

Urban 2811

Chapter 2811: The domineering of reincarnation blood!

It was as if the entire kingdom of God could be smashed into smashed tiger claws, but Ye Chen's random punch was directly smashed...

Not only tiger claws, but even the extremely huge white flying tiger didn't even scream, but under Ye Chen's fist, it turned into blood mist!

I was stunned. On Di Jue Mountain, both the Human Race and the Demon Race were stunned by Ye Chen's punch!

That claw suppressed the Fengtian Demon Emperor, his cultivation was terrifying, and his body was Bai Xiefei, a white tiger with high bloodline and two wings. With a full blow, he was beaten into blood mist by Ye Chen with such a random punch?

Not even a trace of resistance!

Jin Tianyi's eyes trembled, and a smile appeared at the corner of his mouth.

Ye Chen, in the holy cave, stayed for nearly ten hours!

Groundbreaking!

Such an achievement can scare and tremble the super genius of the ancient monster race, right?

When Ye Chen walked out of the abyss and appeared in front of him, with the strong demon energy radiating from his whole body and the extreme deterrence brought by that bloodline, Jin Tianwu could not help but kneel down at Ye Chen.

Jin Tianou, who had the blood of Yanjin Crocodile Dragon, just knelt down.

At that moment, he seemed to see the legendary ancestor of ten thousand demons...

Demon!

That is the blood of the sky demon!

What kind of strength does Ye Chen possess at this time?

Jin Tianwu is beyond measure.

Even the blue emperor on the stone seat shrank his pupils, and the blue eyes were filled with sorrow!

Ye Chen's face was expressionless, his eyes swept across the countless monster races on the top of Di Jue Mountain. Those fierce and cruel monster races actually bowed their heads under Ye Chen's gaze, not daring to look at him!

Ye Chen said coldly: "Those who insult my human race, die!"

These six words broke the dead silence on the peak of Dijue Mountain!

Countless human warriors uttered a loud roar of incomparable excitement, and the blood was about to boil over!

These short six words have allowed them to regain the dignity of the human race!

This is the pride of their human race!

This is what they expect to see!

At this moment, the human warrior secretly swears that from now on, he will never doubt Ye Chen at all, and will never shake any more!

Otherwise, how can you be worthy of these six words?

How to be worthy, Ye Chen who said these six words!

Ye Chen looked towards Qingdi and said, "You, want to fight with me?"

At this time, the Qing Emperor slowly stood up, the original indifferent expression had already vanished, and turned into a chilling intent to fight!

He actually laughed!

He laughed very excitedly!

Qingdi has been invincible in all his life. He has never had an opponent who can make him feel exciting and dangerous. Such a battle will always be boring.

But at this moment, the man's figure reflected in those blue eyes, for the first time, made the Qing Emperor's heartbeat crazy speed!

The strongest celebrity in front of him gave him an extremely dangerous feeling, and even brought the shadow of death!

Is this terror?

Qingdi felt the strange emotion that shocked his nerves. For the first time in his life, he experienced the taste of fear.

The next moment, he suddenly let out a wild laugh. Only such a battle can be called a battle!

"Ye Chen, fight the emperor!"

The Azure Emperor roared wildly, and the powerful demon energy of the Heavenly God Realm shook the sky for half a step. The sky was changed. The originally clear sky was instantly filled with dark clouds, thunder and lightning, and squally wind roaring. To drown the whole world, a doomsday scene!

He moved into space, his body swelled rapidly, and blue scales exuding a chilly light appeared on the surface of his body, and each scale was the size of a human head!

If you look closely, you can find that there are countless dense cyan runes shining on the scales!

In an instant, the Qing Emperor had turned into a giant, a dragon that covered the sky and the earth, and his body was looming in the clouds and mist!

This is the essence of Qingdi, Canglong!

Ye Chen's eyes sank, the billowing dragon's might filled the world, countless monster races all bowed to the ground involuntarily facing the blue dragon figure!

The Azure Emperor's Longwei, I am afraid, is a hundred times greater than Jin Tian'g!

In the next moment, Ye Chen also moved his body and appeared in the sky. They all knew that if they were to fight on Dijue Mountain, the people of both clans would be killed and injured in the aftermath of their battle!

One person and one dragon, looking at each other at the end of the sky!

The air seems to freeze!

Suddenly, in the eyes of the Azure Emperor's dragon, the green light flashed, and people said: "Ye Chen, you are one of the opponents of the seventh kingdom of God recognized in this emperor's life, but don't let the emperor disappoint!"

Before Ye Chen appeared, Emperor Qing had never thought that after the fall of the Ye family, the seventh kingdom of God, except for Mo Xueming and Xuanyuan Moxie of Heavenly Dao Palace, the Human Race was such a terrifying race!

Ye Chen smiled faintly: "Then, I'll give you a present."

"The body of the sky demon, open it!"

The eyes of the Azure Emperor's dragon shook, and the human races and monster races on the Emperor Jue Mountain also showed horror!

At this moment, another terrifying demon gas erupted above the sky!

A demon energy that was even more terrifying than the Qing Emperor actually rose into the sky from Ye Chen's body!

how can that be?

How could there be humans with such terrifying demon power?

"Sky demon?"

In this demon energy, even the Azure Emperor, the dragon's body trembled slightly, with his blood, this could not happen at all!

Only the legendary sky demon would make him react like this!

At this time, Ye Chen's figure soared to three meters high, black hair turned into blood, and his body flowed runes like dragon scales. The muscles all over his body bulged and contained infinite power. In the eyes, blood was floating. !

On Ye Chen's face, a frantic smile appeared. In the state of the body of the demon, he felt that he could destroy the entire world with his gestures!

The key reincarnation bloodline is too overbearing and can be perfectly integrated with all bloodlines!

At this moment, Ye Chen's strength has increased by 30%!

Physical defense, doubled!

Reiki condensed level, doubled!

Recovery capacity, doubled!

In general Ye Chen's strength has almost directly doubled!

However, Ye Chen's breathing was hurried, and the spiritual energy in his body was also rapidly consumed in the state of the body of the sky demon!

Even with the surging of his spiritual energy, he couldn't maintain this state for too long. Now Ye Chen can only fight for half an hour in this state!

In this half hour, the winner will be determined!

Ye Chen flipped his wrist and held a dark long sword! Seven blood bursts all over his body, golden light flashed, and the blood burning tactic, the power of breaking the sky, etc., were used together!

At this time, the blue emperor also recovered from the horror. He let out a roar that shook the world, and a burst of blue thunder burst out from his body. This blue thunder suddenly condensed into a huge thunder with a diameter of thousands of meters. The ball, towards Ye Chen, bombarded away!

Chapter 2812: Body protector!

Face this earth-shattering thunderball!

Ye Chen took a deep breath, the meaning of true martial arts, surging out, lingering on the evil sword, **** runes, shaking the sky, with a fierce sword, slashed towards the thunderball!

In the sword light, the void was extinguished, and the endless darkness exuding death breath spread at the end of the sky. Even though they were separated by countless distances, the two clans on Di Jue Mountain still felt a strange feeling that the world was distorted by it!

They knew that this was because the law of martial arts was completely distorted in the attack of the two!

Countless cold lights, like the falling of a superstar, slashed towards the thunderball, and there was a loud bang, an extremely dazzling brilliance, blooming in the sky!

but!

Thunderball is not broken in the slightest!

Instead, it condenses into a Thunder Dragon phantom!

Toward Ye Chen!

"boom!"

Endless waves surging!

Ye Chen's body was stunned and flew out!

All the clothes on his body were turned into fragments.

Ye Chen inserted the evil sword on the ground, but forcibly drawn an abyss like a moat!

Shocking abyss!

"Ye Chen!"

Yu Zhenzi was a little excited, his palms were sweaty!

The same is true for many disciples of Shenjizong!

They are panicked!

If Ye Chen failed, the consequences would be disastrous!

This is definitely a devastating blow to the Seventh Kingdom of God!

"It's okay."

Ye Chen showed a smile, raised his head, and stared at the tall Qing Emperor.

Qingdi, very strong!

At least now he will never win easily!

But Ye Chen is absolutely not afraid!

The Qing Emperor looked at Ye Chen condescendingly, and said lightly: "This is your strongest strength, it's really disappointing."

"I admit that the body of the sky demon is very good, but you are a human race after all!"

"You are not eligible!"

"Now, the emperor makes you feel fear!"

In the next second, another cyan thunder spit out!

This time, countless ancient runes were entwined on the cyan thunder!

The violent evil spirit keeps overflowing!

Extremely scary!

Thunder even turned into a sword of heaven slaying!

Coming from above the sky!

