Chapter 1001: Hard to fly with wings!

Suddenly, the crowd took a breath!

Everyone present knows what it means to pass this level in ten minutes!

The wicked talent!

Luo Wuya had a hideous expression. He grabbed Luo Yao's wrist and asked, "Is this guy really good at alchemy?"

Although Luo Yao knew that Ye Chen Dan's talent was against the sky, she didn't expect to be able to achieve this speed even if she was injured.

"Correct....."

At this moment, Cui Yuan pointed to the Pill Vulture Pagoda and said loudly: "This kid is definitely not the first time to enter the Pill Vulture Pagoda. He must have studied Lingkong Pills! Yes! It must be so!"

Of course he didn't believe Ye Chen had such a speed.

As a Dandao genius, his son took half an hour to cross the first level, almost the best result in the past few years!

What does Ye Chen do!

At this point, everyone's expressions were a little more uncomfortable.

Even the real Nan Xuan nodded, thinking this was the best explanation.

He has just noticed that Ye Chen's spiritual root is not a rare spiritual root, let alone the word Linggen!

Because this kid is just a trivial root!

Only those talents in China are possible!

A waste of Fangen, less than ten minutes to cross the first floor, this may be the funniest joke in Danxu Town!

When Mr. Fang heard Cui Yuan's words, he coldly snorted: "Dan Xu Tower has aspired a Dan Ding genius, you should feel honored, not a gentleman's belly with a villain! I can tell you clearly This is the first time this person has stepped into Danxu Pagoda!"

Real Nan Xuan smiled: "You have been protecting that kid from the beginning. Can you believe it? By the way, maybe you must have told the kid how to pass the barrier, so that everything can be explained!"

Hearing such unjust words, Mr. Fang turned with a sharp sword of anger and slashed directly!

"court death!"

...

And inside Dan Xu Tower.

Ye Chen adjusted his breathing and moved the half of the Danding away.

In an instant, one after another ancient runes flowed on the ground!

Endless spiritual energy fills the entire Danxu Tower!

Wrap the whole body!

Ye Chen couldn't help but groan!

"It's so cool!"

He even found that the meaning of breakthrough in his body was extremely strong! There was a crackling sound from the body!

He quickly looked at Xiao Huang.

When he saw Xiao Huang's posture, he almost spit out.

At this moment, Xiao Huang's hairy body was sitting cross-legged like a human, as if he was working on his exercises!

Countless heaven and earth auras poured into Xiao Huang's body madly.

Its whole body is wrapped in red light.

Very dazzling.

As if perceiving Ye Chen's gaze, Xiao Huang opened his mouth and said: "You are going to break through, just leave me alone. There is a time limit on this level."

Ye Chen suddenly stopped talking nonsense, closed his eyes tightly and started to break through.

The blood dragon rushed out of Ye Chen's body and hovered over Ye Chen's head.

The sound of dragon chants resounded.

But Ye Chen's Dantian was like a flood, rushing crazy toward the obstacles of the Saint King Realm.

Because Ye Chen's layer has been under control for too long, the obstacle of the Saint King Realm broke open instantly!

Dantian also suddenly expanded.

Ye Chen's body was covered with a layer of holy light, like a new life.

But this did not stop far, Ye Chen rushed towards the second layer of the Saint King Realm instantly!

And above Dan Xu Tower, the thunder calamity naturally ushered in.

Thousands of thunder tribulations crashed on the Dan Xu Tower.

Endless lightning swallowed the entire Dan Xu Tower.

Not only that, but the outside of Danxu Tower was also affected, and the potholes forced them to stop fighting.

The real person Nan Xuan stared at the Pill Xu Tower, and he exclaimed: "What the \*\*\*\* is that kid? After breaking through the first level, why did his cultivation level break through? And there is something wrong with this abnormality."

He knew Ye Chen's cultivation base, entered the ninth holy realm!

Even if you want to break through, you are in the Holy King Realm!

But this Thunder Tribulation is like the Thunder Tribulation of the Holy King Realm, and it is impossible to return to the Void Realm!

"Where did this kid come from?"

Real person Nan Xuan felt that things were getting more and more difficult. This kid first killed so many people in Danxu Town, and now he entered Danxu Pagoda.

If it drags on, there will definitely be a problem with Danxu Town.

The next second, he took out a primitive token.

Force a drop of blood on the token.

The token vibrated, and a misty voice sounded: "What's the matter?"

Hearing this voice, Lao Yang and Fang Lao's expressions changed.

This real Nan Xuan is crazy!

Real Nanxuan glanced at the two of them, and said, "My lord, Lingyi Danzun left Danxu Tower for some reason, but Danxu Tower's gatekeeper used private power to let a mob into Danxu Tower. I'm afraid This thug is not good for Dan Xu Tower. I have tried to take down the thug several times, but the two people around Lingyi Danzun have blocked it layer by layer, which is really weird..."

"understood."

The misty voice fell, and endless pressure came.

The token is dimmed.

When Lao Yang and Fang Lao saw this scene, they felt a little bit in their hearts!

Things are more troublesome!

They looked at each other and clenched their weapons, like a green pine, motionless like a mountain, guarding the gate firmly.

"Master Dan Zun, why are you still not coming back!"

...

And at this moment, thirty kilometers outside Danxu Town.

An old man hovered above the Dan Ding, with purple light lingering all over his body.

Spiritual consciousness is released!

This person is Lingyi Danzun!

Since Ye Chen disappeared, he used all means to search.

The first time I came to Danxu Town.

He was not sure what the person looking for Lingyuan had to do with Lin Qingxuan!

But you must find it!

at all costs.

Suddenly, Ling Yi Danzun noticed something, opened his eyes, and icy cold light shot towards a high tower in Danxu Town.

Thunder robbery flickered above the tower.

Very clear.

"Huh? Someone broke through Dan Xu Tower? Didn't you let those two guys seal Dan Xu Tower?"

Ling Yi Danzun's toes lightly touched the Danding, thinking for a few seconds, he still retracted the Danding into his sleeve and sacrificed a rune.

Fingers pinched the tactics, the runes burned, and an enchantment suddenly appeared in the surrounding forest!

Seal the entire Danxu Town!

Anything is hard to fly!

After doing all this, he disappeared here.

Nowhere!

...

But at this moment, the breakthrough of Dan Xu Tower's Ye Chen did not stop at all.

His expression was a little sordid.

The aura of the outside world is too full, and violent and hot.

If it hadn't been for his body training, his body would have burst open.

At this moment, the black stone in Ye Chen's pocket flew out.

Levitating above Ye Chen's head, he even began to spin.

In an instant, the violent aura around him began to be absorbed by the black stone into the reincarnation cemetery.

Lin Qingxuan in the reincarnation cemetery naturally noticed the situation. He stood in front of a tombstone with his hands behind him, staring at the cracks and light on the tombstone, and muttered: "Old guy, it's time to meet."

Chapter 1002: rely!

Mo Ning'er quietly came to Lin Qingxuan's side, with star-like eyes rolling, and curiously asked: "Senior Lin, is a great power coming out? I don't know who this great power is?"

Lin Qingxuan narrowed his eyes, did not speak, but reached out and touched the tombstone.

Suddenly the tombstone vibrated violently, and a golden light burst out.

Turned into a boxing shadow!

Quan Ying smashed directly at Lin Qingxuan.

Lin Qingxuan released his hand and shook his head: "It's still this violent temper."

He stepped back three steps before the golden light dissipated, and then he spit out a sentence to Mo Ning'er: "In that era, who dared to speak undead, who dared to speak undefeated? Who dared to use his fist against the sky!"

Hearing these words, Mo Ning'er's eyes widened, and finally understood who was in this tombstone!

The key is that she can't think of it, that one will come out now?

"With this great power coming out, will the tomb owner..."

Before Mo Ning'er finished speaking, Lin Qingxuan interrupted: "I understand this guy, this little energy alone is not enough to make that guy appear. Next, it depends on the kid's chance."

But Ye Chen outside naturally didn't know the condition of the reincarnation cemetery. At this moment, he breathed out gently, and the breakthrough breath on his body gradually became stable.

Even the poison of the Jueyun Arrow from before disappeared.

His current realm stays at the third level of the Saint King realm.

