Urban 2721

Chapter 2721: Shocked!
Not only was he not angry, on the contrary, there was a glimmer of joy in his eyes!
"Ye Chen?"
Yang Chiyuan's eyes flickered, and on his face, he said with a very proud smile: "Why, think about it clearly, are you willing to be the servant of the deity?"
Huayang Sect was completely silent for an instant!
After that, there was the sound of cold breath one after another!
Everyone of Huayang Sect's eyes were bloodshot, and their eyes almost turned into poisonous needles.
They pierced into Ye Chen's body. They were shocked and looked at Ye Chen jealously!
why?
why? Why did this kid named Ye Chen offend Senior Yang so much? Not only did Senior Yang not get angry, but instead gave him a chance to soar into the sky!

Even the Sect Master had no chance to become Senior Yang's servant, this kid, just got it so easily? What does it mean to be a servant of Senior Yang? Senior Yang, so far, no servant has received it, because, this is not an ordinary servant!

That is the real one below ten thousand people!
Yang Xiuming was horrified, staring at Ye Chen bitterly, why is this kid?
Ye Chen must die, otherwise, he will definitely shake his position!
In the hearts of everyone, Ye Chen would immediately agree as long as his mind was okay, but after they waited for a long time, Ye Chen did not speak!
Everyone's eyes gradually widened
I saw Ye Chen, slowly stretched out a hand, on the palm, the brilliance condensed, forming a strange rune.
What are you doing
Isn't that rune engraved by a slave?
Isn't that rune engraved by a slave? Even Yang Chiyuan frowned slightly, wondering what Ye Chen meant?
Even Yang Chiyuan frowned slightly, wondering what Ye Chen meant?
Even Yang Chiyuan frowned slightly, wondering what Ye Chen meant? Ye Chen stared at Yang Chiyuan, smiled, smiled faintly, but his eyes became cold.
Even Yang Chiyuan frowned slightly, wondering what Ye Chen meant? Ye Chen stared at Yang Chiyuan, smiled, smiled faintly, but his eyes became cold. He slowly said: "Now I will give you two choices." "One, take the initiative to accept this slave's engraving and be my servant, second, I can't refuse to be

The dignity of ancient existence cannot be offended by anyone!
Yang Chiyuan looked at Ye Chen with a cold smile.
It seems that being a human being cannot be too kind
"slave?"
The red and green rays of light in Yang Chiyuan's eyes suddenly sparkled: "Ye Chen, you forgot what your deity looked like so quickly?"
"Or, you didn't play well last time, so came you again?"
The engraving in Ye Chen's hand disappeared, and he said lightly: "It seems that you have chosen the second one."
He stared into Yang Chiyuan's eyes, recalling everything that Yang Chiyuan had done to him back then, a trace of evil flashed in his eyes
Ye Chen, is a person with clear grievances and grievances, who has gratitude, will avenge, and hate, even more!
In the next moment, Ye Chen moved towards Yang Chiyuan!
The warrior of Huayang Sect, his eyes trembled, Ye Chen actually shot Yang Chiyuan!
And, still bare-handed!
To a Chaos Realm existence, shot with bare hands!

Suicide is not so suicidal, right? Many people couldn't help laughing, "This kid, is there no place to die? Come to my Huayang Sect to commit suicide?" "Still a slave? Still fighting? A trash from the third-tier heaven of Slashing Evil, speaking to the ancient existence like this? What a big joke!" "It's estimated that there is a problem with your brain? Unable to shoot Senior Yang with bare hands? Haha, do you regard yourself as a god?" Ye Chen smiled sorrowfully. He was always very reasonable. On that day, Yang Chiyuan shot him with his bare hands. It is fair for him now to crush Yang Chiyuan with his bare hands, right? "Jiwu: Heavy punch!" Ye Chen was full of surging spiritual power, the power of breaking the sky, rushing in the blood, the reincarnation of the gods and demons circulated, and the seven blood lights appeared on the body surface! A black light exuding an aura of extinguishment condensed on Ye Chen's fist peak! The fist was violent, everyone only felt that the whole body's bones were broken in this heavy, violent fist! For an instant, the Huayang Sect who had originally disdained them, their faces were filled with horror!

The whole body trembled crazily, and even many people completely fainted under the breath of Ye

Chen!

What is this breath?

Is this still the breath that humans can have?

Immersed in Ye Chen's breath, the entire world seemed to be distorted, and only Ye Chen remained between the heaven and the earth!

Originally, in their eyes, it was Ye Chen who was looking for death, and in an instant, he turned into a existence like a **** and demon!

On Yang Chiyuan's face, the original contemptuous smile dissipated completely, looked at Ye Chen in disbelief, and instantly held a Chijin spear!

This punch actually made Yang Chiyuan, who had already broken through the sixth layer of the chaos realm, felt extremely dangerous!

With a movement, he leaped towards the sky, the blazing sun was in the sky, and Yang Chiyuan's figure seemed to blend into the sun!

"Holy Sun Spear!"

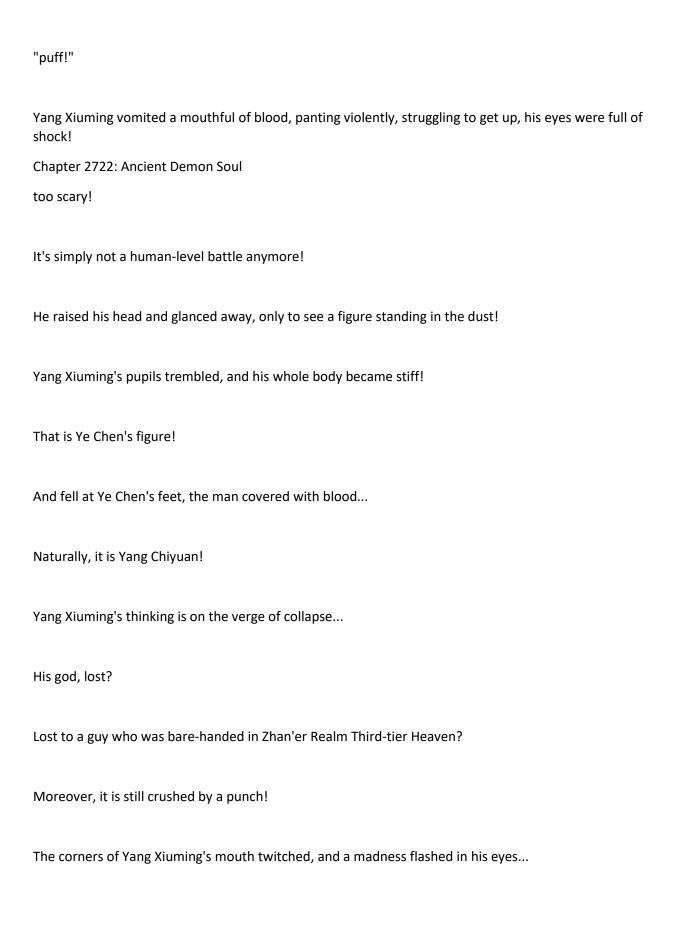

Yang Chiyuan gave a violent shout All his spiritual power was poured into the spear in his hand, absolutely strong spear intent, like a torrent, filled the world!

Yang Chiyuan at this time seemed to be the supreme blazing sun!

A golden ray of light condensed on the tip of the gun, containing incomparable bursting energy, and Yang Chiyuan's figure also flew down toward the ground, turning into a sharp aura that carried forward and penetrated everything. Streamer, towards Ye Chen, bombarded away!

In an instant, Ye Chen's fist and Yang Chiyuan's spear collided!

With a bang, strong energy swept out towards the surroundings, a group of Huayang Sect warriors vomited blood and were seriously injured, and the entire Huayang Sect's numerous buildings collapsed in an instant!

Huayang Sect, it is no longer possible to be the number one power in the Kingdom of God
It is no longer possible for myself to be under one person and above ten thousand people
His dream is broken, everything is over!
As the saying goes, the higher you hold, the worse you fall!
Yang Xiuming's Dao Heart is about to collapse!
Ye Chen would naturally ignore these.
He looked at his feet, the dying Yang Chiyuan, did not directly plant the slaves to engrave, but said lightly: "You, have you taken it?"
Yang Chiyuan at this time, on his face, was a little self-deprecating
Originally, he thought that he would be able to cope with the situation in front of him by stepping into the sixth layer of the Chaos Realm
Who would have thought that Ye Chen would be crushed by Ye Chen just after leaving the customs?
He heard Ye Chen's voice and he was taken aback.
Now his consciousness is going to be blurred. If Ye Chen planted the engraving at this time, he could not resist at all.
But Ye Chen didn't do this
Ye Chen, gave him one last respect

Although Yang Chiyuan was proud, he came from ancient times. It was an era that was countless times more cruel than the kingdom of God today.

