

## Urban 2951

Chapter 2951: My anger!

This Xuanji is just a bully.

If the emperor's mark disappears and he unites with the devil, this person will undoubtedly die.

"The space here is blocked, where can we go?"

The Devil Emperor covered the sky and looked around: "This Nine Heavens God Dragon Palace is your domain, do you know, where can we rest for a while?"

He also didn't want to entangle Xuanji, instead of wasting his energy, he would rather wait for the opportunity.

As long as the imperial prestige mark disappears, all pressure threats will disappear.

"I know there is a place, come with me."

The blood dragon's voice was low, his body swayed and swept in one direction.

"Oh?"

The devil's emperor covers the sky, the wind is blowing, and the devilish energy is rolling! Follow quickly.

"Stop me!"

Xuanji shouted, chasing him with a sword.

"Magic air heaven, dead spirits attack, open!"

The Devil Emperor looked up to the sky and drank wildly, his sleeves flicked, and the billowing demonic energy rushed out. Heads of skeletons, ghosts, Shura, Yasha and other monsters shot out from the fog, forming a demonic army, brazenly heading towards Xuanji. Kill.

"The sun and the moon, the sun and the moon, exorcism and evil!"

Xuanji waved her hand, and the imprint of the sun and the moon on the center of her eyebrows burst into light.

The overwhelming divine light, like the judgment of heaven, smashed out like flying locusts, and slashed a lot of monsters.

But between heaven and earth, the devil is endless.

Countless monsters, rushing out, are invincible.

The entire sky presents an extremely spectacular picture.

On the side of       , there is a monstrous devilish, empty army of undead spirits.

On the other side, the divine light is mighty, as if there is a \*\*\*\* chanting, countless weapons and arrows condensed by the divine light are slashing frantically.

Gods and demons attack each other fiercely.

Devil Emperor Zhitian doesn't care about the result of the attack, he just wants to delay Xuanji.

Through the charge of the demon army, the devil emperor and the blood dragon covered the sky, finally got rid of the pursuit of Xuanji, and flew to a terrifying abyss.

This abyss, filled with a trace of broken restraint, is the abyss that imprisoned the blood dragon in the past.

"Let's go, let's go down."

The blood dragon swung its body first and dived below the abyss.

It turned out that the resting place it said was this abyss.

"Let it die and be born again, wonderful, wonderful."

The Devil Emperor Zhetian was also a wise man, and immediately understood the intention of the blood dragon, his eyes lit up.

One person, one dragon, instantly dived into the abyss.

The prohibition in the abyss has been shattered by the blood dragon, and there is no protection.

The blood dragon's claws waved, and a magic trick was played, and the seal restriction was restarted.

Wow.

Suddenly, a layer of forbidden shield, flowing with magical brilliance, once again covered the abyss.

"This level of prohibition is quite huge, and I have never seen it outside the territory."

The Devil Emperor of Zhetian looked up at the forbidden light, his eyes condensed slightly.

Even if it is him, facing this terrible prohibition, he must be extremely jealous. If he rushes through, he does not know how much it will cost.

However, he did not panic. Since the blood dragon reopened the seal, there was naturally a way to escape.

"Relax, this seal prohibition, I have broken it once, knowing the way to leave, we will not be trapped."

The blood dragon said lightly.

Now it and the Zhetian Devil Emperor need time most.

Wait for the time to pass, the power of the Emperor's Mark disappeared, and the two were in no danger.

Now Xuanji still has the power of the Queen of the Upper Realm, which is really difficult to deal with, and there is no need for them to take risks.

"So, I feel at ease."

The Devil Emperor Nodded, and immediately condensed his mind, sitting cross-legged under the abyss, silently adjusting his breath and movement.

boom!

The light of God is like electricity, crushing everything.

Xuanji's majesty erupted, and countless divine swords penetrated the void, killing all the demon army in front of him.

Heaven, earth, sun and moon, Qingming has been restored again.

"Damn it."

Xuanji gritted her teeth. Although the battle was victorious, she was not happy.

Because she has been delayed by the Devil Emperor Zhetian.

The Devil Emperor and the Blood Dragon must have hidden.

"The Imprint of Emperor Prestige will not last much longer. I must kill them as soon as possible, otherwise it will delay the important affairs of the empress, and I cannot atone for my death."

Xuanji closed her eyes, and the aura of the sun and moon imprints between her eyebrows filled her, and in a flash, she caught the breath of the Devil Emperor and the Blood Dragon.

嗤!

She was holding the big sword, her body tore through the void, and the next moment she appeared over the abyss.

The mighty divine light radiated from her.

Her whole person, like a scorching sun, illuminates the dim abyss and earth around her.

"Annoying flies, the ghosts never go away."

The Devil Emperor smacked his lips, quite annoyed.

Wait for the imprint of Emperor Wei to dissipate, he must break Xuanji's body into pieces to vent his annoyance.

"You two, think you can escape the Queen's trial by hiding in the abyss?"

Xuanji looked at one person and one dragon in the abyss, her pretty face rising with chill.

嗤!

She held her arms wide, and the light condensed and turned into a tall bow.

Then, she actually used the saber as a bow and arrow and burst out with the bow.

rumbling!

The big sword is like a sharp arrow, mixed with mighty power, blasting out fiercely.

She wanted to kill two birds with one stone, killing the Devil Emperor and the Blood Dragon with one blow.

boom!

The sword tip exploded and slammed into the abyss.

A powerful ban, but it emerged in an instant.

Xuanji's big sword slammed into the restraining shield.

Suddenly, the monstrous divine light and the ancient aura of prohibition collided fiercely, blowing up a terrifying wave.

When the wave of anger dissipated, the restraining shield did not move at all, showing no signs of damage.

"Impossible!"

Xuanji was deeply shocked.

Her sword carries the majesty of the Empress Heavenly Emperor.

However, the prohibition cannot be broken.

How powerful is this level of restriction?

Xuanji took a deep breath, and felt the aura of antiquity from the prohibition.

This level of prohibition, I don't know which ancient power placed it here.

Even the power of the Emperor's Mark can't break it.

"You are seeking your own way, and you hide under this kind of restriction, how can you come out?"

Xuanji gritted her teeth and looked at the Devil Emperor and the Blood Dragon.

"Don't bother you."

The blood dragon filled with majesty and anger sounded!

"Xuanji, I see your strength, it seems that it won't last too long."

The Devil Emperor Zhitian smiled faintly, and noticed the mark between Xuanji's eyebrows, her breath was declining, and it was estimated that she would disperse soon.

Xuanji's pores shrank all over, if she had lost the power of Emperor Wei, she would not be the enemy of the Devil Emperor and the Blood Dragon.

"Damn it."

Xuanji stomped her feet, and in desperation, she had to tear the void and fled quickly.

She couldn't break through this level of restriction.

In other words, she couldn't kill the Devil Emperor and the Blood Dragon.

If she doesn't run again and waits until the mark disappears, it will be her death date.

Xuanji ran away.

"Devil Emperor, if Miss Xue is not out of danger, let's go and save people."

The blood dragon's gaze was serious. Just now it clearly saw that the Yantian Dragon God and the elders of the Tiandao Palace had already gone to hunt down Xia Ruoxue.

If you don't save her, Xia Ruoxue's life might be in danger.

You must know that the Yantian Dragon God and many elders of the Heavenly Dao Palace are extremely powerful.

This lineup is very strong.

definitely not Xia Ruoxue can resist. .

"Don't worry, I feel the breath of Ye Chen's kid."

The Devil Emperor looked up at the sky: "That kid is here, and there should be no trouble with that woman."

Chapter 2952: Coming!

In the depths of the Heavenly Dao Palace, Xuanyuan Moxie stood with his hand in his hand, black hair drifting without wind, filled with wisps of mist, and even manifested many law runes.

Obviously, his cultivation is more advanced than before, I don't know how advanced it is.

He closed his eyes, as if feeling everything.

After a long time, his eyes opened.

"The land of the leaves has failed, and the Nine Heavens Shenlong Palace is also dangerous."

"Since when did Tiandao Palace become so passive."

"Could it be that Tiandao Palace will be trampled through like it did in the past?"

"And I will fall under the sword like the previous palace lord."

The next moment, Xuanyuan Moxie's eyes condensed, and his eyes became extremely bloodthirsty!

WINK's Surge to \$1: Join the Wave!

"Everything is that kid!"

"If that kid grows to the realm of the gods of heaven, my heavenly palace will die!"

Xuanyuan Moxie's fingers pinched the tactics, and he kept deducing, feeling a huge crisis of omen.

Must kill the mysterious youth and blood dragon!

Otherwise, catastrophic disaster is inevitable.

But right now, he could feel that the connection with the Yantian Dragon God in his mind was weakened!

And, fortunetelling for the Yantian Dragon God just now, that was a terrible situation!

He must not let Yantian Dragon God have an accident!

.....

