

## Urban 3001

### Chapter 3001: Brazenly

In the depths of Ming Hall, a man in a red robe sat cross-legged, with black and red haze floating around his body.

This person is Mo Xueming!

Mo Xueming's face was pale with a trace, and his condition was not good.

His eyes were still silent with a trace of anger.

Endless anger.

That is the anger that started from Sogo Burial Ground!

lasts a long time!

"It's been so long, and the injury hasn't recovered much. This time it is really a misstep. The key is that Ye Chen, the kid, has become so powerful that he can kill one of my clones."

Mo Xueming gritted his teeth, the clone was made by him using the ancient fierce, black evil scorpion, mixed with his own essence and blood.

This time, the clone fell.

His real body has also suffered a huge backlash.

Fortunately, he also has a reincarnation star stone on hand, which is a huge gain for cultivation.

The reincarnation star stone, floating above his head, exudes a little star.

Mo Xueming kept breathing and spitting out, taking advantage of the breath of the reincarnation star stone to heal his own blood.

Boom!

At this time, there was a shock outside the hall.

"who is it?"

Mo Xueming frowned, only to feel the waves of murderous intent, and the fluctuation of the laws of the gods, it was obvious that there was a strong enemy.

咻咻咻!

What is even more bizarre is that when he discovered the reincarnation star stone, he actually stripped out a ray of starlight and flew towards the outside of the hall.

Outside the hall, Xuan Jiyue rushed forward.

A few hand-held iron chains and black robe disciples are blocking her.

"Fuck me!"

Xuan Jiyue's eyes were cold. Although she was extremely injured, she still possessed the strength of the fourth-tier heaven of the Heavenly God Realm, which was not something that ordinary Underworld disciples could compete.

Waved his slender hand, every day the law of the gods, turned into a horse to practice flying sword and burst out.

"I am actually a master of the Celestial Realm!"

The disciples of the Underworld all around shrank their eyes, not daring to touch them head-on, and hurriedly withdrew to avoid.

"Who dares to run wild in my hall of darkness?"

A few sharp shouts sounded.

There are several masters of the Underworld, tearing the void out of the void, forming a five-pointed star magic array, waved the iron chain in his hand, and killed Xuan Ji Yue, wanting to capture it in one fell swoop.

They both have the strength of the early days of the Heavenly God Realm. Compared with the two apprentices under Mo Xueming, Mo Lang and Mo Handong are much more powerful.

However, they are the guardians of the Underworld, responsible for guarding the gate. They will never go out to perform tasks easily. They will only take action when the Underworld Mountain Gate encounters a crisis.

"There are so many strong gods."

"What is this place?"

Xuan Jiyue was surprised for a while.

The several guardians around are all gods. If it were in the heyday, she would naturally not be afraid, but now she is seriously injured, but it is difficult to deal with.

"Reincarnation Star Flame, get up!"

Xuan Jiyue's beautiful eyes condensed, and the reincarnation star flame in the dantian suddenly burned, and it was about to be released, \*\*\*\* battle with many experts around.

"Stop it!"

Just then, a loud voice came.

A figure in a red robe whizzed out in an instant, it was Mo Xueming.

That piece of reincarnation star stone, like a magic weapon, circulates around Mo Xueming steadily, filled with a magnificent breath of stars.

There are a lot of stars, but they have merged into Xuan Jiyue's body.

Suddenly, Xuan Jiyue was refreshed, she only felt endlessly comfortable.

"what?"

When Mo Xueming saw this scene, he was suddenly surprised, and he didn't expect Xuan Jiyue to absorb the breath of the reincarnation star stone so easily.

Reincarnation star stone is a wonder in the world!

If he hadn't stayed at the Ye Family and got the Ye Family's exercises, it would have been so easy!

"Your Excellency is the lord of the Hades, Mo Xueming?"

Xuan Jiyue looked at Mo Xueming, her eyes fell on the reincarnation star stone.

The breath of this reincarnation star stone is very vast, and it has many resonances with her reincarnation star flame.

If she can seize the reincarnation star stone, relying on the energy of the star stone, her injuries will surely heal quickly.

"Exactly, who is your Excellency, why did you trespass at the gate of my palace?"

Mo Xueming stared at Xuan Jiyue, looked at her graceful figure, tyrannical cultivation base, and secretly speculated about her origin.

"The little girl Xuan Qingyue, I have seen Lord Mo."

Xuan Jiyue gave a bow, but stared at the reincarnation star stone, and said: "This piece of reincarnation star stone, can Palace Master Mo lend me a few days?"

"Huh? Do you want to borrow the reincarnation star stone?"

Hearing the words, Mo Xueming burst out laughing.

"Exactly, Lord Mo, please make an offer."

Xuan Ji Yue straightened her clothes, said.

Mo Xueming was silent, his gaze kept scanning on Xuan Jiyue's face and body, as if thinking about something.

"Okay, I will lend it to you!"

Finally, Mo Xueming spoke, licked his lips, and said, "You call me a foster father, and I will lend it to you as my good daughter."

"My martial arts inheritance, there is no successor, and I just need someone to inherit the mantle. I think you have a good aptitude. Come to my door. When I break through the upper realm, the foundation of this palace can also be passed on to you."

"You want to accept me as a righteous daughter?"

Xuan Jiyue smiled disdainfully, looked at Mo Xueming coldly, vaguely seeing that his mind was impure.

"Why, you don't want to?"

Mo Xueming's face sank.

"You accept me as a righteous daughter. I'm afraid that you don't want to use me as a container to contain the energy of the reincarnation star stone, and then use strong means to collect yin and nourish the yang, so as to make up for me and satisfy your animal desires."

Xuan Jiyue has a cold tone.

"....."

Mo Xueming's heart trembled, and he took a step back.

Yes, he did have this idea.

He can't see through the woman in front of him but one thing is certain, the woman in front of him can absorb the energy of the reincarnation star stone, which is extremely useful to him!

But I didn't expect that Xuan Jiyue would see through her abacus.

"Mo Xueming! You are so bold, do you know who I am?"

Xuan Jiyue snorted coldly, and she suddenly exuded an extremely mighty imperial might.

Gun Gun Emperor Majesty, with the unique majesty of the upper realm, went out frantically.

"this is....."

In the Hall of the Underworld, many disciples, and a group of guardians, felt the emperor's prestige, and were immediately shocked.

This majesty, compared with the legendary \*\*\*\* emperor, is much more powerful, with the breath of the upper realm, which is moving.

Plop!

Plop!

Plop!

In the entire Hades, except for Mo Xueming, everyone knelt down.

Under the cover of this emperor's prestige, everyone was shocked, kneeling and surrendering involuntarily.

"Are you a woman from the upper world?"

Mo Xueming's eyes widened, unable to believe it.

Such a terrifying Diwei reminded him of a person.

The Queen of the Upper Realm, Xuan Jiyue!

Xuan Jiyue, it is absolutely impossible to come to the kingdom of God.

But the person in front of him has such a powerful emperor.

"This woman must be a big figure next to the Queen of Upper Realm."

Mo Xueming secretly guessed, but he couldn't imagine that the woman in front of her under the pseudonym Xuan Qingyue was actually a filthy clone of Xuan Jiyue. .

"You offended me, it's equivalent to blasphemy."

Xuan Jiyue's voice is cold, with great majesty.

Chapter 3002: There is something wrong with Xuan Yuezong!

"You want to accept me as a righteous daughter. It's a joke. Based on your words, when you go to the upper realm, the queen will kill you first."

Xuan Jiyue did not reveal her identity, and murderous intent had already surged in her heart.

How vast is her majesty.

Mo Xueming wanted to accept her as a righteous daughter, and had a bad heart. This is a great insult.

If Mo Xueming had a chance in the future, she would definitely kill her when she went to the upper realm.

Even if Mo Xueming stayed in the kingdom of God, she still had to find a way to break him into pieces.

In Xuan Jiyue's eyes, Mo Xueming was already a corpse.

But now, she didn't reveal anything, but said lightly:

"Cooperate with me and lend me the reincarnation star stone to heal my wounds. When my injury is healed, I can teach you a few magical skills of the upper realm."

While speaking, Xuan Jiyue's divine light bloomed, and golden texts formed a paragraph of martial arts mantras, which kept flashing.

Mysterious martial arts supernatural powers such as the Great Desolate Moon Breaking Sword, Instant Killing Emperor Dao Sword, Law of Corrosion, etc., were beating in front of Mo Xueming's eyes.

Mo Xueming's heart beats, if it is an ordinary martial arts supernatural power, he doesn't care.

