strength, you need the support of Xiuwu resources!

Ye Chen smiled and said, "Even if you don't tell me, I want you to join."

After all, Lin Yaqin was too wasteful in Shen Xuanzong.

As he said, he looked at Xu Mengqiu and said, "Sect Master Xu doesn't have to worry. Even if Yaqin joins Shenjizong, he can still maintain a relationship with Shenxuanzong. I can be the master for Master. If you want, Shenxuanzong can become Shenji. A vassal of the Zong."

Xu Mengqiu was overjoyed and said, "Thank you Master Ye!"

Becoming a vassal, a disciple, can be promoted to the upper sect, and even the upper sect will give martial arts resources based on this disciple's performance in return!

Moreover, becoming a vassal of the Divine Extreme Sect is something that countless second-class forces all dream of!

Ye Chen said again: "Take Ming'er, too."

Although Yin Ming's current realm is not enough to join the Divine Extreme Sect, but Ye Chen now has the ability to protect her.

...

On this day, Ye Chen was cultivating, and suddenly his mind moved and opened his eyes.

With a flash of figure, he appeared in the hall of Shenjizong, where Yu Zhenzi waited there with a smile.

Ye Chen said: "Master."

Yu Zhenzi smiled slightly: "Ye Chen, we just received the news that the Divine Light Ceremony is about to begin in one month. Please be prepared for this period of time."

"Divine Light Ceremony?" Ye Chen was a little confused, what is the Divine Light Ceremony?

Yu Zhenzi explained: "Our Shenji Sect has a **** pillar, you know?"

Ye Chen nodded.

"The **** pillars can pass on some martial skills from the upper realm, and cultivate martial arts resources, but in fact, the **** pillars of each sect are just branches. The real core is a place called the Zhenshen Tower. The **** of town tower contains countless martial arts resources from ancient times and the land of the strong. However, it takes a lot of energy to open the **** of town tower. Therefore, it can be opened every 100 years. once."

"And every time you open the Zhenshen Pagoda and let the younger generation of disciples gather around the Zhenshen Pagoda for enlightenment, they will be called the Divine Light Ceremony by the people of the Kingdom of God!

Everyone can only participate in the Divine Light Ceremony once in their life, and this time the Divine Light Ceremony will be only a month later! "

"At that time, the entire kingdom of God, as long as it is a rank-level force, is eligible to recommend disciples to participate, but according to the status of the sect, it will decide where to be from the tower of the gods for enlightenment!"

"The position closest to the Zhenshen Tower belongs to the first-class power of the Kingdom of God! Therefore, the first-class power of the Kingdom of God has always been an invincible existence!"

Chapter 2592: What a shame!

God light ceremony!

Ye Chen's eyes lit up when he heard the words!

He now has no good way to improve his strength!

Immediately, he opened his mouth and said: "Master, can you talk more about the Divine Light Ceremony?"

Yu Zhenzi said: "Well, basically, every genius who participates in the Divine Light Ceremony, the strength can be explosively improved. When the Divine Light Ceremony is carried out, all the geniuses will receive the baptism of Divine Light in the corresponding area of the sect. Generally speaking, in the Divine Light Ceremony, the longer you persist, the greater the improvement of your strength!"

"In the Divine Light Ceremony, there are many benefits that can be obtained. For example, in the Kingdom of God, a part of the ancient martial arts and ancient martial arts techniques that have been almost lost are under the influence of the Divine Light to enhance the power of the bloodline and awaken a certain bloodline body. , Even the direct cultivation base skyrocketed, breakthrough realm, etc..."

WINK to \$1: Secure Your Spot Now!

"Once, there has even been a legend that a disciple of the ninth-class sect who possessed an extremely low-level natural law body, his sect was scattered, and he was the only one left, so by chance, he participated in the divine light ceremony. And during the ceremony, his low-level body actually mutated directly and became a very terrifying existence. That ninth-level disciple of the sect, therefore, rose strongly, bucking the trend all the way, and finally, suppressed The entire kingdom of God has become the peak overlord of a generation, stepping into the upper realm!"

"In short, this is a great opportunity to improve strength. Moreover, although there are occasional exceptions in the Divine Light Ceremony, in general, there is a rule that the more martial arts qualifications are against the sky, the benefits will be obtained during the ceremony. , The more amazing!"

"just now....."

A very bright smile appeared on Yu Zhenzi's face: "You should know how important this ceremony is to you, right?"

He was also curious about what benefits Ye Chen could get during the Divine Light Ceremony!

Ye Chen killed Hua Chenxin, enough to show Ye Chen's amazing talent and strength! Even in the history of the Kingdom of God, it is difficult to see a monster like Ye Chen, such a terrifying qualification for martial arts, can it break out in the Divine Light Ceremony?

Ha ha.....

Shenjizong is about to rise! After this divine light ceremony, it must rise!

Ye Chen nodded, also full of excitement, and said: "Then, the disciple will prepare first."

"Wait." Yu Zhenzi suddenly took out a jade slip and said: "I heard that you are collecting various high-level martial arts recently? This is a classic of half-step ancient martial arts traded for a teacher. , Take it to practice."

Ye Chen was taken aback for a moment, and a moment of emotion flashed in his eyes!

Yu Mako, although he said it lightly, he knew that this half-step ancient martial art was hard-won!

Half a step of ancient martial arts, even the martial arts of Zhenzong as a first-class force, is enough!

How could it be possible to change to hands casually? Moreover, it is the original text!

I am afraid that Shenjizong has paid unimaginable resources for it, right?

Just because I needed it, I changed it!

Zongmen is really not thin to himself!

Ye Chen didn't say much, and accepted this jade slip, and said to Yu Zhenzi, "Thank you, Master!"

In his heart, there was warmth. He has always had grievances and grievances clear. Shenjizong is kind to him and he will not forget. At the same time, he is even more looking forward to the divine light ceremony!

He must, in the Divine Light Ceremony, behave well and return to the sect!

Yu Zhenzi smiled and said to Ye Chen: "Okay, go back to practice."

It is indeed a great price to redeem this half-step ancient-level martial arts, and it costs one-tenth of the background. Although, if you redeem the copied version, it can be much cheaper, but Yu Mako knows that the higher the martial arts, the original. , The more important!

If a little bit of charm is not in place, the whole martial arts cheats will be abandoned! Even if it is successfully copied, there will be differences in martial arts rhyme, power, etc. Yu Mako does not allow the slightest difference!

Moreover, the original texts of advanced martial arts will contain a trace of pure divine intent left by the author. This divine intent is very important!

However, every martial artist who uses the original canon will consume the divine will. For this reason, even Yu Zhenzi himself did not comprehend this martial art, so he directly handed it over to Ye Chen!

Since it was exchanged for Ye Chen, it is natural to exchange the best!

Moreover, he didn't feel at all a loss, regret it!

It should be paid for Ye Chen, otherwise, why should Ye Chen return the sect?

He saw it clearly! Ye Chen is stronger, that is, Shenjizong is stronger!

How could you suffer?

He even regarded Ye Chen as his child.

He is willing to give all resources for Ye Chen!

Even your own life!

...

At the same time, the Kingdom of God, the Palace of Heaven.

Dozens of elders knelt on the main hall.

The atmosphere is extremely solemn.

At the top of the hall, there was a man wearing a golden dragon robe.

Under the man, there was a mighty dragon lying on his back.

Shenlong's eyes were closed tightly, and a strong flame was burning above the long dragon beard.

Even the temperature of the entire hall rose a bit.

Xuanyuan Moxie stood up, stared at the old man below the stage, and violently threw a jade slip in his hand onto an old man!

The violent power even faintly made the old man back down a bit.

To know the aura of this old man, but Zhan'er Peak!

Although he is not the top powerhouse of the Heavenly Dao Palace, he is considered to be a powerhouse when looking at the entire kingdom of God.