Swallowed everything!

At this moment, Ye Chen seemed extremely small!

The earth trembles!

Ye Chen's eyes were extremely solemn!

Because he feels that his Ling Xiao martial arts is not enough!

Can not be shaken!

He looked at the reincarnation cemetery, the old man and the old crazy mind were dim! It's impossible to help yourself!

The only one who can help oneself is Lingtian Arrow God!

However, Ling Tian Jianshen dispelled Ye Chen's thoughts and said lightly: "The last time I shot for you, I haven't recovered."

"I still have things to do. I need to keep a part of my strength and cannot help you all the time."

"You can't rely on me."

"This is not good for your martial arts."

Ye Chen's eyes condensed, no longer talking nonsense, holding on to the evil sword!

"Six sword gods, six swords into one, I am a **** who cut all the heavens!"

A sword comes out, like a rebirth to rebuke anger, punishing sentient beings, the light is dazzling, the light of the sword falls like a cold star, and destroys the heavens!

As soon as the huge power that surged to an unmatched level came out, this monster race seemed to tremble, the space shattered, the gale neighed, and the horror was extreme!

The icy sword light collided with that fierce cyan thunder!

The sound of rolling thunder, spreading away, all the Chaos Warriors present were a little unbearable, and they retreated madly!

Dust splashes!

It took a few seconds to gradually disperse!

However, when everyone saw everything in front of them, they were shocked!

Because a young man holds a blood sword tightly and confronts the sword of thunder and slaying the sky!

Youth full of blood fog! The body is trembling!

On the verge of collapse!

Such a mighty power did not even let the young man kneel down!

The youth's eyes are still firm to the extreme!

This is not convinced!

The Qing Emperor was a little surprised: "You didn't even die? Let alone Slashing Evil Realm, even if you are a powerful person in the late Chaos stage, you should fall under this trick."

"Somewhat interesting."

In the next second, the sword of Zhu Tian carried a violent thunder and kept pressing down.

Obviously, Qingdi did not intend to let Ye Chen go.

No one noticed that Ye Chen was embarrassed, but he smiled!

At this moment, Ye Chen has activated the Lingfeng Divine Veins and Chichen Divine Veins to the extreme!

Chichen Divine Veins protect yourself!

And Lingfeng Divine Vessel is constantly absorbing energy!

It's almost activated!

Almost!

With the improvement of Ye Chen's realm, Lingfeng divine veins require more energy!

And the power of Qing Emperor activated Ling Feng's divine veins!

At this moment, Qingdi realized that something was wrong, because with such strength, Ye Chen hadn't died yet!

Moreover, he found that the blow he released had disappeared out of thin air!

"This....."

Before he could speak, he suddenly noticed that the human youth under the sword of Zhu Tian smiled!

The smile is terrible!

"Ling Feng, open!"

"Qingdi, pay you back!"

Suddenly, an angry shout broke the sky!

Ye Chen's breath broke out completely at this moment! Go straight into the sky!

He is surrounded by thunder!

Like the real monarch of Thunder Dao!

Like a true god!

The sword of Zhu Tian is completely destroyed!

Thousands of thunder in the body of a young man!

The youth soared into the sky and slashed towards the Qing Emperor with one sword!

The next moment, a dragon roar, exploded in everyone's ears, as if it were extremely painful!

The cyan dragon blood, turned into a rain of blood, swayed down, and filled the entire ten thousand monsters and gods!

Everyone's eyes shrank, and the Demon Emperor Qingdi was injured in this sword!

At this time, on the body of the Azure Emperor's huge dragon, a ray of light emerged, resisting the strongest blow of Lingfeng's divine vein!

Obviously a body protector!

After the light dissipated, a wound tens of meters long appeared on the Azure Emperor's body, tearing the incredibly hard cyan dragon scales with blood flowing. However, this seemingly hideous sword wound was for the giant of the Azure Emperor. , But it's nothing.

Moreover, the wound is still healing fast!

At this moment, a cloud of white mist swept across the Azure Emperor's head, suddenly solidified, a figure emerged from the white mist, holding a long sword, it was about to be cut down!

It is Ye Chen!

He knew that half of the power of Lingfeng's divine veins was blocked by the protection of the blue emperor so after cutting out with a sword, he actually used the atomization supernatural power, lurking on the top of the blue emperor, passing through the sky demon gas The enhancement of the atomization supernatural power has also been greatly improved!

But at this moment, the blue emperor's vertical pupil shrank, and the cold light flashed, and a huge dragon claw, at an extremely fast speed, grabbed it towards Ye Chen who had just condensed!

With a loud bang, this claw slammed on Ye Chen's body. Compared with the dragon claw that seemed to be able to tear the sky apart, Ye Chen's body looked extremely small. Under this claw, even if it was Ten thousand feet of mountains will be instantly shattered, right?

but! Such a terrifying claw did not defeat Ye Chen's body!

One can imagine how powerful Ye Chen's physical body is!

However, even with Ye Chen's intrepidity, he was instantly blown away by this claw, like a meteorite, falling from the sky, smashing into the ocean with extreme speed!

Chapter 2813: The anger of the blood dragon!

There was another loud noise, extremely horrifying, an incredible scene, appeared in front of everyone!

Under Ye Chen's smash, the entire sea area and the billowing water were shocked to the sky!

As if forming a white water curtain that connects to the sky, it is very spectacular!

The power of this blow is terrifying!

Under such great power, even the seawater will be as hard as the Kobelco made by 100 steels, right?

Millions of warriors of the human race have a tight heart. How is Ye Chen?

...

At the same time, the Nine Heavens Dragon Palace.

In an abyss full of prohibitions.

An extremely huge head, like a blood dragon lying in the sky!

The blood dragon is extremely ferocious and bloodthirsty!

His whole body is full of blood!

Not his blood!

But the blood of that extraterritorial dragon!

That extraterritorial magic dragon was swallowed half by the blood dragon!

Half flesh, half bones!

It's terrifying!

And after the blood dragon swallowed this out-of-domain magic dragon, great changes have taken place!

Not only breath! Not only body!

There are ancient runes flowing around the blood dragon! There is a magic in the longan!

Not only that, but even more terrifying is the realm of the blood dragon! It turned out to be in the middle of the Heavenly God Realm!

If you swallow this magic dragon, how terrifying the cultivation base would be!

It may even be higher! A more remote realm!

Who could have imagined that a blood dragon phantom born in the murderous intent of a young Chinese Jiangcheng would grow into such a giant existence!

Suddenly, the blood dragon stopped.

A voice that was familiar to Ye Chen sounded: "It turns out that this magic dragon has such a noble status outside the territory."

"His memory, all his martial arts are under my control."

"It's a pity that this magic dragon is too rubbish, and it didn't make the best use of what it was holding!"

"When I swallow it up, I will be born, I want to shock the world!"

"I want to tell the world that the Lord of Samsara who overwhelms everything is back!"

"When the time comes, kill me and want to kill! Kill me and want to kill! Looking at the sky, who dares to stop!"

"People outside the territory? God of the upper realm? Ancient Buddha? In my eyes, there is dust!"

"Only Ye Chen is the most dazzling star!"

After the blood dragon finished speaking, his eyes were ferocious, ready to continue devouring!

Suddenly, the ghost beast that contacted him and Ye Chen returned a trace of pictures!

It was the battle between Ye Chen and Qingdi!

Ye Chen was photographed by the blue emperor on the bottom of the sea, splashing huge waves!

At this moment, the entire abyss shook!

The blood dragon's anger turned the entire abyss into purgatory!

Dragons have reverse scales!

And Ye Chen is the inverse scale of the blood dragon!

"Monster? The emperor of the ancient monster?"

"It's just a humble ant!"

In an instant, the blood dragon closed its longan!

Void vibrations around!

...

At the same time, outside the domain.

Countless blood is flooded!

Bones, corpses, and dust abound.

And this is ten miles away, it's dead silence!

Those demon turned into blood mist and dust.

There is only one person standing in this desolate and lonely thing.

The man was dressed in a black robe, surrounded by endless demonic energy!

With both hands on his back, one shot and one sword were inserted on both sides.

There was blood dripping on his hands.

But the figure of Naha Juetian is the nightmare of the demon.

If Ye Chen were here, he would definitely recognize this person, then he would be the Devil Emperor Zhetian!

And at this moment, the Devil Emperor Zhetian has stepped into the realm of the gods!

And reached the incredible seven-layer heaven of the Heavenly God Realm!

Suddenly, the cold eyes of the Zhetian Devil Emperor condensed, his five fingers gripped, and the whole body's demon energy condensed into a monstrous sword!

