Chapter 2681: dignity! betray!

These five women are also the five most beautiful women in Shenjizong now!

By a group of disciples, they were called Shenji Five Fairies!

The cultivation of the five women also broke out!

Sun Yi has the red veins!

Fen Ying has blood of the ancient gods in her body!

Lin Yaqin's innate murderous aura completely evolved to kill the **** body! This slaying **** body is also an extremely high-level law body, completely not under the life and death body, and its cultivation level has also been promoted to the late stage of the Evil Slayer!

But at this moment, all of Chu Ying's five faces were frosty, and their eyes were glaring at the round-faced man in front of them!

And that man is surprisingly the handyman disciple Qin Yuming who once followed Ye Chen!

What is strange is that now, all the disciples look at Qin Yuming, but they are faintly awed!

It's like the look in Ye Chen's eyes!

The vision changed the fate of everyone in the Kingdom of God!

It also changed the Thunder Soul Qin Yuming, who was once the first person in the true biography of Shenjizong!

At the beginning, Ye Chen rescued two people from Qihan Jiao Han Jiuxi.

Wind Lingsu and Thunder Soul Qin Yuming!

Qin Yuming has also become Ye Chen's supporter!

But he has ambitions, once, he has always been the number one true biography!

And Ye Chen's appearance deprived him of all honor.

He thought that he could not surpass Ye Chen for this life, so he also supported Ye Chen.

At least it's good to be a vassal of the strong.

But the appearance of the vision changed everything about him!

At this moment, the weakness of human nature is completely revealed!

J!

Chu Ying said coldly to Qin Yuming: "Qin Yuming, what do you want to do?"

"What are you doing?" Qin Yuming's smile became more intense, and he pretended to say innocently: "Miss Chu, don't say it so badly. I just want to invite the five of you to have a drink together. Why are you so angry?"

Chu Ying also said coldly: "Drinking? We refuse!"

"Don't be so unfeeling?" Qin Yuming raised his eyebrows, "I am now, anyway, the first genius of Shenjizong. In front of so many disciples, rejecting me, isn't it good?"

At this moment, Qin Yuming, who was standing in front of Chu Ying and others, had already reached the level of chaos realm!

Yuexian Yuhuan, although it is a great opportunity for everyone to improve their strength!

However, everyone is different for the original strength, adaptability, and absorption speed of the Kingdom of God!

Qin Yuming is undoubtedly placed in the entire kingdom of God, and belongs to the existence of the power of origin and is extremely friendly!

In the absence of Ye Chen, he is the first genius of the Shenjizong who deserves it!

And, not only that!

If you look closely, you can find that in the depths of Qin Yuming's eyes, a green rune that is constantly changing is faintly flashing!

What is that rune?

That is the sign of the owner of the ancient **** body!

Qin Yuming is the only ultimate evildoer of the Divine Extreme Sect who has awakened the ancient divine body! Since he awakened the ancient divine body, his position in the sect was unbeatable!

After Yin Ming was silent for a moment, he said: "Qin Yuming, don't you like a mentor of the sect? Are you worthy of her for doing this kind of thing?"

When Qin Yuming heard this, he laughed loudly and said, "Hehe, is it normal for a good man to be surrounded by many women? Huh? Brother Ye, isn't that true?"

Why is my Qin Yuming not working?

Besides, now, is my identity comparable to before? That old woman is worthy of me now? Only a woman like you, known as the five gods of the gods, can match my ancient god-body genius. "

"Qin Yuming!" Sun Yi screamed, "We are Ye Chen's woman! Ye Chen, what did you do to you? He saved you! Because of Ye Chen, how much benefit did you get?"

Now, you actually said such a thing? Do you know what you are doing! If Ye Chen comes back, he will never let you go! "

"Moreover, with Ye Chen, you will never be qualified to call yourself the number one genius of the Divine Extreme Sect!"

"You are not worthy of being compared with Ye Chen at all!"

In the square, fell into a dead silence!

All the disciples looked at Sun Yi and other daughters in disbelief!

The current Qin Yuming is not the same as before!

Sun Yi and others dare to talk to Qin Yuming like this?

Do you want to die?

To know! Ever since Qin Yuming awakened the ancient divine body, his cultivation base skyrocketed, and his strong rise, what he hated most was that others mentioned Ye Chen in front of him!

Now, Sun Yi not only mentioned it, but also directly said that Qin Yuming was not worthy of being compared with Ye Chen?

This is touching Qin Yuming's inverse scale!

Qin Yuming, can you not get angry?

Since he has the strongest strength, he will never be like Han Jiuxi before, even if he is insulted, he will still endure it!

On the contrary, as if to wash away the humiliation of the past, the current Qin Yuming is extremely domineering and extremely cruel!

In the past two days, in order to prove his strength, he has severely injured all the disciples in the sect who once supported Ye Chen!

Sun Yi and other daughters are going to be miserable!

Sure enough, after Sun Yi finished speaking, Qin Yuming's face instantly became gloomy. In his eyes, thick anger was surging crazily, and the whole body became extremely cold!

He stared at Sun Yi firmly with a sneer: "You said, this son is not worthy of being compared with Ye Chen?"

He suddenly laughed loudly at the surrounding disciples: "You guys, have you seen Ye Chen in the past three months?"

Everyone looked at each other and all replied: "No!"

Qin Yuming turned his head and looked at Sun Yi again: "Have you heard, no! Can you tell me why your Ye Chen has not shown up for three months?"

A touch of playfulness suddenly appeared on his face, and he said with disdain: "It's not that in these three months, the progress is too small, and he is scared by this young man's talent, so he hides?"

You can persuade Ye Chen to let him come out earlier. It's not as shameful as this son, is it? "

"Furthermore, this young man thinks that he has saved me in the past, so he can be with him!"

In Lin Yaqin's beautiful eyes, killing intent flashed: "Hide? Qin Yuming, do you value yourself too much? Ye Chen is just practicing in retreat and can't show up for the time being!"

"Closed-door practice?"

On Qin Yuming's face, a thick sneer appeared, saying: "A few days ago, the real disciple of the second-class Lei Guangmen, the evildoer Pei Yong, came to worship the mountain and took the genius who was originally known as the second-ranked genius of Shenjizong. , Crushed with one move, stepped on the foot, the dignity of the entire Divine Extreme Sect will be crushed by others, this young master is still in retreat?"

"If it weren't for this young man to shoot! Directly kill that Pei Yong in seconds, I am afraid that the Divine Extreme Sect will give this Thunder Light Gate, break the mountain gate, and directly annex it? Ye Gongzi, how about people?"

When the onlookers heard this, their eyes flickered, and many people's faces flashed with dissatisfaction and sadness.

It was precisely because of this incident that Ye Chen's reputation in the clan declined rapidly!

And many people were impressed by Qin Yuming's terrifying power!

Chapter 2682: Why should I explain to you?

As a result, many disciples of Shenjizong became supporters of Qin Yuming!

When everyone heard Qin Yuming's words, they couldn't help shouting.

"Ye Chen, the pride of the Divine Extreme Sect? Ha ha, the pride of not seeing a figure?"

"I think the progress is too small. I'm sorry to meet people, right?"

"Ye Chen now is no different from dead!"

The five women frowned slightly when they heard this. They didn't know why Ye Chen didn't come back after three months?

Chu Ying said lightly: "Qin Yuming, we are not interested in drinking with you."

Having said that, the five girls turned around and left without any intention of staying any longer.

But at this moment, a strong breath rose into the sky. Under the suppression of this breath, the bodies of Chu Ying's five daughters instantly stiffened. They suddenly turned around and stared at Qin Yuming!

At this time, Qin Yuming's chaotic aura surged, and green light was shining in his eyes. He walked towards Chu Ying and the others step by step, and said with a cold expression: "My son said that he refused in front of so many people. I am not so good. Today, if you are willing to accompany me to drink, you have to accompany, but if you are not willing to accompany me to drink, you have to accompany!"

Feeling the horrible aura that was like a storm that swept across the entire Divine Extreme Sect, everyone's expressions changed wildly, Qin Yuming, only with the aura, let everyone have a kind of life, in the storm of this aura, It feels like a faint candlelight that will extinguish at any time!

This is the pressure Ye Chen didn't make them feel!

At this time, Qin Yuming's strength already surpassed Ye Chen!

"Red Chen Divine Veins, open!" Sun Yi burst into light all over her body! Shrouded the other women.

"Kill the Divine Body!" Lin Yaqin also screamed, with a strong murderous aura, exuding. After awakening the Divine Body, she was able to completely control the innate murderous aura in her body!

Sun Yi protects everyone, then she has to act directly!