He really understands the truth that the strength is respected, and the weak can only bow to the strong.

The most important thing is that he was truly impressed by the strength of Ye Chen's punch!

When facing that punch, all he felt was extreme fear and cold death!

He knew that if Ye Chen wanted to kill him, he was already a corpse now.

Ye Chen is qualified to be his master!

Immediately, he braced his severely injured body, half-kneeled on the ground, and bowed his head and said, "Young Master Ye, I'm taking it down. From today onwards, Yang Chiyuan, let Young Master send him!"

Ye Chen threw a token to Xiangyang Chiyuan, turned around and left, and said lightly: "I have something to deal with, you take care of Shenjizong for me."

He didn't plant the engraving, Ye Chen never liked to use this kind of thing to restrain people, and he was confident, Yang Chiyuan did not dare to disobey him!

Yang Chiyuan was taken aback, and then he was overjoyed. Although he had accepted his failure, no one liked to be engraved by a slave.

Especially, in terms of his pride, if he were not completely conquered by Ye Chen's strength, even if he died, he would not bow his head.

At this moment, he looked at Ye Chen's leaving back, his eyes filled with respect and gratitude!

Ye Chen, this can be regarded as a grievance with virtue!
Yang Chiyuan secretly made up his mind, from now on, his life will belong to Ye Chen!
"Follow the son's order!"

Ye Chen nodded slightly and his eyes flickered. Now the situation in the Kingdom of God is chaotic. Although he fought on the top of the ten thousand gods and shocked the entire Kingdom of God, who can guarantee that there will be no second and third Bai Yuhuang appear?
He still has something to do now, he can't stay in the sect, but if he is not there, what will Shenjizong do?
Although Tu Lanxin's strength is not weak, but in the current kingdom of God, it is not considered top, Ye Chen can't completely rest assured.
However, Yang Chiyuan is different!
Yang Chiyuan, as an ancient powerhouse, his own martial arts is much stronger than today's divine kingdom warriors!
What's more, today's Yang Chiyuan has broken through the sixth heaven of Chaos Realm!
Next, absorb external energy! Will break through faster!
For the time being, it should be enough to sit in Shenjizong!

The token he gave to Yang Chiyuan just now was the token that Yuzhenko gave him.	
···	
A day later, Ye Chen stood in the air, looking down at his feet blankly, a deep valley covered by miasma.	
Here is the deep valley where he and the demon worshiper fought against each other.	
Now, what he has to do is to continue to finish what he did not finish last time!	
Last time, because of the encounter with Yang Chiyuan, he was seriously injured and was rescued by Tu Lanxin. After that, he directly entered the mysterious realm of God Source.	
According to Tu Lanxin's statement at the time, with her strength, it was impossible to enter the temple in the deep valley. According to her inference, to force entry into it, at least the strength of the Chaos Realm was required!	
Moreover, it may be dangerous!	
Therefore, after Ye Chen returned to Shenjizong, he temporarily gave up the idea of continuing to investigate.	
However, Ye Chen now has confidence that even if he faces the demon soul deity, even if he loses, he should have the power to protect himself!	
Immediately, Ye Chen rushed into the miasma with a move, and walked quickly.	
Soon, his eyes lit up and he found a temple exuding wild, bloody, weird, and ancient atmosphere!	
Ye Chen stared at the entrance of the temple, after a moment of pondering, he stepped into it.	

The moment Ye Chen entered the temple, several blood lights lit up in the darkness!
Ye Chen's pupils shrank, they were **** eyes!
Could it be that the Demon Soul has been resurrected?
He flipped his wrist and held a blood-colored long sword, and his whole body was surging with spiritual power, the meaning of true martial arts, filled the whole temple, and the cold sword intent instantly enveloped the figure in the darkness!
He doesn't have any weapons to take advantage of, and he should use the things left by his predecessors to build his own weapons.
"Roar!!!"
In the darkness, there were several inhuman roars, several black shadows, and they rushed towards Ye Chen!
A fishy smell, following the rushing black shadow, poured into Ye Chen's nose!
Ye Chen frowned slightly and said, "Poisonous?"
This smelly gas, if it is an ordinary warrior, I am afraid that it will not be able to bear it?
However, with Ye Chen's physical quality, he could naturally ignore it.
Soon, several human figures with withered bodies, black and purple all over, with hideous faces, and bursts of devilish and lifeless human figures appeared in front of Ye Chen's eyes!

There was a hint of surprise in Ye Chen's eyes. These figures were not demon clan, but demon corpses corrupted by demon energy! Judging from the demon qi exuding all over them, I am afraid that they are the demon worshippers who once served the ancient demon soul here!

Those demon corpses have completely lost their minds at this time and become monsters who only know how to kill. Even if Ye Chen's strength is much higher than them, there is no fear at all. The blood-red eyes are full of desire for flesh and blood, crazy The ground swarmed up!

These demon corpses were originally chaotic warriors. After being corrupted by devil energy, their bodies became extremely stiff, with immense power, and their strength skyrocketed several times!

However, for Ye Chen, it was nothing.

The cold light flashed in his eyes, a cold snort, a dance of the long sword, and the light of the sword swayed. In an instant, these demons were drowned!

Although the body of the demon corpse is extremely tyrannical, how can it withstand Ye Chen's extreme sharpness, which can almost cut the martial arts law out of the cracks?

Several short screams echoed in the temple, followed by the figure of the demon corpse, dissipating in the darkness.

Having wiped out these demon corpses Ye Chen did not show any joy, but continued to move forward with a deep complexion, deep into the darkness.

Since these devotees have been turned into corpses, that is to say, the soul of the ancient demon no longer needs them...

Thinking of this, Ye Chen took a deep breath, speeding up a bit.

Soon, he came to the main hall of the temple, where the hideous statue was placed.

Ye Chen appeared in front of the statue with a flash, and the power of the powerful soul poured out. After a while, he sighed: "Sure enough, this demon soul has already broken the ban..."

Now, the soul of this ancient demon is lurking in the kingdom of God!

If he finds a suitable body and adapts to it thoroughly, even the current Ye Chen is not sure that he can be killed...

Chapter 2723: Predecessor's bureau

Ye Chen turned around and walked out of the temple. This matter must be known to the warriors of the Kingdom of God and find the Demon Soul as soon as possible. Otherwise, the disaster of extinction is approaching, and his existence is likely to be a threat. The hundreds of millions of creatures in the entire kingdom of God!

Fortunately, judging from the remaining aura, it was not long before the devil soul broke the ban and left. If he can be found in time, Ye Chen is sure to kill him!

But at the moment Ye Chen turned around, the ancient demon statue behind Ye Chen suddenly burst out of purple light in his eyes, and the entire temple was immersed in the rich purple light!

"What!" Ye Chen exclaimed, his figure flashing, he was about to rush out of the temple, but!

The strong spatial power flows in the temple, this entire temple, after being arranged by the ancient demon for so many years, turned into a spatial array!

At the next moment, Ye Chen only felt dizzy in his head, and the surrounding scenery quickly changed.

At this moment, Ye Chen swept his eyes around, and his eyes gradually showed a strong shock...

Here, the sky is gloomy, a round of dim gray-white sun, hanging in the dark clouds, the earth is blue and black, all kinds of strange shapes, unheard of strange flowers and trees, jump into your eyes!

Here, it seems that it is not in the realm of God!

Moreover, what surprised Ye Chen the most was that the surrounding air was full of extremely strong and evil spirits!

It was many times stronger than the extremely evil spirit in the magic iron that Wen Tianli took out that day!

Ordinary warriors, even chaos realm warriors, will be affected if they arrive here, their strength will be greatly reduced, and in the long run, their bodies will be eroded, right?

Ye Chen suddenly sneered and said: "The soul of the ancient demon wants to lock the warrior who broke into the temple here, and is eroded to death by this extremely evil spirit? Here, it is extremely dangerous. ."

However, that is only for ordinary warriors!

For Ye Chen, not only did it harmless, on the contrary, it had great benefits!

He, possessing the spirit blood of the Heaven Breaking God Ape, and a Demon Body, coupled with the God and Demon Reincarnation Art, can swallow evil spirits and strengthen himself!

Now, Ye Chen is like a fish returning to the sea, and his pores are madly absorbing the strong evil spirit in the air, and his face reveals a look of enjoyment!

Although, in terms of his current strength, the improvement brought by this absorption is minimal, but if it is accumulated, it will also be very scary!

Thinking of this, he couldn't help but shook his head with a wry smile. Now that the kingdom of God is in crisis, how can he have time to spend here?

In Ye Chen's eyes, a thoughtful expression appeared: "The passage from the seventh kingdom of the gods to other kingdoms should have been completely closed. Although it looks weird here, it should be somewhere within the kingdom of gods. space!"

