Chapter 2981: Surprise

dead silence!

The entire square seemed to be frozen in silence!

The sentence "Who is going to kill me?"

was actually frightened these martial artists, silent as a chill, no one dared to respond!

One by one on the square, the warriors who were still clamoring just now, with a mocking face, all looked at Ye Chen in shock!

What did this kid say?

Is he Ye Chen?

They carefully recalled that Ye Chen, the legendary undefeated **** of war, seemed to be a young man with an indifferent expression in the Evil Realm cultivation base, holding a jet black long sword...

is not very similar to this kid?

For an instant, everyone felt that their blood was about to freeze, and the brain would not function anymore!

When Ye Chen was away, they dared to be presumptuous and insulted, but if this fierce God of War really appeared in front of these people, who would dare to say one more word?

I dare not even fart!

Face, life is important?

But the next moment, on the high platform, there was a sudden burst of laughter.

Everyone stared blankly, at this moment, anyone dare to laugh?

It is Chen Po who is laughing.

He pointed at Ye Chen, and smiled and bent over and said, "Hahahahaha, you can pretend to be Ye Chen if you think you are in the Evil Realm? You are good at pretending?"

impersonating?

Everyone was shocked!

Just now, they were frightened by Ye Chen's aura, and this young man, very similar to the legendary Ye Chen, they subconsciously believed...

But now, think about it carefully, there are quite a few warriors in the Evil Slashing Realm in the Seven Divine Kingdoms. Maybe this person is just bluffing?

After all, Ye Chen will appear early, and will he wait until now to reveal his identity in their little Wuming City?

The expressions of the warriors gradually relaxed.

Chen Po's heart loosened, and then he stared at Ye Chen, his eyes flashed with spite!

Almost succeeded by this rubbish!

Just now, the martial artist present was obviously shocked by this kid, and even himself almost believed it!

This kid, can't stay!

Chen Po's whole body aura suddenly exploded, and the sky was overwhelmingly surging towards Ye Chen. He was a powerhouse of the sixth layer of Chaos Realm!

A group of warriors under the stage, many people, under the impact of Chen Po's breath, couldn't help but step back a few steps, their eyes trembled!

Chen Po is indeed the son of the city lord of Wuming City. He is extremely powerful!

This aura, Shen Ning, is quite comparable to the average Chaos Realm seven-layer heavenly warrior, right?

A long sword of white jade appeared in Chen Po's hands. The sword energy was agitated, and a dragon pattern was imprinted on the body of the sword. The sound of dragon chants loomed between the light of the sword!

Chen Po shouted at Ye Chen savagely: "The demon spy who confuses the crowd, do you really think no one dares to kill you?"

"My son Chen Po, I will kill you today!"

The next moment, Chen Po slashed at Ye Chen!

The sword light floated, the sharp aura wandered around the square like a dragon, the air was constantly dying out, and the high platform built of solid materials tended to break and shatter!

In an instant, many warriors all had their pupils crazily contracted, and they seemed to have fallen into an ocean of sword aura. Even if this sword was not aimed at them, the meridians all over their bodies were incomparably painful!

What a terrifying sword, what a strong sword spirit!

At this time, most martial artists have a kind of illusion, as long as Chen Po's mind moves, his flesh and blood will be shattered by the sword qi!

They couldn't help but look at Ye Chen, looking at Ye Chen, the ordinary warrior who slashed the Ninth Floor wanted to survive with this sword, and they didn't even have a billionth chance!

There is a price to be paid!

At this time, Ye Chen slowly put away the long sword in his hand.

When everyone saw this, they sneered scornfully.

This rubbish, it seems that you have to give up completely and wait for death?

Don't even intend to resist?

The cruel color in Chen Po's eyes has also become more intense!

Facing this terrifying sword, Ye Chen spoke lightly.

"Oh, you want to kill me? Then, I want to kill you too."

Killers, people will kill them!

Why did Ye Chen take the sword?

Because Chen Po is not worthy to die under his sword!

Facing Chen Po's sword, Ye Chen only slowly stretched out his two fingers, forming a sword finger, and slashed down towards Chen Po!

Sword light rages, destroying aura, it contains it!

Originally, the expressions of the people who were still mocking and sneer instantly solidified!

Time, it seems to be still!

what is that?

Ye Chen cut it out, what is that!

Their scalps are about to burst, and with a quick cut, they instantly split the space in front of Ye Chen into two, directly splitting the void, life and life!

Besides, it's not a broken one, it's a complete break!

One can imagine how sharp Ye Chen's cut was!

The most terrifying thing is that in this cut, there is an extremely unknown, strange aura...

Although they don't know the body of that breath, the instinct of the warrior is roaring!

Ye Chen's cut is extremely dangerous!

But originally, he was still sneer, ready to watch Ye Chen be smashed to pieces by his own sword, and even began to think about how to avoid the blood mist from contaminating himself with Chen Po, but his complexion was completely stiff!

The fear in 's eyes, it whizzed like a tornado, completely overwhelming his brain!

"Impossible!"

Chen Po screamed Forcibly reversed the sword light, the sword that originally attacked, but quickly took Chen Po's body and flew towards the distance!

Turn offense to defense!

Switch from offensive to defensive almost without interval. This is not something ordinary martial artists can do. Chen Po's martial arts is not simple!

可, all this is meaningless in front of Ye Chen!

Chen Po is like an ant that can do acrobatics.

can acrobatics, so what?

ants, always ants!

The next moment, that sword light appeared behind Chen Po in an instant!

Chen Po roared, turning his sword energy again, and attacking the sword light that Ye Chen had cut out, wanting to make the final struggle!

Silently, the thrilling blade light blended into Chen Po's sword aura...

To be precise, it is directly, cutting away the invisible sword energy!

There was a flash of blood, and Chen Po's body split into two and fell to the ground.

Until he died, his face still maintained an extremely frightened look!

Ye Chen is too scary!

Everyone was stunned, scared, trembling...

One finger kills the Evil Slasher that exists in the middle and late stages of the Chaos Realm. Who else besides Ye Chen?

At this time, Ye Chen turned his head again and said lightly: "Now, I give you two choices, one, go, two, die!"

After hearing this, everyone's complexion changed drastically, and they rushed to the surroundings! !

In less than a breathing time, the square that was originally crowded with people was already empty.

There are only two people, still staying in place.

Chapter 2982: The crisis is coming!

Ye Chen looked at the two of them, but his expression was loose.

Of these two people, one is a woman with a beautiful face and a black dress. It is Tu Lanxin!

The other was a man with a pale face. According to Ge Shan, it was Song Jinyi who should have died!

"Tu Fairy, how are you?"

Ye Chen first looked at Tu Lanxin and asked. With Tu Lanxin's strength, he was alone during this period of time, and he was still quite worried when the warriors of the Kingdom of God were attacking Ye Chen.

Tu Lan's heart warmed and smiled and said: "I'm fine. After I left that day, I felt the fluctuations of your fight with Gao Yin, and couldn't help it. I went back to find you..."

In her eyes, there is a color of memory...

That day, the fluctuation of Ye Chen's battle with Gao Yin was too strong. Although Tu Lanxin knew that she could not help Ye Chen, she still couldn't help going back...

Gao Yin is too strong, she can't rest assured!

But when she went back, Ye Chen and Gao Yin were no longer in their original positions...

Tu Lanxin searched for a long time, but instead of finding Ye Chen and Gao Yin, he encountered a monster!

is almost dead, in the kiss of the beast!

At the critical moment, Song Jinyi appeared and killed the monster.

It turned out that Song Jinyi fought against Gao Yin. After being seriously injured, he used life-saving means to escape. It happened to be that Gao Yin and Ye Chen's battle fluctuated and attracted here.

Song Jinyi possesses a jade card from the Alliance of Gods, which could have locked Ye Chen's location, but after he warned Ge Shan that Wan Fazong was a spy of the demons, Ge Shan's reaction aroused his suspicion!

He noticed that Ge Shan had probably been bought by Wan Fazong!

Therefore, in order to prevent accidents, Song Jinyi used his own authority to cut off the connection between Ye Chenyu card and other Shenmeng jade cards. This is also the reason why Geshan and others could not find Ye Chen!

Fortunately Song Jinyi did this, otherwise, Ye Chen might have been besieged by many strong men.

But in this way, Song Jinyi himself couldn't find Ye Chen's location.

