

Urban Medical 1031

Chapter 1031: How to explain!

This family is unfamiliar to Ye Lingtian now, so what if the blood is getting stained.

Only the man in this coffin was the man he respected most in his life.

This man told him to take on and tell his family's mission, and then he left Kunlun Xu to find the Lord.

My father said that the family's luck is exhausted, and only if you find the lord, can you soar! Phoenix Nirvana!

Perhaps from the beginning, his father knew his fate, but he still chose to accept it calmly.

Fate, reincarnation, this is the case.

All he can do now is to move on, complete the mission of the family, and protect the lord! Follow the Lord!

Ten minutes later, Ye Chen patted Ye Lingtian on the shoulder and said, "Ling Tian, put on the coffin, let's put the uncle into the earth. We can't enjoy peace before we are alive, and we should enter the pure land after death, right."

"From Feng Lao's map, there is a Fuze cemetery in Linhai City, where the deceased can be saved from suffering. Let's go."

Ye Lingtian stood up, nodded solemnly, with firm eyes, and one hand directly resisted the coffin on his shoulder.

This weight is nothing to cultivators.

Ye Chen and Ye Lingtian, who was carrying the coffin, headed outside, leaving Ye's house, and just planning to rush to the Fuze Cemetery, they discovered that three old men were blocking their way.

All three are above the Void King Realm!

The breath is extremely terrifying!

There are jade pendants on the two of them! A few words are engraved on the jade pendant!

Xu family! Situ's house!

Although the other has no jade pendant on his body, he is wearing armor! Somewhat similar to Xiang Yingjie!

It must come from what Kunlun virtual punishment bureau!

The identities of these three people are exactly the same as those mentioned by Ye Lingyun!

"Hall Master..." Ye Lingtian hesitated, planning to put down the coffin.

The reason why he hesitated was because Kunlun had false rules. Once the coffin was on his shoulders and was about to enter the soil, he was not allowed to put it down halfway!

Otherwise disrespect the deceased!

His father had had enough, and if he let go, it would be really unfair.

Ye Chen's eyes were indifferent, without any fluctuations, and said: "Ling Tian, you step back! This way, you don't have to make a move, all you have to do is to hold your father's coffin and never land! This is the only thing you can do now of!"

"But these people..." Ye Lingtian hesitated, he didn't want to cause trouble to the Lord!

Ye Chen interrupted: "No, but I will use my actions to prove that your father's choice is correct. He gave birth to a good son."

After the words fell, Ye Chen walked towards the three powerful virtual kings.

The figure is lonely.

Situ's parents always listened to Ye Chen and Ye Lingtian's exchanges, sneered, and said first: "Don't you know that the corpse in the coffin can't enter the soil without our permission? Or do you want to challenge the bottom line of our three families?"

The elder of the Punishment Bureau wearing armor also said: "There is no need to talk nonsense with these two people, just wipe it out of the Saint King Realm! The Patriarch is urging us to investigate the whereabouts of the weapon. If we don't get any more news, I'm afraid we will have our heads. To land."

When Mr. Xu heard these words, he smiled and said: "My master has spoken, and my Xu family can withdraw from the fight for weapons, but these two people have offended my lady, and they must plan to let my lady handle them!"

"For these two horrible lives, whoever is to kill is not to kill. Since your lady wants it, I will do it lightly, so as not to directly explode the flesh! Haha!"

The crowd laughed, and in their eyes, they seemed to have dealt with the fate of these two people unconsciously!

They have this right.

After all, they are the Void King Realm! In their eyes, Ye Chen and Ye Lingtian are rubbish!

waste!

Ants you can play with!

But at this moment, Ye Chen was extremely indifferent, and a sword appeared in his hand.

Zhanlong asked Tianjian.

It's just that Zhanlong asked how the Heavenly Sword has changed. After all, this sword is psychic, and it is not too difficult to change its shape.

"Don't let the dead go too far, is it too much? Today, I don't want to kill anymore, you leave, I think nothing has happened."

"I just want to finish the last journey of the dead quietly."

Ye Chen's tone was flat, as if he was telling an extremely common thing.

There was a brief silence, but the three old men smiled grimly.

Even the old man from the Xu family who knew Ye Chen's strength had a strange expression!

The three of them are not the strength of the Void Return Realm!

It's the Void King Realm!

Even in the early stage of the Void King Realm, your **** performance is too calm!

Even the meaning in the words seems to be... let them go?

ridiculous!

Very ridiculous!

Elder Situ took a step further, spit out, and smiled: "You mean, if we don't leave, the three of us will all die?"

"Right." Ye Chen nodded.

Elder Situ's smile became more interesting, but, soon, his smile solidified!

The cold killing intent is released!

The breath of the powerhouse of the Void King Realm! Coming like a mountain!

Then, he sacrificed a sword in his hand!

This sword suddenly expanded, and the phantom of sword intent enveloped!

Exquisite sword!

With one sword, there is only death under the Void King Realm!

Not to mention the choppy of the Holy King Realm!

The old family of Xu frowned. It was not a good idea to give these two people to the Xu family. Why did the elder of the Situ family use a killer move!

This is facing a kid!

Ye Chen couldn't take this sword at all, and it might even turn into blood mist on the spot!

"Kiss, didn't you say you want to kill us? You should take this sword and try it! See if your sword can catch it! Haha!"

The face of the dead elder is hideous! Even violent!

When the sword intent was swallowing Ye Chen, he saw that Ye Chen paused in his eyes and inserted the Dragon Sword on the ground!

Then, he said lightly: "You are not worthy of my sword."

Under everyone's disdainful eyes, Ye Chen stepped forward and punched out!

This punch doesn't have any true energy, it is extremely pure, relying on the flesh!

Then he shouted: "Break it to me!"

Everyone was completely frightened?

Fight the sword with your fist?

In the entire Linhai City, no one dared to do this except for the body-refining powerhouse, Xiang Yingjie and the Mo family who entered the sky list!

What's more, the kid who cultivates the Saint King Realm!

However, when everyone was confused, crazy, and disdainful, Ye Chen's fist had already hit the sword intent!

No blood fog!

No pain!

Instead!

Click!

Elder Situ's sword actually broke!

Very clear!

This was not over yet, after that, Ye Chen faced the sword intent and obstacles and directly broke through!

Finally, the fist slammed into the chest of Elder Situ!

Vaguely there is this blood dragon rushing out with the thunder of God!

This time Ye Chen wants to try the power of refining, plus the power of the blood dragon, and the power of the gods, what kind of power can it explode!

This punch covers his monstrous anger!

Elder Situ's pupils were wide, he couldn't believe it! How to believe that this punch was an eruption from a holy king realm kid!

He stared at the shadow of the **** thunder and blood dragon! !

He suddenly thought of someone!

Ye Jitian!

No, Ye Xitian is a cultivator, and the person in front of him is obviously a body refiner!

This... how to explain it!

Chapter 1032: Not afraid

now. vertex

Elder Situ's mind was filled with many thoughts.

He can feel the power of this fist.

If he all resists, he will be seriously injured!

The meaning of the blood dragon and thunder and lightning carried by the key fist is really too violent.

But now his weapon is broken.

If we sacrificed weapons again, it would be too late!

He had no choice but to clenched his fists, and his anger swept away!

"boom!"

The two forces suddenly collided together.

The roar shakes the world!

The ground split in all directions, and deep ravines suddenly formed.

The billowing dust blows up and the air waves explode frantically!

No one knows what happened inside!

The armored old man and the Xu family old man in the Punishment Bureau held their breath and looked forward to it!

They are waiting!

Waiting for a result!

"How come I feel something is wrong."

The old man from the Xu family spoke.

As soon as the words fell, a heart-piercing roar sounded!

The dust is gone!

But I saw a figure stumbling over!

It is Elder Situ!

What is surprising is that at this moment, Elder Situ has broken an arm, and his robe is full of blood!

The fractured injury even spread to the chest.

Shocking!

"bump!"

Elder Situ with a broken arm smashed to the ground fiercely, and a huge pit came to life!

But this is far from over!

The two felt a dark shadow passing by, and they saw Ye Chen appear in front of Elder Situ, full of evil spirits, like a devil.

