Although the palace did not lose anything this time, there was Lin Ying's death before, and now he killed an elder of the opponent's chaos realm. This hatred is endless.

Moreover, after breaking into the forbidden area at the core of the Underworld, the opponent definitely wouldn't let him go, so a fierce battle could not be avoided.

"All the elders set up an array! We jointly captured him and handed it over to the lord of the palace!"

Zuo Hufa shouted and threw a flag.

The other dozen or so elders of the Underworld in the middle and late stages of the Chaos Realm moved apart and formed a formation to encircle Ye Chen. At the same time, they threw out the spirit treasure of the formation flag, but after a few breaths, a large formation took Ye Chen is trapped, and the elders of the Ming Palace each guard one side.

More than a dozen powerful forces, or magic weapons, or supernatural powers, blasted towards Ye Chen in the middle of the array.

With the blessing of the formation, the combined efforts of these more than a dozen elders, even the mighty ones in the middle of the Chaos Realm will lose!

But Ye Chen was not afraid, Ling Xiao's martial intent and the power of the law lingered around him, and several groups of sacred fire condensed and floated around his body. Various powerful martial arts and supernatural powers played out and took these attacks.

After dozens of moves, the fight was still fierce; after a hundred moves, Ye Chen seemed to be transformed into a demon god, his combat power increased instead of decreasing, becoming more fierce.

It is true that Zuo Hufa and other strong men in the Palace of Underworld are more frightened as they fight, and frightened as they fight!

If it is a one-on-one fight, even Zuo Hufa, the strongest among these people, thinks that he is absolutely inferior to Ye Chen, and even feels that he can't survive ten moves in a head-on fight with all his strength!

"Where did this power come from! Looking at his technique and supernatural power, it seems to be the line of the Demon Emperor Zhetian! But even the current Demon Emperor Zhetian, under the moon ring vision, has not reached the peak, and he is not so strong. Right!"

"Drag! Such a big movement will sooner or later shock the stronger presence in the temple. This is the base camp of our hall of darkness. As long as you persist for a while, when there is strong support, this son will be defeated!"

Zuo Hufa thought of this, and secretly transmitted other elders, these more than a dozen powerful men of the Underworld began to change their style of play, turning offense to defense.

Under the big formation, as long as Ye Chen couldn't break the formation, they wouldn't worry that he could escape.

At this moment, the old man's voice sounded from the bottom of Ye Chen's heart: "Boy, a quick fight, a hidden dragon and a crouching tiger in the Hall of the Underworld, especially Mo Xueming, if you disturb him, you will not escape!"

Ye Chen was alert in his heart, and suddenly came to his senses from the frenetic fighting state.

The top priority is not to fight, but to leave the Underworld, otherwise his life will be worrying.

Facing the formation of the crowd, Ye Chen suddenly stopped.

He put his hands behind his back and closed his eyes.

At this moment, the whole world seemed to be quiet!

This kid doesn't even resist?

And it seems to have given up?

Zuo Hufa glanced at everyone, just about to say something!

Suddenly, a big drink resounded through the sky!

"Xiao Huang, swallow this formation!"

In the next moment, a red and blue flame rose to the sky!

Then, a giant beast appeared in front of everyone!

One of Xiao Huang's talents is to break the formation, to be precise, the devouring formation!

The spirit beast and the master had the same mind, Xiao Huang knew what Ye Chen's purpose was for letting him out, and went straight to the spirit flag Lingbao that formed the formation.

I saw Xiao Huang opened his mouth, each spouting a special force to cover the formation flag, and saw that the formation flag was instantly dimmed, as if it was contaminated and lost its power.

Xiao Huang swallowed again, and the flag went straight into his mouth. This magic weapon was swallowed directly by him.

Xiao Huang's breath rose slightly, and the power of this formation was a great supplement to it. The more he swallowed, the faster his realm strength increased.

Zuo Hufa and the others were shocked. They didn't expect Ye Chen to have such a special ability spirit beast.

"Quickly, kill this spirit beast!"

"Complete the formation, don't let this person take the opportunity to escape!"

In the next moment, the formation with extremely strong energy fluctuations was gradually closed!

Seeing that it was about to be completely closed, Ye Chen did not leave.

Now there is a gap in the formation. If he wants to go, he can go, but Xiao Huang can't take care of it. The consequence of leaving it here is that Xiao Huang is in danger!

Xiao Huang stared at the people angrily, and said: "Master, hurry up, I can solve these people."

However, Ye Chen did not leave.

Xiao Huang is not only his spirit beast, but also a partner, living together and dying through the world, and has experienced many risks. Ye Chen couldn't do this kind of thing leaving his teammates behind.

"kill!"

Ye Chen was violent again, but the situation now turned into a concentrated firepower of the elders of the Underworld Hall trying to kill Xiao Huang, and Ye Chen blocked all the attacks.

Xiao Huang broke through the formation faster and faster, and the pressure on Zuo Jiao Fa and others increased. At this critical moment, more than a dozen powerful men of the Underworld also assumed a fighting posture.

Even if he paid the price of blood, Ye Chen couldn't let Ye Chen escape!

Soon, the battle was over for a cup of tea. I don't know how many moves it took to fight. The gap in the big formation is getting bigger and bigger, and the restraint force on Ye Chen is getting smaller and smaller, and the big formation is about to collapse.

Zuo Hufa and others were also injured one after another. Two of them were even seriously injured, but none of them retreated, burning their blood and cultivation, and even burning the power of the avenue!

Ye Chen was also injured But compared to the enemy, this injury was nothing.

His wound is gradually recovering!

The recovery ability can be said to be against the sky!

Zuo Hufa and others are fighting for their lives, but their hearts are getting heavier and heavier.

"Elder Tianfeng, Elder Ding Yuan, you two will blew yourself up! Don't worry, your sacrifices will not be wasted. I will ask the Lord for your credit and promise to restore the two souls within a thousand years!"

There was a sharp flash in Zuo Hufa's eyes, and the sound transmission of the two most injured elders of the Underworld.

The two elders Tianfeng and Ding Yuan suddenly changed their complexions and stopped attacking Ye Chen. The pressure on the other elders increased.

"What are you waiting for?! If you don't want to... the blame for this child's escape from the Nether Temple, you both have to bear it all! At that time, do you think you can still save your lives?"

Zuo Hufa hit Ye Chen with a blow, and the evil sword cut off half of his palm. Seeing that the second elder Tianfeng and Ding Yuan hesitated, he threatened.

The Hall of the Underworld is an evil power, and most of the gates are cruel and cruel people. This left guardian has a high status, and the strength is the strongest existence among these people.

They have no possibility of rejection.

"Zuo Hufa, you have to keep your promise!"

"I'm waiting for the younger generation, so I ask you to take care of it!"

The eyes of the second elder Tianfeng and Ding Yuan condensed, and after leaving a last word, flames burned all over, and the two powerful forces rushed towards Ye Chen!

The final blow of the self-destruction of the powerful in the middle and late stages of the Chaos Realm is the strongest at the peak of the Chaos Realm, and he does not dare to force it.

"What about self-destruction, Chichen's divine vein opens! Today, I will let you see what it means to slaughter the gods!"

Ye Chen drank low, full of golden light surging, the whole body was like gilded, the power of breaking the sky, stimulated to the extreme, the ultimate power, within a ten thousandth of a breath, swayed out, infused into the extremely heavy sword on!

Chapter 2792: Stubborn!

Ling Xiao Wuyi, shocking the world!

Endless sword light, turned into cold light!

A bit of cold star, with the aura of endless destruction, rises extremely rapidly in this hall of darkness!

With a loud bang, Jian Ying Han Xing collided!

Endless lingering power swept all around, and the entire Nether Hall was violently shocked, and even many powerful people with a low cultivation level, under the impact of this aftermath that swept everything, vomited blood and looked in a certain direction in shock. !

The boundless power surged wildly, and in the old eyes of the left guardian, a look of horror erupted. The bones all over his body broke out with crackling noises, and the blood mist was filled. The whole person stepped on the void, and withdrew ten steps before stopping. Body shape!

And Ye Chen is also flying out!

"Master!" Xiao Huang let out a shout, roaring angrily, burning his blood, speeding up the power of devouring the formation.

With a roar, Ye Chen was submerged in the sea of energy formed by the power of two groups of chaos.

"Dead?"

"It shouldn't be dead... But if you're not dead, you're disabled!"

Zuo Hufa and the rest of the strong men of the Underworld stopped their hands and looked nervously in the direction where Ye Chen was.

"Ahem..."

There was a coughing sound, and Ye Chen's figure appeared again, but now he was sluggish, the blood overflowing from his mouth stained his clothes red, and the sword holding hand was also cracked.

Ye Chen was seriously injured!

The self-destructive power of the strong in the middle and late stages of Chaos is too terrifying!