After the two met, they stayed in Wuming City first. According to Song Jinyi's guess, if Ye Chen knew something was wrong, he would go to the Shenmeng as soon as possible, and he would probably pass here!

Ye Chen nodded, and said to Song Jinyi: "Brother Song, thank you!"

Song Jinyi smiled slightly: "You are welcome, Brother Ye, by the way, Brother Ye, where have you been during this time? Why is there no news?"

At the same time, his heart was secretly horrified!

Although Tu Lanxin didn't find it, from Song Jinyi's eyes, it could be seen that Ye Chen was strong again!

Moreover, it has improved greatly!

This is too scary, right?

How long have they been apart?

Ye Chen, unexpectedly improved his strength again?

How enchanting is this!

Ye Chen didn't explain too much about the land of the leaves and the burial place of Sogo, but frowned: "Brother Song, why do these people say that I am a spy of the Demon Race? What is going on all this? The Seventh God Congress Will it be dangerous?"

Song Jinyi's expression sank, and he said: "If I guess right, the leader of God League Geshan has rebelled! Moreover, he is about to lead the six kingdoms and invade the seventh kingdom. The purpose is to take advantage of human greed and challenge. Start fighting!"

He analyzed the whole story one by one. Although he was not present, he was almost correct!

A trace of killing intent flashed in Ye Chen's eyes and said: "Brother Song, I am going to the Seventh Kingdom of God right now!"

Time is running out. At this time, the people from the Six Great Kingdoms should have arrived in the Seventh Kingdom, right?

Ye Chen's woman, teacher, friend, and sect are all in danger!

Song Jinyi nodded and said: "What Brother Ye said is extremely true, let's set off now, I should have a way to avoid the eyeliner of the alliance and bring the two back to the seventh kingdom of God!"

The next moment, the three of them flashed and disappeared from the same place.

.....

At this time, the seventh kingdom of God.

An incomparably huge space gap opened up over a desert island, and a spaceship slowly flew out of the gap!

A super spaceship with an area of 100,000 square meters!

On the deck of the spaceship, there are countless warriors standing, and these warriors have a ferocious smile on their faces, like hungry wolves about to plunge into the flock!

At the bow of the spacecraft, thousands of square meters were vacated, and a few people stood there.

There are Geshan, the leader of the First Kingdom of God, Tian Feiming, the elder of Wanfazong, and the strongest Feng Shaoyu of the Second Kingdom of God. These people can be said to be the leaders of the invasion of the seventh Kingdom of God!

In addition, there is a young man with sword eyebrows and a handsome face, but his temperament is extremely deep and his eyes are extremely vicissitudes of life.

This young man was wearing a black robe, standing with his hands held up, and many warriors looked at him curiously.

They don't know this person, they only know that this person comes from the First Kingdom of God, but they have never heard of it, there is such a young talent in the First Kingdom of God?

is even more weird!

Those big bosses who stand on the bow of the ship, each of them are extremely respectable!

At this time, Tian Feiming saluted the young man: "Old ancestor, are we going directly to Shenjizong now?"

Everyone heard this It was all a shock!

Old ancestor?

Is this young man Kong Chi, the ancestor of Wan Fazong?

Kongchi, obviously an old man?

The world of Xiuwu is not without some means of beauty, but it is almost impossible to rejuvenate.

This hole pool, but I don't know how many tens of thousands of years of super old monsters have lived, but now, is it rejuvenating?

incredible!

Kongchi said lightly: "Go straight, you can move freely after the Divine Supreme Sect is destroyed."

The warriors looked at each other, and they all looked happy!

They all understand that freedom of action means that they can plunder the women of the seventh kingdom at will, resources!

They all couldn't wait to annihilate the so-called Shenjizong!

Immediately, the giant spaceship trembled and turned into a stream of light, flying away in a certain direction at great speed!

.....

At this time, Shenjizong.

Sect Master Yu Zhenzi, the ancient demon emperor Qingdi of the Seventh Kingdom of God, Jin Tianou, Yang Chiyuan, Mozun Yun Invisible, and even the three kings of the ancient human race, all appeared here!

Their complexions are incredibly heavy!

Even the Azure Emperor, who has broken through the Heavenly God Realm cultivation base and whose body is the Canglong, is the same! !

The reason why they all appeared here is because they received a message that a huge spaceship appeared in the Seventh Kingdom of God, and, looking at the direction, it is very likely that it is coming towards the Shenjizong!

And the warriors on this spaceship are extremely powerful, and they seem to come from the other six gods!

Chapter 2983: Guard of the Azure Emperor! Shadow of Nightmare

The existence of the Seven Kingdoms of God may be a secret for ordinary warriors, but for the existence of the Qing Emperor and the Three Ancient Kings, it is naturally impossible not to know.

The people from the other six kingdoms of God suddenly broke into the seventh kingdom of God, and they are still facing the Divine Extreme Sect.

How do you look at it, it's impossible to have a cup of tea in Shenjizong?

Qingdi and others, although they have fought against and conflicted with Ye Chen, in fact, they have recognized Ye Chen as the first strongest in the Seventh Kingdom of God and the true leader of the Seventh Kingdom of God!

And the Divine Extreme Sect who owns Ye Chen is undoubtedly the first sect of the Seventh Divine Kingdom. Now, these outsiders have made it clear that they are going to invade the Seventh Divine Kingdom's greatest power?

This is not aggression, what else is aggression!

Qingdi and others, naturally it is impossible to sit idly by!

The entire Shenji Sect is now shrouded in a stormy atmosphere!

At this moment, a black spot appeared from the sky, and in a blink of an eye, it was in front of the sacred mountain where Shenjizong was located. The spacecraft was even bigger than the entire sacred mountain!

There are hundreds of thousands of warriors on the spaceship!

Moreover, none of these warriors are weak!

Those with the lowest cultivation base all have the mid-term strength of the Slashing Evil Realm, and even the Chaos Realm has so many!

There are still many heavenly gods!

At this time, the warriors on the spaceship were cruel and disdainful, and their breath rolled!

The coercion of these 100,000 warriors almost made all the disciples of the Divine Extreme Sect despair, vomiting blood, and fainted!

All of them thought with their faces dead and gray, it's over, Shenjizong is completely over...

Facing the military forces of these six great kingdoms, which force can resist?

Ten thousand Fazong, the first power of the Kingdom of God, may not be able to do it, right?

And the Divine Extreme Sect, even if it has the strongest such as Qingdi, in terms of overall strength, it can be said that it is completely incomparable with Wanfazong...

Apart from anything else, just the Great Elder, the Second Elder, and the Third Elder of the Ten Thousand Fsects are all extremely terrifying existences!

No matter how strong the Emperor Qing is, it is difficult to achieve one enemy three within the same rank, right?

Not to mention, there are so many terrifying warriors...

Despair, only despair!

Mako Yu yelled: "Fully open the mountain protection formation!"

可, but was stopped by Qingdi.

His eyes flashed at the countless warriors on the spaceship, and he said: "No need, the mountain guarding formation, for them, it is vulnerable and the great formation is broken. It can only make the disciples of the Divine Extreme Sect more Desperate."

Yu Mako said in a deep voice, "Then, what should I do now?"

In the eyes of Emperor Qing, there was a sudden flash of divine light, and he spoke firmly, "Wait for Ye Chen to return!"

what?

Everyone was slightly surprised!

Wait for Ye Chen to return?

Although they don't know what happened to Ye Chen in the First Divine Kingdom, the fact that these people can appear here is enough to show that Ye Chen is almost impossible to stop them, right?

If Ye Chen had a way to stop these people, he would have stopped!

Qing Emperor seemed to see through everyone's thoughts, and suddenly shouted: "Trust him! Haven't we already regarded Ye Chen as the leader of the Seventh Kingdom of God?"

"Then all we have to do is to believe in the leader!"

Believe in the leader!

When everyone heard the words, they were all refreshed, and the originally shaken hearts became firm again!

The Qing Emperor looked at the expressions of the people, nodded, and a decisive expression flashed in his eyes: "Since we have chosen to believe, then, even if we die, we must protect the Divine Supreme Sect before Ye Chen returns. Extinction!"

"Once our leader appears, it will be us who wins!!!"

For an instant, the aura of the people of Shenjizong all soared to the sky, extremely powerful, and faintly resisted the pressure of the hundred thousand warriors!

