Chapter 1061: You are the one who killed!

Isn't this hitting the Han family in the face!

The key is that no one will be so stupid to do it here!

Everyone looked at Han Daosheng, and sure enough, the latter's face was green! Cold!

is like the eve of a storm.

Mo Weihai, who was sitting near Han Daosheng, felt a little bit in his heart for some reason.

At this point, something happened to Zi Weizong.

This will not have anything to do with Mr. Ye.

He didn't know why he suddenly thought of Ye Chen, but after another thought, the disciples brought by Zi Weizong should not be weak. Although the elite disciples were arranged in the special training room in the mountain, they would not be wiped out.

Ye Chen didn't have this ability either.

Thinking this way, his heart feels better.

A few seconds later, Han Daoshan stood up and said, "Elder Fang, are you sure about this? For thousands of years, no one has dared to kill anyone in the land of my Han family, and the gathering here are all major sects and family members, no As for being so inadequate."

Fang Chengjin glanced at Han Daoshan, and said: "Patriarch Han, I am sure! I also hope that Patriarch Han can give me an explanation for the dead disciple of Ziweizong!"

Han Daoshan realized that the matter was serious, waved his sleeves, and went straight to the outside: "Since the matter is certain, then you all will come with me. I want to see, that thing that does not live or die, rushed to the Han family. It is even more so to kill so many genius disciples!"

Han Daoshan is very angry, very angry!

No matter who it is, he is not qualified to challenge the authority of his Han family here!

If this matter is not handled properly, how can his Han family gain a foothold among so many families!

Countless figures flew out.

Speed is nothing to these top powers!

Besides, this place is not far from where Zi Weizong rests. Ten seconds is enough to get there.

.....

Ten seconds later, a dozen elderly people all landed on the roof of the courtyard.

When seeing the corpses in the yard and the ground full of blood, everyone took a breath!

What a cruel heart!

Leave alone! Could it be a **** hatred!

Everyone was accustomed to seeing life and death, and they were also shocked.

Han Daoshan sniffed his nose, frowning: "What a powerful demon energy, could it be caused by the people of the demon clan? No, the demon clan has long since disappeared, and it is impossible to make a comeback."

Fang Chengjin did not pay attention to the corpses, but to the shattered gate.

His expression is extremely hideous, even a little frightened!

Because all the children who were dedicated to the cultivation of the Zi Wei Zong disciples have disappeared!

open the iron cages one by one!

If this matter is known to the Han family, I am afraid that the secret of Ziweizong will be known to the entire Kunlun Xu.

Mo Weihai followed Fang Chengjin's gaze to see the open iron cages, and curiously asked, "Elder Fang, what are those iron cages for?"

Fang Chengjin chuckled in his heart, and smiled: "Patriarch Mo, that thing is for some spirit beasts and fierce beasts. After all, Ziweizong needs to refine some things from spirit beasts."

Mo Weihai doubted, but he also nodded and didn't ask more.

Fang Chengjin didn't want to drag things down anymore, turned to face Han Daoshan, and kneeled down: "Patriarch Han, I always respect you, but today so many Ziwei sect disciples have fallen, I'm heartbroken. Chengjin is the sinner of Ziweizong!

also asked Patriarch Han to be fair for me! "

Now that Han Daoshan has been determined, he naturally has to set an example. He closed his eyes and pinched his fingers! Spell casting!

A second later, his eyes opened, and cold light shot in one direction: "A little beast is so arrogant to this point. Everyone comes with me! I will let this little beast feel what authority is today!"

More than a dozen figures disappeared instantly.

At this moment, Ye Chen and Ji Lin took a group of children to the north.

Ye Chen can completely abandon these children, but once they get down, I am afraid that these children will not survive.

The key, he is not sure, will there be such a trash sect of the Ziwei Sect along the way!

Because the children can't keep up, everyone's progress is extremely slow.

Suddenly, dark clouds spread in the sky!

Such a vision made Ye Chen's heart chuckle, but it's time to come!

"Little beast, murdering in my Han family, he still wants to leave!"

"boom!"

There was a loud noise, and a black light flickered!

Ye Chen pulled back Ji Lin who was walking in front!

Then, not far from Ji Lin, a huge stone monument fell forcibly, blocking everyone's path!

The children shrank towards Ye Chen in shock!

At the same time, more than a dozen figures slowly fell!

The cold and solemn atmosphere envelops the audience!

Xiao Huang also felt the crisis, grabbed Ye Chen's shoulder, and heard a low roar.

"Ye Chen..."

Ji Lin was a little scared, and tightly grasped the corner of Ye Chen's clothes.

"Don't be afraid, no one can touch you with me!"

Ye Chen stepped forward and stood in front of everyone.

Binghan's eyes shot at everyone, without fear!

Mo Weihai, who landed on the ground, saw Ye Chen clearly, although he had already guessed wrong in his heart, he was surprised.

He also found Ji Lin, the girl Ye Chen asked him to find.

Thinking about Ye Chen's slaughter blast, he understood everything.

I'm afraid that those forces who captured Ye Chen's friends are Ziweizong.

With Ye Chen's character, once discovered, killing those disciples is considered normal behavior!

But it is such a normal behavior, in the land of the Han family, it is undoubtedly a shock!

Now even if he wants to help Ye Chen, it's difficult!

Fang Chengjin saw Ye Chen and the children released, his eyes were ferocious and angry!

The breath on his body was released roared: "Little beast, why are you killing my disciple of Ziweizong! Why!"

Endless anger burning!

Ye Chen heard these words, his eyes condensed, and he shot at Fang Chengjin: "Are you also from Ziweizong?"

"Exactly!"

Ye Chen smiled coldly, without fear, and even more opened his mouth and said: "Sorry, I killed you from Ziwei Sect!"

As soon as these words came out, the dozens of top powerhouses were a little confused.

Ye Chen now is undoubtedly the most dangerous forbidden place. In the face of these powerhouses, he would either kill him without admitting it!

Either beg for mercy!

But this kid didn't even have any plans to admit his mistakes, instead he said so! New 81 Chinese website update the fastest mobile terminal: <https://>

No madman!

Fang Chengjin almost spit out a mouthful of old blood, and even sacrificed a long sword in his hand!

One sword went towards Ye Chen!

This is the powerhouse of the Dao Yuan Realm and even the Emperor Venerable Realm. A single move is to make the situation change! The earth trembles!

Fang Chengjin knew very well that Ye Chen must be killed before everyone asked!

If Ye Chen stabbed that incident, there would be endless troubles!

Chapter 1062: 1 mouth and 1 garbage

Ye Chen squinted slightly and naturally noticed Fang Chengjin's murderous intention.

Zi Wei Zong did such a tragic thing, if he did not arrive, these innocent lives would be swallowed by this group of demons!

Ye Chen prides himself on not being a saint, and what he cultivates is killing.

should not have sympathy, but Ji Lin is involved at this time, and even these innocent lives are involved.

The person who kills the Tao is a human after all!

Seeing that Fang Chengjin is about to do something on himself, Ye Chen is not afraid, even if the opponent is strong!

is not qualified to shake his determination!

Ye Chen didn't have time to sacrifice the Jiuyou Skykiller, so he could only one side of his body and forcibly avoided Fang Chengjin's sword.

The powerful sword aura moves through storms! It's palpitating!

