Chapter 2991: Ji Siqing's awakening!

"The ants of the upper world are still here."

Ren Feihua saw the black-clothed sword girl appear, his eyes narrowed slightly, and he couldn't see the expression.

This black sword girl is Xuan Qing!

"Girl, go back, this is not where you came from."

Ye Chen's grandfather narrowed his eyes, and persuaded him warmly.

Obviously, both of them felt the breath of the upper realm, and knew that someone was coming, so they came to the entrance of the kingdom of God ahead of time and stopped them.

"Two seniors."

Xuan Qing was taken aback, unexpectedly someone would be here.

She looked at Ren Feifan and then at the old man, only to feel that these two people were majestic and majestic, unimaginably magnificent.

In front of the two, she is as small as an ant.

The dignified upper realm family, like a leaf of grass and mustard, without the slightest majesty.

"I am here on the order of the Queen to investigate the cause and effect, and I have no intention of disturbing the order of the Kingdom of God. I also ask the two seniors to let it go."

Xuanqing arched his hands, and his Zhu lips lightly opened, and his manners were very thoughtful.

She also felt that Ren Feihua and the old man in front of him were too powerful. There was no doubt that they were taboo-like existences like Her Majesty, and she could not contend.

"Girl, I'll say it again, go back, you have no right to refuse."

Ye Chen's grandfather stood with his hand in his hand, his eyes full of ancient vicissitudes.

"Two seniors, if they are really unwilling to accommodate, the juniors will have to offend."

Xuan Qingmei's eyes chilled, and he slowly pulled out the heavy sword behind him.

In terms of strength, she is far better than the grandfather of Feihua and Ye Chen.

However, she is a magnificent upper realm family, and she controls the laws of the upper realm. With the power of the laws, she may be able to shake the two of Ren Feihua.

What's more, she was ordered to come, and if she could not investigate anything, she would return directly to the upper realm. Xuan Jiyue would definitely punish her heavily, but she did not dare to bear it.

Boom!

Preemptive strike.

Xuan Qing clenched the epee tightly, blatantly smashed the two of them directly.

hum!

Strands of weird dark laws exploded on her sword, and the terrifying corrosive aura almost crushed the void and destroyed everything.

"Bury the sky and destroy the soul, the law of corrosion, break!"

Xuanqing gave a soft drink, and his sword light was like prison, moving forward.

What erupted on her sword was actually the Corrosion Law unique to the upper realm, which was very powerful.

Thinking that at the beginning, the body of the Great Emperor Sogo would collapse and decay under the erosion of the law of corrosion. One can imagine how powerful this law of corrosion is, even the body of the \*\*\*\* emperor can be wiped out.

However, looking at Xuan Qing's horrible sword, Ren Feihua and Ye Chen's grandfather looked indifferent.

Even the eyes of the two of them showed a trace of compassion.

Ren Feihua still stands with his hand behind him, without making a move.

"Set!"

And Ye Chen's grandfather slowly stretched out a finger, and the ancient law fluctuated, with the ancient aura of grandeur, forming an iron wall.

boom!

Xuan Qing cut down with a sword, and was directly blocked by the Hongmeng Iron Wall.

The huge counter-shock force shook her back more than ten steps.

The power of the law that can corrode the planet and obliterate the \*\*\*\* emperor has no effect at all in front of this Hongmeng iron wall.

"Girl, your obsession is too heavy, I can't keep you anymore."

Grandpa Ye Chen's voice was solemn, his old eyes burst with killing intent, and he pointed it out, and a Hongmeng rune descended, like a \*\*\*\* and a devil, and fell on Xuan Qing fiercely.

Xuan Qing's eyes shrank, and suddenly he felt his body empty, and then he didn't know anything, and the world before him turned into darkness.

At the moment when the Hongmeng rune fell, her body was directly turned into powder, her body and spirit disappeared, and she was completely dissipated in the world.

Click!

The Palace of the Upper Realm, with the life soul jade plate bearing Xuan Qing's name, burst in front of Xuan Jiyue.

"Hyun Qing is also dead?"

Xuan Jiyue's beautiful eyes were startled, and the emperor's Qi fluctuated slightly, and she was deeply moved.

She had just dispatched Xuan Qing, and there was no time for a stick of incense before and after, but Xuan Qing had completely fallen.

Obviously, God is guarded by the strong.

There is no doubt that it is definitely not an ordinary powerhouse!

Only an ancient powerhouse, who crosses the kingdom of God, has such a powerful strength. Without any effort, Xuan Qing was crushed directly, just like an ant.

This handwriting is more threatening.

Knock the mountain and shake the tiger!

beheaded Xuan Qing to warn her Xuan Ji Yue, don't go too far when you click.

"interesting."

Xuan Jiyue's beautiful eyes flickered, constantly thinking about something.

"The deity governs all directions and is overwhelming. Is it possible that you will be shocked by you?"

Xuan Ji Yue's face was stern, she stood up from the seat, her eyes filled with laws of energy, penetrated into the void, and an ancient voice came from her throat:

"The emperor's dirty earth, rebirth and immortal, rise!"

boom!

The moment Xuan Jiyue's voice fell.

The first kingdom of God, deep in the mountains.

An ancient sarcophagus shook in vain.

Snapped!

Then, the sarcophagus opened, and a graceful woman slowly stood up.

This woman looks exactly the same as Hyun Ji Yue!

is actually a clone of her!

The aura on this clone's body reveals the mighty majesty of the heavenly gods, with the strength of the four-layer heaven of the heavenly gods.

Under the restrictions of the rules of the Kingdom of God, the power of this clone is far inferior to that of Xuan Jiyue's real body, but the four-layer heaven of the Heavenly God Realm, placed in the Kingdom of God, is not a weak existence, enough to help her investigate everything.

"Fortunately, after beheading the Lord of Reincarnation, I left a filthy clone in the kingdom of God. I awakened today to investigate cause and effect for me."

Upper Realm Palace, Xuan Jiyue panted, her chest undulating.

just cast a heaven-defying spell, breaking through the barriers, and awakening the filthy clone, she also spent a lot of power.

The first kingdom of God, Xuan Jiyue's filthy earth clone awakened, the lotus step lightly moved, and slowly walked out of the mountain.

"The blood dragon and the girl, dare to offend my majesty, I will make you pay."

Xuan Jiyue's beautiful eyes were chilly.

Although she is a clone of the dirty soil, she has all the memories of her real body at the moment she wakes up, and she knows her mission.

.....

The first kingdom of God, the Valley of Samsara.

A woman with beautiful skin and beautiful face is in retreat.

There are countless auras lingering on her body, fluttering like a goddess of heaven, and her eyebrows are shining with extremely bright light, it is Ji Siqing.

Boom!

Suddenly, Ji Siqing opened his eyes, and his body was agitated. It turned into a series of runes of the laws of the gods, like flying butterflies, circling her delicate body, spinning and dancing.

Her realm actually broke through to the Celestial Realm!

Endless runes of the laws of the gods, constantly flying, the power of the gods is like a chain of flying swords, whizzing up to the sky, actually tearing the clouds in the sky, seeming to shake the sun and the moon in the sky.

At this time, Ji Siqing's aura is extremely powerful, and he doesn't know how many times stronger than ordinary masters in the gods. .

She from the previous life is the legendary Valkyrie Shen Yan.

Breaking through to the Heavenly God Realm at this moment, part of the memory of the previous life also wakes up.

Chapter 2992: I want the information!

Wow!

On Ji Siqing's beautiful body, the ancient war spirit was immediately exuded.

This is the battle intent of the Valkyrie!

Magnificent, majestic, tyrannical, crushing everything!

"The sky has changed..."

Ji Siqing's eyes were deep, looking into the distance.

The moment Xuan Ji Yue Huitu clone awakened, she caught the danger of heaven, and all kinds of bad omens roared.

"Such a fate, I don't know what kind of danger is hidden."

Ji Siqing frowned slightly in her eyebrows, offering a retrospective disk of reincarnation, wanting to deduce the cause and effect behind it.

However, the secrets of the sky are boundless, and the grudges of the upper world are still carried, and she can't see anything.

She only knew that the crisis was coming, and it seemed to be related to the upper bound.

WINK to \$1: Secure Your Spot Now!

However, she didn't know that Xuan Jiyue awakened the clone of Dirt.

The source of this crisis is the Queen of the Upper Realm, Xuan Jiyue!

"Congratulations to the ancestors, finally proving the gods!"

An old man walked out with respect and joy. It was Qu Xueyong, the owner of the Qu family.

"The big danger is coming, go, and follow me to find out."

Ji Siqing's beautiful eyes were solemn, no nonsense, she tore the void with her delicate hands, and directly took Qu Xueyong to look for the crisis.

At this time, Xuan Jiyue covered her face with a light veil, and came to the Han Sect, which was the closest to the first kingdom of God.

This Han Sect is a first-class sect, and it also occupies a place in the kingdom of God.

"Stop, who are you, report your name."

The two Shoushan disciples of Zhu Hanzong stopped Xuan Jiyue's footsteps and asked loudly.

"Little girl Xuan Qingyue."