The next moment, the Qing Emperor appeared in front of the spaceship for a moment, looked at the people on the spaceship coldly, and said: "Everyone! Now the disaster of world extinction is coming, my seventh kingdom of God, I don't expect you Help each other, but at this critical moment, you actually invaded my seventh kingdom of God and provoked an internal struggle among the human race?

Everyone understand, what does this mean? "

In the eyes of Emperor Qing, these people are the biggest traitors of the Seven Kingdoms of God!

The people standing on the bow of the ship looked at Qingdi with a sneer.

Tian Feiming said indifferently: "What does it mean? Haha, we have already found out that Ye Chen is a spy of the Demon Race, and we do this, which naturally means eliminating the demon and defending the way! Compared with initiating a human race, leaving these spies behind, The harm is ten thousand times greater!"

On the face of the blue emperor, with angry faces!

spy?

This is simply an insult to the extremely proud Qingdi!

He would rather die ten million times than being a spy of the demons!

Qing Emperor shouted: "Upside down black and white! What evidence do you have?"

If you want to add a crime, there is no reason to worry!

This truth, even the monster race understands!

Ge Shan beside Tian Feiming sneered and said: "Evidence? We say you are, you are! A man from the seventh kingdom of God, dare to question me? Are you worthy!"

The people at the bow of the boat are all looking at the Qing Emperor playfully. These people have completely torn their faces and exposed their true purpose!

Qingdi was so angry that he trembled and couldn't bear it!

These people are too shameless!

The next moment, a thunderous dragon roar resounded across the sky, and the Qing Emperor's body flashed with blue light, and turned into a ten thousand-foot dragon larger than the spaceship. The mouth of the dragon was one, and the blue thunder light flashed into a handle with the aura of death. The cyan thunder sword slashed at the warriors on the spaceship!

There were a lot of warriors who were still sneering and mocking, but they were all horrified!

The breath of this thunder sword is terrifying!

Emperor Qing is stronger than when he fought against Ye Chen last time!

Even the presence of Tian Feiming and Feng Shaoyu's strength was slightly shocked.

However, Kong Chi's expression did not fluctuate at all.

The next moment, Kong Chi slowly stretched out his hand, seemingly casually slapped the Qingdi!

The moment this palm hits everyone seems to hear a soft click!

Invisible, it seems that something is broken!

Countless warriors, their faces are shocked...

Is the broken one the law of martial arts!

An almost transparent giant palm print, heading towards the suppression of the blue thunder sword, the space screamed, the wind roared, the palms were crazy, the heaven and the earth were changed, and the mountain where the Shenji Sect was located was actually the aftermath of this palm. Down, began to tremble crazily, almost, about to collapse!

This casual palm is actually terrifying!

Fierce palm power, like a huge mountain of thousands of meters, crushed fiercely on the hearts of everyone, giving people a feeling of being unable to resist!

The next moment, the Qinglei Great Sword collided with the giant palm print!

.....

At the same time, the Seventh God Country Monster Race, Emperor Jueshan.

A shocking vision rose to the sky!

Over the entire Emperor Jue Mountain, a strange shadow of twin pupils appeared.

These pupils make countless beasts cry and surrender!

Like, the suppression of blood!

is more like a nightmare in the world is born!

No one knows what happened here!

But if someone with a heart pays attention, they will inevitably find a two-color shadow rushing in the direction of the Seventh Divine Kingdom Divine Sect!

At the same time, there was a sound that shook the sky for a long time.

That is Xiao Huang's voice. .

is also the anger that belongs to the nightmare of double pupils.

Chapter 2984: guard

The seventh kingdom of God, among the continuous and peaceful mountains.

Many warriors who were retreating in the mountains suddenly opened their eyes!

Their faces were filled with extreme horror.

These people, starting from the moon ring vision, did not choose to come out.

Their world only has cultivation!

Their lives run through ancient times and now!

All their goals are the end of martial arts.

These hidden world powerhouses should not have interrupted their cultivation.

But in just an instant, their calm hearts were actually covered by a red and blue light!

This red and blue light flashed past like a nightmare, setting off stormy waves in their hearts!

Even the many warriors present had a trace of blood oozing from the corners of their mouths.

A trace of blood that they haven't spilled for thousands of years.

"Dual pupil nightmare?"

"How is it possible, the double-pupil nightmare of the ancient legacy?"

Several cold and vicissitudes of voices sounded at the end of the darkness for a long time.

...

The picture turns, the seventh kingdom of gods, the **** sect

The atmosphere is extremely tense!

Countless people are looking up at the sky! The Azure Emperor's Great Sword and Kong Chi's giant palm print collided!

No one can think of the result of such a powerful blow, a blow of the gods!

Suddenly, a weird scene appeared!

It looked so powerful, as if the Qinglei Great Sword that could extinguish everything, but it shattered silently and dissipated!

Qing Emperor's thunder strike was so unbearable in front of this Kong Chi?

Even with the disposition of this ancient Demon Emperor, he couldn't help but tremble fiercely!

In an instant, the Qing Emperor turned into a human form again, clenching his teeth, holding a long sword surrounded by blue thunder in his hand!

Why turned into a human form?

Because Kong Chi is too strong, he is too strong!

Only when the Qing Emperor fights against his martial arts, and has to break through his own martial arts limits, can he have a ray of life!

Otherwise, this casual palm can make him die!

Qingdi's eyes flashed brightly, his sword intent surged, and he slashed a sword toward the palm print!

The thunder light exploded and turned into a blue thunder dragon, roaring towards the palm prints. The three human kings on the sacred mountain saw the sword of the Qing emperor, their eyes were bright!

This sword is very good! Even faintly has a hint of real martial arts!

Qing Emperor, even though he is a monster, his martial arts talents are shocking!

However, immediately, they couldn't help but sigh...

Why sigh?

They sighed because the Qing Emperor understood the importance of martial arts, it was too late, thousands of years late...

Even though the Qing Emperor's martial arts talent is extremely high, now, compared with this Kong Chi, it is basically one place every day!

The sword light collapsed, and the giant palm print was severely suppressed on the Qing Emperor. With a bang, the blood mist erupted from the Qing Emperor's body, and the surging dragon blood swayed in the air, and the dragon scales turned into little blue light mixed in the blood mist.

The Qing Emperor was bloodied, his bones broken, and his muscles torn apart. The whole person was like a cannonball, and he slammed on the mountain with a bang. With a bang, the entire mountain was completely collapsed!

However, the original magnificent Shenji Sect, known as the first power of the Seventh Kingdom of God, collapsed with the collapse of the Shenshan Mountain. Numerous buildings were turned into rubble, and the Shenji Sect became a ruin in an instant!

Jin Tianwu lifted up the Qing Emperor's body, his face was extremely ugly, if it weren't for his Canglong, his fleshly body would have been wiped out...

But, Rao is so, there is only one breath left, unable to fight again...

Before Ye Chen returned, Qing Emperor could be said to be their greatest support!

But now this dependence was slapped at random by the opponent and killed in seconds...

Shenjizong, the morale that had just been mentioned, was shattered by this hand...

Kong Chi stood at the bow of the ship, his expression authentic: "The rest, you can do it."

"Yes!"

Tian Feiming, Feng Shaoyu and others all responded with a hideous look on their faces. The next moment, their figure flashed, they rushed towards the people of Shenjizong!

Except for the Qing Emperor, the rest of them, in their eyes, are no different from the ants!

Within the ruins of Shenjizong, countless disciples immediately rang out with horrified shouts!

War King Xing Qianhan, Sword King Situ Xin, and Soul King Dongfang Sheng had cold faces. After looking at each other, they shot!

Although the three of them are strong, they are not the opponents of the powers of the major gods and the elders of Wanfazong...

Regardless of personal strength or number...

but!

They were once called the Three Kings of Human Race! The three kings of the human race of the seventh kingdom of God!

At this time, there is no choice but to fight!

A ray of extreme sword light shook the sky, as if it could cut off the sky!

After the sword light, there was an elegant figure dressed in white clothes, accompanied by the sword light, coming to these warriors at high speed!

It is Situ Xin, the sword king who "is like a flying snow sword like a rainbow, the sword cuts the blue sky and destroys the nine layers"!

Even those powerhouses whose strength has reached the ninth level of the Chaos Realm, their complexion slightly changed in front of this sword!

This sword, attained too high, faintly, already has the power to transcend realm!

If they face it alone, it is really dangerous!

However, the next moment, Tian Feiming, Feng Shaoyu and the others showed a sardonic smile.

