Chapter 101: Get out of here!

Ye Chen didn't think much, and walked directly to the Zhu's villa.

When I walked to the door, two cold voices sounded at the same time:

"No one is allowed to step into the military's important place! Offenders will be killed!"

Ye Chen didn't pay attention to such threats, and smiled: "I'm looking for Zhu Zixuan, I'm her friend."

But the two didn't pay attention to Ye Chen at all.

Ye Chen would naturally not break in by force. Although he was not afraid of these people, if the Zhu family was surrounded by national security, he would only cause trouble for himself.

Ye Chen thought for a few seconds, now he can only use the relationship.

There are only two people with military background, Ying Qing and Bai Libing.

He didn't have Ying Qing's phone number. He could only dial Bai Libing's phone from the corner.

"Ye Chen... why did you think of calling me?" Baili Bingsha sounded.

"There is something I want to trouble you." Ye Chen said.

Bai Libing on the other end of the phone was startled. In her opinion, Ye Chen's strength is so terrifying, he still needs her help?

"You said... I will help if I can help."

"Do you know what happened to Jiangcheng Zhu's family? I am going to enter the Zhu's villa now, but I was stopped by military forces." Ye Chen said.

Bai Libing naturally didn't know about Zhu's family. She directly replied to Ye Chen: "You wait at the door for a while, I will contact someone, and he will come and help you."

The phone hung up.

About ten minutes later, a red flag car with a special license plate drove into the Zhu's villa.

A middle-aged man with a Chinese face got out of the car, and he ran towards Ye Chen and offered a standard military salute: "Mr. Ye, Miss Baili asked me to come."

Ye Chen nodded, but he did not expect Bai Libing to be so efficient.

No nonsense, the middle-aged man came directly to the gate of Zhu's house, glanced at the two men stationed at the door, and took out a certificate from his pocket.

The certificate was opened, and the two garrisoned soldiers were taken aback, stood at attention, and saluted a military salute. Just as they wanted to speak, the middle-aged man gestured with his eyes, and they closed their mouths.

The middle-aged man turned to Ye Chen and said, "Mr. Ye, let's go in together."

"it is good."

Soon, Ye Chen was accompanied by a middle-aged man to the living room of Zhu's villa. He found that the living room was almost completely surrounded by armed forces.

And sitting on the sofa in the living room are Zhu Rende, Zhu Zixuan and a couple. The couple should be Zhu Zixuan's parents.

Zhu Zixuan saw Ye Chen for the first time, and exclaimed: "Mr. Ye!"

Hearing this voice, Zhu Rende also raised his head.

Ye Chen found that Zhu Rende's eyes were almost sunken and his face was pale, as if he was a teenager.

I haven't seen you in just a few days, how could Zhu Rende become like this?

Ye Chen walked over and sat on the sofa.

The armed forces wanted to stop Ye Chen, but the middle-aged man took out his ID, and they stopped moving.

"Old Zhu, what did you post?"

"Mr. Ye, if I'm causing you trouble, don't get involved in this matter, I can do it alone." Zhu Rende's voice was a little hoarse.

Zhu Zixuan hurriedly sat beside Ye Chen and said excitedly: "Mr. Ye, this is what happened. A few days ago, a big man went south and came to Jiangcheng. He was unwell, so he prepared some medicines in our Derentang. , But who would have thought that there was a problem with the medicine. I remember that the medicinal materials were selected by my grandfather himself, and after checking it several times, there was no poisonous weed at all, but the big man took it and there was a problem..."

Ye Chen's eyes narrowed slightly. Obviously, something went wrong in the middle link, and the medicinal materials were dropped. The Zhu family would not be stupid enough to do such unfavorable things.

As for who it is, it doesn't matter now, the most urgent thing is to save it.

Although the Zhu family did not say which important person it was, judging from the armed forces of the villa, that person's position at the top was not low.

"How is that guy..." Ye Chen asked.

Zhu Rende trembled and shook his head: "It is still being rescued, but the problem is very serious. If he has an accident, not only the Zhu family in Jiangcheng will be destroyed, but also the Zhu family in Jiangnan Province... Alas! Why! Who will harm our Zhu family!"

Ye Chen stood up and said seriously: "Where are the people, as long as there is a breath, I can save it!"

As soon as these words came out, the eyes of the whole house locked on Ye Chen.

Shocked, surprised.

can it be saved?

Save a fart!

can't get back to heaven, what can you do to help?

Zhu Rende was a little dazed.

Although Ye Chen went to Derentang to buy medicinal materials, the medicinal materials he bought were all medicinal materials for cultivation. Naturally, the Zhu family would not think of what kind of genius doctor he is.

If you talk about martial arts strength, Zhu Rende will believe Ye Chen without hesitation.

But this is a matter of life and death, not a trifle!

Budo master, can kill people, but won't save people at all!

Zhu Zixuan's father, Zhu Weifeng, couldn't stand it anymore, and said to Zhu Rende, "Dad, things have become a mess, so don't let an outsider make trouble!"

Zhu Zixuan's mother Jiang Yali also blamed Zhu Zixuan: "Zixuan, you just called this person? Do you think our Zhu family is not miserable enough? Now that one is still rescuing, and this kid who has no full hair intervenes. What is the use!"

Ye Chen ignored these two people and stared at Zhu Rende with scorching eyes: "Old Zhu, if you believe me, I will take action. If you don't believe me, I will leave now."

Ye Chen's helping the Zhu family is love, but not helping the Zhu family is his duty! It's Zhu Rende's choice!

At this moment, Zhu Rende hesitated.

Jiang Yali hurriedly said: "Dad, don't be old-fashioned, do you know what the foundation of this guy is? There is nothing like hair..."

Before he finished speaking, Zhu Rende slapped a palm on the table and glared at Jiang Yali fiercely: "You mother-in-law shut up, Zhu's family, I'm the one! Can you insult Mr. Ye? Mr. Xiang Ye Apologize! Otherwise, get out of Zhu's house immediately!"

Jiang Yali was frightened. She hadn't seen her old man get such a bad temper, and she quickly bowed her head to apologize to Ye Chen: "Mr. Ye, I'm sorry..."

Then, Zhu Rende looked at Ye Chen, gritted his teeth and said: "Mr. Ye, I choose to trust you."

He wants to gamble! Gamble on the luck of the entire Zhu family!

The Zhu family is already a dying clan! But Ye Chen is the only existence capable of turning the tide!

"Okay~www.mtlnovel.com~Where is that person, take me there now."

.....

Ten minutes later, the military vehicle stopped.

They came to a quiet place.

There is only one building here, a bit like a private hospital, but the armed forces and soldiers outside show that this place is by no means ordinary.

With the middle-aged man Bai Libing called, everything has become much easier.

But everyone in the Zhu family is handcuffed and there is no freedom at all.

They took the elevator directly to the 6th floor of the hospital.

Ye Chen even felt a few strong breaths.

The ancient martial artist.

Outside the operating room, Ye Chen saw eight people, four men and three women, who were quite old, and they should be the children of the elder who operated on inside.

The eight people naturally noticed Zhu Rende.

"Damn, you dead old man dare to come here! Say! Who told you to deal with my dad! I put the words here, if something happens to my dad, I want everyone in your Zhu family to bury them!"

One of the burly men rushed over with blood red eyes.

The footsteps are windy, and the energy is sweeping.

Ancient warrior!

Because of the anger on the head, the man directly swung a fist towards Zhu Rende.

Everyone's face changed a lot!

With this punch, Zhu Rende's figure couldn't hold it!

Just when his fist was about to hit Zhu Rende's face, Ye Chen stretched out one hand and directly grasped the vigorous fist.

"You are not qualified to do anything until the person inside wakes up."

"Now, get out of here!"

Chapter 102: The suggestion is to order!

A 'roll' word fell, and at the same time, Ye Chen rolled up a strong energy and pushed it out!

felt an overwhelming force, the burly man's face changed drastically, and he stepped back six steps!

steady his figure, his face is shocked!

"It turns out to be the master of transformation!"

The man also wondered what Zhu Rende had the guts to come here!

It turned out to be a great master as a backer!

But even if ten masters of the realm of transformation came today, they could not save the Zhu family, just because he offended the state apparatus!

The man stepped out and stared at Ye Chen and said, "Boy, don't think you can do whatever you want in Jiangcheng because you are a grandmaster. China has no shortage of grandmasters! If you still stand on Zhu's side now, I promise you will regret it. of!"

Threat!

Naked threat!

"You're finished?" Ye Chen said lightly, "Since I'm finished, get out of here!"

The man was startled, but he didn't expect that this kid would dare to be so mad when he was under the direct control of the army!

Who gave him the courage!

No, how did the key group of people come up?

His gaze soon fell on the middle-aged man arranged by Bai Libing.

He happened to know him.