At the same time, Xia Ruoxue was sitting on the Dragonscale Flying Boat, and fled with the Protoss.

She sat cross-legged on the deck of the flying boat, silently refining the reincarnation star flame in her body.

The sky was slightly bright, and a trace of the morning sun fell on her.

Her whole person, green silk like waterfall, face like a morning glow, like a goddess, holy and indispensable.

"Sister Xue is so beautiful."

The Protoss made a sound of admiration.

After a night's rest, Xia Ruoxue's injuries have recovered a lot, and now she can refining the reincarnation star flames, almost succeeding.

"After all night, I finally caught up with you!"

Suddenly, a dark laughter sounded from behind.

Xia Ruoxue's face changed, and when she looked back, she saw the Yantian Dragon God rushing forward with twelve murderous and seriously injured elders.

Although these people have fallen below the heavenly gods and even the peak of chaos!

But it's not what Xia Ruoxue can shake now!

"Damn it."

Xia Ruoxue narrowed her eyes, but she didn't expect that she would be chased by the Heavenly Dao Palace.

"Sister Xue, I'll stop them, hurry up and refine the reincarnation star flame!"

Xingling came forward, now is the last juncture, as long as he delays for a while, Xia Ruoxue can successfully refine.

"We can't participate in the battle of Master Xuanji, but we can solve it right now! Now, I changed my mind, the people were killed, and the reincarnation star stone was also snatched over."

Yantian Dragon God stopped drinking, and took the twelve elders, instantly killed the flying boat, and rushed towards Xia Ruoxue.

He knows the power of Xia Ruoxue's reincarnation star flames. If Xia Ruoxue's refining is successful, it will be almost impossible for him to kill.

Even, oneself may be counter-killed!

After all, the reincarnation star flame is the first-class sacred fire between heaven and earth, and it contains endless power.

If Xia Ruoxue can refining smoothly, her strength will definitely advance by leaps and bounds.

When you want to run, it will be easier!

咻咻咻!

The twelve elders of the Heavenly Dao Palace screamed and shot, surging with endless pressure, and with the power of thunder, they wanted to crush Xia Ruoxue.

"Sister Xue, be careful!"

The celestial spirit uttered a cry, and the entire reincarnation star stone floated up and stood in front of the many elders of the Heavenly Dao Palace.

Last night, she had the decision to sacrifice the protector.

Faced with a strong enemy today, she naturally won't flinch in the slightest.

rumbling!

The air vibrates and the sun fades.

The twelve elders, who were already injured, joined forces to strike, so majestic, and the entire void was in turmoil.

"Protoss, get away!"

Xia Ruoxue opened her red lips slightly, if this blow fell on the reincarnation star stone, the Protoss must have something to do, and there is no possibility of survival.

However, the Protoss has no intention of shrinking.

Her eyes were firm: "Sister Xue, thank you for taking care of me during this time."

"In the beginning, my memory was vague and mentally insufficient. You have never despised me."

"I did a lot of wrong things, and you never blamed me."

"Although I don't know what will happen to Sister Xue in the future, I believe that Sister Xue will have a good result with Brother Ye."

"The queen of the upper realm will also be defeated by you."

The next moment, the reincarnation star stone burst into stars, and wanted to resist everything for Xia Ruoxue!

Xia Ruoxue's eyes are red, her body trembling!

Are they really unable to leave safely today?

She even saw the hideous faces of elders!

As if killing the prey is a pleasure!

After all, I was frustrated by the blood dragon, and now strangling such a small woman is not a kind of self-comfort!

However, the next moment, the void vibrates!

A surge of extreme coercion is coming!

Then, a voice that seemed to come from nine heavens resounded through the sky!

"My Ye Chen woman, who dares to move!"

very loud, very overbearing voice, burst out from the world.

The void shattered, and a tall and straight figure flew out instantly.

is Ye Chen!

"Ye Chen!"

Xia Ruoxue could hardly believe her eyes when she saw Ye Chen coming.

She hasn't seen Ye Chen for a long time.

Since she left Shenjizong to practice alone, she has lost all news about Ye Chen.

Many times, she would think of scenes from China.

Ye Chen at that time gave her surprises again and again.

is like a man with magical powers!

even made her icy heart deeply fall.

"Brother Ye Chen, you are here."

The starlight converges, which is also a great joy. All the pressure disappeared immediately, only full of stability.

Even though Ye Chen at this time had only the nine-tiered Heaven of Slashing Evil Realm in his cultivation base, and the Yantian Dragon God and many elders, the apparent strength gap was very large.

But Xia Ruoxue and Xingling both deeply believed that as long as Ye Chen came, they would definitely be able to kill the enemy without any danger.

bang bang bang!

A series of vast attacks hit Ye Chen severely.

"Red Dust veins, open!"

"Lingfeng divine veins, open!"

Ye Chen's body was as steady as Mount Tai, and he directly opened the two divine veins, and resisted the joint attack of the twelve elders.

The golden light in the sky exploded from him.

His whole person is like the ancient \*\*\*\* of war, majestic and invincible.

"what!"

Not far away, Yan Tian Long Shen witnessed this scene and was deeply shocked.

"Impossible! You brat, just slashing the nine levels of the Evil Realm, actually blocked the elders' blow!"

Yantian Dragon God couldn't believe his eyes.

Although, these twelve elders, all of their cultivation bases fell, only half the strength of the gods.

But the twelve half-step gods are so terrifying in strength.

A cultivator of the Nine-layer Heaven of Slashing Evil Realm, under the bombardment of twelve half-step devas, should be destroyed like \*\*\*\* and died like ash. .

But now, Ye Chen is unscathed!

His physique, his bloodline, how strong is it that he actually blocked the attack of twelve half-step gods.

Chapter 2953: God and Magic 1

"Die to me!"

Ye Chen roared and waved his right hand, the evil sword emerged.

violent evil spirit, as if to sweep the world.

The void around him is full of his sword intent.

嗤!

Ye Chen slashed fiercely with a sword, and slashed towards an elder.

His martial arts condensed into a realm in an instant, with brilliance blooming under his feet, and the lethality of this sword is also earth-shattering.

Below the flying boat, there are countless mountains and jungles, with birds and beasts, crying in panic.

Under Ye Chen's sword aura, the creatures all over the world shook. I don't know what a huge wave it caused.

嗤!

The sword fell, blood splashed.

An elder was caught off guard, and was directly cut off by Ye Chen with a sword, blood splattering.

"what!"

The elder screamed in pain.

"Damn boy, you dare to be arrogant?"

Yantian Dragon God snorted coldly, and said: "You go together, if you can't even beat the ants of the Evil Slashing Realm, you can decide for yourself."

"Yes!"

All the elders agreed in unison, and one after another they sacrificed something and other things, and blatantly killed Ye Chen.

Just now there was an elder who had his arm cut off. Although they were panicked, they were not desperate. They only thought they were underestimating the enemy.

As long as you hold your mind, relying on the power of the twelve half-step gods to crush a cultivator of the Nine-layer Heaven of Slashing Evil Realm, it is simply a piece of cake.

"Red Dust Divine Veins, Heaven Breaking Power, Burning Blood Technique, Break everything!"

Ye Chen was awe-inspiring and opened the Chichen Divine Veins directly.

hum!

Suddenly, the magnificent Gengjin essence burst out of him.

His whole person, golden light is mighty, as if wearing a set of diamond armor, incomparably mighty, like the \*\*\*\* of war in the sky.

Many weapons and magic weapons offered by the elders, one by one, the divine weapon, the holy weapons, attacked Ye Chen fiercely.

But Ye Chen, relying on the defensive power of the Chichen Divine Veins, did not panic at all, and rushed forward frantically.

嗷嗷!

Ye Chen swung his sword like a splash of ink and landscape, with thousands of sword lights, and with the momentum that penetrated the stars and the moon, he killed the many elders in front of him.

And the magic weapons of the elders also fell on him.

But because of the defense of the Chichen Divine Veins, Ye Chen didn't suffer much damage.

Sword light rolled, Ye Chen forced everyone back.

In this round of confrontation, he slightly prevailed.

"This kid, the defense is so strong, what kind of blood is this?"

The elders were shocked, and under their overwhelming attack, Ye Chen did not appear to be defeated at all, but had the upper hand.

"Lei Huangba Star Sword!"

Ye Chen shouted violently, since he had grabbed the fighter, he would not easily miss it.

At the moment when the elders were in a daze, Ye Chen slashed wildly with a fierce sword, a series of stars, mixed with thunder and heavenly might, and burst out frantically.

The whole world seems to have become a great wilderness thunder hell, with endless thunder aura, and monstrous starlight sword aura, condensed into an unmatched giant pillar of sword gang, rushing forward fiercely.

噗哧!

Jian Gang pierced through, and an elder in front of him was pierced and killed by Jian Gang. He was pierced with a hole in his chest, vomiting blood, and his body and spirit disappeared instantly, and he fell from the flying boat.