"Little beast, you unexpectedly...!"

Before he finished speaking, Ye Chen took five fingers. The Dragon Slashing Wentian Sword that was originally inserted on the ground turned around in the sky and flew into Ye Chen's hand.

Ye Chen held the Dragon Slashing Question Heaven Sword tightly, his eyes flashed with madness and killing!

"No!"

Elder Situ panicked completely, the key is that he can feel that this kid is really going to kill!

Regardless of all costs!

Even if he wanted to use his hole cards, this kid wouldn't give him this right!

Before he could say anything, the Dragon Slashing Wentian sword flooded with thunder and lightning fell with a sword, as if torn the air!

Then, penetrated his body!

"Puff!"

Dragon Yin is violent, kill everything!

In the panic and fearful eyes of Elder Situ, it instantly turned into a mist of blood and fell!

He never thought that he would die on the hands of the ants he thought!

The key is to break the sword with one punch and kill with one punch!

With this method, how many people are there in Kunlun!

He is a virtual king!

Even if this kid does double cultivation, it won't be so exaggerated.

Even before he died, he hadn't figured out Ye Chen's identity!

If he knew, he would definitely not make a move!

It's a pity that everything wakes up too late.

The cold wind was bleak and the surroundings were extremely quiet.

Ye Lingtian, who was carrying the coffin, trembled a little. He knew that the Palace Master was very strong, but he didn't know that he could crush a Void King Realm powerhouse like this!

What exactly has the Lord experienced in these days when he left China!

To say that nothing is more surprised than the remaining two old men!

Their control and understanding of strength is much higher than Ye Lingtian!

At least, in their opinion, Ye Chen's power to shoot now has reached the Void King Realm!

What the **** is this evildoer!

Leapfrog killing is normal in Kunlun!

But how **** **** this kid is!

The armored old man of the Punishment Bureau narrowed his eyes, suppressing the horror in his heart, and said: "This kid is a bit weird. While using True Qi, he can still run the power of refining. The entire Kunlun Void, if he controls both cultivation and refining at the same time. , Most of the martial arts will be nondescript, but this kid is able to switch easily, as if two bodies are performing at the same time, weird! weird!"

"Old Xu, if you and I don't join forces to deal with this kid, the consequences will be very serious, extremely serious!"

"But we don't need to be afraid of this kid. I felt his dantian carefully. It seemed to be exhausted and weak. Presumably this kid used this power with the help of a secret method. Now he wants to use it a second time. Very difficult! Don't talk nonsense, kill!"

The parents of Xu are always obsessed, and stepped out, the whole body is dark, like a ghost.

But the armored old man sacrificed a spear, and the spear quivered slightly in the air, and the aftermath was rippling!

Afterwards, a shot was fired, surrounded by red light, and there were many storms around!

This is the famous martial art of the armored old man!

Shock the wind gun!

The spear moves, the wind blows, the gods face the east, the bone is broken!

The gunshot storm swallowed towards Ye Chen like a tornado.

The onlookers were all frightened back by the storm, and if they got closer, they would be seriously injured.

It seems that Ye Chen is dead today, after all, he is only one person.

Some onlookers shook their heads and sighed.

Ye Chen didn't move like a mountain, swallowing a few pills, after all, the strength just now damaged his body a bit.

If you don't do this, with his strength, how to crush!

At the entrance of the medicine pill, his body recovered a bit, Ye Chen grabbed the Dragon Slashing Question Heaven Sword and roared!

"Indestructible Kendo, get up!"

In an instant, all the aura within ten miles of a radius condensed towards Ye Chen's Dragon Slashing Sword.

The whole world is suppressed to the extreme.

The endless aura gradually condenses into millions of sword intent!

Controlled by Ye Chen!

The same is the wind!

"Indestructible Kendo, fall!"

As the word "fall" appeared slowly, the violent wind rushed forward, facing the power.

With this move, Ye Chen wanted to use the sword intent of the Immortal Lord!

It hasn't been used for a long time, and now his strength is more in control!

Two violent winds collided in the air, and storms overflowed in all directions!

At this moment, Ye Chen is like a **** of heaven and earth, extremely powerful.

"Boom!"

Between the sky and the earth, it seems to have been extremely shaken!

It's even comparable!

The expression of the old man in armor was a bit wrong, and he quickly forced a drop of blood!

If you don't force it out, he will die!

It seems that this kid has some powerful secrets. Wouldn't it be wonderful if he could control him?

The endless force pressed away, and the feeling of oppression instantly made Ye Chen a little pale!

The gap is too big.

At this moment, a figure appeared behind Ye Chen.

It was the old man from the Xu family with a cold snort, the sword intent was condensed to the extreme, and it pierced Ye Chen's heart!

Seeing that the sword intent was about to penetrate, Ye Chen freed up his other hand, and then held the sword like this.

Hold it tightly!

The sword body can't advance any further.

But even if Ye Chen was tough, blood still poured out.

"Hall Master!"

Ye Lingtian couldn't bear it, how could he let the palace master fight alone as a subordinate.

If this continues, the lord will undoubtedly die!

He was about to put down the coffin on his shoulders, but he heard a screaming sound: "Ye Lingtian, I said, all you have to do is to hold your father's coffin! Leave everything to me! Understand!"

Chapter 1033: I am not only 1 person

After speaking, Ye Chen tried his best, the blue veins in his arm violently, and the power of the divine thunder spread away.

At the same time, he raised his right foot high, swept the wind directly, and kicked it out!

The old man from the Xu family sneered: "Do you still want to deal with me with this method? Dreaming!"

He didn't even dodge anymore, but stubbornly carried it down. He was sure, Ye Chen showed his full strength with both hands, and there was definitely not much power in this foot!

Then, a cold light flashed in his other hand, and this blow was so unexpected.

The cold light penetrated Ye Chen's shoulder!

Ye Chen backed away in an instant, and completely separated from the two!

But because of this retreat, the armored elder was given a chance, and the spear shook Ye Chen's chest horizontally.

Ye Chen had already killed one person, paid the price, and now faces the joint encirclement and suppression of the two virtual kings.

He flew out suddenly, spurting out a mouthful of blood!

Really powerless!

Ye Chen finally turned a few times in the air and barely stabilized his figure.

He did not use the power of the reincarnation cemetery, he wanted to test how strong his true strength is!

Relying blindly will only make him more dependent! This is not a good thing!

The two elders saw that Ye Chen was finally injured, and there was a hint of surprise in their eyes.

Sure enough, the strength of this kid is nothing but this!

The secret method must have been used just now.

"Little beast, weren't you very strong just now, why are you so embarrassed now? Although we both hurt you at the same time, it is a bit disgraceful! But it has always been written for the winner, then who will remember you as a loser? !"

"But don't worry, I will not kill you, your body is still valuable to the young lady!"

Old Mr. Xu laughed loudly, looking rather crazy.

And the armored old man also climbed his momentum to the extreme, ready to take Ye Chen again.

Ye Chen's eyes were extremely serious, and he had a headache.

If you face these two people in your current state, the consequences will be very serious. It is very likely that they will lose and be seriously injured.

Ye Lingtian couldn't help herself.

Are you going to invite Mo Ning'er out?

The price is too great!

That Xue Qiye didn't know how to come out. Now if Mo Ning'er's divine power is constantly consumed, he still doesn't know what will happen later!

Just as Ye Chen thought about it, a yawn suddenly sounded!

There was a cat on his shoulder!

Xiao Huang!

At this moment, Xiao Huang stretched, feeling a little awake.

He just glanced at the two elders in front of him, and then, with a blank face, he planned to continue to sleep!

How could Ye Chen allow it, grabbing Xiao Huang's neck and lifting it up!

"Xiao Huang, how long have you slept, is it time to start!"

Xiao Huang was a little angry at Ye Chen's actions, wanted to struggle, but found that the back of his fate, almost left him at a loss.

Afterwards, he could only turn around and gently said to Ye Chen: "I didn't say no to help, let go! I am also an ancient beast, you treat me like this, let my face go there!"

As soon as the words fell, Ye Chen released his hand.