In Lin Yaqin's beautiful eyes, a blood-red color appeared, her black hair turned into crimson, no wind, a river of blood, appeared out of thin air, lingering around her body, murderously rolling, it was an instant, she entered the original and Ye Chen When fighting, unlock the state of killing **** seal!

Moreover, the divine light flashed in his eyes, and his mind was not affected by murderous aura at all!

Lin Yaqin danced with a long sword in her hand, and the river of blood, inspired by the intent of the sword, rose into the sky and turned into a blood-colored dragon, roaring and leaping towards Qin Yuming!

In Chu Ying's eyes, the seven-color brilliance flickered, and also used the power of the life and death body, slashed out with one sword, and attacked the point of destruction!

And Yin Ming had a pair of daggers in his hands, and her figure flickered, she was melted into the shadow under her feet, flickering rapidly in the void, countless black shadows exuding solemn yin air rushed towards Qin Yuming. , This is the ability of the body without secluded body! Take a shadow!

Although the remaining two girls did not awaken a special magic body, their own martial arts talents are extremely high, and their strength is naturally not weak. They are expressionless, and their sword intent is surging. They cut out with a sword, and the sword light is surging. The sky is full of stars, fallen into the world!

When everyone saw this, they were stunned!

The five girls, in an instant, burst out with terrifying strength!

Such strength has surpassed most of the warriors of Shenjizong!

but!

Qin Yuming's disdainful color on his face is even more intense!

With his breath, he moved towards Lin Yaqin and others, suppressing it!

In an instant, the blood dragon, sword light, shadow, etc., seemingly infinite attacks, dissipated in the air like smoke...

too scary!

Their attack didn't last for even one breath, right? Is it so broken?

Besides, Qin Yuming didn't even raise his hand!

Just use the breath, it is completely crushed!

The five daughters of Lin Yaqin's skills were broken, and she herself was backlashed. She stepped back one after another, with a trace of blood overflowing from the corners of her mouth!

They also looked at Qin Yuming in shock!

Qin Yuming is very strong, he and others are not opponents at all, they know it.

just! Unexpectedly, the gap is so big!

Completely, every day!

Qin Yuming said to the five daughters blankly, "My son's patience is limited."

At this moment, the great formation of Shenjizong's body, suddenly a wave of fluctuations, opened a channel by itself!

Everyone, including Qin Yuming, looked surprised at the opening of the big formation!

Shenjizong's large formation has been completely closed. Now, only two people can enter and exit freely!

One is Tu Lanxin.

And the other person is Ye Chen!

Could it be that Ye Chen is back?

At the moment the passage opened, a figure fell on the square!

At the same time, the man's indifferent voice echoed in everyone's ears.

"Qin Yuming, what are you doing?"

Above the square, fell into a dead silence!

A part of the disciples looked at Ye Chen with great excitement, while the other part was full of contempt and sarcasm!

Ye Chen, are back!

It's really back!

Tu Lanxin and Luo Shishi did not follow him Because Ye Chen killed Kong Xian this time, the status of the seventh kingdom of God was recognized by the major kingdoms. After they left the secret realm of the source of God, they were invited. Went to participate in a meeting of the Kingdom of God.

When Qin Yuming saw Ye Chen's complexion instantly changed, he couldn't help but stepped back for a while, a look of fear appeared in his eyes, but he soon calmed down!

why?

Because he found that Ye Chen's cultivation base was nothing but the third level of Heaven!

After three months of retreat, it was just the third layer of heaven?

Qin Yuming smiled and smiled disdainfully. Is this a so-called genius?

He knew that if Ye Chen could leapfrog one another, his realm did not mean everything!

but!

After Qin Yuming truly stepped into the Chaos Realm, he could feel that there was a huge gap between the Chaos Realm and the Non-Chaos Realm!

Moreover, he, Qin Yuming, is the ultimate evildoer with an ancient divine body!

Now, in the entire kingdom of God, they are all top existences!

This, of course, is not only because of his cultivation speed, but also because of the horror of the ancient gods!

Qin Yuming now has the confidence to fight against a warrior in the second-tier heaven of the Chaos Realm!

How could he be defeated by a slasher?

What a joke!

Qin Yuming stared at Ye Chen, with a sneer expression on his face: "Oh? Ye Gongzi, you haven't seen you for three months, you have finally left the customs? Not bad? The cultivation base has been promoted to the third level of Zhan'er? This time. , Where did you go to retreat?"

When all the disciples heard this, they all made a burst of laughter!

"Zhan'er Third Floor? Haha, the improvement is really big."

"Why, can't hide? It will take another year and a half to break through the chaos and come back?"

"Devil? Laughing to death."

Ye Chen still looked faintly and said: "I have been working for Ye Chen all my life, why should I explain to you?"

Chapter 2683: I understand old man

Above the square, there was another silence!

Quiet, as if in the deep sea!

In the next moment, some disciples burst into laughter!

Ye Chen, can't you see Qin Yuming's strength?

This is not seeking death, what is seeking death!

Qin Yuming's eyes became more smiling and said: "Although you saved me, don't you know, I have never been able to understand how crazy you are. Do you think you can keep going crazy? You are just blind and can't see clearly. The gap between you and me is nothing!"

At the corner of Ye Chen's mouth, a smile appeared: "I might, I really got it wrong."

After hearing the words, everyone was taken aback.

Many of the Divine Extreme Sect disciples who had originally looked at Ye Chen excitedly, with expectations in their eyes, couldn't help but shook their heads with disappointment.

In their minds, the demon **** who stood tall and never bowed his head, finally, did not exist?

Qin Yuming's face showed a hint of satisfaction.

But at this moment, Ye Chen spoke again.

"Unexpectedly, I, Ye Chen, sometimes missed my eyes..."

"In the beginning, I shouldn't have saved you."

"Before, why didn't I find out, Qin Yuming, you are such a brute?"

silence.....

As if the pure silence before the birth of the universe...

A group of martial artists looked at Ye Chen, shocked, and even forgot to breathe...

Ye Chen actually insulted Qin Yuming directly?

Qin Yuming, who has awakened the ancient divine body and cultivated into Chaos Realm?

"You! Say! What! What!" Qin Yuming's eyes were bloodshot, his blue veins jumped, his expression was terrifying!

He is now, but the ancient **** body genius, the chaos realm powerhouse, the first evildoer of the gods!

He is not the vassal who used to follow Ye Chen now!

He should be an existence that is sought after by thousands of people and respected infinitely!

Ye Chen dared to do this!

He has been very jealous of Ye Chen, and finally turned over, but Ye Chen treated himself as before!

"Oh?" Ye Chen had a playful look on his face, "Dog, you really can't change eating shit, do you want to hear it again? It seems that you are really guilty? Have you forgotten the scene of being tortured by Han Jiuxi??"

Qin Yuming heard this, instantly furious, unable to bear it anymore, roaring like an out of control beast, in his eyes, killing intent flashed, countless green runes, surging deep in his pupils, the breath of God and Heaven, Erupting in all directions like a tsunami!

Among the disciples of the God-level sect, many people were actually shocked by the leaked breath, vomiting blood and seriously injured!

Qin Yuming flipped his wrist and grasped a half-step sword. At the same time, an ancient aura spread from his body to the blade that flickered with cold light!

For a while, Qin Yuming seemed to blend with the long sword in his hand!

The sky-shaking sword intent, whistling and galloping, this world seems to have melted into the cold light of the long sword in Qin Yuming's hand!

The spirits of everyone felt a chill!

As if being penetrated by sword intent!

What a sword intent!

Qin Yuming stared at Ye Chen and said with anger and ambitiousness in his eyes: "Ye Chen! Today, this son will let you see the horror of the ancient divine body, the body of the sword! I will let you regret every word that I have said to me! "

"The Gods Meteorite Sword!"

In the next moment, Qin Yuming suddenly released his sword!

A very fast sword!

Just like lightning, with almost no time interval, he arrived in front of Ye Chen!

The ultimate streamer, pouring out, in an instant, the law of martial arts, trembling for it, endless void, vanishing!

Just as the gods punish the world, the sky is dying before our eyes!

The entire sacred mountain where the god-level sect is located, because of this sword, tends to collapse!

The guardian god-level sect, after a large array of protective bodies reinforced by countless treasured materials, all under that terrifying sword intent, began to shatter!

Countless white sword lights formed the world of death and swallowed Ye Chen completely!

Chu Ying and the others, at this time, the pretty face was already pale and bloodless, and the beautiful eyes were filled with incomparable worry!

Qin Yuming's sword is extremely strong!

In fact, the entire kingdom of God can be penetrated by his sword!

