Chapter 2671: determine?

Tu Lanxin's face paled, "What are you talking about!"

Ye Chen became more and more curious, and said, "Tu Fairy, I want to go in and have a look?"

At this moment, not only Tu Lan was horrified, but Luo Shishi also opened his eyes.

Just as the second daughter wanted to say something, Ye Chen took the lead to walk towards the palace.

Tu Lan's heart sighed, there is no real \*\*\*\* in the kingdom of God. If you really want to say that there is only one, that is the Lord of Reincarnation! Now Ye Chen's disrespectful thinking will kill people!

However, fearing that Ye Chen would do something reckless, Luo Shishi and Tu Lan looked at each other and followed.

The warrior behind him also ended his prayers. When he saw Ye Chen and others enter the hall, his expression was extremely strange.

"What is that kid doing? Is it because he is afraid of Confucius, praying to the Lord of Samsara to give him strength?"

"The palace in the secret realm, don't enter it casually!"

"Dead! Maybe, under the mighty power, that kid is going to die."

...

At this moment, the three of Ye Chen had already entered the hall.

Strangely, there are no restrictions around.

But Ye Chen could feel the blood in his body surging!

It's boiling!

It's like stepping into your own territory!

Some pictures even flashed through his mind!

The picture is extremely dim and broken!

Ye Chen couldn't tell at all.

The surroundings are dim, with night candles flickering.

A trace of unique scent lingers around.

"Who is here!"

Suddenly, an old voice sounded.

In front of Ye Chen, Tu Lanxin and the others, a thin old man appeared instantly.

The old man's clothes are weird, his eyes are sunken, and he doesn't even have a trace of breath fluctuation.

As soon as Ye Chen wanted to speak, Tu Lanxin interrupted, "Senior, we admire the Lord of Reincarnation so much that we want to come and worship."

The old man glanced at the three of them and nodded, "Before the statue of Samsara, sentient beings worship."

In the next second, Tu Lanxin and Luo Shishi knelt down together, not even daring to look at the idol not far away.

This solemn ceremony cannot be defiled.

At this moment, a young man stood alone like this.

There is no plan to kneel.

Ye Chen's eyes stared at the idol not far away.

His body is shaking!

The idol in the center seems to be me!

Although the appearance has changed slightly!

But that feeling is extremely real!

And the \*\*\*\* statue not only has himself, but also Qu Chenyan, and many people!

But for some reason, Ye Chen's eyes were a little angry when he saw other people.

He doesn't know these people now, but why is he angry!

He doesn't know either!

"Before the statue of Samsara, sentient beings worship."

Seeing Ye Chen's delay in kneeling, the old man made his voice a little angry.

Seeing this, Tu Lan quickly grabbed Ye Chen, wanting to make Ye Chen kneel down, and whispered, "What the \*\*\*\* are you doing, Ye Chen! Don't be in a daze! Kneel down!"

However, Ye Chen remained unmoved.

There is determination in the eyes, anger, killing intent, and compassion!

But, there is no surrender!

Why should he kneel himself!

He is the Lord of Samsara!

The old man's patience was completely consumed. He stepped out, with light flowing around him, threatening, "Boy, why don't you kneel?"

Ye Chen still stared at the idol, shook his head, "I can't kneel!"

"If I kneel down, something will happen, I have a hunch."

The old man was completely angry, "Nonsense!"

"Kneel down!"

The next moment, the old man's endless coercion surging towards Ye Chen!

However, the moment the pressure touched Ye Chen, it dissipated instantly.

The old man's eyes widened, "How could it be..."

He is very clear about his strength, not to mention this Zhan'er boy, even if he is the Chaos Peak powerhouse, he must surrender.

Tu Lan's heart was extremely nervous, and he grabbed Ye Chen and directly let Ye Chen kneel down, "Ye Chen, don't cause trouble! If you don't kneel, the sect will no longer exist."

"Also, the strength of that senior is above the Chaos Realm!"

Ye Chen was a little helpless. He glanced at the old man, then at Tu Lanxin, bending his knees and knelt directly.

"Fine."

The moment Ye Chen's knee touched the ground, an extremely strong earthquake came from the entire hall.

At this moment, the expressions of the old man, Tu Lanxin and even everyone changed!

This palace hasn't changed in thousands of years!

Not only that, but the idol that had existed for so many years suddenly burst!

There are dozens of idols in this temple!

Except for the Lord of Samsara, Qu Chenyan, and a man's idol!

All the idols are shattered!

Even into powder.

The old man's body was trembling, and he knelt down fiercely, "The Lord of Samsara calms down his anger, I will erase the ants that have offended you!"

In the eyes of the old man, Ye Chen's behavior touched the anger of the sky!

In the next second, the old man will do it!

Tu Lanxin and Luo Shishi were very flustered!

Even if they wanted to help Ye Chen, they couldn't help right now!

Ye Chen was really crazy this time!

Crazy enough not to put the Lord of Samsara in his eyes!

Just as the old man was about to take action, a voice suddenly came from the darkness.

"Get out!"

The strength of the old man just stopped!

He glanced at the depths unimaginably, trying to say something, but finally swallowed.

He left silently.

Tu Lanxin exhaled, grabbed Ye Chen, and said to Luo Shishi, "Let's leave now I really don't worry about putting Ye Chen here."

"The ghost knows what he is going to do!"

Although she didn't know why the voice made the old man retreat!

But it doesn't matter anymore!

They must leave immediately!

Ye Chen looked at the idol, some memories in his mind were confused.

It even made him a little bit painful.

He wanted to leave, but he seemed to hear something.

Then, walk towards the idol step by step!

Tu Lanxin and Luo Shishi's expressions changed drastically. They wanted to stop them, but it was too late.

Ye Chen appeared in front of the statue of the Lord of Reincarnation.

Then stretched out his hand and touched the idol.

In an instant, the statue of the Lord of Samsara burst out with a light!

However, Ye Chen was enveloped in an instant!

At this moment, Ye Chen felt the change in his body.

He found that his physical body seemed to become stronger under the shroud of light!

"What power is this?"

Ye Chen muttered to himself.

Tu Lanxin and Luo Shishi suddenly thought of something and exclaimed, "The power of faith!"

"This is the power of faith!"

"It seems that Ye Chen received the power of faith from the Lord of Reincarnation! The idol recognized Ye Chen's talent!"

Luo Shishi was even a little excited.

However, only Ye Chen knew that this was not the power of faith at all.

It is the power of reincarnation that belongs to oneself and remains in the idol!

Soon, the light dissipated.

Ye Chen nodded in satisfaction.

Except for the Seventh Kingdom where he is located, there are many temples of this kind in the other six kingdoms.

Is it possible to gain a trace of strength by contacting yourself?

Furthermore, does the first kingdom of God, the Ye Family's ruins, mean stronger power?

Maybe if you have a chance, you should go back and see!

He wants to know what the truth is behind the chessboard!

Chapter 2672: 1 battle!

Ye Chen let go, walked outside the palace, and said to Tu Lanxin and others, "Let's go, Kong Xian may be anxious."

With the power that this idol gave him, Ye Chen became more confident!

At least for a short time, he should be able to fight Kong Xian!

If these forces dissipate, then he is in danger!

Tu Lanxin and Luo Shishi reacted and hurriedly went outside.

Just when Ye Chen was about to walk out of the palace completely, deep down, a voice suddenly sounded "What's your name?"

Ye Chen stopped.

A confident smile appeared.

WINK's Surge to \$1: Join the Wave!

"Ye Chen."

Then it disappeared.

The entire hall was completely plunged into darkness.

It seems to be closed.

...

A day later, Ye Chen came under the high cliff where Kong Xian was.

Around, many warriors have gathered.

In the past few days, the rumors of Ye Chen killing chaotic warriors like killing dogs have been completely spread. Many people want to come to see Ye Chen and the first kingdom of God who are almost like gods and demons. The battle of Fazong's strongest Kongxian.

However, there are always people who do not believe in evil.

Under the cliff, there are also many warriors, hoping to take refuge in Kongxian.

Because, Kong Xian promised, as long as he performs well, he can bring the other party into the first kingdom of God!