He wanted to communicate with the Lingtian Arrow God in the Reincarnation Cemetery, but at this moment Lingtian Arrow God did not move at all!

Ye Chen knew that he could only rely on himself!

"Haha, ants, die!"

Zuo Hufa was overjoyed, greeted the other elders, and attacked Ye Chen again.

Endless sword intent is like a fierce beast, swallowing towards Ye Chen!

"Waiting for snakes and rats, even if I am injured, it is not what you can insult!"

Ye Chen changed his hand to hold the evil sword, and Ling Xiao's martial intent burst out, and the formed special field actually suppressed the coercion of more than a dozen Chaos Realm powerhouses!

Ye Chen and Zuo Hu Fa fought against each other. Left Hu Fa flew upside down, spraying a stream of blood in the air, and was seriously injured by Ye Chen.

You know, Ye Chen's comprehensive combat power, with many methods, is comparable to the powerful person in the late Chaos Realm.

Being trapped now, it was mainly the force of the formation that suppressed it, and as the big formation was destroyed by Xiao Huang more, the suppression on him was less, and the stronger Ye Chen's combat power was.

Therefore, even though Ye Chen was severely injured and lost the maintenance of the two chaotic realm powerhouses against the formation, Ye Chen became more fierce, and Zuo Hufa and others were simply restraining themselves.

Seeing the war again, and it only takes more than ten breaths, the formation will be broken by Xiao Huang.

At this moment, two powerful auras quickly approached here.

Ye Chen felt it first, but his expression changed.

Two great chaos realm late stage, at least two chaotic realm eighth-tier strong experts, here!

The background of this dark palace is too terrible!

"The Second Emperor Anyou has finally arrived, hahaha, your kid is dead!"

Zuo Hufa climbed up from the ground, trembling all over, barely standing still, the eyes that looked at Ye Chen were extremely resentful!

Can't wait to devour Ye Chen's life!

"Who would dare to break into the forbidden ground of my palace!"

"Left guardian, you are really going back more and more vigorously when you wait. A junior of the fifth level of the Evil Realm can't deal with it!"

People arrived first before the sound, and then two old men in purple and gold robes appeared here.

"I'm waiting to see Lord Xiao Huang, Lord White!"

Zuo Hufa and others stopped their attacks and bowed to the two old men who came.

In the palace of the underworld, those who can be respected as the "emperor" are the powers of the late Chaos Realm.

These two are the strongest guards of this forbidden area, but usually the two emperors are retreating deeper in the forbidden area.

The elders in the middle and late stages of the two chaos realms blew themselves up, which shocked them.

In the palace of the underworld, the upper and lower levels are distinct, and the rules are strict. When Zuo Hufa and others face the "Xiao Emperor" and the "White Emperor", they dare not show up.

At this time, they no longer worry about Ye Chen running away, he can't escape with these two emperors!

Ye Chen stretched out his hand and withdrew Xiao Huang. At this time, Xiao Huang had completely broken the formation, but unfortunately, the change also came.

Ye Chen showed a solemn look. If he were in full bloom, he might barely resist these two old men, but now...

It's dangerous!

"Everyone, I just went here by mistake, and you haven't lost anything. Why are you so aggressive?"

Ye Chen took out a pill and swallowed it, facing the two purple-robed elders without any tension, and said lightly.

Delay time and restore strength!

"Crossing into the forbidden ground of my dark temple, this is a capital crime, boy, thinking that you are a genius, you can catch it with your hands, maybe we will spare you a small life."

"I'm actually interested in you as a junior. A slasher of the fifth-tier heavenly slasher, who has such a combat power, is really enchanting!"

The other emperor looked at Ye Chen with cold eyes, as if he wanted to dissect Ye Chen.

"What?! He really just killed the fifth layer of the Evil Realm?"

"How is this possible?! This kid, could it be that a certain earth-shattering great figure could not be reincarnated?"

Zuo Hufa and other elders were shocked and couldn't believe it was true.

But the powerful words of the two emperors couldn't help but not believe them.

It can only be said that Ye Chen's existence is a bit against the sky, beyond their imagination.

"Catch with nothing? In my eyes, it's absolutely impossible!"

Ye Chen held the evil sword in his hand and said coldly.

The blood of the gods is activated to the extreme, the magic of the reincarnation of the gods and demons, the gods of the red dust are activated, the martial arts charm erupts, and the aura of dantian continues to dissipate, Ye Chen is ready to fight hard!

"Since you are so stubborn, you have to capture you. Don't worry, we will treat you well. Do you know what is waiting for you?"

"You can't live, you can't die!"

Xiao Huang and Bai Huang looked at each other, then shouted, and attacked Ye Chen together.

The power of the eighth layer of the Chaos Realm was naturally not comparable to Zuo Hufa and others. That powerful force directly locked on Ye Chen, and two energies capable of destroying the sky and the earth bombarded Ye Chen!

Ye Chen waved the evil sword to cut out the two sword lights that had been in force for a long time, and faced the attack of the two.

Absolutely strong sword intent, agitated, and in an instant, the heavens and the earth changed, it seems that the entire palace is trembling in Ye Chen's outburst of sword intent!

boom!

Ye Chen's figure exploded and retreated three steps, and the evil sword screamed endlessly.

Xiao Huang and Bai Huang didn't move at all, raising their hands with two supernatural powers and attacking Ye Chen.

Ye Chen fell in the wind as soon as he fought.

This made the Zuo Hufa and others who were watching the battle breathe a sigh of relief, each sneered, waiting for Ye Chen to be taken down, and then vented a bad breath.

After ten moves, Ye Chen fell into a bitter battle, Xiao Huang and Bai Huang completely mastered the fighting rhythm, and suppressed Ye Chen with all his strength.

Chapter 2793: Life of the Lord!

With a few more moves, Ye Chen added new injuries to his body, his breath began to be unstable, and he was already in crisis!

He was hit hard by the self-destruction of two chaotic powerhouses long ago! Of course the recovery ability is against the sky!

But now it's too late to recover!

Ye Chen spit out a mouthful of blood, endless fighting spirit surged!

Even if his current strength is not as good as his peak, he has to bludgeon a \*\*\*\* path!

His martial art is not afraid of everything!

If it is blocked!

Then break a \*\*\*\* path!

Ye Chen is ready to work hard!

Just when Ye Chen was about to do it, an ancient and desolate aura suddenly fell from the sky.

This sense of desolation seems to have brought everyone to ancient times!

There is even an indelible will!

Is this the arrival of the ancient powerhouse?

Ye Chen and Xiao Huang Bai Huang separated instantly, and they were both shocked by the sudden appearance of the breath.

"boom!"

In an instant, a loud noise came!

I saw a long spear stuck on the ground, and the fluctuations that this spear shed, even the two great underworld emperors in the late Chaos realm were also shocked by it!

What a powerful weapon!

"Ye Lingtian pays homage to the lord!"

A figure appeared here following this gun, it was Ye Lingtian who had been looking for the ancestors for a long time!

The current Ye Lingtian is no longer the previous cultivation base, and a strong aura is surging around his body!

It seems that he has gained a lot. He has got the things left by his ancestors and has some adventures.

Ye Lingtian's arrival surprised Ye Chen. After nodding his head, Ye Chen looked at the gun.

"this is?"

This gun gave Ye Chen an extremely special feeling. Seeing this gun, he actually felt cordial and an inexplicable familiarity.

"Abyss conviction gun! The thing left by our ancestors of the Ye family, this thing should belong to the Lord of the Palace in terms of belonging. Come on, then take it!"

Buzzing!

This extremely powerful abyss conviction gun was somewhat psychic. As soon as Ye Lingtian said this, the gun rose from the ground, then flew towards Ye Chen and fell into his other hand.

Although this abyssal conviction gun is not comparable to the level of the evil sword, the difference is that the evil sword cannot release its full strength, but this gun retains all its power!

Even between waving, it can improve the strength of several realms!

As the master of reincarnation, although this gun was not recognized by Ye Chen, it recognized Ye Chen as the first master.

A handful of intact things against the sky, even the power of the peak of Chaos Realm will be moved by it!

But Ye Chen rubbed the gun for a while, then shook his hand and threw it at Ye Lingtian.

"Since I gave your ancestors, it belongs to you. Use this gun to fight and revive the glory of your ancestors!"

Ye Chen's move and words made Ye Lingtian's aura of excitement turbulent.

He was Ye Chen's subordinate, and he was so devoted to Ye Chen, and Ye Chen had never treated him wrongly!

"Follow the orders of the Lord!"

With a shot in his hand, Ye Lingtian was full of fighting spirit, and looked at one of the Emperors of the Underworld, the White Emperor.

Ye Lingtian closed his eyes, then suddenly opened them, and pointed them straight at the opponent:  
"With your blood, sacrifice this spear to reproduce the joy of heaven and earth!"

If it were before, Ye Lingtian had no qualifications to fight!

But the Abyss Conviction Gun has a special existence!