However, they are not alone, are they?

Tian Feiming, Feng Shaoyu, Xiao Bao, and the second elder of Wan Fazong Yu Qian, the four of them actually shot together!

Sword intent, halberd intent, spear intent, etc., whizzing towards that sword light!

In the face of several powerful players with amazing strength, even a stunning Eternal Swordsman like Situ Xin could not resist...

That sword light only lasted for a moment, and then it was broken!

Situ Xin vomited blood, his eyes condensed, the long sword in his hand that had accompanied him for countless years was actually shattered in an instant, turned into a pure sword intent, and hovered around him.

At this moment, the attacks of the strongest and elders of Ten Thousand Fazong came!

The sword intent collapsed, and Situ Xin was covered in blood, and stumbled to the ground weakly.

Feng Shaoyu and others all snorted coldly, this Situ Xin's last sword intent was a bit weird, but it actually blocked their joint blow?

Several people joined forces, and they hadn't died within seconds of this waste of the seventh kingdom of God, which made them quite unhappy!

Just when these people were about to pursue their pursuit, Dongfang Sheng yelled abruptly: "Situ Xin! Good job! Bloody soul burns the sky and binds the creatures!"

A blood-colored flame suddenly appeared behind Dongfang Sheng's head, and he actually directly ignited his soul!

The power of the strong soul, whizzed out, and instantly dyed the entire sky red. This soul-burning power, turned into a large number of expressions, actually restrained all the strongest people!

"Soul repair!"

The few people exclaimed, even with the strength of their souls, they couldn't break free from the shackles of Dongfang Sheng for a while!

What a terrifying soul power!

Chapter 2985: The fear of double pupil nightmare!

However, at this time, Dongfang Sheng was blood-red, and his expression was extremely reluctant. Obviously, he would not last long!

And at this moment, a figure swept in front of the several powerful men at an extremely fast speed!

Tian Feiming, Feng Shaoyu and others, their pupils shrank!

In this person's eyes, a blue flame is beating, it is Xing Qianhan!

At this time, Xing Qianhan apparently used some kind of secret method. His whole body exuded the breath of the weather, like a **** of war, with a frost warhammer in his hand, and the cold light flashed, and he slammed down the bound people!

That terrifying power makes the entire space tremble crazily!

was originally a ridicule, and the expressions of the indifferent people changed drastically!

In an instant, Xing Qianhan came to Xiao Bao and hit it with a hammer!

Xiao Bao screamed in horror, a group of red light burst out from his body, blocking the heavy hammer in Xing Qianhan's hand!

可, that red light, in an instant, was smashed to pieces by Xing Qianhan's tremendous force!

There was a loud bang!

Xiao Bao was severely smashed out by this hammer, his bones were broken, his flesh and blood were separated, he slammed into the huge spaceship, and smashed the spaceship with countless cracks. It was directly hit by Xing Qianhan's hammer. Dying!

The people of Shenjizong saw this, and they all looked happy and succeeded!

The counterattack of the Three Kings of Human Race was successful!

In their hearts, there is a glimmer of hope!

But at this moment, a figure flashed, but on the spaceship, another person was killed towards the Divine Extreme Sect.

The next moment, the black shadow appeared directly in front of Xing Qianhan's eyes, with a **** iron stick in his hand, slammed down!

Xing Qianhan roared wildly and slammed his hammer away!

There was a touch of joy on the faces of everyone. Fighting King Xing Qianhan, the most powerful thing is power!

Is this person actually stronger than Xing Qianhan?

Even if his strength is higher than Xing Qianhan, he may not be able to get any benefits, right?

but.....

The next moment, Xing Qianhan's figure was shocked!

On the tiger's mouth, blood was flowing, and the bones of the whole person were also creaking, and with a bang, they were hit by the stick and flew out!

When everyone saw this, there was a horror, this person actually won Xing Qianhan in strength!

I saw a man, half ape, standing in the sky, full of golden hair, majestic and majestic!

With a pair of golden eyes, he looked down at Xing Qianhan, with a hint of sarcasm flashing in his eyes.

He is the demon king of the first kingdom, Yuan Shengtian, the ape!

And at this moment, several roars were heard, Feng Shaoyu's body was full of silver lights, Tian Feiming's body surface was tumbling with spiritual power, and those big blood-colored hands were quickly broken!

Dongfang Sheng spit out a mouthful of blood, and fell from the sky with a shake.

Forcibly controlling so many strong men, he has reached the limit...

The expressions of the people of the Divine Extreme Sect were completely defeated. The three kings of the human race tried all their means, but they were still defeated...

The last glimmer of hope is also gone...

Solved the three human kings, Tian Fei waved his hand and shouted: "Everyone, it's time to eradicate the Devil Party, kill!!!!"

The one hundred thousand warriors cheered and were extremely excited. Now, the strongest opponents have been dealt with, and now is the real time for massacre!

They have long discovered that among the female disciples of Shenjizong, several are extremely beautiful, right?

These six-nation warriors flashed incomparably greedy expressions in their eyes. This kind of superb beauties are first-come-first-served. One step later, they may be ruined by others!

Jin Tianwu took a deep breath, and a ray of determination flashed in his eyes. He had already recognized Ye Chen as the master, so before he died, he would never allow these scums to defile the Divine Supreme Sect!

The next moment, Jin Tianwu suddenly transformed into the original body, and with a roar, the whole body crocodile dragon Jin Yan vented towards the first wave of warriors who flew in like waves!

"Ahhhhh!!!"

Countless screams sounded, this ancient divine fire is a deadly weapon to those whose cultivation base is under the golden sky, or even slightly stronger than him!

But the next moment, a wild roar sounded, Yuan Shengtian's figure suddenly swelled up and turned into a ten-foot-tall golden-haired great ape. The black iron stick in his hand was thrown at Jin Tian'o!

The heavy black iron rod instantly turned into a jet black arrow, Jin Tianyi's eyes shrank, and there was no time to dodge, and the iron rod pierced his body severely with a loud boom. Sound, inserted in front of the gate of Shenjizong.

The entire Shenji Sect, there was a dead silence...

Countless Shenjizong disciples have prepared themselves to explode. Instead of being insulted by these shameless people, it is better to die cleanly...

The golden-haired great ape stomped on Jin Tian's head with one foot, and a bloodthirsty color flashed in his eyes. He could see that Jin Tian's blood was very strong and swallowed Jin Tian. After the attack, his strength may be even higher!

Immediately, he stretched out his hand and grabbed Jin Tian's head. His arms used force to directly tear Jin Tian in half from his mouth!

The eyes of the people of the Divine Extreme Sect flashed with a deep intolerance...

Jin Tianou fought to the last moment for them, but this kind of end?

At this time, in Jin Tianwu's eyes, there was no fear at all, and only deep self-blame.

Blame myself I didn't protect Ye Chen's sect when he was away!

On that day, Jin Tianwu may only recognize Ye Chen as his master just to survive, but gradually, he has already followed Ye Chen from the heart. Once the Yaozu truly recognizes a person, he will be extremely loyal!

Kacha, the corners of Jin Tian's mouth were torn, blood rushed, and the bloodthirsty color in Yuan Shengtian's eyes became more intense, and the muscles above his arms trembled and the blue veins were like a dragon. Jin Tian's must be completely torn in half. !

But at this moment, a wave of space suddenly rippled out in the void!

The entire sky is dyed red and blue!

Extremely weird!

Even on the spaceship, the indifferent Kongchi frowned slightly.

Just a moment ago, there was fear in his heart!

This is the suppression from a particular bloodline.

Is it a monster?

In the seventh kingdom of God, besides Demon Emperor Qingdi, is there a stronger existence?

Just when Kong Chi and the crowd were puzzled, the huge wave above the sky rushed out a behemoth covered with red and blue light!

The giant beast is huge, with ancient lines flowing all over its body, and its giant palm falls on the ground. The entire seventh kingdom of God seems to usher in an earthquake!

An incredible earthquake!

The most intuitive thing to say is Yuan Shengtian!

The moment the giant beast landed, the gust of wind that set off made him take a step back!

At the same time, a shocking demon aura burst out! !

That figure rushed towards Yuan Shengtian almost without any time interval, the whole body flashed, and under the red and blue light was golden thunder!

Chapter 2986: My attitude!

At this moment, in Xiao Huang's eyes, anger was raging, killing intent!

The red and blue pupils are like a cold nightmare. At this moment, I want to destroy the world.