"Luo Zhengguo, why are you here? You brought these people up? Do you believe I will take you to a military court!"

"You should know who is operating inside. If something happens to him, Bai Lixiong will not be able to save you!"

The man almost roared.

Just as Luo Zhengguo wanted to talk, the lights in the operating room turned on.

Two doctors in white coats hurriedly walked out, bowed their heads, their complexions were very bad.

The burly man turned around and grabbed a doctor's clothes and asked, "How is my dad?"

"Yes... I'm sorry... the chief... the poison has spread, and I really can't help it... We really tried our best."

Before the doctor finished speaking, he was thrown out by the burly man.

"A bunch of trash!"

"It's all waste!"

The burly man's eyes were bloodshot. He stared at Zhu Rende, now he has no scruples!

Zhu Rende must die!

As soon as he was about to take a shot, he felt a dark shadow passing by his shoulders.

"Boom!"

In the next second, the door of the operating room closed directly!

The speed is too fast, so fast that everyone has no reaction at all!

The burly man pressed his hand on the door, and just about to break it open, he found that his strength seemed to hit the cotton and disappeared.

how is this possible?

The door of the operating room in front of it is like a wall!

can't push it!

"this is....."

His cold eyes glanced around and found that only the young man who had just started it was gone!

Father has already had an accident. If his body is also destroyed, the consequences will be disastrous!

The man stopped hesitating, and just about to violently break the door open, Luo Zhengguo appeared in front of him.

"Give Mr. Ye a chance, Mr. Ye may be able to save the chief. If something goes wrong, I will go to the military court myself."

Luo Zhengguo said righteously.

The reason why he said this was because he remembered what the young lady had said on the phone and helped Ye Chen at all costs.

Ye Chen is extremely important to the commander!

The burly man calmed down. He understood Luo Zhengguo. The other party did not fight insecure battles and could guarantee his future, which showed that he completely trusted the young man.

Although this trust is a bit inexplicable, he still chose to give it a try.

"Well, I only give him ten minutes. Ten minutes without any results, I will break in. Also, if my dad's body is destroyed, I promise you will die miserably."

The atmosphere is extremely tense.

.....

Operating room.

Ye Chen could already feel the death aura exuding from the old man, but what the doctors said was correct.

The toxicity has spread.

But it does not mean that it cannot be saved!

There was not much time left for him, Ye Chen quickly took out the pill from his pocket and let the old man take it directly, and then used Zhen Qi to disperse the pill to help the old man absorb it.

Ye Chen keeps running the zhenqi, and the zhenqi is condensed and formed, and one finger is on the center of the old man's forehead.

I saw that the whole body of the old man was covered with a layer of light yellow, and the light wrapped the old man.

The dark spots on the old man's body gradually faded.

Ye Chen once again took out an elixir and asked the old man to take it. He glanced around and found something. He closed his fingers slightly, and sucked a pack of silver needles into the palm of his hand.

He spread out skillfully, his fingers danced quickly, and the silver needles dropped precisely like beating notes.

A total of thirty-six silver needles, all trembling.

After doing all this, Ye Chen carried Zhen Qi in his palm, and drew an ancient rune on the upper body of the old man.

In the next second, a dazzling golden light flashed on the chest of the old man!

The light gradually dissipated, and the trembling silver needles actually overflowed with traces of black air!

As if the poison of the old man's body evaporates continuously along the silver needle!

Five minutes later, the black qi disappeared completely, and the original straight line ECG actually produced fluctuations, and the fluctuations became stronger and stronger!

The old man's face is flushed!

Ye Chen glanced at the old man and noticed that his body was full of wounds. He couldn't help but exclaimed: "For such an old man who is fighting for the country, who is so vicious to hurt him?"

"But meeting me, Ye Chen, is that you should never die, even if you do a good deed for the country."

Ye Chen was about to leave, when the old man's eyes suddenly opened.

When I saw the young man's back, there was a glimmer of light in the muddy eyes.

"Genius doctor, stay!"

Ye Chen stopped. He didn't expect the old man to wake up so quickly, so he said:

"First, the poisoning matter has nothing to do with the Zhu family. Please deal with this misunderstanding.

Secondly, during my treatment, I found that the poison on your body is a chronic poison. You have been taking it for more than a month. As you are, it is impossible for outsiders to do it. It is time to clean up the internal disease. "

Ye Chen's voice fell faintly, not so much as a suggestion, but as an order!

If those who control the power knew that Ye Chen actually ordered this old man like this, it would definitely cause an uproar!

The old man heard Ye Chen's words ~www.mtlnovel.com~ and was slightly startled, and immediately thought of something, nodded and said, "Thank you."

What he wanted to say, Ye Chen had already pushed the door and left.

outside the operating room.

The originally tense atmosphere became more tense because of Ye Chen's appearance!

The burly man looked at the time, and only eight minutes passed! This kid is over?

obviously did nothing!

He was just about to see if his father's body was damaged, only to see an old man in a hospital gown came out!

is his father!

"Hiss——" At this moment, everyone present took a breath.

really alive?

The old chief is alive!

The key is still standing up! Like a okay person!

Those few doctors who were almost assaulted collapsed to the ground with a **** expression.

Luo Zhengguo's eyes were also extremely wide, and he roughly understood the whole thing.

The old chief was all announced by these top doctors when he died. Ye Chen went in for a few minutes, and he came alive?

What's happening here?

Although he helped Ye Chen to get through the relationship at night, it was entirely because of Bai Libing's face!

For Ye Chen, he actually doubted it!

But the current situation completely exceeded his understanding.

Genius doctor? Budo master?

He subconsciously looked for Ye Chen in the crowd, but there was no shadow of Ye Chen on the entire sixth floor!

Doesn't this guy know who he saved?

didn't even stay?

Once you have a good relationship with this old chief, he can walk sideways throughout Jiangnan Province!

Chapter 103: I will protect it!

The old chief's eyes swept around, and he was also looking for Ye Chen's figure.

But after a lap, I didn't find it at all.

He can clearly feel the state of his body, not only is the poison removed, but the whole body is also extremely light.

is like returning to the state it was 20 years ago.

The more this happened, the more surprised he was.

That young man's methods are too far-reaching.

The burly man reacted and rushed forward with a sprint, quite excited: "Dad, is it really you? Are you alive?"

The old chief snorted coldly: "Could it be that you still want me to die?"

"No, no, no... Dad, I didn't mean that... but the doctor just said that you..."

The burly man did not go on, he even thought in his heart, could it really be that kid who rescued him?

The old chief glared at his son and said, "If it weren't for the genius doctor, you might really have to prepare a coffin for your old man!"

After finishing speaking, the old chief walked towards Zhu Rende and the others. He remembered Ye Chen's explanation before leaving.

The soldiers saw the old chief come over and quickly saluted a standard military salute: "The chief!"

"The Zhu family is innocent! Get rid of the handcuffs! What right do you have to do this!" the old chief said seriously.

"Yes, the chief!"

Soon, everyone in the Zhu family regained their freedom. They looked at the old man in front of them, some of them were afraid to speak.

Although the old man has retired, the invisible power he holds in his hands is terrifying.

"I have troubled your Zhu family these days, I apologize to you." The old chief said.

This can scare Zhu Rende and others to death!

How can they bear the apology of such a big man?

It doesn't matter if a few people repeatedly expressed their opinions.

The old chief nodded, and changed the conversation: "Do you know the genius doctor from the Zhu family?"

At this moment, all the talents suddenly the old chief apologized!

is obviously because of Ye Chen!

Without Ye Chen, they might not even have freedom!

Zhu Weifeng and his wife looked a little ugly. When they thought of their own attitude towards Ye Chen in the living room at the time, they wanted to draw their ears.

If the old man was not alone at that time, the Zhu family might really be over!

Zhu Rende turned his head and said to the old chief: "The chief, the young genius doctor named Ye Chen, is a little friend Zhu met by chance..."

"Ye Chen, good name..." The old chief nodded thoughtfully, and said again, "Do you know his contact information?"

"I know, but Mr. Ye doesn't like to disturb..." Zhu Rende was a little embarrassed.

After all, without Ye Chen's permission, it is not appropriate to rashly sell his information.

The old chief nodded, and didn't force it. It was easy for him to know someone's information.

Suddenly, he turned around, and his muddy eyes became a little cold. He stared at a somewhat flustered woman, and told the guards around him: "Little Cui, send the Zhu family back to the villa! Pick it up! I'm going to clean up some cancers!"

"Yes, the chief!"

.....

night, ink is like black.

To the north of Jiangcheng, there is a bamboo garden near Qiu Huang Mountain.

There is a courtyard house in the bamboo garden, which is the mansion of the Jiang family.

At this moment, inside the Jiang family mansion, the atmosphere is solemn to the extreme, and there are three coffins in the middle of the courtyard!