Because the realm he cultivated is somewhat different from the realm of Kunlun Xu, it is equivalent to the return to virtual realm of the outside world.

Even now facing some Void King Realm powerhouses, he is not so embarrassed, and even qualified to be killed.

Ye Chen opened his eyes and found that all the surrounding energy had disappeared, and cracks appeared in the half of the Danding in the central place.

Suddenly, he thought of something and quickly looked at Xiao Huang not far away.

At this moment, Xiao Huang was sleeping on his stomach. He seemed to notice Ye Chen's gaze, opened his wistful eyes, glanced at Ye Chen, and said lightly: "The third level of the Saint King Realm is not bad. As for my situation, don't you need to worry."

"But next time I won't use this method to help you. It's too expensive and a headache."

"Well, I'm going to sleep for a while, don't disturb me."

After speaking, Xiao Huang closed his eyes, and the sound of heavy breathing sounded.

Ye Chen shook his head, hugged Xiao Huang directly, and put it in the reincarnation cemetery.

There is no living thing in the reincarnation cemetery, but Xiao Huang is an exception, after all, its body and blood are closely related to a great power in the reincarnation cemetery.

It is indeed time for this little guy to have a good rest. During this time, it has helped himself a lot in times of crisis, and his body must be worn down.

After that, Ye Chen's eyes fell on the second step, and he walked away without hesitation.

Above the stairs, endless pressure came, but this pressure was nothing to Ye Chen at the moment.

He soon came to the second floor.

When he came to the second floor, Ye Chen felt a cold wind swept across, extremely cold.

It even made him shiver.

He looked inside again, but found that the surrounding area was full of ice and snow.

The temperature is extremely low.

At the same time, there was an icicle in the center.

The Sanskrit was engraved on the icicle, and the Sanskrit was grey. He glanced at it, but didn't recognize a word.

When Ye Chen was puzzled, the snowflakes fell, and the countless snowflakes turned into a ghost.

Is an old man in white.

The white-clothed old man looked at Ye Chen interestingly, and said, "This is the first time I have seen an alchemist with such a heavy aura in so many years."

The old man seemed to smile but not smile, raised his hand and stroked his beard, and continued to speak:

"Boy, your cultivation way is to kill the Dao, you shouldn't step into the Alchemy Dao. I advise you to leave the Alchemy Pagoda, otherwise the foundation that you have finally established will be destroyed."

Ye Chen couldn't leave naturally, and he hadn't felt the reincarnation cemetery have come out with great power until now.

Only keep stepping in.

It is said that Lin Qingxuan stepped into the ninth floor of the ten-story Pill Void Pagoda. If Lin Qingxuan helped him to break it open, it would naturally be extremely easy.

It's a pity that no matter how he communicates with Lin Qingxuan, the other party has no response.

I'm afraid Lin Qingxuan doesn't want to rely on his power all the time.

"Are you not leaving?" Seeing the youth in front of him, there was no response, and the white-clothed phantom said in amazement: "It seems that you still don't understand what I said, although you don't know how you entered the Danxu Pagoda and how you broke into it. Enter the first level, but if you want to break into this second level, you must pass my level first."

"The heavy murderous aura on you makes me very uncomfortable. I hope you leave immediately and don't destroy this level of alchemy mood."

After speaking, he stared at Ye Chen's eyes and wanted to see the reaction of the other party, but Ye Chen remained expressionless and did not answer.

This made him slightly annoyed:

"This is the last letter for you. If you don't leave, don't blame me for being rude to you."

The cold threat spreads.

Ye Chen remained unmoved, but instead took a step and looked at each other: "What you said is ridiculous. Who stipulates that people who walk in the path of killing can't make alchemy?"

Baiyi Xuying couldn't think that Ye Chen would dare to refute. He sneered and said: "This level is my domain. You must obey my rules, otherwise you don't want to continue."

After the words fell, the cold wind howled, like an ice dragon swallowing towards Ye Chen.

The immortal fire on Ye Chen's eyebrows broke out instantly, and the ice dragon turned into powder in an instant.

"Since it is your domain, I can't break it!"

The flames between Ye Chen's eyebrows burst out, and he was instantly surrounded by flames, and the original icy mood had a tendency to melt.

The white-clothed phantom has a grim expression: "I really can't help it! Since you want to break through my domain, then you don't want to go out!"

The phantom fingers pinched the tactic, and the Sanskrit on the icicle began to flow.

Suddenly, the icicle cracked a hole, tens of thousands of ice swords drilled out, and they shot Ye Chen densely.

Seeing such a sea of swords, Ye Chen was not afraid, he snorted and opened his right hand: "Come out of the blood dragon!"

Long Yin falls shaking the world.

The blood dragon rushed out of Ye Chen's body in an instant, and even drove the immortal fire on Ye Chen's body.

The immortal fire envelops the blood dragon, as if drilled out of the magma, swallowing it towards the ice sword with the momentum of the flame.

"boom!"

With a loud noise, the dense sea of swords was swallowed by the sudden blood dragon on the spot.

The surrounding temperature rose suddenly.

The white clothes phantom's face changed slightly, which was very ugly. It seems that this kid still has two brushes. He just wanted to pinch his fingers, and a cold light broke through the air!

With a sound of "ding!" Zhanlongwen Tianjian inserted above the icicle.

Ye Chen's first glance was that this icicle was the eye of this place!

Once the eyes are broken, the white phantom has no support.

Chapter 1003: Black cloud over the city

Sure enough, the body of the white robed Xuying was a bit dim!

The test at this level is pill fire and vision.

And the person in front of him who stepped into the killing path clearly passed the test!

Kill Dao and Dan Dao double repair? The key is to see the second layer problem in such a fast time. What is the origin of this kid?

Suppressing the horror in his heart, the white phantom shadow waved his arm and stepped onto the third step to reveal it.

"Although you don't want to admit it, your talent on the alchemy is the most heaven-defying I have seen recently. If you can, I hope you can let go of the killing heart and calm down the alchemy. In this way, your future achievements will be limitless. "

Ye Chen smiled, pulled out the Dragon Slashing and asked the Heavenly Sword, and said, "I'm sorry, Alchemy Dao is just my auxiliary way, killing Dao is the existence that really suits me!"

When the old man in white heard these words, his eyes were deeply shocked.

Dan Dao turned out to be just a support?

What is this kid kidding!

How many people have spent their entire lives without being able to enter the realm of the real alchemy!

What's the point of this kid?

Ye Chen and Baiyi Xuying passed by, and headed towards the third floor. If he had guessed correctly, Senior Feng met in the Land of Slaughter had just stepped on the third floor.

The third layer is also the one that really screens the geniuses of alchemy!

The White Clothes Void looked at Ye Chen's back, suddenly, what he thought of!

Hastily offered a portrait.

The portrait is too old, extremely old, and even incomplete.

This is a back view.

Carrying a divine sword on his back, holding a silver needle in his hand, he stepped on a blood dragon.

Dragon dance for nine days.

Not forever.

He raised his head again, staring at Ye Chen's distant back, his eyes flashing solemnly.

"Could it be that this young man is just a few thousand years ago, several people who expended all their efforts to predict the extinction, the Devil Slayer?"

"Just for the sake of a woman, she broke the Kunlun virtual altar rule, and the Emperor Nine Heavenly Dragon descended to the mortal world, ten top sects, all with one sword?"

"If the sky abandons him and kills the sky, if people anger him, the world should be killed?"

A few seconds later, he retracted the portrait and shook his head helplessly: "Those powerful prophecies have not been recognized by outsiders. In the eyes of everyone, Kunlun Xu's situation has not been destroyed for thousands or tens of thousands of years. How could it be possible? Was ruined by a little yellow boy?"

"I'm afraid I'm dazzled, this kid should just resemble the back in the portrait. "

After the words fell, the white phantom disappeared, as if it had never existed.

At this moment, outside the Danxu Tower.

There was silence.

No one continued to do it.

They stared at Dan Xu Tower!

Just because the second floor of Danxu Pagoda also began to shine!

He was beaten by that kid again!

Aside from the time that the kid broke through, there is still no ten minutes!

To know the second level of artistic conception, it is impossible for ordinary people to easily break it!

Which one didn't endure endless pain before barely breaking open!

