### Chapter 2611: Temple of All Demons

He accepted an apprentice who not only had talent against the sky, but also had such a righteous outlook.

Fortunately!

But, for half a year, can those who are too imaginary really surmount the obstacles of two layers of heaven and slay the chaotic power?

is it possible?

Look at the history of the Kingdom of God!

Look at the ancient times!

is impossible!

And Bai Yuhuang knelt directly on the ground, smiled, smiled grimly...

The hope of Zhenlongdian, although shattered... But he has the hope of blade Ye Chen!

This time, no one can stop!

He can torture Ye Chen alive!

.....

Everyone can't wake up.

They didn't understand why Ye Chen would say this unfavorable agreement.

Without this half-year agreement, Shenjizong would reach the top of the Kingdom of God from now on, and become the most powerful and unshakable first-class power of the Kingdom of God!

Even everyone has no doubt that if you give Ye Chen ten years, ten years later, Ye Chen can make the first-class power of the Kingdom of God suppress the Dragon Palace and disappear...

But why is there a life and death battle in half a year?

Even a year will do!

Half a year, too short!

is so short that Ye Chen may not be able to cross a small realm!

Ye Chen didn't pay attention to Bai Yuhuang at this time, he came to Yu Zhenzi and gently helped him up.

Then, the golden needle flashed, and a pill entered the body.

Yu Mako's injury seems to be much better.

Then, he began to comfort Lin Yaqin, Chu Ying and other women.

They thought that Ye Chen was dead, they were very sad, and even thought of suicide...

A group of elders also walked over, but their faces were dull. Until now, some of them could not believe what they saw.

Originally, Ye Chen, who was already dead, suddenly resurrected, and with one move, he killed Hua Jingtao, who had frightened the entire kingdom of God?

This feeling is almost 100 million times more exciting than Fan Jinzhongju!

ups and downs!

Here comes another half-year appointment!

They are not going crazy...

After doing all this, Ye Chen walked towards the Qu family. He wanted to say thanks, but found that the Qu family's Patriarch and the elders had already left.

Then he went to Luoxiazong again.

After all, when he was in danger, a woman named Ji Yan had rescued him.

However, an elder of the Luoxia Sect told:

"Young Master Ye, Ji Yan has a lot of sentiments. He has already left and is about to retreat. Please don't bother."

Ye Chen had no choice but to leave.

The Divine Light Ceremony finally came to an end, and the powers of the Divine Kingdom returned to their sects.

At the same time, they also brought back the legend about Ye Chen...

brought to every corner of the kingdom of God!

From this day on, Ye Chen's name will be passed down forever and ever in the Kingdom of God!

Shenjizong.

It has been a month since the end of the Divine Light Ceremony. Now the disciples of Shenji Sect are extremely proud, because the current Shenji Sect, because of Ye Chen's relationship, is no longer the bottom of the first-class power. exist!

But now, Ye Chen knew that he had enough power, so after receiving Xia Ruoxue, Sun Yi, Zi Ning, Fenying, Ye Lingtian and others on the Lingwu Continent, they directly closed the door.

He swallowed that Demon Soul, and the benefits he got were too great!

You have to digest it well.

Although most of the harvest of the Divine Light Ceremony was captured by the blood dragon, the remaining benefits were enough for him to digest.

However, what makes Ye Chen a little strange is that Ye Luoer is not in the Shenglong family.

Ye Luoer left.

seems to have left with Yong Lao.

Ke Yong Lao didn't tell him anything about Ye Luoer.

In addition, there is another strange thing, Tu Lanxin has not appeared since the Divine Light Ceremony!

As if the world has evaporated.

He asked Yu Mako.

After the Divine Light Ceremony, Tu Lanxin went out alone. It seemed that there was something, but he still hasn't shown up.

Ye Chen didn't think too much.

Right now, there are still four months before the half-year appointment.

He must improve his strength as soon as possible.

.....

Wanxuan City is one of the ten largest capitals in the Kingdom of God.

At the same time, it is also one of the few capitals not under the jurisdiction of the League of Gods.

This is because most of the residents in Wanxuan City are not humans!

is a human being!

This Ten Thousand Profound City is ruled and managed by the human and demons themselves!

In the Ten Thousand Profound City, there is an extremely luxurious and extremely spacious palace located in the center of the capital.

Here is the Temple of Ten Thousand Demons inhabited by the Demon Kings of the past!

The Demon Emperor of this generation is Yun Wu Tang!

However, something weird is that Yun Wuxian has not appeared in the kingdom of God for a long time!

At this moment, in the magic palace, a middle-aged man with purple eyes in a brocade dress respectfully asked a demon woman in a black dress: "Your Majesty, may I ask, your majesty, he still Didn't you leave?"

Human Demon Race, call the Demon Emperor His Majesty!

The woman in the black dress shook her head and said, "Old Hong, your Majesty has been in retreat for nearly a hundred years since he fought the \*\*\*\* surnamed Tu. I don't know when I will leave. Go back, I will send someone to notify you after your majesty exits the customs?" ア新ヤ~⑧~1~中文网  
ωωω.χ~8.~1zщ.còm

This middle-aged man is the head of the Hong family, Hong Zhengyuan!

Speaking of it, the Hong family in this Wanxuan City can be regarded as a relative of the emperor! The ancestors of the Hong family and the Yun family have a very good relationship, and Hong Zhengyuan has even married a cousin from a distant house who is invisible to Mo Huangyun!

Otherwise, with the strength of the Hong Family's second-class family, how could it be possible to retain that half-step ancient martial arts?

Ever since the death of Hong Yan and Hong Bei Hong Zhengyuan has been in grief and hatred Ye Chen and Shenjizong!

But, the Hong Family, a mere second-class force, how can they fight the Shenjizong?

After the death of his two sons, he came to this Ten Thousand Profound City and directly entered the Demon Palace, see Demon Emperor Yun Invisible.

However, Yun Wuxian has been in retreat since his battle with Tu Lanxin a hundred years ago. In the past few months, he has been asked to see him many times, but he has received the same reply.

Hong Zhengyuan heard the words, his eyes flashed disappointment, but he quickly shook his head firmly and said: "I have to wait until your majesty exits!" His two sons are dead, go back? Where else can he go back?

Regardless of Yun Wutang, he has to wait when he leaves the customs!

can see Yun Wuxian a moment earlier, ask Yun Wuxian to avenge his son, how long he waits is worth it!

"Ugh."

Mo You, the saint of the human and devil clan, shook her head, but didn't say much. She understood Hong Zhengyuan's feelings at this time. The two sons of the Hong family were dead, and Hong Zhengyuan and Yun Wushen had some relatives. Could it be that , Can she still drive Hong Zhengyuan away?

at this time!

Somewhere in the Temple of Ten Thousand Demons, suddenly, there was a loud bang!

The whole Temple of Ten Thousand Demons trembles slightly!

At the same time, an extremely shocking breath rose from the Temple of Ten Thousand Demons!

Mo You and Hong Zhengyuan both looked in the direction where the breath came from in shock!

Chapter 2612: Get some interest back

The next moment, on Mo You's pretty face, a ecstasy appeared, and he exclaimed: "This...this is the breath of your Majesty the Demon Emperor! Your Majesty, he is out!"

Hong Zhengyuan trembled when he heard the words, and then a very cruel smile appeared at the corner of his mouth.

"Ye Chen, Shenjizong, I want you to pay the price!!!"

At this time, inside the main hall of the Temple of Ten Thousand Demons.

A black robe, a cold face, domineering, revealing a three-point evil charm, a flame pattern on the eyebrows, deep purple eyes, like thousands of stars, gathered in it, a very handsome middle-aged man standing in the palace.

A space crack, behind him, slowly closed.

This person is the Demon Emperor Yun invisible!

Yun Wuwei panted slightly, with a lot of scars and blood on his body, where did he look like he had just left the customs?

On the contrary, it seemed that he had experienced a terrible battle!

On Yun Wuxian, there is still an extremely strange corpse!

A black skin, densely packed strange lines, dark purple eyes, blood flowing out of the body, not bright red, but a dark black corpse!

If Ye Chen were here, he would definitely be able to recognize that this corpse was extremely similar to the extraterritorial celestial demon he had seen in the illusion of the ancient battlefield!

Yun Wuxian looked at the corpse with an extremely ugly expression. Although it was this extraterritorial demon who died in the end, Yun Wuxian knew very well that he almost died because of this guy!