A middle-aged man wearing a training room sat on the high hall, his body trembling, his eyes red!

He is Jiang Yuanli, the strongest martial arts master of the Jiang family!

All the masters of the Jiang family around were afraid to exhale, they knew that Jiang Yuanli was on the verge of an explosion.

After all, his favorite son Jiang Wenlin is dead!

and it was a tragic death!

When the coffin appeared at the door of Jiang's house, Jiang Yuanli threw an angry punch, and the ground left a huge mouth!

Grandmaster's Wrath is not something ordinary people can bear!

"Pop!" Jiang Yuanli above Gaotang patted the table next to him with a palm, and almost instantly, the table shattered!

A powerful wave of air bombed in all directions.

Several Jiang family masters couldn't help but backed up a few steps, and their blood surged.

"Who is it! Why do you want to move my Jiang Yuanli's son! Why!"

"The whole Jiangcheng, who would dare not give me face so much!"

A terrifying roar resounded ten miles around!

Jiang Yuanli's body trembled, a few seconds later, he suppressed the anger in his heart forcibly, and looked at the two young men.

"Wen Shui, Wen Li, who sent the coffin, have you found out?"

A young man stepped forward and shook his head and said: "Dad, we compared the appearance of those people. It seems that they are not from Jiangcheng. The details are still under investigation..."

Jiang Yuanli stood up directly and snorted coldly: "Looking at Jiangcheng, there are not many who dare to kill my Jiang family! And this time Wenlin was involved in the auction. You should investigate everyone at the auction! Remember it is. Everyone! Even if you search Jiangcheng, you must find the murderer! I want him to die, and I want him to watch the tragic death of a person next to him!"

.....

Dadu Apartment.

Ye Chen returned home at 9 o'clock in the evening. He thought that the second daughter was almost asleep, but when he opened the door, he felt something wrong.

there is a breath of outsiders entering.

The door opened, and the atmosphere in the living room was a bit quiet.

And he was surprised to find that not only Xia Ruoxue and Sun Yi were in the house, but there was also a noble woman standing, seeming to be facing Xia Ruoxue.

Looking at the back, Ye Chen understood that this is Xia Ruxue's mother.

There were two bodyguards standing beside Mother Xia, both of them were ancient warriors, and their realm was not weak.

Naturally, Mother Xia also noticed Ye Chen entering the door, glanced at her eyes, snorted, and then said to Xia Ruoxue: "You have stayed in such a shabby place these few days, your habit? You don't even have a bathtub, why are you? Take a bath?"

"Ruoxue, don't play tricks, you can not go back to Jiangnan Province, but you must also live back to Jiangcheng Villa."

Xia Ruoxue's eyes were cold and unhappy, she raised her head and said, "Mom, I think it's nice here, at least it's warmer than that cold villa! It's getting late, I have to rest, you can go."

Sun Yi doesn't know what to do next. Her apartment itself is a compact commercial apartment, so naturally there is no room for a bathtub, but the living is okay. Xia Mu and Xia Ruoxue have been arguing for a long time, she doesn't know if she should advise.

Xia Mu shook her head and said, "It will be your birthday some time later. I have already prepared a birthday party for you. This time, for you, I specially put the party in Jiangcheng. This is my biggest step backward. You and me Go back, at the time of the banquet, you will see the true pride of heaven."

Why Xia Ruoxue didn't understand her mother's intentions, and she refused directly: "Sun Yi has promised me a birthday. I don't care about any banquet! That's it!"

Mother Xia's expression was a bit wrong, and finally she gave a notice: "Ruoxue, will you come back with me? You are the daughter of the Xia family. You live in this miscellaneous place. Who will guarantee your safety..."

Before he finished speaking, Ye Chen said, "I will protect her safety!"

Chapter 104: The storm is coming!

Xia Mu turned around, looked at Ye Chen next to her, and sneered: "Ye Chen, I know everything about you. If you were truly able to protect Ruoxue's safety, how could your parents die back then? The rules of the world? It's beyond your imagination! You, a person who can only struggle at the bottom, don't deserve to make such a promise!"

"Xia" with the word Zhuji, Xia Ruoxue couldn't listen anymore, and quickly said: "Mom, you are too much!"

Mother Xia stared at Ye Chen interestingly. Seeing that the other party didn't say a word, she said: "Excessive? Where is the excessive? I just let this kid see the world clearly!"

"Ruoxue, I really don't understand, why would you admire this kid? You need ability and no ability, status and status. You also heard the big talk that day. Within half a year, the Xia family can't afford it. Don't you think Is this kind of man ridiculous! Now he even threatens to guarantee your safety, what guarantee does he take!"

For a while, Xia Ruoxue couldn't refute it.

Although she wanted to believe that Ye Chen could do it, she had to face the weight of reality.

Ye Chen couldn't do it, even if a miracle happened.

The hierarchical ladder in this world has always existed. It is too difficult for the poor or the people at the bottom to break the ladder.

This is why the poor are getting poorer and the rich are getting richer.

There is a huge gap in starting point and resources between the two.

Just then, a lazy voice rang in the ears of Xia Mu and Xia Ruoxue: "The appointment of half a year, the time has not come, you are not qualified to speak."

"As for Ruoxue's safety, I can indeed protect it."

Mother Xia heard such blatant remarks, and just wanted to refute, Ye Chen had already spoken: "Do you think these two people by your side can guarantee your safety?"

His eyes were indifferent, but there was a hint of coldness.

If the woman in front of her was not Xia Ruoxue's mother, she might have become a cold corpse long ago.

Mother Xia was startled, and immediately looked at the two bodyguards behind her.

This is an ancient martial expert invited by the Xia family, whose strength is extremely terrifying.

When a car nearly hit her, she saw one of them with her own eyes and slapped the front of the car with a palm, the body almost twisted!

But that person has nothing to do!

Such a strong person like the sky is by her side, why can't her safety be guaranteed?

She felt that the overweight kid in front of her was a bit ridiculous!

"Boy, you don't understand that world, so you don't even know how terrible the two people around me are!"

Xia Mu said coldly.

"Horrible?" Ye Chen smiled.

Then, his body turned into an afterimage on the spot.

The speed is too fast!

Soon everyone in the room can't react!

Mother Xia only felt a gust of wind blowing in front of her eyes! The next second, "Pump!" She was shocked to find that the two ancient martial masters she had always trusted had already knelt down! His face was extremely pale!

A trace of blood spilled from the corner of his mouth!

is obviously seriously injured.

"What's wrong with you..." Xia Mu's eyes were horrified, and she was a little speechless.

This scene is too weird, the two of them were fine in the first second!

Xia Ruoxue and Sun Yi sitting on the sofa are also full of surprises. Which one is this?

Is it possible that these two bodyguards are extras invited by Ye Chen?

And the two ancient martial arts masters did not speak from beginning to end, just staring at the young man in front of them!

Stormy waves are set off in their hearts!

A second, they already felt Ye Chen's move and wanted to resist, but an invisible coercion covered them all!

make them immobile!

can only choose to kneel down!

The opponent's strength is completely crushed!

Budo master, definitely a Budo master!

Ye Chen's eyes fell on Xia Mu's body, and said casually: "Auntie, now, do you still think the two people around you can protect you?"

Xia's mother opened her mouth slightly to say something, and Ye Chen said again: "Actually-the person who really doesn't understand the rules of this world is you!"

Xia Mu was frightened by Ye Chen's momentum, and her high heels stepped back a few steps.

Don't know why, she found that her knowledge of this young man was almost blank!

"Now, you can leave without worry, Ruoxue is by my side, safer than in the villa." Ye Chen said lightly.

The words fell, and the restraints on the two ancient martial experts completely disappeared.

They stood up and said to Xia Mu: "Madam..."

"Let's go!" Xia Mu's expression was a bit wrong, and she stepped on her high heels and left.

This is a strong, she chose to compromise for the first time!

The key is to compromise with a kid who doesn't have all the fur!

She has no right to choose.

The two powerhouses around him are like this, the other party completely blocked his mouth with actions.

It seems that Ye Chen needs to investigate again!

The focus of the investigation is where this guy has gone in the past five years since he disappeared!

When Mother Xia left and the door was completely closed, Xia Ruoxue and Sun Yi on the sofa did not react.

What happened just now?

Why did those two masters kneel down?

Is Ye Chen an ancient warrior?

A few seconds later, Sun Yi woke up, came to Ye Chen, turned around for a few times, and said in amazement: "Ye Chen, how did you do it? How did you actually make Ruoxue's mother angry? The key to these two men? Why did you kneel down?"

Ye Chen blinked and said with a smile: "Actually, those two bodyguards happen to know ~www.mtlnovel.com~ one is my brother-in-law and the other is my comrade-in-arms. Just now, they cooperated with me... otherwise these two strangers How can you kneel to me?"