Xuan Jiyue's beautiful eyes flowed and she spit out softly.

She didn't report her real name. After all, Xuan Jiyue's three characters are prestigious. If she reports her real name, the sky will become mysterious, and the traces will be captured by the layout behind in an instant, causing endless trouble.

Therefore, she simply changed her name to Xuan Qingyue.

"Zhuhan Zong is the main gate of the mountain, and you can't get close to other people, please come back."

The two Shoushan disciples did not let them go.

Xuan Jiyue covered her face with light gauze, but her posture was graceful, her eyes were graceful and graceful, and she had a super dusty and vulgar demeanor. These two Shoushan disciples only blocked her, and did not act excessively, let alone do nothing.

"Oh."

Xuan Jiyue responded softly, but didn't turn around and leave. Suddenly, a horrible murderous intent burst out in her eyes. With a wave of her slender hand, a law of the gods turned into a flying sword and slashed out.

"you!"

The two Shoushan disciples were shocked at the sight of Faru's flying sword.

Unexpectedly, the woman in front of her was actually a master of the Heavenly God Realm.

They didn't react at all, and the swordsman slammed into it, and suddenly blood splashed, and their heads were in different places, forming two cold corpses.

Xuan Jiyue's eyes were indifferent, without the slightest fluctuation, the lotus step moved lightly and stepped into the Han Sect's Gate.

"Enemy attack!"

"Someone killed up the mountain!"

In the Zhuhan Sect, there were warning sounds.

Many elite disciples roared out one after another, offering the magical powers of flying swords and killing all over the sky to Xuan Jiyue.

"A group of ants."

Xuan Jiyue has a strong breath, her wispy hands are flexing her fingers, and the gods of heaven can kill them, like flying swords, shells, meteors, majestic and murderous.

Puff!

Puff!

Puff!

A series of vivid bodies were killed by her law, and their bodies were instantly shattered and fell to the ground.

In front of her majesty, flesh and blood is more fragile than paper, and no one can stop her.

Blood rushed to the sky.

Murderous spirit rolled.

The entire Zhuhan Sect was caught in a \*\*\*\* storm.

Xuan Ji Yue's body was like colored glaze, slender and dust-free, and the blood splashing around did not defile her dress.

Her whole person is as bright as the moon, vast as the starry sky, majestic and graceful.

Soon, Xuan Jiyue entered the Hall of the Han Dynasty Sect.

Behind her, there were densely packed bodies full of bodies.

Su Guanghan, the suzerain of the Han Dynasty Sect, and many elder guardians are in the hall.

They also saw the \*\*\*\* picture outside, everyone was shocked.

Xuan Jiyue's shot was too fast, killing people like cutting grass, they didn't react at all, and many elite disciples were reduced to grass.

At this moment, Xuan Jiyue stood in the center of the main hall, her breath was magnificent and mighty, like the starry sky of the universe, shocking everyone's minds.

There is no shortage of masters in Zhuhan Sect.

Sect Master Su Guanghan is even a master of the Heavenly God Realm.

But facing Xuan Jiyue, everyone was shocked and didn't dare to do anything.

The current Xuan Jiyue, although only a clone of the dirty earth, had the strength of the fourth-tier heaven of the Heavenly God Realm, far surpassing Su Guanghan, and crushing the entire Han Sect.

"The villain Su Guanghan, the Sect Master Zhuhan, has offended you somehow."

Su Guanghan was trembling and asked with his fists.

"You didn't offend me, I just want to ask you something."

Xuan Jiyue stared at Su Guanghan and said lightly.

"I wonder what you want to ask?"

Su Guanghan lowered his head, not daring to look directly into Xuan Jiyue's eyes.

The many elders guarding the law around him were too big and didn't dare to breathe, secretly guessing the origin of Xuan Ji Yue.

"Your Kingdom of God, what major events have happened recently?"

"Tiandao Palace, what's the action?"

"A blood dragon, have you ever heard of it?"

Xuan Jiyue slowly opened her mouth, with many questions in her heart. She entered the Zhuhan Sect this time, and just wanted to investigate the truth of cause and effect.

"The recent major events in the Kingdom of God..."

Su Guanghan was taken aback for a moment, and looked at each other with the surrounding elder protectors, unexpectedly Xuan Jiyue asked such a question.

The recent major events in the Kingdom of God, as long as the people in the Kingdom of God know clearly.

But Xuan Jiyue was ignorant.

Where did she come from?

Su Guanghan didn't dare to guess wildly, and hurriedly said: "Return to the Lord, our Kingdom of God has recently, but a lot of major events have really happened. Many giants in the Heavenly Dao Palace besieged the land of the Ye Family and wanted to kill the Ye Family, but the Ye Family was forced to kill. Came out."

Xuan Jiyue's eyes shrank slightly.

Su Guanghan continued: "No one knows where the Ye family is hiding now, and there is also the Nine Heavens Shenlong Palace. A major event has also happened. I heard that the upper realm has come. I don't know what the final result will be. I only know that the Heavenly Dao Palace has broken again. Twelve elders were lostThe Dragon God of Yantian mysteriously disappeared for some reason, and Tiandao Palace is also looking for it."

"By the way, not long ago, when the Six Great Kingdoms besieged the Seventh Kingdom, Ye Chen of Shenjizong turned the tide and shook the sky! Killed Kongchi, the traitor of the first Kingdom!"

"Ye Chen, his cultivation is far from reaching the Heavenly God Realm, he only has the 9th level of the Slashing Evil Realm, but his strength is simply against the sky, I'm afraid your Excellency..."

"Hehe, are you trying to say, I can't beat Ye Chen either?"

Xuan Jiyue chuckled softly. She had the strength of the fourth-tier heaven of the Heavenly God Realm. Wouldn't it be easy to kill a ninth-tier heaven of the Evil Slayer?

"no no."

Su Guanghan shook his body and said: "It's just that kid Ye Chen, you really shouldn't underestimate him. If you see him in the future, you must be careful."

Chapter 2993: Taiyuanjian dispatched something?

"Well, I see."

Xuan Jiyue nodded slightly, her eyes were like an ice lake that had been silent for a thousand years, and no one knew what she was thinking.

"Thanks to Sect Master Su for telling me. The little girl has left, and I also ask Sect Master Su to keep it secret and not to disclose the trace of the little girl to outsiders."

Xuan Ji Yue smiled slightly and turned to leave.

Seeing that she was leaving, Su Guanghan breathed a sigh of relief and hurriedly said: "Don't worry, adults, the whole family will be tight-lipped."

The many elder guardians also breathed a sigh of relief, dripping with cold sweat.

This time, Zhu Hanzong suffered a heavy loss, and I don't know how many disciples died.

But fortunately, these high-level figures did not suffer any casualties and can revitalize the sect at any time in the future.

Now this devil is finally leaving, everyone relaxes.

Suddenly, Xuan Jiyue stood still and turned back slowly.

Hum!

Su Guanghan's heart beat fiercely, and hurriedly asked, "I wonder what else the lord has to order?"

Xuan Ji Yue lightly smiled, and said, "Sorry, the little girl thought about it, but only the dead can keep a secret forever."

After that, Xuan Jiyue's eyes revealed a murderous intent, and with a wave of her slender hand, countless gods' law runes turned into an unmatched crystal light, with the momentum that penetrates the universe, and burst out fiercely. .

boom!

Su Guanghan's body burst instantly under Jingmang's penetration, and his body and spirit were destroyed, and there was no room for resistance.

The gap between him and Xuan Jiyue is really too big.

was directly killed by a spike!

Wow!

The crystal light trembles, and countless law runes fly out, like flying swords and crossbow arrows, slaying the surrounding elders.

"Run!"

Everyone exclaimed and turned pale, trying to tear the void and escape.

"Stay."

Xuan Jiyue spit out softly, swept away her sleeves, and a majestic god's coercion, like the sun and the moon, with a roar, directly killed the audience.

All the elders guarding the law were suppressed alive.

The pressure of the gods spread out, and the remaining disciples of the entire Zhu Han Sect, as well as the servants, all burst in body, bleeding from the seven orifices, and instantly lost life.

In the blink of an eye, Zhu Hanzong went up and down, thoroughly washed with blood, without leaving alive.

boom! Boom! Boom!

Under the pressure of Xuan Jiyue, all the palaces, buildings, pavilions, courtyards, and all the buildings of the Hanzong Zong Hanzong collapsed and exploded into pieces.

And Xuan Jiyue, slender and dusty, standing in the middle of the ruins, brilliant and clean, vast and magnificent, like the sun, moon and stars, swallowing the sky with air.

"Ye Chen, Nine Heavens Dragon Palace, Yantian Dragon God is missing..."

Xuan Ji Yuexian pinched her finger, and based on the information provided by Su Guanghan, she kept deducing and calculating the causal mystery hidden behind her.

After a long time, she probably pushed the eyebrows.

What can be seen right now is only the surface.

Not only the superficial news, it is also rich enough.

Xuan Ji Yue flew across, came to a secluded place, sat cross-legged, took out a piece of jade pendant, squeezed the tactics, the jade pendant bloomed with divine light, and gradually evolved into a half-headed phoenix phantom. Shocking.