He couldn't help but cursed a little angrily: "What secret method has been left behind by the demon kings of the past to increase strength? It turned out to be to open a space tunnel, enter a space that borders the domain, and keep me inside for hundreds of years! "

He gritted his teeth and was extremely aggrieved. Since being defeated by Tu Lanxin, he has been extremely humiliated and tried every means to improve his strength. He even tried the taboo method in the Temple of Ten Thousand Demons!

Who would have thought that this taboo method is to send them to a space bordering the domain! More importantly, the energy to open the space tunnel is extremely huge. After opening it once, it will take at least a hundred years to open it again...

There are many extraterrestrial demons in this space!

Fortunately, there is no such thing as a terrifying existence!

But, it's not a warrior of the Kingdom of God at all, it can be compared!

Before entering this extraterrestrial space, Yun Wuxian was already one of the top 100 powerhouses in the kingdom of God. As early as a hundred years ago, his strength even surpassed most of the powerhouses of the first-class power!

However, after entering this outer space, it has almost become the lowest level existence!

At the beginning, Yun Wuxian was completely embarrassed! Hidden in Tibet all day and tried every means to improve his strength, only to survive extremely reluctantly...

Even before returning, he was stared at by an extraterritorial celestial demon, and Yun Wuxian only beheaded him just before entering the space tunnel!

"But..."

Yun held his hands invisible, and an extremely tyrannical breath rose to the sky! Feeling the terrifying power in his body, a smile appeared on his face.

"Danger, although it is dangerous, but if you can survive, the improvement is extremely huge!"

Now, his strength has been increased countless times than before entering that outer space!

Perhaps facing Tu Lanxin again, he can kill him easily!

In the cloud invisible purple eyes, the light flickered, and he sneered: "Tu Lanxin, now, can you still reject the emperor?"

At this moment, outside the main hall, suddenly, two figures flashed out!

It is Hong Zhengyuan and Mo You!

When they saw Yun Wuxian, they were extremely excited. They knelt down and saluted: "I have seen your Majesty the Demon Emperor! Congratulations to your Majesty for leaving the customs, and for your cultivation!"

But soon, both of them noticed the corpse in front of Yun Wuxian, and their faces were shocked!

This... This is the corpse of an extraterritorial demon!

It seems that it is still extremely powerful!

Yun looked at the two invisibly, and raised his eyebrows: "Get up, Hong Zhengyuan, why are you here? How are my two nephews?"

Hearing this, Hong Zhengyuan flashed an extremely sad color in his eyes, and said in a deep voice: "Return to your Majesty! We are here to tell your Majesty that Hong Yan and Hong Bi are dead! Hope your Majesty can help me. Hong family, be fair!"

"What!?" Yun Wuxian heard the words, a flash of anger flashed in his purple eyes!

He is quite optimistic about the two children of the Hong family!

With their martial arts aptitude, they will definitely accomplish a lot in the kingdom of God in the future! For the entire Human Demon Race, they are extremely important talents!

Special, Hong Yan!

Yun is invisible, and even thinks that Hong Yan has the potential to become the next demon emperor!

actually, are all dead?

Yun's invisible complexion instantly became gloomy, and he asked in a cold voice: "Who is it! Who is it, dare to kill me the genius of the demons!"

Now he is confident, stepping on the entire Kingdom of God, and making the so-called peak powers of the Kingdom of God tremble!

No matter who it is, if Hong Yan and Hong Bi are killed, the cloud is invisible, and the other party will pay the price!

At the moment, Hong Zhengyuan challenged Hong Yan to Ye Chen, and was killed by Ye Chen. Even the Hong Stele that went to watch the battle was destroyed by Yu Zhenzi.

After listening to the invisible cloud, a trace of sorrow appeared on his face, "Shenjizong? Haha This deity, there is something to solve with this Shenjizong."

"By the way, Tu Lanxin's \*\*\*\* should be in Shenjizong now."

Hong Zhengyuan hurriedly said, "Tu Lanxin has left Shenjizong not long ago, and there is no news."

Yun waved his invisible hand and said faintly: "Unfortunately...this matter, the emperor will be fair for you. Now, you should step down first, the deity is going to heal."

Hong Zhengyuan and Mo You looked at each other and stepped back respectfully.

After the two left, Yun Wuxian looked at the corpse of the extraterritorial demon on the ground. In the purple eyes, a rich color of greed appeared, and he grabbed the corpse and chewed it!

He discovered a big secret in the process of practicing in that outer space!

is the flesh and blood of high-level demon, for the human demon race, it is actually a great tonic! It can even enhance the power of blood!

It's a pity that, even if there is an invasion by an extraterritorial demon in the kingdom of God, most of them are just some \*\*\*\* low-level demons...

After doing all this, he took out a simple magic bone in his hand.

After looking at it for a while, he pinched his fingertips, and a drop of blood gathered.

Endless magic surging!

Yun invisible beside him actually appeared an identical existence!

Although the cultivation base is not as invisible as the cloud, it is not to be underestimated when looking at the kingdom of God.

Yun looked at the clone invisibly, and said lightly: "The emperor is still injured, and the mere ants are really not worth the emperor's action. You, the clone, go to Shenjizong to get some interest."

Chapter 2613: How to do?

"The demon bone in your body comes from a special demon from outside the territory. This demon has the ability to suppress the bloodline. Although your realm is only eight levels of heaven, but it has a strong bloodline suppression ability for the chaotic power of the kingdom of God. Now, the chaotic realm of Shenjizong should be very difficult to hurt you, and may even fear you.

"Take Ye Chen's head back."

"By the way, let Shenjizong pay some price."

The avatar cloud of Zhan'er Eighth Heaven nodded invisibly: "Yes!"

.....

Seven days later, Shenjizong.

A disciple was walking through the mountains. Suddenly, his complexion changed slightly and he looked towards the sky in a certain direction!

I only saw the horizon, rolling dark clouds surging, flashing at an astonishing speed!

"This is..." The pupil suddenly shrank!

Where is that, what dark cloud is it?

is the boundless magical energy!

In an instant, the demon energy has spread beyond the sacred mountain where the Shenji Sect is located, and the mighty demon energy directly surrounds the entire sacred mountain!

Three figures appeared in the demonic energy!

The avatar cloud stood in the void with an invisible and proud face, looking at the clouds and mists of the guardian mountain in front of him, there was a flash of disdain in his eyes!

The purple light in his eyes was prosperous, he suddenly opened his mouth and shouted at Shenjizong: "Shenjizong Ye Chen, Yu Zhenzi, you and others have killed me, the demon clan Hong Yan and Hongbei. The original cloud is invisible, and the punishment Here, come out quickly and die!"

Endless sound waves, with the blood pressure of the heavenly devil, are actually surging beyond the sacred mountain, and the white mist that protects the mountain is transformed!

This sound wave is really like a demon's oracle, with endless power, sweeping the entire Shenji Sect!

In the Divine Extreme Sect, many disciples with a slightly lower cultivation level, at the moment when they heard Yun Wushen yelling, blood surged, screamed, and fell to the ground in a coma!

唰!

Several figures flashed and appeared above Shenjizong. It was Yuzhenzi and the elders!

At this time, on their faces, there is a thick solemn color!

With a loud yell, there is such a mighty power across the mountain guard!

You must know that even the elders of the first-class forces used the power of chaos to deal with the Divine Extreme Sect. Under the protection of the mountain guard formation, I am afraid that there is no such effect!

This cloud is invisible, when did it become so terrifying?

is just a loud shout, its power actually reached such a terrifying point?

This, this is simply unpredictable!

The grand elder's face was full of seriousness. He was not afraid of death. However, through the clouds, vaguely saw the invisible figure of Yun. In the depths of his soul, an inexplicable fear that was ten thousand times stronger than death erupted. what!

That is, the fear of power, the strongest that is far beyond oneself!

The key, this invisible realm is not right!

The Chaos Realm was already a thousand years ago, but now it should be stronger, how did it become Zhan'e Eighth Heaven?

weird, too weird!

Yu Mako noticed something, and said: "This is an invisible clone of Yun. Although the realm is not high, it has a suppressive effect on us for some reason!"

"Only people with strong blood can fight against this person."

"Our bloodline, before this clone, is destined to be unable to compete, and even unable to exert the power of chaos."

"This cloud has disappeared invisibly for so long, is there any adventure?"

"It's a pity that we killed the Hong family. The mistake was first. This matter is very tricky..."