Above the hall, there were violent storms.

The killing intent was even continuously released on Xuanyuan Moxie's body!

"Trash! A bunch of useless trash!"

"What does Tiandao Palace raise your group of people for!"

"A stinky kid violently killed the Heavenly Dao Palace under your nose, wounding hundreds of elders!"

"He left safely!"

"You trash, what right do you have to stand in front of me!"

No one in the audience dared to speak.

They knew that if this knotty eye touched Xuanyuan Moxie's brow, it would really be dead.

After a brief anger, Xuanyuan Moxie calmed down.

He sat back in his original position and threw another jade slip out!

"Not long ago, the mission to assassinate that mysterious young man also failed."

"Why did I only find out now that the Heavenly Dao Palace raises a bunch of waste?"

"Does it have to use those retreat elders?"

"Since the Lingwu Continent, our Tiandao Palace has been led by others, the eternal holy king, the devil, the mysterious young man, now there is one more...Pangu!"

"It's a big tone, that reckless man tried to open up the world! This is to provoke me Xuanyuan Moxie's insult!"

"With so many people, I can't beat a reckless man who doesn't use any martial skills! You are a real waste!"

"Shame! It's a shameful shame from Heavenly Dao Palace!"

Chapter 2593: Never underestimate

A few seconds later, Xuanyuan Moxie continued: "Fine, I don't want to pursue this matter today, I just hope you can bring back that little beast! Elder Chen, what clues did you find when you fought against that guy?"

An old man with chills all over stood up, arched his hands, and pondered for a moment: "Although that person didn't use any martial arts at the time, I can feel that this person's blood is very special!"

"Familiar again!"

"A bit like....."

Xuanyuan Moxie frowned and immediately said, "Who is it like?"

Elder Chen hesitated for a moment, but still said: "The blood of the universe..."

"The Qiankun clan is a protoss, and the person called Pangu is extremely powerful in flesh, which is in line with the saying of the Qiankun clan."

"It's just that the Qiankun clan has been clearly destroyed, and no one has survived. Why did someone so similar suddenly appear?"

"The minister does not understand."

"The time span is too long, it should be impossible for God to have such talents..."

"This is the most difficult part of the investigation."

Xuanyuan Moxie closed his eyes, as if he had caught some clue.

Suddenly, his eyes opened.

Those eyes were hideous and murderous.

Xuanyuan Moxie suddenly smiled: "This Pangu incident reminds me of the Lingwu Continent Universe Killing Territory."

"Not long ago, the Universe Killing Domain changed, and the will of Heaven came."

"That mysterious young man who can't be captured by heaven is also among them..."

"It seems that everything is connected."

"This person is called Pangu. It is absolutely impossible to appear out of thin air."

"Interesting, very interesting."

"If I guessed correctly, this Pangu should have some connection with the mysterious young man."

"As for why I suddenly attacked Heavenly Dao Palace... Maybe someone wants to interrupt my Heavenly Dao Palace."

The eyes of Elder Chen and many elders all brightened together: "The palace lord is wise!"

"But..." Xuanyuan Moxie said suddenly, "If we want to know more, maybe we shouldn't look for the person named Pangu."

"Instead, I went to meet that guy."

"That, an unexpected harvest brought back from Qiankun Killing Domain."

At this moment, Xuanyuan Moxie's eyes were filled with cold killing intent.

This killing intent is monstrous.

He stood up, his sleeves shook: "You get back."

Many elders naturally understood what Xuanyuan Moxie was going to do, and disappeared above the hall in an instant.

When everyone disappeared, Xuanyuan Moxie came to a mural, and his five fingers touched the mural.

A light blue light flickered.

The mural is open!

Within the mural, there is no cave.

It was a dark world, without a trace of spiritual power fluctuations, and it was quiet like purgatory.

Xuanyuan Moxie passed through a corridor full of runes.

The corridor was actually covered with dense runes.

The symbols on the runes do not belong to the Lingwu Continent, let alone the Kingdom of God.

Extremely obscure!

As if suppressing something.

Soon, Xuanyuan Moxie stopped.

In front of him is an independent prison.

Every place in the prison exudes an extremely strange atmosphere.

This is a kind of sky stone outside the territory.

Priceless!

One piece is far more than tens of millions of divine marbles!

What's more, this prison is all made of this kind of sky stone.

In the prison, a middle-aged man wearing armor closed his eyes tightly.

His whole body was bound by an invisible chain.

Two weapons with a strong breath were inserted beside the man.

A spear revealing endless killing intent.

A huge bow entwined with a monstrous fighting spirit.

The bowstring did not move.

As if the silence before death.

If the bowstring moves, the sky will fall apart!

Even when he felt someone appear outside the prison, the man's eyes were still closed.

Furui does not wave.

Xuanyuan Moxie stared at the man in the prison for a few seconds before suddenly applauding, "As expected of the Lingtian Arrow God that shakes the kingdom of God, he doesn't move a bit, but also exudes a strong sense of martial arts."

"Perhaps, trapping you, a little difficult for you?"

"I heard that the arrow **** Ling Tian shot a shocking arrow in the battle between the kingdom of God and the demon outside the territory, shaking the sky."

"Although I didn't witness it with my own eyes, I am really interested."

"Or, I will release your prohibition and you shoot an arrow for me, how about?"

Ling Tian Jian Shen still had no response.

Xuanyuan Moxie was not surprised, and continued, "Do you know why I didn't confiscate your weapons?"

"I just want you to feel that kind of powerlessness."

"I heard that your weapon is as heavy as a mountain. No one in the world can lift it except you."

"Once you move the strings, the strong chaos will be afraid."

"Why is such a strong person trapped in this small prison."

Xuanyuan Mo turned around and continued: "I came to you today to give you a chance to leave."

"What did you see in the realm of cosmic killing! I want to know, what is the name of the young man who is contaminated with you by cause and effect!"

"As long as you tell me, I will set you free immediately!"

However, Ling Tian Jian Shen still closed his eyes.

Not being fluctuated by anything, the peace of mind.

Just as Xuanyuan Moxie wanted to say something, a cold and bone-cutting voice suddenly sounded: "Go away."

This is the only word spoken by Ling Tianjian.

The next moment, Xuanyuan Moxie's expression was extremely hideous.

He pinched his finger, and instantly, the prison was flooded with lightning.

The thunder and lightning that exceeds the power of chaos can obliterate everything.

But Ling Tianjianshen's brows did not frown, and he was extremely calm.

After an hour.

Xuanyuan Moxie left.

In the gloomy prison, the eyes of the shady man's face suddenly opened.

The extremely strong spirit even made the entire cage shake a bit.

"Ye Chen, you may be my only hope for leaving this place."

...

The second of the ten most forbidden places in the Kingdom of God.

Blood Sea Valley.

A burly man with scars all over his body opened his eyes with difficulty.

If you look closely, you will inevitably find that the scars on the burly man are healing on his own.

Above the wound is the fire of the universe.

This is the biggest characteristic of the Qiankun clan.

This person is Yan Kun.

Yan Kun opened his eyes, exhaled a sullen breath, thumped his hands on the ground, and stood up abruptly.

He moved his neck a bit, and said grinningly: "Dog miscellaneous Xuanyuan Moxie, this hatred, I remember!"

"Don't let me catch it!"

"Otherwise, Lao Tzu is a blasting hammer!"

After finishing , he looked around, and when he saw an old man drinking, he quickly walked over.

"Forever."

The Eternal Saint King took a sip of wine and said lightly: "Do you know the gap between you and Heavenly Dao Palace?"

Although Yan Kun was a little unhappy, he still said, "I know."

The Eternal Sage King opened his eyes and surged coldly: "Yan Kun, the Heavenly Dao Palace you see is only the tip of the iceberg."

"The existence that can control a part of the power of heaven can never be underestimated."