As long as there is enough time, she can use this magic technique to transmit information to the upper realm!

All she has to do now is wait!

Wait for the Phoenix to fully condense!

Of course, this will consume a lot of her power!

After three full hours, Phoenix finally made its way!

Xuan Jiyue also gently exhaled a mouthpiece:

"Go, go back and tell my true body, the various causes and effects of the kingdom of God."

Xuan Jiyue murmured softly, pinching the tactics, branding all kinds of cause and effect news on the jade pendant.

"Huh!"

The phoenix screamed up to the sky, and flew into the sky with the jade pendant.

Xuan Jiyue squinted her eyes slightly. Because of the limits of the boundary wall, her filthy avatar cannot share memories with the real body of the upper realm. Therefore, she has to use the Phoenix jade pendant to transmit the letter and transmit everything she has investigated to the upper realm. go with.

Seeing the phoenix flying into the sky, he was about to break through the barriers of the boundary, but suddenly, a tyrannical will, with the ancient aura of Hongmeng, evolved into a sky thunder and slashed down fiercely.

boom!

The entire phoenix phantom was instantly split into pieces and turned into nothingness.

And that piece of jade pendant was also completely shattered and reduced to powder.

"Damn it!"

Xuan Jiyue saw this scene, her body shook suddenly, her teeth bit her lip, her beautiful eyes showed anger and surprise.

Obviously, a giant shot her and shattered her plan.

There is no doubt that the person behind the shot is the grandfather of Ren Feihua and Ye Chen.

The two guarded the kingdom of God, prevented Xuan Ji from reporting the letter, and directly closed the connection between the kingdom of God and the upper realm.

She can't!

"Damn it!"

"Do you really think you can stop me Xuan Jiyue?"

"You can break up a phoenix phantom! Can you break the phoenix phantom that condenses my blood!"

The next moment, Xuan Jiyue forced a drop of blood, and she was planning to refine the blood phoenix!

.....

The seventh kingdom of God.

One day later, a shocking breath rushed out from the secret room, and everyone in the entire Divine Extreme Sect felt their souls trembling slightly in their breath!

Even if it was the Qing Emperor who was recovering from the Shenji Sect, it was the same!

However, what is unbelievable is that this is the breath of a warrior in the Evil Realm?

The people of the Divine Extreme Sect all have weird faces on their faces. The Slashing Evil Realm can exude such a frightening aura. There is only one person in the world, right?

That person is naturally Ye Chen!

In the secret room, in Ye Chen's eyes, two purple awns appeared like substance. The color of ecstasy appeared on the face, this purple stone is indeed a treasure!

Although he has not broken through the chaos realm!

has not completely refined the Chaos Star Tree!

But the purple stone actually gave him almost everything in the chaos realm!

Although in a sense, this is a false realm!

But just refine the Chaos Star Tree! He can definitely step into the chaos without hindrance!

Ye Chen stopped thinking about it, closed his eyes, and sacrificed the Chaos Star Tree!

His whole body is covered with chaotic light!

Chaos Star Tree sprouted extremely under his refinement!

"Huh? Why is it him?"

At this moment, Ye Chen suddenly changed his expression and stopped refining the Chaos Star Tree. After a flash, he disappeared in the secret room.

The next moment, Ye Chen appeared outside the gate of Shenjizong. At this time, a man in a blood-robbed robe came quickly.

This person is indeed Ouyang Xi!

Ye Chen said unexpectedly: "Brother Ouyang, why did you come to my seventh kingdom of God?"

When Ouyang Xi saw Ye Chen, a smile of joy flashed on her face, but her tone was extremely solemn and said: "Brother Ye, the reason why I came to this seventh kingdom of God is to ask you for help, Taiyuan Sword Sect. , It's dangerous!"

"What! What's going on?" Ye Chen was shocked when he heard the words. Taiyuan Sword Sect, as one of the hidden forces of the First Divine Kingdom, now the ancestor of Ten Thousand Fazong Kong Chi is dead, the First Divine Kingdom, and Which force can truly threaten the Taiyuan Sword Sect?

There was an accident with the Taiyuanjian dispatch, what about Yue Rou? ?

.....

Chapter 2994: Antidote!

Ye Chen has a lot of affection for the little girl Yue Rou.

After all, Yue Rou has a life-saving grace for him!

If something happens to Yue Rou, he will be upset all his life.

Since he owes Yue Rou a favor, he will repay it at all costs!

Ouyang Xi sighed: "Brother Ye, do you remember the martial arts rhyme you left behind in the Taiyuan Sword Sect? That day, after you left, Yue Rou comprehend the martial arts rhyme you left behind. Success has its own meaning of true martial arts, and also comprehend a very powerful way!"

"This news was soon known by the Zhang family."

"The Zhang family is the family of Yue Rou's mother. As early as ten thousand years ago, it was already a first-class family in the First Kingdom of God. When Yue Qingshan was young, he was just an ordinary disciple of the fifth-class sect. Fall in love with Yue Rou's mother Zhang Xiao.

Zhang family, naturally, they strongly oppose this relationship! However, not only did the two of them fail to give in, they even had Yue Rou. "

"The Patriarch of the Zhang family back then, in a rage, directly used the family law as an excuse to beat Yue Rou's mother with 10,000 sticks, abolished her martial arts training, expelled her from the house, and completely severed her relationship!

Yue Rou's mother was seriously injured. She died not long after she gave birth to Yue Rou. Even Yue Qingshan was chased by the Zhang family. If it wasn't a coincidence, she was taken as a disciple by an elder of the Taiyuan Sword Sect, and Yue Qingshan also Long ago dead! "

"But now, after Yue Rou has demonstrated his martial arts aptitude against the sky, this family has actually come to the Taiyuan Sword Sect dignitaries, let Yue Rou re-enter the family!"

Ye Chen's complexion was completely gloomy at this time, Yue Rou was his lifesaver, and he had a good impression of this simple little girl, and had already regarded her as his own.

This home killed Yue Rou's mother. Now, do you want Yue Rou to go back?

How can he not get angry?

Ye Chen sneered: "Hehe, re-enter the family? There must be a limit to shamelessness in this family? If Yue Rou didn't enter the family, she was already benevolent!"

However, he frowned slightly and said, "Since this family is so hateful, why didn't Yue Qingshan take revenge?"

Yue Qingshan is also the head of a hidden power, Zhang Family is only a first-class family, and its strength should be under the Taiyuan Sword Sect!

Ouyang Xi sighed: "Because, behind the Zhang family is Baipomen! The existence of Baipomen in the First Kingdom of God is somewhat special!

There are very few records, and they never allow themselves to be ranked by the first kingdom of God. In their opinion, there is no sect to compare with them!

Many first-class sects will be a little scared when they hear Baipaimen! Even Wanfazong still has to give Baipomen some face!

Don't say it is the Taiyuan Sword Sect, even if it is the Taiyuan Sword Sect and my Blood Yuanzong, it is not necessarily the opponent of the Hundred Breaks! "

"With Hundred Breaks backing up, the attitude of the Zhang Family can be described as arrogant and overbearing. Now, the entire Taiyuan Sword Sect members dare not act without authorization, for fear of being caught by the Zhang Family for excuses and handles to provoke Hundreds. So , I can only ask Brother Ye for help."

Ouyang Xi is very smart. He knew that because of Yue Rou's existence, the relationship between Ye Chen and the Taiyuan Sword Sect was already firmly established, so all he could do was win over the Taiyuan Sword Sect!

How to win?

is the icing on the cake, it is better to send charcoal in the snow!

Ye Chen nodded, in his eyes, the cold light flashed: "Let's go!"

Zhang family? Hundred Breaks?

Today, he wants to let the entire First Kingdom know that as long as Ye Chen is there, no one can move the Taiyuan Sword Sect!

No one can move Yue Rou!

The next moment, the two of them plunged directly into the void. Now, Song Jinyi has become the leader of the first kingdom of God, and Ye Chen also has the right to freely enter and leave the first kingdom of God with his help.

.....

At this time, the atmosphere in the hall of the Taiyuan Sword Sect was extremely heavy!

In the hall, there is a thin, dark middle-aged man with a pair of triangular eyes, with a vicious light gleaming, sitting on his seat, leisurely sipping tea.

Behind him, there was a young man with a cold face and a disdainful smile.

This middle-aged man is a friend of Zhang's family advocate!

Zhang Youyuan, as the Patriarch of the first-class family, naturally won't be weaker, his cultivation is in the second-tier heaven of the gods!

The young man behind him is the most stunning genius of the Zhang family's generation, Zhang Zhuzhi, who is only twenty-six years old. Under the moon ring vision, he already possesses the terrifying power of a half-step Heavenly God Realm.

At this time, in the main hall, the Taiyuan Sword Sect elders Xu Zhao, Yue Rou and others, all with red eyes, staring at Zhang Youyuan, their bodies trembled with anger, as if desperately suppressing their anger!

But Yue Qingshan fell unconscious in the hall at this time, his face was black, and his poison was deep and his breath was weak!