The Great Elder swallowed and looked at Yu Zhenzi and said, "Sect Master...now, what should I do?"

The second elder was also extremely pale at this time, couldn't help but glanced at the direction of Ye Chen's residence, and said: "Want, do you want Ye Chen to leave?"

In the entire Divine Extreme Sect, except for Tu Lan's blood and blood against the sky, it was Ye Chen!

Ye Chen must not be affected by bloodline suppression. New 81 Chinese network update the fastest computer terminal: <https://>

But Ye Chen is in retreat, why bother?

The place where he lives is the Shenjizong, the most protected place!

Even Yun Wuxian's terrifying shout can't penetrate!

Therefore, the current Ye Chen does not know that Yun Wutang is here!

But, Shen Jizong, besides Ye Chen, who else can compete with the cloud suppressed by this bloodline?

What are the first-class forces in the kingdom of God, and what is the strong man on the monument to the gods? In front of this cloud invisible, they are all like ants, right?

Even Ye Chen could be crushed by Yun Wuxian!

Ye Chen, when he killed Hua Jingtao with a single sword, the strength that was revealed was extremely terrifying, but Yu Zhenzi and others were very clear. The cloud that had entered the formation with violent shouts was invisible, compared to Ye Chen at that time. , More terrifying!

The avatar cloud has an invisible pair of purple eyes, shining brightly, with the power of the demon in his body, this mountain protector can no longer block his gaze!

Through the clouds and mist, Yun invisibly and effortlessly saw Yu Mako and others' faces extremely horrified at this time, extremely solemn, and even his body was trembling slightly.

The feeling of bloodline suppression is so cool.

A scornful smile was raised at the corner of his mouth and said: "Ats, the patience of the emperor is limited!"

The people of Shenjizong, there was a moment of silence...

Under the power of the emperor, the waste of the human race should tremble like a dog! Fundamentally, even the consciousness of resistance is dare not!

The demon clan will become the supreme existence of the kingdom of God!

The devil emperors of the past, the things that have not been done, I Yun Wutang is finally about to complete!

Yun's invisible smile is getting stronger and stronger!

Shenjizong is just the beginning!

soon he will conquer the entire kingdom of God!

In the end is the supreme Heavenly Dao Palace!

Hong Zhengyuan, his face is red at this time, and his eyes are full of pleasure and excitement!

He smiled at Yun Wutang and said with a haha: "Your Majesty! Originally, I heard that Ye Chen exploded with incomparably terrifying strength during the Divine Light Ceremony. He smashed and awakened the Heavenly Dragon bloodline and brought the powers of the Kingdom of God. Jingtao, a genius in the Zhenlong Temple suppressed by the adversary, has become a peerless young powerhouse in the Kingdom of God! There is still some worry!"

His smile became more and more intense: "It seems that what kind of young powerhouse in the Kingdom of God, before your Majesty, is shit! This Ye Chen, I heard that he is extremely proud, domineering, and powerful?"

Ha ha, what about now? Under your majesty's magic power, I'm afraid, I can only shiver in the corner, right? Don't even dare to come out of this great formation? This is also worthy of being called evildoers by those trash human races? Simply disgusting! "

Yun Wuxian smiled, the cold arrogance in the purple eyes was about to materialize, and he said: "The blood of the Heavenly Dragon? Ha ha, the emperor can kill the existence with his breath. Killing such a waste is worth it. Human race, fuss?"

"Hahaha, my demon, under the leadership of your majesty, finally, will come to this kingdom of God!"

"God bless my demon! Infinite glory!"

At this time, Yu Zhenzi had an extremely gloomy expression, staring at the vague figure of Yun Wuxian.

The elders couldn't help but asked anxiously: "Sect Master, what should I do?"

Chapter 2614: resistance

Yu Mako took a deep breath, and said in a deep voice: "Never disturb Ye Chen's retreat..."

He knew that Ye Chen's retreat this time is very important. If Ye Chen is disturbed, it is likely to have a very serious impact!

Everyone was surprised when they heard this!

At this time, the Divine Extreme Sect is in danger of destroying the Sect!

Actually, Ye Chen's retreat should be given priority?

"This....."

Yu Zhenzi shouted: "Only if Ye Chen continues to retreat, Shenjizong will have hope! Give me all my strength to launch the big formation, even if I die, I will keep it until the moment Ye Chen leaves the customs! Do you know it!"

When everyone heard the words, their expressions were solemn, and gritted their teeth and said: "I see!"

After that, the elders of Yuzhenzi and Shenjizong flashed, one after another, hidden in the eight directions of this sacred mountain in the mist!

The eight hexagrams of yin and yang gossip!

They were holding the array plate, their complexion darkened, one by one they took out a potion of burning potion and swallowed them!

In the next moment, a strange red color appeared on the faces of the supreme powers of the gods, their eyes were bright, and the breath of the whole body began to swell!

"Open!!!" Everyone screamed, their spiritual power swiftly moved into the formation in their hands desperately!

Eight brilliant rays of light, lit up at the same time, injected into the billowing clouds!

rumbling!

In the clouds and mist outside the sacred mountain, thunder and thunder violently stirred up, endlessly surging, this cloud and mist, began to circle the sacred mountain, rapidly turning six!

In an instant, this billowing cloud turned into an extremely large fog dragon full of electric lights! Occupy on the sacred mountain! At the invisible cloud in front of him, he glared at him!

let out a loud roar!

"Oh?" A hint of surprise flashed through Yun Wu's purple eyes.

This Shenjizong's protective array, when fully launched, is it so powerful? I'm afraid, it's comparable to the ancient class, right?

But...

Hehe, it just surprised him a little bit.

But Hong Zhengyuan and Mo You both trembled crazily in that roar, and their souls were about to freeze!

Yun said invisibly and lightly: "You two, step back first, and wait for the deity to break the formation!"

Mo You, the saint of the Human Demon Race, said a little uneasy: "Your Majesty, do you want to dispatch the elite of my Human Demon Race?"

Looking at this mighty power, it seemed as if it could easily kill all existing large formations. Even if Mo You trusted Yun's invisible strength, he couldn't help but become a little worried.

Besides, they all know that this cloud is invisible, just a clone.

And it's still the eighth layer of heaven.

Even with the power of an extraterritorial celestial demon, it would not be so strong!

What chance did Yun Wutang get over the years?

"Hehe..." Yun Wuxian said with a cold smile: "If you ask you to retreat, then retreat. This big formation is not withstandable in front of the emperor!"

"Yes!"

Having said that, Yun Wuxian's wrist turned over, and he held a purple-black bone sword that was made of crystal and imprinted with countless runes. The surging spiritual power surged, and he casually faced the cloud and mist formation. Cut out a sword!

This bone sword is also made of the bone of the devil!

can suppress everything!

A purple and black sword light burst through the air! Jian Guang was extremely restrained, and even couldn't see any power!

The foggy dragon saw it, but his whole body flashed! Roaring frantically, he flew away at the sword light with his teeth and claws! First release <https://https://>

next moment!

There was a loud bang!

The fog dragon, which looked extremely powerful and capable of suppressing all things, actually uttered an extremely stern wailing under the inconspicuous purple-black sword light!

is hovering around it, and it is extremely dangerous to the strong existence of those first-class forces. The deadly electric light is just like a candle in the wind, and it is easily annihilated!

The body of the fog dragon is endlessly broken! There is no resistance at all!

The entire cloud and mist outside the sacred mountain were swept away by a third under this sword light!

Hong Zhengyuan and Mo You looked at each other, and they both saw the extremely excited and almost crazy joy in each other's eyes!

Xeon!

Devil Emperor Yun is invisible, and it is countless times more terrifying than they thought!

Simply, breaking the limit of thinking! ! !

The people and demons are really going to rise, they are going to be glorious forever!

And at this moment, in the clouds and mist, the powerhouses of the Divine Supreme Sect who used the elixir and the secret method to forcibly burn the potential, under the casual sword of Yun Wuxian, they could not help but vomit a mouthful of blood!

his face is extremely pale!

In their eyes, the color of dignified name is more intense!

Clouds are invisible. With a single sword, they are almost about to destroy the great mountain protection formation of their Divine Supreme Sect, which has passed on forever?

This, how \*\*\*\* it is? !

Yu Zhenzi shouted in a deep voice: "If I guessed right, the invisible avatar and sword of Yun are made of special demon bones, so big! Some demon bodies have the effect of suppressing the chaotic powerhouse, and it should be because of this. We are so embarrassed.