Many Shenjizong disciples already sneered, looking at Ye Chen as if they were looking at a dead person.

Even those disciples who supported Ye Chen couldn't help showing sadness. They didn't think that Ye Chen had the ability to resist this sword that exceeded the limit of thinking!

At this moment, Ye Chen moved.

The Qinglian Sky Destruction Sword appeared in his hands at some unknown time.

He randomly cut out a sword.

Even the sword intent was not used, just a simple sword.

Although simple, it does not mean that this sword is not strong!

That, but contains Ye Chen, that powerful sword beyond imagination!

The space seems to be unable to bear the weight of Ye Chen's sword, and is compressed!

This random sword madly stirred the air around the entire sacred mountain!

A huge storm of swords spread outward from the square of this god-level sect, and even the fog of the protective body could not resist the force of the violent wind, and it continued to rotate along with the hurricane!

A group of disciples, even if they are full of spiritual power and try their best, they can only barely maintain their shape and prevent themselves from being lifted by the wind. Basically, they can't even stand still!

Swords and swords!

The sword light that seemed to penetrate the kingdom of God was like a pile of powder. In an instant, it shattered...

Not only that, boundless tremendous power rushed out wildly, and the half-step sword in Qin Yuming's hand was broken with a click!

This is a half-step weapon!

Unspeakably tough, it is a treasure of the same rank as the Zhenzong sword Xuanyuan Divine Sword of the God-level Sect!

Unexpectedly, Ye Chen cut it off with such a casual sword!

Qin Yuming's complexion at this time was completely pale, where was he still half haughty and angry?

There is only deep fear and regret!

"Puff!" Qin Yuming vomited blood, his figure flew upside down, extremely fast, like a cannonball out of the chamber!

With a loud bang, the mountain shook like a magnitude ten earthquake!

Even the great formation of protecting the mountains was almost to be crushed by Qin Yuming!

Qin Yuming's body slowly slipped from the fog barrier, leaving behind a blood stain. This collision, and the terrifying force that Ye Chen blasted into his body, was because he possessed an ancient divine body inspired by the power of the source. The physique has been greatly enhanced, and it is simply unbearable!

At this time, Qin Yuming's bones, meridians, and flesh and blood were all shattered into a mess, barely leaving a life, dying, severely wounded and dying.

It was exactly the same as the original scene of Qihan Jiao Han Jiuxi hurting him.

But this time, Ye Chen won't be saving.

Ye Chen looked at Qin Yuming who was vomiting blood, and a complex color flashed in his eyes: "I finally understand the old man's mood."

"Saved someone, but hurt myself."

"Humans are the most complicated existence in this world."

"However, I, Ye Chen, hate betrayal the most."

In the next second, the Qinglian Slayer Sword flew out!

Then fell from the sky!

A blood mist appeared.

That was death and Ye Chen's once goodness!

Chapter 2684: 9 the power of the Dragon Palace

Qin Yuming's death still shakes Ye Chen's mood.

Lao Cang saved a man back then, but it caused the fall of countless strong people in the kingdom of God.

This is the heart of the old man's whole life.

However, Ye Chen would never allow him to become his heart tribulation.

"let's go."

After that, Ye Chen took the five daughters and disappeared in a flash.

Only a group of disciples of the Divine Supreme Sect who have been completely stiffened, like an ice sculpture, are filled with chill, their souls are floating, and their brains are blank, shocked to the indescribable...

That Qin Yuming, who has an ancient divine body, rises rapidly, and is regarded as a **** by them...

Just, so defeated?

Was severely wounded by Ye Chen, a sword that was used at random and a sword skill that was useless?

Then erase!

How did Ye Chen cultivate in these three months?

If Ye Chen is a Shenlong, compared to the speed of Ye Chen's strength growth, which one is proud of the growth speed, the so-called ancient divine body genius, is it not even an earthworm?

Inside the Shenjizong hall, a figure flashed and appeared at the door.

At this time, Yu Zhenzi and a group of elders of the gods were already waiting here with a smile on their faces.

They have just heard that Ye Chen is back!

Moreover, as soon as he came back, he defeated Qin Yuming with a sword!

That's Qin Yuming, an ancient **** body genius!

The strength is no longer what it used to be!

Of course, if Ye Chen doesn't come back in time, Yu Zhenzi will also come forward!

After all, the women were brought by Ye Chen. As a master, he would naturally protect them!

But for the sake of the sect, Yu Zhenzi was not a last resort, and absolutely could not attack the only ancient divine body of Shenjizong!

During this period of time, although Qin Yuming had always claimed to be the number one genius of the Shenji Sect, Yu Zhenzi and others were helpless.

It's not that I don't want to control it, I can't control it!

If the Shenji Sect does not have Ye Chen, Qin Yuming is needed!

The ancient **** body, in this era, is so terrifying!

Originally, they were also worried about whether Ye Chen missed this opportunity to improve his strength, and whether he would be opened up by others...

It seems that it is completely unfounded worry!

Ye Chen, no matter what era or place, is a very shining existence!

Even the enchanting Qin Yuming who possessed the ancient divine body was defeated by Ye Chen at will. It can be seen that Ye Chen's strength has gone against the sky!

The crisis of the original Shenjizong can be said to be lifted instantly!

How can they not laugh?

Ye Chen smiled and said, "Master, elders, the disciples are late."

Yu Zhenzi smiled and said, "It's good to come back, it's good to come back!"

Ye Chen suddenly thought of Ji Lin, and said, "Master, what about the child that Fairy Tu asked you to take care of?"

Only then did Yu Zhenzi say: "That girl has a weird temper. I wanted to bring her to Shenjizong. Even if I handed over the token, she was not willing to return."

"Before, I personally protected, but then too many things happened to the sect, so I can only come back."

"But before I came back, I set up a formation for that girl. It's not that the chaotic powerhouse can't break the formation, and there are also the elders of the Shenjizong staring in the dark. You can rest assured."

"Not long ago, the elder heard news that this girl is in retreat."

"The one who retreats with her is the hanging spirit child of Canggu Sect."

Ye Chen nodded.

Yu Zhenzi is at ease doing things.

Although he expected Yu Zhenzi to protect him personally, after all, Yu Zhenzi had to control the entire Shenji Sect, so naturally he could not take care of Ji Lin with all his strength.

At the moment, Ji Lin's retreat should be related to the poison monument.

Even if I look for it now, it is impossible to see Ji Lin.

Just wait for Ji Lin's retreat to end.

I don't know how powerful Ji Lin can be with the poison monument.

Afterwards, Ye Chen walked towards a palace.

There was Ye Lingtian who was sleeping in a coma.

When Ye Chen opened the door, he felt countless wild auras surge.

It's horrible.

And Ye Lingtian was already lying quietly on the bed, eyes closed, and a light blue radiance surrounded him.

There are many ancient runes floating above the glory!

Ye Chen's eyes condensed, this is a bit like Qin Yuming's ancient **** body.

But the breath is far beyond the ancient gods.

Ye Chen closed his eyes and sensed everything around him. He unexpectedly discovered that countless heaven and earth auras flowed into Ye Lingtian's body!

"What exactly did Ye Lingtian's ancestor give him?"

Before Ye Chen's words fell, an old figure appeared around Ye Chen.

Naturally Yu Mako.

Yu Zhenzi put his hands behind him, looked at Ye Lingtian, and muttered: "Tui'er, this friend you brought is very special."

"You also found the weird flow of spiritual energy in the sky above Shenjizong."

"I thought that Ye Lingtian was going to awaken the ancient divine body, but he was in a coma for so long, it was not scientific at all."

"I checked some ancient books during this period, and I feel that this person's condition is a bit like someone from the ancient Ye family..."

"You don't know much about the Ye Family. Its ruins are in the First Kingdom of God. At the beginning, there was a supreme power in the Kingdom of God, known as the Lord of Reincarnation, to..."

Ye Chen opened his mouth and said, "Master I know all these things, Fairy Tu told me."

Yu Zhenzi suddenly nodded: "At the moment, I have to wait. I always feel that after this person wakes up, he is absolutely extraordinary."

"By the way, the half-year appointment hasn't been long, don't relax, the lord of the Dragon Palace, it's not as simple as you thought..."

Ye Chen's eyes flashed with killing intent: "Master, don't worry, no matter how strong he is, I will let him understand what the word Ye Chen means for me!"

...

At the same time, in the Mystic Realm of God Source, a place near the Nine Heavens Shenlong Temple is extremely aura, with lush forests and hugeness. It stretches across thousands of miles of overseas islands. From time to time, you can see dragons and dragons. The waves of the sea surrounding the island flashed across the mountains and forests on that island.

