However, they didn't think much about it. They raised their wine glasses and said in unison: "Congratulations to Palace Master Bai, the bloodline breakthrough, the strength leap!"

Naturally, they would not think that Bai Yuhuang did not kill Ye Chen because he was not sure!

At this moment, a disciple of Zhenlong Temple said loudly: "Now, please give gifts to all the distinguished guests!"

A third-class supreme leader heard the words and took the lead. He was the first to walk in front of Bai Yuhuang. He respectfully took out a brocade box, put it in both hands, and said: "Lin Sheng, Sect Master of Baiyang, congratulations to Palace Master Bai ."

In his look, there is both expectation and tension!

You know, if you can get Bai Yuhuang's favor now, even if you just show a trace of favor at this banquet, it will be of immense help for the development of his sect and for his friendship with other forces!

The disciple opened the brocade box and glanced at it and said, "Lin Sheng, the lord of the Baiyang Sect, present a 100,000-year-old Polygonum multiflorum."

Lin Sheng quietly raised his head and glanced at Bai Yuhuang, only to see that Bai Yuhuang's face was expressionless, and even a trace of disdain flashed deep in his eyes!

Lin Sheng's heart was cold, his face showed undisguised disappointment, and he returned to his seat angrily.

Everyone around, looking at Lin Sheng, all smiled and sneered: "Oh, Sect Master Lin, what a big handwriting? One hundred thousand years old Polygonum multiflorum, hahahaha."

"He Shouwu, this kind of ordinary elixir, I used to feed my dogs thousands of years, Sect Master Lin, if you are short, I can give you a few."

"Hehe, this kind of person is also eligible to participate in the main hall of the White Palace Lord? Ridiculous!"

Facing the ridicule of everyone, Lin Sheng didn't say a word, clenched his fist, the 100,000-year-old Polygonum multiflorum, but their sect, the best elixir that they can come up with!

However, in the eyes of these upper class warriors, it is not worth mentioning!

From then on, Bai Yangzong, in front of the upper powers of the kingdom of God, would not be able to hold his head up?

At this time, another Sect Master from a third-class force walked up to Bai Zhentang and presented a gift: "Sima Family Patriarch, Sima Lian, congratulations to the White Palace!"

In his hand, he was holding a jade box.

The disciple in front of Bai Yuhuang opened the jade box, and a dazzling brilliance filled the whole hall in an instant!

The disciple's eyes lit up slightly, and he raised his voice: "Sima Lian, the Patriarch of the Sima Family, send me a healing pill, the Holy Yuan Pill made by the ancient God of God!"

Everyone was slightly shocked upon hearing this!

The healing elixirs refined by the ancient medical gods, even if they are placed in the kingdom of God today, are precious existences!

Among them, there are more than ten kinds of materials of Polygonum multiflorum whose value is no less than 100,000 years, and there are several main medicines, even reaching 300,000 copies!

Compared with the one hundred thousand-year-old Polygonum multiflorum in the past, I don't know how many grades higher it is. It's totally one place every day!

Even Bai Yuhuang smiled and nodded at Sima Lian.

Sima Lian was overjoyed, walked back to his seat with his head high, and glanced at Lin Sheng intentionally or unintentionally, his eyes were full of sarcasm.

Next, a famous martial artist all stepped forward to offer gifts. For a while, some were happy and some were worried!

Don't look at it, this is just a simple gift, it can even be said that it is a re-determination of the status of the power of the kingdom of God!

How many sects can be destroyed by Bai Yuhuang's words?

At this time, it was finally the turn of the first-class forces.

Yin Zun, Li Sheng and others also presented good treasures, which are basically a level higher than the ones given by others!

When Huo Quan returned to his seat, a handsome young man stood up.

Xuanyuancang smiled, holding a long box in his hand, and walked towards Bai Yuhuang.

The disciple respectfully said, "Master Xuanyuan."

As a result, the long box opened and opened slowly.

At the moment when the long box was opened, a bit of cold light directly penetrated the roof of the main hall and shot directly into the heavens!

None of the martial artists present were weak, but being shone by the cold light made them feel slightly cold!

What a terrible spirit!

Even Bai Yuhuang stood up all of a sudden, took the long box with his own hands, stretched out his hand, and took out a sword overflowing with cold light and flowing gold!

Above the sword, there was a burst of shocking sword aura!

A proud smile appeared on Xuanyuancang's face, and he said, "Congratulations on Uncle Bai's advancement. This sword, named Longhuijian, is the elder of my Xuanyuan family, Xuanyuanming, known as a master craftsman, and is Uncle Bai personally. A weapon created!"

"Rank, top grade!"

Everyone was shocked when they heard this!

Top grade!

Although, during this period, not only the warriors have made crazy progress, but under the stimulation of the power of the source, all kinds of treasures of heaven and earth are emerging in endlessly!

but!

In the hands of those ancients, they hardly saw too many top-grade weapons. It can be seen that top-grade weapons were very valuable in the ancient times!

Now, Xuanyuancang is such a long sword when he shoots?

This net worth, background, and boldness in his shots are totally incomparable!

"Good, good, good!"

Bai Yuhuang's face was joyful, and after saying three good words, he immediately put the long sword away and smiled at Xuanyuancang: "My nephew is interested. From now on, our two families should move around a lot."

Xuanyuancang respectfully said, "Soon, my nephew and the head of the family will definitely come to the house and harass."

After all, I took my seat back.

Suddenly, another person stood up, with a scream, everyone's eyes were focused on this person.

This person is naturally Ye Chen!

Everyone looked at Ye Chen with a faint smile, walking towards Bai Yuhuang, they couldn't help but looked curious.

Ye Chen, what are you going to send?

Could it be that he wanted to apologize to Bai Yuhuang and bow his head?

Thinking of this, a smile flashed in everyone's eyes.

In that case, there will be a good show!

If Ye Chen really wants to bow his head and reconcile, Bai Yuhuang doesn't know if he agrees or not~www.mtnovel.com~ However, some humiliation is inevitable!

Bai Yuhuang looked at Ye Chen coldly, but there was also a hint of curiosity in his eyes.

What does Ye Chen want to do?

Is it true that after signing the war post, you are afraid? Regret it?

Want to apologize?

The corner of Bai Yuhuang's mouth raised a cruel smile.

How could he let Ye Chen go?

Ye Chen walked to Juli Bai Yuhuang under the gaze of everyone, with ten steps left, but did not continue forward.

He stared at Bai Yuhuang, smiled and said, "Hall Lord Bai, you have received this gift!"

Having said that, he slammed his hand, a brilliance flashed, and a heavy object fell on the ground with a loud noise!

Everyone looked at the heavy object, but in an instant, their pupils shrank crazily!

There was dead silence in the entire hall!

I can't even hear the breathing! I can't breathe in horror!

The soul is beginning to tremble!

They all looked at the "gifts" sent by Ye Chen in disbelief!

That gift is a coffin!

Qu Xueyong on the side had a weird face and said: "Ancestor, this kid is a lunatic! A complete lunatic!"

Under the veil, Gu Jingbubo, a beautiful face, said lightly: "Sit down."

Qu Xueyong was startled: "But that Ye Chen..."

"To shut up."

Qu Xueyong remained silent.

Then, another voice came from under the veil: "If the lord of the Zhenlong Palace moves him in advance, even if I reveal my identity, I will erase the so-called Zhenlong Palace!"

"A group of short-sighted people think that the Nine Heavens Shenlong Palace is a symbol of strength, but they don't know that it is just the Fukuzawa under the guidance of that person!"

"And now I am trying to use this bit of Fuze to obliterate the supreme One!"

"ridiculous!"

Qu Xueyong glanced at Ji Siqing under the veil in shock.

Although he became Ji Siqing's puppet during this time.

Anything that Ji Siqing is inconvenient to handle, he will take care of it.

However, he has not been able to determine the strength of Qu Chenyan in this life.

Even his vision of Chaos Realm could not be seen through.

In the previous life, the ancestors followed the Lord of Reincarnation, and they practiced the best techniques in the world.

Although this life is still young, the world of martial arts is not measured by age at all!

He believes that if the ancestors said so at this moment, there are absolute reasons and self-confidence!

Therefore, if Bai Yuhuang had acted on Ye Chen in advance!

Even if he loses everything about the Qu Family, he still has to save Ye Chen.

He glanced at the young man in the hall for a moment, and the shock in his heart was really beyond words.

On the celebration of Bai Yuhuang, send the coffin?

This courage is too big!

The lifelessness of lifelessness!

This is not only Qu Xueyong's attitude, but also all the congratulations here!

What made them most upset was how they thought about how to please Bai Yuhuang, how to lick Bai Yuhuang so happy!

