Chapter 2601: Different scenes

Everyone looked at Yu Zhenzi in shock, and Yu Zhenzi mentioned Hua Chenxin at this time!

This is going to be directly with Zhenlong Palace, tearing his face!

Everyone couldn't help shaking their heads slightly, and Yu Mako was impulsive.

Ye Chen is very likely to obliterate everyone in the Divine Light Ceremony. Now it is not a good choice to anger Zhenlong Temple!

However, Yu Zhenzi didn't care, and angered Zhenlong Temple, what?

He trusted Ye Chen very much, and Ye Chen would never let him down.

"you!"

Bai Yuhuang's eyes were bloodshot, his breath was raging, and his anger was full of anger. But soon, he pressed his anger and smiled coldly: "Okay, let's see, what kind of performance this Master Ye can do!"

At this time, the master Yin Zun of the Ghost Blade Sect also smiled and said: "Brother Yuzhen, he seems to be very confident of his disciples? I don't know, in the eyes of Brother Yuzhen, this Ye Chen can bear the light of God. Baptism, how long?"

Basically, during the divine light ceremony, the time for baptism is directly proportional to the growth of strength.

Although the disciples who participated in the Divine Light Ceremony were carefully selected by each sect, each of them was considered a genius, but the genius of ordinary small forces could not even reach it for three hours.

If you have been baptized for more than three days, it is considered an eternal evildoer!

And the kingdom of God, the longest record in history, is nine days!

It is a mysterious woman named Qu Chenyan!

It is the ancestor of the current Shen Guo Qu family!

Yin Zun asked this question obviously with bad intentions, because, judging from Ye Chen's performance, like Xiang Wu, it was also a type of overdraft potential. Then, in the Divine Light Ceremony, it would not last long.

Yufeng, the true disciple of the Ghost Blade Sect, was first seriously injured by Ye Chen. Although he was not dead, he could not participate in the Divine Light Ceremony. Next time, we will have to wait another hundred years. In that case, I missed the most important part of the Divine Light Baptism. It's a good time.

Yin Zun, naturally also hates Ye Chen very much!

Even if there is a chance, after the Divine Light Ceremony is over, he doesn't mind letting his disciple, Zhao Lingbian, the first true biography of Ghost Daomen, avenge Yufeng.

Yu Mako looked out the window and said lightly, "At least ten days."

"I believe him."

Ok?

Everyone raised their eyebrows when they heard this.

Yu Zhenzi meant that Ye Chen would directly refresh the record of the Kingdom of God?

Yin Zun and Bai Yuhuang even laughed directly!

Divine Kingdom record, so easy to break through?

Or in Ye Chen's situation?

Yu Mako, I just don't know the sky is high and the earth is thick!

The others also shook their heads slightly.

Yu Zhenzi is too optimistic about Ye Chen, sometimes, the higher the expectations, the greater the disappointment.

At this moment, the white light in the town \*\*\*\* tower suddenly turned into a red gold color, and the pupils of the disciples who participated in the \*\*\*\* light ceremony shrank!

The entire savage land began to tremble slightly following the changes in the \*\*\*\* of town tower. Numerous golden thunders appeared around the \*\*\*\* of town tower. From time to time, flashes of ghosts like gods flashed in front of everyone. These ghosts were impressive. It is those strong human races who left great achievements in the battle of killing demons!

Shen Jinkun, the white-haired old man, the leader of the League of Gods, his eyes condensed and said: "It's started!"

For an instant, in the golden light of the town \*\*\*\* tower, those disciples sitting cross-legged felt a chaos in their brains, and countless ancient auras enveloped themselves!

It's like transcending time and space and returning to ancient times!

Ye Chen felt the breath of the town \*\*\*\* tower, and his face was full of excitement. He had a foreboding that this divine light ceremony would give him a surprise!

But at this moment, Cangu Medical God suddenly exclaimed: "No!"

not good?

What's wrong?

Ye Chen didn't open his eyes, but frowned slightly, and asked the ancient medical \*\*\*\* Cang: "What's wrong, old man?"

In the voice of Cangu Medical God, he said anxiously: "Boy! Be sure to hold on! Don't give up, don't give up!"

"what?"

Ye Chen is inexplicable...

"Hold on? What do you mean?"

But this time... Cangu Medical God did not respond...

To be precise, it was Ye Chen who once again lost contact with the ancient medical \*\*\*\* Cang!

Even the connection with the reincarnation cemetery!

This sacred light ceremony actually isolated Ye Chen and the reincarnation cemetery!

He couldn't help feeling a little heavy in his heart!

How could this be?

The next moment, he couldn't help but opened his eyes, and he was taken aback when he saw the scenery in front of him!

The sight in front of you is so spectacular!

At this moment, Ye Chen stood on a high cliff, under the cliff were countless broken weapons, countless stacked corpses...

The earth was stained red with blood! Even the rivers are filled with blood!

Even the oncoming wind and sand carry the breath of death...

Even with Ye Chen's disposition, it is unavoidable to be shocked!

He looked at the densely packed corpses under the high cliff, frowning, how many creatures were this dead?

Let alone, there are hundreds of millions, right?

Ye Chen's gaze shifted to those weird and simple weapons, and he muttered, "Could it be that this is the scene of battle between humans and demons in ancient times?"

Obviously, he came here, related to the tower of the town, but...

Ye Chen couldn't help but smile wryly...

Before he came, he also learned about the Divine Light Ceremony, but he had never heard of it. Who, in the Divine Light Ceremony, has seen the scene of the ancient battlefield!

Most people, although they will see some visions, as if they have come to other worlds, but they often appear in front of them is a stone stele, which records powerful martial arts, exercises, or sees the strong fighting against each other. To the essence of martial arts...

But what about Ye Chen?

All I saw was endless death...

Moreover, what did Cangu Medical God tell him to make him hold on?

Ye Chen sighed, shook his head, and jumped off the cliff.

Anyway, they are all here, and standing on a high cliff is no way.

He decided to explore first, this ancient battlefield!

Maybe just walk around, you can find something?

But when Ye Chen landed on the ground and walked through the corpse, a sudden change occurred!

A corpse lying on the ground, covered in blue and black, with deep purple eyes, suddenly jumped up, picked up a broken long sword on the ground, and slashed towards Ye Chen!

Its shooting speed is incredibly fast!

"what!"

Ye Chen was shocked, and flashed back when he moved, but even so, with a clatter, a blood stain was cut out on his chest!

The moment the bloodstain appeared, there was a roar in Ye Chen's mind!

He looked at the bloodstain on his chest with a horrified expression. Just now, how did it feel?

Why, at the moment of being cut, he has a feeling of being robbed of his own origin!

Chapter 2602: Mutation

He looked at the broken sword in his hand, and it seemed that it was the corpse of the Celestial Demon clan, and an incredible color flashed in his eyes!

If you are injured in this ancient battlefield and your origin will be looted, then it is really dangerous!

Too late to think!

The demons roared wildly and rushed towards Ye Chen again!

"Qinglian Destroying Heaven Sword!"

Ye Chen's eyes sank, his wrist turned, and he was about to fight back!

but!

The next moment, astonishment flashed across his face, the Qinglian Destroying Heaven Sword did not appear!

At this moment, the demons had already arrived in front of Ye Chen! Cut with one sword!

As a last resort, Ye Chen had to flip on the spot, evading the opponent's sword in a panic, picking up a short knife at hand, and fighting this demons!

WINK to \$1: Secure Your Spot Now!

Knife light sword shadow, stirring for nine days! The two were actually inextricably struck!

The more he fought, Ye Chen became more frightened!

So strong!

This demon is actually more terrifying than Sun Wuwang?

Especially, the martial arts he used!

It looks primitive and barbaric, but there is a taste of simplicity!

This has already surpassed the level of half an ancient level!

However, Ye Chen could only clench his teeth and insist. Even during the battle, he had to be extremely cautious. Every time he shot, he had to think carefully about the opponent's attack in a very short period of time. !

Because he can't get hurt!

Originally, Ye Chen's fighting style was open and close. When fighting against the opponent, he didn't care about accepting an attack and replacing it with injury!

After all, Ye Chen's vitality and defense are extremely powerful!

But here, it's different!

Here, if you are injured, let alone the original damage, maybe, you really will die here!

...

At this time, Zhenshen Tower.

Time, three hours have passed.

The disciples of some small forces have already awakened one after another.

Some of them are happy, some are lost, but the people in the attic where the high-level forces gather, naturally, don't care about them at all.

Their eyes are on the geniuses of the big forces!

At this time, most of the people in the attic had smiles on their faces, because the geniuses under their doors, one by one, were immersed in divine light, and their faces flashed with enlightenment, joy, and even , His own breath is growing rapidly!