A smile appeared at the corner of his mouth, and he knew that Xiao Huang would not die.

In the next second, Xiao Huang's body was shocked, and after a flip, his feet landed firmly beside Ye Chen.

It raised its head and fixed its eyes on the old man Xu.

Ye Chen's confidence greatly increased, facing one person, he has enough qualifications to decide the result!

The old man Xu and the old man in armor naturally noticed Xiao Huang, and their expressions were extremely strange.

Haven't they never seen fierce beasts fighting!

But I have never seen anyone sacrifice a...cat when the wind is falling down?

The key point is that this cat is too ordinary!

Look at its docile and weak appearance.

Parent Xu couldn't help but laughed: "Boy, don't tell me that this cat is your companion, haha! I think it's better to let this cat carry the coffin. Of course, if you let the kitten Come and kill me, that's okay!"

Just as Xu's parents were laughing, Ye Chen bends his knees, his whole body burst out, and he rushed out instantly!

This time, he was dealing with the armored old man in the punishment bureau!

The fire of immortality is wrapped around the body of the sword, the sword fires a prairie fire!

The temperature of the whole world seems to have risen because of this!

The expression of the old man in the armor of the punishment bureau changed: "Why does this flame make people feel so uncomfortable?"

"Also, how can the thunder and lightning attribute cultivation technique that this kid clearly cultivates can control the flames?"

He didn't dare to think any further, and immediately offered his spear, which drew an arc in the air, which seemed to tear the night light!

"Old Xu, can't delay any longer, this kid is too weird!"

"boom!"

The spear collided with the flame-filled dragon sword!

Almost on par!

but! When the dragon chant sounded in the sword body, the flame changed into a fire dragon, and the armored old man was not calm immediately: "Quick! What are you still waiting for! Do it!"

The old man from the Xu family fully reacted, and his whole body has risen to its peak! He no longer uses a sword, but uses five fingers as claws, and pats Ye Chen's Tianling Gai!

He thought that Ye Chen would free up a hand to deal with himself as before.

Unexpectedly, not at all!

Instead, he used his full strength to stab the armored old man!

Don't let this kid die!

Even leaving his back to the enemy?

"Hahahaha", the old Xu family smiled!

If you use the death of the punishment bureau for this kid!

Then he is the biggest winner!

It can be said that the snipe and the clam compete for the fisherman's profit.

His eyes were full of madness, just when his five fingers surrounded by innocent aura were about to touch Ye Chen a voice suddenly sounded in his ear: "Hey, your opponent is me. Correct!"

Ok?

what sound?

The old man in the Xu family was completely stunned!

He glanced at Ye Lingtian, who was carrying the tombstone, still there.

Where did this voice sound from?

Is it because he is getting older and hearing voices?

"Hey, I am above you."

The indifferent voice sounded again. This time, Mr. Xu determined the direction and raised his head. Just about to speak, he realized that it was a cat!

And this cat is floating in midair!

"This...how is it possible! Is this the brute speaking?"

Chapter 1034: Xiang Yingjie's anger!

Old Mr. Xu's expression was a little confused!

Completely confused!

Any strong Kunlun Xu couldn't calm down upon seeing this scene!

But this weird picture is not over yet, the cat floating in front of him suddenly stretched out his paw!

Paws surrounded by red lightning!

The paw looked too small, so small that when the paw touched his hand, Mr. Xu still felt a little weird.

"Tear!"

This weirdness has turned into blood!

He actually felt a mountain of pressure swallowed, and then the hand he extended was torn on the spot by the little cat in front of him! Even the bones can be seen!

"On the first floor of the Void King Realm, there is some rubbish."

Xiao Huang spit out these words lightly, and then, the claws like steel knives were enlarged!

Just like a few swords pierced directly!

It's hard to guard against!

Mr. Xu felt completely cold behind his back, and his body was wet with cold sweat!

He was almost 100% sure that the cat in front of him was an ancient beast!

Otherwise, it is impossible to break out such a terrorist force.

He subconsciously wanted to pick up the jade pendant on his waist and whisper.

But Xiao Huang will agree?

The magnified giant claw slapped the old man Xu's body fiercely!

Instantly the body burst out of thin air and turned into blood mist!

Not even a complete body!

This combat power is terrifying!

After that, Xiao Huang felt sleepy again, and with a slight jump, he came to Ye Chen's shoulder again.

He curled up and fell asleep completely.

Although Ye Chen and the armored elder are on the same level, the armored elder has been paying attention to the situation of Xu's elder.

When he saw that Mr. Xu was easily killed by a cat, he was completely panicked and flawed.

Ye Chen took the opportunity to seize one of the flaws, and the Dragon Slashing Wentian Sword directly penetrated the opponent's body, rushing out with a blast of air!

He actually nailed the old man to a giant tree.

"puff!"

A mouthful of blood spurted, and the eyes of the old man in the punishment bureau turned into panic.

This is the fear he has never felt in Linhai City!

Holy King Realm! Refining! Blood dragon! flame! Thunder! Ancient fierce beast!

So many things are gathered on a young man who is less than thirty!

It is impossible to imagine!

To imagine, he can only think of one person!

Ye Jitian!

"You are Ye Xitian! You must be!"

This time, he was extremely sure!

Ye Chen glanced at Xiao Huang on his shoulder, and said lightly: "Now I know if it's too late?"

After getting Ye Chen's answer, the old man's breathing seemed to be held back by a force!

The people of Linhai City are familiar but unfamiliar with this name! Most people think that Ye Jitian's fame is false!

After all, few people have seen the true face of Ye Jitian!

It is often inferred based on a few plum blossoms and the like.

Some people even think that Ye Jitian is not a person, but a killer organization!

Only one person cannot do those things that destroy the door.

But now it seems that this is more terrifying than the facts!

He looked at the sword in his chest and felt the meaning of death enveloping him. He was a little scared.

He no longer cared about the armor on his body, and begged for mercy: "Mr. Ye, I am a member of the Punishment Bureau. The Punishment Bureau has a special position in Kunlun Xu. You can't kill me, otherwise the consequences are very serious. I swear that I will not disclose today. From now on, I am Mr. Ye's dog! A very obedient dog!"

Ye Chen didn't respond, the old man could only learn a few dog barks helplessly.

But it was unable to relieve the anger in Ye Chen's heart.

Finally, Ye Chen spoke: "Is it the punishment bureau? I want to see if he dares to punish me Ye Jitian!"

Ye Chen held the Dragon Slashing Question Heaven Sword and split it directly from top to bottom!

The old man was completely divided into two in panic!

Completely dead.

Ye Chen didn't have any mercy, Kunlun Xu's rules were so cruel, either you died or others.

If he survives, he should step on someone else's body to climb up.

Ye Chen dried the Zhanlongwentian sword, threw it into the reincarnation cemetery, and then walked towards Ye Lingtian: "Ling Tian, let's go."

Ye Lingtian didn't react at all!

He looks like petrified!

The shock of this picture in his heart can't go away for a long time!

These are the three powerhouses of the Void King Realm!

It also represents the three forces of Linhai City!

All are dead!

And died in the hands of the palace master.

Ye Chen repeated it again: "Let's go, do you want to keep your father's body on your shoulders, unable to get into the soil?"

Ye Lingtian just reacted, wanted to say something, and finally swallowed and strode away carrying the coffin.

"Yes, the Lord!"

He now believes more and more in the words of his father and ancestors.

This man can change the fate of family decline!

This man is enough to set off a storm in Kunlun Xu!

...

And at this moment, the Xu family!

Xu Yaxin was pacing back and forth in Xu's house, she was looking forward to the extreme in her heart.

The smile on the corners of her mouth overflowed when she thought that those two would be the object of her play immediately!

But a full half an hour passed, there was still no movement!

Xu Yaxin is a little irritable!

Is it so troublesome for three virtual king realm powerhouses to take down two brats?

Although it was just a few people who had just broken through in the early stage, but it was not Ye Chen that could contend!

She felt so uncomfortable, she quickly looked at her father who was drinking tea, and urged: "Dad, how come those people haven't come back! This is too unreliable."