And this is why everyone is so angry!

Three days ago, Zhang Youyuan and the two came to the Taiyuan Sword Sect. They wanted Yue Rou to return to Zhang's house, and even verbally mocked Yue Rou's mother and Yue Qingshan!

Yue Qingshan is almost intolerable!

At this moment, Zhang Youyuan took the initiative to provoke Yue Qingshan and want to discuss with Yue Qingshan!

and claimed that if Yue Qingshan wins, he will leave here and will not harass the Taiyuan Sword Sect again!

Although Zhang Youyuan is the second-tier heaven of the Heavenly God Realm, Yue Qingshan naturally has his own confidence!

How could Yue Qingshan not agree?

who knows! Said to be a discussion, this friend turned out to be completely using a life-threatening style of play, trying to kill Yue Qingshan!

If Yue Qingshan wants to defeat Zhang Youyuan, he can only have the chance to kill Zhang Youyuan!

But Zhang Youyuan dared to kill Yue Qingshan, but Yue Qingshan did not dare to really kill Zhang Youyuan!

After all, Hundred Breaks Gate, Taiyuan Sword Sect can't afford to provoke!

Therefore, even if Yue Qingshan has the ability to win, he can only be forced into a defensive position!

After the two had fought for more than a long time, finally Yue Qingshan was accidentally injured by Zhang Youyuan...

Yes!

Even if it hurts, the most hateful thing is that this friend is so despicable that he is still poisoning his own weapon!

is still one of the ten strange poisons of the First Kingdom, the mysterious ghost spider poison!

Even if this mysterious ghost spider poison exists in the Heavenly God Realm, it can't bear it. After all, not everyone has Ye Chen's heaven-defying physique.

Yue Qingshan has tried his best to suppress the toxins in the past three days, but now the mysterious ghost spider venom has finally erupted, and he has also been seriously injured and dying! !

And Zhang Youyuan, the culprit, has been drinking tea leisurely all the time, watching Yue Qingshan's poisonous hair, it is almost like watching a movie!

At this moment, Zhang Youyuan put down the tea cup, and smiled brightly at Xu Zhao, Yue Rou and others, and said, "Several guys, don't be so angry. I'm not talking about it. I will give you three days to consider. If Yue Rou agrees to return to Zhang's house with me, I will hand you the antidote to the mysterious ghost spider poison."

Chapter 2995: kendo! Mood!

Threat!

An unconcealed threat, and moreover, it is still threatening with Yue Qingshan's life!

How can everyone of the Taiyuan Sword Sect be tolerated?

Yue Rou's pure and pretty face, at this time, was already full of thick anger, she drew out the long sword suddenly, the sword intent surging all over her body, the blade pointed directly at Zhang Youyuan and shouted:

"Zhang Youyuan! Stop dreaming. Even if I die, Yue Rou will not return to Zhang's house with you! To tell you the truth, I have never forgotten my mother's hatred. Now, you'd better hand over the antidote, otherwise, I swear, one day in the future, I will destroy Zhang Family Mansion!"

Although she is innocent and kind, but this kind of grudge, no matter how kind people will be crazy, they will get revenge!

The whole hall fell silent for an instant!

When Zhang Zhuzhi heard the words, his complexion sank, and he sneered: "Hehe, destroy the Zhang Family Mansion? In a big tone, Yue Rou, do you think that you understand the meaning of true martial arts, and kendo is invincible?"

It is your honor to let you into my Zhang family, don't know what it is! "

And Zhang Youyuan was not angry, but looked at Yue Rou with his eyes slightly squinted. Yue Rou's kendo charm made him feel a slight threat, which was terrifying!

He smiled faintly, since that's the case, it is even more impossible for the Zhang family to let Yue Rou go!

As for hatred? Haha, after returning to Zhang's house, there are countless ways to train Yue Rou. He will definitely make Yue Rou a good boy who is obedient and obedient.

In Yue Rou's beautiful eyes, the cold light flashed, the sword energy swayed, and he wanted to shoot directly, but at this time, a figure stood in front of Yue Rou.

This person is surprisingly the second elder Bailang of the Taiyuan Sword Sect!

Bai Lang's face sternly gave Yue Rou a whisper, "Yue Rou must not be rude!"

Yue Rou was taken aback for a moment, and looked at Bailang extremely disappointed.

What is Elder Bai talking about?

She faced the family that killed her mother and the enemy who seriously injured her father. As the second elder of the Taiyuan Sword Sect, Bai Lang made herself not rude?

Xu Zhao, who is beside Yuerou's side, also darkened. Why did Bai Lang face outsiders?

But at this time, Bailang whispered to Xu Zhao: "Elder Xu, listen to me, we must never offend this family. If there are only a hundred breaches behind the Zhang family, the key is that I have the news, The concubine of the Zhang family has been married to Zhong Qixuan, the first genius of Baipomen!

And, during this time, I was quite favored! "

"what!"

Xu Zhao's complexion changed a lot after hearing this!

Zhong Qixuan is the recognized first genius among the hidden forces of the First Kingdom of God, and he is much better than the Blood Yuanzong Ouyang Xi!

There are even rumors that Zhong Qixuan's strength has long surpassed the ancestors of the hundred broken doors, and no one can match the youth of the first kingdom of God!

And Zhong Qixuan, the biggest characteristic of this person is lust!

He has not married yet, but there are already thousands of concubines!

If the Zhang family's daughter-in-law could be favored among thousands of people, the energy of the Zhang family would be too great to imagine!

A weird smile flashed in Zhang Youyuan's eyes, he looked at Xu Zhao's expression, and continued to speak: "Yue Rou, there were many misunderstandings in the things that year. We are here this time to let you return to Zhang's family. It means to let you quit the Taiyuan Sword Sect directly."

"Back then, the last generation of the Patriarch, that is, my father and your mother, made mistakes on impulse. Over the years, the old man has always regretted it. Now, the old man's life is about to die, and his greatest wish is to meet you. You apologize! Whether to join the Zhang family or not, it depends on what you mean."

Talking, Zhang Youyuan looked at Xu Zhao and said, "Elder Xu, what do you think of this? Of course, as long as Yue Rou is willing to go back with me and see the old man for the last time, we will still stay with the antidote."

He picked up the tea cup on the table again and drank slowly.

And Xu Zhao is already shaken at this time. If you just go back to see the former Patriarch of the Zhang family, it seems that there is no loss, right?

The most important thing is that you can still save Yue Qingshan. Seeing the state of Yue Qingshan, it will not last long!

Bai Lang's gaze flashed, and he said solemnly to Yue Rou: "Yue Rou, even if you don't consider Taiyuan Sword Sect, you should consider it for your father!"

This person actually moved out of Yue Qingshan directly to force Yue Rou?

Yue Rou's pretty face instantly darkened.

Apology?

See you?

Why did she go before her mother died?

Now, remember to apologize?

Don't say forgive me, she can't wait for the Zhang family to die!

At this moment, there was a wave of fluctuations in the void, and a male voice echoed in the hall: "Consider? Why don't you consider kneeling down and licking Zhang's shoes?"

I saw only two figures, falling from the void, it was Ye Chen and Ouyang Xi.

It was Ye Chen who spoke naturally!

He stared at Bai Lang coldly, and under Ye Chen's sight, Bai Lang's body trembled, and his limbs began to stiffen, as if being stared at by a monstrous monster!

Just now, when Ye Chen was about to reach the Taiyuan Sword Sect, he had already heard the conversation of everyone in the hall.

He knows very well that this Bai Lang is singing the double reed with Zhang Youyuan, and it is estimated that he has already been bought!

A smile was squeezed out of Bailang's face, and he lowered his head slightly, not daring to look at Ye Chen's eyes, and said: "Ye Gongzi, what are you talking about? I...I am for the Taiyuan Sword Sect, for the sake of the head of Yue. only....."

Ye Chen yelled violently: "Shut up!"

Zhang Youyuan and Zhang Zhuzhi both sneered and looked at Ye Chen contemptuously. Is this kid who hasn't completely entered the chaos realm gone crazy?

Bai Lang is a master at any rate, so Bai Lang shut up?

is probably going to be slapped to death by Bailang?

But the next moment, an unexpected scene appeared for them, Bai Lang actually shut up?

Ye Chen turned his eyes, looked at Xu Zhao who was standing aside, shook his head, and said disappointedly: "Elder Xu, do you cultivate kendo, or double cultivation of body and sword. A warrior like you should know best. What kind of state of mind the warrior should have, but now, facing a Zhang family, a hundred broken doors, and a Zhong Qixuan, you are afraid? So shaken? You want Rouer to return to the Zhang family?"

"With your current state of mind, there will never be a chance for a breakthrough in Kendo!"

When Xu Zhao heard this, his pupils shrank and his complexion was blue and white. Ye Chen said it too directly!

But Xu Zhao is a proud sword repairman after all. Even when facing Ye Chen, he still couldn't help but argue: "I don't have one! Moreover, Yue Rou returned to Zhang's family, only to see the former Patriarch of the Zhang family, he could come back at any time. The important thing is that the current situation of the head..."