There is no dead body.

"what!"

The elders were deeply shocked, and they couldn't think that Ye Chen's sword aura was so powerful that he killed a half-step Celestial God Realm master with one sword.

After using this sword, Ye Chen stepped back slightly, panting slightly.

Although these people have fallen to a half-step Celestial God, they were all in the early days of Celestial God Realm!

There are even some of the three heavens of the Celestial Realm before!

Even if you are seriously injured, you must never take it lightly!

"This kid, really can't be underestimated."

Yantian Dragon God looked at this scene, also extremely jealous.

At this time, Ye Chen is just slashing the nine-layer heaven of the Evil Realm, and has the power to kill the half-step deity.

If he reaches the realm of a god, he will be so powerful.

When the time comes, I am afraid that the entire Tiandao Palace will be destroyed.

Fortunately, looking at Ye Chen panting now, Yan Tian Long Shen's heart was also calmed a lot.

It seems that crossing boundaries is not so easy.

Now, there are eleven elders under him, enough to kill Ye Chen.

"There is a way to heaven, you do not go, but there is no way to hell, but you come."

Yantian Dragon God sneered secretly. He had only wanted to kill Xia Ruoxue, and he didn't know where this kid was hiding.

But now, Ye Chen personally delivered it to the door, but it saved him a lot of energy.

As long as you kill Ye Chen here, you can solve the huge hidden danger of Heavenly Dao Palace.

"Kill this son!"

"Avenge for Elder Qiu!"

The remaining elder elders also saw Ye Chen's aura look weak, and they immediately burned with anger, and they flew out and burst out to tear Ye Chen to pieces.

Ye Chen watched many elders kill, but he didn't panic at all. Instead, he trembled, took a deep breath, regained his strength, and then shouted:

"Ling Xiao Wuyi, Tushen breaks the sky! Open!"

Very arrogant, extremely magnificent martial arts charm, instantly exploded from Ye Chen.

His whole body is soaring, as if he is about to swallow the mountains and rivers.

The evil sword in his hand, slashed out with a fierce sword, with the sword light of Ling Xiao's martial intent, it whizzed towards the many elders.

"What a great momentum!"

The elders were shocked.

Ye Chen's sword contains a very sharp meaning. If it is cut, even if they are in the Heavenly God Realm, they will be destroyed.

"Don't go back! Give it to me!"

Yantian Dragon God has sharp eyes and yells fiercely.

A majestic majesty, flooded out like a tide, blocking the retreat of the elders This is the majesty of the real gods, and it is not comparable to the half-step gods.

The Yantian Dragon God knows very well that no matter how powerful Ye Chen's sword is, there is only one sword.

As long as he catches his sword and sacrifices an elder, the remaining ten people can rush forward and thwart Ye Chen!

The elders naturally know this, but the problem is that no one wants to die, everyone wants others to die.

It is a pity, now that the Yantian Dragon God has cut off their retreat, they can only bite the bullet.

嗖嗖嗖!

A group of figures rushed up to meet Ye Chen's sword light.

Now, the eleven of them, who is the unlucky ghost, was killed by Yijian, it all depends on Ye Chen's mind.

As for Ye Chen, after beheading one person, facing the siege of the remaining ten people, it is probably very dangerous.

"Ye Chen, be careful! Go back!"

Xia Ruoxue shouted anxiously, she also knew that the situation was critical now.

"Since they all come up to die, I will send you on the road!"

Ye Chen yelled up to the sky.

Originally wanted to step by step and defeat the elders one by one, but now, they swarmed and the situation became very dangerous.

Ye Chen's robe flew, his whole body burst into spiritual power, and he didn't retain the slightest anymore, he directly used his cultivation to the extreme.

In his eyes, killing intent boiled, seven levels of blood light, self-exposure, surging with great strength, and a fierce sword! !

Wow.

The mighty and immortal golden light rolled up from his body, mixed with the ancient magical energy, his whole person was one with gods and demons, and the monstrous majesty exploded in the depths of his eyes.

Chapter 2954: Succeeded?

"Slash the sky with a sword!"

"Burning Heaven and One Sword!"

"Eternal Thunder Sword!"

"Slaying the Devil and Destroying the World Sword!"

"Nine Heavens Excalibur!"

"The spirit demon Zhu Tianjian!"

"Destroy Shinto, open!"

Ye Chen clenched the hilt of the sword tightly and swung it out wildly, the light of the sword shocked the sky, the endless evil spirit mixed with the ancient aura, as if to penetrate time and space and crush the universe.

At this moment, he directly displayed the most extreme six swords.

Six swords into one!

The sword intent of the clear wind is terrifying looking across the kingdom of God!

If combined with his Ling Xiao martial intent, it will inevitably shake the world!

WINK is growing to \$1 - Don't lose your chance - Buy On Binan...

In an instant, the six swords merged into one, and they evolved into a terrifying sword gang, bursting out the law of formation energy, and straightly cut the many elders ahead.

The breath of endless laws, like the Yangtze River and the sea, turbulent in Jiangang.

Ye Chen's sword, with all his strength, not only combines six swords into one, but also mixes with the power of destroying the divine way, the power is simply going against the sky.

rumbling!

Before the sword gang had been killed, the sound of thunder was heard between the sky and the earth. The floating clouds in the sky were crushed by the leaked sword energy, and even the eastern sun showed signs of being shaken.

"No, go back!"

The elders were shocked, and never expected that Ye Chen would be able to use such a powerful sword move in the Ninth-level Heaven of Slashing Evil Realm.

This sword is almost going to cut through the world.

Below the heavenly realm, you will die if you touch it!

If it was before, they were still gods, and they might be able to resist.

But now, their cultivation base has fallen to the realm of a half-step god.

Facing such a tyrannical sword, there was no room for resistance at all.

"This kid, the swordsmanship is so powerful."

Outside the battle circle, the Yantian Dragon God also showed shock.

Ye Chen's sword, the laws of all the great avenues are perfect, and the sword is powerful, and even he must be extremely jealous.

噗哧!

The violent Jian Gang, whizzed out frantically.

The elders couldn't avoid it, and they were immediately beheaded by Jian Gang.

Blood splattered and internal organs fell!

All people, form and spirit are destroyed, and there is no corpse!

"Ye Chen..."

Xia Ruoxue covered her mouth and was deeply shocked by the shocking scene in front of her.

She did not expect that Ye Chen would grow to this point after not seeing him for a while.

is so powerful that it far surpasses the past.

Obviously, during this period of time, Ye Chen's cultivation base advanced by leaps and bounds, and his strength was much stronger than before.

"Brother Ye Chen is amazing!"

Protoss also cheered.

It's impossible to kill a lot of masters by slashing the nine-layer sky in the Evil Realm.

But this impossible miracle happened to Ye Chen.

"Little beast! What a ruthless method!"

Yantian Dragon God looked at the broken corpse, endless dragons resounded!

These twelve elders are all seniors in the Heavenly Dao Palace, and they are all beheaded by Ye Chen. This is undoubtedly a huge loss to the Heavenly Dao Palace.

"The corpse is broken into pieces! I must break your corpse into pieces!"

The Yantian Dragon God roared, and his body swayed, revealing his true body, turning into a fierce and mighty, extremely huge fire dragon.

With savage eyes, the Yantian Dragon God waved his giant claws and hit Ye Chen's head fiercely.

'S fierce claws tore the void, as if to collapse the entire universe, with unparalleled power.

He wants to kill Ye Chen.

If Ye Chen didn't kill Ye Chen, such a big loss, after he returned, he couldn't confess to Xuanyuan Moxie.

Ye Chen at this time, panting slightly, after all, he came along all the way, he used many methods!

has a huge consumption on the body itself!

just tried his best to kill all the elders, and now he has not recovered his Dantian spiritual power.

But the blow of the Yantian Dragon God came in a whistling manner.

He is a master beside Xuanyuan Mo Xie, a true god, and his strength is much stronger than the elders.

This claw, with the majesty of the gods, collapsed layer by layer, as if the entire world was about to be destroyed.

"Demon phantom pupil!"

Facing Yantian Dragon God's blow, Ye Chen's face was solemn.

He knew well that he hadn't recovered his strength yet, and if he headed against him, he would undoubtedly seek death.

So, he didn't panic, his body stood upright, and the black light surging between his eyebrows suddenly appeared a terrifying eye pupil.

is the eye of the devil!

The turbulent magic light burst out from Ye Chen's eye pupils, the magic pupil rays of the twisted space and the law of destruction, like the ancient aurora, penetrated the void and struck straight towards the Yantian Dragon God.

This trick of demon phantom pupils can deeply shake people's spirits and make people think of death. It is essentially pupil technique and does not consume much spiritual power. The most important thing is soul energy.

Therefore, even if Ye Chen's spiritual power is severely depleted at this moment, he can still use the demon phantom pupil.

Danger!

Deep danger!