Stabbed fiercely in one direction!

In the next moment, the demon who was about to attack the Devil Emperor was torn apart!

The Devil Emperor Zhetian sketched an indifferent smile, closed his eyes, and a bead emerged.

Then, the beads shone brightly, and they even absorbed all the devil around them!

In an instant, the devilish energy converged, and then the beads sank into his body.

"The moon ring vision of the Kingdom of God does not have much effect on me, but outside this domain is my real battlefield."

"If there is no Ye Chen, I am afraid I will not be able to break through the shackles."

"Xuanyuan Moxie's strength is stronger than before, and I don't know how much, and it's time to prepare the power to attack Heavenly Dao Palace."

"I don't know what happened to Ye Chen."

In the next second, he offered a piece of jade pendant and felt it slightly!

However, soon, his eyes opened!

The pupils overflowing with devilish energy flowed with Jiuyou anger!

"A wasteful dragon, dare to move the emperor who overrides everything!"

"dead!"

...

The screen turns.

The seventh **** country demon clan.

Everyone is nervous to the extreme! Countless pairs of eyes stared at the sea like this.

Waiting for a miracle!

And a piece of the seabed is full of blood.

Ye Chen's blood.

Ye Chen faintly fell into a coma, he had too many scars.

Ye Chen wanted to rush out of the water but found that it was impossible!

Suddenly, Ye Chen felt something!

He found the bottom of the sea, a cloud of demonic energy surrounding him!

And there was a burning sensation from his eyebrows!

Ye Chen opened his eyes!

"Devil's Eye!"

He felt that his injury was being repaired!

And the devilish energy of the whole body is overwhelming!

"This is the power of the Devil Emperor...how can it be..."

Ye Chen said in surprise.

At this moment, Ye Chen's eyebrows heard a voice full of breath!

"Ye Chen This azure dragon is in front of you, only for the worm!"

"I left a mark on the center of your eyebrows, these devilish energy are enough to kill this insect!"

This is the voice of the Devil Emperor!

Ye Chen's breathing was a little short: "Devil Emperor, where are you now?"

A voice came from the center of the eyebrows again: "I am outside the territory, and the moon ring vision disrupted my plan. I can only gather strength outside the territory."

"When the strength is enough, I will be able to set foot on the Heavenly Dao Palace together!"

"Good!" Ye Chen said loudly!

...

At this moment, a figure rushed out of the water curtain and returned to the sky. He was holding a long sword, and his breath was shocking to the sky. On his face, he was burning with a raging fighting spirit. What is even more strange is that there is a figure on his face. Old and deep eyes!

Like the eyes of a demon!

Not Ye Chen, who else?

After enduring that terrifying force, Ye Chen actually seemed to be fine!

how is this possible!

"Qingdi, go to Huangquan!"

A roar!

The heavens and the earth roared, the sound of explosions were endless, the blue thunder flashed, the sword glow rushed, this person and a dragon would almost break the demon clan!

In a blink of an eye, Ye Chen and Qingdi fought thousands of times!

At this moment, Ye Chen was panting slightly, his body was stained with blood, and on his chest, a huge hole was knocked out by the Azure Emperor's dragon claws!

However, this void is actually healing quickly!

Everyone didn't know how many times Ye Chen's body was penetrated! But every time, in a flash, it has been restored to this way!

Such a terrifying vitality is truly immortal!

And there are countless wounds on the body of Qingdi's ten thousand-foot dragon. The original sword wounds of tens of meters have been piled up and turned into huge wounds of hundreds of kilometers long. The scales of the dragon are shattered, and the flesh and blood is floating!

This 10,000-Zhang Qinglong was completely suppressed by Ye Chen, one person and one sword!

Chapter 2814: equality!

Suddenly, the blue emperor flashed all over his body, and his figure shrank rapidly!

When everyone saw this, they were all taken aback!

At this time, Qingdi turned into a human form!

The Qing emperor who turned into a human form, on the green robe, was already blood-red, and his body was covered with hideous wounds, but the war spirit in the eyes of the Qing emperor was more vigorous, almost, it was going to be turned into substance!

His blood was rushing, almost boiling, and his heart was beating wildly. Although he was extremely injured, the pain turned into excitement!

The shadow of death enveloped the whole body, fear tumbling in the nerves, and at the same time, it was frantically squeezing the potential of Qingdi!

The desire to overcome fear and cross death has turned into an indelible fighting spirit!

For the first time in his life, Qing Emperor felt the joy of fighting!

But at this moment, a long sword surrounded by blue thunder appeared in his hand!

All the monster races showed incredible expressions...

Qingdi, is it going to use martial arts!

Are you going to let go of the dignity of the Yaozu!

The blue emperor's body flashed with thunder, and a sword intent like a god-destroying thunder surged out. What kind of dignity of the monster race, what human tricks?

For the Qing Emperor at this time, they no longer exist! He hadn't considered these at all, and subconsciously held the sword in his hand!

His whole heart and soul was flooded with one thought, that is, defeat the opponent in front of him!

As long as the chance of defeating Ye Chen can be increased, even the slightest chance, Qing Di will never let it go!

"Ok?"

Ye Chen's pupils shrank, and a color of surprise flashed in his eyes. Invisible, he seemed to see a chain that broke.

Together, the chains that bound the Qing Emperor!

At the next moment, the Qing Emperor burst out with demon power, let out a wild roar, and cut his sword towards Ye Chen!

The cyan thunder raged, engulfing the sword intent of the turbulent waves, turning into a cyan thunder dragon, roaring towards Ye Chen!

The power of this sword is a peerless one, it is actually a thunderball that surpasses the Qing Emperor's talent and supernatural powers!

Under this sword of thunder, the passage of time seems to have become slow, Ye Chen's mouth raised a helpless smile, and said to the old man: "Such an opponent is the most terrifying."

Old Cang said solemnly: "Yes, in the midst of life and death, breaking through the shackles. Today's Azure Emperor is like a human being who took up weapons for survival in the primitive age..."

"He has evolved from a monster race to a warrior! Although this is not an improvement in blood, it is an evolution that transcends everything! That means unlimited possibilities!"

"You might die."

Ye Chen suddenly said, "I won't die."

"Because I have never been alone."

"I still have... the blood dragon phantom that started from Jiangcheng and stepped onto the kingdom of God with me!"

"Ling Xiao Wuyi, Blood Dragon Zhutian! Open!"

In the next moment, Ye Chen's whole body shattered!

The chaotic breath exploded!

A shocking dragon chant resounded in the shattered void!

As soon as Long Yin came out, all the monster races spit out blood!

Kneel down!

The picture is spectacular!

If it is said that the blood of the Qing Emperor has caused blood pressure on them!

Then the effect of this dragon chant on them is the despise of the monster race!

Wrath like a god!

Even if they kneel down, their souls are trembling!

Not only the demon clan, but all the strong clan guys also bow their heads!

Dare to watch a battle in the sky!

And the scene that everyone dared not watch, but shocked everything!

Because behind Ye Chen, there was actually a blood dragon phantom!

The breath of this blood dragon crushes everything!

It's a pity that it's not the main body coming. If the main body comes, the entire monster race of the seventh kingdom will inevitably turn into powder!

Qingdi's pupils are enlarged!

He stared at the phantom blood dragon, dumbfounded!

He even felt that the other party could kill himself with a single thought!

How could such a terrifying existence stand behind Ye Chen!

The key is that he actually saw a hint of surrender in the eyes of the blood dragon phantom!

How could such a heaven-defying guy surrender to a human race?

He knows that he has lost!

"Blood dragon, we will meet soon."

At this moment, Ye Chen clenched his evil sword tightly, and Long might circulated all over his body, killing intent skyrocketed, martial intent agitated, and a sword slashed towards the thunder dragon sword light. The sword light that surpassed the blue thunder ball was actually In an instant, it turned into shattering, surging sword glow, and instantly drowned the body of the Qing Emperor!

Although this sword light is strong, but from the perspective of Ye Chen's power to control the blood dragon at this moment, it is full of loopholes!

Ye Chen smiled faintly: "You shouldn't be my enemy."

"Not to challenge me."

"Because I am not alone."

The blood light flashes, the sword light penetrates into the bones, it is actually the power of the blue dragon demon body, and finally reached the limit...

As soon as the hand holding the sword loosened, the long sword fell, and the Qing Emperor's body shook for a while, and finally, accompanied by the long sword, fell from the sky.

His consciousness gradually blurred, in his mind, Ye Chen's sword, that blood dragon phantom, became more and more clear, deeply carved into the heart of Qingdi!

For the first time since ancient times, the Qing Emperor has a kind of enlightenment.