Xu's father smiled, his eyes filled with distress and love: "Yaxin, it is estimated that he was delayed with the other two waves, and may even get the whereabouts of the baby. This time, he gave up contact with the Mo family for his father. Opportunity to achieve your goal, you must be obedient in the future!"

As soon as the words fell, the blood in Father Xu's body surged, and without warning, a mouthful of blood spurted out!

At the same time, a consciousness in his mind suddenly broke!

Every elder Xu has a consciousness in his mind!

Once broken, it is proof of death!

problem occurs!

Father Xu stood up directly body trembling! The tea cup in his hand also fell to the ground, torn apart, his eyes were more like being filled with blood, too scary.

Xu Yaxin noticed something was wrong and asked quickly: "Dad, your expression is so scary, what is going on?"

"Bang!" Father Xu slapped the armrest of the chair, his energy exploded, and the chair and the table in the living room broke together!

Xu Yaxin's face pale in fright, she did not dare to speak.

Then, Father Xu's cold and angry voice sounded: "Who is it! I dare to block the way of my Xu family! Who is it!"

The words fell, his body rushed out!

In this matter, he must have a result!

The same thing happened with Situ's family and Xiang Yingjie!

At this moment, Xiang Yingjie's body was entwined with violent blood-red evil spirits, and the coercion generated by the power of refining made his men almost unable to breathe!

Chapter 1035: Deja vu

This feeling seemed to be strangling the throat with his hand.

"Check it out for me! Search the entire Linhai City and find out the person who moved our punishment bureau!"

"If you can't find it, get out of here!"

"Anyone above the Void King Realm must pay attention!"

In Xiang Yingjie's eyes, it is natural that Ye Chen and Ye Lingtian could not kill the Void King Realm powerhouse!

There must be the strong behind!

...

Linhai City, the land of Fuze.

There are many tombstones.

The most breathtaking thing is a mountain wall.

The mountain wall seemed to be split by a powerful sword, so smooth!

At the same time, there are caves where coffins can be placed on the mountain wall.

Many coffins have been inserted into it.

Buried in thick soil.

Aura constantly overflowed from the ground, wrapping the coffin.

Overtime for the dead.

Ye Chen and Ye Lingtian rushed to the land of Fuze, only to find that there were a lot of people here.

Some came empty-handed, and some came carrying a coffin.

A sense of desolation covered it, making people feel indifferent.

As soon as Ye Chen and Ye Lingtian were about to walk into it, a wooden stick was placed in front of them.

"Leave things before you can enter the tomb and choose the tomb. This is the rule."

Ye Chen's eyes condensed before he noticed the speaker.

An old man with his back crouched, his face was wrinkled, as thin as wood.

This kind of old man placed in Huaxia is obviously a person who has suffered for a long time, but placed here, it makes Ye Chen a little dignified.

His blood is boiling, this is the case when facing danger.

He is sure that this old man's cultivation base is extremely high!

There is more to the Void King Realm, it may even be the Dao Source Realm!

Even if this old man is in the emperor state, Ye Chen believed it!

This is the first time Ye Chen has met such a strong man!

He naturally didn't dare to mess around, and said, "This senior, what does he need?"

The old man closed his eyes and seemed to ignore Ye Chen's plan.

Ye Chen rolled his eyes and took out a pill that had been refined some time ago from the reincarnation cemetery: "Senior, is this pill enough?"

The old man's nose moved, obviously smelling the special pill, his eyes opened, and he was extremely surprised.

Without waiting for Ye Chen's reaction, with a move of his finger, the medicine forcibly broke away from Ye Chen's hand and fell into the old man's hand.

The old man glanced at Ye Chen and said: "You refined this pill?"

Ye Chen had no need to hide, and nodded.

"In his twenties, he turned out to be a virtual grade alchemist. It seems that the pill virtual tower is a person!"

"Since you have accepted your things, you can go in. Those tens of millions of tombs can be seen? Each tomb has a different effect and aura. Some people choose to Fuze children and grandchildren for the rest of their lives, and some people The selection will ruin the family and dig its own grave! All these things depend on luck, do you understand?"

"Also, once selected, it must be buried. If you regret it, both of you will fall here, understand?"

The old man's voice slowly fell, which made Ye Lingtian frown.

What is this breaking the rules? I knew it was so dangerous, so I might as well find a place to bury it!

Ye Chen bowed his hand to the old man, and said to Ye Lingtian: "Let's go!"

When the two left, the old man was lying on the chair, as if resting with his eyes closed, no longer caring about everything around him.

But the spiritual consciousness is covered, a hundred miles away!

All insight!

Three minutes later, Ye Chen and Ye Lingtian came to the place of the tens of millions of tombs.

Looking at the dense cave entrance, Ye Lingtian frowned and said: "Hall Master, how to choose this, I feel the same!"

"It's more difficult than buying a lottery ticket."

Ye Chen also had some headaches, these tens of millions of tombs were almost the same regardless of the richness of the aura, the shape or the breath.

If he is asked to choose, he can only guess one at random.

Suddenly, a lazy voice sounded on Ye Chen's shoulder: "The twenty-seventh row, the number starts on the left, the ninth."

Ye Chen was startled and glanced at Xiao Huang, only to find that Xiao Huang was still sleeping.

Is it pretending to sleep?

Although I don't know why Xiao Huang is so sure, he has no choice now, so he can only take Ye Lingtian to the place Xiao Huang said.

The mountain walls are dangerous and winding paths lead secluded.

When the two were about to approach the tomb, the old man who closed his eyes suddenly stood up!

Staring at the direction of Ye Chen and Ye Lingtian!

His expression is extremely weird, and there is even a deep shock in his eyes!

"It's weird, how did this kid do it? Out of ten thousand, he chose the Heavenly Tomb Jong?"

The tombs are divided into four levels: heaven, earth, mysterious and yellow.

And the sky level is undoubtedly the best among thousands of tombs!

The key to Ye Chen's choice of tomb is still the best in the sky!

How can he calm down!

His eyes narrowed into a line, staring at Ye Chen's back firmly, and the tension disappeared instantly.

He sat back in the chair, and a smile was drawn at the corner of his mouth: "Interesting, really interesting. This is the first time someone made me curious in Linhai City for thousands of years."

...

Standing in front of the tomb, Ye Chen glanced at Xiao Huang, and said to Ye Lingtian: "Ling Tian, put uncle's coffin in it and put it in the earth!"

"Yes, the Lord!"

Just when Ye Lingtian was about to put the coffin into the tomb, a cold voice slowly fell: "Wait a minute."

Ye Lingtian stopped for an instant, and both of them looked at the source of the sound.

But it was a young girl whose face was covered by green yarn.

The girl has a better figure Although she hides her face, she has a temperament that cannot be found in the world.

The long skirt can't hold the proud breast, the peaks and ridges are undulating, graceful, with a thin waist, the curve is balanced, and the whole person looks charming and elegant, clear and refined.

It would not be an exaggeration to compare a young girl to a fairy in the sky!

The girl glanced at Ye Lingtian, then said: "This son, can you give this land to the little girl?"

Ye Lingtian can only look at Ye Chen: "Hall Master..."

The girl only noticed Ye Chen, just now because the coffin just blocked Ye Chen's figure, she couldn't see clearly.

But when Meimou's gaze fell on Ye Chen's body, her delicate body was startled, but Meimou flashed with surprise and suspicion.

This feeling is a bit familiar.

Even the breath of this young man is familiar.

Chapter 1036: whereabouts!

But she was certain that this man had never seen him before.

Strange, so strange.

In fact, Ye Chen felt the same way. She always felt that this woman was familiar, but she couldn't tell.

The key point is that he found that he couldn't see through the veil at all, and could only give up.

It is naturally impossible for him to let this place, and directly refused: "Girl, sorry, this place is the tomb of my friend's father, so I can't let it."

The girl was extremely lost.

After all, this place was chosen by Ye Chen first.

She just wanted to leave with regret, but a middle-aged man behind her said: "Bold, you dare to take over what Miss Mo is fond of! Do you know how to write death words!"

Miss Mo's eyes were cold: "Don't be rude!"

The middle-aged man hesitated: "Miss, but here..."