The Yantian Dragon God suddenly felt that this magic pupil ray contained an extremely stern and murderous aura. If he was attacked, he would lose his mind and would likely fall into death.

Very weird!

If it's the peak, he is naturally not afraid, but the injury to his body is not light in the battle against the blood dragon!

Wow.

Yantian Dragon God swayed, and quickly backed away, his paws made a series of seals, and the golden light condensed into a dragon scale ancient shield, blocking the impact of the devil's eye.

The dark demon beam hit the dragon scale ancient shield.

Suddenly, the golden dragon scale ancient shield instantly turned into ink-like black, permeating endless death.

"How many cards does this kid have?"

Yantian Dragon God is deeply jealous I just saw Ye Chen kill the elders, and thought he had all his cards. I didn't expect that there is still such a powerful pupil technique now.

"That's it, the lord of the dragon race, would you still be afraid of you being a waste of the Evil Realm?"

Yantian Dragon God snorted, his eyes regained his composure.

Ten guilds with a single force, under the pressure of absolute realm, no matter how defying Taoism magical powers can stop.

Dragon Claw attacked, tearing apart the void again, and slaying Ye Chen fiercely.

This time, the Yantian Dragon God has done absolute protection and will no longer allow Ye Chen to have a sneak attack and comeback.

He wants to crush Ye Chen with one blow with absolute majesty of the gods.

is like a dragon in the sky, trampling on an ant to death!

Ye Chen looked unyielding, and now he had recovered a trace of spiritual power, watching the Yantian Dragon God's giant claw hit, he clenched the evil sword, and furiously cut out.

Even if he is a god, he has to fight!

"Ye Chen, I'll help you!"

In vain, a tender voice rang out.

I saw a pretty figure flying in with a sword.

is Xia Ruoxue!

Huhuhu.

On top of Xia Ruoxue's body, there are wisps of flames lingering.

These flames, with a little bright starlight, and the breath of ancient reincarnation.

"Reincarnation Star Flame! Have you succeeded in refining?".

Ye Chen was taken aback.

The reincarnation star flame is a unique sacred fire between heaven and earth, possessing extremely terrifying energy. Before Xia Ruoxue was refining the reincarnation star flame at the bottom of the blood lake, now looking at the appearance of her lingering sky, could it be a successful refining?

Chapter 2955: The queen decides!

"Not yet, but it's not far off."

Xia Ruoxue's eyes were sharp, and he swung his sword straight to the Yantian Dragon God. The sword was surrounded by wisps of flames of reincarnation and star flames. The momentum was earth-shattering, and it was almost burning the universe and galaxies, showing an extremely fierce and fierce might.

Ye Chen glanced attentively, and immediately discovered that the reincarnation star flame aura on Xia Ruoxue's body was not the most complete state, just a little bit of residual strength.

Obviously, Xia Ruoxue has not succeeded in refining, but she has stripped away a trace of the energy of the reincarnation star flame and turned it into her own use.

is just a trace of the energy of the reincarnation star flame, and it burst out with monstrous power.

The whole piece of void, the temperature soared sharply.

The mountains, rivers, sun and moon, seem to be boiled.

The sword of Xia Ruoxue, like purgatory magma, is unstoppable.

This is not a vision that can be induced by her realm, but she did it!

can see the horror of reincarnation star flame!

"Ah, reincarnation star flame! You actually have a breath of reincarnation star flame."

The voice of the Yantian Dragon God is trembling!

The reincarnation star flame is the divine fire of heaven and earth. Its origin is in the upper realm queen. This level of divine fire and a little energy are enough to burn the heavens and destroy everything with embers. He must be in awe.

That queen of the upper realm can immortal, stay young forever, shake the world, this reincarnation star flame is part of the reason!

I never expected to be mastered by a woman from the Kingdom of God!

噗哧!

caught off guard, the Yantian Dragon God was cut by Xia Ruoxue's sword.

A sword that contained the power of reincarnation and the breath of star flame, severely smashed his dragon scales and flesh, reaching the bones, almost burning the bones into charcoal.

The energy of this reincarnation star flame is really terrifying, even if the Yantian Dragon God's body is strong, it can't resist it.

On his dragon body, a deep sword wound suddenly appeared.

"Luck you guys."

Yantian Dragon God gritted his teeth, the Dragon wobbled its tail, tore the void, and flew away quickly.

If he entangled again, under Ye Chen and Xia Ruoxue's joint hands, he has no chance of winning.

Even if he tried his best to use all of the gods' hole cards to kill two people, he would definitely have to pay a huge price.

"Sister Xue is amazing."

The stars flew up, with a pleasant voice.

Xia Ruoxue smiled bitterly, her face pale, and a trace of red blood overflowed.

The reincarnation star flame is too powerful after all, and the cost of her display is too great.

"what happened?"

Ye Chen quickly helped her, and asked with concern.

"Reincarnation Star Flame, I have not succeeded in refining."

Xia Ruoxue's forehead oozes fragrant sweat, and the reincarnation star flame is still suppressed in her lower abdomen. She has just stripped off a trace of energy and successfully repelled the Yantian Dragon God.

But now, it's not time to celebrate.

Because, she did not fully refining success.

Only by thoroughly refining the reincarnation star flame, can she escape the danger and master the supreme heavenly fire power.

"Ruoxue, then you refining, I will protect the law for you."

Ye Chen took Xia Ruoxue's arm and helped her to the deck.

Reflected in the morning sun, Xia Ruoxue sat cross-legged, closed her eyes and adjusted her breath, and continued to refine the reincarnation star flame.

It's the last juncture now, and if you support it for a little longer, you will be done.

Ye Chen, guarding next to Xia Ruoxue, silently adjusted his breath and returned his energy to restore the lost spiritual power.

"Brother Ye Chen, you don't know how dangerous it was just now."

The Star Spirit floated in front of Ye Chen, whispering, and told Ye Chen one by one what had just happened in the Nine Heavens Dragon Palace.

"The upper realm, the queen, Xuanji!"

Ye Chen listened to the Xingling's words, his eyes suddenly ignited with terrible anger.

For some reason, when he heard the news from the upper realm and the empress, deep in his soul, there was an ancient resentment, mixed with volcanic anger, outrageously rushing to his heart.

"What kind of Queen of the Upper Realm, did I have any grudges with her in my previous life?"

"Is the woman who lost herself in the last life the queen of the upper realm?"

Ye Chen's eyes were solemn, murderous overflowing.

He felt that the anger and resentment deep in his heart were the remnants of the previous life.

"Finally, no matter what, this Xuanji dare to hurt Ruoxue, I will never let her go!"

Ye Chen squeezed a fist, Xia Ruoxue suffered such a big danger, it was all caused by that Xuanji.

If it weren't for her, Xia Ruoxue might have refined the reincarnation star flame, and her cultivation base would have progressed by leaps and bounds.

"However, this Xuanji belongs to the upper realm, and has extremely terrifying strength. Even if it is seriously injured, I cannot defeat it."

Ye Chen's eyes flickered, and he also knew his strength very well.

Facing the Yantian Dragon God, he still has the power to fight.

But if you encounter Xuanji, there is no win.

After all, the realm gap is too big.

Even if the Xuanji at this moment has been seriously injured by the Devil Emperor, but he can't shake it.

"Well, leave here first, one day, I will let her be wiped out!"

Ye Chen gritted his teeth and steered Feizhou away quickly.

The top priority is to get out of here and let Xia Ruoxue get through the difficulties.

As for revenge, don't rush for a while.

Ye Chen knows his potential very well, as long as he is given a little time, he can kill any Heavenly Dao Palace or Xuanji in one fell swoop.

Even, one day, he can kill the upper realm!

Time, what he needs most now is time to grow up.

The dragon scale flying boat shuttled in the void, calmly, and quickly fled away.

.....

at the same time.

After the Yantian Dragon God escaped, he planned to leave the Nine Heavens God Dragon Palace and quickly return to the Heavenly Dao Palace, but on the way, he was blocked by a shadow with a trace of blood.

is Xuanji!

"Master Xuanji!"

The Yantian Dragon God called out, but saw that Xuanji's aura was completely different from before. It was obvious that the power that the Queen of the Upper Realm brought to her had completely dissipated.

Even she suffered a backlash.

However, it's not too bad, even if she is injured, she has enough right to speak in the Nine Heavens Dragon Palace!

"Master Xuanji, you..."

"By the way, that blood dragon, is it dead?"

Yantian Dragon God asked carefully, what he cared most was the life and death of the blood dragon.

After all, the suppression of the blood of the blood dragon made him very uncomfortable.

He just wants to see the blood dragon fall.

Just in the Nine Heavens Dragon Palace, the blood dragon was severely wounded by Xuan Ji and was about to die. Could it be an accident?

"No, the Devil Emperor Zhetian is here."

Xuanji's voice was low and tired.

Now the imperial prestige mark on her eyebrows has completely disappeared, and she in her current state is definitely not an opponent of the Devil Emperor.