Xiao Huang naturally knows Jin Tian Og!

In the beginning, Emperor Jueshan, it was Jin Tianwu who took Ye Chen and Xiao Huang to go together!

Xiao Huang not only knows about Jin Tianou, but also knows that the land under his feet is Shenjizong!

is Ye Chen's sect!

is Ye Chen's guardian!

Now that the master Ye Chen's guardianship becomes like this, how can he not be angry!

He regretted being late!

He regretted not stopping!

Now that Jin Tian Ou is so hurt, he wants the other party to bear his terrible anger!

slapped fiercely, covered by blue runes, and slammed out towards Yuan Shengtian abruptly!

Xiaohuang suddenly appeared, Yuan Shengtian was originally taken aback.

Special, it's Xiao Huang's wicked spirit!

However, when he saw Xiao Huang's palm to himself, all the horror disappeared.

He Yuan Shengtian, his body is the Overlord Ape with the blood of the Heaven-Crazing God Ape!

Compared with him in strength?

Simply, I think my life is too long!

Yuan Shengtian roared wildly, his whole body was excited, his body became even bigger!

He released Jin Tian'o in his hand, raised the fist that killed countless strong men, and punched out the same!

At this moment, Xiao Huang's palm looks extremely small before Yuan Shengtian's giant fist!

Those strong men who encircled the Divine Supreme Sect saw this scene with disdain on their faces, almost all of them had seen this sudden behemoth being crushed into powder by Yuan Shengtian's punch!

At this moment, Xiao Huang's flashing blue palm and Yuan Shengtian's giant fist collided!

The figures of the two of them were in the air, stagnating for a moment, then!

is shocking, the scene where the eyeballs are about to burst, appeared!

A line of blood stains, on Yuan Shengtian's giant fist, the wind speed spread, as if a small mountain was shattering.

next moment!

The giant fist that contains tremendous power and seems to be able to sweep everything, is in front of everyone, broken...

really broken!

first shattered into pieces of flesh and blood, and then that piece of flesh and blood, and then turned into bursts of blood mist!

In the blood surge, Yuan Shengtian's giant also flew out quickly!

flew towards the spaceship in the sky!

Yuan Shengtian was defeated by an inexplicable monster with one move?

This is Yuan Shengtian, the first demon emperor of the kingdom of God, who is known for his strength and his cultivation is through the sky!

In the duel of power, not only was it defeated, it was almost completely crushed!

Everyone was horrified. Yuan Shengtian's body is extremely large. If he hits the spacecraft, they will all be injured, right?

OK, is this over?

The power of Xiao Huang's blow is not over yet!

Yuan Shengtian, a great ape who is not afraid of this day, is not afraid of the earth, at this time, his eyes trembled and his soul was gone!

Why?

Because Xiao Huang's power not only smashed his fists, but even penetrated into his body!

The **** cracks spread continuously over his whole body!

"Impossible! How could this happen!!!"

Yuan Shengtian yelled frantically, the next moment, his whole body fell on the spaceship like mud!

The ground is shaking!

Even some of the warriors who were affected were turned into blood mist on the spot!

This extremely horrifying scene makes the world quiet!

Of course, Yuan Shengtian is not dead yet!

He was vomiting blood, he was extremely painful, he just watched the mighty beast covered with red and blue light above the sky!

As the Demon Emperor, he has never seen such an existence crushed by blood!

Countless eyes focused on Xiao Huang.

Xiao Huang's extremely cold eyes swept everyone away!

Most people on the scene said that the warrior couldn't look at each other with Xiao Huang!

Just because of the weird red and blue pupils!

As if looking at each other, the infinite fear in my heart will explode!

There are even some people with unstable Taoism, they fell to the ground on the spot, and their cultivation bases landed straight!

One second!

Two seconds!

By the third second, Xiao Huang suddenly moved!

He stepped forward and brought the bright light to Jin Tian's face.

An invisible force held it up.

Xiao Huang abruptly placed Jin Tianou on his body.

Jin Tianyu's eyes were filled with disbelief, it was breathing fast, its body was bleeding, and it couldn't even say anything.

Xiao Huang's cold eyes showed a hint of kindness, and he whispered softly: "No need to say anything, the master hasn't come, then I will take you back to the place."

The words fell, Xiao Huang rose to the sky! In a flash, I came to the vast spaceship!

"bump!"

The spacecraft shakes!

An invisible wave of air is like a wave of ten thousand feet hitting every warrior present!

The only calm is Kongchi!

But whether Kong Chi is really calm or fake, nobody knows!

The little yellow, red and blue pupils glanced at everyone!

What kind of eyes are that!

is invincible!

is like a true **** in the world!

even said that one look can kill everyone in seconds, they will believe it too!

"Go away."

A single word, just spit out from Xiao Huang's mouth.

Everyone is shocked!

Then, the hundred thousand warriors unexpectedly gave up a road!

An extremely wide road!

And at the end of the road is the dying Yuan Shengtian!

"bump!"

"bump!"

"bump!"

The footsteps resembling death sounded.

Xiao Huang dragged Jin Tianwu towards Yuan Shengtian slowly.

At this moment, the air is solemn.

The world is quiet!

Everyone present even felt like they could not breathe!

Who would have thought that a giant beast would come to the center of the crowd with such boldness!

Fearless!

Like the king of the Chinese forest
Walking through the flock of sheep in a leisurely courtyard!

This is absolute authority!

This is a terrible killing intent!

Unstoppable!

This long journey ended in an instant.

Xiao Huang stood in front of Yuan Shengtian with Jin Tianwu on his back.

Step by step approach has made Yuan Shengtian extremely frightened!

That monstrous force made him cry!

He looked in the direction of Kongchi!

"help me....."

Yes! What responded to him was Kong Chi's indifference!

Yuan Shengtian knew that he was abandoned!

He looked at Xiao Huang and said with a trembling voice: "Senior, I really don't know..."

However, before the words were finished, Xiao Huang's giant palm slammed on Yuan Shengtian's feet!

In an instant, the blood mist burst.

Yuan Shengtian lost his legs!

"Are you desperate?"

The deep voice rang in Yuan Shengtian's ears!

Yuan Shengtian nodded quickly: "I am desperate! I regret it! I don't dare anymore! Please let me go!"

Xiao Huang's red and blue pupils narrowed slightly. After a few seconds, he suddenly said, "Despair is right."

"I want people to die in despair!"

In the next second, the little yellow eyes flowed in runes!

An invisible hand seems to appear!

Then, click, Yuan Shengtian's mouth is torn, blood surges! !

This picture is extremely familiar!

Isn't it what Yuan Shengtian did to Jin Tianou just now!

Chapter 2987: wide awake

It's just that the invisible hand seems more cruel at this moment!

Because the whole world reverberates with Yuan Shengtian's miserable cry!

The cry of lasted for ten seconds, and finally, a tearing sound resounded! Yuan Shengtian was torn in half abruptly!

Even because the power was too strong, the two halves turned into blood mist.

At this moment, everyone in shock and horror has just come back to their senses...

Yuan Shengtian, dead...

was killed in seconds by this mysterious behemoth with indifferent expression!

There was a chill in their souls!

Yin wind strikes!

Everyone present is shaking! In fear!

Xiao Huang raised his head and glanced at everyone present. This sweep caused everyone to take three steps back!

Kongchi can't sit still anymore, stepping out, his eyes fluctuate, and the sky is chilly: "I don't care what your identity is! You shouldn't be involved in this matter, if you leave, Yuan Shengtian's death, I can forget it!"

As soon as I said this, everyone was unbelievable!

Kongchi actually flinched because of this mysterious monster?

The next moment, Xiao Huang smiled, his red and blue pupils stared at Kong Chi, and then said each word: "What are you!"

"Today, I will guard the Shenjizong!"

"Who dares to approach the Divine Jizong for half a step, kill without mercy!"

Threat!

Naked threat!

But it's like a giant iron inserted into the body of everyone present! Make them immobile!

Most of the warriors on the scene did not dare to take a half step!

Kongchi's eyes gathered killing intent. Although he didn't know the origin of this behemoth, since the opponent blocked it, he could only erase it!

Even if you pay the price!

"In that case, let's fight!"

"I hold this behemoth, you step through the Divine Extreme Sect!"

With an order, countless warriors hesitated for a few seconds, and they did so!

You can see Kongchi's position in their hearts!