Obviously, these evildoers have all received extraordinary benefits!

There is only one person, frowning, this person is Yu Mako!

Why are my brows frowning?

Because Ye Chen's state seems to be wrong!

The others all looked very enjoyable, only Ye Chen's expression was stern, and occasionally, there was even a hint of panic and solemnity, as if he was in a life and death duel!

This is nothing!

The most important thing is Ye Chen's breath!

Others obviously have gained something, progressed, and their breath is growing crazily, and Ye Chen!

Not to mention growth, even occasionally, his breath is messed up, and there is a fall!

At this moment, Yu Zhenzi was a little panicked!

what happened?

In the Divine Light Ceremony, no matter if you don't get the benefits, on the contrary, your breath drops?

Even for Xiang Wu, it just made little progress. I have never heard that some people will lose their breath during the Divine Light Ceremony!

This is weird!

Soon, not only Yu Zhenzi, other people also noticed Ye Chen's state!

Yin Zun and Bai Yuhuang's eyes suddenly exploded!

This kid surnamed Ye has not improved, but has regressed!

Although they don't know what is going on, this situation is undoubtedly what they want to see!

Bai Yuhuang sneered at Yuzhenzi and said, "Haha, Brother Yuzhen, it seems that I was indeed wrong. The genius of Shenjizong is indeed different from Xiang Wu."

The next moment, he suddenly raised his voice and said: "This is \*\*\*\* 10,000 times more \*\*\*\* than Xiang Wu! There are people who will regress in the Divine Light Ceremony? Never heard of this kind of rubbish? Such people are eligible to participate in the Divine Light Ceremony?"

Yin Zun also agreed: "Brother Yuzhen said just now that this disciple named Ye Chen is going to break the record? Haha, sure enough, he also said that Brother Yuzhen has a good vision. I think this is indeed possible, but that is. I don't know, after he broke the record, can he be considered a warrior? I'm afraid, he will completely lose his cultivation, right?"

The two ridiculed mercilessly!

In their hearts, they all had a murderous intent on Ye Chen. After the ceremony was over, they had to let their disciples kill Ye Chen. Anyway, they wanted to fight against Shenjizong. If you don't ridicule now, when?

In the face of their ridicule, Yu Zhenzi seemed to have not heard him, and all his mind was placed on Ye Chen, extremely worried!

Why is it so?

Ye Chen, what's wrong!

...

Ancient battlefield.

At this time, Ye Chen was breathing continuously. He didn't know how long had passed since the outside world, but according to his perception, he had been fighting with this demon corpse for seven days!

Even he is about to reach the limit...

Suddenly, a cold light flashed and slashed directly to his face!

"Jiwu: God flash!"

At this moment of inadmissibility, Ye Chen's figure turned strangely, while avoiding this sword, he sealed the throat of the Demon Race with a single knife!

Knife light!

In the next moment, the corpse of the demon clan turned into ashes and dissipated in the heavens and the earth!

Ye Chen let out a sigh of relief. This battle was dangerous and dangerous to win!

Moreover, he found that in this ancient battlefield, many of his abilities could not be used!

The six sword intents of clear wind! can not be used!

The martial arts of the Devil Emperor! can not be used!

Thousands of soldiers burst! can not be used!

Even Horcrux cannot be used!

Even Xuan Yan can't use it!

Only pure martial arts can be counted on!

"But..." Ye Chen's eyes suddenly condensed, "After this battle, my understanding of martial arts seems to have improved again?"

A beam of joy flashed across his face!

But didn't wait for him to be happy for long, behind the rocks not far away, there was a sudden burst of smoke and violent roars!

Ye Chen hurriedly turned around and looked back, only to see seven or eight fully armed demon races, led by a demon race like a general, towards Ye Chen!

Their purple eyes were full of fighting spirit and fierceness, as if they were actually meeting on the battlefield!

"Come again!?"

Ye Chen's complexion changed wildly, cold sweat broke out, he now understands a little bit, what does Cangu Medical God mean to stick to it...

He slashed back a demon rushing in the front, then moved his body, swept in the opposite direction of those demon rushes, and retreated. The two sides chased each other on this endless battlefield. Knowing that if surrounded, there is no chance of surviving...

But, even so, Ye Chen's body, there are also scars from time to time...

Chapter 2603: Qu Chenyan? Ji Siqing?

...

Town God Tower.

Time, three days have passed!

Except for the geniuses of the first-class forces, most people have ended their baptism!

Exited the scope of golden light...

However, they did not leave. Instead, looking at the geniuses who were still immersed in the ceremony, everyone was very curious, who would be the most outstanding evildoer in this Shenguang ceremony?

But at this time, everyone's expressions were extremely weird, and their eyes were all focused on Ye Chen.

why?

Because Ye Chen is too abnormal!

Now, let alone those strong men of first-class forces, even an ordinary warrior can see that Ye Chen's cultivation base has fallen too hard!

It was actually direct, and fell below the too virtual realm!

Someone couldn't help but said, "This is too weird. I have never heard of it. If you participate in the Divine Light Ceremony, your realm will fall?"

"Well, it's better not to participate... It's a pity, an evildoer who has trampled on countless geniuses in the kingdom of God will be destroyed like this..."

"For others, perhaps the Divine Light Ceremony is the starting point of their legend, but for Ye Chen, it is the end..."

And in that attic, Yu Zhenzi's complexion had completely changed at this time, and even he couldn't keep calm!

Yin Zun and Bai Yuhuang didn't even bother to continue taunting them. With a smile on their faces, they were extremely satisfied with the progress of their geniuses!

Compared with Ye Chen, it's almost every day!

This feeling is indescribable!

Haha, you Ye Chen, aren't you overbearing or invincible among the younger generation?

Didn't he kill the first genius of Zhenlong Temple and defeat the true disciple of the Ghost Blade Sect?

Now, can you still be overbearing?

They are now just waiting for everyone to wake up from the Divine Light Ceremony and crush Ye Chen!

Thinking about it, I'm shaking with excitement!

At this time, around the Zhenshen Pagoda, there are very few enlightened warriors left, except for some geniuses of the first-class sect, but only a few people.

Among them, there is Ji Siqing of the second-class sect Luoxiazong!

However, Ji Siqing's face was veiled and his expression was plain, almost ignored by everyone.

However, the lord of Luoxiazong was short of breath.

Because, he felt that something was wrong with Ji Siqing!

But this kind of something is wrong, he can't tell.

Ji Siqing's cultivation is constantly improving.

But why, Ji Siqing seems to be full of worry.

This was something he had never discovered as the sovereign.

In the Shengguang ceremony, Yin Ming's performance is also incredible!

Three days have passed, Yin Ming's cultivation base has already broken through to the sixth layer of Taixu!

Too bad!

However, at this moment, Yin Ming's delicate body trembled slightly, beautiful eyes, reopened, and slowly exhaled. The temperament of her whole person is countless times more calm than before participating in the Divine Light Ceremony!

Moreover, in his beautiful eyes, the gloomy light flickered, and the pretty face was also faintly covered with a thin layer of shadow, even some strong people in the chaos realm were a little bit unreal! The only feeling is that her eyes are weird!

Obviously, Yin Ming has awakened a certain bloodline or body!

Originally, Yin Ming's pretty face also looked at Ye Chen with joy.

The benefits of this divine light ceremony are unexpectedly great! Not only did she break through so many cultivation bases, but she also comprehended a top martial skill that fits her very well! Named Sky Shadow Sword!

In her hands, she can even display the power of ancient martial arts!

Most importantly, she awakened the body called Wuyou Body!

This body without secluded body, although not comparable to the supreme divine body, is also a top level body!

Yin Ming's strength has increased greatly now!

Even she can have such a harvest, let alone Ye Chen? Ye Chen is the eternal pride in Yin Ming's heart!

But the next moment, Yin Ming's expression completely changed!

Because she saw the cultivation base, Ye Chen who had fallen to the edge of the sealed door realm!

Why has Ye Chen's breath weakened so much?

Then she glanced at the geniuses of the first-class forces, her expression even more shocked!

too horrible!

The geniuses and strengths of these first-class forces are actually increasing frantically!

The breath of Huajingtao in Zhenlong Hall is constantly rising!

Zhao Lingbian, the ghost knife gate, is constantly climbing!

Holy League Li Sheng, a holy light shrouded his body!

There is no hope for the Sun of Crazy Bones, and the endless fighting spirit is getting stronger!

Xuanyuan Family Xuanyuanjing's cultivation is also constantly breaking through!

According to legend, Xu Xuanyuan's family has a deep connection with Tiandao Palace, and enjoys supreme resources.

...