And what about Ye Chen? Directly, without giving Bai Yuhuang any face!

In this way, what has become of everything they did? Isn't it, like a joke?

Ye Chen sneered and said: "Don't get me wrong, everyone, this is to congratulate the White Palace Master, get promoted and get rich!"

He has always been you who respect me, I respect you, you commit me, and I commit your character!

Zhao Gu, the disciple of Zhenlong Temple, is very arrogant?

Come to my Shenjizong to post a battle and directly break the mountain protection formation?

In front of the high level of Shenjizong, pretend?

Threatening to flatten my Shenjizong?

Then, I will deliver the coffin on top of Bai Yuhuang's celebration ceremony!

Let the warriors of the upper ranks of the Kingdom of God, look at me, Ye Chen, and what gift I have prepared for you!

Bai Yuhuang's face was already cold at this time, his blue veins jumped, his eyes were filled with bloodshot eyes!

He was almost overwhelmed with murderous intent!

Originally, when he was full of ambition, Ye Chen suddenly gave a coffin?

Who can you change?

At this moment, Lin Sheng slapped the table abruptly and yelled at Ye Chen: "Where's the bastard! How dare you deliver the coffin at the celebration of the White Palace Lord? Get out of here!"

He did not give a suitable gift, but now, it is a good opportunity to perform!

Everyone was taken aback, and then they reacted. All the big forces present at the scene shouted sharply at Ye Chen: "Hall of White, kneel down and apologize!"

"Ye Chen, the coffin, take it back to your own home and use it, it's embarrassing to come here?"

"Hehe, once a genius, is now a clown?"

"Isn't it talking about the eternal evildoer? The waste of the Evil Realm, in my sect, is only worthy of being a handyman!"

...

At this moment, Xuanyuan Cang, who had been silent and drinking leisurely, stood up and walked towards Bai Yuhuang.

For a while, everyone closed their mouths consciously and looked at Xuanyuancang.

Xuanyuancang smiled at Bai Yuhuang and said, "Uncle Bai, this time you advanced and even awakened the legendary power of the Nine Heavens Dragon Palace, martial arts skills, you must have improved a lot, right?"

Bai Yuhuang glanced at Xuanyuancang puzzledly and said, "Nephew, what do you mean?"

Xuanyuancang turned around, stared at Ye Chen with cold eyes, and said, "It is rare that all the top martial artists of the Kingdom of God are gathered here, and there are even rumored geniuses? Hehe, why, let us play Wuyi First, let's add a bit of fun to this ceremony, and secondly, I also invite Uncle Bai to show me how to wait in the martial arts. How about?"

"Yanwu?"

At the corner of Bai Yuhuang's mouth, a smile appeared, and he instantly understood what Xuanyuancang meant, and immediately nodded and said: "Okay, let's perform martial arts!"

Xuanyuancang smiled fiercely, and together with the spiritual energy, the chaos realm aura exploded crazily. He glanced at the coffin, his eyes were full of coldness, and there was a thud. The coffin was actually shattered in an instant under the impact of its aura!

He looked at Ye Chen with a cold smile and said: "Hehe, Shenjizong? I heard that your martial artist of Shenjizong has always been arrogant! Ye Gongzi? What you saw today, it is true."

"However, I don't know, do you have this arrogant capital?"

His voice suddenly fell cold and said: "Xuanyuan Clan Xuanyuancang, I want to learn and teach, Shenjizong's brilliant trick!"

Xuanyuancang looked at Ye Chen with disdain and contempt in his eyes!

Ye Chen? Once, maybe it was a genius.

But that's just the past!

In his Xuanyuancang's view, Ye Chen now is just a waste!

Above the God Light Ceremony, Megatron God Kingdom?

Xuanyuan Jing of the Xuanyuan family was also an extremely stunning genius at the Shenguang ceremony, and the pride of the entire Xuanyuan family!

Once in Xuanyuan's house, it was so majestic, anyone should be respectful of him!

But what about now?

After Yuhuan appeared on the moon~www.mtlnovel.com~ he awakened the ancient divine body and his strength skyrocketed!

The first thing he did was challenge Xuanyuan Jing!

Xuanyuanjing's pride?

In his hands, even one move can't hold it!

The current Xuanyuan Jing, in his opinion, is not much different from a dog!

How do you survive, dog? Of course, I survived with my tail sandwiched!

Therefore, what he hates most, and even hates him, is like Ye Chen. Obviously, it has become history. Obviously, it has been stepped under the feet by a rising star. Obviously, he has been stunned by everyone, but he still can't recognize his position and is still arrogant. genius!

This kind of person is simply an insult to himself!

Even, not long ago, he went to the Heavenly Dao Palace and was received by Xuanyuan Moxie!

His self-confidence has already prevailed.

Ye Chen glanced at Xuanyuancang, his face faintly said: "You... don't deserve to fight me."

When everyone heard the words, the smile in their eyes was about to flow out!

Ye Chen, do you want to pretend at this time? Can you still keep it?

"I'm not worthy?" In Xuanyuancang's eyes, the anger gradually rose: "I am the first genius of the Xuanyuan family. Don't I deserve to be a lowly dog?"

Having said that, he flipped his wrist and held a long sword that was shining with blood-colored light, and the momentum of the chaos realm rose to the sky. In an instant, Xuanyuancang's figure was countless times taller in everyone's eyes!

As if the gods came to the world, most of the warriors present had an unmatched feeling!

"Thirteen swords in town night!"

Xuanyuancang gave a violent shout, raged and shot his hand, violent and fierce sword intent swept across the square, many third-class and second-class martial artists, under the impact of this sword intent, they vomited blood one after another and retreated! There was a terrifying look on his face!

This sword intent is terrible!

It's damned!

This town's thirteen swords are clearly an ancient martial skill!

Today, although everyone's martial arts cultivation has greatly improved, there are still a few who can comprehend such martial skills so quickly!

As for Xuanyuancang, not only did he develop this martial skill, but also, looking at his realm, he had already achieved a breakthrough!

It can be seen that this Xuanyuancang is not only the qualification for martial arts, but even the comprehension is above everyone!

A genius among geniuses!

His wrist trembled crazily, and thirteen swords were already cut out in the blink of an eye. Each sword light contained a heaven-shattering sword intent, enough to shatter the void, and the martial arts law collapsed. What's more terrifying is that these thirteen sword lights were not shot randomly. , Faintly, actually formed a sword formation!

A sword formation exuding Cangu aura!

A sword formation capable of suppressing the entire sky!

Ye Chen is dead!

Even Bai Yuhuang's pupils contracted, and a hint of appreciation appeared on his face!

Xuanyuancang's sword is indeed excellent!

Even Zhao Gu, the most outstanding ancient **** body genius under his school, could only wait to die in the face of this sword!

but!

Xuanyuancang's shot was not over yet!

In his eyes, green light flashed, countless runes surged, and a strange wave filled his whole body, which made his whole person's aura rise several times in an instant!

"True **** body!"

Xuanyuancang let out a low cry, using the power of the ancient divine body, the aura of the true heaven exploded, like a hurricane, wrapped around the thirteen sword lights!

Originally, the already infinite sword formation, its power has skyrocketed several times!

The true heaven **** body is the **** body owned by the Xuanyuan family's ancestors in legends. Some even say that the ancestor once relied on this true heaven **** body to suppress the eternal king, and briefly became the first emperor of the ancient times!

It can be seen that this true heaven body is so powerful that even among the ancient **** bodies, it can rank in the forefront!

Bai Yuhuang raised his eyebrows slightly, Xuanyuancang's strength was still above his expectations!

This sword, even, might shake the existence of the fourth layer of the Chaos Realm!

How old is this guy?

It's amazing!

There are many people who surround the audience, who are over tens of thousands of years old and have seen countless warriors, but even they are almost frightened by Xuanyuancang's sword!

This.....

Is this still a level that humans can reach?

But at this time Ye Chen still stood there motionless, even without even taking out the weapon!

Many people looked at Ye Chen, their eyes were very strange!

"Haha, only the first day, so scared that I can't move?"

"I think it means that you can pretend more than others. What's so great?"

"Unfortunately, the coffin just now was broken by Young Master Xuanyuan, otherwise, wouldn't it be just for this waste?"

The smile on Xuanyuancang became stronger and stronger!

That's it?

Dare to pretend in front of my Xuanyuancang?

It's really disappointing. Originally, I thought this trash could give myself a little surprise?

The sword formation is about to swallow Ye Chen!

At this moment, Ye Chen moved!

"Jiwu: God flash!"

His figure was strangely distorted, and even most of the people present didn't even see how Ye Chen moved!

In the next moment, Ye Chen was incredible, teleporting, and flashed past the sword formation that looked like a net of heaven and earth, making people nowhere to escape!