Here, it should be an independent space similar to a secret realm.
At this moment, a voice rang in Ye Chen's ear!
"what?"
What surprised Ye Chen was that this voice came from Senior Ren!
"Senior Ren, what's wrong?"
Ye Chen was a little excited!
After all, it exists so that it will only speak at a critical moment!
Is this place important?
And according to the information he has, this person also participated in the bureau of the Ye Family of the Kingdom of God set up by Grandpa!
From China to the Kingdom of God, he has faintly intervened!
If Chance of Heaven is a pair of invisible big hands, then this person is the owner of this hand!
Regardless of strength and mystery, they are above the hundred powers of the reincarnation cemetery!
Senior Ren's voice continued to sound in Ye Chen's mind: "Boy, this place should be a space created by the existence of an ancient God Realm in the Kingdom of God."

"Ancient God Realm exists? What do you mean?" Ye Chen's eyes flashed with solemnity.

The ancient existence mentioned by Senior Ren does not refer to those warriors who have fallen asleep since ancient times, but the creatures that existed in the human race's footprint before the kingdom of God was involved!

Those existences, for today's warriors, are undoubtedly extremely terrifying and unimaginable monsters!

Even if Ye Chen now has the strength to fight against the middle stage of the Chaos Realm, if he encounters those existences, it is still extremely dangerous!

However, most ancient existences fall asleep in the space they have created, and will not easily wake up. Even if the disaster comes, the demons should not be willing to provoke these monsters.

Ye Chen asked: "Senior, now, how do I leave here?"

Senior Ren said: "With your current strength, it is enough to blast the space barrier here! But..."

"But what?"

"The space barrier here is reinforced by the ancient seal formed by extremely evil spirits. If you try to break it with brute force, I am afraid it will take several months..."

Ye Chen's pupils shrank for several months? That demon soul is still lurking in the kingdom of God! How could he be trapped here for months?

"Could it be that there is no other way?" Ye Chen asked impatiently.

Senior Ren pondered for a moment and said: "The extremely evil aura here is so strong, there should be a core!"

"If you can get that core and swallow the pure evil spirit on it, you will not only increase your strength again, but also attack with the evil spirit that is the same as this seal. It will be much easier to break this seal. Can break the space barrier!" "And, to my surprise, the root of the evil spirit seems to fit with the broken sword I gave you on the top of the pantheon." "If you integrate into building a magic weapon, you may be able to enter the game early." Ye Chen looked strange: "Entering? What do you mean?" "You don't need to know. Although your current strength is good, knowing something in advance is not good for you." "The history of this place may be longer than the Ye Family of the Kingdom of God." "But you still don't want to go deeper, but the evil thing must be obtained." In Ye Chen's eyes, the light flashed, it seems that the first thing to do is to find the core of this evil spirit! At this moment, not far away, several people suddenly appeared, Ye Chen's face was joyful, there was someone in this space! Senior Ren said: "It must be the ancient existence, the descendant of the original believer, or the descendant of the warrior who has strayed into this space for countless years..." "Wait for you to find that thing I will come out to see you again." "I have something to tell you."

When the words fell, the stone pillars deep in the reincarnation cemetery fell into silence.

Ye Chen nodded, since there are people, it should be much easier to find the core of evil spirit!

Immediately, Ye Chen's figure flashed and appeared in front of the group of people!

These people, it seems, are not much different from ordinary human races, but their faces are extremely pale, their eyes are dark, and the difference between pupils and iris is almost indistinguishable. They look like corpses!

Chapter 2724: Desire to survive

This group of people, headed by two tall, majestic men, also wore a set of pitch black armor, and their cultivation level reached the second level of Chaos Realm!

Behind the two men, there were several others, surrounded by a sedan chair that was pulled by a whole body of gray-white scales and looked like a dragon.

Although these people are walking in the evil spirits, they breathe freely, and their bodies are no different. They are just like the gods of the kingdom of warriors, absorbing aura. It seems that after countless years, the residents here have already mutated their bodies and adapted to this. Extremely evil!

At this time, when everyone saw Ye Chen, their complexion changed, and the whole body was murderous.

The two men in the lead, in the dark eyes, exuded a breath of silence, staring at Ye Chen.

But soon, they relaxed, with a smile on their faces.

Because they found that Ye Chen only had the cultivation base of the third level of the Evil Realm!

Before Ye Chen could speak, one of the men in armor sneered and said: "I was scared, Brother Yuan, I thought, who is it, is a kid from the Evil Realm? Who dare to block the dragon cart of your Highness? This is a crime of disrespect, kill, right?"

Another man said solemnly towards Ye Chen: "Boy, do you still dare to stand? Blocked the dragon cart of your Highness, why don't you kneel down for me?" The two of them had a jade plaque hanging from their waists with the names of Yuan Jiu and Mu Lie written in strange words. Ye Chen's eyes became cold, and his intent flashed, he looked at the dragon car, his sharp eyes seemed to penetrate the barrier of the car wall, and saw the figure sitting in the car. Your Highness? It seems that the passengers in this dragon car are quite noble in this space? That being the case, you should know more than the average person, right? He just wants to figure out the core of the evil spirit, and to answer questions, he only needs one person, right? When everyone saw this, their expressions changed, and then they showed extremely angry expressions! They shouted at Ye Chen: "Asshole, where are you looking!" "The sin deserves all death! The sin deserves all death!" "This is a big disrespect to your Highness!"

"When did a slaying waste dare to be so arrogant?"

These people exuded extremely strong evil spirits, and the dark eyes were shining with cold light. The two men in the lead instantly pulled out the sabers on their sides, and locked Ye Chen with bursts of sword intent. Is going to shoot Ye Chen!

Ye Chen's expression was indifferent, standing still, looking at several people coldly.

The two men looked at each other, and Yuan Jiu sneered: "This man, isn't he a fool? Up to now, he's still standing there, not knowing himself, his death is coming?"

Mu Lie said with a cruel expression: "Brother Yuan, don't make any moves, let me have a good time. When he is interrupted by me, I hope he can still act like this."

His interest is to kill and torture these ants!

Yuan Jiu nodded, as if watching a good show.

Just when Mu Lie was about to start his hands, in the sedan chair behind him, there was a noble and indisputable female voice.

"Don't kill him, this person's breath is a bit unique, he seems to be an outsider, this is extremely rare, this palace will accept him as a pet!"

Everyone was taken aback when they heard the words, and looked at Ye Chen in shock.

Outsider?

It was tens of thousands of years ago that someone from outsiders appeared in their extremely evil country last time?

Outsiders are very, very rare, and they are extremely weak. They can't resist even this extremely evil spirit, but outsiders have some advantages.

That is, it can bring many strange things that are not available in the kingdom of extreme evil, and all kinds of outside knowledge!

This is very interesting to those dignitaries in the extremely evil country!

Therefore, the nobles of the extreme evil country gradually formed the fashion of raising outsiders as pets! Even, for the sake of these rubbish, the weak outsiders expend all kinds of rare and rare spiritual objects to change their physique so that they can live longer in this extremely evil country.

Yuan Jiu, Mu Lie and others also discovered Ye Chen's breath at this time. The eyes and so on were indeed different from the residents of the extremely evil country, but what made them feel a little strange is that Ye Chen is in this extremely evil spirit. Does it seem to be unaffected?

It is different from the waste outsiders they had heard of before.

In their eyes, a thick color of jealousy flashed, and with this waste, they could become His Highness's pets? If this **** is favored, you and others must respect him, right?

Why is the luck of waste always so bad?

Outsiders have always been civilians in the country of extreme evil, the object of jealousy!

At this time, the door of the dragon cart was slowly opened. A man dressed in luxurious clothes, with innate majesty, pale face and deep eyes, but the face of the little melon seed has very delicate features. Girl, get out of the car.

When all the people around saw this, their expressions were tight, and they knelt down to the girl in a very respectful manner: "See Your Highness!"

The girl looked at Ye Chen with a look of interest on her pretty face. With a wave of her hand, a collar fell into Yuan Jiu's hand, and she said, "Yuan Jiu, take this collar for the pet of the palace, Don't hurt him."