Ye Chen doesn't want Sun Yi to be involved in this world. What he can do is to protect the pure land in Sun Yi's heart with all his strength.

Sun Yi didn't believe it, but didn't want to ask too much.

I don't know why, she vaguely feels that today's event is somewhat similar to the incident of an outsider at home that day.

Ye Chen must have something unknown.

Then Sun Yi went to wash 簌.

Only Ye Chen and Xia Ruoxue remained in the whole house, and the atmosphere was a bit quiet.

Xia Ruoxue kept staring at Ye Chen, and she didn't know why, she vaguely felt that Ye Chen was an ancient martial artist.

She hopes so, really hopes.

Because the person who controls the rules in China is the ancient warrior!

If Ye Chen's strength is strong enough, he can change everything and even make rules.

But Ye Chen's age is here, plus the previous investigation, aside from the five years of disappearance, this guy would never have a chance to practice!

Even after five years of cultivation, it is obviously too late!

"Ye Chen, what kind of person are you?" Xia Ruoxue asked heartily.

Ye Chen, as the person involved, naturally no matter what the second daughter thinks, his phone rang and it was Shen Haihua.

He walked to the balcony and pressed the answer button: "What's wrong?"

"Mr. Ye, Tianzheng Group is almost here. I don't know whether the legal person chooses you or arranges for others? Also, probably tomorrow, the news of Tianzheng Group's establishment may spread throughout Jiangcheng, will it affect you... .."

Ye Chen looked at the night and smiled coldly: "Just use my name, I want to tell everyone in Jiangcheng, I Ye Chen is back!"

Chapter 105: Make a lot of money!

Shen Haihua was shocked when he heard Ye Chen's words.

In his memory, Ye Chen is an extremely low-key person.

And the identity of the corporate legal person is the most sensitive existence. He originally thought that Ye Chen would choose to let others serve as the legal person of the group, but he did not expect that Ye Chen would eventually choose to be exposed to everyone's sight.

The Tianzheng Group has a bad reputation in Jiangcheng, and most people in the circle know about the tragedy of the Ye family five years ago.

Once Ye Chen and Tianzheng Group appeared at the same time, the situation in the entire Jiangcheng would be affected.

Those with a heart will inevitably think of the relationship between Qinghe Group and the destruction of Qingmen and Ye Chen!

Although these people have no direct evidence, Tianzheng Group can easily become the target of everyone!

After all, the big man in Jingcheng left Jiangcheng, but his influence is still there. In Jiangcheng, there are countless people who want to curry favor with that powerful person or gangster.

As a businessman, Shen Haihua knows better than anyone how smoggy this business district is!

Once exposed, Tianzheng Group is really dangerous!

The key is that he requested Ye Chen's three conditions last time, but none of them have appeared now.

Without the strong backstage of the government and the support of an underground force, the Tianzheng Group may be open to no one!

"Mr. Ye, are you really sure?" Shen Haihua said seriously.

"OK." Ye Chen said, "I know what you are worried about. Things that happened five years ago will not happen again. Now, no one dares to move Tianzheng Group! You just need to believe me."

What else could Shen Haihua say, so he nodded and hung up the phone.

"Maybe starting from tomorrow, Jiangcheng will usher in an earthquake, but I don't know if it was the Tianzheng Group or those people."

.....

Ye Chen hung up the phone and was about to enter the house when he found an unfamiliar number calling.

"Mr. Ye, are you at Tomson? I'll deliver it and it will be there in about five minutes."

Ye Chen realized that it was the Jin family that had sent the auction items.

He greeted the second girl and went out.

When he reached the top floor of Tomson Yipin, he saw two delivery men, one of them was Jin Qian wearing a peaked cap.

Jinqian saw Ye Chen, his eyes shrank, his heart palpitations during the day seemed to be still there.

As an ancient warrior, he has never been so afraid of a person before, but he has seen this person kill a master like a chicken!

"Hello, Mr. Ye, I'm Jin..."

"I know, put things in."

Ye Chen opened the door and motioned to the two of them.

"Good, good..."

Not long after, Jin Qian and the others carried things into the house, and then took out a box, and carefully handed it to Ye Chen: "Mr. Ye, you can check it. The big one is Baicao Ding, and this box is the tears of the stars. . If you have any questions, you can contact me."

Ye Chen opened the box and glanced at Tears of the Stars without any problems.

then came to the huge box, put his palm lightly, "Boom!" The box was cracked!

Seeing this hand, Jin Qian and the other person stepped back subconsciously, their faces pale.

Due to the particularity of Baicao Ding, the packaging is made of the strongest Ts-003 titanium material, which requires a key to open. As a result, Mr. Ye broke open with a palm. This is too violent.

Ye Chen was overjoyed when he saw the Baicao Ding.

He waited for this thing too long!

With the Danding, his alchemy efficiency can be hundreds of times higher, and the efficacy of the medicine is even more terrifying!

At that time, the speed of cultivation can also be accelerated!

Ye Chen waved to the two of them, and said: "There is nothing wrong with things, you can leave now."

Jin Qian asked the other person to go out first, then closed the door, came to Ye Chen, and said softly: "Mr. Ye, miss let me bring you a word."

"Oh? Say." Ye Chen was quite curious.

"Jiang family Jiang Yuanli received the three corpses. The level of anger exceeded our imagination. The Jiang family even started investigating everyone at the auction. Before long, he might suspect Mr. Ye's head. Even though he has no substance. Evidence, according to Jiang Yuanli's character, he would rather kill a thousand by mistake than miss one. The lady was worried that Jiang Yuanli would take action against Mr. Ye, so she hoped that Mr. Ye would leave Jiangcheng temporarily.

Ms. has arranged a private jet. As long as Mr. Ye nods, he will immediately send Mr. Ye to Sanya, as a travel and relaxation..."

Ye Chen smiled, and said to Jin Qian: "Thank you Miss you for helping me. I appreciate her kindness, but I won't leave. Jiang Yuanli is the best to deal with me, I'm afraid he won't come!"

Jin Qian heard the latter sentence, took a deep breath, his heart seemed to be hammered!

Is this Mr. Ye going to face the Jiang family? And it seems that he is not afraid of Jiang Yuanli, the figure of the Grand Master?

Mr. Ye is stupid! He doesn't understand the horror of the Jiang family at all!

Mr. Ye's strength is indeed very strong, but the master who killed him and Jiang Yuanli are very different!

"Mr. Ye, think twice..." Jin Qian worried.

Ye Chen opened the door directly, his eyes signaled, and in desperation, Jin Qian could only leave.

Anyway, the attitude of the Jin family has already made it clear that it is Mr. Ye who does not seize the opportunity.

After everyone left, Ye Chen directly lifted the Baicao Cauldron with one hand, and placed it in a suitable position. He took out the medicinal materials previously bought in Derentang, directly put it into it, ignited the pill fire, covered his true energy, and began to refine Immortality.

This time he is going to refine the third grade pill called Qingling Pill.

Pills are divided into nine products, and each product is subdivided into nine patterns.

Blue Spirit Pill is known as the speed improvement pill~www.mtlNovel.com~ which can help the strong to break through the boundaries of practice. If the nine-layer strong in Kaiyuan realm takes it, it will inevitably break through to the pneumatic realm!

With the help of the Blue Spirit Pill, coupled with cultivation, Ye Chen will inevitably cross the pneumatic realm as quickly as possible!

When the time comes, it's not an exaggeration to kill the master in seconds!

He closed his eyes tightly, refining the pill requires step by step, his mind is as calm as water, without distracting thoughts.

Once you are upset and irritable and lose control of your emotions, the pill will inevitably fail and even damage the martial arts mood!

I don't know how long it took, and a strong medicinal fragrance came from the entire top floor.

Baicao Ding is even more glowing red!

Suddenly, with a sound of "ding!", a pill aura spread out from the Baicao cauldron. This aura was extremely powerful, and Ye Chen couldn't help but condensed.

succeeded!

Ye Chen ignored the extremely high temperature of the elixir and took it out directly.

Soon, he found a total of ten pills, there are actually six waste pills!

Fortunately, four succeeded.

When he saw the remaining four green spirit pills, Ye Chen's eyes shrank, as if he had seen a ghost!

Because two of them are actually three grades and seven patterns!

This is a three-rank seven pattern!

Excellent quality!

"how is this possible....."

Ye Chen had been mentally prepared before, this time it would be good to be able to refine a few third-rank and three-pattern patterns. Now there is a seven-pattern pill, completely out of his cognition.

After all, these medicinal materials are not high-level, so it is impossible to refine seven-patterned medicine.

Could it be...

Ye Chen's gaze fell on the Baicao Ding, there is only one possibility right now, that is, the Baicao Ding has improved the properties of the medicinal materials.

