Chapter 2821: The Secret of the Long Family

Not to mention everyone didn't understand what happened, even Wu Liuyuan himself didn't know it!

His eyes trembled and looked at Ye Chen, who was standing in front of him. Why couldn't his punch fall?

Not only couldn't it fall, even at this moment, Ye Chen almost didn't exude any special aura, but at this moment, Wu Liuyuan's heart was inexplicably filled with fear!

There was an incredible color on his face...

As the first genius of Radiant City, this young man was shocked by a martial artist in the Evil Slayer?

He was just a young man, but Wu Liuyuan felt like a monstrous beast!

Ye Chen looked at Wu Liuyuan playfully and said with a smile: "Why, don't you want to hit me?"

Wu Liuyuan's expression was extremely ugly. No matter how hard he tried, he couldn't smash his fist. He had to retract his fist unnaturally and said to Ye Chenhan:

"Who is your excellency? Why do you want to stand in front of my son? Could it be that you want to stand out for the trash behind you? Haha, do you know that this son is the second son of the Wu family in Tianhui City! I advise you, the most Don't offend the wrong person!"

Ye Chen smiled and said, "What if I have to stand up for him?"

Although Ye Chen didn't like to be nosy, but this young man named Long Xiao obviously had something to do with Long Jingyan, so he would not just sit idly by.

Everyone was surprised when they heard this!

Wu Liuyuan finally stopped, letting Ye Chen regain his life, and even continued to provoke him?

This, how crazy is it to look for death?

They looked at Ye Chen and couldn't help turning into helplessness.

This time, the gods can't save Ye Chen, right?

A person's luck cannot always be so good.

What made them unexpected is that Wu Liuyuan stared at Ye Chen, his eyes were raging, his breath was violent, and he was almost on the verge of exploding, but his complexion, after a turn of blue and white, turned around and left directly!

Wu Liuyuan turned his head, glared at Ye Chen fiercely, and said fiercely: "Boy, don't think this is over! My son, you will definitely regret what you did today!"

When Chen Biao and Ma Hu saw this, they looked at each other and immediately followed Wu Liuyuan and left.

The diners on the second floor were completely dumbfounded!

That arrogant, overbearing, and cruel Wu Liuyuan, faced with the provocation of a martial artist in the Evil Slayer, went so far?

It's like a fantasy!

Too weird!

They looked at Ye Chen like ghosts.

Ye Chen looked at other people and didn't care. He turned around and looked at Long Xiao, who was dripping with cold sweat and shocked his face, and said, "Are you okay?"

Only then did Long Xiao come back to his senses, and hurriedly saluted Ye Chen: "No...it's okay, thank you for your rescue. In Xia Longxiao, dare to ask the son of his surname, and he will repay the son for his rescue. !"

Ye Chen smiled and said, "My name is Ye Chen. It just so happens. Something is going to your Long Family."

Long Xiao was taken aback when he heard the words, what did Young Master Ye do when he went to Long's house?

But he stretched out his hand and said, "In that case, Master Ye, please come with me."

After that, the two walked towards Long's house.

Soon, under the leadership of Long Xiao, Ye Chen walked into a rather magnificent mansion.

However, Ye Chen found that along the way, the servants of the Long Family, etc., when they saw Long Xiao, although they greeted him, their eyes were full of sarcasm and contempt.

The two walked into a courtyard, and Long Xiao got a cup of tea for Ye Chen and asked, "Master Ye, why are you coming to Long's house this time? Can I help you?"

Ye Chen took a sip of tea and asked, "Do you know what the body of Fengsha is?"

"Seal of Sealing Body?" Long Xiao heard the words, pondered for a moment and then shook his head, "I haven't heard of it. Does it have anything to do with my Long Family?"

Ye Chen's eyes flashed, as expected!

Long Xiao, didn't know that he had the body of seal, presumably the Long family deliberately concealed information from it!

He suddenly stretched out his hand and caught Long Xiao's veins. Long Xiao was slightly startled, but did not resist. After a while, Ye Chen nodded secretly and smiled at Long Xiao:

"Long Xiao, if I said that there is a way to restore your martial arts qualifications, would you do me a favor?"

Hearing this, Long Xiao was sluggish for a moment, and said with ecstasy, "This is true!"

However, he quickly calmed down and looked at Ye Chen and said seriously: "Young Master Ye, please tell me first, what do you want me to help?"

Ye Chen waved his hand, and an ice coffin appeared in the room!

Long Xiao's pupils shrank, staring at the woman in the ice coffin, feeling a kind of intimacy inexplicably, as if he had been separated for a long time.

He asked Ye Chen with a look of surprise: "Young Master Ye, who is this woman?"

Ye Chen said calmly: "If I guess right, she should be a relative of yours. I came here to save her. Many years ago, did a man in your Long family disappear?"

Long Xiao pondered for a moment, and a shocking expression flashed across his eyes: "Our dragon family is divided into two families. I don't know how many years ago, our family was originally the clan family, and my grandfather At that time, the talent was extremely high, and even everyone thought that Grandpa could lead the Long Family to rise!"

His face suddenly darkened and said, "But just after Grandpa had my father, and soon after he took over as the Patriarch, he suddenly left the Long Family, leaving only one ancient book... However, on top of that ancient book, there was A seal, so far, I still cannot crack it.

After Grandpa left, our branch was completely in decline. We were even seized of power and the position of the clan family by the separation of the family. "

Ye Chen heard the words, his eyes lit up and said, "Can you show me that ancient book?"

Long Xiao nodded and said, "Master Ye, please wait After a while, Long Xiao held a wooden box and handed it to Ye Chen.

Ye Chen opened the wooden box, and an ancient book that looked extremely broken and had no words on the cover lay in the box. When Ye Chen stretched out his hand and planned to take out the ancient book, a burst of light broke out on the wordless cover. , Blocking Ye Chen's palm.

Ye Chen smiled slightly, and was about to crush the seal, but at this moment, he shouted loudly outside the courtyard:

"Long Xiao, my son asked you to buy wine and vegetables, where did you go! I heard that you also brought a miscellaneous person into the Long's house? Now take that person and get out of here!"

Hearing this, Long Xiao's expression sank, and his eyes were full of anger!

The violent drinker is the eldest son of the Long Family, Longshan!

Normally, Longshan relied on his status to oppress and ridicule him in every possible way, and let him do some subordinates. He had to bear it!

After all, they are still a family after all!

But now even the friend he brought back, Longshan, must be humiliated?

Could it be that he didn't even have the qualifications to bring people into the Long's house!

Here, where is there a little bit, treating him like a dragon family?

At this moment, there was a bang, and the gate of the courtyard where Long Xiao lived was directly shattered. Three figures broke into the courtyard directly!

Long Xiao gritted his teeth tightly. Is this planning to save him a little face?

The headed man with a dark complexion, a large skeleton and a folding fan was Longshan. He took two servants and walked directly into the room.

He squinted at Long Xiao, the disdain in his eyes almost turned into substance.

This Longshan is impressively a warrior in the Chaos Realm!

And also awakened a good ancient **** body under the moon ring vision!

It seems that the foundation of the first kingdom is indeed much higher than that of the seventh kingdom!

Although Long Xiao was angry, he knew that he was not Longshan's opponent, and he was far away!

At this time, I had to suppress my anger, and said in a deep voice: "Longshan, Ye Gongzi is my guest, please respect..."

As he said, he looked at Longshan's gaze, and even showed a touch of pleading. Ye Chen is his benefactor, and he doesn't want to get him involved because of himself!

But when Longshan heard the words, he glanced at Ye Chen with a sneer: "What kind of stuff can someone who mix with **** like you have? It's just an ant of the Evil Slayer, so he dare to let this young man respect it? Are you funny?"

He waved to the two servants of the mid-term Slashing Evil Realm behind him: "You two, wait for the messy people, and 'please' this young man out!"

"Yes!"

The two servants responded, and when they moved, they rushed towards Ye Chen!

Long Xiao's expression changed drastically, and he never expected that Longshan would be so direct that he didn't even leave any room!

He was about to get up to block the two servants, but at this moment, a powerful coercion suddenly enveloped Long Xiao. In this coercion, Long Xiao actually seemed to be crushed by a giant mountain. You can't move a finger!