That collar is a special magic weapon used by the kingdom of extreme evil to control the slaves. Once it is worn, even the peak warrior of the chaos realm will be extremely difficult to break free!
Yuan Jiu respectfully said: "Yes!"
Then he took the collar, stood up, looked at Ye Chen's gaze, and said with a hint of coldness: "Boy, it's better to give me peace, Your Highness has life, I don't want to hurt you."
As he said, he held the collar and strode towards Ye Chen!
At this time, Ye Chen sneered, staring at the collar, which was a good thing.
He hasn't had a pet before.
The next moment Yuan Jiu's chaos realm aura erupted and moved towards Ye Chen's suppression. He looked at Ye Chen obliquely, and was about to wear the collar around Ye Chen's neck, in his opinion, This young man of the third level of the Evil Realm, there is no possibility of breaking away from his breath at all!
But at this moment, Ye Chen actually hit Yuan Jiu with a punch!
Seemingly unpretentious, a simple punch!
"How is it possible!" Yuan Jiu exclaimed. How could this kid move?
Moreover, this punch actually made him feel the extreme pressure, and his scalp would explode under

Yuan Jiu didn't know how a trash from the third layer of the Evil Realm made such a terrifying punch,

and he didn't have time to think. The whole person has fallen into the abyss of fear!

Ye Chen's indescribable power!!

He almost instinctively let out a wild roar, and threw off his collar. What His Royal Highness's command had already been thrown out of the sky, his brain was filled with the desire to survive!

Chapter 2725: Beauty

"Absolute Devil Sword!"

Yuan Jiu pulled out the long sword from his waist, his suffocation was raging, the cold light flashed, his spiritual power burned crazily, and he ran without regard to the burden of his body, his whole body bulged, and the whole body burst out with a strong sword intent. A sword at the pinnacle!

In that tremendous pressure, Yuan Jiu's sword faintly broke his limit!

This is an extremely stunning sword, the sword light is raging, the murderous intent is roaring, the boundless evil spirit rolls, like a world-killing troll, with the aura of slaughter of sentient beings, roaring towards Ye Chen!

The space trembled, and deep sword marks appeared on the earth, and the violent wind rolled, turning the surrounding tall trees into sawdust!

The cold and surging sword light overwhelmed the sky, almost immediately, it was about to swallow Ye Chen, the warriors, and even the girl who was called His Royal Highness, were shocked and admired in their eyes!

Yuan Jiu, although only an ordinary guard, her guard, even the most ordinary one, is an elite powerhouse in the kingdom of extreme evil!

But with this sword, Yuan Jiu is even qualified to serve as the chief guard!

You know, the existence of being able to serve as the chief guard requires the cultivation of the middle Chaos Realm! Yuan Jiu has the qualifications to become a chief guard in the second-tier of the Chaos Realm, which shows how far his talent for martial arts has become!

Yuan Jiu himself was also in ecstasy, and a ray of hope flashed in his dark eyes.

This sword is very strong!
Even Ye Chen raised his eyebrows. In terms of the opponent's realm, it was indeed a very good sword, and even surpassed the martial arts of many warriors in the Kingdom of God!
However, it was just a pick at the brow.
Perhaps Yuan Jiu is a genius in this extremely evil country and will rise in the future.
But in his eyes, Yuan Jiu is still an ant, nothing has changed.
At the next moment, Jian Guang collided with Ye Chen's flesh fist.
There was a loud bang, invisible fluctuations, and spread, Ye Chen's whole body's strength, infinitely rushing, like a gluttonous coming into the world, engulfing everything, trembling in the void, there are countless black cracks, and the evil spirit that permeates this realm is like boiling chaos. stand up!
That billowing sword light, under Ye Chen's fist power, broke like glass crazily, and instantly turned into nothingness!
The boundless fist force compressed the air and hit Yuan Jiu's body fiercely!
"puff!"
Yuan Jiu vomited blood. He looked like the grade was not low. The extremely sturdy black armor was instantly shattered. The bones all over his body broke rapidly. The blood stained his whole body. The whole person was like a cannonball, flying out. It was Ye Chen's punch that blasted directly to the horizon and disappeared!
But this is not over yet!

The violent wind pressure swept across, like a beast that chooses people to eat, with boundless power, roaring towards Mu Lie and others!
Mu Lie and others, their expressions changed wildly, their eyes were full of incomprehension!
Doesn't it mean that outsiders are rubbish, too weak, and can't bear the extreme evil spirit?
The young man in front of him, is there the slightest trash and weak?
A breath of extreme danger, tearing their nerves!
At this time, where is there anyone, who cares about the incomparably noble Highness?
"Heaven Sword!"
"Wan Sha return to Yuan Jian!"
"Youlong Fist!"
One by one, they were full of spiritual power, flew back, fleeing in the direction away from Ye Chen, and at the same time all kinds of martial arts were lingering, and the rays of light burst out, using the strongest means, toward the sweeping wind Go on!
Originally, she was still aloof, and she wanted to accept Ye Chen as a pet at will. At this time, the delicate face was full of sluggishness. After a short while, in the deep eyes, fear slapped her eyes like a tsunami with tears. Flickering, desperately shouting at the people who fled regardless of manners:
"You come back to me soon! My palace orders you to come back quickly! Don't leave me!"
Shouting and shouting, the voice was condensed, and she started crying aggrievedly.

At this time, several figures in the sky uttered a scream, all of them fist intent, sword intent, and palm. They were crushed under the pressure of the wind, and hit their bodies with a bang, their bones burst and their bodies softened. Fell from the air, fell to the ground, dying.

There was only one figure. After being hit by the wind, the dark armor shattered and his body trembled. The body was covered with blood, but he persisted!

Although he was injured, he can continue to escape!

This person is Mu Lie!

At this moment, ecstasy appeared in Mu Lie's eyes, his figure flashed wildly, and he was about to flee towards the distance!

This young man is really terrifying. What kind of monster is it that can severely injure many early chaotic warriors with a punch and wind pressure?

He would rather betray the royal family of the kingdom of extreme evil and be wanted and hunted down all over the country for the rest of his life, rather than stay in front of Ye Chen for even a second!

Ye Chen's expression was faint, looking at the person, a weird smile was raised at the corner of his mouth, but he didn't mean to make a move. He bent over, picked up the collar on the ground, and a strange light flashed in his eyes. With a smile, he walked towards the girl who was sitting on the ground.

Upon seeing this, the girl trembled in horror. She wanted to run away, but on her slender legs, she had no strength at all. She could only move her body backwards like a little rabbit, and said, "No... don't come here." !do not come!"

Ye Chen smiled and said, "Don't you like pets? Don't you want to be my pet?"

At this time, when Mu Lie's figure was about to disappear from Ye Chen's field of vision, in the void, spatial fluctuations bloomed, and a graceful figure suddenly appeared in front of Mu Lie, who did not

know where it came from. The woman in, glanced at Mu Lie and said indifferently: "Those who betray your Highness are dead."

Mu Lie looked at the woman, his eyes trembled, and he showed a terrifying expression!

In the next moment, even before Mu Lie could react, a sword aura rose up and slashed towards Mu Lie!

With a bang, Mu Lie turned into a **** fog and floated in the air. The powerhouse of the Second Chaos Heaven just died, and he couldn't die again!

The girl who was still crying and trembling saw the woman appear, but she shouted at the woman in surprise: "Sister Long, you are here!"

The woman in the air flashed her figure and came to the girl's body, bowed slightly and said, "His Royal Highness... has shocked you."

Ye Chen was not surprised. He had already sensed that someone was hiding in the void. However, when he looked at this woman, he couldn't help but stunned, the blood flow speed all over his body increased!

Ye Chen now has a lot of beauties that can be called the ultimate, but even with Ye Chen's vision of women, his heart can't help but shake slightly....

The girl who is called His Royal Highness, although she is also beautiful, she is quite vulgar when compared to the woman surnamed Long!

Moreover, the beauty of every part of this woman's body is different from that of the noble girl, but a mature beauty that is fatal to men!

Chapter 2726: Don't kill me?

The woman in front of her, who looked twenty-three or four-year-old, was dressed in a gleaming brilliance, like countless stars, dotted with a beautiful tulle, making her extremely graceful and incomparably moving figure. The outline is more attractive, like a cold flame, silently burning the soul of the man in the world!

The skin color of the woman, like everyone in this extremely evil country, is that abnormally pale, but this strange skin color, set off by its impeccably delicate and peerless face, exudes a kind of Crazy charm!

Ye Chen's eyes flowed slowly over the woman's dark and soft long hair, and her silhouette was slightly deep, but every line seemed to be the ultimate face of the ensemble of beauty, and she passed the beauty of a suitable size. Eyes, tall nose, and bright red lips against the pale skin color...

Along the slender and beautiful neck, the delicate and seductive collarbone fell on the proud of the woman's chest. Even Ye Chen's heartbeat could not speed up slightly!

Even among his women, Sun Yi, who has the most irritating figure, can't match the size of the woman in front of him...

The thing in that eye was almost like a heavy hammer, bombarding Ye Chen's nerves, making him unable to help but swallow.

The woman obviously felt Ye Chen's gaze, and the murderous intent ran out in her beautiful dark eyes. Her face was covered with frost, and she coldly shouted at Ye Chensen, "What are you looking at!"

