Chapter 1051: Who dares to touch Xiaoning

The silver needle flew into Lao Tian's body, using the silver needle as the formation method, Lao Tian's pale face instantly rosy.

Then Ye Chen took out a herbal medicine and took it directly to Counterattack.

The herbal juices spread out,

Lao Tian opened his eyes in a daze. When he saw Ye Chen, he just wanted to sit up, and Ye Chen said indifferently: "I advise you not to move around. The chaos in your body will kill people."

After finishing speaking, Ye Chen walked towards the carriage and said to Mourning: "My time is limited, so hurry up."

Mourning nodded, but what should Old Tian do?

It is impossible for her to help Lao Tian up.

At this moment, Ye Lingtian recovered a bit, stretched out his hand, and grabbed Lao Tian!

Lao Tian wanted to resist, but he didn't have any strength!

He is in pain!

"Don't struggle, old man, I'm not interested in men."

After finishing speaking, he put Lao Tian on the mount, then turned his head and said to the hall master: "Hall master, can you go?"

"Ok."

Ye Chen behind the curtain said lightly.

Ye Lingtian led Lao Tian towards the front.

But Mourning outside was hesitant.

The man driving the carriage has fallen.

Someone must be a so-called groomer outside.

She glanced at the closed curtain, shook her head, sat silently on the front mount, and then slapped it.

The carriage moved towards Mo's house instantly.

She had never thought that her aloof Princess Mo would actually be a groom for a man!

If you say it, it will inevitably shock the entire Linhai City.

But when I think of it, not only is Ye Chen sitting behind, but also that Ye Jitian who makes Kunlun utterly frightened.

She was still relieved.

Not only relieved, she must guard this secret for Ye Chen.

This matter can be big or small, if father and brother knew about it, it would be detrimental to Ye Chen.

Ye Chen saved her life, and she would not be an ungrateful villain.

.....

At the same time, in a palace.

Mo family.

Although the Mo family has been hidden since the ancient times, it has used years of time to build a huge foundation, just like an emperor.

In the palace, an old man with extreme pressure is standing in front of a wall.

This old man is Mo Weihai, the Patriarch of Kunlun Xumo Family!

Pieces of jade pendant are hanging on the wall.

Among them, some jade pendants have been completely broken.

turns into powder.

Mo Weihai stared at the shattered jade pendant on the wall, his fists clenched, and his breath exploded. New 81 Chinese network update the fastest computer terminal: <https://;>

"It seems that something happened to Xiao Ning."

Behind Mo Weihai stood a man two meters long, and the man was full of violent body refining aura.

horrible meaning.

This person is Mourning's brother, not like wind! 新ヤ~⑧~1~中文网ωωω.χ~8.~1zщ.còm

The real peerless genius of the Mo family, the body refining stepped into the transformation phase!

At a young age, he is ranked 701st on the sky list!

His physical body, ordinary spirit swords cannot break open!

It's even said that there is no way to face ten powerful virtual kings!

did not move his hands once, and directly resisted everything with his body, and even more so, all the ten powerful virtual kings were blasted away!

is terrifying!

Mo Rufeng frowned and frowned: "Father, Xiao Ning's jade pendant of life is not broken, but it is dimmed, which means that Xiao Ning is fine, I will go to Xiao Ning!"

Mo Weihai shook his head: "I'm afraid this is an organized action. Although you are very strong, but when you arrive, Xiao Ning may have fallen into the claws long ago."

"I have sent a strong Mo family to find Xiao Ning! No matter who it is, the Mo family who dares to beat me will definitely die!"

Mo Rufeng knew that his father would not let him go, but the anger in his heart burned even more: "Father, please give me a chance. I entered the transformation stage, and I am very fast. Maybe I can arrive faster than those people!"

Mo Weihai shook his head: "Rufeng, what you have to do now is to strengthen your strength. Those guys are coming again. There is only one and a half years left before the 100-year agreement. Alas, this time I don't know that Mo Jia can't survive."

"The ancestors of the Mo family have already taken fate into it. I don't know the life or death. Even if we have Xiao Ning, we can't survey something. In the end, it will only be a bubble."

Mo Rufeng has some doubts.

The four words of a hundred years of appointment, he heard too much.

In the end, what this century-old covenant meant, my father never said.

Father just let him practice hard all the time!

Only if you are strong can you face some people!

But what those people are, he doesn't know.

Mo Rufeng just wanted to say something, a servant hurried in: "Master, master, something has happened! Miss..."

Hearing the words "Miss", Mo Rufeng's eyes condensed, and he took a step forward, and his five fingers directly grabbed the man's neck!

"Say, did something happen? Who dared to touch Xiao Ning!"

The scared face was pale, and he pointed to his neck, and then let go of his hand.

"Master, you misunderstood, the lady is fine... the lady is back, just outside, just..."

Before the words were finished, a violent wind surged!

Mo Rufeng has disappeared in the palace.

He has loved this sister very much since he was a child, and he has not allowed anything to happen to her sister!

And now, knowing the whereabouts of his younger sister, he naturally wants to confirm it immediately!

Outside the palace Mo Rufeng's body suddenly stopped when he saw the carriage coming slowly in the distance.

The stone in his heart fell completely.

no longer hesitate, stepped out, and came to the front of the carriage, the pressure was released, and the spirit beast driving the carriage could not move instantly.

"Xiaoning! What the **** happened, you know it almost scared me! Fortunately..."

Suddenly, Mo Rufeng noticed something and stared fiercely into the carriage.

There is still a man!

He can feel that this man's breath is a bit bad!

The key, my sister is Jin Zhi Yu Ye, how can I drive a car outside!

The location here should belong to my sister!

The first time he thought that the people inside might have something to do with Mourning!

no longer hesitate, his feet exploded, and the power of refining was like a red light lingering around him!

"Boy! Come out for me!"

The sound of scolding is like the sound of rolling thunder! With unreliable anger!

Mourning never thought that her brother would make a sudden move. She wanted to dissuade, but it was too late!

Chapter 1052: Mo Rufeng

But Ye Chen, who was running the Nine Heavens Xuanyang Jue behind the curtain, felt the crisis and suddenly opened his eyes!

He found himself locked!

This place is clearly the place of Mo family, why is there anyone moving him?

Could it be Xiang Yingjie's person?

He didn't hesitate anymore, facing the violent fist, he threw a punch!

He didn't dare to be careless, this punch was almost full!

Even the **** thunder and the unquenchable fire are entwined on the whole fist!

But of course, when the two fists touched, Ye Chen felt the tide of overwhelming violent coming.

There was even a creaking sound from his bones!

And the entire carriage was torn apart because of this terrifying air wave!

Among the sawdust in the sky, Ye Chen's body flew out!

took a few steps in the air, flipped and landed steadily, spitting out a mouthful of blood from the corner of his mouth.

Mo Rufeng didn't mean to stop at all!

With his right foot like a bow, he pulled straight away, and then kicked it out at Ye Chen!

His feet are covered with a layer of red light.

This light directly lifted the bricks on the ground up!

There were cracks one after another in the earth.

even formed a crescent-like sword intent!

The shot at this moment, like thunder and lightning, across the sky.

Once this blow is smashed, the strong under the Daoyuan Realm will inevitably be fragmented!

"Brother, don't!"

Mourning finally calmed down and even spoke.

But it's too late!

Brother is so violent!

The key brother's kick, who can resist it!

Ye Chen is indeed very strong, but he is not qualified. New Bayi Chinese Network first released <https://https://New 81 Chinese Network updated the fastest computer terminal: https://;>

At this moment, Ye Chen looked at that powerful kick like a long knife, he knew it was useless to dodge.

It is difficult for him now to stop him physically!

The only reliance is the Jiuyou Sky Spear!

He just wanted to pull out the spear, but Mo Ning'er's voice rang in his ear.

"Tomb Lord, don't be afraid, I will lend you a strength! After so many years, I have discovered a loophole in the Mo family's physical exercises, you do as I said!"

"This loophole can only be used once!"