Except for Ye Chen, at this time, the geniuses still in the baptism of God's Light, everyone has made unimaginable progress!

At this moment, Ye Chen's complexion suddenly paled, and the aura on his body quickly wilted, and his cultivation level directly broke through the door seal!

In the attic, Yu Mako saw her pupils shrink!

Can't wait any longer!

If this continues, Ye Chen is really going to waste it!

His figure moved slightly, and he was about to rush towards the town \*\*\*\* tower!

But the two figures flashed, and directly stopped Yu Mako!

These two people are Yin Zun and Bai Yuhuang!

"Step aside!"

Yu Mako yelled violently, his whole body was surging almost immediately! At this time, he almost lost his mind!

Bai Yuhuang said coldly: "Madko Yu! What do you want to do!"

Yin Zun also had a cold expression on his face: "Interference in the Divine Light Ceremony at will, but it may affect other disciples. This is a taboo of the Divine Light Ceremony!"

Shen Jinkun, the elder of the Shenmeng, also said with a slight expression: "Friend Yuzhen. Calm down."

When Yu Mako saw this, he couldn't help sighing.

Could it be that Ye Chen, that's it, it's over?

He can only pray for a miracle now...

...

Ancient battlefield.

The yellow sand was fluttering, and countless dead bones were buried. In the yellow sand, there was a faint sound of roaring and the intersection of gold and iron...

From time to time, there was a terrible scream that cut through the sky.

In the wind, with blood, thick blood...

Suddenly, above the barren land, there was a loud shout to kill!

The armies of the human race and the demons came from the sky, and soon they rushed into one place!

In the battlefield, hundreds of demons, at this time, were surrounding a young man with a face full of wind and frost, and hideous scars all over his body.

The man held a broken sword in his hand, but he remained calm on the face.

This man, naturally, is Ye Chen!

He has been wandering in this ancient battlefield for a long time. From the very beginning, he encountered sporadic demons. Later, he was chased by hundreds of demons until the war between humans and demons broke out!

Ye Chen seems to have truly experienced that long-lasting battle that lasted for thousands of years...

Although Ye Chen is still Ye Chen, his temperament is completely different at this time!

That is a kind of killing, a kind of refinement!

A breath that was honed on the battlefield after passing by countless times with death!

Chapter 2604: I won

After experiencing these tens of thousands of years of war, he has a glimmer of understanding in his heart.

Ye Chen glanced at the many demons rushing towards him, without much expression on his face.

The next moment, the sword light flashed!

The hundreds of demons were reduced to pieces in an instant!

Ye Chen moved into the air, his eyes swept across the demon army, and suddenly he locked a vague black shadow.

"Is that you?" Ye Chen said lightly.

The next moment, when he moves, he rushes towards the dark shadow!

The demons who blocked him along the way all turned into powder and disappeared invisible...

time, nine days have passed.

At this time, under the town \*\*\*\* tower, there are only three people who haven't awakened yet!

WINK to \$1: Secure Your Spot Now!

Ye Chen, Hua Jingtao, Luo Xiazong's Ji Yan Ji Siqing!

Ji Siqing asked Sect Master Luoxia to modify her information.

However, the state of the three is completely different!

The aura on Ye Chen's body is extremely unstable, almost all of his cultivation is lost, thoroughly, and he has become an ordinary person!

This is the most incredible and miserable genius in history.

In the past, this ritual can make the warrior feel great and break through many realms!

Even a big state!

This is the first time I heard that the state has fallen!

became ordinary people!

to the opposite!

Ji Siqing's body aura continued to rise, and the light flowed.

There was even the sound of heaven coming from above the sky. ア新ヤ~⑧~1~中文网

actually caused a vision!

In nine days, Ji Siqing's cultivation level actually broke through half a step.

is only one step away from Zhan'er!

And there is a faint thunder disaster above the sky.

Everyone is horrified!

This is going to completely surpass Zhan'er!

On the square, countless people were shocked to the extreme! Even guessing the identity!

"Although Luoxia Sect is faintly becoming a first-class power in these years, I don't know why it has failed."

"This time, Luoxia Sect was born such a genius?"

"Ji Yan? Why didn't we hear this name in the Kingdom of God?"

"The Thunder Tribulation she induced is not an ordinary Erley!"

"What is the origin of this woman!"

A disciple of a third-rate force who once participated in the trials suddenly thought of something!

He stretched out his hand and pointed at Ji Siqing and said, "Ji Yan! I know! She and I were in the same trials!"

"This woman's performance at the time was amazing enough, but compared with Ye Chen, there was a big gap! Ye Chen was taken away by Shenjizong's Tu Lanxin that day."

"Ye Chen was the well-deserved number one at that time, but it's a pity that he has fallen here now..."

The man looked in Ye Chen's direction again, regretful again and again.

Once, Ye Chen left this woman named Ji Yan far away.

But today, this woman named Ji Yan left him far away.

This may be the cruelty of martial arts.

The disciple sighed.

Not far away, a middle-aged man with a majestic face looked excited.

The entourage behind the man is extremely amazing.

Even the suzerain of many surrounding forces kept a certain distance from the middle-aged man.

Even talking is extremely quiet.

Only because of the identity of this middle-aged man!

Contemporary Patriarch of Qujia!

The history of the composer in the Kingdom of God, no one can shake.

Moreover, the record of the Shengguang ceremony was created by the Qu family!

It is even said that the Qu family has a great relationship with the Heavenly Way Palace of the Kingdom of God.

Never mess with it.

To everyone's surprise, the Qu family did not send anyone to participate in the Shengguang ceremony this time.

Why is the Patriarch here in person?

Is it to witness the birth of genius?

At this moment, the Qu Family Patriarch has tears and his arms are shaking!

couldn't move his eyes away from Ji Yan of Luoxia Sect.

"Ancestor, I knew it was you."

"I have been in the Luoxia Sect for a month, why... why would you refuse to see me?"

"That's right, the current composer has chilled your heart."

"But you are the Qu family after all."

"Your sparkle today is exactly the same as the kingdom of God back then!"

"If you return to the composer again, with our composer's resources, you will definitely be able to step into the chaos or even the highest realm as soon as possible!"

Just after the words fell, in the sky, the earth-shattering Erley had been brewing for a long time!

came suddenly!

The veiled girl who has attracted much attention, just break through in full view!

The violent Erley swallowed Ji Siqing like a giant beast.

Ji Siqing looked calm.

doesn't seem to care at all.

In an instant, a phantom appeared on Ji Siqing's head.

Xuying stretched out a finger.

Ere dissipated.

Everything around me instantly returned to calm.

At this moment, everyone was stunned.

Is this... over?

Isn't Erley the nightmare of the Taixu Warrior?

How can anyone break through so casually?

Everyone was messy in the wind.

Countless eyes fell on Ji Siqing, and they found that Ji Siqing was still breaking through!

Cut the second heaven! It hasn't stopped!

Cut the three-tier sky!

This is a terrifying evildoer!

For everyone, this woman named Ji Yan does not lose to any man at all!

The key is no one knows, what is the record of this woman!

But there is one thing, they know very well that this girl has already flattened the record of that girl named Qu Chenyan!

But who knows that Ji Siqing just broke his own record tens of thousands of years ago!

Everyone looked back at Ye Chen again, and saw Ye Chen's falling realm, and shook their heads helplessly.

This gap is too big.

is simply losing a man's face!

However, on the court, someone made a man face up!

That is Hua Jingtao!

At this moment, Hua Jingtao's appearance is very weird. At this moment, his whole body is covered by golden scales, and a pair of pointed dragon horns grows on top of his head! Turn into a half-dragon and half-human state! Starting

Even more terrifying is the breath of Hua Jingtao!

His cultivation base has broken through the fifth level of Zhan'er, and it is still rising rapidly!

The breakthrough after cutting E'er, but it was extremely difficult.

Even a small realm is greater than the distance between Taixu and Zhan'er!

At this time, Hua Jingtao has slowly approached Zhan'er Sixth Floor!

And, gradually, it exudes an aura that even the head of the first-class sect, the suzerain, is palpitating!

The breath of a real dragon!

.....

Ancient battlefield.

The earth has been filled with corpses, countless corpses...

There are demons and humans...

On the battlefield, there were only two figures left, Ye Chen's figure, and the strange demons who couldn't see their faces and were covered in black shadows...

"Only I Lingxiao, Tushen breaks the sky!"

Ye Chen gave a low voice, and shot out!

Sword light flashed, time and space tore apart, and the whole earth was cut into a deep gully!

However, this sword was blocked by the dark shadow.

The long sword in his hand held Ye Chen's sword.

Ye Chen stared at the dark shadow, and the dark shadow's purple eyes also stared at Ye Chen.