The disaster of world extinction is approaching. In order to prevent the strong from escaping, the ancient Ye Family will shut down the passage to other worlds. In this way, the first kingdom of God can be said to be the safest place!

Many people only care about their own safety, and even their family members and sects can be abandoned.

A bald man with a fierce appearance, tattooed, cold expression, and cultivation of the Chaos Three-level Heaven Realm, when he saw Ye Chen's figure from a distance, he sneered and said, "That's the kid in the rumor? Ha ha, It looks like it's just an ant, dare to challenge Master Kong?"

His whole body is exuding blood red charm, this person is the person of the third kingdom of God!

Moreover, he is also the first genius of the Third Kingdom, Sun Yalong!

In order to join the First Divine Kingdom, he even sold out all the Third Divine Kingdom. This time the genius who entered the Divine Origin Secret Realm led them to Kong Xian.

However, he felt it was not enough!

He wanted to reflect his own value as much as possible in front of Kong Xian, so that even after entering the first kingdom of God, he didn't have to start again, but became Kong Xian's right arm and soaring into the sky!

The person next to Sun Yalong echoed, "Yes, it's probably just an error!"

"You guys, don't rob me!"

On Sun Yalong's ugly face, a grinning smile appeared, "This kid, leave it to me!"

The current Sun Yalong, among Kong Xian's men, can be regarded as one of the top powerhouses!

After he said so, many people who were eager to try, had to repress their minds.

Immediately, Sun Yalong's figure flickered and appeared in front of Ye Chen!

Ye Chen looked at him with no expression on his face.

Sun Yalong glanced coldly at the bloody, trembling female warrior, and said frantically, "Boy, only bullies women? How strong are you? Sure enough, the waste of the Seventh Kingdom of God is such rubbish. There is only this ability, you guys, just change the name to the trash country?"

"Or, expelled from the kingdom of God?"

"The Lord of Reincarnation in the past divided the territory of the Kingdom of God into seven parts, perhaps because you think your seventh Kingdom of God is too rubbish."

Another reason why he didn't believe Ye Chen's rumors was because Sun Yalong looked down on the Seventh Kingdom of God from the bottom of his heart!

Bullying a woman?

Ye Chen smiled coldly.

This woman wanted to kill him, but he didn't kill her directly, she was already doing her best!

If you want to bully a woman, you can cut off her hand or foot.

A martial artist who lacks an arm and a leg can also lead the way, right?

This person, at first glance, came to look for things.

Ye Chen said lightly, "Give you a time to breathe, kneel down, apologize, get out, otherwise, I will let you know what bullying is."

Under the noisy high cliff, there was no sound in an instant...

Many martial artists looked at Ye Chen in shock.

That, but Sun Yalong!

Although everyone can't flatter this person's character, he still has some strength!

The chaotic three-layer sky, in this divine origin secret realm, is certainly ordinary.

But when it comes to the chaos realm, it is not the realm, but the foundation!

And Sun Yalong's background is not something the Seventh Kingdom of God can contend!

Ye Chen, was so aggressively provocative?

The rumors are true, this person is too crazy to describe!

On Sun Yalong's ferocious face, with anger, this kid, really dare to be so presumptuous in front of Lao Tzu?

A long sword, an extremely heavy sword, appeared in Sun Yalong's hands, the superb aura of the chaotic three-layer sky, soaring into the sky, a sword headed, and slashed away!

"Raptors Tyrant Sword!"

The roar of the dragon shook the fields, domineering like a sea, howling turbulent, and boundless sword intent, condensed on this long sword, crushing the space to pieces, and the earth, under this sword, shakes!

Looking at Ye Chen who was still standing in place, the smile on Sun Yalong's face became more cruel, and his eyes became even more contemptuous. This kid was suppressed by his sword aura and couldn't move, right?

But at this moment, a blue wave spread instantly!

The originally grinning and contemptuous Sun Yalong's expression was frozen and stiff, that sword could not even be dropped!

why?

Because, his strong sword intent, that terrifying spiritual power, unexpectedly, all seemed to have disappeared out of thin air!

The power of this sword, even one percent, can't be left, so why do you cut it down?

Is it embarrassing?

"It's over."

At this time, Ye Chen laughed. At the same time as the laughter sounded, his sword was also cut in front of Sun Yalong.

"This is called bullying."

The sword light burst out, like a giant swallowing beast, swallowing everything!

Sun Yalong, who was in the Chaos Three-tiered Heaven, didn't even scream, so he burst into blood mist and drifted away with the wind.

Deadly...

The complete silence...

No one dared to make any sound, and forgot to breathe...

Sun Yalong, just died like this?

That, but the top genius of the Third Kingdom!

Originally, they thought that even if Ye Chen could defeat Sun Yalong, he would have to do more, right?

Actually, just crushed so casually?

Even Kong Xian can't do it, right?

Here, where is it to kill chaos like slaughtering a dog?

There is no difference between crushing and killing ants!

Originally, those who hadn't come to provoke Ye Chen lowered their heads and sweated all over, and they were extremely thankful that they hadn't turned their heads!

Those who were originally watching jokes, at this time, can't laugh at all.

Ye Chen, too strong to make them horrified!

Many people are increasingly looking forward to it, looking forward to a battle between Ye Chen and Kong Xian!

Chapter 2673: madman

Soon, Ye Chen came under the cliff, not far from the cave.

At this moment, a figure also appeared at the cave entrance.

This person has a refined temperament and a white coat. He looks gentle and handsome, giving people a feeling of spring breeze.

But everyone present saw Kong Xian and felt it was not the spring breeze, but the blood and rain!

Even many people looked at Kong Xian with hatred in their eyes!

Entering the secret realm of the source of the gods this time, many martial arts practitioners of the major gods died in the hands of Kong Xian!

In particular, the third kingdom of God was almost wiped out by Kong Xian!

Since then, everyone is in danger, and even those around them can't be trusted, and they act separately.

And this actually hit Kong Xian's arms!

After the warriors of the great kingdoms were separated, Kong Xian sent his men to defeat them!

Most of the cultivators acting alone, when they meet Kong Xian's subordinates, either surrender or die!

Therefore, many people still hope to see Ye Chen kill Kong Xian this time and take revenge on them!

Kong Xian stared at Ye Chen, smiled slightly, and said, "Do you really dare to come to me?"

"Why don't I dare?"

Ye Chenfeng replied lightly.

However, his eyes are heavy!

Chaos realm four-layer sky?

This is not the most critical.

The key is that he felt an extremely cold threat from the opponent.

Kong Xian's strength is still above his expectations!

Had it not been for Lingfeng's divine veins to absorb energy in these few days, he would really not dare to come like this.

"Well, if everyone can like to die as much as you do, it will save my son a lot of trouble!"

In the next moment, Kong Xian suddenly shot!

With a flash of his figure, he leaped into the air. The terrifying power of the fourth layer of the Chaos Realm burst out, extremely condensed, and surging spiritual power surging around his body. Just the stirring wind pressure, it pressed some warriors with weaker cultivation bases were vomiting blood!

Absolutely strong aura surging, it is so that these geniuses who have always been proud, tremble all over, have the urge to kneel and worship!

It seems that Kong Xian in front of him is the ancestor of heaven and earth!

Chaos realm four-layer sky, so terrifying!

In this unimaginable strong breath, everyone only felt that one breath could not hold on!

But suddenly, the breath that crushed countless warriors to their knees, even lying on the ground, the news...

The whole body suddenly became relaxed.

what happened?

Everyone looked at Ye Chen and Kong Xian in astonishment.

At this moment, Ye Chen's whole body burst out with a burst of light, which instantly enveloped the area where he and Kong Xian were, and the blue light even turned into chains and tied to Kong Xian's body!

It actually banned Kongxian's boundless spiritual power and the trembling breath!

Ye Chen's forehead was covered with sweat beads.

Extremely difficult.

The opponent is strong.

He even borrowed part of the power of the Kuangwu Overlord.

Otherwise, you won't even have the qualifications to cast the forbidden spirit body!

"Ahhhhhhh!!!" Kongxian's pupils shrank, his eyes were bloodshot, and he roared fiercely, his whole body bulging with blue veins, his originally gentle face looked incredibly hideous in an instant! Like a monster!