"Enough!" Ye Chen interrupted directly, "Xu Zhao, you won't be so stupid, are you? Do you really think that Zhang Family will let Rouer come back? This is just an excuse for you to escape!"

Xu Zhao's eyes darkened upon hearing this...

Ye Chen's words, hit the nail on the head!

Zhang Youyuan frowned slightly, a fierce look flashed in his eyes, and said: "Junior, here is your voice? I believe in Zhang Youyuan. If you don't believe it, we can bet!"

Chapter 2996: The anger of Ye Chen!

He didn't want this kid who didn't know where he came from ruined his plan!

"Bet?" Ye Chen glanced at Zhang Youyuan with cold eyes and sneered, "What are you, you are eligible to bet with me?"

The entire Taiyuan Sword Sect seems to be silent!

is like a desert with no one forever!

Zhang Youyuan, Zhang Zhuzhi looked at Ye Chen incredible!

Zhang Youyuan is the Patriarch of the Zhang Family, a strong man in the second heaven of the Heavenly God Realm. There are not many people in the entire First Divine Kingdom, who dare to speak to him like this!

mad people, they have seen a lot, but they have never seen Ye Chen so mad!

Ye Chen glanced at Xu Zhao and said lightly: "As for the antidote..."

WINK is growing to \$1 - Don't lose you chance - Buy On Binan...

"Ha ha....."

At the corner of his mouth, he raised a wicked smile and said: "We are warriors, and others don't give it. Do you still ask him?"

"He didn't give it, of course he hit until he gave it!"

'S words, like thunder, shocked Xu Zhao's mind instantly!

Domineering, arrogant, it seems, it seems reckless!

Xu Zhao knows that this is the style of a warrior!

For an instant, Xu Zhao's dim eyes brightened, and they were illuminated by Ye Chen's back!

At this time, Zhang Zhuzhi, who was standing next to Zhang Youyuan, finally couldn't bear it!

In his eyes, anger is raging!

Zhang Zhuzhi, under the cultivation of the Zhang family from an early age, he regarded family, status, and class as extremely important!

In other words, he is extremely proud of his identity as Zhang's family!

Ye Chen, the trash of the Evil-Slashing Realm, now dare to say in front of him why he wants to hit Zhang's family?

His Zhang family is a small slasher, do you want to fight!

This is the biggest insult to the Zhang family, to Zhang Zhuzhi!

The next moment, Zhang Zhuzhi's aura burst all over, the long sword in his hand flashed, and a biting sword light shook the sky!

He yelled at Ye Chen violently: "You have to pay a price for ranting, boy, after you die, slowly regret it!"

In Zhang Zhuzhi's eyes, the murderous intent was revealed, and his expression was extremely vicious, and he slashed at Ye Chen!

With a sword, the world is shaking!

The strong sword aura, like a storm, instantly swept the entire Taiyuan Sword Sect, and cracks appeared in the void!

Zhang Zhuzhi is worthy of being a child of a first-class family. He has received the best education since he was a child. This sword can hardly be faulted in terms of shot, breath, sword aura, angle, etc., it is a textbook sword technique...

However, for ordinary people, for Ye Chen, this sword is simply unsightly!

In Ye Chen's eyes, Zhang Zhuzhi's sword is simply Handan's pretending sword!

This sword has no soul and no essence. The martial art has reached the level of Ye Chen. Zhang Zhuzhi's sacred swordsmanship has its own style, and he does not even have the qualifications to become a swordsmanship!

He punched Zhang Zhu in a very casual way, and he didn't even use his spiritual power because he didn't need it.

Even Ye Chen only used a part of his power to defeat Zhang Zhuzhi. He was a bit too much!

However, this is just Ye Chen's thoughts. In Zhang Zhuzhi's view, this waste was extremely arrogant just now. Now, not in front of his sword, so scared that even the spiritual power is not working well, he can only barely raise his hand to resist. Yet?

There was a cruel look on his face.

Even if it is physical training, he is confident that he can smash it with one sword without using his spiritual power!

What's more, is it a waste that has not yet entered the chaos?

The next moment, Ye Chen's fist collided with Zhang Zhuzhi's sword!

Under the gaze of everyone, an extremely shocking scene appeared!

Ye Chen, this seemingly unremarkable punch, at the moment when it hit Zhang Zhuzhi's sword front, the madly whistling sword aura of the Taiyuan Sword Sect was instantly subdued!

It seems that the sword aura like a hurricane was completely resisted and suppressed by a huge mountain shaking the sky!

What is even more horrifying is that not only the sword energy, but also Zhang Zhuzhi's sword light, collapsed under Ye Chen's punch, and Zhang Zhuzhi's whole person could not even hold the sword!

He looked at Ye Chen's eyes, and instantly lost all his colors, like a soul, already swallowed...

How could this be?

He is puzzled...

Ye Chen has such a terrifying power in this punch! ! !

That is not only powerful in strength, but also powerful in martial arts!

The power of this punch completely surpassed his understanding of martial arts!

Zhang Zhuzhi's Taoism, thinking, everything... were overwhelmed by the horror of this punch...

The next moment, with a bang, his body directly turned into a cloud of blood and exploded...

Everyone was stunned!

was completely stunned!

Everyone in the Taiyuan Sword Sect knows that Ye Chen is very strong and terrifying...

But they don't know that Ye Chen's strength has reached this level...

Breaking the Dao Xin of a warrior is often much harder than killing the other, especially a warrior who has cultivated to this level!

Which one of these warriors is not tempered in terms of character?

But they felt very clearly just now, the moment before Zhang Zhuzhi died, Dao Xin collapsed...

Ye Chen smashed the heart of a genius like a mosquito to death!

Among them, Zhang Youyuan was the most alarmed and shocked!

He didn't know Ye Chen Before Zhang Zhuzhi made the sword, it can be said that he didn't have any psychological preparation.

just smiling and waiting to see Ye Chen beheaded by Zhang Zhuzhi...

It is a fact, but it is completely beyond his imagination...

Zhang Youyuan swallowed, looking at Ye Chen's eyes, there was only dignity left. Although he could kill Zhang Zhuzhi in a second, he didn't have the confidence to make Zhang Zhuzhi's Dao heart collapse with a single blow...

Could it be that the strength of this madly slashing waste is still higher than that of himself?

What are you kidding?

However, Zhang Youyuan still held up a smile and said, "Is this young man a bit too impulsive? If you want an antidote, we can discuss it..."

He was actually responsible for Ye Chen's killing of Zhang Zhu, the genius of the Zhang family, and completely forgot about it!

Zhang Youyuan knows that for Zhang Zhuzhi, conflict with Ye Chen is not worth...

Ye Chen looked at Zhang Youyuan coldly, and said playfully: "Discuss?"

"Didn't I just say that you are not qualified to bet with me, don't you think you are qualified to discuss with me?"

Zhang Youyuan's face froze, does Ye Chen show no respect for his Patriarch?

But, without waiting for Zhang Youyuan to think about it, Ye Chen flipped his wrist and already grasped a pitch-black long sword, and said coldly: "I said, if you want an antidote, just call you and give it to you. Where else is needed? ?".

The next moment, cut it with a sword!

The powerful force was poured on the evil sword, and in an instant, a gust of wind was set off between the world and the earth. Although Ye Chen did not use his hole cards, the momentum of this sword was actually stronger than the one cut by Zhang Zhuzhi. hundred times!

Chapter 2997: crisis

Today's Ye Chen has absorbed two Zixiao Stones, and his strength has been broken to the extreme!

Driven by Ye Chen, this power can burst out even the top martial arts of the First Kingdom, it may not be comparable to the destructive power!

Zhang Youyuan's complexion changed drastically, this sword was much stronger than the punch Ye Chen had just hit against Zhang Zhu!

He roared wildly, and his spiritual power poured out unreservedly. In an instant, behind Zhang Youyuan, eight black spears spread out!

These eight spears are surprisingly forged using the eight spider legs of the mysterious ghost poisonous spider!

On top of the eight spears, black lights flashed, one of them blocked the long sword in Ye Chen's hand, and the remaining seven spears pointed towards Ye Chen's eyebrows, heart, neck, etc. go with!

And Ye Chen, facing the seven spider spears that stabbed, he didn't care about the appearance and still cut it down with a single sword!

Yue Rou saw this and shouted anxiously: "Brother Ye, be careful that the spear is poisonous!"

Want to be careful now? Too late!

A smirk appeared on Zhang Youyuan's face, boy, your potential is terrifying, but after all, you are still too young and careless. As long as this mysterious ghost spider venom is contaminated with a trace, even if it is in the heavenly realm, it can't easily bear it, so choose to ignore it. Lao Tzu's attack is your biggest mistake!

The next moment, the long sword collided with the spider spear, and there was a loud bang, and a clear crack appeared on the extremely hard mysterious ghost spider spear!

At the same time, the violent force also poured into Zhang Youyuan's body. He instantly vomited a mouthful of blood, and his bones began to break!

Zhang Youyuan looked terrified, the power of this sword almost shattered his brain!

Don't say it is a martial artist in the Evil Realm, he even doubts that this sword can be slashed by humans?

too scary!