Ye Chen's eyes condensed: "Okay!"

Suddenly, Ye Chen chose to close his eyes.

There seems to be no fear.

Mo Rufeng naturally saw the scene before him, and he sneered repeatedly in his heart!

The lifeless ants finally gave up resistance!

a humble person, trying to take action against the Mo family! You shouldn't live in this world.

"Hall Lord!"

Ye Lingtian's face changed drastically, and he wanted to help, but he found the weak voice of the injured Lao Tian beside him.

"It's useless, the young master's physical training power is almost superb. If he wants to kill, most people can't stop it."

"Hey, I just reminded the young lady not to let Ye Chen alone in it. Now the consequences are coming. The young master is famous for his temper. Anyone he wants to kill will undoubtedly die!"

Lao Tian's tone was lonely.

Ye Chen helped the Mo family, but in the end he was killed by mistake.

This matter is really responsible, and it is undoubtedly the fault of the Mo family.

Just when Mo Rufeng's refining kick was about to fall, Ye Chen finally opened his eyes.

An arc appeared at the corner of his mouth.

Then, fingers pinched the tactics, and the light of Buddha filled.

punched out!

Seeing this punch, there was a cold smile on the corner of his mouth!

"It's just rubbish, I really thought it could help me! In the entire Linhai City, no one is qualified to stop my blow!"

An icy voice fell, and the body-building feet almost cracked the surrounding air.

But Ye Chen suddenly turned his fist into a finger at this moment and pointed out.

A purple light surrounded the fingers, and then, with the momentum of thunder, hit an acupuncture point on the lower side of Mo Rufeng's chest.

Mo Rufeng frowned, not knowing what Ye Chen was going to do.

Until, under that finger, there was a pain in the heart.

This is not the most important thing. The most important thing is that he found that his foot full of physical training power disappeared.

There is no one in the whole body.

"how can that be!"

Don't be like the wind in the heart of the thunderous sea!

This situation has never happened before!

even makes him a little embarrassed at the moment.

"Get back!"

Suddenly, an angry roar came.

The power in Ye Chen hit Mo Rufeng's body along his fingers.

Without warning, Mo Rufeng's body flew out on the spot!

Click!

The sound of broken bones came from his powerful body!

He can hardly believe it!

My own body of transformation was broken, and the key is a **** finger.

Fortunately, the Mo family only owns fragments.

But it's powerful, Mo family has felt it, Mo Rufeng knows better than anyone.

This formula is perfect!

But at this moment, the perfect physical refining decision has been cracked!

He couldn't help but react, his body fell high under the horror of everyone!

"Bump!", it hit the ground harder.

The ground shattered into a deep pit, cracks began to spread, and the dust rolled, letting the embarrassing wind cover a bit.

At this moment, the world is quiet.

is too quiet.

Mourning, Lao Tian, Ye Lingtian, and even the Patriarch of the Mo family who had just been driven out, stopped in their tracks, their faces horrified, like a ghost.

"This... Feng'er was defeated! How could it be possible!"

hiss...

I don't know how long this silence lasted, when someone suddenly took a breath.

"Mo Rufeng, the peerless genius of the Mo family, was defeated by others!"

"Mo Rufeng is a character at the very top of the sky list, isn't that kid stronger?"

"The key is to defeat Mo Rufeng with one finger. If you say it, who will believe it?"

just for a moment, the exclamation sounded one after another.

Mourning's eyes were full of shock and fear!

She knows that Ye Chen's origin is unusual and the means is the sky.

But this is too exaggerated.

Even if he was Ye Jitian, he couldn't shake his brother like that!

Under the horror of everyone, Mo Rufeng in the pit got up, his face is hideous!

Surrounded by blood!

With his feet bent, a golden spear came out.

What Ye Chen did just now completely aroused his desire to fight!

He hasn't enjoyed this sense of failure for a long time, it seems to make his blood boil!

"Good! Very good! Come again!"

Mourning saw his brother's appearance, and even offered his weapons, his face was pale, and he hurriedly came to Mo Rufeng's body. Explained: "Brother, you have misunderstood Ye Chen. Ye Chen saved me. If Ye Chen hadn't been there, I would have died at the hands of Xiang Yingjie and Situ Feng, or even innocent!"

When Mo Rufeng heard these words, a special murderous aura surged across his body.

"Is it the hands of the Situ family and the punishment bureau? Not this kid?"

Mourning nodded like garlic: "Brother, as soon as I came back, I was going to explain to you, so you did it to him. Fortunately, it didn't cause any major disaster, or my Mo family would be laughed at by countless people."

Chapter 1053: My qualifications!

"Brother, if you don't believe me, you can ask Lao Tian, he saved his life."

Mo Rufeng's gaze fell on Lao Tian, and when he saw Lao Tian nodded at him, he was stunned. He glanced at Ye Chen in the distance, suppressed the anger in his heart forcibly, and then retracted the spear!

"Since the Situ family and the Punishment Bureau dared to do something against you, then I am asking them for someone!"

"I want them to understand, what the price is for people who dare to move my Mo family!"

Mourning grabbed Mo Rufeng's strong arm and said, "Brother, no, Xiang Yingjie and everyone else are dead!"

what!

Mo Rufeng's heart shock broke out completely, he stared at Ye Chen firmly.

This time, there was an old man in the Daoyuan Realm who was with Mourning and did not return.

Check out new PVP arena battles!

is enough to show that the situation is serious.

Xiang Yingjie and Situ Feng probably sent many strong men.

But at this moment, all this seems to have been solved by the cold and proud young man not far away?

What kind of strength do you want!

Moreover, the other party just cracked his good luck refining battle!

Yes, it is cracking.

He has never understood where the weakness of Good Fortune Refining Body Jue is, but now he did not expect to be pointed out directly by others!

broke open his body of Huagang! Dispelled everything from refining!

Who is this young man who doesn't know the origin!

At this moment, Mo Weihai came slowly. He patted Mo Rufeng's shoulder and said, "Rufeng, you should thank this person. If you change to another person, you may be killed while breaking your body. you."

"You have been so smooth for so many years, and today's setbacks must be endured."

Mo Rufeng looked at Mo Weihai, his fists clenched: "Father, from now on, the defects of my good fortune refining will not be controlled by others, they don't even have a chance to shoot!"

Mo Weihai nodded, and then looked at Ye Chen with interesting eyes, and asked Mo Ning: "Xiaoning, I don't want to introduce it. We have not been a guest from the Mo family for a long time."

Mo Ning suddenly came to Ye Chen's side and introduced: "Father, brother, his name is Ye Chen, he is a disciple of God of Medicine, this time, thanks to Ye Chen, it would be unthinkable!"

After finishing speaking, he said to Ye Chen: "Ye Chen, those two are my father and elder brother. There was some misunderstanding just now, please don't take it to your heart."

Ye Chen nodded, for the Mo family, he didn't care at all.

The only thing that cares is Han Yun!

He must use the Mo family to see Han Yun!

Mourning seemed to feel Ye Chen's eagerness, and said: "It's windy outside, let's go in together. By the way, father, Ye Chen actually has something to trouble with when he comes to Mo's house this time, let's go in and talk about it."

Mo Weihai glanced at Ye Chen deeply, and nodded.

In the palace.

resplendent.

Ye Chen felt the Mo family's background, and the stones on the ground were all spiritual stones.

is very valuable.

Anything on the wall is extremely valuable in the auction!

The ancient Mo family really deserves its reputation.

I don't know what the ancient Ye Family is like?

Mo Weihai sat on the top Nine Dragon Golden Chair. Although his momentum was not released, he felt a bit of coldness.

"Ye Chen, for the sake of saving the little girl, let's talk, what's the matter."

"As long as it is not too much, my Mo family will promise you."

In Mo Weihai's view, what Ye Chen wanted was just a chance, and he might even want to use it to climb to the top of the Mo family!

He can give Ye Chen!

But if Ye Chen wants Mourning, it is absolutely impossible!

This is his greatest limit.

