

Urban 2831

Chapter 2831: Jade brand light!

...

Ten days later, the suffocating qi from the fountain was tumbling, and a long sword hung over the spring, and the blood was shining brightly, suppressing the suffocating qi from the sky, and a handsome young man stood by the spring, engrossing the richness. Extremely evil spirits.

Under the mist of the hot spring, there is a man and a woman, immersed in the spring water.

Suddenly, Ye Chen's expression moved, and a faint smile of joy flashed in his eyes. With a wave of his hand, he put away the evil sword. The young man by the spring immediately stopped, no longer arousing the evil spirit in Long Jingyan's body.

Long Xiao glanced at Jie Shaquan with some doubts, there should be a little gap between the saturation of evil spirits, Ye Chen, why did he stop?

Could it be that.....

Thinking of this, Long Xiao's eyes also brightened!

At this moment, the beautiful woman in Ye Chen's arms, beautiful and lightly frowned, slowly opened her eyes.

She looked around with some doubts, and didn't seem to understand what was going on.

At this moment, a man's voice rang in her ears.

"you're awake?"

At this time, Long Jingyan suddenly realized that she... she seemed to be held by a man, and she was still in the hot spring with her skin touching!

This picture is too ambiguous!

If it weren't for herself and still wearing clothes, Long Jingyan would lose her mind on the spot!

However, even so, she was blushing with murderous intent all over her body!

Long Xiao by the spring felt that strong killing intent, and couldn't help but turn white. He took a few steps back and was taken aback for a moment. What is going on?

Ye Chen smiled faintly, Long Jingyan was still the same as when they first met, motionless, just wanting to kill.

The woman in his arms turned abruptly, her whole body was agitated, and the water in the Evil-Evil Spring was agitated, and in her hand, she also held a long sword!

But when she saw the face of the man in front of her clearly, there was a look of astonishment on her pretty face, and she spoke in disbelief, "Ye Chen?"

That terrifying killing intent also dissipated in an instant, and the world returned to calm. The two stood in the hot spring, looking at each other, the mist floating, and the atmosphere was a little charming for a while.

Ye Chen looked at the beautiful woman in front of him playfully and said: "What? Was it unexpected? Or, after seeing me, you regret that you came out of my arms so quickly?"

"You!" Long Jingyan heard the words, her pretty face flushed even more, and she drank in annoyance, but there was a warm current in her heart.

On that day, she used the body of Sealing Sha, and what she absorbed from Ye Chen's body was the extremely pure and extremely evil aura that originated from the Sword Suppression Stone, but it was not that easy to resolve. Presumably Ye Chen had spent a lot to save herself Mind?

Ye Chen suddenly moved and came to Long Jingyan's side and smiled at her: "Let's leave here first. You should also tell me the reason for saving me that day."

Long Jingyan was still blushing. For one thing, there was still some extreme evil spirit in her body, which was not suitable for using spiritual power at will. Secondly, in these days, Ye Chen might have touched herself in order to help her deal with evil. How many times has it been.

Besides, her father had already told her...

The three quickly returned to the Long Family. Ye Chen and Long Jingyan told of killing You Mieyun, and You Xuan'er told her life experience, entered the First Kingdom of God, found the Long Family, and carried out such things as Shame-free.

And Long Jingyan also told her father's instructions back then.

It turned out that Long Jingyan's father discovered that the people of the Long Family possessed the body of Sha-Falling, although they could refine the Sha-Fighting Qi, the same, the body of Sha-Footing had become a limitation of the Long Family!

The stronger the cultivation base, the more it needs to absorb the extremely pure evil spirits. Therefore, he left the Long Family to find a place with pure evil spirits. In the end, he came to the extreme evil country.

Long Jingyan's father discovered that if he wanted to solve the problem of the body of the seal once and for all, he could only use the seal of the evil sword in the holy land to plant the evil!

The evil spirit, as the name implies, is to plant the ultimate pure evil energy into the body, and over time, let this evil spirit be in harmony with the blood, and the warrior's body can generate evil energy by itself, once and for all!

And in this way, the body of the seal will also be elevated to a higher level, strengthening the physique of the martial artist all the time, even if it is very small, the benefits accumulated over the years are unimaginable!

But in the end, he failed, but before he died, he told Long Jingyan that if there is a man who can take out the evil sword in the future, that person, Long Jingyan, must follow him!

Even to die for this man!

In other words, Long Jingyan's father had determined everything many years ago!

Taking out the evil sword has always been an extremely sacred thing in Long Jingyan's mind. After all, her father gave her life for this, and even her father, whom she respected, did not do anything, Ye Chen, did Arrived!

The moment Ye Chen appeared in front of her holding the evil sword, Long Jingyan's heart was faint, shaking...

And, doing this is not only for herself, but also for the entire Long family, and future generations. This is also her father's dream.

The more Ye Chen listened, the more weird her expression became, while Long Jingyan, with her pretty face flushed, had already lowered her head and looked at the ground.

Long Jingyan's figure is hotter than anyone in the Kingdom of God, and Long Jingyan rescued Ye Chen.

If Ye Chen said that he didn't feel anything, it was fake.

However, Ye Chen always thought that this kind of thing should just go with the flow.

Immediately, he took a jade slip handed to him by Long Jingyan, which recorded the evil cultivation method created by her father.

Three days later, Ye Chen held the evil sword and stood in the courtyard, while Long Jingyan and Long Xiao sat cross-legged in front of him, their eyes slightly closed, holding Yuan Shouyi.

Suddenly, the evil sword in Ye Chen's hand flashed with **** light, and the extremely pure and extremely evil aura, as the **** light poured out, under Ye Chen's control, it turned into two pitch black runes!

Above this rune Umang flashed, and it shot into Long Jingyan's eyebrows!

Both Long Jingyan wrinkled their brows, and there was a hint of reluctance on their faces. The suffocation in the body rolled and penetrated into the bone marrow. They had to run the suffocating body frantically and suppress them with all their strength to prevent the suffocation from erupting!

Ye Chen stared at the two of them, in case an accident happened, he could take action instantly.

After another three days, Long Jingyan and Long Xiao finally opened their brows, and they opened their eyes one after another, and ecstasy appeared in their eyes!

Zhongsha, success!

From then on, they no longer need to rely on external evil spirits to satisfy the body of sealing evil. It can even be said that their martial arts qualifications have been raised to a level! !

At this moment, Ye Chen's expression suddenly changed, and a jade medal appeared in his hand, which was the token of the alliance that Song Jinyi gave him!

At this moment, a light golden light was shining above the jade card!

Chapter 2832: Let the pigeons!

Ye Chen sank his divine thoughts into the jade plaque. After a while, he said: "Jingyan, your body has not fully recovered yet. Please stay in Long's house for a while. I have something to deal with, so I have to leave temporarily!"

...

In the First Kingdom of God League, at this time, there were a dozen young men and women gathered in a tall and gorgeous hall.

In the main hall, there is a long table with a total of 12 seats on both sides of the long table.

This time, the seven kingdoms of the gods are jointly seeking demons. Except for the first kingdom, the other six kingdoms have sent two people to assist.

Don't underestimate these two people. Each of the two people sent by the Kingdom of God, one of them is the guardian of the Kingdom of God. After all, it will be much easier to return to the two countries and have the guardian of the country.

WINK to \$1: Secure Your Spot Now!

The key lies in the other person!

This time to discuss demons is of great importance, and all the kingdoms of God do not have the slightest intention of despising!

The other people who came to beg the demons were all young geniuses who took the shots among the major gods!

And this hall is the meeting room prepared for visitors from these six kingdoms of God.

However, many people in the hall at this time were not very good-looking, because of the twelve positions on the long table, one of them was empty...

And beside the empty seat, sitting a beautiful woman with cold temperament, it was Tu Lanxin!

There is the seat of the seventh kingdom of God!

This meeting was organized by the strongest of the Second Kingdom of God, but Ye Chen did not show up for a long time. They were already here waiting for Ye Chen, almost half an hour...

People from all countries, especially among the strongest, many of them have a gloomy expression!

As the strongest among the young people of all countries, they are the supreme existence in their own country. When did they wait for others?

However, what is strange is that some of these strongest people, as well as most of the guardians, are calm and lifeless.

why?

Because these people have entered the mysterious realm of God Source!

