Chapter 1021: Virtual alchemist!

Everything returned to silence.

Ye Chen wanted to try to induce again, but thinking of the voice in the tombstone just now, he gave up.

The power in the tombstone of reincarnation, the more it appears behind, the more it transcends the rules.

Even if he is the owner of the Tomb of Reincarnation, the other party will not look at him directly.

Unless something you do convinces or is interested in the other party.

Ye Chen wasn't in a hurry, he didn't believe it anymore. When he was in absolute danger, could he not save him?

Afterwards, Ye Chen's eyes fell on Xiao Huang's body.

At this moment, Xiao Huang's pain has disappeared, and he fell into a sweet sleep. I don't know if it is because of the pill of Ling Yi Dan Zun, Xiao Huang has a faint light on his body.

The body hasn't changed much, and there should be no second evolution, but this light makes Xiao Huang feel like an inviolable beast.

It was like a sleeping tyrannical lion.

Ye Chen returned to reality, he didn't plan to break into the remaining three floors of Dan Xu Tower.

Must go to Mo's house.

Mo family is the only chance to meet Han Yun.

Seeing that Ye Chen hadn't spoken for a long time, Mo Ning'er said curiously: "The tomb owner, the Dan Xu Pagoda problem has been resolved, will you return to Qingxuan Peak next?"

Ye Chen shook his head, his eyes condensed slightly: "No, I plan to visit the Mo family. Last time you made a move, I owed you a great favor, and I should pay it back. Besides, I went to the Mo family to pay back. There is a matter to deal with."

Hearing this answer, Mo Ning'er was obviously a little excited: "Thank you, the master of the tomb!"

Ye Chen didn't talk nonsense, and went straight to the Pill Void Pagoda. When he came down, he saw the Lingyi Danzun pacing back and forth on the first floor. When he saw Ye Chen appear safely, he let out a long breath. Said: "Mr. Ye, you really scared me to death. I'm afraid that what happened to you will not be able to explain to that person."

The heart that Lingyi Danzun had been hanging was also let go, fortunately there was no danger!

"What can I do? Time is almost up, and I should say goodbye." Ye Chen said.

Ling Yi Danzun nodded, and suddenly looked at Fang Lao and Lao Yang beside him: "Mr. Ye, should I let my two gatekeepers follow the adults? This way, I can help a little bit in times of crisis."

Ye Chen directly refused: "Fang Lao and Yang Lao still have injuries, so there is no need, I can solve my problem."

As soon as the words fell, Ling Yi Danzun felt something, his eyes were cold, and he said: "Mr. Ye, it seems that the abnormal movement here has attracted some people who are looking for death. If so, I will personally send Mr. Ye away. Danxu Town."

"Also."

Ye Chen and Ling Yi Danzun went out, Luo Yao and Luo Wuya greeted them. They wanted to say something, but when they saw Ling Yi Dan Zun, they swallowed their words.

"Mr. Ye, Lingyi Danzun!"

Ye Chen nodded towards Luo Yao: "Miss Luo, thank you for your continued care. I still have some things to do today, and I may have to leave early."

When Luo Yao heard that Ye Chen was about to leave, her heart became more and more disappointed. She even thought about it just now. In the past two days, she was looking for a chance to take Ye Chen to take a look at the scenery of Danxu Town. It seems that there is no chance at all. Up.

Goodbye today, I don't know when I can see you again.

"Mr. Ye, Luo Yao didn't do anything, but instead caused Mr. Ye to suffer. I wanted to take Mr. Ye around, but it seems that I can only do it next time."

Ye Chen thought of something, so he took out an ordinary stone with Ye Chen's name engraved on the stone, and there was a formation on it. He handed it to Luo Yao and said, "No matter what, I owe Luo Yao. Miss Luo is a favor. If Miss Luo needs it, she can break the formation inside and I will be there as soon as possible."

If this sentence were put in the past, Luo Yao and Luo Wuya would definitely sneer.

But at this moment, Luo Wuya saw that his daughter was stunned and had no plans to take it, so he took a step first and respectfully said: "Mr. Ye is so polite, thank you for my Yaoer."

Ye Chen glanced at Luo Wuya, without saying much, he just walked outside with Ling Yi Danzun.

At the same time, he saw a man standing on the roof not far away!

This man stared at Ye Chen with sharp eyes like an eagle.

It is Xing Tian Danzun.

When he arrived, he saw Ye Chen coming out of the Danxu Pagoda again, his expression extremely gloomy.

He knew very well that Ye Chen was definitely a threat.

But at the moment Lingyi Danzun was with him, and he had no chance to do it.

...

Ten minutes later, Ye Chen came outside Danxu Town.

Under him was riding a spirit beast with four flames surrounded by four legs.

The name is Huoyunlu, if used to drive on the road, it will definitely be a lot faster.

This time, Ye Chen did not bring Duan Huaian, Xiaobi and others on the road.

After all, going to the Mo family is absolutely dangerous, not to mention that the three of them are still injured, and he can no longer put the doctors in danger.

Duan Huaian, Xiaobi and others have been yearning for the Pill Xu Pagoda. It is definitely a great opportunity for him to let the Lingyi Pill revive a few and give instructions on the alchemy.

After seeing Han Yun and confirming some things behind the reincarnation cemetery, he personally came to Danxu Town to pick up a few people.

"Then I'm leaving, Lingyi Danzun, please take care of the people of the God of Medicine." Ye Chen reminded again.

"Mr. Ye rest assured, in this Danxu Town, the people I want to protect, others are not qualified to move!"

"By the way, Mr. Ye, I forgot to give you this thing." Lingyi Danzun handed out a jade pendant!

The jade pendant is engraved with the pattern of the Danxu Pagoda, and there are several large characters on the back!

Ye Chen, a virtual alchemist! The seventh floor of Danxu Tower!

This jade pendant is extremely simple and precious, as if it were a status symbol! Extremely noble!

In Kunlun Xuzhong, the alchemist has multiple levels!

Mortal level, earth level, heaven level, profound level, spirit level, holy level, holy king level, virtual level, virtual king level, Taoyuan level, emperor level!

And the virtual level is already a rare category in the entire Kunlun virtual!

"Mr. Ye This jade pendant must be kept properly. When necessary, this alchemist identity can solve many things. It has many uses. You can stay in a 90% hotel in Kunlun. You can use this Yu Pei goes to major auctions and banks to borrow money, and can also use this jade pendant to be a guest of most families, and freely enter and exit Linhai City where the Mo family is located!

Moreover, this jade pendant can enter and exit any upper society in Kunlun Xu, the alchemy certified by the Dan Xu Tower, that is a resource that countless forces have won! "

Ye Chen accepted the jade pendant, which is a good thing.

Remember that in the Land of Killing, Senior Feng showed a token of Pill Void Tower and let Hong Tao take care of it.

This piece is obviously a lot higher level, I don't know what effect it will be.

"Okay, please go on the road, Mr. Ye, you may be able to rush to the city where the Mo family is located before dark. As for some tails, I will help Mr. Ye deal with it!"

Chapter 1022: The unexpected person!

After Lingyi Danzun finished speaking, he walked towards a figure in the dark, it was Xingtian Danzun!

"Xing Tian, do you have a habit of stalking? Or, what are your calculations in your heart?"

Xing Tian Danzun, who followed along the way, snorted coldly: "Ling Yi, don't frame me! I'm just going to do something outside! Don't you want to take care of this too!"

His voice is unceremonious!

Seeing Xingtian Danzun was about to leave, Lingyi Danzun grabbed his shoulders, and the strength on his body was suddenly released!

"What attracts people outside? We haven't decided the winner or loser in the battle that day!"

In the next second, Lingyi Danzun was shot with a palm, and Xingtian Danzun could only challenge!

But when he caught this palm, he found that there was no figure in Ye Chen!

...

At this moment, Ye Chen was already on his way to Linhai City!

From Lingyi Danzun's mouth, I learned that the Mo family in the ancient times changed three places because of aura, and finally stayed in Linhai City permanently.

Linhai City is surrounded by the sea and can be said to be an island on the sea, somewhat similar to Xiamen, a tourist city in China.

Linhai City was sealed with aura due to the great sea water formation, which also allowed a steady flow of aura, enough for people in a city to practice.

At the same time, Linhai City is also Kunlun Xu's famous food place.

This season is the season of seafood, so when Ye Chen rushed to Linhai City, he found that most of the people were surrounded outside.