That is the beginning of the blood sacrifice, which will release part of the ancestral power!

At this moment, Ye Lingtian is holding the Abyss Conviction Gun, he has such confidence and confidence!

The White Emperor was furious, feeling that his dignity had been provoked, and laughed grinningly, "This abyss conviction gun is for me, kill you, this gun is mine!"

Ye Lingtian faced the White Emperor, and the two quickly fought together. The aftermath caused by the aftermath caused even the chaos realm powerhouses such as Zuo Hufa dare not face each other, and quickly flew into the distance to hide.

Seeing that Ye Lingtian could actually beat the White Emperor but still had the upper hand on the field, Ye Chen was slightly startled, then relieved his heart, and then looked at the remaining Emperor Xiao.

"It's your turn now!"

Just now two to one, Xiao Huang and Bai Huang fought extremely prestigiously, making Ye Chen very embarrassed.

Under one-to-one, Ye Chen is sure to completely crush it!

It's time to get back to the scene!

"Hmph, what if a helper comes? If you dare to act fierce in my hall of darkness, you are dead!"

Emperor Xiao was also jealous of Ye Chen, and it was a killer move, and the two also fought together.

The confrontation of the four powerhouses is terrifying, and it is still fluctuating.

However, this place is worthy of being the forbidden place of the Underworld. The space is extremely stable. Although a large number of buildings have been damaged, the escaping power poured into the depths of the forbidden place and disappeared.

If it were outside, the sky would have collapsed and the space would be shattered.

However, after half a tea time, the Emperor Xiao and Emperor Bai of the Ming Palace were completely suppressed by Ye Chen and Ye Lingtian, and both of them suffered severe injuries.

Even if the two started fighting for their lives, they were not Ye Chen and Ye Lingtian's opponents.

boom! boom!

The two figures were beaten up almost at the same time, and they were the Emperor Xiao and the Emperor Bai!

Zuo Hufa and others were shocked, but they gritted their teeth and stepped forward to protect Xiao Huang and Bai Huang in the middle, posing a fighting posture.

They knew that if Emperor Xiao and Emperor Bai were to suffer, they would never escape death!

Ye Lingtian's long hair flew, as brave as a \*\*\*\* of war, his figure rose into the sky, and he was about to chase over, when Ye Chen's voice sounded.

"Let's go, don't love war, it's better for us to leave here as soon as possible!"

It is not difficult to solve these people, but Ye Chen is worried that it will change when he is late. If a stronger enemy comes, he really can't go.

Ye Lingtian obeyed Ye Chen's words, and coldly glanced at Zuo Fa Jiao and others, and then followed Ye Chen and ran outside the forbidden area.

Soon, the two came to the exit of the Underworld Hall.

"It's a pity that reincarnation star stone, if you get it, it will definitely be able to awaken more and stronger cemetery magnificents!" Ye Chen sighed in his heart, feeling it a pity, only to find another chance next time.

He is bound to win the reincarnation star stone deep in the forbidden ground of the Underworld Hall!

"Hall Master, where are we going now?" Ye Lingtian asked.

"Leave this dark hall first."

Ye Chen naturally intends to return to the Supreme Sect of God, but the top priority is to get out of the power of the Underworld Hall.

Even after escaping from the gate of the Nether Palace Ye Chen still felt unsafe.

You know, the power of the Chaos Realm and the Heavenly God Realm can stretch for thousands of miles in one breath, and the powerhouse who controls the space avenue is even more terrifying.

The space in this area was sealed off, Ye Chen tried to shuttle through the space but failed.

Ye Lingtian was able to arrive in time, but it was because of Ye Chen's reincarnation bloodline. Ye Lingtian could find him by following the mysterious connection in that bloodline.

Ye Chen and Ye Lingtian were about to leave, using the escape method to leave, at this moment...

Ye Chen's heart tightened, and a warning sign appeared, feeling that a great danger was coming!

A cloud of shadow enveloped this place, Ye Chen looked up, and his pupils suddenly shrank.

I don't know when, a person actually came directly above their heads!

Chapter 2794: The real body is here!

This.....

Even Ye Chen hadn't noticed the fluctuation of his aura at all, the cultivation base of this person was definitely terrifying.

It is even possible, beyond the realm of chaos! It's not even the gods!

That is a transcendent existence standing at the pinnacle of the heavens and ten thousand realms.

"He is Mo Xueming! Ye Chen, don't worry, what he came is just a phantom condensed by a thought!"

The voice of Canggu Medical God resounded in Ye Chen's heart.

It turned out to be him!

Ye Chen's mind was shocked, what happened in the Hall of Underworld, really shocked this existence!

Looking at the Mo Xueming in midair, Ye Chen deeply felt the strength of this person, but his thoughts came. If it hadn't been reminded by the ancient doctor god, he would almost think it was the true body.

"Who are you? Why did you break into the forbidden land of my dark hall? The person who hurt my dark hall?"

Mo Xueming Xuying in the air spoke, his tone extremely cold.

Every sentence even contains the coercion of heaven and earth!

This was just a thought, but facing him, Ye Chen felt a sense of powerlessness.

Ye Chen didn't answer, with many thoughts rushing in his heart, but Mo Xueming discovered that how should he escape?

Seeing that Ye Chen didn't answer, Mo Xueming Xuying in the air frowned, then slowly raised his palm and patted Ye Chen lightly.

"Since there is no word, then erase it."

This palm could not feel the slightest strength, but the locked Ye Chen felt as if facing the last three thunder tribulations of the Nine Heavens Purple Thunder Tribulation, dangerous, very dangerous!

In a thousandth of a second!

Abnormal protrusion!

Hum!

The reincarnation cemetery vibrated, and a phantom figure appeared in front of Ye Chen. The phantom figure held a huge bow in his left hand and pulled the empty string with his right hand!

When the empty string moved, a fire-like arrow appeared naturally!

Ling Tian Arrow God!

One of the great powers of the reincarnation cemetery, at the most dangerous moment of Ye Chen, his power gathered to help Ye Chen against the enemy.

The virtual arrow in Lingtian Arrow God's hand is simple and unpretentious, but after it is placed on the bowstring, it blooms with dazzling light, and the spiritual power of the surrounding world is instantly swallowed. The arrow light becomes more fierce, making Ye Chen's heart sway!

The arrow pointed to the phantom of Mo Xueming's palm that had already been photographed, and then the bowstring was loosened and the arrow slammed into the palm.

Lingtian Arrow God, Sun Breaking Arrow, the strongest blow!

The sealed space was full of ripples, and a wave of chaotic power overflowed from it, and the arrow shot up and disappeared into the distant sky.

At the same time, the phantom of that Mo Xueming slowly dissipated.

"Ok?"

Mo Xueming, who was dissipating, had a slightly indifferent look in his eyes suddenly, he looked down at Ye Chen and let out a shock, as if he saw something extremely remarkable.

At this moment, Mo Xueming's real body also noticed this, and he personally took a look at Ye Chen!

With just this glance, Ye Chen felt that he had been seen through, and all his secrets had been exposed.

Mysterious aura fluctuations escaped from the reincarnation cemetery, concealing Mo Xueming's real body from prying on Ye Chen.

Then, the shadow of Mo Xueming completely disappeared, and Ye Chen took a breath and wiped the cold sweat on his forehead.

"Go, go quickly!"

Ye Chen greeted Ye Lingtian, started the escape method, and rushed away.

Mo Xueming's phantom shadow at the beginning should just be a casual move after Mo Xueming noticed the abnormality of the forbidden ground. He didn't pay much attention to Ye Chen. He just treated Ye Chen as a normal ant and wanted to kill it.

But in the end, Ling Tian Jianshen shot and defeated his thoughts, causing Mo Xueming's real body to pay attention to this place, so he "looked" at Ye Chen.

With this look, he noticed Ye Chen's unusualness, and whether he even noticed Ye Chen's identity as the "Lord of Reincarnation", Ye Chen and Lao Cang could not be sure after the exchange.

Being stared at by existences like Mo Xueming is absolutely extremely dangerous.

Now, within the power of the Underworld, there is no safe place for Ye Chen in this blocked space.

Leave this place as soon as possible, as long as you can use the power of the space, the danger is eliminated.

...

Somewhere in the deepest part of the forbidden ground of the Ming Palace, Mo Xueming woke up from entering concentration and opened his eyes.

What kind of eyes are this!

Extremely bloodthirsty.

It is as cold as ten thousand years.

But indifferent to the extreme!

"This seems to be... the breath of reincarnation... it seems that there is still an acquaintance, which is interesting!"

"It seems that the situation of the kingdom of God under the moon ring vision is getting more and more interesting."

Mo Xueming muttered to himself, and then stood up, ended the retreat and walked out of the palace!

...

I don't know how long it took, Ye Chen stopped to rest temporarily in a pavilion in the mountains.

This place is thousands of miles away from the gate of the Underworld, but still unable to use the power of space.