The little yellow eyes were serious, put Jin Tianou down, let out a roar, and rushed towards Kongchi!

In fact, Xiao Huang had not succeeded in breaking through, but he sensed that something was wrong with Shenji Sect and broke the barrier ahead of time!

He also couldn't be sure whether he could defeat Kong Chi if he left the game early, but he had to buy time for Ye Chen anyway!

Two extreme forces collide at this moment!

This time, Xiao Huang took three steps back!

and Kongchi hasn't moved!

Kong Chi hovered in the sky, with his hands behind him, and smiled slightly: "Are you actually hurt? It seems that you were breaking through before, and at a critical moment, you gave up breaking through and stepped into this place? Help Shenjizong even at the back? You and Shenji What is the relationship between Zong?"

Little Huang ignored it, and the flowing runes all over his body rushed towards the hole pool again!

This time, Xiao Huang's runes bloomed with countless lights, red dazzling! As if turned into a peerless sword, cut towards Kongchi!

Two times!

Xiao Huang actually has blood on his body!

And Kongchi is not comfortable!

was also injured!

His clothes are broken, and he looks a little embarrassed!

But, although Xiao Huang is hot, Kong Chi is involved! Shenjizong is in great disaster!

Countless warriors are rushing towards Shenjizong!

And everyone in Shenjizong felt the severity of what they had done before!

It's not enough to light this giant beast!

Seeing that those warriors are about to rush into the Divine Supreme Sect, kill, and plunder everything!

Even their eyes are only greedy and crazy!

At this moment, the void vibrates!

An extreme breath descends!

Everyone was shocked, and they all stopped!

Just now the void shook, and a giant beast landed, making them infinitely terrified!

What is going to land again this time!

Just when everyone was puzzled, three figures had appeared in front of everyone!

One of the young men was holding a sword with a terrible fright and staring at them like this!

Those eyes are like the Asura **** of death in the Nine Netherworld!

"Who dares!"

A sound like falling from above the nine heavens resounded like this!

The person in front of me, besides Ye Chen, who else!

Originally, the people who clamored to eliminate demons and mocked Ye Chen as the spies of the demons, at this moment, they dare not make any noise!

And Ye Chen's long sword in his hand, pointed at the people on the spaceship and on the land, and shouted in a deep voice: "I am Ye Chen, holding the sword to slaughter the demons. Those who block me will die, and those who fall will not kill!!!"

This violent shout, like thunder, exploded in everyone's minds. In an instant, countless people almost knelt down in front of Ye Chen, bowing their heads and admitting their mistakes!

Ye Chen at this time is like an invincible Supreme God of War who has descended from the God Realm!!!

Moreover, Ye Chen's sentence to kill demons with a sword shocked everyone!

Slaying demons with swords...

Many people reacted! If Ye Chen is not a spy of the Demon Race...

In other words, the Ten Thousand Fazong and the League of Gods that provoked this invasion may have betrayed the demons!

And Jin Tianwu looked at Ye Chen, and a touch of excitement appeared in his eyes. He said guiltily and reproachfully: "The subordinates are incompetent and failed to protect the master's sect."

Ye Chen's long sword drew, and directly cut the part of the iron rod that remained on Jin Tianwu into nothingness, and said sincerely to Jin Tianwu, "Xiaojin, you have done well."

This simple sentence seems to give Jin Tianou a new life!

almost ignored the serious injuries, got up from the ground and continued fighting!

However, Ye Chen stopped him and turned a pill mixed with his blood into the body of Jin Tian'o, Qingdi, and the three kings of the human race.

In the distance, the battle between Xiao Huang and Kong Chi stopped because of Ye Chen's arrival!

and a red and blue light, like a giant beast wearing two flames, that behemoth of countless nightmares! In this way, he came to Ye Chen's side in full view!

Everyone is puzzled and surprised!

Is this giant beast attacking Ye Chen?

Is this behemoth good or bad?

When everyone was puzzled, an extremely strange scene appeared!

The nightmare of countless people just came to Ye Chen's side, half kneeling down, the huge head actually rubbed Ye Chen's thigh!

seems to be showing good!

This visual impact, the difference between the front and back of this behemoth, makes people suspect that it is a dream!

This mysterious and powerful beast turned out to be Ye Chen's favorite beast?

How is this possible!

Ye Chen's eyes softened a bit, and he reached out his hand and touched Xiao Huang, quite excited: "Xiao Huang, thank you."

Along the way, the importance of Xiao Huang is self-evident!

At the critical moment, Xiao Huang gave him too much sense of security!

Xiaohuang heard Ye Chen's voice and also let out a beast roar, as if responding!

"You still have injuries on your body, then leave it to me."

Ye Chen patted Xiao Huang's head, and Xiao Huang also stood behind Ye Chen quite well.

At this moment, Ye Chen's eyes changed. He looked at the martial artists of the Six Nations, especially Tian Feiming, Feng Shaoyu, Ge Shan and others!

In his eyes, killing intent is boiling! !

Other people who have been instigated and lost their minds by greed may be able to spare their lives, but these people must die! ! !

If it weren't for the disaster of extinction, Ye Chen would kill all these 100,000 people, none of them left, but now it won't work.

Chapter 2988: answer!

If he really did this, it would actually be equivalent to annihilating the top martial artists of the six kingdoms of God and greatly weakening the power of the human race!

In the end, it will only be those extraterritorial monsters that make money!

Feng Shaoyu, Tian Feiming, and others, are full of horror...

However, the next moment, Feng Shaoyu gritted his teeth, and a spiteful color flashed in his eyes!

This is revenge against Ye Chen, the last chance!

He roared at Ye Chen: "Ye Chen! What's so arrogant about you? Your strength is only obtained by taking refuge in the demons!"

Immediately, a touch of sarcasm appeared on his face and said: "Haha, but your life will end here, Ye Chen, no matter how you sell your soul, you can't be the opponent of so many powerful people, right? Haha, I can only bluff!"

Tian Feiming, Yu Qian, and each of the great kingdoms of the strongest, looked at each other, and they all burst out of spiritual power. Facing Ye Chen, these people actually wanted to join forces to fight against one!

At this moment, Feng Shaoyu and all the great **** kingdoms were so gloomy, they had to kill Ye Chen to survive!

Ye Chen let go of anyone, and would not let go of them who provoked the invasion, right?

Therefore, Ye Chen must die!

At this moment, they were completely ignorant of whether Ye Chen was a spy of the Demon Race. All they thought was how to save their lives!

But at this moment, a woman appeared in front of Feng Shaoyu, and then she raised her hand and slapped Feng Shaoyu's face!

With a loud "pop", this loud slap made everyone stunned.

This woman is indeed Yun Ziyong!

She looked at the sluggish Feng Shaoyu and others with a cold expression, and said coldly: "Feng Shaoyu, you guys should be sober!"

"Devil spy?" Yun Ziyong smiled coldly, "If Ye Chen is a demon spy, can you still survive?"

As she said, she pointed to Kongchi standing on the bow, and shouted: "The ancestors of Ten Thousand Fazong have rejuvenated inexplicably. Several elders broke through at the same time, don't you doubt?"

"On the contrary, I suspect that Ye Chen, who was still letting you live under your provocation and rudeness? Feng Shaoyu, are you a pig? I think even pigs are smarter than you! You are just being revenge. Psychology, that's a fool who blinded his eyes!"

After all, he flew towards Ye Chen without hesitation!

The warriors on the spaceship seemed to be completely awakened by Yun Ziyong's words.

Yes.....

If Ye Chen is a spy of the demons, there are too many doubts...

The conscience of these people has finally been discovered until this moment!

They look at me, I look at you, in the end, most of these hundred thousand warriors are walking towards Ye Chen!

In their hearts, there is only one idea...

No matter how scumbag and shameless they are, they can't really betray the human race, and go with the spies of the demons, right?

As for Ge Shan, Tian Feiming, Feng Shaoyu and others, the expressions at this time are already ugly and beyond words...

One by one looked at Ye Chen with trembling eyes...

How could this be?

Why, as soon as Ye Chen appeared, with a single sentence, the whole situation was completely reversed!

Feng Shaoyu, Tian Feiming, and Ge Shan all shouted: "You are back! Don't be deceived by this kid and this bitch!"

But those warriors were unmoved, no matter how stupid they were, at this time, they also understood that the real spies of the Demon Race were Ten Thousand Fazong and Geshan!

