Chapter 2871: Taiyuan Jianyi!

This kind of man who has no strength, no status, and even no knowledge, is absolutely impossible, there will be a day of turning over.

Before long, the three of them came to a deep valley shrouded in clouds, and the Taiyuan Sword Sect was hidden in the deep valley.

Several people passed through the clouds and entered the martial art. Although the Taiyuan Sword Sect was one of the most mysterious forces in the First Kingdom, its architecture was rather simple.

However, as soon as he stepped into the Taiyuan Sword Sect, Ye Chen's expression moved, because he felt a strong sword intent!

This sword intent exudes a strong ancient aura, obviously, it is not from this era.

It seems that the inheritance of the Taiyuan Sword Sect is quite powerful.

But Ye Chen and the three, walking among the sword faction, attracted the attention of many people!

why?

Because, in the past, it is impossible for a man to appear next to the two women Yue Rou and Lin Siqi!

Yue Rou's identity is special, and she is as innocent as a little girl, knows nothing about love, naturally there will be no men who can attract her interest, and only Ye Chen has to say something.

And Lin Siqi, that's the woman Li Kun is fond of. Who dares to get too close to her, isn't she looking for death?

At this moment, a man with a tall stature, a firm face, and a sharp, masculine face appeared in front of the three of them, and said with a smile: "Rouer, Siqi, are you back?" "

As he said, his eyes flickered towards Ye Chen and said, "This is?"

Before Lin Siqi could speak, Yue Rou replied: "This is Ye Chen, we met when we were collecting medicine."

Yue Rou then said to Ye Chen: "This is Senior Brother Li Kun Li, who is the first true biography of our Taiyuan Sword Sect."

Li Kun looked at Ye Chen, his eyes squinted, but he didn't show anything. He seemed to disdain to know Ye Chen, while Lin Siqi stood beside Li Kun, looking at Ye Chen with a funny expression.

She thought to herself, this ant didn't know that he would dare to pretend in front of Senior Brother Li? She and Li Kun both believed that Ye Chen should also be the one who would take the initiative to meet and greet. As for Li Kun?

Whether you will respond depends on your mood.

However, Li Kun's silence was exchanged for Ye Chen's silence!

The atmosphere between the four was embarrassing for a time!

Li Kun and Lin Siqi looked at each other, and they were all inconceivable. A warrior in the Evil Slashing Realm didn't even say hello in front of them? Is it still waiting for his Taiyuan Sword Sect's first genius Li Kun to take the initiative?

Crazy, isn't it crazy to be like this?

Ye Chen's expression was faint. This Li Kun is not too old, but his cultivation is the nine-layer chaos. In the Taiyuan Sword Sect, he may be considered a genius, but in his eyes he is nothing.

Even the feeling Li Kun gave Ye Chen was worse than Ouyang Xi!

This feeling does not come from cultivation, but from the control of martial art.

If Li Kun and Ouyang Xi face the enemy, they are likely to lose!

In many cases, the realm does not represent anything! I am the best example!

Don't want to say hello to him?

That's right, Ye Chen didn't bother to speak.

This huge Taiyuan Sword Sect may be regarded as a long-standing swordsmanship, but in Ye Chen's eyes, the only thing worthy of his attention is Yue Rou. No matter the genius, the strong, even that Dao. The ancient sword intent is not worth mentioning!

Yue Rou looked around in embarrassment, "Senior Brother Li, how come these disciples seem to be in a hurry? What happened?"

Li Kun looked at Ye Chen's eyes, becoming colder and colder. Hearing what Yue Rou said, he turned his head, frowned slightly, and said solemnly, "Xue Yuanzong Ouyang Xi, come to worship the mountain!"

"What!" Yue Rou and Lin Siqi's expressions changed when they heard the words.

Speaking of the Blood Origin Sect, like the Taiyuan Sword Sect, it is also a hidden force inherited from ancient times. Moreover, the two sects have always conflicted and competed with each other. However, in order to avoid developing into a death fight of the Extinction Sect, Both cases generally use mountain worship to determine each other's status!

For a long time, the Taiyuan Sword Sect suppressed the Xue Yuanzong. After all, although the blood repair is hot and strange, the sword repair path is quite restrained!

But until recently, the situation has changed, because Blood Yuanzong had an Ouyang Xi!

It is said that in the Blood Yuanzong, he created countless legends and is known as a shocking talent once in four thousand years!

Ouyang Xi's strong rise has made Li Kun, who has always been infinitely beautiful, eclipsed in front of him!

Although Li Kun's realm is a little higher than Ouyang Xi, but Ouyang Xi is a pervert who can leapfrog!

Now this Ouyang Xi has come to Taiyuan Sword Sect to worship the mountain!

Li Kun continued: "Now, the head and the elders are receiving Ouyang Xi, and the disciples have already gone to the fighting arena first."

Baishan, it seems to be to greet, salute, to put it plainly, to challenge the Taiyuan Sword Sect disciples.

Lin Siqi asked with some worry: "Brother Li, are you confident in this battle?"

Since he was a disciple who challenged the Taiyuan Sword Sect, Li Kun would naturally be the one to challenge.

The others didn't even have the qualifications to fight with Ouyang Xi, and it was embarrassing to go up.

Li Kun heard this, and a confident smile appeared on his face: "Siqi, don't worry, although this Ouyang Xi is so impressive, I don't think he is really much stronger than me. What's more, three days ago, I already Comprehend the sword intent of Taiyuan!"

"Taiyuan sword intent!"

Lin Siqi exclaimed, looking at Li Kun's eyes, full of excitement, Li Kun is indeed the man she is fond of, too good!

Taiyuan Sword Intent is the ancient sword intent that Ye Chen felt when he stepped into the Taiyuan Sword Sect. Even in this Sect, let alone young disciples, few people can understand it even at a high level!

Past disciples, there are very few geniuses who can comprehend the sword intent of Taiyuan!

Li Kun was the first person to comprehend the sword of Taiyuan at the age of 31!

He set another record!

Looking at the confident Li Kun at Lin Siqi glanced at Ye Chen with disdain.

A man like Li Kun is a man, powerful and proud! Where is Ye Chen? Not to mention the strength, even the basic self-confidence, there is no appearance, and Li Kun is simply incomparable!

Li Kun said to Yue Rou and Lin Siqi: "Rou'er, Siqi, let's go to the fighting arena first."

The two women nodded, and Yue Rou said to Ye Chen: "Ye Chen, you come too."

At this moment, Li Kun suddenly walked a little slower, blocking Ye Chen's body, his eyes flickered and whispered: "Boy, you'd better stay away from the two of them. Some people are not accessible to you.!"

Ye Chen glanced at Li Kun faintly, and followed Yue Rou.

Chapter 2872: Under 1 sword, like facing the abyss!

He had no interest in this competition, but now he has changed his mind.

Li Kun, threatening yourself?

Ha ha.....

A hint of playfulness flashed in Ye Chen's eyes. He didn't expect Ouyang Xi to come to the Taiyuan Sword Sect to worship the mountain. In that case, he didn't intend to miss this good show.

Immediately, a few people walked towards the fighting arena.

Soon, they entered the martial arts arena. At this time, a middle-aged man with a thin face and back hands, with good momentum, appeared in front of them, accompanied by a burly man.

"Head! Great Elder!"

Li Kun and the three of them are all polite to these two people.

That middle-aged man was the head of the Taiyuan Sword Sect, Yue Qingshan!

At this time, Yue Qingshan and the great elder looked a little heavy. He said to Li Kun, "Li Kun, fight for a while, don't force it!"

Li Kun was slightly taken aback when he heard the words.

Do not force? what does that mean?

Could it be that the headmaster felt that he was inferior to Ouyang Xi?

His eyes were faint, and he faintly responded "Yes!"

I can't see what I think in my heart.

When Yue Rou saw Yue Qingshan, she was not as respectful as Li Kun and Lin Siqi, on the contrary, she seemed a little intimate and authentic: "Father!"

She was the daughter of the head of the Taiyuan Sword Sect!

It's no wonder that Lin Siqi was angry and dissatisfied with Yue Rou's behavior along the way, but she still didn't dare to leave Yue Rou, and she didn't even say anything about it.

Then, Yue Rou and Yue Qingshan coquettishly introduced Ye Chen's situation. Although Yue Qingshan looked a little reluctant, but he couldn't help her baby daughter. In the end, she agreed to Ye Chen and stayed in the Taiyuan Sword Sect to recover. .

Yue Rou, Lin Siqi, along with the head and the elder, sat together, while Ye Chen was arranged among the outer disciples.

Everyone around Ye Chen cast a curious look, but Ye Chen's expression was faint, they still couldn't see anything.

But after a while, the voice of discussion gradually increased, and the eyes of the Taiyuan Sword Sect disciples looked at Ye Chen with a look of disgust!