Even if the sword was avoided by Ye Chen, Ye Chen's body was still flying out!

hit the ground heavily.

Fang Chengjin's strength is too strong!

Even if there is no emperor state! It is also the late stage of Daoyuan Realm!

Ye Chen can now barely fight against the powerhouses of the Void King Realm, and even with the help of his hole cards, he can still deal with some people in the early Daoyuan Realm.

But in the late Dao Yuan Realm, the gap was too big.

"boom!"

Ye Chen's body was shaken out!

He felt that his internal organs were shaken!

Very strong shock!

And the people around are watching them coldly.

Even if they know that Fang Chengjin is shameless in bullying a junior, Ye Chen is all wrong!

Ye Chen killed so many disciples of Zi Wei Zong, how Fang Chengjin could vent!

Mo Weihai wanted to rush out to help Ye Chen, he couldn't see Ye Chen being so bullied!

After all, Ye Chen and the ancestors of the Mo family have a lot of contact.

But he just took a step, but a pair of thin hands grabbed his shoulders.

Mo Weihai turned his head in surprise and found that it was the Han Daoshan of the Han family who had caught him!

Han Daoshan's eyes were a little displeased: "Old Mo, this is the grievance between Ziweizong and that kid. You are not good at being an outsider. I know you are kind, but since some people have done a lot of rebellious things, they should think about it. Facing the endless anger of the people of Ziweizong!"

Mo Weihai shook his head, naturally it was impossible to tell the story about Ye Chen and his ancestors, and said: "Old Han, this matter must be hidden! What's more, Fang Chengjin is dealing with a kid in the holy king state. What do those juniors think of us?"

"Bullying the small with the big? Even this will damage your Han family's reputation!"

Han Daoshan smiled and said, "Old Mo, you're getting more and more alive. That kid killed so many people in Ziweizong. Do you think he can get out of here alive? If he can't get out, who can reveal the news? ?"

Mo Weihai was startled, staring at Han Daoshan, earnestly: "What about those children? They are innocent."

Han Daoshan glanced at the group of children and Ji Lin, and said coldly: "Old Mo, what I said should be very clear, and no one can disclose it. If you blame this group of people, it's not good. The blood spirits descended, It's more than a year. During this time, no one's death is important. What really matters is the future of Kunlun Xu, understand?"

At this moment, Mo Weihai hesitated.

At this moment, he wants to save Ye Chen, so he will be bound by Han Daoshan.

The Han family has a good relationship with the Mo family, but Ye Chen has already angered Han Daoshan by killing so many people in the land of the Han family.

If the Han family knew that Ye Chen was brought in by him, the consequences would be extremely serious!

He didn't know whether he should save Ye Chen, the connection between Ye Chen and his ancestors was unbelievable.

The key appears to be such a person out of thin air, and he knows about the ancient Mo family, the identity is really hard to help but guess!

He even wondered, did Mourning and even himself enter a game set by this son, and their Mo family was reduced to a **** in the hands of this kid?

Watching Ye Chen face the uncrossable Fang Chengjin, he finally chose to remain neutral.

At least, not to help Ye Chen for the time being.

At this moment, in the battle circle, Fang Chengjin's aura was too strong.

Ye Chen barely got up, he wiped the blood from the corner of his mouth, his face was extremely hideous.

"Little beast, my Ziwei Zong has no grievances with you, why do you want to kill, you are so bold"

Fang Cheng Jin Hanmang burst out, his momentum soared!

Between heaven and earth, the violent wind surged, and the killing air seemed to completely freeze everything around.

The power of the strong is beyond doubt. ア新ヤ~(8)~1~中文网ωωω.χ~8.~1zщ.còm

He stared at Ye Chen fiercely, and shook the long sword in his hands, pointing straight at Ye Chen: "Little beast, kneel down on me! Then answer me honestly!"

Ye Chen sneered. Naturally, it was impossible to kneel. He glanced at Xiao Huang on his shoulder, but the latter didn't know if he had deliberately avoided it.

fell into a deep sleep.

Unreliable guy.

Facing Fang Chengjin, this was the strongest person Ye Chen faced except Mr. Jingshui.

The immediate crisis is enough to obliterate everything.

He must resist and even use the power of the reincarnation cemetery!

No longer hesitating, a spear appeared in Ye Chen's hand, it was the Jiuyou Sky-killing Spear.

The spear light is too cold, like the nine hells descending!

Ye Chen was not afraid, and the Jiuyou Heavenly Killing Spear pointed at Fang Chengjin: "You **** Ziwei Sect, what despicable things you have done, you know! The **** sect of Ziwei Sect should not exist in Kunlun. Xu! If I have the ability, I will definitely wipe out your Zi Wei Zong without leaving any energy!"

One bite of trash, the key point is Zi Weizong.

This immediately caused the top powerhouses present to take a breath.

In such a situation, and yet so incomprehensible, this kid is really looking for death.

Han Daoshan also shook his head helplessly, and said to Mo Weihai: "You have also seen that this kid is too hostile. This kind of person can't live long in Kunlun just don't kill now, in the future. Will die in the hands of others."

Mo Weihai didn't speak this time, just a long sigh.

When came out, he emphasized again and again, but Ye Chen still didn't listen to his words.

In that case, he will bear the consequences.

At this moment, Fang Chengjin's hair stood upright, he no longer hesitated, and shouted: "Little beast, how can Ziweizong be insulted by a junior like you! This time I see how you hide!"

The long sword came out, the cold wind danced, and the purple rays of light circulated above the sword, making the forest extremely cold.

Ye Chen felt an icy cold all over his body, as if to wrap him up.

The flames between his eyebrows burst out instantly, the unquenchable fire was released, and the feeling of coldness gradually disappeared.

Seeing the spear coming, Ye Chen could only use the three best spears, the first move!

"Break the sky, drive me!"

His arms were instantly surrounded by immortal fire, which spread to the spear.

The two groups of black mist and flame intertwined alternately, and then shot out.

Even Ye Chen's arm has the power of the blood dragon.

In the face of such a strong person, if he does not pay attention, he will definitely die!

Chapter 1063: Speak up!

Fang Chengjin looked a little weird when he saw a powerful shot of magic energy and flames entwined.

Because everything in front of you is not something a holy king realm kid can have!

If this kid's innocence is a bit stronger, it might really make him feel a little scared.

"Interesting, it seems that you can kill so many Ziweizong disciples of mine, it's not a coincidence. In that case, our Fang Chengjin killed your genius on the spot!"

Fang Chengjin splits down with a sword, like a sunset over a long river.

The momentum of the explosion at this moment is like a mountain to Ye Chen.

An uncrossable mountain!

Even Fang Chengjin's eyes were full of madness, which was a feeling of prey.

Killing, bloody.

For Chengjin, the result of this hunting game is clear!

Under the intense murderous intent, the Nine You Heavenly Killing Spear and Fang Chengjin's sword collided!

Although Jiuyou Sky Spear is very strong, but at this moment, a counter-shock force is still spreading.

"Kakkaka!"

Ye Chen even felt that one arm was in danger of breaking.

He gritted his teeth and insisted, but it was useless. The whole body still flew out!

finally smashed into a giant tree!

Blood spurted out!

The gap is still too big!

Some strong people onlookers thought this was normal, but soon, their smiles were completely stiff!

Because Fang Chengjin's expression is very ugly!