But the martial arts of the upper realm made him very tempted.

Especially the law of corrosion, even the body of the \*\*\*\* emperor can be wiped out. He also saw Ye Chen used it, the power was simply terrifying, he deeply coveted.

"how is it?"

Xuan Ji asked when the moonlight converged.

Mo Xueming gritted his teeth and said: "Okay, I promise you!"

If he could practice the laws of the upper realm, Mo Xueming's strength would definitely advance by leaps and bounds, and he might be qualified to counter Xuanyuan Moxie.

He didn't hesitate at the moment, offered the reincarnation star stone, and directly lent it to Xuan Jiyue.

Wow!

The whole piece of reincarnation star stone hovered on the top of Xuan Jiyue's head, like the sun, moon and stars, emitting bright stars, with a trace of reincarnation, constantly swaying down.

Xuan Jiyue took a deep breath, and suddenly felt refreshed, the reincarnation star flame inside her body also had a strong appearance.

"Good, refreshing enough."

Xuan Jiyue directly collected the reincarnation star stone: "Next, I need time to heal, don't bother me."

After that, Xuan Jiyue flew into the depths of the Nether Hall, searched for a secluded valley, and sat cross-breathing alone.

"Puff!"

The energy of the star stone entered the body, and the blood accumulated in Xuan Ji's intra-month injury suddenly vomited out.

"Qu Chenyan, you hurt me so badly!"

Xuan Ji's Yueyinfang clenched her teeth, and under Ji Siqing's attack, she was seriously injured, especially the Blazing Suzaku Sword, which is an upright Hong Mongol method, with great lethality, almost breaking her meridians.

Fortunately, now that I have obtained the reincarnation star stone, as long as she slowly absorbs the energy of the star stone, her injury can naturally recover.

"Qu Chenyan, you have been hit by my reincarnation star flame, I am afraid it will not feel good, right?"

In that battle, Xuan Jiyue and Ji Siqing were both defeated.

Although Xuan Jiyue was seriously injured, Ji Siqing was also burned by her reincarnation star flame, and the injuries were equally serious.

And the reincarnation star flame burning body, there is no doubt that it will die, Ji Siqing is afraid that it will not live long.

At this time, Ji Siqing was in a hidden cave somewhere in the First Kingdom.

On her body, wisps of blazing star flames were burning.

The hot star flame energy constantly churns in her meridians, and her snow-like skin also shows a blush, and the body is dripping with sweat, and the clothes are soaked, which outlines a graceful curve.

And Qu Xueyong, guarding the entrance of the cave, anxious.

Listening to the painful hum from the cave from time to time, Qu Xueyong was also very impatient.

There is no doubt that Ji Siqing's injuries are very serious, and the reincarnation star flame burning body is in danger of disappearing at any time.

If it were not for Ji Siqing's supernatural power, this reincarnation star flame would have burned her to dust.

"Hey, I blame my poor strength, otherwise the ancestor would not be hit hard by the woman."

"I hope the ancestors can survive this time."

Qu Xueyong murmured.

Suddenly, he thought of something, and a figure crossed his mind.

"The ancestor is so seriously injured, maybe only that person can save her."

Qu Xueyong paced back and forth, thinking about it in his heart.

Ye Chen's medical skills shocked the entire kingdom of God.

Only he has the opportunity to treat Ji Siqing's injury and save his life.

At this time, Ye Chen is in the Shenji Sect.

Qu Xueyong did not hesitate, and was about to rush towards Shenjizong.

Suddenly, a cold voice came from the cave!

"Qu Xueyong, you are not allowed to look for Ye Chen!"

"If you leave, from now on, Ji Siqing and the Qu family have no contact at all!"

Qu Xueyong stopped, somewhat awkward.

After a few seconds, he said, "Old ancestor, but your injury is very serious!"

"Looking at the seven kingdoms of God, Ye Chen has the inheritance of the ancient medical \*\*\*\* of Cang, and maybe he can heal you!"

However, there is still a very determined and weak female voice from the cave:

"I need you to guard, you are not allowed to leave!"

"Xuan Jiyue's matter, he can't intervene too early!"

"I can recover from the injury, I will solve this matter."

Qu Xueyong heard Ji Siqing's order and sighed: "The ancestor, if your injury gets worse, no matter what, I must go to Ye Chen."

Ji Siqing in the cave nodded: "A week, I should be able to overcome this reincarnation star flame."

After finishing speaking, Ji Siqing forced a drop of blood, the blood was suspended, and a white lotus blossomed!

The lotus slowly landed, and it landed on Ji Siqing's forehead!

A trace of holy light envelops Ji Siqing!

actually suppressed the reincarnation star flame but only suppressed!

Even Ji Siqing can't guarantee that his current strength can expel the reincarnation star flame in his body!

This is her stubbornness!

She doesn't want to lose to Xuan Ji Yue!

Last life, so!

This life is also true!

The stubbornness of the Valkyrie!

.....

At the same time, the seventh kingdom of God, Shenjizong.

Shenjizong has been repaired.

The ruins of the original ruins also recovered a bit of prosperity.

Because of the shocking battle, Ye Chen has completely stabilized the confidence of the people of Shenjizong!

has stabilized the confidence of the entire seventh kingdom of God!

And Ye Chen also began to calm down to refine the chaotic star tree.

He knew that he had not completely entered the chaos realm!

His Chaos Realm is very different from that of ordinary people! Must rely on the Chaos Star Tree!

Yes, the Chaos Star Tree is so good for refining!

Even if Ye Chen has been refining continuously these days, the Chaos Star Tree has not been completely refined!

The more difficult it gets as you go to the back!

But Ye Chen was confident, and given him ten more days, he should be able to completely refine.

didn't know what kind of chemical reaction would happen between Chaos Star Tree and him.

At this moment, Ye Chen, who was originally refining, suddenly opened his eyes. .

"What does it feel like?"

Ye Chen muttered to himself, as soon as he moved his body, he appeared in the sky, his eyes penetrated the barrier of space, and he looked directly at somewhere in the Lingwu Continent!

Chapter 3003: as a result of!

There, it is the place of Xuan Yuezong!

Ye Chen frowned deeply, he faintly felt that something under Xuan Yuezong was about to wake up...

Something that makes him feel extremely uncomfortable!

Lingwu Continent and the Kingdom of God, in a sense, belong to the same plate.

And Xuanyuezong has guarded the sacrificial stele for generations, and the "spirit" stele that protects Zi Ning is of extraordinary significance.

Could it be that in the ancient and even ancient times, what was hidden in the underground of Xuan Yuezong?

Could it be related to the Reincarnation Monument?

Stop thinking about it, he moved and disappeared instantly...

Since this thing appeared at the bottom of Xuanyue Sect, Ye Chen would never stand idly by!

.....

Lingwu Continent, Feifeng Mountain.

This was originally the place where Xuan Yuezong was located, but at this time, an extremely large city has been built!

is called Xuan Yuecheng!

Xuan Yuezong had already become the most powerful force in Lingwu Continent, and even the royal family had to bow their heads in front of Xuan Yuezong.

Because of this, in the entire Lingwu Continent, countless talented martial arts practitioners have come here admiringly and gathered here. Today's Xuanyue Sect is no longer the sect on Feifeng Mountain that used to be, it can be compared!

A sect that can build a city on its own is the only one in the entire Lingwu Continent!

In the center of Xuanyue City, there is an extremely large statue that straight into the blue clouds.

This statue is made of extremely precious mineral materials.

is a statue of a man holding a long sword, seeming to challenge the sky!

Every detail on the whole body of the statue is carved extremely finely and ingeniously. Judging from the features of the statue, it is not Ye Chen, who else!

Xuanyue City, although it is also very lively on weekdays, the number of people who enter Xuanyue City today is unusually large!

This is mainly because three days ago, under a cliff near Feifeng Mountain, a strange aura suddenly exuded, and even the nearby celestial phenomenon was changed for it!

Isn't this the vision that was created when the strange treasure was born?

Soon, near Xuanyue City, there was a rumor that a foreign treasure was about to be born, and it was completely spread in Lingwu Continent. Powers from all major forces poured into Xuanyue City one after another, with the goal of naturally competing for the upcoming treasure!

At this time, on the street of Xuanyue City, a man with an indifferent expression was walking with a smile on his face.

From time to time, some warriors pointed at him.

Why?

Because the appearance of this person and the statue in Xuanyue City are quite similar!

Many people couldn't help but think, could it be that he is the legendary Ye Chen who shook the entire Lingwu Continent?