In the distance, on the seat of the true biography disciple, Lin Siqi sneered, whispering to the people next to her!

Obviously, from Lin Siqi, some bad remarks about Ye Chen spread!

At present, the disciples of the Taiyuan Sword Sect all regard Ye Chen as despicable and shameless, relying on pretending to die, and dragging Yue Rou and Lin Siqi into a dangerous situation, but also to lure the ignorant Yue Rou, who is not deep in the world, and relies on dressing. , The man who attracts attention only by grandstanding!

This kind of man is also worthy to sit in their Taiyuan Sword Sect?

If it weren't for Ouyang Xi and Li Kun to fight, they would have to drive Ye Chen out of the Taiyuan Sword Sect!

At this moment, a young man in a blood robe slowly stepped into the fighting arena, it was Ouyang Xi!

With a faint smile on his face, he stood quietly in the field.

However, the invisible pressure exuding from him instantly silenced the noisy fighting arena!

He shot Ye Chen just now, but it was not full!

As soon as Li Kun moved, he appeared on the opposite side of Ouyang Xi.

Ouyang Xi smiled and said: "I heard that you have realized the sword intent of Taiyuan?"

Everyone was taken aback for a moment, Ouyang Xi actually knew that Li Kun understood the sword intent of Taiyuan?

They originally expected Ouyang Xi to come to challenge without knowing anything, and miscalculated Li Kun's strength!

Li Kun said coldly: "I know, you dare to come?"

"Why not dare?"

Ouyang Xi's smile became even more presumptuous.

"Taiyuan sword intent, inherited from ancient times, is said to be the ancestor of the Taiyuan Sword Sect, who cut through the abyss with a single sword, comprehending it, it can be called a sword forever, and its power is terrifying!

Throughout the ages, the disciples of the Taiyuan Sword Sect who have been able to comprehend the sword intent of Taiyuan are all shocking talents, extremely strong, but in the past, the youngest comprehend was also three thousand years old before successfully comprehending Taiyuan. Jianyi, just like that, has been regarded as a rare kendo wizard of a generation! "

"And you, Li Kun, are a hundred times faster than that kendo wizard! At the age of more than 30 years, he can comprehend the sword intent of Taiyuan, and he can be called the first person in the history of Taiyuan Sword Sect!"

Accompanied by Ouyang Xi's voice, Li Kun's waist became straighter and straighter, his face was filled with pride, and the Taiyuan Sword Sect disciples were also excited and excited!

Yes, Li Kun is the pride in their hearts, the idol they worship, and the well-deserved first person in Taiyuan!

But the next moment, Ouyang Xi's eyes suddenly flashed a look of helplessness: "However, in my opinion, Taiyuan Jianyi is nothing but that."

Dead!

The entire fighting arena is dead!

Originally, the excited, blood-boiled disciples, like their brains filled with 100,000 tons of ice, instantly cooled down, and their expressions were stiff!

Many people, the goal of this life is to comprehend the sword intent of Taiyuan!

Now, Ouyang Xi actually said that Taiyuan sword intent is nothing more than that?

So crazy! ! !

"Humph!"

Li Kun looked at Ouyang Xi with a cold expression and snorted. The next moment, he drew his sword without warning and made a move!

He shouted violently, "Is it just that, wait for you to take this sword, let's talk about it!"

Facing Ouyang Xi, Li Kun didn't retreat in the slightest, so he just shot directly!

In Lin Siqi's beautiful eyes, the light was bright, and she smiled excitedly: "Such a man is a man, confident, proud, and looking at the world! Only such a man is worthy of the love of women in the world!"

As he said, Lin Siqi looked at Yue Juu and said, "Rou'er, remember what my sister said, don't be deceived by any kid who comes here. That way, you will suffer."

She obviously refers to Ye Chen!

Yue Rou didn't seem to understand what Lin Siqi meant, and just smiled at Lin Siqi: "Senior Sister, you admire Senior Brother Li so much, when are you ready to accept his pursuit?"

Lin Siqi's beautiful eyes fluctuated and said: "Whether it is winning or losing, after this competition, I will promise him!"

At this time, the ice-blue long sword in Li Kun's hand suddenly rippled with a burst of blue water like water. In an instant, it permeated the entire fighting arena, that was the meaning of Li Kun's true martial arts!

Everyone felt the meaning of real martial arts, and was agitated. At the age of thirty, it was shocking to touch the meaning of real martial arts!

And not only that, in the meaning of true martial arts, a dark sword glow suddenly burst out, and in the sword glow, there is a deep, thick sword intent full of unknown pressure!

It's like a bottomless, inexplicable and terrifying abyss, stretched open in front of everyone!

That is Taiyuan Jianyi!

With a sword coming out, everything sinks, and the meaning of true martial arts is accompanied by the sword intent of Taiyuan. This sword seems to suppress the heaven and the earth, and the sword energy is soaring. On the protective light curtain of the martial arts arena, countless ways suddenly appear. Sword Mark, on the arena made from the above ancient materials, countless rifts were cut out by the sword energy in an instant, and even the void was crazily broken!

Under a sword, like facing the abyss!

Chapter 2873: interesting!

The black sword light became deeper and deeper, devouring everything around it crazily, it was actually true, it was like cutting out an abyss in this fighting arena!

At this time, the disciples of the Taiyuan Sword Sect were all shocked. As a sword repairer, they could even more appreciate how powerful and incredible Li Kun's sword was!

Even Yue Qingshan, the Great Elder and others, all had a flash of light in their eyes, with surprises on their faces!

Li Kun's sword was beyond their expectations! At this age, they can hone the sword intent and the meaning of true martial arts to this level, they have never heard of it, and they can even be recorded in the annals of history!

Is this sword enough to shake the existence in front of you?

Originally, they were not optimistic about Li Kun, because Ouyang Xi was also amazing, but when Li Kun took the sword, their hearts were faint, and a kind of expectation, a kind of hope was born!

With the power of this sword, maybe Li Kun really has a chance to suppress Ouyang Xi!

But Ye Chen did not change his expression at all, and his eyes did not fluctuate!

This sword, in his opinion, is too weak! So weak that he can't take any interest!

Even Li Kun was a bit worse than the Qing Emperor.

Presumably Li Kun has been promoted to this point and took some shortcuts, but the foundation is not stable.

Power is nothing but appearance.

Whether it is Li Kun's true martial meaning or Taiyuan sword intent, it can only be said that it has its shape only, barely, it can be regarded as a touch of a slight edge, and even, can it be called a real touch, it is an edge Two models!

His true meaning of martial arts, to obtain the meaning of being like water, is not the essence. He only pays attention to the change and freedom of water, but ignores water. The real power lies in the accumulation. The so-called not accumulating small currents, why can they become rivers?

What's the use of a creek, even if it changes and is comfortable? A ray of waves in the vast ocean is better than a thousand times!

And this Li Kun's Taiyuan sword intent is even more ridiculous, that ancient sword intent, with the unpredictable deepness of the abyss, and the cruel meaning of breaking through, is not bad! But what about Li Kun?

Basically, it is putting the cart before the horse!

He actually focused on that unpredictable meaning?

Maybe, doing this can be faster and more effective, the power above a sword will skyrocket in an instant, but what is sword intent?

The root of sword intent lies in the sword!

If you lose your sharpness, lose a little cohesive edge, how can you think of a sword? No matter how unpredictable, it's just a paper tiger!

It's okay to deal with martial artists with a low level of martial arts, but once you meet a real master, you can't stand a blow!

Obviously, this Li Kun is too conceited and thinks he has understood everything, but in fact, from Ye Chen's eyes, it is the mud that can't support the wall!

I thought I had taken a shortcut and possessed extraordinary resources, but in fact, I just took a long way out of nowhere.

Even Ye Chen, who did not comprehend the destruction of Divine Dao, had the confidence to easily crush Li Kun with his own martial art!

Of course, this is also because Ye Chen's vision and standards are too high.

After all, how many more martial artists can reach Ye Chen's level? In his twenties, he touched the ruined shrine among the original three realms. This is almost a miraculous feat!

Putting it in the heavens and worlds will shock countless powerful people, I can't believe it!

And Li Kun could touch a hint of real martial arts, and the fur of Taiyuan Jianyi was already very good.

but!

Yes, it is only relatively speaking, Ye Chen knows that Li Kun is not Ouyang Xi's opponent!

At this moment, Ouyang Xi also moved!

The blood-colored long sword in his hand was shining brightly, and a river of blood hovered around the body, turning into an angry dragon, the sword intent was condensed, and the angry dragon roared, turning towards the dark abyss!