Her name is Long Jingyan. In this extremely evil country, although she serves the royal family, her status is extremely respected. Even when the royal family sees her, they dare not be the slightest bit of rudeness. When will any man dare to stare at her? Watching her?

And, still staring at that kind of place...

She bit her silver teeth lightly, her chest undulating slightly, staring at the outsider who was cultivated at the third level of the Evil Realm, extremely angry!

"Cough cough..." Ye Chen retracted his gaze somewhat embarrassedly and coughed slightly. Just when he was about to say something, Long Jingyan flipped her wrist and held a handle exuding chills. The slender long sword, involuntarily killed Ye Chen with one sword!

On Long Jingyan's long sword, the killing intent was condensed. Ye Chen looked at the places that shouldn't be seen. It was a capital crime in itself. What's more, he still shot his Highness?

Also put on a slave collar for your Highness? Even more sin is added, and there is more to death!

Ye Chen's pupils shrank, and his expression became cold. He was about to kill at a glance? What about he wearing a collar for this girl? Isn't the girl taking him as a pet and asking for trouble?

Ye Chen, although he doesn't like to do things to women, he is definitely not a soft-hearted person!

What's more, the woman in front of me is extremely strong!

On Long Jingyan's delicate body at this time, an extremely powerful force burst out, astonishingly an existence of the sixth layer of chaos realm!

A sneer appeared at the corner of Ye Chen's mouth. From the cultivation base of the guards just now, it can be seen that the martial art here is even stronger than the kingdom of God today.

It seemed that the identity of the girl was more noble than he thought.

Long Jingyan's overwhelming spiritual power, converging on the rapier, between the sword light, a sense of true martial arts, flowing through it, a sword comes out.

The void was shattered, and the entire kingdom of extreme evil seemed to be turbulent in the sword light, the billowing evil spirit in the air was madly swallowed by the sword light, and the cold sword energy made everything freeze!

A seemingly simple sword has actually shown boundless power!

The girl who was still shivering just now, at this time, was smiling with excitement. Although her martial arts cultivation is not high, she came from a royal family and has a very high vision. She can be sure that

Long Jingyan's sword, even though Anyone who is a strong chaos will feel a slight threat. The third-tier Heavenly Slasher with incredible strength, even if he is against the sky, can't resist this sword, right?
"Humph, let you scare me!"
The girl thought viciously.
"I regret it for this palace!"
It's just a pity that a rare pet is so gone.
The cold light in Ye Chen's eyes became more intense. Although Long Jingyan's sword was extremely strong, it still could not pose any threat to Ye Chen!
He took a deep breath, his whole body surged, and the golden light of heaven-shaking power was shining in the meridians, the red-gold profound flame was burning in the dantian, the heat of the sacred fire erupted in the blood, the blood of the sacred fire The power of Qi boiled in Ye Chen's body, and the seven blood lights bloomed silently!
"Only I Lingxiao, Tushen breaks the sky!"
He flipped his wrist and grasped a blood-colored long sword. Although this long sword is much worse than the Qinglian Detian Sword, it can barely be used. The sword's light is like a thousand stars, falling from the sky. The intention swept out, colliding with Long Jingyan's martial intentions!
In the next moment, the blood-colored long sword collided with the slender sword in Long Jingyan's hand!
The strong light flashed, the sky and the earth shook, and the earth shattered in an instant. The void was like glass, and cobweb-like cracks filled it quickly. The most terrifying aftermath swept across the four

places. Facing the direction where Ye Chen and Long Jingyan were with confidence!

Originally, Long Jingyan, who had a cold face and awe-inspiring killing intent, suddenly appeared in shock in her beautiful eyes without the slightest emotion. The wrist holding the sword was trembling crazily, pointing directly to the origin of martial arts. His superb sword intent was quickly defeated!

For the first time in her life, she felt a trace of fear in her heart!

The outsiders in the third-tier heaven of the Slashing Evil Realm actually possess power comparable to gods and demons?

Doesn't it mean that outsiders are all weak people?

The toughness of the man in front of him almost broke her mind!

Long Jingyan bit her silver teeth tightly, and a blood spilled from the corner of her mouth. On the long sword, there were many cracks. She turned and flew back. Facing Ye Chen's violent sword, there was no resistance at all!

The sword light disappeared, she flew away in the direction where the girl was, and shouted: "Your Highness, go!"

"Go?" Ye Chen smiled coldly, "Why didn't you kill me?"

At this time, the girl who was still smiling was completely foolish, and a gray brilliance wrapped her around her body Otherwise, she would have been swallowed by the aftermath...

She heard Long Jingyan's soft drink, and she was full of excitement, crying with tears on her face: "Sister...Sister, I can't leave you..."

Long Jingyan frowned her eyebrows, her beautiful eyes revealed a decisive color, and the breath of her whole body was about to explode!

But at this moment, a fist with a black glow was rapidly magnifying in her dark and deep eyes!

Long Jingyan's pale and pretty face seemed to be even paler, and she couldn't help but exclaimed, "How is it possible!?"

After slashing out that extremely peerless sword, he could still punch?

With Long Jingyan's martial arts, one can clearly sense what terrible destructive power is contained in this punch!

Ye Chen stared at Long Jingyan coldly. Even a warrior who understood the meaning of true martial arts, it was extremely difficult to change his skills like Ye Chen.

Chapter 2727: The sword stone?

Because, forcibly changing tricks, the burden on the flesh is extremely huge!

Only Ye Chen's defying physical quality can be realized!

This punch hit Long Jingyan's chest fiercely!

At this moment, the gauze that Long Jingyan was wearing was surging with stars, and a burst of strong energy burst out, turning into a dazzling galaxy, protecting Long Jingyan!

Ye Chen raised his eyebrows, his eyes were surprised, and he didn't even notice that this tulle was actually a protective magic weapon!

However, even the dazzling galaxy could not bear Ye Chen's punch. That unimaginable amount of violent violent extinguished the stars, as if the stars were shattered in the power that made the universe tremble...

In the cracking sound, the Galaxy collapsed and collapsed, turning into a little light and dust...

Suddenly, Ye Chen, who was about to continue his shot, had his pupils contracted, his expression dull and shocked and stopped in place...

An extremely fragrant scene appeared in front of Ye Chen's eyes! As the stars faded away, Long Jingyan's unobstructed body was also revealed in his domineering fist! The gaze is red on the white scroll, the beauty in it, even the gods and demons will be intoxicated by it... Time seems to have a moment of stillness, and the world freezes at this moment. Long Jingyan's delicate body flew out, and fell in front of the tearful girl with a thud. At this moment, Ye Chen finally recovered. "This.....!" Ye Chen opened his eyes wide, staring at the indescribable jade body exposed in front of him, and couldn't help but exclaim. He can guarantee that this is definitely an accident! Who could have imagined that that light yarn was actually a defensive magic weapon, and it was also broken by one's own punch? However, I have to say that this woman, although she does not agree with her, will kill, but she is indeed a rare stunner... "You! Shameless!" Long Jingyan spit out a mouthful of blood, her breath quickly weakened, but at this time, she didn't care

about her injuries at all, but concealed her body in a panic. She was extremely injured and her whole

body was unable to function spiritually, and she could not even take clothes. Out!

Long Jingyan's beautiful face flashed a deep killing intent. She gritted her teeth, trying to suppress her inner emotions, but her chest was still uncontrollably violently ups and downs, and her beautiful eyes were glittering, but He was extremely angry, and said to Ye Chen with murderous intent:

"You better kill me now. If there is a chance, I will definitely use the cruelest means to make you pay!"

After hearing this, Ye Chen forced himself to calm down and recovered the former coldness, and said indifferently: "Oh, then you go to die."

Having said that, raised his hand and slashed towards Long Jingyan with a sword!

Someone had a murderous intention on him, why did he let him go? What does beauty have to do with him?

But at this moment, a figure suddenly knelt in front of Ye Chen.

It was the girl who spoke to let Ye Chen be a pet.

At this moment, she was trembling all over, she didn't dare to look up at Ye Chen at all, but she said with a crying voice: "The father... the son, the concubine's name is You Xuan'er, she is the seventh princess of the kingdom of extreme evil, please let go Sister Long, I...I am willing to respect the master."

Although she is a princess, she is usually quite coquettish, but she is not stupid, and she knows in her heart that for someone like Ye Chen, moving out of the background to deter each other will only accelerate her own death.

"Your Highness!"

At this time, Long Jingyan finally took out a long skirt and put it on. Hearing You Xuan'er begging Ye Chen for mercy, she exclaimed.

As the royal family of the extremely evil country, you can imagine how honorable you are on weekdays, but now, she bowed her head to this outsider for herself!

Ye Chen looked down at You Xuan'er and said, "Do you think you are qualified to refuse me and bargain with me?"