But soon, everyone shook their heads, Ye Chen has already gone to the kingdom of God, how could he be here?

Ye Chen didn't care about other people's gazes. The development of Xuanyue City made him feel quite gratified. In addition, he was affected by Yuexian Yuhuan, not only the gods, but also the spiritual energy of the entire Lingwu Continent. , And also rich in countless times!

Although it hasn't reached the level of horror as the kingdom of God, it is a far cry from the past. Many warriors have made rapid progress during this period!

Along the way, Ye Chen has seen a lot of warriors with powerful auras, but the existence of Chaos Realm is still extremely rare. It seems that the current Lingwu Continent, the warriors of the early Chaos stage, can be called the top powerhouse.

Although it can't be compared with the Kingdom of God, in general, the strength of the warriors in Lingwu Continent has been raised several levels because of the moon ring anomaly!

This is a good phenomenon. After all, if an extraterritorial demon invades, the Lingwu Continent will naturally not be immune.

If you want to survive this world extinction, you need to unite everyone!

And at this moment, there was a loud noise on the street!

Ye Chen frowned slightly, Xuanyue City, in Lingwu Continent, had an extremely respectable position, so someone would dare to make trouble here?

I saw a few young people and a middle-aged man standing there facelessly in a hotel.

One of them looked the youngest, with an extremely indifferent expression. He was about 20 years old and dressed in white. He looked at a man behind the counter with all his eyes and said, "Hehe, Xuanyuecheng, what a great style? I want to stay here, but I'm not allowed to live here? Is this looking down on me to wait?"

The young man behind the counter hurriedly shook his head and said nervously, "This son, this is not the case. It is true that the shop is full, and there is absolutely no intention to refuse you all!"

Ye Chen's eyes flashed, no wonder the young man who entertained the guests was so nervous, the man in white is not weak in his cultivation!

Although he is only twenty years old, his cultivation level has reached the half-step chaos state!

On today's Lingwu Continent, he can be regarded as a strong man!

The white-clothed youth sneered coldly: "There are no rooms? Make room for my son if there are no rooms. Do you know who I am waiting for?"

"This this....."

The expression of the young man behind the counter was stiff, and he was also a little angry. The man in white clothes was too domineering.

The young man finally couldn't help it, and said: "My son, please don't make it difficult for others! This is Xuanyue City. Have you made trouble here, have you considered the consequences?"

As soon as this young man said this everyone around could not help but nodded slightly. Xuanyue City is not a place where you can casually go wild. If you make trouble and provoke Xuanyue's law enforcement team disciples, there will be nothing. Good end!

"Consequence?" The white-clothed youth sneered, "I really haven't considered it!"

The next moment, the white-clothed man was full of chaotic aura, whizzed out, and slammed into the youth behind the counter!

With a loud bang, with the cultivation base of the young man at the counter, how can he resist the other's breath?

Immediately vomited blood, his body flew out, and hit the wall behind him severely. The body became soft and fell to the ground. It was actually directly. Under the impact of the white man's breath, he was seriously injured and dying!

Everyone in the hotel looked at the white-clothed man with incredible color on his face!

Is this person too arrogant?

actually hurt people in Xuanyue City?

This, Xuan Yuezong is completely ignored!

The next moment, there was a sound of footsteps, coming from the building, and walking down a middle-aged man, it was the hotel owner!

He looked at the injured man on the ground, and on his round face, there was a burst of anger, and he shouted: "Do you dare to do it? The disciple of the Xuan Yuezong law enforcement team, I won't let you go!"

After all, the innkeeper directly took out a small clock and shook it fiercely. A strange sound wave instantly rang in Xuanyue City. .

This is the magic weapon for summoning the law enforcement team!

But when the white-clothed youth heard the words, his expression was faint, and his eyes filled with indifferent words: "Hehe, what about the law enforcement team? Lingwu Continent speaks by strength, the law enforcement team of Xuan Yuezong? What qualifications do these wastes have to control my Kamikaze? People from the Empire Spirit King Sect?"

Chapter 3004: Is the faith still there?

The next moment, he shouted loudly and said outside the door: "Who is presumptuous here?"

Immediately, three men in black robes walked into the hotel. They were the disciples of the Xuanyuezhong law enforcement team!

was the head of a tall young man named Li Zhen. He glanced at the injured hotel youth on the ground and the white-clothed man with a sneer on his face, and said with a deep expression: "You beat the man?"

The white-clothed youth said lightly: "What if it is me?"

Li Zhen snorted coldly: "What? According to my Xuanyue City's regulations, I can hurt people in the city without authorization. The worst can be severed and imprisoned for 300 years. What do you think?"

After that, he said to the two companions beside him: "Take people away!"

Upon hearing the words, the two replied: "Yes!"

then walked towards the young man in white.

The white-clothed young man laughed, as if he had heard some joke, and looked at Li Zhen and others indifferently: "Stop hand? Imprisoned for three hundred years? You are worthy of Xuan Yuezhong!"

As soon as these words came out, the entire hotel instantly became cold, and everyone looked at the white-clothed youth in disbelief. Is this man crazy? Forget about provoking the law enforcement team, but also provoking Xuan Yuezhong in public?

Li Zhen was furious instantly upon hearing this!

Xuanyuezhong disciples are extremely proud of beings. How can they tolerate others and insult the sect?

Immediately, the three of Li Zhen's aura exploded, and they were three powerhouses who slashed the sixth heaven!

The three men simultaneously drew out the long swords around their waists, and slashed them at the young man in white!

The disciple of Xuanyuezong's law enforcement team is naturally not a weak one. He has a quick and sharp shot, with extremely sharp swordsmanship, and the cooperation is quite subtle!

These three teamed up, even in the face of the later stage of Zhan'er, they have the power to fight!

Seeing this, the white-clothed youth didn't panic, smiled coldly, and shot at the same time, the sword light together, the strong sword intent, surging out, a giant snake shadow, wandering in the void, everyone in the hotel is At the same time, there was a chill in his heart, and his face was frightened, as if being stared at by a poisonous snake!

And Ye Chen frowned slightly at this time!

The next moment, the giant snake phantom collided with the sword light of the law enforcement team disciple!

Everyone can't help but take a breath!

Under this collision, the three seemingly fierce sword lights disappeared in an instant, and the bodies of Li Zhen's three people even flew out, with blood rushing from their mouths, and they fell to the ground fiercely, and their breath was instantly depressed. Come down!

The sword of this white-clothed youth has suppressed the three of Li Zhen with great ease!

The white-clothed youth smiled contemptuously: "This is the strength of the Xuan Yuezong law enforcement team? Ha ha, it is vulnerable. With this kind of waste, I want to send Xu Hua away from the Spirit King? Overwhelming!

I see, what Xuan Yuezong is not qualified to have the name of the first power of Lingwu, right? "

The corner of his mouth raised, and he spoke extremely openly and arrogantly: "Only the Spirit King faction of the Kamikaze Empire can be called the number one power of Lingwu!"

When everyone heard the words, they all looked at Xu Hua dully, and they finally saw it now!

This Spirit King faction is deliberately picking things up!

They took advantage of the power of the various forces in the Lingwu Continent, all because of the opportunity of the strange treasure to gather in Xuanyue City, in order to step on the Xuanyuezong in front of everyone, and win the title of the first power in the Lingwu Continent. what!

was also at this moment, in the sky, thundering together, a sword light accompanied by billowing thunder light, slashed towards Xu Hua in the sky!

A sword intent like thunderbolt swept across the entire hotel in an instant. Xu Hua, who was originally arrogant, changed drastically at this time. The surging sword aura had clearly surpassed the level of the peak of Zhan'e Realm. Resist!

Xu Hua flew back and shouted, "Brother, help me!"

At the moment when the lightning sword light was about to strike Xu Hua, a man who was sitting in the hotel drinking tea suddenly raised a smile at the corner of his mouth, put down the tea cup, and his figure flashed before he appeared on Xu Hua's body. Before this person faced the thunder sword light, he did not retreat in the slightest, a cold light flashed in his hand, and a sword shot out.

The next moment, the seemingly terrifying, bursting sword light directly eliminated the invisible!

At this moment, a tall, cold-looking woman, holding a long sword, fell from the sky. She coldly looked at the people of the Spirit King faction, and said coldly: "Who are you that hurt me, a disciple of the Xuanyuezong law enforcement team. Don't you understand Xuanyuecheng's rules?"

When everyone looked at the woman, their hearts were swaying.

This woman is so beautiful!

Moreover, she is obviously wearing the costume of a true disciple of Xuan Yuezong!