Ye Chen's eyes flashed, and it was also the meaning of true martial arts. Ouyang Xi's flying dragon was in the sky, and the meaning of suppressing all things was already regarded as its charm, and with this blood dragon dance sword, it was as violent as a dragon at the same time. Without losing the sharpness of the sword, the balance between the two is almost perfect!

not bad!

This is the meaning of true martial arts, and this is the real sword intent!

In the next moment, that shocking blood dragon collided with the dark and deep Taiyuan sword!

The void was extinguished, and strong fluctuations overflowed. The protective light curtain appeared to be cracked like glass, and the martial arts platform at the foot seemed to be overwhelmed, with large pieces shattered, and the sword light that looked like an abyss, The sword intent, and the meaning of true martial arts like water, collapsed endlessly under the roar of the angry dragon!

The darkness dissipated, the abyss shattered, and the blood floated!

Li Kun's complexion changed wildly, pale in an instant, and his whole person flew back behind him, a ray of blood overflowed from the corner of his mouth, and his eyes were full of incredible color!

how is this possible?

Was his sword broken like this?

His face was extremely gloomy, full of unwillingness, and finally regained his posture. When he was preparing to fight back, a blood-colored long sword was already placed on his neck!

Ouyang Xi stared into Li Kun's eyes and said lightly: "You are defeated."

Li Kun gritted his teeth, not wanting to admit it, but when he felt the cold sword aura of the long sword on his neck, he finally lowered his head and said desperately: "You won."

The whole fighting platform is dead silent!

At the last moment, everyone who was still full of confidence in Li Kun, looking forward to everyone, at this moment, they all looked sluggish and stiff!

Li Kun's invincible sword was actually crushed by Ouyang Xi's move?

Still no suspense, completely crushed?

How perverted Ouyang Xi is!

Before, they all thought that the legend about Ouyang Xi was just an exaggeration. Now it seems that they are all humble and restrained, right?

In the entire fighting arena, the people of the Taiyuan Sword Sect were all gray-faced, a famous disciple, looking at Ouyang Xi's eyes, became more awed and frightened.

Even Yue Qingshan sighed: "The future era belongs to the Blood Yuanzong, because the blood Yuanzong has developed a martial art to control such a wicked Ouyang Xi. Maybe it will be another thousand years. Even me, is no longer its opponent."

Lin Siqi's pretty face was also extremely gloomy.

Everyone was silent. Although Li Kun was amazing, he couldn't compare with Ouyang Xi.

Ouyang Xi smiled, his gaze swept across the faces of the Taiyuan Sword Sect disciples, enjoying their awe expressions. Over the years, the Taiyuan Sword Sect had been suppressing the Blood Yuanzong, but he was finally changed. !

But suddenly, Ouyang Xi's smile solidified, and the look on his face was extremely complicated. He saw a familiar face.

Not Ye Chen, who else?

When everyone saw this, they were all stunned. Who was Ouyang Xi looking at?

They followed Ouyang Xi's line of sight, and saw the indifferent young man sitting there.

Chapter 2874: The strong must not be humiliated!

It was the trash who had deceived Yue Rou, approached the woman by means, and was extremely powerful?

The disciples of the Taiyuan Sword Sect were all gloating on their faces. Although they didn't know the reason, in their opinion, Ouyang Xi's eyes on Ye Chen must be troublesome for Ye Chen.

After all, who would believe that a genius like Ouyang Xi has friendship with a trash like Ye Chen?

Not to mention, Ye Chen defeated Ouyang Xi!

Among them, the happiest and proud one is Lin Siqi. Originally, because Li Kun was defeated in seconds, I regretted that I had to agree to his pursuit and felt depressed because Ouyang Xi stared at Ye Chen and relaxed!

Waste, you deserve to be unlucky, and Ouyang Xi is eyeing you, no one can protect you!

Although Li Kun is not as good as Ouyang Xi, he is also a peerless genius of the Taiyuan Sword Sect. Even Ouyang Xi can't knead it at will. Compared with this waste, the gap can be imagined!

WINK to \$1: Secure Your Spot Now!

But Yue Rou was nervous and worried. If Ouyang Xi really wanted to target Ye Chen, she would definitely ask her father to take action and save Ye Chen!

However, the next moment, Ouyang Xi, who was originally proud and confident, had a wry smile on her face, and her figure flashed before she appeared in front of Ye Chen, and said to Ye Chen:

"Brother Ye, I didn't expect you to be a disciple of the Taiyuan Sword Sect? If I knew that you were in the Taiyuan Sword Sect, I wouldn't have come to worship the mountain. But why didn't you take the stage to challenge? If so, I had already given up."

Quiet!

Very weird quiet!

When everyone heard this, they looked at Ye Chen in disbelief. Didn't they have a hearing voice just now?

Ouyang Xi, actually knew Ye Chen?

Moreover, what else did he say, if Ye Chen came on stage, he would just admit defeat?

Give up to this waste? What are you kidding?

Ye Chen stood up and said lightly: "Master Ouyang, I am not from the Taiyuan Sword Sect."

Hearing this, Ouyang Xi flashed a hint of joy in his eyes, and he was relieved. If Ye Chen really came from the Taiyuan Sword Sect, I am afraid that in this life, the Blood Yuanzong would have no chance to overtake the Taiyuan Sword Sect.

He smiled at Ye Chen and said: "So that's the case, Brother Ye thinks, how about the test just now?"

Ye Chen said: "The gap is too big, and the gap will be even greater in the future."

Ye Chen tells the truth, there is no need to hide, take care of Li Kun's face? He is not interested in taking care of the face of someone who threatened him.

Ouyang Xi, happy after hearing this!

What Ye Chen said, he believed 200%!

It seems that Li Kun wants to surpass himself, there is no trace of it.

But when everyone from Taiyuan Sword Sect heard this, their expressions were completely gloomy!

Ye Chen said that the gap is big, obviously, it refers to Li Kun, which is not comparable to Ouyang Xi!

This kid, who was picked up by Yue Rou, didn't know how to be grateful, but still talking to others?

Now they all have the feeling of being bitten by their own dog!

However, they completely forgot their disgust towards Ye Chen just now!

Ouyang Xi was in a good mood and smiled and said, "Since the competition is over, Brother Ye, do you want to sit in my Blood Yuanzong?" If you can draw Ye Chen to join the Blood Yuanzong, then it is naturally the best!

Ye Chen shook his head and said, "Something else."

He doesn't have time. After he recovers from his injury, he still has a lot to do.

Ouyang Xi did not force it, and said with some regret: "Brother Ye, don't be polite to brother if you have anything to do in the future."

But at this moment, an angry shout, almost hysterical, sounded in the fighting arena!

"You two! In our Taiyuan Sword Sect, what do you play? Are you trying to mock me and wait? Are you trying to say that our genius disciple of the Taiyuan Sword Sect is not as good as a trash? A trash can judge the future at will?"

A beautiful woman stood up, and her beautiful eyes were filled with resentment, hatred, and anger!

She was originally upset because Li Kun was defeated in seconds. Now, when she heard the conversation between Ye Chen and Ouyang Xi, she only felt very ear-piercing!

Especially to Ye Chen!

She stared at Ye Chen fiercely, and shouted directly: "Ye Chen, Rou'er and I, desperately rescued you, brought you back to the sect, and even gave you the opportunity to join the Taiyuan Sword Sect. Now you are united This Ouyang Xi, is here to mock and insult my Taiyuan Sword Sect?"

"I'm wondering, why did you refuse Rou'er's invitation and suddenly say something, someone is watching? Neither Rou'er nor I sensed anything. You sensed it? It's only possible that someone contacted you on the initiative, right? I'm afraid, at that time, Ouyang Xi found you, ready to play this good show with you?"

"Do you think you look down on my Taiyuan Sword Sect when you climbed the big tree of Ouyang Xi? I didn't see it, you are really scheming, and you are really a wolf-hearted thing!"

These words, like a fuse, instantly ignited the entire gunpowder barrel! The disciples of the Taiyuan Sword Sect were all extremely angry and hated the authenticity: "The strength is not good, but the methods are endless!"

"Keep a dog, don't keep this kind of dog that bites its owner!"

"Eat something inside and out!"

"Really a good actor. They say that \*\*\*\* are ruthless, and actors are not righteous. Today, I have seen it."

"That's how you thanked Senior Sister Yue?"

But at this moment, another woman stood up and shouted: "Enough of you!"

This woman is Yue Rou!

When everyone was in a daze, Yue Rou still wanted to help this kid at this time?

Yue Rou was angry, she was never angry, but this time, she was really angry!

"Senior Sister, you are too much!"

With big clear eyes, Yue Rou looked at Lin Siqi: "Before, you had been ridiculing Ye Chen and Ye Chen didn't say anything. Now, how can you slander Ye Chen directly?"

She doesn't understand why everyone thinks other people are so bad, but she knows that if she is so slandered by everyone, she will definitely be wronged!