And, this sword hasn't ended yet, it actually pressed the spider spear and fell towards his head!

But at this time, one of Zhang Youyuan's spears also cut the skin on Ye Chen's neck!

A hint of ecstasy flashed in Zhang Youyuan's eyes, and he immediately retracted the remaining seven spider spears, and concentrated them on his head!

There was another loud bang, and the floor of the hall was instantly shattered under the power of this sword, and clear cracks appeared on the eight spider spears!

However, Zhang Youyuan still has some strength, Ye Chen's sword with terrifying power was successfully blocked by him!

The next moment, Zhang Youyuan gritted his teeth fiercely, used the secret technique to stimulate his potential, and when Ye Chen received his sword and was ready to take another shot, he retreated madly and sneered at Ye Chen: "Boy, you have already hit the mysterious ghost spider. Poison, I advise you not to move around, otherwise, the toxin will only spread faster!"

After Zhang Youyuan performed the secret technique, his face looked a little pale, as if his vitality was severely injured, but at this time he was indeed holding the winning ticket!

Mysterious ghost spider venom, without his antidote, even the strong of the gods can't hold on for long, Yue Qingshan is a lesson!

Moreover, this is the result of Yue Qingshan's full resistance to toxins. If Ye Chen continues to do it, he will only die faster!

But, if you don't do it, you just sit and wait!

In other words, Ye Chen has been completely driven into desperation by him now!

The strength of this kid is indeed terrifying and weird, but what's the use of being strong?

Can you really fight against yourself with the mysterious ghost spider poison?

Ye Chen heard this, but a smile appeared on his face, and his figure flashed, he rushed directly towards Zhang Youyuan!

Poison?

With Ye Chen's physique, even if there is any poison in this world that can threaten him, it can't appear in the kingdom of God.

Originally, Zhang Youyuan, who was still smug and sneered, had completely changed his face at this time!

He looked at Ye Chen in horror, and exclaimed: "How come this is happening, aren't you poisoned?"

Ye Chen at this time, how could he be a little bit poisoned?

The mysterious ghost spider venom, known as one of the top ten strange poisons, has no effect on Ye Chen...

Terrifying power, invincible physique, what kind of monster is this?

Zhang Youyuan was completely frightened!

But, before he even had time to think about it, Ye Chen's sword slashed in front of him!

Zhang Youyuan's pupils trembled frantically, and the eight spider spears crossed in front of him, blocking Ye Chen's sword!

There was a loud noise, and the crack on the spider spear deepened by a point in an instant, and Zhang Youyuan, under the shock of the huge force, spit out a mouthful of blood!

But, this is just the beginning...

In Ye Chen's eyes, a wicked light flashed, and the long sword in his hand danced frantically, like a hurricane, constantly bombarding the defense of the eight spider spears!

The sound of clicking, like the rain hitting plantains, kept ringing, and in just a few breaths, Ye Chen had already cut hundreds of swords!

And Zhang Youyuan, his breath has decayed beyond description, his bones and internal organs have been shattered, finally!

With a cracking sound, the spear made of eight spider legs that were taken from the mysterious ghost and poisonous spider, was completely shattered!

Actually, Ye Chen used his strength to smash to pieces...

At the same time, Zhang Youyuan was also like a puddle of mud, weakened.

completely lost his breath.

The Patriarch of this class, a strong man in the second-tier heaven of the dignified God Realm, was easily crushed by Ye Chen with his physical strength alone...

Everyone Even if Ye Chen could defeat Zhang Youyuan, he was still shocked...

Ye Chen waved his hand and took Zhang Youyuan's storage bag, took out the antidote to the mysterious ghost spider poison, and melted it into Yue Qingshan.

Soon, the black energy on Yue Qingshan's face dissipated, and he slowly regained consciousness.

After knowing what happened just now, he thanked Ye Chen extremely gratefully: "Master Ye, thank you this time!"

Ye Chen smiled slightly: "You don't have to be polite, Rou'er saved me, and I also owe favor to the Taiyuan Sword School, don't you?"

Yue Qingshan laughed. Originally, he had taken away the sword soul in the abyss because of Ye Chen. He regretted it, but now it seems worth it! It's worth it!

But suddenly, Yue Qingshan reduced his smile, his whole body was violent, and he suddenly cut out with a sword!

This sword is heading towards the white waves!

Bailang's face was horrified, and he hurriedly used his sword to resist, but how could he be Yue Qingshan's opponent?

The next moment, the blood flashed, the white waves screamed, an arm fell off the shoulder and fell to the ground!

is the hand of Bailang's sword!

Jian Xiu couldn't take the sword, so it was almost useless!

Yue Qingshan said coldly with an angry face: "Get out of my Taiyuan Sword Sect, don't let me see you again!"

He treats Bai Lang not badly, but Bai Lang wants to betray Yue Rou for profit? ?

didn't kill him, he had done his best.

At this time, Xu Zhao said with some heavy weight: "Young Master Ye killed Zhang Youyuan and Zhang Zhuzhi. I am afraid that Baipomen and Zhang Family will not give up, and there is also Zhong Qixuan..."

Chapter 2998: 2 female confrontation!

Yue Qingshan, Ouyang Xi and others also frowned. Although Zhang Youyuan is strong, it is actually nothing to the Taiyuan Sword Sect. The key is that the power behind him...

Ye Chen didn't care, he smiled faintly, and his figure instantly disappeared from the hall.

Everyone was taken aback for a moment, and the next moment, they followed Ye Chen away.

Ye Chen actually came to the Shenyi Stone!

Everyone looked at him, and they were a little puzzled. Why did Ye Chen come here?

The next moment, Ye Chen danced with the long sword in his hand, the meaning of true martial arts, whizzed out, accompanied by the aura of destruction!

That martial art rhyme is very heart-pounding!

And this time, Ye Chen did not leave his own knife marks on the Shenyi Stone, but wrote a word on it!

A big killer!

Kill the word 10%, a terrifying killing intent, from the Shenyi stone, surging out, covering the entire Taiyuan Sword Sect!

Not only the Taiyuan Sword Sect, but even the warriors with a radius of a hundred miles, are all excited by this heavenly killing intent, and they are shocked! One by one looked in the direction of Taiyuan Sword Sect with incomparable shock!

Suddenly, Yue Qingshan and others' expressions changed wildly, because they felt a few strong auras and descended on the Taiyuan Sword Sect!

Ye Chen's killing intent attracted the attention of the top powers in the First Divine Kingdom. At this time, they actually lowered their spirits to spy!

Ye Chen felt the spirit of those strong, his complexion did not change at all, but a smile rose from the corner of his mouth, and he sternly shouted: "Those who commit Taiyuan, I Ye Chen, will kill them!"

This stern shout, like a tsunami, spreads in all directions, and immediately resounded through the entire First Kingdom!

Even in this harsh drink, even the few divine thoughts that had just descended disappeared instantly!

Yue Qingshan and others all looked at Ye Chen incredible...

Ye Chen relied on a killing intent, and with a stern shout, he shocked all the powerhouses of the entire First Divine Kingdom!

Ye Chen said lightly: "This is the killing intent I left behind in the Taiyuan Sword Sect. Anyone who wants to invade the Taiyuan Sword Sect must break through this killing intent, and I must feel it."

In his eyes, a cold light suddenly rose and said: "No matter who it is, you will die if you do this!"

Yue Qingshan and others trembled all over. At this moment, Ye Chen was like a demon \*\*\*\* who made life and death in a word.

.....

On a high mountain, a young man dressed in a brocade robe, with golden glow in his eyes, was full of horror at this time!

He is the first genius in the hundred-breaking door, Zhong Qixuan!

Zhong Qixuan, from his childhood in martial arts, has an unimaginable talent, no matter how powerful opponents he faces, he has never been afraid!

But just now, Zhong Qixuan felt a powerful killing intent. The moment he descended on the Taiyuan Sword Sect, he felt the taste of fear for the first time in his life...

Why are these strong men forced to retreat by Ye Chen's stern shout?

because!

They all felt the power of Ye Chen!

Ye Chen, the feeling for them is like an abyss...

The abyss of death!

At this time, a woman's cry sounded from behind Zhong Qixuan.

Zhong Qixuan turned his head, only to see a woman with a graceful figure and a seductive face, Ewha walked towards him with rain.

This woman is Zhang Xin, the daughter of the Zhang family.

Zhang Xin threw himself into Zhong Qixuan's arms and sobbed: "Brother Zhong, my father was killed by the Taiyuan Sword Sect's gangsters. You must be the master of the slave family!"

Zhong Qixuan was silent for a moment when he heard the words, and then he slammed Zhang Xin away and slapped Zhang Xin away!

Zhang Xin screamed, clutching his swollen cheeks, a few teeth fell from his mouth, scared, and looked at Zhong Qixuan in confusion: "Zhong, Brother Zhong, what's wrong with you..."

Zhong Qixuan said coldly: "Do you want Lao Tzu to die? From today, you and the Zhang family will have nothing to do with me, Zhong Qixuan!"