At this time, standing in front of Xu Hua was a handsome young man with a handsome temperament and a beauty mole on the corner of his mouth.

He looked at the glamorous woman rather frivolously and said, "I am the Spirit King Sect Hong Jing. As for the rules you said?"

Hong Jing smiled and said, "I'm still really, I don't understand."

The atmosphere in the hotel is even heavier!

And Ye Chen, looking at the glamorous woman, his eyes flashed and he was a little surprised. He actually knew this woman!

This woman comes from the mysterious realm of Xuanyue Sect. She is Fenying's cousin, Fen Xue!

Ye Chen looked at Fen Xue and smiled comfortingly. After not seeing him for a while, Fen Xue's appearance became more and more beautiful. Not only her appearance, but her cultivation base also improved greatly!

is already a warrior at the pinnacle!

Fen Xue's beautiful eyes darkened, and he said softly, "What do you mean? My Xuanyue Sect is the number one power in the Lingwu Continent. Are you sure that the Spirit King Sect wants to provoke my Xuanyue Sect?"

Hong Jing smiled and said: "Provocative? It can't be said, but the reason why you Xuan Yuezong is called the first power of Lingwu is because of Ye Chen?"

Everyone in the hotel, after hearing the words, what did Hong Jing mean when he mentioned Ye Chen?

Hong Jing continued: "What about now? Ye Chen, who is known as the Lingwu Continent, the first genius in history and created countless legends, is here? What qualifications do you Xuanyue Sect have to become the number one power of Lingwu again? What qualifications do I do?"

As soon as Hong Jing said this, everyone in the hotel's complexion changed slightly.

Indeed, after Ye Chen went to the Kingdom of God, he almost never appeared in Lingwu Continent. Without this peerless evildoer, could Xuan Yuezong be able to secure the position of the first power in Lingwu?

Yes, Hong Jing hasn't finished speaking yet.

He continued with a playful expression on his face: "Furthermore, to put it bluntly, is Ye Chen still a genius when he went to the kingdom of God? Haha, maybe, everyone has been wiped out, and even died in the cruel environment of the kingdom of God. Right?"

"Moreover.....".

His tone suddenly became cold and cold. "Now, the spiritual energy of the world of Lingwu Continent has skyrocketed, and countless geniuses have sprung up like bamboo shoots after the rain. Even if Ye Chen returns to the current Lingwu Continent, can he still be a monster like before? It's hard to tell, right?"

"Maybe, the current Ye Chen is only worthy to bow down in front of my Hong Jing!"

Chapter 3005: That man is back!

Fen Xue heard that, on the beautiful face, endless anger and killing intent suddenly surged!

For Fen Xue, Ye Chen is not only the first genius of Xuan Yuezong, but also the savior of their family!

It is because of the existence of Ye Chen that their Heavenly Burning people can get out of the secret realm and gain a foothold in Lingwu. Also, at the time of the martial arts conference, Fen Xue was already Ye Chen, who never fell down and suppressed the geniuses of all races. Heroic, deeply attracted!

Ye Chen is great and beautiful in Fen Xue's heart. It does not allow anyone to insult!

The next moment, Fen Xue gave a violent cry, and the whole body flashed with thunder, like a nine-day goddess manipulating thunder, a thrilling sword intent, roaring out, that sword intent, like a thunderbolt on a sunny day, shocked everyone present!

So strong!

Fen Xue is worthy of being the true disciple of Xuan Yuezong, and his strength can be called against the sky!

However, Hong Jing's expression was faint. Suddenly, a terrifying aura burst out of Hong Jing's body!

Fen Xue, who was about to take a shot, condensed her beautiful eyes, this Hong Jing was a powerhouse with a level of chaos!

is very strong!

But, even so, Fen Xue still gritted his teeth, moved his wrist, and the long sword was cut out in an instant. The sword moves kept changing. The surging sword gas turned into a billowing thunder, tearing the space, and slashing towards the flood realm!

What about chaos?

No matter how strong Hong Jing is, as long as he offends Ye Chen, Fen Xue will never let him go!

But when Hong Jing faced this sword, a smile appeared at the corner of his mouth. A burst of white light burst out from the long sword in his hand. Amidst the white light, a god-like phantom appeared behind Hong Jing while holding the long sword. , The next moment, the sword light flashed!

The phantom moved along with Hong Jing's movements, a sword swung out to meet Fen Xue's thunder sword!

There was a loud bang, and the seemingly powerful thunder was instantly annihilated in the white light!

Fen Xue's expression changed, the long sword in his hand danced wildly, cutting out thunders, and at the same time his figure retreated to the rear, but even so, the white sword light of the flood realm seemed to treat those thunders as if there was nothing, approaching Fen as quickly as possible. snow!

Fen Xue gritted his teeth and shouted, the whole body was full of thunder, holding the sword in both hands, and severely slashed towards the white sword light!

The white sword light finally dissipated, but Fen Xue also stepped backwards, half kneeling on the ground, a trace of blood spilled from the corner of his mouth, and the whole body was disturbed, and he was already injured!

When everyone saw this, it was all a shock!

This Hong Jing, it seems that it is not just talking big!

Fen Xue, as a true disciple of Xuanyuezhong, was defeated by his casual sword?

Hong Jing laughed and said: "This is the true disciple of Xuan Yuezhong? Ha ha, it is too weak to describe, it is too far behind our Spirit King faction, so it is worthy of being called the first power of Lingwu?"

I now increasingly doubt that Ye Chen, the so-called eternal evildoer, is as terrifying as the legend?  
"

"shut up!"

Fen Xue shouted angrily, and stood up with her body strong. She was full of spiritual power, and she actually planned to continue fighting regardless of her injury!

She knew that she was not Hong Jing's opponent, but if she let Hong Jing insult Ye Chen, it would be better to let her die!

But at this moment, a hand was placed on Fen Xue's shoulder.

Fen Xue frowned, just about to scold her, but the moment she turned her head, this glamorous woman was suddenly sluggish, and an incredible blush appeared on her pretty face!

She even rubbed her eyes in disbelief, confirming that the indifferent man in front of her was real, she hugged him with excitement, and cheered: "Brother-in-law, you are back!"

Fen Xue knows the relationship between Ye Chen and his sister! So called, there is no problem!

Ye Chen smiled and touched Fen Xue's head. Fen Xue looked cold and mature. In fact, she was just a teenage girl. However, she was only revealed in front of Ye Chen. On the most real side of herself, at any other time, she was like an iceberg, and she was a true disciple of Xuan Yuezong that people did not dare to approach!

After a while, Ye Chen said: "Okay, Fen Xue, there are still people watching."

Fen Xue heard this, and then released Ye Chen blushing.

Hong Jing stared at the young man who suddenly appeared next to Fen Xue. For some reason, the other party gave him a very strange feeling, but Hong Jing didn't care too much.

After all, no matter how weird this person is, he is just a warrior who has not yet completely stepped into chaos.

Ye Chen looked at Hong Jing with a faint expression: "You Lingwang faction want to be the first in Lingwu?"

Hong Jing sneered and said, "Why, do you have something to say? Your cultivation base, looking at the entire Lingwu Continent, is not bad, but, boy, let me remind you that there are people outside the world, and there are days outside the world. Don't think you are a genius. , It's really invincible."

Ye Chen said: "I don't know if I am invincible, but you can't be the first in Lingwu by your Spirit King faction."

"No way?"

Hong Jing seemed to have heard some joke, playing with the taste: "You are talking about it, why not?"

Ye Chen said: "Because, I don't allow it."

"If you can't say no, it won't work?"

Hong Jing's smile is getting more ferocious!

"who do you think You Are?"

Ye Chen said lightly: "I am Ye Chen Is that enough?"

After this sentence, the whole hotel, even the whole street, became quiet!

Everyone is a man looking at him with trembling eyes!

Ye Chen, the legend of Lingwu Continent, is back!

Even Hong Jing was taken aback for a while, and there was a hint of timidity in his heart. Even if he spoke arrogantly and carelessly, the name Ye Chen was a deterrent to the people of Lingwu!

However, Hong Jing soon calmed down and said with a sneer: "Ye Gongzi, it seems that you didn't mix well in the Kingdom of God? How did you run back to our Lingwu Continent? Moreover, you haven't completely entered the chaos?"

Doesn't it mean that the martial arts of the Kingdom of God are countless times stronger than the Lingwu Continent? Why is your cultivation level not as high as mine? "

In Hong Jing's eyes, a flash of excitement suddenly flashed. Now, Ye Chen's cultivation is not as good as his own. Maybe this is a good opportunity to defeat Ye Chen!