Long Shan looked at him playfully, a former genius, now a trash, still wants to resist?

Ha ha.....

"Damn it!"

Long Xiao cursed, and looked at Ye Chen anxiously, but by this look, Long Xiao couldn't help but stay...

Ye Chen at this time, as if not seeing Longshan and others, his face was indifferent.

Moreover, he did not know when he had already cracked the seal on the ancient book, and he was reading the broken ancient book!

Is the seal of this ancient book so easily cracked by Ye Chen?

That seal, but even the Long Family Patriarch could not crack it!

Otherwise, it won't stay in his hands until now...

Just when the two servants were about to stretch their hands in front of Ye Chen, a faint male voice echoed in the courtyard.

"Kneel down."

Two short words were spit out from Ye Chen's mouth, flat and plain, as if there was no momentum at all...

However, it was this plain kneeling sentence that fell into the ears of the Longshan trio, as if a command from a god, an indescribable terrifying coercion, exploded in the minds of the Longshan trio!

Their thinking was blank for an instant, and their consciousness tended to dissipate. Ye Chen's simple words were constantly echoing in the sea of knowledge. At this time, Ye Chen, in their eyes, where is the warrior of the Slashing Evil Realm?

Behind the young man who was looking through the ancient books calmly, there seemed to be a sea of blood on the dead mountain, and Ye Chen was the **** of slaughter sitting on the peak of the dead mountain!

Just a breath of time, the spirits of the Longshan trio completely collapsed!

Papa, papa, papa, the three of them softened and knelt in front of Ye Chen instantly, their eyes were dim, desperate, and walking corpses.

And Long Xiao, standing next to Ye Chen, was completely foolish, unable to understand...

What happened just now?

Ye Chen just said two words and knelt down...

Then, Longshan three people really kneel? Moreover, it still looked like Daoxin collapsed, kneeling in front of Ye Chen!!!

With just two words, the half-step chaos realm martial artist and Dao Xin were crushed. What kind of horror is this?

It is simply a means like gods and demons!

While in the restaurant, although I don't know how Ye Chen forced Wu Liuyuan back, it was very strange, but Long Xiao and the crowd of onlookers just thought that Ye Chen was lucky...

Now, Long Xiao knew that he was wrong...

Moreover, it was so wrong!

Where, is Ye Chen lucky?

Good luck, it's Wu Liuyuan!!!

If Wu Liuyuan didn't retreat, but instead offended Ye Chen, I'm afraid he is dead now, right?

Originally, Long Xiao even said to Ye Chen that he would be suspicious if he could restore his martial arts talent At this moment, he completely believed it! Not even a trace of doubt is gone!

At this time, the commotion in the Longxiao courtyard attracted a lot of servants. They looked at the door. When they saw the appearance of the three Longshan kneeling on the ground, their expressions changed suddenly, and they immediately turned around and went to inform. People of the Long Family!

Soon, a middle-aged man with three strands of long beard, a majestic face, and the corner of his eyes hurried over. This man was the head of the Long Family, Long Yue.

With an anxious look on his face, the blue veins on his forehead jumped, his face was full of anger, his figure flashed, and he entered the dragon room!

"Here! Shan'er, what's wrong with you!"

But when he saw the state of Longshan, he was suddenly cold! The anger on his face dissipated instantly.

He knew very well that Longshan didn't just kneel down, but Dao Xin collapsed!

Long Yue, as the Patriarch of the Long Family, cultivated to the second-tier heaven of the Chaos Realm, although his strength was much higher than that of Longshan!

He knows very well that Longshan's Dao Heart is not weak, at least with his own strength, even if he can crush Longshan, he may not be able to defeat his Dao Heart so thoroughly!

What kind of fear does it need to experience that Longshan will become like this?

Long Yue swallowed, and his body began to tremble slightly.

He looked at Long Xiao and stammered, "Long Xiao, Shan'er...what's wrong?"

Long Xiao glanced at him, and said coldly: "Longshan offended Ye Gongzi, and it's nothing but bad results."

This Long Yue usually sits watching Longshan bullying and insulting him, letting it go, now he has been retributed?

Long Yue looked at Ye Chen, and saw that Ye Chen was reading an ancient book attentively at this time, and his pupils shrank again!

The seal of the ancient book, he used his full strength, blasted for a long time, and couldn't break it. This young man seemed to be a slasher, how did he do it?

Chapter 2823: Recoverable after 3000 years

The chill in his heart became more intense, and for some reason, Ye Chen's figure seemed even more frightened in his eyes!

The experience accumulated in this life is roaring at Long Yue, this young man is definitely not an existence he can afford!

Immediately, Long Yue gritted his teeth with a resolute expression on his face. He actually knelt down in front of Ye Chen, and said respectfully:

"This son, the dog is ignorant and offended you, please forgive me!"

Although he was extremely worried that he would annoy Ye Chen, after all, Longshan was his most beloved son, and Long Yue had always cultivated him as the next Patriarch!

How is he willing to let his most beloved son become like this?

Ye Chen didn't say a word, still reading the ancient books in his hand intently, from noon, until sunset Xishan, while Long Yue always bowed his head and knelt in front of Ye Chen, not even changing his posture.

He knew that he could only show sincerity now and looked forward to Ye Chen's forgiveness.

And the servants outside the door were terrified to the point of no more...

The invincible Patriarch in their eyes actually knelt for a long time in front of an Ewu Slayer!

What is the origin of the young man brought back by Lord Long Xiao?

Ye Chen slowly closed the book in his hand until the sun was almost down, and the room was filled with dim sunlight, glanced at Long Yue, and said lightly: "After three thousand years, it can be restored, you can withdraw."

When Long Yue heard the words, his mind trembled, and he almost fell into despair!

Three thousand years! ?

Could it be that his own son wants Dao Xin to collapse for three thousand years?

What is Daoxin collapse? The martial artist, only when he is caught in great horror, can his Dao Heart collapse. In other words, these three thousand years have been an unimaginable torture for Longshan!

Even if he recovers after three thousand years, can he still be a normal person?

Moreover, even in terms of the life of a half-step chaos realm warrior, it is a long time!

Even after the restoration, there is no sequelae, these three thousand years of blankness have almost destroyed the future of Longshan!

Is this the price for offending Ye Chen?

For a moment, Long Yue seemed to be hundreds of times old. His black hair began to turn white. At this time, the head of the family looked like an old man who was so ordinary that he could no longer be ordinary. , Eyes are already wet, and tears are left.

However, even so, he still didn't dare to complain about Ye Chen at all, instead he saluted: "Thank you, son, for raising your hand!"

After that, he helped his son and left, and the two servants were also dragged away...

He knew very well that if he offended a supreme existence like Ye Chen, Longshan would be extremely lucky to be able to save his life!

Ye Chen's expression was faint, Longshan offended himself, and this kind of punishment can already be said to be minimal.

Not to mention that Dao Xin has collapsed for three thousand years. If it weren't for the Long Family and Long Jingyan, if they had some connections, Longshan would not have survived.

After all, in terms of Ye Chen's current strength, a random breath is enough to kill the entire Long Family. If an ant bites you, will you be kind to him?

Maybe when you get angry, you just slaughter the entire ant nest, right?

As for the people of the Long Family, Ye Chen is not as good as the ants.

But at this time, Ye Chen's eyes flashed with joy, and sure enough, in this ancient book, there is a record of how to save Long Jingyan!

Similar to his original guess!

Originally, his idea was to use Long Xiao's body of suffocation to draw the suffocation in Long Jingyan's body out of the body, using himself as an intermediary to absorb it.

After all, even though Long Xiao also possesses the body of suffocation, with his cultivation base, he can't bear the huge evil spirit in Long Jingyan's body at all, but it is enough to draw the evil energy out.

However, doing so is too risky. After all, the human body's meridians are too complicated. If you use yourself as an intermediary, if you don't control it well, evil spirits will erupt in their bodies!

Ye Chen has nothing to do with the vitality against the sky, but Long Jingyan and Long Xiao are bound to die!

Fortunately, in this ancient book, it records a very safe way to relieve evil!

Although it was also driven by Long Xiao with the body of Sealing Sha, it did not use Ye Chen as an intermediary.

Instead, it is carried out through a special spiritual spring called Jie Shaquan!