Ye Chen killed Kong Xian in the secret realm that day, and the impression left on them was too deep!

Sitting in the first seat is a man and a woman.

The man is handsome, with a fair complexion, a slightly sharp chin, but without losing his heroic spirit. He has a tall nose, long silver hair and shaved shoulders. He is dressed in a luxurious black robe, which contrasts sharply with the silver hair and white skin. Even more grim!

The most striking thing is that in the depths of this young man's eyes, there is a silver glow!

This person is surprisingly an ancient god-body genius from the Second Kingdom of God, and he is an ancient god-body genius who has never entered the secret realm of the **** source!

Generally speaking, the warriors who enter the secret realm of the gods will not be stimulated by the power of the plane to awaken the ancient gods. Their foundation of martial arts is more stable. As time goes by, they will gradually widen the gap with the geniuses of the ancient gods.

However, in the early days, some ancient god-body geniuses with extremely defying aptitudes might crush those warriors who were selected to enter the secret realm of the gods!

This man from the Second Kingdom of God, obviously, is such an existence!

He is now the genius warrior of the Second Kingdom of God, Feng Shaoyu!

Feng Shaoyu is also the most powerful existence among the martial artists present, with a cultivation base of the chaos realm nine-layer heaven!

Moreover, it is said that the ancient divine body that Feng Shaoyu awakens, although awakened under the stimulation of the power of the original source, is also an extremely powerful existence, even comparable to the real ancient divine body!

The real combat power is even immeasurable!

Today, the representatives of the First Kingdom of God, it seems that because of some special task, they have not met with everyone.

Therefore, this time to discuss the demons together, in the case that the First God Kingdom Xeon has not yet appeared, everyone unanimously elected Feng Shaoyu as the temporary leader!

The reason why a leader was selected was because news came from the Shenmeng, and they seemed to have discovered the trace of the demon!

In the next period of time, the strongest of these six kingdoms of God should act together. Since they act together, then naturally, a leader is needed.

Even though they are all extremely proud, they are also clear in their hearts that facing this weird demon who survived the last war between humans and demons, it is definitely not a good thing to do their own things and have a pile of scattered sand!

Feng Shaoyu has been in the top position for a long time in the Second Kingdom of God. He was born in a first-class family style family since he was a child, and was trained as a leader since he was a child. For this reason, the children of large families often have a kind of power. Different from the desire of ordinary people!

Therefore, he will naturally not refuse the position of team leader!

Even as soon as he was elected as the team leader, Feng Shaoyu immediately organized this meeting!

Sitting next to Feng Shaoyu was a woman with black hair and blood eyes, a very delicate and pleasant face, and a tall and tall woman wearing a white gauze skirt.

She is the guardian of the Second Kingdom, named Yun Ziyang.

At this moment, Yun Ziyang's pretty face was quite calm, but she looked at Feng Shaoyu with some concern. She knew that Feng Shaoyu had never been a good temper!

If he hadn't stopped him secretly, I'm afraid he would have exploded long ago!

However, she knew that Feng Shaoyu was about to reach her limit, and if this continued, even she would not be able to stop it!

Feng Shaoyu's handsome face was already covered with dark clouds, thunder flashed in his eyes, and his eyes seemed to break the whole world into pieces!

A trace of violent aura, from his body, rippling out!

Originally, being able to direct the existence of the strongest kingdoms of the gods was something that made him quite happy, but who would have thought that he would be let go in the first meeting!

Moreover, he is still the weakest warrior of the seventh kingdom of God!

Although he has never entered the secret realm of the gods, he has also heard of Ye Chen's deeds. After all, Ye Chen killed Kong Xian that day and resisted the spirit of Ten Thousand Fazong ancestors. The blow was too shocking, and he was already by the gods. The warriors who returned from the secret realm brought them back to their home countries, and they spread them all over the world.

And the more it spreads, the more mysterious it gets, it's hard for Feng Shaoyu to know it!

However, Feng Shaoyu didn't regard Ye Chen as the same thing!

Entering the secret realm of the source of God, is it amazing? Ha ha.....

The warrior of Shenyuan Secret Realm Isn't it the same, is he trampled under his feet?

What about killing Kong Xian? In his opinion, Kong Xian is nothing more than that!

Moreover, it is very likely that there is an element of falsehood. Maybe, this kid is not as powerful as everyone thinks!

But now, he was put a pigeon by a kid from the seventh kingdom of God!

In Feng Shaoyu's view, Ye Chen just refused to accept him, just thinking that he would be invincible by killing Kong Xian, and he would be qualified to challenge his majesty and power!

Ha ha.....

This is undoubtedly an insult to Feng Shaoyu! !

He has never let out the power he has acquired since childhood!

Finally, Feng Shaoyu couldn't bear it anymore!

Chapter 2833: The whirlpool is surging!

Regardless of Yun Ziyang's hints in his eyes, his face sank, and he sternly shouted at Tu Lanxin, who was sitting at the last place: "Tu Lanxin, Ye Chen from the Seventh Kingdom of God, why is he not coming! I don't know because of him, How much time wasted everyone?"

If it's a matter of asking for demons, what's the problem, you can afford it? Haha, your seventh kingdom of God, it's really mud that can't support the wall, it's a hindrance that is always a hindrance! "

Tu Lan frowned when he heard this, Feng Shaoyu's attitude is too bad!

It even directly insulted the Seventh Kingdom of God!

Although everyone elected him as the leader, in essence, the warriors of all the great kingdoms are equal!

The team leader can lead and decide the direction, but it doesn't mean that Feng Shaoyu can blame her in this tone! Not to mention, directly insult her kingdom of God!

Tu Lan said coldly after hearing this, "Young Master Feng, I have already said that Ye Chen had something to do before, and he has come with all his strength now. He is late. I apologize to everyone here. If you don't want to wait, start the meeting first. .

Even if you want to exclude the Seventh Kingdom of God, we have no opinion. When the time comes, the Seventh Kingdom of God can act alone! "

She knew that the reason why Feng Shaoyu was angry was not because of discussing the matter of discussing demons and Ye Chen's absence!

Ye Chen is not here, so what? Can't you convey the content of the meeting?

Feng Shaoyu was angry because he felt that his power had been shaken!

For someone like Feng Shaoyu who likes to play power, Tu Lanxin believes that it is not necessarily a good thing for him to direct the devil. Moreover, even if Feng Shaoyu wants to exclude the Seventh Kingdom of God, Tu Lanxin does not think that What's the big deal, Tu Lanxin has absolute confidence in Ye Chen's strength!

Ye Chen, enough to be alone!

"what did you say!"

Feng Shaoyu, with blue veins in his forehead and horns, tight muscles and anger, staring at Tu Lanxin fiercely, like a beast to choose and eat!

This woman, just a late stage existence in the Chaos Realm, dares to defy herself in front of the strongest of all countries!

He is now even more convinced that Ye Chen is going to challenge his authority and take the position of the team leader with himself. All this was arranged by Ye Chen!

"Shao Yu!"

Yun Ziyang quickly grabbed Feng Shaoyu, who was about to stand up, and persuaded him: "Everyone is here to beg the devil. Ye Gongzi is late. There is also a reason. Fairy Tu has apologized, so why hurt his harmony?"

It's okay for her not to persuade, but Feng Shaoyu is even more angry with this persuasion!

Even Yun Ziyang is not on his side anymore?

What's so great about this kid? Isn't he still inferior to the waste of a seventh kingdom of God?

At this moment, sitting at the head of the Second Kingdom of God, a young man dressed in a red robe, his face looked a little wretched and pale, with a look of excessive indulgence, the young man with red glow in his eyes smiled contemptuously:

"Haha, don't you know, this Young Master Ye is very big, do you know? During this period, he has never appeared in the Shenmeng. The tasks assigned by the Shenmeng are all this Tu The fairy is done."

He glanced at Tu Lan's heart, a greedy color flashed in his eyes, and said playfully, "Tu Fairy, what's so good about this kind of man? Why don't you follow me to join our Third Kingdom of God? Haha, I promise, Xiao Bao, you I won't regret it!"

This person is the first strong young man in the Third Kingdom, Xiao Bao!

The Third Divine Kingdom was completely destroyed in the Divine Origin Secret Realm. Xiao Bao, naturally, did not witness Ye Chen's battle with Kong Xian with his own eyes. He did not have the slightest awe of Ye Chen, but was as disdainful as Feng Shaoyu!