And Ye Chen did not talk nonsense, stepped forward, and said with extreme earnestness: "I know the relationship between the Mo family and the Han family. Today I am not here for the Mo family, but the ancient Han family! I want to see the only one in that ancient battle Han Yun who survived!"

Mo Weihai and Mo Rufeng were taken aback as soon as these words came out!

The body is even more stiff!

They knew that Ye Chen might make rude requests!

But I don't know how rude!

Han Yun was closed and protected by the Han family. After all, it was related to the things of the year, too serious!

I even heard that Han Yun became a violent lunatic because of this!

Kill all the people who mentioned the antiquity or the blood spirit race!

For good or bad, there are even Han family members!

Han Yun has almost become an untouchable taboo in the Han family and even the entire Kunlun!

Looking for death!

"No way!"

Mo Weihai scolded, and the pressure on his body rushed toward Ye Chen!

Ye Chen raised his head, motionless like a mountain.

Upon seeing this, Mo Ning hurriedly stood in front of Ye Chen, and said to Mo Weihai: "Father, it's up to me to help Ye Chen. He has a special status. This matter is very important to him. Important, besides, aren't we going to the Han's house these days? Just bring Ye Chen. As for the Han's house, we don't have to worry about it anymore."

Seeing that his daughter actually stood up to speak to Ye Chen, Mo Weihai was so angry: "Xiao Ning, there are some things you don't understand! This kid doesn't know where he came from, so he will see Han Yun, maybe he will give us The Mo family brings the danger of extermination!"

"Although I don't know what the purpose of this kid is, but it is absolutely harmful to our Mo family!"

After speaking, his eyes were staring at Ye Chen, and he waved his big hand: "Ye Chen, let's go, I will ask the servant to prepare some good medicine and spirit stones for you! It is also for you to save the little one. Ning's love!"

"Send off!"

Following Mo Weihai's order, two old men came to Ye Chen's side instantly.

Both of them are Daoyuan Realm!

They looked at Ye Chen and said, "Mr. Ye, don't make it difficult for us, please."

Ye Chen didn't move, but raised his head and stared at the man on the high platform!

"Mo Weihai, please make it clear that this matter has nothing to do with me. Ye Chen is saving you Mo family!"

As soon as these words came out the expressions of those two Mo family old men changed a lot!

This kid is so rebellious that he dares to call the Patriarch's name directly! And it's still this attitude, it's almost death!

Looking at Mo Weihai again, his face turned pale! Even a hint of anger!

His authority can't be questioned by ordinary people!

Mo Weihai just wanted to talk, but Mo Ning quickly said: "Father, Ye Chen didn't mean it, please don't forget it!"

Mo Weihai snorted coldly, and said to the two elders: "You don't need to give this person the pill or spirit stone, just expel it!"

His patience has reached its limit!

If it were not for the face of his daughter, Ye Chen would have died long ago!

The two old men just wanted to clasp Ye Chen's arms, but Ye Chen stepped forward and broke free of the two, then stared at Mo Weihai with cold eyes!

"Mo Weihai, have you ever thought about it, after a year and a half, if you can't get a strong emperor, what are the consequences!"

"The strength of refining the body is not as good as the wind, and if you practice it again, you may be eligible to be taken away! Even your daughter may be taken away!"

"But you really bear the heart and give your children and clansmen to the beasts!"

Chapter 1054: Blood Spirit Secret Realm!

"Your Mo family's obsession has been from ancient times to the present, and even experiments on Mourning have failed! Don't think I don't know the abacus in your heart!"

"I can tell you very accurately that only I, Ye Chen, can help you in this catastrophe!"

"If you don't believe me, just assume that I have never been to Mo's house!"

Ye Chen's voice resounded throughout the palace, revealing supreme coercion!

The momentum is too strong! So powerful that even those two Daoyuan realm experts were lost for a moment!

But Mourning and Mo Rufeng are staring at Ye Chen!

Although they didn't know what Ye Chen was talking about, they vaguely smelled something wrong.

send them away?

Why did you send it away?

The two followed Ye Chen's gaze and looked at his father Mo Weihai, only to find that Mo Weihai's calm face disappeared.

is extremely ferocious and horrified.

They have never seen their father so gaffe!

Can Mo Weihai not lose his temper!

Only a few people know the ancient things about the blood spirit race!

Everyone is a powerful person in a big family and top sect.

The entire Mo family, only he is qualified to control!

But now, the young man in front of him actually speaks completely!

This is not a joke!

He can feel the affirmation in Ye Chen's tone!

The power of one person shakes the blood spirit race?

He can't believe it, but he can't deny it!

suppressed the stormy waves in his heart, Mo Weihai grabbed his five fingers, and the door opened!

"Except for Ye Chen, everyone left the hall! Everyone!"

The few people were startled, but they retreated.

They don't understand why the Patriarch's tone is so eager.

"Father, shall we leave too?" Mo Ru Feng said.

Mo Weihai nodded: "Take Xiao Ning out, no one can come in without my order! Offenders, kill!"

Mo Rufeng wanted to say something, but seeing Mo Weihai's extremely serious eyes, he still took Mourning out.

He was sure in his heart that Ye Chen must know something!

The so-called one and a half years, he heard his father mention it many times, but he didn't know the real meaning behind it!

No matter what, he will find out.

Soon, only Ye Chen and Mo Weihai remained in the palace.

Ye Chen found a place to sit down and poured a cup of tea on his own.

Mo Weihai came down from above, came to Ye Chen, and said coldly: "What else do you know?"

Ye Chen ignored it, and for ten seconds, he replied: "Mourning, this clone, failed, right? Is it still impossible to communicate with the ancestor of your Mo family?"

Mo Weihai's expression changed, and then he believed Ye Chen's words, and said excitedly: "Who are you, and why do you know so clearly about the Mo family!"

Ye Chen put down the tea cup and said calmly: "It doesn't matter who I am. As long as you take me to Han's house, I can help you solve some difficulties."

"Also, there is no need to hide something from you. This time I came to the Mo family, and it was also entrusted by your ancestors of the Mo family, otherwise I would not know so many secrets, right?"

Mo Weihai's eyes are bloodshot, his strength is in the emperor's realm! But facing Ye Chen at this moment, he couldn't grasp the direction at all, everything was controlled by this young man!

Did the ancestors of the Mo family really find Ye Chen?

But this son is not in the Holy King Realm, even if he is still refining his body, he is not qualified to resist the blood spirit race.

Seeing Mo Weihai's hesitation, Ye Chen smiled coldly, and flung out a piece of jade pendant.

The word Mo is engraved on the jade pendant.

This was made by Mo Ning'er in the reincarnation cemetery. Mo Ning'er told Ye Chen that as long as the jade pendant was shown to Mo Weihai, he would understand everything.

As expected! Mo Weihai saw the jade pendant that Ye Chen threw, with a frightened expression, staring at Ye Chen fiercely! New 81 Chinese network update the fastest computer terminal: <https://>;

A few seconds later, he said directly: "Mr. Ye, I was disrespectful just now, please forgive me!"

This jade pendant is the jade of the ancestors!

Holding this jade is to see the ancestors!

How can he dare to show any neglect to Ye Chen!

"I don't want to talk nonsense with you, Han Yun, I must see you as soon as possible! Do you have a way?" Ye Chen said.

Mo Weihai hesitated for a few seconds, then nodded: "Mr. Ye, it is not difficult to go to Han's house, but there is only one way to see Han Yun! Blood Spirit Secret Realm!"

Ye Chen shrank when hearing the next four words: "Is this blood spirit secret realm related to the blood spirit race? Isn't it in Kunlun Xu?"

Mo Weihai shook his head and explained: "Mr. Ye has misunderstood. This secret realm was formed by the joint construction of hundreds of Kunlun imaginary powers thousands of years ago. In these thousand years, almost all Kunlun imaginary powers have been dedicated to the promise of a hundred years. Prepare, and in this secret realm... there are strong men of the blood spirit race!"

what!

Ye Chen stood up directly: "Are you sure?"