"It seems that I missed it this time. Even if the Baicao Cao is placed in that place, it is a treasure-level existence, and I am making a lot of money..."

Chapter 106: Tianzheng Group is back!

Ye Chen put the two three-rank seven-patterned blue spirit pills into a box, and carefully put them in his pocket.

Good things are naturally kept till the end.

As for the other two, I swallowed them in one go.

In an instant, the fragrance of medicine overflowed, and an extremely aura continued to collide in the dantian!

"We are going to break through!"

Ye Chen was overjoyed, and quickly sat cross-legged, running "Nine Heavens Xuanyang Jue".

At this moment, he seems to have entered a subtle state.

Everything is wonderful.

His whole body was covered by a red light, and the powerful aura made the ground tremble.

Not long after, a black stone flew out of Ye Chen's pocket.

directly above his head! Then, a beam of light rose to the sky!

"Broken!"

Ye Chen roared, and all the shackles of his body were broken!

The cultivation base is rising rapidly!

The sixth floor of Kaiyuan Realm, it succeeded!

But all this hasn't stopped, because the sixth layer is about to break through, and the drug effect has not been completely released.

"Come again!"

A few hours later, another breakthrough came in the house!

.....

It wasn't until 8 o'clock the next morning that Ye Chen gradually opened his eyes, and his realm had stabilized at the seventh level of Kaiyuan realm.

broke through two small realms overnight, which is simply incredible.

"When did the blue spirit pill be so against the sky?"

Ye Chen had some doubts in his heart, he was only taking a general blue spirit pill, it should be impossible to have such an exaggerated effect.

Suddenly, his eyes condensed and he naturally noticed the black stone floating above his head.

He stretched out his hand, and the black stone instantly fell on the palm of his hand.

"Is it because of you?"

Ye Chen closed his eyes and came to the reincarnation cemetery in an instant.

is still barren.

There are a hundred tombstones, only one has changed, and it is the "Evil Fist Sect, Luo Yuntian!"

A beam of light circulated above the tombstone, and the light continued to rotate, as if it were an ancient text.

Obviously, this means that the tombstone can be moved.

Even Ye Chen was certain that as long as he thought about it, the so-called Luo Yuntian would appear in front of him.

But because there is only one chance, Ye Chen will naturally not use it when it is not necessary.

This is his only hole card currently.

China is not that simple, and keeping your hole cards is not a bad thing.

After that, Ye Chen smelled his body, and after practicing overnight, his body got rid of a lot of impurities and some smell, and then walked to the bathroom.

.....

At the same time, most apartments.

Sun Yi and Xia Ruoxue woke up early and were eating breakfast. Sun Yi woke up many times in the middle of the night, but didn't find Ye Chen came back. I don't know where this guy has gone.

The gods are mysterious all day, and the night does not return.

Suddenly, there was a vibration from Sun Yi's phone.

Generally this point is the headline news feed of Jiangcheng Business Daily.

She sneered. It is estimated that it was the transfer of the senior management of the group or the merger of the company. These news were not nutritious to her.

She glanced randomly, and when she saw the words on the screen, her smile suddenly stiffened, and the glass full of milk in her hand dropped to the ground.

"Snapped!"

very crisp.

Sun Yi's eyes widened because the headline of the news was [Tianzheng Group, which disappeared five years ago, will return tomorrow!]

Tianzheng Group!

The four words made Sun Yi's face pale.

Because this is the enterprise that Ye Chen's father created in the past!

Five years ago, with the disappearance of the three Ye family, they also disappeared completely.

Now, I'm back!

"Will it be the same name..."

Sun Yi said softly.

At this moment, Xia Ruoxue came to Sun Yi's side, her eyes glowing with a hint of brilliance, very moving.

"I just received this news, and I have determined that it is not the same name, but the Tianzheng Group five years ago, and the registered address is exactly the same. What is even more strange is that the legal person of Tianzheng Group is Ye Chen."

When she said this, Xia Ruoxue looked at Ye Chen's room, and a very **** smile was drawn at the corner of her mouth.

Is this guy declaring war on his mother? Or declare war on the entire Jiangcheng?

Is his strength really enough?

What does the registration of a company mean?

But the name of Tianzheng Group is too sensitive...

"Sun Yi, tomorrow Jiangcheng might be very interesting."

.....

Jiangcheng Chu Family, emergency meeting.

An 80-square-foot family meeting room with 15 people sitting.

These fifteen people are almost the core existence of the Chu family.

Chu Shuran was among them.

Her face was a little pale, and she stared at the news on the phone.

Tianzheng Group is back...

how come back.

The name of the legal person in the key online query is Ye Chen!

Is this guy not dead?

The same name is not such a coincidence, right? The group name and legal person are both related to the Ye family that was destroyed five years ago!

The key to Tianzheng Group is that few companies dare to register!

The banquet at Yunhu Villa was a nightmare for countless people in Jiangcheng!

Although the big man has returned to Beijing, he is still there!

Whoever dares to register with Tianzheng Group is looking for death!

She squeezed her phone tightly. The photo of Ye Chen has not been found online, but the family has already investigated.

It won't be long before there will be results.

"Everyone is quiet, the results of the investigation have come out. Ye Chen, the legal person of Tianzheng Group registered with the Bureau of Industry and Commerce, should be the Ye family waste that fell into Dongqian Lake five years ago."

"This is his registered photo."

It was Chu Shuran's father, Chu Zhengyan!

Seeing news of Tianzheng Group's re-emergence of Jiangcheng in the morning, he immediately called an emergency family meeting.

Why?

Because Tianzheng Group shouldn't exist at all!

Chu Shuran raised her head, her body trembling, when she saw the photos on the big screen, her beautiful eyes were completely wide, as if she had seen something incredible.

The young man in that photo is like a hammer, breaking her heart to pieces~www.mtlnovel.com~
Isn't this the waiter of the Royal Club!

He is Ye Chen!

He is really Ye Chen!

How could he be Ye Chen?

How did that Ye family waste become an ancient warrior!

How did those cowardly eyes become domineering over everyone!

Chu Zhengyan didn't notice his daughter's expression at all, and continued: "The appearance of the Tianzheng Group is not terrible. What's terrible is that the Tianzheng Group is built on the Qinghe Group!"

"Zheng Jingming of Qinghe Group died just a few days ago! Why did the death happen? The police reported that it was a fire accident. I thought so at first, but when I read today's news! I have to think about it! This is probably Tianzheng. The group's revenge!"

"Not only that, but there is one more thing that everyone may know better! That is, Jiangcheng's biggest power, Qingmen, was ordered by the police a few days ago!"

"Is this really the case? I tell you, definitely not! I learned from a friend that at the time the police rushed over, the headquarters of the Qinghe Group was full of corpses, the corpses of hundreds of people! Several martial arts masters in Qingmen, including the master of the Qingmen, all died tragically!"

"I can tell you that the establishment of Tianzheng Group was built on a pile of corpses!"

"We Chu family can not care about everything, but we only care about one thing right now, who is behind Tianzheng Group!"

The voice of Chu Zhengyan was extremely excited!

"Om!"

At this moment, Chu Shuran's brain went blank!

Her heart seemed to be hit by an invisible fist!

Because of this answer, she knew that it was Ye Chen who she called a trash back then!

Chapter 107: Lonely star!

Chu Zhengyan seemed to notice that his daughter Chu Shuran's expression was a little wrong, and said with concern: "Shuran, what's the matter with you? Lost your soul? Didn't sleep well yesterday?"

"Dad, I'm fine..." Chu Shuran grinned reluctantly.

"By the way, how did I forget that! Ye Chen seemed to be interesting to you at the beginning, but it is said that he was rejected in public confession? You did it right back then! How can this kind of waste be worthy of our Chu family.

As for the current Tianzheng Group, my initial guess is that this Ye Chen is just a puppet, and there should be someone behind him who is pushing the whole thing. To be precise, it is a team..."

When was halfway through, his phone rang, and he went directly to the side to answer a call.

A minute later, Chu Zhengyan walked back with a smile and said to everyone: "The matter has been found out. Behind this Ye Chen is Shen Haihua of Beiming Group. The entire management team of Tianzheng Group is built by Shen Haihua. Yes, but I seem to remember that Shen Haihua didn't have cancer before? Why did he come alive again?"

"It seems to be confused, even the name Tianzheng Group... I would like to see how he opens tomorrow! Looking at the entire Jiangcheng, no one with a brain will come to join him!"

At the same time, the Pearl River Villa District.

Xia Mu naturally also learned the news of Tianzheng Group.

When she thinks about what happened yesterday, she has a lingering fear.

She asked the Xia family to investigate Ye Chen's movements in the past five years, but I don't know why, even if it was the dark web, there was no news about Ye Chen.