After that, Zhong Qixuan, leaving Zhang Xin with a dull face, turned and left, in his eyes, the fighting spirit burned!

Ye Chen?

made this son feel fear, but, there is a price to pay...

Now, this son may not be your opponent, but!

What if my son broke through?

On the face of Zhong Qixuan, a sneer of forest appeared.

From this day on, a message spread in the first kingdom of God!

Zhong Qixuan, a genius who broke the door, entered the forbidden area of Death Valley, shutting life and death!

The entire First Kingdom of God, instantly boiling, Death Valley, that is the most dangerous place where the strong of the Heavenly God Realm might fall...

And Zhong Qixuan, enter the Death Valley to close life and death?

In other words, Zhong Qixuan will not break through the limit and will not leave the level!

However, Ye Chen didn't know all this.

.....

At the same time, in the extremely secluded and remote mountain of the First Kingdom.

A phoenix roar suddenly sounded, shaking the sky!

The phoenix eyebrow contains a stream of blood!

The essence and blood actually exudes extremely powerful spirit!

This is exactly the phoenix phantom that Xuan Jiyue condenses with blood.

At this moment, her face was a little pale, her eyes a little helpless.

If someone forcibly reinforced the rules of the Kingdom of God and the upper realm, how could it be so troublesome?

If she were to let her know the identities of those two, she would surely kill them herself!

The blood phoenix flies towards the end of the sky!

This time, the rules did not destroy the blood phoenix!

Xuan Jiyue's eyes were full of surprises, and she exhaled a sullen breath: "Finally, I deceived those guys."

However, just when the blood phoenix is about to penetrate the void!

Wow!

Suddenly, trembling in the void, a beautiful shadow, like a flying immortal outside the sky, gracefully descended down.

The divine light lingers on her delicate body endlessly, and countless flying flowers and colored glaze are floating in the air like dreams.

is Ji Siqing!

Ji Si Qinghan glanced at the blood phoenix. Although he didn't know the reason, he still cut it down with the power of the gods!

The light was shining, and the blood phoenix that was about to leave the kingdom of God shattered on the spot under Xuan Jiyue's nose!

The next moment, Xuan Jiyue's eyes were burned by flames!

The pale face is even flushed!

She wakes up in the kingdom of God, although she is not the real body of the Queen of the Upper Realm, but she is not insulting anyone!

"who is it!"

A short silence!

Ji Siqing's surprised voice slowly fell!

"Xuan Jiyue, it turned out to be you bitch!"

Ji Siqing's eyes froze and fell in front of Xuan Jiyue.

Qu Xueyong lowered his head and followed behind her, standing with his hands down.

"Ancestor, this person, it seems difficult to deal with."

Qu Xueyong whispered.

He followed Ji Siqing to investigate the source of the crisis, and finally came here, only to see the destruction of the Han Sect and the whole family.

And the aura on Xuan Jiyue's body also made Qu Xueyong extremely jealous.

Fourth Heaven in the God Realm!

And Ji Siqing just broke through to the Heavenly God Realm. .

There is a very big gap between the two women.

Even if Xuan Jiyue's breath is unstable now, he is still worried that something will happen to Ji Siqing.

Chapter 2999: Ji Siqing's stubbornness!

However, Ji Siqing looked indifferent and looked at Xuan Jiyue coldly.

She recognized at a glance that the veiled woman in front of her was the Queen of the Upper Realm!

To be precise, it was a clone of that \*\*\*\* in the kingdom of God!

The anger that was once ignited completely at this moment!

If it weren't for Xuan Jiyue, how could the Lord of Samsara fall!

If it wasn't for Xuan Jiyue, why would I need to rebuild!

"Qu Chenyan, it's you!"

Xuan Jiyue looked at Ji Siqing's face, also shocked.

She instantly recognized that Ji Siqing in front of her was Qu Chenyan who was guarding the Lord of Samsara in the previous life.

In the previous life, she wanted to kill Ye Chen, but because of the guardianship of Qu Chenyan, she was unable to succeed.

If it were not for that reason, I am afraid that the current situation may not be the same!

At this moment, the grievances of previous lives are intertwined.

Xuan Jiyue and Ji Siqing's eyes were shaking.

"The Valkyrie of the previous life, in this life, there is only a little bit of cultivation in the heavenly realm?"

Xuan Jiyue looked at Ji Siqing, and instantly saw through her cultivation.

The Valkyrie from the previous life, she was so powerful and wary that she would be extremely jealous.

But now Ji Siqing has not recovered the full combat effectiveness of his previous life.

"Hehe, it's enough to deal with a dirty clone of you."

Ji Siqing sneered, glanced around, and saw through Xuan Jiyue's details.

Xuan Jiyue in front of her was just a clone of dirty soil, not her real body.

"Xuan Jiyue, you killed the Lord of Reincarnation in the previous life. In this life, I want your corpse to be broken into pieces!"

Ji Siqing had cold eyes and called Xuan Jiyue's name directly.

Although the name of the Queen of the Upper Realm is unspeakable and has the coercion of heaven, Ji Siqing, the dignified ancient Valkyrie, is not afraid.

brush!

Ji Siqing waved his hand, and a long sword appeared in the palm of his hand. Under the infusion of divine power, the whole sword exploded with a monstrous fierce glow, and blatantly killed Xuan Jiyue.

"Even if it's a clone of my dirty soil, you can't fight it."

Xuan Ji's face didn't change her face, she also drew her long sword, and stabbed out with a single sword.

The swords in the hands of the two women were filled with the mighty majesty of the gods, and the runes of the unique laws of the gods were constantly interweaving and flashing, and the surrounding void was shaken.

Ding!

The two swords collided, and suddenly exploded into the sky.

Pedal!

Ji Siqing was shaken back three steps, the long sword in his hand was scattered, and the law rune collapsed.

This confrontation suddenly revealed a huge gap in strength.

She is only one level of the heavenly realm, and Xuan Jiyue has the strength of four levels.

The two fought against each other, and Ji Siqing suddenly fell in love.

"Hehe, the dignified Valkyrie, actually fell to this point."

Xuan Jiyue smiled indifferently: "Today I killed you and won't be able to win, but in order to solve the hidden dangers and cut the grass and roots, you can no longer blame me for being ruthless."

The words fell, Xuan Jiyue did not leave her hands, the mighty power was poured into the sword, and the whole sword exploded a phoenix shadow, spreading its wings to fly into the sky, and the brilliant rays of light shone on the sun and the moon.

嗤!

A sword pierced out, and the Phoenix sword aura with a shocking long cry, pointed directly at Ji Siqing's eyebrows.

Buzzing!

Ji Siqing's eyebrows were bright, and the mark became brighter. The ancient war spirit was revived in her body, and the majesty of the vast God of War rose to the sky.

"War God is coming, suppress the world, break it for me!"

Ji Siqing yelled, and a stunning figure appeared behind him, exactly the shadow of Shen Yan of the ancient Valkyrie.

Facing Xuan Jiyue, she didn't keep her hand, and directly released the most powerful trump card, reviving the war spirit of the Valkyrie.

"what!"

Xuan Jiyue was suddenly shocked, and she couldn't think that Ji Siqing could summon the ancient war spirit.

Ji Siqing, who was still a fluttering fairy just now, has become a warlike Valkyrie with a warrior intent and a beardless woman.

An overbearing sword, with a terrifying sword intent to suppress the world, directly cut Xuan Jiyue.

Even though Xuan Jiyue has the strength of the fourth-tier heaven of the Heavenly God Realm, facing the crush of the ancient war intent, there is a huge danger.

"Space Iron Wall, Royal!"

Xuan Ji Yuexian's hands pinch the tactics, the law of energy between heaven and earth, constantly converging.

The laws of rolling space finally condensed into a silver-white iron wall that stood in front of her.

This spatial iron wall, with ancient runes circulating on it, vaguely reveals the breath of the upper realm.

Xuan Jiyue actually did not hesitate to break through the restrictions, releasing the breath of the upper realm and protecting herself.

boom!

Ji Siqing's sword exploded in battle, slashing fiercely on the iron wall of space.

噗哧!

The iron wall of the space shattered, and Xuan Jiyue opened her mouth and spouted blood.

In fact, Ji Siqing's sword power has all been disintegrated by the iron wall of space.

Xuan Jiyue was injured and vomited blood, only because of the use of the laws of the upper bound, he was backlashed by the rules.

And Ji Siqing, the corners of his mouth also ooze blood.

Her power to summon the Valkyrie, the burden on the body is also very huge.

"Hehe, I thought you really awakened the power of the Valkyrie, but that's all."

Xuan Jiyue sneered. She almost thought that Ji Siqing was completely awakened. It turned out to be a short-term loan with huge side effects.

嗤!

In this case, Xuan Jiyue had nothing to fear, she immediately calmed her mind, and stabled out with a sword, taking advantage of Ji Siqing's weakness to kill with one blow.

"Hmph, do you really think that you are a filthy clone that can counter the power of my age in that era?"

"Blazing Suzaku Sword, cut!"

Ji Siqing's eyes burned with fighting spirit, a clear drink, and a wave of the long sword in his hand, instantly exploding with a monstrous atmosphere of Hongmeng.