At this time, Kong Chi, who was somewhat injured against Xiao Huang, finally moved. His figure flashed and appeared in front of Feng Shaoyu and the others, looking down at Ye Chen on the ground.

Feng Shaoyu, Tian Feiming and others all showed a touch of joy!

Feng Shaoyu hurriedly said: "Senior Kong, this kid is here to confuse the crowd? Now, seniors, please tell everyone, are you a spy of the demons!"

He knew that Kong Chi's strength was extremely powerful, as long as Kong Chi opened his mouth, he might be able to save people's hearts!

The next moment, Kong Chi said lightly: "Yes, I have taken refuge in the demons."

The whole world seems to be in dead silence...

Kong Chi, admit it?

Feng Shaoyu, the power of the gods all looked at Kong Chi in disbelief.

Kong Chi looked at Feng Shaoyu, a faint smile appeared at the corner of his mouth and said: "What's the matter? You don't really think that I'm here to fight against the spies of the Demon Race? That's really stupid and pathetic."

"you!"

Feng Shaoyu and others, their expressions changed wildly, and they were about to say something.

However, before they could speak, a terrifying devilish energy had already skyrocketed!

Kong Chi's figure was actually in the devilish energy, instantly distorted, turning into a hideous demon with purple skin!

He stretched out his hand casually, and the next moment, that arm penetrated Feng Shaoyu's chest and pulled out his heart.

When Feng Shaoyu's eyes trembled, it turned into a pool of blood and merged into Kong Chi's body.

On Kong Chi's face, a touch of satisfaction appeared: "Hehe, stupid humans, originally planned to wait until the Divine Extreme Sect was destroyed before swallowing you all, it seems that it is going ahead."

Tian Feiming, Ge Shan and others looked at each other, and there was a flash of horror in their eyes!

Kong Chi, just said... all?

Does it include them! !

Suddenly, several deep purple tentacles protruded from Kongchi's body, and instantly penetrated Tian Feiming, Geshan, and the strongest bodies of the great gods. With a scream, several people screamed and turned into **** water and was swallowed by Kongchi!

When everyone saw this, they all trembled!

The Kongchi who turned into a demon was so terrifying that it was breathtaking!

These powerhouses, as well as the strongest of all countries, are like snacks in front of Kong Chi!

Only Ye Chen's expression remained unchanged.

However, a solemn color flashed in his eyes!

Kong Chi's strength is very strong!

Although Xiao Huang and Kong Chi exchange their injuries! But the current hole pool is threatening enough!

He must not be taken lightly!

Even must use the power of the reincarnation cemetery!

"Indestructible Dragon Emperor, are you willing to kill the Devil?"

Ye Chen asked.

A brief silence.

A voice suddenly sounded from the reincarnation cemetery: "Okay A single word gives Ye Chen great confidence!"

At this moment, Kong Chi sneered and said, "Ye Chen, you killed my grandson, so you have to make up for me?"

Ye Chen said lightly: "Oh? Are you going to avenge Kong Xian?"

The Sky Demon Race, even if they were transformed by humans, were no longer humans.

Kong Chi was taken aback when he heard the words, and then he laughed and said: "Vengeance? What are you kidding? You know, the feeling of devouring relatives and friends of the host, but the most exciting and satisfying, you let The deity has lost this joy, then, when the deity swallows you, you must not let me down!"

When Ye Chen heard the words, a smile appeared on his face, and said, "Really? Then I hope that you will not let me down when I absorb the purple stone in your body."

Chapter 2989: Ye Chen's way!

Originally, the extremely arrogant and tyrannical Kong Chi, after hearing the three words Zixiaoshi, his face became stiff. The next moment, he looked at Ye Chen with extremely frightened and screamed: "Shut up! Human beings, shut up to the deity!"

He seems to have been poked into a sore spot, he is about to lose his mind!

The thing they hate the most from the outside world is the purple stone that was taken away from their bodies!

And at this moment, Ye Chen made a move!

The reason why he wanted to provoke Kongchi is to seize the opponent's flaws and take the first shot!

Sword out!

with the meaning of true martial arts, with the **** of destruction, with infinite power, a sword beyond the extreme!

On the sword body, there is even a golden dragon!

This is the power of the immortal dragon emperor!

The Immortal Dragon Emperor did not choose to control Ye Chen's body, but instead covered Ye Chen's body with the power of divine consciousness!

Ye Chen's breath and cultivation base rose unexpectedly at this moment!

An incredible climb!

This sword is the most perfect sword Ye Chen can achieve now!

The biting sword light instantly splits the entire void into space!

Originally, Kong Chi, who was still furious, instantly calmed down. A pair of purple eyes looked at Ye Chen in disbelief, and a purple long sword appeared in his hand.

Kongchi was full of demonic energy, poured frantically into the long sword, screamed, and cut it off with one sword!

This sword not only has the martial arts cultivation base of Kongchi, but also includes the martial arts of the demon clan inherited from the ancient gods!

With the strength of Kongchi, he showed up, possessing the power that can truly destroy the world!

The power of this sword is enough to turn countless powerful people into dust!

It's a pity that he was injured, severely injured by the mysterious beast.

Otherwise, this sword will be stronger!

The next moment, Ye Chen's destruction sword slashed with Kong Chi's extreme sword light, colliding!

There was no loud noise, aftermath, and the attacks of the two people were so condensed, even the fluctuations, the sound would not be emitted!

The hearts of everyone are extremely nervous!

If Ye Chen loses to Kong Chi, not only they will die, I'm afraid that there will be no one of the warriors of the Seven Kingdoms of Gods, can you compete with them?

In an instant, Ye Chen's sword light and Kong Chi's sword light were annihilated at the same time.

The only thing that exists is a weird dragon shadow!

Everyone was taken aback, could it be a tie?

How can there be a dragon shadow?

Ye Chen and Kong Chi don't have dragon skills!

Yes!

At this moment, Kong Chi was holding the dark purple arm of the long sword, and it fell directly from his shoulder!

His arm was cut off by Ye Chen with a sword!

A trace of fear flashed in Kongchi's eyes, Ye Chen's sword, the cut cut out of the wound, actually possessed a power that could not make his body regenerate!

Even with the vitality of the Demon Race, his arms can't grow out!

The key is why there was a dragon shadow in that power just now!

is like the power in the depths of the Nine Heavens Dragon Palace!

Ye Chen's eyes flashed with joy, and his figure moved, and he instantly appeared in front of Kong Chi. Since this sword had already taken the lead, he didn't want to give Kong Chi the slightest chance to breathe!

Although his strength is strong, he is far worse than this kind of strong, so this battle cannot tolerate Ye Chen's slight relaxation!

Above the long sword, the aura of destruction and the surging dragon shadow, this is also his biggest support against Kong Chi!

But at this moment, the voice of the immortal dragon emperor suddenly sounded in Ye Chen's mind: "Be careful!"

"Huh?" Ye Chen's expression changed, and he suddenly flashed to one side, but it was still slow!

A purple light instantly penetrated Ye Chen's chest from behind!

Ye Chen's pupils shrank, and the purple light was actually the long sword that fell along with Kong Chi's arm just now!

how is this possible!

Kongchi smiled coldly and said, "Do you think that our Celestial Demon Clan cannot draw a sword without a hand?"

Ye Chen glanced, and saw that the end of that long sword was surprisingly connected with a purple tentacle!

This hole pond unexpectedly cut out this sword with a tentacle!

Ye Chen severely cut off the tentacles with a fierce sword. Although this sword was strong, it was nothing to endure with the body of his sky demon and the blood of reincarnation.

But Kongchi broke an arm, and after a tentacle, he still looked disapproving!

The next moment, a burst of devilish energy surged, behind Kong Chi, like a peacock opening a screen, stretched out tentacles!

This horrible and disgusting scene almost shocked everyone's attention!

How many tentacles are there?

Enough, thousands, right?

Moreover, every tentacle is holding a long sword that billows with magic energy!

Ye Chen's vitality, no matter how strong it is, it can't resist thousands of swords, right?

Tu Lanxin, Chu Ying, Yin Ming and other women, as well as Yu Mako, Yang Chiyuan and others, are so nervous that they can't breathe!

But, at this level of battle, they can't intervene at all!

Otherwise, if they give their lives and can create a slight advantage for Ye Chen, they will do it without hesitation!

Although Xiao Huang wanted to make a move, he still hesitated!

He followed Ye Chen all the way, knowing that Ye Chen was experiencing life and death.