And now, there is only Ye Chen in the Danxu Tower!

Unexpectedly, this kid not only broke through, but also stepped to the third level!

Elder Fang guarded the door, looked at Nan Xuan, and sneered: "You can accept Nan Xuan now? I saw Dan Dao's hope in this little brother from the beginning. If someone really broke the record, then Only this person!"

Real Nan Xuan narrowed his eyes: "What's so good about this? The first two layers are not difficult if someone teaches him how to crack it. If I guessed correctly, you two have revealed a lot to this kid. Such a despicable method may be useful in the early stage, but the third layer is not that simple!"

"I'm sure, the second layer is his limit!"

Before he finished speaking, the light on the third floor of Dan Xu Tower began to flicker!

Obviously, Ye Chen broke the third layer!

The key is this time, not even a minute!

The whole world was extremely quiet, so quiet that everyone held their breath silently.

Real Nan Xuan's face became more and more ugly, as if he was slapped mercilessly.

Seeing this scene, Lao Yang said interestingly: "Someone's face-slapped is too fast, right? The second level is the limit? But how do I see it, it seems that the fourth level is not necessarily his limit. The speaker probably doesn't have a brain."

"you!"

There was some anger on Zhen Nan Xuan's face, and he wanted to do something, but was stopped by a few old men behind him.

"Wait for that adult to come and talk about it, now I can't do it anymore."

Someone reminded behind him.

Real Nan Xuan waved his sleeves and stopped talking.

Wait for the adult to come, see how arrogant you are!

"Mr. Nanxuan, do you want us to play something interesting? If the young man in Danxu Tower has broken through the fourth floor, how about you kneel down and apologize yourself?"

"Of course, if the young man has not broken through the fourth floor, I will kneel down and apologize to you, Nan Xuan!"

Lao Yang obviously had to fight it out.

In his opinion, Ye Chen and Lingyi Danzun are extremely related, so it shouldn't be difficult to break through the first few layers of the Danxu Pagoda.

There should be no problem with the fourth layer.

But the fifth layer is not necessarily.

It is naturally impossible for Nan Xuan to bet against him. According to Ye Chen's momentum, the fourth level is just a matter of time.

The key is that this kid is clearly focused on martial arts, why is alchemy so against the sky?

This \*\*\*\* is still a mortal man!

When was Fan Gen so evil?

Just when he was wondering, Danxu Town's heaven and earth aura suddenly changed black clouds came over the city.

An invisible pressure made everyone present feel a little breathless.

Real man Nanxuan looked at this scene with ecstasy!

That one is finally here!

If you want to say that in Danxu Town, who has the real right to speak, except for Lingyi Danzun, it is this person!

Only this person has the right to let these two old doorkeepers get out!

He was short of breath, and knelt down with the people behind him!

Kneeling on both knees, his head knocked on the ground extremely religiously.

Luo Yao and Luo Wuya also felt something was wrong, their bodies bowed slightly, representing deep respect.

"Dad, what is the origin of this vision?" Luo Yao curiously asked, "Why do I feel something wrong, even uncomfortable, like an evil demon is coming!"

## Chapter 1004: Can't bear it

The words just fell, but he didn't expect that Luo Wuya nervously covered Luo Yao's mouth, and whispered: "Shut up! This person is not something you can criticize!"

"Then Real Nanxuan invited this person out, I am afraid that something will happen to the Danxu Pagoda today! Even if the kid enters the Danxu Pagoda, no one can guarantee!"

Luo Yao paled when she heard these words, and she even regretted why she brought Mr. Ye here.

If something happened to Mr. Ye, then she would really feel guilty for a lifetime.

The outside Mr. Jingshui is dangerous and powerful, but compared with some big people in Danxu Town, the gap is too big!

Now that things have developed into such a situation, it is simply pushing Ye Chen to death!

Cui Yuan looked at the black cloud, but his face was filled with joy.

He longed for things to get worse, if he could kill someone with a knife, it would be best!

The gatekeepers Lao Yang and Fang Lao had very familiar eyes.

Lao Fang glanced at Lao Yang and said, "If I don't die today, I hope Lao Yang can take care of some of my children. They are not talented in alchemy, but if they are well educated, they can still live in Danxu Town. Mix up some people."

Old Yang hesitated for a few seconds. He wanted to say something, but in the end he nodded.

"Boom!"

Thunder crashed down.

Not far from Dan Xu Tower, lightning dazzled instantly, and billowing smoke covered it.

But when the smoke and thunder light dissipated, an old man who was not angry and pretentious appeared.

Below the old man is a fierce leopard with golden lines!

Fierce Leopard's eyes were very aggressive, and a single glance made many practitioners back down.

Upon seeing the old man riding on the fierce leopard, the real Nan Xuan kowped his head respectfully again: "Nan Xuan has seen Xing Tian Danzun."

Hearing the four words Xing Tian Danzun, Luo Yao finally understood why his father was so serious.

Because looking at the entire Danxu Town, only two people are qualified to be called Danzun!

That is the Lingyi Danzun who guards the Danxu Pagoda!

And Xingtian Danzun who is in charge of the entire Danxu Town rules!

The two great Danzun guard a pure land!

No one knows what strength these two Danzun are!

But one thing is certain, any action and decision of these two people can change everything in Danxu Town.

The power of the real strong.

Xing Tian Danzun ignored him, and did not let Nan Xuan stand up, but stared at Dan Xu Tower with interesting eyes.

Suddenly, his eyes fell on Lao Yang and Fang Lao.

A single look made their backs soaked.

It's really uncomfortable to be immersed in the coercion of such a strong man!

Xing Tian Danzun spoke: "I'm very curious. The Lingyi Danzun hasn't left the Danxu Pagoda for a hundred years. Why did he leave suddenly today? Is it possible that something interesting happened that I didn't know?"

Endless coercion enveloped.

Lao Yang and Fang Lao's feet trembled. If they hadn't been supporting them, they might have knelt down!

Elder Fang raised his head with difficulty, and said to Xing Tian Dan: "Master Qi, Ling Yi Dan does things, how can we be qualified to know? It should be to deal with things."

"I don't know what's the important thing for your lord to suddenly come here?"

Before he finished speaking, Xing Tian Danzun touched his mount, and said mercilessly: "It seems that I look at your two watchdogs. I heard that you two dogs will dare to be in Dan Xu. The thugs in the town put into the Danxu Tower?"

"Ling Yi Dansun is not here, so are you doing so recklessly?"

Hearing these words, their faces changed greatly.

Old Yang Gang wanted to explain something, but found that blood was rising, and he spit out a mouthful of blood!

Too embarrassed!

Fang Lao quickly forced out a drop of essence and blood, pinched the secret with his fingers, and blocked it with a secret method!

Lao Yang felt a little bit better now.

Xing Tian Danzun did not rush to do anything, his eyes fell on Nan Xuan and Cui Yuan again.

"Tell me the specific things, you can't leave a detail!"

"Forget it, let me understand it myself!"

Xing Tian Danzun lightly waved his arm, and a ray of light fell on the two eyebrows.

Close your eyes and feel carefully.

This feeling is like reading the memory of others.

A few seconds later, Xing Tian Danzun opened his eyes and said suspiciously: "What is the secret of this thug, that erased memory can't be broken with my power?"

"But I didn't come in vain in this way. If I robbed the other party's secrets, I guess my strength can be improved!"

Thinking clearly about everything, Ling Yi Danzun rode a fierce leopard towards Dan Xu Tower.

At each step, the entire ground shook a few minutes.

But Fang Lao and Lao Yang still stand with swords, and are determined to the extreme.

"Are you going to block me?" Xing Tian Danzun's indifferent voice fell, "The entire Dan Xu Pagoda, except for the Ling Yi Dan Zun behind you, I should also be eligible to enter."

Old Fang's eyes were extremely cold, his killing intent swept!

He said word by word: "Xingtian Danzun, please don't make it difficult for me. Lingyi Danzun has orders. After he leaves, no one can enter the Danxu Pagoda!"

"Oh?" Xing Tian Danzun smiled, "How should the mob explain it? Is my Xing Tian Danzun's identity in Danxu Town no better than a murderous outsider?"

"roll!"

Suddenly, Xing Tian Danzun's eyes condensed, and a force of force shot out between them, directly blasting on Old Fang's body!