If his Hong Jing defeated the legend of Lingwu Continent, then he would become a new legend!

The next moment, Hong Jing's aura rose to the sky, the long sword in his hand, the sword light flashed, and the phantom of the \*\*\*\* and man appeared behind him again, and it became more solid! !

He shouted violently: "Ye Chen, you said, you are not allowed? If you are defeated by my son, then there is no excuse, right?"

Suddenly, the phantom behind Hong Jing matched his body shape. His whole body's aura nearly doubled, and then a flicker appeared in front of Ye Chen with a long sword in his hand. The dizzying speed pierced Ye Chen's chest!

Chapter 3006: Old man!

With this sword coming out, everyone in the hotel only felt as if they were trapped in a world surrounded by cold sword blades. They held their breaths, as if inhaling an extra breath of air, they would be stirred by the cold sword air. Broken!

Is this the real strength of Hong Jing?

is simply unimaginable!

Ye Chen used to be very strong, but he may not be the opponent of Hong Jing now, right?

But suddenly, a strange scene appeared.

Hong Jing's sword, at the moment in front of Ye Chen, he couldn't pierce it!

His eyes trembled, and he looked at his trembling blade in a puzzled manner. What's the matter?

Standing in front of Ye Chen, why does he have a feeling that his body does not belong to him?

WINK is growing to \$1 - Don't lose you chance - Buy On Binan...

Ye Chen smiled helplessly, Hong Jing's strength was too far behind him.

The instinct of a warrior made Hong Jing unable to act on Ye Chen at all.

The next moment, a breath of breath was released from Ye Chen's body...

is the slightest breath, and he tore the pride, arrogance, and contempt on Hong Jing's face to pieces!

The only thing left is fear!

The deepest fear!

"Puff!" In the early stage of Chaos Realm, the strong man standing on the pinnacle of Lingwu Continent, under Ye Chen's breath, suddenly spit out a mouthful of blood, and his figure flew out!

slammed into the wall of the hotel, like a puddle of mud, limp to the ground...

Everyone looked at this scene with dull faces, feeling that their souls would be shaken away...

They knew Ye Chenqiang and Ye Chen against the sky, but they didn't expect Ye Chen's strength to be so terrifying!

Just rely on breath to kill the pinnacle powerhouse standing on Lingwu Continent in seconds?

This is not a god, what a god!

Everyone in the hotel looked at Ye Chen with a deep awe. They knew that the legend of Lingwu Continent had really come back.

At this time, the people of the Spirit King Sect, who were still invincible, were so scared that they were all faceless. They did not hesitate to kneel in front of Ye Chen, apologizing:

"Young Master Ye, we were wrong, this...all of this is the meaning of Hong Jing, and has nothing to do with our Spirit King Sect!"

Ye Chen didn't even look at them. To him, these people are no different from the ants. He turned to Fen Xue and said, "These people, take them all, and deal with them according to Xuanyue City's rules."

"Yes!"

At this time, Fen Xue, her face flushed, and her beautiful eyes seemed to sparkle with little stars. Looking at Ye Chen, she was extremely excited, where there was still half a point, she looked like a high-cold and beautiful Xuan Yuezong true disciple. ?

has completely transformed into Ye Chen's little girl!

After taking away a few people from the Spirit King Sect, Fen Xue asked Ye Chen: "Brother-in-law, what's the matter with you this time?"

Ye Chen took a heavy look in his eyes: "I am coming back this time because Xuan Yuezong is probably in danger!"

Soon, Ye Chen and Fen Xue came to the hall of Xuan Yuezong.

Cang Ye, Bai Zhentang, Yin Che, Long Yitian and others have already been waiting here.

They all looked at Ye Chen returning with a smile.

Ye Chen saw these people and respectfully saluted: "The disciples have seen Master, Sovereign, and two Supreme Elders."

Although the cultivation base of Cang Ye and others has also improved a lot, the three elders, including Bai Zhentang, have already entered the chaos realm, and Cang Ye has the cultivation base of the chaotic five-layer heaven, but , Now Ye Chen's strength has far surpassed them, and it can even be said that the difference is farewell!

However, Ye Chen's attitude toward them has not changed the slightest because of this, and he is still respectful as before.

Cang Ye and others were very pleased to see Ye Chen today. Ye Chen's strength is simply stronger than their own, and they should be happy!

Ye Chen asked Cang Ye: "Head, there seems to be a lot of warriors on the Lingwu Continent recently, who have gathered here in Xuanyue City? What happened?"

Cang Ye nodded and said: "A very strange aura exudes from a cliff near our Xuanyue Sect, and even the celestial phenomena have changed. Even the chaotic realm martial artist, when they approached there, there is a strange aura. Feeling frightened.

Everyone said that there will be a strange treasure coming out there. Recently, the spiritual energy of the Lingwu continent skyrocketed due to the moon ring anomaly, and there are indeed many strange treasures reappearing in the world. Many people are concerned about the so-called under the cliff. "Yibao" eyes are hot.

For a time, the entire Lingwu Continent, as long as the warriors who are somewhat confident of their own strength, almost all gathered in our Xuanyue City. "

Ye Chen said with a gloomy expression: "The head, immediately order all the disciples of Xuan Yuezong not to approach that cliff!"

Cang Ye and others were all taken aback when they heard the words, what happened to Ye Chen?

Originally, their Xuanyue Sect occupied a favorable geographical position, and they wanted to mobilize a large number of disciples to \*\*\*\* the treasure that was about to emerge.

Ye Chen continued: "Under the cliff, there is no treasure at all! Yes, there is only one extraterritorial celestial demon that can bring destruction to Lingwu Continent!"

Ye Chen came to Xuan Yuezong, and he had completely felt the familiarity of that breath.

is an extraterritorial demon!

The position of Xuanyuezong has been passed down in ancient times, it is not impossible to suppress the domain demons!

"what!"

Cang Ye and others all exclaimed.

The ordinary low-level demons are already terrifying, and the outer demons are terrifying monsters in the legend!

Under the cliff near Feifeng Mountain, there is an extraterritorial celestial demon hidden? It sounds incredible!

However, Cang Ye and others didn't have the slightest doubt about Ye Chen, and immediately nodded and said, "I'm going to order!"

At this moment, an inexplicable aura suddenly rose into the sky from a certain direction near Xuanyuezong. The sky was accompanied by this aura, changing its color, dark clouds rolling, lightning and thunder, like the end of the world!

A loud cheer of ecstasy came out from within Xuanyue City: "The strange treasure is about to appear!"

In the next moment, countless rays of light, shaking the sky, swiftly swept away in the direction of the breath!

Ye Chen's pupils shrank, and his figure flickered, and he soon appeared above the cliff!

At this time, many martial artists have gathered here.

Ye Chen looked at the people around him, suddenly his eyes flashed, he saw a few old acquaintances.

A sturdy bald young man, and a handsome, handsome temperament man, these two people are really the Lingwu mainland genius Xing Zitang and Ji Xuan that Ye Chen met in the Thang Long Competition!

In addition, there is a young man with a noble temperament, a cold face, holding a long sword, standing with the two, and this person Ye Chen is no stranger. .

He is the royal Sikong Fei Xing who once had a relationship with Ye Chen!

And the three of Xing Zitang, now all have the strength of the pinnacle of Slashing Evil Realm!

Chapter 3007: intuition!

Also, beside the three of them, there were also some students from the Shenhua Academy and the royal family offerings.

The next moment, Ye Chen's figure flashed, and he appeared in front of them with a smile.

Xing Zitang, Ji Xuan, Sikong Feixing, they were all taken aback when they saw this, and then, Xing Zitang and Ji Xuan were overjoyed on their faces!

"Ye Chen, it's you! You are back!"

It can be said that they and Ye Chen have had a fateful friendship, and each other is really close friends!

Sikong Feixing also nodded slightly to Ye Chen.

Ye Chen smiled and said: "It's been a long time, Zitang, Ji Xuan, are you here to compete for that strange treasure?"

Xing Zitang nodded and said: "Yes, this time, many forces have basically regarded this strange treasure very seriously, and so are our Shenhua Academy and the Royal Family."

Ye Chen looked at a few people, and said with a serious expression: "Zitang, Prince Sikong, you will leave with the Shenhua Academy and the royal family now!"

go away?

Xing Zitang, Ji Xuan, and Sikong Feixing glanced at each other, and they all saw the stunnedness in each other's eyes.

But the three of them didn't say much, and nodded at the same time!