The next moment, the two moved at the same time!

Heaven and earth, there was a moment of darkness...

Ye Chen's chest had a dark long sword inserted. Although he was still standing, his breath had already declined to the extreme...

Chapter 2605: Yu Mako's attitude

And standing opposite him is the dark shadow.

Although Ye Chen is dying, his calm face has become extremely murderous after being tempered by the flames of war. A smile appeared on his calm face.

He faintly said to the dark shadow: "You, lose."

The black shadow's head slowly fell to the ground.

.....

Town God Tower.

Hua Jingtao suddenly opened his eyes, full of breath, rising into the sky, a dragon chant, resounding through the sky!

For an instant, everyone who participated in the Divine Light Ceremony felt stiff! Even the peak powers of the kingdom of gods in the attic are the same!

That is the lower life, the reaction that only appears when you see the higher life!

Bai Yuhuang looked at his disciple with great excitement, and said ecstatically: "It's a success! It's a real success! Tao'er, he is back to his ancestors!"

At this time, it happened to be the tenth day of the start of the Divine Light Ceremony!

This divine light ceremony is really wonderful! Over the past hundred years, the Kingdom of God has come forth in large numbers! Sun Wuwang, Li Sheng, Zhao Lingbian, Xuanyuanjing and others are also the ultimate evildoers!

Any one of them, if in the past, is the ultimate genius who can suppress the kingdom of God for thousands of years!

However, among these people, the most outstanding are naturally Hua Jingtao and the mysterious woman named Ji Yan!

All the warriors of the Kingdom of God who participated in the Shenguang ceremony looked at Hua Jingtao and Ji Yan in awe...

This is the real evildoer!

Even in the history of the Kingdom of God, there are a handful of super evildoers!

Zhan E Sixth Floor, just with this cultivation base, can he be one of the top 100 young people in the kingdom of God? New 81 Chinese website update the fastest mobile terminal: <https://>

Not to mention, Hua Jingtao at this time still exudes a terrifying power!

Simply, everyone wants to worship Hua Jingtao!

The Kingdom of God is going to change completely!

Zhenlong Palace, will soon become the most terrifying existence among the first-class forces, right?

Thinking of this, many people looked at Ye Chen again...

In his eyes, there are sarcasm, disdain, gloating, regret...

How is Ye Chen now?

Not to mention that the cultivation base has fallen, and even his life is almost gone!

is almost like a dying person!

Mako Yu stared at Ye Chen, with a glimmer of hope in his eyes, he has not given up! He believes that miracles will happen!

But at this moment, the golden light emitted by the town \*\*\*\* tower suddenly dissipated.

Everyone was taken aback, the golden light dissipated?

The golden light dissipated, which means that the divine light ceremony is over!

Why does it end?

No one, it will end while still undergoing the baptism.

But at this time, Ye Chen hasn't woken up yet!

At this time, the divine light ceremony is over, which means...

Ye Chen, is dead!

Everyone looked at Ye Chen, and sure enough, at this time, Ye Chen, there was not even a trace of vitality in his body...

Ye Chen, really dead!

Yu Mako's whole body fell to her knees, and the last glimmer of hope in her eyes disappeared...

He knew that Shenjizong was completely over.

Even, I don't know if it can exist...

The others in the attic, regardless of Yu Mako, greeted their disciples with joy.

Huo Quan, the head of the Crazy Bone Sect, smiled at Sun Wuwang and said, "Wuwang, how do you feel?"

Sun Wuwang at this time is far different from before.

Sun Wuwang's face was no longer domineering, but the temperament of the whole person was countless times stronger!

He said calmly: "Battle of the Eucharist, advanced."

The Battle Saint Body, one of the supreme bodies of the Kingdom of God, can even advance! ?

Huo Quan almost jumped up from the ground excitedly when he heard the words, grinning to his ears!

And Sun Wuwang glanced at Hua Jingtao at this time, there was war in his eyes!

At the same time, he glanced at Ye Chen again, shook his head slightly, Ye Chen disappointed him.

Hua Jingtao looked at Ye Chen, frowned slightly, and asked Bai Yuhuang: "Master, that kid, what's wrong?"

And Bai Yuhuang, the lord of the Zhenlong Palace, stood beside Hua Jingtao at this time, but with some excitement, smiled and said: "That kid, I don't know what's going on, during the ceremony, The plummeting, now even more vitality, has disappeared."

The reason why he is excited is because the current potential of Hua Jingtao is the hope of the entire sect!

"Hehe." Hua Jingtao sneered: "It seems that this kid knew his fate and committed suicide? It is also smart, otherwise, this son will definitely make him worse than dead."

After successfully returning to his ancestors, Hua Jingtao's strength has skyrocketed many times!

If you face Ye Chen, he has absolute confidence and can win.

even a spike!

Moreover, the benefits he got were not just returning to ancestors, but also getting a half-step ancient martial arts, Longyuan Sword Art!

This sword art is displayed with the blood of the Heavenly Dragon, possessing power comparable to ancient martial arts!

Now, he is the \*\*\*\* among the young geniuses of the Kingdom of God!

Even the head of some low-level forces, the Patriarch, in his eyes, are nothing but ants!

At this time, Yu Zhenzi took a group of elders from Shenjizong and walked towards Ye Chen, his face was full of sadness and despair...

They want to collect Ye Chen's body.

Ye Chen is dead, but he is also a disciple of their Divine Extreme Sect!

But suddenly, Hua Jingtao's figure flashed and stood in front of Yu Mako and others.

Yu Mako said coldly: "Get out of the way."

In Hua Jingtao's eyes, a hint of sarcasm flashed: "You are going to collect the corpse of this rubbish? Haha, who allowed you to do this? My son, he has not cut off the head of this \*\*\*\* yet Take it to pay homage to my brother, you have to collect the body, wait for me, first cut off his head, and then collect!"

Under the town \*\*\*\* tower, there was a dead silence...

Ye Chen is dead, he is not allowed to collect his body?

More, cut off Ye Chen's head?

Even if Ye Chen killed Hua Chenxin, this is a bit too much, right?

Yu Mako and others, instantly furious!

Mako Jade shook his hand, raised an inky black sword, his beard and hair were calm, his eyes were full of icy anger, and he pointed at Hua Jingtao and said, "Get out of the way, or die!"

"Dead?" Hua Jingtao smiled, "Just you, are you worthy to die?"

"If I practice for another ten years, maybe even you, I can easily kill you."

"Although I am no match for you now, someone can!"

The next moment, Bai Yuhuang appeared in front of him, Bai Yuhuang lifted his hand, and there was a \*\*\*\* long sword in his palm, and the sword was cut at Yuzhenzi! Starting

"Move my disciple, look for death! Dragon God's Sword Art!"

Sword Qi is vertical and horizontal, trembling in the void, and surging sword Qi, transforming into a long dragon, a circling, that is, facing Yu Mako, it is cut off!

Facing the sovereign of the first-class power of the Kingdom of God, Bai Yuhuang did not hesitate to do it?

With this sword coming out, all the sword intent was condensed in the giant dragon. Everyone didn't seem to feel anything. However, Yu Mako, under the sword aura, changed his face wildly, and his entire body and spiritual power were circling to the fullest. With a trace of abnormal red color, he roared wildly: "Xuanyuan Zhenji Sword!"

Chapter 2606: Ji Siqing: Get out!

Yu Mako, not only did his best to shoot, he even used Zhenzong martial arts, but also burned his blood!

This sword is the strongest one he can cut!

The next moment, the great sword in his hand, bursts of light, and a black light shot out from the body of the sword! Facing the falling dragon!

There was a loud bang!

Even the town \*\*\*\* tower seems to be trembling slightly!

The light converged, everyone looked intently, and a huge hole was smashed out of the ground...

And Yu Mako, who was covered in blood at this time, seemed to have fallen miserably in the pit...

Bai Yuhuang looked down at Yuzhenko with a scornful smile on his face, and said lightly: "Trash."

"I wasted a trace of strength left by my ancestors."

After finishing speaking, Bai Yuhuang looked at Hua Jingtao with a smile: "I will clean everything for you for my teacher."

"If Shenjizong wants to go to war, we will be with you."

But no one noticed that Bai Yuhuang's hand was trembling slightly.

He was actually injured in the previous battle.

Without the power of the ancestors, he could not have such an effect.

He can beat Yu Mako, obviously cheating!

Besides, Bai Yuhuang is very smart.

Once Ye Chen died, Shenji Sect was considered abolished.

may even fall into the second-class sect.

And his sect, there is Hua Jingtao, what dare the Shenmeng and other first-class forces say?

Rules?

is always made by the strong!