Most of these people have no way to enter Linhai City and want to try their luck outside the city gate.

If there are big families in Linhai City or sects who come out to ask people, it is an opportunity.

Ye Chen just wanted to enter, but he heard an uncertain voice behind him: "Hallmaster?"

At this moment, Ye Chen's body was almost stiff!

Goose bumps all over!

Even a little bit cold!

This voice is so familiar, so familiar, it hasn't been heard for a long time, and it has become extremely strange!

Only those people in the Huaxia Dark Palace would call themselves that way!

But he remembered that no one from the dark hall came in!

Ye Chen turned stiffly, and saw a man with a shabby body and dark skin!

The man's face is a bit dirty, and he can barely tell his face.

But Ye Chen knew who this person was!

Ye Lingtian!

One of the guardians of the dark palace!

The key is that Ye Lingtian is not in China, so why is he here?

No, Ye Lingtian is one of the few people who knows the existence of Kunlun Void. When Ye Chen was brought into Kunlun Void by his master, he met Ye Lingtian by chance, and he was even believed in as the lord of the palace!

Ye Lingtian was sure that this figure was the lord of the palace, he was so excited that his eyes were flushed!

"Plop!" He knelt directly!

"Subordinate Ye Lingtian, see the Lord!"

The voice is trembling!

Ye Chen quickly got down from the Huoyunlu and helped Ye Lingtian up. He was a little bit astonished and asked: "Ye Lingtian, you shouldn't be in China, why are you here?"

As soon as Ye Lingtian wanted to speak, he fell down and fell into a faint.

Ye Chen's eyes shrank and gave up the plan to go in, put Ye Lingtian aside, and then pointed at the center of Ye Lingtian's brow.

He could feel Ye Lingtian's weakness, he even tore off Ye Lingtian's clothes and found that they were all scars!

Obviously, Ye Lingtian received inhuman treatment during this period!

This kind of pain is almost fatal!

If it weren't for Ye Lingtian to continue his life with certain spells, he might have died long ago!

Although I don't know what happened to Ye Lingtian, let alone why Ye Lingtian arbitrarily advocated entering Kunlun Xu from Huaxia, but at the moment, as the head of the dark palace, he must not let Ye Lingtian have an accident!

He took out an elixir and gave it to Ye Lingtian, and at the same time the silver needles fell one after another, slapped a palm on Ye Lingtian's chest, and the endless true energy rolled away!

Zhen Qi passed through Ye Lingtian's internal organs, like a hot spring passing by.

Has a miraculous effect on the injury.

Nine Heavens Xuanyang Jue, as the practice of Lin Qingxuan and He Shenmen, naturally has its particularity.

The most special thing is that he can not only be used in martial arts, but also can heal and save people!

"puff!"

Suddenly, Ye Lingtian vomited a mouthful of black blood, and his face recovered somewhat.

Seeing the black blood, Ye Chen became more and more certain in his heart. Whose blood is so vicious in the end!

He understands Ye Lingtian's character, he will never make a move if he is not a last resort!

It will not stop converging in this place full of strong people!

"Water...I want to drink water..."

Hearing Ye Lingtian's call, Ye Chen recovered, and quickly took out a bottle of mineral water from the reincarnation cemetery and gave it to Ye Lingtian.

Ye Lingtian grabbed the mineral water and ingested it frantically.

After a full five minutes, Ye Lingtian opened his eyes.

When I saw Ye Chen, I quickly forcibly sat up!

"Hall Master, did I really see you? This is not a dream, or is it, I am already on Huangquan Road now?"

Ye Lingtian was a little confused, after all, he knew his physical condition, and he might see the palace master after returning to the light.

Ye Chenbai glanced at Ye Lingtian and pulled out a silver needle. The pain spread instantly, Ye Lingtian's expression was hideous, and this was definitely not a dream!

One hand grabbed Ye Chen and said excitedly: "Hall Master, this is really not a dream! Too...too good!"

Seeing that Ye Lingtian's injury was intact, Ye Chen asked, "Why are you here? Good Huaxia stays, who told you to go back to Kunlun? I remember when I leave, let you protect Xia Ruoxue and Tianzheng Group."

Ye Lingtian smiled bitterly and explained: "Hall Master, Huaxia now has Lu Lingfeng guarding it, and the strength of the dark palace is enough to protect everything. Besides, Huaxia has been taking care of everything about you. How could something happen? As for why I am here, in fact Some personal matters were dealt with. A month ago, Kunlun came without a visitor. I received the news that my father was driving Hexi."

"This is how to enter Kunlun Xu rashly and please don't blame the Lord."

Ye Chen patted Ye Lingtian apologetically on the shoulder. He knew that Ye Lingtian was born in Kunlun Xu. If it were not for himself, he would not have entered China from Kunlun Xu and began to build his strength.

"People can't come back from the dead, so mourn."

Ye Lingtian nodded, there was not much sadness in his eyes, only exhaustion remained: "Hall Master, after I entered Kunlun Xu, I was confused.

Because I haven't stepped in for many years, I wanted to take refuge in a few friends, but found out that my friends are no longer there. Even my family has disappeared.

I rushed to the land of the former family, and saw a piece of flat ground. I was completely stunned. I was mainly to blame for this incident. The person who notified me asked me if I knew the place, so I naturally said I knew. "

"Later, after all my hard work and inquiries, I learned that the family had moved to Linhai City many years ago. Because of its aura and geographical location, many families have taken this place as a new place to take root."

Chapter 1023: Can not afford!

"Unfortunately, I don't have permission to enter. I can only keep guarding outside. I hope someone in the family will pass by. But this guard has been for many days. What happened in the past few days is like a nightmare."

Ye Chen wanted to ask something, but seeing Ye Lingtian's dodging eyes, he didn't intend to ask more.

Some things still have to wait for Ye Lingtian to take the initiative to tell him.

Afterwards, he helped Ye Lingtian up: "Let's go, I will take you into Linhai City."

When Ye Lingtian heard these words, he shook his head and refused: "Hall Master, Linhai City is heavily guarded. Without the guidance of the people inside, it is impossible to step into it. Well, I'll stay here and wait for people in the family."

Although he respects Ye Chen, he also knows how powerful Ye Chen is.

But this place is not Huaxia, but Kunlun Xu! There are many strong people here, and Ye Chen's aspirations in China are not worth mentioning here!

He didn't want Ye Chen to take risks for him.

What's more, Ye Chen's behavior style, he knows, once a conflict with the gatekeeper, that violent temper will definitely be ignited, and he will not do it on the spot!

Ye Chen was a little helpless to Ye Lingtian. This guy was the King of Nanjiang at any rate, and he was a thirsty existence in China. Why did he shrink in Kunlun?

But after thinking about it, Ye Lingtian's strength here is indeed not enough.

After all, the initial stage of Transcendence.

It seems that it is time to bring in a part of the dark palace, only here can it be strong!

Ye Chen stopped thinking, patted Ye Lingtian, and said directly: "Ye Lingtian listened to the order, stepped on the mount, and went in with me!"

After all, Ye Lingtian was injured and he was his brother. At this time, he naturally wanted to give up his mount.

Ye Lingtian didn't dare to sit on Ye Chen's Huoyunlu. Just about to refuse, he shouted: "Ye Lingtian, do you dare to disobey my meaning?"

Ye Lingtian's face was pale, and after hesitating for a few seconds, he stepped on the Huoyunlu.

He still has to listen to the command of the palace lord, after all, this is for his good.

After that, Ye Chen led Huoyunlu towards Linhai City.

From this point of view, he was a bit like a fellow, which is why Ye Lingtian didn't dare to go to Huo Yunlu.

He stared at the strong gatekeeper of the city gate, holding his breath.

"Stop! Show the Linhai Order! And the Linhai Order can only take one person! Offenders, kill!"

Ye Chen and Ye Lingtian had not yet approached, but cold words came, shaking the world! Killing intent.

Ye Lingtian is too nervous! The palms are all sweaty.

Ye Chen shook his head at those people: "I don't have a Linhai Ling!"

As soon as the words fell, a long spear came.

Before he touched Ye Chen, he took out the Dan Xu Pagoda certification jade pendant that Lingyi Danzun gave him without a hassle!

Virtual Alchemist, Ye Chen! These words are shocking!

When the spear stopped, the gatekeeper naturally recognized the jade pendant!

Virtual alchemist? Ye Chen?