Ye Chen and Ye Lingtian were already exhausted after a long time without a break after the fierce battle.

After each of them swallowed several pills for healing and restoring vitality and blood, they meditated here cross-legged.

Ye Chen's heart is divided into two uses, his mind enters the reincarnation cemetery, and after a special trip to thank Lingtian Arrow God, he finds the old man.

"Ye Chen, this time you ventured into the Palace of the Underworld, it was because of me that you suffered! Don't take any more dangerous moves, it's better to leave here quickly!"

Lao Cang looked at Ye Chen's eyes full of emotion and guilt.

Ye Chen didn't even dare. Although the original reason for entering the Nether Hall was to help Canggu Medical God untie his happy knot, but after entering the reincarnation star stone, Ye Chen was completely worried about the Nether Hall.

One day, he will come here again and enter the palace again!

Not only for the ancient medical \*\*\*\* Cang, but also for the reincarnation star stone, Ye Chen felt that it was a great opportunity for him!

"Be careful of the Underworld Hall, there is a certain kind of power that makes me feel extremely uncomfortable. At the core of the Underworld Hall forbidden ground, there are absolutely hidden secrets." The old man told Ye Chen.

Ye Chen hurriedly responded, and the old man said again: "Ye Chen don't interfere with my affairs anymore, give up revenge, that Mo Xueming is not what it used to be, he and the Underworld definitely won The great opportunity, now he, I am afraid that only the Heavenly Dao Palace can restrain him!"

Ye Chen is noncommittal. Although he is silent and does not argue with the old man, there are certain things that he knows and cannot be done. Not only is he not ashamed, but also to repay the old man for his great kindness.

"Old man, what is the origin of the Hall of the Underworld? It has existed since the ancient times, and the strength is so huge, but why has there been almost no rumors about the Hall of the Underworld in the Kingdom of God?" Ye Chen asked curiously.

Hearing this question, Canggu Medical God frowned and waved his hand to Ye Chen: "I don't know the origin of the Underworld. Anyway, this force is very dangerous. Don't provoke..."

Ye Chen had an intuition that Canggu Medical God absolutely had reservations about him in this matter.

But Canggu Medical God didn't say it, but he couldn't get to the bottom, and his mind left the reincarnation cemetery, and Ye Lingtian had already healed at this time.

Chapter 2795: Beautiful appearance!

Ye Chen asked about the specific process of Ye Lingtian getting the Abyssal Conviction Gun, and Ye Lingtian had no reservations.

"Hall Lord, the remnant soul of the ancestors of the Ye Family told me that my Ye Family has followed the Lord of Reincarnation for generations and will never betray!"

Ye Lingtian said to Ye Chen.

"Ling Tian, you and I are all from mortal dust, and the storms have come here, even if you are not descendants of the Ye family, and I am not the Lord of Reincarnation, can you still change the relationship between our brothers? In front of me, there is no need to be so polite ."

Ye Lingtian was able to have this adventure, Ye Chen was also happy for him, but now Ye Lingtian treats him like a god, which makes him feel a little uncomfortable.

Ye Lingtian chuckled, he said, and the warm current rushed through his heart.

"Let's go, hurry up and leave this place of right and wrong as soon as possible."

The two of them walked out of the pavilion and were about to escape. At this moment, Ye Chen suddenly saw that a figure appeared in the distance behind, several miles away.

The figure walked step by step, seemingly slow, but every step it took seemed to directly shorten the distance of kilometers.

Just a few steps, the person appeared in front of Ye Chen.

"Mo Xueming!" Ye Chen exhaled and said solemnly.

The voice of Canggu Medical God rang from the bottom of Ye Chen's heart at the same time, "It is the true body coming!"

Who would have thought that Mo Xueming's real body would find Ye Chen so quickly!

Mo Xueming stared at Ye Chen, without saying a word, Ye Chen did not dare to move easily, condensing the ultimate strength in secret.

Even if the difference in strength between the two is one in the sky and the other on the ground, Ye Chen would not give up a chance.

Although he can't compete with it, he is absolutely fearless when faced with it!

Mo Xueming stared at Ye Chen for half a cup of tea before speaking.

The voice was hoarse and thick, just simply opening his mouth, giving Ye Chen a sense of coercion facing the thunder.

"Who are you? Tell me your name!" Mo Xueming said lightly.

"Ye Chen!" Ye Chen replied.

Mo Xueming frowned, "What I asked is your origin."

Ye Chen and Mo Xueming's eyes collided, but they didn't answer.

Ye Chen will not admit the identity of the inheritor of the Lord of Reincarnation, no matter whether Mo Xueming has seen it through or not!

In the forbidden ground of the Underworld, there is a reincarnation star stone of the same material as the reincarnation cemetery. It is conceivable that the underworld and reincarnation must have a complicated relationship.

"Why kill my disciple?" Mo Xueming was unexpectedly easy to talk, and did not ask Ye Chen again, but changed the question.

This matter involves Canggu medical god, Ye Chen will naturally not give an answer.

"If you don't tell me, I know. Because I can sense the breath of that person from you."

Mo Xueming chuckled lightly, and then said, "Canggu Medical God, are you his disciple?"

Ye Chen's pupils shrank slightly, but his attitude was firm and he didn't intend to speak.

"Hehe, something interesting..."

Mo Xueming moved, and only took a step forward, but Ye Chen reacted instantly as if he was approaching an enemy, and was about to burn everything, hitting a life-threatening blow, but a big hand fell on his shoulder.

Then, Ye Chen felt that all the power in his body was sealed, unable to move!

At this moment, Rao Ye Chen had a firm mind, and a trace of despair was also gushing out of his heart, and his strength was not as good as that of a human. Even if he wanted to work hard, he was not qualified.

The reincarnation cemetery in the body was about to change, Mo Xueming seemed to have noticed something, patted Ye Chen on the shoulder, then retracted, and stood with his hands to Ye Chen and said: "Don't be nervous, I won't kill you."

Ye Chen was stunned, surprised, this Mo Xueming's real body set out to find him, how could he let him go so easily?

"Let's go, Hades... temporarily not where you should be."

"Maybe one day, you and I will meet."

"I hope you can shake me at that time."

"Instead of being killed by me."

"I owe the ancient doctor God Cang a life, and I will still pay for it today."

Mo Xueming smiled at Ye Chen, then his figure gradually disappeared, and he left directly.

"Go, let's go! What is your kid's surprise!"

The old man's anxious voice sounded, and he really squeezed his sweat for Ye Chen.

If just now, Mo Xueming planned to capture Ye Chen or directly obliterate Ye Chen, Ye Chen could only burst out of the reincarnation cemetery, but the consequences would be difficult to match Mo Xueming, and he would not be able to escape!

Ye Chen had a lingering fear, and greeted Ye Lingtian, and the two flew up and disappeared into the sky.

...

The main peak of the Underworld, a place surrounded by clouds and mist, and a place where Mo Xueming retreats, a token flew out.

Soon, a woman came here with a token in hand, and after entering the hall, she bowed down to Mo Xueming.

"Tan'er pays homage to the lord!"

The woman Yingying kneels down, with a delicate body and graceful posture. Just looking at the back gives a sense of beauty.

"Call a foster father."

Mo Xueming stretched out his hand and a strong breath lifted the woman up.

This is a young girl with a delicate and beautiful face, which makes people suffocate at a glance, but the girl's eyes are extremely cold and indifferent, which adds to the girl's charm, like fire and ice, which can be called a charming look.

The girl's eyes flowed, her eyes turned gentle when she looked at Mo Xueming, her eyes seemed to be dripping with water, but an inadvertent look and movement were so intoxicating.

"Tan'er pays homage to the foster father, congratulations to the foster father for his great accomplishment and break through!"

The girl's surname is Qu, and her name is Tan'er, who was received by Mo Xueming thousands of years ago. Because of her excellent talent, she has a bloodline against the sky, and her cultivation base has risen steadily during the millennia. Now she is a strong person in the late Chaos realm. , Mo Xueming valued her more and accepted her as a righteous daughter.

"Tan'er, your little mouth is very pleasing. If the stepfather's magical skill has been practiced, you will not be summoned at this moment." Mo Xueming said to Qu Tan'er with a smile.

An unknown premonition surged in Qu Tan'er's heart and asked, "Why did my foster father call me?"

"It would be great for you to approach someone, if you can let them fall under your pomegranate skirt." Mo Xueming's words were light, but Qu Tan'er was immediately astonished.

this is.....

Let her use her beauty to seduce someone?

"Who is that person? How is the cultivation level?" Qu Tan'er asked suspiciously.

If that person is a peerless power, or the top power in the kingdom of God, then Qu Tan'er would wrong herself, but she would not be too repulsive in her heart seems to have seen through Qu Tan'er's heart. Thinking, Mo Xueming's mouth evoked a meaningful smile.