Extremely shocked, rolling in the heart of Qingdi!

"Is this Ye Chen's martial arts? Doing with the blood dragon?"

Is the blood dragon martial arts such a powerful existence?

He suddenly felt that he, who once despised martial arts, had become extremely small in front of Ye Chen's sword!

The corner of Qingdi's mouth raised a sneer of self-deprecating smile. He used to look down on human martial arts?

No wonder, you will lose yourself.

He was convinced that he lost.

Above Di Jue Mountain, there was a period of silence, and everyone's brains were blank at this moment!

Ye Chen, won?

Ye Chen, actually defeated the ancient demon emperor in this half-step Heavenly God Realm! ! !

The sky-shaking cheers erupted from Dijue Mountain and resounded through the sky!

That is the cheers of countless human races!

On the other hand, those monster races who were so arrogant and disdainful just now, one by one, their faces are gray and dejected, with their heads down, almost desperate...

Ye Chen, completely changed their view of humans!

With such a terrifying existence, where is the lower race?

What shocked them most was not even Ye Chen's victory over Qingdi!

But at this moment, the thought of surrendering Ye Chen was involuntarily born in their hearts!

They have all been subdued by Ye Chen's strength!

Ye Chen's figure flashed, carrying the seriously injured and unconscious Blue Emperor in his hand, and returned to the top of Dijue Mountain. As soon as Ye Chen landed on the ground, the tens of thousands

of monster races actually roared, and they all bowed to Ye Chen in unison. Then, they shouted in unison: "I'm waiting, and I hope Master Ye is the king!"

They knew that from now on, the Yaozu might really become the slave of the Human Race, but the Yaozu believed in the strong, and since they regarded Ye Chen as the king, they accepted the fate of being a slave.

Chapter 2815: Swire heritage! Double pupil nightmare!

Ye Chen's strength has completely shattered the pride of the demons.

Ye Chen put down the Azure Emperor and looked down at the kneeling demons. After a moment of silence, he spoke lightly: "From now on, the two races of demons will be equal to each other!"

Ye Chen knew that the catastrophe of world extinction was approaching, and only the two clans could survive this catastrophe. If any clan, with an arrogant attitude, would use other clan as slaves and cannon fodder, it would be himself !

The thousands of monster races were taken aback when they heard the words, and then, incredible colors appeared in their eyes!

Are each other equal?

Ye Chen actually gave them equal rights!

You know, they want to conquer mankind!

Ye Chen, even repaying grievances with virtue!

The eyes of countless monsters were filled with tears. This time, they really took it, and they took it from the bottom of their hearts!

Ye Chen, the strongest human race, will always be the emperor of their monster race!

...

In the dark sea, a strange figure hides in the dark depths.

"whispering sound!"

This figure suddenly smashed his mouth with extreme dissatisfaction, and opened a pair of deep purple eyes: "Emperor Qing was defeated? Humph, if I knew this, he shouldn't be unlocked."

Suddenly, he let out a sneer and said: "Haha, Ye Chen, it seems that the deity still underestimates you, but soon, the deity will give you a big gift again."

As soon as the voice fell, those purple eyes slowly closed, and that strange figure was completely integrated into the darkness of the deep sea, as if it were the darkness itself.

The bottom of the sea fell into silence again.

...

The battle of Emperor Jueshan completely calmed down.

Shenjizong returned with many human races.

The Yaozu of the Seventh Kingdom still guards this place.

Although, Ye Chen told everyone that the two clans were peaceful.

But these monster races of the seventh kingdom have silently believed in Ye Chen as their king!

After all, Yaozu is a nation that advocates force.

In their opinion, Ye Chen has this qualification.

Of course, some people have also wondered how a young man in the middle of the Evil Slashing Realm, who is more than 20 years old, can shake the Azure Emperor in the half-step Heaven God Realm!

And, at the beginning, Ye Chen clearly lost completely!

The injury is extremely serious!

Why did it suddenly break out!

It doesn't seem to belong to his power!

Of course, these doubts will eventually become the eternal mystery of the Monster Race of the Seventh Kingdom!

...

At the same moment, Ye Chen did not leave. He just told Yu Zhenzi and the others that he wanted to see the scenery here.

Although Yu Mako was suspicious, he didn't ask much.

At this time, Ye Chen had already come to a cave.

The cave is covered by dense vegetation.

It is extremely difficult to find.

But Ye Chen didn't come here alone, there was Xiao Huang beside him.

"Xiao Huang, are you sure it is here?" Ye Chen asked in surprise.

Xiao Huang nodded, his red and blue eyes became more and more weird.

"I'm sure, let's go in and take a look."

"it is good."

Ye Chen didn't want to talk nonsense either, the evil sword was sacrificed, and he cut directly, and the covered vegetation cut a trace.

"Ok?"

Ye Chen's eyes were serious, and his strength just now was enough to make a huge hole!

But it only broke so much!

It seems this place is really weird.

Ye Chen shook his five fingers, and the evil sword clenched tightly, one sword after another!

It wasn't until the thirty-seventh sword that everything was broken!

Moreover, Ye Chen also discovered that this vegetation is extremely strange, not like the vegetation of the Kingdom of God at all.

"Let's go, Xiao Huang."

Ye Chen looked at the gloomy cave and stepped directly into it!

Dark cover!

Ye Chen and Xiao Huang discovered that there were a thousand steps!

But this step is not up, but to the ground!

Even if Ye Chen used Extreme Martial God Flash to arrive quickly, he could only walk step by step!

There seems to be some kind of restraint.

It took a full half an hour.

Ye Chen and Xiao Huang only arrived underground.

What surprised Ye Chen was that the ground was so vast!

The most striking thing is a stone pillar in the center!

Ten kinds of monster statues are placed around the stone pillars.

There are blue dragons, basalts, white tigers, phoenixes, and many rare monster statues.

"Master, these statues are the core of the formation."

"There is a certain power in that stone pillar."

In the next moment, Xiao Huang's eyes constricted, and he rushed towards the stone pillar abruptly!

When Xiao Huang approached the stone pillar, ten statues flashed flames!

These flames are no less than Shenhuo!

"You finally came?"

Suddenly, there was a sound from the silent ground!

Ye Chen was very familiar with this voice!

It is Xiao Ling!

"Senior, is that you?" Ye Chen said.

In the next moment, the ten flames separated a trace, all rushing towards the stone pillar! Gathered into a human form.

Amazingly, Xiao Ling, one of the mighty powers of the reincarnation cemetery!

Ye Chen hurriedly bowed his hand: "Ye Chen has seen seniors! If you hadn't made the move, I might have fallen under the Heavenly Dao Palace."

An arc appeared at the corner of Xiao Ling's mouth: "How can your life fall so easily, everything is cause and effect."

After speaking, Xiao Ling came to Xiao Huang's body and stretched out his hand to stroke Xiao Huang.

And Xiao Huang obviously enjoys something too.

"It follows you, but has grown a lot."

"It only makes sense to follow you."

A faint voice sounded.

Ye Chen hesitated for a few seconds, then said: "Senior, do you know we will meet here?"

Xiao Ling nodded: "I knew from the beginning that in Kunlun Xu, when I used a part of my power to give Xiao Huang, I knew that we would meet here."

Ye Chen was startled, feeling some goose bumps on his back.

It's as if there is a pair of big hands pushing yourself!

Who are these big hands?

The maker of the reincarnation cemetery? Or the Lord of Reincarnation?

Xiao Ling let go of her hand stroking Xiao Huang, turned his back, and came to Shi Zhu: "Boy, do you know the source of Xiao Huang's strength?"

Ye Chen nodded: "Of course I know, the ancient lion and demon **** of war."

Xiao Ling turned around: "This answer is both right and wrong."

"The ancient lion demon war **** is just the name given to it by the warriors of the kingdom of God."

"Furthermore, it is not an ordinary ancient lion war god...In a sense, it is the ancestor of the ancient lion war god."

"The ancient lion and demon war gods that have been recorded in the Kingdom of God and the Lingwu Continent are not pure, but contain impurities...understand?"

"The things I gave to Xiao Huang in Kunlun Xu are not ordinary things, but the beginning of blood."

"And Xiao Huang, there is another name outside the domain."

Ye Chen glanced at Xiao Huang and said solemnly: "What?"

Xiao Ling looked at Xiao Huang, with a slightly vicissitudes of voice slowly falling: "Outside the Territory and Upper Realm, it is known as one of the Primordial Relics, and the world calls him a nightmare with double pupils."

Ye Chen was stunned!

Xiao Huang was also stunned!

The red and blue pupils are shining strangely!

It's like forming a picture of Tai Chi!