The faces of everyone were a little frightened! After all, they have never seen such a young alchemist!

Not to mention a virtual alchemy!

Although everyone was skeptical, they did not immediately act on Ye Chen, but a gatekeeper hurriedly went inside, obviously to ask for higher-level existence.

Not long after, a blue-robed old man hurriedly walked out, extremely overwhelming, and said loudly: "Where is the alchemist? If you forge the token, this is a capital crime!"

Before he finished speaking, he noticed the jade pendant in Ye Chen's hand. His eyes shrank to the extreme, and he stepped forward quickly: "My lord, let me take a look at the jade pendant."

"Take it." Ye Chen threw it away, which scared the blue-robed old man to death.

When he caught it and pointed at the jade pendant, his eyes were full of horror, and he even knelt down on the spot: "Feng Tai has seen Ye Danzun!"

The two words Dan Zun can only be used on the disparity and noble alchemists!

And Ye Chen obviously has this qualification!

Even the gatekeepers are dumbfounded. Feng Tai is a big man in Linhai City, and he is also an important person in charge of entrances and exits!

Countless people flatter and please exist!

Even Feng Tai's own strength is extremely powerful!

It was such a character who actually kneeled to a young man!

The gatekeepers woke up from their dreams and knelt down one after another, and said respectfully: "I have seen Ye Danzun!"

Ye Chen nodded, retracted the jade pendant, and directly took Ye Lingtian into Linhai City.

And at this moment Ye Lingtian is completely petrified!

He had never thought that the Palace Master could actually take him into Linhai City!

It was even called Dan Zun by a big man like Feng Tai kneeling down!

His blood boiled quickly!

He knew he didn't follow the wrong person!

After entering Linhai City Ye Chen asked Ye Lingtian, "Where is your family? I will take you there first."

Although the day when Ye Lingtian's father was buried, as a son, the first thing he did when he entered the city was naturally to bow before his father's grave.

Ye Lingtian felt a little grateful, and just about to speak, a violent spirit beast rushed over!

On the spirit beast was a young girl with a face covered.

The girl was sitting on the spirit beast, obviously unable to tame the mount, struggling constantly, and did not dare to let go.

And behind her, several Void Returning Realm powerhouses hurriedly followed.

"Miss wait! We'll help you right away!"

Those few Void Returning Realm experts wanted to shoot arrows and hunt down this crazy monster, but they were afraid of hurting the girl.

Seeing that the violent spirit beast was about to collide with Ye Lingtian, the Huoyunlu under Ye Lingtian instinctively raised his front feet and kicked the spirit beast out!

If they don't kick, Ye Lingtian and Huo Yunlu will definitely be injured!

Huoyunlu is the mount given to Ye Chen by Lingyi Danzun, how could it be bad!

Under his feet, flames entangled, and the violent spirit beast was instantly smashed out!

Even the young girl fell severely because of an unstable center of gravity!

Quite embarrassed!

Ye Chen didn't make any shots from beginning to end. After all, Ye Lingtian had injuries on his body, and the only thing he could do was protect his brother.

Seeing the girl fell down, the complexions of those strong in the Void Return Realm changed drastically!

He rushed over and helped the girl up!

"Miss, are you all right!"

"You are the golden branch who wants evil, you can't get hurt, otherwise the master will blame it, we can't afford it!"

Chapter 1024: Decide on life and death!

The girl was obviously a little angry, and she broke away from the hands of several people: "Go! Xu Cheng, Xu Lu, you two are really rubbish! Can't you surrender this mount! It hurt this lady so much!"

I think that after today, it is time for Daddy to expel all of your trash from Xu's family! "

When those people heard the threat from the young lady, their expressions were extremely embarrassing, even a little afraid!

After scolding the two, the girl stared at the Huoyunlu angrily again!

In her opinion, she was injured, obviously because of this brute!

If this animal doesn't move her feet, she might be able to subdue this mount by a bit!

Damn beast!

"Come here, cut off the kicking leg of this beast! I'm annoyed to look at it! Also, my disobedient mount was also killed. Even if this disobedient beast is precious, there is no need to exist!"

The girl commanded, her tone was mean and angry!

"Yes, miss!"

The two Void Returning Realm powerhouses named Xu Cheng and Xu Lu immediately drew their long knives, carrying the power of rage, and slashed directly on the body of the rage spirit beast.

The violent spirit beast groaned in pain, it was too late to dodge.

The blood flowed out, and the ground was actually red.

This spirit beast is actually a well-behaved kind in Linhai City, but the girl's pants are decorated with spirit stones, which pierced into the skin of the spirit beast, naturally going crazy.

This is animal instinct.

It's a pity that I ran into a rude master.

After slaying the spirit beast, the other people started to attack the Huoyun Deer, but when they saw Ye Lingtian on the Huoyun Deer, they all shrank together!

"It's actually you trash, you didn't die! How did you mix into Linhai City! Damn, all kinds of garbage can come in, how do those guard dogs do things!"

Hearing these words, Ye Chen's eyes instantly became cold, and it was obvious that these two people knew Ye Lingtian!

Looking at Ye Lingtian again, Ye Chen clearly found that there was some horror and fear in his eyes!

Obviously, after Ye Lingtian entered Kunlun Xu from Huaxia, the shocking wound on his body must be related to these people in front of him!

The anger in Ye Chen's heart was instantly ignited!

The Dark Palace is certainly just a force of China! Did not extend to Kunlun Xu!

But with him as the master of the palace, anyone who wants to move the dark palace is absolutely impossible!

Not to mention Ye Lingtian who was born and died!

How can people who have made great achievements be ashamed!

The Void Returning Realm expert named Xu Cheng didn't talk nonsense, and slashed towards the Huoyunlu!

Seeing that the sword intent was about to fall, Ye Chen kicked it fiercely!

This kick is condensed with the strongest force, kicking Xu Cheng's wrist!

The long knife broke free in an instant, flashed in an arc, and passed directly through the girl's veil. The veil was torn, and the girl's face was pale, and she sat on the ground.

And Xu Cheng took a few steps back, his face changed drastically.

Ye Chen stared at the girl interestingly, her face was pretty pretty, with a hint of coldness, if it were placed in China, she would definitely become a popular star in the entertainment industry.

It's a pity that Ye Chen has seen too many beautiful women who are all over the country. Ji Siqing, Wei Ying, Sun Yi, Xia Ruoxue, and even Luo Yao, who has just been separated, are also more beautiful than this person. He really doesn't understand how such a face can hide. Necessary.

"Miss!" Xu Lu reacted with a look of embarrassment, after all, his knife almost hurt the girl!

The girl stared at Ye Chen and Ye Lingtian who had shot, her face was frosty, and her cold voice sounded, "Let them both kneel down and apologize to me!"

Xu Lu, Xu Cheng, and several Void Returning Realm powerhouses behind them surrounded Ye Chen and Ye Lingtian!

Murderous intent was overwhelming, and he said angrily: "You two, don't kneel down and apologize! Don't you know what kind of existence you have offended!"

The breath of Void Return Realm is suddenly released!

The one named Xu Cheng is at the peak of the Void Return Realm, half-step Void King Realm!

The coercion almost swallows the world like a demon!

too strong!

How could Ye Lingtian, who was already injured, withstand the pressure of such a strong man, spurted out a mouthful of blood, and even fell down the Huoyunlu!

Face pale!

This is the gap!

This even made Ye Lingtian think of the torture of the past few days, like a nightmare!

If there was no Ye Chen, if there was no will to support, he might have fallen long ago!

Ye Chen quickly supported Ye Lingtian and told him to take a pill, and at the same time, the Zhen Qi was transported into Ye Lingtian's body.

The coercion cannot continue to hurt instantly.

After doing all this, his cold eyes stared at the surrounding Void Returning Realm powerhouse!

Want him to apologize? Why!

Totally impossible!

Even though he was unfamiliar with the place in Linhai City, he didn't know the influence of the few people in front of him!

But even if these people are the heavens here, so what?

He hasn't recovered Ye Lingtian's injuries. It is these people who should apologize!

"Fuck, you can't be deaf, believe it or not, I broke your hands and feet if you don't want to!"

Xu Lu and Xu Cheng went away with endless coercion. I thought they could make them surrender and kneel down!

But found it impossible!

Even because the pressure has been released too much, their bodies are full of sweat and their faces are red!

Ye Chen's motionlessness seemed like a humiliation to them!