There is no proof, why do you say that Ye Chen?

"slander?"

Lin Siqi sneered and looked at Ye Chen and said, "Then let's ask this Ye Gongzi, did he go to see Ouyang Xi at that time!"

When Yue Rou heard the words, she also looked at Ye Chen with her beautiful eyes flashing. In an instant, the eyes of the disciples of the Taiyuan Sword Sect were all focused on Ye Chen!

Ouyang Xi is a little dumbfounded!

Originally, Lin Siqi said that when Ye Chen was rescued by Yue Rou, he was still a little nervous, worried that Ye Chen would join the Taiyuan Sword Sect because of this, but now, he is completely relieved!

Are these people cerebral palsy?

Are all eyeballs blind? How dare to ridicule Ye Chen, a god-devil-level genius who has always been forever? Haven't you seen that you are polite to Ye Chen?

This is not to die, what is to die?

The strong must not be humiliated!

Chapter 2875: Not qualified!

In his opinion, that is, Ye Chen has a good temper. If he changes his position, I am afraid that it is possible to kill the entire Taiyuan Sword Sect, right?

However, thanks to these cerebral palsy, he is completely relieved now, Ye Chen is absolutely impossible to join the Taiyuan Sword Sect.

At this moment, he was about to explain, but Ye Chen stretched out his hand to stop Ouyang Xi.

He looked at Lin Siqi lightly and said, "Yes."

Those who are pure are self-clear, and those who believe in him will naturally believe it.

People who don't believe him, no matter how to explain, what's the use?

Everyone stared at Ye Chen with sullen expressions, did they admit this trash?

Lin Siqi laughed loudly and said, "Yue Rou, now, do you still think we are slandering him?"

Ye Chen looked at Yue Rou. At this time, Yue Rou's pretty face turned white, and her beautiful eyes fluctuated, but after a while, she still said firmly: "I want to believe in Ye Chen! Meeting with Ouyang Xi can't explain. , He colluded with Ouyang Xi!"

In Lin Siqi's eyes, an expression of resentment flashed. This Yue Rou, stupid, must have a limit, right?

For this Ye Chen, repeatedly, against himself?

She couldn't vent to Yue Rou, so she cursed at Ye Chen even more vigorously: "Look at what this villain deceived Rou'er into? If he is said to be rubbish, it is to praise him. This man is not as good as rubbish. !"

At this moment, Ye Chen's expression finally became gloomy, and for an instant, an extreme chill swept through the entire arena. Originally, Lin Siqi, who wanted to continue to chatter, closed her mouth instantly, and her blood made her feel frozen. !

The reason why he ignored Lin Siqi again and again, first, was too lazy to care about this kind of ants, and second, and most importantly, it was because of Yue Rou!

Yue Rou was kind to him, and Lin Siqi, although she was extremely unbearable, she was Yue Rou's senior sister after all!

But there are only three things! There is a limit to anyone's tolerance!

Repeatedly mocked himself again and again, he would have done his best if he did not kill Lin Siqi!

But Lin Siqi couldn't believe that she would be stunned by a Slashing Evil Realm, and still bravely said: "You...what are you doing? Are you angry? Before, didn't you keep swallowing it? Why, thanks to Ouyang Xi, Do you have a temper when you stand behind yourself?"

Ye Chen looked at Lin Siqi coldly, and said in a deep voice: "The reason why you are not dead, you should thank Yue Rou. The person who saved me is Yue Rou, not you. You and I are not relatives. You, come to point me to me, be a human, your own face, you don't need to, but if someone else gives you a face, you have to ask for it?"

"Give face, shameless, do you know what it is called? Then, it is called Jian! You should be Jian Xiu, not Jian Xiu?"

Lin Siqi, stunned, Yue Rou, stunned, everyone present was stunned!

Lin Siqi, a true disciple of the Taiyuan Sword Sect, now Ye Chen is insulting the true disciple in front of the Taiyuan Sword Sect!

More importantly, Lin Siqi is a woman Li Kun likes!

Sure enough, a cold, stern voice sounded from the fighting arena.

"Now, kneel down and apologize to Siqi, I can spare your life."

Li Kun is talking!

At this time, Li Kun's injury had recovered, and he stared at Ye Chen, like a poisonous snake!

From Ye Chen, when he said that there was a big gap between him and Ouyang Xi, killing intent was born in his heart!

Even if he is really far from Ouyang Xi, he is not a waste, he can tell!

If you say it, you have to pay the price!

The reason why he dared to tell Ye Chen to kneel down was because he believed that Ouyang Xi would not really do anything for such a waste.

At best, Ouyang Xi used this waste to mock the Taiyuan Sword Sect. What is ridiculous is that this waste really thought she was hugging her thigh and began to arrogant?

Therefore, it does no harm to him.

On the contrary, by crushing this waste, you can re-establish your image in front of a group of disciples, and help Lin Siqi speak, obviously, you can get Lin Siqi's favor!

Do more in one fell swoop!

There was a sneer from the corner of Li Kun's mouth, and there was a reason not to step on this ant?

Ouyang Xi glanced at Ye Chen and said, "Brother Ye, what should I do?"

When everyone heard the words, there was a chill in their eyes, this kid, it's over!

Ouyang Xi did not protect Ye Chen, but asked what to do?

Meaning, obviously, I don't plan to shoot!

Lin Siqi's eyes were full of triumph. Did she make a mistake in judging the waste?

Ye Chen said indifferently: "I will solve it myself."

Everyone almost laughed!

This kid, started to hold on?

I made a mistake in my own judgment, Ouyang Xi didn't make a move, and in my heart, he was panicking and was about to pee, right? On the surface, there is also a sentence, can I solve it myself?

Actor, really an actor!

They seem to be enjoying a funny performance.

solve? You solve it! Li Kun, can you solve it?

Ouyang Xi nodded, he really didn't plan to make a move.

why?

Because there is no such qualification.

He didn't have the qualification to shoot for Ye Chen! It's like playing a big knife in front of Guan Gong.

However, if Ye Chen is too lazy to deal with ants like Li Kun, he doesn't mind, he has solved this little trouble for Ye Chen, so he asked what to do!

As for Yue Rou, her heart was already tight at this time. For the first time in her life, she was so nervous. She saved Ye Chen. Naturally, she would not want Ye Chen to be injured again!

However, when things have reached this point, even her can't stop it!

While she was nervous, there was a trace of expectation in her heart...

Looking forward to Ye Chen's performance!

Yue Rou, although innocent, she is not stupid at all. The battle fluctuations a few days ago, Ye Chen, who fell in the valley, and Ouyang Xi's attitude towards Ye Chen, Ye Chen always had a calm look. Everything seems to be connected in series.

This result, although it looks incredible, is the only one that can explain the existence of all this!

That is, Ye Chen's strength is against the sky! The sky is so unimaginable!

Ye Chen looked at Li Kun and said lightly: "I originally thought you were mud and could not help the mud on the wall. Now, I found that I was wrong."

"You are not even mud, you are just a mess that makes me sick."

...

Silently, the whole world seemed to be quiet, even the sound of breathing disappeared...

Everyone is going crazy!

Scolding Li Kun is a tuoxiang? Even Ouyang Xi, dare not say that, right?

At the next moment, Li Kun was furious! Angrily like a mad beast, on the ice blue long sword in his hand, the sword intent suddenly surged towards Ye Chen, like a torrential wave, slashing fiercely!

The meaning of Zhenwu and the sword intent of Taiyuan entangled and spread, and the flood came along with the abyss, and everything about Ye Chen was swallowed up!

Chapter 2876: The power of Ren?

This sword is extremely violent. It is more ferocious and terrifying than the one cut out when fighting with Ouyang Xi. The entire space, under the power of this sword, trembled and became unstable!

After all, it was just a discussion with Ouyang Xi, but Ye Chen was murderous!

This sword came to Ye Chen in the blink of an eye. Although Li Kun was furious, he did not forget to glance at Ouyang Xi. Sure enough, Ouyang Xi was motionless!

The sneer on Li Kun's face became more and more eye-catching. His judgment was not wrong. This waste was already dead!

At this moment, Ye Chen also moved, but his hands were empty, without using any weapons!

Instead, they raised their swords together and cut towards Li Kun!

Li Kun is not qualified to let him out of the evil sword!

WINK to \$1: Secure Your Spot Now!

Fingertips, a touch of destruction bloomed, blending into the sword light that accompanied Ye Chen's sword fingers to cut, the next moment!

The abyss on Li Kunjian, the violent stormy waves, dissipated in an instant!

Almost inexplicably dissipated, let alone the people present, even Li Kun himself did not understand what happened just now!

"Come here!" Ye Chen let out a low voice.

Li Kun's pupils contracted, and the terrifying force that turned his sword into nothingness appeared again!