Mr. Fang only felt an invisible wave of air hitting his body!

Boom on the spot!

It even hit Dan Xu Tower's seal.

"Puff!" A mouthful of blood spurted out, extremely weak!

"Lao Fang!" Lao Yang hurriedly stepped forward to support Fang Lao, but was stopped by Fang Lao.

Old Fang stood up hard, his eyes were bloodshot, and he stared at Xing Tian Dan Zun firmly: "Ling Yi Dan has an order, no one can step in! You are the same."

Xing Tian Danzun above the fierce leopard frowned. He found that things were more complicated than he thought. Why did this old man protect the outsider at all costs?

Could there be something shameful in it?

No longer think about it He rode the fierce leopard towards the Danxu Pagoda, but Fang Lao was still motionless, and even more so, he opened his hands and guarded him.

Xingtian Danzun sighed: "I have seen someone who is looking for death, and I have never seen someone who is looking for death like you. I am afraid that you have become a traitor in Danxu Town. In that case, I will erase you on behalf of Lingyi Danzun. ."

Xing Tian Danzun opened his right hand and shook it slightly, and there was a faint red glow between his five fingers.

Hongmang is getting more and more dazzling!

In the next second, Hongmang smashed directly out, turned into a red virtual sword, and headed towards Fang Lao!

Seeing this scene, Lao Yang was extremely ugly, and quickly stood in front of Lao Fang!

After all, both of them are companions!

I don't know how many years we have worked together!

If you watch Fang Lao have an accident, he can't bear it!

Chapter 1005: Xing Tian Danzun's orders!

As a result, Lao Yang used all his strength on the weapon, and the air wave was overwhelming, instantly colliding with the red virtual sword!

Without warning, his weapon turned into powder, and at the same time his body flew out and hit Old Fang's body!

The two gatekeepers have almost no combat capability!

Xing Tian Danzun was very satisfied with this result, and sneered: "Impossible ants, for so many years, you have kept the Danxu Pagoda with all your heart, and you have forgotten your original intentions, even fighting, it is ridiculous! I will be Xing Tian today. I gave you a lesson you will never forget."

After that, Xing Tian Danzun was immersed in the darkness.

But Ye Chen of Dan Xu Tower naturally didn't know that he had already reached the fourth floor.

To his surprise, this time, the fourth floor turned out to be a lake.

The lake spreads and the water vapor keeps rising.

"spa?"

This was Ye Chen's first feeling.

Just as he wanted to step into it, he felt the sound of vibration from Dan Xu Tower!

"Is this Dan Xu Tower earthquake?"

Ye Chen glanced around and found that the lake surface was boiling like boiling water, and even some liquid splashed on his body, which was very painful.

Suddenly, Xiao Huang in the cemetery of Samsara found something, and he opened his eyes when he was asleep.

Among the different pupils, it was extremely cold.

He left the reincarnation cemetery directly and came to Ye Chen's side.

"Xiao Huang, didn't you rest inside?" Ye Chen was a little surprised.

Xiao Huang glanced behind him and said coldly: "Go, go down with me, remember to wrap your whole body with inextinguishable fire."

Although he didn't know Xiao Huang's purpose for doing this, Ye Chen still did.

"Plop!" With a sound, the flames spread, holding Xiao Huang into the weird lake.

Just after the two entered, Xing Tian Danzun and the fierce leopard on his body came quietly.

Xing Tian Danzun looked at the ripples on the surface of the water and smiled: "It's really a lifeless thing. I really think that entering this lake can save you?"

"But how did that kid find us?"

"Let's go, when you get this kid's secret, the body will be taken for you! Now all you have to do is to bring that kid, remember, don't kill him."

Xing Tian Danzun touched the fierce leopard under him and said.

The fierce beast was obviously extremely excited, and there was a roar of the beast, which also dived into the lake.

Xing Tian Danzun stood on the shore of the lake, closing his eyes tightly.

Waiting for the mount under him to come triumphantly.

This fierce leopard was obtained from a secret world at the risk of his life thousands of years ago.

There is an ancient bloodline in the fierce leopard,

Although it is not pure, he has been feeding the pill for thousands of years, and the grade is extremely high.

Even facing the general Void Returning Realm, Void King Realm and even higher realms, they can easily beheaded.

The key point is that this fierce leopard's body is extremely powerful, and it is impossible for ordinary people to kill it.

Later, in order to cultivate the murderous nature of this fierce leopard, Xing Tian Danzun also fed it a living cultivator every day.

Put them in the same cage.

The nature of the beast broke out, and the more the cultivator resisted, the more ferocious the leopard became!

So this beast is extremely bloodthirsty!

Except for Xing Tian Dan Zun accident, anyone can kill! He was born for blood and battle!

The bottom of the lake is not too deep, but there is a trace of Taoism.

Ye Chen stopped, looked at Xiao Huang curiously, and asked, "Xiao Huang, did you tell me why you want to run?"

Xiao Huang didn't speak, staring closely behind him, when watching a group of black shadows rushing crazy, he jumped directly from Ye Chen's arms to the bottom of the lake.

"It's not to run, but to face this animal. Under the water, I may have a better chance of winning."

"Next, we should be careful, we were targeted."

"And it's not an ordinary person."

When the words fell, Ye Chen felt the waves at the bottom of the lake!

Then, a huge leopard with a huge body and straight hair, a huge leopard like a steel needle came directly in front of Ye Chen.

A golden light was flowing all over, and his eyes were blood red, more bloodthirsty than people.

His fangs bared and he made a low voice.

Eyes stared at Ye Chen, as if ready to take action at any time!

Seeing this scene, Ye Chen hurriedly sacrificed the Dragon Slashing Wentian Sword!

"It seems that the threat you are talking about is this thing. It's just that this Dan Xu Pagoda is not a place to test Dan Dao, why is there such a fierce beast?"

Before Ye Chen could react, the fierce leopard turned into an afterimage, like a meteor hitting the stars.

Red light pervades!

Ye Chen sensed that something was wrong, and quickly slashed it down.

With this sword, the power of the \*\*\*\* thunder madly overflowed!

Even the water of the lake would be split in half by him!

"Ding!" A crisp voice spread, and the Dragon Sword Wentian sword had already cut on the fierce leopard!

If it were replaced by a normal beast, it might have been split in half long ago!

But this time, Ye Chen discovered that this fierce beast was unscathed!

It was as if his previous sword was slashed on the black stone!

It's weird!

The fierce leopard roared in anger, and its hideous fangs turned towards Ye Chen like a sword.

Seeing that he was going to penetrate Ye Chen's body, when he was biting frantically, Xiao Huang had already blocked Ye Chen's body.

"boom!"

A small body, blooming a roar from the ancient beast!

That different pupil is shining with dazzling light!

Seeing this scene, Fierce Leopard did not continue to attack Ye Chen, but focused on Xiao Huang's body.

Doubts, puzzles, fears.

It can feel the threat of this small guy.

This sense of threat comes not only from strength but also from blood.

Suddenly, there was a voice in his mind, it was obviously the command of Xing Tian Danzun from above!

It woke up, broke out of murderous intent, and jumped directly towards Xiao Huang.

The fangs reflected Xiao Huang's body.

It has no intention of moving at all.

The red and blue pupils are constantly flowing.

Suddenly, Xiao Huang's blue pupils burst out with thunder and lightning, and the power of the divine thunder instantly wrapped towards the other party.

When the \*\*\*\* thunder hit the fierce leopard's body, it only made the fierce leopard pause for a few minutes!

The goal remains the same!

Seeing that the fierce leopard is about to touch Xiao Huang, Xiao Huang has started!

Chapter 1006: Edge of Fury!

Xiao Huang's body erupted and dodged in an instant. At the same time, his sharp claws slid directly on the fierce leopard's body.

"Zizzi!" The sound, violent sparks flickered!

Fortunately, a few blood stains finally appeared!

At the same time, Xiao Huang's body climbed directly above the fierce leopard's body!

The icy claws were raised high, and directly prodded!

Suddenly hard, or penetrate!

The blood overflowed instantly!

The fierce leopard has a hideous face and wants to get rid of Xiao Huang, but no matter how hard he struggles, he finds it impossible!