The entire island is filled with a strong dragon atmosphere!

And in the center of the island, there are countless imposing buildings and a huge dragon statue carved from a large piece of extremely high-grade spar, shining with dazzling aura!

Here is the first-class sect of the Kingdom of God, where the Zhenlong Palace is located!

The appearance of the Zhenlong Temple in the history of the Kingdom of God originated from the Nine Heavens Shenlong Temple.

According to legend, a strong man stepped out of the Nine Heavens Shenlong Palace and built a first-class sect in ten years with supreme resources!

But the legend is a legend after all, and the true and false cannot be studied.

This sect has experienced ups and downs in the endless years, but has never made it into the ranks of the first-class sect!

Originally, Zhenlong Palace belonged to a first-class power, and its status was extremely respected in the kingdom of God, but at this time, there was a crowd of black and heavy people, from the sky toward the island where Zhenlong Palace was located!

In the blink of an eye, the crowd, before reaching the island, surrounded the entire island!

This was a scene before, but I couldn't imagine it at all!

Chapter 2685: All defeated?

Who dares to be so presumptuous before Zhenlong Temple?

Among this group of people, standing at the forefront was a young man with long hair, a cold complexion, golden eyes, and a dense array of strange tattoos on his skin!

This man was wearing a black robe, and looking at the style, it was very different from the things worn by people of the kingdom of God.

And his whole body exudes a very strong killing intent!

This person is surprisingly a awakened ancient powerhouse!

However, compared with the one Ye Chen had seen before, his aura was a little worse!

At this moment, he was looking down at the Zhenlong Temple on the island, a cold light flashed in his golden eyes, his face was full of cold!

Behind this man, followed by a middle-aged man with a very respectful look. This man's cultivation is not weak, and between his gestures, he faintly reveals the unique power of the superior, but now, he is slightly bent, like a servant Standing behind the ancients.

If there are people from other gods here, it is certainly not difficult to recognize that this person is the head of the second-class sect Taizhen, Wang Shaohua.

Wang Shaohua said to the young man, "Senior Bu, this is where the Zhenlong Temple is located. Are we doing it now?"

As he spoke, there was a glimmer of joy in his eyes!

The young man in front of him, named Bu Yan, is an ancient powerhouse!

Even if Bu Yan is an ordinary existence among the many ancient powerhouses awakening now!

But it cannot be ignored.

The reason why Bu Yan came to Taizhenmen and led Taizhenmen to Zhenlong Palace was because the predecessor of Taizhenmen was Taijimen in ancient times, and Taijimen was precisely because of Zhenlongdian. And the decline, and even the Zongmen Taoism, has lost most of it, and it has been passed down to this day, and it has become the current second-class power too true!

Bu Yan came this time to get revenge!

Wang Shaohua, how can you not be happy?

Bu Yan, now in name, is considered to be a person of the Taizhen Sect, and if the Zhenlong Palace is destroyed, its martial arts resources, etc., have not been taken over by the Taizhen Sect?

From then on, Taizhen Sect will become one of the first-class forces in the Kingdom of God!

Na Bu Yan didn't speak, just raised his hand with a faint expression, and blasted a fist to the transparent light curtain outside the island!

At this moment, the four brilliances rose from the Zhenlong Palace, and a loud shout echoed over the Zhenlong Palace!

"Where did the thief come from, dare to attack my Dragon Palace?"

"act recklessly!"

"Get out of here!"

Those four brilliances converged, and four chaotic realm first- and second-tier heavenly warriors from Zhenlong Hall appeared in the air!

The four warriors originally carried contempt and cold murderous aura on their faces, but when they saw Bu Yan, they turned white!

The next moment, the whole body is surging with spiritual power, and it will be poured into the great formation of protecting the island! The transparent light curtain instantly solidified hundreds of times.

But Bu Yan smiled coldly from time to time, still banging his punch!

There was a loud bang, and the entire island was shaking violently, and the land fell apart!

In that seemingly solid light curtain, countless cracks appeared in an instant!

The four Chaos Warriors also vomited blood!

...

At this time, in the Zhenlong Hall, in a secret room, there are nine statues of dragons. On the statues, there is an unimaginable majestic dragon spirit, and it is filled with a figure sitting in the center of the secret room!

And the person sitting in the secret room was the lord of Zhenlong Palace, Bai Yuhuang!

At this time, Bai Yuhuang's eyes were slightly closed, and purple dragon scales appeared from time to time all over his body, which was extremely strange!

And outside the secret room, there are a few disciples who are looking anxious on the front, pacing back and forth!

These few disciples not only exuded a powerful aura, but also faintly flashing green runes in their eyes. They were all geniuses with ancient gods!

A fair-faced and somewhat feminine man couldn't help but ask another tall man: "Brother Zhao, Master, when is he going to retreat?"

Another short, fat young man also opened his mouth and said: "Yes! Even if the four ancient warriors bless, our island guardian formation will not last long!"

Thinking of the horrible punch of that ancient person, several people couldn't help shaking slightly.

Just as a few people were talking, the whole island shook for a while, and at the same time, the shrill sound of shattering echoed in everyone's ears!

The complexions of several Zhenlongdian geniuses changed!

The guard island formation is broken!

It broke so soon!

Senior Brother Zhao looked horrified, but he quickly calmed down and gritted his teeth and said: "Go! Let's stop the man too, we must hold it until the master exits!"

Several people nodded and were about to turn around, but the door behind them suddenly opened...

A figure slowly walked out of the secret room.

The three of them were taken aback for a moment, and then they all showed ecstasy and shouted at the man: "Master!"

With a cold smile on Bai Yuhuang's face, he appeared in front of the three of them, exuding an extremely terrifying aura.

The most eye-catching thing is that in Bai Yuhuang's eyes, emerald runes are constantly flashing and the light is extremely condensed, far from the other disciples!

Bai Yuhuang has also awakened the ancient divine body! It seems that it is still a very strong ancient **** body!

No wonder, these ancient gods and geniuses are so looking forward to Bai Yuhuang's exit!

"Huh? The guard island formation was broken?"

Bai Yuhuang raised his eyebrows and sensed the situation in the clan. The cold smile instantly turned into murderous intent!

With a flash of his figure, he appeared above the Zhenlong Palace.

At this moment, Bu Yan was holding a chaotic warrior covered in blood, one of the ancient powerhouses outside Zhenlong Hall!

At his feet, there were three other people lying!

These terrifying powerhouses were actually vulnerable to Bu Yan!

How long has it passed since the great formation was broken? A few breathing times, right?

These four people were all defeated by Bu Yan?

This strength is too shocking!

However, what is surprising is that Bai Yuhuang looked at Bu Yan lightly, and at the corner of his mouth, a sneer of disdain appeared: "Oh? Chaos realm fourth-tier heaven?"

Bu Yan left the body of the warrior casually, staring at Bai Yuhuang, and asked coldly: "You, are you the lord of Zhenlong Hall?"

"Yes, so what?"

His expression was indifferent, as if he didn't look at Bu Yan, who killed the four powerhouses in an instant, the fourth layer of the Chaos Realm!

"Then, you can go to death!"

Bu Yan stared at Bai Yuhuang steadily, as if he had seen the suppression of Taiji Sect by Zhenlong Temple, the disciples of Zhenlong Palace, and the bullying of Taiji Sect disciples thousands of years ago! In his eyes, anger was raging, and he was full of killing intent, rising to the sky!

"Master!"

The three ancient god-body geniuses of Zhenlong Temple appeared behind Bai Yuhuang, their eyes swept over those ancient powerhouses who were covered in blood and knew nothing about life and death, their eyes were full of horror!

Chapter 2686: Right to refuse

The soul is trembling!

At this time, these few ancient god-body geniuses who had grown by leaps and bounds since Yuexian Yuhuan were extremely proud of the ancient gods. The moment they felt Bu Yan's killing intent, their bodies were stiff, their pupils trembled crazily, their blood was cold, and their breathing was frightened. Up!

Even if I move, I dare not move!

Even, they couldn't help falling into despair!

Bai Yuhuang is indeed very strong, far surpassing a few of them, but facing this, he is almost like a god, unmatched Bu Yan, I am afraid, there is only one ending, right?

Could it be that Zhenlong Palace is going to be destroyed like this?

Could it be that they have just awakened the ancient gods, and before they can really shine, they are about to die! ! ?

At this moment, Bu Yan made a move!

In his hand, there is an extra long sword, the whole body is pitch black, the long sword that is inscribed with blood-colored runes, exudes the breath of ancient times!

He snorted, his whole body condensed and surging crazily, the heaven and earth aura around the island seemed to have turned into a funnel, behind Bu Yan, a seven-color vortex was condensed!