Therefore, she is going to return to the upper bound first and report the matter.

Let the queen decide herself!

is just what the queen has ordered now, she did everything wrong, if the queen knew about it, she wouldn't know how she died.

"The Devil Emperor Has Arrived?"

Yantian Dragon God's eyes narrowed, unexpectedly such a change happened.

"What's going on with you? That guilty woman has already committed suicide? What about your men?"

Xuanji's eyes were cold, and she had an ominous premonition when she saw the Yantian Dragon God alone. .

If Xia Ruoxue was convicted, she would be a little confessed in front of the queen.

But if Xia Ruoxue runs away, it will be troublesome.

Chapter 2956: Lord of Reincarnation?

"Master Xuanji, this..."

Yantian Dragon God smiled bitterly, and he descended on Ye Chen and killed the elders with invincible power. In the end, Xia Ruoxue stripped off a trace of reincarnation starflame energy, severely slashing him, and briefly said it again.

"What, the sin woman is still alive? Can even use the reincarnation star flame?"

Xuanji was deeply furious, and unexpectedly, Yantian Dragon God also had an accident.

"The reincarnation star flame is the queen's supreme thing, the heavens and the world, no one is qualified to get involved, the sinner actually stripped a trace of the star flame energy, blaspheming the queen's heavenly prestige, never redeemed it!"

Xuanji's eyes were sharp, and an extremely fierce killing intent broke out.

"Master Xuanji, then you want to..."

Yantian Dragon God shivered, never seen Xuan Ji so angry.

"Where did they go? I have to personally kill Ye Chen and Xia Ruoxue, otherwise they will run away, how can I confess to the Queen?"

Xuanji clenched her teeth, and her murderous intent became more and more intense.

"Master Xuanji, your injury does not seem to be minor. It is better to wait for the injury to heal and then go after it."

Yantian Dragon God said cautiously.

Ke Xuanji said loudly: "Even if I am injured, I also have a monstrous supernatural power, which cannot be resisted by those two ant wastes."

"Master Xuanji, no, I always feel that things are dangerous."

Yantian Dragon God smiled wryly, showing deep fear.

These days, his Heavenly Dao Palace and the mysterious young man Ye Chen have fought countless times, but every time, Ye Chen can kill everything.

The opponent's body seems to have great luck.

No matter how you crush, you can't kill him.

At this moment, the Yantian Dragon God is really scared.

He was afraid that Xuanji would chase him up. Not only could he not kill the opponent, but he might be counter-killed!

Therefore, he wants Xuanji to return to the Heavenly Dao Palace or Upper Realm first, recover from his injury, and then take action.

Xuanji in its heyday was powerful enough to crush everything. At that time, even if Ye Chen went against the sky, he would not be able to survive.

"Stop talking nonsense, tell me where they are."

Xuanji looked at the Yantian Dragon God coldly: "That woman, she will soon refining the reincarnation star flame. If she succeeds in refining, it will be equivalent to blaspheming the queen. This is a great sin, and I can't bear it."

"....."

Yantian Dragon God looked at Xuanji's decision, and knew that he couldn't stop it, and sighed:

"They escaped from the Nine Heavens Dragon Palace, you should catch up now, it should be too late."

told Xuanji the coordinates of the last appearance of the dragon scale flying boat.

Xuanji counted, and suddenly deduced to the position of the dragon scale flying boat.

"Wait, I will bring back the head of that man and woman and give it to you Tiandao Palace."

Xuanji's voice was indifferent, and with a wave of her slender hand, she tore the void and chased away instantly.

Her biggest goal is to kill Xia Ruoxue.

However, since that kid is the enemy of Tiandao Palace, she doesn't mind cutting off Ye Chen's head and giving it a favor to Tiandao Palace.

"It's better to be so."

Yantian Dragon God smiled bitterly, defeated repeatedly, deeply frustrated his spirit.

Now when he thinks of Ye Chen's figure, he is shocked.

"I just hope that kid's luck will end today."

The Yantian Dragon God murmured, his body swayed, and flew towards the direction of Heavenly Dao Palace.

At this time, Ye Chen and Xia Ruoxue were sitting on the dragon scale flying boat, constantly shuttled through the void, fleeing far away.

rumbling!

In vain, the surrounding void violently shakes.

A majestic majesty, diffused from the void.

Galaxy, Sun and Moon, all seemed to be shaking under this majestic shock.

Ye Chen's eyes condensed, looking at the void, holding the evil sword in his hand, a sense of danger spread throughout his body!

In the next second, a woman with a big sword tore through the void, flew out and landed on the dragon scale flying boat.

"That woman is here!"

The Protoss exclaimed.

The sword-backed woman in the sky is Xuan Ji.

At this moment, on Xuanji's clothes, there are traces of fragmentation, revealing an inch of white skin, but on the skin, there are blood scars.

She didn't even have time to change her clothes.

Obviously, her condition is not good.

However, her breath is still extremely magnificent and vast.

The whole person, like a round of scorching sun, suspended in the sky.

"Are you Xuanji?"

Ye Chen narrowed his eyes and suddenly became alert.

Now he has fully recovered his spiritual power, but facing Xuanji, he still has a small feeling.

This Xuanji, the strength must be terrifying!

At least the middle stage of the gods!

Even if he is seriously injured, he is still as high as the sun and the moon, and as big as the sky and earth, which is extremely fearful.

"Damn, this woman is really lingering."

Xia Ruoxue opened her eyes and saw Xuan Ji's figure, her teeth biting her lower lip tightly, her pretty face also showing a solemn color.

Now she is about to completely refine the reincarnation star flame, but she did not expect that at the last moment, Xuanji appeared to obstruct.

"Boy, what is your name?"

Xuanji saw Ye Chen for the first time, and her body shook violently, her eyes showing deep shock.

She found that Ye Chen's face was very familiar.

In the Queen's Palace, Xuanji saw the youth portrait of the Lord of Reincarnation.

At this moment, she was surprised to find that Ye Chen's appearance was actually very similar to the Lord of Samsara.

The breath between the eyebrows is almost the same.

"This is impossible!"

Xuanji has set off a huge wave in her heart The Lord of Samsara has already fallen, completely dissipated in the world, and it is impossible to resurrect. "

Xuanji's eyes kept flickering, she was sure that the Lord of Samsara had fallen, and there would be no chance of resurrection.

But now, Ye Chen's appearance and aura are very similar to the Lord of Reincarnation, making her completely shocked.

She originally thought that as soon as she saw Ye Chen and Xia Ruoxue, she slammed her hand to death with one sword.

But now, seeing Ye Chen's face, she hesitated.

"What does this person have to do with the Lord of Samsara?"

Xuanji shrunk her hand in her sleeve robe, secretly pinched to calculate, and suddenly deduced to a very complicated fate, it was simply entangled, cut continuously, and the reason was chaotic.

"Humph! What are you doing here."

Ye Chen looked at Xuanji's stunned look, not knowing what she was thinking.

"If you want to fight, don't hesitate to fight. Why is Ye Chen afraid?"

Ye Chen's seven-fold blood burst out, the red dust veins condensed, and the evil sword issued a monstrous evil intention, waiting for it with concentration.

Although Xuanji's strength is very strong, in order to protect Xia Ruoxue, he will not retreat in the slightest.

What's more, Xuan Ji is not in a good state now. If he really fights, with the help of the reincarnation cemetery, he has no chance of comeback.

"you you....."

Xuanji had always been decisive, but now seeing Ye Chen's appearance, she seemed a little uneasy and confused. .

"Let's go, I will not kill you for the time being, I will only kill the guilty woman who blasphemed the queen."

took a deep breath, Xuan Ji recovered a little calmness and spoke slowly.

Chapter 2957: Ye Chen's opportunity

Think about it carefully, let's put it aside first, and kill Xia Ruoxue first.

As for Ye Chen's matter, she needs to ask the Queen for advice, and she dare not decide easily.

After all, Ye Chen's appearance and aura are too similar to the Lord of Reincarnation. I don't know how many causal lives are involved behind it, and it is not something she can easily touch.

"Oh? But if you want me to go, I won't agree! If you want to move my woman, first ask if the evil sword in my hand agrees!"

Ye Chen gripped the hilt tightly and sneered.

was secretly puzzled, I don't know what Xuanji was making, and she was willing to let him go.

Xuanji's eyes were condensed, but she didn't care about Ye Chen, she just stared at Xia Ruoxue.

At this moment, Xia Ruoxue is sitting cross-legged on the deck, constantly stripping away the energy of the reincarnation star flame, and the refining will be completed soon.

"The queen's fire, how can you defile you? Die to me!"

Xuanji's eyes froze, she clasped the giant sword in vain, her body flashed, and she slammed into Xia Ruoxue.

"Instant Kill Emperor Dao Sword!"