The breath of his body is strong and weak, surging spiritual power, and sometimes absent, but Ye Chen is clenching his teeth, it seems that it is not easy!

At this moment, there was a click!

The cyan chain on Kong Xian's body was directly broken!

And Ye Chen also spit out a big mouthful of blood!

Forbidden spirit body, it is not without cost to use, the burden on the body can be said to be great!

If so, if it is changed to Ling Jiuxiao, even if his forbidden spirit magic body can have an effect on the existence of chaos, at most, it will only take one breath time, it will be backlashed, and the body will burst and die!

That is, Ye Chen's physique against the sky can withstand it!

But this is not without limits!

Even if Kong Xian's breath is Ye Chen, he can't finish the ban!

But that's enough!

Ye Chen's eyes flashed, and even though Kong Xian broke the chain, his strength was suppressed by at least 70%!

He is confident to fight one!

Kong Xian was panting, a shock flashed in his eyes!

The power of this forbidden spirit is terrifying!

The next moment, he was full of breath, another surge, a sword aura that was extremely fierce, cold and radiant, and when people looked at it, he felt the frightened long sword suspended in front of Kong Xian.

This long sword is an amazing long sword!

The moment the long sword appeared, an inexplicable aura condensed on the long sword!

In an instant, the sword light shone, violently surging, and it seemed to envelope the entire Divine Origin Secret Realm!

And in this sword light, that long sword turned out to be ten, ten transformed into a hundred. In a blink of an eye, thousands of sword lights were transformed, and the sword energy was so fierce that it would penetrate the sky!

"The meaning of Zhenwu!?"

Ye Chen's pupils shrank, and others didn't know what the meaning of the sword light was, but he knew it!

This Kong Xian is also a genius who has touched the meaning of Zhenwu?

The martial arts of the First Kingdom is really terrifying!

"Ten Thousand Laws Return to Sect, All Swords Slash Mystery!"

Kong Xian gave a low cry Pointing to Ye Chen, ten thousand swords of light, like a thunder falling to the world, rushing towards Ye Chen!

"Only I Lingxiao, Tushen breaks the sky!"

Ye Chen also gave a soft drink, the golden light flashed all over, the \*\*\*\* ape roared, resounding through the sky, on the surface of the body, seven blood lights appeared, the blood burning tactics worked extremely, the power of the blood of the gods surged wildly!

A sword cut across the square, the meaning of true martial arts swept across the four directions, the sword light swept the sky, broke all the magic, the great power whizzed, collapsed the mountains, like a demon, destroying the sky and the earth, smiling with the sword!

There was a loud bang, and the sword light and sword shadow collided!

Ye Chen's sword wiped out countless sword lights, but there were still hundreds of ways, passing through his body!

The blow of the two almost melted the thinking of the geniuses of the great kingdoms of God!

This, this is actually the strength that a warrior of the kingdom of God can have?

Originally, they thought that such an attack could only exist on the high martial plane!

But now, it is tangible, appearing before their eyes!

At the same time, many people looked nervously towards where Ye Chen was!

Just now, Ye Chen was pierced by hundreds of sword lights!

Any blade of light among them, let alone a penetration, a little bit of them, they will all die!

Could it be that Ye Chen felt like this?

At this time, Tu Lanxin's pretty face was pale!

But at this moment, Kong Xian, who was still sneered on his original face, suddenly changed his expression!

On the chest, blood flashed, and a hideous wound appeared!

Kong Xian's eyes opened frantically, extremely frightened, that sword wiped out thousands of swordsmanship, but he still hurt himself?

At the same time, a blood-stained figure suddenly rushed out of the smoke and dust stirred up by the sword aura, like a sea of blood, and rushed towards Kong Xian in the air!

.

Chapter 2674: In awe!

This person is Ye Chen!

Although Ye Chen was covered in blood at this moment, he looked extremely sturdy, and it didn't seem like he was seriously injured!

Some sharp-eyed warriors even discovered that Ye Chen's wounds were healing quickly!

It's incredible!

What the ultimate evildoer is this?

"Damn it!" Kong Xian yelled angrily. He actually moved back and retreated wildly!

When everyone saw this, they were all taken aback!

Kong Xian, who was on the fourth floor of the Chaos Realm, actually retreated facing Ye Chen?

When Kong Xian exploded back, he pointed his finger to the sky and shot his sword intent, whizzing out again, all swords light slashed!

But at this time, Ye Chen's face appeared crazy, and after cutting out most of the sword light, he let the remaining sword light bombard his body in spite of it, and he wanted to approach Kong Xian!

All the martial artists onlookers, their eyes are about to fall out!

This way of fighting is too crazy and too scary!

Everyone shuddered when looking at Ye Chen like a blood demon!

Ye Chen, is this crazy?

Everyone didn't know that at this moment, Ye Chen's eyes were shining brightly, very sensible!

He knows that in close combat, he can maximize his physical advantage!

Kong Xian, although spiritual power, aura, etc., was banned by 70%, it was still higher than the current Ye Chen!

And Ye Chen, the one who can really crush Kongxian is the flesh!

Moreover, the forbidden spirit body consumes a lot of money and is not suitable for protracted battles. If you want to fight quickly, naturally, it is also best for melee combat!

Kong Xian's complexion was extremely ugly, Ye Chen rushed forward almost desperately, and obviously mastered an extremely advanced martial art skill, the speed was terrifying! How can he get away?

Soon, he was bullied by the \*\*\*\* Ye Chen!

Ye Chen smiled evilly and said, "I caught you."

In the next second, a sword was cut down!

Kong Xian gritted his teeth and had to hold the long sword in his hand, and his whole body poured into it without any reservation. Thousands of sword light phantoms merged into one, and on the long sword, an extremely condensed white light flashed!

Swords and swords!

With a loud bang, I saw that the condensed sword light was collapsed in an instant, and the figure of Kong Xian was directly blasted by Ye Chen's sword!

His hand holding the sword trembled, the tiger's mouth broke, and even the bones were cracked!

His pupils shook, and he looked at Ye Chen in disbelief...

What a terrifying power!

Before Kong Xian, slowed down, Ye Chen grinned at the corner of his mouth. He had just slashed out a Xeon sword, but he seemed to have inexhaustible strength. He didn't need any rest at all, he recovered, and he rushed up again!

Ye Chen didn't know how much blood he shed now!

Even if it is an ancient behemoth, it will be on the verge of exhaustion, right?

But what about Ye Chen?

It seems to have infinite strength...

This physical quality, even the gods of the heavens, should be looked at...

Another sword slashed with extreme precision and deadly angle!

There was a panic in Kong Xian's eyes, so he gritted his teeth, barely raised his spiritual power, and raised his sword to welcome him!

With a bang, Kong Xian's figure burst out again! In his eyes, the color of panic has appeared! Can't keep calm anymore!

In close combat, he is not Ye Chen's opponent at all!

If this continues, without a thousand moves, he will be defeated!

Thousands of moves seem to be many, but with Ye Chen's sword frequency, Ye Chen's desperate style of play, almost infinite physical strength...

But it happened in an instant!

The swords and swords collided, and the roaring sound was endless. In an instant, Ye Chen had already cut out hundreds of swords!

Kong Xian at this time, his complexion was extremely ugly, even pale and bloodless, his body aura, extremely messy, two arms, blood dripping, almost useless!

It's another sword, and it blows down!

"Ahhhhh!!!"

Kong Xian roared wildly and held the sword in both hands. He actually ignored the sword with his strength, and at very close range, he cut out a sword that had been brewing for a long time to Ye Chen!

He knew that even if he held a sword to defend himself, with his current state, he couldn't stop Ye Chen's sword at all!

Well, it's better to fight!

But at this time, a strange smile appeared on Ye Chen's face . In his body, white mist emerged from the beginning, and the tens of thousands of sword lights directly penetrated from the white mist. Pass!

"Puff!" In the next moment, Ye Chen's figure recovered. It was because he used the atomization supernatural power, and he was not lightly injured after he took the sword.

but! He knew that Kong Xian would be worse than him!

Cut down with a sword, Kong Xian, who had just exploded, had no time to dodge his defense!