According to ancient records, using the Jie Shaquan as an intermediary to dispel the evil qi will never cause harm to Long Xiao and Long Jingyan. At the same time, this is also a way to restore Long Xiao's talent in martial arts!

...

At this time, in the center of Radiant City, a very luxurious mansion covering a very wide area is located here.

Here is where the Wu family is, the first family of Radiant City.

And a young man, sitting in the room with a gloomy expression, was Wu Liuyuan!

Suddenly, a person outside the door flashed, and a beautiful woman stepped into the room and smiled at Wu Liuyuan: "Second young master, the older one, the concubine has already contacted her."

Wu Liuyuan's eyes lit up and said, "Brother, what do you say?"

The woman smiled and said: "The eldest master said, in ten days, he will just be going home. If there is anything, wait for him to go home and deal with it!"

Wu Liuyuan laughed when he heard the words, his eyes flashed with a very happy expression, and his face grimly said: "That kid seems to be staying in Long's house now? Haha, I hope he can stay longer, if he escapes early, My son will be very unhappy."

The beautiful woman said: "Don't worry, the concubine will arrange the eyeliner, no matter where the person goes, we will be able to grasp his whereabouts!"

Wu Liuyuan nodded and said: "Go, remember not to startle the snake. Long Xiao's waste is nothing but instinct tells me that the other kid is a little weird! Let them spend the last ten days in peace."

In Wu Liuyuan's eyes, the flames of revenge flashed, and his smile became more and more gloomy. His elder brother Wu Fei, but a true disciple of the Thousand Corpse Sect! Wu Fei is indispensable for Wu Jia to become the behemoth now!

Recently, Wu Fei has even awakened a rare ancient divine body, his cultivation has skyrocketed, his strength has improved, and he has made great progress!

That kid, no matter how weird meets Wu Fei, there is only one possibility of death!

Ha ha.....

Of course, Long Xiao and Ye Chen slapped Wu Liuyuan in the face in front of everyone that day. Naturally, he would not let them die easily.

Wu Liuyuan moved into a dungeon. On a wooden table in the dungeon, there were various instruments of torture stained with blood. The entire dungeon was full of blood and rancid smell. .

And on the wall of the dungeon, there was a man locked, his body was bruised and his eyes were full of despair and horror!

This man was the blue-robed young man Ye Chen had talked with in the restaurant!

After Wu Liuyuan carefully selected for a while, he took a pair of pliers and showed a twisted smile on his face.

Torture has always been his greatest interest.

Chapter 2824: Very violent!

On a lush mountain forest, two flashes of light suddenly flashed and fell in it.

The light converged, showing two figures, it was Ye Chen and Long Xiao!

The bubbling sound of Gudong Gudong came into the ears of the two of them. Not far in front of the two of them, the warm water mist was permeated. In the mist, there was a natural hot spring boiling from time to time! Here is where the evil spirit solution is!

The Xie Shaquan is very close to the place where the Long Family is located. Presumably the reason why the Long Family Patriarch established a family here was for this Shao Chuan.

Ye Chen said to Long Xiao: "The reason why you can't practice is mainly because a warrior with a body of seal, after his cultivation reaches a certain level, he needs to absorb a certain amount of evil energy to fill his body.

The function of the body of seal is not only to seal the evil, but also to devour the evil energy and strengthen its own ability. With your current cultivation base, you cannot freely control it, and the body of evil cannot absorb the evil energy, so it will train you into it. The heaven and earth spiritual energy in the body is swallowed to strengthen oneself. This is the reason why your cultivation has been unable to make progress. "

He smiled slightly and said: "But this way, it's not completely unprofitable. Although the spiritual energy of heaven and earth is not as effective as evil spirits, invisible, your physique has been greatly enhanced, and your foundation of martial arts will also Very solid."

Ye Chen waved his hand and the ice coffin landed. He picked up Long Jingyan from the ice coffin and said to Long Xiao:

"Next, I will take Jingyan into this evil spirit solution spring, you stand by the fountain, according to the method I teach you, stimulate the body of sealing evil, arouse the extremely evil spirit inside Jingyan. The evil spirit in her body is too strong, even if this solution of evil spirit spring, it may not be able to completely dissolve.

It's too dangerous to stay in the spring, even a trace of evil aura that escapes is enough for your body of evil to absorb! "

Long Xiao nodded solemnly and said, "Yes! I understand!"

Ye Chen nodded, holding Long Jingyan's beautiful body, and stepped into the hot spring.

He encircled Long Jingyan's slender waist with his hands, immersed her extremely graceful jade body in the hot spring water, closely attached to his body, only exposed her head above the water.

He did this, not to play with Long Jingyan's mandarin ducks. The extremely suffocating aura in Long Jingyan's body is too strong, and it is not comparable to ordinary suffocating qi. Even if there is this suffocating spring, it cannot be completely eliminated. , Ye Chen entered the spring together, just to suppress the evil spirits and prevent the evil spirits from running away!

Ye Chen turned to Long Xiao and said, "Let's start!"

Long Xiao nodded, his expression solemn, spiritual power poured into each acupuncture point in a strange way, and he suddenly drank low, directed at Long Jingyan in the hot spring, a little far away!

There was a loud bang from the Jie Shaquan spring, shocking the sky, rushing out, and for a while, the water of the Jie Shaquan turned into pitch black.

But there is still evil spirit, gushing from the spring water!

This Shame-free Spring can't completely control the pressure of Extreme Shao!

Long Xiao's complexion suddenly changed, and for a moment he was extremely pale, with determination in his hands and constant tremors. The extremely evil aura was really terrifying. Even if he possesses the body of the seal, his current cultivation level can be even a trace of it. Uncontrollable!

Ye Chen's complexion sank, and a **** light rose from behind, hanging over the Xie Shaquan. It was Ye Chen's Sha sword!

He raised his sword fingers together, directed at the evil sword, and his whole body turned into a dragon, poured into the evil sword, in an instant, above the evil sword, the blood-colored rune shined brightly, releasing the violent extreme evil air, Suppress!

At this time, Long Xiao's expression loosened, and then his face looked like ecstasy!

Although most of the evil spirits were suppressed by Ye Chen into the evil spirits of understanding, there was still a trace of it escaped!

This trace of extremely evil aura was attracted by Long Xiao's body of evil, and the moths rushed into Long Xiao's body like a fire. In an instant, Long Xiao felt that his cultivation level and physique were actually faintly enhanced!

The effect is too obvious! ! !

A few hours later, the water of the Jie Shaquan was already pitch black as ink and extremely thick. Ye Chen's eyes flickered, and he said to Long Xiao:

"Long Xiao, that's it for today. This Shame-Freezing Spring has reached a saturated state, and it will take a few days to dissolve the extremely evil air, and then we will do the Shamelessness again."

"You go back first, and I will deal with this Jie Shaquan."

The evil spirit in Long Jingyan's body is too strong, and it can't be resolved all at once. Ye Chen estimated that it would take ten days to one month to reduce the evil spirit to the extent that Long Jingyan can wake up.

Long Xiao nodded, as soon as he closed the law, he was extremely excited at this time. This short few hours of cultivation, the effect was even better than his previous one month of retreat!

In his eyes, there was a flash of light, the once the first genius of Tianhui City, is coming back!

And, return with a more defying attitude!

And all this is possible because of Ye Chen!

Ye Chen changed Long Xiao's destiny so easily!

Long Xiao looked at the man in the water with a look of admiration in his eyes. When he turned from a genius to a waste, countless times, he begged the heavens and the gods to change himself!

But what?

No matter how earnestly he prays, reality is still cruel, everything remains unchanged!

Originally, he had almost given up his heart, until Ye Chen appeared!

For Long Xiao, Ye Chen is the sky, and Ye Chen is the god!

He does not believe in the sky, but in Ye Chen!

After Long Xiao left, only Ye Chen and Long Jingyan were left in Jie Shaquan!

Long Jingyan closed her eyes tightly, surrounded by evil spirits.

It's a bit regretful.

Ye Chen shook his head helplessly, planning to take Long Jingyan out of the water.

Suddenly, Xie Shaquan's domineering spirit surged!

The whole devil is extremely violent!

It's like a time bomb!

And Ye Chen's body also stopped moving.