At this moment, it seems to have ownership!

Chapter 2816: The beginning of blood

Boy, what do you think is the most powerful thing about it? "

Xiao Ling looked at Xiao Huang and asked Ye Chen.

Ye Chen shook his head, Xiao Huang after breaking his shell, the most powerful thing seemed to be the swallowing formation.

He can't be sure now.

I even thought that Xiao Huang would be very strong after breaking the shell, but there was still a gap between him and his heart.

"Formation?"

Ye Chen said uncertainly.

Xiao Ling smiled, and said: "Ye Chen, you still don't understand what the ancient relics represent."

"The Devouring Array is just an attachment to the Nightmare with Double Eyes."

"Double-pupil nightmare, the most terrifying thing is the double-pupil! Its double-pupil can directly hit any soul and body! It is the nightmare of countless gods and warriors!"

WINK to \$1: Secure Your Spot Now!

"It's a pity that there should have been three drops at the beginning of the bloodline, but Xiao Huang has only one drop."

"If you find the remaining two drops, you can activate Xiao Huang's double pupil nightmare."

Ye Chen was a little puzzled: "Then senior, are you the body of the Double-pupil Nightmare?"

Xiao Ling shook his head: "I wanted to keep hiding from you, but tens of thousands of years ago, you told me that if your next life arrives here, you can tell everything."

Ye Chen's pupils dilated!

Could it be that Xiao Huang's change did not actually come from Xiao Ling, but from the Lord of Samsara!

Xiao Ling continued: "Actually, my appearance in the reincarnation cemetery has a special significance. It is to plant the arrangement of the Lord of Reincarnation at a critical moment. There are a few others like me."

"The entire reincarnation cemetery requires these people."

"As for the reason, I only know part of it. You were too powerful in your last life... and your layout ability far exceeds everything."

Ye Chen calmed down and continued: "I was in my last life, what else did I explain."

Xiao Ling looked at Shi Zhu and continued: "There is one more thing."

"Until you are not strong enough, don't investigate the cause of your fall."

Ye Chen's eyes surged with anger: "I already know the reason, a woman, a sword, right?"

This time, it was Xiao Ling's turn to have an accident. He hesitated for a few seconds and continued: "This woman is a little special."

"At least, you are not eligible to reach this person right now."

"As for her strength... you better don't know."

"It's not just you who died under that man's sword."

"Even Qu Chenyan died because of her..."

"But I think you in your previous life should have expected this scene."

"It's just that I don't understand why you still do this."

"Fine, you will know later."

"I'm a little curious, what kind of expression would that person look like if I saw you in this life..."

Ye Chen wanted to keep asking something, but Xiao Ling waved his hand and said to Ye Chen: "You can't say more."

"It's not good for you."

"Leave the double pupil nightmare, you can leave."

"In the last life, the double pupil nightmare was by your side at the last moment of life."

"I hope it will have a good place in this life."

"These ten fires are part of the original power of the Double-Pupil Nightmare, which can restore some state."

"As for returning to the peak state of the double-pupil nightmare, I'm afraid it's time to find the remaining two drops of blood."

Ye Chen's eyes condensed: "Do you know where the two remaining drops of blood began?"

Xiao Ling didn't answer, an invisible force pushed Ye Chen away!

Ye Chen has come outside!

"One should be in the first kingdom of God or outside the territory, and one might be in the hands of that woman, I'm not sure."

"You go, when Xiao Huang has absorbed the power of these ten fire seeds, he will come to you."

Ye Chen digested the voice in his mind, and then moved towards the direction of Shenjizong!

There is still a bit of dark wounds on his body, and the sentiment of World War I, he must go back to digest and recover quickly!

...

Three days later.

Shenjizong.

Ye Chen in the secret room slowly opened his eyes, his eyes filled with light.

A smile appeared on his face, and the injuries caused by the battle with Qingdi were now completely recovered.

He suddenly raised his hand, and an ice coffin appeared in front of him.

This is what he obtained when he returned to the kingdom of extreme evil not long ago.

And lying in the ice coffin was Long Jingyan.

Ye Chen stared at Long Jingyan's beautiful face, and couldn't help but recall the various moments when the two met, and a smile was raised at the corner of his mouth.

He still remembered that when the two met for the first time, it was life and death, but in an accident, he punched Long Jingyan's clothes to shreds, feasting his eyes...

He stood up abruptly, facing the woman in the ice coffin, and said solemnly: "Long Jingyan, no matter what you did to save me, I, Ye Chen, will definitely let you open your eyes!"

At this moment, a flash of light shot into the Divine Extreme Sect, Ye Chen's soul moved and he sensed the familiar breath.

A touch of joy floated on his face, and with a wave of his hand, he put away the ice coffin, and his figure flickered before disappearing from the secret room.

Tu Lanxin is finally back!

When they went to Dijue Mountain, Tu Lanxin happened to be attending the conferences of the major divine kingdoms.

To rescue Long Jingyan, you must enter the First Kingdom of God and find the Long Family!

Even Ye Chen didn't know the way to enter the First Divine Kingdom, but Tu Lanxin, as the guardian, should know it.

Ye Chen's figure flashed before he appeared in front of Tu Lanxin, but when he saw the expression of Tu Lanxin's expression, he frowned.

At this time, Tu Lanxin's pretty face was full of Shen Ning!

Ye Chen asked, "Fairy Tu, what's wrong?"

Tu Lanxin saw Ye Chen, and a glimmer of joy flashed in her beautiful eyes: "Ye Chen, I am about to find you, this time the God Kingdom meeting, we have received bad news... After the guardians of the major **** countries According to the investigation, each divine kingdom has signs of being invaded by the demons!

The most important thing is that this demon does not come from a demon outside the domain, but from our seventh kingdom of God! "

"What?" Ye Chen's pupils shrank. Could it be that the Demon Soul had already invaded other kingdoms?

Tu Lanxin continued: "According to our investigation, this demon should now be in the first kingdom of God. Therefore, the first kingdom of God invites the strongest from each kingdom to go to the first kingdom of God to jointly destroy the invading demon! "

A **** who has mastered the method of traveling between different kingdoms is definitely the seven kingdoms, the common enemy!

It is understandable that the First Kingdom of God requires all the kingdoms of God to work together.

Ye Chen's eyes lit up, so he just had the opportunity to enter the first kingdom of God!

But he was thinking, what about Xiao Huang from Emperor Jueshan?

If it finishes refining ten fire seeds, will it come to itself?

...

Three days later, Ye Chen and Tu Lanxin came to an extremely remote island. According to Tu Lanxin, in order to enter other kingdoms of God, one must first go to a transit station controlled by the alliance of the gods of various countries. The island is the entrance of the transfer station.

At this time, Tu Lanxin flashed green lights all over her body, and shot a green light towards a stone monument in front of her.

Chapter 2817: Step into the first kingdom of God!

While the green light flashed, on the stone stele, countless inscriptions shined brightly, and a space gap opened in front of the two!

Ye Chen and Tu Lanxin looked at each other, and when they moved, they entered the rift.

Soon, Ye Chen came to an unfamiliar land, which looked rather deserted. At this moment, a smiling young man in a black and white robe was standing beside them. before.

The young man obviously knew Tu Lanxin, and when he saw Tu Lanxin and Ye Chen appear, he smiled and said, "Fairy Tu, is this Master Ye?"

Tu Lanxin nodded and introduced to Ye Chen: "Ye Chen, this is the messenger of the First Kingdom of God, his name is Song Jinyi."

Among the seven kingdoms of God, the League of Gods has penetrated into them.

However, in theory, the seven kingdoms of God are actually in charge of the Heavenly Dao Palace.

It's just that the Heavenly Way and the Kingdom of God rarely intervene in the matter of the First Kingdom.

Probably because of things in the ancient times, or because Xuanyuan Moxie was afraid of the first kingdom where the Ye family once lived.

Ye Chen arched his hands towards Song Jinyi.

At this moment, Ye Chen's expression moved, and in a vague way, the power of the soul, if there was no such thing, swept through Ye Chen's body, if it weren't for the body of mind, the soul was extremely powerful, and could not be found.

He couldn't help but glanced at Song Jinyi. It seems that the League of God arranged Song Jinyi to receive here to prevent people from mixing into the first kingdom of God, and this young man named Song Jinyi, although, is only in the middle stage of Chaos. The cultivation base, the strength of its soul, is not at all below the chaotic peak powerhouse of the seventh kingdom!

It seems that the martial arts of the First Kingdom is really extraordinary!

Song Jinyi was slightly startled, but soon he calmed down, and reached out his hand to lead behind him: "Two, please come with me."