There is only one place where this kind of devil bones exist, and that is the Tiandao Palace. Where did this cloud come from?

Continue to resist! Do not score God! "

Everyone took a deep breath, shook their heads, and threw all distracting thoughts out of their heads!

In their minds, now, there is only one thought!

is to delay time!

Until Ye Chen's retreat is over!

Before that, this cloud is invisible, even if the real body comes, they will block it!

Do not hesitate to die!

Great Elder's eyes flickered, and he suddenly took out a long \*\*\*\* needle sealed by a talisman, and a decisive color flashed across his face!

Take off the talisman on the long needle! With a move of my hand I inserted the long needle into the top of my head!

He pinched the tactics with both hands, full of breath, a burst of violent, his body quickly shriveled, and his old face became countless times older!

The whole person is almost overwhelmed by wrinkles!

but!

The strange thing is that his breath is growing wildly!

Everyone felt the change in the breath of the great elder, and they were all taken aback, and then their eyes moistened!

They knew that the great elder used a forbidden secret method in the Divine Extreme Sect!

This kind of secret method can greatly improve your strength in a short time!

However, the price is extremely heavy...

Performing this secret method will burn the origin and longevity quickly! And, there is almost no way, stop!

Basically, once used, it will burn to death!

Great Elder, this is a spell!

He is the oldest. The longer he delays, the faster his strength will drop! Starting

So, he burned everything while he was still burning!

There is a burst of grief in everyone's hearts! At the same time, the color of determination in the eyes is even more intense!

Never, let the great elder sacrifice for nothing!

The next moment, that one-third of the original dissipated, and it seems that the big formation, which is about to collapse, is quickly closed! Once again transformed into the fog dragon, roaring up to the sky!

Chapter 2615: Take the sword!

Huh? "

In the depths of the invisible purple eyes, a trace of playfulness and ridicule flashed, and he sneered: "Do you still want to resist? Something that does not live or die!"

Regarding these wastes, he doesn't even have any interest in shooting with all his strength!

is cut out with a single sword at will!

The fog dragon seemed to be infected by the emotions of the people in the formation, and his mighty body added three points!

but!

Even so, it's just that, under the purple-black sword light, I held on for one more breath, and again, it was ruthlessly smashed...

Yun is invisible, looking at the people of Shenjizong, struggling in vain, almost laughed out loud!

Now, these wastes, you should understand the power gap, should you give up?

but!

The next moment, the cloud and mist were closed again, and there was another person who used the secret method to burn everything!

Yun was taken aback when he saw it invisibly, and his complexion became slightly gloomy!

Why, the emperor's strength is so powerful that even the will of the heavenly devil has descended, and these divine extremely sect's wastes, don't they bow their heads?

He couldn't help but think of that day, when he was defeated in Tu Lanxin's hands, that humiliating appearance, begging for mercy, flashed in his purple eyes with a coldness!

"Well, since you want to die, the emperor will fulfill you!"

He holds the long sword in both hands, his spiritual power is turning frantically, and the surrounding void is all in the invisible power of the cloud, constantly shattering, and even the martial law of the kingdom of God is trembling because of the breath of the invisible cloud!

Yun's invisible body is surrounded by a strong black energy!

This black energy is not devilish energy!

is the law of martial arts, cracks appear, and exudes an aura of extinction!

Yun Yun's sneer at the corner of his mouth became more and more ferocious!

Strong sword intent, agitated, and in an instant, the heavens and the earth changed. It seemed that the entire kingdom of God was trembling in the invisible explosion of sword intent!

There are countless strong people all over the kingdom of God, cast their gazes toward the direction of the Divine Extreme Sect. In their eyes, there is horror! Extremely terrifying!

"Being able to die under my Demon Sea Sword is also considered the most glorious thing in your life, you chopsticks."

Magic Sea Sword!

is the ancient martial skill that Yun Wuxian has comprehended in the life and death battle with countless Xeon Demon in the hundred years outside the domain!

He gave the clone a full force.

is to deal with this situation.

"One sword becomes a devil, and the cold is like a sea!"

"Magic Sea Sword!"

The purple-black cold light exploded to the extreme, and even Yun Wuxian's hands holding the bone sword were shaking slightly!

With this sword going down, let alone the protection of the mountain, the entire sacred mountain, as well as the thousands of disciples of the Shenji Sect, will follow it, right?

Ha ha.....

This is the end of the invisibly bowed head to him!

At this moment, Ye Chen, who was sitting cross-legged in the room, suddenly trembled his eyelashes and slowly opened his eyes.

The next moment, ecstasy appeared on Ye Chen's face!

In the past month or so, Ye Chen has completely refined the demon soul and part of the source of the Zhenshen Tower!

Cultivation base, even more directly broke through to the sixth heaven of Taixu!

There is still a little distance from the Seventh Floor!

two whole days!

Now he has the strength to fight against any Zhan E eighth heaven!

It is possible that the distance between the seventh and eighth layers of the sky is the sky!

But Ye Chen, under the influence of the blood of reincarnation, the fifth to sixth level of Taixu is also a heaven!

But this is not his biggest gain!

The biggest gain is his true martial arts! After digesting the devil soul and the origin of the town \*\*\*\* tower, the countless advanced martial arts contained, combined with his experience in that illusion, fighting with countless demons for thousands of years, his meaning of true martial arts has been improved!

Originally, it could only be barely touched, but now, it can be said that it was touched, with a slight edge!

Moreover, the various blood vessels in his body have strengthened several levels! New 81 Chinese network update the fastest computer terminal: <https://>

Light is power, under the condition of using the power of breaking the sky, it has broken through to the extreme!

The vitality, the strength of the soul, and the condensed level of spiritual power have also skyrocketed!

Suddenly, Ye Chen's expression changed, and he felt an extremely terrifying aura!

"this is....."

The next moment, Ye Chen's figure disappeared in the room.

.....

At this time, the cloud is invisible, and is about to cut out that extreme sword!

And all the powerhouses of the Divine Extreme Sect, all face sad, ready to die!

They knew that this sword suppressed their blood, and no matter what they did, they could not stop it!

But, they have no regrets!

To die for the Divine Extreme Sect, for Ye Chen, a glorious death!

died well!

At this time, both the first elder and the second elder have turned into human beings. Even if Yun is invisible, they are not far from death...

just before Yun Wutang, the moment before the shot!

Suddenly, in the void, a figure flashed!

A young man, looking at Yun Wuxian with a calm expression, said coldly: "I, give you a chance to collect the sword, otherwise, you will die!"

Hong Zhengyuan in the distance frowned!

Ye Chen, isn't he acting as a tortoise with his head? Why did he run out to die again at this time?

And, if you die, you die, and you have to pretend? Do you really think you are a god?

But soon, Hong Zhengyuan's brows stretched out, with a sneer on his face.

Ha ha, myself, what's to worry about?

Ye Chen, just put his death earlier.

And all the elders were taken aback, and then, ecstasy appeared on their faces!

Ye Chen, it's time to leave!

really went out before Shenzong was destroyed!

But the next moment, Yu Zhenzi suddenly yelled: "Ye Chen! Be careful! This is the invisible clone of Yun, the clone of heavenly demon, with the ability to suppress blood, your power will be bound! You still run away As long as you are there, the Divine Extreme Sect is not extinct!!!"

Originally, they really wanted to delay Ye Chen's exit, but at this time, after seeing Yun Wuxian's strength like a demon, their hearts were shaken!

Even Ye Chen, invisible to Shangyun, is extremely dangerous, right?

If Ye Chen loses, then, Shenzong, the last fire will be extinguished!

They believe that as long as Ye Chen is given time, Ye Chen will surely be able to become a strong man above the clouds!

will surely be able to re-lead Shenzong and rise strongly!

Therefore, Ye Chen must not die here!

The cloud is invisible, and the pupils shrank slightly, actually slowly retracting that horrible sword intent, and the sword light that enveloped the entire sacred mountain, like a sea, also gradually disappeared.

Because he discovered that the suppression of his own Heavenly Demon's bloodline had no effect on this young man!

There are people in the Kingdom of God whose blood is higher than that of the demon?

When everyone saw this, they couldn't help being sluggish!

what happened?

The cloud is invisible, the terrifying Devil Emperor Yun is invisible, is it really because of a word from Ye Chen that the sword is taken away?