The girl did not expect to see two stubborn stones, and said to Xu Lu and Xu Cheng: "What's the matter with your trash? Since these two trash don't kneel, cut off their feet and let them never kneel down. That's it!"

It shows how vicious this girl is!

However, this is normal in the face of Kunlun Xu's cruelty!

Even because the movement was so loud, there were many people around, pointing and pointing.

Ye Chen vaguely heard what Fang family, what top power.

Obviously the background is very big!

"Two beasts, since you don't kneel, then **** off your hands and feet! Remember not to offend anyone who shouldn't offend in your next life!"

Knife intent!

Six cold rays of light came towards Ye Chen and Ye Lingtian!

Too strong!

Ye Lingtian's face was pale, he felt that he had harmed the Lord! If I didn't say hello to the Lord of the Palace just now, I wouldn't have encountered the things now!

But what should they do!

He looked at Ye Chen beside him like a dead gray.

However, Ye Chen laughed!

His smile was bloodthirsty and cold.

It was like a wild beast saw its prey.

even! The eyes are scarlet!

Suddenly, his smile diminished, and Ye Chen stepped out with a cold light in his eyes, like an eagle!

At the same time, the extremely cold voice resounded like a profound thunder: "One bite of a waste animal, since your parents don't teach, I will teach you Ye Chen!"

"Kneel all to me!"

Ye Chen's voice just fell The surroundings were silent and extremely quiet.

Those onlookers even found it ridiculous!

This was in Linhai City, and someone dared to make the Xu family kneel down! I'm crazy!

Looking at Ye Chen's young face, everyone felt a little ridiculous.

Really ignorant and fearless young man, I am afraid he is about to die.

The smile on the corner of the sinister girl's mouth was exuberant.

Her eyes were haughty, her hands crossed her chest! Waiting for the **** picture!

And these two ants knelt in front of her!

She likes this feeling and can determine the life and death of some low-level characters!

Chapter 1025: Uprooted

In her eyes, Ye Chen and Ye Lingtian are the people struggling at the bottom!

In the face of power and strength, it is vulnerable!

But at this moment, a strange picture appeared, which shocked everyone's attention!

Seeing that the sword intent was about to fall, an invisible force suddenly surged!

Then, six knives hung in the air!

Can't get closer!

It's like cutting on a wall!

how is this possible!

This was the first reaction of those who shot!

They saw through Ye Chen's cultivation base, Saint King Realm!

It is impossible to stop them from returning to the Void Realm! And it's still six people!

But how to explain it now!

"Damn, what's the matter, why can't the knife move!"

The tyrannical people's evil spirits and killing intent did not restrain. They looked at Ye Chen, but found that Ye Chen was extremely calm.

However, in this calm, he stretched out his fist!

A trace of arc surrounds! The blood evil surged in the arm!

Throw a punch!

A knife made with a physical body that wants to shake their spirit stone!

ridiculous!

But their smiles quickly solidified!

"Kakka!"

The sound of breaking is endless!

No one would have imagined that the six knives shattered on the spot!

The fragments even pierced the bodies of several people, and the blood shot!

Except for Xu Lu and Xu Cheng, the others fell to the ground on the spot!

Completely dead!

The appearance of death is even more kneeling!

And Xu Lu and Xu Cheng were also uncomfortable, a mouthful of blood spurted out, and the internal organs seemed to be shaken!

It's even a few steps back!

Looking at Ye Chen again, there was only panic in his eyes!

They discovered that this person in the Saint King Realm was still a body refiner!

Otherwise, how could the fist have such power!

"Kneel down." Ye Chen put his hands behind him, his expression was indifferent, and his tone was not even warm.

His head is lowered, the cold wind is blowing, and the corners of his clothes are fluttering, like a saint.

Xu Lu and Xu Cheng glanced at the young lady, and found that the latter had shrunk in a corner completely in shock, pale, afraid to say a word.

Afterwards, the two looked at each other and said coldly: "We are from the Xu family, do you know what it is to offend the Xu family! I advise you not to go too far, otherwise you will not be able to end this matter."

"Kneel down." Ye Chen still repeated these two words, "I don't want to say it a third time."

"Also, you guys caused my friend's injury."

Ye Chen's voice was getting colder and colder, as if he came from the Jiuyou Hell, but he could die!

Xu Lu and Xu Cheng trembled all over, they just wanted to talk, Ye Chen kicked the sword fragments on the ground!

The shards shoot out, cold light permeates people!

"Puff!"

The fragments penetrated the knees of the two directly!

Broken bones! Blood spray, like spring water!

They wanted to stand, but they had to kneel down!

The voice of pain resounded throughout the street!

Those onlookers originally wanted to watch the excitement, but now they backed away!

Don't dare to approach the evil **** Ye Chen!

The key is that this young man is so face-to-face, I don't know where he came from!

Ye Lingtian watched Ye Chen's actions, his fists clenched, he was very worried about the Lord!

But he chose to believe in the lord!

The Lord has never been like this in China, sweeping everything! Every time it seems to be in crisis, it is a nightmare for others in the end!

This is China's undefeated God of War!

He even believed that the Lord of the Palace could become Kunlun Xu's undefeated God of War!

Ye Chen had already arrived in front of the girl, and the feeling of fear made the girl unable to breathe!

All his men have fallen! What can she do!

She didn't dare to look at Ye Chen, and even lowered her head, and whispered softly: "What are you going to do! You can't move me, or my father will let you die miserably! This is not a threat!"

Ye Chen smiled coldly, and stretched out his fingers to hold up the girl's chin!

The girl never thought that she would be so desecrated!

She was so angry that she couldn't wait to **** Ye Chen's blood! !

Ye Chen kept getting closer!

She swallowed, and even thought, this guy will not assault her in front of so many people.

It's not crazy.

Suddenly, a cold word fell: "I let all of you kneel down, you are deaf, everyone!"

Upon hearing these words, the girl's beautiful eyes widened!

She couldn't believe that this young man actually let her high above kneel down!

How many talented disciples in Linhai City all bowed under her pomegranate skirt, and even more obedient to her!

But this young man made her kneel?

"Do you know me..."

"Snapped!"

Ye Chen slapped it out! Although he didn't use much strength, it also caused the girl to fall to the ground!

Face red and swollen!

The blood red palm print seems to have taken away the girl's fig leaf!

The girl was stunned!

Everyone is even more confused!

Even the look in Ye Chen's eyes changed.

How many people in Linhai City dare to fan this girl!

Ye Chen came to the girl, looked at her condescendingly, and said word by word: "This slap is for my friend."

"Also, you still owe my friend an apology."

"You can protect your dignity and choose not to apologize, and I can also use my means to end your life!"

Ye Chen did not pity Xiangxiyu!

For this kind of arrogant and vicious girl, kindness is cruel to herself!

Since his parents don't teach, he teaches Ye Chen himself!

The girl panicked completely, she didn't even dare to look at Ye Chen, covering her red and swollen face!

She believed Ye Chen's words This madman really dares to kill her!

She dare not bet!

After hesitating for a long time, she raised her head and looked at the injured Ye Lingtian!

She recognized this somewhat dirty man.

A few days ago, at the gate of Linhai City, she went to recruit a few slaves on behalf of the Xu family. Because of the crowd squeezing, the man got closer.

She didn't like the smell of this man, she even felt that this man was blaspheming her, so she let Xu Cheng and Xu Lu lead them to solve and torture.

Originally planned to throw the body into the sea, but he didn't expect the man to die.

Actually came back with a demon.

Is this man here for revenge?

She clenched her fists and plunged her fingertips into the flesh, trying to squeeze a few words: "I'm sorry!"

Ye Chen's expression remained unchanged, but turned to look at Ye Lingtian: "Are you satisfied?"

How dare Ye Lingtian say that he is not satisfied, he feels that things have completely lost control!

If you don't leave, the Xu family will come, and there will be endless troubles!

The Lord of the Palace is certainly strong, but this is Linhai City!

He must take the palace owner to find the family immediately, only the family can shelter a bit!

"Hall Master, I'm satisfied, it's late, let's leave as soon as possible."

Ye Lingtian urged.

Ye Chen nodded. He didn't kill the girl. He could feel a force staring at him in the dark.

Kill some young people, this power may not be shot!

If you kill this girl, I'm afraid that guy will come out.

His eyes fell on the girl again: "Today I will not kill you, you can choose to retaliate against me. Remember, my name is Ye Chen. But next time, I will not give you a chance to survive, or even the family behind you. It will be uprooted."