The body is shaking even more!

Suddenly, "click!" With a sound, the sword in Fang Chengjin's hand shattered directly and fell into seven or eight fragments and fell on the ground.

At the same time, Fang Chengjin seemed to shake his body, backing up, stopping after six full steps.

'S expression is extremely horrified!

"This!"

Everyone's expressions were completely wrong, and when they looked at the injured young man, there was a hint of surprise and excitement! New 81 Chinese network update the fastest computer terminal: <https://>;

Fang Chengjin's strength, they know well!

And Ye Chen's strength, they will know at a glance!

The gap is like a sky!

But with such a gap, this kid broke Fang Chengjin's close-fitting sword in full view, and even knocked Fang Chengjin back.

This is really unbelievable, and it even makes everyone unable to believe it!

Everyone had enough eyesight, and immediately noticed the Jiuyou Sky-killing Spear held tightly by the injured Ye Chen.

Their eyes are even a little hot!

can achieve such an effect with the power of the Holy King Realm, the problem must lie in the weapon!

And that spear is a rare thing! New 81 Chinese website update the fastest mobile terminal: <https://>

Even in their eyes, this kid is not worthy of such a weapon!

The only ones who are truly worthy are the Emperors!

Once Ye Chen dies, everyone will do everything possible to take down the gun!

This is human greed.

Fang Chengjin naturally noticed that there was something wrong with the spear in Ye Chen's hand. He glanced around, and his elder Ziweizong was in front of a kid and couldn't kill it. This was the most ridiculous thing in the world!

He was a little angry, and roared: "Little beast, even if you have a magic weapon, if I want to kill you, it's easy! No weapons at all!"

The words fell, Fang Cheng's golden fingers quickly pinched the technique, and a purple ball of light appeared on the palm of his hand.

The ball of light keeps expanding, and the energy is extremely violent.

There were even runes flowing on the sphere of light.

When some people saw this scene, their eyes suddenly shrank, and they were surprised: "This kid is not bad, he actually forced the secret skills of Zi Weizong."

"It is said that this secret realm can infinitely compress the dantian true energy. Once released, it is difficult to survive in the emperor realm."

"That kid has been able to hold on for so long, but he has some strength, but unfortunately, the ending still cannot be changed."

The sound of regret sounded.

The ball of light in Fang Chengjin's hand shot out, instantly condensing into a pretty wolf, swooping down.

This single blow even made Ye Chen feel that the blood in his body seemed to condense.

What did he think of, a silver needle was sacrificed in his hand!

This is the first gift Lin Qingxuan gave him before he left!

Although I don't know how strong the silver needle is, it shouldn't be too difficult to deal with the immediate problem.

Just as Silver Needle was about to shoot, a figure actually stood in front of Ye Chen.

"Ye Chen, I'll help you!"

Hearing this familiar voice, Ye Chen was slightly startled, never thinking that Mourning would come out at this time.

is even trying to help himself block this blow.

"What's your nerve, get out of here!" Ye Chen said.

But Mourning didn't have any plans to leave. Instead, he blinked at Ye Chen and said, "Ye Chen, don't worry, I can't stop these emperor realm powerhouses. I stand in front of you. My father must Will do it!

This is the only way. You did everything to save me at the beginning. If I don't do anything to save me today, I'm not fit to practice."

Ye Chen shook his head helplessly, this girl.

Sure enough, Mo Weihai's face changed drastically in the crowd!

He never thought that his daughter would appear, isn't this the **** mess!

Although he didn't want to make a move, he wouldn't hurt his daughter, so he stepped forward and headed towards Fang Chengjin.

Han Daoshan's eyes shrank and he wanted to stop him, but when he saw Mourning, he chose not to stop him.

I'm afraid today's things will not be so easy to die.

In an instant, Mo Weihai had already stood in front of Ye Chen and Mourning. He no longer hesitated, and his aura was released!

"Fang Chengjin, sorry, this is my daughter's life, I must guard it!"

Then, with five fingers, a group of virtual white light and shadow was actually held in his hand, and then he slammed it out.

is even more colliding with the purple light ball!

Endless waves overturn everything!

Sword power spread.

All the trees around even disappeared, and cracks appeared on the ground.

"how come....."

The air waves overflowed in all directions, and Fang Chengjin was the first to bear the brunt.

He has not yet entered the emperor realm but Mo Weihai in front of him is different, he has entered the emperor realm many years ago.

I dare not guess my strength.

Space screamed, Fang Chengjin spit out a mouthful of blood and flew out.

He flipped in the air to stabilize his figure, he looked at Mo Weihai, and his heart was full of anger: "Mo Weihai, this is the grievance between my Zi Weizong and this kid, why did you make it too much? !"

Mo Weihai ignored it, but looked at Mourning and blamed him: "Mourning, do you know the cost of this incident. If something goes wrong with you, how can I explain to your mother and the ancestors of the Mo family? Don't retreat yet!"

Mourning shook his head: "Dad, why did you watch this group of strong men attack Ye Chen? You know Ye Chen once saved me!"

Mo Weihai shook his heart, Mo Ning's words undoubtedly pushed him to the cusp of the storm.

As expected, there were discussions around.

People even have to wonder if something happened to Zi Weizong, is Mo Weihai the last black hand!

There is no conflict between the Mo Family and Zi Wei Zong, which does not mean that there is no conflict of interest.

Han Daoshan narrowed his eyes, he found that the matter was getting more and more difficult. The Han family and the Mo family had a good relationship, and he also knew Mo Weihai. The other party would not be stupid enough to take action in his place.

But now, he must speak up.

Chapter 1064: Sleepy beast

In desperation, he stood between Mo Weihai and Fang Chengjin, and said, "Lao Mo, you make it difficult for me to do this, do you want to protect this kid?"

Knowing that the arrow was on the string, Mo Weihai had to send it, saying: "Lao Han, I am willing to bear all the losses of Ziweizong today! I also hope that Ziweizong can see the face of Mo Weihai and let this naive kid go. ."

When Fang Chengjin heard these words, a sharp voice suddenly sounded: "Mo Weihai, don't think you are the family of the Mo family, but also have something to do with the Han family. My Ziwei Sect will be afraid of you, so many Ziwei Sects The death of the disciple, how can I explain like the sect and the lord!"

"Also, if you can bring all those disciples back to life, I will not hold account for this matter today! But can you!"

Such words made Mo Weihai speechless.

Fang Chengjin is like an angry lion, completely desperate: "Mo Weihai, since you can't, then you should let go. Only the death of that kid can exchange everything! Otherwise, no talk!"

Han Dao Shanben wanted to ask Fang Chengjin what he meant, but now it seems unnecessary. He turned to Mo Weihai and said, "You have seen the situation now. With so many powerful people watching, I cannot be partial to you Mo family. , Lao Mo, that kid just has something to do with your daughter, and you won't be able to pull the entire Mo family into the water. I think it's better to get out of the way. It will be difficult for me to stop you."

"Today, the disappearance of this child is the only solution. You decide."

Mo Weihai's expression is ugly.

He wanted to help Ye Chen, he really wanted to help, but Ye Chen really broke the sky this time, it is impossible for him to let the Mo family bear the anger of so many powerful people!

This is not just a matter of Fang Chengjin, but everyone present!