"how is this possible!"

Xuanyuancang exclaimed, but soon he calmed down, his sword danced, his eyes flashed with green lights, the real heavenly body, the mighty eruption, the powerful true heavenly power, and the crazy rotation, everyone just felt that even the space , Under the action of that true heavenly power, it was distorted!

In fact, it is so!

The Zhenxiao Thirteen Swords that originally hit the air, unexpectedly flashed strangely, and appeared on Ye Chen's head again, unavoidable at all!

"Oh? Interesting."

"I don't know why, I don't like the surname Xuanyuan very much."

Ye Chen was enveloped by this sword light, but he didn't rush, but he glanced at the real power that dazzled the sword light with some playfulness.

"Die to me!!!" Xuanyuan Cang yelled fiercely, the sword spirit of Zhenxiao Sword Array was surging, surging like a sea, suppressed!

But Ye Chen just raised a hand casually, and hit the sword formation above his head with a normal punch.

When everyone saw this, there was another sneer!

This Ye Chen does have some abilities, and that weird body is shocking!

However, that's all.

In the face of such a terrifying sword formation, how could they resist physically? And, just a random punch?

This should be a helpless struggle in despair, right?

He is not dead, who will die?

Could it be that this punch could even destroy the horror sword formation that was able to kill all the warriors present in one punch?

There was a cruel light gleaming in their eyes, waiting for Ye Chen to transform into nothingness under that sword formation.

The short one-thousandth of a breath seemed to become extremely long. Finally, Ye Chen's fist collided with Xuanyuancang's sword formation!

With a bang~www.mtlnovel.com~ the earth-shaking noise, the entire Dragon Island is on the verge of collapse!

Thousands of dragons wailed, the waves rolled, and huge waves were set off!

The aftermath of a collision is so terrifying!

However, this is not the most shocking!

What shocked them most was the scene they saw before them!

That Zhenxiao Thirteen Swords, combined with the strength of the true heavens, formed an extremely strong sword formation, unexpectedly, shattered!

That's it, broken!

It was broken by Ye Chen's random punch!

The people's thinking is in chaos, they can only rub their eyes almost foolishly, suspecting that they have seen an illusion!

This is simply impossible to happen in reality!

Only Bai Yuhuang's complexion changed instantly!

At this moment, Ye Chen, who saw the sword formation being broken, had fallen into a sluggish, stiff body, Xuanyuancang smiled slightly and said, "First punch."

As soon as the voice fell, Ye Chen's figure flickered, and he appeared in front of Xuanyuancang, punched him, and blasted toward his door!

It's still so simple and unpretentious, even martial arts, without a punch!

But now, no one will feel that this punch is just an ordinary punch!

In this punch, there is a terrifying power that makes the soul burst!

"No!!!" At this moment, Xuanyuancang, where is there any contemptuous, proud expression?

He exclaimed in extreme horror, his figure exploded, and his sword rushed towards Ye Chen. At the same time, the whole body's spiritual power, as well as the power of the true heaven, was crazily poured into a jade pendant hanging on his neck!

That is a magic weapon for the body!

It's just that this body protector is missing a bit, and it has obviously been used many times.

Suddenly, a majestic aura filled the hall, and an almost transparent phantom of the old man appeared in front of Xuanyuancang, exuding a terrifying pressure!

Chapter 2694: interesting

This phantom is actually somewhat similar to the ancient emperor in the legend!

Soon, that sword light ran into Ye Chen's fist, and the seemingly sharp sword light instantly turned into nothingness!

Ye Chen sneered. If it were a complete magic weapon, he might be a little scared, but this one was vulnerable!

His seemingly unpretentious punch contained divine blood, blood burning tactics, power of breaking the sky, blood of true spirit, blood of demon, blood of reincarnation, all kinds of blessings!

The power in it has been broken to the extreme!

WINK is growing to \$1 - Don't lose you chance - Buy On Binan...

Could it be the sword light that a boy with an unstable foundation can easily stop?

The old man phantom, when his figure moved, it turned out to be a palm, towards Ye Chen!

The next moment, this punch collided with the palm of the old man!

The phantom that resembles the human emperor, only persisted for less than one thousandth of the breath, before it broke!

And Ye Chen's figure is still advancing!

His fist was rapidly magnified in Xuanyuancang's eyes!

And Xuanyuancang's expression became more frightened, and his eyes trembled crazily, almost desperate!

Finally, this punch hit Xuanyuancang's face!

With a click, the skull was broken, the face sunken, and the flesh and blood flew!

Xuanyuancang's original handsome face was actually broken by Ye Chen!

His body was also blown away instantly!

"Second punch." Ye Chen said coldly, his eyes flickering slightly. Although this punch had severely injured Xuanyuancang, it did not completely kill him!

The phantom of the old man just now, although he was shattered by a single blow, but it released the power of this punch!

At this moment, Bai Yuhuang had already stood up, as if he was about to make a move!

Ye Chen smiled evilly, would he let Xuanyuancang survive?

Xuanyuancang made a shot just now, and he clearly wanted to kill him!

If people kill me, I will kill them!

Before Xuanyuancang's body flew out completely, Ye Chen actually flashed wildly. He caught up with Xuanyuancang who had just been blasted off by him, and shouted in a deep voice, "The third punch!"

A punch hit Xuanyuancang's chest hard!

This time, there is no phantom of the old man anymore, it can resist him!

The violent power swallowed Xuanyuancang directly!

There was a loud bang!

This extremely dazzling genius of the Xuanyuan Family who astounded the entire kingdom of God, then turned into a blood mist and exploded!

Not even a trace is left!

In the main hall, there was a cold silence...

The trembling silence!

All the warriors looked at Ye Chen, their complexions were pale

Three punches...

With just three punches, Xuanyuan Cang was killed!

Moreover, Ye Chen obviously didn't use all his strength!

Most of them participated in the Divine Light Ceremony...

They knew that Ye Chen, the most powerful sword technique!

In other words...

Xuanyuancang is not an opponent who needs Ye Chen to use his strength...

Just like Ye Chen said!

Xuanyuancang is not worthy to fight him!

Too shocking!

too scary!

The name of the devil is re-branded on the souls of everyone!

Eternal life, unforgettable!

Even Bai Yuhuang, at this time, was in a stature, standing in front of the main seat, staring at Ye Chen, but did not take any further action!

Seeing Bai Yuhuang's expression, all the martial artists were shocked!

More certain, my own guess!

Ye Chen in the Slashing Evil Realm already possesses the strength comparable to a chaotic powerhouse!

At this moment, Ye Chen turned his head and glanced at Lin Sheng, who was completely demented and like a stroke patient, and said with a smile: "You just took the lead in scolding me?"

Na Lin Sheng, his pupils trembled, revealed an expression of horror, screamed frantically, foamed at the mouth, and fell directly to the ground!

Actually, he was so scared that he passed out with a word from Ye Chen!

Afterwards, Ye Chen's gaze glided over the face of a famous warrior!

These are all warriors who have insulted him just now!

Immediately, these warriors only felt like falling into an ice cellar, and their blood was about to freeze!

In his eyes, there is a color of fear!

They all knelt on the ground without hesitation, and desperately kowtowed towards Ye Chen: "Please forgive Ye Gongzi, the little one has eyes and no beads, and offends Ye Gongzi, please forgive Ye Gongzi!"

They knew that Ye Chen crushed them to death, no more difficult than crushing an ant!

Ye Chen laughed and said, "Hahahaha, Palace Master Bai, your celebration ceremony is really interesting."

After that, he turned around and walked outside the hall with Tu Lanxin.

At the moment before his figure was about to disappear outside the door, Ye Chen's voice echoed in the hall.

"Bai Yuhuang, I, look forward to the life-and-death battle with you in twenty days. I hope that by then, it will be as interesting as this celebration."

"Ah!!!" Bai Yuhuang roared. At this time, all the breath of his body was on the verge of explosion. The main seat forged with extremely precious materials behind him also instantly turned into powder. He was extremely resentful and unwilling. The ground roared: "Ye Chen!!! Twenty days later, the deity ~www.mtlnovel.com~ must have you die!!! I will torture you to death violently!!!"

Ye Chen and Tu Lanxin flew side by side over the sea. They didn't fly fast. The bright moonlight sprinkled on the sea, and under the emerald-like light veil, they had a unique sense of beauty.

Ye Chen smiled at Tu Lanxin and said, "Fairy Tu, now, can you rest assured?"

Originally, everyone in the Shenji Sect was unanimously opposed to Ye Chen coming to participate in the celebration ceremony of Ji Bai Yuhuang, but Ye Chen was extremely confident and told them that he had no less strength than Bai Yuhuang! The current Bai Yuhuang didn't dare to do it with himself!