Could it be that Ye Chen is really more terrifying than Yun Wutang! ?

Chapter 2616: Ye Chen in Retreat

Everyone looked at Yun Wuxian in disbelief.

But at this moment, Yun's invisible horror stopped, but his face was cold, and he looked at Ye Chen with a smile.

What about the strong blood.

Can the gap between Taixu and Zhan'er be crossed so easily?

He stepped out and suddenly said, "You just said that if I don't take the sword, I will die?"

"Who gave you the courage to tell me something like this? Huh? A human trash from the Void Realm would dare to speak to me like this? Can you not see the strength of the emperor?" First issue

Yun Wushen's voice suddenly sternly said: "My emperor, now give you a chance to chop off your tongue. From then on, you will kneel on the ground forever and be a dog of the emperor. The emperor may be in a good mood. You live!"

The reason why he took the sword was because Ye Chen offended him, so he killed him with a single sword. Isn't it too cheap for him?

Cut off his tongue and live forever like a dog. Such punishment is worthy of the sin he committed, isn't it?

Hong Jung Won, excited! Starting

If this is true, doesn't it mean that he has countless hours to torture Ye Chen and avenge his two sons?

Ye Chen glanced at him, ignored him, and said lightly: "Go away, today, I don't want to kill."

He knew that now the first elder and the second elder were in danger, and he had to save the two elders first.

Besides, the opponent is just a clone with the power of a demon.

As long as the protagonist does not appear, he does not need to face it.

So, give Yun Wuxian this clone a chance to roll by himself.

Beyond the sacred mountain, there was a dead silence...

Ye Chen, pretending to be addicted?

Who is he talking to? ?

"Hahahaha!"

Yun was invisible, and suddenly laughed wildly: "Very well, no one has dared to talk to the emperor like this for a long time."

In his purple eyes, anger was rising endlessly, and he said sharply: "Don't worry, I won't let you die so easily! You will have endless time to regret what you said today!"

The next moment, that extremely terrifying sword intent, the intent of the demon erupted out of Yun Wushen's body!

rise to the sky!

"No!!!" The elders of the Shenjizong cried, and screamed very sadly!

"One sword becomes a devil, and the cold is like a sea!"

"Magic Sea Sword!"

is extremely cold, as if the sword light that can freeze the entire universe, in an instant, submerged the entire sacred mountain, and rolled towards Ye Chen like a wave of ten thousand feet!

At this moment, Ye Chen faced the sword light that seemed to be able to shred the entire kingdom of God, staring at Yun Wuxian faintly and said: "Opportunity, I'll give it to you, since you are looking for death, Then, I can't blame it."

He flipped his wrist and held the Qinglian Slayer Sword!

The violent power, surging crazily!

His eyes flashed constantly, flashing the cold light that seemed like the sea, and suddenly, a smile appeared at the corner of his mouth!

"Hehe, isn't this the Magic Light Hantian Sword?"

Magic Light Hantian Sword, is a martial skill that Ye Chen comprehended after absorbing the devil soul!

And, in the tens of thousands of years of fighting in the ancient battlefield, he has faced it countless times. You can say that you know this demon sword skill!

"If this sword technique is practiced to the extreme, the power is not bad, but unfortunately, you haven't practiced enough! It can even be said that the difference is very long! The magic light is cold, the sword is like light, the light is nine days! This has become a sword into a demon, and the cold is like a sea? Whether it is speed or scale, there are countless levels of difference!"

In Ye Chen's eyes, a hint of sarcasm appeared!

Cloud is invisible, this so-called Demon Sea Sword, in Ye Chen's view, it can be said that it is full of flaws! Trash can no longer be trash!

Yun Wuyan heard the words, his complexion suddenly changed, and in his heart, he couldn't help but panic!

Ye Chen, how did you know?

His Demon Sea Sword is indeed learned by imitating a super strong demon! That demon shot, just like Ye Chen said, a sword is like a light, and it's nine days of light!

But, he can't do it...

I always feel that I can't get the essence! But I don't know where I am wrong!

Now, hearing Ye Chen's remarks, there is a sense of enlightenment!

how can that be?

This is an ancient martial skill! What kind of martial arts does a human waste in the emptiness realm know?

Certainly, it was the blind cat and the dead mouse!

Yun yelled invisibly, "Waste, then pretend? When you are cut with my sword, your limbs are broken, and your flesh and blood collapse, I see you, how to pretend!"

"Pretend?"

Ye Chen's mouth raised a touch of indifference: "You, you don't deserve to let me act."

said, he actually put away the Qinglian Slayer Sword, and changed his hand to a long sword with a strong devilish energy!

Blood Demon Sword!

The gift from the Devil Emperor!

Once, he needed to be enchanted to use this sword.

Now his strength, he can control the enchantment at any time!

Holding the Blood Demon Sword in his hand, Ye Chen said indifferently: "Also, let you see what the real Demon Light Hantian Sword is."

"The sword comes out like light, it's cold for nine days!"

"Magic Light Cold Sky Sword!"

Ye Chen yelled, cut out with a sword, the meaning of true martial arts, waved away with his movements!

In an instant, countless deep purple sword lights burst out from the long sword in Ye Chen's hand!

The many long swords around couldn't bear the power of Ye Chen's shot, and instantly turned into shattered!

But Ye Chen's Blood Demon Sword was not damaged in any way.

Obviously the rank is extremely unusual.

The raging sword light, extremely cold, fierce! Even its chill rushed to the nine heavens!

Yun Wutang looks like an ocean, endless purple sword light, in front of Ye Chen's sword light, it is like the gap between an earthworm and a dragon!

Everyone is dumbfounded!

Thinking is frozen!

I even forgot to breathe, shocked before my eyes, that is an unforgettable scene!

I saw that Yun Wu's sword light, under the crush of Ye Chen's sword light, instantly collapsed and turned into nothingness...

Ye Chen, actually used the same sword technique to crush Yun Wuxian's incomparably confident sword!!!

Moreover, Ye Chen seemed to be extremely casual and did not use his full strength at all!

This is too bad!

Yun Wutang is a clone, but with the cultivation base of the eighth-tier Zhan'er and the coercion of the heavenly demon, it can almost suppress the chaotic powerhouse!

Not to mention Ye Chen's too hypocritical.

can be in front of Ye Chen, but like an ant? Can be destroyed easily?

All the elders are also completely stupid, and there is only a smirk on their faces...

Even, the first elder and the second elder all forgot that they were going to die...

They knew very well that a month ago, Ye Chen didn't have such strength...

In just one month, there was such an improvement!

Chapter 2617: The Will of the Blood Dragon

A second ago, they were still facing the crisis of extinction, the next second, suddenly, they were all over again?

This happiness came too suddenly!

There was a loud bang, a cloud of blood erupted in the air, and the purple light instantly penetrated Yun's invisible body!

Cloud's invisible body was bombarded by purple light and flew out, slamming against a huge mountain, directly smashing the huge mountain that directly leads to the sky!

Hong Zhengyuan and Mo You both exclaimed: "Your Majesty!"

Ye Chen moved and came under the huge mountain. At this time, the invisible avatar of Yun was covered with countless blood holes, his breath was extremely weak, and he was buried under countless rocks, leaving only one head, exposed outside.

Ye Chen walked to Yun Wuxian's body and looked down at the Yun Wuxian under the rock. At this time, Yun Wuxian's purple eyes were filled with dimness, full of frustration and despair, with a bitter smile on her mouth.

I have spent a hundred years in the extraterritorial space, after life and death, I have been extremely difficult to improve my strength, thinking that my cultivation base has skyrocketed, comprehending the most powerful martial arts, returning to the kingdom of God, just a clone can overwhelm everything...

But what?

As soon as the avatar was shot, it was crushed by a human race of the Supreme Void Realm with the same moves?

This, whoever it is, will be desperate, right?

Ye Chen said lightly: "Have you taken it?"

Yun glanced at Ye Chen invisibly, and said with a gray face: "Take it."

Now he, to Ye Chen, can't even mention the will to resist...

If you face a giant who is as hard as iron with your bare hands and is as high as hundreds of feet, and can destroy a city with a single blow, can you afford the will to resist?

Directly, just give up struggling, right?

Cloud is invisible, this is the mentality at this time.

Ye Chen nodded, suddenly, turned around and left.

Yun Wutang was taken aback for a moment, and asked in disbelief: "You won't kill me?"