He knew that once he moved something, this evil spirit solution would inevitably burst!

At that time, he might be lucky to survive!

But what about Long Jingyan!

Sure to die!

It must have been a long time since this Jie Shaquan had not been touched, and the entry of the two of them had disrupted the balance here.

Maybe it will be stable next time!

But the key is that he is qualified to survive!

Ye Chen's breathing was heavy, his whole body condensed, and he wanted to form a barrier to wrap the two!

The bodies of the two are getting closer!

Even Ye Chen could feel the surging and softness in front of him.

This scale is amazing...

Neither Sun Yi nor too much.

Ye Chen concentrated his mind and no longer thought about it!

Suddenly the water in the Jiesha Spring stirred!

Like a storm surging!

A stream of spring water rushed to the sky!

"Tear!"

When it was more terrifying, Ye Chen and Long Jingyan's clothes couldn't bear the pressure at all!

Both are torn apart!

The two met completely candidly!

Nothing!

Ye Chen could even feel the closeness of the two, and his blood was burning!

He is a man after all!

How can I eat like this!

Chapter 2825: Dao Heart Temptation

Hmm~"

What is even more strange is that the unconscious Long Jingyan made a miraculous sound.

Cheeks are flushed.

Like delicate flowers.

The turbulent double objects in the water constantly stimulate Ye Chen's mind.

Enough time for a stick of incense.

Xie Shaquan returned to calm.

Ye Chen looked embarrassed, rushed out of the water, took out a set of clothes and put on again.

At the same time, she wrapped Long Jingyan in her arms and put it in the jade coffin.

Ye Chen slowly exhaled, such a hot figure is truly a unique thing!

If Long Jingyan were his woman, he might not be able to control it.

But the two have nothing to do with each other, and Ye Chen will keep Dao Xin.

...

Ten days later.

At this time, Ye Chen was cultivating in the Long Family's mansion. In the past ten days, he and Long Xiao went to Jie Shaquan three times.

The effect made Ye Chen quite satisfied.

Suddenly, Ye Chen's expression moved, and he looked in a certain direction, and the corner of his mouth raised a faint smile.

Finally, is it here?

At this moment, an extremely powerful and terrifying aura fell from the sky, covering the entire Long Family, countless warriors and servants of the Long Family, all in this breath, shaking uncontrollably!

Patriarch Long's complexion changed wildly, this... this breath is! ! !

He immediately brought a group of worshippers, elders, to the front yard, and saw two figures standing in the middle of the sky, two figures floating!

One person has a handsome face and elegant temperament. He is the number one genius of Radiant City today, Wu Liuyuan, the second son of the Wu family!

The other person was a tall and thin man with prominent cheekbones, a pale face, and a black robe full of yin spirit!

Everyone in the Long Family trembled all over when they saw the black-robed man, and their hearts were chilling! ! !

Didn't this person go to Wu Fei, the eldest son of the Wu family who practiced the first-class sect of the Thousand Corpse Sect many years ago!

Why did he... come back?

Moreover, with a menacing look, he came to Long's house!

The most important thing is Wu Fei's cultivation level!

Wu Fei, surprisingly, he is already an existence of the eighth layer of Chaos Realm! ! !

Moreover, in his eyes, golden light shines, he is obviously an ancient **** body genius!

Everyone's spirits will be dissipated by fright!

Long Yue glanced at Wu Fei cautiously, and said with a respectful expression: "Two young masters, what's the matter for coming to Long's house this time?"

Wu Fei did not speak, but just glanced at him faintly, while Wu Liuyuan, who was on the side, sneered: "Patriarch Long, what a mighty prestige?"

Long Yue was taken aback, majestic?

My attitude is already humbled into the dust, where is the prestige?

He whispered: "Second Young Master Wu, I don't understand what you mean..."

Wu Liuyuan said with a cold expression: "Old thing, when you see my eldest brother, would you still dare to stand up and talk? Not prestige, what is it?"

When everyone heard this, their complexions changed!

This Wu Liuyuan is so domineering!

Even if you stand up and talk, even if you are prestigious? In other words, they should have been kneeling?

This is too bullying...

Although the Long Family is not a big power in the First Kingdom of God, Long Yue is also a Patriarch...

Long Yue was sweating all over, and after a moment of silence, his knees softened. It was really just that, and he knelt in front of the Wu family!

What can I do without kneeling?

You can only die!

As for dignity, ha ha...

Don't you die if you die with dignity?

At this moment, Wu Fei spoke gloomily: "The kid called Long Xiao and him, get out!"

Long Yue was taken aback when he heard the words, and then his expression was extremely resentful!

Wu Fei and Wu Liuyuan were actually caused by Long Xiao and Ye Chen?

It is not enough for them to cause their son Daoxing to collapse for three thousand years, and they have to bring such enemies to the Long Family!

If it weren't for them, I wouldn't need to kneel in front of everyone like this!

He can't wait for Wu Fei to smash Ye Chen and Long Xiao directly!

Long Yue turned his head and shouted violently behind him: "Long Xiao, take your 'guest' and get out of Wu Gongzi!!!"

At this moment, two human figures flashed and appeared in the front yard. It was Long Xiao and Ye Chen.

Long Yue pointed at the two of them, and smiled at Wu Feidui as if to please: "Young Master Wu, these two people provoke you, and you won't know it. If you knew, I would have taken them to the Wu Mansion long ago. Apologize.

How can I bother you to visit in person? If you dispose of them at will, my Long Family definitely raises both hands in favor! Rather, I wanted to let these two people die! ! ! "

He stared at Long Xiao and Ye Chen, the last words were what he said in his heart!

At this time, Ye Chen and Long Xiao were stared at by Wu Fei, and Long Yue's heart was extremely happy and happy!

That kid named Ye Chen, it's impossible to go against the sky, is Wu Fei's opponent?

His son became like that, Long Yue didn't say anything, he hated Ye Chen very much in his heart!

Now, his son's hatred can be avenged!

Wu Fei looked down at Ye Chen blankly, and said coldly, "You two, why don't you kneel when I see me?"

He, but a true disciple of the Thousand Corpse Sect, in such small cities as Tianhui City, he is like a god, not to mention, now, he has awakened the ancient **** body!

Even the elders in the sect, the strong, must be courteous to him! Therefore, Wu Fei, who was originally extremely conceited, was so proud that his pride rose to an unimaginable level!

A trash, and an ant from the Evil Slashing Realm from another country, did not kneel when they saw themselves?

Not kneeling, in Wu Fei's view, is an insult to his identity!

Ye Chen's expression was faint, while Long Xiao chuckled and laughed directly!

Long Xiao looked at Wu Fei sarcastically, the eighth-tier sky in Chaos Realm? Ancient **** body genius?

Since seeing Ye Chen's terrifying strength, Long Xiao has already had a new understanding of being powerful!

Is this Wu Fei strong?

It might be quite strong, but in front of Ye Chen, he didn't even have the qualifications to be a dog!

A cold light flashed in Wu Fei's eyes, and his murderous intent broke out, his anger was tumbling, and his aura was mad. He stared at Long Xiao and said sternly, "What are you laughing at?"

But at this time, Long Xiao was completely indifferent. He didn't let Wu Fei's gaze come at all, and smiled playfully: "What are you laughing at? Ha ha, I'm laughing, let Young Master Ye kneel? Are you worthy?"

...

At the same time the entrance of the First Kingdom of God.

Two figures flickered out.

It is Ji Siqing and Qu Xueyong.

Qu Xueyong closed her eyes, felt it slightly, and couldn't help saying: "Sure enough, the first kingdom of God is the source of the kingdom of God."

"It's so familiar."

"At the beginning, the Lord of Reincarnation divided the kingdom of God into seven, maybe he wanted to protect the last pure land."

"The difference between the seventh kingdom of the gods and the first kingdom of the gods, regardless of the moon ring vision or the richness of aura, is too big."

Ji Siqing under the veil was surprisingly quiet.

Chapter 2826: Why did she come here?

She looked in one direction, extremely complicated and affectionate.

There is the Ye family.

The place where the Lord of Samsara was once.

There, that person took his own hand in the previous life, crushed a piece of stars, and turned into a rain of stars.

Romantic memories, although Ji Siqing has not experienced this life, they are unforgettable.