The reason why Tu Lanxin came here was to make sure that Bai Yuhuang would not make a move!

In case, if Bai Yuhuang really does something to Ye Chen, she is desperate for her life, and she will also attract the power of the origin of the kingdom of God, instead of fighting, create a chance for Ye Chen to escape...

At this moment, she couldn't help but nodded and said: "I...I don't know, your strength is already so strong..." Thinking that she was in the Shenji Sect at that time, she also preached and reprimanded Ye Chen, it was almost at this moment. It's so embarrassing that I want to find a hole in it!

She originally thought that she had greatly raised her expectations of Ye Chen, but now she knew that she still underestimated...

Ye Chen can always bring surprises, fundamentally, can't see where the limit is!

At this moment, the two of them had a pause, and a flash of light suddenly flew towards them.

After the light converged, a feminine woman stood in front of them, Xuanyuanxia!

Ye Chen looked at Xuanyuanxia playfully and said, "You, are you the woman with Xuanyuancang? Why, do you want to avenge him?"

There was not much expression on Xuanyuanxia's pretty face, she just shook her head and said: "I just want to tell Ye Gongzi that what Xuanyuancang does is his own decision and has nothing to do with Xuanyuan's family."

Chapter 2695: The cause and effect of Tianji Taoist

Ye Chen was silent for a moment, then nodded to Xuanyuanxia.

Xuanyuanxia said, "Thank you Master Ye."

Then turned and left.

Tu Lanxin smiled slightly and said, "It seems that Xuanyuan's family is not all stupid."

Ye Chen's expression was solemn: "It's just that I killed the Xuanyuan family members. They didn't take it seriously. What about the Dao Palace person that day?"

...

At the same time, Tiandao Palace.

Xuanyuan Moxie sat cross-legged on top of the Dragon God of Yantian, a huge stone stele suspended, a faint brilliance flowed to Xuanyuan Moxie's body.

Although he could not refine this reincarnation profound stele, his cultivation absorbed part of its power, and even a small part of it would benefit infinitely.

Suddenly, he opened his eyes and felt something: "Xuanyuancang, something happened?"

"Come on!"

In the next second, a man wearing a heavenly palace robe appeared in front of Xuanyuan Moxie: "Palace Master, subordinates are here!"

Xuanyuan Moxie's expression was solemn: "Not long ago, I sensed that the genius Xuanyuancang of my Xuanyuan family had unexpectedly fallen. You can help me investigate a bit, and come back quickly to report."

"Yes!"

In an instant, the man disappeared.

An hour later, the gate of the Heavenly Dao Palace opened, and the man hurried back again, just about to enter the main hall when an old man wearing a Dao robe suddenly appeared.

The man was vigilant, and when he saw the face of the visitor, he quickly said, "God."

This person is a heavenly man!

Although there is no specific identity in Tiandao Palace, he has the right to enter and exit the Tiandao Palace freely!

He was even Xuanyuan Moxie's teacher!

Naturally he cannot offend.

The Taoist Tianji touched his beard, and said in surprise: "What are you doing in such a hurry, you almost hit me just now."

The man hurriedly bowed his hand and apologized: "The old man calmed down his anger. The palace lord asked me to investigate one thing, and I must report it."

Tianji Taoist shook his five fingers, and the jade in the man's hand simply appeared on the palm of his hand: "It just so happened that the palace lord asked me to discuss the matter. I will report it for you, so I can save you a trip."

"This--" The man just wanted to refuse, only to see the Heavenly Mystery Taoist whistling slightly, a surge of spiritual power.

The man's expression changed in an instant, and he was extremely excited. He wanted to kneel and said, "Thank God for your advice!"

He just sensed his own martial arts charm!

This is a great opportunity!

He knows that all this is a blessing from God.

The Taoist of Heavenly Mystery nodded: "I, Taoist of Heavenly Mystery, fancy cause and effect, and pay attention to good destiny. Today, when you and I met, we almost ran into each other. We have a cause. I naturally want to give you some opportunities."

"This opportunity is enough for you to digest for a while, don't go to retreat soon."

"If I delay your refining opportunity, then the results I get will be unfavorable."

"By the way, before the retreat, your responsibilities have to be completed, and there can be no one beside the palace lord."

"Do you understand what I'm saying?"

The man nodded quickly: "Don't worry, God, I will let my brother replace me for a while. When the retreat is over, I personally come to visit and thank you!"

After speaking, he went to his residence in an instant!

Tianji Taoist smiled slightly, glanced at the jade slip in his hand, instantly turned into powder, and then headed towards the main hall.

...

Above the main hall.

Xuanyuan Moxie saw the Taoist Tianji and quickly got up: "My God, you are finally here."

Tianji Taoist arched his hands and said: "The palace owner invites the old man, the old man will come naturally."

"Although the old man is no longer the master of the palace lord, the old man cares a lot about the feeling of master and apprentice."

"I often think of the days when you were not the palace lord many years ago."

"At that time, you were full of spirits. Although you haven't achieved what you are today, you are still dazzling in the kingdom of God."

Xuanyuan Moxie's eyes were excited: "My God, I will be a teacher for a day and a father for life. I always remember this kindness."

"This time I invite you to ask about cause and effect. The old man should know that cause and effect are bloody."

Tianji Taoist eyes suddenly shrank: "Are you going to use this formation to kill? This is a forbidden formation!"

"Oh, by the way, did you let people investigate the cause of Xuanyuancang's fall?"

"I just ran into him outside the door and saw that he seemed to be in a hurry, so I formed a good relationship and spread the word on his behalf."

Xuanyuan Moxie didn't feel surprised, and asked, "My God, what happened?"

The Taoist Tianji sighed: "It's not the people who awakened from the ancients! Xuanyuancang awakened the ancients, full of spirit, but did not know how to restrain, offended an ancient awakened strong man, naturally invincible, and then fell."

"That person seems to be called Yang Chiyuan."

In an instant, Xuanyuan Moxie's killing intent was released: "It's Yang Chiyuan again! During this time, how many people this Yang Chiyuan killed in the kingdom of God!"

Taoist Tianji continued: "Hey, Palace Master, the sudden arrival of the moon ring vision has completely disrupted the kingdom of God."

"Why don't you go to the First Kingdom of God to discuss with that person how to deal with the current situation."

"Tiandao Palace can't do nothing in this situation."

When Xuanyuan Moxie heard the first kingdom of God, his expression changed, he hesitated for a few seconds, and then said: "The kingdom of God is respected by martial arts. Although this moon ring vision appears suddenly, it is beneficial to the kingdom of God."

"In such a situation, the survival of the fittest has never been a bad thing!"

"Besides, there are so many people in my Heavenly Dao Palace who awakened the ancient divine body!"

"This is the glory that belongs to our Heavenly Dao Palace!"

The Taoist Tianji exhaled ~www.mtlnovel.com~ and said: "Palace Master, let's talk about the formation."

"What level of causal blood will you use this time?"

Xuanyuan Moxie was serious in an instant: "My God, I was planning to use the power of the forty-nine Zhan'er Peak Power..."

Tianji Taoist's eyes shrank: "What! Forty-nine Zhan'er peak! If you add the formation method, you can kill the strong below the sixth level of Chaos!"

"Who needs to be treated like this!"

Xuanyuan Moxie suddenly smiled: "It was really necessary to do this, but..."

He paused, and suddenly said coldly: "But with the appearance of the moon ring vision, all forty-nine people have broken through the chaos realm! And, 20 or 30 of them have awakened the ancient gods!"

"what!"

Tianji Taoist expression is extremely horrified!

He knew that Xuanyuan Moxie would use the blood-stained formation of cause and effect to kill someone!

Ye Chen!

He also roughly knows Ye Chen's strength. Although the blood-stained causal formation is terrible, Ye Chen should be able to sustain it!

But he overlooked one point!

Moon ring vision!

The power of the kingdom of God has broken through!

The key is that some of the forty-nine people have awakened, and their strength has skyrocketed!

Now, Ye Chen will definitely die!

...

Zhenlong Temple.

The guests dispersed long ago.

And the guarding formation of Zhenlong Temple has been opened.

Obviously, something big is going to happen!

The deepest part of Zhenlong Hall.

Zhao Gu looked at Bai Yuhuang with a solemn expression, and said, "Master, Ye Chen is too crazy!"

"It was a happy event, but he made it into this!"

"Unreasonable!"

"Master, you should kill him!"

Bai Yuhuang shook his head: "Leave aside Ye Chen's unfathomable strength, there are still people who will protect him above this grand ceremony."

Chapter 2696: That's horrible!

Zhao Gu's expression was strange: "Tu Lanxin?"