Ye Chen paused, turned his head slightly, looked at Yun Wuxian and said, "You are just a clone, not worth killing me. Take the words back and let the real Yun Wuxian not betray the human race from now on."

He knew that he had completely annihilated the will of this invisible clone of Yun to resist, but if Yun Invisible was killed, would the matter be over?

will only increase the hatred between human demons and human races, right?

Ye Chen's gaze flickered slightly, after absorbing the demon soul, he faintly had a very bad premonition!

Maybe, the Kingdom of God, there will be a storm soon!

A super storm that swept across the kingdom of God and even the planes of Lingwu Continent!

even related to the super storm of the Ye Family of the Kingdom of God.

At this time, all ethnic groups should unite.

Of course, if Yun Wuwu refuses to accept it and wants to take revenge, he will take it without hesitation, or even destroy the demon clan completely.

External worries are ahead, how can we let internal problems grow?

Of course, even though Ye Chen is not a Virgin, he is not bloodthirsty to such a degree.

Can not kill, or not.

Yun is invisible, looking at Ye Chen's back, staying in a daze, and then replied very sincerely: "I will bring back the words, Human Demon Race, from now on, forever, never betray Human Race!"

"As for whether the body agrees, I don't know."

.....

A mysterious abyss in the Nine Heavens Dragon Palace.

Dragon Yin kept spreading out of the abyss.

or fierce.

or pain.

or solemn.

No one knows what happened inside.

did not dare to pay attention.

Because this is the forbidden area of the Nine Heavens Dragon Palace.

A ruins in an ancient battlefield.

According to legend, there was an extraterritorial magic dragon that killed hundreds of chaotic powerhouses and was suppressed by countless evildoers.

Even those supreme beings cannot punish this magic dragon.

can only be suppressed forever.

No results of suppression.

And now!

Under the abyss!

An extremely terrifying blood dragon is growing!

There was some fear in the eyes of the imprisoned ancient dragon.

"How is it possible! How can the power in you come from that era!"

"Impossible! Power cannot appear out of thin air!"

"You...what kind of monster are you!"

The body of the outer magic dragon was shaking.

It was not the rising momentum of the blood dragon that shocked him, but the power of the blood dragon was so familiar. New 81 Chinese network update the fastest computer terminal: <https://>

In this abyss, there can be no power for him to absorb!

How did this blood dragon do it!

A blood dragon with such strength before, the trapped one may be qualified to contend!

Now that the blood dragon's cultivation base and power continue to rise, the outer magic dragon unexpectedly felt fear for the first time.

Even, he may be swallowed.

Swallow mercilessly!

And the blood dragon not far away at this moment, the dragon's beard swings, the breath is heavy and restrained.

Its eyes are extremely cold.

just stared at the dragon that was imprisoned by countless chains.

The blood dragon smiled suddenly: "From the beginning, I was not fighting alone."

"I forgot to tell you, my master is Ye Chen."

"Remember this name, you group of selfish and arrogant beasts outside the territory will be afraid of this name."

"And today, this fear begins with you."

"I want to devour your power, your blood, your dragon bones, your dragon tendons... and your beliefs..."

"The only belief in this world belongs to Ye Chen..."

"If I guessed right, you are on your plane, you should be very honorable."

"You said, what if I swallow everything you have and replace you?"

In the next second, the blood dragon's body suddenly became huge!

turned out to be only slightly smaller than the ancient dragon.

Those resolute eyes burned out the endless fire of Emperor Lin!

The blood dragon shook the sky and slammed into the dragon!

"bump!"

The earth-shaking voice resounded!

Nine Heavens Shenlong Temple seems to usher in an earthquake Even the Kingdom of God has a slight shock.

can be ignored by everyone.

The chain of the dragon swayed continuously, and countless arcs of thunder followed the chain to touch the body of the dragon!

is also implicated in the body of the blood dragon!

However, the blood dragon is not afraid of all thunder and lightning, it is laughing.

Even though his whole body is scarred, still smiling.

Because it feels that it might be leaving this ghost place!

Not even a year! ア新ヤ~⑧~1~中文网ωωω.χ~8.~1zщ.còm

The time of Xiuwu was lost extremely fast.

One year, in the eyes of many people, is just a moment.

Its longan lifted up, and it started to rain in the abyss.

The rain dripped on the body of the blood dragon.

Rain water and blood water are constantly mixed, and the mottled feeling makes people palpitation.

And even more terrifying is the dragon!

The body of the dragon that scared many powerful men in ancient times was cut out with a huge hole!

The ferocious blood flows out!

dyed the entire abyss earth red.

.....

At the same moment, a hundred miles away from the abyss of the Nine Heavens Shenlong Temple.

Somewhere in a dark and inaccessible valley, all the year round, it is filled with an extremely terrifying miasma.

This miasma, even a martial artist of the Evil Slayer, cannot bear it!

Chapter 2618: Lights in the dark

Even the weaker chaotic powerhouse, staying in this miasma for too long will cause hidden dangers and even affect the foundation of martial arts.

No one knows that in the depths of this miasma, there is a temple with an extremely ancient atmosphere, a strange shape, and even a feeling that it existed here before the kingdom of God appeared.

In this temple, there is a statue that looks incredibly hideous, looks like a human, has wings on its back, a mouth full of fangs, four arms and three eyes. New 81 Chinese network update the fastest computer terminal: <https://>

At this time, under this statue, there are people sitting around, wearing black robes, hiding their faces under their hoods, their faces, and even those with grimace masks.

Looking at their posture, there are males and females. Most of them look similar to humans. However, there are also individual ones that are inhuman.

If you say, what these people have in common, that is, their auras are extremely powerful!

Even, the breath of many people makes people feel horrified.

At this moment, these people are actually sending torrents of extremely powerful energy to the statue in front of them, as if they are impacting something!

Suddenly, a weird, horrible, hoarse, low moan echoed in the temple...

As if there is something that wakes up from a deep sleep...

Those silhouettes with strong aura and black robes all trembled at the moment they heard this voice!

It seems that there is joy and fear!

After a moment of silence...

Suddenly, in the depths of the hall, the low, inhuman, terrifying voice sounded again.

At this time, in this voice, there is a raging anger!

"The parting soul I stayed in the Zhenshen Tower was actually annihilated?" First published <https://https://>

These powerful people felt the anger in that voice, and they all trembled slightly!

At the same time, in a pair of eyes under their masks, extremely shocking colors appeared!

How terrifying is the owner of this voice, they know better than anyone else, that the distracting soul he left behind can be annihilated?

simply, incredible!

The fairy tales are so common!

One of the black-robed men, after a moment of silence, spoke respectfully: "Master, it is your Dao that stays in the town \*\*\*\* tower, waiting for an opportunity. When the time is right, he has the ultimate talent, enough to accommodate Is the separation of souls that activates when the container of your power appears? Should we check it out?"

The voice was silent, as if it was thinking. After a while, he reopened and said: "Alright, but sending one person out is enough. The most important thing at the moment is to hit this seal! The apocalypse of our race should be coming soon. Now, before that, the deity must break the ban!"

"Yes!"

The voice said again: "Jiang You, it's up to you, let's go. After you find the person, bring me."

One of the figures shuddered when he heard the words, and his eyes showed ecstasy!

bowed down and said: "I follow the master's order!"

This temple imprisoned an unimaginably powerful ancient demon. Although these warriors had served this ancient demon and cracked the seal for it, they had obtained extremely powerful power!

But, the same, lost freedom...

Now, how can you not be happy to have the opportunity to return to the kingdom of God?

Several other people also looked at the man named Jiang You with envy.

After Jiang You smiled triumphantly, his figure flashed, and he came outside the temple. The miasma that can cause harm to ordinary Chaos warriors, but for Jiang You, if there is nothing, he even took off the mask directly, deeply. He took a breath of air full of poisonous miasma, and looked like he was extremely enjoyable!

This Jiang You looked like a young man with a pale face, handsome features, and extremely deep eyes!

Then, his figure flickered again, and he left the deep valley submerged by the poisonous miasma...

The speed is too fast to describe!

.....

White Valley City.

is the closest to the inaccessible deep valley covered by miasma.

This city is also close to the Nine Heavens Dragon Palace.

This night, a shadow stood in the void, looking down at the brightly lit Baigu City under his feet, with a cruel smile on his face.

This person is naturally Jiangyou!