A cold light flashed in Tu Lanxin's eyes: "You better pay attention when you speak!"

Xiao Bao shrugged indifferently. He didn't care about the threat of Tu Lanxin. How could he be afraid of Tu Lanxin if his cultivation level was not low?

Instead, he looked at Tu Lanxin's eyes more unscrupulously, Xiao Bao secretly sneered in his heart: "Smelly girl, dare to confront Laozi? Ha ha, find a chance and must get you. When the time comes, you will cry and write The son admits wrong, right?"

Xiao Bao said these words to please Feng Shaoyu and make her stand!

At this time, standing in line is very important. After all, it is extremely dangerous to ask for demons, and he is not interested in being cannon fodder.

Sure enough, Feng Shaoyu glanced at him appreciatively.

When other people saw this, they hesitated for a while, and someone said, "Yes, Master Feng is now our leader, Tu Xianzi, you are too disrespectful to the leader when you say this!"

"Yes, Master Xiang Feng should admit his mistake!"

"The seventh kingdom of God, it has just been recognized by several of our great kingdoms, is it going to be special?"

Under the influence of Xiao Bao, these people also expressed their opinions one after another, for fear that they would stand up late and cause Feng Shaoyu's disgust!

Martial artists are extremely realistic, Ye Chen was very strong in the Divine Origin Secret Realm back then, very terrifying!

But what about the current strength?

Feng Shaoyu, but the real chaos realm nine-layer heaven exists!

The chaos realm is further behind, and the gap between the sky is the sky moat!

The 9th-level heavenly powerhouses can even kill a hundred eighth-level heavenly powerhouses!

Ye Chen is probably not Feng Shaoyu's opponent no matter how bad the sky is!

Therefore, they all chose to stand on Feng Shaoyu's side!

When Feng Shaoyu heard the words, he looked at Tu Lanxin's gaze, becoming more and more proud. He sneered and sarcastically said: "Tu Lanxin, have you heard? This son now gives you a chance to apologize for your rudeness just now. , You don't need to kneel down, just go and pour a glass of bar for my son!"

There was a silence in the hall.

After a while, Tu Lanxin actually stood up, Feng Shaoyu saw it, and the sarcasm in the corners of his mouth became more obvious and rich!

But some other martial arts practitioners were taken aback. Tu Lan was in the Divine Origin Secret Realm, but for Ye Chen, the woman who shot Kongxian, did she really want to pour Feng Shaoyu wine?

But the next moment Tu Lanxin turned around and headed directly outside the hall!

When everyone saw this, their expressions changed, and they looked at Tu Lanxin's leaving back in shock...

This doesn't give Feng Shaoyu any face!

It's all equivalent, right?

They quietly looked at Feng Shaoyu, only to see that at this time, Feng Shaoyu was full of hideous expressions, obviously, the anger was extremely extreme!

He stood up abruptly, with a bang, the breath of the eighth layer of the chaos realm erupted, and he sternly said: "Who allowed you to leave!"

In an instant, the air in the entire hall seemed to be frozen. Originally, Tu Lanxin, who was walking outside the hall, turned pale, her beautiful eyes flashed with horror. Under this terrifying breath, she Not to mention taking a step, there is not even the power to move your fingers!

As if frozen in this hall!

Chapter 2834: Blood, spilled in this temple!

Everyone looked at Tu Lanxin playfully, this was the fate of fighting against Feng Shaoyu without giving him any face!

Only Yun Ziyang anxiously dissuaded Feng Shaoyu from saying, "Shaoyu! What are you doing! Tomorrow, everyone will act together. How can the team leader treat members like this?"

But Feng Shaoyu, with a fierce look flashing in his eyes, he said in a deep voice, "Shut up, you!"

Yun Ziyang was shocked by Feng Shaoyu's tone, looking at him with her beautiful eyes shaken.

Feng Shaoyu yelled resentfully: "Yun Ziyang, do you have any dignity? That kid surnamed Ye is just a seventh martial artist of the Kingdom of God with a low cultivation base. Are you frightened by him? What are you afraid of?"

My son, that's how he treated this woman, what can Ye Chen do? You don't really think that this kid can threaten me, do you? A trash that doesn't even have the courage to appear in front of this young man, it is not worth mentioning! "

"As for the team members? Haha, I think the seventh kingdom of God is not qualified to form a team with us!"

He said to Tu Lan heart: "You, don't you want to leave? Why don't you leave? Huh? Do you want me to help you?"

At this time, Tu Lanxin had already tried his best to operate his spiritual power, but facing the pressure of that terrifying aura, it was useless...

But at this moment, the pressure that permeated Tu Lan's heart suddenly condensed, like a chain, wrapped around her delicate body.

But on Tu Lan's pretty face, a shocked face appeared, and her body suddenly turned, and she moved unnaturally toward the place where the wine jug and wine glass were placed in the hall!

Everyone's eyes flickered, they knew that this was Feng Shaoyu, the so-called "help you"!

This is to use powerful pressure to forcefully manipulate Tu Lanxin's physical actions!

Doing so will do great harm to the body of the martial artist!

In particular, they could see that Tu Lanxin was resisting desperately, and the damage caused by this would be more serious. Even a bad one might affect the foundation of martial arts!

Moreover, even if Tu Lanxin was desperately resisting Feng Shaoyu's control, it would still be of no avail!

With shaking hands, she picked up the jug on the table and poured the wine!

With the shaking of her wrists, the drink wetted her body. Not only that, Tu Lanxin's face became paler and paler, and even the corners of her mouth were overflowing with blood!

As for Feng Shaoyu, there was a touch of cruelty and pleasure in his eyes!

Bitch, this is the end of your rebellious son!

But at this moment, the jug in Tu Lanxin's hand made a pop and fell to the ground, and the blood-like fresh red wine syrup sprinkled all over the ground!

Suddenly, an ear-piercing sound resounded through the hall, a figure outside the hall flashed, and a man stepped into the hall in an instant!

At the same time when this man appeared, the terrifying coercion of the late Chaos Realm that had originally filled the hall suddenly disappeared inexplicably!

And Tu Lanxin was completely free from the bondage. She was weak, and when she was soft, she was about to fall to the ground, but the next moment, she felt that she had fallen into a warm embrace.

Ye Chen stared at her with concern and said, "Tu Fairy, are you okay?"

Tu Lanxin smiled slightly and said, "I'm fine, you are here, just fine."

Ye Chen nodded and said, "I'm here."

As he said, he helped Tu Lanxin to sit down on the seat on the side and slowly raised his head. His face was already like an eternal icefield, extremely awe-inspiring!

In his eyes, killing intent flickered, looking at Feng Shaoyu who was looking at him playfully, and said coldly: "Since I am here, then, the person who hurt you, I will make him pay the price! "

The air in the entire hall seemed to thicken in an instant, cold and bloody!

Several other people from the kingdom of God in the hall looked at Ye Chen, all of them trembled. At this moment, they seemed to once again see the terrifying man who stood up like a **** of war in the heaven and earth!

However, these people do not include Feng Shaoyu or Xiao Bao!

Feng Shaoyu couldn't help but laugh when he heard this, as if he heard the most funny joke in the world: "Pay the price? Boy, can you really pretend?"

I thought, where are you sacred? In the end, it's just a little **** in the Evil Realm? It's been so long since I came out of the mysterious realm of the source of God, you just made progress at this point, still want this son to pay the price? "

"Hehe, you don't think that killing a Kongxian will make the world invincible? Boy, because of you, my son's wine has been spilled all over the ground?"

I advise you, now, to pour a glass of wine for my son to make amends, I can forgive you, otherwise..."

His voice suddenly became stern and violent, and he shouted: "It's not just wine, but your blood!"

"Really?" Ye Chen looked at Feng Shaoyu blankly and said, "It's a pity..."

"What a pity?" Feng Shaoyu narrowed his eyes slightly, as if he wanted to see through Ye Chen's heart from his face.

Ye Chen said coldly: "Unfortunately, you pour me one million, ten million glasses of wine, and I still want your blood to be sprinkled in this hall!"

Everyone in the hall couldn't help but swallowed their saliva, and they couldn't help feeling nervous!