Bai Yuhuang shook his head: "People from the Qu family."

"The veiled girl who came with Qu Xueyong, try to investigate the identity."

"I couldn't check the cultivation level of this person. I thought it was a junior of the Qu family, but I noticed that Qu Xueyong was extremely humble in front of this person."

"And when I was about to do it, a wave of Ling Lie's killing intent gathered. Although it was hidden well, it was definitely not ordinary."

"You go investigate the identity of the woman."

"Of course, if there is force majeure to stop it, forget it."

Zhao Gu wanted to say something, but Bai Yuhuang interrupted: "I immediately retreat and refine the true dragon **** fire ball."

"As long as I finish refining, that kid will only be tortured by me even if he goes against the sky."

"Get down."

Zhao Gu's pupils were overjoyed, although what happened today was very aggrieved!

But when he thought that the appointed day was coming soon, and that Ye Chen would be suppressed and ravaged by that time, he felt joyful in his heart!

...

When Ye Chen returned to Shenji Sect, Yu Zhenzi and others also heard about Ye Chen's uproar at the Bai Yuhuang Grand Ceremony, and wanted to persuade.

But Ye Chen went straight back to his room and began to retreat!

Although Ye Chen was mad today, he could feel the crisis in Bai Yuhuang's body!

He doesn't know Bai Yuhuang's strength!

Although he can kill the powerhouse of the Chaos Fourth Layer in a second, Bai Yuhuang at least has the strength of the Chaos Fourth Layer, or even the Fifth Layer!

He must not despise it!

Eighteen days were fleeting.

The promised day is coming!

However, everyone in Shenjizong panicked!

Just because, in the past eighteen days, there have been many visions on the island of Zhenlong Temple!

Dragon dance rising!

But Shenjizong did not move at all!

Yes, there is no movement at all!

Ye Chen's room didn't even vibrate!

Let alone Thunder Tribulation!

Some people even wonder if Ye Chen is sleeping during this time?

Destroy yourself?

After all, what he has to face is the lord of a sect!

When everyone was panicking, Ye Chen's door suddenly opened.

A ray of sunlight hit Ye Chen's face.

Yu Zhenzi was a little excited: "Teacher, did you break through?"

Ye Chen shook his head and smiled slightly: "No."

At this time, everyone's hearts seemed to be hit by a stone.

That's it!

It's really over!

Ye Chen ignored everyone, looked towards a mountain peak that plunged into the sky, and muttered:

"The air outside is good. On the top of the gods, you should feel very comfortable basking in the sun."

All the elders and disciples of Shenjizong are like hell!

Bask in the sun?

Cozy?

When is this, still considering this kind of thing?

Ye Chen, he won't get into trouble, right?

...

The Kingdom of God, a place soaring into the clouds, is crowded with people at this time, which is quite lively.

Here is the pinnacle of the gods!

The pinnacle of the gods originally belonged to the management of the Shenmeng. On weekdays, let alone so many people, without the permission of the Shenmeng, even high-ranking forces cannot enter and leave at will!

Now, the reason why many people have come to the top of the ten thousand gods is because Ye Chen and Bai Yuhuang's half-year appointment is today!

Over the past tens of thousands of years, on the inaccessible mountain tops, at this time, the arena has been built, the protective circle has been erected, and the stands surrounding the circle, the seats of this stand are already crowded. The crowds of spectators, when you look at them, there are millions of people, right?

Not only that, on the top of the ten thousand gods, there is also a translucent purple spar, this spar is called Chuanyingjing! This is a huge shadow crystal screen.

Its function is to transfer the picture here to other crystal screens.

Similar to live broadcast on earth!

And this shadow crystal, under Bai Yuhuang's orders, has been arranged in the cities of the Seventh God Kingdom!

At this time, in front of Chuanyingjing in major cities, there are huge crowds of people, a piece of Wuyang Wuyang!

This battle has been preached in the kingdom of God for half a year, and it has been heated up. It can be said that almost all the warriors of the kingdom of God are watching this unprecedented battle!

At this moment, there was a majestic dragon roar in the sky!

Everyone was shocked. They looked up, and saw that in the high altitude, a blood-red, dragon-like, excellent-looking red dragon fell from the sky. On top of his head, stood a gloomy looking and cold eye. Man in white robe.

It is Bai Yuhuang!

Bai Yuhuang jumped down from the red flood, and landed steadily on the court, a light of excitement faintly flashed in his eyes.

How can you not be excited?

Ever since Ye Chen rioted his celebration ceremony, Bai Yuhuang has been thinking about revenge all the time since this time!

Today, it's finally time for revenge!

With the arrival of Bai Yuhuang, there was a burst of discussion in the audience.

Sitting in the front row, a group of warriors with great momentum looked at Bai Yuhuang, but frowned deeply!

These people are all high-ranking powers, geniuses, and extremely powerful!

One of them was a burly young man with a bronze complexion ~www.mtlnovel.com~ with fortitude and fighting spirit in his eyes. He shook his head and said, "Ye Chen, it's difficult!"

This person is indeed Sun Wuwang!

Today's Sun Wuwang is already at the top of the Chaos Realm! Among the young people in the seventh kingdom of God, they belong to the strong!

Although he did not awaken the ancient **** body, his fighting sacrament, after being refined by the Zhenshen Tower, is no longer weaker than the ordinary ancient **** body!

And the genius who has awakened the ancient divine body, although the speed of progress is extremely fast, but the foundation is unstable!

Therefore, now the first genius of Crazy Bone Sect is still Sun Wuwang!

"Difficult?" Huo Quan, the Sect Master of the Crazy Bone Sect beside Sun Wuwang, asked, "Wuwang, why do you say that?"

With an extremely solemn expression on his face, Sun Wuwang said, "Bai Yuhuang is stronger than half a year ago! Strong and terrifying."

"What!?" Huo Quan said in surprise: "How is it possible?"

After stepping into the Chaos Realm, every further step is extremely difficult. Even with the strong spiritual energy of the Kingdom of God, it is almost impossible to improve in just half a year!

Sun Wuwang's eyes flashed and said: "Although, I can't see his specific strength, but in his breath, there is obviously more than half a year ago, which makes me feel extremely dangerous, even scary!"

At this moment, in high school, a golden light flashed, and a young man with an indifferent expression fell from the sky and landed on the opposite side of Bai Yuhuang!

In the auditorium, there was another turmoil!

Ye Chen is here!

Many people were also worried that Ye Chen would not dare to come to the challenge!

But Ye Chen is here after all! Provoked the audience, a burst of excitement! !

Even the entire Kingdom of God, countless warriors who are watching Chuan Ying Jing, are all excited!

However, the strong ones in the audience of the first-class forces looked at Ye Chen with blinking eyes, and some even shook their heads slightly!

They could all see that Bai Yuhuang's breath was terrifying, but what about Ye Chen?

Not only the cultivation base, but also the slaying of the Evil Realm, even the breath has not changed!

Some first-class forces that have hatred with Ye Chen, even more, showed a mocking look!

Among the Xuanyuan family's feasts, a woman who was dressed quite coquettishly and with a face, but could only be regarded as a middle-upper, looked at Ye Chen and sneered: "Sister Xia, this is the name you called Ye Chen. , Killed Xuanyuancang's kid?"

A deep disdain flashed in her eyes: "I really don't understand, what did you think of him, that prevented us Xuanyuan from reporting to the Heavenly Dao Palace? This kid, for so long, his cultivation hasn't improved a bit, maybe he had it's a monster, now? Haha, it's just a trash. Presumably, it wasn't his own strength to defeat Xuanyuancang that day, right?"

Xuanyuanxia ignored this woman, but she also frowned slightly, Ye Chen's breath did not change much...

Could it be that Ye Chen is really going to die here today?

Shen Jinkun, the leader of the League of Gods, also shook his head and sighed: "I think Ye Chen would kill Hua Jingtao with a single sword during the Divine Light Ceremony that day. How dazzling and beautiful?"

Even people in the entire seventh kingdom of God think that he is the future of the kingdom of God, a new star that no one can stop, but the world is unpredictable, and no one knows how long a generation of enchanted evildoers will last..."

"Now, this peerless genius who once caused the entire kingdom of God to tremble, will be on the top of the ten thousand gods, like the gods that were destroyed here, and will fall?"

In his eyes, there were waves of vicissitudes of life, and he couldn't help thinking that back then, those gods who were beheaded by that mysterious young man, had he ever thought that he would die under the sword of a young man?

That young man, after killing Zhu Shen, stepped onto the Heavenly Dao Palace.

Time is too long.

very few people know.

And after the Tiandao Palace accident, this mysterious young man completely disappeared.

Everything seems dusty.

