Chapter 2741: This sword is terrible!

"Don't forget your heart."

He whispered, in an instant, a little bit of starlight appeared on the sky, like a god, guarding all things in the artistic conception!

Wu is the way to kill, and Lingxiao Wu, if he doesn't stick to his heart, is there any difference between the devil who only knows how to kill?

Regaining the original heart, it is simple to say, but is it really easy to do it?

That is a true return to nature! Avenue to Jane!

This kind of enlightenment is not only a change in the state of mind, it has changed all aspects of Ye Chen's martial arts and martial arts!

This is an evolution towards perfection!

Hold my heart and ask with sincerity. How can I shake my heart even if there are so many evil thoughts?

At this moment, Ye Chen's meaning of true martial arts was completely sublimated!

In the holy land, Ye Chen slowly opened his eyes. At this time, in those clear eyes, there was already a clear color!

He took a deep breath, his mind turned, and the golden light flowed all over his body, and he suppressed the endless evil spirits!

The black mist above the sword stone in the town was swept away in an instant!

But Ye Chen slowly raised his arm, and slowly drew the ancient evil sword that had been dust-sealed for thousands of years from the sword stone.

At this moment, the black light at the entrance of the Holy Land flashed and completely disappeared...

An hour has passed...

This holy place is actually closed again!

In the palace, You Xuan'er's beautiful eyes were bleak, staring blankly at the shadow crystal that had fallen into darkness...

Ye Chen was actually locked in the Holy Land.

She didn't even see the scene where Ye Chen pulled out the evil sword last, and Chuan Yingjing plunged into darkness.

All the officials and ministers around shook their heads and sighed. The whole country of extreme evil was filled with grief...

At this time, the concentration of evil spirits in the air was obviously reduced by countless times, but no one was pleased or cheered. They were all silent because of Ye Chen's sacrifice.

Only a few people are exceptions!

Concubine Ming was ecstatic on her face, she was almost unable to suppress it, but she was still trying her best to express sadness and sadness, as if she was really cherishing Ye Chen.

And the emperor of the kingdom of extreme evil, seemingly painful, his eyes are shining, insulting my royal family, whoever you are, you have to pay a price!

"Sister Long..."

You Xuan'er, looking at Long Jingyan, was taken aback, and her beautiful eyes instantly appeared incomprehensible!

At this time, Long Jingyan seemed to be more desperate, painful and unacceptable than You Xuan'er!

Her Dao Xin seemed to be close to the edge of collapse, and her beautiful face was pale, and she murmured repeatedly: "Impossible, this is impossible..."

You Xuan'er frowned, what is going on?

Based on her understanding, even if Sister Long admired Ye Chen's sacrifice for the Kingdom of Extreme Evil, she would not despair to such a degree, right?

Moreover, the relationship between Long Sister and Ye Chen is obviously not very good. The maintenance of Ye Chen in Xuanxin Palace before is not so much protecting Ye Chen, it is better to protect the royal family and the kingdom of extreme evil.

But now, what is going on?

It seemed that Long Jingyan was really desperate because Ye Chen was trapped in the Holy Land.

...

"Boy, you succeeded!"

The old man's voice sounded in Ye Chen's mind, with a strong sense of joy!

Good weight!

In the holy land, Ye Chen held the evil sword slightly, his expression slightly changed. This long sword was actually extremely heavy, and its weight far exceeded the Qinglian Heaven Destruction Sword!

Although Ye Chen had not exceeded Ye Chen's limit, Ye Chen had to temporarily insert this evil sword by his side!

The moment the long sword struck the ground, the entire holy land was shaking violently, and cracks appeared, showing how terrifying the weight of this evil sword!

The reason why the evil sword did not exceed Ye Chen's limit, and Ye Chen still wanted to put it down, was that although he pulled out the evil sword and exhausted the extreme evil spirit of the sword stone, his face was very ugly!

His breath at this time is extremely wrong!

In order to suppress evil spirits, Ye Chen was immersed in the realm of Zhenwu and confronted with it. Although, in the end, he succeeded in improving the meaning of Zhenwu, but!

When he confronted evil spirits, he consumed too much, and he had no spare energy at all to take care of his body!

Losing the control of his will and refining, although his physical body was able to withstand the extreme evil spirit by relying on the life force against the sky and the blood of reincarnation, Ye Chen's body was almost torn apart by the evil energy at this time. !

There are countless dark blood vessels all over his body. At this moment, he is clenching his teeth and trembling slightly. He is doing his best to suppress the extremely evil spirit in his body. He hears the voice of the old man and barely speaks:

"Old man! I can't stay in this holy place anymore in my current physical state, the remaining evil aura here is too strong, just suppressing the extreme evil aura in my body is already reaching its limit! The door of the holy land, close Yet?"

The old man said: "Just before you pulled out the evil sword, it was closed..."

"Damn it!"

Ye Chen's eyes became gloomy for an instant and said: "Now what should I do?"

The old man groaned: "Boy, you have absorbed a huge amount of extreme evil now, and your true martial meaning has been sublimated again!

Now, this evil sword is blessed again! The essence of this holy land is the same as the space seal of the kingdom of extreme evil. You should now have the strength to break through that gate! "

Ye Chen's eyes lit up when he heard the words!

"but....."

"But what?"

The old man sighed: "In your current state, if you take a strong action, you may not be able to control the surging evil spirit in your body. At that time, even if you can hold on, you will probably be seriously injured!

If at this time, someone will attack you..."

Ye Chen's expression changed several times, but soon, a resolute expression appeared in his eyes and said: "Then, you can only fight! Stay here, you can only wait for death!"

"No hurry, boy, first feel the power of this evil sword!"

Hearing the words, Ye Chen turned his eyes to the evil sword in his hand, stretched out his hand and wiped the mottle on it, a cold light instantly stung Ye Chen's eyes!

"Good sword!"

Ye Chen couldn't help but exclaimed!

On the pitch-black sword body, countless \*\*\*\* runes, even after tens of millions of years, still glow with a rich brilliance. This evil sword is not only a weight, it far exceeds the Qinglian Tiantian Sword!

The Evil Sword is not the same as the Qinglian Spelling Sword, but it is truly an ancient weapon, even an ancient weapon! The bursts of ancient, murderous aura that it exudes, as well as the energy fluctuations that are so powerful that people can't believe it is emitted by a blade, even Ye Chen is secretly shocked!

Among the seven kingdoms of gods, I don't know if I can find another weapon that can be at the same level as the evil sword!

Chapter 2742: The ancestors are here!

No, there is one more!

That is the Falling Dust Drop Dragon Sword that Senior Ren gave him!

Unfortunately, it has been broken!

According to Senior Ren's meaning, is it to use this evil sword to give Luchenjiang Dragon Sword a new life?

When Ye Chen was thinking about how to fuse the two swords, a sudden change emerged!

At the moment when the sword light of the evil sword was shining, Lao Cang suddenly whispered: "Boy, be careful!"

Ye Chen's pupils shrank, and a powerful divine power burst out from the evil sword, flooding into Ye Chen's mind!

After a while, Ye Chen recovered, frowning slightly.

Seeing that Ye Chen was okay, the old man heaved a sigh of relief and asked, "Boy, what's the matter?"

Ye Chen's eyes flickered slightly and said: "This evil sword is actually a Taoist weapon that surpasses the ultimate weapon! And it is also an ancient Taoist weapon!"

"Furthermore, this ancient Taoist tool possesses the power of Soul Eater!"

"what!"

As soon as this remark came out, even the old man was shocked!

Ancient Taoist artifacts, even in the upper realm, are extremely rare!

The Taoist rhyme possessed by the ancient Taoist tools is a kind of ultimate law power, comparable to the existence of the meaning of Zhenwu!

What's more, the attribute of Soul Eater is too rare and too powerful!

Soul Eater, but by slaying creatures, plundering their souls, and strengthening their own mighty Daoyun!

"It's just that, most of the power of this ancient Taoist artifact has been sealed. If you want to remove the seal, there are two ways."

"The first way is to rely on the power of the Soul Eater to devour the soul of the strong and slowly erode the seal. Just doing this will be extremely slow, and at least it must be the strong of the chaos realm and the strong of the gods. Effective."

"The second way is to find the ancient existence who forged this evil sword!"

"Find that ancient existence? Isn't that ancient existence in deep sleep?" Old Cang asked slightly in surprise, "Do you know the location of that ancient existence?"