Ye Chen, indeed, he was the same Ye Chen!

Still so arrogant, still, I don't know what retreat and compromise are!

In an instant, people from all countries who had no confidence in Ye Chen had a feeling inexplicably, that is, Ye Chen will not lose!

Even though, they simply can't imagine how to fight against an existence of the Nine-layer Heaven in the Chaos Realm in the mid-Slash of Evil Realm!

Of course, these people are all warriors who have witnessed the battle between Ye Chen and Kong Xian.

Feng Shaoyu's complexion became more and more ferocious, and his aura was violent. Obviously, under Ye Chen's unbridled provocation, he was already desperate to take action!

But at this moment, a somewhat frivolous voice rang in Feng Shaoyu's ears.

"Young Master Feng, don't worryFeng Shaoyu glanced away, and saw Xiao Bao standing up, and he said with a gloomy expression: "Even you, want to stop me? "

As long as Xiao Bao admits, he will not hesitate to attack Xiao Bao!

But Xiao Bao smiled and said, "Master Feng, you have misunderstood."

As he said, he glanced at Ye Chen extremely contemptuously and said: "This kind of waste is just handed over to me. Master Feng personally shot him, wouldn't it be detrimental to your identity?"

"Oh?" Feng Shaoyu smiled when he heard the words, his eyes flashed slightly: "What do you mean?"

Indeed, why should he personally take such waste?

Xiao Bao stared at Ye Chen coldly and said, "If Master Feng allows, Xiao will do it for you!"

Ye Chen is just a waste of the Evil Realm, even if he had really killed Kong Xian, how strong can he be now?

Chapter 2835: Strong!

Kong Xian's cultivation in the mysterious realm of the source of God is just the third or fourth layer of chaos, right?

In their eyes today, the same, just an ant that can be pinched to death at will.

And now, this waste actually provoked Feng Shaoyu recklessly?

Haha, this is a good opportunity to please Feng Shaoyu, it was sent from heaven, Xiao Bao, naturally you won't miss it!

After all, as long as you squeeze an ant to death, you can get Feng Shaoyu's favor. Where can you find such a good thing?

Feng Shaoyu smiled and nodded, "Okay, I'll leave it to you, Xiao Bao."

In Feng Shaoyu's eyes, although Xiao Bao's strength was a little worse than his own, it was more than enough to deal with this unrelenting kid!

It is enough to wait to appreciate this kid begging for mercy in despair.

With a stroke of his hand, he took a jug and a wine glass, which he poured and drank leisurely, as if he were watching a play.

Xiao Bao turned his neck, his bones crackled for a while, he looked at Ye Chen, and there was a hint of cruelty flashing in his eyes. Although Ye Chen's strength was in his opinion, Xiao Bao didn't keep his hands at all. the meaning of.

This is also a good opportunity to show strength, isn't it?

Use this waste to set off your own strength!

He sneered at Ye Chen: "Boy, don't blame me. If you want to blame, blame your own stupidity! You must know that there are some people in this world that you can never offend, otherwise, yours The end will be miserable!"

Ye Chen stared at him blankly and said, "Three breaths."

"Ok?"

Everyone looked at Ye Chen with some doubts, three breaths?

What do you mean?

Xiao Bao also looked at Ye Chen with murderous intent and said, "What are you talking about?"

Ye Chen said coldly: "I will give you three breaths and disappear from me, otherwise, I will let you know what is truly miserable."

Xiao Bao was taken aback when he heard the words, and then, the entire hall was enveloped by his sky-shattering laughter. At this time, this kid would pretend to be a ghost and bluff?

Let yourself disappear?

Presumably, this kid is already trembling with fear, right? Want to make a final bluff and take a gamble?

"One!"

Ye Chen ignored Xiao Bao's laugh, and counted down while walking towards Feng Shaoyu.

"two!"

The cold voice, like a heavy hammer, hit everyone's hearts. Xiao Bao, who was laughing wildly, suddenly calmed down, his brows frowned slightly, and an incomprehensible color flashed in his eyes.

Why, with Ye Chen's countdown, he became nervous involuntarily?

He stared at Ye Chen's expression, and his heart was shocked...

This kid, isn't it serious?

Suddenly, Xiao Bao had a very strong premonition of uncertainty, absolutely not, let Ye Chen count to three!

Suddenly, Xiao Bao's spiritual power surged, his eyes flashed red, and a long sword appeared in his hand. At the same time, a brutal aura rose to the sky. Even in the hall, there are many The powerhouses of the Great God Kingdom were all surprised a little!

A phantom beast appeared behind Xiao Bao and merged into his body in the blink of an eye. The next moment, Xiao Bao moved, like a lightning bolt, almost indescribable!

The extreme speed even stirred the air, forming a violent hurricane in the hall!

In the eyes of everyone, a shocking color could not help but appear!

So fast!

Even with their eyesight, they are somewhat difficult to capture!

Even Feng Shaoyu expressed admiration, Xiao Bao's speed is not bad, this speed can even face the existence of evildoers whose speed is long, but there is still a big gap compared to himself!

Zhao Guang, the guardian of the Third Kingdom of God, glanced across the faces of everyone, and a smug smile appeared at the corner of his mouth, shocked, right?

This is the power of Xiao Bao's ancient divine body, the body of sky speed!

In a short time, Xiao Bao's speed can be raised to an unimaginable level!

The world of martial arts, but it will not break soon, the kid with the surname Ye is dead!

As Xiao Bao's figure flashed, the heaven-shattering sword intent surged out. This strange sword intent was actually increasing as Xiao Bao's speed increased!

This sword technique, called the Shining Sword, can use the speed of a warrior to improve the sharpness of the sword technique. Moreover, Xiao Bao has cultivated this sword technique to the point of perfection, and cooperates with his antagonistic speed and sword technique. The bonus is terrifying!

With the cooperation of the body of the sky speed and the shining sword, Xiao Bao's strength has skyrocketed to an unimaginable level. The sword light is condensed and exudes infinite power. The power of this sword actually makes the present except Feng Shaoyu The Xeon of other countries have given birth to a very dangerous feeling!

Their eyes trembled, and there was no doubt that Xiao Bao's sword even had the power to kill any chaotic eight-layer heaven!

Of course, Ye Chen is not included among these people.

From Xiao Bao stopping his laughter to pulling out his sword to shoot, everything happened between the sparks and flints, but Ye Chen's complexion remained unchanged from beginning to end!

Just when Xiao Bao's long sword was about to penetrate Ye Chen's body, he faintly uttered a word.

"three."

The countdown is over!

A pitch-black long sword appeared in Ye Chen's hands. On the long sword, the blood was surging, the suffocation was surging, the meaning of true martial arts, whizzed out, the meaning of endless danger exuded by Xiao Bao's sword, instantly, Of course it was suppressed to nothing!

Seven layers of blood light, erupting from the surface of the body, golden thunder shining in the blood light, unpredictable power, with the force of collapse, swaying on the staggering weight of the long sword, the sword light bursts, like the stars of the sky , Fallen Earth!

One sword!

An extremely powerful and horrifying sword hit Xiao Bao's long sword with extremely precision!

The two attacks collided, and the terrifying aftermath that broke out, instantly, swept the entire alliance!

There was a loud bang All the martial artists present, their complexion changed slightly, one after another shot, toward the aftermath, suppressed!

Even Feng Shaoyu had a faint flash of shock in his eyes!

For a while, the weather became uncertain!

How did this sword of slashing the waste of the Evil Realm give him a rather terrifying feeling?

Is this unreasonable?

At this moment, a figure flew upside down at an unimaginable speed. With a loud bang, it slammed into the wall of the hall. The powerful impact made the entire League of Gods sway and firm. The hall is also full of dust, with fragments, tending to collapse!

Everyone looked at the figure and saw that this person was covered in blood, bones, muscles, and even internal organs, all shattered and exploded under the tremendous force, the right hand holding the sword, at this time, was even more empty and completely disappeared. Up!

This scarlet figure is indeed Xiao Bao!

Chapter 2836: Suppressed blood!

Seeing Xiao Bao's appearance, everyone couldn't help but swallowed, miserable!

Too miserable!

Well, but a genius of the third kingdom of God who possesses an ancient **** body, now he is like mud?

As Ye Chen said, it's miserable!

In the hall, fell into a dead silence!