The three of them walked all the way, and soon they came to a huge arch. Inside the arch, there was a golden whirlpool, exuding a strong spatial force!

Ye Chen's eyes lit up, and the arch must be the entrance to the First Kingdom of God.

At this time, Song Jinyi took out two jade plaques with golden runes and handed them to Ye Chen and Tu Lan, saying, "You two, I am very grateful for coming to help me this time to kill the demons in the first kingdom of God. The card is a token of my **** alliance. I am waiting to find the trace of the demon that day. Once I find something, I will use this jade card to notify the two.

Passing through this arch, the two will directly enter the headquarters of the Shenmeng. For the specific arrangements, the person at the headquarters will inform the two. When nothing happens, the two can explore and move freely in the first God's country. This jade medal, Tiansuan Pavilion, all major chambers of commerce, are universal, if you have any needs, you can use them at will. "

Tu Lanxin and Ye Chen arched their hands towards Song Jinyi, "Thank you."

After that, the two moved into the golden arch.

After a while, the sound of noise rang in his ears, Ye Chen's expression moved, and he saw that they were standing in a formation at this time, and there were several powerful auras standing around them, wearing black and white robes. The person who served was the warrior of the first **** kingdom.

An old man came up and smiled and said: "It's Tu Xianzi and Ye Gongzi of the seventh kingdom of God. Here is the headquarters of our alliance in the first kingdom of God, located in the holy yuan city of the first kingdom. A place has been arranged for the two of you, please come with me."

After the two of them entered an extremely beautiful courtyard, Ye Chen said to Tu Lanxin:

"Lan Xin, I have something to deal with in the First Kingdom of God. This mission arranged by the Alliance of God, I have to trouble you to deal with it first." After all, until the demon soul is found, it is just a few trivial tasks. He wanted to rescue Long Jingyan as soon as possible, and couldn't waste time on this.

Tu Lanxin nodded and said, "I know, but the martial arts of the first kingdom is far stronger than that of the seventh kingdom. Even you may encounter danger. Be careful!"

Ye Chen smiled slightly, nodded, his figure flashed, and he left the courtyard.

Seven days later, Tianhui City, the first kingdom of God.

A man with an indifferent expression was walking on the street. According to the information he got in Tiansuan Pavilion, this is where the Long's family is.

There are many dragon families in the first kingdom of God, but, related to the power of the shaman, there is only this Radiant City Dragon Family.

However, what made Ye Chen a little surprised was that the Dragon Family of Radiant City, in the First Divine Kingdom, was not a first-class power. In Radiant City, it could only be regarded as a small family.

When Ye Chen passed a restaurant, suddenly, his expression changed. At this time, there was a noise in the restaurant.

Ye Chen moved into the second floor of the restaurant.

Just entering the second floor, a burst of laughter reached his ears.

At this moment, a young man lowered his head slightly and stood in front of several young elder brothers in brocade robe. Looking at his expression, he was extremely nervous, and his whole body couldn't help shaking slightly.

Among those young men in brocade robe, the only man with a handsome face and elegant temperament sitting on a chair, at this moment, looked at the young man in front of him with a hideous face and said:

"Boy, didn't you tell my son, did you hand over all the **** marbles to my son? Why, now there is still money to eat in this restaurant? So, you are lying to my son?"

The boy's shoulders trembled, and he quickly defended: "It's not like that, Young Master Wu, it's... it's a family member, who ordered me to buy some wine and food. I have really handed in all the martial arts resources allocated by the family this month. Here you are..."

A short fat man standing next to Wu Gongzi heard the words and couldn't help but laughed and said, "Hahahaha, Long Xiao, are you also a collateral child of the Long family? Unexpectedly, you were sent out to buy wine and vegetables to do this What do people do?"

Another horse-faced man played with Yu Pei on his hand and said, "But This is also in line with the strength of this kid, after all, he is a waste!"

Everyone laughed again.

And the man sitting on the chair, playing with the wine glass in his hand, stared at the young man named Long Xiao coldly and said: "When my son is drinking, it is really unappetizing to see you this waste, you said, How can I compensate this son?"

Upon seeing this, some diners around the second floor shook their heads and looked at Long Xiao with pity.

One of the young men in blue robes sighed, "Hey, this Long Xiao is really unlucky. He was targeted by the second son of the Wu family. I'm afraid he will be played alive."

At this time, behind the blue-robed youth, a man's voice sounded: "Brother, what is going on, can you tell me?"

The blue-robed man turned his head and saw a young man with a rather indifferent expression standing behind him, it was Ye Chen.

Chapter 2818: Body of Seal!

The blue-robed man looked at Ye Chen for a while, and said, "You are not a local, the young man with the wine glass, named Wu Liuyuan, is the second son of the Wu family from the first family of Radiant City. Relying on family power, in Tianhui City, quite domineering!"

"The young man is a collateral child of the Long Family, named Long Xiao. It is a pity to talk about this Long Xiao."

"What a pity?" Ye Chen's eyes flickered slightly: "What a pity?"

The blue-robed young man said: "Long Xiao, was originally the first genius of our Tianhui City! There are even rumors that he was favored by the Xuanjian Sect, whom countless people yearn for. Stabilized by Wu Liuyuan.

It's a pity that there was an accident during cultivation, and Long Xiao's cultivation level could no longer grow, and since then genius has become a waste material! "

"That Xuan Jianzong also completely abandoned him. Even the Long Family regarded him as a subordinate existence. Because Wu Liuyuan had been overwhelmed by Long Xiao for a long time, he was extremely hated in his heart. Now Long Xiao became waste and lost the shelter of Xuan Jianzong.

Wu Liuyuan unscrupulously began to retaliate against Long Xiao, even though Long Xiao tolerated in every possible way, Wu Liuyuan became more and more fierce. "

Ye Chen nodded, and looked towards Long Xiao. This young man had a beautiful appearance and was somewhat similar to Long Jingyan. The most important thing was the breath on his body!

This young man named Long Xiao also seems to have the body of Sealing Sha!

At this moment, Wu Liuyuan smiled suddenly and poured the wine in the glass under his feet, pretending to be surprised: "Oh, accidentally spilled, Long Xiao, if you lick the wine on the ground, there will be no drop left. If so, my son, forgive you for disturbing my drinking today, how about?"

When the diners on the second floor heard this, their expressions changed.

This Wu Liuyuan is too much...

Long Xiao, he was also the first genius in the Radiant City anyway, so he asked him to lick the wine on the ground?

Is that something only dogs can do?

If Long Xiao really does this, let alone the dignity of a martial artist, even the dignity of being a human will be lost!

Long Xiao's delicate face is full of pale colors, cold sweat is flowing, and his pupils are no longer able to focus, and his eyes are full of fear!

Now, what should I do?

If Wu Liuyuan really did something to himself, no one would ever bother if he killed him, right?

Is it really necessary to give up even the dignity of being a person?

Long Xiao slammed his head down, clenched his fists, his nails embedded in his palms!

The short chubby man yelled sharply: "Trash, are you **** deaf? Young Master Wu gives you a chance to lick the wine, don't you know how to cherish it?"

The man with a horse face also grinned and said, "Master Wu, if this kid doesn't know what's good or bad, how about letting me interrupt his limbs and let him learn a lesson?"

Wu Liuyuan looked at Long Xiao playfully, a flash of pleasure flashed in his eyes, and sneered:

"Hehe, maybe, this is the pride of a once genius? I'm so scared that I'm shaking all over, or I don't want to lick it? My son's patience is limited, Chen Biao, sloppy, if I count to three, this kid, still if you didn't lick the wine on the ground, cut off his arm!"

Long Xiao, haven't you been stepping on this young man's head? When you are beautiful, have you ever thought that you will have today?

The horse-faced man and the short chubby young man smiled sullenly when they heard this, flipped their wrists, each holding a long sword!

When Long Xiao heard this, he suddenly raised his head, stared at Wu Liuyuan with a cruel look, and shouted, "Wu Liuyuan, you are just a waste of me stepping on and growing up. Now I think I have lost my talent and will retaliate. ?

Haha, your best, kill me now! I, Long Xiao, tell you, as long as I don't die, one day I will be able to restore my talent. At that time, I will return the humiliation I have suffered today, thousands of times! "

On the second floor of the restaurant, there was a moment of silence!

All the diners looked at Long Xiao with shocked faces. They didn't expect that since the destruction of their talents, Long Xiao, who seemed to have become extremely weak, broke out at this time!

Still directly insulting Wu Liuyuan?

Although everyone admired Long Xiao's pride, they couldn't help but sigh in their hearts...

Pride is pride, but it is a pity that this moment of pride will make Long Xiao pay the price of his life!