When You Xuan'er heard the words, her shoulders trembled, and the next moment, she suddenly raised her head, her beautiful eyes revealed a resolute expression: "My son, if I guessed right, you should, you need help from your concubine if you have something to do. Right?

Sister Long has been by my side since childhood. If you insist on killing Sister Long, even if Xuan'er is dead, he won't let the son get his wish!

Moreover, I can assure the son that if I die, the kingdom of extreme evil will never be indifferent! Even if the son is not afraid, there will be a lot of trouble! "

Long Jingyan seemed to still want to talk, Ye Chen glanced at her coldly at this time, and shouted in a deep voice, "Shut up!"

Long Jingyan was taken aback for a moment, her beautiful eyes raged, but in the end, she really didn't speak.

Ye Chen stared at You Xuan'er with his eyes slightly squinted. After a while, he glanced at Long Jingyan with some playfulness, and said lightly: "I can promise you, but there is a condition."

"Master, please say?"

A touch of joy emerged in You Xuan'er's big eyes.

Ye Chen threw the collar in his hand into You Xuan'er and said, "Put this on that woman."

what!

Long Jingyan and You Xuan'er looked at each other, both of them were shocked!

Especially Long Jingyan, the anger in her beautiful eyes is about to turn into substance!

In the depths of the eyes, there was a deep fear!

With her pride, she would rather die than be a slave!

However, You Xuan'er didn't say much, but before Long Jingyan broke out, she put the collar on Long Jingyan's slender neck with soft lines. The collar flashed into the skin. not see.

She looked seriously at Long Jingyan, who was crazy to kill, "Sister Long, if you are disrespectful to the son, not only will you die, but I will also die! You have to listen to the son!"

When Long Jingyan heard the words, she gradually calmed down, but she glanced at Ye Chen coldly, and she still didn't have any good expressions She seemed expressionless, but her beautiful eyes flashed past her. A trace of grievance that cannot be suppressed.

Ye Chen smiled slightly, and the look in Long Jingyan's eyes could not hide from his eyes. This woman was obviously very arrogant. Death was nothing to her. Wouldn't it be the best punishment to let her be a slave?

You Xuan'er asked Ye Chen respectfully: "My son, we were originally going to return to the palace. Is there anything you need us to do? If you don't mind, you can go back to the palace with me."

Ye Chen asked: "You country of extreme evil, the extreme evil aura is so strong, do you know, where does this evil come from?"

You Xuan'er smiled and said: "My son, this matter is a secret that only our royal family and a few people know. The source of the evil spirit comes from the sword stone of our extreme evil country!".

"Sword Stone?" Ye Chen raised his eyebrows, "What is this sword stone, and how can I get it?"

You Xuan'er and Long Jingyan were both taken aback when they heard this. Ye Chen actually wanted to get the Sword Suppressing Stone?

Chapter 2728: Summoning Ceremony!

Long Jingyan even sneered, as if mocking Ye Chen's ignorance.

You Xuan'er opened the mouth and said: "In our country of extreme evil, since the founding of the country, there has been a evil sword that has been passed down to the present. According to legend, this evil sword is a divine object forged by the evil **** who created this world. Psychic, in order to prevent the evil spirit from escaping by this evil sword when he is sleeping, the evil spirit uses the sword stone to seal it!

This extremely evil country, in fact, exists to suppress that evil sword! "

"So, the evil sword and the sword stone are extremely important to the kingdom of extreme evil. If you are a young man, it is not easy to get this sword stone, and it is extremely dangerous!"

"However, it is not completely hopeless..."

You Xuan'er said hesitantly.

"Every year, among our royal family, there will be a ceremony for the town's evil spirits. At that time, you will have the opportunity to come into contact with this town's sword stones and evil swords!"

"And this year's Zhensha Ceremony will be three days later!"

"Shenzhen Ceremony?" Ye Chen frowned slightly.

"The so-called Suppression Ceremony, as the name suggests, is a ritual to suppress evil spirits."

You Xuan'er stretched out her slender fingers and gently stirred the rich evil spirit in the air: "Although, our evil clan, we live in the extreme evil country all year round, our physique has changed, and we can withstand the extremely strong evil energy, but if The evil aura is strong to a certain extent, and it will still cause harm to the people of the entire country of extreme evil."

"The Sword Sword and the Sword are sealed in a sacred place in the country of Extreme Evil, and that sacred place can only be opened once a year, and only our royal family has the ability to open the gate of the sacred place!"

"The evil spirits of the kingdom of extreme evil all come from the Sword Sword Stone, and the Sword Sword Stone will produce extremely strong evil aura on its own. Therefore, our royal family will hold the Sword Sword Ceremony every year!"

"After the holy land is opened, the royal family will send a holy envoy to enter the holy land to remove the evil! The so-called evil removal is to directly absorb the terrifying evil spirit in some of the sword stones!"

As she said, she pointed at Long Jingyan and said: "Sister Long is one of the holy envoys. The concentration of evil spirits in the holy land is extremely terrifying, even if the ordinary evil race enters it, they will instantly die!

One can imagine how dangerous it is to absorb the evil spirit on the sword stone! "

"Moreover, in the Holy Land, there will be many gluttonous evil spirits! Therefore, the strength of the Holy Envoy must be extremely strong, at least, it must also have the strength of the Chaos Realm! Our royal family will also do our best, yes They cultivate!"

"Even so, every year, a holy envoy dies when the evil is released, so the status of the holy envoy in the kingdom of extreme evil is extremely lofty."

Ye Chen nodded, his eyes flickering, it seemed that he wanted to get the sword stone, only to participate in the ceremony of the evil three days later.

He looked at You Xuan'er and said, "How to become an envoy?"

You Xuan'er smiled and said: "Each time the evil spirits town ceremony, only twelve people can enter the holy land, and the top twelve imperial family appointed candidates. If the son wants, I can recommend the son to participate in the evil spirit town ceremony."

Long Jingyan, who was on the side, did not show any expression of opposition at this time. Originally, she should have participated in the evil spirit suppression ceremony. However, Ye Chen's strength was above her, and Ye Chen participated in the evil spirit suppression ceremony. The country of extreme evil is better.

As for, will Ye Chen take away the Zhenjian Stone?

Ha ha, if the sword stone is so easy to obtain, it will not exist for so many years.

Ye Chen nodded and said, "Just do it."

You Xuan'er smiled and said, "The entrance to that holy place is in the palace, son, come back to the palace with us first, right?"

"it is good."

Under the leadership of You Xuan'er, Ye Chen entered the palace of the Extreme Evil Kingdom without any hindrance. Along the way, many people pointed to Ye Chen. Obviously, to the foreigners brought back by the Seventh Princess I am quite curious!

At the same time, they also looked at Long Jingyan with shocked faces. The galactic veil worn by Fairy Dragon is one of the treasures of the kingdom of extreme evil. It was personally given by the emperor of the kingdom of extreme evil. In the past, Fairy Dragon never changed. Why didn't you see her wearing it today?

At this moment, Ye Chen sat on the main seat of the Xuanxin Palace controlled by You Xuan'er, and you Xuan'er standing by the side asked respectfully: "My son, can I use tea?" If this scene is seen by someone in the palace, I am afraid it will be shocked to pass out directly! Most people just treat Ye Chen as a pet brought back by the Seventh Princess, but now, she is extremely favored in the palace, and the Seventh Princess, who always has a high attitude on weekdays, stood and let the outsider sit. On the main seat? Moreover, he also asked him if he would like to use tea? Even the seventh princess is not so respectful to the emperor of the kingdom of extreme evil! This is really hell! Ye Chen didn't care, glanced at Long Jingyan, and said with a chuckle: "Go and pour a cup of tea for this young man." "you!" Long Jingyan glared at Ye Chen, what is her identity? Even if the emperor is here, he must treat her with courtesy, but Ye Chen actually asked her to serve tea and water! "Why? Not willing?"

Ye Chen looked at Long Jingyan playfully and said, "Who is participating in the Suppression Ceremony this year, have you forgotten? If this young man can't drink this cup of tea, he will be in a bad state and absorb less evil qi. It's not me who affected."

When You Xuan'er and Long Jingyan heard this, their complexions changed slightly.

"If you are more obedient, my son, you might be able to absorb a bit more evil spirit."

Long Jingyan clenched her silver teeth, looking like she could not wait to swallow Ye Chen, but she still took a deep breath, turned around in silence, and walked towards the teahouse.

Solving the evil is the mission of the holy envoy, and Long Jingyan is absolutely unwilling to let the people of the extreme evil country suffer because of herself.

At the same time, Long Jingyan's heart couldn't help but feel wronged, this Ye Chen seemed to be her nemesis! In front of him, the one who bowed his head seemed to be himself forever!

This kind of feeling, she has never experienced it in her life! Ye Chen is the only one who can make her bow her head!