She still didn't understand why Ye Chen from the previous life did this.

layout?

What is the shocking secret behind this game?

"Ancestor? Are you listening when I speak?"

Qu Xueyong repeated.

Ji Siqing only woke up from the memory.

She shook her head in sorrow, suppressing the memory, and then said: "Listening."

"By the way, I asked you to use Qu Jia to investigate things, what happened?"

Qu Xueyong took out a jade slip and handed it to Ji Siqing cautiously, "Xia Ruoxue, who you asked me to investigate, has some clues."

"After Xia Ruoxue left the Divine Extreme Sect, he went to several forbidden places and killed a few strong men, but just half a month ago, he completely lost track."

"It seems to disappear in the seventh kingdom of God."

"Even if I use all the resources of the composer, I can't determine the whereabouts of this person."

"Ancestor, do you think Xia Ruoxue will fall?"

"After all, the moon ring anomaly appeared, the seventh divine kingdom powerhouse, and the ancient powerhouse awakened... After she was a girl who was in the forbidden area, she might not be able to protect herself!"

"Besides her strength..."

Ji Siqing shook his head and said, "Xia Ruoxue is unlikely to have an accident, but it is strange that she and the Xia Lingqiu's reincarnation star stone are extremely harmonious. As long as the reincarnation star stone is not lost, she will definitely be able to hold Xia Ruoxue."

"Moreover, I faintly felt that it was not Xia Ruoxue who took the initiative to leave the Divine Extreme Sect, but the reincarnation star stone."

"You must know that the reincarnation star stone is not an ordinary stone, it has spirituality, and may even nurture celestial spirits."

"The Protoss of the Reincarnation Star Stone is probably older than us."

"Xia Ruoxue's character shouldn't have left Shenjizong. If she suddenly left, it must have been told by Xia Ruoxue."

"I have a hunch that she will come to the first kingdom of God."

"By the way, what happened to another thing that asked you to go to Shenjizong?" Ji Siqing said again.

Qu Xueyong immediately thought of something and quickly said: "Don't worry, ancestors, I have sent someone to notify Ye Lingtian and told him how to enter. He should go to Ye Chen soon."

Ji Siqing nodded: "This Ye Lingtian family has guarded Ye Chen for generations, and the burden in this life will be heavier."

"However, I guess that the original Lord of Reincarnation also expected it, and I faintly feel that Ye Lingtian will be the strongest existence in their family."

"Now, there are too many variables in Ye Chen's body, which were impossible to have in the previous life. This is our advantage."

"Perhaps, when we appear in front of those people, they can react."

"Let's go, now go to Samsara Valley."

When Qu Xueyong heard the Valley of Reincarnation, his expression changed drastically, and his pupils shrank: "Ancestor, are you too anxious? The Valley of Reincarnation is one of the forbidden places in the first kingdom of God."

"Moreover, it has been sealed by several late-stage Heavenly God Realm powerhouses in the First Divine Kingdom. Let's go now, it's not very good."

Ji Siqing snorted coldly: "If you don't go, I will go by myself."

"From now on, stop calling me ancestor."

"I think it's a shame to have descendants like you!"

After speaking, Ji Siqing headed to the north of the First Kingdom of God.

Qu Xueyong's face blushed, he hesitated for a few seconds, and hurriedly followed: "Ancestor, wait for me."

"Can't I go!"

"I, Qu Xueyong, are not even afraid of betraying the Heavenly Dao Palace, so how can I be afraid of the Valley of Reincarnation!"

...

At the same time, the place where the Seventh Kingdom of God and the Nine Heavens Shenlong Temple contact.

It's extremely hidden here, with a cloud of chaos.

The breath is violent, making people afraid to approach.

Not only that, but there is also a dark quagmire here.

In the quagmire, there is only death!

There are many more bones!

Before the quagmire, stood a girl with a fair face.

The girl has a beautiful skin and beautiful eyes, and she is a stunning beauty.

It's just weird that the girl even carried a huge stone on her back.

The stones are dotted with faint stars.

Some are good and some are special.

Such a match is somewhat nondescript.

If Ye Chen were here, he would definitely find that this woman was Xia Ruoxue.

Xia Ruoxue looked at the dark quagmire, as if muttering to herself: "Xingling, really want to pass from here?"

"I don't feel good."

As soon as the words fell, the reincarnation star stone behind Xia Ruoxue heard a tender voice!

"Sister Xue, believe me, you are having trouble entering that place now."

"The Nine Heavens Shenlong Palace is the most taboo place in the Kingdom of God, and it is impossible for ordinary people to step into it. This is the most special way to the other six kingdoms and the Nine Heavens Shenlong Palace."

"You are not a dragon vein. Naturally, you can't enter according to usual methods. This quagmire is called the corpse pool. Later, I will protect you with the light of reincarnation, and you will be able to enter safely."

In the next moment, the reincarnation star stone unexpectedly gushed out of bright stars.

Xia Ruoxue is wrapped in starlight!

Let Xia Ruoxue be like a star fairy.

And the Blood Corpse Pool actually outlined a bridge of stars.

Xia Ruoxue stepped onto the Starlight Bridge and instantly came to the opposite side of the quagmire.

The stars faded.

A black space crack appeared without any light passing through.

"Sister Xue, go through this crack to the Nine Heavens Shenlong Palace."

Reincarnation Star Stone Road.

A trace of firmness flashed through Xia Ruoxue's eyes, and she stepped into the gap in that space.

In an instant, the pool of blood corpses froze and turned into a piece of dry and cracked mud.

The surrounding vegetation is extremely withered.

And Xia Ruoxue's body completely disappeared in this world.

I don't know how long it took, Xia Ruoxue opened her eyes, and there were dragons in her ear!

She has reached the legendary Nine Heavens Dragon Palace!

"Xingling, how should I go next?" Xia Ruoxue asked.

The reincarnation star stone turned slightly, and fell from behind Xia Ruoxue to Xia Ruoxue's feet.

"Sister Xue, you come up, I will take you there, my speed is much faster than Shenlong."

"it is good."

Xia Ruoxue nodded, her bumpy body landed on the reincarnation star stone!

In an instant, the reincarnation star rock rose into the sky and flew quickly in one direction!

Like thunder and lightning!

It even surpassed the terrifying dragon on the sky!

Countless dragons tried to catch up with that light but found that they were not qualified at all!

At the same time, in the abyss of the Nine Heavens Shenlong Palace, a blood dragon with a powerful breath suddenly opened its eyes and was slightly surprised. It raised its head and looked at the end of the abyss filled with countless prohibitions.

There is blue sky there.

There is a dragon soaring for nine days.

"Huh? Why did Miss Ruoxue come here?"

Chapter 2827: Dragon has reverse scales

...

After an hour.

The reincarnation star stone stopped over a huge lake.

Strangely, the lake water turned out to be blood red.

A trace of killing surged.

Xia Ruoxue stood on the reincarnation star stone with a solemn expression, and said: "Xingling, are you sure you are right below?"

A tender voice came from the reincarnation star stone: "It's right below."

"It just surprised me that these fierce auras are too strong, and it is very difficult to enter with your strength now."

"It may even be injured."

Xia Ruoxue stared at this blood lake and hesitated for a long time, but still said: "I only have one chance, go and take a look."

The reincarnation star stone hesitated for a few seconds and rushed down instantly!

And a faint starlight covered Xia Ruoxue's side!

It seems to be protecting Xia Ruoxue!

Just when one person and one stone wanted to rush into it, the sudden change occurred!

A **** vortex appeared in the entire giant lake!

The vortex is getting bigger and bigger!

In the next second, a black dragon rushed out!

The black dragon is thousands of feet tall, with ferocious eyes, and sharp barbs hung on the dragon scales all over his body!

shocking!

Especially the breath of the black dragon!

At least half a step into the Heavenly God Realm!

At this level, even if Xia Ruoxue is guarded by the reincarnation star stone, she has no right to resist!

"Oh, this Blood Fall Lake unexpectedly came to a human race?"

The ferocious black dragon stared at Xia Ruoxue on the reincarnation star stone, revealing a cruel smile.

Nine Heavens Dragon Palace, respect the dragon!

As for the human warriors, a large part of them will become the prey of these dragons!