Hua Jingtao arched his hands and smiled fiercely: "Thank you, Master."

Under the town \*\*\*\* tower, countless people looked at Bai Yuhuang in horror!

The body is trembling slightly! Breath, forget it!

One sword! A handy sword!

defeated the supreme master of Shenjizong, Yuzhenzi, who was ranked high on the Fengshen Monument! ?

Bai Yuhuang has been hiding his strength?

Still used spells?

This, this is too horrible, right?

If you add another Hua Jingtao

Isn't this sect going to crush the entire kingdom of God?

Even those geniuses who had also gained tremendous rewards during the Divine Light Ceremony were shocked when they looked at Hua Jingtao!

"Sovereign!"

The elders of the Divine Extreme Sect exclaimed, staring at Bai Yuhuang and Hua Jingtao, violently:  
"Bai Yuhuang! How dare you hurt this sect leader!"

"Are you going to start a war!"

"It hit, so what?" Bai Yuhuang smiled coldly, not paying attention to these elders at all.

He said lightly: "Stop them, wanting to die. It's not too late until my disciple cut off the head of that little trash that day.

As he said, his eyes motioned, and Hua Jingtao walked towards Ye Chen.

"Stop it!"

The elders of the Divine Extreme Sect shouted violently, and they were about to swarm up, but before them, several figures suddenly flashed.

Bai Yuhuang brought a group of elders from the Dragon Palace to block them, and sneered: "What are you excited about? Let the junior take care of it, don't just intervene, okay?"

"Ye Chen!"

"Ye Chen!"

Lin Yaqin, Chu Ying, Wen Min'er, Yin Ming and other women were all full of tears, rushing towards Hua Jingtao, full of breath blooming, they were actually desperate to shoot!

They know that they are not Hua Jingtao's opponents at all!

But even if they die, they will never allow anyone to insult Ye Chen's body! ! !

"Ha ha."

Hua Jingtao glanced at the women, and Long Wei was surging. He was confident that he would be able to bombard these unconscious women with no scum left!

is there, the moment when Hua Jingtao's breath is about to be released!

A girl wearing a veil stood in front of Ye Chen.

Hua Jingtao was slightly startled, and he naturally noticed the girl.

Also, it's hard for him not to pay attention!

The peerless genius of Luoxiazong, Ji Yan!

Even, in terms of potential, Hua Jingtao knew deeply that he was not as good as this girl.

And why is this girl standing in front of him at this moment.

Hua Jingtao suppressed the doubts in his heart, arched his hands, and showed a smile: "Miss Ji, you are..." New 81 Chinese website updated the fastest mobile terminal: <https://>

Ji Siqing's expression was cold, and only a few seconds later, he uttered a word: "Go away."

At this moment, the whole world seemed to be silent.

This extremely mysterious female disciple of the Luoxia Sect actually said to the enchanting and transcendent Hua Jingtao?

Who gave her the courage!

Of course, this Ji Yan has triggered one after another! The potential is even more amazing!

But she is no more than a disciple of the second-class sect!

Shan Shan Zongmen's background is very different!

Even if you don't talk about the background, Ji Yan's strength is still somewhat different from Hua Jingtao!

Ji Yan's light was dazzling, but it only broke through to the fourth level of Zhan'er!

If two of them do it, they will definitely lose to the awakened Hua Jingtao!

Even the Sect Master Luoxia and the Elder Yigai in the distance were stunned.

Why did Ji Siqing wade in this muddy water?

If Ji Siqing does not die, then Luoxia Sect will definitely become a first-class sect within a year!

It's not even impossible to surpass the sect where Hua Jingtao is located!

Ji Siqing is confused!

At this moment, Hua Jingtao's face was a little sordid. He stared at Ji Siqing firmly, and then said every word: "Your talent is amazing! But you know the gap between you and me!"

"If you stand in front of that kid again, I swear, you will die miserably!"

"Even if you don't think about you, you still have to think about the sect behind you!"

However, before Hua Jingtao finished speaking, under Ji Siqing's veil came the familiar, but cold words:

"Go away."

"Or, die."

"If you don't believe me, please give it a try."

threatening.

Naked threat.

just came out of Ji Siqing's mouth.

Not only that, but the world shook.

A torrent of anger seemed to descend.

Hua Jingtao's face changed slightly. He felt around him and found that he seemed to be in a cold world!

This mysterious woman is so powerful!

even suppressed his blood.

Why haven't I heard of it in the Kingdom of God before?

Suddenly, the death intent surrounding him dissipated, and Bai Yuhuang shot.

Although Bai Yuhuang was surprised that this is called Ji Yan's aura, he still said: "Ji Yan, figure out your position."

"If you stop again, the Luoxia Sect will no longer be!"

This is the confidence of the first-class forces!

However, Ji Siqing did not move.

Seeing that the atmosphere was not right, the Patriarch of the Qu family could no longer sit still and just wanted to intervene in this matter!

The sudden change!

A loud bang came from where Ye Chen was!

A golden light suddenly fell on Ye Chen's body! ア新ヤ~⑧~1~中文网ωωω.χ~8.~1zщ.còm

Originally, Ye Chen, who looked like a corpse, suddenly opened his eyes!

Ji Siqing was obviously the first time he noticed, and with a slight smile, he walked towards Luoxia Sect.

does not take away a cloud.

"Boy, you made it!"

In the voice of Cang Ancient Medicine God, there is joy!

"I really didn't expect that this tower of the gods is where the suppression of the devil soul is! Moreover, this devil soul is so cunning that it will not happen until a demon like you is against the sky!"

If you really die in the world transformed by the town \*\*\*\* tower, your body will probably be taken over by the demon soul..."

Chapter 2607: I want to kill you

Yes, the reason why Ye Chen appeared in the ancient battlefield was because there was a ray of demonic soul suppressed in the tower of the gods! Even with the passage of time, it has almost assimilated with the town \*\*\*\* tower!

Fortunately, this demon soul, although partially assimilated with the \*\*\*\* of the town, is still under the suppression of the \*\*\*\* of the town, even if he wants to swallow Ye Chen, he can only penetrate his own power into the tower of the \*\*\*\* of town. Plundering Ye Chen's origin...

In the beginning, the demon soul that had just awakened, under the restraint of the \*\*\*\* of town tower, could not exert all its power, only a few demons could be transformed into an attack on Ye Chen. Later, the power he could use became stronger and stronger. However, what he didn't expect was that Ye Chen improved faster!

In the end, it was swallowed by Ye Chen...

Ye Chen's battle with this demon soul can be said to be the epitome of the war between the human race and the demon race.

Ancient, victorious, it is the human race!

Now, Ye Chen is the winner!

And Ye Chen, devouring the devil soul, basically, is equivalent to devouring part of the source of the Zhenshen Tower!

The benefits are unimaginable!

Ye Chen stood up slowly, and said lightly: "Old man, it turns out that the martial arts of the Kingdom of God prospered in that long time because of the war with the demons."

"There are some things that can only be experienced and developed during war. Human race is not powerful in itself, but in the battle with demons, it constantly imitates and learns from each other, and creates various martial arts against the sky!"

"The demon race is good at swallowing, the body of this demon soul must be incomparably against the sky, right? Once, I am afraid that it was an existence that swallowed all creatures!"

"I also understand why the Devil Emperor wants the beads."

"The reason why the Zhenshen Tower can bring all kinds of benefits to those geniuses during the baptism is that the power swallowed by this demon soul is fed back to them..."

"But now, it's all mine! It's a pity that I can't absorb all of it now! A large part of it is stored in the reincarnation cemetery."

Then, a breath erupted from Ye Chen and rushed straight into the sky!

This demon soul was swallowed by Ye Chen, not only allowed his cultivation to be fully restored, but even broke through to the fifth layer of the Supreme Void!

even approached the sixth heaven.

You must know that Ye Chen's reincarnation bloodline makes it far more difficult for him to break through every realm than an ordinary warrior!

Ye Chen practices the real \*\*\*\* mode!

Everyone looked at Ye Chen, completely sluggish!

What happened?

Ye Chen, isn't it dead?

can be resurrected! ?

Moreover, after the resurrection, not only the cultivation base was restored, but also the breakthrough was made directly.

At this time, Ye Chen exudes a very solemn atmosphere. Everyone looks at him, and for some reason, there is a feeling of seeing a sea of blood!

That is the killing intent that Ye Chen has condensed in fighting for thousands of years in the ancient battlefield.

Chuying and other women, on their pretty faces, are full of tears, but also with smiles...

Ye Chen turned around, looked at Hua Jingtao, who was full of surprise, and said to Canggu Medical God: "It turns out that the reason why the ancient martial arts has been lost in the kingdom of God is because the ancient martial arts, relying on comprehension, is not enough. "

"You must, you have to fight against a strong man with a high martial art concept, to master it."