Ye Chen smiled slightly Anyway, he wanted to absorb all the evil spirit in the sword stone, and let this extremely cold woman make a cup of tea for herself, isn't it too much?

Soon, Long Jingyan brought a cup of hot tea, and Ye Chen looked at her extremely embarrassed look playfully, and the smile on her face became more intense.

But at this moment, outside of Xuanxin's palace, a melody suddenly sounded: "The big prince is here!"

Outside the palace gate, there was a loud laugh. Then, the silhouette flashed, and the two men stepped into the hall.

One of the men was handsome and dressed in a yellow robe embroidered with dragons. He was full of extravagance, his eyes turned, and the color of majesty loomed, and between his gestures, he exudes the aura of a long-time superior!!

And the other person, half a step behind this man, looked dull and ordinary, with sharp black nails on his hands, and exuded a very gloomy life!

Ye Chen's gaze flicked across the face of the big prince, and when he saw the gloomy man, it flickered slightly. The cultivation base of this person was comparable to that of Long Jingyan!

Chapter 2729: crisis

But originally, the big prince who was still smiling, saw the hot tea in Long Jingyan's hand and walked towards Ye Chen sitting on the main seat, but his smile froze!

Upon seeing this, You Xuan'er, on her pretty face, a panic flashed!

The eldest prince, named You Xuan, is half brother and sister with You Xuan'er. In the entire palace, no one except Long Jingyan herself knows that You Xuan has admired Long Jingyan since childhood!

It's just that Long Jingyan is arrogant and immersed in martial arts. She hardly feels anything about men and women. Therefore, even if You Xuan keeps showing her good, Long Jingyan has no reaction at all.

Originally, You Xuan didn't care, only that Long Jingyan had a cold temperament. He believed that one day Long Jingyan would be impressed by himself!

But at this time, he saw Long Jingyan serving tea and water to other men!

As the great prince of the extremely evil country, You Xuan has an extremely noble status, almost only under the emperor. From childhood to adulthood, there is no one in his fancy, dare to fight with him!

He does not allow anyone to fight with him!

And Long Jingyan, you can be said to be You Xuan, the only woman who can't get it!

In his mind, it is like a goddess!

Now, the goddess who can't ask for it, looks like a slave in front of other men?

One can imagine how angry and unwilling You Xuan was at this time!

His face was full of frost, his eyes were bloodshot, and his dark eyes rolled with the ultimate killing intent, the blue veins on his forehead, beating frantically, and anger, almost burning his whole blood! You Xuan looked at You Xuan'er and said coldly: "Seven sisters, what's the matter with this outsider? Why do you let him sit on the main seat? An outsider is just a plaything of a nobleman. Seven sisters, you mess around on weekdays, forget it! Letting such a humble existence sit on the main seat of the palace, but it is detrimental to my royal majesty! " Ye Chen's eyes fell instantly upon hearing this. This big prince, what a big power? You Xuan'er said anxiously: "Big Brother! What are you talking about! Ye Gongzi, my distinguished guest! I want you and Ye Gongzi to apologize!" Upon hearing this, You Xuan was shocked and looked at You Xuan'er in disbelief. Qimei, what did you just say? Ask yourself to apologize to this person from the third level of the Evil Slayer? Did he hear it right? He is a respected existence!

What's even more annoying is that this kid still looks like a solemn self, sitting on the main seat, standing by himself, is this kid sitting?

Why, whether it is Long Jingyan or You Xuan'er, seems to be more respectful to this young man who did

not know where he came from than to himself?

He can't tolerate it at all!

You Xuan was full of breath, yelling at Ye Chen: "Foreigners, when they saw this prince, they just came to salute! Still sitting there? Do you know that disrespect to the royal family is a serious sin against the Nine Clan!"

You Xuan'er is even more anxious, and her beautiful eyes are full of tension. She has personally experienced how terrifying Ye Chen is!

Her pretty face sank, and she shouted at the eldest prince: "Big brother! I said, Ye Gongzi is my distinguished guest! In my Xuanxin Palace, how dare you be so presumptuous to him! I don't care what you do on weekdays, This Xuanxin Palace, I am in charge, whoever I let sit in the main seat, whoever is in the main seat, if you are dissatisfied, you can leave my Xuanxin Palace!

Looking at You Xuan'er, You Xuan was completely silly. Did Seventh Sister really turn her face with herself?

For this kid?

Not only Long Jingyan, but even her own sister is not turning towards herself?

This kid, what kind of fascinating soup was poured into them!

He stared at Ye Chen and said, "This prince is talking to you, are you deaf?"

At this moment, Ye Chen took the cup of hot tea from Long Jingyan, took a leisurely sip, his eyes brightened, and he praised: "Good tea."

It seems that the already angry prince is really regarded as air!

Seeing Ye Chen tasting Long Jingyan's own tea, he felt that the nerves in his brain were about to break!

He yelled almost frantically: "This prince gives you one last chance. Now, for your rudeness, kneel down and apologize to this prince! This prince can spare you a dog's life. This is still in the face of Qimei Come on! Otherwise, I want you to die without a burial place!"

Ye Chen slowly put down the tea cup in his hand, stood up, a murderous intent, filled his eyes, the temperature of the entire Xuanxin Palace seemed to drop suddenly!

Ye Chen looked at You Xuan coldly and said, "You have offended me many times. Why don't you give you one last chance? Give me a kneel and knock your head 10,000 times. I can spare you a dog's life. Xuan'er's face, otherwise, you are already dead."

Xuanxin Palace, instantly fell into dead silence!

Except for the wooden man, everyone looked at Ye Chen in disbelief!

Even Long Jingyan's pretty face flashed with surprise.

The two women knew that Ye Chen was indeed very strong, but, after all, he was still in the palace, and he didn't even give You Xuan any face?

Do you want him to knock 10,000 heads?

Indescribably crazy!

But You Xuan is completely crazy!

The spirit is about to be burned to ashes by anger! For the first time in his life, he was scolded as a bastard, and this foreign trash actually wanted him to kowtow? Ten thousand?

Even if You Xuan'er's attitude towards Ye Chen makes him feel a little strange, even if in Xuanxin Palace, without You Xuan'er's consent, rashly shot, in front of the father, you may be punished, You Xuan, at this time Can't bear it anymore!

His eyes were bloodshot, and his expression was extremely ferocious and he yelled: "Wuwu, kill him for me!!!"

"Yes!"

The wooden man replied, expressionless, his whole body was surging with spiritual power, and his life was rolling, and a chill, whistling in the palace of Xuanxin His figure flashed suddenly, and then turned towards Go with Ye Chen culled!

This man named Wu Xu came from hell, like a life-destructive **** of death, surrounded by a terrifying aura. During his actions, he was carrying a mountain of corpses, a sea of blood!

The condensed black light condensed on both hands, his arm was raised high, and he slammed towards Ye Chen with one claw!

"stop!"

At this time, Long Jingyan snorted, she was beautifully wrinkled, her wrists turned, holding a long sword, the sword light tilted out like water, actually blocking Ye Chen's body, and a sword greeted him. That sky full of claws!

She knew that if Ye Chen really let Ye Chen take action, things would be out of hand!!

Even the entire country of extreme evil will face a huge crisis!

With a loud bang, the entire palace was in shock. This sword blocked Wu Li's blow, but Long Jingyan retreated quickly, wow, and vomited a big mouthful of blood!

Chapter 2730: Do you remember

Long Jingyan's strength was originally between Wuxu and Wuxu, and even slightly better than Wuxu. The reason why she would fight against Wuxu and retreat was injured because of the injuries she suffered during the fight against Ye Chen., It's not good, the strength is only less than 60%!

Suddenly, Long Jingyan had a beautiful body, and she kept regressing, but she fell into the arms of a man.

This person is naturally Ye Chen.

Long Jingyan raised her head suddenly, just in time, met Ye Chen's gaze, her face blushed, and she quickly broke away from Ye Chen's embrace.

At this time, the eldest prince was full of disbelief. His voice was trembling and shouted at Long Jingyan: "Jingyan! You, what's wrong with you!"

For this outsider, just serve tea and hand water! Now he is shooting Wuhou for this waste? Maintained to this level? What is the relationship between you guys? "

WINK's Surge to \$1: Join the Wave!

"Jingyan, I know, you are obsessed with martial arts, you have no experience with men and women, but don't be deceived by bad guys! Also, what's the matter with your injuries!"

He is really going crazy!

He grew up with Long Jingyan since he was a child, and has never seen her defending any man!

Long Jingyan frowned her eyebrows, not a trace of looseness, as she was thinking about explaining to the elder prince, a male voice echoed in Xuanxin's palace.

"I did it."

Ye Chen picked up the cup of tea again, took a sip, and said lightly.