In the past five years, Ye Chen seems to have evaporated.

At this moment, she looked at the information of the Tianzheng Group interestingly, and said with a sneer: "Ye Chen, Ye Chen, you are really ignorant. Do you think that if you step into Guwu and establish Tianzheng Group, you can shake my Xia family's status? You can't distinguish between ideal and reality.

Even if you have Shen Haihua's help, even if your strength is strong, what about? My Xia family's finger is enough to destroy your dream! "

"Xia Jun." Xia Mu suddenly shouted.

A middle-aged man in a suit walked up to Xia's mother and said respectfully: "Madam, what's your order?"

Xia Mu casually threw the information in her hand into the trash can, and then said indifferently: "Go to send a message, tomorrow Jiangcheng Tianzheng Group will open, as long as it is a flower basket for Tianzheng Group, whether it is a business or an individual, it is my Xia family. enemy."

As soon as he said this, the middle-aged man's face changed completely.

Madam, this is going to completely destroy a company.

Such a determined attitude is completely to push Tianzheng Group to a dead end.

The authority of the Xia family is there, who would dare to join in? Maybe tomorrow morning, no one would dare to step into the Tianzheng Group.

At that time, it will be enough to become the most deserted company in history.

Even in the future, Tianzheng Group's business development will definitely not have a partner!

If you don't even have an allies, it's strange if you don't die!

In the morning, almost the entire family and company in Jiangcheng learned about the Tianzheng Group.

In the beginning, all the families and companies had an attitude of watching a theater, but at noon, things completely changed.

Because the person in charge of the Xia's consortium in Jiangnan province made it clear: As long as he joins the Tianzheng Group tomorrow, whether it is a company or an individual, it means that it is an enemy of the Xia's consortium. Any company under the Xia's consortium has sever the cooperative relationship.

The appearance of this news caused an uproar in the entire Jiangcheng!

Behind the Xia Family Group is the Jiangnan Xia Family!

Obviously, the top family in Jiangnan Province wants to block the Tianzheng Group!

Five years ago, Tianzheng Group was blocked by that big man in Beijing!

Five years later, Tianzheng Group was again blocked by the Xia family in Jiangnan Province!

Everyone has some sympathy for Tianzheng Group and the sudden appearance of Ye Chen.

This Ye Chen is simply a lone star!

At night, things are out of control!

Because the Chu family, the first family in Jiangnan Province, issued the same statement, banning the Tianzheng Group!

Then, the three remaining families in Jiangnan Province, the Zhao family, the Lu family, and the Wan family also expressed their views and banned the Tianzheng Group!

Any company or individual who dares to join Tianzheng Group tomorrow is tantamount to offending the four top families in Jiangcheng and the Xia family in Jiangnan Province!

Not only that, this matter even affected the Beiming Group.

Beiming Group received resistance from the entire Jiangnan Province, and its stock price plummeted!

directly lower limit!

Shen Haihua's property has shrunk by one third!

Many entrepreneurs and individuals even posted Weibo on the Internet, letting Tianzheng Group get out of the river!

For a while, the Tianzheng Group became the hottest topic in Jiangcheng!

Some unknown people who eat melon are curious, why this Tianzheng Group, as a newly established company, has offended so many bigwigs?

is like the wall is pushed down by everyone!

.....

At night, Tomson is on the top floor.

Ye Chen has been cultivating because he is in good condition.

The phone is turned off.

When it was 7 o'clock in the evening, Ye Chen unexpectedly found that there were more than 80 calls.

Sun Yi, Xia Ruoxue, Shen Haihua, Ye Lingtian, Bai Libing and others have called several, and some even have unknown numbers.

"What's wrong, is it the end of the world?"

Ye Chen just said something, and Shen Haihua called again.

Ye Chen pressed the answer button, and after a while, Shen Haihua's hasty voice came from the other end of the phone:

"Mr. Ye, you finally answered the phone!"

"what happened?"

"Mr. Ye, something big happened, something big! The Xia Family in Jiangnan Province and the four big families in Jiangcheng jointly declared to boycott Tianzheng Group! Not only will the opening tomorrow be affected~www.mtlnovel.com~ our business will be affected in the future. Even the shares of Beiming Group have fallen drastically!"

Ye Chen frowned, but he didn't expect Xia Ruoxue's mother to shoot secretly.

Boycott?

Don't want Tianzheng Group to live?

"Mr. Ye, or, let's open the business at another time. Tomorrow there will be no one to give flowers. I planned to let a few friends join in, but they didn't even answer my phone. There are already 300 companies in Jiangcheng. Post an announcement on the official website to boycott us!

If this continues, Tianzheng Group will become a joke in Jiangnan Province and the whole country tomorrow! "

Ye Chen sneered coldly: "Change the time? Why change the time? If they boycott it, let them boycott it. When the time comes, our Tianzheng Group products will not be eligible for them!

You send someone to do one thing, record all the boycott company and family information, and then make an announcement on our official website, these guys will not be eligible to buy and use Tianzheng Group products in the future! "

"We don't have any products now..." Shen Haihua was crying.

"There will be, I will give it to you these days."

"Does the time really change? Tomorrow will be miserable...all waiting to see our jokes..." Shen Haihua struggled.

The three conditions that Ye Chen promised him at the beginning, now none of them has moved!

How can I play this?

If it ends miserably tomorrow, where will his old face of Shen Haihua go?

Ye Chen's icy eyes looked out the window, and a confident smile appeared at the corner of his mouth: "No need to change, just tomorrow! You have worked hard during this period, and rest early. Let me leave it to me next! I don't just want Tianzheng Group to open normally, I I have to slap everyone in the face beautifully!"

Chapter 108: Let's watch the jokes!

Hanging up, Ye Chen directly called Zhu Rende and King Nanjiang back.

is basically for tomorrow's affairs.

Ye Lingtian even asked Ye Chen if he needed to come out in person tomorrow, but Ye Chen refused.

The identity of the King of the South River is too special. There is no one daring to provoke him in the whole Jiangnan Province. He is enough in the dark for now.

A small Jiangcheng, he does not need to come forward.

During , he received another call, and what surprised him was a strange voice.

On the other end of the phone there was only one question: Will Mr. Ye's Tianzheng Group open tomorrow?

Ye Chen answered a favor, and the phone hung up.

Ye Chen didn't think much, and went straight back to Dadu's apartment. These two girls almost broke her phone. It is better to explain some things in person.

The door opened, and she found Xia Ruoxue sitting there, staring at him interestingly.

"came back?"

"Ok."

"You really did the Tianzheng Group?" Xia Ruoxue stood up, came to Ye Chen and asked softly.

Ye Chen nodded and admitted.

Xia Ruoxue bit her red lips and hesitated for a long time before she said: "I'm sorry, I apologize to you for my mother's behavior. I didn't expect that she actually used Xia's family to threaten Tianzheng Group... I made several calls to her, and she said I'm really sorry for not letting go."

Xia Ruoxue blamed herself very much. When she knew that the Xia family had intervened, she quarreled with Xia mother directly on the phone.

Mother Xia only made one request, as long as Xia Ruoxue is willing to return to Xia's house, she can immediately remove everything!

For a moment, she really wanted to promise her mother, but when she thought that as long as she returned to Xia's house, it was really impossible to come out.

She was scared and flinched.

Ye Chen looked at Xia Ruoxue's self-blame, and joked: "You didn't do this thing, what are you guilty of? If you are really guilty, you might as well kiss me and give me comfort..."

Before he finished speaking, Xia Ruoxue's body moved up, fragrant, and her **** red lips kissed Ye Chen's cheek directly.

"Now, are you satisfied?" The voice was soft and sexy.

Ye Chen never expected that the ethereal and arrogant Xia Ruoxue would kiss herself.

He was just a joke just now, just to ease the atmosphere.

Does this girl take it seriously?

He touched his cheek, then looked at Xia Ruoxue, whose face was reddened and bowed his head, and said, "If I said, I didn't put your mother in my eyes, do you believe it?"

Xia Ruoxue shook his head, why is this Ye Chen so stubborn? At this point, is this still necessary?

"Ye Chen, if you push the time, it doesn't necessarily have to open tomorrow. Once this incident passes, it will be fine."

Ye Chen ignored Xia Ruoxue and went straight back to the room.

Only Xia Ruoxue was left in the living room. She looked at the closed door and sighed: "Ye Chen, I really don't understand where your confidence comes from? There is only one dead end to contend with the Xia family."

.....

8 o'clock the next morning.

There is a red carpet at the entrance of Tianzheng Group, and the decoration is quite festive.

Shen Haihua stood at the door, his expression a bit wrong.

There are many people standing outside, but these people have no intention of coming in to join in, obviously they are watching the show!

He looked at the time and found that Ye Chen hadn't come yet, it was like that!