"Others choose someone else. You must pay attention to the first-come-first-served one for everything. Besides, this tomb is not in a hurry for the family, and these two little brothers obviously need it. Let's go and choose tomorrow."

After that, Miss Mo was ready to leave.

At this moment, a breeze danced, the green yarn covering the face unexpectedly showed a corner, and the girl's face was revealed.

All the country and the city.

but.

Ye Chen was completely stunned.

Not because of beauty.

But because this face is not Mo Ning'er's face!

Exactly the same!

This is weird.

Ye Chen even communicated with the reincarnation cemetery, only to find that Mo Ning'er was still inside!

Who is the person in front of you?

No, this person is an entity! The cultivation base and breath are different from Mo Ning'er!

This is a real existence!

Even the roots are only about twenty years old!

He thought of the three words the middle-aged man called the girl just now.

Miss Mo!

Linhai City Mojia!

This is a coincidence.

Ye Chen's motionless body just blocked Mo Ning'er's path.

The girl frowned, although she had a good impression of Ye Chen, but she didn't allow others to do so.

The middle-aged man also drew out his cold sword. In his opinion, this man's behavior is a big disrespect to the young lady!

Should be killed!

Just about to start, the girl stretched out her hand to signal the middle-aged man to withdraw.

Her eyes looked at Ye Chen curiously, and she read something special from Ye Chen's eyes.

"you know me?"

The ethereal voice fell.

Ye Chen only reacted, looking at the girl in front of him, Ye Chen suppressed the shock in his heart, and said, "Miss Mo, I don't know."

"It's just that Miss Mo looks like a friend of mine, and that friend of mine happens to have the last name Mo."

The girl showed interest and curiously said: "Then the son can invite us to meet another day. I'm very curious, there really is something like me in the world?"

Ye Chen remembered the purpose of this trip!

This Miss Mo may be the key to contact Han Yun!

He naturally has to grasp this opportunity!

In order not to delay the burial of Ye Lingtian's father, Ye Chen said: "Miss Mo, I have something to ask. How about an hour later, I will see you in the teahouse outside the land of Fuze?"

The middle-aged man even dared to ask Miss Mo when he heard Ye Chen's first meeting!

Don't get angry!

This is a blasphemy against Miss Mo!

What's Miss Mo! What is his identity!

See you again? Toad wants to eat!

"Boy, you really don't know how to write dead words, get out of the way quickly, or stop blaming my sword for being ruthless!"

Ye Chen ignored it, staring at the girl with scorching eyes waiting for an answer.

Eyes meet each other.

Ye Chen didn't dodge anything.

The girl was slightly surprised. After a few seconds, she smiled and said, "Okay, see you in the teahouse outside in an hour."

"Also, my name is Mourning.

When Ye Chen heard the word Mourning, his expression became more and more wrong.

This amazing similarity is too weird.

Mourning!

Mo Ning'er!

Although the characters are different, the pronunciation is almost the same!

The key figure and face are the same!

"Miss Mo, my name is Ye Chen."

Mourning read a few words lightly, which was regarded as a note.

Mourning left in the end, leaving a fresh fragrance.

Ye Chen wanted to ask Mo Ning'er in the reincarnation cemetery, but found that there was no movement.

Can only give up.

He glanced at Ye Lingtian and said, "Let's get started."

"Yes, the Lord!"

Ye Lingtian clasped his hands, and the coffin slowly fell, the moment he put it down.

An invisible force sucked the coffin in.

At the same time, a golden light actually penetrated, like a holy light enveloping the entire coffin.

This holy light became stronger and stronger, so strong that Ye Chen couldn't open his eyes.

The aura of the entire land of Fuze suddenly changed its direction, rushing towards this side!

This vision is too weird. Everyone in the Land of Fortune felt that their luck and magnetic field had changed.

Even Mourning, who was already far away from Ye Chen, stopped and glanced at Ye Chen curiously.

In her beautiful eyes, she stared at Ye Chen deeply. Her beautiful face was full of joy and surprise... She wanted to see Ye Chen through.

"Is he really bet on the right? Master just gave me a general direction. I still can't be completely sure, but Ye Chen chose the best one among the tens of millions of tombs. It seems that Ye Chen not that simple."

"It just so happens, the teahouse appointment, to explore the origin of this kid."

At this moment, the ceremony is over.

The Holy Light slowly disappeared.

The last touch is also drilled into the grave.

Ye Lingtian watched his father finally enter the soil, and the feeling in his heart was beyond description.

He knelt down again and knocked his head three times!

"Dad, my child is not filial! I couldn't see you for the last time! Now, I just hope you can avoid some torture below! In the next life, I am still willing to be your son!"

It knocked three heads again.

The forehead is full of blood.

Suddenly, the originally quiet tomb shook.

A crimson light came out from inside, and it fell on Ye Lingtian's eyebrows.

Ye Chen didn't stop it, because he could feel that the crimson light meant no harm to Ye Lingtian.

Could it be that Ye Lingtian's father left behind?

When the crimson light penetrated Ye Lingtian's eyebrows, Ye Lingtian only felt a memory appear abruptly.

In the picture, it is his father.

There is still a sea!

When all memories were awakened, Ye Lingtian was stunned.

Because the treasure that father got is hidden under that sea area.

My father had expected everything This red light was his father's way of retreat.

Father also knew that Ye Lingtian would return, and he knew that he couldn't be buried before Ye Lingtian!

A huge chess game just appeared.

Everything goes through.

Ye Lingtian stood up fiercely, and looked at Ye Chen with resolute eyes: "Hall Master, please come with me! I know where the father's thing is hidden! It must be fast! There is a time limit!"

Ye Chen's eyes were serious and nodded.

The two figures did not hesitate and rushed out in one direction instantly.

That is the endless sea that surrounds Linhai City!

...

Chapter 1037: gaze

Soon after, a teahouse outside the land of Fuze. m.

The teahouse has been cleared.

Five or six strong men stood outside.

The breath is extremely terrifying.

One of them is even more powerful!

Mourning sat alone in it, sipping some good tea.

A cup.

It's another cup.

time flies.

A hint of anger appeared in Mourning's plain eyes.

Ye Chen hasn't come yet!

From small to large!

She Mourning has never waited for others!

Others are waiting for her!

And now, in Linhai City, someone dared to release her pigeons!

No matter what the reason, this is unforgivable!

The middle-aged man hurriedly walked in with a grim face, and said angrily: "Miss, don't wait any longer! These two Wang Ba Laozi are really looking for death. I have notified the Punishment Bureau! They will bring these two people later! "

Mourning suppressed the anger in his heart and said: "Where have they gone?"

The middle-aged man hurriedly said: "As soon as the tomb is over, the two of them went to the sea without looking back! Grass! They must have gone away!"

"I also sent people from the Mo family to take down these two beasts!"

"Miss, don't worry!"

Mourning hesitated for a few seconds, stood up, his clothes floating: "Go, take me to the sea!"

In Mourning's opinion, Ye Chen had no reason to release her pigeons.

Why do you want to leave without killing him?

The key is to go to other places, but to the sea.

That's weird.

The middle-aged man was a little surprised, but since the young lady had spoken, he couldn't say anything, only nodded.

At the same time, Xiang Yingjie and others have arrived at the scene of the crime.

Xiang Yingjie thought about countless possibilities, but didn't expect the picture before him.

It is not an exaggeration to describe it as shocking.

The key person was also split in half!

So cruel!

Who the **** is it!

This is provoking the entire punishment bureau, and even challenging him Xiang Yingjie!

Xiang Yingjie's fingers touched the sword marks on the ground.

Obviously, the opponent uses a sword.

There are traces of flame burning around, and the flame is unusual.

This is the clue.

At this moment, an armoured man hurriedly walked over: "Master Xiang, thunder and lightning were also found on a corpse. The other party may be practicing lightning attribute techniques."

"I also asked people around, it seemed that someone heard the voice of Dragon Yin."

Xiang Yingjie nodded, stood up, with his hands behind him, staring at the two halves of the corpse: "Flame, lightning, dragon, sword intent, and above the Void King Realm, not many people meet these five requirements. But why am I not impressed?"

Suddenly, the subordinate seemed to have thought of something, and his expression became extremely horrified.