"Remember, although you have the blood of the Qiankun clan, you must never despise anyone."

"That will kill you."

"It will even kill your brother."

Chapter 2594: New power! come out!

At this moment, Yan Kun's arrogant expression suddenly changed.

Became extremely serious.

Anything that involves elder brother is the top priority for him.

"Forever, I know. From now on, I will never despise anyone and strive to improve my strength."

The Eternal Saint King nodded in satisfaction, and within a few steps he came to a chessboard.

He sat down, pointed to one of the chess pieces and said:

"Yan Kun, Ye Chen is the most important existence in this ancient chessboard."

"In the rules of the chess game, he is the general that all chess pieces must guard."

"And you, in this game of chess, not only exist as an offensive, but also as a guardian general."

"The burden on you is very heavy."

"This is one of the reasons why I gave you special training."

Yankun's face was filled with determination.

Suddenly, he said: "Big Brother is also a chess piece?"

The Eternal Saint King shook his head: "His identity is too special, he may be a chess player."

"If he loses, this game will be completely over."

"You, me, and all of you lost."

"Understand?"

Although Yan Kun was still a little confused, he nodded: "Old Yong, what should I do next?"

The Eternal Saint King raised his head, stretched out his hand, pointed at the sea of blood, and said: "It's too early for you to go to the battlefield outside the territory. Right now, your enemy is this sea of blood."

"When you can smash this sea of blood with endless gravity, you can go to see your big brother."

Yan Kun looked at the sea of blood, his expression was solemn, his legs bent, and suddenly burst out!

Go to the sky!

Then he punched that piece of blood!

"bump!"

The endless force touched at this moment.

Yan Kun thought that a sea of blood would set off a stormy sea.

However, the sea of blood did not fluctuate.

Moreover, his hands are already bloody.

Afterwards, the ethereal voice of the Eternal Holy King came: "This is the Dead Sea of the Kingdom of God. It is the blood of a giant beast outside the territory."

"It is full of death."

"Even, you will be in danger."

In the next second, a sea of blood was surging, forming a huge vortex, involving Yan Kun.

Yankun's whole body burned the fire of the universe.

Fire and water are at odds with each other.

This is Yan Kun's trial.

...

Ye Chen returned to his residence from Yu Zhenzi.

As soon as he opened the door, he felt a strong breath surge.

His eyes condensed and he closed the door quickly.

The next moment, the black stone in his pocket flew out.

Suspended in midair.

Just as Ye Chen wanted to reach out and touch, he was inhaled by a force of strength!

In an instant, he appeared in the reincarnation cemetery.

To his surprise, the two stood opposite each other in the reincarnation cemetery.

The atmosphere is extremely weird.

These two are not others, they are Canggu medical **** and Kuangwu overlord.

They actually confronted each other?

Kuangwu Overlord set off gusts of wind around his body, endless killing intent surged.

And the ancient medical **** Canggu surrounded his body with golden needles, holding a disc in his hand.

"Old man, old man, which is the trouble between you two?"

However, before Ye Chen finished speaking, Cangu Medical God and Kuangwu Overlord said in unison: "Noisy!"

Ye Chen: "..."

Ye Chen also served these two people.

Lao Cang and Lao Kuang have been in the Cemetery of Reincarnation for some time, their grievances have not been resolved yet?

Ye Chen simply found a place to sit down, and he also wanted to see who was stronger.

The intent of the violent overlord's martial arts continued to condense, and his eyes stared at the ancient medical **** Cangu like fire: "The ancient medical **** Cangu, although you are just a divine thought, today, I will let you feel what is monstrous anger. "

Knowing that he has nowhere to go, Cangu doctor god, holding the formation in his hand, quickly pinched his fingers: "Although I have studied medicine all my life, the martial arts are not weak at all."

"Today, let you feel my dragon hunting and breaking formation technique!"

The madman overlord smiled coldly: "District magic, what counts before the meaning of martial arts, if you don't punish you today, I will not be called the madman overlord! I will be called the mad dog overlord!"

Although both of them are divine minds, but the Kuangwu Overlord has absolute confidence.

The ancient medical **** Cang did not show any weakness: "What a tortoise overlord! If my ancient medical **** Cang hides for a while, I will change my name to the ancient medical god!"

In the next second, the two people gather together, and a shocking blow will be performed in the cemetery of Samsara!

Ye Chen felt bad and stepped back a hundred meters.

At the moment when the two extreme forces were about to collide, a sea of golden arrows suddenly appeared above the reincarnation cemetery!

The sea of arrows is coming violently like a giant beast!

A tombstone suddenly shone with dazzling golden light!

"this is....."

Ye Chen's expression was horrified. Obviously, there was a tombstone that could be moved.

I didn't do anything, why did this tombstone suddenly show a vision?

What did he think of, his gaze looked at the Kuangwu Overlord and Canggu Medical God!

I thought the two would do it effortlessly, but I didn't expect the eyes of the two to cross! Retract in an instant!

Everything is calm!

Then the two separated and returned to each other's tombstones.

"Visitors from the reincarnation cemetery today, it is not suitable for a duel, and another fight another day!"

"Okay! I have this intention too! Canggu, next time, I will definitely want you to lose completely!"

Ye Chen: "..."

If I don't punish you today, I'll change my name to the Overlord of the Rabies. ??

If you say that today, if you hide for a while, you will change your name to the ancient medicine god???

Ye Chen was a little bit ridiculous, his eyes fell on the tombstone.

He found that this tombstone was the same as other tombstones.

There was a huge bow floating above the tombstone.

Ye Chen had seen many bows and arrows, but he was still awed when he saw the giant bow.

What a domineering bow!

He just wanted to try to arouse, a strong breath vibrated.

His body was pushed away on the spot.

Obviously, I don't want to be disturbed.

Ye Chen shook his head helplessly, and didn't intend to bother.

He still has too much to do.

Refine the Chaos Star Tree and the Fire of Emperor Lin.

But before that, he has to comprehend two things!

Now, he has two half-step ancient martial arts in his hand One is from Hua Chenxin's Nine Dragons Destruction of the World, and the other is given to him by Yu Zhenzi, named Ling Huangzhen Extreme palm!

One month before the opening of the Shengguang ceremony, it was just used to comprehend these two martial arts!

...

A month later, several people had gathered outside Ye Chen's house, including Yu Zhenzi, several elders, Tu Lanxin, Chu Ying, Lin Yaqin, Zhou Yuanxin, Wen Miner, etc...

Seeing them, they are obviously waiting for Ye Chen!

If the warriors of other first-class forces knew, they would definitely drop their jaws!

A disciple, let so many big people wait together?

Incredible!

Chu Ying said anxiously, "I'm going to the Zhenshen Pagoda soon, why has Ye Chen not left the pass?"

Tu Lanxin also frowned slightly: "Wait another half an hour, if Ye Chen has not finished his cultivation, he will have to interrupt him. The Divine Light Ceremony, don't miss it."

Chapter 2595: breakthrough!

At this moment, suddenly, a burst of martial arts charm spread out from Ye Chen's house. When everyone felt this breath, their pupils shrank!

At the next moment, Ye Chen appeared in front of everyone with a smile on his face and said: "Let everyone wait a long time!"

Yu Zhenzi looked happy: "Ye Chen, you have improved again!"

Ye Chen nodded: "Thanks to the cultivation of the master and the sect, this retreat has yielded a little."

This time, he digested another layer of martial arts!

And the cultivation base has also stepped into the third layer of the emptiness!

"Let's go!" Yu Zhenzi said.

Then, he led everyone, and a group of disciples of the gods, to the place where the gods of the gods were!

Many of the disciples who had come into close contact with this sacred pillar for the first time, looked at the extremely thick, dazzling white light, and straight through the sky, they were extremely shocked!

Even Ye Chen narrowed his eyes slightly!