This company belongs to him! If the legal person doesn't come, it's too much to let him, an outsider, be busy.

If it wasn't because Ye Chen saved him, and promised him three conditions, he wouldn't do any Tianzheng Group if he was killed!

Want to return, Shen Haihua is still very responsible, arranging a few beauties at the front desk to distribute flyers at the intersection to try to gain popularity.

But for ten minutes, no one received an order.

Tianzheng Group seems to be rejected by the world.

After a short while, I finally sent out a list.

is a middle-aged man in a suit.

The middle-aged man took the leaflet and walked towards Shen Haihua.

Shen Haihua naturally noticed the middle-aged man, with a hint of excitement on his face, and quickly smiled and stretched out his hand: "Yes! Haha, I knew you would sell my face."

The middle-aged man is Zhao Youcheng, the founder of Xintian Group. I have been in friendship with Shen Haihua for more than ten years. During the financial crisis in 2008, the two survived by helping each other. Therefore, the friendship is deep. In Shen Haihua's view, the other side is undoubtedly coming to cheer.

"Snapped!"

When Shen Haihua was about to hold Zhao Youcheng's hand, an accident happened. Zhao Youcheng took the leaflet and patted Shen Haihua's hand.

is very disgusted.

Shen Haihua was stunned: "Yes, you are..."

Zhao Youcheng sighed: "Haihua, brothers for so many years, I urge you to close your hands. Your group's stock has already dropped its limit. Why do you want to help that Ye family waste? Tianzheng Group's cheese is at your level. Not qualified to touch."

As soon as Shen Haihua wanted to speak, he noticed that Ye Chen in a suit had slowly walked over. He suppressed the anger in his heart and went to meet Ye Chen: "Mr. Ye, you are finally here."

Ye Chen patted Shen Haihua on the shoulder: "Thank you."

"Mr. Ye, it's not hard."

Zhao Youcheng frowned when he heard Shen Haihua's address to Ye Chen: "Shen Haihua, are you sick and stupid~www.mtlnovel.com~ respect a trash so much?"

Shen Haihua could no longer hold back his anger, turned around and pointed at Zhao Youcheng and said, "Zhao Youcheng! If you come to join us today, Shen Haihua would like to thank you from the bottom of my heart! If you are talking cold words, get out! it is good!"

"Shen Haihua, I kindly persuade you, just talk to me! The four big families in Jiangnan Province, Xia Family and Jiangcheng, have already issued a ban on Tianzheng Group. Who dares to join you! Your attitude is undoubtedly ruined. I'll give you one last piece of advice, hurry up and draw a line with the Tianzheng Group and this Ye Family waste, otherwise you won't know how you died when the time comes!"

Zhao Youcheng's face flushed! He really didn't understand what Ecstasy the Ye family trash had poured into Shen Haihua!

"Shen Haihua, and there! If you don't regret it anymore, we have cooperated on the three projects this year, and all of them will be cancelled!"

This move is undoubtedly a stumbling block.

The Tianzheng Group is already a mortal situation. If Shen Haihua continues to mix up, the Beiming Group will also die!

Shen Haihua called the security directly, and shouted at Zhao Youcheng: "Zhao Youcheng, you **** get out of here! I see you clearly! If you lift it, it will be lifted, I'm not bad for the billions! Get out!"

Zhao Youcheng saw the security guard coming, gave a cold snort, and left dingy.

Not long after, he came to a young girl.

"Ms. Chu, it's nine o'clock right away, and it is estimated that there is no one to join. Jiangcheng's large and small enterprises and people with identities will not be mixed up, whoever mixes up, who wants to die..."

Chu Shuran put her arms around her chest, raised her chin, and was very arrogant. She looked at Ye Chen in the distance with amusement, and muttered: "Ye Chen, Ye Chen, waste is waste after all. I want to see you today. How to make use of Tianzheng Group's mortal chess."

Chapter 109: Try to block it!

At the same time, a courtyard in Jiangcheng.

An old man in a Chinese tunic finished a set of punches in the yard, with some sweat on his forehead.

The old man was the old chief who was rescued by Ye Chen that day, Zhou Zhengde!

is also the patriarch of the Zhou family in Jiangnan Province!

There are eight big families in Jiangnan Province, each with its own merits, and the Zhou family is one of them!

If the Xia Family in Jiangnan Province is in control of the economic lifeline, then the Zhou Family is in control of the power lifeline!

There are three people standing not far from the courtyard! Watching the old chief punch.

is the son of Zhou Zhengde, Zhou Fulu.

Zhou Fulu has taken an important position in Jiangnan Province because of the relationship of the old chief! Special status!

The other two are Jiangcheng's Power One and Two! (Secretary and Mayor)

Although the two of them didn't punch, they didn't know why there was a trace of sweat on their foreheads.

The old chief Zhou Zhengde finished a set of punches, and someone brought a towel and wanted to wipe him gently.

"I will do it myself!"

The old chief directly took the towel and wiped the sweat from his forehead, and then walked in the direction of the three.

"The chief..." the two said cautiously.

"Dad, time is almost up, Tianzheng Group is about to open..." Zhou Fulu reminded.

Zhou Zhengde nodded, glanced at the two people in front of him and said: "The families in your jurisdiction are really big officials, and they dare to directly block a company! I wonder what Tianzheng Group has done wrong?"

"Yes...nothing wrong...we must find a way to remedy..."

Jiangcheng's right No. 1 and No. 2, never thought that this old leader called them to come early in the morning, actually for the Zheng Group that day!

The Tianzheng Group was blocked by those families, what's up with them!

They are really going to cry!

The key who knows that the person standing behind the Tianzheng Group is actually the old leader!

Zhou Zhengde snorted coldly and threw the towel out directly: "Remedy! Since I want to remedy it, what are you still standing here! Tianzheng Group opens at 9 o'clock! I hope to see your remedies!"

The two of them were stunned, and hurriedly ran to the outside of the yard, and soon disappeared from Zhou Zhengde's sight.

"Dad, then Ye Chen is really worth it for us? If we go to support the Tianzheng Group, it means that the relationship with the Xia family will be broken." Zhou Fulu said.

Zhou Zhengde's eyes narrowed slightly, and his muddy eyes seemed to have a hint of light.

"Fulu, your position in Jiangnan Province is not low. It depends on how well you are not growing up, depending on your talents. That day, you discussed with him in the hospital and his strength is a martial arts master."

"Dad, that's right."

Zhou Zhengde continued: "You have witnessed his martial arts strength, and I have witnessed his unpredictable medical skills. This is even more terrifying than the master! A peerless genius with both medical and martial arts, there is nothing simple behind it! We will not stand in line today, and we won't be eligible if we want to stand in line in the future!"

"What's the point of breaking with the Xia family, is his Xia family still ready to deal with my Zhou family? Since ancient times, merchants have not been able to play with the power! Do you understand?"

"I understand."

"Is the flower basket you prepared ready?"

"Ready, in the car."

"Okay! Let's set off now! This may be the most important day to change the pattern of our Zhou family!"

.....

Tianzheng Group, nine o'clock in the morning.

Ye Chen, Shen Haihua and others stood at the door, but no one came.

Several media outlets are already preparing to report!

I thought about the title.

'S words are even more insulting.

【Tianzheng Group may be the earliest company that died in Jiangcheng history】

[Tianzheng Group was upset when it opened, no one even gave a decent flower basket]

【Jiangcheng's corporate history of shame, unveiling Tianzheng Group】

Standing outside, Zhao Youcheng sneered repeatedly, and said to Chu Shuran next to him: "Miss Chu, we don't need to waste time here, no one will come..."

Chu Shuran nodded, Jiang Cheng was a little cold in the morning, she didn't want to stay anymore, she just wanted to see Ye Chen make a fool of herself.

It looks like now, there is no need to read it. The newspapers in the evening must be the scandal of the Tianzheng Group today.

She was just about to turn around and leave, only two shadows appeared in the distance.

Each of them holds a flower basket in each hand.

Xia Ruoxue and Sun Yi!

"Why are they here? To join Tianzheng Group?"

The appearance of two beautiful women instantly changed the surrounding atmosphere.

These two beauties walking on the red carpet are undoubtedly celebrities!

This temperament! This look! This figure! Jiang Cheng couldn't find the third one!

There were noisy noises from the crowd, and the reporters made crazy snaps.

This is definitely a hot news!

Xia Ruoxue and Sun Yi placed the opening flower baskets on both sides of the entrance of Tianzheng Building, and then blinked at Ye Chen.

"Xiao Chenzi, isn't it very touched? I risk being expelled to help you, if I am expelled, you have to raise me." Sun Yi smiled like a flower.

Now that the Huamei Group is accepted by the Xia family, she will undoubtedly contradict the Xia family by doing so, and her position will not be guaranteed.