Older than ancient times, more mysterious than ancient times, billowing majestic aura, constantly erupting from her sword.

Huhuhu!

Ji Siqing's sabre suddenly exploded into a blazing fire.

In the raging fire, it turned into a monstrous Suzaku figure, raising its head and crying, and its voice shook the world.

"Ah, thirty-three days of Mongolian law, Blazing Suzaku sword! How is it possible!"

Xuan Jiyue narrowed her eyes and was deeply shocked.

This blazing Suzaku sword is one of the thirty-three days of the Mongolian method, and its lethality is very terrifying.

In ancient times, the Valkyrie Shen Yan relied on a blazing Suzaku sword to kill how many powerful enemies she had killed, even she was afraid of three points at the time.

She did not expect that Ji Siqing at this moment could actually burst out such a powerful sword.

You must know that the Blazing Suzaku Sword is a Mongolian method. If you want to use it, it will have a huge burden on your body. Ji Siqing has only the strength of the first level of the heavenly gods. Forcing it to use it will inevitably suffer a huge backlash.

Ji Siqing clenched her silver teeth, she only awakened the method of using the Blazing Suzaku Sword after breaking through to the Heavenly God Realm, which she had never used before. .

The consumption of this blazing Suzaku sword is absolutely terrifying. With her strength at this time, she was forced to kill. Before the sword energy was released, her meridians and bones creaked, seeming to burst at any time, very dangerous. .

But in order to kill Xuan Jiyue, Ji Siqing did it without any hesitation.

Chapter 3000: The sense of reincarnation star stone!

"Ancestor!"

Qu Xueyong behind        was completely shocked.

Blazing Sky Suzaku Sword, Hong Mongol Method, how powerful.

A hint of majestic breath, swaying between heaven and earth.

The sky and the sky seemed to have changed color.

The ancient pale yellow gas cloud obscured the sky, and countless flares burned among the clouds.

Above the nine heavens, there was a vague cry of Suzaku.

Qu Xueyong kept backing away, not daring to approach Ji Siqing.

Ji Siqing at this moment is as brilliant as a Suzaku, vast as an ancient god, and his aura is too strong. If he approaches her, Qu Xueyong will be crushed alive.

Ancient, Hongmeng, fiery sword, straight to cut Xuan Jiyue.

"Bury the sky and destroy the soul, the law of corrosion, break!"

Xuan Jiyue knew how great she was, so she didn't dare to neglect, she swung her sword with her slender hand, and the dark light exploded on the sword.

In an instant, it turned into a black law rune, like a demon like a prison, inspiring a strong corrosive atmosphere.

At the juncture of life and death, Xuan Jiyue also struggled, and directly used the Corruption Law of the Upper Realm to fight Ji Siqing hard.

The Law of Corrosion, Ye Chen actually also mastered it.

Ye Chen can use it at will, not restricted by the rules, but only consumes his own strength, because he himself is a member of the kingdom of God and will not be restricted.

But Xuan Jiyue is different. She is from the upper realm and is restricted by the rules of the kingdom of God, so she cannot use the breath of the upper realm casually.

This time, the law of corrosion burst out, Xuan Jiyue only felt severe pain in the meridians, and the power of backlash came crazy.

And Ji Siqing is also uncomfortable.

The powerful coercion of Hong Mongolian law almost crushed her bones.

The two women are fighting each other desperately, regardless of life and death, just want to kill each other.

boom!

A Suzaku Sword, a Bone Erupting Sword, colliding hard.

Suddenly, the blazing grand flames, and the terrifying corrosive air waves, crazily intertwined.

In the endless sea of flames, Ji Siqing rushed into the sea of flames, and the show palm suddenly shot out!

She wants to kill this clone at all costs!

But Xuan Jiyue was slightly startled, and, unable to take care of everything, a flame with bursts of stars burst out of her palm!

This is actually the reincarnation star flame!

Xuan Jiyue used his hole cards!

"Damn it!"

Ji Siqing hesitated for a moment, wanted to dodge, but in the end he faced the difficulties!

She wants to trade her injury for her injury! This is the only chance!

"boom!"

The stars burst, and the sparks are in all directions!

Ji Siqing and Xuan Jiyue were shocked and flew out at the same time, and fell to the ground in a mess.

"Ancestor!"

Qu Xueyong shouted, trying to help Ji Siqing up.

"Leave me alone, kill her!"

Ji Siqing spit out a mouthful of blood, staring at Xuan Jiyue.

The shocking collision caused the two women to lose and both suffered huge injuries.

But after careful calculation, Ji Siqing won.

Because she only has the strength of the first level of the Heavenly God Realm, but in the end she was able to lose out with Xuan Jiyue, and it was considered to have the upper hand.

If she also has the four-tiered cultivation base, she can definitely win.

Unfortunately, there is no if.

Now, both women are seriously injured.

Qu Xueyong was dumbfounded, looking at Xuan Jiyue's figure.

"What are you still doing? Go!"

Ji Siqing gritted his teeth, Xuan Jiyue, the filthy avatar, contains a ray of spiritual power of her real body. If it can be cut, it can be considered to have cut off an arm of her real body.

"Yes, ancestor..."

Qu Xueyong tremblingly, picked up Ji Siqing's long sword that had fallen to the ground, and walked towards Xuan Jiyue.

Xuan Jiyue at this moment was completely severely wounded and couldn't even move her fingers. It was when she was extremely weak, even Qu Xueyong could kill her.

"you dare!"

Xuan Jiyue screamed and looked at Qu Xueyong coldly.

This filthy avatar of her is very important. If she falls, her real body will be backlashed and traumatized.

So, she must not die!

Qu Xueyong's killing intent together, suddenly cut down with a sword!

This sword is Qu Xueyong's full strength!

Just when this sword was about to touch Xuan Ji Yue, a flame suddenly ignited in Xuan Ji Yue's body!

The flame is wrapped in countless stars!

is the reincarnation star flame again!

As a clone, Xuan Jiyue can't use the real body of Samsara Starblaze!

But a trace of essence is enough to protect everything about yourself!

"boom!"

Qu Xueyong was shaken back in an instant, and the sword in his hand shattered!

"Bold Ant, do you know who I am?"

Qu Xueyong trembled all over, even if Xuan Jiyue was seriously injured, she was also the queen of the upper realm with mighty majesty.

Xuan Jiyue's stern shout, but it shocked him.

He didn't dare to act rashly.

"Hurry up!"

Upon seeing this, Ji Siqing gritted his teeth and ordered again.

咚咚.

Qu Xueyong swallowed his saliva, and the hand holding the sword trembled violently: "Ancestor, I..."

He really doesn't have the courage to move hands, Xuan Jiyue's coercion is too strong, it shocked him deeply.

"Hehe, Qu Chenyan, you are trash, and your people are trash."

Xuan Jiyue smiled coldly, took the opportunity to adjust her breath to heal her injuries, and quickly recovered her breath.

"This time, count your luck."

Xuan Jiyue stood up swayingly, and with a wave of her slender hand, she tore the void and quickly escaped.

She can only control Qu Xueyong for a while, if Qu Xueyong is really sober, she will definitely die!

"Damn it!"

Ji Siqing gritted his teeth, unexpectedly being run away by Xuan Jiyue.

咤当.

Qu Xueyong's long sword fell, and sat on the ground with his ass, only a cold sweat appeared.

"you!"

Ji Siqing hates that iron cannot become steel.

"Ancestor, I..."

Qu Xueyong was speechless.

One is the Valkyrie, and the other is the Queen of the Upper Realm One side is the Hong Mongol Method, and the other is the Upper Realm Law.

How can he intervene in this kind of battle?

"No, I have to find a way to inform Ye Chen, this \*\*\*\* will come in person, the kingdom of God must have a shocking change."

Ji Siqing's gaze shifted, secretly calculating.

Although Xuan Jiyue was only a clone of dirty soil awakened, but the clone was born, which is equivalent to the queen's visit.

The Kingdom of God, there must be a shocking catastrophe.

She didn't want to see Ye Chen accident.

And Xuan Jiyue, tearing through the void, keeps running away.

"Well, the breath of reincarnation star stone!"

Suddenly, Xuan Jiyue felt the breath of the reincarnation star stone, and couldn't help being moved.

Reincarnation star stone, this is related to an ancient secret.

She stopped immediately, broke out of the void, looking for the source of her breath.

Soon, she came to a magnificent blood-colored palace.

Endless blood, endless aura of disaster, constantly emanating from the palace.

In this palace, it seems that there are thousands of demons and countless ghosts hidden, which is trembling.

Here is the Hades!

"There is a reincarnation star stone in this place?"

Xuan Jiyue was slightly surprised, feeling the reincarnation star flame in her body, filled with a slight change, echoing the breath of the reincarnation star stone.

Even her injuries are gradually recovering.

This reincarnation star stone has greatly benefited her! !

Xuan Jiyue moved in her footsteps, and immediately stepped into the hall of darkness.

She knows very well that if she gets this reincarnation star stone, her injury will definitely recover!