At this moment, Ye Chen stepped forward, staring at Han Daoshan without fear: "What right do you have to decide the life and death of others? Do you know what the sect behind you did? Or, you guys. The people standing at the top of Kunlun Xu are just a group of honest people?"

Hearing these words, Mourning's face turned pale in shock, and he wanted to cover Ye Chen's mouth, but found that it was too late!

This guy is too dare to say it, even the Han family is shocked!

Han Daoshan's plain expression showed a touch of surprise, and then said in a funny way: "You mean, I shouldn't kill you?"

"Or those Ziweizong people should die?"

Ye Chen nodded, and then stretched out his fingers to the group of children behind him, and said coldly: "Isn't it strange to you that these children, I can tell you that Zi Wei Zong imprisoned these children to satisfy their own desires! , The reason why I slaughtered is because these beasts dared to attack my friends! If you practice martial arts, if you only use this kind of behavior, then it is a big joke!" New Bayi Chinese website first published <https://https://>;

Ye Chen doesn't worry about anything, he has Xiao Huang and Mo Ning'er!

Mo Ning'er took advantage of some of the power of Dan Xu Tower and recovered a bit!

can barely help him now!

But Ye Chen would never use this power as a last resort!

After all, use it once, and weaken it once!

Mo Ning'er was his only support before Senior Xue Qiye was willing to come out.

Everyone heard Ye Chen's words, then looked at the group of children, and instantly understood.

In fact, there have been rumors in Kunlun Xu that if the Ziweizong's exercises are to be great or complete, they need the pure energy of the child.

Of course, this is just a rumor, and everyone didn't take it to heart. Unexpectedly, all this is true.

Of course, some people feel a little angry, but when they reach their level, they have long seen everything.

What kind of justice, what kind of reincarnation of heaven, can't be better than the big event one and a half years later.

After all, this matter is related to the life and death of the entire Kunlun Xu.

If something goes wrong in Kunlun, what use are these children?

Of course, more importantly, at their level, these children are all ants to them.

If the ants are killed, what's the matter?

The status of the Purple Weizong is one hundred times more valuable than the ants.

Even Mo Weihai didn't think it was a big deal.

There was some anger on the field, except for Ye Chen, only Mourning.

Mourning looked at the children, his icy eyes fell on Fang Chengjin's body again: "You Zi Wei Zong is too much!"

"Father, this kind of sect shouldn't be..."

Before he finished speaking, he heard Mo Weihai's roar: "Xiao Ning, step back! Don't think things are messy enough?"

Mourning could only swallow the words.

At this moment, Mo Rufeng also arrived, he glanced around, his eyes were a little puzzled.

Mo Weihai snorted coldly, and then ordered: "Rufeng, take Xiao Ning down, don't take a step forward!"

Mo Rufeng Although puzzled, he still did.

The current situation has become beyond Mo Weihai's control. It would be okay if it was only a conflict with Zi Weizong.

But this Ye Chen actually pulled the Han family into the water.

Even though Ye Chen may have some contact with the ancestors, the ancestors' situation is not worth mentioning compared with the safety of the Mo family!

He must look before his eyes first, and must be responsible for the Mo family and for his children!

After doing all this, he looked at Ye Chen and arched his hands: "Mr. Ye, I hope you forgive me. I don't want to do this, but..."

Ye Chen already understood what Mo Weihai meant.

If it was Mo Weihai alone, maybe he could stand up and speak for himself.

But as the Patriarch of the Mo family, he couldn't just think about what was in front of him.

Every decision he makes is about the Mo family.

"I see, go down, I'll deal with it alone."

As soon as this remark came out, everyone couldn't help but feel funny.

Do it alone?

how to deal with it?

Is it possible to retreat in the face of so many powerful emperors?

Even Mo Weihai shook his head helplessly.

If Ye Chen is not crazy, maybe he will do everything possible to save Ye Chen but now it seems that it is impossible.

Let the opponent fend for themselves.

After Mo Weihai left, Han Daoshan also retreated and threw a piece of jade pendant, which was suspended in the air.

The light shrouded.

seems to have formed a huge iron cage!

Ye Chen and Fang Chengjin were enveloped in it.

Han Daoshan casually said: "Elder Fang, you can enjoy this prey, and no one can intervene next time!"

His words are beyond doubt!

is like, in charge of everything!

even treats Ye Chen as a prey for anyone to play with!

This is his right as the head of the Han family!

Below one person, above ten thousand!

can dominate the life and death of others casually!

Ji Lin watched Ye Chen being locked in the cage, and tears were left in his eyes. I can't wait to go up and pry open the cage, but she doesn't have this ability at all now.

It would be nice if the sister was there, and I hope to help Ye Chen.

She felt guilty in her heart, and her tears fell one after another. If Ye Chen died in this way, how should she explain to her sister, Ye Chen had fallen into this predicament only to save her.

Chapter 1065: 9The spear spirit of the ghostly spear!

Ye Chen's icy eyes stared at the leaving Patriarch Han!

He has no interest in the Mo family or the Han family at all!

Had it not been for Han Yun, he would not have come here!

But now, that Han Daoshan's attitude ignited Ye Chen's anger!

Who is the prey! Not necessarily!

The formation is completely closed.

Everyone around is indifferent.

is even more joking.

In the eyes of the strong, the weak are nothing but playthings for them to play.

Ye Chen is a plaything.

They enjoy the pleasure of this fear of prey.

Fang Chengjin showed a sneer at the corner of his mouth. Even if Ye Chen had the spear, he would be crushed by him if he moved his hand.

He looked at Ye Chen and said lightly: "I was originally worried about whether this secret would affect me. Now it seems that strength can determine everything. My Ziwei Sect has a decisive position for a major event one year later. Although the secret is known to others, I, Ziweizong, must stay. As for you, just an ant, what if you kill it!

Now, without the Mo family, who will rescue you! "

Ye Chen shook his head, glanced at Xiao Huang who was sleeping, and said: "You won't make a move? Really?"

Xiao Huang ignored it.

Fang Chengjin glanced at Xiao Huang with a terrifying expression. He never thought that this kid who didn't know his ability would even find his mother to find a cat as a rescuer!

is ridiculous!

"Forget it, I will send you on the road directly, I will step on every bone of you, and finally take off your head, burn your soul, and make you regret coming here!"

The words fell, Fang Chengjin opened his five fingers, his fingertips surrounded by bright purple light!

Ye Chen didn't talk nonsense, and the Jiuyou Sky Spear was directly sacrificed, and the immortal fire swallowed instantly!

Flame masterpiece, and then one shot!

Fang Chengjin smiled coldly: "Little beast, this spear is good, but you really think it can hurt me? It's just fantastic!"

"But this weapon is good, so it belongs to me from today!"

Suddenly, Fang Chengjin's hand surrounded by purple light directly buckled Ye Chen's spear!

The purple light suddenly dissipated!

can be seen the overbearing of Jiuyou Tianqiang.

But Fang Chengjin's smile is still ferocious, as long as this kid doesn't have this spear, it's nothing!

When the purple light disappeared, Fang Chengjin's endless true energy swept across his arms, and the powerful force wanted to throw the Jiuyou Sky Spear away!

but found it impossible!

"Huh? My power can't move this spear, how is it possible?"

Fang Chengjin looked down, only to find that the spear was unexpectedly bent, and it was wrapped around his arm like a snake!

His pupils are dilated!

is like hell!