Then, his figure flickered again, and the protective light curtain of the great fortress formation, as if nothing, penetrated it silently.

On the top floor of Tiansuan Pavilion in Baigu City, a young man in a white robe, holding an ancient book, is reading with relish.

This man looks young, but!

Qi is a powerful warrior in the half-step chaos realm!

At this time, the light on the man's table suddenly flickered.

The man glanced at the lamp in a weird manner. This spiritual lamp is not an ordinary ordinary lamp. It stands to reason that even if a tornado passes by, the flame of this spiritual lamp will not be shaken at all?

Why did you shake suddenly?

At the moment when the man raised his eyes, he suddenly saw a shadow in the corner of the room!

Boom!

The man stood up suddenly, moved his wrist slightly, held a long sword of the highest grade, pointed at the ghost, and shouted in a low voice: "Who is here! Do you know that this is the Tiansuan Pavilion? Do you dare to be presumptuous?"

He looks extremely strong, but his pupils shrink slightly!

, this person could sneak into his room silently so he didn't even notice it?

What is even more terrifying is that at this time, when he faced the person, he couldn't see the strength of the other person! It's almost like a mystery!

That shadow, with a soft smile, slowly walked out of the shadows in the corner, and came to the man in white. In his eyes, there was a palpitating bloodthirsty light and said: "Who am I, you soon, You will know..."

Half an hour later, Jiang You, walking out of the Tiansuan Pavilion, with a relaxed and happy smile on his face, as if he had just been engaged in some relaxing entertainment.

His eyes flashed and muttered: "I didn't expect to find such an interesting thing? That kid actually came from the Shenji Sect? I really have a relationship with this Shenji Sect? And, this is Ye Chen's. Boy, it seems to have something to do with that guy? Ha ha, the trash back then, it seems, really isn't dead?"

After saying that he moved in a certain direction.

And in the Tiansuan Pavilion behind him, at this time, it turned out to be like a \*\*\*\* on earth!

There is blood everywhere, and there are broken limbs everywhere!

No one in the Tiansuan Pavilion actually survived!

What is even more frightening is that they all seem to have endured great pain during their lives. In their eyes, they are full of fear and despair, and their bodies are broken and broken, almost, they can't see that they were once human!

They seem to have been tortured to death by someone with extremely cruel methods!

Chapter 2619: Xuanbei came out

God Kingdom Tiandao Palace.

Xuanyuan Mo Xie sat on top of the Shenlong, his eyes closed.

An extremely mysterious aura entangled all over his body.

And several old men stood in front of him.

These elders will appear almost once a month, telling Xuanyuan Moxie about the many important things in the Kingdom of God this month.

"What are the important things about the Kingdom of God during the recent period?"

Xuanyuan Mo Xie's faint voice sounded.

An old man with a green robe headed by stepped forward and cautiously said: "Enlighten the palace lord, Linhai city has a vision. A special blood awakened person was born. After the Tiandao Palace test, the dragon veins are pure and can be recalled to the Tiandao Palace."

"Even waiting for adulthood, sending him to the Nine Heavens Shenlong Temple to practice."

Xuanyuan Moxie nodded: "Yes, in this era, geniuses have risen, and Tiandao Palace is exactly when such people are needed."

"Our Heavenly Dao Palace has been in charge of almost all areas of the Kingdom of God in recent years, except for the Nine Heavens Shenlong Palace."

"However, the Nine Heavens Dragon Palace itself is special, and the dragons inside it are not so easy to solve."

"Name the child Zhulong and bring it back to Tiandao Palace, and a core elder will take care of it."

"Next one."

The old man in the green robe arched his hands: "Okay."

Then, the old man in the green robe carefully took out a jade slip: "Palace Lord, the God Light Ceremony is over."

"This time, many geniuses have emerged."

"This divine light ceremony is really wonderful! Over the past hundred years, the Kingdom of God has come out in large numbers! Sun Wuwang, Li Sheng, Zhao Lingbian, Xuanyuanjing and others are also the ultimate evildoer!"

"Of course, there are even more enchanting ones."

Xuanyuan Mo Xie smiled slightly because he heard the name of the Xuanyuan clan.

This is good news.

Since he became the lord of the Heavenly Dao Palace, more or less resources have been inclined to the Xuanyuan Family.

The strength of the Xuanyuan family is not what it used to be.

Suddenly, he realized something and said, "Is there anyone more enchanting than our Xuanyuan clan?"

The green-robed old man hesitated for a few seconds and still said, "There are two people."

"One is Ji Yan of the second-class force Luoxiazong."

"The other is the newest rising \*\*\*\* of the kingdom of God, Ye Chen of Shenjizong."

The old man in the green robe wanted to brag about the two, but he realized that if they were to say that they were talented, they would definitely suppress the genius of the Xuanyuan family.

When the palace lord becomes angry, it's not right.

So, he just summarized it in a few words.

Xuanyuan Mo Xie opened his eyes: "Ye Chen?"

For some reason, this name makes him feel uneasy.

"Show me the scenes from the day of the Divine Light Ceremony, I am curious about how powerful the young geniuses of Ji Yan and Ye Chen are."

The old man in the green robe exhaled, and quickly handed out a shining stone.

The stone fell into Xuanyuan Moxie's hands. Just about to open it, an old man from the Heavenly Dao Palace rushed in!

"Palace Master, something happened!"

In an instant, Xuanyuan Moxie put down the stone in his hand, and said coldly, "Who allows you to break in without a word!"

The old man knelt down and said excitedly: "Palace Master, Tianji Pavilion in White Valley City, everyone has been killed!"

"The key method is extremely cruel! There is no one to live!"

Tianji Pavilion is the property of Tiandao Palace.

And Baigu City is a major city among many cities!

is indeed a big deal!

Xuanyuan Moxie's eyes were hidden, and his eyes burned with anger: "Check it out for me! I want to know who did it!"

"Tianji Pavilion dare to destroy the door, it is really impossible for my Tiandao Palace to be displayed!"

This can't help but remind him of the young man named Pangu that day!

But after so long, this Pangu man still has no whereabouts.

The old man retired.

Xuanyuan Moxie paused for a few seconds, trying to open the stone in his hand to see the scene of the divine light ceremony.

But suddenly, there is a vision of heaven and earth!

Cold Toxin City.

Here, the sky is overcast and the earth is evil, and powerful and terrifying poisonous beasts are rampant, which can be called a death Jedi.

For this reason, the Cold Toxin City is inaccessible, and even the strongest in the world are rarely seen.

On this day, the Kingdom of God suddenly revealed many visions, and endless death poison gas spread, covering the entire Cold Toxin City!

Many powerful people and old monsters who retreat and cultivate, their hearts are throbbing, and in the midst of it, they seem to have sensed an extremely great event.

One after another tyrannical spirits crossed the endless space and projected to the Cold Poison City!

rumbling!

The strange sound of heaven and earth pierced through the sky, and sent to the netherworld!

Many divine consciousnesses are intertwined, ideas are connected, and there is a lot of discussion.

"Huh? It's not thunder, it's not a catastrophe, this is..."

Those who are powerful are amazed. Starting

"Hi! The avenue sounds! It's a rare thing in a lifetime!"

This is an old monster who has lived for tens of thousands of years. He is well informed and directly tells the truth. New 81 Chinese website update the fastest mobile terminal: <https://>

"Couldn't there be a peerless treasure that is intolerable to Heaven?" This great power spoke out the voice of everyone.

At this time, the final vision comes...

Mysterious and obscure Tao Yun appeared above the Cold Poison City, and after a short period of brewing, a monument-like object appeared out of thin air.

Out of nothing, from imaginary to real, adhering to the will of heaven and earth!

Click!

Boom!

The punishment of the heavenly path came, and the sky of thunder and lightning slashed towards this monument!

The power of this robbery has made many powerful people who pay attention to this place startled.

Because the power of punishment on this day is really too strong, even if the invincible power of the pinnacle of Slashing Evil Realm is invincible, if you resist it head-on, it will definitely end in death and soul destruction.

Things that are against the sky will be jealous of heaven, and will be condemned by heaven.

A weird scene happened...

The terrifying tribulation fell on the stone tablet. Not only did the power of the tribulation not cause any damage to the tablet, it seemed to be absorbed by it.

In the center of the stele, a mysterious ancient writing emerges.

"Poison"!

Then, the "poison" tablet suddenly fell, penetrating through layers of poisonous miasma and fell into the city of cold poison.