Chapter 1026: Punish you ant!

The girl stared at Ye Chen firmly, not daring to speak.

She even forcibly concealed the monstrous anger in her heart and the determination to kill Ye Chen!

She wants this young man named Ye Chen to die!

Anyone who offends her will die!

Torture alive to death!

Ye Lingtian glanced around, feeling a little uneasy, and said to Ye Chen: "Hall Master, let's go."

"it is good."

Ye Chen didn't talk nonsense, and helped Ye Lingtian to Huoyunlu, and he planned to leave with Huoyunlu.

Just as he was about to pass through the crowd, a majestic shout came crashing down!

"stop!"

Then, Ye Chen saw dozens of strong men in armor appearing around, blocking all routes.

At the same time, a man with a height of nearly 2 meters and explosive muscles walked out of the crowd.

The man is wearing a red open armor, holding a wide sword with gold patterns in his hand, and has a breeze around him.

The arms are extremely thick, more than twice that of Ye Chen, and he walks extremely steadily. A feeling of coercion strikes, giving people a sense of oppression. It makes people feel as if they are facing a war machine!

He was full of domineering aura of the world.

Ye Chen squinted slightly, and he could feel the blood boiling in his body.

This sudden man made him feel dangerous.

This person is by no means an ordinary cultivator, but a body refiner, a real physical domineering person!

"In Linhai City, private fights are not allowed! You know the consequences!"

The burly man spoke, swiping his icy eyes, extremely majestic.

Those onlookers even exclaimed: "Who reported the letter? I even brought Xiang Yingjie from the Linhai City Punishment Bureau!"

"Xiang Yingjie is hailed as a martial lion in Linhai City! The methods are brutal and unstoppable! Most people dare not make trouble in Linhai City because of Xiang Yingjie's style of doing things!"

"The Punishment Bureau is no joke. In Linhai City, it is the real ruler! And the three words Xiang Yingjie are the responsibility of the Punishment Bureau! Now that Xiang Yingjie is here, that kid is dead!"

"I heard that Xiang Yingjie was number one in the Ling Fu list decades ago. If it hadn't been beyond the limit, it is estimated that Ji Siqing would not be the first in the Ling Fu list now.

However, Xiang Yingjie's pursuit is not a spiritual gift list, he is probably pursuing Kunlun Xu's true strength list-the sky list! "

"There are only a thousand places on the Cangqiang list, limited to aspiring Kunlun Void Sky! Almost the Kunlun Void real top powerhouse! Some of the strengths of the Void Returning Realm cannot be reached, only Void King Realm, Daoyuan Realm, Only the strong like the emperor realm are qualified! But this hero is 37 years old and has set foot on the 912th place in the sky list! It is horrible! The key is that he stepped on the body training!"

"I am afraid that in Kunlun Xu, few people can compete with Xiang Yingjie for talent before the forty of the bones. Although Ji Siqing may have the strength to enter the sky list, she seems to only focus on cultivation, and does not kill or defeat the sky list masters. "

"No, there is one person who will never lose Xiang Yingjie. Don't forget the Ye Sutian who was born! It is said that this person is very likely to exceed Ji Siqing's talent, and there is even a person who can compete in the sky! It seems that Ye Sutiangen Gulian has not arrived at thirty, this is the real horror!"

"What are you talking nonsense, that Ye Jitian has always been a legend, how many people have seen it? I heard that Ye Jitian's strength fluctuates, and I won't know until after a real battle! Forget it, I'm by Xiang Yingjie I'm dead if I hear it."

The crowd gradually calmed down.

Ye Chen heard the voice of the crowd in his ear, his eyes wrinkled tightly.

He knew about the Ling Fu list, but it was the first time I heard of the Cangqiang list, but after another thought, this list includes the Void King Realm, Dao Source Realm, and even Emperor Venerable Realm. Compared to himself, it's worse. Too much.

Just when Ye Chen was in a trance, the injured girl's eyes were rejuvenated! One step forward, holding Xiang Yingjie's arm!

"Brother Yingjie! You have to call the shots for me! Someone not only killed my entourage, but even slapped the little girl, and even threatened to destroy my Xu family! Uuuuu..."

Xiang Yingjie glanced condescendingly at the girl, frowning: "Yaxin, your face..."

He naturally saw the redness and swelling on Xu Yaxin's face.

Although he has a normal relationship with the Xu family, no matter how you say it, this is his feet!

Someone is so rampant!

He followed Xu Yaxin's gaze and shot straight at Ye Chen who was holding Huoyunlu!

The eyes are murderous and hideous!

"It was you who did it just now!"

Ye Chen nodded without fear.

When he got the answer, Xiang Yingjie stepped forward, and the broad sword in his hand was even more inserted on the ground: "Bold! Not only fight in Linhai City, but even dare to kill! Do you know what the crime is!"

"In front of my punishment bureau, it is a capital crime!"

After a few words, Xiang Yingjie penetrated with endless power!

The breath penetrates the body like a sharp sword!

Huo Yunlu knelt down on both knees!

Although it is a spirit beast, it is just a beast!

Ye Chen shrank, knowing the horror of this breath, and immediately gathered all his strength on Ye Lingtian!

Ye Lingtian can no longer be injured, otherwise he will die!

But Ye Chen didn't have any precautions, it was too late to summon Xiao Huang!

A blushing blood spurted out on the spot! His eyes were blood red, and there was a sound of vibration from the bones of his body!

Ye Chen was angry in his heart, raised his head, regardless of his injuries, he said word by word: "Grass! Did you **** understand what happened? Whatever others say! What a **** punishment bureau!"

The crowd is silent!

I never thought that Ye Chen would dare to say this kind of slander!

Is this fatal!

Xiang Yingjie's eyes also flashed with a gloomy cold, although he didn't know why under his aura, he didn't shatter the internal organs of the two people, but he didn't care, he pulled out the broad sword in his hand!

"Such abusive language, today I will punish you as an ant on behalf of Heaven!"

Xu Yaxin sneered again and again when he saw that Ye Chen was looking for death like this, wishing Ye Chen would die immediately!

In her opinion This ignorant young man offended Xiang Yingjie, which is a capital crime!

And Ye Chen is naturally not afraid, he is angry and violent, even if he loses to this Xiang Yingjie, so what!

He has communicated with Mo Ning'er in the reincarnation cemetery!

Isn't a great power not enough!

At this critical moment, an old man in a blue robe hurriedly walked in, and even blocked Ye Chen.

It was Feng Tai who inspected Ye Chendan Xu Pagoda at the entrance and exit!

Sweating profusely, Feng Tai looked at Xiang Yingjie and said, "Master Xiang, can you look at Feng Tai's face, let this... Mr. Ye!"

He wanted to say the word alchemy, but then he thought about it, Ye Chen's level of alchemy is a secret, and should not be publicized.

If other forces come to curry favor with Ye Chen, then his Feng family will have no chance!

Chapter 1027: incident!

Xiang Yingjie's broad sword hung in the air, his eyes strange.

Mr. Ye? With such an identity, Feng Tai called a young man Mr.

What the **** is this!

Does this kid have some origins?

Even Xu Yaxin's expression is ugly to the extreme!

I thought Ye Chen was going to die, but now it seems impossible, grass!

Seeing that Xiang Yingjie hadn't taken the sword, Feng Tai continued: "Master Xiang, as for the punishment bureau, I'll go and tell the few people that Mr. Ye is the guest invited by my Feng family, and I would like to ask the adults to show some face. , Mr. Ye is here for the first time, and I don't understand the rules here, I will tell him later."

Xiang Yingjie hesitated for a few seconds, but still withdrew the sword in his hand.

"Feng Lao's face, I naturally want to give it."

"However, if I see this kid daring to do something in Linhai City next time, I will kill him on the spot without any hesitation! You Feng Family will never want to stop! Go!"

The last sentence is obviously a threat.

The cold gaze seemed like a flame trying to burn Ye Chen!

But Ye Chen didn't dodge anything, his eyes were filled with anger, and he replied: "If Feng Tai didn't save you, you might be a corpse Xiang Yingjie!"

Although the current Xiang Yingjie is extremely strong, he is even more superior!

If Ye Chen practiced a little more, he could still fight without relying on the reincarnation cemetery!

Ye Chen will remember this hatred!

It's a pity that Xiang Yingjie has led his troops to leave! Xu Yaxin was afraid of Ye Chen's revenge, and hurriedly followed!