"Yin and Yang Slashing Thorns Sword!"

The black and white rays of light, above the sword's edge, shone to the extreme, with a strong sword intent, covering the entire sea!

The dragons that wandered in the waves and shuttled through the mountains and forests suddenly appeared with blood and wounds, tearing the hard dragon scales!

These powerful dragons were only affected by the hint of sword intent that Bu Yan leaked, and they were seriously injured and dying!

This sword is a real ancient martial skill!

Moreover, Bu Yan had clearly cultivated him to a good level!

If he hadn't condensed all the sword light on the blade, the only ray of sword light leaked by this sword would be enough to smash this huge island of tens of thousands of miles into pieces, right?

Bu Yan's figure flickered, and this black and white glossy surface was lingering, a powerful sword exuding yin and yang, instantly, it reached the top of Bai Yuhuang's head!

On his face, a thick bloodthirsty color appeared. With this sword, he had already exerted his full strength and went down with a single sword. The lord of the Dragon Palace in this town, I am afraid, even the scum is left?

But at this time, facing this strong sword, Bai Yuhuang stared into Bu Yan's eyes, with a smile on the corner of his mouth.

A slight smile of contempt.

Bai Yuhuang didn't even move, only a magnificent breath radiated from him!

"The power of the ancestors, the soul of Zhenzong, should also be opened."

For an instant, time and space seemed to be still!

Countless dragon shadows flicker in the entire island!

Converged on Bai Yuhuang's body!

Bai Yuhuang's momentum has risen!

Bu Yan, who was still grinning sneer, had to cut the sword in his hand into the Bai Yuhuang face, but his whole body was instantly stiff!

The killing intent and anger in the eyes dissipated in an instant, and what was left was the extreme fear and shock!

"The breath of the Nine Heavens Dragon Palace, who are you!"

In ancient times, in the kingdom of God, there is a place that cannot be ignored!

That is the Nine Heavens Dragon Palace!

The mystery of the Nine Heavens Dragon Palace is far beyond his reach!

But how could the Lord of the Dragon Palace in this town have such power!

Bu Yan screamed in terror, that sword actually stopped his life, and ran in the opposite direction desperately!

He, from ancient times, has a deep understanding of the horror of the Nine Heavens Dragon Palace!

Although he temporarily regained the power of the Chaos Fourth Layer, compared with the real Nine Heavens God Dragon Palace powerhouse, he couldn't even count as a fart!

He just wants to escape now! Get away! Never appear in front of Bai Yuhuang again!

But can you escape?

Bai Yuhuang laughed tauntingly, and slowly raised his hand. Suddenly, purple scales appeared on his skin.

The current Bai Yuhuang is very similar to Hua Jingtao at the Shengguang ceremony!

but!

If you talk about the richness of the true dragon's aura, it's a huge difference!

Bai Yuhuang's true dragon spirit is tens of thousands of times that of Hua Jingtao!

Tianlong bloodlines are also ranked!

The blood body awakened by Bai Yuhuang was called the Bauhinia Holy Dragon Body in ancient times!

The Bauhinia Sacred Dragon is far from what an ordinary Tianlong can compare!

Even among the dragon clan, they are like royal existence!

The Bauhinia Sacred Dragon Body, among the ancient divine bodies, were extremely shocking divine bodies!

Bai Yuhuang stretched out a finger and flashed at the figure a few times. It turned into a small black shadow, and Bu Yan, who was about to disappear at the end of the sky, was a little far away!

A purple light flashed from his fingertips!

The next moment, a scream sounded in the sky, and the little black shadow burst and dissipated.

The ancient powerhouse Bu Yan, who was in the fourth-tier heaven of the Chaos Realm, died!

"Yes, worthy of the power of the Nine Heavens Dragon Palace."

Bai Yuhuang's smile grew stronger.

If it were not for the moon ring vision of the Kingdom of God, the power under Zhenlong Palace would never be able to recover!

Heaven wants Zhenlong Temple to become the ultimate existence of the Seventh God Kingdom first-class forces.

There was a dead silence over Zhenlong Hall...

Whether it is a disciple of the Zhenlong Temple or the Taizhen Sect, they are all stupid, looking at Bai Yuhuang with a sneer!

What happened just now?

In their minds that is almost a god, almost unmatched Bu Yan, just died?

That's it, Bai Yuhuang just pointed and killed him?

Moreover, they heard very clearly what Bu Yan said before his death!

Nine Heavens Dragon Palace?

Bai Yuhuang, now turned out to be a powerhouse of the Nine Heavens Dragon Palace! ?

What is the Nine Heavens Dragon Palace?

That is the taboo of the dragon race in the world!

Control the supreme resources and power!

Today's Kingdom of God is no longer what it used to be. In the past three months, the strength of the warriors of the Kingdom of God has exploded, but even so!

Until now, there hasn't been a warrior associated with the bloodline of the Nine Heavens Dragon Palace, right?

The Nine Heavens Dragon Palace is still a legend!

But now, a living legend appeared before their eyes!

How can it not be shocked?

Bai Yuhuang is no longer the former Bai Yuhuang!

You can even step on the Shenjizong casually, right?

Wang Shaohua's body was like sifting chaff, trembling frantically, almost fainting!

He suddenly rushed in front of Bai Yuhuang, knelt on the ground, and kept kowtowing: "Hall Lord Bai! Listen to my explanation, we are too true, and it has nothing to do with this matter! It's all that Bo Yan, forcing me Wait!"

Bai Yuhuang looked at Wang Shaohua playfully, and said with a faint smile: "From today, the Taizhen Sect will merge into my Zhenlong Palace!"

Wang Shaohua was taken aback, and there was a hint of intolerance in his eyes...

He is the head of the Taizhen Sect, how can he bear the heart to pass the Taoism of the Taizhen Sect so that he can let others go?

Seeing Wang Shaohua's silence, Bai Yuhuang sneered, "Why, not willing?"

"No..." Wang Shaohua lowered his head slightly and said respectfully: "The Lord is here, I am too real, and I am willing to join the Zhenlong Hall!"

Does he have the right to refuse?

Chapter 2687: What the hell

Even if they don't join the Zhenlong Temple, what can they do?

It's just a funeral with Taizhenmen!

When Bai Yuhuang heard the words, he laughed, his laughter went up to the sky, his eyes flashed with extreme cruelty, and the cold voice said to himself:

"Hahahahaha, Ye Chen, you killed my two most proud lovers. I, Bai Yuhuang, will surely make you worse off than death to comfort the dead soul of my lovers!"

"You will never think of how terrible the luck of my Zhenlong Palace is! That is the Nine Heavens Shenlong Palace!"

"You can't step into and reach the existence in your life!"

The hatred in that voice actually made the many warriors present shudder!

He turned around and said to an ancient god-body genius behind him: "Zhao Gu, you go to Shenjizong now."

"Go to Shenji Sect?" Zhao Gu asked in a puzzled manner: "Master, what do you do to Shenji Sect?"

Bai Yuhuang smiled coldly and said: "I have an appointment with that little beast for half a year. Although I said it verbally a few months ago, I don't want this little beast to forget. You go to the first day of the gods' sect, Ye Chen. Officially the next battle book!"

"Twenty days later, let him enjoy the torture."

He had a hideous face, as if he had a hatred in his heart, he shouted: "Twenty days later, the deity will fight him on the top of all gods!"

"Tell this news, that day, the deity wants people from the entire kingdom of God, to witness the victory of the deity, to witness the process of my revenge for my two lovers!"

"Let everyone know what will happen to those who violate our Dragon Suppressor!"

The sky above Zhenlong Palace fell into silence again!

Bai Yuhuang, actually going to the half-year appointment at the Shenguang ceremony?

Want to be on the top of the ten thousand gods, let the entire kingdom of God witness this battle?

The top of the pantheon is a peak of ten thousand feet, and at the same time, it is also a holy place in the kingdom of God!

For many years, it has been under the care of Shenmeng.

Legend has it that in the ancient times, which is more ancient than the ancient times, there was a young man surnamed who, to prove the killing, attracted the heavens and gods to fight!

And this person, on the top of the ten thousand gods, slaughtered all the gods with his own power, proved the way by killing, reached the summit, and became the killer among the gods!

This legend is not true or false, but the name of the top of the gods has been passed down because of this...

Someone has done research, and there seems to be a very strange aura on the top of the ten thousand gods. If someone dies here, the soul will be permanently imprisoned here!

And, eternal life, torture extremely cruel!

Someone once did an experiment here. He took an enemy to the top of all gods and killed him. After an hour, the soul of the enemy who had been tortured and did not bow to him was actually desperate. Begging to him!