Now that he shoots, it's not appropriate at all!

Kong Chi smiled and said with a smile: "Boy, you are indeed very strong, and you do not know why you have the power of the dragon. Unfortunately, you can't kill the deity. However, if you are willing to surrender, if you join the Demon Race, can your strength go further? Boy, the kingdom of God is over, there is no hope, joining the Demon Race is your only chance to survive!"

The warriors of the Six Great Kingdoms couldn't help swallowing after hearing that, if Ye Chen really joined the Demon Clan, they would die too much...

"Live?"

Ye Chen heard the words, but looked at Kong Chi blankly and said, "If Kong Chi's consciousness still exists, I would like to ask him, do I still feel alive?"

Kongchi flashed his eyes and snorted coldly: "Boy, I thought you would be smarter, if you are so stupid, then go to death!"

He suddenly shouted in a low voice: "Ten Thousand Laws Return to Sect, All Swords Slash Mystery!"

The next moment, ten thousand swords are moving, and they are cut out at the same time!

The tens of thousands of purple sword lights turned into a sea of swords, overwhelming the sky, rushing towards Ye Chen!

And Ye Chen, facing this ten thousand sword blow, he had no intention of retreating at all!

Ha ha.....

More tentacles, so what?

One sword, you can't finish it. A thousand swords, ten thousand swords, isn't it all right?

The dark long sword in Ye Chen's hand suddenly danced, and the whole person, accompanied by the sword light, moved upstream towards the sea of sword light!

There is no loud noise, no aftermath that shakes the world, but the scene in front of you shocked the hearts of everyone!

Once, once, and again! !

Ye Chen's body was constantly pierced by Kong Chi's shots!

Once, once, and again!

Chapter 2990: Wrath of the Queen!

Most people think Ye Chen is going to fall...

But!

The man in front of him was always standing, even, with the impact of the sword, step by step, towards Kong Chi!

Every step forward, there must be a tentacle, broken under Ye Chen's sword!

The blood-stained body, in the turbulent sword light, the back figure struggling forward, like a hot soldering iron, deeply, branded in the depths of their souls!

Some of the warriors among the six nations surrendered just to save their lives, some just surrendered for the last trace of conscience, and some just surrendered because of fear of following other people!

can this moment!

They looked at Ye Chen's back, but their eyes gradually brightened...

In that back figure, what they saw was...

Human dignity!

A rush of blood rushed through their bodies and poured into their brains instantly!

"Ah ah ah ah ah!!!"

Hundred thousand martial artists, unexpectedly coincidentally, under the stimulation of Ye Chen's back, they let out a loud roar!

The dignity of human beings is the glory worthy of their lives!

Ye Chen, ignited their fighting spirit with actions!

And at this time, Kong Chi, who was originally indifferent, can't laugh anymore...

Why, Ye Chen hasn't fallen down yet?

His purple eyes trembled crazily. At this moment, Ye Chen, with blood holes all over his body, countless long swords, densely inserted into his body...

But Ye Chen is still moving forward!

Suddenly, Kong Chi found that all his tentacles had disappeared!

And Ye Chen also came to him!

"Impossible!"

Kongchi yelled in panic!

"How could a low-level race like humans be opponents of the Demon Race! Impossible, this is an illusion!"

His only hand, holding a long sword, severely chopped it towards Ye Chen.

"Dead! Die to me! Humble human! Die to me!"

Ye Chen said lightly: "The humble ones are not humans."

"Kongchi, humble, it's you!"

The next moment, the sword light flashed!

A ferocious purple head, falling on the head, blood shed!

Tianma Kongchi, die! ! !

With Kong Chi's death, Ye Chen showed a relieved smile.

Then, he fell down.

fell heavily.

He is too tired.

This time, although with the help of the power of the immortal dragon emperor, it still crossed the limit.

And just as Ye Chen was about to fall, a red and blue light flashed!

Xiao Huang supported Ye Chen and flew in one direction.

The depressed world suddenly broke out at this moment!

Countless warriors shout!

Just because someone got their honor back!

temporarily alleviated the crisis of the seven kingdoms of God!

That man is Ye Chen!

The scenes of today's development are destined to be immortal and cannot be erased in everyone's memory!

.....

a few hours later.

Deep in the Shenjizong, in an undamaged secret room.

Ye Chen woke up, he held a purple spar in his hand, it was the purple stone.

This was obtained after he killed Kong Chi.

The existence of hole pond is somewhat special.

At this time, Ye Chen frowned deeply, because, this time, he witnessed the appearance of that strange vortex with his own eyes!

After personally experiencing it, he was sure that what radiated in the whirlpool was the martial arts aura from the upper realm and beyond!

After a while, Ye Chen shook his head and swallowed the purple stone in his mouth.

Now, no matter how much I think about it, it's useless!

The key to is to improve one's own strength and then upgrade again!

As long as the strength is strong enough, even if the strong from the upper realm comes, what about Xuanji?

Suppress with strength!

He even had a hunch that Xuanji's death would eventually be reflected by the high-ranking queen of the upper realm.

When the time comes, I am afraid it will be no weaker than the disaster of extinction.

.....

Upper Realm, a magnificent palace.

There was silence in the hall.

A graceful and graceful woman in a gold dress sits on a chair that is dancing with dragons and phoenixes.

Her whole body is shining with ancient laws, and her eyes are open and closed. If the galaxy is dead, the majestic majesty will flow out, which is shocking.

This woman is the ruler of the upper realm, the empress of the world, Xuan Jiyue!

Click!

Suddenly, a life soul jade card emerged from the void, burst instantly, and fell to the ground.

On the jade plate, two words are clearly printed:

Xuanji!

"Xuanji is dead?"

Xuan Jiyue's beautiful eyes opened slightly, shocked.

Prior to this, she sent Xuanji to the Kingdom of God to investigate the cause and effect of the reincarnation star flame, Xia Ruoxue, and the blood dragon.

With Xuanji's strength, coupled with her emperor's mark, there should be no accidents.

But now, Xuan Ji is dead.

"Who killed her?"

Xuan Jiyue was furious. In the upper realm, Xuan Ji was only a small person, but after all, she was a close attendant under her command. Someone dared to kill Xuan Ji. This was blasphemy to challenge her empress's majesty.

嗤!

Xuan Ji Yuexian's finger flicked, and a silver-white crystal light popped out, mixed with wisps of law aura, piercing through layers of void, wanting to see cause and effect.

Boom!

But suddenly, a strong counter-shock force came suddenly.

The crystal light she released was instantly crushed.

Even, she herself received a bit of backlash, and the blood churned in her chest.

"The Kingdom of God, something happened!"

Xuan Jiyue's beautiful eyes changed, and she suddenly realized that something was wrong with the kingdom of God.

There must be a giant sitting here, and with supreme magical powers, she shielded her from prying eyes, making her unable to see through the karma.

"Xuan Qing Xuan Jiyue settled her mind, and her cold voice passed out.

"Your Majesty, Xuan Qing is here."

The void is torn apart, and a woman in black emerges, carrying a heavy sword behind her back.

Her appearance is similar to Xuan Ji, and she is obviously also the guard next to Xuan Jiyue.

"You go to the kingdom of God to investigate the cause of Xuanji's death, the sinner who refines the reincarnation star flame, and the cause and effect of the blood dragon."

Xuan Jiyue spoke slowly, with supreme majesty.

Now her thoughts cannot be transmitted to the kingdom of God, so she has to continue to send people to investigate.

"Subordinates obey orders."

Xuan Qing Gongsheng took his command, turned and left.

"Be careful, don't mess around, your purpose is to investigate cause and effect."

Xuan Jiyue exhorted, she didn't want Xuan Qing to repeat Xuanji's mistakes.

"Yes."

Xuanqing replied, and the delicate body disappeared into the void.

.....

At the entrance of the Kingdom of God, Xuan Qing hadn't appeared yet, but two figures had arrived early.

These two figures, one is dim, with the aura of vast laws on his body, and the other is an old fairy bone with many runes lingering on his body.

If Ye Chen were here, he would definitely recognize it.

These two people are Ren Fanfa's true body, as well as his mysterious grandfather who has long died in China!

is the layout of this ancient chess game! !

They glanced at each other, and did not say anything, but stood with their hands behind them, seeming to be waiting for something.

Soon, the void tore apart, and a black-robed sword girl emerged, it was Xuan Qing.