Before Li Kun could react, his body flew upside down in an instant, slamming against the protective light curtain, and the entire fighting arena was shaking!

The blood burst out, and Li Kun, like a puddle of mud, slowly slipped down from the light curtain...

Until then, Li Kun let out a scream!

A terrible scream!

Destroying breath, invading his body, is destroying his body frantically!

The meridians, flesh and blood, and dantian were all shattered by the aura of destruction!

But this scream brought the Taiyuan Sword Sect people who were shocked to the point of collapse into reality again!

Seeing Li Kun's horrible look covered in blood, they all shuddered involuntarily, the trembling of the soul!

Ye Chen, was so terrifying to this point?

Is that human being?

With just two fingers, Li Kun's sword was directly crushed into dregs?

Ye Chen's expression was faint. The reason why he didn't kill Li Kun was because the destruction aura entered the body, which could not be recovered. Not everyone was as against the sky as himself.

Although Li Kun did not die, there is no difference between death. From then on, a generation of stunning geniuses has become a linked, untouchable waste, and keeping him alive is more painful than killing him directly.

At this moment, a burly man stood up and looked at Ye Chen sharply.

He is the elder Xu Zhao of the Taiyuan Sword Sect. It seems that although he is still middle-aged, he is already tens of thousands of years old. He was in the middle of the Heavenly God Realm many years ago, but it was a pity that he was injured in a battle and fell to a half-step Heavenly God Realm! Unable to restore! You can only set up a sword sect and give your insights to your disciples!

Of course, it is not something ordinary people can shake!

Xu Zhao is also Li Kun's master!

Li Kun saw Xu Zhao standing up, and screamed incomparably: "Master, take revenge for me!"

But at this time, Xu Zhao didn't even look at Li Kun at this time, but he spoke to Ye Chen very severely: "Young man, Li Kun is my disciple and also the hope of my Taiyuan Sword Sect, you Don't think, you beat him like this, too much?"

Ye Chen said indifferently: "What if it is too much?"

Arrogant!

Xu Zhao, unlike Li Kun, is a real half-step Celestial God Realm veteran powerhouse, but in the face of Xu Zhao, Ye Chen still refuses!

Xu Zhao said coldly: "Too much, naturally you have to pay the price. You now have two ways to pay the price. One is to become a disciple of my Taiyuan Sword Sect and also a disciple of Xu Zhao. Second, I will make you a peace. Li Kun is seriously injured, you, choose yourself."

Everyone, can't speak...

Xu Zhao gave a stern tone, but it was clear that he wanted to win Ye Chen!

Moreover, he is directly a true disciple! It directly replaced Li Kun!

Originally, Li Kun, the pride of the Taiyuan Sword Sect, is now like a pool of rubbish. No one is willing to look at him more...

This is reality, reality, it is so cruel.

An abandoned genius has no value.

Li Kun was stunned, collapsed, desperate, and even the physical pain was ignored, his eyes dimmed completely, his mood collapsed...

As for Lin Siqi, her pretty face was pale, her blood was flowing backwards, and she was constantly shaking. She didn't expect Ye Chen to have such strength against the sky!

I, I just mocked Ye Chen, colluded with Ouyang Xi, and mocked Ye Chen, swallowing his anger?

What a joke!

With Ye Chen's strength, do you need to collude with Ouyang Xi and use these little tricks? With Ye Chen's strength, need to swallow her anger?

Ye Chen is really tolerant, too lazy to care about her! She regarded Ye Chen's tolerance as cowardice!

This is completely looking for death!

She was so horrified that she would be incontinent. If Ye Chen really joined the Taiyuan Sword Sect, from now on, Lin Siqi would be tortured to death, right?

The best result may be expelled from the sect!

But the next moment, Ye Chen said lightly: "I also have a way, do you want to listen to it?"

Xu Zhao nodded and said, "You said it."

A genius of Ye Chen's level is qualified to negotiate terms with the Taiyuan Sword Sect.

Ye Chen stretched out a finger and said: "One move."

"One move?" Xu Zhao was a little confused, what did Ye Chen mean?

Ye Chen said: "As long as you can support a move in my hands, I will join the Taiyuan Sword Sect."

"On the contrary, your Taiyuan Sword Sect wants to give me something, anything except the treasure of the town Sect."

shocked.....

Everyone felt that they were going crazy by Ye Chen...

There is no limit to this person, and everything will be unexpected and unpredictable!

And Xu Zhao stayed for a while, and the next moment, an angry expression appeared on his face: "Are you sure? Boy, you look down on the deity too much, right?"

At the same time, Xu Zhao's eyes were full of joy. He has lived for tens of thousands of years, so how can he get angry so easily?

With one move, he could accept a disciple like Ye Chen, that would be a big profit for him! It's too late to be happy! What is it to be humiliated?

However, he did not relax in the slightest. With this move, he intends to use his full strength without killing Ye Chen!

Otherwise, he is not sure to win Ye Chen!

As for the serious injuries, it's nothing. If you get serious injuries, the Taiyuan Sword Sect will go bankrupt, and Ye Chen will recover!

What about Li Kun? Xu Zhao and Yue Qingshan didn't know how Ye Chen did it, but it can be seen that it is difficult for Li Kun to recover. Even if his family is bankrupt, he may not be able to do it.

Moreover, Li Kun, although the evildoer, there is no evildoer to the point where the Taiyuan Sword Sect is ruined.

Ye Chen has this qualification, this is the gap!

Ye Chen heard the words and smiled faintly: "Before this, let me rest for ten minutes."

"Good." Xu Zhao naturally agreed.

...

Soon, Ye Chen came to a quiet secret room.

Surrounded by aura in the secret room.

He took out the black stone, placed it with Divine Mind, and instantly came to the reincarnation cemetery.

Although Xu Zhao's cultivation base is only half a step in the Heavenly God Realm, the martial art charm is extremely terrifying. After all, the cultivation base is not low, Ye Chen knows that it is impossible to defeat the opponent with one move.

As for why he said this condition, it was entirely because of the sound of the reincarnation cemetery!

The sound comes from Lingtian Arrow God!

The biggest benefit of this period of time is that Ling Tian Jianshen recognized himself a little bit more!

At least willing to do it for yourself!

At this moment, Ye Chen looked at Ling Tian Jian Shen in front of him curiously: "Senior, why do you want me to make such a mad promise?"

Ling Tian Jian Shen's eyes narrowed slightly, and a smile appeared: "If you don't, how can you get good things from this sect?"

Ye Chen was startled: "What good thing?"

Ling Tian Jian Shen's gaze fell on the half-handled Dust Falling Dragon Sword given by the mysterious senior Ren from the top of the ten thousand gods!

Suddenly, he opened his mouth and said: "It is interesting that the other part of the Luochenjiang Dragon Sword is actually in the Taiyuan Sword Sect!"

"If you condense it and extract it again, maybe you can get a strength from that master!"

At this moment Ye Chen is excited!

The master of Luochenjiang Dragon Sword is Senior Ren!

It was extremely mysterious and the strongest existence he had ever seen!

One force can destroy the existence of the entire kingdom of God!

If you get a trace of strength from the opponent! It's enough to save your life!

How can he not get excited!

Chapter 2877: Looking for the Lord!

The key point is, why did part of Senior Ren's Falling Dust Dragon Sword appear in the Taiyuan Sword Sect?

Lingtian Arrow God seemed to have guessed what Ye Chen was thinking, and said: "The Taiyuan Sword Sect is respected by swords, and it was estimated that the Taiyuan Sword Sect participated in the first battle in the Temple of the Gods, which was an unexpected result. "

"And judging from all the signs, part of the martial arts meaning of the Taiyuan Sword School may come from the half-falling dust-falling dragon sword."

"This makes the Taiyuan Sword Sect an existence that is not weaker than the first-class forces of the First Kingdom of God."

Ye Chen suddenly.

He even wondered, could Yue Rou's inexplicable affection for him just because of the half-handled falling dragon sword lying in the reincarnation cemetery?

Yue Rou has good aptitude, and his bloodline is a little special, so it's not impossible to feel such a keen sense.

But here comes the problem, although I know that the Taiyuan Sword Sect has that half of the Falling Dust Dragon Sword! But he is not necessarily the opponent of the Taiyuan Sword Sect Elder!

The opponent's strength and perception are simply beyond your own reach!

Although the opponent's cultivation base is in the half-step Heavenly God Realm, his strength is definitely in the early days of Heavenly God Realm!

This kind of opponent had never been met by Ye Chen.

Ye Chen raised his head, his eyes fell on Ling Tian Jian Shen: "Senior, are you willing to make a move?"

Ye Chen knew that among the many powers of the reincarnation cemetery, Lingtian Arrow God was the only one who could rely on now.