This weapon will still transform?

Transformed weapons are not only eligible for Shifang artifacts!

Is this long spear a rare artifact in Kunlun for thousands of years?

Fang Chengjin is a little dazed!

completely dumbfounded!

Before he could react, the twisted spear head was shining with a blue light, and then directly stabbed!

Blood spray!

actually penetrated his arm.

Fang Chengjin has committed one of the biggest taboos, which is contempt.

He never even thought that the spear in Ye Chen's hand would be so weird.

The cold pain made Fang Chengjin's face hideous!

The spear head of the Jiuyou Heavenly Killing Spear did not stop far, turning slightly, swept through the rolling black mist, and went towards Fang Chengjin's chest!

This thorn, if penetrated, the consequences would be disastrous!

Fang Chengjin's face pale in fright, and regardless of his arm injury, he tore it apart!

The strong emperor can be reborn with a broken arm!

He is not too far from the Emperor Realm! New Bayi Chinese website first released

But as long as you give him time, it will be fine!

If it penetrates the heart, it is a dead end!

He forced out a drop of essence and blood, smashed it out suddenly, and a powerful counter shock came!

Nine Nether Killing Sky Spear is still like a mountain!

And Fang Chengjin's body was blasted directly by the force of the counter shock!

A mouthful of blood is spit out!

At this moment, those onlookers were stunned.

The strong emperor realm should have no waves in his heart, but now, the waves in his heart are too great!

What the **** is this! ア新ヤ~⑧~1~中文网ωωω.χ~8.~1zщ.còm

Fang Chengjin in the half-step emperor realm is actually no match for a holy king realm!

This...Even if Fang Chengjin was careless, there is no need to do that!

Even the corners of Mo Weihai's mouth twitched a bit, his eyes were deeply shocked.

But Han Daoshan trembled, and the heat in his eyes could not be covered!

He was so interested in the Jiuyou Sky Spear in Ye Chen's hand!

must be an artifact!

This kind of artifact, no matter what, belongs to him Han Daoshan!

And at this moment, Ye Chen naturally couldn't react. He didn't do anything, but he didn't expect Jiuyou Sky Spear to take the initiative.

Could it be that after a drop of blood, after acknowledging the Lord, take the initiative to protect yourself?

Before he could react, Jiuyou Skykiller trembled violently!

At the same time, there was a tingling sensation on the eyebrows.

Ye Chen looked at the Jiuyou Skykiller in the palm of his hand, thinking of something, and curiously said: "Are you letting me let go?"

Jiuyou Tianqiang nodded unexpectedly.

Although I didn't know what Jiuyou Sky Spear was going to do, Ye Chen still let go.

The moment he let go, Jiuyou Heavenly Killing Spear turned into a cold light and went towards the injured Fang Chengjin.

At the same time, the billowing demon energy spread, and the huge formation iron cage was actually covered!

Those powerful emperor realm can't see the situation inside.

"It seems that this gun should have been a vision created in the sky above Linhai City that day. The gods and demons came out of the world. I am afraid this gun came from Jiuyou!"

Someone apparently recognized it.

"This gun is from Jiuyou, then this kid is the remnant of the devil? Otherwise, this gun is impossible for this kid to handle! The thing of Jiuyou is the only thing after dripping blood to recognize the master. If this gun wants if others are in control, this kid must first cut off contact, otherwise the person will die and the gun will be destroyed!"

"The Demon Qi is so strong Even if this kid is not a member of the Demon Race, he will certainly not be the right way in the future! It may even be a Kunlun Xu traitor! Maybe it may be related to the Blood Spirit Race, Kunlun Xu's Nine The power of You is the closest to the breath of the Blood Spirit Race! This child must die today and cannot stay!"

In the dark mist.

The temperature is suddenly cold, the blood is filled, the sun and the moon are dark, like hell.

Fang Chengjin could feel the cold light coming, and quickly took out a formation plate from his waist!

The array was lost and smashed together!

However, the formation was broken on the spot!

"Fuck, what the **** is this!"

Everything around is the magic sea!

The momentum of the explosion of the Jiuyou Sky Spear is extremely strong.

One blow after another, the chill and domineering force seem to swallow everything!

Fang Chengjin was injured and desperately blocked!

found that everything was in vain!

He felt that he was not facing a weapon, but a person!

People from Jiuyou Hell!

"What is the origin of the spear spirit, can it be... is it a nine-nether power!"

Chapter 1066: Supreme devil

Fang Chengjin has never heard of it.

There is a spear spirit in the gun, which is normal.

After all, a magic weapon.

But the Spear Spirit took the initiative to fight without the owner's use, and even the bursting power was no less than the peak of the Dao Source Realm, which was really incredible.

The only explanation is that the spear spirit is a dead soul of nine ghosts!

is such a treasure, although he wants to take it.

But according to the current situation, let alone won, it is not even necessary to surrender!

"Damn it!"

As soon as his words fell, he felt the darkness swallowed.

Even flames burst.

It is like the flame of the extremely gloomy place in the world, without the hotness of the flame, only the coldness of death. New Bayi Chinese website first launched;

His face suddenly paled.

The endless darkness obscured his vision.

He even found a figure condensed in the black mist in front of him.

The body is extremely large, covered in a black flame cloak, holding a spear, and a circle of bones wrapped around his waist.

Supreme posture, as if looking at Fang Chengjin condescendingly.

Fang Chengjin was shocked.

The black mist condensed in front of her body is the spear spirit!

The spear spirit has no entity, but its aura and feeling far exceed the strength of the emperor realm.

Everything is true!

He even felt that as long as this Jiuyou powerhouse looked at him, he would be completely destroyed!

You must know that this kind of power is the existence that shakes the heaven and the earth.

is now even more controlled by a kid in the Saint King Realm!

This **** can't explain it with any logic!

At this moment, his mind was upset, completely upset.

The black fog is too thick, he can't see Ye Chen's figure.

But Ye Chen's eyes can penetrate the black fog for some reason, and see everything clearly.

He naturally found the figure of the black mist.

The figure gradually became real.

is a great power!

This powerful breath is daunting.

But this breath is completely different from the power of the reincarnation cemetery.

very familiar.

Very familiar.

seems to come from blood in the body.

Ye Chen was shocked when he thought of this, and shook his head quickly: "Impossible."

He and Jiuyou have never seen each other before, how could they have the same blood?

But it suddenly occurred to him that Ye Lingtian called his palace lord. This family's ancestors had been waiting for him for generations, and he was guarding the Jiuyou Sky Spear.

Is there really a connection between the two?

Or, is Jiuyou Tianqiang waiting for him?

Countless thoughts flashed through his mind.

The blood and spiritual roots on his body have yet to be determined.

Kunlun Xu cannot be tested, it can only be regarded as a root and a waste root.

But those great abilities in the reincarnation cemetery have repeatedly emphasized the special nature of their blood.

Ye Chen seemed to feel that the Nine Nether Killing Spear was the clue to the bloodline!

At the same time, Fang Chengjin's side.

Endless pressure enveloped.

Fang Chengjin lay on the ground in shock.

"You... don't come over! Why do you want to help that kid! Get out of here!"

His eyes were horrified, he wanted to release his whole body's qi, but found that the black mist had swept over like vines. New 81 Chinese website update the fastest mobile terminal: <https://>

completely wrapped around his body.

keep shrinking.