There was only a copper coin-like body protector, and a burst of yellow light burst out suddenly, protecting Kong Xian under it!

But this extremely solid yellow light collapsed instantly when it came into contact with the blade of the Qinglian Heaven-extinguishing Sword!

The corner of Ye Chen's mouth, with a sneer, in the Forbidden Spirit Law Realm, the body protector was also greatly restricted!

With a bang, the sword fell on Kong Xian's shoulder!

A scream resounded across the sky, Kong Xian's complexion was pale, half of his body suddenly softened, blood flowed wildly, bones shattered, and the whole person was limp to the ground with dying breath!

Time and space, as if frozen, all things fall into stillness!

Everyone, looking at the fallen Kong Xian, foolishly...

I'm so stupid...

This genius of the Kong family of the first kingdom of God can control the life and death of the evil evildoers of the great kingdom of God at will, and can almost destroy the genius of other kingdoms of the gods, just... so defeated?

Looking at Kong Xian's extremely miserable appearance, everyone couldn't help but looked at Ye Chen.

At this time, Ye Chen stood with a sword, long hair dancing in the wind, blood stained all over his body, but his eyes were extremely sharp, and his temperament was solemn, like a God of War that had been honed through thousands of years of \*\*\*\* battle.

In their eyes, they couldn't help but feel a deep awe!

Chapter 2675: kill him

Ye Chen looked down at Kong Xian at his feet, and said blankly: "Originally, you can't kill people from other kingdoms, or grab things from other kingdoms, as long as it doesn't involve me and the seventh kingdom, It's none of my business, and I don't care."

"But, you know, what's wrong with you?"

"Chen Yida, offend me, I killed it, it had nothing to do with you."

"You should not underestimate me and think that you can decide my life and death at will, understand?"

"You can destroy the geniuses and evil spirits of the great kingdoms of God, and you can occupy all of their gods and treasures. Maybe you will have nothing at all, and you will have great gains!"

"However, if you offend me, Ye Chen, you must die!!!"

Ye Chen said word by word, the murderous aura that grinds out in the illusion of the Zhenshen Tower, bursts out, like a \*\*\*\* of war coming out of a sea of blood in the corpse mountain, the power is terrifying, and people can't help feeling Remember his words in your heart and give birth to a sense of worship!

Tu Lanxin, Luo Shishi, and many female martial arts practitioners, all of them flashed in their beautiful eyes.

Ye Chen at this moment is too dazzling!

What he stepped on was the evildoer of the First Kingdom of God.

Kong Xian, strength may not be the most terrifying among the Seven Kingdoms, but Kong Xian's background is terrible!

The Confucian family of the Kingdom of God didn't dare to reach the Heavenly Dao Palace.

Who in the world dares to shoot Kongxian?

"I, I was wrong..."

Kong Xian, who was originally invincible, was now full of fear and trembling: "Ye... Ye Gongzi, let me go, you can even plant a slave mark for me, I promise, I can take you Take it to the first kingdom of God, and give you an unimaginable position!"

"Young Master Ye, I am confused for a while! The disaster of extinction is about to come, killing me will not do you any good, right!"

My energy in the first kingdom of God is very big and will not let you down! If so, if you can let me go, not only you, your relatives, friends, and even the entire sect can be taken away!

Our first kingdom of God, the number of people far exceeds the seventh kingdom of God, the Lord of Reincarnation divided the territory, and it is also the largest existence, we do not lack this person, and the first kingdom of God, countless strong, is the last of the major kingdoms of God fortress! We are fully confident that we can survive the catastrophe! "

"With your qualifications, you are too wronged in the Seventh Kingdom of God. Only when you arrive in the First Kingdom of God, will you become prosperous!"

In his eyes, there was an extremely strong desire to survive, Ye Chen's strength really shocked, feared, and even despaired!

After all the warriors heard Kong Xian's condition, they all held their breath instantly, and excited expressions appeared on their faces involuntarily! Countless eyes stared at Ye Chen's face!

Kong Xian's conditions are too tempting!

It's so rich!

Even if it was those martial arts practitioners who were killed with their companions, their eyes trembled. They didn't know if they were standing in Ye Chen's position now, could they refuse Kong Xian?

To be honest, what kind of hatred can have immediate benefits, more important?

The world of martial artists is so realistic!

Besides, even though Kong Xian targeted Ye Chen and hunted down Ye Chen, he did not cause any substantial harm to Ye Chen!

If they were Ye Chen, I'm afraid they would accept such a condition instantly...

but!

At this time, Ye Chen was very calm in his heart, without any emotional fluctuations.

He looked at Kong Xian and said lightly: "Don't worry."

Everyone's eyes widened, and there was a glimmer of hope in Kong Xian's eyes.

do not worry?

Could it be that Ye Chen wants to let Kong Xian go?

Those warriors whose companions were killed, even though there was a deep unwillingness flashed in their eyes, but Ye Chen did not blame Ye Chen, it was them, it was likely that they would do the same.

But, suddenly, a stern expression appeared on Ye Chen's face and said: "Wherever I go, I will be able to fly to the top!"

Having said that, the long sword in his hand was raised suddenly, and he was about to cut his head down at Kong Xian!

"No! No!!!" Kong Xian wailed sadly, as if he had collapsed because of the approaching death!

But at this moment, Ye Chen's expression suddenly changed, his body flashed, and he retreated to the back!

Everyone was shocked!

What happened to Ye Chen?

Did you change your mind again?

And why is it so frightening?

At this time, Kong Xian's original expression of collapse gradually dissipated, turning into a cold smile and said: "Hehe, intuition is quite accurate."

"Unfortunately, it's too late, the spirit descending ritual has been completely completed! You still have to die!!!"

He suddenly laughed wildly and said: "Hahahahaha! The gods descend from the sky, help me slaughter the demons!"

Everyone's faces are full of incomprehensible colors, this Kong Xian has been beaten like this, and he said that Ye Chen would die?

Could it be that he was beaten stupid? Become crazy?

At this moment, in the cave behind Kong Xian a blood-colored beam of light suddenly soared into the sky and plunged directly into the end of the sky, as if breaking through the barrier of this secret realm!

An incomparably magnificent breath instantly filled the space between the heavens and the earth, and everyone trembled!

This... what kind of breath is this?

Just being touched by this breath makes people tremble from the soul!

Don't say it's resistance or something!

Almost Daoxin collapsed in that extreme shock!

At this time, Kong Xian's eyes were filled with ecstasy, and the corner of his mouth raised a crazy smile!

Succeeded!

The descending spirit succeeded!

Now, no matter how strong Ye Chen is, how much against the sky, there is only one result!

dead! ! !

Is this Kong Xian's successor!

It turns out that his previous showings of weakness, fear, etc. were all pretended!

He was waiting for this moment!

"Ye Chen!!!" Tu Lan's face was pale, and she exclaimed, and was about to rush towards Ye Chen, but was firmly held by Luo Shishi!

"Lan Xin, calm down, you go now, it won't help him in any way!"

"May even die!"

"He can offend the Kong family, but you can't offend!"

After the blood-colored light beam dissipated, it was replaced by a huge blood-colored figure!

This figure, like a \*\*\*\* in the sky, looked down at all beings, as if there was only indifference in his eyes.

Ye Chen stared at the fluttering beard and hair, dressed in a Taoist robe, a phantom of the old man with the appearance of a fairy wind road, his pupils shrank crazily, and his face was extremely solemn!

He knew that this phantom was not the body of the old man, it was just an aura that descended into this divine origin secret realm through secret methods!

But this qiyun gave him a feeling that he couldn't compete at all!

"Old ancestor, kill him!!!"

Kong Xian roared with a ferocious face!

Chapter 2676: 1 slice of ice cold

Wanfazong is the power of the first kingdom of God.

Moreover, it is still an unshakable force!

Because, there is an ancestor in Wanfa Sect!

He is not only the ancestor of Wan Fazong, but also the grandfather of Kong Xian!

He is the martial arts powerhouse of the First God Kingdom-Kong Chi!

The ancient medical \*\*\*\* Cang in the reincarnation cemetery also sensed the threat: "Boy, the power contained in this phantom far exceeds me and the madman overlord!"