Xuanji yelled violently, and the giant sword blew up the monstrous majesty of the emperor's way, billowing violently, and the sword's edge surged with murderous intent to slash Xia Ruoxue's head.

"So fast!"

Ye Chen's expression changed suddenly, and he couldn't think of Xuanji's swordsmanship. He was almost at this point, and instantly tore the void, making people unable to react.

Fortunately, Ye Chen's mind was all on Xia Ruoxue.

As soon as he saw Xuanji's disappearance, he knew that something was wrong. He immediately squeezed the Sha sword and released the power of the sky to the extreme. He only heard a loud noise! He actually blocked Xuanji's sword attack.

But there is a surge of blood in the body!

The immediate power is too overbearing!

In the next instant, Ye Chen rushed to Xia Ruoxue, summoned Jian to start, and stared at Xuanji coldly:

"I said, the woman who wants to touch me, kill me first."

"Ye Chen..."

Xia Ruoxue's beautiful eyes flashed, unwilling, and unbearable.

She left Shenjizong during this period, just to make herself stronger!

She hopes that one day she does not need Ye Chen's protection!

She doesn't want to be a burden to Ye Chen!

"Oh, what an infatuated man."

Xuanji laughed coldly, looking at Ye Chen's affectionate appearance, but she had a decision in her heart.

"This guy should not be the Lord of Samsara."

"Back then, there were countless ties between the Lord of Samsara and the Empress."

"If he is the Lord of Samsara, he won't be tempted by other women."

Xuanji's mind kept flashing, and the platform was clear and bright.

"Give you a chance if you don't leave, it's good, I will let you be a pair of fateful mandarin ducks."

Xuanji converged her mind, she was still very confused just now, and she didn't know the origin of Ye Chen and the Lord of Reincarnation.

But now, seeing Ye Chen defending Xia Ruoxue in this way, she has decided.

Even if Ye Chen is the Lord of Reincarnation, he is so emotional to other women, this is a big betrayal to the Queen, and the sin is not forgiven!

"The Great Desolate Moon Breaking Sword!"

Xuanji pulls the sword to kill, like a barren ancient meteor, killing the broken moon.

A faint green light burst out of her sword, the ancient breath billowing through the sky, sadness.

is extremely barren, with an extremely fierce sword, it is to slash Ye Chen straight.

At this time, Xuan Ji has no entanglement at all, and shot very sharply, without any muddle.

The sword aura is so strong, how many times more powerful than the sword just now.

"What a domineering sword spirit!"

Ye Chen's eyes shrank, and Xuanji's full blow was indeed terrifying.

Even if Xuanji's state is not at its peak, this sword still has the power against the sky.

The sword light sputtered everywhere, surging in the void, like a crossbow arrow that broke the sky. In the starry sky, countless planets were pierced by the sword light and became meteorite stardust wandering between the heavens.

The Great Desolate Moon Breaking Sword really cut through the Xingyue, showing endless power.

"Red Dust veins, open!"

"Lingfeng divine veins, open!"

"Destroy Shinto, open!"

Facing such a terrifying sword move, Ye Chen did not dare to be careless.

Raising up to the sky and shouting, the energy of the two divine veins in the body all exploded.

hum!

Suddenly, an extremely bright golden light appeared on Ye Chen's body, as if he was wearing a golden armor.

In his hand, he also held the evil sword tightly, and the aura of destruction of God's way was mixed with Ling Xiao's martial intent, and he swung out frantically.

Ding Ding Ding!

Ye Chen slammed his sword out and collided with Xuanji's giant sword.

Between the electric light and flint, the blades of the two people collided many times, making a series of crisp sounds.

The surrounding space, in the collision of the blades, is constantly crumbled and shattered.

The peaks were swept by the aftermath of sword energy, frantically exploding and annihilating, turning them into dust.

The collision between the two was simply earth-shattering, and the ghosts cried.

And every time, a blood mist burst out of Ye Chen's body!

Every blow is a heavy blow to Ye Chen!

But Ye Chen persisted. He knew that he wanted to buy time for Xia Ruxue!

Ye Chen gritted his teeth, only felt the bursts of tyrannical power, mixed with the might of the gods, constantly impacting his body.

His Red Dust veins constantly bear the impact of Xuanji's sword power.

And Lingfeng's divine veins have also been brought to the extreme, absorbing the energy of Xuanji's attack crazily.

But no matter what, Ye Chen felt tremendous pressure.

The bones all over his body squeaked overwhelmedly, and seemed to break at any time.

The place where the tiger's mouth was cracked directly, and blood was flowing out.

Ye Chen gritted his teeth to support, blocking Xuanji's attack firmly and not allowing her to hurt Xia Ruoxue.

For the first time, he felt the gap is like a sky.

He wants to become stronger!

Where is the upper realm? Even if Xuanji is injured, she can still explode with monstrous power. Sword slashes Xingyue, aerodynamic world, it is simply lawless.

"I don't know when I can reach this state."

At the juncture of the hard fight, Ye Chen's mind suddenly brightened, as if the ancestors looking up at the stars in ancient times, thinking of the majesty of the gods.

"Broken!"

In vain, Xuan Ji gave a cold drink, and suddenly increased her strength.

The violent Jianwei rushed towards Ye Chen fiercely.

"噗!"

Ye Chen opened his mouth and spit out blood, and the golden light armor on his body instantly broke apart.

The blood in his body also vibrated violently, as if to tear.

He flew out directly with his whole body, and fell severely on the deck of the flying boat, embarrassed.

"Hehe, mere ants, they only know that they are prestigious."

Xuanji laughed indifferently, watching Ye Chen's dedication to guarding Xia Ruoxue, she felt very uncomfortable, she just wanted to kill Ye Chen immediately.

"Ye Chen!"

Xia Ruoxue saw that Ye Chen was injured, and quickly stood up and protected Ye Chen!

Protected tightly!

The reincarnation star flames all over her somehow gathered in Ye Chen's body.

Ye Chen's eyes are full of surprise!

Because he discovered that the appearance of the reincarnation star flame made him feel the same breath as the land of the leaves! !

This means that he can use the 33-day Hong Mongol method!

This is his chance!

Chapter 2958: Domineering power!

"Sinner of the Lower Realm, die to me!"

Xuanji's gaze fell on Xia Ruoxue, snorted, clenched the hilt of the sword, volleyed with a sword, and cut Xia Ruoxue straight.

Xia Ruoxue's beautiful eyes shrank, and she immediately felt the unparalleled sword power, which landed like a punishment by the \*\*\*\* of thunder, and there was no power to resist it.

"Om! Come on! Oh! Bah! Bah! Moo! Um! Bom!"

In vain, a series of ancient and desolate syllables oscillates between heaven and earth.

Ye Chen abruptly got up, his throat opened, and he sang an extremely ancient sound.

Golden light exploded on his body again.

Layers of golden light turned into eight heavenly dragons, showing an extremely fierce and violent aura.

"What! Heavenly Dragon Eight Gods!"

"Thirty-three days of Mongolian law!"

"Impossible, how can you master this magical power!"

Xuanji was shocked.

Thirty-three days of Hong Mongol law, contains the energy of the first opening of Hongmeng, the power is unimaginable.

Even in the upper realm, this supernatural power is not weak!

Looking at the heavens and worlds, there are only thirty-three types of Hong Mongol methods, and you can imagine how rare they are.

Every kind of Hong Mongol method can shake the world and penetrate the whole world.

She didn't expect at all that in the Kingdom of God, someone actually mastered the Hong Mongol method.

Since the catastrophe of the heavenly devil, the Hong Mengqi Fa has all been lost, but now Ye Chen has mastered this magical power that has been lost for an unknown number of years.

As soon as this Heavenly Dragon Eight God Sound was displayed, it immediately penetrated the void, deeply shocking Xuanji's mind.

Xuanji only felt the tingling of her eardrums, her soul shook, and she hurriedly guarded her mind and took three steps back.

"Are you okay?"

Ye Chen came to Xia Ruoxue and looked at her with concern.

"It's okay..."

Xia Ruoxue's eyes were firm, even if Xuan Ji's pressure had just been impacted, she did not show any discomfort.

"Ruoxue, hurry up and refine the reincarnation star flame."

"Here, there is me."

Ye Chen said quite comfortably.

At this juncture, only Xia Ruoxue successfully refines the reincarnation star flame, and the two of them work together to fight, and then there is the possibility of escape.

As for defeating Xuanji, Ye Chen was not so arrogant.

After all, the latter is a super master, even if he and Xia Ruoxue joined forces in their heyday, it is almost impossible to win.

The best way is to leave alive first.

"Ok!"

Xia Ruoxue nodded, gritted his teeth, and continued to refine the reincarnation star flame.

"Wishful thinking, die to me!"

Xuanji snorted coldly, she naturally knew their plan.

She wouldn't just sit back and watch, she immediately danced her huge sword and slashed.

The only thing Ye Chen dreaded was the Dragon Eight Gods that day.