Yu Zhenzi said: "We have to enter this sacred pillar and directly teleport to the location of the town **** tower!"

It's a bit late, but it doesn't matter.

A towering towering into the clouds, with white light lingering in its entire body, a magnificent ten thousand-foot high tower, standing on the ground, around the tower, it is like a barren land in ancient times.

Above the earth, there were countless white lights suddenly surging. These white lights were thick and thin, circle by circle, around the tower, and divided into nine floors!

And the thicker the white light, the closer this tower is! The closest to the tower are some extremely thick beams of light!

This tower is naturally the Zhenshen Tower!

Looking around, there are densely packed figures on the earth, and many powerful people have already arrived.

At this moment, in one of the light beams on the third floor, suddenly, a group of people flashed!

This beam of light belongs to Long Yuanzong!

At the moment when the people of Long Yuanzong showed up, with a scream, countless eyes shot towards them.

Although Long Yuanzong's strength is good, it ranks among the ranks of the third-class sects, but there are countless powerful forces present today. Why does a Long Yuanzong attract so many people's attention?

The reason was a woman from Long Yuanzong.

A woman who is beautiful to the extreme, just like a human being!

This woman is Yin Ming!

Although Yin Ming's cultivation is not too high, everyone in Long Yuanzong, including the Sect Master, looks extremely respectful to her!

Yin Ming didn't hide her face at this time. She knew that in front of the strong, ordinary covering up was useless.

Ye Chen, although he had brought Yin Ming to the Divine Supreme Sect before, but despite this period of time, Yin Ming had practiced extremely hard and had broken through many realms, but still could not reach the standard of Divine Supreme Sect.

Although Ye Chen can keep Yin Ming in the Divine Extreme Sect, he can't change the rules at will. After all, not everyone can be treated like him.

Therefore, Yin Ming is not a disciple of Shenjizong, so naturally he cannot follow Shenjizong to participate in this divine light ceremony.

However, how could Ye Chen let Yin Ming miss such an opportunity?

Yin Ming's cultivation is enough to join Long Yuanzong. As a third-class sect, Long Yuanzong's position is not bad.

Therefore, Ye Chen and Long Chen greeted each other and let Yin Ming enter Long Yuanzong first.

Naturally, Long Chen would not refuse. Recently, he had heard about Ye Chen's rumors!

I can't ask for something to have a relationship with Ye Chen!

It is even beneficial to the entire Long Yuanzong!

but! Long Chen still underestimated Yin Ming's appearance and the lethality it caused! This is so **** conspicuous! Countless people are watching them!

Yin Ming's expression was indifferent. Since she took off the mask, she has become accustomed to other people's gazes, and will not care too much in her heart.

But at this time, I felt that among those second-class or even first-class forces, Long Chen and the others, who were strong in the eyes, were sweating and sweating constantly, extremely nervous and frightened!

Especially Long Chen, with an expression about to cry!

They didn't know, what would they do if someone came to strike up a conversation with Yin Ming?

Drive away? Retreat?

Those first- and second-class forces are all the existence that can wipe out Long Yuanzong with their fingers! Every time the **** light ceremony, there will be some small forces, because of some inexplicable reasons, they are annihilated...

Although Long Yuanzong is not small, in front of the real behemoth, it is probably not very different from the nine-class sect.

So, how dare they do this?

But, regardless of Yin Ming? That's even more impossible...

If you do that, how can you explain to Ye Chen! ?

Simply entangled to death!

Who is Ye Chen's women, all of them are so top-notch? As the saying goes, everyone is not guilty! For women, this is actually the same!

A woman who is too beautiful, not a Long Yuanzong, can tolerate it!

The conflict between Shen Xuanzong and Lei's family is actually just an example.

Everything is also caused by Lin Yaqin's beauty, isn't it?

If in normal times, keep a low profile, it's nothing, but this is a divine light ceremony! If you want to be low-key, you can't be low-key!

Long Chen lowered his head slightly, and glanced at the location of the first-class power with an unmoving expression, his complexion could not help but become even more ugly, the people of the Shenji Sect had not arrived yet!

They had already arrived late on purpose, in order to be able to be there after Shenjizong, with the protection of Shenjizong, who would dare to trouble them?

However, what he never expected was that Shenjizong, I don't know why, he was late!

Gradually, Yin Ming's expression also changed a little...

Because she felt the eyes of many strong people!

Those strong men who just looked at her, made her feel fear from the soul, and trembling, were watching her greedily!

Cold sweat, sliding down Yin Ming's beautiful face...

When Long Chen saw it, he gritted his teeth and his figure flickered, blocking Yin Ming's body, blocking the pressure of those eyes for her...

He secretly prayed, this is a divine light ritual, those strong, should they still point their faces?

Wouldn't you just take other female disciples from other sects on this occasion?

However, there is never a shortage of shameless people in this world, right?

At this moment, a man dressed in a light gray robe with a strange human shape imprinted on it was a burly, masculine, bronze-colored complexion, a tough and handsome face, and his eyes were radiant, like a young man with a sharp sword. With a slightly domineering smile on his face, he walked in the direction of Long Yuanzong.

Long Chen and others looked at the man who came, but their eyes trembled!

The body shook involuntarily!

Sun Wuwang! It turned out to be Sun Wuwang!

This person, in the kingdom of God, is also a famous evildoer!

Chapter 2596: 1 word, get out!

Sun Wuwang, the first-class sect of the wild bones, has one of the supreme divine bodies, the ultimate enchantment of fighting the sacrament, and even self-proclaimed King Kong Dou Emperor Sun Wuwang!

The word emperor is not something ordinary people can block!

It's not something that the Evil Slayer Realm can use casually!

And Sun Wuwang's cultivation base is Zhan E's Fourth Heaven!

Zhan'e four-layer heaven with a divine body! Can casually leapfrog the level to kill the general Zhan'er Fifth Heaven and even a stronger existence!

Wuming is the best example!

It is said that under the blessing of the Holy Physique of Fighting, its combat power cannot be directly seen!

WINK to \$1: Secure Your Spot Now!

If not, Sun Wuwang has not many shots in the Kingdom of God, and if he has less record, he will definitely be famous in the Kingdom of God!

At this time, in the wild land, many strong men saw Sun Wuwang approaching Yin Ming, and they all looked back. They didn't want to provoke Sun Wuwang, let alone provoke the mad bones!

The people of the mad bones have a special feature. Fighting is not dead!

Among the mad bones, there are a lot of physical training, and the vitality and defense power of physical training are not comparable to ordinary martial arts practitioners. Therefore, they have crazy, lifeless capital.

"It turned out to be Sun Wuwang? Now, this Long Yuanzong is going to be miserable."

"I heard that Sun Wuwang made very few shots, but if he provoked his forces, he ended up terribly, almost all of them were destroyed by the clan!"

"That woman is indeed beautiful, but her strength is really unsightly. Such a woman can only be a vassal of a man, and she has no choice."

"Long Yuanzong, bringing such a woman to participate in the Divine Light Ceremony is simply looking for death!"

Long Chen stared at Sun Wuwang, who was walking slowly, his pupils trembled frantically. He suppressed the fear in his heart and whispered to Yin Ming, "This man is very strong! Let me speak for a while. Don't irritate this person." Especially, before the Divine Extreme Sect reaches this wild land!"

After finishing speaking, Long Chen himself was a bit nervous. After all, Crazy Bone Sect and Shenji Sect were both ranked first-class powers, but Crazy Bone Sect, but the existence of the first-class power surpassing Shenji Sect!

It can be said to be a better grade than the lowest Shenjizong!

Even if Shenjizong is here, he is really sure that he can hold this Sun Wuwang?

Yin Ming's pretty face was also pale at this time. Hearing this, she nodded slightly. She didn't know Sun Wuwang, but she could feel how terrifying Sun Wuwang was! Just looking at the figure of Sun Wuwang coming, he almost collapsed!