Ye Chen shook his head and said, "The exact location is still unclear. As for the ancient existence, he should be dead!"

"However, there is a ray of remnant soul left, and it seems to be sealed somewhere."

"Now, the only thing that is certain is that the place where the remnants of the ancient existence were sealed should not be in the kingdom of God, and not far from the kingdom of God! If it reaches that place, Sha Jian should react."

"That's the case, but since it is an ancient Taoist artifact, even if most of its power is sealed, it shouldn't be comparable to it?"

Ye Chen heard that, even though he was desperately suppressing the extremely evil spirit in his body now, the corner of his mouth couldn't help but raise a smile and said: "The power of this evil sword is definitely not under any unique weapon, it is enough for me to use now. Up!"

As he said, his complexion suddenly changed, and the black energy in his veins instantly thickened!

The extreme evil spirit has a tendency to explode!

so close! Ye Chen let out a low cry, golden light faintly bloomed in his eyes, and the blood of reincarnation ran wildly, finally suppressing the extremely evil spirit again!

His eyes sank and said: "Can't delay anymore!"

Immediately, his body flashed, and he came to the entrance of the 12th district!

He took a deep breath, and on the surface of his body, seven layers of blood light burst out crazily, and above the blood light was a golden glow that was so rich that it almost turned into substance!

And in the whole body, the billowing pitch black is like ink, and the rich and condensed to the extreme suffocation lingers, like a series of shocking magic dragons, exuding a trembling killing intent!

That is the killing intent to Ye Chen!

As soon as the surging and boundless spiritual power moved, these evil auras began to waver in the meridians, faintly unable to suppress it!

And the number of black blood vessels in Ye Chen's body was also increasing, and even began to rupture and bleed!

But even so, Ye Chen's eyes are getting brighter and brighter!

The strong meaning of true martial arts is condensed on the blade of the evil sword. The blood rune is instantly activated, bursting with dazzling blood!

That \*\*\*\* light, even in an instant, dyed the entire holy land into blood!

However, the sublimated meaning of true martial arts was plated with an extremely bright star on the pitch-black blade!

It seems that in this sword, there are all the stars of the week and the sky, like everything in the universe!

Ye Chen, who was almost on the verge of collapse, showed a crazy smile on his face and said: "Ancient Taoist artifacts? But, don't let me down!"

In the next moment, this sword containing the power of horror, burst out!

"Only I Lingxiao, Tushen breaks the sky!"

The stars trembled, the ten thousand realms were wiped out, and the sky sword light, cut everything!

...

In the palace, a strong aura suddenly rose, even those sacred envoys with extraordinary strength, their complexion changed wildly, looking in the direction that the aura rose, the body was trembling slightly uncontrollably. !

And the others are even going to crawl on the ground. If they don't support each other, they will be completely weakened in this breath!

Suddenly, the breath receded, and an old man with white hair, gloomy eyes, and a hooked nose appeared in front of everyone!

Everyone in the palace was stunned when they saw this. The next moment, without exception, they bowed down to the figure, even the emperor of the kingdom of extreme evil, no exception!

They all directed at the old man, respectfully saluting: "See the ancestors!"

The gloomy old man glanced at them and said lightly: "Get up."

The emperor of the extreme evil country, after getting up first, the others dare to stand up.

At this time, the emperor said with joy and excitement to the royal ancestor: "Old ancestor, your strength in this retreat has improved again! It is gratifying, gratifying!"

This old man exudes the aura of fear that even the sixth-tier heavenly martial artist of the chaos realm is afraid of, and he is a super powerhouse of the seventh-tier chaos realm!

Stepping into the late stage of Chaos Realm, the strength will be improved by a leap compared to the middle and early stages!

Don't think that the sixth and seventh levels are only the first level, but at this level, most people may cultivate for thousands of years, or even ten thousand years!

Moreover, the foundations of these ancestors in the Seventh Floor is extremely terrifying!

Even if this royal ancestor is placed in the Kingdom of God, he can be counted as a strong veteran, right?

But at this time, the old man narrowed his eyes slightly, staring at the door of the dark holy land!

Although he didn't come to observe the ceremony, but with his cultivation base, he clearly felt what changes had taken place in this holy place!

At this moment, there was a loud bang!

The entire kingdom of extreme evil was caught in a violent shaking!

In the palace, many buildings built with the best spiritual materials, in the shock, they started to collapse one after another!

With a scream, everyone turned their heads in horror and looked at the dark gate!

How is this going?

Why is there such a change in the Holy Land?

Chapter 2743: Her mission!

Suddenly, they thought of a man...

A man who did not belong to the kingdom of extreme evil, but created countless miracles in the country of extreme evil, and finally, was trapped in the holy land!

Could it be Ye Chen?

Everyone's complexion has changed!

It has become the most terrifying color in the world!

Ye Chen, is not dead?

Not only did he not die, but he seemed to have to smash the gate of the Holy Land directly!

In the history of the extreme evil country, there were many holy envoys trapped in the Holy Land, but no one has ever been able to defeat the gate of the Holy Land!

Let alone defeated, I can't even think about it!

But now, this scene is about to appear before their eyes?

At this moment, the sound of clicking sounded from the dark gate, and countless cracks spread across the gate quickly!

The power of space burst out, the thunder light that shuttled in the void, from the crack, surged wildly!

With a bang, the dark gate that has existed in the kingdom of extreme evil since ancient times was shattered!

In the gate, a distorted space crack appeared, and the figure of a man, accompanied by thunder light, descended in the palace!

This person is naturally Ye Chen!

Everyone looked at Ye Chen in disbelief!

He actually survived! Moreover, he directly smashed the door of the Holy Land and came out of the Holy Land!

Stupid, everyone who saw this scene was completely stupid!

At this time, Ye Chen spit out a big mouthful of blood when he landed!

Even, he couldn't stand properly, his figure shook, holding a sword, half kneeling on the ground, panting violently!

He is doing his best to suppress the agitated extreme evil spirit!

"Then, that is the evil sword?"

In the palace, a nobleman looked at the pitch-black handle in Ye Chen's hand, engraved with blood-colored runes, and exuded a terrifying, heart-palpitating long sword!

Isn't that on the sword stone, the evil sword that suppressed the ages!

In the legend, the meaning of existence in the kingdom of extreme evil has now fallen into Ye Chen's hands?

Everyone looked at the long sword in Ye Chen's hand with trembling eyes, and the royal ancestor standing in the air, in a pair of cold eyes, the richness almost turned into substance. The color of greed!

You Xuan'er didn't care about so many, she gave a tearful cheer and ran towards Ye Chen. She held Ye Chen and said, "Master Ye, how are you?"

Ye Chen gritted his teeth and let out a breath: "It's okay, take me out of here!"

Fortunately, the extremely evil spirit, although he was in a state of violent walking, seriously injured him, but was temporarily suppressed by him, only to find a safe place, slowly refine it, relying on Ye Chen's incredible vitality to recover Not difficult!

At this time, Long Jingyan's figure also flashed, and she came to Ye Chen's side, her beautiful eyes staring at Ye Chen somewhat complicatedly.

"Don't let him go!"

At this time, a spiteful woman's voice suddenly sounded in the palace!

Concubine Ming came out and stared at Ye Chen, You Xuan'er and Long Jingyan said: "You can't let him go! This outsider has destroyed the gate of the Holy Land, and now, I have to take away my horror. Kingdom, guard the evil sword for thousands of years!

This is an insult to the royal family and even the whole country of extreme evil! "

You Xuan'er, Long Jingyan and the two daughters, all looked at Concubine Ming with pretty faces!

The next moment, in You Xuan'er's beautiful eyes, angrily stared at Concubine Ming: "What did you say?"

"Can't let Young Master Ye go? Do you know what Young Master Ye has done for our extremely evil country!"

"He is the greatest hero in the history of our country of the evil! From now on, the people of the country of extreme evil will no longer have to worry about the increase in extreme evil spirits!

You said you can't let him go? Do you want to point your face? "

After hearing the words, everyone was silent...

You Xuan'er turned his gaze and looked at the emperor of the extremely evil country: "Father! Please be fair to Ye Gongzi!"

However, the emperor of the kingdom of extreme evil had a cold expression, looked at You Xuan'er indifferently, and said in a deep voice: "Xuan'er, why do you say this to Concubine Ming?"

what?