There was blood constantly overflowing.

"Go away!"

Fang Chengjin spit out a mouthful of blood, his eyes were red, and he screamed frantically.

But his power was actually restricted.

At this time, he is like a person without any cultivation skills!

How can there be a battle against the peerless powerhouse?

The Nine Nether Power looked at Fang Chengjin interestingly, and said: "Do you dare to kill the person identified by the deity? Do you know the origin of this son?"

The sound of thunder is rolling, and the sound is transmitted to the ear.

Fang Chengjin's ears seemed to burst, blood flowing.

"I... I don't know, sir, I didn't mean it, it's all Ziwei Sect. I'm just an elder of Ziwei Sect. Please calm down your anger."

Jiu You Da Neng waved his sleeves and shook his five fingers: "Huh! What did Ziweizong think in the eyes of the deity? Even if the Ziwei Daoist from Ziweizong comes to me, you must kneel and surrender. , Why not kneel!"

is another sentence, Fang Chengjin's eyes and nose are bleeding.

The power of the strongest, no doubt!

"Puff!"

Fang Chengjin spit out blood again!

But when he recovered, he thought of something.

Zi Wei Taoist!

This is the one who founded Ziwei Sect!

The founder of the school!

The head and even the elders had to respect a person, but such a person would kneel before this sword spirit!

He didn't believe it, and he didn't dare to believe it.

Why would such a top figure become a sword spirit.

Before he retreated from the shock, Jiu You Da Neng waved his arm gently.

The black mist turned into sword energy, and went crazy towards Fang Chengjin.

Fang Chengjin's body was pierced instantly!

Everything around it seems to be turned into a sea of blood and hell! The soul is crying!

"My lord, forgive me, I am willing to be that kid's servant!"

This is Fang Chengjin's last hope.

Unexpectedly, that Jiuyou Great Power sneered coldly: "Servant? You are worthy of the waste from the pinnacle of your source realm! Death!"

The blood sea seemed to be transformed into a giant beast and directly swallowed Fang Chengjin's body.

There was thunder, shaking the sky.

The wind is whizzing past, how can there be Fang Chengjin's body in the world!

Even the broken bones are gone.

Supreme coercion Covering all quarters, above and below, there is no retreat!

At the same time, the barrier of the ring set up by Han Daoshan also shattered and suddenly turned into nothingness!

The jade pendant floating in the air is also cracked, the brilliance disappears, and the darkness is extremely dim.

fell to the ground.

The black mist disappeared, and Jiu You Da Neng glanced at Ye Chen.

Ye Chen's eyebrows were shining with dim light.

There was a bold smile at the corner of his mouth.

"One thought before the devil is dead, look at the youth standing in the world!"

"The supreme demon master, controls reincarnation, reads Burning Cang, reads burning sky!"

"When you really set foot on this **** road, you will become the supreme peak, the universe is yours, haha..."

After talking about Jiuyou Da Neng, finally turned into a spear spirit and plunged into the Jiuyou Heavenly Killing Spear.

The black mist is completely gone.

Everything returned to calm.

Jiuyou Sky Spear slowly fell, Ye Chen spread out his hand and held it.

He looked at the object in his hand, somewhat surprised.

Because the spear was completely dimmed, it seemed to be damaged, and the violent spirit of the past disappeared.

Chapter 1067: Active body protection!

Even the devilish energy is a bit less.

"The Jiuyou Killing Sky Spear actually shot for me at the most critical time, even at the expense of myself? Why?"

Ye Chen stopped thinking about it, and then looked in Fang Chengjin's direction.

There is no figure, only a pool of blood on the ground.

At this moment, everything around is completely quiet.

is extremely quiet.

The eyes of those who are strong in the emperor realm are filled with horror.

The black mist blocked everything. They didn't know what happened inside, but at this moment, only one person survived!

The elder Fang of the Purple Weizong is dead!

and he died in a holy king realm kid!

This is too incredible.

Check out new PVP arena battles!

Mo Weihai was breathing fast and his eyes widened. His eyes were full of the proud young man.

"This kid actually killed the elder at the pinnacle of Daoyuan realm, how many realms it would have to cross! The key point is that Kunlun Xu does not have such a heavenly existence!"

Mo Rufeng's fist is also clenched.

This is the first time he felt that his name as a peerless genius was threatened.

He looked down on Ye Chen from the bottom of his heart.

But at this moment, this concept has changed.

A cold wind hit, as if it came from hell, and everyone realized that there was a complete uproar.

"Elder Fang was killed by a Saint King Realm! What the **** did this kid come from!"

"Is this person's name on the sky list?"

"I have almost gotten to know those thousand people, but I have never seen this kid before. He shouldn't be on the sky list."

"The black mist just now, could this kid belong to the Demon Race?"

"The Demon Race is back?"

Just as the crowd was arguing, Han Daoshan, who had not spoken, spoke.

He stared at the spear in Ye Chen's hand.

hot.

even wishing to take away the Jiuyou Sky Spear immediately!

"It wasn't that kid who made the shot just now. I think it should be the spear in his hand. The devilish energy in the spear is too strong for Elder Fang to guard against. I'm afraid it is something of the Demon

Race. This kind of thing cannot be exposed outside. I suggest that this kid teach the spear. As for the life and death of this kid, we don't care. Everything is the grudge between him and Ziweizong!"

When the words came out, everyone naturally understood.

Han Daoshan is standing on the commanding heights to decide everything!

If Han Daoshan takes action against Ye Chen, it will inevitably lead to many unnecessary disputes and rumors.

But killing two birds with one stone against Jiuyou.

Han Daoshan just wanted to **** the weapon in Ye Chen's hand.

Even if everyone knows it, it is impossible to say it easily. After all, offending the Han family is not a good thing for them.

Han Daoshan stared at Ye Chen and said: "Boy, I have given you a chance. I don't care what kind of grudge between Ziweizong and you. I just hope you can understand that the things of the Demon Race are not qualified to be possessed by ordinary people. With the weapon in your hand, we let you go!"

Mo Weihai shook his head helplessly when he heard such words.

Lao Han has played a good game, no matter what, the biggest beneficiary is always him.

But this is the cruelest fact about Kunlun Xu.

He looked at Ye Chen and persuaded: "Mr. Ye, if this weapon is not very important to you, give it up. After all, life is the most important thing."

Mourning heard his father's words, and quickly retorted: "Father, why, this is Ye Chen's thing, why should I give in?"

"To shut up!"

Mo Weihai said angrily.

Mourning stopped to explain, but looked at Ye Chen, waiting for Ye Chen's answer.

Everyone was paying attention to Ye Chen, but Ye Chen thought for a while. New Bayi Chinese website first released <https://https://>

He could clearly feel the weakness of the Jiuyou Heavenly Killing Spear, and the hand that was close to him, as if not letting Ye Chen let go.

Will he teach his own weapons?

of course not!

can't even hold the weapons in his hands, and practice a fart!

He dropped it casually, and the Jiuyou Sky Spear disappeared.

Then, he looked at Han Daoshan and sneered: "What if I don't hand it over? If you have the ability, come and bite me!"

"you!"

Han Daoshan never thought that this kid would be so messy, the key is not knowing how to live or die!