Mo Weihai nodded: "Blood Spirit Race is from a higher plane of existence. Their strength is extremely strong. When the Blood Spirit Race elder came to Kunlun Xu, although it made Kunlun a sea of blood, it is the top powerhouse of Kunlun Xu. , Also secretly won six people."

"These six people are locked in the blood spirit secret realm that is powerful in Kunlun Void, but their cultivation base is suppressed, and the strength they can display is not as strong as in the ancient times!"

"This secret realm was originally intended to trap these people, but with the passage of time, for some reason, it turned into a place of great opportunity!"

"The spirit inside is very good, the fierce beasts are vertical and horizontal, and the injuries of the six people are gradually recovered. Although they are suppressed by the formation, they are also the overlord inside. It is estimated that these two people have changed everything in the secret realm!"

"Up to now, the Blood Spirit Secret Realm has long lost its previous meaning and turned into a fierce place! It is extremely suitable for the strong to experience, and even some might think that everything inside is actually similar to the place where the Blood Spirit Race is located!"

"Any cultivator who steps into UU reading www.uukanshu.com as long as he comes out alive, he will get the best chance, and he may even see the six blood spirit people."

"The most important thing is that this time, Han Yun may also enter. I don't know the specific reasons. The day after tomorrow, the Han family will hold a meeting to select some talented and peerless geniuses to enter. The minimum requirement is The eighth floor of the Void King Realm! My Mo family is also on the list of invitations, and I plan to let Feng'er enter it!"

"This is the only chance to see Han Yun. It's just that Mr. Ye's realm is too far away from the Han family's request to enter the secret realm, and he may not be eligible..."

Ye Chen fell into deep thought, and soon raised his head and said: "It's okay, you can take me with you when the Mo family comes, I will naturally have a way if I can go in."

Mo Weihai could only nod his head when he heard these words: "That's all there is to it, but Mr. Ye can rest assured that this time, even if I have tried my best, Mo Weihai will try my best to get you a place!"

.....

After talking about everything, it was getting late, and Mo Weihai arranged for Ye Chen to stay at Mo's house.

Mourning had too many doubts in his heart, and wanted to ask Ye Chen, but Ye Chen's door was closed tightly.

don't plan to meet people.

Father even ordered that no one should disturb Ye Chen's cultivation.

Chapter 1055: Crazy Ye Xitian

In the reincarnation cemetery.

Ye Chen ran the nine-day Xuanyang Jue, and the aura on his body continued to explode, faintly showing a breakthrough.

The meaning of this breakthrough turned out to be two levels, cultivation base and body refining!

But Ye Chen was not in a hurry to break through, and opened his eyes to look at the girl in red in front of him, and said, "Mo Ning'er, why did the Blood Spirit Race take you away?"

Mo Ning'er shook his head: "The owner of the tomb, there are some things that we can't talk about. You have also seen that Senior Lin wanted to reveal something, but was punished by the reincarnation cemetery. The existence of the reincarnation cemetery restricts the spirit of those of us. , It also limits some things we know."

"But the tomb owner can rest assured, if you enter the Kunlun Xu blood spirit secret realm, everything will come to light."

"Also, since the reincarnation cemetery has chosen the owner of the tomb, he will not do anything to hurt you. He must have a reason!"

Ye Chen nodded, and then looked at the tombstone of Seven Nights of Blood, the brilliance of the tombstone flickered, and a ghost seemed to be looming.

Ye Chen could feel it. He had a pair of eyes staring at him.

I'm afraid it depends on whether he is qualified to be called the apprentice of Blood Seven Nights.

At the same time, Ye Chen felt that the power of the Demon Orb in the eyebrows became stronger and stronger in the past few days, and even felt a tingling sensation.

It is as if something bad is about to happen.

Two days are fleeting.

Early in the morning, the door of the room was knocked, and Ye Chen opened his eyes from practicing.

The door opened and it was Mourning.

"Ye Chen, get ready, you can go on the road, you have been practicing in retreat these days, and you haven't seen where your cultivation base grows."

Mourning has no good air.

Ye Chen ignored it and walked directly outside.

Not long after, Ye Chen saw Mo Weihai. This time, the Mo family brought about twenty strong men.

Twenty strong men are all above the Daoyuan Realm.

At least it feels extremely dangerous.

"Mr. Ye, this time I'm going to the Han's house. It's not just our family. When we get there, we also hope to converge a bit, otherwise it will be very troublesome."

Mo Weihai reminded that although he didn't get rid of Ye Chen too much, he also understood Ye Chen's character.

is totally unafraid of everything, this kind of character, the sky is the life of trouble.

He doesn't know if his reminder is useful, anyway, put the words here.

Ye Chen nodded: "That's natural. I am a person who is naturally quiet and doesn't like to cause trouble."

Ye Lingtian: "..."

Old Tian: "....."

Mourning: "....."

Suddenly, Ye Chen thought of something. Since this blood spirit secret realm involves many forces, will Ji Siqing's sect also participate?

After all, Ji Siqing's talent should also be selected.

"Senior Mo, can Tianlan Sect participate?" Ye Chen said.

Mo Weihai replied: "That's natural. Tianlan Sect is one of the ten largest sects in Kunlun. Although it has fallen a lot in the past few years, it has fallen to the end, but the background should not be underestimated. Moreover, Tianlan Sect still There is a genius girl, Ji Siqing. If I guessed correctly, Ji

Siqing should be one of the powerful emperors cultivated by the Tianlan Sect! What a pity. But this time of disaster, how many people will Kunlun Xu be sorry for?"

Hearing these words, Ye Chen's eyes suddenly glowed with cold.

Ji Siqing should be sent into the hands of the blood spirit race?

In the end, Ji Siqing has become the prey given to others by the Sky Lanzong?

If this is the case, Ye Chen will never allow it!

As if perceiving Ye Chen's anger, Mo Weihai continued: "In fact, before that day, everyone is not sure what will happen in the end. Don't think too much about Mr. Ye. Well, it's time to hurry. Linhai City is not far from the Han family. It's about a few hours away. Mr. Ye just needs to rest in the car."

A team of dozens of people headed south instantly.

At the same time.

Kunlun virtual pole south land.

A huge stone monument one hundred meters high!

The stone monument is like a tall building in China.

is airtight.

has countless gilded names on it!

On the top of is engraved with a few large characters with flashing light-Sky List!

Kunlun Xu is among the thousands!

This ranking is more accurate than any ranking in Kunlun!

These thousand people are enough to change the entire Kunlun virtual pattern!

At this time, there were many people around the huge stone monument, one by one paying attention to the changes on it.

"It's been half a month, the sky list hasn't changed much, what the **** is this?"

"I also wonder. It is said that the Sky Ranking is set by a person with magical skills. He covers the entire Kunlun Void with a formation method. He can survey everything. As for the ranking, it is also extremely strange. There are some things that even if you beat others, the ranking is not necessarily Will change, it seems to be measured by real strength."

"Forget it, it's nothing good. The master urged me. Today is the meeting of the Han family. I am famous on the sky list. I don't know if I have a chance to enter it."

"Just your 980, do you still want to participate? If you really want to count the strength, Xiang Yingjie of the Punishment Bureau may still have some qualifications. "

Several people talked.

In a pavilion behind the stele, there are two old people sitting.

One man and one woman.

The two old men leaned on the rocking chairs, their eyes also paying attention to the changes in the sky list.

One of them is the old man in the Land of Fortune!

"Hey, this sky list has been dominated by those people, and I don't know how many talented people have not shown up. It's a pity, by the way, I heard that the best place in your Fortune Land was selected a few days ago?" The old man said.

The old man in the land of Fukuzawa nodded: "I have not met an interesting young man, but I always feel that this kid will meet me again."

The old man cast a blank look at the speaker: "There are really few who can be said to be interesting by you. I would like to see you another day."

The old man in the land of Fuze just wanted to say something, the whole sky list was shaking!

The onlookers exclaimed: "The sky list has changed! Look!"

I saw the names at the end of the sky list disappear!