After all, the spiritual power and flesh and blood of the martial artist's Dantian are also a great supplement to the Shenlong!

"not good!"

"This Blood Falling Lake is actually occupied by this black dragon! Sister Ruoxue, go!"

The next moment, the reincarnation star stone burst out with a burst of brilliance!

A void was forcibly torn apart!

Just when the Reincarnation Star Stone was about to take Xia Ruoxue away, a huge dragon palm came directly!

A surge of invisible coercion!

The torn void was forcibly closed!

Not only that, but the violent air wave touched Xia Ruoxue!

Xia Ruoxue's beautiful eyes flashed with determination, and the blood burst!

Holding a trace of starlight, cut it down with a sword!

That air wave was split into two!

"Oh? What a domineering force, it seems that this human race has a good blood."

In the next second, the ferocious black dragon spit out a gray flame!

With a powerful restraining force, the flames turned into countless flying arrows, densely shooting at Xia Ruoxue!

Xia Ruoxue's face was full of seriousness, without fear, holding a cold sword in her hand, a sword pouring out, as if to split this huge lake!

However, the gap between the two realms is too obvious!

Flying Arrow cut off part of it, but still part of it penetrated Xia Ruoxue's hand!

In an instant, the white clothes became blood red.

shocking.

Her delicate body also slowly landed!

Hit directly on the blood lake!

Thousands of sea waves are surging!

Amazing momentum!

The ferocious black dragon also didn't want to waste time, opened his huge mouth, and walked towards Xia Ruoxue abruptly!

He wants to swallow people and the lake! !

Xia Ruoxue lay on the surface of the lake, with the reincarnation star stone floating under her body!

The reincarnation star stone that fell just now blocked most of the damage for Xia Ruoxue!

But now, what should I do!

Xia Ruoxue spit out blood, her red lips became brighter.

There is no fear in her pupils.

She was holding the sword, and a figure came to mind in her mind.

That man gave her courage!

If Ye Chen encountered this scene, would he—will he give up?

Certainly not!

In the next second, Xia Ruoxue stood up, covered her body with a faint starlight, holding a long sword, her eyes closed!

Unleash all power!

A shocking sword intent rose to the sky!

Although it was powerful, Xia Ruoxue knew very well that this power was not enough!

But even if she died, she would die in resistance!

This is Ye Chen's belief!

As Ye Chen's woman, she must not die of fear and giving up!

"It's ridiculous, the light of the fireflies dare to compete with the sun and the moon."

The ferocious black dragon smiled, and the infiltrating fangs approached step by step, and the strong dragon intent shook the lake in a radius of ten miles!

However, when it was about to touch Xia Ruoxue, the seemingly small shocking sword intent suddenly magnified!

The key is also accompanied by a trembling dragon chant!

how is this possible!

Such an ant unexpectedly broke out with power that surpassed the Heavenly God Realm!

In the next moment, the ferocious black dragon felt a light flashing across his body!

Then, it watched its body gradually disperse!

There must be a blood mist in the end.

Before turning into blood mist, its dragon eyes kept shrinking.

Because...because it saw an amazing existence!

It was the phantom of a blood dragon.

The phantom of the blood dragon!

A look makes it feel despised!

It... seems to be the **** of the Nine Heavens Dragon Palace!

One second.

Two seconds.

Three seconds.

Xia Ruoxue was surprised to find that her body was not torn apart, and she was still alive.

She opened her eyes in disbelief, but saw the fearful eyes of the ferocious black dragon!

As if afraid of something!

"boom!"

The black dragon instantly turned into a blood mist.

Xia Ruoxue's brain was blank, and she knew her strength very well, this sword could not have such an effect at all!

How to explain what is happening right now?

"Sister Xue, look behind you."

The voice of the stars of the reincarnation star stone came.

Xia Ruoxue was startled, her stiff body turned, and finally she saw an unforgettable picture.

A phantom blood dragon stands proudly, its body runs through the lake of blood and the sky!

The majestic breath is daunting!

Long Lin's vitality directly hit her soul.

And the countless dragons flying in the sky swooped down one by one, with their heads slightly lowered, as if they were doing some kind of surrender ritual.

Xia Ruoxue covered her mouth, feeling a touch of familiarity with this blood dragon.

As if deja vu.

Suddenly, she thought of something, and said with a trembling voice: "Are you the blood dragon phantom in Ye Chen?"

The body of the Wanzhang Blood Dragon slowly fell, and the dragon's head slowly approached Xia Ruoxue.

A familiar voice came: "Miss Ruoxue, I am late."

"With me, no one in the world dares to move you."

However, the words have not yet fallen, and above the blood lake, the void is torn apart, and an angry dragon chant comes out!

As if the blood dragon's behavior angered something!

The breath of the other party is still strong.

The blood dragon turned around to protect Xia Ruoxue, then stared at the void, and said: "If you tear the void, you will be upset!"

"Think clearly."

Threat!

Naked threat!

This is the confidence of the blood dragon!

And the torn void paused for a few seconds before closing.

Everything is calm.

At this moment, Xia Ruoxue's brain was still blank, she stretched out her hand and touched the blood dragon phantom unrealistically.

The phantom scattered, and the body was condensed, and finally gathered into a dragon scale.

Under the crystal clear dragon scales, a voice came out: "Miss Ruoxue, I am trapped in the abyss now, and I can't break the barrier of the abyss and rush out, but this dragon scale can protect you. Don't worry."

Chapter 2828: 0 corpses!

Xia Ruoxue held the dragon scales tightly and smiled.

This dragon scale gave her peace of mind, just as Ye Chen gave her.

"Xingling, let's go to the bottom of the lake."

Xia Ruoxue said.

Reincarnation Star Stone nodded, and instantly swooped down with Xia Ruoxue.

Soon, the figure disappeared and the lake was calm, as if nothing had happened.

...

At the same time, the first kingdom of God, the Long Family.

The entire Long Family seemed to have plunged into a cold winter of hundreds of degrees below zero because of a single word that was once a waste, and everyone's souls were frozen for it!

What did Long Xiao say?

Everyone in the Long Family looked at Long Xiao with horror, suspecting that there was a problem with their ears!

Ever since he lost his talent for martial arts cultivation, he has always been a nonchalant, like a subordinate Long Xiao. At this time, he even mocked Wu Fei, who could destroy the entire dragon family with one breath?

Still nakedly mocking Wu Fei's unworthiness!

Is this dying?

Didn't you see them all on your knees!

The look on the face of the Long Family Patriarch quickly changed from shock to horror!

It doesn't matter if Long Xiao died by himself, but what if Wu Fei is annoyed and the entire Long Family is involved?

Thinking of Wu Fei's scalp-numbing background and his strength against the sky, Long Yue couldn't help shivering, and his body began to weaken!

Moreover, as far as he knows, Thousand Corpse Sect is very good at refining corpses...

Everyone in the Long Family, aren't they all good materials?

Long Yue's complexion was pale, and he was so scared that he would fall into a coma. He immediately yelled at Long Xiao: "Long Xiao! Are you crazy? How dare you be filled with ecstasy by the kid surnamed Ye? So offended Master Wu?"

Hurry up and apologize to Lord Wu! "

For the worship of the dragon family, the warriors are also afraid of being implicated by Long Xiao, and they all shouted at Long Xiao with ferocious expressions: "Things that do not live or die, kneel down!"

"A waste, dare to offend Master Wu? Hurry up and apologize!"

"What's wrong with kneeling for Young Master Wu? It is an honor for you to kneel for Young Master Wu!"

At this time, an extremely cold breath broke out in an instant, and everyone in the Long Family who was still screaming, all trembled and closed their mouths tremblingly!

Wu Fei's eyes were covered with bloodshot eyes, and his anger seemed to burn the entire world!

He, a genius of the ancient gods, Wu Fei, a true disciple of the Thousand Zombie Sect, was he insulted by a very lowly **** rubbish?

"You said, my son, don't you deserve?"

His complexion was ashen, staring at Ye Chen like a ghost, and sneered like a roar: "Hehe, you seem to trust the strength of the kid next to you?"

His eyes suddenly fell dark and said: "Long Xiao! My son will let you see if I am worthy!"

Wu Liuyuan on the side also spoke cruelly: "Brother, leave them in one breath, I promise, I will make them kneel in front of you soon, and apologize for today's stupidity!"