Yin Ming, although he is also very proud, but pride is not stupid...

Facing a strong man like Sun Wuwang, talking nonsense, just looking for death...

Soon, Sun Wuwang came to the location of Long Yuanzong.

He is more than two meters tall, a full head taller than Long Chen!

He looked down at Long Chen standing in front of Yin Ming with cold eyes.

Long Chen swallowed, barely squeezed out a smile, and said, "Master Sun, what's the matter with you coming to our Long Yuanzong?"

Sun Wuwang looked at Long Chen and only said one word.

One, extremely overbearing word!

"roll."

Everyone in Long Yuanzong felt a chill in their hearts!

They didn't plan to be able to stop Sun Wuwang, but at least they could delay a moment by words?

And Sun Wuwang is actually overbearing to this degree?

Then, I don't want to say one more thing. I cherish the word as gold, and only said a roll?

How do people pick it up! ?

After Long Chen heard the word rolling, blood surged in his body and his scalp numb. In an instant, he was forced into a desperate situation!

He opened his mouth, as if he wanted to say something...

But the moment he opened his mouth, Sun Wuwang's eyes were cold!

What he hates most is that others talk too much nonsense!

If you ask you to roll, you just roll, and you still have to speak?

Don't you take what my grandson Wuwang said! ?

With a bang, a dazzling golden light rose from Sun Wuwang's body!

One of the supreme divine bodies, the owner of the fighting sacrament, that is so unique, powerful, and even the aura that has made many first- and second-class sect powerhouses shocked, and rushes away!

Everyone around gave out an exclamation!

This breath is against the sky!

In the breath, there is endless fighting spirit! Almost, it must be materialized! Even if they did not face it directly, just a ray of golden light escaping made the people of the third-class and even second-class sects nearby feel unbearable!

"puff!"

As the Young Sect Master of Long Yuanzong, Long Chen looks young, but in fact, he is several thousand years old, and his cultivation is not weak!

But at this time, in front of Sun Wuwang, who only released his breath, there was no resistance at all!

Long Chen vomited blood and made a sound of broken bones all over his body. His body was like a broken kite. He was shocked by the breath and flew backwards. In the blink of an eye, he flew past the position of the nine-level force!

The lord of Long Yuanzong Long Yang, saw his eyes split, and his heart was broken. His only precious son, just like this, was seriously injured in front of him!

However, even though Long Yang's heart was burned to ashes with anger, the killing intent was in his brain, swelling infinitely, and his muscles were so tight that he could no longer be taut, but he did not dare to show the slightest resentment!

He can be regarded as an old antiquity of witnessing the history of the kingdom of God, but he knows his strength, and the genius in front of him who has the supreme divine body and is not more than a hundred years old is a world away!

Facing Sun Wuwang, Long Yang will not be much better than Long Chen! The breath that Sun Wuwang exploded just now, although he could resist it!

And the cultivation base is higher than Sun Wuwang, but he dare not make a move!

Don't dare to offend the forces behind Sun Wuwang!

too scary!

The next moment, Long Yang's figure flickered, and he caught up with Long Chen, who was knocked into the air. He looked at his weakened, bloody, and blurred son, and he was so distressed that he would cry!

And Yin Ming, looking at Sun Wuwang in front of him, his consciousness was about to collapse...

Is that human being?

Sun Wuwang looked at Yin Ming, his expression lightened a bit, and even put on a smile.

He smiled at Yin Ming and said: "This fairy, being polite, there is no hope for the grandson of the mad bones, can you ask the fairy Fang name?"

Hearing this, everyone in the wild land couldn't help being taken aback!

This Sun Wuwang is actually quite polite to women?

Strong, good for women? This is too good, right?

After Sun Wuwang showed his strength, many women looked at Yin Ming with great envy. If Sun Wuwang talked to them like this, they would have already posted on Sun Wuwang, right?

Yin Ming naturally wouldn't stick to Sun Wuwang's body, but at this time he also looked a little unnaturally and said, "My name is Yin Ming..."

Sun Wuwang is indeed very good, but the reason Yin Ming told him his name was naturally not because he was attracted to Sun Wuwang...

In her heart, there is only one man for eternal life.

That is Ye Chen!

Chapter 2597: apologize!

It's just that now, since Long Chen has failed, he can only rely on himself to delay time...

She couldn't help but pray in her heart...

Ye Chen, show up soon!

"Yin Ming..."

Sun Wuwang chewed the name and said with a smile: "Good name!"

With that said, Sun Wuwang suddenly looked at Yin Ming with extreme sincerity and said, "Miss Yin, my Sun Wuwang is in love with you at first sight. If so, you don't have anyone you like, can you think about it?"

Sun Wuwang is domineering. He is indeed domineering. At the same time, he is very casual and doesn't care about the eyes of others.

However, it is not completely without principles. If Yin Ming already has someone he likes, although he will not give up, he will not be too forceful.

However, no one knows what kind of person Sun Wuwang is!

Yin Ming lowered his head slightly and said nothing.

She was worried that if she said Ye Chen's name, she would not only offend Sun Wuwang, but what worries her the most was that it would affect Ye Chen!

That day, Hua Chenxin and Ye Chen were in conflict because of this?

Although she trusted Ye Chen incomparably and didn't think Ye Chen would lose to Sun Wuwang, Shenguangyi was about to start!

Fighting is happening at this time. What should I do if I am injured and it affects the next Divine Light Ceremony?

Yin Ming, never want to see Ye Chen affect the infinitely brilliant future because of him!

However, Yin Ming thinks so, others don't think so!

Yin Ming is now a member of Long Yuanzong in name. If she is unwilling to say Ye Chen's name, but refuses Sun Wuwang by herself, she is more likely to offend Sun Wuwang, and it is also likely to affect Long Yuanzong's Everyone!

A woman from Long Yuanzong said to Sun Wuwang tremblingly: "This, this girl Yin is the goddess Sect, the woman of Ye Chen Ye!"

Speaking of Ye Chen, Sun Wuwang may still be afraid of Ye Chen's strength and background, and retreat, isn't it?

Moreover, even if it doesn't help, at least, you can transfer the trouble to Ye Chen's side!

Even though the disciples of Long Yuanzong were in awe of Ye Chen, no matter how much they were in awe, they were no better than the terrifying man standing in front of them! Even if you die, you can die later, right?

But when everyone around heard the words, they all showed weird looks!

Ye Chen!

Ye Chen again!

Haven't they just heard of Ye Chen's reputation some time ago?

It seems, because of an extremely beautiful woman, that woman is called Lin Yaqin? And clash with Hua Chenxin, kill Hua Chenxin with one sword, and become famous in the kingdom of God?

Everyone couldn't help showing incomparable envy and unbelievable eyes...

Ye Chen, how many top-quality women are there!

"Ye Chen?"

But Sun Wuwang frowned slightly, as if he had never heard the name!

In his impression, there seems to be no evildoer in the kingdom of God today, Ye Chen?

Strange, I can only blame Ye Chen's rise too fast, and Sun Wuwang, during the period of Ye Chen's rise, happened to be in retreat, not hearing things outside the window!

Until today, before the start of the Divine Light Ceremony, they did not go out.

Moreover, he has never been very interested in the deeds and fame of other people.

He couldn't help asking, "Who is this Ye Chen? Very good?"

He wanted to come, only the most outstanding evildoer is worthy of such a beauty as Yin Ming.

Just when everyone didn't know how to answer, suddenly, a thick beam of light next to the tower of the town god, suddenly, brightened!

Several figures appeared in the beam of light!

At this moment, a faint male voice sounded from behind Sun Wuwang: "I am Ye Chen."

At this moment, a young man stood behind Sun Wuwang with an indifferent expression, not Ye Chen, who else!

Ye Chen, finally here!