That is a magnificent Mongolian method, even if she is a god, she will be shocked.

Fortunately, it takes a lot of effort to perform the Hong Mongol method.

Ye Chen at this moment obviously doesn't have the ability to use it again.

Ye Chen gritted his teeth and looked at Xuanji who was flying with the sword, but he swung his sword brazenly.

"Lingxiao Wuyi! Thunder Huangba Star Sword!"

Ye Chen yelled violently, and the spiritual power in his body vibrated, releasing the power of the evil sword madly.

Suddenly, the entire sword exploded with a monstrous evil spirit, as if to annihilate the entire universe.

The violent breath, even the void is distorted.

Leihuangba Star Sword's thundering heavenly might, and a little bit of starburst aura, mixed with billowing evil aura, condensed into an incomparable sword gang, madly slashing towards Xuanji.

"What a fierce evil spirit!"

Xuanji's face suddenly changed, she thought that Ye Chen had no means to use the Heavenly Dragon Eight Gods.

Unexpectedly, the weapons in Ye Chen's hands were also very powerful.

is definitely not just ancient artifacts!

The key is that this sword is mysterious, if you restore your full strength, I am afraid it will be of great value in the upper realm!

A sword slammed out, and it was so terrifying that it was moving.

"Unfortunately, the realm gap between you and me is too big, break it for me!"

After a brief shock, Xuan Ji returned to her Leng Ao Senran appearance.

If Ye Chen is also in the Heavenly God Realm, relying on the Heavenly Might of this evil sword is enough to blow her bones and ashes.

But it's a pity that Ye Chen's strength is only the ninth level of the Evil Realm. Even if he dominates the evil spirit of Tian Might, it is impossible to shake her in front of the huge gap in realm.

铮!

Xuanji slashed violently with a sword, and with only one sword, Ye Chen's majesty and majesty were shattered, and one sword knocked him into the air.

"Ye Chen!"

Xia Ruoxue wanted to calmly refine the reincarnation star flame, but she was worried about Ye Chen and couldn't calm her mind at all.

"Ye Chen, you leave first and leave me alone."

Xia Ruoxue is completely desperate, Xuan Ji is too strong, there is no possibility of victory.

Now she just wants Ye Chen to leave quickly, she suffers the death.

"Silly girl, how could I leave you behind."

Ye Chen smiled and spoke, with blood dripping from the corners of his mouth, but he didn't mean to shrink back.

Today's game is only death.

Being able to die with the woman you love is not worth living up to this life!

Ye Chen shook his sword and stood up, his eyes still firm, staring coldly at Xuanji.

"This guy is really stubborn."

Xuanji gritted her teeth, deep hatred in her heart.

The more Ye Chen loves Xia Ruoxue, the more she hates her.

It seems that the queen she respected the most had been betrayed.

This made her very angry and hated.

"Finally, at this time, your hole cards are also used up? You can bear it."

Xuanji exhaled, her slender hand tightened, holding the hilt, slashed out a sword qi in the air, and wanted to kill two people.

"Stop hurting my lord!"

In vain, the space is torn, and a towering figure emerges.

Ye Lingtian!

Ye Lingtian's eyes are like electricity The body is like a Yue, holding the abyss conviction gun, swallowing thousands of miles in anger.

铮!

As soon as he appeared, he waved the Abyssal Conviction Gun and blocked Xuanji's sword energy.

"What an overbearing power!"

The huge sword power is conveyed fiercely.

Ye Lingtianhu's mouth was numb, and he could hardly hold the gun body, deeply shocked.

This Xuanji is very powerful, definitely not what he can resist.

His cultivation base is only Chaos Realm, obviously not Xuanji's opponent.

"Ling Tian, why are you here? Didn't you let you deal with the Ye family's affairs!"

Ye Chen frowned when Ye Lingtian appeared.

Ye Lingtian's eyes dodged, but he still said, "I have already told those people about Ye Xueqing's affairs, so don't worry about it."

"I wanted to stay there, but I knew that the Lord of the Palace might be in danger, so I disobeyed the order... Please also the Lord of the Palace to punish!"

Ye Chen sighed, he also knew that Ye Lingtian was kind.

"That's it."

Although Ye Lingtian came, he obviously couldn't defeat Xuanji.

"Hall Master, you and Miss Ruoxue leave quickly, I will stop this devil."

Ye Lingtian's eyebrows were so arrogant that he came alone, actually already embracing the belief that he would die.

As long as he can protect Ye Chen from leaving, even if he is dead, he will not hesitate.

"Ling Tian, what are you talking about!"

"Today is nothing more than death. Our two brothers, have a good fight with her!"

Ye Chen stared at Ye Lingtian, waved his evil sword, the atmosphere was magnificent.

Chapter 2959: Lingtian Arrow God dissipated?

"Hall Lord!"

Ye Lingtian was deeply shocked, and was excited again.

"kill!"

Ye Chen didn't have the slightest nonsense, and swung his sword straight to cut Xuanji.

"Okay, have a good fight!"

Ye Lingtian gripped the conviction gun firmly, followed Ye Chen closely, and attacked frantically.

The two of them are like dragons and tigers, and blatantly kill Xuanji.

Xuanji was shocked, and a little bit jealous.

She hates the friendship between Ye Chen and Ye Lingtian!

"If the empress and I are in danger, will she fight with me?"

Xuanji was vaguely lost.

And when she was in a daze, Ye Chen shot her with a sword and Ye Lingtian shot, madly slammed in front of her, and with the shocking momentum, she actually shook her back by two steps.

"Damn it!"

Xuanji gritted her teeth, now is not the time for cranky thinking.

She hurriedly calmed her mind, discarded the distracting thoughts in her heart, and chopped out with a sword dance.

Roads of wild ancient sword light, mixed with fierce aura, severely slashed towards the two Ye Chen.

Ye Chen and Ye Lingtian suddenly felt tremendous pressure!

The realm gap between them and Xuanji is really huge.

In this battle, the face to win is probably very slim.

"Boy, let me help you!"

In vain, a sharp voice rang in Ye Chen's mind.

is the Lingtian Arrow God!

He saw Ye Chen and Ye Lingtian's decisive appearance of going to the enemy together. It was also deeply shocked and moved, and finally decided to take action.

Wow!

Lingtian Arrow God's divine power was projected onto Ye Chen without reservation.

The mighty and incomparable breath billowed.

On Ye Chen's body, an extremely fierce, extremely sharp light burst out, and the whole person seemed to be a sharp arrow, about to penetrate the universe of the sun and the moon.

"What kind of breath is this?"

Xuanji's face suddenly changed.

She immediately felt that there was a very powerful aura in Ye Chen's body, and he woke up fiercely.

Ye Chen at this moment is completely reborn, as if leaping over the dragon gate, transforming one step against the sky.

"Hallmaster..."

Ye Lingtian was also deeply shocked, with joy on his face.

He knew that Ye Chen would never let him down.

Boom!

The violent aura diffused from Ye Chen's body.

Countless bright lights, constantly flickering.

Ye Chen pulled his hand wide, and a huge bow appeared in his hand.

A series of ancient runes of the law continued to circulate on the giant bow, with extremely fierce sharp edges shining fiercely.

Ye Chen was holding a huge bow, as if he had transformed into a legendary \*\*\*\* who shot down the sky.

"I'm missing an arrow! Give me the Abyss Conviction Gun."

Ye Chen looked at Ye Lingtian, with golden flames burning in his eyes, billowing majesty.

"Yes!"

Ye Lingtian didn't hesitate at all, and threw this monstrous abyss conviction gun directly at Ye Chen.

Click!

Ye Chen shook his five fingers and caught it directly, feeling the tyrannical breath coming from the Abyss Conviction Gun, and couldn't help taking a deep breath.

He opened the bow string with his right hand!

The surrounding air seems to burst at this moment!

The Abyssal Conviction Gun is above the Great Bow!

One bow, one shot, unexpectedly released an extremely terrifying aura!

He knew very well that if it were an ordinary arrow, it would not hurt her at all.

Only the Abyss Conviction Gun, this supreme weapon, has enough terrifying lethality and can defeat Xuanji.

"not good!"

Xuanji's face changed suddenly, and she suddenly felt that her aura had been locked by Ye Chen.

She was covered in chills, and she stood upright in an instant, chilling.

Ye Chen at this moment is as tall as a mountain.

One bow and one shot, swallowing the world with anger.

The blood of reincarnation in his body is burning wildly.

A trace of essence, blood, and power is constantly poured into the conviction gun.

In an instant, the Abyss Conviction Spear burst out with bright \*\*\*\* runes, before it was shot out, a sharp whistle sounded, as if to penetrate the entire world.

Xia Ruoxue was also deeply moved by seeing Ye Chen's figure.

She believes that this unyielding man can definitely protect her safety.

She is completely relieved, her mind is calm, closing her eyes and refining the reincarnation star flame.

"Die to me!"