Xiao Huang said coldly: "Although I don't know who is behind you, since you dare to come down and do something with us, I will make you pay!"

The next second, Xiao Huang opened his mouth and bit directly on one of Fierce Leopard's ears.

"Tear!" With a sound, tear instantly!

Blood is red!

A painful voice sounded instantly.

Obviously, the ears are the weakest part of the fierce leopard!

Xing Tian Danzun on the lakeshore opened his eyes, and he naturally felt the pain of his mount!

His face changed slightly!

With a leap, he jumped directly into the lake!

No one is qualified to touch his fierce leopard!

anyone!

At the moment, the little yellow and red pupils became more dazzling.

And the fierce leopard under him was scarred!

"The special blood in your body seems to be a great tonic to me!"

Xiao Huang's faint words fell, and the fierce leopard instantly panicked to the extreme.

The only reaction in its heart is what this guy is!

Why is the breath of a fierce beast, but it can speak human words!

Unheard of!

The more it struggles, the weaker its body becomes.

The water on the bottom of the sea has even gradually turned red.

Xiao Huang looked at Ye Chen and quickly said, "I trap this guy with a blood dragon. Before the guy outside dared to come, I will swallow this beast directly! He is a great tonic for me!"

Ye Chen naturally understood that Xiaohuang evolved for the first time because he swallowed nine blood wolves last time. If he swallows this terrifying fierce leopard, does it mean the second evolution!

He no longer hesitated, and directly sacrificed the blood dragon inside his body, and the blood dragon punched the fierce leopard on the bottom of the lake.

The meaning of blood evil blooms, directly trapping the fierce leopard!

Can't move!

An ancient \*\*\*\* dragon phantom, plus an ancient fierce beast! If you still can't hold the fierce leopard, it's really funny.

Fierce Leopard naturally felt fear, his eyes kept looking towards the water, moaning in pain!

As if waiting for something!

But no matter how much he waited, the figure still did not appear.

Xiao Huang's red pupils are becoming more and more glamorous at this moment, and it will not pity the fierce leopard in front of him, because the other party has come with killing intent from the beginning.

There are only two options for this beast.

Or go back with the prey! Or die at the bottom of the lake!

Xiao Huang naturally wants the other party to choose the latter!

It bit on the fierce leopard's body, no matter how hard the skin was, it was ruthlessly penetrated.

A mouthful of \*\*\*\* leopard meat was directly swallowed by Xiao Huang.

Blood stained the lake.

The fierce leopard stopped struggling, and his ferocious eyes gradually closed.

Let it be swallowed.

Ye Chen even found that every time Xiao Huang took a bite of the flesh and blood of a fierce leopard, the faster the little yellow-red pupils turned.

The whole body exudes a mysterious atmosphere.

This is the breath of a real ancient beast.

Of course, Xiao Huang has the power of the reincarnation cemetery and adapts his blood! But its biggest lack of money is the flesh!

And the fierce leopard of Xing Tian Danzun not only has blood in part from ancient blood, but the flesh is also under the pile of heavenly materials and high-level pills!

To Xiao Huang, it is more tonic than your nine blood wolves!

Soon, the fierce leopard's huge body was almost swallowed up by Xiao Huang, and only half of the skeleton remained!

But at this moment, Xiao Huang suddenly raised his head, his eyes fixed on a figure!

The figure fell on the bottom of the lake!

It is Xing Tian Dan Zun!

When his eyes looked at the dead and boned mount, his anger burned like flames!

His eyeballs seemed to be filled with killings to burst!

The baby he has worked so hard to nurture for so many years turned into other people's food!

Who can bear this kind of pain!

He stared at Xiao Huang firmly, and roared: "Beast, you are looking for death!"

A Danding suddenly appeared in the palm of his hand, and Danding turned and slammed it at Xiao Huang!

Xiao Huang naturally felt that the opponent's strength was not something he could resist now. He looked at Ye Chen and said, "Be prepared, we will leave Danxu Tower immediately!"

After that, Xiao Huang's red pupils flickered, and the water at the bottom of the lake seemed to be stirred!

The sky is shaking!

Numerous lakes formed a huge whirlpool, and the whirlpool instantly swallowed Danding!

When Xing Tian Danzun saw this scene, he was a little surprised, then he drew the long sword from his waist and shot it out mercilessly!

Hit on Danding!

Dan Ding shocked away instantly!

A sword and a tripod seemed to have turned into a fashion, and it slammed into Xiao Huang's body!

Xiao Huang was too late to react and was hit and flew!

Fortunately, finally fell in Ye Chen's arms!

Ye Chen hugged Xiao Huang tightly, pinched his fingers, and the endless divine thunder went towards Xing Tian Danzun.

At the same time, his body turned into an afterimage and left quickly.

"I want to go! Dreaming!"

"Since my baby was destroyed by you, I will let you understand the pain of being deprived of flesh and blood!"

Xingtian Danzun's speed is getting faster and faster! Just chased it out!

"Boom!"

Ye Chen's body instantly rushed out of Dan Xu Tower!

The faces of Nanxuan, Cui Yuan, Luo Yao and others changed drastically!

Didn't Xing Tian Danzun go to Ye Chen? Did Ye Chen escape?

how is this possible!

Just when the crowd was at a loss a shocking roar came from Danxu Tower!

In the next second, everyone saw Xing Tian Dan Zun scrolling and rushing out!

The key Xingtian Danzun's mount is gone!

He looks more like a lunatic with a disheveled hair!

His face opened, extremely angry!

Even this anger makes people feel like they are on the verge of collapse!

Could it be that Ye Chen did all this?

What did he do to make Xing Tian Danzun so angry!

Unable to let everyone react, Xing Tian Danzun at the edge of the rage was only five meters away from Ye Chen and Xiao Huang, with five fingers as claws, as if tearing the air, and grabbing directly towards Xiao Huang!

Chapter 1007: Go to war!

At this moment, Ye Chen, who was not far away, saw this scene with extremely serious eyes. Naturally, it was impossible for him to hurt Xiao Huang again!

The key is that he can feel that after Xiao Huang has swallowed the flesh and blood of the fierce leopard, his state is a bit wrong!

The body was faintly shining, as if still trembling!

It can even be said to be extremely weak! There is no combat capability at all.

He didn't care about everything, a fist of Ten Thousand Buddha King Kong blasted out!

Try to resist damage for Xiao Huang!

He would rather bear it himself!

"Little beast, you still want to stop me! I don't know how to die!"

Xing Tian Danzun had already red eyes, changed his claws into fists, and instantly touched Ye Chen's Ten Thousand Buddha Diamond Fist!

"Kacha!" With a sound, the golden light was swallowed mercilessly in an instant, and Ye Chen also felt an unrivaled force crashing like a mountain.

There was a cracking sound from his right hand! A wave of air penetrates the whole body!

The wind is whistling in the ear!

His body was heavily hit on a stone tablet beside Dan Xu Tower!

The stone tablet shattered and Ye Chen suffered most of the damage! But it's not a big problem.

If it were not the critical moment, body refining and blood dragon protection, he would have had an accident.

And Xiao Huang did not suffer any damage because of Ye Chen's protection.

Ye Chen glanced at Xiao Huang, exhaled, and tried to stand up.

"Oh? Boy, it's kind of interesting to step into body refining, otherwise, someone in your realm, under my punch, I'm afraid it would have already turned into blood mist!"

"I am more and more interested in you, but unfortunately, the guy in your arms should not move! So, you have to be buried!"

Xing Tian Danzun roared, he no longer had the calmness he had before, and at this moment his anger was obviously dazzled!

He shook his hand slightly, and grabbed a Danding in his hand!

Danding is simple, sharp on all sides, like a sword! It is a weapon!

He stepped forward and suddenly let go, then the pill tripod flew towards Ye Chen!

Continuously rotating, once touched, it must be directly stirred into minced meat by that sharp spot!

Luo Yao opened her mouth wide, she wanted to help Ye Chen.

But it's not enough.

Even the father is not qualified to shake the anger of this Xingtian Danzun!

The faces of the injured Fang Lao and Lao Yang changed drastically, they rushed out, trying to help Ye Chen, but it was too late!

Na Danding's speed is too fast! Almost like a phantom!