They believed Ye Chen unconditionally!

Yes, Xing Zitang is like this, but some people are not!

Behind Xing Zitang, a man with sharp eyes, who looked a little thin, suddenly sneered and said: "Leave? You mean, our Shenhua Academy is not as strong as other colleges, let us avoid the battle?"

Ha ha, this is the courage of Ye Chen, who once suppressed the Lingwu Continent and created countless miracles in the Shenhua Academy? Is it really an eye-opener for Jae-xia? "

This man is named Zhao Kai. He is a genius who enrolled in Shenhua Academy after Ye Chen. He seems to be in his twenties and already possesses the cultivation base of the eighth level of Zhan'er Realm!

In the Lingwu Continent, it's a monster.

Zhaokai's natural pride, originally he was quite dissatisfied with the fascinating Ye Chen. Now, I have seen this so-called first person in eternity, has not completely entered the chaos realm?

and let them leave without embarrassment?

I am a monster, why should I follow his command?

But, at the moment when Zhao Kai spoke, two strong auras screamed out!

smashed towards Zhaokai!

Zhao Kai's expression changed, and he took a few steps back, looking at the two people in front of him in horror.

I saw Xing Zitang and Ji Xuan, both staring at Zhao Kai with cold expressions, their eyes full of anger!

Ji Xuan said coldly: "Zhao Kai, if you dare to be disrespectful to Ye Xuechang next time, even if he doesn't kill you, you will die at the hands of me and Xing Zitang. Do you understand? Get out now. Xuechang Ye apologizes!"

Zhao Kai's complexion turned pale instantly!

Although he is arrogant, he also understands that he is definitely not Xing Zitang and Ji Xuan, any one's opponent!

Xing Zitang and Ji Xuan are today's Shenhua Academy, the two strongest geniuses, even if you look at the Lingwu Continent, they are also qualified to stand at the top!

Moreover, the two of them are hailed as the most promising warriors!

Therefore, these two people are even more proud than Zhao Kai!

Originally, he thought that such enchanting and proud Xing Zitang and Ji Xuan would only be more angry and even more disdainful than himself when he heard Ye Chen tell them to leave like an order!

But, now it seems that Xing Zitang and Ji Xuan, let alone anger, disdain, are actually an attitude toward Ye Chen's words?

Even, let him apologize to Ye Chen for what he said just now?

This is completely beyond Zhao Kai's expectations!

How terrifying can Xing Zitang and Ji Xuan be such a obedient person?

Just thinking about it, Zhao Kai's cold sweat came out all over!

Xing Zitang saw Zhao Kai standing in a daze, and suddenly shouted: "Why are you still stunned?"

Zhao Kai woke up from the shock when he heard the words. He gritted his teeth and walked to Ye Chen reluctantly, bowed his head and said, "Senior Ye, I was rude just now."

Ji Xuan coldly snorted: "What kind of attitude should I apologize to, I need to teach you?"

Ye Chen waved his hand at this time: "No, you should leave, it is best to stay away from this place as far as possible. There is no foreign treasure at all. If I expected it well, then this place will become extremely dangerous!"

He is too lazy to care about anything with ants like Zhao Kai.

Xing Zitang and Ji Xuan nodded, and immediately led everyone from the Shenhuo Academy, turned and left without any hesitation.

A group of Shenhuo Academy students, although somewhat reluctant, but Xing Zitang and Ji Xuan are both the leader and the strongest existence in the academy. Naturally, they dare not really defy the two.

Although Zhao Kai didn't say anything, in his heart, he secretly snorted: "Hehe, it's still dangerous? Just pretend, do you think that you can monopolize the treasure? But not everyone, they are like Xing Zitang. So stupid, you fooled me away."

At this time, Sikong Feixing also worshipped the royal families: "Let's go too."

Those royal family worships, although they knew Ye Chen's power, they hesitated at this time. After all, Ye Chen's words were baseless.

Sikong Feixing's complexion sank and said, "You want to resist orders?"

The worshippers hurriedly bowed and said: "Don't dare!"

Sikong Feixing bowed his hand to Ye Chen: "Thank you for telling me and then took everyone away.

Although he had only seen Ye Chen once, the many deeds of Ye Chen had already impressed this proud prince!

Ye Chen turned around, looked at the martial artists present, and suddenly said: "Everyone, please leave this place right away, there is no strange treasure here, and there is likely to be a great danger!"

As soon as this statement came out, the many warriors under the cliff made a "swish" and focused their attention on Ye Chen.

Under the cliff that was originally noisy, there was a brief silence.

followed by laughter.

No one took Ye Chen's warning as the same thing!

Many people even said: "Isn't this the young master Ye who went to the kingdom of God? How come he hasn't entered the chaos realm yet?"

"If it is really dangerous, will you warn us? When we are fools?"

"Is it not possible to hang on in the kingdom of God?"

"Hehe, I want to use my reputation to scare us away and monopolize the treasure, right? Unexpectedly, Ye Gongzi started to play scheming?"

"The strength is not good, you can only use it to cheat?"

At this time, a man with good-looking white robe walked in front of Ye Chen. He was the second prince of the Kamikaze Empire and at the same time, one of the top geniuses of the Kamikaze Empire.

The second prince looked at Ye Chen playfully, and said: "Young Master Ye, what basis do you have for saying there is danger here?".

Ye Chen glanced at him and said lightly: "Intuition."

As soon as       's words fell, there was a burst of laughter from the entire cliff!

Chapter 3008: My prey to Wei Ying!

Intuition?

tease them? Just relying on your intuition, can people give up the strange treasure and leave willingly?

When they are all three-year-olds?

The second prince shook his head and said nothing, but almost all the meaning of disbelief was written on his face.

Ye Chen didn't care.

These people, if you want to save the abdomen of a gentleman with the heart of a villain, just do them as they please. You should warn yourself. He has already warned that he has no obligation and must save these people.

Your own life is in your own hands. Since these people don't want to believe him, what does it matter if they die?

At this moment, the ground under everyone's feet suddenly burst out with a strong purple light, a breath from ancient times, pouring out!

coming! The strange treasure is about to appear!

All the warriors are all beaming with joy, one by one, they are full of spiritual power, ready to compete for the strange treasure!

But suddenly, an inhuman roar blasted in everyone's ears!

The earth cracked, and a huge crack appeared incomparably deep. A purple-black figure the size of a hill slowly rose from the crack. When everyone looked at the purple-black figure, their pupils shrank, and their faces appeared horrified. !

This figure has an inhuman face, exaggerated muscles, extremely long arms, almost perpendicular to the ground, and a pair of sharp claws, shining with a stunning edge!

What a terrifying monster!

But what really frightened them was the aura exuding from the monster's body!

The breath alone is about to cause their souls to collapse!

What is this monster? Why does it feel like a demon \*\*\*\* who wants to destroy the world?

Suddenly, everyone remembered what Ye Chen said...

At the same time, the legend about the demon outside the territory also emerged in my mind!

These tens of thousands of warriors all looked terrified!

, they didn't wait for them, and they did something. The next moment, the demon snorted suddenly that day, and a burst of purple smoke was spit out under the cliff, instantly spreading.

Those many warriors with great strength actually screamed when they came into contact with the smoke, and their flesh and blood melted in the smoke and was absorbed by the demon!

The remaining luck is good. The standing position is far away from the demon. The warrior who has not been submerged by the purple smoke is pale and mad and flees towards the distance!

At this time, the hearts of those who survived are full of regret!

regret not believing Ye Chen's words!

What Ye Chen said is true!

It would be great if they believed in Ye Chen at the time, instead of ridiculing pretentiously!

Unfortunately, regret, what's the use?

There are many things, no matter how you regret it, there is no chance to recover.

The purple poisonous fog spreads at a speed that far exceeds the speed at which the warriors can escape. Most warriors are quickly overtaken by the poisonous fog and dissolve in the screams.

There are very few people who have escaped the poisonous mist.

And the second prince who was very disdainful of Ye Chen just now, at this time, his face was full of panic, a \*\*\*\* shield, emitting a glowing blood, enveloped his whole body, barely resisting the erosion of the poisonous mist, This big shield is obviously the second prince's second prince to save his life, the rank is extremely high!

But this blood-colored shield was actually in the poisonous mist, like a sandstone, shattering quickly! At first sight, even a few breaths could not be supported.

The second prince was completely desperate. In the shadow of death, the whole person was drowned in fear, almost suffocated!

He looked at Ye Chen on the side and cried hysterically: "Help me! I was wrong, Ye Gongzi, help me!"