Even though they had secretly raised their expectations for Ye Chen's strength in their hearts, they were still shocked again!

Kill Xiao Bao with one sword?

This strength, ordinary martial arts practitioners in the late Chaos Realm may not be able to do it!

Ye Chen was already countless times stronger than when he was in the Divine Origin Secret Realm!

The fearless God of War that shook the Seven Kingdoms that day is back!

And Zhao Guang, the guardian of the Third Kingdom, was already frightened to the ground, and hurriedly crawled towards Xiao Bao to heal him!

Ye Chen was expressionless, Xiao Bao's strength was not bad, but he was too far behind himself!

The Azure Emperor who fought against each other was a hundred times stronger than this one!

Was that sword just now Ye Chen's full strength?

Naturally not!

Speed alone is useless. Against Xiao Bao, he didn't even use the body of the sky demon and the blood of reincarnation!

Ye Chen stared at Feng Shaoyu whose complexion had turned dignified, and Sen Han said, "Now, do you still think I am pretending?"

When Feng Shaoyu heard the words, his anger surged in his blood, almost igniting his flesh and blood, his blood vessels burst, and the silver glow flashed in his eyes, and shouted:

"Miscellaneous, do you think that killing a Xiao Bao would be against the sky? All those who provoke my son will die for me!!!"

Ye Chen's strength indeed far exceeded his expectations, but!

Has not broken through Feng Shaoyu's thinking, Ye Chen's sword, although terrifying, he is confident, that sword cannot defeat him Feng Shaoyu!

In an instant, the strong aura of Feng Shaoyu's chaos realm nine-layer sky surged out like a tsunami, and all the people in the League of Gods, for a moment, felt as if their hearts had been struck by lightning, extremely shocking!

The chaos realm nine-tier sky, and the chaos realm eight-tier sky, although there is only one realm difference, but the strength is different!

At the level of Chaos Realm, the gap in every realm is unimaginable!

and!

Not only the terrifying aura, but Feng Shaoyu's whole body instantly burst into silver light. A rich silver light covered Feng Shaoyu's body surface and turned into a silver battle armor. For a while, Feng Shaoyu's body, An extremely strong divine breath broke out!

At this time, Feng Shaoyu was like a **** descending. Even the most powerful warriors of various countries could not help but feel a sense of worship!

In Ye Chen's seven-fold **** light, there is also a strong divinity, but there is a big gap between Feng Shaoyu!

However, although Ye Chen's divinity is not as dense as Feng Shaoyu, it seems more pure!

Everyone's eyes trembled, this is the blood of the legendary **** general? This Feng Shaoyu is not so much a human race, as it is, he who activates his bloodline at this time is closer to the **** race!

What is a general?

God generals are a kind of existence close to demigods. Their ancestors may have been mixed blood descendants with a certain blood of the gods. In order to stimulate the power of the **** blood in these descendants, the gods modified their bodies.

They raised their bloodlines to the level of a demigod. In a short time, their strength skyrocketed, but this transformation also limited the potential of the gods to a certain extent!

And the blood of the transformed gods, likewise, can be passed down.

In Feng Shaoyu's body, he obviously had the blood of the **** general, which was activated by the power of the original source!

The blood of the **** general, even if its potential is limited, is, on the whole, an extremely high bloodline, far stronger than Xiao Bao's body of sky speed, because the blood of the **** general is all-round. raised dramatically!

In an instant, Feng Shaoyu felt that he could make the stars fall from his hands. That was the self-confidence brought by the skyrocketing strength!

At this time, Feng Shaoyu's face was mixed with the ultimate pride and the majesty of a **** general, and he smiled coldly at Ye Chen: "Now, facing this son, can you still get crazy?"

"My ancestor was once a **** by the Lord of Reincarnation! Although his status is not high, it is enough to make everyone look up!"

Having said that, he held a square halberd with both hands, and everyone looked at the square halberd, their pupils shrank again!

This Fang Tianji is surprisingly an ancient thing!

Ancient things, even the strongest of all countries, are very difficult to possess super weapons!

Feng Shaoyu not only possesses the ultimate bloodline of the gods, he also has the ancient things?

At this moment, Feng Shaoyu was covered in silver awns and dazzled, and his mighty power shook the sky. With a low cry, Feng Shaoyu attacked Ye Chen!

An extremely strong halberd intent, filled the void, for a time, in the world, it seemed that only this silver light lingering, condensing the infinite mighty halberd!

Even the first kingdom of God, the incomparable martial law, trembling in this halberd!

The people around, under the coercion of this shocking halberd, actually took a few steps backwards one after another, even the strongest of all countries could not bear it!

They looked at the halberd with horror, and sweated all over. If they themselves faced the halberd, I am afraid there is only one possibility!

That is death!

Too strong!

Can Ye Chen resist such a terrifying halberd?

Ye Chen narrowed his eyes and became a little serious.

The opponent is very strong, although still much weaker than Qingdi.

But the Azure Emperor failed because the blood dragon and the devil emperor's power blessed him.

Now he doesn't, and can only use his full strength to explode!

Fortunately, after the Battle of Qingdi, his strength has increased a lot!

Ye Chen burst out with seven layers of blood, and the **** runes on the evil sword were even more dazzling, extremely evil spirit, surging like a dragon!

His muscles throbbed , condensing all the power of his whole body on the long sword in his hand, with a fierce sword, slashed towards Fang Tianji that Feng Shaoyu had attacked!

The meaning of Zhenwu, turned into a little bit of starlight, wrapped around the long sword!

There was a loud bang, the swords and halberds intersected, like the strong light of a new star erupting, flooding the sky and the earth. The people around the entire First Kingdom of God League were shocked. In the direction of the God League, there was a burst of incomparable dazzling light. Shine!

And the hall, which was carefully crafted by Shenmeng using top-quality materials, and with countless formations, finally turned into ruins in this glare!

Boom boom boom, sword halberds struck each other, Feng Shaoyu didn't move, but Ye Chen suddenly withdrew ten steps, even the corner of his mouth was full of blood!

Everyone looked terrified! !

Ye Chen was actually suppressed!

Sure enough, as strong as Ye Chen, facing Feng Shaoyu's body of the **** general, it was still too reluctant!

Chapter 2837: prophecy!

Seeing this, Feng Shaoyu showed ecstasy on his face, and shouted: "Hahahahaha, boy, aren't you crazy? Go crazy? Go on pretending? Why, can't you go on pretending?"

Under the blow of Ye Chen, he fell in the wind, but indifferently wiped the blood from the corner of his mouth, and looked at Feng Shaoyu with a calm expression: "If you kneel and apologize to Lan Xin now, maybe, I can still Don't beat you so badly."

Among the ruins, there was another dead silence!

Everyone looked at Ye Chen in disbelief!

With one blow, being suppressed by Feng Shaoyu, Ye Chen's madness not only didn't converge at all, but on the contrary, it seemed that he was going to get worse?

They knew that Ye Chen was not afraid of death and that Ye Chen was proud, but they didn't expect it to be this way!

And Feng Shaoyu's eyes were covered with bloodshot eyes, his teeth creaked and he was extremely ferocious, this kid actually offended himself repeatedly and slapped himself in the face?

Ye Chen, why don't you give in until now?

Feng Shaoyu roared wildly, holding Fang Tianji, his figure moved, and he attacked Ye Chen again. Ye Chen was surging with great strength, and he swung his sword to resist. The circle was even opened.

Otherwise, I'm afraid it will completely collapse under the attack of the two!

In the void, there stood two figures, an old man with a fairy wind and bones. He was the leader of the First Kingdom of God and his name was Geshan. Standing next to Geshan was a young man.

This young man is surprisingly Song Jinyi, a young man from the League of Gods who has seen Ye Chen in the transit space!

Song Jin Yi can stand side by side with the leader of the God League. Obviously, his identity is not as simple as the reception of the transit space!

Ge Shan and Song Jinyi looked down at the battle between Feng Shaoyu and Ye Chen. Ge Shan couldn't help but smiled bitterly: "Sure enough, these arrogant boys are still fighting."

He knew that the geniuses of all the great kingdoms of God were extremely proud and conflicted, not surprising.

However, their fight can be described as a fight between gods and mortals, and if they continue to fight like this, even the great formation of the League of Gods will not be able to protect this headquarters.