However, Ling Tian Jian Shen shook his head: "I won't make a move."

what!

Ye Chen was stunned!

If Ling Tian Jianshen didn't make a move, how could he move the elder of the Taiyuan Sword Sect!

This bull is too big!

The key is that the energy of Lingfeng's divine veins has not been absorbed yet!

Ling Tian Jian Shen smiled slightly, stretched out his hand, pointed in a direction rather coolly, and said lightly: "Are you not curious about the new power of the reincarnation cemetery?"

"New power?"

Ye Chen's eyes shrank, and then he felt something was wrong.

In the reincarnation cemetery, a tombstone is shining!

This is a standard that can be motivated!

Ye Chen was short of breath, walking towards the tombstone step by step!

Not yet approaching, I felt a trembling dragon's roar resounding! Go straight to the eardrum!

"Who is this....."

Ye Chen's eyes fell on the gilded text on the tombstone!

The four characters of the immortal dragon emperor seem to describe the majesty of an ancient strong man!

How many people dare to be called Dragon Emperor!

How many people dare to speak up!

Ye Chen stretched out his hand, his five fingers touched the tombstone!

Suddenly, a strong wave of air swept over!

With such a cultivation level, Ye Chen was shocked by dozens of steps!

And the reincarnation cemetery, billowing smoke and dust! Covered Ye Chen's sight!

After a few seconds, the smoke and dust gradually dispersed!

The figure of a burly man is revealed!

The man has black hair, cold blood in his eyes, and his upper body is naked. The whole body is covered with extremely \*\*\*\* and majestic dragon tattoos.

Dragon pattern is a man's armor!

And there was a faint purple glow on the dragon pattern that filled the whole body.

With this temperament alone, Ye Chen felt the emperor's presence!

Even far surpassed that monster blue emperor!

For example, the coercion that the Demon Clan Qing Emperor brought to Ye Chen was ten, then the feeling that the Immortal Dragon Emperor brought to Ye Chen was one hundred thousand!

Indestructible Longdi glanced around, then stared at Ye Chen for five seconds!

Finally, he said: "It seems that there is a problem with my body, otherwise this divine mind will not appear here so quickly."

"There is not much time left for my body."

"Boy, you are willing to go to the Heavenly Dao Palace for me!"

Ye Chen was startled, he was the first time he encountered Da Neng's awakening and made a request to him!

However, Ye Chen didn't talk nonsense. The Heavenly Dao Palace is his enemy. He should have gone: "This senior, if I have enough strength, I will definitely break the Heavenly Dao Palace! This is a favor, I am willing to help!"

Emperor Immortal Long glanced at Ye Chen with admiration, and then said: "In the Slashing Evil Realm, you dare to say that you will break the Heavenly Dao Palace. You may be the first person.

"However, don't worry, my body can support some days. This matter must be laid out slowly."

"At the moment, you seem to be in trouble."

"In that case, when we meet for the first time, I will give you a meeting gift!"

In the next moment, a drop of blood was suspended in the hands of the Immortal Dragon Emperor!

As soon as that drop of blood appeared in the reincarnation cemetery, it brought the ultimate coercion to Ye Chen!

Even the blood of reincarnation and the body of the sky demon began to boil!

Indestructible Dragon Emperor's arm shook, and the blood was pouring toward Ye Chen's eyebrows!

The next moment, Ye Chen's breath rose instantly!

Both hands seem to hold endless power!

"This is..." Ye Chen's eyes were a little unbelievable!

The Immortal Dragon Emperor was holding his hands behind him, and the dragon patterns all over his body were flowing. He said indifferently: "This is the Dragon Soul Blood of the Emperor, which can improve your strength in a short time. The one outside is enough to deal with."

"This dragon soul blood is extremely precious, don't lose the face of this emperor!"

Ye Chen's eyes condensed and he was extremely confident: "Dragon Emperor, don't worry, with Long Nian Soul Blood, there is more than enough to deal with that elder!"

At the same time, the first kingdom of God, a figure suddenly rushed in.

He was panting heavily, with some blood still on his body.

It's just the blood of others.

If Ye Chen were here, he would definitely find that this person was Ye Lingtian.

Ye Lingtian glanced at the jade pendant in his hand and muttered: "This is the first kingdom of God?"

"This thing can actually break through the obstacles of the seventh and the first kingdom of God?"

"It's just that, how do you find the hall master next?"

At this moment, Ye Lingtian was in trouble!

If he was in the seventh kingdom of God, he would have the means to determine the position of the hall master!

But the masking atmosphere of the First Kingdom is extremely strong!

Just when Ye Lingtian was at a loss, the void in front of him suddenly fluctuated!

Then, the figure of an old man appeared in front of him!

This old man is no one else, but the eternal holy king!

"Forever!"

Ye Lingtian's eyes were overjoyed, but he knew that Ye Chen was always immortal along the way!

Seeing Yong Lao, you will definitely know the whereabouts of Ye Chen!

The Eternal Saint King glanced at Ye Lingtian and said in surprise: "I thought it was an illusion, but I didn't expect it to be you."

"How did you enter the first kingdom of God?"

Although many people have successfully entered the First Kingdom of God, the barriers of the First Kingdom of God and the seventh Kingdom of God are not something ordinary people can break.

Unless the guardian and some people with special identities, it is almost impossible for ordinary people to cross this barrier.

Even the current status of Shenjizong is not good.

Ye Lingtian took out a jade medal and said excitedly: "Older Yong, this was sent to me by Shenjizong, saying that the lord of the palace is in the first kingdom of God, let me go quickly."

"As for what happened after coming to the First Kingdom of God, that person didn't explain it."

The Eternal Saint King glanced at the jade card and thoughtfully: "It seems that it is Ji girl's plan, whether you come to the first kingdom of God, the first kingdom of God, in a sense, belongs to you and Ye Chen. , Maybe, you should also go and see the past."

Chapter 2878: too young!

In the next second, the hip flask around his waist suddenly came out!

The hip flask is instantly enlarged, just like a flying boat!

"Ye Lingtian, come up, I don't have much time. I will send you there to meet Ye Chen."

When Ye Lingtian heard these words, his eyes were happy, and he stepped onto the giant gourd!

"Ling Tian thanked Yong Lao here!"

Before the words were finished, the giant gourd disappeared in place like a thunder.

As if never appeared.

...

Taiyuan Sword School.

Outside a door, countless disciples stared at that door.

Intently.

Just because everyone present knows that once the door is opened, there will be a shocking battle!

They are also curious about how an ant in the Evil Slashing Realm can challenge the once half-step Heavenly God Realm powerhouse in one move, even if it is against the sky!

This is almost impossible!

Even with what happened just now, everyone present dare not despise Ye Chen.

But Ye Chen will face the elders of the Taiyuan Sword Sect next!

"Crack!"

Suddenly, the door opened!

A young man appeared in front of everyone!

The youth's expression was indifferent, with his hands behind him, and the whole body exuded a misty breath.

This person is Ye Chen, yes!

But everyone felt that Ye Chen seemed a little different!

As for what is different, they can't tell at all!

What can Ye Chen change in such a short time?

Ye Chen came to the martial arts arena, his eyes closed tightly, as if he were an outsider.

"Go ahead."

If it were to provoke the Indestructible Dragon Emperor, Ye Chen might not dare to do so.

But when the drop of blood of the Indestructible Dragon Emperor gathered all over his body, Ye Chen had this confidence!

And the power of this drop of blood has a time effect!

Ye Chen must fight quickly!

However, Ye Chen's words made everyone present take a breath!

He actually let Xu Zhao, a senior, take the shot first?

This is too crazy!

Xu Zhao's eyes flashed with coldness and caution!

He even licked his lips with his tongue out, as if staring at the prey.

The next moment, Xu Zhao moved!

He didn't say much nonsense, Ye Chen asked him to take action first, he was eager!

In order to accept Ye Chen, what's important about the face?

He flipped his wrist, and a gray epee appeared in his hand!

The epee has no edge, and it doesn't work!

Xu Zhao let out a low cry, and the spiritual power of the heavenly gods all over his body exploded completely. The strong muscles, like angry dragons, roam around the body. The terrifying force makes the void around Xu Zhao It's slightly distorted!

The next moment, that surging spiritual power, and the mighty power, poured on the gray and white epee, and slashed out fiercely!

The meaning of Zhenwu, accompanied by the sword intent of Taiyuan, lingers on the gray and white epee, turning into a mighty sword!

Ye Chen narrowed his eyes, and Xu Zhao, who also cultivated Taiyuan sword intent!

However, compared with Li Kun, it can be described as one place every day!

This sword has the unpredictability of the abyss and the sharpness of the sword!

Yes, it is Fengrui!

Who said that an epee can't be sharp?