Begging him to kill himself!

According to legend, this pinnacle of the gods contains the deep resentment of the dead gods!

This resentment is the most cruel torture for the soul!

Since then, the pinnacle of the gods has become the holy land of the kingdom of God and has been taken over by the League of Gods.

As for why it is not controlled by Tiandao Palace, there are rumors that the martial artist of the surname has offended Tiandao Palace, which is even more a taboo of Tiandao Palace.

Now, Bai Yuhuang is going to fight Ye Chen on the top of ten thousand gods! ?

ruthless!

too harsh!

This is, even if Ye Chen is dead, he doesn't plan to let Ye Chen go!

At this time, everyone's hearts couldn't help but have an idea!

No matter who offends, Bai Yuhuang can't be offended!

In fact, in the eyes of many people, the reason why Bai Yuhuang's two disciples died at Ye Chen's hands was because they died on their own!

But even so, Bai Yuhuang still hated Ye Chen to such a degree!

Although Zhao Gu was equally shocked, he did not dare to disagree with Bai Yuhuang's orders. He just frowned and asked: "Master, although at the Shengguang ceremony, Ye Chen first made a half-year agreement, but in case it's his pretense. Well, what should I do if I refuse to keep the appointment?"

Everyone has this doubt in their hearts!

Bai Yuhuang is now a powerhouse associated with the Nine Heavens God Dragon Palace!

Not to mention, Bai Yuhuang also possesses an extremely frightening ancient body, the Bauhinia Holy Dragon!

Its strength even far surpasses the existence of the same level!

It is an unshakable existence!

Ye Chen, they had also heard that in the Divine Light Ceremony, he was also a very good evildoer, but in the recent period, it seems to have disappeared?

Not to mention that it has disappeared now, but it has not disappeared. No matter how the ultimate evildoer, it can't be Bai Yuhuang's opponent, right?

As long as this person has no problem with his mind, he won't keep the appointment?

Bai Yuhuang smiled coldly and said, "Don't worry, this kid who knows nothing about life and death will definitely come."

"I did this, just to add to the flames, I want to slam Shenjizong and Ye Chen under my feet so that everyone in the Seventh Kingdom of God can witness!"

He knew how could he avoid fighting with Ye Chen's pride? Ha ha.....

"But..."

On Bai Yuhuang's face, a hint of playfulness appeared: "If he doesn't come, or he refuses to admit it, I will calm down the Shenjizong soon!"

Shenjizong.

Yu Zhenzi, all the elders, and Tu Lanxin who returned to the sect after participating in the Shen Kingdom meeting were all in the hall.

At this time, their faces looked very ugly!

Because of a news spread in the Kingdom of God, and spread quickly!

That is, the news that Bai Yuhuang, the lord of Zhenlong Palace, has revived the power related to the Nine Heavens Shenlong Palace!

Moreover, it is also rumored that with a single finger, Bai Yuhuang killed an ancient warrior who had recovered to the fourth level of Chaos Realm! The strength is terrifying!

Originally, this was a good thing for the entire kingdom of God!

Great thing!

The Kingdom of God can have one more powerful person, and it will be of great help to resist the coming disaster!

But for Shenjizong, it's not!

why?

Because, Bai Yuhuang and Shenjizong, especially Ye Chen, have hatred!

Ye Chen, killed two of Bai Yuhuang's disciples!

Even once, the Zhenlong Palace was on the verge of collapse!

How could Bai Yuhuang not hate Ye Chen?

Now that Bai Yuhuang has become a strong man in the Nine Heavens Dragon Palace, how could he let Ye Chen go?

Even though Ye Chen was excellent, though it was against the sky, even though he defeated the ancient divine body genius Qin Yuming in one blow, he could tell them rationally that Ye Chen could not be Bai Yuhuang's opponent!

For a half-year appointment, absolutely can't keep it!

At this moment, outside the hall, a figure flashed, Ye Chen walked in, looked at the faces of the people, and asked with some doubts: "Master, what can you do with me?"

When Yu Zhenzi heard the words, his face was hesitant. For a while, he didn't know how to talk to Ye Chen...

What they meant was to let Ye Chen go out and hide first!

Avoid the edge for now!

Even if Ye Chen proposed this half-year agreement, but at the time it was only witnessed by a small number of people, what about denial!

This kind of engagement between senior and junior is not reliable!

However, with Ye Chen's pride, how could he agree?

Ye Chen frowned slightly, his expression increasingly puzzled, and asked again: "What is the matter with Master?"

Chapter 2688: disturb!

Yu Zhenzi's eyes condensed, and he made up his mind to convince Ye Chen no matter what, when he was about to speak, there was a sudden loud noise outside the gate of Shenjizong!

The entire sacred mountain shook!

The exclamation of countless disciples one after another!

Everyone looked at each other, and they all saw the shocked look in each other's eyes!

They knew that someone had penetrated the great mountain guardian formation of Shenjizong!

You know, after Tu Lanxin returned from participating in the Divine Kingdom Conference this time, he exchanged a lot of treasured materials from the great Divine Kingdoms, many of which were used to reinforce the Shenjizong's guardian formation!

Now, if there is no extremely terrifying power, it is impossible to shake this big formation! Even the general chaotic realm fourth or fifth level warrior can hardly do it!

But just now, the opponent clearly only shot once, and he broke through the entire formation?

Before everyone could react, a figure walked into the hall, swaggering, with a casual smile on his face, it turned out to be unscrupulous!

This person is surprisingly a disciple of Bai Yuhuang, the master of Zhenlong Temple, and a genius of ancient gods, Zhao Gu!

Yu Zhenzi shouted in a deep voice: "Who are you! Dare to be so presumptuous and trespass into my Divine Supreme Sect!"

However, in his eyes, it was shocked. The young man with a heroic appearance, a tall figure and a dark complexion in front of him was an existence who had just stepped into the chaos realm!

How old is this!

A green light loomed in the opponent's eyes, clearly an ancient **** body genius!

At this moment, Tu Lan's mind and body shape flashed, and a piece of coldness in her beautiful eyes blocked Zhao Gu's body, her aura faintly exuding!

Zhao Gu's pupils shrank, and his complexion changed slightly and stopped. In his eyes, a shocking color appeared!

The glamorous woman in front of her was actually a mid-to-late existence in the Chaos Realm!

With one's own cultivation base and the ancient divine body, even under the full burst, it is impossible to fight the enemy!

If you really start, you are very likely not the opponent of this woman!

Immediately, he paused and said with a smile: "Quite your anger, calm down your anger, here are the disciples of the Palace Master of Zhenlong Palace, come here this time..."

After he spoke, he looked at the people in the hall and heard the words "Zhenlong Temple", his expression changed, and he couldn't help expressing his triumphant expression: "This time I came here for the master to give Shenjizong. Ye Chen, Master Ye, just to remind you."

Ye Chen looked at Zhao Gu blankly, and said, "I am, what remind?"

"Are you Ye Chen?"

Zhao Gu looked at Ye Chen and saw that he was just an Evil Slayer, a thick smile flashed in his eyes!

No wonder, Ye Chen has disappeared in the past few months!

Hehe, with this strength, what counts in the current kingdom of God?

The first evildoer once was nothing!

In vain, Master, have to bother with this kind of waste and fight him for life?

However, with a wave of his hand, he threw a red post at Ye Chen.

Ye Chen took the red post, his eyes flashed slightly, and a huge war word was written on the post!

Zhao Gu said coldly: "The lord of the Dragon Palace in the town of Jiashi, Bai Yuhuang, about 20 days later, you will go to the top of the gods and fight for life and death!"

"This is a battle post! At the same time, it is also a spiritual deed! If you agree, you will leave your mark on the spiritual deed!"

"By the way, you won't forget the half-year agreement you made during the Divine Light Ceremony."

"Of course, you can refuse now."

"After all, the gap between you and your teacher is like a moat."

On Zhao Gu's face, there was a hint of playfulness. I was curious how Ye Chen would answer. You must know this spiritual deed, which is extremely high. After signing the spiritual deed, even if the chaos realm powerhouse violates the agreement, even if he does not die, Will also be greatly affected!

In the hall, Yu Zhenzi and others were shocked, anxious, and unbelievable when they heard this!

This Bai Yuhuang just advanced, can't wait to fight Ye Chen?

How many years did he practice, and how many years did Ye Chen practice?

Still on the top of the pantheon, life and death battle!

Shameless, too shameless!

Everyone looked at Ye Chen, only Ye Chen, with a faint expression, looking at the battle post in their hands, it seemed that they didn't mean to refuse?