Ye Chen smiled: "Xiao Yizi, you are so good to me, I can only agree with you, but Tianzheng Group just lacks people, you can choose all positions! The annual salary is ten times your current!"

Sun Yi gave Ye Chen a white glance and stood beside him silently. She knew that Ye Chen must be under great pressure now.

What's the point of having her and Xia Ruoxue joining together?

"Who wants you to agree with you, hum~" Sun Yi said.

Xia Ruoxue also looked at Ye Chen: "I am curious, there is not a trace of panic on your face, is there any killer?"

Ye Chen just wanted to talk, and suddenly there was a roar of noise in the crowd of UU reading www.uukanshu.com!

I saw an extended Maybach slowly stopping!

The two powerful bodyguards got out of the car and opened the door.

In the next second, a man with a hunchback and a suit walked down!

When this man appeared, the whole world seemed to be quiet!

Deathly quiet!

Because this man is the helm behind Yuhao Club!

The famous rudder!

Jiangcheng Who doesn't know this man!

If you want to become a top figure in Jiangcheng and control the real resources and connections, you must become a member of the Royal Club!

must get this man's nod!

Countless big families in Jiangcheng, countless entrepreneurs in Jiangcheng, when you see this man, you must respectfully call the rudder!

Even the many dudes who were watching the show knelt and licked this humpback man!

More weird things have happened, this man who controls top resources actually holds a flower basket in his hand!

actually went on the red carpet!

step by step towards Tianzheng Group!

"Fuck! What the **** is this!"

"How could Lord Ruo send flowers to Tianzheng Group!"

Everyone looked at Tianzheng Group again, their eyes widened to the extreme, with shock in fear, and surprise in fear!

The banning of the four major families in Jiangcheng?

ban a fart!

You try to block Yuhao Club!

The resources in his hands are enough to block 100% of Jiangcheng's enterprises!

Except for Jiangcheng's right No. 1 and No. 2, who would dare to touch this man!

Chapter 110: The scene is out of control!

Tianzheng Group.

The moment Master Duo appeared, Shen Haihua was stunned.

completely stunned.

He joined Jiangcheng's upper class ten years ago, and he naturally knew who the humpbacked man came to them was!

In the past few years, he has wanted to become a member of Yuhao Club countless times, but he got only one answer!

He is not qualified at all!

But now, the helm behind the Royal Club has actually appeared!

also personally gave the Tianzheng Group flower baskets, this is more weird than the comet hitting the earth!

Of course it is impossible for Master Ruo to look at his Shen Haihua's face! It must be Mr. Ye!

But he knew Ye Chen was so awesome, but he didn't know Ye Chen was so awesome!

Master Rudder put down the flower basket, came to Ye Chen, bowed his hands, and said heartily: "Dian...Mr. Ye, congratulations! In the future, Tianzheng Group will definitely have a lot of money and blessings!"

Ye Chen nodded, and said lightly: "Thanks."

Master Ruo waved his hand quickly: "It should be."

After said, he stood silently behind.

A man who was supposed to stand in the C position actually chose to stand behind Ye Chen.

Seeing this scene, Xia Ruxue's beautiful eyes were full of surprises and shocks.

Ruo Ye's identity, she knows a little bit more or less, Jiang Cheng's clan chief probably nodded and bowed in thanks to such a big man, but Ye Chen did not fluctuate in the whole process, but Ruo Ye appeared cautious! It even makes people think that Master Ruo is watching Ye Chen's face doing something.

how is this possible!

She stared at Ye Chen, and found that this man was far from simple.

Is this guy's identity unusual?

.....

"How the **** is this..."

Among the crowd, Zhao Youcheng's brain is blank, and he doesn't know what to say.

What's the identity of Master Ruo! How come to send flowers to Tianzheng Group in person!

"Miss Chu, is there the rudder of the Yuhao Club behind Tianzheng Group?" Zhao Youcheng looked at Chu Shuran, his voice trembling.

If this is the case, he and Shen Haihua have a fight, no doubt they are looking for death!

Master Ruo's connections ruined everything in minutes!

Chu Shuran finally woke up from the shock, she thought that Ye Chen seemed to be a waiter in the Yuhao Club.

Although I don't understand why Lord Ruo did this, there is such a relationship in it, and it can be explained.

"Ye Chen, the legal person of Tianzheng Group, used to be an employee of Ruo Ye. The boss came to see that the employees should be considered normal..."

Chu Shuran said far-fetched, but she didn't believe it herself.

"So that's it." Zhao Youcheng nodded thoughtfully, "I the **** think Tianzheng Group and Ruoye are not too close..."

Before he finished speaking, two more cars drove over!

The car is an Audi A6, which is definitely not comparable to the Maybach of the rudder.

But when he saw the license plates of the two cars, he was shocked!

This is the license plate of the Jiangcheng City Committee!

and it is the exclusive car of Jiangcheng Quangong No. 1 and No. 2!

"Impossible... not impossible... There seems to be a meeting in the province today..."

He rubbed his eyes, the car had stopped, and two middle-aged men in suits got out of the car!

When he saw the faces of the two men, Zhao Youcheng flew over 10,000 grass mud horses in his heart!

are really two men with Jiangcheng controlling top power!

Any of their decisions and attitudes are related to the development of the entire Jiangcheng!

actually appeared at the opening ceremony of Tianzheng Group!

"Fuck! Who can explain it!"

More terrifying things happened. These two big men took a flower basket from the secretary and walked quickly towards Tianzheng Group!

"Miss Chu, why are those two also here..." Zhao Youcheng's voice trembled a little.

Chu Shuran's fists were pinched tightly, and he said coldly: "You ask me, who do I ask!"

The appearance of the two leading groups instantly made those reporters crazy!

The crowd exploded!

This release signal is too unpredictable.

Those media who have published vulgar titles quickly called and asked the editor-in-chief to withdraw the report!

Because this matter is not only about Tianzheng Group, it involves two top powers, who would dare to discredit Tianzheng Group!

Looking for death!

Before everyone was relieved, two more cars drove in the distance!

When seeing those two cars, everyone's hearts seemed to hang up!

A strong sense of depression envelops the whole body!

Breathing almost stopped!

I dare not breathe at all!

The reporters who took pictures in the crowd seem to be unconscious!

I forgot to press the shutter!

The entire periphery of Tianzheng Group seems to be like a chaotic grave, falling into dead silence!

The reporters and those family children and entrepreneurs who watched the show were petrified on the spot! The eyes are wide! Like a sculpture!

What did they see?

are two camouflage green military vehicles!

Some knowledgeable people slowly moved their eyes down and landed on the white license plate.

Because the first two letters of the license plate can show the place of attribution.

The first letter is the location and the second letter is the department.

When they saw the letters of those two military vehicles, they had a great storm in their hearts!

Southwest field troops!

The field troops are China's main combat missions and cross-region combat missions!

The existence of awesome!

The military vehicle stopped slowly, and a man in military uniform came down!

walked straight to Ye Chen of Tianzheng Group!

Fuck!

The crowd on the periphery was completely exploded! crazy!

"What the **** is the Tianzheng Group!"

"Why are the people from the military area here too!"

"It's easy to understand that the Jiangcheng leadership team came to send flowers, but the people from the military area are too awesome! How can I play this!"

The faces of the people watching the good show of Tianzheng Group turned pale to the extreme!

His expression was so embarrassing that he was eating shit!

"Miss Chu..."

Zhao Youcheng's shirt is all soaked! Even the outermost suit is wet!

His legs are weak~www.mtlnovel.com~ almost fell to the ground!

He is a businessman, and he knows exactly what to see if a company can succeed in China!

No need to look at the product, just look at the background!

And what is standing behind the Tianzheng Group?

The rudder of the top network club!

The Jiangcheng No. 1 and No. 2 leaders in the policy direction!

Now **** out of the military background again!

Who dares to move Tianzheng Group?

The four big families in Jiangcheng are awesome? But under the absolute strength and background, the four big families are a shit!

"Miss Chu, what about Tianzheng Group..."

"To shut up!"

Chu Shuran roared like crazy.

She stared at Ye Chen's indifferent face in the distance, her nails had fallen into the flesh! Blood shed!

She thought she came to see Ye Chen making a fool of herself!

But I never thought it was myself who made the fool!

The key is how could this waste five years ago let these big people come to join in!

What qualifications does he have!

He lost the Ye family, it should only be worse, but why is everything happening now is developing in the opposite direction!

Why!

Who can tell her why!

"Miss Chu..." Zhao Youcheng stared at one direction, and said in terror.

"Didn't I tell you to shut up!"

Chu Shuran was completely angry, she spread all her anger on Zhao Youcheng like a mad woman.

But Zhao Youcheng did not respond at all. He stretched out his finger and pointed outside, and said in horror: "The car is coming again..."