Ye Chen frowned, and before he could respond, the \*\*\*\* shield completely dissipated, and then the body of the second prince was also dissipated.

There was only a sad scream, echoing in the purple mist.

Slaughter, real slaughter!

This demon actually killed tens of thousands of warriors in an instant!

Moreover, almost all of them are in the Lingwu Continent, and they can be called the existence of strong people!

is too scary to imagine!

This day demon shot too fast, I am afraid that when he was underground, he was ready, but Ye Chen had no time to stop it.

In the distance, everyone from the Shenhua Academy and the Royal Family saw this scene, all of them were shocked and rejoiced!

Fortunately, they obeyed Ye Chen's warning!

Otherwise, they are the ones who die now!

Ye Chen saved their lives with a word!

Originally, Zhao Kai, who was planning to see Ye Chen embarrassed, now opened his mouth wide. He was shaking all over when he saw the terrifying scene of countless martial artists melting.

All his speculations about Ye Chen, all his suspicions, now it seems that they are so ridiculous...

At this moment, he suddenly understood the reason why Ye Chen was called a legend, and he also understood how far he was from Ye Chen!

Ye Chen stood in the poisonous fog, staring at the demon in front of him, and his eyes fell. This purple mist had no effect on him, and what he cared about was the strength of the demon!

The rank of this heavenly demon seems to be lower than Gao Yin, Kong Chi, but the strength is not weak at all!

Even better than Kongchi!

In the next moment, a strong demon spirit rose into the sky. Facing this ancient demon that had existed since ancient times, Ye Chen didn't plan to keep the slightest hand!

Above the evil sword, the blood-colored runes, the rays of light burst, Ye Chen's incomparable spiritual power, madly poured into it, the sword light flashed, with the power of breaking the sky, accompanied by the monstrous power of nearly 400 million dragons, Demon beheaded that day!

The meaning of true martial arts is surging in the sword aura, but at the sword's edge, there are wisps of black aura dancing. The first glance will give people a feeling that the soul will be annihilated. That is the aura that destroys the gods. !

Originally was still intoxicated by the satisfaction of devouring tens of thousands of warriors. In a pair of eyes, a purple light burst suddenly, and he looked at the sword light that Ye Chen had slashed out of!

What is going on with this human being?

It seems that it is just waste that has not yet entered the chaos. Why can not only withstand the poisonous fog he has brewed for thousands of years, but also cut out, such a terrifying sword!

This sword actually gave this ancient demon a threat of death!

In the demon's double claws that day, dazzling purple lights exuded, which were actually condensed into two purple lightsabers, and they blocked the sword lights that Ye Chen had cut!

Sword intent is surging, purple light soars into the sky!

At the same time, the sky above Xuan Yuezong, the void vibrated, and a huge spatial crack tore.

A giant beast with colorful flames and auspicious feet suddenly appeared.

On top of the giant beast, sat a young girl in a white dress, full of the breath of ice for nine days.

The girl's veil covered it, the breeze floated, and the veil rippled, revealing a pair of cold eyes.

However, if you look closely, the girl has some blood on her body, and her breath is weak!

seems to have just gone through a big battle.

but! Of course the breath is weak! But there is the incredible cultivation of the sixth-layer heaven of the Heavenly God Realm!

She is the Supreme Lord of the Absolute Frost Palace, Wei Ying!

Wei Ying's eyes looked at the fighting Ye Chen and the extraterritorial celestial demon, and exhaled: "Even this guy was one step ahead."

"But..."

Wei Ying stretched out his hand to touch the extremely dazzling black awns under him, and muttered, "But this demon is my prey, Wei Ying!"

Chapter 3009: Baier's surprise

A few seconds later, in the torn void behind Wei Ying, a white figure also appeared.

is her maid Baier.

Baier held a sword in his hand, and blood was dripping on the sword.

She came to Wei Ying's side breathlessly, and looked at Wei Ying with a bit of sadness: "Palace Master, you can't wait for me."

"Baier's cultivation base is not as good as the palace lord."

"By the way, palace lord, why did you suddenly let go of those old wounded things? They are all hidden powerhouses in the kingdom of God. If you escape, the consequences will be disastrous..."

Before he finished speaking, Baier's eyes fell on Ye Chen and the demon fighting fiercely below.

She immediately gave instructions and said helplessly to Wei Ying: "Palace Master, I should have guessed that you are here again for this man."

However, Wei Ying under the veil showed a red lips and smiled: "This time you guessed wrong, I am for the demon."

"Ok?"

Baier was slightly startled, and immediately thought of something and stopped talking.

.....

Below, the fighting spirit is rippling!

The sword light that originated from the martial arts of the demon race, with a rough, brutal, bloody, and cruel sword light, collided with the destruction sword light that Ye Chen had cut out!

Ye Chen narrowed his eyes, and the two purple long swords weren't destroyed instantly!

But the sword light with Ye Chen, after a stalemate for a while, they died together!

However, the demon that day exploded and withdrew hundreds of steps, and the whole body was bombarded with blood by the power of this sword!

But, even so, it was enough to shock Ye Chen, only paying such a price, blocked his own sword of destruction of God's way?

However, Ye Chen's mouth raised a icy smile, and he also discovered the weakness of this demon!

That is speed!

The attack power, defensive power, vitality, etc. of this demon are very strong, and they are still above the hole pool, but in the previous match, with Ye Chen's martial arts vision, it was instantly clear that the speed of this demon was its huge shortcomings!

"Jiwu: God flash!"

Ye Chen yelled, his figure instantly disappeared from the place, and teleported close to the side of the heavenly devil, and with a fierce sword, he slashed towards the heavenly devil's waist!

The demon gritted his teeth that day and wanted to dodge, he could speed it up, and he couldn't avoid Ye Chen's sword!

This \*\*\*\* human being has grasped the weakness of the deity so quickly?

At this time, the demon had to force down the injury, and once again condensed the purple double sword, blocking the dark long sword cut by Ye Chen.

There was a loud bang, the world shook, and the space collapsed. A big mouth of purple blood was spit out from the heavenly devil's mouth, and his breath was a little wilting, and the color of fear finally appeared in the purple eyes!

He looked at Ye Chen, his brain seemed to be swept by a storm, a mess!

He has never seen a human being as terrifying as Ye Chen who has not yet entered the chaos realm!

The extraterritorial celestial demon can crush the human race of the same rank almost without pressure. When was it crushed and beaten by a human whose cultivation base was far below him?

And, if this continues, with the vitality of the extraterritorial heavenly devil, Ye Chen will not be able to support Hundred Swords, right?

Even if this demon tried to distance himself from Ye Chen and hurry to recover from his injury, how could Ye Chen give him the slightest chance to breathe?

He attacked the demon almost frantically!

At this time, around this cliff, most of the surviving warriors did not leave, but watched this unprecedented battle with great tension!

After all, if Ye Chen is really defeated by an extraterritorial demon here, the entire Lingwu continent will be destroyed by that demon, right?

It's no use escaping anywhere!

Originally, seeing that the extraterritorial celestial demon killed tens of thousands of Lingwu mainland powerhouses in seconds, everyone's hearts were desperate!

This monster is completely beyond the level they can imagine. Even if Ye Chen was once brilliant, but now, he is just a warrior close to the chaos. No matter how defying the sky, no matter how much he can leapfrog, he will not belong to this demon. Rival?

But they never expected that Ye Chen was actually fighting against this demon!

Aside from shock, it is ecstasy!

Lingwu Continent is saved, because Ye Chen is here!

But at this moment, the demon who had been forced into desperate situation suddenly revealed a weird, insidious, creepy smile, and said:

"Human, you are indeed very strong. A strong like you is eligible to join my extraterritorial celestial demon clan, how about? By the way, I remind you that if you refuse, I promise you will regret it!"

Everyone heard the words, and their hearts were stunned. According to legend, the extraterritorial demon is the incarnation of disaster, bringing death to the entire Lingwu Continent and the kingdom of God. Legend has it that there is an extraterritorial demon appearing, and Lingwu Continent is not far from destruction!

In this case, joining the celestial demons might be the best choice, right?

When the magic word fell that day, Ye Chen actually stopped the attack!

He stared at the demon in front of him, and said lightly: "What you said is true?"

All the surviving warriors had their pupils contracted and their faces were angry, Ye Chen really wanted to agree!

They shouted violently: "So soon, are you going to betray humanity?"

"What else are you talking about the pride of Lingwu Continent? Pooh!"

"It turns out that the so-called eternal evildoer is a villain who sees the wind!"