"This person's name is Ye Chen, a genius who can't cultivate the fifth level of the Evil Realm."

"The future will be extraordinary."

"I need this person to be my \*\*\*\* person, not an enemy."

"And you are the most critical existence."

Qu Tan'er raised his head to look directly at Mo Xueming, her lips were slightly open, her eyes were angry, and she said, "Foster father, are you kidding me?"

The cultivation base of the fifth-layer heaven of the Zhan'er Realm, in Qu Tan'er's eyes, is an ant-like existence!

Let her, the lady of the sky in the late stage of Chaos Realm, seduce such a person, how can she be willing!

Chapter 2796: help me!

As for the "genius figure" Mo Xueming said, it was directly ignored by Qu Tan'er.

Putting aside her own beauty, Qu Tan'er is pregnant with the blood of the colorful Heavenly Phoenix. In terms of genius, Qu Tan'er thinks that no one can match her.

and.....

The meaning of Mo Xueming's words is not just to let her seduce this person, if necessary, she must commit herself to him and dedicate her innocence!

"Do you think I'm joking with you?"

Mo Xueming got up from the seat, wrapped in blood, and walked to Qu Tan'er. The smile on the corner of his mouth slowly disappeared, replaced by an indifferent look.

"Tan'er didn't dare, but I just couldn't figure it out. That Ye Chen could be so valued by her adoptive father, and perhaps he was exceptional. But when her adoptive father asked Tan'er to approach him, Tan'er was unwilling..."

WINK to \$1: Secure Your Spot Now!

Snapped!

A palm print appeared on Qu Tan'er's beautiful face. Before she could finish her words, she was slapped by Mo Xueming!

"My will, you can only follow it, and you are not allowed to question! Qu Tan'er, if you can't do this task well, you don't have to come back again!" Mo Xueming's cold voice sounded.

Qu Tan'er knelt on the ground again, clutching his cheeks, trembling, not daring to contradict him again.

There is no need to come back again, it is not to expel Hades; in the style of Hades, Mo Xueming expresses the meaning very clearly, she must complete this task, otherwise she will die!

"Foster father, Tan'er obeys your instructions."

Qu Tan'er was scared, only to obey.

"Don't feel wronged, even though Ye Chen is only the cultivation base of the fifth level of the Evil Realm, his combat power is not inferior to you. Moreover, his identity is no small thing."

Mo Xueming was unpredictable, just slapped Qu Tan'er, and then softly comforted.

"Tan'er remember, it's just... foster father, what else will I do after I approach him?"

Qu Tan'er asked.

Qu Tan'er wanted to know the purpose of Mo Xueming's arrangement. She was quite confident in her appearance and methods, and she thought it was not difficult to get close to Ye Chen.

"Let him fall in love with you and give you a crushing heart. You don't have to worry about other things. When the time is right, the father will give you new orders."

Mo Xueming stretched his hand to point at the center of Qu Tan'er's eyebrows, and information such as Ye Chen's appearance and current location instantly flooded Qu Tan'er's mind.

Within the power of this Ming Palace, Mo Xueming was the absolute master, but his attitude towards Ye Chen was quite puzzling, he deliberately let him go, and also arranged the chess piece Qu Tan'er.

Qu Tan'er flew out of the Nether Hall, and after some thoughts, he made up his mind, and then followed Ye Chen.

"Ye Chen, you can't escape the palm of my hand! After I completely take you down, I will let the foster father know that I, Qu Tan'er, can't be worthy of a mere ant!"

Qu Tan'er secretly said in her heart.

...

After an hour, Ye Chen and Ye Lingtian kept on rushing with all their strength, and finally, when the day was just dawn, Ye Chen sensed that they could use the power of space!

This means that they have already stepped out of the sphere of influence of the Underworld Hall. Next, as long as Ye Chen uses the power of space and the flying boat, he can rush to Shenjizong as soon as possible.

Even if it was Mo Xueming, he could no longer lock his whereabouts.

"Ye Chen, I have always been unsure of one thing. Just now, I have already confirmed it. I found out that Mo Xueming has planted the mark on your body. You need to peel it off as soon as possible. Otherwise, even if you leave here, you will be at any time. Mo Xueming came to the door!" The old man's voice sounded.

"He slapped me?"

After receiving the reminder from Cangu Medical God, Ye Chen immediately understood when the mark was planted.

"What a Mo Xueming, what is his purpose in doing this!"

Ye Chen was frightened and angry, and under his heart, he realized that there was something wrong with him.

Allowing him to leave, but leaving a mark in his body, Mo Xueming's behavior made Ye Chen more jealous than a direct enemy.

In short, Mo Xueming is an enemy and not a friend, and he is very conspiring. Such a deep-minded figure is difficult to deal with.

"Xuan Yan! Out!"

"True Dragon God Fire!"

Ye Chen sat down cross-legged, and then summoned two divine fires, and according to the instructions of the ancient doctor god, he began to peel off the marks in his body.

On the side, Ye Lingtian held the Abyss Conviction Gun, protecting Ye Chen's law.

Another hour's time passed. During this period, Ye Chen had been sitting with his eyes closed, peeling off his mark with real fire, and suddenly opened his eyes.

"Hall Master, have you succeeded?" Ye Lingtian asked in surprise.

Ye Chen nodded, said hard, and threw a few bottles of healing pills made by the old man to Ye Lingtian.

Ye Lingtian put away the Abyss Conviction Spear, took the pill, and treated his injuries.

During these times, he did not dare to relax at all, in case the strong in the palace suddenly attacked.

Ye Chen was touched by such loyal people to follow.

Hades. Mo Xueming, who was walking deep in the core of the forbidden area, seemed to feel a little bit surprised.

"I stripped off the imprints I planted so quickly, this Ye Chen has a lot of luck and a lot of treasures!"

Mo Xueming sighed, with a smile and a clear look: "Canggu Medical God, you really are still alive...My mark, only you can detect it so quickly. Sure enough, that person left behind."

"The power of the Ye Family, how much does this inheritor have now? And the ultimate secret, really exciting!"

The breath of Mo Xueming drew that mountain-sized star of reincarnation, his gaze was deep and mad!

After another half day, Ye Chen and Ye Lingtian both recovered to their heyday state.

"Let's go, return to the Divine Sect!" Ye Chen said.

Ye Chen took out the flying boat and flew in with Ye Lingtian. Ye Lingtian took out a few top-quality stones and threw them into the flying boat's core array. A layer of chaotic power filled the flying boat.

The power of space waved from Ye Chen, a big hole appeared in the space in front of him, and the flying boat was about to enter it. At this moment, there was movement not far away.

Not far away, three old men were besieging and killing a graceful woman wearing a veil.

Those three elders had the fluctuations in their cultivation in the late Chaos Realm! The besieged woman's breath rose and fell, and she was obviously seriously injured.

The veiled woman was fighting in blood. Under the siege of the three late chaotic elders, she was already in danger. With only a dozen breaths, her real body was shattered twice!

The powerhouse of the chaos realm can be reborn from a drop of blood, the soul is immortal, the law is endless, and the road is not broken, it will not fall easily.

The body of the veiled woman was filled with the power of the law and the avenue, which was a manifestation of her burning heritage regardless of the cost. After several real reorganizations, her soul was also seriously injured.

After several people fought back and forth, the masked woman saw Feizhou in front and Ye Chen and Ye Lingtian standing on the Feizhou. After breaking out again to push the enemy back, she went straight to Ye Chen.

"My son, save me!"

The voice of the woman in the veil is very beautiful, and it makes people feel pity and sympathy, and people can't help but give birth to a sense of protection.

This woman is Mo Xueming's righteous daughter, Qu Tan'er!

Chapter 2797: I won't eat this set!

The way she approached Ye Chen was to stage a heroic saving the beauty scene. In order to achieve the effect, she did not hesitate to be seriously injured.

When she wanted to come, her call for help should allow Ye Chen to take action for her, but what she didn't expect was...

Ye Chen just glanced at her, then frowned, gave Ye Lingtian a wink, Ye Lingtian understood, and drove Feizhou into the chaos.

It happened that someone would be chased and killed, and it was also a fight between the powerful in the late Chaos Realm. Ye Chen didn't hesitate, and made a decision directly: ignore it!

It's not that Ye Chen is cold-blooded, he can do his best in time, and the heroes are willing to help others. Ye Chen has done many such things.

But where is this? Just out of the sphere of influence of the Hades, I encountered such things!

Even if it was just by chance, Ye Chen thought that he shouldn't be nosy now, and it would be better to leave here quickly.

As for the masked girl who called for help...not to mention just a mournful and weak cry for help, even if she planned to agree with her afterwards, Ye Chen wouldn't be tempted at all.

If you are unfamiliar with you, you will not be stupid enough to risk your life for you!

Qu Tan'er was stunned, but reacted quickly, and sent her voice to the three elders who "cherished" her.