"My lord, will it be that..."

Xiang Yingjie curiously asked: "Who? Someone in your mind?"

The man trembled and said, "Ye, Kill, Heaven."

When the three characters fell, Xiang Yingjie's tyrannical aura burst out!

"Ye Jitian! Good! Very good! How dare you come to Linhai City! I have heard of your reputation! I want to see if you, Ye Jitian, can withstand my punch from Xiang Yingjie!"

The cold sound seemed to resound through the sky.

The subordinate was very uncomfortable. He thought of something and quickly said: "My lord, there is one more thing. Just now, the Mo family notified the Punishment Bureau and let us arrest one person. That person is Ye Chen we met in the morning. It is said that the guy went to the endless sea."

Xiang Yingjie restrained his murderous spirit and sneered, "Is that the little thing that ran against me?"

"Exactly!"

Xiang Yingjie turned the broad sword in his hand and carried it directly on his shoulders, and said: "I gave that kid a chance, he didn't cherish it. He offended the Xu family in the morning, but now even the Mo family dares to provoke him. If so, then I Wipe it out personally!"

...

Endless seas.

Ye Chen and Ye Lingtian have come to the shore.

"Hall Master, according to my father's memory, he disappeared in three days at the bottom of this sea area."

Ye Lingtian said.

Ye Chen pinched his finger, two barriers wrapped Ye Chen and Ye Lingtian.

"Let's go, and see what your father left for you."

With two plops, directly into the sea.

In ten minutes, the two men came to the bottom of the sea, as if walking on the ground.

Because of Ye Chen's skills, there was no obstacle to the two walking underwater.

You can even breathe.

Under Ye Lingtian's leadership, Ye Chen discovered an underwater cave.

The cave is unfathomable.

After the two hesitated, they still chose to enter.

Ye Chen was very vigilant, Zhanlong asked Tianjian to shake hands.

Although Ye Lingtian's father would not harm them, but this place always feels uneasy.

Fortunately, after going deep into it, the darkness disappeared, and the light flashed in the cave.

All insights.

Ye Chen looked around and found that a place for cultivation was artificially created inside.

Judging from the traces, it should have been built in recent years.

It seems that Ye Lingtian's father has been preparing for too long a move.

"Hall Master, here!" Ye Lingtian said hurriedly.

Ye Chen walked over with the sound and saw a simple box standing upright.

The box is very long, it must be the existence of the spear.

The treasure that countless people want to find.

There is a small stone box next to the quaint box.

It is so small that it can be ignored.

"Ling Tian, these things are left to you by your father, you can open them! This place is in the sea, there will be no signs to disturb others." Ye Chen said.

Ye Lingtian nodded, stretched out his hand, and directly opened the simple box.

When the corner of the box opened, endless black aura billowed out!

What a powerful devil!

When the box is completely opened!

Ye Chen saw a spear surrounded by demonic energy!

The spear was two feet long, and the whole body exuded black aura, and scattered stars appeared on the dark surface. The evil spirit is pressing, and the dragon totem is engraved on the whole body, which is lifelike!

Like a black dragon about to rush out of the gun body.

Not only that, but the tip of the gun flashes blue light.

Extremely sharp!

If you only touch a person's body, it must be blood fog!

Although I don't know the origin of this blue light, two words appeared in Ye Chen's heart!

Jiuyou!

One shot, break Jiuyou!

Suddenly, the gun body shook!

The entire seabed was shaking and rolling.

The spear seems to be alive, bursting out of the simple box instantly! Even more towards Ye Chen!

The icy cold light represents killing!

Ye Lingtian's face changed drastically. If the Lord was killed by this shot, he would be the culprit!

He exclaimed, "Hurry up and run away!"

But he found that Ye Chen was motionless and didn't intend to fight back at all.

The spear shuttled like streamer, spinning around Ye Chen for a few weeks.

In the end, he turned and walked directly toward Ye Chen's eyebrows.

Ye Lingtian is short of breath He wants to die for the Lord, but it's too late!

Seeing that the spear was about to pierce Ye Chen's eyebrows, Ye Chen didn't blink his eyes, not moving like a mountain.

Suddenly, the spear hung!

At this moment, Ye Chen's eyebrows are also changing!

Shining dark light!

Just like the eyes of hell, just open it!

Then, the violent spear bent!

Distorted in Ye Chen's left and right! The spear head was still facing Ye Chen.

This feeling...like looking at Ye Chen!

Chapter 1038: 9Youth Killing Sky Spear

One shot at a time formed a century-like stare.

Ye Chen didn't do anything.

The magic orb that had penetrated the center of the eyebrows shone strangely.

His eyes were red, as if covered with blood.

The demonic energy all over his body even turned into a majestic black cloak.

Seeing this scene, Ye Lingtian was a little uncomfortable.

Can this ancient thing bend?

Unheard of!

Also, it feels like the spear is recognizing the master.

Could it be that the father used his life to guard this thing, not for himself, but for the Lord?

It is absolutely possible!

Ye Lingtian didn't feel any loss, but was excited!

He himself is used to using swords, even if his father left the spear to him.

He is also of no use.

On the contrary, it will only hinder his control of Kendo.

But the lord seems to like to use swords.

At least since he knew the hall master, he hadn't seen the hall master used a gun once.

This gun is extremely powerful, if there is no strong gun skills to support, the consequences would be disastrous.

He is a little worried now.

But at this moment Ye Chen seemed to be silent in a magical world.

He found that everything around him had completely changed!

It feels like being in an illusion.

And this environment turned out to be the bones of thousands of people.

Bone abound.

Bloody sky.

This is like the endless abyss of the extremely gloomy place in the world.

The gang wind danced wildly, the blood was congealed, and the sound of ghost crying and wolf howling came from the deepest place.

Suddenly, a flame appeared among the countless bones.

Faint blue and icy flame.

Extremely cold flame.

The flames of two different attributes are actually fused together.

Even in Ye Chen's eyes, the blue flame seemed to be staring at him.

This flame is not weaker than the unquenchable fire.

Just when Ye Chen lost his mind, the flame turned into a spear phantom and plunged directly into the darkness between Ye Chen's eyebrows.

The pain came in the next second.

When Ye Chen raised his head, he found that the picture in front of him had changed again.

Screen backtracking.

The bones were alive and turned into cultivators!

Every cultivator was filled with violent killing intent, and the lowest realm among them turned out to be the virtual king realm!

There are also many Daoyuan realms or emperor realms!

Everyone went to the abyss.

Roar, roar!

At this moment, a figure walked out of the darkness.

The footsteps fell, as if the surrounding air was completely solidified.

The dappled light hit that person, which was familiar to Ye Chen.

Getting closer.

Ye Chen finally saw the man clearly!

"how is this possible!"

Ye Chen was stunned!

Because that figure is not someone else, but himself!

The devilish cloak, surrounded by devilish energy, and the spear in his hand is exactly the one I saw today!

It's just that my own eyes inside are cold, and the monstrous demonic energy erupts.

Then, a shot pointed out that he had actually killed those cultivators!

Every shot carries a cold killing intent!

The void burst, the true energy was reversed, and the entire time and space seemed to explode under the intent of the gun!

The illusion turned into a sea of fire, and the billowing thunder and lightning crashed down from above the sky!

God thunder, flame, swallow everything.

All the creatures are charred!

And the master of this piece is the demonized self!

These thousands of bones were actually made by yourself?

The demonized figure seemed to perceive something, and glanced in the direction of Ye Chen, then everything turned into dust.

The illusion disappeared.

Ye Chen found that he had returned to reality.

The spear no longer looked at himself, but hovered in front of him.

Obviously, let him hold it.

Ye Chen didn't hesitate, he could feel that this spear was born for him.

He learned Lin Qingxuan's three best shots, just missing a satisfactory weapon.

And this spear from Jiuyou Hell is the best choice.

However, Ye Chen still wondered what the illusion actually meant.

If it is true, does it mean that he will eventually be enchanted?

Also, why did he kill so many people?

He can feel that all of this is real.

Very real.

As if it will happen someday in the future.

But even if he stepped into the killing road, he couldn't be so crazy.