"Hehe, Ye Chen is so disappointing!"

A hint of joy flashed in the eyes of the demon that day, and he nodded and said: "Naturally it is true."

He suddenly opened his mouth, spit out a gray worm from his mouth, and tempted Ye Chen: "As long as you swallow this celestial worm, you can become a member of my celestial demon clan. It is the most noble existence in this world!"

This demon insect is only an inferior demon insect, this ancient demon is not of high grade, and cannot create the original demon insect.

But Ye Chen looked at the inferior monster, but he seemed to be really moved, his eyes flickered, as if he was thinking about it!

At this moment, the demon's face suddenly came down and shouted, "The devil is in vain, do it!"

In the void, fluctuating together, a nearly transparent figure appeared out of thin air. In his hand, a purple chain flew out, and instantly wrapped around Ye Chen's body. The purple light flashed, actually directly completely completely Strapped!

This inexplicable figure, full of black and purple, with a pair of angled horns on its head, is another extraterritorial demon! And, the breath is the same!

Such a terrifying extraterritorial demon has been extremely difficult to deal with, let alone two? Moreover, this demon clan known as Mo Tianhui is obviously very good at hiding and restraining!

On the contrary, it is more difficult than the general demons whose main ability is combat!

The demon that appeared at the beginning was called Mo Xiao. At this time, Mo Xiao was looking at Ye Chen with sarcasm, and said: "Hehe, a human race really thinks that this deity will let you join me and other nobles. Sky Demon?"

Thinking that if you have some strength, you can change the fact that you are a lower race? Haha, human beings are really stupid. Originally, you might have a chance to kill me, but now I just seduce you a little bit and let the magic sky easily control you!

Aren't you good at fighting? Continue to fight? Now, you are the one to die! "

Chapter 3010: Hands in the dark!

the strange thing is that even though Ye Chen is restrained and controlled, his expression is extremely calm!

seems to be in desperate situation, not like himself at all!

Motian was in vain looking at Ye Chen, his eyes sinking and said: "Mo Xiao, take action now, use your strongest power to kill this kid, this kid looks very strange!"

Mo Xiao sneered: "Weird? No matter how weird, you will die under the blow of the deity. Touch of Ten Thousand Demons, open!"

Suddenly, behind Mo Xiao, thousands of purple-black tentacles stretched out, and the end of each shot was wrapped around a purple lightsaber!

The Demon Howard roared wildly, the whole body of devilish energy, overwhelming the sky, and the powerful aura, made the entire Lingwu Continent in a tremor, that extremely fierce sword intent, swept thousands of miles, countless warriors, in the impact of that sword intent Under the hood, their complexions changed wildly and were extremely shocked!

WINK's Surge to \$1: Join the Wave!

Mo Xiao looked down at Ye Chen, his eyes were extremely cruel.

I've been playing with human waste for so long, now it's time for you to pay the price!

Ten Thousand Demon Touch is the most powerful attack method of Demon Howler. Its power is extremely terrifying. However, it takes too long to prepare for this move. Speed is originally his weakness. If he is not good at hiding, the bound Demon Tian will cooperate in vain. , Almost impossible to hit the enemy!

But on the contrary, once the enemy is restrained, with the fragile vitality of human beings, it is impossible to survive this trick!

The next moment, Mo Xiao shouted violently: "Inferior race, die for me!"

The ten thousand purple sword lights are like countless stars that can destroy everything, with endless power, they fall towards Ye Chen at a very fast speed!

The world is discolored, the void is shattered, the law of martial arts, and the crazily burst.

Xing Zitang, Ji Xuan, Sikong Feixing and others are all very anxious!

The ultimate blow of this magic howl is too terrifying!

Even, it was so terrible that they had the illusion that they could destroy the entire Lingwu Continent with a single blow!

They know that Ye Chen's vitality is very strong, but even if it is strong, resisting this trick will only end in smoke, right?

There was a loud bang, and the thousands of purple sword lights penetrated Ye Chen's body completely. The aftermath was unabated, hitting the earth, and countless high mountains fell over.

The entire Lingwu Continent has experienced the highest-level earthquakes, and a bottomless pit was bombarded on the ground!

Ye Chen's body has completely dissipated and disappeared.

Xing Zitang and others, seeing this scene, their faces are as gray as death, their eyes trembling crazily!

"Hahahahaha!"

Mo Xiao laughed wildly, this kid should be the Lingwu Continent today, or even the most powerful human in the Kingdom of God, right?

He is dead, then there will be no one, and it is possible to prevent the invasion of the extraterritorial demon!

Mo Tianfei also breathed a sigh of relief. This strange human being gave him an extremely uncomfortable feeling, and now he is finally dead!

But at this moment, a white mist suddenly floated behind Mo Tianfang, and a figure condensed in an instant, blood flashed, and there was a soft sound, a dark long sword, instantly penetrated Mo Tianfang's chest!

The powerful body of the Sky Demon clan, in front of this long sword, is almost like tofu, without resistance!

Ye Chen said calmly: "Your secret technique is indeed very strong. Although I sensed your existence, even I can't determine the specific location. If I kill Mo Xiao directly, you will probably run away without hesitation. ?"

A wicked smile was raised from the corner of his mouth and said, "Unfortunately, I didn't let you down, so I had to show you yourself."

Motian glanced at the long sword on his chest in vain, and suddenly, an aura of destruction erupted in his body!

"Do not!!!"

Mo Tian fu screamed, even with the vitality of the Tian Mo Clan, he could not bear the destruction of the gods in his body!

In the next moment, the magic sky disappeared directly into a cloud of blood.

The warriors who saw this scene were all shocked...

Even Mo Xiao, who was still laughing wildly, now looks like he has seen a ghost!

Ye Chen was actually in order to bring out the evil spirits, deliberately revealing the flaws, let the evil spirits start!

For this reason, even hesitate to resist the devil's killer!

The most important thing is that Ye Chen has resisted the extreme blow of the Heavenly Demon, not to mention that Ye Chen is not dead, except that his face is a little pale, he is not even affected much!

How terrifying is his vitality?

Demon Howl's purple eyes are already full of fear!

Originally, he thought that as an extraterritorial demon clan, he was already weird enough and scary enough...

But now, he found a monster that was more terrifying, weirder, and more like a monster 10,000 times than himself!

Ye Chen looked at Mo Xiao's expression and smiled coldly.

After absorbing the two Zixiao Stones, Ye Chen's physique was greatly improved.

Now he, in the state of the body of the sky demon and the blood of reincarnation, displays the magical power of atomization, which is almost immortal!

On the long sword in Ye Chen's hand, the blood burst into light, and said to the enchanted whistle lightly: "I remember, you just asked me to hit you again?"

Demon Howl heard the words and shook his head frantically: "Wait a minute, you have proven your worth, human, this time I sincerely invite you to join the Demon Clan, and I can even introduce you to your Majesty the Demon Emperor..."

Before Mo Xiao finished speaking, Ye Chen's figure appeared before his eyes. The long sword in his hand was severely cut down, and the speed of the sword was twice as fast as before!

Demon Howl's pupils shrunk, Ye Chen didn't make any effort just now? Probably it was to prevent him from killing himself in a second, and let Mo Tian in vain escape, right?

Mo Xiao gritted his teeth, purple light spread out all over his body, and he gathered frantically, trying to defend Ye Chen's sword...

Yes, the speed difference between Mo Xiao and Ye Chen is too big!

The next moment, the blood flashed, the sword intent raged, and the aura of destruction swallowed the magic whistle completely!

The sword light converged, and a breeze blew over, blowing the purple blood mist into nothingness.

The people around are completely dull...

These two terrifying demons, who were just enough to suppress the entire Lingwu Continent, were just beheaded by Ye Chen?

For a while, they were a little confused, the man in front of him was a human or a god!!

killed two ancient heavenly demons, and sure enough, the weird vortex appeared again, but the warriors except Ye Chen didn't seem to have the slightest feeling about this vortex, and they turned a blind eye.

Ye Chen's eyes flickered slightly, and on the evil sword, a flash of blood flashed, and he planned to put two purple stones into his hands again.

Perhaps it is because the two Heavenly Demons, although ancient, are not too high in rank. Both the size and quality of these two Zixiao Stones are worse than those obtained after killing Gao Yin and Kong Chi. Some more.

Ye Chen smiled slightly, even so, after absorbing these two Purple Cloud Stones, his strength could be improved a bit.

But at this moment, the sudden change! !

A strange power is coming!

One of the Zixiao Stones flew towards the sky!