When Wu Liuyuan heard this, his face was furious! Spiritual power surging throughout the body, on the verge of explosion!

He Wu Liuyuan is now the number one genius in Radiant City! In front of so many people, I was bitten by this stray dog-like waste!

Moreover, he also mentioned the most taboo thing in his heart!

How can this make him bear!

In his eyes, an incomparable spiteful color flashed, and he said in a cold voice: "Kill you? A cheap dog, offended my son, thinking that with your dog's life, you can atone

Long Xiao, don't worry, this son will never let you die so easily! "

After all, Wu Liuyuan's breath rose to the sky, and the sloppy faces and Chen Biao standing beside him changed their complexions and took several steps back!

Just the breath that Wu Liuyuan exploded, they couldn't bear it!

It seemed that Wu Liuyuan, at a young age, was already a half-step chaos realm warrior under the moon ring vision!

Under the impact of that breath, Long Xiao suddenly spit out a mouthful of blood, backing frantically.

Wu Liuyuan sneered, burst out his fist, roaring spiritual power, and blasted towards Long Xiao with a fierce punch!

With a punch, everyone in the restaurant was horrified!

This punch, the power contained in it, must exceed the ultimate realm! The horror is the burst of thinking!

Long Xiao is just a Heavenly Martial Artist of the Evil Slashing Realm. If this fist hits, even if he doesn't die, his bones will be shattered, right?

Moreover, listening to Wu Liuyuan's meaning, abolishing Long Xiao is just the beginning!

After that, I am afraid there will be torture that is cruel to unimaginable, waiting for Long Xiao, right?

At this time, Long Xiao, let alone dodge, under that fist, his body was stiff, even if he moved, he couldn't move!

At this moment, a figure flashed abruptly, blocking Long Xiao's body.

This person is indeed Ye Chen!

Just when this punch was about to hit Long Xiao's body, a figure suddenly flashed and stood in between the two!

Wu Liuyuan's expression changed. What's the matter with this person? Is he going to die?

His eyes sank, and a sharp look flashed suddenly, and he could see the person in front of him clearly, but he was just a martial artist in the Evil Slayer!

Since you suddenly ran out to find death, then this son will fulfill you!

Not only did Wu Liuyuan didn't have the slightest intention to close his fists, but his spiritual power turned, his fist intent became more intense, and he smashed at Ye Chen!

When everyone on the second floor of the restaurant saw this, they all looked incredible!

Is this kid crazy?

Do you want to stand up for Long Xiao?

Even if you want to help others get ahead, you have to weigh yourself whether you have that strength!

A Slashing Evil Realm exists, dare to stop Wu Liuyuan?

...

...

at the same time.

The seventh kingdom of God, the Nalan family.

The former Nalan family was just a small family in the Seventh Kingdom!

But at this moment, it has become a second-class force in the Kingdom of God!

Just because a genius girl has emerged here, named Ji Siqing!

Ji Siqing was brought here by Xia Lingqiu and became a maid in the family!

Being left out!

However, gold always shines!

Ji Siqing's amazing talent has conquered everyone step by step!

Even the patriarch of the Nalan family made her exceptionally qualified to participate in the trials!

This is what Ji Siqing is today!

At this moment, Ji Siqing and Qu Xueyong stood outside the door of the Nalan family, but did not enter.

Qu Xueyong was a little confused: "Ancestor, what are you doing in a place like this? If you want to deal with it, I can send someone to do it myself!"

"Now Let's go to the First Kingdom of God to investigate that matter."

Under the veil, Ji Siqing couldn't see the expression, and said lightly: "No hurry, I have some grievances to deal with before going to the first kingdom of God."

Qu Xueyong thought of something and asked, "Is it Xia Lingqiu who brought you here?"

Ji Siqing nodded.

Qu Xueyong's face became more and more weird: "Now you can kill this person with a single thought. What's more, this kind of ant doesn't need you to do it yourself."

Ji Siqing walked towards the Nalan family and said as he walked: "I have something to ask Xia Lingqiu."

"There are no small secrets behind her reincarnation star stone."

"It should be related to that."

Chapter 2819: Xia Lingqiu's Secret

Qu Xueyong's expression became serious when he heard the four characters of reincarnation, star and stone.

As the master of the composer, although the composer does not have ancient power, he is not daring to provoke the general first power.

He controls more information than the heads of many first-class forces.

It seems that the ancestors here are indeed not simply revenge.

"Let's go."

Ji Siqing under the veil walked towards the Nalan family.

Soon, on the main hall of the Nalan family, the Patriarch, the elders, and even the retreat Taishang elders also awakened.

Everyone knows very well what Ji Siqing's return means to them!

Rise!

Ji Siqing sat on the main hall, drinking tea, his expression indifferent.

And beside her stood Qu Xueyong who revealed a trace of coercion.

The patriarch of the Nalan family stood at the bottom, looking nervous, and said: "Miss Ji, although you have been away from the Nalan family for some time, we have been thinking about you."

Ji Siqing took a sip of tea and said lightly: "I understand."

Patriarch Nalan was speechless for a while, after all, he knew very well that he and the girl in front of him were not of the same level!

Even the Supreme Elder of the Nalan family is not qualified to be on an equal footing with this girl!

The silence of the main hall made him feel depressed and speechless!

Suddenly, Patriarch Nalan thought of something. He barely squeezed out a smile and said to Ji Siqing: "Miss Ji, our Nalan family prepared a gift for you."

Ji Siqing looked calmly: "Oh? What?"

"Bring it up!"

Patriarch Nalan humiliated the people around him!

Soon, a woman entangled in chains appeared above the hall!

This person is no one else!

It is Xia Lingqiu!

As the head of the clan, Patriarch Nalan naturally knew the best way to please Ji Siqing!

Before Xia Lingqiu made things difficult for Ji Siqing in the Nalan family, now Ji Siqing is back! Sending Xia Lingqiu is more important than anything!

But at this moment, Ji Siqing is already flat.

As if not caring.

Patriarch Nalan was quite acquainted, got up and headed outside!

Soon, only Ji Siqing and Xia Lingqiu were left in the entire hall!

Even Qu Xueyong guarded the outside and set up a formation so that the inside would not be disturbed.

In the main hall.

With a light movement of Ji Siqing's slender hands, the veil disappeared, revealing a beautiful face.

Her star-like eyes didn't glance at Xia Lingqiu.

But Xia Lingqiu was shaking!

When Ji Siqing rose, she was ready to escape from the Nalan family!

Unexpectedly, he would be directly trapped by many powerful Nalan family!

It is even more locked in a prison!

It's not until today that we see the sun again!

Unexpectedly, he was given as a gift to this former disciple!

What a shame!

Xia Lingqiu's eyes were filled with anger and complex emotions, and she spoke for a long time: "Ji Siqing, you are out of the ego imperial palace!"

"Without me, without aura, there would be no today for you!"

"do you understand!"

"Do you want to deceive your master and destroy your ancestor today?"

"You will have retribution."

Ji Siqing put down the tea cup slowly: "The tea is good."

At this moment, Xia Lingqiu became more and more angry, almost roaring: "Ji Siqing! You bitch! I knew this would be the result, I should have killed you in Lingwu Continent!"

"Burning your soul makes you want to die!"

"You bitch!"

However, before the words were finished, a crisp applause sounded!

A hot and shocking handprint appeared on Xia Lingqiu's cheek.

And in front of her stood a beautiful girl.

"Xia Lingqiu, if I say, from the beginning, you are destined to be unable to kill me."

"Do you believe?"

Xia Lingqiu's eyes widened: "You're just an ant from a small place. You really thought that you flew on a branch and became a phoenix? Your bloodline, everything about you, is an ant!"

A smile appeared under Ji Siqing's red lips.

Very beautiful.

"Xia Lingqiu, you are right about one thing, you and I do not belong to the same world."

"You do not belong to the Kingdom of God, you belong to the Lingwu Continent."

"And I, my last life grew up in the kingdom of God."

"Even, the Kingdom of God still has a lot of my legends."

"Oh, by the way, I forgot to tell you, I still have a name, I am Qu Chenyan."

As soon as he said this, Xia Lingqiu's eyes widened!

Her body stepped back subconsciously!

Of course she believes it!

There are only two explanations for such a powerful existence of Gods and Souls, or it is being taken away by the strong!

Either reincarnation!

Looking at Ji Siqing's various performances, the latter is obviously the most likely!

In an instant, everything is clear!

Suddenly, Xia Lingqiu's pupils kept expanding!

Qu Chenyan!

Isn't this a legendary figure in the seventh kingdom of God!