You Xuan'er looked at her father in disbelief, and her beautiful eyes were filled with disappointment...

Even the father wants to target Ye Gongzi?

why?

Didn't Ye Gongzi save countless citizens of the extreme evil country, solve the disaster that has plagued his country for thousands of years, and create a miracle?

Why, now these people want to avenge his favor?

Long Jingyan clenched her silver teeth, and a hint of hesitation flashed in her beautiful eyes. She supported Ye Chen and whispered: "You, can you still go?"

At this moment, Ye Chen was sweating profusely by the violent evil spirit, he barely raised his eyes, glanced at the royal ancestor who was looking down at him, and shook his head with a wry smile:

"Why, didn't you want to kill me before? Are you worried about me now?"

If so, without the existence of this Chaos Realm Seventh Level Heaven, he struggled to get worse, but there is still a hint of hope of escape...

On Long Jingyan's pretty face, a trace of annoyance flashed across Long Jingyan's pretty face and said, "When is it all, do you still have the thought to laugh?"

At this time, the royal ancestor finally smiled, extremely excited and ecstatic.

He gave him such a gift as soon as he left the customs?

Haha It's so dazzling!

The responsibility of guarding the evil sword? The will of the evil god?

What are those things for him You Mieyun?

The reason why he worked hard for countless years in this small place was to obtain the legendary evil sword!

Now that his wish is finally coming true, how can he not be excited and ecstatic?

Going crazy!

Originally, after witnessing Ye Chen smashing through the gate of the Holy Land, he was still a little jealous of him, but now, he was completely relieved!

According to his observation, Ye Chen is now eroded by evil spirits, he can't do it at all, right?

In this state, for him, a powerful man of Chaos Seventh Layer, it is impossible to cause the slightest threat!

Immediately, You Mieyun's figure flashed, and he came out in front of Ye Chen, and said with a sneer: "Junior, you have violated my taboo in the kingdom of extreme evil. You should be put to death. Now, this deity will give you one. Opportunity, hand over our country's supreme evil sword, and this seat can spare you a life."

Ye Chen looked at You Mieyun coldly, with a look of disdain. This evil sword was bought by him for his life. Now, with your word, say take it, just take it?

Ye Chen, even if he died, he would never let you get this evil sword!

"Old ancestors!"

You Xuan'er was already in tears at this time, she couldn't accept it, her family and ancestors were all such shameless people!

She knelt in front of You Mieyun and cried out, "Old ancestor, please let Young Master Ye go!"

When everyone saw this, their expressions changed!

Is that the ancestor of the royal family?

Is You Xuan'er crazy? How dare to disobey the ancestors?

You Mieyun glanced at her lightly, her eyes flashed with cold light, anger looming, and someone dared to stop her?

Had You Xuan'er not been his descendant, he would have killed him impatiently!

Chapter 2744: Live!

But even so, You Mieyun said with all his breath: "When is it your turn to interrupt?"

"puff!"

You Xuan'er spit out a mouthful of blood, and the Jiao body was hit by the breath and flew upside down, and fell heavily to the ground, breath dying, already seriously injured!

Ye Chen looked at You Mieyun, his murderous intent throbbed. Perhaps, he first met You Xuan'er because of conflict, but Ye Chen is not a person who is right or wrong. You Xuan'er really wants to help herself. , And with Ye Chen's character, how could he see someone helping him hurt for himself?

WINK is growing to \$1 - Don't lose you chance - Buy On Binan...

At this moment, he actually braced and straightened his back, slowly raised the evil sword, pointed at You Mieyun, and said Senran: "Old thing, do you want this evil sword?"

"This evil sword was bought by Lao Tzu for his life. If you want it so much, it's not impossible to give it to you!"

Everyone was stunned. Is Ye Chen going to hand over the evil sword?

Indeed, although the value of Sha Jian is incomparable, right now, he seems to have no second choice...

You Mieyun smiled coldly. He naturally didn't really mean to let Ye Chen go. As a human being, he always likes to cut grass and roots without leaving any future troubles!

What's more, he seized the evil sword and kept a monster like Ye Chen to live. Can he feel at ease?

It's just that it's safer to kill the evil sword first, after getting it in your hand, lest this kid, before he died, would use any weird means to damage this supreme treasure!

Just as You Mieyun was about to stretch out his hand and take over the evil sword, Ye Chen exhausted all his strength and said, "Here you are, it's okay, but I want you to be immortal and take his life." Changed!"

So crazy!

Indescribably crazy!

Even in the face of royal ancestors...

Even in the face of the powerhouse of the chaos realm seven-layer heaven...

Even at this time, Ye Chen was in a very bad state and couldn't make a move at all!

Ye Chen is still so crazy!

Crazy to the end of the breakthrough sky!

Mad to the point of ignoring everything!

Everyone was completely shocked by Ye Chen's shout!

But You Mieyun's old face was distorted, and he was so angry that he even laughed out of his resentment to the extreme!

He looked at Ye Chen with extremely murderous intent, and laughed wildly:

"Take my life in exchange? Come on? Are you here to get it? The deity is standing in front of you. Are you capable of taking the deity's life?"

"Also in exchange for your life, do you want to laugh at the deity? A trash that has been eroded by evil spirits to the body, and even stands up to a woman to hold on to the deity's life? Ignorance! Funny!"

Ye Chen's pupils shrank crazily, and the evil energy in his blood vessels was about to boil, almost desperate to shoot!

But at this time, an extremely slender, soft jade hand held him.

Long Jingyan's hand.

Ye Chen glanced at Long Jingyan coldly, and said blankly: "Get out of the way."

Long Jingyan did not let go, staring at Ye Chen with her beautiful eyes, not knowing what she was thinking.

Ye Chen's tone became cold, and he shouted in a low voice: "I told you to get out of the way!"

He knew that Long Jingyan stayed beside him, and only died.

On Long Jingyan's pretty face, for some reason, with a touch of blush, her warm, seductive lips lightly opened, she actually ignored Ye Chen's order and slowly said: "Don't get me wrong, I'm just following the instructions left by my father, maybe, this is the fate of my Long Family..."

Ye Chen frowned slightly, what was Long Jingyan talking about?

misunderstanding? Father's order? The fate of the Long Family?

What is this all about? do not understand at all!

This woman, just told herself not to laugh, but now she started talking nonsense?

Just when Ye Chen was puzzled and puzzled, Long Jingyan actually made a move that shocked everyone's jaw!

When she moved, she actually got close to Ye Chen's arms, and her attractive lips pressed tightly on Ye Chen's lips!

Long Jingyan actually kissed Ye Chen at this time!

Hidden in the corner, with his head broken and the entire face distorted, the prince looked at Ye Chen and Long Jingyan, his eyes were full of spite!

"Bitch! What a bitch! I knew that you two have a leg!!!"

At this time, Ye Chen's brain was in a mess, and the whole person was a little dizzy. What's going on?

Strong kiss?

I was forced to kiss?

Suddenly, Ye Chen's expression moved, and the black energy in his veins quickly faded, and the whole person became countless times easier!

this is!

His pupils shrank suddenly and pushed Long Jingyan away!

Sure enough, at this time, Long Jingyan's body was full of evil spirits! The fair skin is darkening! Obviously, she sealed part of Ye Chen's extremely evil spirit into her own body!

This, this is impossible!

This is not the extremely evil spirit wandering in the air!

That is the evil spirit that has been integrated into Ye Chen's blood, and it can be sealed in by Long Jingyan?

Although Long Jingyan had only endured a small part of the extreme evil spirit that Ye Chen had absorbed, but this small part greatly reduced Ye Chen's pressure!

And even if is this small part, it is not Long Jingyan at all, it can bear it!

At the corner of Long Jingyan's mouth, a ray of blood overflowed, and her breath quickly faded. Her beautiful eyes looked at Ye Chen in a vague way, and she gasped slightly and said, "Live... live..."

The smile on You Mieyun's old face froze, and the expression in his eyes became violent. What did Long Jingyan do?

How did this kid recover?

The blue veins on his forehead were beating frantically, so angry, how could he not be angry?

Originally, Ye Chen was already a turtle in the urn! The evil sword, which is extremely against the sky, is about to fall into his own hands! It's because this \*\*\*\* has changed!

He was full of spiritual power, palms exploded, slapped fiercely, blasted towards Long Jingyan, and roared: "Bitch! What good things have you done! Die to the deity!!!"