Cang Ancient Medical God smiled and said: "Yes, Ye Chen, your martial arts artistic conception has broken through?"

Ye Chen nodded, Ling Xiao's martial arts had already risen to several levels, and all the martial arts charm left by the Seven-Star Refining Pavilion had been absorbed.

Otherwise, he would not be able to survive in the ancient battlefield.

In his eyes, countless scenes of fighting with the demons flashed through. During the fight, his extreme martial arts three styles completely broke through to the ancient level!

At this time, Hua Jingtao recovered his calm.

Ye Chen, resurrected?

And the mysterious Ji Yan chose to leave.

Ha ha, isn't this just right?

Let yourself, kill again!

As for Ye Chen's cultivation level, although he broke through, it was directly ignored by Hua Jingtao.

broke through several small realms, so what?

In front of him now, the fact that it is ants cannot be changed!

"Ye Chen, run!"

Yu Mako, I don't know when he climbed out of the pothole, and tried his best to shout to Ye Chen!

Hua Jingtao sneered: "Run? Where are you going?"

His long sword is drawn, the dragon is soaring into the sky, the endless sword intent, turning into countless dragon shadows, instantly covering the world around this town's \*\*\*\* tower!

Everyone under the town \*\*\*\* tower, their complexions changed wildly, and their hearts were so frightened that they would stop beating!

Surrounded by sword intent, they only felt that as long as Hua Jingtao thought, he could completely annihilate himself!

"Under my Dragon Yuan sword formation, who can escape?"

The disciples of the Divine Supreme Sect next to Ye Chen glanced at each other, their spiritual power exploded, and they shot one after another, all kinds of sword light, fist marks, and hit the dragon shadow!

Yu Mako talks like this, they must do something.

As long as it is not a high-level struggle!

They acted together as disciples without any problems!

"Roar!" The giant dragon phantom uttered a dragon chant, sword light, and fist marks fell on it, not only did not react at all, but the disciples who shot were vomiting blood one after another, and their bodies flew upside down. !

Silence...

In front of this Longyuan Sword Formation, Zhan'e existed in the early stage, it was like a dog!

Unbelievable...

At this time, Ye Chen's expression did not fluctuate much, but when his eyes swept across the injured Yu Zhenzi and the elders, it became even colder.

Hua Jingtao smiled at Ye Chen and said, "Ye Chen, it's a pity to kill you like this. I heard that you are very affectionate? You said, did I kill you before killing you? Are those women killed?"

Ye Chen killed his elder brother, wouldn't he kill Ye Chen's woman the best revenge?

He knows how painful it is for a loved one to die, let alone in front of him?

Ye Chen said lightly: "You, won't have this opportunity."

"Oh?" Hua Jingtao's eyes had a hint of playfulness: "Are you going to commit suicide? You finally resurrected, so you have to commit suicide?" New 81 Chinese network update the fastest computer terminal: <https://>

"No." Ye Chen stared at Hua Jingtao and said, "I, want to kill you."

The people under the town \*\*\*\* tower looked at Ye Chen, in addition to shock, there was respect in their eyes!

Ye Chen, deserves to be a man with the name of a devil!

Under this situation, he is so proud!

However, although they respect, they are not so stupid to believe that Ye Chen is really Hua Jingtao's opponent...

After returning to his ancestors, Hua Jingtao is simply a \*\*\*\* among many geniuses...

Ye Chen, at most it is a bigger worm...

Hua Jingtao smiled contemptuously, as if he wanted to mock!

But Ye Chen didn't give him this opportunity!

In the next moment, the Qinglian Heaven-extinguishing Sword fell into his hand, and an indescribable rhyme burst out of Ye Chen!

The moment this meaning emerged, the Longyuan Sword Formation that originally blocked the heavens and the earth was actually direct and vanished into nothingness!

On the Qinglian Detian Sword, an extremely dazzling sword light burst out!

A sword light that even a \*\*\*\* can kill!

The law of martial arts, in the light, keep breaking!

Hua Jingtao's contemptuous smile freezes...

completely solidified!

A ten-thousandth of a second later, Hua Jingtao roared wildly. Numerous dragon scales appeared on the body, and the whole person turned into a half-dragon and half-human existence!

At this time, he has already stimulated the blood of the Heavenly Dragon to the extreme! New 81 Chinese website update the fastest mobile terminal: <https://>

is rolling in all strength, blending into the long sword in his hand!

Chapter 2608: Heaven can't stop it!

The current Hua Jingtao's one-strike force can definitely kill any existence in Zhan'e Seventh Heaven!

You can even fight the eighth layer of heaven!

He is very confident at this moment!

is very proud!

He wants to make the world feel powerful!

He wants Ye Chen to submit to his sword!

He wants to swallow these unrelenting ants with endless fear!

He smiled.

arrogantly smiled.

He seemed to have seen Ye Chen's head cut off by himself.

even saw the other person's fearful eyes.

"Long Yuan Jian Jue: Heavenly Dragon Slash!"

Tianlong Slash, the strongest move among the Longyuan Sword Art!

With a click, the sword cut out, the long sword in Hua Jingtao's hand, even, because it could not withstand the power of this sword, cracks appeared!

A ten thousand-foot golden dragon with distinct scales, emerges between the heaven and the earth, with infinite power!

Even a group of geniuses in the mid-term eradication can only tremble under the golden dragon's might!

The senior leaders of the major and first-class forces all looked at Hua Jingtao in disbelief. They knew that if Hua Jingtao was given another ten years, no! Even for a year, when Hua Jingtao breaks through the chaos, they will die when faced with this sword!

Only Bai Yuhuang, the lord of Zhenlong Palace, was laughing wildly, laughing wildly!

Zhenlong Palace, from now on will become one of the strongest first-class forces in the entire kingdom of God!

Infinite rise in status!

And his Bai Yuhuang will be admired by the world!

Ye Chen's outburst did scare him just now, but when Hua Jingtao made a sword, he was sure that Ye Chen would die!

At that moment, the golden dragon touched Jianguang...

An unbelievable scene appeared!

This seemingly incomparably powerful Golden Dragon sword light was actually only in Ye Chen's sword light. It persisted for one ten thousandth of the breath, and it was completely wiped out!

Moreover, Jianguang, is still advancing, and even the speed has not slowed down at all!

In an instant, Hua Jingtao, who was already full of horror, was drowned!

Bai Yuhuang immediately felt something was wrong.

He discovered his disciple's fear.

Ye Chen's martial arts meant that Hua Jingtao had no plans to resist!

In the meaning of martial arts, Hua Jingtao has already lost!

how is this possible!

Before he could think about it, he forced a drop of blood and shot it on a piece of jade pendant.

The jade pendant was thrown out and instantly protected in front of Hua Jingtao.

A shield full of strong power appeared!

However, Ye Chen's mouth showed a smile.

If Bai Yuhuang came in person, he might still be able to stop him.

Can a jade body protector really change the current situation?

impossible.

Ye Chen's sword intent became more and more violent, and he broke the shield instantly! It slammed on Hua Jingtao's body abruptly!

Hua Jingtao's body was covered with scars, endless waves of Qi surging, and Hua Jingtao flew out abruptly!

is a full 100 meters away!

However, Hua Jingtao is not dead.

The shield absorbed most of the damage, otherwise, Ye Chen's blow might be able to wipe out Hua Jingtao.

No one knows how many people Ye Chen killed in that ancient battlefield.

His killing methods have been condensed to the extreme.

At this moment, he is a demon crawling out of the pile of death!

Everyone was dumbfounded.

Divine Extreme Sect's Ye Chen was not in the Shenguang ceremony, did he fall for his cultivation?

Compared with Hua Jingtao, one place, one sky?

Shouldn't it be the sky-defying Hua Jingtao that kills Ye Chen in seconds?

Why is everything the other way around?

incredible to the extreme!

Everyone noticed Ye Chen's body.

Ye Chen walked towards Hua Jingtao step by step.

is like the footsteps of death.

Hua Jingtao panicked completely at this moment, and his body kept crawling towards the back.

He stretched out his hand, looked at his master, and said hoarsely: "Master, save me!"

Bai Yuhuang's body trembled, and his anger burned!

He felt that the foundation of his apprentice had been damaged, and everything in the Divine Light Ceremony was wasted!

is true, but he will never allow his apprentice to be humiliated!

He stepped out and stood in front of Ye Chen in an instant, his eyes were cold: "Ye Chen, the struggle between juniors, stop here!"

"If you dare to do anything, you will endure the endless anger of a first-class power!"

"If you don't think about yourself, you must also consider the Shenjizong behind you."