"I rely on Xiang Yingjie also disappeared! Could it be that Xiang Ying is outstanding! How could it be possible!"

someone exclaimed again.

At the same time, countless eyes noticed something strange!

Because, two names are actually on the rise!

The speed is getting faster and faster!

Ye Chen! Ye Jitian!

Soon Ye Chen's name has landed firmly on the 912th place on the Sky Ranking!

replaced Xiang Yingjie!

The coolness behind the crowd, obviously! Xiang Yingjie is dead, just because of this person named Ye Chen!

However, the crowd's attention to Ye Chen quickly disappeared.

but staring at a name that is still rising!

Ye Suten!

The name is too dazzling!

has gone from last to 900th in the blink of an eye!

even keeps going up!

crazy!

completely crazy!

Chapter 1056: problem occurs

Ten seconds.

Ye Suten's name has crossed the 800th place again!

still does not stop!

This is something that has never appeared in the sky list.

The cultivators around, all of them looked terrified to the extreme.

Everyone's eyes widened, like sculptures!

"What the **** is going on, who is Ye Xitian? Why is it so fierce!"

A young man wearing a robe and holding a folding fan spoke, and the folding fan in his hand fell to the ground because of surprise.

"Could it be that Ye Jitian killed a strong man?"

"No, how do I feel that this name is a bit familiar, as if I have heard it somewhere, let me think..."

"It seems that Kunlun Xuzhong newspaper has seen it."

Someone took out a thick stack of newspapers on the spot and turned them over one by one.

At this moment, a long-haired young man walked over, staring at Ye Sutian's name, and said: "No need to look for it, Ye Sutian is the recently rumbling mysterious powerhouse. I don't know, I don't know my strength. The only thing I know is that this person controls the gods, dragons, and powerful flames." ア新ヤ~⑧~1~中文网ωωω.χ~8.~1zщ.còm

"Every time Ye Xitian appeared, at least one sect was destroyed. It is said that the blood alliance and many forces died in the hands of this person."

"Also, in the past few days, you have heard that a Thousand Jue Profound Girl came to Kunlun Void, and the supreme pressure warned Dao Sect that no one was allowed to move Ye Sutian again, and even accepted Ye Sutian as a disciple! "

"The shelter of the Thousand Jue Xuan Girl alone has made countless sects frightened. You may not know which of the top ten Kunlun sects are, but you must not know the three words Ye Suotian."

The long-haired young man's explanation instantly awakened everyone's memory.

"The Ye Jitian sheltered by the Qian Jue Xuan Girl?"

"Isn't Ye Jitian disappeared, and actually reappeared? And this time it is directed against the sky list?"

"The key is how can he span so many nouns at once? It's already 750! Fuck! What the **** is this evildoer!" New 81 Chinese network update the fastest mobile terminal: <https://>

Everyone was terrified, and they stared at the golden text.

Fortunately, the text gradually stopped.

finally stabilized at the 727 position.

This number looks unusual, but you must know that this sky list covers those ancient monsters!

There are few who can enter the top 800 in their twenties!

The key has never been that no one can jump to more than seven hundred at once!

is just hell.

Under the stone stele of Cangqiangbang, all of them looked extremely horrified, looking up at the stele, their eyes were full of fear.

But Ye Chen's name entered 912, but it seemed a little dim.

If the people present know that Ye Jitian and Ye Chen are the same person, I am afraid their expressions will be richer.

Pavilion.

The two old men have stood up.

Brows frowned.

"What is the path of Ye Jitian, and which sect does it come from?" An old man asked curiously.

The old man in the Land of Fortune shook his head: "I have heard about Ye Sitian several times. It is extremely mysterious. According to legend, it seems to be from China. As for the specific things, I don't know."

"Forget it, this Ye Qitian is against the sky, and it can't destroy the whole situation. It is one and a half years away from the centennial agreement. This time I don't know who can carry the big beam, or just accept it again, hey, it should be the last It's right, those emperor realm powerhouses in Kunlun Xu or those at the helm of the sect have no blood of the past, only fear of the unknown. They will forever forget how powerful Kunlun Xu's powers were in the ancient times ..."

Another old man heard this, his eyes were full of loneliness. He stretched out his hand and patted the old man in the land of Fuze, and said, "Forget it, some things are beyond our control. Didn't the Han family organize a meeting today? I don't know which young talents entered the blood spirit this time. The secret realm, the blood spirit secret realm is getting stronger year by year. Eighty people died last time. I am afraid that the number will be over 100 this time, but if it is not strong inside, the final result will still be the same."

The two old men finished speaking, shook their heads, returned to the chair, closed their eyes, as if they didn't care about anything anymore.

"It's old, we won't mix up..."

.....

At the same time, the Mo family's team is still half an hour away from the Han family.

The car is extremely quiet.

Ye Chen closed his eyes and kept running the Nine Heavens Profound Yang Art. He discovered that this technique actually had a miraculous effect on body refining.

Body refining and cultivation are not connected, but Nine Heavens Xuanyang Jue is very tolerant.

At this moment, the team stopped.

Ye Chen opened his eyes, glanced at Ye Lingtian outside, and asked, "What happened?"

Ye Lingtian's expression was weird: "Hall Master, it's okay, just a few corpses were found in front, nothing is wrong."

"Oh."

Ye Chen nodded and ignored it.

Probably the Mo family's master cleared the dead body, and the team continued to move forward.

But when the team passed the removed corpses, Ye Chen felt something, and his eyes shot in one direction through the curtain!

In 's sight, there was a **** corpse.

And in the pocket of the body, something wrapped in a plastic bag was exposed.

Single angle.

has exquisite animation patterns on it.

even wrote that Huaxia Tianhe High-tech Food Processing Factory!

It is not surprising that there is something about China in Kunlun.

But this thing can only be a possibility!

Ji Lin!

Because these snacks are one of the snacks he gave to Ji Lin!

No longer hesitate, Ye Chen opened the curtain with one hand and turned away into an afterimage.

What the Mo family felt, and even stopped.

Mo Weihai looked at Ye Chen's figure, somewhat curious, made a stop gesture, and then rode his mount towards Ye Chen.

"Mr. Ye What's wrong? Do you know these dead?"

"I think the injuries on their bodies should be fatal with one sword. Although the methods are not cruel, they are crushed."

Ye Chen did not speak, and took out the bag of candies from one of them.

Finger pinch, a crimson light surrounds the palm of the hand, and gradually envelops the candy.

But Ye Chen's eyes showed several pictures intermittently.

Because of his limited strength, he can see some pictures that belong to Ji Lin, but he can't see the strong man who does it.

It should be those strong men far surpassing his strength.

His eyes became extremely heavy.

From the picture, Ji Lin should have had an accident. As for whether he is still alive, that is an unknown number.

His magic techniques are not even sure, what is the origin of the group of people who did it!

"Damn it!"

Ye Chen hit the ground with a punch, and a deep pit appeared in an instant.

Both Ji Lin and Ji Siqing are kind to him, it is impossible for him to die.

There are a few doubts in his mind at this moment.

Ji Lin should be with the Tianlanzong people, why is there a single person in the screen?

Chapter 1057: whereabouts!

Even if there are special circumstances, Ji Siqing should follow suit.

Also, since passing here, I must go to Han's house.

There are so many strong people, why Ji Lin feels hurt from the beginning.

Mo Weihai felt the anger in Ye Chen's heart, and curiously asked: "Mr. Ye, what happened? Maybe I can help you relieve it a bit."

Ye Chen looked at Mo Weihai and stood up: "If I guessed correctly, my friend was probably taken away. I want to determine her whereabouts. Can you do anything?"

Mo Weihai was startled, but he shook his head hesitantly: "Mr. Ye, there are many ways to find people, but this place has been closed and restricted by the power of a certain kind of power. General skills want to know what is happening here. It's hard."

"But since you haven't found your friend around, then your friend must be in front. There is only one road here, which leads to the Han family. The people who did it are most likely some of the forces and sects participating in this meeting!"

Although Mo Weihai was curious about Ye Chen's friend, he would naturally help if he could help.