The eldest prince looked towards Ye Chen, thinking in a mess. When he glanced over the faces of You Xuan'er and Long Jingyan, looking at the expressions of the two women, he knew that what Ye Chen said was true!

At this time, he had no time to think about how Ye Chen, who had killed the third-tier heaven of the Evil Realm, injured Chaos Realm Long Jingyan, and his whole person was completely swallowed by jealousy and anger!

You Xuan was completely out of control, and sternly shouted at Long Jingyan: "Bitch! You are a bitch! This prince, since childhood, has treated you in every way! You think, how did your galaxy veil come from? Yes? I asked the emperor father to give it to you!"

"But what about you? I don't know how to be confused by this outsider, so it's so cheap? You've been injured by him, so you still have to defend him? Do you still want to fight for him?

Just now, was he blushing? I have never seen you blush before, have you done everything with this trash? "

"This prince, what is inferior to this outsider! Long Jingyan, You Xuan'er, you two bastards, are you obsessed with this kid? For him, turn your face with this prince, do?

Okay, very good, this prince will be in front of you today to smash this outsider into pieces! Let you know, compared to this prince, this outsider is just **** on the roadside! "

"Wuwu, kill him for me, kill him desperately!"

"Yes!"

Wulou responded without any emotion, and was full of lifelessness and suddenly rolled over. On the pair of dark nails, the cold light flashed, and the spiritual power rose from the sky, and even broke through the roof of Xuanxin Palace. !

For a moment, it seemed that there were thousands of ghosts crying, and this Wuzuo carried how many lives and tainted souls!

The next moment, Wuwu's figure flashed, and he appeared directly in front of Ye Chen. The claws flashed and turned into an overwhelming sharp claw net, like a **** troll with outstretched claws, toward Ye Chen Suppress away!

Ye Chen raised his hand and pushed, pushing Long Jingyan out of the area covered by the claws. At this time, Long Jingyan's injury had relapsed, and there was no room for another shot.

Ye Chen immediately turned his wrist, holding a blood-colored long sword, seven layers of blood light, his body surface erupted, the golden light flashed in the blood, the meaning of true martial arts shocked the sky, the boundless sword light shines like stars, opening the sky The momentum, whizzing towards the pitch-black claw net!

There was a loud bang, the cold light exploded, and the aftermath shocked, even though the protective circle in Xuanxin Palace shone, resisting most of the aftermath of the two fighting.

Long Jingyan, You Xuan'er, and You Xuan still went backwards, their faces pale.

The claw nets shattered, and the ten black nails of Wumu seem to be refined from several precious materials. The hardness is not lower than that of ancient artifacts, but at this time they are bursting!

Under the impact of the sword light, his body was chopped out with several bone wounds, and at the same time, the whole person was blown away by the tremendous power contained in this sword!

Smashed to the top of the dome of Xuanxin Palace, smashed the dome to pieces, fell to the ground, and vomited a big mouthful of blood!

"impossible!"

You Xuan's eyes trembled wildly, and he roared in disbelief.

This outsider actually suppressed Wuwu with a single sword? At this time, as if there was a basin of cold water, poured down immediately, the original anger was extinguished, and You Xuan gradually recovered his sanity! What follows is fear! What kind of monster is this kid... That, but Wuwu! Although, because of his repeated releases of evil spirits, his soul has been damaged, he has become extremely stupid, and he can only act on orders, but his strength has not been reduced at all! Three thousand years ago, Wumu was the first killer in the kingdom of extreme evil! Countless lives have been harvested! Now, was he wounded by an outsider with a sword? At this moment, Ye Chen bowed his head, glanced at the blood-colored long sword in his hand, and frowned slightly. This long sword was already damaged when it fought against Long Jingyan. Now it is full of cracks and has been completely damaged. Up... Wuzou climbed up from the ground, still in that stupid appearance. With a movement, he rushed to Ye Chen's face again, and slammed his fist toward Ye Chen's door!

Ye Chen smiled coldly, raised his fists to greet each other, and the two fists collided, and there was another blast that shook the sky. Wuxu's arm was actually twisted backwards into an extremely weird one under Ye Chen's tremendous force. shape!

Ye Chen flashed with surprise in his eyes: "The strength of the physical body is not bad."

Hardly defending Ye Chen with a punch, without being directly beaten into blood mist, it was already very difficult.

Wu Lie had no expression on his face, as if it was broken, not his own hand, another fist blasted towards Ye Chen's temple in an instant!

Ye Chen's figure flickered, avoiding this fist, and quickly stretched out his hand, actually grabbing Wu Xu's wrist directly, he gave a low cry, pulled hard, and directly tore off this arm!

Without waiting for Wuxu to continue to move, Ye Chen's mouth formed a murderous intent. Above the fist peak, the black light flashed, and a punch was blasted, violently hitting Wuxu's breastbone!

Wu Suu's eyes suddenly burst, and his body flew upside down in an instant. The blood mist exploded all over his body, and his bones continued to shatter, shattering several palace walls, and finally fell to the ground, dying and couldn't get up again.

But the eldest prince, at this time, his legs were already weak, his body trembled, and even his soul was wailing because of Ye Chen's extremely terrifying strength!

Step by step, Ye Chen walked towards the eldest prince. At this time, the heart of the eldest prince was about to collapse. He was even willing to use all his status and status to exchange for a chance to escape Ye Chen!

But by the way, watching Ye Chen walking towards him with a smile on his face, he didn't even dare to move. He had to forget his breath, let alone escape!

Ye Chen sneered and said, "Do you remember what I said just now?"

When the eldest prince heard this, his body trembled, and ecstasy appeared in his eyes!

The next moment, he knelt to the ground without hesitation, facing Ye Chen, exhausted all his strength, and slammed his head heavily!

Quickly pick it up, and use all my strength to kowtow towards Ye Chen!

Ye Chen looked at the eldest prince, shook his head helplessly, and said, "Is this the royal majesty you said?"

The eldest prince was so humiliated, but he didn't dare to refute, he knocked harder!

Ye Chen sat back on the main seat, and the cup of tea Long Jingyan was making was still warm at this time. He was enjoying the performance of the prince while sipping the fragrant tea. He looked very comfortable.

An hour later, the bang-bang kowtow finally stopped sounding. At this time, the eldest prince was already bloodied and his head was smashed. The handsome face at this time looked disgusting. He fell to the ground, dying. , Murmured constantly: "Ye Gongzi, please spare me, Ye Gongzi, I was wrong..."

He, to Ye Chen, knocked 10,000 loudly!

It seems that the mind is broken and the mind is confused. I am afraid that even if the injury is recovered, Dao Xin will not be able to heal it.

You Xuan'er sighed, and secretly sent his confidant to send the eldest prince and Wu Lie for treatment. She didn't blame Ye Chen.

The eldest prince offended Ye Chen many times, but Ye Chen didn't directly kill him. To be honest, he had already given You Xuan'er enough face.

Blame it, You Xuan himself has no eyes but no beads.

...

At the same time, the first kingdom of God.
A dusty ancient temple.
In the hall, there is a huge ancient text floating high in the sky.
leaf!
The power of reincarnation that countless strong people longed for flowed through the text.
Here is the remains of the Ye Family where the Lord of Reincarnation was once.
The periphery was sealed in dust in ancient times.
No one can step in.
but!
At this moment, there are two people standing above the hall!
A green robe old man with white hair! A special jade card hung around the old man's waist!
It was exactly the same as the text that emerged from the sky!
If Ye Chen were here, he would definitely find that this old man was his dead grandfather!
And beside the old man stood a stalwart man.

The man was holding his hands behind him, and there was a sword behind him. The sword was not out of its sheath, but it made people think of death.

Looking closely, the man's pupils turned around with blood moons.

The old man looked at the idol in front of him and said solemnly: "Mr. Ren, those ancient demons have completely disrupted our plan... The old man is really afraid that everything that has been laid out for thousands of years will turn into dust."

The man did not speak, his eyes squinted, and his whole body was covered with a faint starlight.

It seems to be a very special kind of blood.

"Ye Chen was the first to contact the ancient demon. If the ancient demon disrupted our plan it would be better to say that Ye Chen disrupted the ancient demon's plan."

"Don't worry, Ye Chen, we won't be disappointed."

Suddenly, the man spoke: "You don't believe Ye Chen?"

"Besides, the group of ancient demons never expected that the restriction they set up turned Ye Chen into success."

"Maybe Ye Chen will use what he got there to erase that ancient demon."

"Okay, time is almost up, we should go there."

"Ye Chen is growing fast, and our plan has to be advanced."

After speaking, a star door appeared in front of the man.

One step over and disappear completely
The old man took a deep look at the statue of the Lord of Reincarnation of the Ye Family, and finally followed.
Everything returned to calm.