The next moment, the gray and white yin air was billowing, like a flood, sweeping through the world, Wu Fei's whole body flashed with gray light, and ghosts appeared in the yin air!

Everyone in the Long Family was shocked and shocked again!

The whole blood was frozen for it, and the fear was beyond description!

In that gray air, there were thousands of horrible and ugly zombies and bones of various shapes!

The corpses were stinky and overwhelming. Even if they smelled a trace of their cultivation, their complexion was purple, almost fainting!

But at this moment, they even forgot to flee, or they were so shocked that they couldn't even move in front of Wu Fei!

How could this be?

These thousands of zombies, each of them is not under the chaos realm!

The Thousand Zombies Sect, although they are good at refining corpses, they have never heard that the warriors of the Thousand Zombies can manipulate so many zombies!

At most, three, five or six heads, it should be the limit, right?

If every Thousand Corpse Cultivator could manipulate thousands of corpses, how could such a terrifying sect be a force that ordinary people can provoke?

Suddenly, everyone in the Long Family appeared in a daze...

Because they saw Wu Fei's eyes!

In those eyes, golden light flashed!

Presumably, Wu Fei can manipulate so many zombies because of the power of the ancient body he possesses!

Thousands of corpses came to the world, thinking about it, makes people feel chilly!

Seeing this extremely horrifying scene, even Long Xiao couldn't keep calm anymore, his eyes trembled slightly...

Wu Fei watched Long Xiao's expression all over his eyes, and a disdainful smile appeared at the corner of his mouth and said, "Long Xiao, what's the matter with you? Didn't you still arrogantly say that this son is unworthy? Why, now he is controlled by this son Body, scared silly?"

He sneered proudly on his face: "Now, do you dare to say what you just said to my son again?"

The body that controls the corpse was originally not a powerful body in the ancient divine body. The main power is to manipulate the corpse!

but!

For Wu Fei, the body of controlling the corpse is the most suitable body for him, because the body of controlling the corpse is very compatible with the practice of the Thousand Corpse Teaching!

This is not entirely a coincidence. After all, the Thousand Zombie Cult fell in love with Wu Fei because he is superior in controlling the corpse and has great talent!

In any case, after awakening the corpse-controlling body, Wu Fei's strength can be described as crazy as riding a rocket. He even has the confidence to fight some elders of the sect!

Long Xiao opened his mouth, but for a while, he was speechless!

Although Long Xiao believed in Ye Chen very much, he still had too little experience after all. When did he experience such a scene?

It is normal to be shocked for a while!

Wu Fei's complexion was even more proud, he turned his gaze and looked at Ye Chen.

This kid, when he first showed up, had an indifferent appearance. He was extremely unhappy when he saw it. Now, after seeing his own terrifying power in controlling the thousand corpses, he should have been scared and almost crippled, completely unable to hold on. Right?

But when Wu Fei fixed his eyes on Ye Chen, his face became stiff!

In my eyes, there was a hint of incredible!

This young man in the Evil Slashing Realm, at this time, still has a calm look?

It seemed that he hadn't noticed that he had summoned this terrifying army of corpses at all!

Wu Fei's eyes almost burst into flames, gritted his teeth, wishing to swallow Ye Chensheng!

This kid, why isn't he afraid or begging for mercy?

Why, I still don't put myself in the eyes at all!

Ye Chen's attitude, like a sharp needle, pierced Wu Fei's self-esteem. His already tense nerves were completely broken, his eyes turned into blood red, and he was filled with violent killing intent!

He uttered an inhuman roar, an almost enchanted look!

Chapter 2829: Match?

Thousands of corpses, as if they felt the master's anger, in the eyes, blood flashed, and a terrible roar that shook the sky. For a time, the wind and wind were everywhere, ghosts roared endlessly, and the entire Radiant City was filled with horror, Like a **** capital that has turned into a rampaging ghost!

Even Wu Liuyuan on the side saw this scene, his expression changed slightly, and a trace of fear appeared on his face!

He knows his elder brother's character very well. Although Wu Fei always looks cold on weekdays, Wu Fei's nature is actually more cruel than himself!

Once Wu Fei is really angry and reveals his nature, then it is not tortured one or two people, it can be solved!

Wu Liuyuan swallowed, maybe, Wu Fei will slaughter the entire Radiant City clean, in order to restore his sanity!

At this time, the thousands of heads were covered with green hair like steel needles, their skin was black, and their fangs were exposed, and the blood-red zombies were full of yin, and they roared towards Ye Chen!

Seeing this scene, even Long Xiao couldn't help shouting in horror: "Young Master Ye, be careful!"

And Long Yue, the lord of the Long Family, although he was extremely frightened, he couldn't help showing a hint of revenge. He showed a twisted smile, looking forward to seeing Ye Chen being divided and eaten by the corpses. , Murmured with trembling lips:

"Die! Hurry up and die! This is your retribution for breaking my son's heart!"

Thousands of zombies, like an army of destroying the sun, came to Ye Chen in the blink of an eye!

At this moment, Ye Chen's face finally changed a little.

Not solemn, not panic, but...

A very faint smile.

It's like seeing a group of ants crawling towards you, like eating yourself!

The combat power of these thousands of zombies is not weak even from the martial arts level of the First God Kingdom. Not only is all the strength above the middle stage of the Chaos Realm, but there are also three dead kings in the late stage of the Chaos Realm!

And Wu Fei, who can control these thousands of zombies, can not be compared with the true genius of the First Kingdom, but he is already an elite among the elite.

Unfortunately, it was Ye Chen that he met!

A man who cannot be measured by common sense!

A breath suddenly erupted from Ye Chen's body, and the yin wind that was whistling in Tianhui City, at the moment when this breath appeared, it calmed down without warning!

In Radiant City, the eyes of those trembling and trembling all over for the horrible Yin Qi were all taken aback, and on their faces, there was an unknown color...

The yin qi that almost freezes their bone marrow, why, suddenly, disappeared?

In the Long Family, time also seemed to stand still for a moment!

Frozen at the moment when thousands of zombies flew in front of Ye Chen!

Bang...

In the next second, an explosion broke the stillness, time, and started to flow again...

What is that explosion?

In the eyes of everyone, a touch of blood floats!

Then, everyone in the Long Family, Wu Liuyuan, and even Wu Fei in a rage, couldn't help but opened their eyes wide!

exploded.....

The one closest to Ye Chen, with white hair all over, seemed to have no water, and the zombie with dry skin just burst!

Solidified in the body, the incomparably smelly black and red blood turned into a blood flower blooming, this looking fierce zombie turned into a mist of blood before everyone's eyes!

Even the blood mist couldn't get Ye Chen's clothes corners!

Wu Fei was full of violent spirits, and on his spine, the cold was wild, and he instantly recovered from his anger and calmness!

He couldn't believe it, and even looked at this scene in a panic!

No one knows the horror of the zombies he manipulates better than him!

That, but a white-haired blood corpse, rank, although it is only medium among the thousands of corpses under his control, but the white-haired blood corpse, the most powerful, is its hard body like Kobelco. That's it!

Even Wu Fei had no confidence to beat this white-haired blood corpse into a blood mist with a full blow himself. Now, Ye Chen was directly shattered by his breath alone?

This is impossible, right?

Not to mention that Ye Chen is a martial artist in the Evil Slashing Realm. Even a general Chaos Realm expert can't do it, right?

What the **** is this kid! ?

Wu Fei has long forgotten his self-esteem, pride, and nothing but shock and madness!

However, the explosion of the white-haired blood corpse was just the beginning...

Bang...

There was another explosion, and another black zombie turned into blood...

This explosion sounded like a fallen domino, and the entire group of corpses, instantly, was like setting off firecrackers during the Chinese New Year.

Bang bang bang bang bang bang bang bang bang...

Thousands of zombies in the entire Radiant City can be slaughtered effortlessly in a single breathing time, just like that, in the sound of the explosion, it turned into thick blood mist and scattered with the wind...

Even the three-headed corpse king of the late Chaos Realm is no exception!

Everyone looked dull and didn't react for a while. What happened...

With a thud, Wu Liuyuan trembled all over, and his complexion was even uglier than those zombies that had been wiped out. He was so frightened that he couldn't control his spiritual power and fell directly to the ground from the air!