It's a pity that this place is not Linhai City, but the boundary of the Han family.

If he is really helpless, he can only lower his status and ask the Han family for help.

Ye Chen stood up, his eyes narrowed slightly, and he could vaguely feel something that was hidden through the spells just now.

That is a black wooden order.

should belong to the group who took Ji Lin away.

As for why these people took Ji Lin away, he doesn't know.

"Let's go, go to Han's house."

The search at the moment is obviously unrealistic. This place is forbidden, and Ji Lin cannot be traced to the general spells. The only way to find Ji Lin is with the help of the Mo family.

I just don't know if Ji Siqing knew about this.

Does this girl worry about her sister being alone?

The team moved forward again, this time, Ye Chen did not close his eyes to practice, but stared at everything outside the window.

He found that there were not a few people who went to the Han's house this time. Along the way, he met at least thirty or forty waves of teams.

The lowest in the team is just the Void King Realm. As for the Saint King Realm, there is none.

Even in each team, there are several existences with extremely terrifying auras, and they must have a pivotal position in Kunlun Xu.

After half an hour, everyone finally arrived at the land of the Han family, Hancheng!

covers an area of a thousand acres, extremely vast! The buildings are lined with grandeur.

.....

At the same time, an inn in the land of the Han family.

In the suite.

Ji Siqing paced back and forth, his face was full of sadness, and in front of her was the elder Ke of Tianlanzong.

"Elder Ke, you used the power of the sect to search for Ji Lin last time, how come you haven't fallen there yet?"

Ji Siqing still asked.

Her sister has been missing for a long time.

I do not know whereabouts, as if the world has evaporated.

She knows her sister, it is impossible to leave without saying goodbye, but since practicing in retreat, she has not received any news.

This time she came to the land of the Han family. She didn't intend to come, but when Elder Ke told the Han family that there was a magic trick to find people in the whole Kunlun, she forcibly broke the barrier.

But along the way, her anxiety became stronger and stronger.

is a sister after all, and can clearly feel the danger of each other.

Ji Siqing is naturally talented and powerful, but facing everything in front of her, she is a little frightened.

"Elder Ke, we are going to the Han's house now, I must know the whereabouts of my sister!" Ji Siqing said firmly.

Elder Ke shrank, she naturally couldn't tell about the Tianlanzong chasing and killing Ji Lin.

Ji Lin heard what they shouldn't listen to, so they naturally had to attack Ji Lin for the benefit.

It's a pity, even if they use the power of the entire sect to find, they still haven't fallen.

In the eyes of the Sect Master, Ji Lin's strength can only be considered good in Kunlun, but he obviously has no right to protect himself against some strong people.

Elder Ke patted Ji Siqing on the back and comforted: "Siqing, the Han family meeting has not yet started, and none of them will see each other. As for Ji Lin, she is a very strange girl, and there will be no accidents. You still Calm down and practice. This time, the blood spirit secret realm must pass no matter what. The death rate of this secret realm is extremely high, so you should not underestimate it."

Ji Siqing is still thinking about practicing now, his beautiful face is full of sadness: "I see, Elder Ke, go out."

Elder Ke nodded, left directly, and came to another room.

There are six disciples of Tianlanzong's magic tricks in the room, using a certain kind of magic!

Elder Ke had cold eyes, and said: "How long has this been, that little girl hasn't fallen yet?"

One of the magical disciples opened his eyes and said: "Elder Ke, we perceive that Ji Lin seems to be nearby, but that perception is very weak, presumably Ji Lin is in a bit of life and death."

"what!"

Elder Ke's face changed drastically!

She thought that this girl was going to the Danxu Pagoda to look for Ye Chen, so she asked the disciples to wait there. After waiting for many days, there was no sign of Ji Lin near the Danxu Pagoda!

I thought that the troubles would be relieved, but I didn't expect this girl to come to the Han family!

Does this girl know that Ji Siqing is also here?

Elder Ke's face was a bit hideous, and he continued to speak: "Check again, you must confirm the whereabouts of this girl, no matter what, she must not be allowed to see Siqing, this is the command of the suzerain!"

"Yes!"

.....

Ye Chen, Mo family and others entered the land of the Han family.

Because of the relationship between the Mo family and the Han family, there is no need to settle in any hotel or inn like other people. The Han family directly arranged a courtyard for the Mo family to live temporarily.

The courtyard is quiet and even has a training room full of spiritual energy.

Mo Weihai could feel the worry in Ye Chen's eyes, and said: "Mr. Ye, let's do this, I may meet with the head of the Han family alone later, do you have the names and portraits of missing friends?"

Ye Chen nodded and took out a photo from the reincarnation cemetery.

The little girl in the photo is Ji Lin.

Ji Lin sat on the sofa, holding a pile of snacks, grinning uncontrollably.

The screen freezes.

This was taken in China's Jiangnan Province, when Ji Lin brought Yuling out to look for him.

Ji Lin played with Sun Yi's phone, and when he knew it had a camera function, he asked Sun Yi to take it.

Sun Yi was also very considerate, washed out all the photos, and asked Ye Chen to forward it to Ji Lin.

After returning to Kunlun Xu, because of too many things, Ye Chen left behind the photo. Now it seems that the photo is still useful.

"Senior Mo, this girl is called Ji Lin, she has worked hard." Ye Chen thanked.

Mo Weihai glanced at the photo, and when he found that it was such a small girl, he sighed helplessly: "Hey, such a young age...Mr. Ye, rest assured, I will do my best."

After finishing speaking, Mo Weihai hurriedly left.

Chapter 1058: You may be innocent

Obviously, he was running around for Ji Lin.

Ye Chen hadn't closed the door yet, but was pushed open again.

looked up and found the Mo family brothers and sisters.

"What are you doing?"

Ye Chen was curious.

Mo Rufeng just wanted to talk, but Mourning took a step and said seriously: "Ye Chen, I just want to know one thing, why did my father expel me that day and chat with you alone, do you know some of us? I don't know, what will happen after a year and a half?"

Mo Rufeng also said: "Ye Chen, if you tell this matter, I promise that from now on, anyone who dares to move you will step on me like the wind! Is it related to the things of ancient times? ?"

This is the biggest guess of the Mo family brothers and sisters.

Ye Chen looked at the two of them, but did not say it for the first time. Mo Weihai's concealment naturally had his reason. If some things are said in advance, it will inevitably cause unnecessary panic and even have a great impact on Dao Xin. , Is not a good thing for the two.

So, Ye Chen shook his head and explained: "In fact, there was nothing wrong that day, just closed the door with your father and chatted with you on a few daily routines. You can do whatever you want."

"You!" Mo Rufeng was very angry. "Our brothers and sisters are here to ask you to save you face. If you keep silent, anyway, now my father won't come over for a while, I promise you to kneel down and beg for mercy! Once, that trick was useless!"

Mo Rufeng has a strong self-confidence. The last finger made him discover that good fortune and body refining solve the biggest problem, but after a few days of changes, this problem has long been resolved.

Now in a battle, Ye Chen is absolutely impossible to shake his strength!

Ye Chen ignored it, just about to close the door, but he heard a lazy voice in his ear.

"The person you are looking for, I might be able to help you."

Ye Chen was startled, this familiar voice was Xiao Huang!

He glanced at the reincarnation cemetery and found that Xiao Huang had completely awakened.

was staring at a tombstone interestingly.

"Ye Chen, what are you..."

Mo Rufeng wanted to continue to threaten, but Ye Chen completely ignored it and rushed out.

This matter is dead, Ji Lin may be nearby!

No matter what, he must find Ji Lin as quickly as possible!

Mo Rufeng frowned, but he didn't continue to chase it out. Although he wanted to know what was going on behind him, judging from the murderous intent that erupted from Ye Chen's eyes just now, something definitely happened.

Leaving the courtyard, a little yellow appeared on Ye Chen's shoulder.

Little Huang lay lazily on Ye Chen's shoulder, yawning.