The palm strength is surging, like a huge wave that can wash away the galaxy, overwhelmingly towards Ye Chen and Long Jingyan, suppressing!

The void burst, the world shook, countless pavilions and palaces were crazily collapsed, and countless warriors in the kingdom of extreme evil were trembling, as if the end had come!

Undoubtedly, the terrifying power of Chaos Seventh Heaven has erupted!

The people in the palace were completely unable to withstand the coercion of that terrifying palm force, and were crushed to the ground, let alone them, even the holy envoys of the Chaos Realm were the same!

Even the strong at the early stage of Chaos, in front of this palm, are like ants!

There was a loud bang, the earth was destroyed by palms, martial arts laws cracked, lightning neighed, four violent winds, wild fires, dust and smoke, \*\*\*\* air, floating in the air...

In the place where Ye Chen originally stood, an extremely large hole appeared.

And Ye Chen is standing in the center of the pothole!

Chapter 2745: You can't run away

At this moment, he lowered his head, wrapped Long Jingyan in his arms, and held it firmly, holding one hand up to block You Mieyun's terrifying palm!

That hand, now dripping with blood, looked very miserable.

But Ye Chen seemed to have no feeling at all. He looked at the woman in his arms, and his eyes showed a hint of helplessness and complexity.

He didn't understand why Long Jingyan wanted to save herself?

This is not like.

More like a mission?

Combined with Long Jingyan's previous words, Ye Chen had a lot of doubts in his heart!

Long Jingyan's beautiful eyes closed tightly and she had lost consciousness. Her complexion was pale, her black aura floated from time to time, her breath was extremely weak, and her state seemed very bad. Fortunately, after Ye Chen fed her own blood, Long Jingyan even though He didn't wake up, but he shouldn't be in danger for the time being.

He slowly put down Long Jingyan's delicate body, step by step, walking towards the pit, and following Ye Chen's footsteps, that arm that had been broken and was growing rapidly and healing.

Soon, Ye Chen returned to the ground. He put the evil sword on his shoulders and stared at You Mieyun coldly, with killing intent flooding in his eyes!

"What did you call her just now?"

You Mieyun's expression sank, and there was a long sword shining with gray and evil spirit in his hand!

This long sword is surprisingly a powerful weapon!

He stared at Ye Chen, and suddenly sneered: "An ant is an ant after all. I don't know. Do you really think you are going against the sky? You still have evil spirits in your body that have not been completely suppressed? I am ashamed to ask the deity, what is her name?"

The deity calls her a bitch, why? Can't it? How many times did you call out without hearing the deity? "

Even though You Mieyun said so, his whole body's spiritual power was slowly brewing in his body, and he didn't mean to keep his hands!

Ye Chen looked like a cold star, and said lightly: "Kill you, enough!"

The next moment, Ye Chen's body surface suddenly burst out with seven blood lights, golden lights flashing, and evil spirits tumbling. The \*\*\*\* runes on the evil sword in his hand also instantly shined, covering the entire palace in a burst of blood. in!

Ancient, bloody, slaughter, horror and other auras, filled with blood, everyone trembled crazily, fainted, and could not bear the aura fluctuations emitted by the evil sword!

The only ones who are still awake are those chaotic realms!

However, even those holy envoys had expressions of astonishment and were immersed in the breath. They only felt that their souls would fall into the blood, turning into blood and dissipating!

Even You Mieyun was shocked, and his gaze at Sha Jian became even more greedy!

What a terrifying power!

Sure enough, it is worthy of the ultimate weapon handed down from the ancient gods!

He looked at Ye Chen and said with a sneer: "You trash, do you treat the existence of the Seventh Layer of Chaos as a cat or a dog?"

The next moment, the long sword in You Mieyun's hand was also full of evil spirits, the sword light was surging, and a trace of true martial arts, floating in the evil spirit, his expression condensed, his figure flashed, and he flew towards Ye Chen. , Whispered: "Evil Dragon Sword!"

The evil aura was tossing, like a giant dragon, roaring towards Ye Chen, the martial law of the whole country of extreme evil was shattered by this sword, the space was wiped out, and the wind was raging, sweeping all corners of the country of extreme evil, countless People are almost fainted because of the power of this sword!

Ye Chen took a deep breath. Facing the horrible evil dragon, he was not afraid of it. It was a level of true martial meaning higher than traveling to Mieyun. It turned into a dazzling galaxy, flowing on the blade of the evil sword, violent. Juli unreservedly vented out, driving the horrifying weight of the evil sword, a sword, slashed towards that evil dragon!

The blood-colored sword light, blended with the galaxy-like martial arts, turned into countless blood-colored cold stars, rushing towards the world-destroying evil dragon!

At the moment when this sword was cut, Ye Chen's entire body and large areas of space were all shattered in an instant!

There was a bang, a loud noise, blood and light splashing, evil spirits churning, the galaxy disappeared, and the angry dragon wailed!

The blood light and evil spirit dissipated, and the powerful aftermath instantly razed countless buildings in the entire palace to the ground!

You Mieyun looked at the slightly trembling wrist and the blood that was dripping from the cracked tiger's mouth, with an incredible expression on his face. What power is this?

Actually, after extinguishing that Shalong, the hand that made him hold the sword was somewhat unable to withstand the backlash of the huge force, and trembled slightly?

However, at the corner of You Mieyun's mouth, a cold smile appeared.

Ye Chen is indeed very strong, but now, because of his evil spirits, his strength has been compromised, right?

In the face of the sword that he used to cultivate with the seventh level of Chaos Realm, Ye Chen must have suffered more damage than himself!

He looked at the smoke screen in front of him, and sure enough, blood mist floated in the smoke!

You Mieyun grinned and said: "Boy, didn't you say that your current strength is enough to kill me? Are you going to continue to kill? Don't tell me, all the things you said before were pretends. Actually, you are thinking How to escape?"

If so, Ye Chen really flees desperately, and You Mieyun is really not sure that he can keep Ye Chen!

Therefore, he wants to stimulate Ye Chen, severely stimulate!

There was a surge of in the smoke screen, and suddenly separated, a figure covered in blood suddenly rushed towards You Mieyun!

You Mieyun's pupils shrank and sneered, "Idiot, it really came out!"

In his eyes, Ye Chen, on his chest and arms, had several sword wounds with deep bones!

In this way, dare to rush out directly and fight against the deity?

No brains at all, he died, not at all wronged!

With a movement of his figure, he greeted Ye Chen without any fear!

The sword light flashes, the blood is overflowing, the sword light is soaring, and the suffocation is whistling!

The evil sword in Ye Chen's hand and the long sword in You Mieyun's hand slammed into each other!

Blood, light, sword and shadow intertwined, and the two fought several times in the blink of an eye!

You Mieiun gritted his teeth fiercely, the corner of his eyes jumped, and there was a soft click, but there was a crack on his sword holding arm!

Under the close combat, Ye Chen's violent and unspeakable power was even more terrifying. It actually shattered his hand bones!

However, Ye Chen at this time is even more miserable...

He was panting, another blood hole appeared in his abdomen and thighs, and the blood flowed across, almost turned into a pool of blood under Ye Chen's feet!

You Mieiun glanced over the wound on Ye Chen's body and smiled even more. He believed that he would definitely win in the end!

Now, he has the advantage, right?

Even with Ye Chen's terrifying resilience, this gap cannot be made up, right?

But soon, You Mieiun's smile solidified!

Because he noticed Ye Chen's expression!

Why is this kid laughing?

Moreover, I laughed, so creepy! ! !

Inexplicably, on You Mieiun's back, a chill rose...

Ye Chen's eyes were full of madness, staring at You Mieyun and saying, "You can't run away."

Chapter 2746: After the limit!

Can't run away?

What does it mean to not run away?

This \*\*\*\* is obviously more hurt than the deity respected, even saying that the deity can't run away?

ridiculous!

You Mieyun frowned, another sword stabbed towards Ye Chen!

Sword light condensed, evil spirits are like a dragon!

This sword went directly to the center of Ye Chen's eyebrows!

However, the next moment, You Mieyun's complexion changed suddenly!

Because Ye Chen, regardless of the sword he used, cut it towards You Mieyun's neck with a fierce sword!

He is confident that this sword can penetrate Ye Chen's eyebrows...

However, if it is really like that, he has no confidence and will not be cut off by Ye Chen's head!