Feng Tai was scared and sweaty!

Turning around, he hurriedly said: "Mr. Ye, I'm afraid this is the first time you have come to Linhai City. This hero has a lot of background in Linhai City, and his strength is extremely strong. According to him, he once punched a Void King Realm powerhouse. Although it is the early days, his reputation for body refining also came from Kunlun Xu. What's more, he has also set foot on the sky list. It is better not to conflict with this kind of martial artist like you."

Obviously, in Feng Tai's eyes, alchemy is literary and martial art is martial! Not to mention!

If there is a fight, Xiang Yingjie may be able to destroy Ye Chen with just one finger!

Ye Chen didn't talk nonsense, and nodded, thanking Feng Tai for his kindness.

Feng Tai's eyes turned, thinking of something, and then he said: "Mr. Ye, it's getting late now. You two shouldn't have dinner. I wonder if Feng can invite you two to the house."

Ye Chen wanted to refuse, but thinking about Ye Lingtian's injuries and his family's affairs, it was undoubtedly the best choice to trouble Feng Tai.

What's more, Huoyunlu was injured and needed a few minutes of rest, so he couldn't hurry up.

So he handed his hand: "Then I will trouble Feng Lao."

"No trouble, no trouble, Mr. Ye can go to the mansion, it is simply to make the mansion flourish!"

...

Half an hour later, Ye Chen and Ye Lingtian came to Feng Mansion where Feng Tai was.

It is a courtyard house surrounded by bamboo forests and mountains and rivers, which is quite artistic.

Feng Tai first arranged for Ye Lingtian and Ye Chen to take a bath, and then put on a pair of clothes.

It can be regarded as alleviating the exhaustion of hurrying.

Afterwards, the three of them came directly to the restaurant, one for one, countless delicacies on the long table, accompanied by beautiful women pouring wine.

Only when Feng Tai saw that the beauty couldn't shake the two of them, he waved his hand and let the subordinate leave.

After a good meal, Feng Tai took the lead and said: "By the way, Mr. Ye, you are a virtual alchemist. Why do you suddenly come to Linhai City? There seems to be no alchemy competition here recently?"

Naturally, Ye Chen would not tell me about finding the Mo family, but instead looked at Ye Lingtian and said, "Speaking of which I may have to trouble Feng Lao. My friend's father passed away. This time I came back to deal with his father's funeral. But because I left home many years ago, I didn't know that the family had moved to Linhai City long ago.

Although I have entered Linhai City now, I don't know where the specific family is..."

Feng Lao understood instantly, asked Ye Lingtian a few questions, drank a glass of wine, and asked his servant to bring a booklet, flip through a few pages, suddenly raised his head, and looked at Ye Lingtian with interesting eyes.

"I probably know where it is. A few months ago in the south of the city, a Patriarch named Ye passed away, not far from here. It's just..."

Ye Chen narrowed his eyes and asked, "It's just what, but Feng said it's okay!"

Feng Lao put down the pamphlet, and continued: "It's just that something happened in this family. It seems... that the deceased Patriarch has not been buried so far, the bones are not cold!"

When Ye Chen and Ye Lingtian heard these words, their expressions were instantly hideous!

How long has this been, and it hasn't been buried yet!

Do you want to make the dead unable to rest in peace!

In Kunlun Xu, there is a rule that the ancestor must be allowed to enter the soil within seven normal days to serve as the grave!

Under special circumstances, you must enter the soil within 15 days!

But it has been months since Ye Lingtian's father died!

What is this called!

What do those family members do!

Ye Lingtian's eyes let out a cold light, put down the wine glass, and said seriously: "Feng Lao, what is the reason, do you know?"

Feng Lao touched his beard and shook his head: "After all, this matter is a private matter of someone else's family. I have no right to understand it, but according to my guess, it should have something to do with the distribution of property.

The dead Patriarch still had some reputation in Linhai City. Although his strength was not strong, there were rumors that he had accidentally obtained some strange treasure. It was this strange treasure that allowed them to move here! Feng does not know what exactly it is, or should I send someone to ask? "

Ye Chen glanced at Ye Lingtian, and could feel his anxiety, so he stood up and said, "Feng Lao, no, we just have to go. We can solve this matter by ourselves. Please also Feng Lao to give the specific address. tell us."

Feng Lao had some regrets in his heart. Although he wanted to keep the two of them, he knew that Ye Lingtian could no longer be delayed, so he handed Ye Chen a map of Linhai City and marked it on it.

Ye Chen accepted the map, and naturally he couldn't take advantage of others, so he handed out a pill!

This pill is called Jing Huan Ling Pill and its rank is extremely good, and only a virtual-level alchemist can refine it.

"Feng Lao, the first time I meet, this thing will be a meeting ceremony, please accept it!"

Looking at the pill, Feng Lao was short of breath and his eyes were red. He wanted to refuse, but he accepted it rather shamelessly.

I am afraid it is a fool to refuse this kind of medicine!

"Mr. Ye, I didn't do anything. This really makes me blush, but Mr. Ye can rest assured that I still have some status in Linhai City. If something happens, I will definitely help Mr. Ye settle!"

Ye Chen nodded, not talking nonsense, and headed outside with Huoyunlu.

Before taking a few steps, Feng suddenly thought of something and reminded him: "Mr. Ye, today's young girl Xu Yaxin and Xiang Yingjie, please also pay attention to them. Both of them are difficult to deal with, especially that Xu Yaxin is in Linhai City. It's notoriously vicious, and the Xu family is also used to it. I'm afraid she will retaliate against you for what happened today."

Chapter 1028: You are my brother!

Ye Chen didn't speak, a smile was drawn at the corner of his mouth.

Xujia in Linhai City? If you really want to move yourself, then you can't blame him.

Ye Xitian's name hasn't been used for a long time, and it's time to erase some of the things that are looking for death.

...

At the same time, the Xu Family of Linhai City!

The atmosphere is solemn to the extreme!

The dim lights are extremely cold and bloodthirsty!

There is a pool of red blood on the ground, and two cold heads!

It is Xu Cheng and Xu Lu!

It is a capital crime for the two to fail to protect the young lady!

What's more, he has been injured, although he returns to the peak of the Void Realm, it has no use value.

Above the high hall, there were a few old men and a middle-aged man in a brocade suit.

The middle-aged man is the current owner of the Xu family, Xu Zhisheng! The fourth floor of the Void King Realm! No. 899 in the sky list!

The other elders are all important people in the Xu family!

One of them is the third level of Dao Source Realm! Famous Xu Zhenshan, No. 651 in the sky list!

The whole body exudes an aura of terror.

Below him is Xu Yaxin, a girl who is in conflict with Ye Chen.

At this moment, Xu Yaxin's face was covered with a silver leaf.

The juice of the leaves dripped on the red and swollen face, and it subsided a lot.

Even so, the red palm print is still there.

"Dad, if Ye Chen doesn't die, I won't eat for a day! That kid not only blasphemes me, but also threatened to uproot my Xu family!"

Xu Yaxin said with a sad face.

"Snapped!"

The two spirit stones held in Xu Zhisheng's hand burst suddenly, and an invisible wave of air rushed away!

The table made of black stone not far away is also broken a bit!

"Although my Xu family is not a top family in Linhai City, it is not something a cat or a dog can move!"

"Unexpectedly, there is a beast who dared to touch my daughter of Xu Zhisheng!"

"Yaxin, don't worry, even if Ye Chen is standing behind the Feng family, I will punish him! Abolish his hands and feet, cut off his head, and punish the nine races!"

When the words fell, a servant rushed in, watching the depressed atmosphere in the hall, and knelt directly!

Xu Zhisheng's eyes were cold, and he said, "How about asking you to investigate the identity of that kid?"

Although his Xu family is not afraid of the Feng family, there must be a reason for Feng Tai to wait so cautiously, so he first ordered someone to investigate the identities of Ye Chen and Ye Lingtian.

Know yourself and the enemy! This is also one of the reasons for the prosperity of his Xu family!

The subordinate nodded and quickly said, "Patriarch Qi, the identity of Ye Chen has been found. This son is from China, and the sect behind him is the God of Medicine!"

Hearing the words Huaxia and Shenshenmen, Xu Yaxin cursed: "How is it possible? This little beast actually came from a low-level place like Huaxia! That place is a wasteland without much spiritual energy, it is impossible to give birth to such a strong By!"