"You can't fight it! This battle is very difficult."

The mad martial overlord next to Cangu Medical God also looked solemnly: "If I haven't used the power of divine mind, maybe I can resist."

"But now, I can't compete."

"unless--"

Kuangwu Overlord and Cangu Medical God looked at a tombstone in the reincarnation cemetery.

In the tombstone, a spear and a huge bow exuding the meaning of desolation are displayed.

Very mysterious.

"Damn it!"

Ye Chen took a deep breath, his brain turned quickly, this phantom was too terrifying, even if he used the atomization supernatural power, he could only be killed by a single blow, right?

At this moment, that \*\*\*\* phantom glanced at Ye Chen lightly and moved.

He slowly raised his hand and slapped Ye Chen.

Seemingly flirty, there is no strong palm!

but!

With this palm hit, the entire Divine Origin Secret Realm was shaking crazily!

The breath of God's origin has become extremely chaotic!

A palm collapsed like the sky, with endless destruction, pouring towards Ye Chen!

After the palm print, the void collapsed, and even the air was wiped out!

Just the palm of your hand, made countless talented warriors onlookers vomit blood and injured!

"Ahhhhhhhhhhhh!!!" Ye Chen was like a beast forced into desperation, let out a wild roar, and a burst of mist broke out all over his body!

The pupils of the crowd contracted, this fogging magical power, they have seen that Ye Chen used this trick to resist Kong Xian's extreme sword and defeated Kong Xian!

Now, Ye Chen is going to use this trick again to resist that shocking, weeping palm?

But at the next moment, everyone was very shocked!

They are wrong!

A figure holding a long sword suddenly jumped out of the mist, roaring wildly, and the power of the forbidden spirit exploded, turning into a blue chain, and locked it toward the heavenly palm print!

The sword intent flowed, Ye Chen at this moment, like a \*\*\*\* war ghost, his eyes turned blood, and his fighting spirit was raging, and he slashed away at that \*\*\*\* palm print with one sword!

Everyone was moved by it!

Ye Chen, even in the face of such a terrifying palm, he still chose to fight!

This, what kind of courage, what kind of mood?

Ye Chen's martial arts is admirable!

Admiration from the bottom of my heart!

Everyone looked at Ye Chen with a trace of respect!

This is the martial artist!

They will never forget the scene they saw today!

Even many people are beginning to expect Ye Chen to survive!

In the next moment, Ye Chen's sword slashed onto the palm print!

The drenched sword light that once convinced these geniuses, but at the moment of touching the palm print, it turned into nothingness without any resistance, even the cyan long sword in Ye Chen's hand, and flew out at the same time. !

On the long sword, cracks even surfaced!

The cyan chain wrapped around the giant palm and transformed with the power of the forbidden spirit body was also broken in an instant!

The giant palm touched Ye Chen's body, and time seemed to freeze for a moment!

Ye Chen, who had endured the sword light of Kong Xian countless times, instantly turned into a blood mist and exploded when he touched his palm print!

Explode thoroughly!

Not even a trace of flesh and blood was left behind!

And the giant palm, after smashing Ye Chen, did not stop, but continued to squeeze downwards. With a loud bang, the sky and the earth moved, the palm prints fell, and the storm lifted, bringing the people above this high cliff. The mist, all blow away!

Even many warriors were knocked to the ground by the wind!

And the blood mist formed by Ye Chen's explosion naturally also disappeared with the wind, leaving no traces...

When Kong Xian saw this, his face was full of crazy pleasure, and he laughed wildly: "Hahahaha, trash, doesn't it mean that you can fly everywhere? Didn't it mean that this son was wrong to underestimate you? What about people? How about you fucking? Continue to be arrogant? Continue to pretend in front of Lao Tzu!?"

Two lines of clear tears slid down Tu Lanxin's pretty face. At this time, her face was pale, her beautiful eyes were dull, her body was soft, she could not even stand.

If it hadn't been for Luo Shishi to support her, she might have fallen to the ground.

Ye Chen, just died like this?

Even the warriors sighed slightly, shook their heads, and felt extremely sorry.

A warrior like Ye Chen died, but a warrior like Kong Xian survived?

Sometimes reality is so cruel.

The \*\*\*\* phantom, after hitting this palm, his figure quickly faded, and it disappeared completely in less than a breath.

Kong Xian took a pill that exuded a rich radiance. The original broken body, squirming, although it still looks extremely weak, it can barely stand up, and even change it. Put on a set of neat white robe, very calm.

The chaos realm's fourth-tier sky already possesses extremely terrifying recovery capabilities.

Although it was not the metamorphosis of Ye Chen that could ignore everything, it was not too difficult to recover as long as he didn't die, took some time, or had some superb pill.

The moment Kong Xian stood up, there was a dark sword light that suddenly struck him!

A beautiful figure of a woman, with a murderous aura, flew up from the crowd!

It is Tu Lanxin!

At this moment, her beautiful eyes locked Kongxian, it was cold!

She wants revenge on Ye Chen!

She knew that a lean camel was bigger than a horse!

Even if Kong Xian has been seriously injured, those warriors who are stronger than her dare not rush to make a move!

However, even if there is only a slight chance, or even no chance, Tu Lanxin will avenge Ye Chen!

Kong Xian looked solemn, he could perceive that Tu Lan's heart was very strong!

It is impossible for him to fight!

But why does he rely on himself?

A jade card was sacrificed in his hand, and when the jade card was released, it turned into an extremely terrifying sword energy!

This is not his power!

Although not as domineering as the phantom! But it is not something Tu Lanxin can contend with now!

So it can be seen how terrifying is the secret behind Kong Xian!

The jade sword qi was cut out, and the dark sword light turned into nothingness. Tu Lanxin himself also shook his body suddenly, flew upside down, half kneeling on the ground, a trace of blood overflowing from the corner of his mouth!

Obviously seriously injured!

When everyone saw this, they couldn't help but swallowed...

What kind of monster is this?

Under serious injury, there is such a background?

Kong Xian is too terrible.

Chapter 2677: Identity!

Ye Chen, actually defeated such a monster?

Unfortunately, Kong Xian won in the end.

Kong Xian sneered, step by step, walked towards Tu Lanxin, licked his lips and said, "Hehe, it seems that you know that this son is really angry, and came here to give him a hug? How did you know, son Being proficient in the method of double cultivation, do you need a good furnace at this time?"

"You look beautiful, but it suits this young man's appetite. If you are willing to be obedient, not only will I not kill you, but I will also give you a lot of benefits. What do you think?"

Tu Lan's complexion changed, and she yelled: "Beasts! Kill if you want to kill!"

After all, he was full of irritability, and he was going to explode directly!

But the next moment, Kong Xian's figure flashed, and he appeared in front of Tu Lan's heart, strangling her throat with one hand, lifting her body, the original violent aura, instantly disappeared, even the spiritual power in Tu Lan's heart Suppressed by Kong Xian!

A look of greed appeared in Kong Xian's eyes, as he was about to speak, saying something.

"Puff" with a soft sound, under the high cliff, drifting in the wind.

The smile on Kong Xian's face solidified...

The blood, running down his chest, continued to spread, instantly dyeing his white robe red.

He lowered his head dully and saw a blood-red long sword pierced his chest!

Behind Kong Xian, a cold man's voice sounded.

"She is not a woman you can touch."

There was a dead silence...

Everyone was lost in confusion...

At this moment, behind Kong Xian stood a figure, like a few corpses, covered in flesh and blood, like a figure that had just grown!

Although this person looks extremely terrifying and has a declining breath, everyone recognizes who this person is!

Ye Chen!

Ye Chen is not dead yet!

Tu Lan stared blankly at the long sword that penetrated Kong Xian's chest, and couldn't believe it in her eyes.

This is not a dream, is it?

"Impossible..." Kong Xian reluctantly turned his head, with incredible eyes, "You can't be alive..."

Ye Chen's eyes flickered, and the palm of the powerful spirit descending was extremely terrifying. Even with his physical strength and means, if he resisted, there would definitely be a dead end!

And the "Ye Chen" who was shattered by palm prints, naturally, it was not him!