Imagine that terrifying power pouring unimpeded on his neck, and You Mieyun's soul trembled slightly!

This kid, is his mother crazy?

Not afraid of death at all?

He gritted his teeth fiercely, his wrist flipped in an instant, the meaning of true martial arts turned, abruptly changed the weirdness of this sword, and sealed the sword that Ye Chen had cut!

With a loud bang, the sword aura broke out, Ye Chen held the Shajian's arm, and the agitated sword aura pierced several blood holes, but this time, You Mieyun cried out in pain, and the muscles on the arm broke. Blood is overflowing!

He changed his sword skills forcibly, and was inevitably a point weaker in the collision!

In the next moment, You Mieyun actually retreated!

His face is gloomy, this kid is too crazy to fight him close!

But once you get entangled in Ye Chen, is it so easy to get rid of it?

"Jiwu: God flash!"

Ye Chen let out a low cry, followed up without hesitation, and chased in a straight line!

The cold light in You Mieyun's eyes flickered, enduring the pain in his arm, swung several swords fiercely, several sword lights, strangling towards Ye Chen!

As long as Ye Chen dodges a little bit, he will have confidence, relying on his vigorous cultivation and Ye Chen's inability to exert his strength 100% because of the extremely evil aura, once again control the distance between the two!

Ye Chen's sword danced, blood spattered, blocking a few sword lights, but for the rest, he just twisted his figure slightly, avoiding the vital point, and forcibly took the sword light!

Puff!

Puff!

There were several soft sounds again, and the blood was flying, and there were several blood holes on Ye Chen's body!

On his face, there was still that creepy evil smile, and the fighting intent and killing intent in his eyes were more intense, as if the injured was not his own body, and he did not know what the pain was!

But it was You Mieyun whose complexion changed suddenly!

He was caught up again!

Boom, another loud noise caused by the collision of sword lights and sword lights!

You Mieyun's complexion has changed, the corners of his eyes are jumping wildly, his arms are so painful that he can't hold his sword!

No, it can't go on like this!

You Mieyun's face flashed sharply!

This crazy dog, don't you like to fight?

Really \*\*\*\* I dare not fight with you?

"Damn chopsticks!! Die to the deity!"

You Mieyun shouted angrily, his whole body burst into spiritual power, his aura was so powerful, he cut out at Ye Chen with a fierce sword, and at the same time, a burst of stars burst out from his body!

Ye Chen's eyes flashed, the starlight Ye Chen had seen before, and it was similar to the brilliance on Long Jingyan's protective magic weapon!

It seems that this old thing is trying to fight it?

Fight, just fight!

Above the sword of You Mieyun, the extremely condensed sword light of evil spirit, like a laser beam, instantly penetrated Ye Chen's eyebrows, and Ye Chen, that contained a sword with tremendous power, a mighty spirit, and a bloodbath. Also severely cut on the starlight!

The world swayed, the starlight disappeared, You Mieyun's figure, was instantly knocked into the air, blood was vomiting, the bones all over his body, creaking, I don't know how many broken! Even the internal organs are broken!

With a bang, You Mieyun's body hit the ground fiercely, cracking the ground!

He clutched his chest, took a pill, and struggled to stand up. At this time, although he was seriously injured, his face was full of ecstasy!

He was right! Although he lost a top defensive magic weapon, he is the final winner, isn't it?

That sword must have penetrated Ye Chen's forehead!

Even if Ye Chen's vitality is against the sky, his extremely terrifying sword penetrates his forehead, he can't survive, right?

The waste thinks that fighting against the strong, relying on his own madness, can win?

What a wishful thinking!

You Mieyun searched for Ye Chen's figure, where did the trash go?

No, it was directly annihilated by the deity's sword into nothingness, right?

"Are you looking for me?"

A faint figure of a man sounded in front of You Mieyun.

You Mieyun was taken aback when he heard the words. The next moment, his complexion changed suddenly, and he roared in horror, "Impossible! You can't be alive!"

In front of You Mieyun, there was a cloud of mist.

At this time, the mist slowly solidified, revealing a man's figure.

It is Ye Chen!

At this moment, a blood hole above Ye Chen's eyebrows was slowly healing.

There was still a cold smile on his face.

The sword of You Mieyun was extremely terrifying, but it also penetrated the center of his eyebrows!

Even if Ye Chen used the technique of atomization, he suffered a lot of damage!

However, it is a pity that this sword is not so terrible that even if Ye Chen casts the technique of atomization, it can kill Ye Chen with one sword!

Even Ye Chen was originally prepared to use the technique of the gods, but he didn't even need to use the technique of the gods, and he could withstand the damage of You Mieyun's sword!

Won?

You Mieyun was far away from winning.

He fights, indeed crazy, but it is by no means unnecessary crazy!

The reason why he is crazy is because there is the capital that can make him crazy!

Ye Chen held the evil sword, step by step, walking towards You Mieyun.

But at this time, You Mieyun finally frightened and trembled!

For the first time in his life, this super power, who has always stood at the top of the country of extreme evil for tens of thousands of years, was so terrified!

Now, walking towards him, it seems that it is not a person, but death!

With a thump, You Mieyun, kneeled...

He knelt in front of Ye Chen...

For a chance to survive, he gave up the unyielding heart of a warrior gave up the dignity of being an ancestor of the royal family, and gave up the pride of a strong man in the late Chaos realm...

"My son, forgive me! Please spare the old man! Whatever you want, the old man can give you what you want, this is the country of extreme evil, the old man, you can give it away!"

Ye Chen looked at You Mieyun, who was kneeling in front of him, completely giving up resistance, and suddenly laughed!

Very ironic laughter!

He laughed and mocked: "Unexpectedly, I won so easily..."

You Mieyun lowered his head and didn't dare to look at Ye Chen. Now, he was so badly injured that he couldn't get hurt again. How could he fight Ye Chen, a demon with a body against the sky?

Bowing his head and being soft is his only chance to survive!

With a smile, Ye Chen's face suddenly flashed thick black air, dark blood vessels, all over his body, and the whole person looked extremely hideous!

Ye Chen suddenly vomited a big mouthful of blood, his breath gradually faded, and he looked at You Mieyun playfully and said: "Hehe, originally, I have reached the limit. If you are a trash, you don't give up so easily. This kind of defenseless posture knelt in front of me begging for mercy, but desperately fighting, who can survive, it really is not necessarily..."

"what!?"

You Mieyun raised his head abruptly, his whole body was surging with spiritual power, and he wanted to make a move desperately!

However, at this time, a dark sword with gleaming blood had already been cut to his eyes!

"No!!!" You Mieyun only had time to let out a scream, and his whole person, under Ye Chen's tremendous power, turned into a \*\*\*\* mist and dissipated...

"Huh..." Ye Chen exhaled heavily!

This battle is too thrilling...

If any one is bad and die, it will be oneself!

Chapter 2747: Strange thing!

Ye Chen put away the evil sword, cross-legged to the ground, condensed his mind, and suppressed the extreme evil spirit that had begun to restless again because of the long battle!

...

Three days later, in the palace of the kingdom of extreme evil.

At this time, Ye Chen's body has completely recovered, not only the body has recovered, but even his aura is a little stronger!

In these three days, he has completely refined the extremely strong and extremely evil spirit in his body, and his strength has skyrocketed!

Now he faces You Mieyun again and is confident that he will be killed within three strokes!

At this moment, Ye Chen was standing in a palace, staring at a woman lying on the jade bed.

This woman looks beautiful, even better than Chu Ying and other women, but at this time her beautiful eyes are tightly closed, and on the white skin, there are faint black air, flashing from time to time!

Three days later, even if Ye Chen fed her a lot of blood and pills every day, Long Jingyan still showed no signs of waking up.

He asked the old man.

But the answer given by the old man is no.

This kind of evil spirit is not a disease at all, how can it be cured?

Ye Chen didn't want to owe anyone, so he just wanted to rescue Long Jingyan!

At this time, a girl in a dragon robe walked in and respectfully said: "Young Master Ye."

Ye Chen looked at the girl and smiled. This girl is naturally the seventh princess You Xuan'er.

However, she is now the new female emperor of the extreme evil country.

After the ceremonial ceremony, You Xuan'er's temperament has been calmed down a lot, and her character has completely changed. There is no longer the coquettish and willfulness of the past. Ye Chen knows that You Xuan'er is not bad in nature, and she is clever in mind. Under her governance, the kingdom of extreme evil will also usher in a flourishing age, right?