The heavy sword, if you want to cultivate to the extreme, heaviness and sharpness are indispensable!

The power of a sword has shaken the world and the earth, distorted, but extremely restrained!

Too terrifying, terrifying, and numb!

Even Ouyang Xi, who is a peerless genius, is full of horror, so strong, is this the strength of the veteran strong?

Even if he recognized Ye Chen incomparably, he felt that Ye Chen was too big to face Xu Zhao.

At this moment, Ye Chen also moved!

A dark long sword appeared in Ye Chen's hands!

If someone takes a closer look, they will definitely find that Ye Chen's arm is swimming with an extremely mysterious dragon tattoo!

This time, Ye Chen did not use the body of the sky demon and the blood of reincarnation, but the divine light in his eyes, looking for the flaw in Xu Zhao's sword!

Suddenly, Ye Chen's eyes lit up, and his body was surging with great strength, the meaning of true martial arts, surging out, above the evil sword, the blood shining brightly, the billowing sword light, like the falling of the heavens and stars, slashing towards Xu Zhao. go with!

In the sword light, there is an aura of destruction!

Even accompanied by a shocking dragon roar!

In an instant, Ye Chen's sword collided with Xu Zhao's sword!

At this moment of contact, Xu Zhao's pupils shrank, almost frantically!

In Ye Chen's sword, there was an aura that made him tremble!

what is that? This kind of rhyme, this kind of martial arts power, he has never heard of it!

The only thing that can be felt is terror!

Extremely scary!

Taiyuan sword intent, as well as Xu Zhao's intent of true martial arts, began to be defeated the moment he touched Ye Chen Jianmang!

However, Xu Zhao is worthy of being a strong veteran. He has extremely rich combat experience. Even if the sword intent and sword light are defeated, he does not shrink at all. Instead, he completely exploded the weight of the gray epee and the power of a dragon. !

At the corner of Xu Zhao's mouth, a smug smile appeared.

Ye Chen, you are indeed terrifying, just talking about the meaning of martial arts, has surpassed me too much, but after all, it is still too young!

I am not only a sword repairer, but also a physical repairer!

Xu Zhao's strength has already broken his limit!

Is it Ye Chen who can bear it?

But at the moment when the power in the weapons in the hands of the two was completely transmitted, Xu Zhao's expression was frozen.

If his power is like a waterfall across the sky, Ye Chen's power is a vast ocean!

Incomparable!

He thought that his own power, breaking through everything, was even the limit of human beings, but today, he knew that he was just a frog in the bottom of the well!

And what he faced seemed to be a huge dragon!

There was not much time left for Xu Zhao to reflect and sigh. In the next moment, his body flew upside down in an instant, rumbling and crashing down the Taiyuan Sword Sect and countless buildings!

And this fighting arena, almost to be hit by this, crashed into ruins!

Silence, after a long silence...

Amidst the gravel, there was a sound...

Xu Zhao climbed out and looked at Ye Chen's gaze, afraid after a while!

At this time his injury was not light, but he was very lucky!

He knew that Ye Chen had stopped, otherwise, he would be dead...

His mind was still in chaos, but looking at the young man in front of him, a sense of awe suddenly rose in his heart!

Subconsciously opened his mouth and said: "I, I lost!"

At this time, the original silence was broken in an instant, and the disciples of the Taiyuan Sword Sect were a sensation!

The elder of the Taiyuan Sword Sect, who used to be in the Heavenly God Realm, and later fell into a half-step Heavenly God Realm, was defeated by Ye Chen with a sword?

If this spreads out, the entire First Kingdom of God will be turbulent, right?

Even Yue Qingshan had the look of seeing a ghost, but Yue Rou was extremely excited and excited!

She guessed right, and sure enough, the terrifying fluctuation that day was caused by Ye Chen!

Chapter 2879: The relationship between Ren and Shenyi Stone

However, Lin Siqi completely collapsed to the ground, she was so frightened that she was unconscious, her body convulsed constantly, foaming at her mouth!

This was in the Taiyuan Sword Sect, who was originally a glamorous woman like a star holding the moon, but at this time, no one cared about her. Like Li Kun, she was directly ignored by everyone.

With a move, Yue Qingshan appeared in front of Ye Chen with Yue Rou. With a polite smile on his face, he arched his hands to Ye Chen:

"Gongzi Ye, it's polite. I heard that Rou'er knew Ye Gongzi when she was collecting medicine? Haha, this is really fate. There was a lot of unhappiness today. On behalf of the Taiyuan Sword Sect, I apologize to Ye Gongzi and hope that Ye Gongzi will see For Rouer's sake, forgive me for waiting!"

Everyone was in a daze, the Taiyuan Sword Sect, the sovereign of the hidden power of the First God Kingdom, Yue Qingshan, actually took the initiative and apologized to Ye Chen?

The identity of Yue Qingshan is a pivotal existence in the entire First Divine Kingdom. Even if it is the ancestor of Ten Thousand Fazong, Kong Chi, he may not be qualified to make Yue Qingshan apologize, right?

But now, facing Ye Chen, a young man in his twenties, Yue Qingshan apologized. Moreover, when Ye Chen destroyed the Taiyuan Sword Sect genius Li Kun and seriously injured the Great Elder Xu Zhao, apologize!

Everyone couldn't help it, swallowed, and no one believed it, right?

To be honest, Yue Qingshan, how angry?

gas! He can't wait to beat Ye Chen directly, and then force him to join the Taiyuan Sword Faction...

However, he dare not...

So, the best choice right now is to apologize to Ye Chen, and, through Yue Rou's kindness to Ye Chen, build a good relationship with Ye Chen!

Ye Chen, it's just so terrifying! Able to let the pinnacle powerhouse of the first kingdom of God succumb to it by his power alone!

Yue Rou was also blushing at this time, and said to Ye Chen a little shyly: "Ye Chen, I'm sorry, I also apologize to you on behalf of Senior Sister, on behalf of Senior Brother Li, and all the disciples!"

Ye Chen looked at Yue Rou, his eyes softened and said, "It's okay, just forget the past."

Yue Rou rescued him, and in the end, insisted on believing him. Ye Chen still had a good impression of Yue Rou. Since Yue Rou had pleaded, Ye Chen didn't plan to pursue it anymore.

Yue Qingshan was overjoyed when he heard the words: "Hahaha, okay, Ye Gongzi, in the future, you will treat the Taiyuan Sword Sect as your own home. You are welcome. You are Rou'er's friend, that is, our Taiyuan Sword Sect is our own!

By the way, Ye Gongzi, I think you are hurt. We Taiyuan Sword Sect, there is a Yangxin Garden, living in it, it is very good for recovering from the injury. If Ye Gongzi doesn't dislike it, please come first. Stay in Yangxinyuan. "

Ye Chen heard the words and nodded and said, "Then thank you, the head of Yue."

Ouyang Xi's face changed, this old fox would really win people!

However, he had nothing to do. Who told Yue Rou to save Ye Chen?

Yue Qingshan smiled and said, "Then Rou'er, take Master Ye to Yangxinyuan to rest first."

He was determined, although Li Kun was damaged, but compared with Ye Chen's friendship with Ye Chen, perhaps, it was their Taiyuan Sword Sect that made it!

This time, Yue Rou did a great job!

However, Ye Chen did not leave, but opened his eyes with slightly condensed eyes: "Yue Zhangmen, Guizong had a bet with me before, can it still count?"

Yue Qingshan was startled, and immediately laughed: "Naturally counts! I will help you decide what you want!"

Ye Chen didn't intend to tell the story about the Dragon Sword in the Fall of the Dust. He could only say: "I stepped into the Guizong and seemed to feel something that once belonged to the top of the ten thousand gods. I wonder if Guizong has it?"

Yue Qingshan's face changed slightly, he hesitated for a few seconds, and still said: "I know what Ye Gongzi wants, it must be that magical stone."

"Shenyi Stone?"

Ye Chen was a little confused, what he wanted was a broken sword, not a stone!

Is the broken sword hidden in the magic stone?

...

Yangxinyuan is not only a good place for healing, it is also the highest standard housing among the Taiyuan Sword Sect.

It is much more advanced than the master's residence!

Originally, only ancestor-level distinguished guests are eligible to live in Yangxinyuan.

But Yue Qingshan did not hesitate to let Ye Chen live here.

As the lord of a sect, he knows that this man's future achievements are absolutely extraordinary!

Yue Rou took Ye Chen into the Yangxin Garden and made a pot of spirit tea for Ye Chen. The two sat at the table in the luxurious and spacious room, which looked a little empty.

For some reason, sitting and sitting, Yue Rou's face turned redder and red. From the very beginning, she was inexplicably attracted by Ye Chen, and in the fighting arena, Ye Chen's demeanor was in Yue. Rou's heart left an indelible impression.