The essence and blood of the gods not only gave Ye Chen the power of the forbidden spirit body, but at the same time, it also fully restored the spirit beast that had been seriously injured because of the battle with Ling Jiuxiao!

When that palm slammed, Ye Chen knew that even if he used the fogging magical power, he couldn't resist it!

Therefore, he used the ghost beast!

Let the ghost beast use its full strength, and use its forbidden spirit body to resist the palm print attack, weakening the palm print power, and at the same time, his body quickly flees after the fog is reduced!

Even so, he was almost killed by the remnant of that palm!

Relying on the technique of \*\*\*\* sloughing, I barely survived!

However, the origin was also damaged and could not be recovered for a while, until Kong Xian strangled Tu Lanxin's throat, Ye Chen's body reunited, and a sword penetrated the defenseless Kong Xian!

Fortunately, the ghost beast is a very special existence. As long as Ye Chen does not die, his contract with the ghost beast exists. Even if the ghost beast is bombarded into scum, it can be recondensed. It's just a matter of time. .

At this moment, looking at Kong Xian who was full of fear, Ye Chen was expressionless.

"Ye Chen, you can't kill me, the forces behind me..."

"To shut up!"

Ye Chen didn't want to listen to his nonsense anymore. With a slight force on his wrist, Kong Xian in front of him turned into blood mist and dissipated.

He helped Tu Lanxin on the ground and took dozens of pills in one breath. The powerful true qi poured into his body, and the originally shriveled flesh and blood gradually enriched and regained a trace of vitality.

Looking at Tu Lanxin who was still a little sluggish and his beautiful eyes reddened, Ye Chen smiled slightly and said, "Fairy Tu, are you crying?"

Although he hadn't fully recovered just now, his body was on the verge of collapse, and his spiritual mind could perceive everything. From the moment Tu Lan's heart shed tears, he knew that Tu Lanxin really cared about him.

Tu Lan's face blushed slightly, as if she was a little shy, but soon recovered her cold look and said, "I'm just worried about the future of the kingdom of God..."

Ye Chen smiled without delving into it.

At this time, Luo Shishi also came over, and said with an awkward expression: "Young Master Ye, I..."

Just now, she thought that Ye Chen would die and prevented Tu Lanxin from rushing over, but Tu Lanxin's strength was above her. When she had decided to avenge Ye Chen, Luo Shishi could not stop...

Ye Chen waved his hand and said faintly: "You are right, I want to thank you."

If it weren't for Luo Shishi, Tu Lanxin might have been shaken into nothingness by that boundless palm force.

And the martial artists present burst into cheers after a brief silence!

Ye Chen, kill Kong Xian!

Although they don't know how Ye Chen survived that palm, he did it!

The hatred of their companions, the hatred of the kingdom of God, has finally been reported!

"Ye Chen! Ye Chen! Ye Chen!" Some excited warriors of the kingdom of God even couldn't help but shouted Ye Chen's name!

Ye Chen now is a hero in their hearts!

Those who originally looked down on the Seventh Kingdom of God have completely changed their views!

Changed because of Ye Chen!

At this moment, several figures flashed out of the crowd and walked towards Ye Chen. Their bodies were shining with various charms, and they were obviously people from various kingdoms of God!

The first man exuding a faint golden charm, with a red robe and a heroic appearance, exuded a faint golden charm, had a red robe and a heroic appearance, and said respectfully to Ye Chen: "Han Feiyu, the head of the first kingdom of God, has seen Ye Gongzi. "

Behind him, several other youths with silver, blue and other charms all over, also saluted: "The Second God Kingdom has no shadow zong Huo Yuanbing, I have seen Ye Gongzi."

"Chen Kui, the Liebing Gate of the fourth \*\*\*\* country, met Ye Gongzi."

"Yu Xiong, Yuan Yaozong of the Fifth God Kingdom, has met Ye Gongzi."

"Bai Feng teaches Zhen Mo from the sixth kingdom of God and has met Ye Gongzi."

All of them are the representatives of the great kingdoms of God, and they all bowed their heads to Ye Chen, showing good wishes!

Tu Lanxin and Luo Shishi looked at each other, they were all extremely excited!

This means that the other kingdoms of God have finally recognized their seventh kingdom of God again!

This is the dream of every guardian descendant, but no one has ever been able to do it!

Now, because of Ye Chen!

Ye Chen nodded lightly without saying much.

And those people from the great kingdom of God naturally didn't dare to be dissatisfied with this, on the contrary, they looked relieved.

Afterwards, Ye Chen said to the second woman Tu Lanxin: "Let's leave. I was injured in this battle and I want to recover!"

After all, the three of them flashed their figures and left here!

Chapter 2678: Who are you!

After the three of Ye Chen left, the warriors slowly turned their eyes to those of Kong Xian...

And all of Kong Xian's subordinates, facing the warriors with blood-red eyes and hideous colors on their faces, were extremely fearful and trembling.

...

In the next month, Ye Chen, Tu Lanxin, and Luo Shishi were frantically sweeping all kinds of divine origin treasures in the mysterious realm of the gods, and the two girls were naturally called against the sky by Ye Chen. Treasure hunting ability, directly scared silly!

They now know Ye Chen's strength somewhat, why did they soar to such an extent!

WINK's Surge to \$1: Join the Wave!

What makes them even more unbelievable is the speed at which Ye Chen refines all kinds of exotic treasures...

Ordinary people, even those who are strong in Chaos, divide the strange treasures into several parts and slowly refine them. Otherwise, they may not be able to withstand the essence of the gods and burst into death...

Where is Ye Chen? One swallowing is to swallow dozens of them, as if to treat the Divine Origin Exotic Treasure as a snack...

It's so indescribable...

And Ye Chen, also divided some of the divine origin treasures that he didn't use to Tu Lanxin and Luo Shishi, although it was only a small part, it was enough for the two to digest!

After all, not everyone can swallow strange treasures like him.

A month later, the three of them came to the top of a high mountain that plunged into the sky.

At this time, Ye Chen's spiritual power was condensed to an unimaginable level, and his physical body and soul had been greatly improved!

Just the cultivation base has reached the realm of Zhan E's third layer of heaven!

After cutting E'er, it is extremely difficult to break through!

And Ye Chen's breakthrough during this period can be said to be incredible!

Unfortunately, there are too few such secrets in the world.

Otherwise, he wants to break through to Chaos and then leave.

Moreover, he discovered that the further the cultivation base is, the more terrifying the suppression of the reincarnation bloodline!

He can probably understand the purpose of the reincarnation bloodline, and the reincarnation bloodline hopes that his foundation is extremely solid!

Solid enough to fear everything!

In his eyes, the divine light was exquisite, and if he faced Kong Xian again, he would never fall into a hard fight, but would kill him directly!

With his current strength, he has the confidence to fight against the chaotic powerhouse Bai Yuhuang in the Dragon Palace of the half-year agreement!

Even if he did not rely on the ghost beast, he might endure it and not die!

Thinking of that \*\*\*\* phantom, Ye Chen's eyes flashed a cold light, the ancestor of Ten Thousand Fazong?

Hehe, Ye Chen must repay this grudge!

And Tu Lanxin and Luo Shishi standing behind Ye Chen, their auras are also several times stronger. Tu Lanxin is already at the seventh level of the Chaos Realm, while Luo Shishi is the sixth level of the Chaos Realm.

Don't underestimate it, only a small realm has been raised, the chaos realm, it is extremely difficult to raise one level!

Without the Divine Origin Bizarre Treasure given by Ye Chen, they would never have done it.

At this moment, in the high altitude, the spirit of the source of God was turbulent, invisible fluctuations, filled the entire secret realm of source of God!

Ye Chen's eyes lit up. Today is the day when the Divine Origin Secret Realm is closed again. All martial artists in the Secret Realm will be sent out of the secret realm. The three of them should also return to the Seventh Divine Kingdom!

However, when the light fell, Tu Lanxin left!

Luo Shishi has left!

Everyone in the entire secret has left!

Only Ye Chen did not leave!

Ye Chen looked at the lonely and quiet surroundings, a little confused.

What's happening here?

Is he sealed here!

Touched the wrath of heaven?

Soon, Ye Chen sensed something, turned his head abruptly, and looked in one direction.