Perhaps, before long, the kingdom of extreme evil will truly enter the kingdom of God and become an extremely powerful force in the kingdom of God.

However, these were not what Ye Chen cared about most.

Ye Chen looked at Long Jingyan's face and said lightly: "Xuan'er, tell me, what's going on in the end?"

You Xuaner's beautiful eyes looked at Long Jingyan on the jade bed, her eyes were a bit complicated, and she slowly said, "Sister Long, in fact, is not really a member of the evil clan."

"Sister Long's mother is a member of the Sha clan, but her father, like the son, is an outsider. However, sister Long's father is different from other outsiders. It was not because of accidentally entering the kingdom of extreme evil. Came here voluntarily."

"The reason why he came here was to get the evil sword... But, he failed. Sister Long's father was seriously injured because of the erosion of evil spirits. After the evil ceremony ended, it didn't take long for him to die."

"However, before he died, he seemed to have left Sister Long with a last death, but only Sister Long knew what it was. However, according to my speculation, it was because he pulled out the evil sword with Ye Gongzi. It's important."

"And the reason why Sister Long was able to partially seal the extremely evil spirit in the young master's body, according to my investigations these days, it should be the ability of the evil spirit body!"

"Body of Sealing Sha?" Ye Chen raised his eyebrows and looked at You Xuan'er.

You Xuan'er nodded and said: "Only the body of the seal of evil can confine the extremely evil energy that others have cultivated into the bloodline, and the body of the evil spirit... and this body of the seal of the evil is the dragon family of the first kingdom. Family Dharma Body!"

"Young Master Ye, in this Long Family, there should be a way to solve the evil spirit in Sister Long!"

A hint of joy flashed in Ye Chen's eyes: "Is the Dragon Family of the First Divine Kingdom? I know."

Ye Chen stared at Long Jingyan's body, hesitated for a few seconds and said: "I will leave for a while, and then you and I will contact you."

Now that he knew how to enter the kingdom of extreme evil, he was naturally free to enter and leave.

You Xuan'er was taken aback for a moment. In her beautiful eyes, she seemed to look at Ye Chen with a bit of reluctance and said, "Master Ye, are you leaving?"

Ye Chen nodded slightly and said, "Originally, I couldn't delay here any longer."

"But I will come back."

"This group of bad breath will not cause problems for a short time, but it is not a long-term solution."

As soon as the voice fell, a brilliance flew out of Ye Chen's arms and shot towards You Xuan'er.

You Xuan'er took it, Guanghua converged, and what appeared in her hand was a token.

"In the future, if you come to the Kingdom of God, if you have anything to do, you can go to Shenjizong to find me."

"Also, if there is any problem with Long Jingyan, you can also contact me through this token."

Ye Chen's voice echoed in the palace, and his figure had completely disappeared.

You Xuan'er stroked the token and looked at the empty palace. A trace of loneliness flashed in her beautiful eyes, and the temperature of Ye Chen remained on the token.

...

One day later.

Ye Chen returned to the Divine Extreme Sect. What surprised Ye Chen was that the Divine Extreme Sect was a little empty.

It is very different from the past.

Even Ye Chen found that many disciples' eyes were a little worried.

Ye Chen knew what had happened during his absence.

Otherwise, many disciples will not be shrouded in this invisible shadow.

"Master, has something happened in Shenji Sect?"

Yu Zhenzi pointed to the jade slip in his hand and warned: "Ye Chen, you'd better not go out recently. The kingdom of God is not peaceful at all."

"Master, is it because of the moon ring vision and those ancient powerhouses?"

Yu Zhenzi shook his head, "No... it's more serious than this."

Under Ye Chen's questioning, Yu Zhenzi finally revealed the cause of the incident.

"During these days when you were not in the sect, some strange incidents occurred in the kingdom of God. Now the disciples of the major sects have begun to guard against this. If they are not a last resort, they will not go out of the sect alone."

"What is the strange thing that can alarm so many people?"

"There are many genius disciples who have died tragically, and they have been stripped of their blood and cultivation for no reason. Until now, there is no way to find out the real murderer. The methods are extremely cruel. Among these disciples, many of them broke through in the vision of the Moon Ring of the Kingdom of God. The true disciple of Chaos and the genius of the ancient gods, so the martial arts have begun to pay attention to this matter."

Ye Chen asked if it was the work of those demons, but it was denied, because the traces on the corpse can clearly judge that it was done by humans, it seems to be an ancient method, by taking the blood of others to cultivate. Improve yourself.

Ye Chen knew this kind of cultivation method, but this kind of evil cultivation would generally be bloodbathed by countless forces if it was too ostentatious, and it would have been almost wiped out long ago. He didn't expect that some people would dare to do this and be really bold.

"Since it's not a demon, who should do it..."

Ye Chen murmured in a daze, always feeling that things were not simple. Hearing Yu Zhenzi's description, his expression changed, and suddenly he thought of someone - Lin Juelong!

Lin Juelong disappeared after joining the Soul Palace, as if the world had evaporated.

But in the Temple of Pantheon, Ye Chen always has an illusion!

In the darkness, Lin Juelong's murderous and angry eyes were staring at him!

What he is doing right now is a bit like his handwriting, maybe it's really him.

"Master, let me investigate this matter."

"This matter may have something to do with me."

Originally, Yu Zhenzi wanted to warn Ye Chen to practice well in the sect, but he didn't expect that just after speaking, Ye Chen was ready to go out. The corners of his mouth moved. Can't you understand what he was talking about?

"Master, I must go." Ye Chen said firmly. If it was Lin Juelong, only one of the two could live.

Ye Chen has never liked leaving harm.

This scourge has been hidden for too long.

Now his strength should be obliterated!

And this trip to the kingdom of extreme evil made him feel the seriousness of Lin Juelong's existence.

"Ye Chen, you just came back, there is no need to wade in the muddy water." Yu Zhenzi still said.

Ye Chen stopped: "The existence of this person is very likely to threaten everything in my future, even the Shenjizong."

"I do not have choice."

Yu Zhenzi sighed, he understood Ye Chen, since Ye Chen said so, there must be his reasons.

"Good, but pay attention to everything."

"If this person can really deprive others of their blood, according to the fall of the ancient divine body genius and ancient powerhouse of the Seventh Kingdom of God during this time, the strength of this person... is terrifying! It may even threaten you."

Ye Chen nodded: "Thanks for reminding, Master."

In the next second, it disappeared completely.

...

In a city not far from Shenjizong, Qingyun City, it is already night. There is a curfew in this city at night, and unknown persons are forbidden to go out at night.

But in the west of Qingyun City, Lin Chenhan invited a few friends out to have a drink at night, and at this time they talked loudly.

There is no fear at all.

After all, Lin Chenhan awakened the ancient \*\*\*\* body under the moon ring vision!

"Brother Lin, you are our first genius in Qingyun City. This moon ring vision not only awakens the ancient divine body, but also allows you to step into the chaos realm in one fell swoop. In the future, you may be able to prove the gods and become the ultimate master of the kingdom of God in one fell swoop. ."

"Much better than that Ye Chen!"

A little fat man handed wine to Lin Chenhan with a face full of flattery. Lin Chenhan's potential is huge. Almost no one wants to indulge in the big tree of the Lin family. As long as there is Lin Chenhan, the Lin family will eventually become the number one in the kingdom of God. power.

"Hehe, Ye Chen's strength on the top of ten thousand gods is obvious to everyone, how to surpass it? Where can you say it is so relaxed, come, do!"

And when a few people were drinking in a other courtyard, in the darkness, a pair of eyes looked at them, and their dark and deep eyes revealed an unpredictable cold light.

"who is it!"

Everyone present, Lin Chenhan's cultivation base was the highest, and he was the quickest to react. With a stroke, a long sword was caught in his hands, and the point of the sword was exactly where the \*\*\*\* was hiding.

"what happened?"

Several of Ye Chenhan's friends also turned their heads, but nothing happened. They couldn't help but ask: "Brother Chen, this is in the middle of the night, and there is the guardian of the city patrol, what can happen."

"Yeah, you didn't read it wrong, right? There really isn't..."

When everyone heard him, they got stuck in the middle of the speech, as if they were forcibly interrupted by something.

Among the few people, Lin Chenhan looked at the person talking strangely, and even one could not help but push the person.