His gaze fell on Sun Wuwang. Just now, when he was teleporting from Shenzhu to this point, he just heard the words Sun Wuwang asked.

Everyone in Long Yuanzong was agitated when they saw Ye Chen appear! Their saviour is finally here!

"Master Ye, you are here!"

"Master Ye, this grandson, wants to meet Girl Yin!"

"Young Master Ye is here! Great!"

At this time, Long Yang also brought the injured Long Chen back to Long Yuanzong's position.

Sun Wuwang turned around and looked at Ye Chen behind him, but in his eyes, there was a very strong and strange color flashing!

He can't read it wrong, right?

Tai Xujing?

He originally thought that Ye Chen had cut at least five layers of heaven.

But I didn't expect it to be too virtual?

Is this kind of person worthy of a fairy like Miss Yin?

He really didn't know, where did Miss Yin like this little white face?

For Sun Wuwang, Yin Ming's pairing with Ye Chen means flowers on the cow dung!

It's a violent thing!

He looked at Ye Chen's gaze, and gradually became uncomfortable.

And Ye Chen, after hearing the words of the people of Long Yuanzong and seeing Long Chen who was carried back, his eyes became cold.

At this time, Long Chen, who had taken the medicine pill and was barely able to speak, was actually struggling to kneel in front of Ye Chen regardless of his injury, lowered his head, and said to Ye Chen hoarsely: "Ye Gongzi, I'm sorry. , I am incompetent..."

What he said, naturally did not block Sun Wuwang.

Upon seeing this, Sun Wuwang frowned. Although Long Chen was rubbish, his cultivation was not bad.

Kneel down to a Taixu Martial Artist?

However, the next moment, his brows were stretched out.

This Long Yuanzong guy, should, want to cling to the background of this Shenjizong? Only waste, I like to rely on background!

Ye Chen waved his hand and shot a **** pill at Long Chen, and said lightly: "It's none of your business, you have done your best."

Long Chen is already badly injured, so do you want to blame? Could it be that Long Chen has to be dead?

Ye Chen is not such a person.

He has always been grudges.

No matter what attitude Long Chen had towards him at the beginning, now Long Chen is doing things for him! And is a dedication!

Then Ye Chen would treat Long Chen as his own.

Long Chen was injured while helping him with errands?

Then, Ye Chen, he has to deal with it!

Ye Chen said coldly to Sun Wuwang, "You did it?"

Sun Wuwang was taken aback when he heard the words, then smiled...

Interesting, too interesting, a too virtual realm, questioning him?

Sun Wuwang met Ye Chen's gaze and couldn't help but sneered: "Yes, I did it, what do you want?"

"What do you want?"

At the corner of Ye Chen's mouth, a smile was raised: "You, a three-year-old child? I don't know what to do? Is it necessary for me to teach you? Huh?"

His tone suddenly came down and said: "If you hit someone, you will naturally apologize!"

Chapter 2598: you dare!

Dead!

The barren land where the **** tower of this town is located has fallen into dead silence!

Everyone looked at Ye Chen in disbelief...

Too crazy! Too confident!

Before the start of this sacred light ceremony, he spoke to Sun Wuwang, who has the Eucharist of Fighting, to teach and ridicule!

This is a bet on your own future!

An intent to fight from the sky, erupting from Sun Wuwang's body, was accompanied by endless anger!

Although Sun Wuwang is a principled person, he is also extremely good-looking! He hates it the most, others speak to him in a teaching tone!

Now, in front of almost the entire kingdom of God, large and small forces, was touched Ni Lin by a too imaginary waste?

How can he tolerate this! ?

"Interesting." Sun Wuwang was surrounded by golden light, and his fighting spirit was burning. He looked at Ye Chen like a **** of war, and said: "You are the first one who dares to speak to me in this tone!"

"I will let you know that you did a stupid thing just now!"

"is it?"

Ye Chensen smiled, and an evil spirit flashed across his face: "In your tone, there are many people who talk to me..."

"It's a pity, no one can live!"

The next moment, a dazzling golden light, erupting from Sun Wuwang's whole body, he flipped his wrist and held a long black gold stick with ancient aura and billowing evil aura. On the stick, there were countless mysterious runes inscribed, the moment he appeared. , It turned out that the surrounding space was slightly distorted and looked extremely heavy!

Ye Chen's pupils shrank, and this long stick was a weapon far beyond ancient weapons!

It may even be an absolute weapon.

Although he has two magical weapons that he exchanged for his medical skills from the hand of Emperor Lincheng.

But there were some problems with that absolute weapon, it was incomplete, not as good as the ancient one.

And Sun Wuwang's weapon is enough to be used as a patriarchal weapon of the first-class forces!

"Crazy talent cloud stick!"

Sun Wuwang yelled, his whole body's spiritual power, and the infinite fighting intent, merged into one body, golden light flowing in his muscles, and his strength swelled wildly.

The barren land where the **** tower of this town is located, the space, the law is stable, and it is above the kingdom of god!

However, Sun Wuwang's stick came out, but it made the whole earth tremble!

When everyone saw this, they were extremely shocked, even those strong and geniuses of the first-class sect, they also showed incredible expressions!

Crazy talent cloud stick! Similarly, it is the famous martial arts of the Kingdom of God!

It is said that this martial art was passed down from the founding ancestor of Crazy Bones! Half-step ancient grade! Back then, Crazy Bone Sect, not yet called Crazy Bone Sect, was just an obscure school of physical cultivation, advanced physical training, far more difficult than Wuxiu!

Therefore, the mad bone gate has been trampled underfoot by the martial arts forces.

At this time, in the mad bones gate, a stunning evildoer was born. Under a day of chance, he witnessed a terrifying mysterious great ape holding a stone stick and dancing against the sky. For a time, he was blessed to the soul and realized the martial arts. True meaning.

Based on this great ape dance stick technique, he created a stick technique. From then on, he went crazy and led the mad bone gate to rise strongly! Zongmen was also officially renamed Crazy Bone Door!

And this stick method is the mad talent cloud stick!

The most important thing is that this set of stick techniques, whether in artistic conception or moves, is incomparably compatible with Sun Wuwang's own aura!

The crazy talent cloud stick, in Sun Wuwang's hands, is even more terrifying than in the hands of the crazy bone ancestors in the same realm, right?

Those second-class sect elders and other veteran powerhouses are all looking dignified. This stick can even pose a threat to them!

Even Ye Chen flashed his eyes, slightly surprised!

This is, one of the supreme divine bodies, fighting the Eucharist? Sure enough!

His martial arts realm and his understanding of power have almost surpassed the level of the kingdom of God. At this time, he can clearly feel that as Sun Wuwang enters a fighting state, his power, spiritual strength, and even physical fitness, All aspects are improving crazy!

With this stick technique, they complement each other, and in an instant, the power of fighting the Eucharist is completely integrated into the martial arts!

The power of this stick, on the whole, has broken through a very high level!

Sun Wuwang is more terrifying than Hua Chenxin!

Ye Chen took a deep breath, held the Qinglian Destroying Sword, and released Ling Xiao's martial arts!

"Nether Demon Zhu Tianjian!"

One sword!

The sword light shining across the wild land in an instant, this sword is also Ye Chen's ultimate!

The power of breaking the sky, the martial intent of the sky, the six sword intents, and even the forbidden spiritual body, the power that condenses the power!

The next moment, the sword and stick collided!

Time and space seem to have collapsed in an instant!

Many Sect Masters of the second and third ranks frowned at the same time, and they unexpectedly shot together!

Why do you want to shoot?

If they don't make a move, the aftermath caused by the two fights will probably sweep the entire wild land, making countless Shen Kingdom warriors who participated in the Divine Light Ceremony seriously injured!

These two people, although young, are already extremely terrifying!

There was a loud noise, the void continued to shatter, the aura was extinguished, and it was released madly. It even aroused the tower of the gods!