This, what is going on?

Ye Chen, don't you really want to fight?

Everyone's eyes trembled, thinking of Ye Chen's pride, their hearts sank!

With Ye Chen's character, it is really possible to accept this life and death battle!

After all, he first proposed it!

Even Tu Lanxin, who was always cold, couldn't calm down at this time!

The Great Elder even appeared in front of Ye Chen for a moment, shouting impatiently: "Ye Chen, reject him! Don't do anything stupid!"

"We didn't hear the words at the Shengguang ceremony!"

"Besides, God has rules, juniors and elders make appointments to fight, and they can't count them!"

"Elders can't even fight with juniors!"

Yu Zhenzi also shouted in a deep voice: "Ye Chen! What are you waiting for! Give the war post back to this kid!"

Seeing that Ye Chen didn't respond, he even became a little angry, and said softly, "Ye Chen! If you are and still treat me as a master, don't accept this life and death battle!"

Ye Chen, but the pride of their Divine Extreme Sect, it can make the name of Divine Extreme Sect resound through the existence of the Kingdom of God!

Even if the entire Shenjizong is destroyed even if he is killed a thousand times, tens of thousands of times, Ye Chen will not be allowed to have an accident!

As long as Ye Chen is still alive, the Divine Extreme Sect will never die!

Tu Lanxin looked at Ye Chen's still indifferent appearance, and a trace of anger flashed through her beautiful eyes, as well as a deep disappointment, the disappointment of hating that iron cannot become steel!

She came to Ye Chen in a flash, her cold pretty face flushed with anger, and shouted at Ye Chen: "Ye Chen! You forgot, did you promise me something? You forgot Now, before entering the Divine Origin Secret Realm, what did I tell you?"

"I know that you are very strong and against the sky. Even if you are placed in the first kingdom of the gods, you are extremely enchanting! But, Bai Yuhuang is now a powerhouse in the Nine Heavens Dragon Palace! The power in there is not something you can contend!

Before you really grow up, you must not provoke existence! You accept this life and death battle, that is, go and die! "

"You promised me to take the responsibility of saving the kingdom of God! You can't even be responsible for your own life, how can you take the responsibility of saving the kingdom of God!"

I know, you are proud, but arrogance is also based on circumstances, not arrogance without a bottom line! That is not arrogance, but recklessness! How can you make a big deal if you are so arrogant? How can the kingdom of God count on you? "

She was so excited that even her chest was slightly up and down.

When Yu Zhenzi and others saw this, they were a little dumbfounded...

They have never seen Tu Lanxin because of who is so excited...

Zhao Gu, he almost laughed out loud!

Interesting, so interesting!

He narrowed his eyes and said with a smile, "Young Master Ye, it's your freedom to accept it, but..."

In his eyes, a cold light flashed, and his voice suddenly became cold for three minutes, and he sternly shouted: "If you refuse, soon, our Zhenlong Palace will level your Divine Supreme Sect!"

Chapter 2689: Go to an appointment

Inside the hall, there was a dead silence!

Everyone looked at Zhao Gu with incomparable resentment!

Too much deception!

Zhenlong Palace, deceived too much!

This is completely forcing Ye Chen!

Yu Zhenzi couldn't bear it anymore, and his breath broke out: "Go back and tell Bai Yuhuang that Ye Chen refuses to fight against life and death and tramples down my Divine Supreme Sect? I want to see if you Zhenlong Palace have this strength! Fight, then fight!!!"

All the elders said in unison with Tu Lan: "If you want to fight! Then fight!!!"

They knew that the strength of Shenjizong was not as good as Zhenlong Temple, but they would rather go to war with Zhenlong Temple than Ye Chen and accept a life and death battle with Bai Yuhuang!

As long as Ye Chen is still alive, the Divine Supreme Sect is not considered extinct!

Ye Chen smiled at Tu Lanxin, Yuzhenzi, and the elders: "Lan Xin, Master, elders, I have confidence!"

"Besides this is what I mentioned, I will naturally go to the appointment."

"Bai Yuhuang chose a good place, I like it very much."

After all, despite the stunned faces of everyone who wanted to stop, a spirit wave, blooming from the eyebrows, left a mark on the battle post in his hand!

When everyone saw this, their eyes trembled violently! His complexion was instantly pale!

It's over...

It's all over...

Ye Chen signed this spiritual deed, so he couldn't change it...

When Zhao Gu saw this, he finally couldn't help but let out a burst of laughter: "Hahahaha, Ye Gongzi, really refreshed! Zhao admire it, really admire it!"

What do you admire?

Admire Ye Chen's stupidity!

Did you really agree?

It's almost a laugh at him!

Ye Chen coldly threw the war post back and said, "Take this war post and get out of my Divine Supreme Sect!"

Zhao Gu took the battle post and glanced at Ye Chen sarcastically, without saying much, turning around and walking outside the hall.

Ye Chen told him to go, although it made him a little unhappy, but the hero didn't suffer from the immediate loss, Tu Lan's heart was here, and Zhao Gu didn't want to do anything with the Shenjizong...

Just when he was about to leave the house, Zhao Gu suddenly turned around and smiled at Ye Chen and the high-level members of Shenjizong: "Oh, I almost forgot to say it."

"Two days later, the Dragon Palace in our town will be on Long Island. A celebration ceremony will be held to celebrate the breakthrough of my master Bai Yuhuang! I also invite all of you from Shenjizong, when that time comes, come and participate, hahahahahaha!"

After that, without waiting for everyone to answer, he flashed his figure and once again penetrated the mountain protection formation!

Everyone was silent for a while, and now Ye Chen had already taken the life-and-death battle, and what they said was useless.

But Ye Chen didn't care about it. Instead, his eyes flashed slightly, and he smiled coldly: "Celebrating the ceremony? It's interesting."

Yu Zhenzi frowned and asked, "Ye Chen, you don't want to participate, do you?"

Ye Chen smiled and said: "Participate, of course you must participate, not only must participate, but also a great gift for him!"

...

On Long Island, in the main hall of Zhenlong Hall.

Bai Yuhuang was sitting leisurely on the main seat.

At this time, the figure outside the temple flashed, Zhao Gu stepped into it, came to Bai Yuhuang, smiled and said: "Master, that kid, has already taken the life and death battle!"

After all, give the Zhantie both hands.

"Oh?" A beam of joy flashed in Bai Yuhuang's eyes. He took the battle post and swept away the spirit mark on it. It was Ye Chen's breath. He couldn't help laughing, "This idiot, as I expected!"

A trace of doubt flashed in Zhao Gu's eyes and asked: "Master, the disciple sees this waste, but it is a Zhan E. Why does Master plan to make a life-and-death battle with him, and it will be 20 days later?"

The strongest person in that Divine Extreme Sect was a woman! However, that's all, everyone else is just rubbish. They are not the opponents of our Dragon Palace, why not directly crush this Divine Supreme Sect? "

Bai Yuhuang's eyes flickered slightly and said, "Zhan Evil Realm? Zhao Gu, you look down on this kid too much."

"What?" Zhao Gu was slightly surprised, Master, actually said he underestimated Ye Chen? A waste?

Bai Yuhuang stood up, folded his hands, and a cloud of haze appeared in his eyes: "This kid is very special. His strength can't be judged by his realm. The reason why I set the life and death battle in 20 days is because, Even if I have broken through, now I am not sure to kill this Ye Chen!"

"Master, Master, are you kidding me?"

Zhao Gu is a little stuttered! Looking at Bai Yuhuang in disbelief.

Master Bai Yuhuang, but the only strong person in the Seventh Kingdom of God who is related to the power of the Nine Heavens Dragon Palace, it is not an exaggeration to say that he is a strong person in the Kingdom of God!

Actually said, may not be able to kill this Ye Chen?

This joke is not funny at all!

Bai Yuhuang glanced at Zhao Gu and said, "I just received the news that Ye Chen defeated Qin Yuming with one sword as soon as he returned to Shenji Sect. Do you know who this Qin Yuming is?"

"Qin Yuming!?" Zhao Gu said with a shocked face: "That ancient **** body genius?"

Bai Yuhuang nodded: "Qin Yuming, I have known about it. Even if it is you, you are not sure about www.mtlnovel.com~ to defeat him instantly, right?"

Zhao Gu's shock gradually turned into horror...

Defeat Qin Yuming with one sword...

He asked himself that he couldn't do it...

Ye Chen's strength is actually better than himself?

However, soon, Bai Yuhuang showed a dismissive smile: "Although this kid is extremely damn, but it is undeniable that his talent for martial arts is really scary, but..."