Unless, something happened in the future that would arouse endless anger in his heart.

This matter made him want to destroy and end everything!

Ye Chen threw away all the distracting thoughts in his happiness, stretched out his hand, and held the simple spear.

"Tear!"

Suddenly, the palm of Ye Chen's palm was cut, and blood poured out instantly.

It was absorbed by the spear.

Ye Chen felt the connection between Zhihaizhong and this spear.

After that, Ye Chen held his hands, and his true energy gathered, and he swept away with a single gun!

The surrounding sea water instantly turned into two halves, and the violent spear intent tore the entire ground apart, a full tens of feet!

Like a deep sea canyon!

shocking!

The vibration of the ground is also constantly spreading.

Ye Chen retracted the spear, touched it lightly, and murmured: "Although there is a big gap between the power in the fantasy world, I am already very satisfied. If combined with the three great spears, the power generated by the time will definitely make me fearless. Void King Realm!"

After speaking, Ye Chen thought of something and asked, "Do you have a name?"

The spear seemed to understand Ye Chen's words and twisted again, as if shaking his head.

Ye Chen thought for a few seconds, and then said: "Illusory Realm just now seemed to be in Jiuyou Hell, then I will call you Jiuyou Sky Spear! With the power of Jiuyou, you can smash the **** and kill the sky. This is my Ye Chen's. Ambition!"

Jiuyou Heavenly Killing Spear knew that he had a name, and was extremely surprised, even his body was close to Ye Chen, like a snake coiling around.

The tip of the gun flashed with dim flame light, which made people afraid to look directly.

"Okay, now you obediently enter the reincarnation cemetery, if I call you, you will come out again."

Ye Chen ordered again.

Jiuyou Heavenly Killing Spear clearly understood Ye Chen's meaning, nodded fiercely, and then disappeared even more.

Everything returned to silence.

Ye Chen looked at Ye Lingtian, and apologized: "Ling Tian, this thing is recognized by me, it's really..."

Before he finished speaking, Ye Lingtian smiled and said: "Hall lord You don't need to say anything, I understand my father, this Jiuyou Tianqiang spear was not intended to be given to me by my father. It belongs to you."

"What's more, I am the person of the hall master, even if the hall master wants Ling Tian to die, Ling Tian will not hesitate!"

Ye Chen was quite speechless, and blamed: "What nonsense, Ye Lingtian, you must be by my side in this life, let alone die! If anyone dares to move you, I, Ye Chen, will destroy his whole family!"

Ye Lingtian nodded fiercely, and the words of the Palace Master gave him tremendous confidence!

With such a master, what can I ask for!

Suddenly, Ye Chen noticed something, and with a grip of his five fingers, another extremely small box appeared in his hand.

There are only two things here.

The Jiuyou Heavenly Killing Spear was left by Ye Lingtian's father, so this box should belong to Ye Lingtian.

Sure enough, Ye Chen glanced around, and found a few large characters engraved on it: "Ye Lingtian, Qi!"

Chapter 1039: Ye Lingtian's change!

Ye Chen handed the box to Ye Lingtian directly. Said: "Ling Tian, this thing is left to you by your father. It can be put together with the Nine Nether Killing Spear. It is absolutely extraordinary. You can open it yourself."

Ye Lingtian naturally saw the words above, took the box, and opened it directly.

This time, there was no light.

Very quiet.

When the box was completely opened, it was discovered that there was a drop of blood floating in the box.

The blood is coquettish, but it is cold.

Ye Lingtian was a little confused about his father's intentions.

What is the use of this blood?

Also, why is this blood still so fresh, as if it had just been pulled out of the human body?

Ye Chen is also a little unclear. He just wanted to communicate with Mo Ning'er in the reincarnation cemetery, but found that a piece of jade pendant hanging beside Ye Lingtian was shining with strange light.

Ye Chen had seen this jade pendant, and the pattern on it was a dragon and a young man.

That boy is himself.

It was this jade pendant that made Ye Lingtian sure that he was the palace master he was looking for.

When Ye Chen and Ye Lingtian were puzzled, the jade pendant suddenly shattered.

Then, it turned into a little light of stars.

The light of the stars suddenly gathered, forming a figure!

It was Ye Lingtian's dead father!

The shadow of the starlight seemed to have turned into substance, and he glanced at Ye Lingtian, and said excitedly: "Ling Tian, we finally met. If I guessed correctly, my body is dead."

Ye Lingtian never thought that he would see his father again in this situation after his death!

He bent his knees and knelt directly: "Father!"

Starlight showed a smile and helped Ye Lingtian up: "You can come here, it shows that I am on the right move."

Starlight's eyes suddenly fell on Ye Chen's body, and his eyes were excited: "This is the Young Master!"

"Young Hall Master is here, please accept Ye Jinming's respect!"

Ye Chen naturally couldn't let the other party kneel down, and stretched out his arms: "Uncle, please get up. You are a candid thought, why do you still kneel on me."

Ye Jinming hesitated for a few seconds or nodded: "Young Hallmaster, when I see you, I know that the task given to me by my ancestor is completely completed! If I fail with me, then I will be a sinner in the family!"

Ye Chen was a little curious: "Why did you choose me instead of someone else?"

This time, Ye Jinming did not explain, but said: "Young Hall Master, some things are secrets and cannot be said more, but one thing is not a secret, you are the Ziqi Wolongge, the life of the born emperor, anyone just needs to talk to you if you have a connection, you can benefit the offspring."

"Of course, I also believe that Ling Tian can shelter the Young Master from the wind and rain on this road!"

Ye Jinming looked at Ye Lingtian again. He glanced at Ye Lingtian's cultivation base and shook his head: "Ling Tian, your cultivation base is too low, so how can you win the world for the palace master?"

Ye Lingtian blushed and said embarrassedly: "Father, I don't want to, but the strength of the palace master is too high, and the Saint King Realm can kill the Void King Realm powerhouse. I can't follow this in my life, but I will try my best! "

Ye Jinming touched his beard and squeezed his five fingers, and the blood fell on the palm of his hand.

An ancient text was actually reflected in the blood.

"Ling Tian, in fact, this ancestor in advance had anticipated that the family would be defeated. In your area, the ancestor's spiritual roots are almost diluted. It is impossible for you to achieve great achievements in cultivation."

"My ancestors set the overall situation for a thousand years. Being a father is just a pawn. You can see this drop of blood. This is what the ancestors left for you. I will hit this blood into your foreheads later. Pain, because the power in your essence and blood will forcibly change your bloodline and talent. Fortunately, the blood in your body is still connected with your ancestors. If you change to an ordinary person, you will inevitably burst into death."

"After today, being your father will make you reborn, so that you are also qualified to stand by the Young Master."

When the words fell, Ye Jinming pointed it out and shot the blood directly on Ye Lingtian's forehead.

Ye Chen looked at the scene in front of him, and then he suddenly felt.

Ye Jinming didn't accidentally go to a secret realm, but this secret realm was originally the secret of their family and had been guarded for thousands of years.

Until now it was completely turned on.

Why is it so painstaking?

He looked at Ye Lingtian. At this moment, Ye Lingtian was convulsed, lying on the ground, his face was hideous!

too painful.

Ye Jinming looked at his son condescendingly, and continued: "Ye Lingtian, stand up for me! The blood flowing on your body is the blood of a soldier. If you can't bear this kind of pain, you can only say that your ancestors looked at you. You are a waste!"

Do you want to keep hiding behind the young palace master and make a useless trash? Is it now, will it be in the future? "

This sentence stabbed Ye Lingtian like a sharp needle.

Ye Lingtian roared: "I am not!"

He stood up trembling, with bloodshot eyes.

The veins of his arm violently violently, and a powerful wave of air erupted all over his body!

Dantian abruptly was broken, and then reborn!

"I, Ye Lingtian, are not afraid of everything! Swordsmanship, follow the Lord!"

Under the roar, Ye Lingtian's whole body was released, and the sea rolled.

Even this air wave made Ye Chen a little uncomfortable.

Ye Chen watched the aura in the sea frantically pouring into Ye Lingtian's body.

Then, he was shocked to find that the aura on Ye Lingtian's body was changing!