"You said you know where Ji Lin's whereabouts is! Tell me quickly!" Ye Chen's tone was a little urgent.

Xiao Huang jumped off Ye Chen's shoulder, and the red pupil spun up, becoming more and more charming and weird.

A few seconds later, the red pupil stopped choosing, and his body rushed out in one direction!

"follow me!"

.....

Ten minutes later, Xiao Huang's footsteps stopped, and he even lay down on the ground, stretching his waist, as if preparing to continue sleeping.

Ye Chen glanced at the building in front of him, which was similar to the courtyard house where the Mo family lived. New 81 Chinese website update the fastest mobile terminal: <https://>

is surrounded by a bamboo forest, lush and green.

"Is it here that Ji Lin is here?"

Ye Chen glanced at Xiao Huang and hugged Xiao Huang. Seeing that the other party didn't answer his own meaning, he could only shook his head and walked towards the door.

Two young men in brocade were standing outside the gate.

In the early stage of the Void King Realm, it didn't take long for one of them to enter the Void King Realm.

For Ye Chen, there is no threat.

The two people looked around, their eyes extremely serious.

The cold killing intent envelops the whole body, I am afraid that there are many people's blood on his hands.

The two naturally noticed Ye Chen, and the spear in their hands hit the ground fiercely, causing the ground to crack.

threatened even more: "No one is allowed to step into the land of Ziweizong! Offenders, cut!"

Zi Wei Zong?

Ye Chen frowned and seemed to have heard it, but he was not impressed. He stared inside, trying to make sure whether Ji Lin was inside.

After all, after Xiao Huang stopped, he didn't make a statement.

He quickly took out a photo and said to the two of them: "Two, have you seen this girl? He is my friend."

The two glanced at the photo, and their eyes shrank together, as if filled with surprise and surprise, but the feeling was fleeting.

One of them said impatiently: "Kid go away! I don't want to say it a second time! You should know the meaning of these three words, Zi Wei Zong! If you don't go, don't blame us for being rude!"

Ye Chen's whole body became gloomy, Xiao Huang didn't make a mistake.

Judging from the expressions of these two people, they definitely know the whereabouts of Ji Lin.

He stopped hesitating and stepped directly into it!

The two of them never thought Ye Chen dared to rush, and the spear in his hand shot directly and hit Ye Chen fiercely.

Ye Chen didn't mean to block, let the spear touch it!

"Ding!"

A weird thing happened The spear pierced Ye Chen's back, as if blocked by a piece of steel!

can't go deep!

can't even tear the clothes!

"how is this possible!"

Just when the two were horrified, the Jiuyou Skykiller suddenly appeared in Ye Chen's hand, and his right hand swept back.

A powerful spear intent shook away, accompanied by the violent thunder.

The two of them haven't fully reacted yet, but they feel that their bodies have cracked open.

The blood is constantly oozing out.

Their pupils are dilated, and they never thought that someone would dare to come here to kill!

This is Zi Wei Zong!

Look at the entire Kunlun Xu, although it is not one of the top ten sects! But in terms of strength, you can also enter the top 15 of Kunlun Xu!

But this kid is like a lunatic!

"You may be innocent, but Ji Lin is even more innocent."

Ye Chen's indifferent voice fell, and regardless of the fallen body, he went straight into it.

Many Ziweizong disciples were cultivating inside. Although Ye Chen was surprised to see Ye Chen, he didn't say much.

After all, before the start of the Han family meeting, many sects would walk around each other.

Chapter 1059: Break the sky!

Ye Chen swept around and didn't see Ji Lin's figure. He frowned, trying to spread his spiritual knowledge to search the entire yard, but found it was futile.

There are also powerful restrictions in this courtyard. It is simply not feasible to use spiritual sense to find people.

Ye Chen stood in the middle of the courtyard like this, and various messages kept coming from his ears.

Suddenly, vaguely, Ye Chen heard the child's cry.

is the second room to the southeast!

Ye Chen no longer hesitated, his body seemed to turn into a violent wind, and he rushed in directly!

A disciple of Ziweizong noticed Ye Chen, and rushed up quickly: "This brother, who are you looking for? That place is our forbidden area for Ziweizong..."

Before he finished speaking, the meaning of blood dragon on Ye Chen rushed out!

Those Ziweizong disciples who wanted to stop Ye Chen flew out!

"Go away!"

The sound of cold scolding burst out!

Then Ye Chen came to the closed door, and the Jiuyou Heavenly Killing Spear appeared directly and shot out.

The formation of the gate was ruthlessly shattered on the spot!

Sawdust flying!

everything inside is clear.

When he saw the picture inside, the anger in Ye Chen's heart was completely ignited!

There are hundreds of iron cages inside!

The iron cage is not big, and each path is suppressed by runes.

But there are small bodies curled up in the iron cage!

are all kids!

a living child!

草!

Ye Chen has only heard that China will have these abducted and sold beasts, but he did not expect that in Kunlun Xu, this place of cultivation where there are many strong people, there will be such a existence!

Some of these children are even skinny and skinny!

Shocking!

Ye Chen didn't know what the so-called Zi Wei Zong would do with these children!

He didn't want to know either! not give a **** about!

His eyes searched for Ji Lin's voice for the first time, and finally, in the deepest red cage, he found Ji Lin!

At this moment, Ji Lin is not as active as before. His body is bent, his lips are dry, his eye sockets are deeply sunken, and he is a lot haggard.

Perhaps because of the light, Ji Lin opened his faint eyes and looked at the source of the light.

A young figure just appeared.

When seeing this young man clearly, the haggard body of Ji Lin trembled, and he couldn't help the depression of these days, and started crying!

For so many years, she has never cried!

But now I really can't help it!

All the emotional catharsis broke out!

"Ye Chen!"

Hearing this shout, Ye Chen suppressed the anger in his heart and rushed directly in. Jiuyou Heavenly Killing Spear broke open the cage directly, and Ji Lin struggling to support himself and rushed up!

"Ye Chen, why are you here now! I am not dreaming!"

"I blame you, if I didn't come to you in good faith, I wouldn't be so!"

"You...you must add a lot of snacks to me! Lots, lots!"

Ji Lin hugged Ye Chen's neck with both hands, buried her chin on her shoulders, and didn't let go. She seemed to have closed the door for a while.

She never thought Ye Chen was so handsome!

Ye Chen patted Ji Lin on the back, took out a pill from the reincarnation cemetery, and handed it to Ji Lin: "Take it, this pill is good for you."

Ji Lin nodded, when the pill was taken, Ji Lin suddenly noticed something, and quickly said: "Ye Chen, be careful!"

A cold light came through the air, Ye Chen snorted coldly, stretched out his hand, and held a long sword with his five fingers.

"Crack!" With a sound, the long sword shattered directly.

"Bold, this place is the important place of Ziwei Zong, no one can break in! Seek death!" New Bayi Chinese website first published <https://https://>;

More than a dozen disciples who were cultivating were approaching Ye Chen.

After all, this room is the secret of Zi Wei Zong!

did not expect to be broken open by a young man who did not know the origin.

In this case, this young man can't stay!

Zi Wei Zong's techniques have always been special, requiring great cultivation, or if you want to go further, you need pure Qi.

And this so-called pure air is only found in children!

"Ye Chen, these guys are hateful, but... they are amazing... are you alone?"

Ji Lin said nervously.

She worried about Ye Chen.

Ye Chen's level of strength is certainly good, and the battle of geniuses at the Kunlun Xuzong Sect is also extremely stunning, but no matter what, he is just a person!

Even the Tianlan Sect may not be able to eat the Ziwei Sect!

I can imagine how terrifying the forces Ye Chen is facing now.

Ye Chen glanced at the many Ziweizong disciples outside, almost all of them were above the Void King Realm.

There is even one who is Dao Yuan Jing.

As for other threats, there seems to be no. New 81 Chinese website update the fastest mobile terminal: <https://>

Presumably the important figures or elders of Ziweizong have gone to see the Han family like Mo Weihai.

But he wants to kill Ji Lin with him, it is very difficult.