"Also, did you just talk about the Medical God Sect? Isn't the Medical God Sect of Kunlun Xu's Medical Dao Sect? It has already disappeared, why did it appear again?"

Xu Zhisheng nodded, the same doubts.

In his eyes, the Huaxia people are a group of ants who cannot practice.

They can be erased easily!

As for that piece of land, in the eyes of their Kunlun Xu practitioners, it is undoubtedly a waste land!

Not to mention the medical gods, the garbage can no longer be garbage!

But how can this wasteland give birth to people who can kneel down those strong in the Void Return Realm?

The man shook his head quickly, like a rattle!

"Patriarch, miss, you don't know that Ye Chen was originally a waste of people shouting, but a few days ago, Mr. Jingshui held the Kunlun Xuzongmen genius battle. On Qianjue Square, that Ye Chen unexpectedly He was born, and overwhelming many geniuses! I heard that the elders of Qingluanzong were also killed, and he offended Mr. Jingshui, and made Mr. Jingshui angry. If it were not for the Danxutalu family to protect Ye Chen, he would have been It's dead!

Although the truth of this legend is unknown, the kid must have some strength, but he is too arrogant in character, and he agreed with Mr. Jingshui for a life and death battle two months later! The detailed information is not clear to the younger ones. Mr. Jingshui ordered to block the news..."

Xu Zhisheng and Xu Yaxin wanted to laugh when they heard that Ye Chen and Mr. Jingshui agreed to fight for life and death!

What an identity is Mr. Jingshui! It is even among the top 500 in the sky! The specific ranking is unknown, but Ye Chen is definitely not something Ye Chen can shake!

I am afraid that this kind of garbage is trying to make a name for himself with the help of Mr. Jingshui.

It's a pity to choose the wrong person! It is estimated that two months later, it will be his death.

Xu Yaxin suddenly thought of something and curiously asked: "Where is the beggar beside this little beast?"

The man continued: "The beggar's identity is easier to find, and it has something to do with us. His name is Ye Lingtian. He belongs to the Ye family in the south of the city. He just left the family for many years and seems to have gone to Huaxia. I really don't understand this guy. What to do in the wasteland with such a lack of spiritual energy, this time I am coming back, I am afraid it is for his father's business. But under the control of our families, his father's coffin has not been in the ground..."

After hearing all the news, Xu Zhisheng showed a cruel smile at the corner of his mouth and murmured: "It turned out to be that guy's son, hum! That guy has a stiff mouth and refuses to reveal the whereabouts of the thing. He wants to get into the soil, don't think about it!"

He looked at his daughter and said, "Yaxin, what price do you want these two people to pay? Dad promised you."

Xu Yaxin's powder clenched her fist tightly: "Dad, I want them to kneel in front of me, and I will cut off their hands, feet and heads to feed the dog!"

At this moment, her pretty face was full of viciousness.

Xu Zhisheng nodded: "Okay, please satisfy you for my father! But before killing them, let them see the strength of my Xu family!"

...

Ye Chen and Ye Lingtian quickly rushed to a manor in the south of the city.

From the outside, it is even more magnificent than Feng Mansion.

Even Ye Lingtian couldn't react.

When he left the family, although the family was not in decline, is just a small family in general.

How can it be so grand!

If it weren't for the ancestor's use of heaven-defying techniques and huge costs to count the rise of the palace master, he would not have left Kunlun Xu and went to China.

"Hall Master, Feng Lao said that my father got a strange treasure. Could it be that everything in the family came from that strange treasure?"

Ye Lingtian said curiously.

Ye Chen patted Ye Lingtian on the shoulder, and said lightly: "You go to Huo Yunlu, this is your family, after so many years, you have to go back decently.

Today in front of outsiders, I will be your offender and fight for your face. "

Ye Lingtian dared to let the hall master be present, and shook his head in shock: "Hall master! There is a distinction between you and me. If the people in the dark hall find out, my face will be put away! "

Ye Chen was so angry that he directly caused Ye Lingtian to go to Huoyunlu, and the invisible coercion restrained Ye Lingtian, making him unable to get down.

Chapter 1029: Warm and cold

"Ye Lingtian, don't use noble words in front of me. Ye Chen has never regarded you as a person, but a brother!"

"Brother go home, I naturally want to express something!"

When Ye Lingtian heard these words, his eyes were reddish and his fists clenched.

With such a lord, he will follow it to the death!

Ye Chen led the Huoyunlu to lead the way, and soon came to the gate of Ye Family.

There are two strong guards of the Holy King Realm!

"who!"

With the spear pointed, the gatekeeper was extremely alert.

Just as Ye Lingtian wanted to speak, Ye Chen stepped forward!

"Don't even know your young master Ye Lingtian? Don't you kneel down to greet him!"

Ye Chen releases endless coercion!

Check out new PVP arena battles!

He was stained with the blood of unknowingly many people, releasing coercion, how terrifying it was!

Those gatekeepers completely felt the fear!

Kneel down!

One of the gatekeepers obviously recognized Ye Lingtian and exclaimed: "Master, you...you are finally back!"

Ye Ling went down to the Huoyunlu and nodded, "What happened to the family? Why did I hear that my father's coffin has not been in the ground?"

When the gatekeeper heard this question, his face instantly paled, not knowing what to say.

"Master, it's hard to tell..."

Ye Chen glanced at the hesitant look of the gatekeeper, and felt something was wrong, gave Ye Ling Angel a look, and then went to the living room together.

When Ye Chen and Ye Lingtian came to the hall, they were completely stunned!

A coffin fell quietly in the hall like this!

There are countless sword marks on the key coffin!

The damage is extremely serious!

The dead should be respected and respected in any place!

But here is being treated like this!

Ye Lingtian trembled, and then suddenly came to the coffin, opened it slightly, when he saw everything inside!

Kneeling directly in front of the coffin, the emotions and tears that had been suppressed for a long time broke out!

"Dad, Ling Tian is not filial!"

"Boom!"

Kowtowing one after another!

Extremely powerful!

Instant blood red on the forehead!

Ye Chen did not stop. When Ye Lingtian opened the coffin, he had already noticed his father's situation.

The scars were plentiful, and the wounds were shocking, even incomplete.

It was completely different from what Ye Lingtian knew.

Only in this way can he vent his emotions.

Perhaps the movement was too loud, and two people walked in from the back of the hall.

A woman about forty to fifty years old, with a bit mean face and some foundation in cultivation, she looked young.

There was a young man standing beside the woman, a bit similar to Ye Lingtian's facial features, he should be like a brother.

The young man's cultivation base is much higher than Ye Lingtian, and should be on the seventh or eighth floor of the Saint King Realm.

When the woman saw Ye Lingtian, she apparently recognized the other person, she was slightly surprised, but then she sneered and said, "You wicked man, dare you come back?"

Ye Lingtian's tears stopped, raised his head, and looked at the woman with cold eyes: "Why did my father die? After such a long time, why hasn't he been in the soil? My father is not thin to you, don't you do anything! "

There is a hint of anger in his voice, this woman is the one his father married again!

It should have been called the second mother, but Ye Lingtian couldn't say it!

He didn't care about what this woman had treated him!

And now, his father is in such a situation, he even ignored it!

How can he not be angry?

The woman snorted coldly: "What kind of attitude is this? I am your elder! What I do is up to you!"

"Aren't you going to fulfill the last wish of your ancestors, why are you still this kind of strength? What kind of **** Huaxia are you going to! That person found it?"

Later, the woman also noticed Ye Chen and asked, "Who is this kid? Who allowed you to bring in outsiders?"

Seeing the other side's attitude, Ye Lingtian just wanted to speak, Ye Chen took the lead: "If you talk to the young master like this, you will be at your own risk!"

When the woman heard the word Young Master, her disdainful expression became more and more obvious: "Oh, Ye Lingtian, you are so promising. Going to China, you brought back a dog."

After finishing speaking, the woman looked at Ye Chen and said aggressively: "My old lady is talking, when is your dog's turn to interrupt, don't kneel down!"

Ye Lingtian's face changed drastically!

He appreciates the kindness of the hall master, but he will never allow anyone to insult the hall master!

"Qiu Wanjun, you **** shut up Lao Tzu!"

He slapped his hand on the ground, and his energy directly lifted his body, and then he slapped out! He slapped the woman's face fiercely!

The woman noticed something was wrong, and even if she dodged, she was still slapped, and even staggered to the ground.