But everyone who witnessed that era was afraid.

At this moment, including the tens of millions of spectators in the stands, they all cast cold eyes on Ye Chen!

Although they couldn't feel the change of Bai Yuhuang's breath, Ye Chen's realm could still be seen!

Slasher? Hehe, maybe, it was a strong one in the past, but now it is everywhere in the kingdom of God!

With such a cultivation base, what can you do to fight Bai Yuhuang?

It's so funny!

There is no one on the top of the ten thousand gods, and Ye Chen is optimistic about it!

Ye Chen didn't care about everyone's cold eyes. In the past ten days, his cultivation level has indeed not increased, but has his strength improved?

How big is the harvest in these twenty days?

Ye Chen can confidently say that his strength has at least doubled!

When he was in retreat, he would completely refine the strange treasure he had swallowed in the Divine Origin Secret Realm!

The promotion of Shenyuan Bibao to him is the promotion that is integrated into the bone marrow, blood, and the foundation of martial arts. From the breath, it is naturally invisible!

At this time, Bai Yuhuang looked at Ye Chen, his eyes filled with delight! The original nervous mood was completely relaxed!

This waste, it seems that there is no growth at all?

The breath, nothing has changed!

Doesn't this mean that this life and death battle will be won by yourself!

However, Bai Yuhuang was not in a hurry to do it.

He looked at Ye Chen playfully and sneered: "Young Master Ye, do you know, where is under our feet?"

Ye Chen's face was faint and said: "The top of all gods."

Immediately, Ye Chen smiled again: "You are very good at choosing a cemetery for yourself."

The original noisy Summit of the Gods, for a moment, quieted down, so quiet, only the whistling wind remained.

The audience looked at Ye Chen with surprise on their faces.

They heard that right?

This Ye Chen thought he was that genius once?

Thought that this is the wild land where the town **** tower is located?

Thought that he could kill Bai Yuhuang like he killed Hua Jingtao?

Was it dazzled by the former glory?

Until now, haven't recognized yourself clearly?

Dare to pretend in front of Bai Yuhuang?

The next moment, the top of the pantheon, burst out loud laughter!

"This kid, haven't figured out the situation yet?"

"The first evildoer? Right now, there is only arrogance, can you still be called the number one?"

"He is not dead, who will die?"

Bai Yuhuang also laughed loudly, squinting at Ye Chen and said, "Have you heard? Did you hear these people's laughter? Don't you think you are like a clown?"

"Clown?" Ye Chen smiled coldly, "Then I want to know, my performance makes your two disciples dissatisfied?"

When Bai Yuhuang heard the words, his laughter stopped abruptly, and his murderous intent broke out instantly!

His eyes were bloodshot, raging, and could no longer be suppressed. His spiritual power was agitated, his face was full of blue veins and bulging, like a devil crawling out of hell, his face was extremely hideous, staring at Ye Chen firmly, and shouted: "Ye Chen~[www .mtlnovel.com](http://www.mtlnovel.com)~You are looking for death! Don't worry, I will not let you die so easily.

I will definitely torture you until you beg me for mercy, and beg forgiveness from Jingtao and Chenxin! At that time, do you think they are satisfied! "

As soon as the voice fell, Bai Yuhuang suddenly shot!

He flipped his wrist and the Longhui sword Xuanyuancang presented it fell into his palm!

At the same time, in the eyes, green lights flashed, countless green runes rolled, and purple scales appeared on the body, a pair of dragon horns grew from the forehead, and even the eyes turned into a pair of purple vertical pupils!

The shocking dragon erupts!

At this moment, the tens of thousands of warriors on the pinnacle of the gods, their brains, are in chaos!

They seemed to have fallen into a distorted world. In this world, the only thing they could feel was a figure...

A figure of a dragon with purple scales all over!

The dragon occupies their entire soul!

Countless warriors, in an instant, their robes were wet with cold sweat!

At this moment, where is the Bai Yuhuang standing in front of them?

Obviously, it is an indescribable dragon!

At one end, one can't help but worship the supreme dragon!

Is this the coercion and shock brought by higher beings?

Too scary! Too shocking!

The people who felt the breath of the true dragon looked at Bai Yuhuang's eyes, and they had completely changed!

They didn't know what Ye Chen used to defeat this existence!

Even the people who originally supported Ye Chen became startled and uncertain!

Along with that dragon aura surged, there was also the aura of Bai Yuhuang's Chaos Realm!

Surrounding the fighting arena on the top of the ten thousand gods is a special protective array, which is enough to withstand the attacks of the existing warriors on the peak of chaos! But now, this light curtain flashed violently under the impact of Bai Yuhuang's breath!

Chapter 2698: The silence on the top of the pantheon!

He is full of spiritual power and the billowing dragon power, madly poured into the dragon sword in his hand!

That Longhui sword burst out with a clear sound like a dragon's chant, and its radiance was instant!

With a cruel look on Bai Yuhuang's face, he whispered: "Zilong Shengguang Slash!"

A sword came out, the purple light shook the sky, and the sword intent surged, as if the Milky Way above the nine heavens overflowed, boundless spiritual power, rolling dragon might, strong sword intent, converging into one, transforming into a purple dragon, roaring up to the sky, engulfing the power of extinction, Turn to Ye Chenteng!

The protective light curtain, under the shining purple light, was instantly covered with cracks. In the void, black light permeated, the law of martial arts, crazily collapse, and annihilated aura, covering the entire summit of the gods!

In an instant, everyone's consciousness was transformed into nothingness in the power of this sword!

This sword seems to have broken through the extreme of the sword!

At the same time, everyone has an illusion!

One kind, as if returning to the ancient times, as if witnessing the decisive battle between the strong and the gods!

Ye Chen looked at the purple light that had come, and his pupils shrank!

This sword has been broken through many investigations, and it has been displayed through Bai Yuhuang's current cultivation base, combined with the blessing of the Bauhinia Holy Dragon Body, and it is so powerful that it can't even be described in words.

"Ye Chen!"

The children of Yuzheng, Sun Yi, Tu Lanxin, Chu Ying and other women all exclaimed!

Rao is that they are full of confidence in Ye Chen, under the power of the purple sword dragon, they can't help but become nervous and worried!

And the audience, as well as those of the first-class powers of the Kingdom of God, looked at Ye Chen with different gazes, but they all looked at Ye Chen with pity, ridicule, regret, and happiness!

No one is optimistic about Ye Chen!

It can even be said that even though this sword has not completely fallen yet, they have already seen Ye Chen's burst of blood mist under the purple light!

At this moment, Ye Chen moved!

The Qinglian Sky Destroying Sword appeared in Ye Chen's hands at some point! There are tiny cracks all over the sword body. These cracks are the incarnation of his body, using the Qinglian Tiantianjian to hardly carry the ghost of the falling ghost.

However, this is not to say that Qinglian Sky Destruction Sword can no longer withstand attacks at this level.

The main reason is that the power of the incarnation outside the body is much worse than that of Ye Chen! And the sturdiness of the Qinglian Mietian Sword is supported by the strength of the flesh.

"Only I Lingxiao, Tushen breaks the sky!"

Ye Chen gave a low cry, the meaning of true martial arts swept out like a hurricane, and the golden light flowed all over his body, and the power of breaking the sky rushed through the meridians. At the same time, the God and Demon Reincarnation Art was operating to its limit. On the body surface, seven blood lights burst out. Out!

A powerful sword intent, soaring into the sky, a very cold sword light, like thousands of stars, fell from the sky, with endless destruction, and slashed towards the purple sword dragon with its teeth and dancing claws!

There was a bang, a loud noise, a protective light curtain, crazy shaking, and even the peak of the ten thousand gods was in turmoil! It seems that there is actually a danger of collapse at any time!

Just the aftermath of the fight between the two sides is so terrifying!

But at this time, no one of the warriors on the top of the ten thousand gods exclaimed!

why? Because they were all shocked by Ye Chen's sword! I can't say anything!

At this time, Ye Chen sneered in front of him, standing in the arena with good grace. Although there were deep cracks in the ground under his feet, Ye Chen, let alone turned into a blood mist, was almost unharmed!

Ye Chen's sword actually wiped out that sword that seemed to destroy the world and was extremely terrifying?

Those who mocked and waited to see Ye Chen die, at this time, the expressions on their faces were completely frozen!

Ye Chen actually possesses the strength comparable to the Palace Master of Zhenlong Palace...

The coquettish woman of the Xuanyuan family, at this time, her mouth was wide open, her eyes were full of incredulous colors, how could this waste of the Evil Realm be so strong? It's incredible!

Her martial arts talent is also extremely outstanding, she is also an ancient **** body genius, but not as good as Xuanyuanxia!