He threatened coldly: "It's your business whether you have **** or not, but you have swallowed the demon clan's things privately, and it may even be the demon clan's remnants. Everyone shouts and beats. If I want to kill you, I am afraid that everyone around me has no opinion. Understand?"

"I will ask you one last time, whether to pay or not to pay!"

Ye Chen did not hesitate: "If you let Han Yun behind you come out, I can think about it a bit, as for you impossible!"

"Looking for death!"

"I really thought that if I killed someone who hadn't even crossed the threshold of the emperor's realm, he would go to the sky! Today, I will let you feel what fear is!"

Han Daoshan shot suddenly, he didn't want to shot Ye Chen, but this kid really angered him, so I can't blame him!

The whole world seemed to solidify, and a white ball of light appeared all over Han Daoshan, covering it, as if it could tear everything apart!

Ye Chen naturally felt the danger and was even locked.

This feeling is too uncomfortable.

He wanted to use the Jiuyou Sky Spear, but found that the Jiuyou Sky Spear had completely lost its spirituality. New 81 Chinese network update the fastest computer terminal: <https://>

The battle with Fang Chengjin just now ran out of his demon energy.

It is impossible to rely on it again!

He wanted to use Lin Qingxuan's silver needle, but before he could sacrifice it, Han Daoshan appeared.

A punch hit Ye Chen's chest without warning!

The blood dragon inside Ye Chen sensed something was wrong, and took the initiative to protect the body!

The scarlet barrier covered Ye Chen's body!

There is a dragon on the surface of the barrier!

Chapter 1068: Does that old man have this qualification?

"Peng!"

Han Daoshan saw this barrier for a moment, but he hit it with a punch.

With this smash, the barrier buffered most of the power, and Ye Chen was also blown out!

can't resist at all!

didn't even have a chance to punch.

Ye Chen's body smashed on a giant tree, the giant tree broke, and it turned into powder.

spit out blood, but Ye Chen stood up again under everyone's eyes.

"Huh? I didn't kill you with a casual blow. It seems that you guy really belongs to Xiaoqiang who can't be beaten."

"But can you resist this blow! If you don't hand over the weapon, only death is waiting for you!"

Han Daoshan's right hand unexpectedly appeared a blue flame, the flame wrapped, like a meteorite smashing into the world.

is too domineering!

even blocked all retreats, it was impossible for Ye Chen to leave.

When everyone thought Ye Chen was going to die, Ye Chen didn't rush to wipe the blood stains from the corners of his mouth, and then coldly said: "Han Family, this is your authority? Originally, I was still interested in Han Yun. Today, you Han Daoshan is my Ye Chen's enemy. I will pull you off the altar without hesitation, so that you can understand what is truly unattainable!"

"The **** of medicine enters the Tao, a needle into the soul! Open Yang and Nine Yin! All things are destroyed!"

Ye Chen roared, the silver needle in his hand flew out directly.

too fast.

Since Lin Qingxuan upgraded the silver needle before disappearing, he has not used it again.

I don't know what kind of power the silver needle is. Today's catastrophe must be unavoidable, only abruptly carried it!

The silver needle seemed to penetrate the void, and it solidified time.

Everything around slowed down.

is getting slower and slower.

Suddenly, a strange breath was released on the silver needle.

the breath seems to be able to swallow everything!

even turned into a sword!

This time is not a silver hundred-zhang spear again!

And just as the silver needle turned into a sword, the weapons around the waists of those strong men shook.

Even Han Daoshan felt something was wrong.

"What is the origin of this kid, so that there are so many gods who are completely incompatible with him?"

can't take care of everything, there is a formation in his hand!

A casually thrown away the array disk, it overflowed with golden light, like a turbulent sea, and surging towards Ye Chen.

"Patriarch Han actually took out this thing? Is this kid really that tricky?"

Everyone naturally didn't notice the silver needle. After all, the silver needle was too fast, and Han Daoshan used some magic techniques to cover everything from the beginning.

He doesn't want to crush a junior and ruin his reputation!

"With such a terrifying force, this kid really won't survive this time."

Amidst everyone's euphemistic tone, the silver needle slammed into the formation!

Ye Chen thought that the opponent's formation would be easily shattered.

But I didn't expect Han Daoshan's formation to remain unmoved?

Is this Lin Qingxuan giving himself a fake?

Just when Ye Chen was surprised, Han Daoshan laughed: "Boy, if I guessed right, your silver needle should come from a medical god, do you know what my formation is?"

"This is a relic left over from the war in the ancient times, and it is also a thing of the **** of medicine!"

"You can let me sacrifice this formation, and you will die well!"

"You must have good opportunities for the things that come out of you, and today, these opportunities will all belong to me! Haha!"

When the formation plate and Yinzhen stalemate, Han Daoshan reappeared, and he slapped Ye Chen's Dantian with a palm!

No matter what, if it is touched, even if Ye Chen is not dead, the dantian will be destroyed!

is exactly the same as the master's fate!

Ye Chen looked at the scene in front of him, and his pupils couldn't help but shrink.

As an ancient family, the Han family is really terrifying!

Such strength is also the proud capital.

He quickly communicated with Mo Ning'er in the reincarnation cemetery, and said directly: "Mo Ning'er, give me strength!"

"Yes, the tomb owner!"

A cold voice came, and Ye Chen's right hand was covered with a red light.

The red light is extremely dazzling!

came out, overwhelming!

even wrapped around Han Daoshan's arm!

"Master of the tomb, use Ten Thousand Buddha Diamond Boxing!"

Ye Chen understood naturally, the power of refining all over his body exploded, and then he punched out!

The shadow of ten thousand Buddhas seems to spread out!

Two punches collided and went!

Everyone around has eyes wide!

lunatic, lunatic!

No one would have thought that Ye Chen would go head-to-head!

How to touch the key!

With a punch, the sky and the earth are surging.

"Fuck me!"

In the midst of a roar, Ye Chen stepped on the long wind and smashed the waves, and rushed towards the monstrous huge wave.

Two punches just clash.

The ground exploded.

The surrounding fields aura, like the roar of the waves!

No one would have thought that Ye Chen's attack against Han Daoshan did not regress!

actually took it abruptly!

What's happening here!

Even Han Daoshan's expression is hideous!

"How is it possible! Who are you on earth!"

"You are not qualified to know!" Ye Chen said coldly.

Han Daoshan felt that his authority seemed to be questioned, and became more angry!

The infuriating energy of the Emperor Dantian realm burst out violently.

From the beginning, he did not intend to deal with Ye Chen's shots, but now that Ye Chen's growth and explosive power are uncertain, he has no choice!

Since Fang Chengjin can't kill this son, let him end it!

Innocent spirit, erupting like a volcano!

violent to the extreme.

Han Daoshan's blow is enough to make mountains and rivers fall apart! Thunderclouds are also rolling above the sky, too terrifying. New 81 Chinese network update the fastest computer terminal:

Finally, Mo Ning'er's power still collapsed!

After all, Han Daoshan's ranking in the sky list is extremely high, enough to shake everything!

With a violent roar, Ye Chen's figure paused, a trace of blood spilled from the corner of his mouth, and his body went backwards.

Then, he fell to the ground His arm was shaking, and there was even a touch of anxiety.

This feeling is too painful.

This is the difference in strength!

Han Daoshan smiled at the corner of his mouth, thinking about Ye Chen step by step.

"What if you have that magic spear, are you enlightened today? Give me what I want, and I can give you a corpse!"