Very embarrassed.

She looked at her son and said angrily: "Ling Yun, as the current Patriarch, don't you care?"

Ye Lingyun's face was full of arrogance, and he directly said loudly: "Come here, drive these two beasts out of the Ye family!"

Ye Lingtian's eyes widened, staring at the completely immature half-brother in front of him.

He turned out to be the current Patriarch?

When Ye Lingtian left that year, his father once said that no matter what, the position of Patriarch would only be left to him!

Just because he left the Ye family to find Ye Chen, it was all for the luck of the Ye family!

Father cannot break this promise!

Obviously, many things happened during the time he left!

Including the death of his father, and even the transfer of the head of the family!

With Ye Lingyun's scolding, more than a dozen powerhouses flooded the hall instantly!

From the holy king state to the return to virtual state, the evil spirit surrounds!

Ye Lingyun took out a chair and sat down interestingly, and asked the servant to bring him a cup of tea.

At the same time, both feet are placed in the corner of the coffin.

Very contempt!

Ye Lingtian was completely angry. Just about to start, Ye Lingyun said, "You have not been in the family for a long time, you should not know three things."

"First As my mother said, now the family is in my control, and you don't want to fight for power with me. You are not qualified!"

"Second, you have been expelled from the genealogy of the family, and you are no longer a member of the family! I advise you to get out early! A rebellious son like you who has not returned for a few years will only be a shame to the Ye family!"

"Third, there is no need for this old guy's body to be buried. The thing was not found. Those people are not allowed to be buried!"

"This old guy refused to tell the whereabouts of the thing before he was alive, and we were almost forced to death by those people! It's so **** hard to worry about, he's **** it!"

Hearing such words, Ye Chen and Ye Lingtian were completely angry!

This is still human!

Ye Lingtian stepped out, pushed Ye Lingyun's foot away, and said word by word: "Ye Lingyun, isn't he your father? You are going to be struck by lightning like this!"

Ye Lingyun dared to push himself when he saw a trash, and was a little annoyed, so he directly ordered: "Throw these two guys off and throw them out!"

Chapter 1030: Clues to the Mo family!

"Yes, Patriarch!"

In an instant, a dozen figures walked towards Ye Lingtian.

Ye Chen came to Ye Lingtian, patted his shoulder, and comforted: "With this kind of person, there is no need to talk nonsense, just kill."

In the next second, Ye Chen's killing broke out, his arm stretched out, and a lightning bolt was instantly held in his hand!

Afterwards, with the afterimage of Huawei, he rushed out!

Surrounded by light and shadow, "Puff puff puff!" Punch after punch hit those figures!

Ye Chen is enough to crush these Saint King Realm and some people in the early and middle stages of Void Return Realm!

Don't even move the sword!

Punch after punch, all through!

The blood is getting stained!

Within five seconds, a groan, all fell to the ground!

Either die or be disabled!

This scene made Ye Lingyun and his mother completely unable to react!

He knew Ye Lingtian's strength, but what the **** was this subordinate!

Is this the **** still a servant?

Such a cruel servant!

grass!

Before Ye Lingyun could react, Ye Chen appeared beside him and stepped out!

The power of refining the body and the power of the **** thunder burst out!

How to stop!

"boom!"

Ye Lingyun fell to the ground in an instant, and the powerful air wave even broke his ribs!

He vomited blood out of his mouth, it was hard to suffer the extreme!

Ye Lingyun's mother exclaimed, just about to do it, Ye Lingtian's hand had already clasped her neck!

Click!

Break directly!

The eyes are wide!

She never thought that death would come so quickly!

Ye Chen glanced at Ye Lingtian with red eyes, knowing that this guy was completely out of anger and lost his mind, and said lightly: "What should that guy know? Just ask. Uncle's death is not easy from the injuries. Know the source, let's bury my uncle today."

Ye Lingtian woke up, nodded seriously, and then stepped on Ye Lingyun's five fingers.

"Kakka!"

Step off one by one!

"Ye Lingyun, what happened after I left? How did my father die! Say! If you dare to tell a lie..."

Ye Lingtian stepped on Ye Lingyun's fingers again.

The latter yelled almost like a pig!

"Don't... don't! I say! I say everything!" Ye Lingyun himself didn't have the courage and bloodiness, and he begged for mercy directly, "Big brother, you are my eldest brother, don't kill me, my father went up the mountain a few years ago and found out A secret realm opened temporarily! I have obtained many things, among which there is a strange treasure!"

Ye Lingtian's eyes condensed: "What kind of treasure?"

Ye Lingyun shook his head and cried bitterly: "Father never told outsiders that he just gave us some of the pills and spirit stones he got inside. As for the strange treasure, I didn't mention it! I was out of curiosity at the time, taking advantage of my father's absence. , Sneaked into his father's room and found a primitive box two meters long!"

"I opened the box and found that it was a weird spear exuding violent evil and demonic energy! I didn't even think that when the box opened, the sky above Ye's house had a vision, like a dragon from hell. It was extremely scary. !"

"This vision shocked the entire Linhai City! Then countless experts from Linhai City came towards this side! Later my father also noticed that he pushed me away and left the family panicked with the box, and disappeared for three days!"

"When he comes back three days later, those people are already waiting for him in the family! Father seems to have known these things a long time ago, he said a few words to those people, and then left."

"It was another few days before my father came back. Only this time he came back. It was a coffin! I really have nothing to do with my father's death!"

After hearing it, Ye Lingtian was angry, and hit Ye Lingyun's face with a punch!

His face was instantly deformed and distorted by the beating, blood flowed!

"You beast! Beast! Why are you killing father!"

One punch after another, Ye Lingtian vented his anger.

But Ye Chen on the side narrowed his eyes, thinking about everything, it was obvious that Ye Lingtian's father had indeed got a treasure.

Can cause such a vision, the rank is definitely not weaker than his Dragon Slashing Heaven Sword.

And it was a spear with arrogant attributes.

This is simply the supreme treasure for those strong!

Seeing that Ye Lingtian was about to beat the opponent to death, Ye Chen stopped him directly, and then asked: "Answer two more questions, and I will let you go. First, whose hand did the treasure finally fall into? Second, you Who are those people in the mouth!"

Ye Lingyun seemed to have caught the last straw, spouting a few mouthfuls of blood, and continued: "The other things that father brought back were all taken away. No one knows where it went except for the treasure. For this reason, our family Everyone has been interrogated!"

"As for who they are, you don't dare to do anything if you know it! The Xu family! The Situ family! Even Master Xiang of the Punishment Bureau!"

Upon hearing these words, Ye Chen and Ye Lingtian glanced at each other, and they could see the meaning of each other's eyes.

It's not that enemies don't meet together!

The Xu family and Xiang Yingjie were also involved!

"There is only one treasure, so many forces grab one? And that Yingjieming used a sword, what do you want this ancient spear for?" Ye Chen frowned.

Ye Lingyun obviously knew something, and quickly said: "This is no secret in Linhai City! Linhai City Mo Family's peerless body refining genius Mo Chengtong needs a gun weapon! These families are nothing more than to please the Mo family!"

"Well, I have said everything, can you let me go!"

Ye Chen was slightly startled when he heard Mo Jia.

This time he came to Linhai City for the Mo Family, but he didn't expect that the first contact was actually this!

So many families please the Mo family, the ancient heritage of the Mo family has not dissipated yet!

Ye Chen stopped thinking about it, a smile appeared at the corner of his mouth and said to Ye Lingyun: "I will naturally keep my promise and I will definitely not kill you, but... Ling Tian, you can kill!"

Ye Lingyun's eyes widened, angrily spit out blood!

Backward? This is too **** despicable!

When he just wanted to speak, Ye Lingtian fisted vigorously, slammed it down, directly!

The endless true spirit is raging Ye Lingyun is dead! Not even a complete body!

Seeing the corpses all around, Ye Lingtian sat weakly on the ground, leaning against the somewhat dilapidated coffin behind him.

The blood and tears stained the eyes.

He is the protector of China's dark temple, majestic and prestigious, but he is always a man with iron blood.

In the eyes of his father, it is more of a child.

He understands his father, his father disappeared for three days, there must be a reason for hiding the treasure!

Father came back for a reason, and that was the responsibility on his shoulders!

He was willing to use his life for the safety of everyone in the Ye family, but he didn't expect that the people he saved would leave him unscathed.

Chilling.

Human feelings are warm and cold.