Above the Zhenshen Tower, a white light shot out to calm the space!

But a figure fell extremely fast, hitting the ground, the earth shook, dust and smoke rolled, and a huge hole appeared on the ground! Bottomless!

At this moment, in the sky, there is only one man, holding a cyan long sword, standing out of thin air!

Naturally Ye Chen!

The one who was blasted into the ground was undoubtedly Sun Wuwang!

The sound of cold breath, one after another!

One sword!

It was solved with another sword! ?

At this time, Ye Chen, although the hand holding the sword was dripping with blood and even some bones were revealed, it was much better than Sun Wuwang!

Even in the face of such a sky-defying weapon, half a step of ancient martial skills, plus the owner of the supreme divine body, he still won.

At this time, Ye Chen looked at the pothole, but didn't mean to do it.

Because the breath in his body is extremely disordered.

He was also injured!

"Hopeless!" The head of Crazy Bone Gate exclaimed, and his figure flashed before appearing on the edge of the depths.

A **** palm stretched out from the darkness!

Sun Wuwang slowly crawled out of the pothole, like a blood man!

"Hopeless how about you?"

The head of the Crazy Bone Sect looked at Sun Wuwang, but he felt extremely heartbroken. Sun Wuwang was his disciple. Before the Shengguang ceremony, he suffered such a serious injury. It will have an impact on his future!

He turned his head abruptly, staring at Ye Chen, the aura of the chaotic realm broke out!

But at this moment, in front of Ye Chen, the same figure flashed, and Yu Zhenzi looked at the head of the mad bones door Huo Quan coldly and said: "Brother Huo, you, are you going to attack my disciple?"

"If you touch my disciple, even if my Madam Yu dies, I will destroy your crazy bones!"

In an instant, Yu Mako's breath surged!

Chapter 2599: Stepping stones!

Huo Quan's expression became cold and he was about to speak, but Sun Wuwang, who was standing behind him, spoke.

"Master, I'm fine."

After all, he still said to Ye Chen: "Thank you."

Thanks?

Everyone is a little puzzled, Sun Wuwang, why do you thank Ye Chen?

Then, Sun Wuwang walked to Long Chen and bent down to apologize: "This brother, how offended you just now, don't take it off."

He knew that if Ye Chen hadn't left his hand just now, he would have died.

At that moment, when Ye Chen's power reached the limit, the Kuangwu Overlord had a moment of action.

But it was blocked by Ye Chen.

That strong aura dissipated, and in Sun Wuwang's eyes, it was naturally Ye Chen that stopped.

The reason why he apologized was out of respect for the strong!

In other words, he was beaten by Ye Chen! Now, he recalled the terrifying power contained in Ye Chen's sword, and his soul was still trembling slightly!

Sun Wuwang looked silly and said: "It's nothing, it's all a misunderstanding."

In the field, there was another silence...

That's it, it's over?

This sun is hopeless! Sudden so easily! how can that be?

Doesn't it mean that people who provoke Sun Wuwang will be miserable?

Doesn't it mean that the people of the mad bones are crazy when they fight?

How come I met Ye Chen, everything changed!

Of course, the people present were not all fools. Many people knew that Sun Wuwang was by no means good.

The reason why he is willing to bow his head and apologize is because...

Ye Chen, too scary! Too enchanting!

Sun Wuwang didn't care about everyone's opinions, and went straight back to where the Crazy Bone Gate was. At the same time, he said to Ye Chen without looking back: "Ye Chen, I lost this time, but I will fight again next time. At this time, I will not lose again!"

Ye Chen looked at Sun Wuwang's back and smiled slightly and said, "This person has a good temperament."

Neither overbearing nor overbearing, with a somewhat strong demeanor.

Just now, the reason why Ye Chen didn't borrow the power of the mad martial overlord was because when Sun Wuwang struck out with a stick, he could see that the opponent had no intention to kill.

Although Ye Chen has always been cold, he is not a bloodthirsty person. Once he fights, he will kill him. Most of the time, it is the opponent who wants to kill him and die in his hands.

He looked at the injury on his hand, the speed of recovery seemed extremely slow, and there was a dignified flash in his heart.

This Sun Wuwang is very strong!

The sword that I had just now carried a strong martial art charm, but it was only a point stronger than Sun Wuwang's attack!

His eyes flickered slightly, it seems that he can't relax now, otherwise, maybe he will really be caught up!

At this moment, in the direction of Zhenlong Hall, a young man with red hair looked at Ye Chen with a shocked expression on his face. At the same time, his complexion was also sullen, extremely ugly!

Judging from his face, this man was actually quite similar to the blood sea **** Long Huachen!

His name is Hua Jingtao, he is Hua Chen's new brother!

His qualifications are also extremely against the sky, and even, in Zhenlong Temple, it is said that Hua Jingtao is only a relatively low-key person, and his true strength is still above Hua Chenxin!

The fact is exactly the same!

The two brothers have a great relationship!

When they were children, Hua Chenxin and Hua Jingtao, their parents died, have been wandering in the kingdom of God.

At that time, life was extremely difficult, and every day could be said to be lingering, and in this kind of day, the one who took care of him was always dependent on his brother Hua Chenxin!

After knowing the news of his brother's death, Hua Jingtao was in pain, and he was so angry that he would be bursting with killing intent! It is almost necessary to directly kill the Divine Extreme Sect!

The lord of Zhenlong Palace, Bai Yuhuang, also hated Shenjizong and Ye Chen! In terms of strength, Shenjizong simply cannot be compared with Zhenlong Palace!

It's just that the same first-class forces cannot easily start a war, otherwise, the entire kingdom of God will be involved, and the League of Gods and other first-class forces will inevitably stop it!

Bai Yuhuang persuaded Hua Jingtao to enter the realm of Shenjizong rashly. It was wrong...

However, fortunately, it will soon be the Divine Light Ceremony!

I heard that Ye Chen is extremely proud? Ha ha.....

In the light ceremony, if he was insulted and provoked, could he bear it?

As long as Ye Chen started, the Zhenlong Palace and Shenjizong would not be able to easily intervene in the dispute between the disciples!

Bai Yuhuang told Hua Jingtao that this was a chance for revenge!

Since then, Hua Jingtao has been waiting for the day when the Divine Light Ceremony arrives, thinking about finding Ye Chen revenge! Use Ye Chen's blood to pay homage to the spirit of elder brother in the sky!

If just now, there was no conflict between Sun Wuwang and Ye Chen, Hua Chenxin would have planned to directly provoke Ye Chen after Ye Chen appeared!

However, after seeing Ye Chen's terrifying sword, Hua Jingtao was terrified...

Although he has been filled with killing intent in his mind, he is not, irrational...

He knew that he was not as good as Ye Chen now!

Hua Jingtao stared at Ye Chen's figure, gritted his teeth and said, "Master, this kid has defeated Sun Wuwang so easily?"

The lord of Zhenlong Palace, Bai Yuhuang, said with an extremely gloomy expression: "This kid is indeed against the sky, Jing Tao, bear with me for a while!"

Bai Yuhuang is extremely confident of Hua Jingtao's qualifications!

"Jing Tao, if you want to kill him, you have to wait until the Divine Light Ceremony. After it is over! Your aptitude is incomparably against the sky! During the Divine Light Ceremony, the benefits must be extremely huge! The most important thing is yours. Blood!"

"Your bloodline is extremely suitable for this divine light ceremony. It is very possible that there will be a great breakthrough during the ceremony! Even return to the ancestors!"

Return to the ancestors!

When Hua Jingtao heard the words, a madness flashed across his eyes!

Ha ha, yes, my own blood can return to the ancestors! What is he afraid of? This kid, even if he is evil, what can he do?

Can you beat the self after returning?

This is Hua Jingtao, or even Zhenlong Palace, the biggest hole card!