The three old men appeared in front of Ye Chen.

Ye Chen's eyes are solemn!

Because the strength of these three people caused him the ultimate danger!

These three people are definitely not Chaos Realm!

At least it is the realm of the gods!

Through the chaos, fight through the sky!

If Zhan E is against Erre!

And the Heavenly God Realm is against the sky!

He also learned from Tu Lanxin's heart, and according to Tu Lanxin's understanding, there are not many heavenly gods in the current kingdom of God.

Any one is an existence that cannot be ignored.

"Lao Yun, this is the person you are talking about?"

"Are you sure it is him?"

"The appearance is somewhat similar... but the cultivation base is too different..."

"I don't really believe it."

Two of the elders frowned when they saw Ye Chen, and they asked the middle elder one after another.

But the old man in the green robe in the middle looked at Ye Chen, but he was extremely solemn.

Even in awe.

"It's him."

The indifferent voice of the old man in the green robe sounded.

Ye Chen was slightly startled.

He is very familiar with this voice!

Isn't it the sound in the darkness of the temple?

Did he help himself?

At this moment, the old man on the far right stepped forward: "Who are you on earth!"

Ye Chen didn't speak, with his hands behind him: "I am Ye Chen, the seventh kingdom of God, and the god-level Zong Ye Chen!"

He had no intention of being afraid.

Even the other side can kill him in seconds with a single thought.

The old man on the right heard Ye Chen's attitude and was a little annoyed. Just about to speak, the old man in Qingpao stepped forward and said, "Mr. Ye, I just want to ask one question. Are you the Lord of Reincarnation?"

Ye Chen's eyes shrank and he didn't speak.

This identity is too important. Once revealed to the enemy, it will definitely die!

The old man in Qingpao seemed to see Ye Chen's hesitation, pinching his fingers, a drop of essence and blood appeared.

There is a hint of contract in the essence and blood.

"Mr. Ye, the matter of identity is too important, and I also know your caution, this blood has the meaning of my contract, please accept it."

"Although the Ye Family of the Kingdom of God is destroyed, there are still three of us in this world, and we have a heart for the Ye Family."

"We would rather stay here forever than do anything to harm the Ye Family."

As soon as these words came out, the other two were completely confused.

How can the contracted essence and blood be sacrificed casually!

"Old Yun, you are confused! Why do you do this to this kid!"

"Hurry up and take back the blood!"

"I think you have regressed in endless years!"

The two old men quickly persuaded.

Just when the two were about to forcibly take back Lao Yun's blood, the blood flew to Ye Chen's palm.

Direct refining.

The world seems silent!

In the next second, the two old men's killing intent suddenly rose: "Bold! Not only blaspheme the Lord of Samsara, but also dare to refine the blood of my generation! Today I will let you suffer the calamity of Samsara!"

In an instant, the violent power is released!

The whole secret realm is shaking!

Dark clouds cover the sky!

This momentum is something Ye Chen has never seen before!

Horror to the extreme!

At the moment when the two extreme killing intents were about to erase Ye Chen, Ye Chen stepped out one step at a time, and his blood was boiling!

"Kneel down!"

The simple two words actually contain extremely strong power!

Three reincarnation monuments swirl around!

Chichen Divine Veins! Lingfeng divine veins are completely activated!

That terrifying vision disappeared instantly!

The killing intent of the two old men suddenly stiffened, and their expressions were extremely horrified!

In the next second, he kneeled directly in front of Ye Chen!

Chapter 2679: Variety

They could clearly feel that the power released by Ye Chen just now was the blood of reincarnation!

Only the Lord of Samsara is qualified to have the blood of Samsara!

And the old man in the green robe in the middle was so excited that he knelt directly: "See the Lord of Samsara!"

Ye Chen's eyes condensed, and he never expected that these three such terrifying beings would kneel down in front of him!

If seen by outsiders, it will inevitably shake the kingdom of God!

As for the breath just now.

Ye Chen didn't know either.

The explosive power of the two elders actually triggered the blood of reincarnation!

Obviously, these two people possess the power of reincarnation.

In other words, it must be a member of the Ye Family!

Ye Chen's eyes were solemn, and he said: "I am the Lord of Samsara. What happened in the past? Why did the Lord of Samsara fall?"

Hearing Ye Chen's question, the old man in Qingpao was startled, and then asked, "My lord, you have no memory of awakening?"

Ye Chen shook his head: "No."

The old man in Qingpao raised his head, but his eyes were firm: "My lord, you told me that before the new Lord of Samsara has awakened the memory, you must not tell anything about that year!"

"Although I want to tell history, I am not qualified!"

Ye Chen frowned, and he really didn't understand what he thought at the beginning!

What explanation is needed to awaken the memory!

What is the Lord of Reincarnation afraid of?

Afraid of him going to revenge, afraid of his own death?

Ye Chen didn't think too much about it. For these three people, it was obvious that he would follow him. If he could follow it, the benefits would be endless.

"Would you like to go out with me?"

However, to Ye Chen's surprise, the three shook their heads together: "We are here forever and cannot leave this life."

"This is fate."

"But... if it's a critical moment, I can tear the void, burn the three people, transform the phantom, and help the Lord of Samsara."

Ye Chen's expression was solemn.

The death of the three can only be reduced to one blow.

This is too sad.

Ye Chen is not a cruel person, naturally it would not be like this.

He suddenly thought of the blood dragon, and said: "Do you know the whereabouts of a blood dragon in the Nine Heavens Dragon Palace?"

The old man in Qingpao nodded: "I know!"

In an instant, Ye Chen was short of breath: "Where!"

The old man in the green robe shook his head: "The blood dragon is tainted with the air of reincarnation, and we can't say it. This is what you once explained."

Ye Chen was a little angry!

Why give yourself hope and disappoint yourself?

Why should I be like this in my last life?

"Since you don't say anything, then send me out."

The old man in Qingpao nodded: "I am waiting to see you, just to confirm one thing."

"I should have been waiting for the three of them to fall, but they are obsessed and waiting for hope."

"Unexpectedly, hope comes, the era restarts, and the Lord of Samsara appears."

"I'm waiting in the secret realm to welcome the Lord of Samsara to step onto the throne and take control of Samsara."

The words drifted away.

A beam of light shrouded and Ye Chen disappeared.

After Ye Chen left, the three of them still knelt and sighed.

"This time, this game of chess cannot be lost again."

"I suddenly understood why the Lord of Samsara had fallen."

"Perhaps, this is part of the plan in itself..."

...

Half a day later, the seventh kingdom of God, the god-level sect.

In the main hall, a group of elders and Jade Majesty gathered together, but everyone's expressions were extremely sinking!

At this time, Yu Zhenzi's cultivation level had already skyrocketed a lot, but above his face, there was not the slightest joy in seeing. On the contrary, there was a deep worry in his eyes!

And the cultivation base of several elders is also much higher!

It stands to reason that in the chaos realm, every time you raise a small realm, it will be difficult, not thousands of years, but hundreds of years, there are some warriors with slightly lower qualifications, and even it will be difficult to make progress in a lifetime!

The reason why all the high-level members of the God-level Sect can achieve such a huge improvement is because of the relationship between Yuexian Yuhuan!

Now, in the night sky of the kingdom of God, on the bright and huge round moon, there are already seven layers of halo!

And the green haze that filled the air of the entire kingdom of God was also dense to an unimaginable degree, and almost everything was dyed with a faint green brilliance!

The aura of heaven and earth in the entire kingdom of God has increased by a thousand times!

On top of this stimulus, not only the high-ranking members of the God-level Sect, but even the tens of thousands of warriors in the entire Lingwu Continent, are all increasing frantically!

Moreover, if you really care about it, the growth rate of Yu Mako and others' cultivation is still slow!

Yes, but slow!

They can be regarded as the older generation of powerhouses in the Kingdom of God, and the real strength skyrocketing fastest is the young people of the Kingdom of God!

Now, in the entire kingdom of God, there are even those evildoers who have just risen and broke through the chaos realm!

It is precisely because of this that, because of the legendary Yuexian Yuhuan, the major sects who were worried about the imminent disaster of the world have relaxed again. According to the legend, Yuexian Yuhuan appeared. , When the disaster of extinction comes, at least, there will be ten years.