It is the belief in the hearts of countless girls in the Kingdom of God! The goddess of war on the road of martial arts!

Even when Xia Lingqiu learned everything about Qu Chenyan when he first stepped into the kingdom of God, his heart was shocked!

And at this moment, who would have thought that the legendary character turned out to be his former disciple!

"Impossible... impossible... you ant..."

Before Xia Lingqiu finished speaking, Ji Siqing slapped Xia Lingqiu's face again.

Then a faint voice sounded: "This slap is from Ruoxue."

"Snapped."

"This slap is from Ye Chen."

"Snapped."

"This slap is for those dead souls."

"Snapped."

"There is no reason for this slap."

After a few slaps, Xia Lingqiu's face was a little unrecognizable.

Ji Siqing took out a handkerchief, wiped his white hand, sat back in his position, and said, "Okay, let's get to the point."

"Where did you get the reincarnation star stone in the Lingxian Emperor's Palace?"

"Besides this thing, what else did you find."

"I want to be honest. If there is any concealment, there are a thousand ways I can torture you."

Xia Lingqiu's expression trembled, full of fear.

The next moment, her whole body burst and flood, and she chose to blow herself!

She knew that she could not leave alive today!

Then end everything with death!

However, when the spiritual power in the dantian was brewing to the extreme, an invisible force restrained her.

Her chains shattered.

She smiled, and just about to escape, she realized that she was imprisoned.

Not only that, she felt her soul burning!

This painful feeling made her hideous and tremble. She looked at Ji Siqing who was sitting fiercely, and knelt down in the next second!

"Miss Ji, I was wrong, please let me go!"

Ji Siqing's eyes were calm and still said: "Give me the answer I want."

Xia Lingqiu was startled, and immediately said: "I said, I said all!"

"At first, I accidentally entered a secret realm in Lingwu Continent, and there is a place in the secret realm that was left by the strong man from the Nalan family."

"This is the ancestor of the Nalan family. Based on the information left by this person, I found some clues."

"First of all, this person's true identity is just a subordinate."

"How can an ordinary servant have so many magic weapons?"

Chapter 2820: That woman

Also, the bones of her before death were kneeling. "

"Kneel before the reincarnation star stone."

"Not only that, the scene in that secret realm is weird, like a ritual."

"There are many doubts, many of the words I can't read clearly, and some ancient murals."

"I had a foreboding that there was definitely a great connection behind this incident, so I hand-painted all the murals and runes."

At this moment, Ji Siqing stood up: "Take it out."

"Yes, Miss Ji."

Xia Lingqiu dared not speak any nonsense, and took out a huge picture scroll from the storage ring.

Ji Siqing squeezed his hand, and the scroll unfolded, which was ten meters long!

On the scroll, there are ancient texts and a painting.

When Ji Siqing saw the content in the picture scroll, his mood was no longer calm.

An invisible anger burns in the entire hall! Like a raging flame!

Endless killing intent enveloped the whole house!

A ray of blood burst into the sky!

Faintly trying to break through the big formation arranged by Qu Xueyong outside.

Qu Xueyong's expression changed drastically, he glanced at the door in surprise, wondering what happened inside!

He has been following the ancestor for a long time!

I have never seen an ancestor with such a temper!

What did the ancestors see!

In the main hall, countless spiritual tools and furniture turned into powder!

How can Xia Lingqiu endure Ji Siqing's anger!

An invisible wave of air abruptly smashed her on the wall!

A mouthful of blood was spit out!

Almost made Xia Lingqiu unconscious!

When Xia Lingqiu opened his eyes with difficulty, only a phantom of the Valkyrie was suspended behind Ji Siqing.

Endless killing intent surging!

She panicked with a single eye.

She raised her head and looked at the screen!

The picture is just a woman.

The woman sits on a golden dragon-patterned spiritual chair. On both ends of the spiritual chair are statues of two fierce beasts!

The woman's eyes were cold, with the might of the world overwhelming, wearing a Qiluo gold dress, surrounded by divine light, like a female emperor controlling the stars, and like a empress dominating the world.

The woman's red lips are bright, exuding an extremely seductive and glamorous feeling, her skin is as white as fat, and her wrist is wearing a string of extremely strange bracelets.

On the bracelet, there are a little bit of starlight, and even waves of reincarnation glow.

The woman's face actually matched that of Ji Siqing!

Even in terms of temperament, each has its own merits!

Even if it is just a finger, it is also a wonderful existence.

The woman just sat, surrounded by golden light, the spirit beast wailed, and everyone bowed down!

.....

Suddenly, Ji Siqing offered a long sword in his hand, and when the long sword was turned, all the monstrous power shrouded him!

In an instant, through that scroll!

The whole picture was torn in half!

The face of the woman was completely destroyed!

Ji Siqing clenched her slender fingers, and said lightly: "In this life, we will meet."

"I will show you what despair is!"

No one knows where Ji Siqing's anger comes from!

But the only connection is this painting!

After doing all this, Ji Siqing's eyes fell on Xia Lingqiu's body, and said lightly: "You should still have something on your body, right."

Xia Lingqiu was startled, and immediately his eyes became dim, and his **** hand took out a piece of jade pendant.

There are extremely ancient lines on the jade pendant, which reveals mystery everywhere.

Ji Siqing shook his five fingers, and the jade pendant appeared in her hand: "I just missed this thing."

After doing all this, Ji Siqing walked towards the door.

The door opened, and Ji Siqing's figure disappeared from Xia Lingqiu's sight.

Xia Lingqiu was short of breath, could it be that she survived.

Although she knows that she can't get revenge in her life, as long as she survives, everything is possible!

She even plans to go back to that place again!

There may be unexpected gains!

The key is that she faintly knows the secret like a secret! If you sell the news that Ji Siqing is Qu Chenyan to someone who is interested...

Perhaps everything will be reversed!

She even has a chance to witness the fall of Ji Siqing!

...

Outside the main hall.

Ji Siqing has put on the veil.

Qu Xueyong walked over, leaned down and said respectfully: "Ancestor."

Ji Siqing stopped, and Binghan's voice came: "Go to the first kingdom of God."

"Before I go, I hope no one in the world knows the conversation just now."

Qu Xueyong was startled: "I understand."

When the words fell, Qu Xueyong walked towards the house.

Although he didn't bother to take action against Xia Lingqiu, since the ancestor had spoken this way, then even if the Lord of Heavenly Path Palace descended, Xia Lingqiu would also have to die.

A few seconds later, Xia Lingqiu's panic and painful voice rang from the main hall!

A ball of flame burned from the main hall!

Under the raging fire, there is no hope of survival.

The patriarch of the Nalan family and many elders also lowered their heads and dared not speak.

The main hall was destroyed, they really feel distressed!

But compared with Ji Siqing's value, it is completely incomparable!

Soon, Qu Xueyong walked out, with a hint of fire surging around her body: "Ancestor, take care of it."

"Okay." Ji Siqing nodded slightly and walked out of the Nalan family.

The Nalan family knelt down and sent Ji Siqing away.

When Ji Siqing passed by the patriarch of the Nalan family, his footsteps suddenly stopped.

She threw out a storage ring casually and said lightly: "This is the cause and effect of me and the Nalan family."

"Accept this thing, the Nalan family is enough to become a second-class force."

"But from then on, I have nothing to do with you."

"Also, today, Ji Siqing has never stepped into the Nalan family, understand?"

Patriarch Nalan tremblingly took the storage ring, and he felt it slightly, and his expression instantly shook!

The things inside are really invaluable!

"Thanks...thank Miss Guo Ji, I..."

Before Patriarch Nalan finished speaking, the two figures disappeared in front of everyone.

As if never appeared.

The Nalan family stared at the sky, shook their head, and sighed: "Perhaps, in the future, we can only look up to this woman like mortals."

...

At the same time, the first kingdom of God.

In the restaurant, the atmosphere is extremely tense.

At this moment, Ye Chen looked at Wu Liuyuan's punch, and a coldness flashed in his eyes.

Judging from his current strength, this punch is so weak that it cannot be described. Basically, there is no need to even dodge.

Now he, even if he stands here and lets Wu Liuyuan fight, I'm afraid Wu Liuyuan can't start, right?

The strength is strong to a certain extent, invisible, it will make the warrior instinctively afraid!

Just when everyone thought that Ye Chen would be killed by Wu Liuyuan's punch, suddenly Wu Liuyuan was stiff and stood in place, his eyes full of shock!

The diners on the second floor looked at Wu Liuyuan in confusion.

what happened to him? Why doesn't this punch fall?

Could it be that Young Master Wu, who has always been known for his cruel heart, suddenly became kind?

This is impossible, right?