The mighty spirits of the crowd also moved, trying to track the monument, but strangely, after the spirits penetrated into the poisonous gas, they lost their senses like a mud cow into the sea.

The spirits of the great powers surged like a tide, and then receded like a tide.

Then...

The many great forces in the entire Kingdom of God are boiling!

Tiandao Palace.

Xuanyuan Moxie's "gaze" retracted from Cold Poison City, his pupils are deep, and if there is a vortex surging.

This is nothing else!

This is the reincarnation monument!

The samsara monument is extremely important to him!

His five fingers clenched tightly, and the carved stone that recorded the divine light ceremony picture instantly turned into powder.

For Xuanyuan Moxie, nothing can compare to the Reincarnation Profound Monument!

He urgently needs a second reincarnation monument now!

"Is that poisonous monument in the legendary reincarnation monument?"

"Isn't the Samsara mysterious stele disappeared in the world for tens of thousands of years? How could it..."

"It seems that it really is! Palace Lord, we must win this poisonous monument!"

The elders in the Heavenly Dao Palace were very excited when they saw the poison monument, and they wished to take the poison monument in their own hands now.

Xuanyuan Mo Xie was even more excited.

"It's really God who helped me. In any case, I must bring this poisonous monument back to Heavenly Dao Palace!"

Chapter 2620: Ji Lin's choice

At the same time, many forces in the Kingdom of God also received news of the death of the Cold Poison Suppressing Poison Monument, and they all sent strong men there.

Cold Toxin Town, the strong gather.

Ye Chen sat cross-legged in Shenjizong, getting closer and closer to the half-year appointment. Only if he broke through to the peak of Taixu, could he qualify for a battle.

He wants to practice endlessly.

The only thing that puzzles him is how long he has been in the Void Realm!

Why hasn't the thunder robbery come yet?

If doesn't come, he might step into Zhan'er.

Is it... you want to be the first cultivator to break through without thunder?

But at this moment, he suddenly felt his blood flow.

acquaintance with something in the dark is calling him, this feeling is very mysterious, he had felt this way several times before, and every time a spiritual object appeared.

It's impossible this time...

At this moment, the ancient medical \*\*\*\* Cang suddenly uttered a whisper in the reincarnation cemetery.

"Old man, do you feel something is wrong?"

"It's not right! It's too wrong! If my perception is not wrong, it should be one of the monuments of Samsara."

"Such poisonous gas condenses, I am afraid it is a poisonous monument."

"Poison monument? Really?" Ye Chen was a little excited.

Yong Lao said that recently there was a reincarnation monument coming out!

really happened!

"Eight or nine do not leave ten, this poisonous monument is very useful, and it will also be beneficial to cultivation in the future."

Hearing Canggu Medical God say this, Ye Chen didn't delay anymore, and immediately rushed to Cold Toxin Town.

Poison monument is like a kind of call in the dark.

The extreme west of the kingdom of God, Duye Hall.

Duyedian is the top power of the evil way, the master of killing, taking sin as the way.

"Li Fanyi, lead you to lead the ten great Shura kings, and one hundred Shura leaders, immediately rush to the Cold Poison City to seize the Poison Character Tablet!"

The voice of the Hallmaster of Duye Hall came from the secret place of retreat.

A quarter of an hour later, more than a hundred peerless and powerful men full of death and extinction, led by one person, flew out of the gate.

Asura powerhouses are the invincible figures of the Evil Slashing Realm, and the Asura leaders are all inferior to the middle stage of the Supreme Void Realm.

Li Fanyi, the deputy head of the Duye Hall, is a powerhouse at the pinnacle of the Evil Realm!

.....

The primordial mountains in the southern part of the Kingdom of God, the great power that has dominated this place for thousands of years, is called the Wanduzong.

Ten Thousand Poison Sect is considered a third-rate force.

"Pass the order, the whole sect, those above the gate, all gather at the Sect Master Peak!"

Faced with the temptation of the Reincarnation Xuanbei Poison Tablet, Wan Poison Sect was recklessly betting on the entire sect. This is the real no expense!

The sect of the sect records that the way of all poisons can only be completed by getting the poisonous tablet.

Poison Tablet is more important to Ten Thousand Poison Sect than life and death!

It didn't take long for several treasure ships to soar from the Sect Master Peak and flew towards the Cold Toxin City.

.....

For a time, Cold Toxin City became the center of the gathering of many forces and powerful warriors in the kingdom of God, and the focus of attention.

As soon as the mysterious monument comes out, the storm is coming!

A \*\*\*\* storm is coming!

The ancient gate of Cang is calm, because there is no strength to blend into the competition of such major events.

But the Poison Character Tablet appeared, and someone in the Canggu Gate felt it for the first time.

This person is Ye Chen's acquaintance, Ji Lin.

She has a special physique, but she is a congenital poisonous body. She has a connection with the poisonous tablet, even with Ye Chen!

Ji Lin found the Xuanlingzi for the first time.

"Disciple, do you feel it?"

"It seems that there is a calling in the dark, I don't know what is going on, Master, have you noticed something?"

The girl who was always playful didn't laugh anymore this time.

Xuan Lingzi has been practicing with Ji Lin for a long time, and is very satisfied with this little girl.

Seeing her question at this time, he also told the truth.

"The poison monument in the Reincarnation Profound Stele has appeared. I didn't expect this monument to be born, but I didn't expect it to be true..."

"Girl, you are a congenital poison, the more the poison that ordinary people can't bear, the more nourishing and top grade for you."

"If the poison in this world is divided into three, six or nine grades, this poison monument must be the top grade among poisons, and it is the most beneficial thing for your cultivation. If you can master this poison monument, your cultivation level will be certain. It will go a long way."

"Really?"

Ji Lin was also excited when he heard this.

"I can feel the position of the poison monument, Master, let's get the poison monument back now."

"So much the better!"

"In that case, I will accompany you as a teacher. I hope Lin'er can seize this opportunity!"

After discussing with the master and apprentice, they quickly made the decision to go together to find opportunities.

Coincidentally, Canggu Gate is no more than ten thousand miles away from Cold Poison City, but within an hour, the two masters and apprentices, Master and Disciple Jilin, came here.

At this time, the top powers, such as the Heavenly Dao Palace and Duye Palace, who are bound to win the Poison Tablet, are still on their way. New 81 Chinese website update the fastest mobile terminal: <https://>

Outside the city of Cold Toxin, Xuan Lingzi frowned and his face was solemn.

"Lin'er, let's get in slowly! I have a bad premonition for the teacher, although this opportunity is great... I am afraid it is dangerous!"

Xuan Lingzi stopped Ji Lin, his eyes pierced and swept around, his mind was heavy, and he was very disturbed.

At this moment, the Cold Toxin City is enveloped in endless poisonous gas, like an endless formation, which makes people daunting. ア新ヤ~⑧~1~中文网ωωω.χ~8.~1zщ.còm

There are debris on the ground, and there is still blood on the bones, which means that these people have just died not long.

Just now, Xuan Lingzi watched a strong man in the mid-Void Realm break into the poisonous gas with his own eyes, but after a while, it turned into a puddle of pus, the soul is destroyed, and only the bones are left!

Although Ji Lin is extremely eager for the "unparalleled opportunity" in the city of cold poison, he knows the importance and obeys the words of Xuanlingzi.

The two masters and apprentices stopped in this cold poison city for a long time.

After half a day of work, Xuan Lingzi came to a conclusion while watching: In the mid-term of the Taixu realm, no one can survive into this cold poison city.

Even if there is a heavy treasure to protect the body, it is a life of nine deaths!

The strong at the late stage of the Tai Void Realm, after breaking through the poison gas barrier, are also greatly affected, and their strength is greatly reduced.

The longer the time, the number of warriors entering this cold poison city doubled, and more and more, the strong people who appeared, also made the warning signs in Xuanlingzi's heart more and more intense!

Xuan Lingzi looked at Ji Lin, who was sitting still, struggling inside.

This disciple is quiet on the surface, but in fact his breath is getting more and more unstable. He seems to be extremely eager for the "unparalleled opportunity" in this cold poison city, but he is patient.

"Lin'er, although the opportunity is rare, but sometimes it is not forcing what you can get... This place is dangerous, far beyond what the teacher expected before, do you... have to go in?"

Hang Lingzi still asked.

Based on what he thought, with Ji Lin's cultivation strength, he couldn't even break through the outer gas barrier, let alone chance.