"After twenty days, everything will be different! At that time, this kid, no matter how evil he is, will die at the hands of the deity!"

Zhao Gu asked puzzledly: "Master, if Ye Chen is really as enchanting as you said, shouldn't you give him time to improve his strength?"

Bai Yuhuang smiled coldly, and in his eyes, a sinister color flashed: "Don't worry, after twenty days, I promise that this kid will die in my hands, you know, there is a dragon in my Zhenlong Palace that has been passed down from nine days. Is the true dragon **** fireball in the Shenlong Palace?"

"This true dragon **** fire ball has been regarded as a symbol of the main hall for many years, because the ancient fire dragon soul in the **** fire ball has been asleep for many years. I even think that the

dragon soul has already disappeared. Now, losing the dragon soul and the **** fire pearl is just a decoration!"

"But! A few days ago, the Primordial Dragon Soul in the True Dragon God Fire Orb started to wake up!"

"After another twenty days, the dragon soul will fully awaken! With this true dragon **** fire ball, the strength of the deity will skyrocket several times! At that time, Ye Chen, even if it is really the reincarnation of the demon god, the deity will have to Burn it to nothing!!!"

...

Two days later, on the Dragon Island, there was a wave of singing and dancing, and the lights and colors were very lively.

This island, which is hidden deep overseas and is usually unattended, has welcomed countless guests today.

Moreover, they are all distinguished guests!

Chapter 2690: Tensions

One after another, gorgeous dragon cars, come in waves, and come down from the sky one after another with extraordinary momentum!

Nowadays! It is the celebration ceremony held by Bai Yuhuang, the lord of Zhenlong Palace, who broke through!

Those who can be eligible to participate in the ceremony are at least third-class sects and suzerain-level figures!

Suddenly, a phoenix roar sounded from the sky. After hearing this phoenix roar, the original dragons, shaking their heads and wagging their tails, all shrank, and there was a look of fear in the dragon's eyes!

WINK's Surge to \$1: Join the Wave!

A big bird covered with white feathers and shaped like a phoenix fell from the sky, and two young men jumped off the bird's back.

One man and one woman, the men are exceptionally handsome, their eyes are superbly brilliant, the objects are magnificent, the women are white and soft, beautiful eyes are flowing in autumn, and the posture of the city is allure.

The man walked to the disciple who was guarding the entrance of Zhenlong Hall and smiled, "Xuanyuan Family, Xuanyuan Cang, Xuanyuan Xia, come to congratulate Senior Bai!"

As soon as the man said this, the entrance of Zhenlong Palace fell into silence for a while!

The disciples guarding the gate, and all the guests who had just entered the Zhenlong Palace, looked at Xuanyuancang and Xuanyuanxia in shock!

The names of these two people have been extremely popular in the Kingdom of God recently!

They are the two ancient gods of the Xuanyuan family!

Both of them are extremely young, but! But it can be counted as the talented powerhouse of the Xuanyuan Family!

The key is there is a man standing behind them!

That man, but controls the existence of Heavenly Dao Palace!

Although these years, Tiandao Palace has been affirming that it has no resources to communicate with Xuanyuan's family!

But who knows!

Tiandao Palace, in the Kingdom of God, is the imperial palace!

And Xuanyuan Moxie is a well-deserved emperor!

Although, this emperor has many restrictions!

Xuanyuancang, Xuanyuanxia! These two people came to the celebration, it was more grand than the Xuanyuan Family Patriarch came in person!

It can be seen how much the Xuanyuan family attached great importance to this celebration!

How eager to befriend Zhenlong Temple!

Even the two most outstanding geniuses were sent!

The Zhenlong Temple disciple who was guarding the door said tremblingly: "Master Xuanyuan, Miss Xuanyuan, please come with me, and I will lead you to the main hall of the banquet."

At the main hall of the banquet, Bai Yuhuang sat on the main seat with a smile on his face. At this time, a disciple at the entrance of the main hall sang and said: "Xuanyuan Family, Xuanyuan Cang, Xuanyuan Xia, two distinguished guests!"

When Bai Yuhuang's eyes lit up, he saw two young men and women with good temperaments walking in.

Xuanyuancang respectfully said to Bai Yuhuang, "Uncle Bai, on behalf of the Xuanyuan family, congratulations on your breakthrough!"

Bai Yuhuang laughed and said, "The two wise nephews are interested, please take a seat."

"Ghost Sword Master, Yin Zun is here!"

"The true disciple of the Shenmeng, Li Sheng is here!"

"Crazy Bone Gate Master, Huo Quan is here!"

"Patriarch of the Shaohao Family, Shaohaoxuan is here!"

"Master of the Qu family, Qu Xueyong is here!"

...

Originally, everyone in the banquet hall who was still drinking and chatting quieted down instantly!

These people are all big figures in the kingdom of God!

The identity of the Patriarch of the Qu family can be traced back to the existence of the taboo in the ancient kingdom of God.

Now, the myth of Qu Chenyan is circulating in many places in the Kingdom of God!

And for so many years, the Qu Family Patriarch has never attended any banquet!

Actually came today!

These big figures, actually all, have come to participate in Bai Yuhuang's celebration ceremony?

Everyone knows what this means!

In other words, Zhenlong Palace, from today, can be called the leader of the first power of the Kingdom of God!

Bai Yuhuang laughed. This time, with the exception of Shenjizong, almost all the first- and second-class forces in the kingdom of God have come to participate in this ceremony!

Even the composer is here!

However, his eyes stayed on a veiled girl next to Qu Xueyong for a while longer.

It's a bit familiar, but the opponent seems to have some powerful spells to cover his breath, and he can't guess anything for a while.

This girl is naturally Ji Siqing.

And Qu Xueyong was also forcibly brought by Ji Siqing, otherwise Qu Xueyong would definitely not attend such a banquet.

Two people are seated.

Qu Xueyong was a little nervous, and said, "Ancestor, what are you doing in this fun?"

"Although the lord of the Dragon Palace in this town has been very energetic recently, he is far from our composer at that time. In time, you will return to your peak and you are not afraid at all."

Ji Siqing picked up the tea cup in his hand, took a sip, and said lightly: "How boring to practice is, I want to see the excitement, if you have an opinion, just get out."

Qu Xueyong swallowed and shook his head: "Haha, the old ancestor is joking, I also feel boring, I also want to see the excitement."

"The ancestor is really too wise! One way of martial arts is to combine work and rest like this."

Ji Siqing put the tea cup down and said lightly: "You are too noisy."

Qu Xueyong was startled and stopped talking.

At this moment, he is not like a family patriarch, more like a child criticized by his parents.

Now, the time is almost here, and everyone who should come has also come. Bai Yuhuang stood up and was about to say something, but at this moment, two figures appeared at the entrance of the main hall~www.mtlnovel.com ~ Strangely, this time, the disciple at the door didn't sing harmony!

It was a man and a woman who came in. They all looked very young. The men's expressions were calm, or even indifferent, women, with frosty faces and peerless looks!

Seeing this man's face, everyone's pupils shrank!

Even Bai Yuhuang raised his eyebrows and his face was shocked!

Upon seeing this, the man smiled faintly: "Shen Jizong, Ye Chen, Tu Lanxin, come to congratulate the White Palace Master for his breakthrough, why, everyone, are you not welcome?"

These two people were Ye Chen and Tu Lanxin!

Everyone looked at Ye Chen in horror, why did Ye Chen dare to come?

Recently, twenty days after Bai Yuhuang and Ye Chen, the news of the battle of life and death has spread throughout the kingdom of God!

Who doesn't know that Bai Yuhuang is going to kill Ye Chen?

Ye Chen is coming to the banquet now, not looking for death, what is it?

Seeing Ye Chen, Bai Yuhuang's eyes were instantly bloodshot and filled with hatred, as if he saw the scene where two lovers were killed by Ye Chen. He was full of murderous intent, rolling unconsciously!

When everyone saw this, they all looked at Bai Yuhuang nervously. Could it be that he wanted to make a move?

They couldn't help but swallowed, their bodies trembling slightly, if Bai Yuhuang shot out with anger, even if it was a ray of aftermath, they would not have the confidence and could bear it!

However, the next moment, Bai Yuhuang calmed down, looked at Ye Chen, sneered and said, "Hehe, Ye Gongzi said something seriously, let's take a seat."

After all, I looked at the people present: "Everyone, are all figures with faces and faces in the kingdom of God. Today, come to this deity's celebration ceremony, deity, respect everyone!"

He raised the glass beside his hand and drank it in one go!

Everyone glanced at each other, wondering why Bai Yuhuang didn't kill Ye Chen. Is it because he didn't want to see blood on this grand ceremony?