And... Besides, his father also asked himself to get along well with Ye Chen and increase the relationship. What should I do?

She didn't understand very much, but at this moment, the lone man and the widow were facing the sitting room, but Yue Rou could feel something vaguely. She did not know whether the spirit tea in her hand was too hot or the temperature had risen. I feel like it's getting hotter in the room...

Ye Chen looked at Yue Rou's appearance, a bit funny, and couldn't help but say: "What are you thinking?"

"what!"

Yue Rou was startled, her little hand trembled, and all the tea in her hand spilled out.

She flicked the hair around her ears, as if trying to hide her nervousness, she hurriedly said: "I...I'm thinking, Ye...Big Brother, can you point me to swordsmanship..."

Ye Chen smiled and said: "This is naturally no problem, but not now. I have injuries. I need to heal them first."

Ye Chen and Ling Tian Jian Shen had communicated a lot, and he understood the connection between Shen Yi Shi and Luo Chen Jiang Long Sword.

The strength of Senior Ren probably radiated from the Shenyi Stone.

What is a magic stone?

The so-called Shenyi Stone is a kind of treasure that can hold the charm and artistic conception. The reason why the sword intent of the predecessor has not disappeared for thousands of years and has been preserved today is the credit of this Shenyi stone.

Of course, there is one more everyone does not know!

I am afraid that someone from the sect has moved his hands and feet in the Shenyi Stone!

Place the tip of the Luochenjiang Dragon Sword in it!

And the point of the sword contains the power of Senior Ren!

Yue Rou rescued herself, and Ye Chen naturally wanted to repay. His plan was to take away the tip of the sword after his body was completely recovered, and leave a sword intent of his own in this magic stone!

Don't underestimate Ye Chen's sword intent, it contains the sword intent to destroy the divine way and the Lingxiao martial intent, and it is an existence that is extremely suitable for the understanding of the Taiyuan Sword Sect! For the Taiyuan Sword Sect, this is a great fortune! !

As long as you can comprehend a little bit of it, it is enough for the strength of the entire Taiyuan Sword Sect, and it will be greatly improved!

But Yue Rou heard the words, but a sense of loss flashed in her clear big eyes, like a wounded little rabbit, standing up and saying: "Then, Big Brother Ye, please rest first, I...I will see you tomorrow. "

Chapter 2880: Lingtian Arrow God's guess!

She actually wanted to get along with Ye Chen for a while, but Ye Chen's words seemed to drive her away.

After that, Yue Rou turned and walked outside the door as if running away.

Ye Chen looked at Yue Rou's back, with a helpless smile on her face, shook his head and said, "Come back."

Seeing this girl's appearance, Ye Chen couldn't bear it.

Yue Rou turned around, looking at Ye Chen with watery eyes.

Ye Chen said: "You first use a sword technique, let me see."

Yue Rou heard the words, and in her beautiful eyes, a smile of joy appeared: "Okay!"

In fact, she was not happy that Ye Chen taught her sword skills, but was able to get along with Ye Chen more.

At the next moment, Yue Rou held a white long sword in his hand, elegant and agile, and the long sword in his hand, the sword intent flowed, was equally light and agile!

A good sword.

However, Ye Chen's figure suddenly appeared beside Yue Rou. One hand grabbed her delicate and white wrist, one hand touched Yue Rou's shoulder, and the two of them were touching each other. Breath can be heard.

Yue Rou's face suddenly resembled a sunset glow, red and gorgeous! The body is hot!

She was so close to the opposite \*\*\*\* for the first time!

Ye Chen didn't think much about it. He just treated Yue Rou as his own sister and said, "Rou'er, don't be distracted. With the sword just now, I will do it again. This time, I will help you correct your posture. At the same time, You operate your spiritual power according to the method I said."

Ye Chen didn't have any other ideas. He did this to help Yue Rou, correct her bad habit of using swords, teach her how to use spiritual power correctly, and make this sword perfect.

Yue Rou was taken aback when she heard the words, and then nodded, and with a sword out, Ye Chen grasped Yue Rou's wrist and slightly changed the trajectory of the sword light. At the same time, the arm that embraced Yue Rou's waist forcefully moved Yue Rou's body. Softly in Yue Rou's ear, teaching her how to use spiritual power.

At the beginning, Yue Rou could not calm down, her body was hot, but soon she entered the state. After all, she was also a martial artist, and she was also a martial artist with extremely good aptitude!

Immediately, I was attracted by Ye Chen's teaching!

Soon, a sword aura surged out of Yangxin Garden. Yue Rou looked at the long sword in her hand in disbelief. Was the shocking sword just cut out by herself?

Simply, incredible!

Ye Chen's simple guidance has raised her sword skills to a higher level!

Ye Chen smiled faintly: "Go back to enlightenment, and when you have mastered this sword completely, I will teach you something else."

Yue Rou nodded heavily and said, "I see! Big Brother Ye, you are amazing!"

After that, he ran to his room excitedly.

Ye Chen shook his head. This girl is really innocent, but Ye Chen doesn't hate this kind of personality.

He sat cross-legged in the room, did not immediately start healing, but flipped his wrist, and the evil sword appeared in his hand. At this moment, above the evil sword, a light flashed.

A purple spar fell into his hand.

Ye Chen stared at the purple spar in his hand. Is this the thing that drew the power of the upper realm? However, he had never heard of such things in the corpses of the Heavenly Demon Race.

Ling Tian Jian Shen, who had dealt with the Heavenly Demon in the ancient times, said, "Perhaps, since the ancient times, after the death of these extraterritorial Heavenly Demon, the purple spar in the body was absorbed by the power from the higher plane. "

Ye Chen frowned and said, "But, even so, no one has ever noticed it, right?"

According to Lingtian Arrow God, the power of the vortex is extremely hidden, and ordinary people can't find it at all, but even if the power of the vortex, no one noticed, the purple spar disappeared inexplicably, someone should have noticed it?

Let alone the disappearance of the purple spar, even the existence of the purple spar has not been passed down!

Upon hearing this, Ling Tianjian said with some solemnity: "In that case, there is a possibility..."

"What?" Ye Chen asked curiously.

Ling Tianjian said divinely: "That is, everyone who knows about this has been silenced!"

Ye Chen was shocked when he heard this!

Anyone who knew about it was silenced?

He looked at the purple spar in his hand, his eyes flickering, what exactly is this thing, it is so important that the people of the upper realm will come across the boundary and kill the insider?

"Ling Tian Arrow God, do you recognize this purple spar?"

After Ling Tian Jian Shen indulged for a moment, he said with some uncertainty: "If, I guessed right, this spar is probably the legendary purple stone!"

"Purple Cloud Stone?"

Ling Tian Jian Shen Dao: "The legendary purple stone is derived from the origin of reincarnation that gave birth to the heavens and worlds. In the origin of reincarnation, there are three kinds of divine stones, namely, the purple stone, the jade stone and the \*\*\*\* stone.

Zixiao Stone is the lowest kind of \*\*\*\* stone, but it is also extremely precious! For the martial artist, refining it will have endless benefits, whether it is physical body, soul, or spiritual power, it can be greatly improved!

If this thing is really a purple stone, it is really possible to attract the existence of the upper realm! "

Ye Chen nodded and said, "So, this extraterritorial celestial demon, maybe it is related to the origin of reincarnation?"

If this is the case, the battle between humans and demons tens of thousands of years ago was probably a conspiracy to plunder the purple stone!

It is very possible that a certain upper realm exists and discovered the secret of the alien demon, but for some reason, he could not commit suicide and destroy the demon clan. He had to trigger a war and rely on countless human blood to satisfy his desires!

In Ye Chen's eyes, a cold light burst out. If such a person really exists, then this person should be dead to the extreme!

"By the way, Ye Chen, there is one more thing you need to know!" Ling Tian Jian Shen hesitated for a moment.

Ye Chen was startled, and said in surprise: "What?"

Ling Tian Jian Shen said incomparably solemnly: "The reincarnation star stone and the structure of this reincarnation cemetery, I suspect it may be related to the highest level and the rarest Shenxiao stone."

"Although I haven't seen the Shenxiao Stone, but the world can construct a reincarnation cemetery such a sky-defying existence, only Shenxiao Stone is possible."

"Even, I vaguely feel that the demise of the Ye Family had something to do with the people of Upper Realm..."

what!

The next moment, Ye Chen's heart was raging!

The violent killing intent swept the entire reincarnation cemetery!

"Ye Chen, don't get excited, this is just my guess! And it is not certain whether the stone in front of you is a purple stone or not." Ling Tian Jian said in a divine way. .

After a while, Ye Chen calmed down and stared at the purple spar in his hand. Is it a purple stone? After refining it, don't you know?

In the next moment, Ye Chen actually swallowed the purple spar directly into his mouth!