Ge Shan sighed, stared at Ye Chen with blinking eyes, and said: "This young man from the Seventh Kingdom of God is worthy of beheading the existence of Kong Xian. The talent for martial arts cultivation is rare in the ages.

However, Slashing Evil Realm possesses the strength comparable to the eight or nine layers of the Chaos Heaven. I have only seen it in my life, but it is a pity that this person is too arrogant and knows not to advance or retreat, and may not be able to become a great weapon in the future! "

In Ge Shan's eyes, a light of wisdom flashed, and he judged: "The truth that wood show is bound to be destroyed by the forest wind will remain unchanged forever, this Ye Chen is too strong!

It is a good thing for a martial artist to be proud, but one should not be too blind. Before fully growing up, there must be a limit, otherwise, no matter how talented martial arts is, there will be no future! "

"Although his strength is strong, it can be compared to Feng Shaoyu, and there is still a gap, but even after Feng Shaoyu inspires the body of the god, he still wants to be strong?"

Ge Shan shook his head and said, "Even the basic judgment of the situation and the analysis of strengths and weaknesses are not possible. Although Ye Chen's talent for Xiuwu is good, other aspects are too bad!"

After some analysis, Ge Shan felt quite satisfied. This was the conclusion he had drawn based on his experience over tens of thousands of years. He was totally disinterested in Ye Chen!

Martial arts cultivators are not just enough to have the talent for martial arts.

After all, he couldn't help but look at Song Jinyi and smiled: "Jinyi, what do you think?"

Song Jinyi's eyes flickered, and he said without hesitation: "Ye Chen will win!"

"what!?"

Ge Shan was startled, his face looked incredible and said: "How is it possible?"

He watched the battle between the two and said: "This Ye Chen was completely suppressed and beaten? That is to say, relying on his tyrannical physique, he is fighting hard, but how long can he carry it?"

Facing a martial artist of Feng Shaoyu's level, Ye Chen should have no chance of a comeback, right? "

Song Jinyi smiled with certainty: "That's because Ye Chen hasn't used his full strength yet! Now, it's not Ye Chen's full strength!"

Ge Shan was already full of shock at this time!

Haven't used all their strength yet?

Facing Feng Shaoyu, he hasn't used his full strength yet?

Even if these words came from Song Jinyi, he couldn't believe it!

However, he didn't refute, just look at the facts and you will know!

At this moment, there was another loud bang, and Ye Chen's body was swept by Feng Shaoyu with a halberd, smashed upside down and flew out, smashing a high wall to pieces, and Ye Chen stood out of the dust and smoke. When he got up, Ye Chen panted slightly at this moment, his complexion was slightly pale, and on his waist, the halberd swept out an extremely hideous wound with blood flowing!

When Tu Lan saw this, he was extremely anxious, and exclaimed in worry, "Ye Chen, how are you!"

When everyone saw this, they also showed horror and shock. With such a terrible injury, Ye Chen could stand up. It is already unbelievable. Such a serious injury, even a chaos realm warrior, can't bear it. It shows Ye Chen's vitality. How powerful!

However, everyone's eyes were darkened, and no matter how tough, it would end here!

Originally, Ye Chen was suppressed by Feng Shaoyu. Now that he is so seriously injured, even if Ye Chen's vitality is strong, it is impossible not to be unaffected. The balance of battle will be broken. Victory will be towards Feng Shaoyu. Tilt quickly!

Everyone felt a little lost inexplicably. This once shocked them incomparably. The peerless God of War in the secret realm of God Source, like an undefeated mythical existence, is finally coming to an end?

Ye Chen's legend, is it coming to an end here?

And Feng Shaoyu also showed ecstasy on his face staring at Ye Chen extremely ferociously, and laughed: "Boy, just now, wasn't it very arrogant, let this son kneel? What, hurt Cheng This is what it looks like? I was almost cut off by this young man, right? This tragic situation requires this young man to kneel?"

In fact, Feng Shaoyu's heart was constantly tumbling. He never expected that Ye Chen could support it for so long, and he almost started to panic!

Fortunately, this waste can't last anymore!

Seeing this, Ge Shan in the sky smiled and said: "Hahaha, Jin Yi, it seems that even you have a moment of missteps? Ye Chen's state, even if there is any hidden back hand, it is impossible. Is it overturned?"

For a while, if Feng Shaoyu kills, you and I will have to stop him. No matter what, I can't let the great kingdoms of Gods who come to help my first kingdom of devil be the strongest and die in my alliance. in."

Song Jinyi laughed when he heard the words, but he knew that it was Feng Shaoyu that they should be worried about!

At this time, Feng Shaoyu moved!

Chapter 2838: Just like Tianyuan!

His whole body flashed with silver light, even more dazzling than before. The divine aura in his body became stronger and stronger. Feng Shaoyu actually broke out at the limit. He wanted a strong blow to not give Ye Chen a chance to breathe. !

In an instant, the silver light shines on the world, and the divine power is surging. Feng Shaoyu's figure is instantly taller in the billowing silver light, just like a real **** will be here, unstoppable!

Above the Fang Tianji in his hand, the meaning of true martial arts lingered, with the momentum of suppressing the world, he severely chopped down towards Ye Chen!

On the halberd of the ancient things, the silver light is like a dragon, and the runes are tumbling. If this attack can split the entire First Kingdom of God in half!

WINK to \$1: Secure Your Spot Now!

The void is shattered, the wind roars, and the heavens and the earth are changed!

With such a terrifying halberd, Ge Shan in the sky couldn't help but swallow, his expression was extremely tense, his whole body was surging with spiritual power, and he was ready to shoot at any time!

Even the leader of the God League of the First God Kingdom had no confidence. Under this blow, he saved Ye Chen 100%!

What is weird is that Ye Chen still has a calm look in the face of this shocking halberd!

His eyes flashed slightly, and he whispered: "It seems that the chaotic nine-layer sky is also extremely complicated..."

The reason why he fought with Feng Shaoyu for so long, but never stimulated the blood of reincarnation and the body of the sky demon, is because he wanted to test that he could limit the limit without using the blood of reincarnation and the body of the sky demon. where is it!

The body of the sky demon, after all, consumes too much to be used at will, and tomorrow, they will most likely have to face the weird demon soul, no one can guarantee that there will be any accidents!

In this case, Ye Chen will try to preserve his strength as a last resort!

Therefore, he must know his current limit!

Through the battle with Feng Shaoyu, it seems that without using the body of the sky demon, Ye Chen possesses the strength of the chaos realm eight-layer sky, and it is still a bit short of the chaos realm nine-layer sky!

And if it inspires the body of the sky demon and the blood of reincarnation, Ye Chen has confidence to fight against the chaos realm nine-layer heaven!

But at this moment, everyone didn't know what Ye Chen was thinking!

Tu Lan said with a pale face, "Ye Chen, run away!"

Everyone looked shocked, Ye Chen, is this scared stupid? Or is there no power to dodge?

Ge Shan also changed wildly, exclaiming: "What the **** is this kid doing!"

If Ye Chen didn't resist, he wouldn't be able to save Ye Chen under this halberd!

As for Feng Shaoyu, he was happy and successful, pretending to be in front of Lao Tzu? mad? Hehe, you are indeed very strong and talented, but today, I will completely abolish you and make you a genius!

Only on Song Jinyi's face, a mysterious smile appeared, and the divine light in his eyes became more and more full!

At this moment, an extremely terrifying aura rose to the sky and filled the entire alliance!

Originally, Feng Shaoyu's shocking divine intent was replaced by that breath, instantly suppressed!

Everyone was stunned!

This breath...

What is it?

As if it came from Ye Chen?

But at this moment, Ye Chen's figure has changed drastically, and he has pulled up to a few points, and that random hair has turned into blood red!

That looks like a human race!

Seeing the change in Ye Chen's figure, everyone suddenly woke up!

This breath is a monster!

Incomparably terrifying, even the leader of the God League, Ge Shan, was slightly trembling with the vast demon spirit!

If you don't know, you must regard the **** alliance at this time as the ten thousand demons and gods!

Ye Chen alone exudes a sea monster air that is comparable to billions of monsters!

What was even more frightening was that the hideous wounds on Ye Chen's waist had healed quickly when he was transformed into this posture!

Even a trace of scars healed without leaving behind!