Suddenly, Ye Chen thought of something and directly took out Xiao Huang from the reincarnation cemetery.

Xiao Huang still seems to be asleep at the moment.

"I know you are pretending to be asleep, leading some way, what physical effort is it taking you?"

Ye Chen said.

Xiao Huang opened his eyes, stretched his waist, just about to say something, but Ji Lin's eyes lit up.

"Wow cute little cat, Ye Chen, did you bring it from China? How about dressing it up?"

Xiao Huang saw Ji Lin's hand stretched out, and a Ji Lin quickly jumped off Ye Chen's body, and thunder and lightning overflowed his body.

Ye Chen made a smile at the corner of his mouth, and threw out a few bottles of elixirs, and said to Ji Lin: "You let the others out. As for these guys, it's enough to give us two."

"Two?" Ji Lin was a little puzzled. She glanced around and found no one.

At this moment, Ji Lin thought of something. He stared at the little cat on the ground, and the corners of his mouth twitched: "Ye Chen, you are not talking about this guy, this little thing. Can't bear it..."

Before she finished speaking, she found Xiao Huang and Ye Chen rushing out!

The Jiuyou Skykiller in Ye Chen's hand exudes a cold glow!

In the face of these powerhouses in the Void King Realm, the Dragon Slashing Question Heaven Sword was obviously unable to kill accurately, only with the help of this magical spear!

"Breaking the sky!"

With a roar, Ye Chen's Jiuyou Sky-killing Spear faced the sword intent from Zi Weizong, without any plan to retreat.

The sky was full of darkness, and even wrapped everyone in it!

Chapter 1060: Hit the Han family in the face!

The intent of the gun was completely bloomed, as if it had fallen from the sky into several black dragons!

The roaring sound continued, and the sword intent of those Ziweizong disciples was directly ruthlessly shattered!

"The Demon Race, it turned out to be the Demon Race!"

The Dao Source Realm expert noticed something and exclaimed! But soon, he felt a petite voice rushing toward this side quickly!

is Xiao Huang!

"Little beast, go away!"

The Dao Origin Realm powerhouse snorted coldly, and cut it down with a sword!

I thought that with this sword, the lifeless beast would turn into a cloud of blood.

But soon, he realized that something was wrong.

The violent sword intent fell on the cat, without a trace of reaction!

It's like...being absorbed!

"What the **** is this...?"

Before he could react, Xiao Huang leaped away, his whole body spanning a full five or six meters!

The pink hand showed a sharp long knife, and he took it directly!

There is a red thunder and lightning surrounding it! New 81 Chinese network update the fastest computer terminal: <https://>;

is too weird!

The Dao Origin Realm powerhouse never thought that this cat could actually **** practice!

Spirit beast? Fierce beast?

Before he could react, Xiao Huang's sharp claws slapped on the long sword he was blocking.

"Ding!"

The long sword shattered directly!

Ruthlessly shattered!

The terrifying force vibrated, as if it turned into a substantive air wave that penetrated the whole body of the Daoyuan Realm powerhouse.

The pain has not stopped!

Because Xiao Huang's paws didn't stop anymore!

Not to mention ordinary spirit swords, even those with extremely high ranks would be ruthlessly torn apart along with the divine thunder.

The cold claws pierced the arm of the Daoyuan Realm powerhouse like a steel knife.

The latter wanted to condense the true energy to block it, but when she saw Xiao Huang's red pupils, she realized that the true energy of Dantian could not be used!

is like being restricted!

What the **** is this monster!

He panicked, he opened his mouth to say something, only to find that the rapid cold light cut through his arm and even penetrated his chest.

How overbearing? How powerful?

He kept spitting out blood, his frightened eyes gradually dimmed.

fell to the ground even more.

In the dark fog, someone naturally found that the Daoyuan Realm powerhouse was dead!

Suddenly there is no leader!

"Brother Liu is dead! Brother Liu was actually killed by the brute!"

There are terrifying sounds everywhere!

seems like a group of dragons without a leader.

In the dark mist, Ye Chen also killed several Ziweizong disciples. He glanced at Xiao Huang and said coldly: "Don't leave one!"

Ye Chen has no mercy for such a cruel sect!

innocent?

How can these people be innocent!

If there was a bit of humanity, he would have left this sect a long time ago instead of blocking oneself here.

After a while, the blood gradually stained the ground and spread to the entire outer ground.

A yin wind blows, endless cold swallows everything, and the black mist dissipates.

In the end, only one young man remained.

There is also a fierce beast standing on the shoulders of young people.

The fierce beast's minions were dripping blood, red thunder and lightning overflowed from his body, and the blue and red pupils were emitting dim light.

Everyone is infiltrating.

Ji Lin released everyone, and everyone took the pill seriously.

is not a big problem.

But when she raised her head and saw the scene in front of her, her body trembled.

Because these disciples of Ziweizong were actually killed by Ye Chen?

She knows that Ye Chen's progress is very fast, but the current strength is several times more exaggerated than the previous genius!

Isn't this guy Fangen?

Why can progress so terrible!

Suddenly, she thought of something and hurriedly said to Ye Chen: "No! Ye Chen, let's leave here soon, the changes here will inevitably alarm those guys, otherwise we won't be able to leave by then!" ア新ヤ

Now, the most unfavorable thing for them is that the disciples of the Ziwei Sect are dead, because the suzerain and elders of the Ziwei Sect are bound to be angry! The anger of these big people is not something they can bear now!

Of course, the most beneficial thing is that this group of people has an accident! At least they left. Without witnesses, Zi Weizong would not be able to blame them!

Ye Chen glanced at the child behind him, nodded, and walked directly outside.

at the same time.

The hall of the Han family is extremely open.

A long wooden table surrounded by many old men.

The breath of every old man is extremely terrifying.

Even most of the people present here are powerful men in the Emperor Zun realm.

Of course, there are many peaks in the Dao Source Realm.

These people can be in the top two hundred in the ranking on the sky list!

Any one of these people can make the whole Kunlun quake with a stomping.

And a white-haired old man on the top of the long table, crouched back, holding a string of Buddhist beads in his hand.

The eyes are small.

does not seem threatening, but no one here dare to despise it!

Because this old man is Han Daoshan, the current owner of the Kunlun Xuhan family!

Among the many Kunlun Xu families, Han Daoshan is the only one who can talk and laugh with many families and sects.

does not even fear any family.

Only because Han Yun, the ancestor of his Han family, is still alive!

Even if you are crazy, no one can stop this ancient power!

Even once blocked, it is death!

"You all appreciate your face today, and it can be regarded as giving me Han's face. I know that there are many people in this room who were still in retreat yesterday. For this trivial matter, forcibly broke the customs, I, Han, today replaced wine with tea, thank you everyone!"

Drink a cup of tea directly.

Han Daoshan's words made everyone feel comfortable, and most people agreed.

"Patriarch Han is joking, this is a major event in Kunlun, we can't be greedy for life and fear of death, and let all the burdens be placed on the Han family..."

"The Han family is worthy of being one of the ancient families No matter what you talk and do, it is admirable."

Zi Weizong elder Fang Chengjin said with emotion.

Han Daoshan nodded, and said: "The reason why I invited everyone to gather here before the meeting is that besides the blood spirit secret realm, there is one more thing, according to legend..."

Han Daoshan hadn't finished speaking, but Fang Chengjin, the elder of Ziweizong who had just spoken, changed his expression and stood up.

look flustered! Gradually transformed into anger!

Han Daoshan noticed something, and curiously said: "Elder Fang, why is your face so ugly? What happened?"

Fang Chengjin didn't dare to lose control, clenched his fists, suppressing the anger in his heart, and a deep voice sounded: "I just sensed some special circumstances."

"The disciples who came to the Han family have all fallen!"

This sentence is like a blockbuster hit!

The whole hall was quiet for a few seconds!

You know, this is the land of the Han family.

Most of the sects and family lands present were all arranged by the Han family in various places.

But at this moment, all the disciples of Zi Wei Zong unexpectedly happened!