Cui Yuan and others watched this scene with a cold smile on their lips.

In their view, everything is a foregone conclusion.

Even if this kid had God's help, he should not change the fact of death.

After all, it was Xing Tian Danzun who shot!

And Xing Tian Danzun also smiled gloomily.

Fierce, bloodthirsty.

In charge of everything, everything must surrender before him.

Ye Chen wanted to take out the Dragon Slashing and Asking Heaven Sword to resist, but found that it was too late.

Even communicating with the reincarnation cemetery is not qualified.

"Is this going to fall here?"

At this moment, between Ye Chen's eyebrows, a black mist came out.

Billowing black air surrounded Ye Chen's body.

Ye Chen's eyes also gradually turned red.

The endless black energy seemed to condense into an eye above Ye Chen's head.

This eye seemed to come from hell, from the darkest and most murderous place.

With a blink of his eyes, the bloodthirsty spread spread, and a void black palm appeared in front of Ye Chen!

The black palm actually held the Danding that came from the attack!

Dan Ding couldn't make any progress!

Xing Tian Danzun looked at the black giant palm and the eyes floating in the air, his expression became more and more ugly.

Not only that, but he actually felt cold all over.

"People of the Demon Race? How could it be possible!"

Didn't the people of the Demon Race disappear, how come back to Kunlun Xu?

He slowed down, thinking that his mount was turned into bones, he could no longer bear it, a drop of blood was forced out!

The Danding vibrated instantly, surrounded by blood, and its power expanded tenfold.

Obviously, the black giant palm couldn't bear much, after all, everything was built on Ye Chen's strength.

The gap between the two is too big.

Seeing that the black giant palm was gradually torn apart, the sharp part of Danding pierced Ye Chen's chest.

The distance is only a dozen centimeters!

"No matter who you are, and whether you are from the demon clan or not, I want you to die now, and I can't save you!"

Xing Tian Danzun said angrily, his strength increased again!

The huge black palm shattered directly.

Danding's sharpness pierced Ye Chen's chest even more.

It had been submerged for a few minutes, and the blood was gradually bleeding out.

Just when everything was a foregone conclusion, a figure flew quickly!

"Xing Tian! So bold, even the deity dare to move!"

Before Luo Xia had spoken, a Crimson Pill Cauldron broke through the air and slammed directly on the Pill Cauldron of Xing Tian Dan!

The sound of shock is like thunder.

The two Pills fly out together! The dust is surging, the wind is raging!

Then, the figure of a fairy wind road bone slowly fell, blocking Ye Chen's body.

It is Lingyi Danzun!

Lingyi Danzun glanced at Ye Chen, and he felt that Ye Chen had a familiar aura.

This can't feel wrong!

It's Lin Qingxuan!

Isn't Lin Qingxuan dead? But was born again on this kid?

Or take home?

He couldn't help thinking, when he saw the blood on Ye Chen's chest, an invisible anger filled his whole body!

He suddenly turned around! Staring at Xing Tian Danzun!

Xing Tian Danzun also looked at him, and even more puzzled: "Ling Yi, do you know what you are doing!"

"What are you doing?" Lingyi snorted and shot out a palm, "Of course I know what I'm doing!"

This palm was unexpected! Surprised like lightning!

It's too late for Xing Tian Danzun to hide!

Touch your chest directly!

The violent power surged wildly!

Xing Tian Danzun flew out on the spot, spouting blood!

Fortunately, his body turned over and stabilized his figure!

At this moment, everyone was dumbfounded!

Did the two powerhouses in Danxu Town actually start?

Why is the key Lingyi Danzun so angry? Just because of a young man from outside!

What a joke!

Xing Tian Danzun eased his shock from the shock, and became angry into anger: "Ling Yi, what are your nerves! You dare to move me! What you should move is the young man behind you! He indiscriminately kills the innocent! Addicted to the blood of my fierce leopard! It's even the remnant of the demons! If this kind of people don't kill, the law of heaven cannot tolerate it!"

When these words fell, no one thought that Ling Yi Danzun would step out in one step, and the whole body was angry!

Replied word by word:

"Today, whoever dares to move him is the enemy of my Lingyi Danzun!"

"Who dares to say that he is not, I will cut off your head with my own hands!"

"What if you are Xingtian!"

"Let me ask you, his chest hurt but you hurt!"

"If it is, then from now on, I will fight you Xingtian thoroughly!"

In just five sentences, the whole world fell into silence.

No one thought that Lingyi Danzun really wanted to protect Ye Chen!

even! Do not hesitate to fight Xingtian Danzun!

crazy!

This world is really crazy!

The two great Danzun went to war for a young man who had not even reached the Void King Realm!

This is destined to usher in an unprecedented earthquake in Danxu Town!

Chapter 1008: You're welcome!

Lingyi Danzun's words shook throughout Danxu Town.

It's spread far.

It echoed in everyone's ears.

These two wars are too harsh.

Luo Wuya stared at Ye Chen fiercely, even subconsciously spotting his true energy on his arm.

It hurts.

Not a dream!

The key is that he thought that the person behind Ye Chen was Lingyi Danzun!

Ye Chen's identity is absolutely extraordinary for Ling Yi Danzun to have such an attitude!

in case! If Luo Yao brought him to the Luo Family, he would gladly accept it instead of insulting and rejecting him. I am afraid that the Luo Family now possesses an amulet!

He even thought of stepping into the Danxu Pagoda today and seeing Lingyi Danzun, no matter how respectful he was, the other party would ignore him at all.

He readily accepted it, because Lingyi Danzun's position in his heart was too high.

unattainable!

And now, this unattainable person has such an attitude towards the young man he has always disdained!

With this attitude, he even felt a hint of flattery!

He really can't figure out why!

Luo Yao's body was trembling, and her expression was full of doubt and shock.

She knows that Mr. Ye has talent, and she knows that Mr. Ye has never stepped into Danxu Pagoda.

I thought I already knew Mr. Ye.

But now it seems that what I know is only the tip of the iceberg!

But if Mr. Ye really knew Lingyi Danzun, why didn't he tell the relationship?

With this relationship, what right does Mr. Jingshui have to dare to touch him?

There is no need for Mr. Ye to abide by the life and death arena agreement.

Does Mr. Ye have to rely on his own strength to shake Mr. Jingshui?

Luo Wuya also eased from the shock and regret, and said softly: "Yao'er, how did you and Mr. Ye meet?"

Before he knew it, Luo Wuya had changed his name to Ye Chen.

Luo Yao was startled, and immediately said: "I saw in the land of killing, the medicinal materials he bought were a little weird, so I paid attention to it. Later, the murderer seemed to be chasing this person, so I led the way through Luo family's power. Mr. left.

After that was what happened one day ago. Mr. Ye participated in the Kunlun Void Genius Competition on behalf of the God of Medicine, shaking everything with a strong posture. It is said that he also killed the elders of the Qingluanzong, and even the referee was not qualified to move him. Until Mr. Jingshui came forward and almost killed Mr. Ye, fortunately I arrived in time.

I wanted to take Mr. Ye away, but I didn't expect that Mr. Ye and Mr. Jingshui agreed to be in the life and death ring in Qianjue Square for two months.

No one can interfere! You should know everything after this. "

Luo Wuya's eyes shrank when he heard Mr. Jing Shui, and then secretly thanked him.

If it weren't for her daughter who has been forming a good relationship with Mr. Ye, I am afraid the Luo family is in danger!

Suddenly, he grabbed Luo Yao's hand and said with emotion: "Yao'er, my father always thought that he could see through all the situation, now it seems that it is not as good as you."

"Now as long as Mr. Ye thinks, my Luo family may disappear in Danxu Town at any time, and your existence is undoubtedly the most powerful protector of the Luo family. After today, I broke off marriage with the Cui family, and everything is up to you. ."

Luo Yao's eyes widened when she heard her father's decision.

She couldn't think of the things she wanted to change all her life, and finally changed because of Mr. Ye.

The key is that Mr. Ye didn't do anything!

Luo Wuya thought of something again, and continued: "Yao'er, try to maintain a relationship with Mr. Ye. In the life-and-death battle two months later, if Mr. Ye does not rely on Lingyi Danzun, it is impossible to win. My Luo family will protect Ye Chen at all costs! Even if it is an enemy of the entire Kunlun Xu sect!"