Well, it contains a blow of the power of divinity. Even if the chaos realm is cultivated, it will take dozens of days, or even months, to recover, right?

What level of shock did Ye Chen's vitality at this time?

Feng Shaoyu's complexion also changed wildly at this time, and all his blood began to burn, and a layer of blood wafted from the Fang Tianji in his hand!

This blow was already beyond the limit, even to the point where it might hurt Feng Shaoyu's foundation!

But at this time, he can no longer control so much!

Ye Chen, in the state of a sky demon, gave him an extremely dangerous and terrifying feeling!

Even at this moment, his silver shining sea of consciousness was already covered by a shadow of death!

Can't give Ye Chen any chance! ! !

Otherwise, you are in danger!

But the sarcasm at the corner of Ye Chen's mouth became more and more intense, the next moment, Ye Chen suddenly moved!

Exceeding all the amount of violent violence, it swept out like a storm of exterminating the world, rolling spiritual power, madly infused into the evil sword in the hand, on the evil sword, the already extremely rich blood light, at this moment, almost turned into essence!

"Only I Lingxiao, Tushen breaks the sky!"

Ye Chen yelled in a low voice, the meaning of true martial arts lingered, and the sword light surging like a sea, blending with the earth-shaking power, this sword was cut out, and the entire space where the first kingdom of God was distorted and turbulent. , Countless warriors, inexplicably felt a horrified feeling in their hearts!

Suddenly, this sword collided with Feng Shaoyu's shocking halberd!

Billowing air waves, collapse and tumbling, like thousands of evil dragons imprisoned for thousands of years, returning to freedom, impacting everything around them!

The guards of the League of Gods formed a burst of light. It was a moment, unable to withstand the strong pressure, and burst open!

A figure burst out, and on the silver light armor, numerous cracks and blood emerged from his seven orifices. It was Feng Shaoyu!

At this time, Feng Shaoyu, in his eyes, was already a pure astonishment. The original confidence, pride, and cruelty were actually bombarded by this sword to nothing!

Crucially, he found that his body of God General had flinched when he felt Ye Chen's breath.

It's as if the blood and **** body that he is proud of are afraid of the man in front of him!

how is this possible!

The man in front of him is just a kid from the Evil Realm!

Not the Lord of Reincarnation!

How can this sword have such a shocking power!

Everyone was shocked!

Standing in the ruins and the void, looking at the scene in front of you foolishly!

The brain has become chaotic, and the soul is going to drift away, and it is completely impossible to think!

Even, horrified, the eyes are starting to blur!

What happened just now?

Feng Shaoyu was actually suppressed by Ye Chen's sword?

Moreover, this suppression is much stronger than Feng Shaoyu's suppression of Ye Chen at the beginning! !

What's more, just now, it was Feng Shaoyu's desperate blow under the burning source! But still defeated so thoroughly!

It shows that the difference in strength between the two is like a heaven!

Chapter 2839: Breath in the dark

In the void, Song Jinyi glanced at Ge Shan, who had straightened his eyes and looked like Alzheimer's. He smiled and said, "Old Ge, there are always people in this world who cannot be measured by experience and common sense. ."

Ye Chen is this kind of person!

As early as when he was in transit, Song Jinyi had such a feeling!

He has a special ability to see the nature and truth of others. For many years, no matter how terrifying the strong, he has not shocked him much in front of Song Jinyi, because he has long been used to it.

Until that day, I met Ye Chen!

Above Song Jinyi's expression, although he did not show it, his heart was full of turbulent waves!

Ye Chen feels like an abyss!

A bottomless abyss!

This is the first time in Song Jinyi's life that he has encountered an existence that even he can't see through! ! !

From that moment on, Song Jinyi knew that the man in front of him would leave an immortal legend, a legend that will last forever through the seven kingdoms of God!

As for Ge Shan on the side, only then did he come to his senses, an embarrassment appeared on his old face...

Just now, he was still there to give advice, not optimistic about Ye Chen, and made a firm judgment...

Can you get slapped so quickly?

Ge Shan, almost wanted to find a hole to get in...

At this time, Song Jinyi spoke again: "Old Ge, get ready, Feng Shaoyu, it's dangerous."

Ge Shan nodded solemnly, Ye Chen's true strength after transforming was too terrifying, he knew that he and Song Jinyi had to concentrate on it, otherwise, Feng Shaoyu would not be saved!

Among the ruins, Ye Chen with a smile looked at Feng Shaoyu who couldn't believe it, and suddenly his figure flashed!

The speed is unimaginable, it is far beyond Xiao Bao who possesses the body of sky speed!

Feng Shaoyu's complexion changed wildly, and the silver light flashed in the sea of consciousness, and he caught a shadow with extreme reluctance. He tried his best, holding Fang Tianji, moving in that direction, blocking him!

There was another loud bang. This time, Feng Shaoyu's hands holding Fang Tianji tremble at it, his power was fading, and his power was actually taken back!

His realm is even more strange!

What the **** is this!

The next moment, the blood mist exploded, hand bones shattered, and muscles broken!

Feng Shaoyu screamed and flew back, but how could he escape?

A chill suddenly floated above Feng Shaoyu's back!

At this moment, Ye Chen appeared silently behind Feng Shaoyu!

A wicked smile appeared on his face, and the long sword in his hand was about to be cut off!

"Do not!!!!"

Feng Shaoyu turned his head to catch a glimpse of this scene, and couldn't help but let out a scream of horror!

Everyone's pupils shrank, Feng Shaoyu, in the hands of Ye Chen in this weird state, couldn't even support three moves?

Too scary!

But at this moment, two figures flashed and appeared in front of Ye Chen. The strength of this sword, under the resistance of the two, made a weird twist and a bang, Song Jinyi , Ge Shan, and Feng Shaoyu were all stepped back after being bombarded.

Ye Chen's expression moved. Just now, Song Jinyi and Ge Shan's combined blow seemed to deflect his sword light, but did not completely vent his power on Feng Shaoyu.

However, Rao is so!

The twisted sword light still shook the three of them back. Song Jinyi and Ge Shan were okay, but the corners of their mouths overflowed with blood and their complexion was a little pale. After all, they didn't completely resist, they just twisted Ye Chen's sword light.

However, Feng Shaoyu is completely different!

At this time, Feng Shaoyu lay down on the ground, behind him was a very hideous sword mark, almost tore the entire back, bones and internal organs, all broken!

His whole body was stained red with blood, lying on the ground, dying.

Even if that Jianguang's power was not fully utilized, Feng Shaoyu was still severely injured and dying!

Ge Shan reluctantly smiled, and said to Ye Chen in a bit of amazement: "Young Master Ye, everyone has come to the First Kingdom of God to beg for demons. Please consider peace as your value!"

He and Song Jinyi teamed up to transfer their strength, and even got injured!

Ye Chen glanced at Ge Shan, did not say anything, but walked towards Feng Shaoyu step by step.

When Song Jinyi and Ge Shan saw this, their expressions were tight!

If Ye Chen insists on killing Feng Shaoyu, with them, I'm afraid I can't resist it!

Originally, Feng Shaoyu, who had been in a coma, saw this scene, and was so scared that he begged for mercy frantically: "Young Master Ye! I was wrong! I apologize to Fairy Tu and let me kneel down, please. You, spare me!"

At this moment, Tu Lan's heart and body shape flashed, came to Ye Chen, stopped Ye Chen, shook his head and said: "Ye Chen, I'm fine, since he is already like this, forget it, after all, he is also considered The combat power of the demon, this time we come to the first kingdom of God, we still focus on the demon."

After Ye Chen was silent for a while, he said coldly: "This time, in the face of Tu Xianzi, I will let you go. It is only this time. In the future, if you have someone from the seventh kingdom of God, The slightest offense, no matter where you are, you will kill it!"

The murderous air in Ye Chen's words made everyone chill!

They all secretly swear in their hearts that in the future, there must be no sarcasm or disrespect in matters involving the seventh kingdom of God!

Because there is Ye Chen in the seventh kingdom of God!

A terrifying God of War!

Song Jinyi and Ge Shan looked at each other, and at this moment, they were relieved.

Yun Ziyang hurried over, helped Feng Shaoyu up, and gratefully glanced at Ye Chen and said, "Thank you, Master Ye!"