With the speed of everyone's improvement now, what kind of terrifying level will it reach in ten years?

Haha, at that time, no matter how big the disaster is, they will be able to survive it?

Therefore, the people of the Kingdom of God do not regard the so-called disaster of the world as one thing, but are immersed in the joy and excitement of the skyrocketing strength!

Everyone regards the change of the kingdom of God as an opportunity, not a precursor to disaster!

Although this is not a good phenomenon, Yu Mako and others are worried about this at this time...

At this time, the great elder spoke with a heavy voice: "Sect Master, I just received the news that other first-class forces, and even many second- and third-class forces, have absorbed the awakened ancient powers, and our Shenjizong, to Now, there is not even an ancient strong man..."

The ancient powerhouses didn't just join any forces, they usually depend on the origin...

And those who were awakened in advance by the devotees, and some of the strong ones who have awakened one after another in the past three months, there is not even one that has a connection with the Divine Extreme Sect!

what does this mean?

In the past few months, in addition to the ecstasy brought by the skyrocketing strength, the kingdom of God is also in turmoil!

There are so many ancient powerhouses, and it is inevitable for various forces to fight each other...

Although the Shenji Sect was not temporarily spared from the ancient powerhouse and was not involved in the fight, the same strength of the entire sect was also greatly separated from other forces!

"Furthermore..." The second elder said with a frown at this time, "Not only the ancient strong, but even the ancient god-body genius, there is only one in our sect! Other sects are said to have appeared!"

Chapter 2680: turmoil!

Three months ago, Yu Mako gave an order to vigorously train the disciples in the clan. Although the strength of the disciples has improved well, but...

Compared with other big forces, it's a far cry!

why?

Because of the existence of ancient gods geniuses!

Some warriors, after accepting the origin power brought by Yuexian Yuhuan, had a strange resonance with this origin power!

After the resonance appeared, their physique had undergone tremendous changes, awakening the various ancient gods that existed in the ancient times in the legend!

The ancient divine body, any one, can crush the existence of the supreme divine body!

Among those possible bloodlines, there is a trace of connection with the warriors who possessed the ancient gods in the ancient times, and fortunately, the warriors who awakened the ancient gods under the stimulation of the power of the origin are the most terrifying existence!

The speed of their cultivation base and the growth rate of their strength are simply not comparable to other warriors!

Even if a warrior with ordinary skills and even poor aptitudes awakens the ancient gods, they will be completely reborn! No amount of genius against the sky can be compared with them!

The ancient divine body not only brought the strongest strength and aptitude, but most importantly, their physique was completely different from the current divine kingdom warriors, and they were extremely intimate with the original power of the divine kingdom that pervaded the world!

Under the environment of Yuexian Yuhuan, the ancient god-body genius, in the hearts of many people, is the true son of destiny, unshakable!

However, if Ye Chen were here, he would definitely be able to see that this so-called ancient \*\*\*\* body did not really awaken the ancient \*\*\*\* body, but was forcibly inspired and condensed through the power of the kingdom of gods, something similar to the real ancient \*\*\*\* body. The pseudo-ancient \*\*\*\* body!

Although these pseudo-divine bodies also possess extremely powerful power, surpassing the supreme divine bodies, they are still inferior to the true ancient divine bodies.

Not even better than him.

Moreover, the most important thing is that, with the help of external forces, to forcibly condense this kind of false ancient divine body, it may temporarily have extremely strong strength, and the cultivation base will progress very quickly, but like the descendants of the guardian, doing so will be serious. Influence the foundation of Xiuwu!

Even more serious than the descendants of the Guardians!

Even if Ye Chen was given away for nothing, Ye Chen wouldn't want it, but most people in the Kingdom of God couldn't detect all this at all.

Yu Zhenzi sighed. In this situation, the sects were annexing each other and the power of the kingdom of God was re-determined. At the moment, the gods of the kingdom of God had just become the gods of the country, and its strength was suddenly pulled away by other first-class forces. The gap!

Presumably, let alone the first-class sect, countless second-class sects are all waiting to stare at the seat of Shenjizong, want to replace it?

There are more things that worry Yu Mako!

That is Zhenlong Hall!

The Zhenlong Temple has been shocked by the ancient gods and the ancient power in the past few months!

And Bai Yuhuang's strength is not what it used to be!

The half-year appointment with Ye Chen is coming soon!

Bai Yuhuang even threatened to humiliate Ye Chen in the battle of life and death!

He even cut off Ye Chen's head and hung up in the sky!

Let the world cast aside!

As Ye Chen's master, Yu Zhenzi is angry and angry!

Yu Zhenzi rubbed his forehead and said, "If this goes on, our Shenjizong will be in serious trouble!"

He thought of Ye Chen...

That Ye Chen who has created countless miracles!

If Ye Chen is still there, it must be very different!

But right now, Ye Chen is not there!

Three months ago, Ye Chen said that he wanted to investigate something, but he never came back!

The Grand Elder hesitated and said: "Sect Master...you said, Ye Chen, is he..."

Ye Chen, this existence that originally shining the entire kingdom of God, just like that, disappeared for three months...

Although, during this period of time, the Shenji Sect was basically in a state of closed sect, but Ye Chen has not been seen, still, it has caused a very bad influence on the atmosphere in the sect!

Even, many people are wondering whether Ye Chen is dead!

Otherwise, why didn't you show up for three months?

Even the elders couldn't help but have the same idea...

Yu Zhenzi said categorically: "Ye Chen, he will be back soon!"

That day, after Ye Chen left, he was just publicity, and Ye Chen went out to retreat.

The second elder couldn't help frowning: "Sect Master, where did Ye Chen go? The reason why our Shenjizong has not been attacked by other forces is that, on the one hand, we have not been involved in the grievances between those ancient powerhouses. On the one hand, it is also because of Ye Chen's existence!"

"Ye Chen, his performance in the Divine Light Ceremony is amazing! Too shocking! Three months have passed, and Yu Weiyou is here! However, there is no airtight wall in the world! If this continues, sooner or later, someone will notice Oh! At that time, our Shenji Sect will really be over!"

The Third Elder also nodded and said: "Yes! Sect Master, no matter how important Ye Chen's cultivation is, for the time being, let him come out and show up once!"

"Yeah! Now, let alone outsiders, many of the disciples in our clan are wondering whether Ye Chen is dead, or is it because his strength has not improved since Yuhuan appeared this month~[www.mtlnovel.com](http://www.mtlnovel.com)~ is no longer the once-anticipated evildoer, so you dare not meet people?"

"A bunch of nonsense!" Yu Zhenzi said with a deep expression, "Ye Chen, he will always be the pride of our Shenji Sect!"

He also knew that due to the recent surge in the strength of the disciples of the Divine Extreme Sect, many people have even surpassed the strength of Hua Jingtao that day, so naturally he does not have such awe of Ye Chen!

Some people began to feel that Ye Chen was nothing but that!

The Kingdom of God, in essence, is still an extremely cruel and realistic place!

However, even though Yu Mako was angry, she was actually worried at the bottom of her heart!

Ye Chen, where did he go? Why hasn't it appeared until now?

At this time, there is a great opportunity to improve your strength! If Ye Chen missed it, it would be a pity!

And in that case, even if Ye Chen returns, it is very likely that the other disciples of Shenjizong and the geniuses of the Kingdom of God will open the gap...

At that time, can Ye Chen still be able to compare to those ancient god-body geniuses?

And where did Tu Lanxin go? Three months ago, he suddenly appeared and left a jade charm to let him protect a little girl from danger!

Say no reason! Don't say where to go!

He is really anxious now!

Didn't Tu Lanxin also have an accident?

That Shenjizong is really a nightmare!

But just as the elders were talking with Yu Zhenzi, there was a tumult in the square of Shenjizong!

Almost the entire sect's disciples were surrounded here.

In the center of the crowd, there are five women and a young man with a smile.

These five women are Sun Yi, Fen Ying, Lin Yaqin, Chu Ying, and Yin Ming!

As for Zi Ning and Xia Ruoxue, three months ago, for some reason, they left directly.

It seems to be looking for something!