"Little kid, since you have a glimpse of my dark palace, then stay!"

One of the elders actually left the battle group and flew towards Ye Chen, shaking his hand to strike Feizhou.

boom!

The two extreme martial arts collided, and the power of space displayed by Ye Chen was defeated. The black hole of space was suddenly unstable and slowly closed, and the flying boat was also forced to squeeze out of the chaotic space.

Ye Chen was furious!

Over there, the masked woman faced the siege of the remaining two powerhouses and was still completely at a disadvantage, but for the time being she no longer worried about her life.

"Ye Lingtian, you go to help that woman, this guy will leave it to me!" Ye Chen said to Ye Lingtian.

I didn't want to be nosy, but this powerhouse of the Underworld was too arrogant and domineering, just because he saw them chase and kill the masked woman, he called Ye Chen to kill!

In this case.....

If you have to die, then you will be fulfilled!

Ye Lingtian flickered and appeared beside a strong man in the dark palace, waving his hand, the abyss conviction spear pierced this person's heart.

The strong man in the hall of darkness couldn't dodge, with a scream, his body collapsed, and then he condensed his figure again, his eyes were red and he looked at Ye Lingtian, and said fiercely: "Dare to attack the old man, you die!"

The two fought together, and there was only one opponent of the masked woman. She no longer fought like a fate, and fought with her opponent.

"Demon phantom pupil!"

"Cang Yan destroys the Spirit Palm!"

On Ye Chen's side, the two great demon emperors' top skills were shot. Under a pair of magic eyes, the opponent suddenly fell into an illusion, and the heart was full of demons. A huge palm covered the sky and blocked all power and locked the enemy. , To directly obliterate the other's spirit!

The old man in the Primal Chaos Realm was shocked, his body blooming with white light, all kinds of martial arts rhyme and the power of law intertwined, also condensed a giant hand to face Ye Chen's blow.

The two giant palms collided together, but for a moment, Ye Chen's Cang Yan Destroying Spirit Palm directly defeated the enemy's defense while continuing to fall...

boom!

A hill below the void where they stood directly turned into fly ash, leaving a footprint on the ground!

As for the strong man in the Underworld, his body was directly broken up and turned into fly ash.

"Ahhhh! Ten thousand years of cultivation is ruined, I will kill you!"

The law of the Great Dao was brewing, and the old man's body reorganized and appeared in mid-air again, but at this time his breath was only in the early stage of Chaos Realm...

With just one move, he was knocked down several small realms by Ye Chen!

The cultivation base was knocked down and the foundation was scrapped. How could this be acceptable to him!

"Kill me? What a joke! Do you think you can go today!"

Ye Chen sacrificed Xuan Yan, and since he made the move, he planned to save the lives of these people!

After the old man roared like a vent, he saw Ye Chen attacking him again with a sword, and he was so scared that he turned around and ran.

"Want to go! Jiwu! God flash!"

Ye Chen quickly caught up with him, but with three moves, this person was beheaded and completely fallen!

On the other side, the other two Nether Hall Chaos Realm late powers were also frightened by Ye Chen's combat power at this time, and they started to retreat, fighting and running.

Ye Lingtian's opponent was tightly entangled by him, and the opponent of the masked woman took the opportunity to escape, and his figure was far away.

Ye Chen's eyes flashed sharply, and he chased the man.

It didn't take long for Ye Chen to return in blood, adding another dead soul under the evil sword!

"I am the ancestor of Fei Peng in Mingdian, if you dare to kill me, you will not die in the future!"

There was only the last person left, seeing the hopelessness of escaping, threateningly said.

However, an extreme killing intent came to the sky!

"Jiwu: Heavy punch!"

Ye Chen yelled violently, and a burst of annihilation burst out above his fist. The laws of martial arts were all shaken by Ye Chen's fist!

Two fists struck each other, with a loud bang, endless fists swept across the square!

The dust was full of smoke, and a blood-colored figure was blasted to fly back!

The old man opened his mouth and spouted blood, but rushed in the direction of the masked woman.

That was his only hope to survive, chasing and killing masked women was a scene for them.

"Saint, save me!"

The old man spoke to the masked woman.

The masked woman floated in the air, unconsciously as if lost, did not stop her, the old man was overjoyed and quickly flew past the woman.

At this moment, he was so unprepared that he hadn't even sacrificed the body protection spirit treasure, he suddenly felt a chill in his back, and a colorful light penetrated his body.

Then, his soul was wrapped in this group of colorful power and began to melt.

"you....."

The old man turned around, looked at the masked woman last time with incredulous eyes, then his breath dissipated and he died!

Qu Tan'er didn't even look at this person's corpse, her delicate body trembled, and staggered to Ye Chen.

"Qu Tan'er, thanks Engong for saving his life!"

Qu Tan'er bowed and saluted Ye Chen slightly, the treasures she wore on her graceful body shattered, and her white skin was looming.

The gully in his chest was even more tempting. Even Ye Lingtian on the side was shaken, quickly dispelling the thoughts he shouldn't have in his heart, and turned his head to look aside.

"You go, I dare not bear this life-saving grace."

Ye Chen had just killed two powerful masters in the late Chaos Realm, still in the middle of recollection, there are also many combat insights in his mind just glanced at Qu Tan'er, did not care much about her, indifferent Said.

Qu Tan'er raised his jade hand and lifted the veil on his face. Those moving eyes stared at Ye Chen affectionately, and said in a "moving" voice: "The son has a narrow heart. I admire you more and more. Daeen doesn't say thank you. No matter what you give, the slave family will repay you."

That beautiful face made Ye Lingtian lose consciousness for a moment.

However, the next moment, Ye Lingtian and Qu Tan'er were completely stunned by the sound.

"Are you not sick? Or do you have bad ears? I let you go, don't you understand?"

An indifferent voice sounded like this!

This is Ye Chen's voice!

Chapter 2798: Mo Xueming's surveillance?

At this moment, Qu Tan'er was stunned.

Over the years, she has been extremely confident in herself.

In her cognition, the underworld and even people outside the gods could not resist her temptation.

In her opinion, the arrangement this time is absolutely foolproof.

This man named Ye Chen, I'm afraid his mind is already swaying.

However, she never expected that she would be rejected.

"Ling Tian, let's go."

Ye Chen spoke lightly.

How could Qu Tan'er let Ye Chen leave? The mission failed, she might not even have the right to live!

"Ok....."

Qu Tan'er suddenly had blood from the corners of his mouth, and his face became extremely pale. It seemed that the forcibly suppressed injuries had taken place. The Jiao body was unsteady and staggered, seemingly intentionally or unintentionally, and fell into Ye Chen's embrace.

Seeing that Wenxiang Nephrite was in his arms, Ye Chen outlined the corners of his mouth.

Did not use any spiritual power.

Subconsciously block with both hands.

He secretly said in his heart: "Since you want to play, I will play with you, I want to see who is losing."

In the next second, his hands felt soft.

Extremely soft.

"you!"

A flash of killing intent flashed in Qu Tan'er's eyes, and his spiritual power instantly moved, keeping a distance from Ye Chen.

Her eyes flashed with anger!

I even hate to kill Ye Chen!

But when she thought of her foster father's confession, she could only suppress everything in her heart!

"Qu Tan'er, I have a few pills here. Take them and heal your injuries."

"Do you need me to feed you?"

Ye Chen said with a smile.

Qu Tan'er gripped her five fingers, and the pill appeared in her hand: "Don't bother Ye Gongzi, I can."

"Also... thank you son, cough cough... son call me Tan'er."

Then, as if trusting Ye Chen incomparably, she swallowed the pill directly without even looking at it.

At this moment, Ye Lingtian took the two perfect Universe Rings and gave them to Ye Chen.

"Hall Master, these two storage rings are perhaps the biggest gain."

The powerhouses in the late Chaos Realm are extremely wealthy, even Ye Chen, facing their "legacy", can't treat them as nothing.

"Hall Master, congratulations on your breakthrough in cultivation and great strength!"

Ye Lingtian felt the fluctuation of Ye Chen's breath, and said with joy.

Ye Chen just smiled faintly, without much surprise.

"Hall Master, what should I do next?" Ye Lingtian asked.

Qu Tan'er has fallen into a state of concentration and is healing. Ye Lingtian's extraneous meaning is, what should be done next to Qu Tan'er who was rescued.

Ye Chen just glanced at Qu Tan'er, then summoned the flying boat, the power of space broke through the chaos.

The two flew up and down into the flying boat, Ye Chen actually ignored Qu Tan'er.

What surprised Ye Chen was that Qu Tan'er also stepped into the flying boat at this time.

"Girl, what do you mean?" Ye Chen put his arms around his chest and said in a funny way.

"My son, Tan'er was seriously injured, and it takes a few days of recuperation to recover, but the people of the Hall of the Underworld are chasing after me... If you are a good man, can you let me go with you?"

Qu Tan'er's pleading tone made Ye Chen difficult to refuse.