Breakthrough!

Layer after layer!

It's incredible!

I don't know how long it has passed before Ye Lingtian has stepped into the Holy Land!

Did not stop!

Holy King Realm!

Still did not stop!

Void King Realm!

Finally, it stopped slowly, and the final realm was stabilized at the fifth level of the Void King Realm.

Although Ye Chen has a reincarnation cemetery, he has never seen such a heaven-defying method of ascension.

I'm crazy!

Ye Jinming seemed to perceive Ye Chen's doubts explained: "Young Hall Master, this secret method of Kunlun is only our ancestors mastered, and the requirements are extremely demanding. It must be the blood of the ancestors. When Ling Tian was young, I let him soak in a special potion every day so that he can blend in. If it is an ordinary person, he will definitely die."

Ye Chen nodded, he looked at Ye Lingtian and found that the latter had stood up.

His face hasn't changed much, but the aura on his body has experienced Nirvana.

The resolute eyes looked at Ye Chen, and he knelt down on one knee: "Hall Master, this time, I will not stand behind you! If anyone dares to move you, I will let him fall into hell!"

Ye Chen nodded and patted Ye Lingtian's shoulder: "Get up, I said that we are brothers, you are not my servant, there is no need to do so."

Ye Jinming looked at the two with a gratified smile on his mouth: "Young Hall Master, Ling Tian, the family has given me the mission. I have completed it completely. After today, it should be yours."

Chapter 1040: Let your dog, put down the sword

"By the way, the Lord, let me remind you, if you meet a four-character person, you must be careful!"

After the words fell, Ye Jinming dissipated and merged into the sea, as if he had never appeared before.

"Four characters?"

Ye Chen frowned. So far, he had never met such a person.

But this warning Ye Chen was on his mind.

This family sees through the secrets of heaven, and when it comes to this point, if a certain link is missed, it is a collapse.

Don't believe it.

"Hall Master, let's go."

Ye Lingtian said.

The strength of his strength made him full of confidence, and even his voice improved by a few points.

Ye Chen nodded, Zhen Qi surrounded his feet, and instantly moved towards the water.

...

At the same time, the shore of the sea.

More than a dozen soldiers from the Punishment Bureau in armors stood in battle.

Xiang Yingjie put his hands behind him and stared at the sea coldly!

"What do those people go to the bottom of the sea?"

He asked his men beside him.

But the subordinate shook his head: "What is the specific reason, I don't know, this sea area is still dangerous. If it goes deep, there must be something to attract!"

Xiang Yingjie frowned, not knowing what he was thinking about. After a few seconds, he said, "Forget it, wait for these two guys to come up."

At this moment, several figures rushed in.

Xiang Yingjie saw the hurried man headed by him, turned around, and smiled: "What wind is blowing the eldest son of the Situ family? There is no scenery in this sea area."

He knows the origin of this Situ family.

Named Situ Feng! The sixth floor of the Void King Realm!

With some hole cards, it happened to be the 1000th place in the sky!

It's good, but it's called the crane tail in the circle.

After all, it is the last place in the sky list.

Situ Feng suddenly appeared here, I am afraid he was also here for Ye Chen.

When Situ Feng saw Xiang Yingjie, his eyes shrank slightly, and he said coldly: "Xiang Yingjie, Ye Chen is here!"

"Your news is well-informed, but this place has been surrounded by my punishment bureau. This Ye Chen is also what the Mo family has the right to ask me to arrest. I am afraid it is not good for you to appear here now."

Xiang Yingjie said in a bad tone.

Situ Feng sneered again and again: "Funny! When did Linhai City become the site of your punishment bureau? Since Miss Mo wants that kid, why can't I make a move!"

"Since the Ye family's things have not fallen yet, I can only start with this little beast named Ye Chen!"

"I **** heard that this kid is bold enough to let Miss Mo's pigeons go! It's really a death!"

Xiang Yingjie ignored it. In his opinion, it was impossible for Situ Feng to hold someone in his hand!

It is indeed possible to win Ye Chen and Ye Lingtian on the 1000th place in the sky list, but he can't allow it!

As the two spoke, waves surged on the water.

The waves swept.

Then two figures appeared instantly.

Seeing this figure, someone suddenly exclaimed!

"Master, Ye Chen has appeared!"

"My lord, Ye Chen has appeared!"

Countless eyes locked on Ye Chen and Ye Lingtian instantly.

A cold smile appeared at the corner of Situ Feng's mouth, and he took the lead to step out and walk towards Ye Chen.

He knows better than anyone, as long as he wins Ye Chen, it is an opportunity!

Establishing contact with the Mo family is too important for the Situ family!

The Mo family controls the cultivation resources, and is also the ancient family, holding the key to that place in his hand.

Not to mention Linhai City, the entire Kunlun Xu must please them!

What's more, the Mo family has a close relationship with the ancient family Han family.

Once you stand on the same line with the Mo family, you are equivalent to contacting two ancient families!

The entire Kunlun Xu, there is more value than this transaction?

No longer thinking about it, Ye Chen and Ye Lingtian had already landed on the shore.

Feeling countless eyes coming, Ye Chen's expression was extremely strange.

Ye Lingtian also condensed his brows, and his five fingers held the hilt: "Hall Master, the one who came is not good."

Ye Chen nodded, and then headed outside.

And Situ Feng and others in front of him were regarded as air by him.

As Ye Chen took the fifth step, a cold voice slowly fell: "Ye Chen, did I let you go?"

After that, the five powerhouses blocked Ye Chen and Ye Lingtian's path.

Murderous release.

Ye Chen stopped, his eyes still staring ahead, and said: "We don't seem to know each other."

"Don't know?" Situ Feng laughed a few times, "Dare to let Miss Mo dove, you are the first in Kunlun Xu!"

Hearing the latter sentence, Ye Chen suddenly came over!

Damn it! Because Ye Lingtian's matter was urgent, he didn't even say hello!

It's a great sin to make a girl wait!

What's more, it's the young lady from the Mo family in Linhai City!

Ye Chen could only shake his head helplessly. Now that the deal was done, he could only apologize to Mourning a bit.

After all, the mistake was indeed in him.

But what does this matter have to do with these people?

Could it be that these people are from the Mo family?

Ye Chen thought for a while and said, "Miss Mo, I will naturally apologize."

He just wanted to leave, but the six strong men drew their swords and pointed them at Ye Chen!

"Little beast, did I let you go? I can't stop the man Situ Feng is going to take!"

As soon as Situ Feng's words fell, a cold light flashed.

Han Guang was too fast, when he reacted, he found that a long sword was touching his neck.

"If you dare to move the lord, I, Ye Lingtian, will behead your head even if I desperately!"

He turned his head in horror when he saw Ye Lingtian! Instantly angry into anger!

Naturally, he knew the origin of this person, Ye Family's trash that left Kunlun and went to China instead!

Even dare to use the sword in front of me!

I'm afraid this guy hasn't even reached the Saint King Realm!

This is humiliating!

At this moment, Xiang Yingjie, who had not spoken all the time, interjected: "The end of the dignified sky list was threatened by an ant with a sword. I really doubt the gold content of the sky list more and more. Situ Feng, I am afraid your cultivation base Cultivate all the way to the woman's stomach."

Hearing these words, Situ Feng became more angry!

Without hesitation, he stretched out his five fingers and directly buckled Ye Lingtian's sword!

"roll!"

A roar penetrated.

The sword should be broken! However, nothing happened!

He even felt as if his power had fallen into an endless abyss!

how is this possible!

Ye Lingtian's eyes were firm: "Let your dog put down the sword, if they dare to point to the Lord again, I promise, your life, I will take Ye Lingtian!"

Ye Lingtian at the moment is qualified to be strong!

The blood power in his body has not disappeared!

Before that, he was not afraid of this Situ Feng!

Ye Chen was very satisfied with the current Ye Lingtian. He glanced at the swords around him and waved his arm gently: "Stop it all."

It's this casual wave.

Something weird happened!

The six-handed long sword seemed to be mad, broke free of the hands of the six people, crackled, and landed directly at Ye Chen's feet!

It's like surrender!