This fall seems to have finally awakened everyone around!

"This is impossible! All this is an illusion!"

Wu Fei yelled in horror, and Dao Xin tended to collapse. Although he said it was an illusion, he did not hesitate to turn around, using his spiritual power with all his strength, and his body turned into a shadow, facing the horizon. Hurricane away!

In an instant, just relying on aura to kill thousands of corpses in seconds, this is a method like gods and demons, even with the martial arts of the first kingdom, it is a terrifying force that cannot be imagined!

Wu Fei, how can there be a trace of resistance? He just wanted to stay away from Ye Chen, in this life, never see Ye Chen again!

Wu Liuyuan's eyes trembled, and he cried in despair and stern: "Big Brother! Save me! Don't leave me!"

But Wu Fei, who has always cared for Wu Liuyuan, seemed to be deaf and ran away with all his strength!

Ye Chen glanced at Wu Fei disdainfully, stretched out his hand towards his back, and held it slightly.

Originally, Wu Fei, who was still charging wildly at extreme speed, condensed suddenly, and the space around his body seemed to be imprisoned in an instant, unable to move anything!

With Ye Chen's hand, Wu Fei's figure flew backwards at a speed several times faster than when he fled, and slammed in front of Ye Chen with a bang! !

This smash made the ancient god-body genius of the eighth layer of the Chaos Realm, bloody, dying!

Ye Chen looked down at Wu Fei on the ground, and said lightly: "Do you still think you are worthy? Huh?"

Chapter 2830: Rebellious?

Match?

Everyone was stunned when they heard the words, then they remembered, Wu Fei, just wanted Ye Chen to kneel down!

They trembled, just thinking about it, letting Ye Chen's existence like a **** or devil to kneel down, these people will be frightened to drift away...

They now thoroughly understand why Long Xiao believes and respects Ye Chen so much!

They only hate now, what they know, it's too late!

Thinking of the previous mockery of Ye Chen, everyone in the Long Family almost fainted directly...

But Wu Fei is going crazy. His eyes are full of fear, and he shook his head frantically: "I am not worthy, I am not worthy, I am not worthy at all, please forgive me, forgive me!!!"

Seeing Wu Fei's humble appearance, Ye Chen didn't even pay attention to his interest. He sacrificed an expressionless sword and fell heavily. The evil intentions of the sword surged, directly turning Wu Fei on the ground into a piece of blood. fog.

Before experiencing the First Battle of the Azure Emperor, he might not be able to easily fight the eighth layer of Chaos Realm.

But after World War I, his comprehension of everything was ahead.

Not only that, Wu Fei and the general chaotic realm eight-layer heaven can't be compared.

Controlling the corpse is just a crooked way.

The power of martial arts comes from oneself!

You are the most powerful weapon!

Then, he looked at Wu Liuyuan and walked towards him slowly.

With every step, Ye Chen's expression became gloomy!

He felt the breath of the blue-robed youth from Wu Liuyuan's body!

Although Ye Chen and the blue-robed youth were not close to each other, this person was poisoned by Wu Liuyuan. In the final analysis, it was because he had answered his doubts and helped him!

Ye Chen, the most unbearable thing is that the person who helped him was cruelly harmed because of him!

And Wu Liuyuan, who has always enjoyed torturing others, finally realized the feelings of those victims at this time!

Behind Ye Chen, there seemed to be a sea of dead mountains and blood floating, and it looked like the most terrifying executioner in the world!

"Don't come over, don't come over!!!"

Wu Liuyuan tremblingly moved his body backwards, his whole person was almost bursting with fear!

Ye Chen's face flashed harshly, with a fierce kick, and stepped on Wu Liuyuan, with a loud bang. Wu Liuyuan's bones were completely shattered, like a pool of rotten meat, limp in a pool of blood!

Ye Chenhan said: "The man in the blue robe, what have you done to him?"

Wu Liuyuan vomited blood, and when he heard the words, his eyes trembled, avoiding Ye Chen's gaze.

"Say!"

Ye Chen yelled violently, and a huge force poured out, instantly crushing Wu Liuyuan's dantian!

Wu Liuyuan vomited blood and said: "Dead...dead, Ye Gongzi, I didn't mean it, please, please give me a chance. I can give you the martial arts resources of my Wu family, please forgive me. My life, spare my life..."

In Ye Chen's eyes, anger was surging, and he sneered: "Do you still want to live? Ha ha, then, I will let you live."

When Wu Liuyuan heard the words, his face was ecstatic, and he said gratefully: "Thank you, Master Ye! I will contact my father and ask him to send the martial arts resources!"

Hearing this, Long Xiao frowned slightly, is Ye Gongzi so snob?

Do you really want to let go of this scum for the resources of martial arts?

But at the next moment, Ye Chen waved his hand and took out a dark big tripod!

As soon as this great tripod came out, a strong suffocating aura swept the Quartet!

Wu Liuyuan looked at the great tripod and the cruel smile on Ye Chen's face, and an unknown premonition surged in his heart...

This smile is familiar to him. Every time he wants to torture others, he will show this smile...

Wu Liuyuan directed at Ye Chen and grudgingly said with a smile: "Ye... Ye Gongzi, what are you doing?"

Ye Chen looked down at Wu Liuyuan playfully and said, "Don't you want to live?"

He cut down many strong men, but got a lot of good things in his hands.

This great cauldron, obtained from the hands of Mieiun, the country of extreme evil, is called Pangrending!

What is Peng Ren Ding?

As the name suggests, it is to put people in the pot and boil them to death!

This boiled to death is different from ordinary cooking. It will not kill the martial artist, but it will continuously decompose and dissolve every trace of the martial artist. Even the spirits will also become condiments and be slowly eaten away. Exhausted!

That kind of pain is unimaginable, how terrifying it is!

Finally, the martial artist in the cauldron will survive in a state of blood and water, and will live forever and be tortured in the cooking cauldron!

As long as you enter the cooking pot, after three breaths, anyone will have only one idea, and that is to let them die!

It's a pity that even the chance of death in the tripod was completely deprived!

Wu Liuyuan, don't you want to live?

Then, let him live, the longer you live, the better!

Ye Chen slapped the lid of the tripod suddenly, and the heavy tripod lid flew away. A ray of blood swept Wu Liuyuan into the tripod, bursts of hot aura, escaping from the tripod, almost a short breath, which passed from inside the tripod. There was Wu Liuyuan's scream!

At the second breath, Wu Liuyuan began to beg Ye Chen to kill himself!

Ye Chen's face was extremely indifferent, just put the cooking pot away again.

Use his own way to treat his body.

Afterwards, he looked towards everyone in the Long Family.

After seeing Wu Liuyuan's end, those people only felt that their brains were about to freeze, and they knelt down tremblingly, kowtow to Ye Chen, asking for his forgiveness!

Especially Long Yue!

I almost knocked my head out!

Ye Chen said lightly: "From today, Long Xiao will be the Patriarch of the Long Family. Anyone who dares to be disrespectful to him, you understand the end."

He knew that after Long Jingyan recovered, he and Long Jingyan were about to leave. Although Long Xiao had restored his martial arts talents, it would take some time to catch up with Long Yue and others. Ye Chen simply shot. , To help him conquer the Long Family.

How can everyone dare to disobey the slightest?

It's a blessing to even survive!

Under Long Yue's leadership, they knelt on the ground one by one, climbed in front of Long Xiao, and begged: "Patriarch, I used to have eyes and no bead for offending you, please punish you!"

They knew that now their own fate was in Long Xiao's hands.

Hearing this, Long Xiao said indifferently: "I will not blame the past, but this is the first and last time!"

His eyes flickered, although Ye Chen regained the Long Family, but with Long Xiao's pride, he would only practice harder, relying on his own strength to subdue everyone!

Everyone was overjoyed and responded: "Yes!"

Seeing this, Ye Chen smiled and said, "Long Xiao, we should also go to Jie Shaquan."

Long Xiao said with joy on his face: "Yes, Master Ye!"

Every time in the Jie Shaquan, and Ye Chen, he has a lot of gains!

The two moved and disappeared from the Long Family, but everyone in the Long Family still knelt on the ground, not daring to raise their heads.