"Do you trust my house master like this?" Ye Lingtian, who was also feeling weird, interjected and asked.

He felt that this son Tan'er seemed to have a covetous heart for the Lord.

"The character of the son, Tan'er is naturally trustworthy. Moreover, Tan'er said that he would repay his life-saving grace, how could he just leave like this?" Qu Tan'er replied.

"It's up to you, it's not suitable to stay here for long, let's go."

With the power of Ye Chen moving the space, the flying boat entered the black hole. No one stopped him this time, but he was relieved.

Originally, Ye Chen planned to return to the Divine Supreme Sect, but considering the time bomb of Qu Tan'er, he asked Ye Lingtian to drive the flying boat around the Seventh Kingdom of God.

An hour later, Qu Tan'er knocked on Ye Chen's room.

Now she is still unstable, strong and weak, but she is not in a hurry to heal her injuries, but finds Ye Chen as soon as she stabilizes her injuries.

"My son, why did you show up near the Nether Hall? The Nether Hall is an organization that kills people without blinking an eye. The Seventh Kingdom of God and the other six kingdoms are very afraid."

"And I heard that Ming Palace has touched the minions to Heavenly Dao Palace."

Qu Tan'er asked knowingly.

Ye Chen smiled slightly: "Then how did you get chased by the Underworld?"

Qu Tan'er hesitated for a moment, and sighed: "The son doesn't know that Tan'er was originally a disciple of the Hanyan Sect. The Hanyan Sect was slaughtered by the Nether Hall a hundred years ago. Only Tan'er survived. I cultivated to the Chaos Realm. I wanted to take revenge, but I never thought the power of the Underworld Hall was so terrifying."

"The next thing, the son will know."

Ye Chen and Qu Tan'er dealt with each other, and after talking about a cup of tea, they euphemistically stated that they needed to meditate.

Qu Tan'er didn't stalk anymore, and left the room.

"Ye Chen! I don't believe you can always be such a gentleman! Humph, I am really interested in you now." Qu Tan'er secretly said in her heart.

Ye Chen used his own power to slash the two great Chaos Realm late stage powerhouses, which shocked Qu Tan'er!

If she fully arouses her bloodline, with her cultivation base in the late Chaos Realm, she can also explode stronger combat power. She is confident that her strength is not weaker than Ye Chen, but you must know that Ye Chen is now only slashing the fifth layer of the Evil Realm.

This means that Ye Chen's potential is much greater than hers. If he talks about the level of genius, as Mo Xueming said, he can be called a monster.

This aroused Qu Tan'er's eagerness to win and captured Ye Chen's heart. It was more challenging and exciting than defeating him!

Three hours later, Qu Tan'er took the initiative to look for Ye Chen again, sipping tea, and the atmosphere was harmonious between the two of them talking and laughing.

After one day in a row, Qu Tan'er's injury has been well, and the relationship with Ye Chen is no longer alienated.

Ye Chen even felt that if he returned to China, he should have no problem selecting an Oscar for best actor.

The only thing that puzzled him was what purpose Qu Tan'er came with.

Kill yourself?

Or as a monitoring of Mo Xueming?

While talking Qu Tan'er also revealed that she knew some of the core secrets of the Underworld, and the other party sent so many elders to kill her.

Although Ye Chen was curious about her so-called "core secrets," she didn't take the initiative to inquire, but Qu Tan'er showed great interest in matters related to Ye Chen.

That night, as soon as Qu Tan'er left the room, Ye Chen entered the reincarnation cemetery with a ray of thought and found the old man.

"Old man, you should have seen the problem with this Qu Tan'er. I thought she would assassinate me, but for so long, she didn't do anything." Ye Chen said.

Lao Cang sneered at Ye Chen, "You are not confused yet, I thought you would be fascinated by this woman's appearance, and in a few days, the soul will be hooked away by her!"

Ever since Qu Tan'er appeared, Lao Cang has not actively contacted Ye Chen.

"Old man joked, I'm not that kind of person..."

Chapter 2799: Strange breath

Ye Chen was embarrassed and was about to explain, but he understood the hidden meaning in the old man's words, and then asked: "Old man, do you mean that this woman does approach me for another purpose, but it is not assassination?"

Lao Cang nodded: "One thing is certain, this Qu Tan'er has a lot to do with Mo Xueming."

"As for approaching you, it seems that I want to cooperate with you."

"If you accept this woman, I'm afraid it is exactly what Mo Xueming thought of."

"I don't think you need to spend time with this woman."

"It's better to return to Divine Extreme Sect as soon as possible."

Ye Chen's eyes condensed, and he nodded: "Okay."

After consulting with Lao Cang for medical advice for a while, Ye Chen returned in his heart, then thought for a while, got up and walked out of the room, went to the room where Qu Tan'er was, and knocked on the door.

Qu Tan'er in the room sensed Ye Chen, and a triumphant smile appeared at the corner of his mouth.

"Hehe, to please him in this way, it really worked. You really came to me on the initiative."

A ray of light flashed, Qu Tan'er changed her costume, her delicate body was covered by the white silk blouse, full of hazy temptation, and the fullness in front of her seemed to come out, and then she opened the door of the room.

"Young Master Ye, please come in."

Qu Tan'er's slightly shy face and the look of expectation seemed to invite the lover into the boudoir.

Seeing her such a posture, Ye Chen immediately abandoned her fragrant distracting thoughts and said to Qu Tan'er with a serious face: "I won't go in, Miss Tan'er, there is something I forgot to tell you just now, so I came to find you. "

"Master, please speak."

Qu Tan'er thought that Ye Chen wanted to capture and was so indulgent, that the glamorous waves flowed, and it became more charming.

"Your injury is healed, so you don't have to walk with me anymore."

What Ye Chen said made Qu Tan'er stunned!

This... Is this just driving her away?

This is completely different from what she imagined!

Qu Tan'er quickly panicked and asked aggrieved: "My son, what's the matter with you? Did Tan'er do something wrong and bore you?"

Ye Chen shook his head, "That's not the case. It's just that there is a difference between men and women. I and the girl had never lived before. I have other important things. It is really inconvenient to take you with me. It's better to leave it alone."

Ye Chen's tone was firm, and he would almost be able to return to Shenjizong in a while. He didn't want to bring this woman back to avoid causing trouble.

"My son... Tan'er hasn't repaid your life-saving grace..."

Qu Tan'er wanted to say more, but Ye Chen frowned and interrupted her words, "I just saved you, and I don't need your reward."

Seeing that Ye Chen was determined to drive her away, Qu Tan'er was also panicked. He walked two steps to Ye Chen and said: "My son, Tan'er is alone now and has nothing to worry about. I want to follow you and help my son. You can share your worries and solve problems, or...or just take the tea shop quilt."

Ye Chen glanced at Qu Tan'er deeply.

The more she showed such eagerness, the more she confirmed that she and the old man's guess was true.

This woman... indeed has another picture!

The process of the chaos realm powerhouse in the Hades Palace who escaped last, died by Qu Tan'er's hand, it is also very strange in retrospect.

But at this glance, Qu Tan'er thought Ye Chen was interested. She thought of Mo Xueming's instructions. At this time, even if she sacrificed her hue, she had to seize the opportunity.

So Qu Tan'er stretched out his jade hand and took Ye Chen's arm, Jiao Chu leaned forward, and the clothes on that shoulder slipped a little...

"My son, when Tan'er falls in love with you, let me serve you..."

Qu Tan'er dragged Ye Chen into the room. She had made up her mind to give Ye Chen more sweetness this time.

But the next moment, she was stunned.

Because Ye Chen didn't move, she couldn't move him?

Qu Tan'er and Ye Chen looked at each other, only to see that Ye Chen's eyes were clear and undisturbed, and there was a sneer on his face!

She was so proactive, Ye Chen was really sitting still, which made Qu Tan'er crazy.

"Girl Tan'er, I can't bear such a beautiful blessing. You should go find someone else."

After that, Ye Chen shook his hands and broke free of Qu Tan'er.

These words made Qu Tan'er suddenly furious, and couldn't help but lose his temper, and said to Ye Chen in anger: "Do you think I am that kind of casual person!"

Ye Chen sneered, his heart said that your actions just now proved this, so why bother to say more?

This irritated Qu Tan'er even more, the beauty plan was not effective against Ye Chen, and Ye Chen dared to treat her so lightly!

But she suppressed the anger in her heart, and smiled at Ye Chen reluctantly: "Young Master Ye, as the saying goes, seeing people's hearts for a long time, since you don't want it now, and Tan'er can't force it, let me stay by your side for the time being. Strength, definitely will not be a drag on the son..."

Appearing to be worried that Ye Chen might be suspicious, Qu Tan'er emphasized: "After Tan'er repaid my son for saving his life, if you still insist on letting me go, then I will leave, and I am not ashamed of it."