This is Luo Wuya's attitude!

He has already missed it once, so naturally he will not miss the second time!

Suddenly, a cold snort sounded!

From Xingtian Danzun!

Countless eyes shot at Xing Tian Dan Zun, just because Xing Tian Dan Zun's attitude will be everything!

I saw Xing Tian Danzun stepped a few steps and walked towards Lingyi Danzun.

The corners of the mouth are still stained with blood!

His pupils are grim and cold!

Suddenly, he stopped, his eyes met.

An invisible wave of air surged in all directions, and the floor bricks of Danxu Tower directly turned up!

All the trees within a hundred meters are uprooted!

The wind raged all over, and there was a bitter voice.

This is the power of the strong!

"Ling Yi, you actually went to war with me for a stinky boy? But first, you must figure out one thing, this Danxu Town is not yours alone! Offend me, it will not end well for you! Nothing to Danxu Town Good end!"

When Ling Yi Danzun listened to Xing Tian's words without any fear, he said in a cold voice, "What I just said is very clear. If you dare to touch him, don't blame my ruthless men!"

Xing Tian Danzun narrowed his eyes, offering a spirit sword in his hand.

The spirit sword is of very high grade, and the material is made of ancient profound stone.

I don't know how much blood is on it!

"Ling Yi, for your face, I don't need to pursue this kid, but the beast in his arms must be handed over to me! He swallowed the beast I worked so hard in captivity, and must pay for it!"

Xing Tian Danzun didn't dare to take a slant sword, so he could only say that.

This is his biggest regression!

Lingyi Danzun naturally didn't want to complicate things. He turned his head, glanced at Ye Chen, and said respectfully, "Are you willing?"

Ye Chen naturally couldn't agree: "The guy in my arms is not my pet, but a partner. If Xing Tian wants to move him, he must step on me! Otherwise, it is absolutely impossible!"

"understood!"

Lingyi Danzun's eyes flashed with determination, and said to Xingtian Danzun: "You have also heard it, absolutely impossible!"

Hearing this ruthless refusal, Xing Tian Danzun swept angrily! Since he did not even accept his biggest concession, there is no need to talk about it!

On alchemy, he is not the opponent of Lingyi Danzun! Otherwise, this Dan Xu Tower would not be guarded by Lingyi!

But in terms of combat power, he is not afraid at all!

The long sword in his hand turned, and the pressure instantly overwhelmed the sky.

The sword light seemed to swallow the world, and like a thousand beasts galloping, carrying the crisis of death, it went directly to the little yellow in Ye Chen's arms!

"Boom!" The sound of thunder exploded!

The storm was surging. Lingyi Danzun did not dare to take it lightly. With a grip of five fingers, the Danding appeared in the palm of his hand.

Smash it directly at Jianguang!

In the next moment, the heavens and the earth were all obscured.

Waves of air, like substance, spewed out toward the surroundings.

Then, the two suddenly separated!

Lingyi Danzun and Xingtian Danzun have stepped back ten steps! There was a hesitation in both eyes.

If it weren't for injuries, Xing Tian Danzun had at least six levels of certainty to win!

But now, the two of them can't stand up to each other!

"If I were you, I would leave my Danxu Pagoda with my tail clipped now! Even if you are in charge of Danxu Town, don't forget that Danxu Pagoda is the real core here!"

Chapter 1009: Not afraid to fight!

Lingyi Danzun is not polite!

He does not want to fight, but he is not afraid to fight! When necessary, have to fight!

Only for the three words Lin Qingxuan!

This is his attitude!

This sentence completely angered Xing Tian Dan Zun. If things are not handled cleanly today, where will his majesty in Danxu Town be shelved in the future!

He snorted coldly, offering a disc, the disc flickering, and ancient words circulating on it.

In an instant, six light pillars around Danxu Tower appeared out of thin air.

Ye Chen behind Lingyidanzun saw this scene, his eyes were deeply shocked!

This is the Primordial World Destruction Array!

Cang Haiping once popularized it when he taught him the way of amulet!

Although that array is just a broken copy, it may not be able to exert one percent of the power of the Primordial Annihilation Array!

But even if it was one percent, it was not something Lingyi Danzun could contend!

He looked at Lingyi Danzun again and found that the latter's eyes were heavy.

He was already very touched that Lingyi Danzun was able to help him. If Lingyi Danzun was injured, Ye Chen would feel very sad.

This is the grievance between him and Xing Tian, can't hurt others!

No longer thinking about it, Ye Chen stepped forward and said, "Ling Yi Danzun, this matter started from me, and it should be ended by me. Senior, let me take it."

Unexpectedly, Lingyi Danzun only left one sentence: "Even if my Lingyi is dead today, I can't let you suffer any harm!"

After the words fell, his body rushed out, grabbing the Danding in his hand, and threw it directly into the air.

A drop of blood was forced out, fingers quickly pinched the tactics, the blood shot into the Danding, and there was a violent vibration.

Finally, a huge sign descended from the sky!

"Today I will accompany to the end as soon as I am!"

With a loud shout, the light of Rune burst out!

Between heaven and earth, it seems to be distorted by a force!

The violent impact even made Ye Chen couldn't help his blood surge, he glanced at Xiao Huang in his arms.

The sense of weakness is getting weaker and weaker, but the surface of the body is flowing with light that has evolved like the last time.

The surrounding crowd dispersed again, and this battle of the strong is not something they can resist.

Xing Tian Danzun sneered again and again, and there was a voice of compassion in the array. Suddenly, a mountain was suspended among the six pillars of light.

The power of the mountain slammed into the pill cauldron in the sky of Ling Yi Danzun.

Leave nothing.

Before the two forces touched, a crack appeared in the Danding.

Lingyi Danzun's face changed slightly, no longer hesitating, his whole body was suspended in the air, and then one drop, two drops of essence and blood slapped on the Danding.

Dan Ding's red light flashes! Very dazzling!

Afterwards, a full eighty-one sword intents emerged from the Danding, the sword intents intertwined, descending from the sky like a net of heaven and earth!

As if to close the mountains!

Xing Tian Danzun narrowed his eyes and said indifferently: "It seems that for so many years, I still underestimate you. Having been silent in the Pill Xu Pagoda not only makes you stronger, but also martial arts is so interesting, but this power is not enough! "

Looking at him, if these eighty-one swords intend to break through this formation, it would be a foolish dream!

"Really? Excuse me, the show has just begun!"

Ling Yi Danzun was unmoved, a gleam of light flashed in his eyes!

"Turn nothing into existence, endless life!"

With a scolding, those eighty-one sword intents were divided into two and two into four!

The entire sky seemed to darken!

As the gods descended into the world, they blasted directly on the mountains.

Every sword intent is extremely strong.

Every sword intent carries a killing air, like a sickle of death.

Sword energy, suppress everything!

At the same time, Lingyi Danzun's face has also paled a lot. Obviously, he needs to pay some price to use this trick!

I can't manage that much now!

"Wow!"

The sea of swords and darkness swallowed the mountains, and the six pillars of light shattered!

A mushroom cloud-like force rushed straight into the sky.

Xing Tian Danzun's formation shattered on the spot, and his endless power was like a river dumping.

"Puff!"

Xing Tian Dan Zun and Ling Yi Dan Zun were hit by the air wave on the ground without warning, and they vomited blood!

Obviously, both lose out!

This power is too domineering.

Even those onlookers are leaning back.

Some people with low cultivation bases directly turn into blood mist.

The smoke and dust billowed high.

When the dust fell and everything became clear, Xing Tian Dan Zun and Ling Yi Dan Zun barely supported their bodies and stood up.

A trace of hesitation flashed in both eyes.

Xing Tian Danzun stared at Ye Chen steadily, saying every word: "Ling Yi, you can protect him for a while, and you can protect him for the rest of his life? Your duty is to guard this Pill Void Pagoda, you can't follow. This kid leaves Danxu Town, waiting for him to leave, is his death day!"

His eyes are extremely crazy.

Lingyi Danzun did not speak, this is where he hesitated most.

He can't leave Danxu Town too far, his mission is destined to be tied here.

If Ye Chen wants to leave, what should Xing Tian Danzun do?