What is rejuvenation?

The premise of returning to ancestors is to have a trace of the strongest ancestral vein!

Countless creatures, if traced back to the root cause, it is possible to have connections with those powerful creatures galloping in the world of Gaowu, and if these powerful creatures, inherited bloodlines, are rich enough, then the bloodline owners will have A hint of the possibility of returning to ancestors!

Hua brothers, what they have is the dragon vein!

The Heavenly Dragon bloodline comparable to the true spirit!

Although Hua Chenxin can temporarily become a dragon, it is not actually a real dragon. It just uses the bloodline to imitate the ancestors.

However, Hua Jingtao has a trace of ancestral veins in his body!

In other words, there is a slight possibility that Hua Jingtao can truly transform into a dragon!

That is not any imitation, comparable.

The Divine Light Ceremony is the most suitable catalyst for this transformation!

Hua Jingtao smiled coldly and said: "Master's words are reasonable, let this waste live for a while, ha ha."

Hua Jingtao is extremely confident. As long as he succeeds in returning to his ancestors, he will be given another ten years, and even his master, Bai Yuhuang, may not be his opponent!

Ye Chen in a mere mere way?

Just ants!

At that time, he Hua Jingtao will become the most dazzling powerhouse in the kingdom of God!

Ye Chen, only worthy of being his stepping stone!

Chapter 2600: confidence

at the same time.

A place near the Zhenshen Tower.

Not far from Zhenshen Tower.

It can be seen that the forces are also extremely unusual.

This place is the second-class force Luoxiazong.

Luoxia Sect is certainly a second-class force, and it is also the strongest group of second-class forces.

So the location is extremely close.

At this moment, in the Luoxia Sect, a girl wearing a veil stood proudly.

Behind him, Sect Master Luoxia and many elders appeared a little cautious.

Just because this veiled girl is their only hope for the Luoxia Sect for so many years.

Ji Siqing!

Sect Master Luoxia Sect came to Ji Siqing and smiled slightly: "Apprentice, today, maybe it is time for my Luoxia Sect to rise."

"Being a teacher, I'm so excited."

However, Ji Siqing turned his head, gently shook his head, and his veil swayed, revealing a slightly beautiful face.

Her red lips moved slightly: "Actually, this divine light ceremony may not be useful to me."

Sect Master Luoxia was taken aback: "Why? Everyone has a chance for this."

Ji Siqing frowned slightly, but did not speak.

Her thoughts flew to an era when there were many strong people and the aura was liquefied.

That era was the beginning of the battle of the ancient gods.

There was a young girl who stepped into the light ceremony.

The vision is vast.

The earth quaked.

That day, a young girl rose proudly!

Step on the **** skeleton above the blue sky.

One person has built a huge family!

Let the world understand what it means to be a woman!

That girl, named Qu Chenyan.

She is Ji Siqing's previous life.

Divine Light Ceremony has a chance for everyone.

Even Ji Siqing is a little uncertain whether he will be recognized by the Divine Light Ceremony in this life.

She returned from her thoughts and said to Sect Master Luoxia: "Master, did you do that?"

Sect Master Luoxia nodded: "Don't worry, disciple, I have already arranged for the teacher."

"it is good."

Ji Siqing nodded lightly, looked away in one direction, and muttered:

"This guy, wherever he goes, it's not peaceful."

"But that's good."

...

At this moment, a dazzling white light suddenly flashed in the town **** tower!

In the white light, there is a faint, ancient atmosphere!

At the moment when the white light bloomed, everyone seemed to feel the history of the kingdom of God, the battle between countless amazing warriors and the alien monsters...

In the League of Gods, an old man rose into the sky and said loudly: "The ceremony of God's light will begin soon! Please be prepared for all forces!"

The heads of the various forces, the elders and other high-level officials, all gave serious orders to the disciples under the sect, and then, one by one, they left the areas near the Zhenshen Tower.

The light ceremony can only be attended once in a lifetime, and they have all participated.

Staying here will only waste precious energy.

A group of strong men of the first-class forces gathered in an attic dedicated to watching the divine light ceremony.

Just now, the old man with white hair and pure eyes, who announced that the ceremony was about to begin, looked at the disciples below and smiled slightly and said: "The young people who participated in the Divine Light Ceremony are very good. "

Everyone in the attic looked down, and saw that there were a lot of vigorous and confident young people around the Zhenshen Tower.

Can't help but nod secretly.

Like Zhenlong Temple, Hua Jingtao with red hair, Xuanyuan Jing, a young man in white clothes from the Xuanyuan family, Sun Wuwang, who possesses the Saint Body of Fighting, and Shenjizong, known as the Demon God. Ye Chen!

These young people are extremely outstanding, enchanting evildoers who can be included in the history of the kingdom of God!

If it is placed in the past, any one of them will be a genius who can suppress everything and reach the top in the divine light ceremony.

But this year, there is a crowd of heroes. I don't know who will become the one who has made the most progress in the divine light ceremony.

The light ceremony is a moment to change destiny.

Many geniuses were equal, but after the ceremony, the gap was like Tianyuan!

In the attic, the lord of Zhenlong Palace, Bai Yuhuang, suddenly smiled and said, "Everyone, have you ever heard that there was a genius in the kingdom of God called Xiang Wu?"

The master of Tiansheng Pavilion, Ruan Zheng, raised his eyebrows and said: "That, before the Divine Light Ceremony, he was extremely against the sky, his cultivation level was not high, but he was able to leapfrog crazily, extremely overbearing, and overwhelming a group of geniuses, so that the children of all sects, Xiang Wu who can't lift his head?"

The lord of Zhenlong Temple smiled and said: "Yes, it is him. This Xiang Wu, before participating in the Divine Light Ceremony, is indeed remarkable, but what about after participating in the Divine Light Ceremony?"

"His progress is minimal!"

"Some people say that the reason why Xiang Wu was able to leap the order almost incomprehensibly was because he exhausted his potential!"

As he said, he looked at Yuzhenzi with sarcasm in his eyes and said: "What is the result? This Xiang Wu, too crazy, offended too many people. After the ceremony, he was killed by other geniuses directly! , Very miserable."

"So, this Divine Light Ceremony is the stage where the geniuses of the Kingdom of God really began to shine! Brother Yuzhen, do you think this Xiangwu is very similar to someone?"

Everyone in the attic looked at Ye Chen with their pupils shrinking.

Indeed, Xiang Wu's situation is very similar to Ye Chen!

Could it be that Ye Chen would follow in the footsteps of Xiang Wu?

Then, Shenjizong is really over!

In the sect, there is just such a genius, and he has devoted countless efforts to him. After participating in the Divine Light Ceremony, he turned into rubbish?

Let alone rubbish, even if you can't be rubbish, you can't leave this wild land alive!

That way, I'm afraid Yu Mako will really despair, right? The Shenji Sect is even very likely, so it collapsed and fell directly out of the ranks of the first-class Sect!

Originally, I saw the strong rise of Ye Chen and wanted to get closer to Yuzhenzi with the Shenjizong, hoping to find opportunities to get closer to some first-class high-level forces, but at this time, they are all Quietly stepped back.

No one wants to have anything to do with a force that is likely to fall.

Bai Yuhuang sneered, which was one of the reasons why he was so confident in Hua Jingtao.

Ancestral veins can be regarded as one of the most suitable qualifications to rise in the divine light ceremony, even more terrifying than the increase obtained by the supreme divine body!

However, the enchanting evildoer like Ye Chen who showed crazy leapfrog ability, can be said to be the worst kind!

Even, not as good as ordinary warriors, the increase in strength is great!

One day, one place, this Ye Chen is still alive?

Yu Zhenzi turned his head and smiled slightly: "Who is like him? I don't know who he is like, but I know, it's definitely not like Hua Chenxin!"

The air in the attic suddenly became cold!