Ye Chen looked at many people.

The injured Tamako.

Those Shenjizong disciples who paid a heavy price to protect themselves.

Ye Chen never thought that there was a sect in the God Congress that would accept him like this.

He caused trouble, he caused many things in Shenjizong.

All this seems to be still yesterday.

He is like a time bomb.

However, the head of Shenjizong Yuzhenzi and those disciples guarded themselves and exceeded their lives!

They...really regard him as a member of Shenji Sect!

coexist and die!

"Until the point?"

Ye Chen smiled.

He has never seen such a shameless person!

Hua Jingtao wants to kill himself, why doesn't Bai Yuhuang say so much?

This is the style of a great suzerain! New 81 Chinese network update the fastest computer terminal: <https://>

"Boy, what are you laughing at! You are not my opponent! I..."

Bai Yuhuang's voice suddenly stopped. Starting

Because Ye Chen raised his head!

Gaze with eyes!

What kind of eyes did he see!

That is the look in the eyes of the devil who crawled out of Jiuyou Hell!

Those eyes seemed to have gone through the ancient battlefield! Massacred countless people!

Even he, the strong chaos, was temporarily lost.

But at this moment, Ye Chen moved!

The Qinglian Destruction Sword in his hand flew out suddenly!

fly to the sky!

Then, Qinglian demon fire wrapped the whole body! With Ye Chen's feelings of martial arts!

fell from the sky!

pointed at Hua Jingtao!

Bai Yuhuang's eyes were bloodshot and he was very angry, and roared: "Dare you!"

Ye Chen's eyes were full of killing intent, and he said without fear: "Why don't I dare!"

"The person Ye Chen wants to kill Heaven can't stop it! What's more, you Bai Yuhuang!"

A voice with Ye Chen's will came like the sound of nine days!

Then!

Qinglian Mietian Sword came to Hua Jingtao with the fire of martial art charm!

Hua Jingtao was afraid and trembling!

He wanted to hide, but he couldn't hide it at all!

"bump!"

shine! Blood splattered!

Within a few seconds, the light converges, everything returns to peace, everything seems to have never happened...

It's just that, in the world, there is no such person as Hua Jingtao...

There is no trace left...

噗通, 噗通, 噗通.....

All martial artists are completely limp...

It's not because they were shocked by the attack. With Ye Chen's current martial art realm, even the aftermath of the attack could be controlled at will.

But, because it was too shocking, the brain was unable to function normally, and the souls were all lost!

What's the situation! ?

Just now, he was unbelievable, and he arbitrarily scared countless strong men to almost pee their pants, and successfully returned to the ancestors. Hua Jingtao, who had awakened the extremely powerful Heavenly Dragon bloodline, was like a god!

Damn, just die like this?

was killed by Ye Chen with a sword?

Still completely crushed, the kind that doesn't even have slag?

Chapter 2609: You understand what i mean

Is this reality or a dream?

Originally, there was only a blank in the eyes of those first-class powerhouses who felt extremely gratified for the growth of their disciples...

Compared with Ye Chen, what is the kind of growth of his own disciple?

The key, Ye Chen's move is too domineering!

Kill his disciple in front of Bai Yuhuang!

is still in full view!

dare to ask the kingdom of God, who can do this!

Only Ye Chen.

At this moment, Bai Yuhuang's eyes were blood red, and a sword appeared in his hand!

There are no rules in his mind anymore!

According to the rules of the Shenmeng, he can't touch the junior!

But now, he wants Ye Chen to die!

I want Ye Chen to die at all costs!

The power of chaos suddenly broke out!

The world changes color, dark clouds cover, and the end times seem to come!

The face of the strong man on the side of the Shenmeng changed slightly and wanted to stop it, but it was obviously too late!

Now Bai Yuhuang is a lunatic!

"Ye Chen, die for me!"

Bai Yuhuang's sword is out!

Ye Chen's eyes were dignified. He communicated with the old man and asked: "Old man, I am now a fifth-tier sky, even one step away from the sixth-tier sky. According to my leapfrog ability, plus the martial arts rhyme and trump card, whether Can shake the chaos powerhouse?"

Ye Chen has never fought against a chaotic powerhouse, so he can't be sure.

Old Cang just wanted to speak, but the voice of the Kuangwu Overlord suddenly sounded: "Boy, you too underestimate the Chaos Power."

"Zhan'er Realm, there is a Feng Shui Ridge. That is Zhan'er Sixth Heaven."

"After Zhan'e Sixth Heaven, it was extremely difficult for the martial artist to enter the late Zhan'e stage. Didn't you find that the genius disciples in your sect have cultivated for many years and haven't entered the late Zhan'e stage?"

"The distance between the seven heavens, the eight heavens, and the nine heavens is like a moat."

"For an analogy, it may take a hundred of potential and energy for the fifth level of Zhan'e to enter the sixth level of Zhan'er, and the potential and energy of 10,000 yuan for the sixth level of Zhan'er to the seventh level of Zhan'er! Understand? ?"

"Even, a genius warrior, it may take thousands of years to cross this small realm! Even an ordinary warrior, Zhan'er Sixth Floor is the ultimate in his martial arts."

"Although you have the ability to fight leapfrog, and you have entered the fifth level of the Taixu, and have a strong martial arts charm, your current strength should only be able to compete with the seventh level of Zhan'er."

"You still have the biggest problem, the thunder has not yet come, it is really weird."

Ye Chen was a little bit lost, and said: "Should the Divine Light Ceremony not have many benefits? Why do I feel that I have only broken through the two heavens, or the two heavens too empty? Even my blood is not awakened?"

Kuangwu Overlord frowned at this time, as if it were a bit strange. New 81 Chinese network update the fastest computer terminal: <https://>

Just then, the old man spoke:

"Actually, I thought about your doubts for a long time. The moment you ended the divine light ceremony, endless energy poured into the reincarnation cemetery."

"Then it disappeared strangely."

"It's like... absorbed by the other you."

"As for why your bloodline is not awakened, there is only one reason. The Divine Light Ceremony overrides all bloodlines, but it cannot override your reincarnation bloodline."

"In other words, the Divine Light Ceremony is too inferior to the blood of reincarnation."

Ye Chen's brows condensed into Chuan.

another me?

In the next second, lightning flashed in my mind!

Could it be that... the abilities of the Divine Light Ceremony were all absorbed by the blood dragon of the Nine Heavens Dragon Palace!

The blood dragon absorbs its own energy not once!

Most likely!

But Ye Chen has no complaints!

After all, the stronger the blood dragon, the stronger he is! First release <https://https://>

Seeing that Ye Chen was still thinking, the ancient medicine \*\*\*\* Cang quickly said, "I won't explain this yet. In the face of a blow from the chaotic powerhouse outside, you have no chance of winning, you have to run."

Ye Chen stunned, returning to reality, looking at the monstrous sword intent, the red dust veins activated, and he just wanted to use Extreme Martial God Flash.

A woman with a monstrous aura appeared in front of Ye Chen.

This woman is no one else.

is Tu Lanxin!

Tu Lan's eyes condensed, holding the jade sword in his white hand, the jade sword swept away, and the power of chaos burst out.

Tu Lanxin's power instantly collided with Bai Yuhuang!

Tu Lanxin stepped back ten steps, and Bai Yuhuang also stepped back ten steps.

Bai Yuhuang never expected Tu Lanxin to make a move, and his eyes even wore a trace of alert: "Tu Lanxin! What do you mean!"

Tu Lan hearted Ye Chen and sneered: "It doesn't mean anything."

"It's really not ashamed that a first-class sect master shot a disciple."

"Even, it is not an exaggeration to say that you are trash."

"The face of the sect behind you is all lost by you!"

Bai Yuhuang's eyes became more bloodshot, and he said angrily: "My disciple is the most amazing genius of the Divine Light Ceremony, and the glory of the kingdom of God! The \*\*\*\* Zong Ye Chen killed my disciple, and his heart is punishable! The sin is unforgivable!"

Tu Lan smiled coldly: "Glory? If it is glory, how can it be killed by my Divine Extreme Sect disciple Ye Chen with a single sword?"

"Your sect is not worthy of the word glory."

"But there are two words, but it is suitable, for example-shameful."

"For another example-garbage?"

Everyone was in an uproar when he said this.

Tu Lanxin's words are equivalent to slapping Bai Yuhuang on the spot!

is too domineering!

Bai Yuhuang's eyes seemed to be burning, killing intent surging, he and Tu Lan worked hard, without any restrictions!

Just as he was about to rush towards Tu Lanxin, the master of the ghost knife gate Yin Zun made a move.

His sword intent surged, and he rushed towards Tu Lan's heart.