Qu Tan'er advances by retreat, as long as he can stay, there will be plenty of opportunities in the future.

"Ye Lingtian, pause for a moment!"

Ye Chen's divine sense spread to the outside, Feizhou slowed down, and was slowly stopping.

"Girl Tan'er, please."

Ye Chen made a posture of a treat to go out and said to Qu Tan'er.

Qu Tan'er's complexion changed drastically, her delicate body undulated violently, and her aura fluctuated endlessly. At this moment, she couldn't wait to act directly on Ye Chen!

She knew that Ye Chen was determined to drive her away, no matter what she said, it was useless.

If you die and beg Bailai to stay, you can only insult yourself; if you still don't know what is good or bad, I'm afraid Ye Chen will turn his face with her directly!

Qu Tan'er flew out of the flying boat, and the jade palm swept across the chaos, opening a gap in the space.

"You... are you really indifferent to me?!"

Before leaving, Qu Tan'er gritted his teeth and asked bitterly.

Ye Chen transmitted Ye Lingtian, Feizhou rose again, and shuttled forward.

And just as Feizhou disappeared, an indifferent voice came: "Yes, Qu Tan'er, help me say hello to Mo Xueming."

"If he really wants to get me to cooperate, he might as well come to me in person."

"If I kneel down, I might really be shaken."

Qu Tan'er was completely stunned when he said this!

It turned out that this man had seen his own strategy long ago!

She even feels like a clown at the end of the day!

Not only is the cheapness being taken up, it's a waste in the end!

Her eyes are filled with anger a sword is in her hand!

Endless killing intent surging!

Her blood burst out!

As if a phoenix soared into the sky.

The surrounding space seems to be ruthlessly torn apart!

"This mission seems to have failed."

"Since I fail, I have no way out."

"Then Ye Chen, you will die by my sword!"

In the next moment, Qu Tan'er chased in the direction where Ye Chen had left!

However, when she left, her expression changed and she stopped suddenly!

She found an unfamiliar breath behind her.

Chapter 2800: There shouldn't be any plans to move my man!

She suddenly turned around and saw a veiled girl condensed in the void and appeared in front of her.

If Ye Chen were here, she would be shocked, because this woman was Wei Ying who had left!

"Mo Xueming started using this method?"

Qu Tan'er's heart was shocked when Wei Ying said the first words.

The origin of her identity was discovered by this mysterious woman who suddenly appeared!

"Who are you? What does it have to do with Ye Chen!"

Qu Tan'er asked about Wei Ying's cultivation level while divinely exploring Wei Ying's cultivation level, but she was shocked to discover that she could not perceive Wei Ying's cultivation level!

This means that Wei Ying is probably better than her!

Wei Ying didn't seem to hear Qu Tan'er's question, and said to herself: "You have too many questions, I don't want to answer.

But if you really want an answer, I will give it to you!

You—should not have plans to move my man! "

what!

Qu Tan'er is dumbfounded!

Ye Chen's woman?

Although Wei Ying was wearing a veil and couldn't see her face clearly, Qu Tan'er felt that this woman's appearance might not be inferior to her because of the figure and the outline of the facial features that the veil could not hide!

Even better than yourself!

Ye Chen, an ant who slashed the fifth layer of the sky, is there such a beautiful genius girl chasing after him?

The key point is that this woman actually saw through her intentions, what happened in the flying boat, could this woman also have a way to observe?

When did you expose yourself?

It is very possible that when performing the "Hero Save the Beauty" scene with the three old men of the Underworld, this woman hid on the side. Her various behaviors and purposes have already fallen into the grasp of others!

Qu Tan'er was frightened and angry, and she was proud of her. She had just experienced unprecedented frustration from Ye Chen, and she also experienced a kind of irritation that has been completely seen through Wei Ying, and... nervousness!

Suddenly, Qu Tan'er's intention to kill arose!

Faced with this situation, the simplest and most direct solution is to obliterate the opponent.

The other party will never let her go, so it depends on which side is strong and weak.

Strength is the fundamental solution to all problems.

Colorful rays of light rushed straight into the sky, and a phantom of a phoenix appeared behind Qu Tan'er.

The blood of the colorful Heavenly Phoenix was directly stimulated, Qu Tan'er didn't intend to test, and directly did his best to hit Wei Ying with a colorful chaotic light.

Wei Ying's eyes were cold, and the chill of those eyes caused the temperature of the whole world to drop suddenly!

Snow flakes fell under the sky!

Snowflakes with a hint of murder!

This is Wei Ying's mood!

This Qu Tan'er had crossed her bottom line, she couldn't keep her!

When the light of chaos is about to come!

Wei Ying moved, offering a cold sword full of ancient runes in her hand!

The show hand outlines, the two women are fighting each other in an instant, with each blow, the space collapses, the river evaporates, and the land collapses!

However, after ten moves, Qu Tan'er tried to escape from the battle, because she found that even if she used the background, she was not Wei Ying's opponent!

"I am the saint of the Palace of the Underworld, the righteous daughter of the lord Mo Xueming, if you dare to kill me, the foster father will avenge me!"

Qu Tan'er could not escape. Wei Ying was not only capable of shocking the sky, but also had a lot of means. During the match, Qu Tan'er tried to break through many times but failed.

Not long after, Qu Tan'er was already seriously injured, so she lied and threatened Wei Ying.

"If you say that, you must kill you even more. Kill you and wait for Mo Xueming to come to me for revenge."

Wei Ying shot more sharply, and Qu Tan'er was frightened.

Can't fight, can't escape, the feeling of powerlessness and fear that is about to usher in death makes Qu Tan'er feel desperate!

"I didn't do anything to Ye Chen, why bother with you? If I try to kill you, even if you can live, you will not end well!"

Qu Tan'er screamed with a harsh voice.

If the fish die and the net breaks, it can only explode, even if it is dead, it will not let the enemy get better.

"The matter between you and Ye Chen is not guilty of death. But you are a member of the Hall of the Underworld, the righteous daughter of Mo Xueming, so... today you will definitely die!"

Wei Ying's five-finger pinch, a crack appeared in the sky!

Amidst the crack, an ice sword of ten thousand feet descended!

Pressure alone is enough to swallow everything!

In an instant, Qu Tan'er blasted away with one blow, and her real body was shattered, and the phantom of the Colorful Heavenly Phoenix became increasingly dim.

Qu Tan'er didn't expect that she was proud of her great patron, the horrible foster-father Palace Master, his name not only could not protect her, but she was still the way to die today.

"Ahhhhh! I'm not reconciled! The foster father will definitely resurrect me, you...accompany me to death!"

The colorful Tianhuang screamed and exploded, and the power of the burning blood flowed into Qu Tan'er's body. Then, she burned herself on the road and the power of the law, sending a final blow to Wei Ying.

Wei Ying was not afraid at all, and Jiao Chu also rushed towards Qu Tan'er, not dodge or evade, directly head-on.

Boom boom boom!

The land within a radius of ten miles was shattered into nothingness in this hit, and the power of chaos gushed out from the shattered space, forming a Jedi here.

The aftermath of the second daughter's magical powers and the marks left by various martial arts laws will make this place extremely dangerous.

Wei Ying's figure appeared, a faint light in her hand, and there was a woman's remnant ghost with a stunning appearance.

A flame ignited Qu Tan'er's remnant soul, and Wei Ying quietly watched the other's soul die.

"My Frost Emperor Palace is destroyed, and Mo Xueming can't get rid of the relationship. The many elders and disciples of the Frost Emperor Palace are already gone, so you don't want to resurrect."

Wei Yingmei said with a flame of hatred in her eyes indifferently.

Mo Xueming was one of her targets of revenge.

One day, she will ask Mo Xueming to repay this blood debt.

Qu Tan'er's death was just the beginning.

"Mo Xueming sent this woman. He already knows Ye Chen's identity. Even if he hasn't fully confirmed it, he should have noticed it... Underworld, is it finally unable to hold back?"

Wei Ying's figure faded and left here, the remaining voice curled.

As if it never existed.

...

Shenjizong, a flying boat showed its traces outside the mountain gate formation, attracting a crowd of disciples and elders on duty.

This kind of top-level thing that can travel through the space and break through the chaos

In the Shenji Sect, only the head and the elders can have it, but this flying boat is very unfamiliar and should be from outside Those who came to visit Shenjizong.

The people in the flying boat must be very distinguished figures.

Ye Chen and Ye Lingtian walked out, and Feizhou was also taken into the reincarnation cemetery by Ye Chen.

"It turned out to be Senior Brother Ye!"

"Gong Ying Brother Ye returns to Divine Extreme Sect!"

When the disciples saw Ye Chen, they all breathed a sigh of relief, and their gazes at Ye Chen were full of awe and admiration.

Although Ye Chen was a disciple in Shenji Sect after all, everyone in the Shenji Sect knew that Ye Chen could be on an equal footing with the master Yuzhenzi.