Xuanji yelled, she felt a huge threat.

Ye Chen seemed to have the breath of ancient power on her body, which made her very uneasy.

And this bow shot, before it was fired, the momentum shook the world and made her deeply jealous.

She must not sit and wait for death, she immediately danced her sword and slashed, preemptively, she wanted to kill Ye Chen without giving him a chance.

"Humph!"

Ye Lingtian snorted coldly, and stood in front of Xuanji with his bare hands to buy time for Ye Chen.

"Go!"

Xuanji arm in arm with a sword, cut straight out.

铮!

Ye Lingtian crossed his arms to resist her attack.

Xuanji's sword edge fell, collided with his arm, and suddenly made a sound like a golden horse and iron horse.

"噗哧!"

Ye Lingtian felt a burst of power coming, and opened his mouth to spout blood.

The whole person was forced to kneel on the ground by Xuanji's sword power.

However, he still kept his arms crossed and did not flinch.

"Ling Tian's arrow! Kill all evil! I am the Lord of Heaven!"

Finally, Ye Chen finished his energy accumulation, yelled to the sky and let go of his arrows!

This arrow is the Abyss Conviction Gun!

Ye Chen accumulated all his strength, the conviction gun was sharp and sharp, the tip of the gun exploded with a terrifying sharpness, with the momentum of traversing the world, penetrating the sun and the moon, and piercing the entire universe, whizzing and galloping away.

The entire Dragonscale Flying Boat made an overwhelming sound.

Under the remaining power of this arrow, the dragon scale flying boat seems to be disintegrating.

The void of tens of thousands of miles in Fangyuan collapsed in an instant, and the conviction gun swept past, tearing out a series of spatial cracks, the momentum is so big, it is simply earth-shattering.

This is Ye Chen's strongest blow, incorporating all the energy of the Lingtian Arrow God, and is about to kill Xuanji in one blow Great Desolate Moon Breaking Sword! "

Xuanji's eyes shook. Seeing Ye Chen's terrifying offensive, she did not dare to be negligent, and slammed her sword out.

Her sword's body, little green light burst.

The ancient waning moon, the starry sky is ancient.

Countless dots of green light, condensed into a layer of hazy sword light, covering the blade.

boom!

One sword, one shot, hit hard!

The shocking waves exploded in an instant.

The entire dragonscale flying boat was directly torn apart, turned into countless fragments, and disappeared in the void of the universe.

The celestial spirit had been prepared for a long time, guarding Xia Ruoxue, as if it became a slate, carrying her up in the air, protecting her from refining the reincarnation star flame.

And Ye Lingtian was completely shaken out.

Ye Chen's eyes were sharp, and he stood still, staring at Xuanji.

and Xuanji is also motionless, like an ancient statue, holding the hilt of the sword tightly, resisting the attack and killing of the crime spear.

With one sword and one shot, they were deadlocked.

Numerous law runes, constantly entangled and collided.

A wave of fierce vigor, crazily intertwined and shuttled.

The void around        was shattered like a sieve, and space holes appeared one after another, which directly turned into ruins.

The collision between Ye Chen and Xuanji seemed to shatter the Void Avenue, causing the laws to fall. .

Horror, fluctuating aura of incomparable horror, sweeping through thousands of miles.

Fortunately, there are no creatures in this void, otherwise, under such a violent collision, all creatures will be smeared, and there is no possibility of survival.

Chapter 2960: Jedi

Even Ye Chen knew that Ling Tian Jian Shen helped him this time, and he was very likely to dissipate! The figure has dimmed a lot after the previous shot.

Lao Cang and Lao Kuang did not dissipate, a large part of the reason is that their remaining power has not been used!

But now is a critical moment, facing this kind of upper realm strong, he has no other way! Anyway, he will rescue Lingtian Arrow God's body soon, and he will still be able to meet at that time.

When they collided with the pinnacle, Ye Chen and Xuanji both spewed blood at the same time.

Both figures regressed.

Click!

In an incredible scene, a crack appeared in the huge sword in Xuanji's hand.

hum!

The Abyssal Conviction Spear also flew backwards like a grass and fell into Ye Chen's hands.

This collision, the two sides are evenly matched!

Ye Chen relied on the mighty power of Ling Tian Arrow God, forcibly and Xuanji became a draw!

After the shocking collision, both Ye Chen and Xuanji were injured.

Here, Ye Chen felt his bones crack and his blood was tumbling.

And Xuanji, who was originally injured by the Zhetian Devil Emperor, now his injuries have become more serious, her pretty face pale, and she has no strength.

"Have the opportunity."

Ye Chen's eyes lit up, and Xuanji, who seemed invincible, was finally shaken by him!

It seems that the people in this upper realm are not so invincible.

Just wait a few more minutes, when Xia Ruoxue refining the reincarnation star flame, it is time for them to fight back!

"Can't drag anymore."

Xuanji bit her lower lip, looked at Ye Chen with resentment, and felt a deep crisis.

This kid is too difficult to deal with. If Xia Ruoxue refines the reincarnation star flame, and then joins hands with Ye Chen, then her crisis will continue to rise.

After all, her injuries are too serious.

And Ye Chen, under the possession of Lingtian Arrow God, his strength soared.

The balance of battle has been reversed.

"Buried my way to heaven, stained my blood, and reversed life and death! The heaven burial law of the upper realm, open!"

Xuanji looked up to the sky and uttered a clear cry.

Wow!

The gate of the sky opened, and the mighty brilliance filled her with craziness.

The injuries on her body were healed at a speed visible to the naked eye.

The original decayed aura quickly returned to completion.

The whole person, the divine light is mighty, showing an extremely powerful divine might.

"The Great Funeral of the Upper Realm! This woman is crazy!"

The voice of Lingtian Arrow God's deep jealousy sounded in Ye Chen's mind.

"This great method of burying the sky is at the cost of self-slashing the future, in exchange for the power of the law in the dark, and recovering one's own injuries."

"This is a very powerful supernatural power of the upper realm. It can be healed no matter how heavy the injury is, but the cost is also huge. Your own cultivation prospects have been completely cut off, and there will be no further progress in your cultivation."

"She wanted to kill you at all costs!"

Rao is the very knowledgeable spirit of Ling Tian Jian, but it was also deeply shocked to see Xuan Ji's decisive appearance in the future.

For cultivators, realm future is more important than life.

Everyone wants to climb the Supreme Avenue, crush all living beings, and get rid of the fate of heaven.

In order to punish Ye Chen, Xuanji was crazy. She actually used this taboo secret method to stop her cultivation.

Suddenly, Xuanji's injury completely recovered!

Her breath has also reached the realm of peak consummation.

As the eyes and pupils flowed, I don't know how many laws and runes were annihilated, and the wisps of magical light turned into a thousand rays of aura, and a thousand rays of light filled her body.

She seems to have become the sun and the moon shining on the universe, the vastness of her might, and the urge to kneel and surrender.

Ye Chen was completely surprised.

The strength of Xuanji at this moment has been completely restored, and the aura is not much better than that of the Devil Emperor.

powerful, extremely powerful!

as high as heaven, as big as the law, unshakable!

The heavens and the world, the universe, as if there is no means to shake Xuanji's figure.

is so powerful, Ye Chen glanced at it and knew that he could not defeat it.

Even with the help of Lingtian Arrow God, it can't be defeated.

Moreover, she is still a person of the upper realm, and she has no idea how many secrets of the upper realm.

Her strength will only be more terrifying.

"If you can force me to this point, even if you die, you are proud of it."

Xuanji showed a decisive look with a sad face.

In order to kill Ye Chen, she paid the price of blood.

Now her cultivation prospects have been completely ruined, and when she returns to the upper realm in the future, there will be no further possibility of improvement.

A person who has lost the value of cultivation, in the eyes of the queen, is like a waste, and must be abandoned like a pig and a dog.

But she doesn't care anymore.

As long as the task ordered by the queen is completed, even if the ending is sad, this life is not in vain.

Her life is to live for the queen, so even if she is dead, as long as she can make some contributions to the queen, it is worthy of death.

"The Great Desolate Moon Breaking Sword!"

Xuanji shouted violently, and came with a sharp sword.

The violent supernatural power is poured into the sword.

The whole sword, the light burst, and the momentum was overwhelming.

The traces of        had just been shattered, under the flood of divine light, they were all repaired in an instant, bursting up a series of law runes, flowing incomparably bright light.

This is a strong sword!

Xuanji recovered all his strength, this sword, even the Devil Emperor Zhetian must be afraid of three points.

Before the sword's edge arrived, Ye Chen felt that the universe seemed to be cut apart. It seemed that there was no force in the sky to resist this sword.

"Damn it, am I going to die like this?"

Ye Chen clenched his teeth, his face was deeply unwilling.

In the depths of his eyes, anger was ablaze.

Angry at his lack of strength! !

Compared with Xuan Ji, he is too weak!

also does not have enough power to protect his beloved.