But the next moment, that person's whole body turned out to be full of blood!

But there was a blood hole in his body for some reason!

"Be careful!"

At this time, the few people who finally reacted gathered around and carefully probed all the surrounding movement. They believed that even if the opponent had some conspiracy, it should be difficult to break through everyone's defense.

But the facts are often not as expected.

Suddenly a gray-black swamp appeared underneath them. The sticky swamp was difficult for even the chaos realm to break away. The alert Lin Chenhan and another disciple reacted and formed in the swamp. At the moment, he avoided the past by teleporting.

And the remaining friends who are not strong enough in the Chaos Realm can only struggle more and more painfully, trapped in the swamp, sinking deeper and deeper.

Not long after, these two friends from Zhan'er Peak died. From beginning to end, Lin Chenhan didn't know what the purpose of each other was. Could it be that they were bloodthirsty monsters?

Lin Chenhan narrowed his eyes, dispelling the excessive alcohol in his body, and the next battle could not tolerate the slightest negligence.

"Who is your Excellency? I am Lin Chenhan, the son of the Everlasting Lin Tian of the Qingyun City Forest Family. Please forgive me if there is any offense."

Lin Chenhan looked around, and the sword in his hand was ready at any time. This was probably a killer sent by another family.

A voice came slowly from behind: "Lin Chenhan? Are you the Lin Family genius Lin Chenhan who has awakened Thunder's veins?"

"It's just a fake name."

"That's right."

A sense of danger surged in his heart, Lin Chenhan leaped forward, and the next moment, an extremely chaotic aura surged!

The black mist swept over!

Lin Chenhan was completely restrained!

Lin Chenhan's eyes shrank, and he discovered that everyone present was alive!

The surrounding land is soaked with blood!

Extremely hideous.

Only then did Lin Chenhan understand that the other party was coming for him!

As for why he didn't kill him, there is absolutely a reason!

"I have no grievances with you, why do you want to kill me?"

The spiritual power in Lin Chenhan's body surged, his clothes fluttered, the long sword in his hand suddenly emitted a bright light, and the sword light cut across the void to the back.

"The dead don't need to know much."

A man in a black robe suddenly appeared!

Under the moonlight, a face was revealed!

And that face turned out to be extremely hideous!

If Ye Chen were here, he would definitely find that this black robe man was Lin Juelong!

Lin Chenhan's eyes widened, and he stepped back subconsciously!

He could perceive this black robe man's figure full of extremely terrifying aura!

This terrifying breath seems to be a mixture of multiple bloodlines!

Even the vegetation near the black-robed man withered instantly!

What kind of monster is this!

Practitioner?

Demon people?

Or something else?

The black-robed man made a black palm print in his hand, and instantly blocked the sword glow that overflowed with sword energy.

The fighting between the two was not small, but because Lin Chenhan chose a quiet place to avoid being disturbed, no one noticed it for a while.

With a violent aura, the blood knife in Lin Juelong's hand instantly pierced towards Lin Chenhan's vitals. Lin Chenhan was by no means weak. The long sword in his hand resisted skillfully, the sword energy was vertical and horizontal, and the power was unmatched.

However, when two forces touch!

Lin Chenhan understood how terrifying the other party was!

Endless power unexpectedly shook him tens of meters!

Blood surging!

Lin Chenhan even spit out blood on the spot!

Lin Chenhan knew that the gap between himself and the black robe man was too great!

If he does not do his best, he will undoubtedly die today!

Chapter 2749: Goodbye Lin Juelong!

"This is what you forced me!"

"Thunder vein, open!"

Rumble!

Just as the sky thunder came to the world, the empty night sky actually rang thunder, and the harsh sound made many people in Qingyun City look up, and the strong Qingyun City rushed over.

Lin Juelong licked his lips, looked at Lin Chenhan as if he was appreciating a treasure, and slowly said: "This is the ancient \*\*\*\* body Thunder veins, the power is not bad, this trip is worth it."

"If you speak arrogantly, you will pay for your actions!"

Being chased for no reason, even the clay figurine still has three points of anger, let alone him!

"Thunder Sword Intent!"

Taking the thunder as a guide, Lin Chenhan formed a sword completely made of thunder and lightning in his hand. The body of the thunder sword was like a white light. can!

"Die to me!"

Lin Chenhan's sword of thunder slashed, and Lin Juelong smiled slightly, as if he didn't care.

"The ghost of the shadow, like a shadow!"

Through the shadow, Lin Juelong's weird figure disappeared in front of Lin Chenhan, and when he sensed the danger coming from behind, the thunder sword in his hand slammed behind, only to see that hidden in the dark shadow. The figure sneered, but there was no movement.

Lin Chenhan was stunned, why didn't this person hide? Is it possible that he was afraid?

As I thought about it, my eyes suddenly went dark, and the Thunder Lightsaber that happened to stop on Sombra's neck disappeared. Without the support of the host, the Thunder Sword would naturally not survive forever.

And at this one-thousandth of a second, Lin Juelong unexpectedly appeared in front of Lin Chenhan strangely.

Like a \*\*\*\* claw hand, it abruptly penetrated Lin Chenhan's dantian!

Lin Chenhan's eyes widened, what he wanted to say! But I found it impossible to say it!

He vaguely felt that his power was disappearing!

Even if he awakened under the moon ring vision, everything seemed to be abruptly deprived!

"Don't..."

A smile appeared on Lin Juelong's hideous face.

"The kingdom of God is the weak and the strong. You can never refuse."

"Understand?"

Thunder made a violent noise in Lin Chenhan's body, but it was abruptly drawn out by a secret method, and even the energy in the dantian could not be spared.

At this moment, a figure hurried over: "Are you going to deal with Ye Chen like this?"

If Ye Chen was here, he would surely find that this person was Ling Wuji, the head of the Ling Family!

"Of course not. There is one last goal. That person is Ji Lin, a girl next to Ye Chen. Innate poison body. This is the most important link. After completion, I will be absolutely sure to kill Ye Chen. You help I hold the strong ones, I still need some time."

"Okay." The figure came quickly, and went quickly, and soon disappeared.

When Lin Juelong's eyes were slightly narrowed, he vaguely discovered that a very familiar aura was approaching from a distance. If you guessed it correctly, it was him!

The man he wants to kill day and night!

The man who once forced him off the Chinese martial arts altar!

That Ye Chen he looked up and admired in the dark!

Lin Juelong felt that his body was excited, the kind of pleasure that the revenge was about to be repaid madly stimulated him, but it also made him calm down quickly. Now is not a good time to fight.

"Then leave you a little gift, hehe..."

Soon, the figure disappeared.

...

And after Lin Juelong disappeared.

In the darkness, a figure with golden light appeared quickly!

It is Ye Chen!

Ye Chen stared at Lin Chenhan's corpse, frowning slightly.

The blood is still hot.

I'm still a step late.

"Wait, there is a problem with this corpse!"

The whole body is a kind of toxic purple, and the blood in the body seems to be drained, and the skin is attached to the skeleton like skin and bones, which looks very permeable.

This is very similar to the secret technique of bleeding and cultivation described by Yu Zhenzi. After careful investigation, it is true that the dantian has also been exhausted.

"What an evil cultivator, dare to be so bold in the city!"

Suddenly, Ye Chen squinted his eyes and squeezed his five fingers, smashing the sky in one direction!

At the same time, the body burst back ten steps!

In the same place, a sharp thunder rushed out of the corpse.

Was smashed instantly!

The breath disappeared, Ye Chen's eyes condensed!

Convergence of killing intent!

"It really is you, Lin Juelong!"

This power clearly carries the breath of Lin Juelong. Is this Lin Juelong trying to give himself a slap?

According to that aura, Ye Chen quickly locked in one direction and rushed over quickly, but within a moment of Ye Chen's departure, the strong in the city were late and cleared the scene.

...

At the same time, in the darkness outside the city.

"You go to finish this last plan first, someone will come later, I will meet him."

Lin Juelong said to Ling Wuji, who did not know when he appeared next to him, and he flew in another direction.

Ling Wuji didn't say anything, just nodded, and left on his own.

During this period of time, the identities of him and Lin Juelong had changed unconsciously.

Lin Juelong's strength is getting stronger and stronger, even surpassing himself!

Although with the help of Lin Juelong, he also possessed part of the ability to absorb their blood!