Originally, she wanted to use Ye Chen to suppress Xuanyuanxia's status in the clan!

But now it seems! If it weren't for Xuanyuanxia, the Xuanyuan family might have suffered a great deal, and even severe damage would be possible!

The Patriarch of the Xuanyuan Family swallowed and said, "Xia...Xia'er, you did a good job this time. The ancient treasure of the Xuanyuan Family belongs to you..."

When Xuanyuan Xia prevented him from informing the Heavenly Dao Palace, he was still dissatisfied. After all, Xuanyuan Cang was the hope of the Xuanyuan family's rise! That's it? Can he not be angry and want to kill Ye Chen?

But now, he is thankful!

Although Tiandao Palace has a connection with the Xuanyuan Family, the connection is not deep!

After all, the rights of Tiandao Palace did not belong to the Xuanyuan family from the beginning!

Xuanyuan Moxie could only help secretly if he wanted to help!

It is even more impossible to use the power for the Xuanyuan family in full view!

He was fortunate to have heard Xuanyuanxia's words! Otherwise, even if the Xuanyuan family has several ancient gods and geniuses ~www.mtlnovel.com~ and several ancient powerhouses whose strength is still above Xuanyuancang, there is no possibility that they will retreat from Ye Chen's hands!

Xuanyuanxia said with joy upon hearing this: "Thank you Patriarch!"

That ancient gem, the entire family, there is only one, it is of great use to her ancient god-body genius!

And the fascinating woman, there was a burst of resentment flashing in her eyes, staring at Ye Chen firmly, and coldly snorted: "Huh, it's just blocking a sword, I don't believe this kid can be the opponent of the White Palace! "

If it wasn't for Ye Chen, how could Xuanyuanxia get that ancient gem so easily?

At this time, many people looked at Bai Yuhuang, but couldn't help being surprised.

The Extreme Sword Dragon was wiped out by Ye Chen's sword light, and Bai Yuhuang's expression was faint, as if he had expected this result long ago!

He didn't say much, just yelled: "The body and the sword are one, the dragon is shaking the sky!"

Above the Longhui sword, the purple light surged, and Bai Yuhuang's body was trembling with dragon power. A ghost of the dragon flashed from behind him, making a high-pitched dragon roar. The next moment, he was carrying the sword together, turning into a purple Stegosaurus, turned to Ye Chenteng!

Bai Yuhuang's sword was integrated into one, and the purple sword dragon that turned into a purple sword was actually three points stronger than the sword just now!

Ye Chen had a faint smile on his face, a long sword danced, the power of true martial arts lingered around his body, accompanied by sword light, huge power swayed, and the sword dragon, fighting in one place!

For a time, the sword light flashed, the dragons danced, and the void continued to shatter. The martial arts laws of the Seventh God Kingdom seemed to be trembling, thunderbolt on the clear sky, **** gusts, and all kinds of unimaginable visions, appearing on the top of all gods!

It seems that the entire world will be beaten to pieces by Bai Yuhuang and Ye Chen!

Those audiences looked dumbfounded, except for dullness, they were still dull! The pinnacle of the gods fell into silence!

Chapter 2699: Beheaded!

Originally, many people came to watch the battle, hoping to get some inspiration from the fight between the two!

But now, everyone's mind is blank!

I can't understand it at all! The martial arts of the two had exceeded the level they could understand!

The only thing they can feel is terror!

Not only the top of the ten thousand gods, but the entire seventh kingdom of God is deadly silent! As if suddenly, entered a silent world!

All the warriors in the kingdom of God, looking at the battle screen on the shadow crystal, all reacted like those audiences!

In an instant, the two had already fought hundreds of moves. At this moment, the Purple Light Sword Dragon suddenly roared, bursting into pieces with extremely sharp sword lights all over the body!

The silhouettes of the two are divided at the touch of a touch!

Bai Yuhuang stood in the air, looking at Ye Chen, with a sarcasm smile on his face and said: "Sure enough, I didn't shoot you 20 days ago. That's right. At that time, I was not sure to kill you."

Ye Chen's expression was indifferent, and he said playfully, "Oh? So, are you sure to kill me now?"

"Hahahahaha!" Bai Yuhuang suddenly laughed wildly, looking at Ye Chen extremely grimly, his eyes seemed to be pitiful Ye Chen's ignorance, "Boy, you are indeed surprising, unexpected, even I can't see Where is your limit?"

"But you don't really think that this deity is not prepared for this life and death battle, right?"

"Do you think that if you can block the sword light of the deity, you will be invincible? Do you think this is my full strength?"

"To tell you the truth! This deity just didn't want to kill you too quickly. If I try my best, you won't be able to hold it for a second, do you know?"

"Really?" Ye Chen's eyes flickered, and a faint smile appeared on his face. "Your two disciples wanted to torture me before they died?"

Bai Yuhuang smiled sullenly and said, "Hehe, I hope you can continue to be arrogant in a while."

The next moment, Bai Yuhuang's whole body was exuding an incredibly hot breath. He opened his mouth and spit out a red, crystal-clear bead wrapped in golden flames!

As soon as this bead came out, the temperature around the pinnacle of ten thousand gods instantly increased countless times! Even the air seemed to be distorted by the hot breath!

At the same time, the flames outside the bead twisted, turning into a fire dragon, hovering over the bead!

What is more moving is that even the protective light curtain has faint traces of melting!

This crimson round bead was just released by Bai Yuhuang, and the fiery aura that it exudes has such power!

Many martial artists onlookers, even the countless martial artists of the Kingdom of God who were watching this duel, couldn't help but took a breath!

What a terrible fire power!

What fire power is this!

Now, Bai Yuhuang actually took out a bead containing such a powerful flame?

At this moment, the audience in the Arena suddenly stood up several figures, looked at the ball with trembling eyes, and exclaimed in unison: "True Dragon God Fire Ball? It turned out to be True Dragon God Fire Ball!"

"True Dragon God Fire Ball?" Someone looked at those people puzzledly, "What, is True Dragon God Fire Ball?"

A chaotic expert, with an extremely solemn expression, looked at the bead in awe, and his voice trembled uncontrollably: "The ancient martial arts is far from comparable to this era. In the ancient times, the different fire ranks are extremely powerful!"

"Above many different fires, there is also a sacred fire! Only a sacred fire is the ultimate fire that is truly trembling and can burn all things! The fire repair that possesses the sacred fire, even in ancient times, is the existence that scared countless warriors and avoided !"

"However, even in the ancient times, sacred fires are extremely rare. There are only thirty-three types of sacred fires in the ancient sacred fire list!"

"Among them! The true dragon and sacred fire contained in the true dragon sacred fire ball ranks thirty-first!"

After speaking, he swallowed, and even couldn't help but want to leave!

Don't underestimate the thirty-first! The flames that can enter the list are the existences that scared countless ancient Xeons!

Ancient **** fire warrior, but the existence of thousands of miles burned away! Even if the cultivation base is much higher than his martial artist, he must avoid it by three points!

And Shenhua, can the slasher be able to resist it? Even if it is contaminated with a trace, it will only turn to ashes!

When the people of the God-level Sect heard this, their faces were as gray as death, and their eyes were full of despair!

All the martial artists of the gods shook their heads, looking at Ye Chen's eyes with sadness, Ye Chen, too bad luck!

Ye Chen is indeed very strong, enough to be called the number one evildoer among the youth of the Kingdom of God, but who would have thought that Bai Yuhuang possessed a true dragon **** fire bead handed down from ancient times?

No matter how defying the sky, it is impossible to withstand the ancient sacred fire, right?

On the top of the ten thousand gods, there were unknown warriors who slaughtered all the gods to prove the killing, but how many amazing people have been through the ages?

However, there was only one mysterious young man, not even his name!

The seductive woman from the Xuanyuan family saw this, and smiled with exultation: "Hehe, this kid, as expected, he still has to die, even God is not willing to help him!"

Even Ye Chen looked at the true dragon **** Fire Ball, his expression changed drastically!

"Damn it! What a miscalculation!" Ye Chen's pupils contracted, staring at the divine fire bead, his teeth clenched, and the muscles all over his body tightened!

This true dragon **** fire ball actually gave him a very dangerous feeling!

Even, not much better than when facing the phantom of the falling spirit!

In other words, even with his current physical fitness, facing this true dragon and sacred fire, he is likely to die!

Bai Yuhuang looked at Ye Chen's expression, extremely happy!

This kid is finally scared?

He didn't rush to take action, but smiled playfully: "Boy, I will give you a chance now. If you kneel down, admit your mistakes and apologize to my two lovers, deity, maybe you can spare your life? "

He naturally wouldn't let Ye Chen go, but if he killed Ye Chen like this, wouldn't it be cheaper for him?