Feng Shaoyu, regardless of her character, is also the pinnacle powerhouse among the youth of the Second Kingdom of God. If he really died, it would be an extremely huge loss for the Second Kingdom of God!

Although Feng Shaoyu was seriously injured nowadays, the martial artist in the late stage of Chaos Realm had extremely strong vitality. As long as he did not die, he could almost recover.

However, Feng Shaoyu's strength in tomorrow's trip to seek demons will probably drop a lot.

Ye Chen received the evil sword, released the body of the sky demon and the blood state of reincarnation, turned around and looked at the strong and guardians of the major gods who were still stuck in the sluggish state, and said lightly: "Sorry, I'm late, we should too Discuss tomorrow's trip to beg the devil."

When everyone heard this, they all rushed and respectfully responded: "Yes!"

Now Ye Chen is their team leader, well-deserved leader!

Everyone headed towards the hall.

But Ye Chen did not leave.

He raised his head and looked at a tall building near Shenmeng.

He felt a breath as soon as he entered the League of Gods.

It was as if someone was staring at him in the dark.

This feeling is uncomfortable.

Is it Wan Fazong? Or the Kong family?

Or the existence behind Feng Shaoyu? ?

But that breath didn't seem to be malicious.

I am afraid that coming to the First Kingdom of God this time will not be so easy.

Chapter 2840: Xia Ruoxue, reincarnation star flame!

Ye Chen didn't think much anymore, and went to the hall.

And at this moment, the top of a tall building near the Shenmeng that thrust into the sky.

On top of the red spiritual tiles, a giant beast stepped on flames raised its head, absorbing the essence of the sun and the moon of the first kingdom.

And above the giant beast, sat a girl in a white veil.

The girl's whole body exudes a strong cold air, and even the red spirit tiles above this tall building are covered with a layer of frost.

"Palace Master, can we leave? After finally coming to the First Kingdom, you won't have to guard Ye Chen again."

Baier said in a complaining tone.

They entered the First Kingdom of God this time, but there are major issues to deal with.

As a result, the palace owner came here for the first time, and stayed there for a long time.

Wei Ying's face was indifferent, and she stretched out a hand with a hint of chill: "How is your investigation of the information I want."

Baier carefully handed a jade slip to Wei Ying's hand: "Palace lord, I learned through some channels and the ancient records in the palace lord's storage ring that before the extinction of the cold palace, the palace lord Had frequent visits to the First Kingdom of God."

"Also, I've been to Ye's house."

"As for what to talk about, no one knows."

"There is another place, a little weird. In ancient books, there has been a place of the first kingdom of God mentioned many times."

"Chan Yuanfeng."

"But I asked most people in the First Kingdom of God about this place, and I have never heard of it. Even Tianji Pavilion doesn't know this place."

"It's as if this place has been erased from history..."

Wei Ying glanced at the content on the jade slip, her cold eyes narrowed slightly, and suddenly, a rare smile appeared on her extremely cold face.

"It seems that Cold Abyss Peak is the secret of Absolute Cold Emperor Palace."

...

At the same time, the Nine Heavens Dragon Palace, under the blood lake.

Reincarnation Star Stone brought Xia Ruoxue to a halt slowly.

They have reached the deepest point.

What appeared in front of Xia Ruoxue was a ruined city.

Among the ruins, it seemed that someone had been cut in half with a sword.

The ground was torn apart, because of the long time, seaweed.

This seems to be a forgotten city.

"Xingling, is this place you are talking about?"

"It has something to do with Ye Chen?"

The reincarnation star stone was suspended in front of Xia Ruoxue, staring at everything in front of him, and then said: "It is indeed here. Once there was a woman who killed a city with a sword and countless people fell here."

"This is a capital of the Nine Heavens Shenlong Palace in ancient times."

Xia Ruoxue raised her eyebrows: "What does this have to do with Ye Chen?"

Reincarnation Star Stone hesitated for a few seconds, trying to say something, but still did not say it.

Xia Ruoxue noticed something and her red lips moved slightly: "Are you hiding something from me."

Samsara Xingshi shook his body fiercely: "Sister Xue, no, don't ask, I will naturally tell you what I can say."

"Let's go in, if I guess it's right, the stuff is inside."

In the next second, Xia Ruoxue and the Reincarnation Star Stone moved towards the inside.

Xia Ruoxue stepped into the ruins and felt a desolation.

This sense of desolation comes from the depths of the soul.

In addition, Xia Ruoxue also found that the blood in her body seemed to be agitated by entering this place.

Suddenly, Xia Ruoxue's pupils shrank slightly, stepping 100 meters, and came to a huge wall of 20 meters.

In this ruin, almost all the buildings were destroyed, but the huge wall remained unchanged.

unbreakable.

Of course, it was not this wall that attracted Xia Ruoxue, but the pictures on the wall.

In the picture, corpses are everywhere.

But a few figures stood.

Xia Ruoxue is very familiar with two of them!

Because that man and woman were somewhat similar to Ye Chen and Ji Siqing.

Although the temperament is different, the appearance is also slightly different, but I can't feel wrong!

In addition to the two, there is another woman!

The woman exudes imperial prestige, and even her temperament makes Xia Ruoxue think of a character in Chinese history!

Wu Zetian!

How can a woman have the feeling of being over the world?

In the picture, Ji Siqing and Ye Chen seemed to be talking to this mysterious woman.

Both Ye Chen and Ji Siqing had extremely serious injuries, and even their bodies had been stained red with blood.

And that Emperor Wei woman was spotless, with a faint smile on her mouth.

In ancient times, what happened in the picture.

Xia Ruoxue looked at the reincarnation star stone and said, "Who is this woman?"

However, when the Reincarnation Star Stone heard this question, he was panicked to the extreme!

Even Xia Ruoxue felt a trace of fear from the reincarnation star stone.

"Sister Xue, please don't ask, if I reveal this person, I will dissipate in the world."

Xia Ruoxue didn't force it, but judging from the words of the reincarnation star stone, I am afraid that this person's identity is by no means simple.

To be able to have such an imperial prestige in the ancient times where there were many strong men, is definitely not something she can provoke now.

"Where is the stuff?"

Xia Ruoxue said.

In the next moment, the Reincarnation Star Stone was covered with a little bit of starlight, and turned into a pair of starlight hands, deep into a central ruined square not far from Xia Ruoxue.

Because of the battle, a big hole like an abyss appeared in the square.

After a few seconds of breathing, the stars flickered, and a faint blue flame appeared.

As soon as the flames came out, the entire ruins became reborn.

Even the cracks on the bottom have a faint tendency to close.

"this is....."

When the blue flame appeared in front of Xia Ruoxue, Xia Ruoxue could faintly feel the strength of the flame.

Even if there is only a trace, it contains monstrous power.

Xingling said: "Sister Xue, this is your chance, and it is also Ye Chen's chance."

"This flame is called the reincarnation star flame. It is one of the strongest flames in the world. The only regret is that this is not the origin, just a trace."

"Remaining from the ancient war."

"But even a little bit, looking at the many powerful people now, they also have the ability to destroy the world."

"Sister Xue, in the next time, you have to find a way to refine this reincarnation star flame."

"The blood in your body has part of the reincarnation blood. It shouldn't reject you too much."

"It's just that you are not a fire cultivator. Refining such a heaven-defying flame will be very uncomfortable. You should be mentally prepared."

Xia Ruoxue's eyes flashed with determination, and she sat cross-legged directly, just about to close her eyes, suddenly thinking of something, her eyelashes trembled.

Then he stared at the reincarnation star stone, and said: "If I guessed correctly, the origin of the reincarnation star flame should be in the hands of that Emperor Wei woman, right."

The star spirit of the reincarnation star stone was startled I never expected Xia Ruoxue to be so smart!

It sighed and said, "Yes."

However, the next moment, Xia Ruoxue did not ask anything, but chose to close her eyes.

Ready to refine that reincarnation star flame!

"In that case, I won't lose her."

"My Xia Ruoxue not only wants to refine this reincarnation star flame, I also want to deprive the woman of the origin of the reincarnation star flame!"

After the words fell, the blood-colored dragon scales on Xia Ruoxue suddenly broke out!

Turned into a monstrous blood dragon, guarding Xia Ruoxue's body. .

Obviously, to protect Xia Ruoxue!