But he knew that compared with Lin Juelong's ability, his ability was the difference in the sky!

Under the curtain of night, two figures chased one after another, and they soon chased out of Qingyun City, came to the wilderness, and stood opposite each other.

Ye Chen stared at the man in the black robe not far away. Although the opponent was wearing a black robe to cover his face, no matter his body shape or his breath, he matched it.

It is Lin Juelong who mysteriously disappeared!

"During this period, you used secret techniques to drain the blood and cultivation of the geniuses of the kingdom of God, and even attacked the martial artists in the Shenjizong area for no reason. I was right, Lin Juelong!"

He has basically determined that the person in front of him is Lin Juelong!

"Hehe, Ye Chen, you guessed it right, I did it all, but what?"

"Is it possible that you have to walk the way for the sky?"

"If it were before the top of the gods, I might be afraid of you, but now, my plan is about to be completed."

"Even the blood of the awakened ancient powerful is flowing in my body."

"I'm not afraid of you It's a pity that the last step has not been completed yet."

"Otherwise I only need a divine mind to obliterate you!"

"Hahaha..."

Lin Juelong's uncontrollable laughter came, with hatred and irony towards Ye Chen in the laughter.

Ye Chen shook his head helplessly.

Lin Juelong is no longer the Lin Juelong he used to be.

There was a cold light in Ye Chen's eyes, staring coldly at Lin Juelong who was laughing. The latter felt a lot of threats to him, and it seemed that his strength was constantly growing.

He ignored Lin Juelong for too long.

Chapter 2750: The last goal!

He could feel the extremely chaotic aura in Lin Juelong's body.

It's like a time bomb that can detonate at any time!

Ye Chen put his hands behind him: "Lin Juelong, you are a person in China for the time being, do you think you are still a person now?"

Lin Juelong squinted his eyes, "Is it a human being? What if he can kill you, even if he pays the price?"

Lin Juelong stepped forward, pressing hard, the hatred in his eyes was overwhelming.

"In that case, I will erase you today!!"

"Jiwu: Heavy punch!"

There is nothing to say about this kind of person, and an aura of destruction lit up in his hand, and Ye Chen immediately struck Lin Juelong with a punch.

With this punch, the world has changed!

All the boulders around Ye Chen shattered!

The clouds are rolling in!

The extremely strong martial art seems to break through the entire giant city!

"Is it just such a trick? It's just that!"

"Dark Prison!"

Lin Juelong quickly pinched a seal in his hand, and it ran quickly, and then a black prison rose from the ground, easily trapping Ye Chen inside.

The weird thing is that Ji Wu: The power of the heavy punch has completely disappeared!

Ye Chen's eyes are solemn!

Incredible!

"Haha, Ye Chen, you also have today, don't worry, I will make you worse off than death!"

"Hei Ming beam kill!"

Just when Lin Juelong finished his seal and was about to launch a fatal blow to Ye Chen, a lot of powerful presences rushed from the city, causing Lin Juelong's face to change slightly, so he gave up this move and quickly escaped.

And in the dark prison, Ye Chen also slowly put away the flame in his hand, Lin Juelong's cultivation is likely to have reached the middle and late stages of the Chaos Realm.

It's just that this breath is extremely disordered.

Even Lin Juelong couldn't control it.

And it seems that Lin Juelong not only killed the genius who awakened the ancient divine body, but also swallowed the awakened ancient powerhouse?

In the Kingdom of God, his absorption capacity seems to be stronger?

Damn it!

This is just a few days, and it has improved so fast. It seems that this guy has drawn a lot of other people's cultivation bases. Seeing that the other party's escape technique is extremely proficient, Ye Chen may get rid of the other party if he catches up, even if the extremely martial \*\*\*\* flashes. It is also difficult to catch up, so let's not catch up.

Now that you know the real culprit behind the scenes, there is a way to target him, as long as the opponent reappears next time, it will be when he died!

As soon as Lin Juelong left, the group came to Ye Chen's side. They naturally recognized Ye Chen, and respectfully said, "Master Ye, do you want to chase?"

"Let's go back."

When Ye Chen went back, he had been thinking hard, next time, who should Lin Juelong act with?

The reason why this kind of forbidden technique is not tolerated by the world is because this thing is like an addiction. After killing once, there will be a second time, a third time, and finally every cultivator will become a demon.

"Old man, do you have any way to find any key clues from the corpse?"

Ye Chen took the initiative to speak, Lin Juelong is still the last step, he must determine who the identity object is!

It is possible to stop in advance!

The only clue now is this corpse!

"I actually have a technique that can pass the corpse to understand some things that happened, but it consumes my power extremely, after all, I need to use your body to use it."

"However, this person must not stay!"

"I have never done anything for the kingdom of God, and I have a blessing for myself today!"

...

Ye Chen came to the corpse, his eyes condensed slightly, and he knelt down.

In the next second, the old man in the reincarnation cemetery rushed out of the cemetery!

But Ye Chen's eyes changed instantly.

There seems to be endless vicissitudes in the pupils!

Ye Chen at this moment is naturally the ancient medical \*\*\*\* of Cang!

Sacrificing a set of golden needles, Cangu Medical God stared at the corpse with fierce eyes, and said:  
"Ye Chen, you have to be optimistic, this is the Nine Corpse Heaven Seeking Needle!"

Several golden needles flew out almost immediately after the ancient medical \*\*\*\* Cangu finished speaking. Lin Chenhan's corpse was inserted. Upon closer inspection, you would find that the needle of the silver needle was trembling slightly, in a strange but consistent manner. The frequency of the secret is shaking.

After that, a lot of spiritual power appeared in Ye Chen's hand, and he entered the corpse along the golden needle, and incomplete pictures appeared in his chest.

"Ye Chen... Ji Lin... beheaded..."

Because of the time he died, the picture that emerged was very mutilated, and I could only vaguely hear that it was Lin Juelong talking with an unknown person. It seemed that it was involved, Ji Lin!

Their next goal is actually Ji Lin!

Ye Chen patted his head and scolded himself as a fool!

Although Ji Lin had a strong bloodline, his realm was very low. The Congenital Poison Body was not a Chinese cabbage. Even a strong man like Old Cang didn't care about Ji Lin.

Even the way of heaven was feared.

The next thing Lin Juelong wants to plunder is innate poison!

"Ji Lin, you must not have an accident!"

Ye Chen's heart was ignited with great anger, and his figure was circulating very quickly!

Extreme Wushen flashed to the extreme!

Although he wanted to tear the void apart, the barrier of the Divine Kingdom space under the moon ring vision was extremely powerful!

Even if it is torn, it is extremely unstable!

...

After Ye Chen left , a small flying boat set off at a very fast speed to the Poison Abyss Valley.

That's where Ji Lin and Xuan Lingzi practiced.

After the blood formation of cause and effect, Ji Lin sensed the weakness of his strength, and asked Ye Chen to borrow the poison monument, and then he was ready to practice!

She hopes that next time Ye Chen sees herself, there will be surprises and surprises!

On the flying boat, Lin Juelong was refining the veins of the thunder, violent thunder and lightning surged all over his body, if it hadn't been isolated by the boat protection array, perhaps it would have already attracted a billowing thunder.

With Lin Juelong's refining, the power of thunder and lightning gradually spread, first circulating in the meridians, and then beginning to spread into the flesh and bones and bone marrow. This is a nearly reborn transformation.

Following the continuous painful screams on the flying boat, for a long time, Lin Juelong opened his closed eyes and exhaled a white breath with the power of thunder and lightning, which finally absorbed the power of thunder and lightning.

Feeling his own strength, Lin Juelong is very satisfied. The most powerful thing about the Thunder's Divine Veins lies not in the acceleration of cultivation speed, but in its terrifying attack ability, which can attach the power of Thunder to all martial arts and let Power rise to a higher level.

It's a pity that his absorptive capacity cannot completely deprive the opponent's bloodline power!

Only part of it!

But this part is a nightmare for many people!

Hum!

Huh, a white thunder sword shot out from Lin Juelong's five fingers, and even the sharp sword light on the side was surprised by Ling Wuji. I didn't expect to be able to absorb it to such an extent.

"Yes, with 70% to 80% power." Lin Juelong nodded.

Although Ling Wuji was surprised in his heart, he still said faintly: "Why didn't you kill Ye Chen just now? Isn't this what you have always dreamed of?"

It was such a good opportunity just now.