"Tu Lanxin, you are too much! I feel unfair for Brother Bai! I will teach you something today!"

Tu Lan's eyes condensed, and said to Ye Chen: "Go."

After finished speaking, he went to Yin Zun, the master of the ghost knife gate.

The swords and swords blend together, and a sudden gust of wind rolls up The chaotic power of the two forms a boundary on their own, so that they cannot affect others.

Otherwise, many disciples and elders of the sect will be injured.

Bai Yuhuang smiled.

He knows why Ghost Daomen shot at this time.

This is to give him a chance.

Ye Chen is also the enemy of Ghost Daomen.

So, today, Ye Chen must die.

.....

When everyone's attention is on Ye Chen and Bai Yuhuang.

A veiled girl suddenly appeared in front of the Qu Family Patriarch.

This veiled girl is no one else but Ji Siqing.

She knew that she couldn't fight Bai Yuhuang right now, so she could only use her strength.

The Patriarch of the Qu family has been following Ji Siqing from beginning to end. Now that he sees Ji Siqing appearing, he has to kneel down on the spot and shout: "Ancestor!"

However, an indifferent voice came from under the veil: "Shut up."

The Qu Family Patriarch realized the situation and shut up on the spot.

He is a strong chaos! Honorable status!

If someone discovers this scene, you will definitely drop your jaw!

The Chaos Strong is extremely proud! Such a posture in front of the Zhan E girl!

incredible!

The breeze floats.

The beautiful face looming under the veil slowly said, "That kid named Ye Chen has a good personality. I don't want him to die prematurely. You know what I mean."

Chapter 2610: Wept

The Qu Family Patriarch's body was startled, and he nodded fiercely.

The next second, he disappeared in front of Ji Siqing.

.....

Bai Yuhuang smiled. In a ten-thousandth of a second, his sword had broken everything with the meaning of boundless chaos.

is about to pierce Ye Chen's body.

In his opinion, that incredible top genius may just fall!

Of course, Bai Yuhuang will be punished by the Alliance!

and even the accusations of many first-class sects!

But, does that matter?

He lost the opportunity to rise!

What about punishment for ten thousand years!

Even if he bet on the future of Zongmen, he will kill this kid!

Boundless Sword Shadow locked Ye Chen.

Ye Chen didn't move.

Because there was a voice in his head.

That is the breeze that hasn't made a sound for a long time.

"Ye Chen, the last sword, the so-called six ways into one, the seventh sword, I should teach you as a teacher."

"The most fortunate thing in my life as a teacher is to meet you."

"The sword for the master is the ultimate in kendo."

"But it is also a sword of life."

"I have never used it for the teacher."

"However, I always want to keep something in the world as a teacher."

"Is faith?"

"Is it a legend?"

"I was puzzled for the teacher, until just now, I was awakened for the teacher."

"The way of sword is to give."

"Dye the sword with life."

"By the way, do you remember the teacher Zhang who just entered the sect?"

"Actually, he has been instructed by his teacher. From a seniority point of view, he should call you a senior."

"If you enter the Shenji Sect, it may be a kind of fate."

"You are protected by the Shenjizong, I am very pleased to be a teacher."

Ye Chen has tears in his eyes.

Feng Qingyang has been with me for too long.

Although it was divine mind that disappeared, he still didn't give up.

"Master, I may be able to resist, you don't need to act."

"I don't want you to dissipate yet."

"I really don't want it."

Feng Qingyang just wanted to say something, a figure walked out.

is not someone else, it is the ancient medicine god.

Cang Ancient Medical God glanced at Feng Qingyang, and then said to Ye Chen: "Trainer, you will do what I said later, and I can protect you to the maximum."

"The six sword gods don't have to dissipate."

Ye Chen was startled, a little excited: "Really?"

The ancient medical \*\*\*\* Cang nodded, "But it consumes some energy, which is not too much to me."

"Do you remember the Skywrath Needle you got at Cangu Gate?"

"Remember." Ye Chen nodded.

Cang Ancient Medical God just wanted to say something, another domineering voice sounded!

"Boy, don't want the power of Cangu Medical God, I will bless you with Quanwu Dao Yiyun, the blow of the chaos powerhouse can barely resist!"

This voice comes from the Kuangwu Overlord!

Ye Chen looked at everyone Da Neng thinking of a way for himself, and was very moved.

He came to reality, closed his eyes, then opened, killing intent condensed!

turned towards Bai Yuhuang's sword!

Bai Yuhuang is also a little confused about why, but without any contempt, his power is completely released!

Just when Ye Chen was about to take a shot, a spear suddenly flew out!

directly hit the body of Bai Yuhuang's sword!

A huge vibration and air wave set off, Bai Yuhuang spit out a mouthful of blood, and his body went backward!

Then, it hit the ground heavily!

was seriously injured!

Bai Yuhuang knew that someone had attacked him! New 81 Chinese network update the fastest computer terminal: <https://>

Who would dare to sneak attack a first-class sect master in full view!

"Which scumbag, get out!" First published <https://https://>

Bai Yuhuang roared.

However, his voice quickly stopped abruptly.

Just because there is a middle-aged man in brocade clothes standing in front of him, not angry with himself, holding a simple spear in his hand, releasing extremely strong majesty.

is the master of the composer!

The Patriarch of the Qu family turned his spear, fiercely inserted on the ground, and said, "What a great tone! I dare to say that my Qu Xue is brave, you are the first in the kingdom of God!"

Bai Yuhuang is stupefied!

Everyone present is dumbfounded!

Qu Xueyong, the master of the song family, has shot!

The key composer is the ancient family, and it has a lot to do with Tiandao Palace!

In terms of status, it is more noble than the first-class sect!

Bai Yuhuang looked at the ferocious Qu Xueyong, and swallowed. Although he was the first-class sect master, he did not dare to get hatred with Tiandao Palace.

Qujia, but someone sits at the core of Tiandao Palace!

"Master Qu...misunderstanding...I don't know it's you...I..."

"I just want to deal with that little bunny Ye Chen...I..."

However, before Bai Yuhuang's words were finished, Qu Xueyong stepped out, and the ground shook: "In ancient times, my ancestors created a nine-day record, and the country is famous!"

"And today, this young genius named Ye Chen has set a stronger record and used absolute strength to slay Hua Jingtao of the Tianlong blood! The road to martial arts is already the weak and the strong! What is the controversy!"

"Relying on your tens of thousands of years of cultivation, you step into the chaos and deal with a junior who has no roots! Your heart is shameful!"

Bai Yuhuang shook his head fiercely: "No...I am avenging my apprentice..."

Qu Xueyong's spear raised, slammed it fiercely, and the ground cracked and continued: "Apologize to the little brother Ye Chen! Apology to the martial arts of the Kingdom of God!"

Bai Yuhuang's eyes widened!

Apology?

apologize to Ye Chen?

This is humiliating him!

He just wanted to refuse, a few old men appeared behind Qu Xueyong, and these old men were all of the top elders of the Qu family.

are all chaotic realms!

There is even a Supreme Elder!

This...Why did this Qu Xueyong bring so many elders out?

What is going crazy?

Is it to humiliate yourself?

He looked at the elders of his sect behind him again, and stepped back, as if to keep a distance from him.

He clenched his fists, blood even poured out, looking at Ye Chen with a fiery look, and shouted, "I'm sorry!"

Qu Xueyong nodded and looked at Ye Chen: "Little brother, are you satisfied?"

Actually he is almost done like this.

After all, when a dog is anxious, he will jump over the wall. The anger of the strong chaos is not simple.

However, Ye Chen did not speak, and walked towards Bai Yuhuang step by step.

Ye Chen stopped when he walked to the seriously injured Bai Yuhuang.

The violent killing intent ignited a raging fire.

Xuan Yan, Qinglian Demon Fire has wrapped Ye Chen's body!

Ye Chen is very dazzling at this moment!

Ye Chen's eyes fell on Yu Zhenzi's body.

Yu Mako has blood on the corners of his mouth, and his face is pale.

The master of Shenjizong was injured.

The master who was protecting him was injured.

The master who made him feel the warmth of the kingdom of God was injured.

Ye Chen feels distressed.

Like those masters in the reincarnation cemetery.

He wants to protect something.

What if facing the chaotic powerhouse.

Ye Chen's gaze fell on Bai Yuhuang again, and he said every word:

"Zhenlong Hall, Bai Yuhuang, half a year later, you and I are in a life-and-death battle, today you touched my master Yu Mako, half a year later, I want your life to pay back!"

The sound of the sky shook all over the square.

Tu Lan was embarrassed.

Qu Xueyong was dazed.

Yu Mako was crying.

He found his injury and it no longer hurts.