He wants Ye Chen to be humiliated, and everyone in the kingdom of God will see Ye Chen humiliated!

Let everyone remember Ye Chen's ridiculous appearance!

After Ye Chen was silent for a moment, his expression faintly spoke: "Hall Master Bai, he is really forgiving..."

Everyone was stunned, Ye Chen, what does this mean?

Could it be that this extremely proud Ye Chen, Ye Chen, known as the Demon God, really wanted to kneel down and apologize to Bai Yuhuang?

Even Bai Yuhuang~www.mtlnovel.com~ looked at Ye Chen somewhat unexpectedly, and immediately, the disdain on his face became more intense!

At the corner of his mouth, a smile suddenly appeared: "Hall Master Bai, if you are willing to give me a chance..."

Everyone stared at Ye Chen, and many people were disappointed in their eyes!

It turns out that the demon **** Ye Chen is also a person who is willing to bow his head for his life...

The next moment, Ye Chen's eyes flashed a fierce expression, and he shouted angrily: "In this vast land, who dares me to apologize to Ye Chen!"

At this moment, Ye Chen exudes an extremely solemn atmosphere! A breath that will never shrink even if death is right in front of you!

Want him to kneel and apologize?

If he were to kneel, he would have already kneeled countless times when he walked this way!

Ye Chen, in the fantasy realm of the gods tower in that town, has experienced thousands of years of battle between humans and demons, how many times has he fallen on the brink of death?

Did he beg for mercy?

No!

Not once!

Death, for others, may bring fear, but for Ye Chen, it is just a joke.

Ye Chen, who has defeated death countless times, how can he be afraid!

After that temper, Ye Chen's Dao Heart has become invincible!

"Jiwu: God flash!"

With a movement of his body, he rushed directly towards Bai Yuhuang in the air, his spiritual power surged, his suffocating energy rushed into the sky, and the sword light broke out. It instantly pierced everyone's eyes, and the violent power gathered on the long sword. With Bai Yuhuang, beheaded immediately!

And at the moment of this sword killing, a painful dragon chant sounded in an abyss in the Nine Heavens God Dragon Palace!

Thunder and lightning!

Under the light of lightning, there was a short flash of light.

Under the abyss, a blood dragon was eating the body of a huge monster.

Every time a bite, the blood dragon's breath and flesh increase by a few points!

This sword has reached Ye Chen's peak!

But in the face of this sword, Bai Yuhuang smiled disdainfully: "I don't know whether to live or die."

He quickly reached for the true dragon **** fire pearl floating in front of him, and a dragon chant suddenly sounded above the **** fire pearl, almost teleporting, and appeared in front of Ye Chen, the fire dragon dragon mouth entrenched on the crystal pearl. One, spit out a scarlet fireball!

At this moment, time seems to stand still!

Ye Chen looked at the fireball the size of a thumb and shot at him at a terrifying speed, but his pupils trembled fiercely!

WINK to \$1: Secure Your Spot Now!

The speed of this fireball is terrifying!

Before this sword fell on Bai Yuhuang's head, he would be hit first!

What made him even more frightening was that the bursting energy contained in this fireball actually made his heartbeat speed up frantically!

This seemingly inconspicuous fireball, if Ye Chen resisted, he would die!

His arm muscles crazily contracted and twisted within a ten-thousandth of a breath. The sword that was originally slashed at Bai Yuhuang, the sword's edge turned, and it blasted towards the scarlet fireball!

At the same time, the blue light burst out all over, turning into a blue chain, lingering all over!

The flames of sword glow, in the void, are tumbling to each other, annihilating the aura, like a tornado, raging on the top of the gods!

Boom!!!

A huge explosion resembling the beginning of the universe, resounding above the top of all gods! The entire kingdom of God was in a violent tremor!

The dazzling light that burst like a supernova collapsed in the kingdom of God, and even this light was so strong that it broke through the barrier of space!

Kingdom of God, in a forbidden place.

A young girl's slender hand, holding a sword, cut off a huge monster beast.

Her whole body was covered with bursts of starlight.

This is the light of the reincarnation star stone!

And this girl is Xia Ruoxue.

Xia Ruoxue was a little nervous looking at everything that came in the screen.

On her pretty face, a very shocking look appeared, looking at the gorgeous brilliance blooming in the sky...

I don't know why, there was an ominous premonition in her heart...

The next moment, the shadow crystals of the entire kingdom of God burst and shattered one after another, and the many warriors of the kingdom of God screamed in horror!

And at the top of the ten thousand gods, the already scarred protective light curtain burst into pieces instantly!

Many of the warriors present suddenly changed their complexions and exclaimed, "No!"

These people flashed in their bodies and appeared in the sky above the martial arts arena, and their spiritual power burst out without reservation, and joined hands to suppress the aftermath of the collision of the sword and fireball!

They clenched their teeth tightly, their faces were struggling, but it was just an aftermath of suppressing them, and, with so many people joining hands, they were already sweating! It can be seen how terrifying the collision was!

After a while, the light diminished, everyone fixed their eyes and looked towards the center of the fighting arena!

I saw Bai Yuhuang still floating in the air, with some scars on his body, but it didn't look serious. Although he looked quite calm on the surface at this time, he was already panting slightly. Obviously, using the God Fire Orb, Even with the chaos realm cultivation base, it is not that easy!

And what about Ye Chen?

The crowd swept across the fighting arena, searching for Ye Chen's trace.

Soon, all the warriors shrank their pupils!

In the fighting arena, there appeared a huge pothole!

A scorched figure lay at the bottom of the pothole!

"Ye Chen!!!" Chu Ying, Tu Lanxin and the other women all exclaimed in a heartache, a pair of beautiful eyes, instant blood red, crystal tears, flashing in their eyes.

Ye Chen, this evildoer who shook the kingdom of God, is it just so dead and fallen?

Everyone looked at the charred figure, almost turned into coke...

Even if Ye Chen goes against the sky and becomes like this, he won't survive, right?

at this time!

The fingers of the scorched black figure suddenly moved!

Bai Yuhuang raised his eyebrows, even if he tried to suppress it, there was still a strange color in his eyes! He glanced at the God Fire Orb, the attack just now consumed too much, and it will take a while to recover!

When everyone saw this, they held their breath, and an unacceptable thought surged in their hearts...

Ye Chen, did he survive?

The pinnacle of the gods fell into a strange silence.

The next moment, the scorched black figure slowly stood up, and the burnt flesh and blood fell off the body surface, revealing bloodstained skin!

Ye Chen at this time looks terrible!

Ye Chen's eyes flashed wildly, just now, he almost died a little bit!

When he slashed out that sword, he fully used the forbidden spirit body and the red dust divine veins, turning them into chains for defense. Even so, there was only half a breath left. If there is no **** sloughing technique, even I can't hold even a few breaths!

However, the damage he received was so great that even with the technique of the **** sloughing, he could not fully recover, and he became such a state of declining vitality~www.mtlnovel.com~ even more than during the battle with Kongxian. More serious!

However, even so, his gaze fell on the Qinglian Heaven-extinguishing Sword beside him, and he stretched out his hand and drew the long sword out!

As long as Ye Chen still has a breath, he will never bow his head and give up!

But at the moment when Ye Chen pulled out the Qinglian Destruction Sword, a cracking sound broke the silence on the top of the ten thousand gods. Ye Chen looked at the Qinglian Destruction Sword in his hand in disbelief. Created by Tianshi, under the blessing of his endless strength, in terms of the degree of hardness, a magic weapon far surpassing many weapons, under Ye Chen's gaze, it turned into smash...

The Qinglian Sky Destroying Sword is broken!

"Hahahahaha!" Bai Yuhuang in the sky saw this and laughed mockingly: "Trash, your life is hard enough? Isn't it dead?"

"The True Dragon God Fire Ball contains the will of the Nine Heavens God Dragon Palace!"

"However, the fate of your garbage weapon is a true portrayal of you!"

Bai Yuhuang's smile became more and more ferocious, and his body recovered!

He pointed at the true dragon **** fire bead, surging with spiritual power, and madly poured into it!

"Boy, turn this deity into ashes, and the souls of the dead are bound here, live forever, and be tortured!!!"

The fire dragon entrenched on the True Dragon God Fire Ball uttered a high-pitched dragon roar, opened its mouth, spit out a scarlet flame, and flew towards Ye Chen!

"Damn it, old man, what do you do now!"

Ye Chen stared at the incoming flames, his face was extremely ugly!

With his current state, withstand the fireball level attack again, only death is possible!

The spiritual power remaining in his body is running at a fast speed, and his figure is trembling slightly, he must use his body skills to avoid it!

But at this flame speed, sooner or later, he will be caught up by the flame!