Xing Tian saw Ling Yi Danzun's hesitation, his eyes rolled, and suddenly he thought of something!

"Lingyi, you should not know the whole story! My mount has an accident, I can treat it as not happening, but the fuse that ignited all this is the grudge between the kid behind you and the kid Cui family!"

"Instead of fighting between the two of us and disrupting the balance of Danxu Town, let the two of us resolve each other's grievances!"

Xing Tian knew very well that this Lingyi Danzun was a lunatic, planning to die with him!

Although he is not afraid of Lingyi Danzun, the damage to him is too great.

He must minimize the loss!

And borrowing a knife to kill is undoubtedly the best way!

Ye Chen's talent in the alchemy is at most crossing the fourth floor of the Danxu Pagoda, but he has heard that Cui Ruicheng, the kid of the Cui family, has the highest alchemy talent among the young generation, and has even been appointed by a certain power!

Comparing the two, if it is solved with the alchemy, the Cui family boy will definitely crush!

If the grievances between these two people are used to solve the problem, then Ling Yi Dan has no right to act!

Ling Yi Danzun narrowed his eyes: "How to resolve their grievances?"

Xing Tian sneered coldly: "In Danxu Town, it is natural to use Danxu Town's means to solve the problem. The two simultaneously mobilized the statue of the Dan God to withstand the life and death test of the Dan God! Loser, death! Winner, live!"

Hearing these words the crowd took a breath!

In addition to Danxu Tower, Danxu Town has a tombstone and statue behind it!

This tombstone and statue even appeared a few minutes earlier than Dan Xu Tower.

Legend has it that Dan Xu Tower is the magic weapon for this person!

So it is known as the \*\*\*\* of pill!

The statue of the alchemy \*\*\*\* is alive, if there are many people standing in front of the statue, arouse the spirit of the body.

One person will be recognized by the statue and enjoy the best chance!

There is only one person!

The rest will die!

Soul, the body will be annihilated!

Like an ancient sacrificial ceremony!

Chapter 1010: Come, eat candy!

Because it was too terrifying and dangerous, a hundred years ago, the Lingyi Danzun and Xingtian Danzun were sealed with spells.

No longer open.

But now Xing Tian Dan Zun actually wants to turn on again, which frightened everyone.

Especially Cui Yuan!

Cui Yuan is soaked all over, he is a single pass, Cui Ruicheng is already injured, if he confronts the statue of Pill God, he will definitely die!

He looked at Xingtian Danzun tremblingly, and said with a trembling voice: "Master Danzun, the child is already injured, or else change another way..."

Xing Tian Danzun's eyes condensed: "Do you think you have the right to choose? But I heard that your son's alchemy talent is against the sky, don't you have so much confidence in your son?"

Cui Yuan glanced at Ye Chen, embarrassed: "I'm naturally confident in my son's alchemy, but Ye Chen's martial arts strength is very strange. If he shoots my son halfway, then my son will undoubtedly die..."

Xing Tian Danzun coldly snorted: "You can rest assured that with me, that kid can only use the energy of the pill! As for the other methods, don't think about it!"

After that, he turned his head to look at Lingyi Danzun: "How? Can you bet?"

Lingyi Danzun glanced at Ye Chen, and naturally felt that the aura of the pill Dao on Ye Chen's body was not strong, even as if it were Fangen.

It's just that this fangen is very special, and there are some differences from the general fangen, and he can't tell the specific difference.

Although Ye Chen and Lin Qingxuan have some connections, but facing the statue, it is entirely based on the talent of alchemy.

He had heard of that kid from the Cui family, and he had even seen it when he went to Dan Xu Tower!

Talent is considered the best in a century, and Linggen is a rare pill vein!

Compared with a Fangen and a Pill Spirit Vein, Ye Chen will lose, naturally he cannot agree.

He just wanted to refuse, but behind him came a firm and cold voice: "I promise!"

Xing Tian Danzun sketched an evil smile at the corner of his mouth and nodded: "Yes, kid, you are like a man now! No matter what the outcome is, I won't move you again!"

"Cui Yuan, bring your son, as for his injury, I will naturally restore him to his former condition!"

Cui Yuan nodded quickly and disappeared in front of everyone.

When Ling Yi Danzun heard Ye Chen's promise, he quickly persuaded: "This matter can be big or small. It's not a matter of strength or means. It's entirely a matter of talent. I hope you will think about it."

Ye Chen shook his head: "Don't think about it, that's it."

Although Lingyi Danzun wanted to say something, in the end he shook his head and stopped talking.

Before clarifying the identity of Lin Qingxuan and this person, he still didn't say much.

Five minutes later, Cui Yuan came with the injured Cui Ruicheng.

When Cui Ruicheng saw Ye Chen, the anger in his eyes completely rushed out!

He couldn't wait to \*\*\*\* Ye Chen's blood away and peel off Ye Chen's skin!

But the injury on his body was too serious at this moment, there was no way to attack Ye Chen.

Cui Yuan quickly said, "I haven't seen Lord Dan Zun yet!"

Cui Ruicheng was startled, and then noticed Xing Tian Danzun not far away. Just about to kneel down, Xing Tian Danzun waved his sleeves and said, "You don't need to kneel, let me see your injuries."

The words fell, Xing Tian Danzun pointed on Cui Ruicheng's forehead.

In an instant, a holy light enveloped Cui Ruicheng.

Cui Ruicheng's broken bones are recovering more and more, and the injuries on his body continue to decrease.

Subsequently, Xing Tian Danzun took out a pill.

The texture of the pill is extremely simple, and the surface emits a blue light.

As soon as the pill came out, the strong pill fragrance was covered.

Someone even exclaimed: "This is the Green Burning Body Recovering Pill! It is said that taking one, not only can repair the injury, but also increase the cultivation level. This is the treasure that countless experts in Kunlun Xu have always wanted!"

Cui Yuan and Cui Ruicheng swallowed, their eyes hot! No one wants such a big handwriting by Xing Tian Danzun.

This is a great opportunity!

If today, Cui Ruicheng is truly affirmed by the Pill God, and even enjoys the supreme divine light, then Cui Ruicheng will surely grow into an overlord in the future!

It can even be said to be the level of Danzun like them!

The Cui family is going to skyrocket!

Suppress all families!

"You still refuse?" Xing Tian Danzun's cold voice sounded.

Only then did Cui Ruicheng react and nodded quickly: "Yes, yes, thank you Lord Dan Zun, I will definitely not shame Lord Dan Zun."

Xing Tian Danzun's eyes narrowed slightly: "If you only talk about the elixir, can you have the confidence to beat that kid?"

Cui Ruicheng took the Blue Burning Complex Pill, and bursts of cyan light burst into his body.

The light covers everything, the cultivation base is constantly rising, and the pill energy on the body is getting stronger.

Cui Ruicheng clenched his fists, staring at Ye Chen, and replied: "Don't worry, Dan Zun, I am silent on the alchemy, and I am a minor in martial arts. The martial arts is inferior to that kid, so I am naturally injured, but if I discuss the alchemy, I have enough qualifications. Crush that kid! He must die!"

Xing Tian Danzun was very satisfied, he could feel that Cui Ruicheng's pill energy was very strong.

It is almost impossible for this kind of alchemy genius to lose to a Fangen.

And when Lingyi Danzun saw this scene, he naturally wouldn't make Ye Chen suffer. He took out a scarlet pill and handed it to Ye Chen: "That Qing Burning Body Pill is precious, but My Chi Yuan Tyrant Body Pill is not weak, he can strengthen your physical body and repair your injuries, and even make your pill energy more solidified. Take it!"

When everyone saw this red pill coming out, their eyes were extremely hot!

envy!

The two Dan Zun did not fight against each other, but they used this method to compare. The two young men benefited the most!

Unfortunately, only one of the two will survive.

In the envy of everyone, Ye Chen took the pill and looked at Lingyi Danzun curiously: "This thing should not only be eaten by people."

Lingyi Danzun was taken aback and nodded: "Of course it's not just limited to people. Some spirit beasts with strong flesh and blood can also be taken. What do you ask this for?"

Ye Chen didn't answer. Instead, under the eyes of everyone, he touched Xiao Huang in his arms and said softly: "Xiao Huang, open your mouth, feed you a candy."