"In the land of my Han family, no one can save you! Even Mo family!"

His tone was high, as if he had decided everything!

Ye Chen got up, holding a stone in his right hand, just about to say something, just at this moment, an old voice slowly fell.

"Oh? Does that old man have this qualification?"

Then, a figure in a white robe walked slowly.

Every step is extremely smooth.

His appearance made the air freeze.

Even Han Daoshan's expression has changed.

"Why is this guy here? Damn it!"

If you really want to talk about Kunlun Xuzhong, there are a few people he can't mess with.

This old man is one of them!

Chapter 1069: Implicated!

Ye Chen naturally also noticed this old man.

He thought he didn't know each other, but when the old man turned around, he found that it was the old man guarding the gate in the Land of Fortune.

The temperament of this old man today is extremely contrasted with that day, his charm is terrifying, and his eyes are even more powerful.

He really can't understand, the two don't have much intersection, so why would this old man help himself at this time?

Han Daoshan couldn't understand even more. He took a step forward. Although he felt a little unhappy, he still said: "Old Yuan, what are you doing? This guy has some connections with the people of the Demon Race. Do you want to help him at this time? The opposite of the people in Kunlun Xu?"

"Old Yuan, we respect you, but don't stand on the wrong team on this kind of principle!"

"Besides, everyone knows that this kid is extremely murderous. Many of Ziweizong's disciples have been killed by him. This kind of brutal and inhumane generation should not stay in this world!"

"If this child grows up in the future, the consequences will be disastrous!"

After speaking, Han Daoshan glanced at the people, everyone understood instantly, and quickly agreed: "Lao Yuan, Patriarch Han is right at all. There is a demon weapon on his body, and the murderous intention is so heavy. There is absolutely a problem."

"If we don't get rid of today, I am afraid the consequences will be disastrous!"

Old Yuan in the Land of Fortune ignored everyone, but turned to Ye Chen and said, "Boy, are you a member of the Demon Race?"

Ye Chen shook his head. Just as he wanted to say something, Old Yuan had already turned around and said to those powerful emperors: "Well, I have investigated. This person is not a member of the demon race at all, he is just ordinary. The mortal monk who knows, this thing ends here!"

what!

Everyone's expressions are extremely strange!

Where the **** has been investigated!

That kid just said a few words, so Yuan Yuan is so sure?

How can you be so partial to this kid?

Everyone felt unhappy, and Han Daoshan felt even more unhappy!

There is no doubt that Yuan Lao is determined to help this kid!

Why is the key!

Yuan Lao has personally taken care of it. Does this kid have a lot of background?

After hesitating for a long time, Han Daoshan still opened his mouth and said: "Old Yuan, this kid really can't be taken away. What you said just now is completely unfounded, I think..."

The old Yuan dared to refute Han Daoshan, snorted, stepped out, the mountains and rivers shook!

A powerful force enveloped him.

Those powerful emperor realm in front were abruptly flew out!

hit the wall fiercely!

Wrath of the strong, who dares to stop!

Even Han Daoshan couldn't hold back the surge of blood in his body when he faced Yuan Lao's blow.

Although he didn't step back, he was also pale.

Old Yuan glanced at the crowd, then said: "Now, who dares to have an opinion?"

"If there is, then stand up, the old man guarding the land of Fuze for the past few years is too boring, and today it happens to be practiced with you juniors."

Who would dare to stand up as soon as these words came out.

This is Old Yuan, who is extremely terrifying in the sky list. Once one person faced six or seven emperor realm powerhouses. He did not use spiritual weapons, but a single stick, overwhelming the heroes, once shocked the entire Kunlun Xu!

Now the old Yuan's words are obviously a little angry.

Who would dare to mess with!

one second.

Two seconds.

a full ten seconds.

No one moves.

no one came closer.

Old Yuan Yuan was very satisfied with the performance of the people around him, nodded, turned around and glanced at Ye Chen, walked over, stretched out his hand and patted gently.

Almost instantly, Ye Chen felt a warm current.

The injury has completely recovered.

is extremely weird.

"Boy, take a trip with the old man. There are some grudges that are not retributable now. These guys are not half your strength at your age. When you grow up enough, they will probably tremble."

"Come on, the old man has something to say to you."

Ye Chen hesitated for a few seconds before nodding.

Although he has some hole cards, exposure to this group of people too early will threaten him.

A single Nine Nether Killing Spear made Han Daoshan crazy.

If Mo Ning'er or Xiao Huang were to take action, the consequences would be extremely serious.

The reincarnation cemetery can only hold him for a while, but it cannot hold him for the first time.

Only one's own strength is the kingly way.

Ye Chen followed Yuan Lao behind and walked in one direction.

Ji Lin and the remaining children also followed.

Now Ji Lin has undoubtedly become the backbone of these children.

Seeing the duck flying in his hand, Han Daoshan clenched his fists, the explosive breath released, and the strong people around him were breathing fast.

His Han family is a hermit family.

is from eternity.

Today, I was ruined by an old man.

But Yuan Lao can protect Ye Chen for a while, but he can't protect Ye Chen I.

What he wants, naturally there is a way to get it, but now it seems that it is a little more troublesome.

At this moment, he thought of something, and said to Ye Chen who was far away: "Boy, today you appear in the land of the Han family, I am afraid you are here for the **** secret realm."

Ye Chen stopped when he heard the Blood Spirit Secret Realm.

Indeed, this is his ultimate goal, and the few blood-spirit clan powerhouses inside are probably the key to the whereabouts of the hundreds of reincarnation cemeteries. No matter what, he must go!

Seeing Ye Chen's footsteps stopped, Han Daoshan sneered: "It seems that I guessed right, but don't forget, the blood spirit secret realm is controlled by my Han family. If there is no nod from me, you

would never want to step into it! I advise you Just give up, even if I feed the dog, I won't give you any chance for the opportunity inside!" New 81 Chinese website update the fastest mobile terminal: <https://>

"From today, I will order every sect or clan master to guard the blood spirit secret realm and the land of the Han family. As long as you step in, you will die endlessly! I don't believe you can hide behind Yuan Lao forever!"

Ye Chen turned around and glanced at Han Daoshan and said lightly: "Don't worry, as soon as the Blood Spirit Secret Realm opens, I will be in it. If Ye Chen can't have it, then your entire Kunlun Void Don't even think about owning any of the forces."

After speaking, Ye Chen, Yuan Lao and others disappeared into the sight of everyone.

Only Han Daoshan and many powerful people are surprised.

With so many nets, still want to enter the blood spirit secret realm?

is simply ridiculous.

Mo Weihai sighed as he watched the figure of Ye Chen going away.

He wanted to help Ye Chen very much.

But Ye Chen is too good at stinging Louzi.

Maybe the Mo family would be implicated by Ye Chen.

Ye Chen may have something to do with the ancestors of the Mo family, and they know something about the ancients. This matter itself is too suspicious.

He didn't risk helping Ye Chen, just for the current Mo family.

"What should I do next, Ye Chen must go to the Blood Spirit Secret Realm, now Ye Chen is equal to being blocked...Father, do you have a way?"

Mourning pulled his father's clothes and said.

Mo Weihai didn't say much, and sighed: "Let's talk about this. As for the Blood Spirit Secret Realm, you brothers and sisters can enter, remember! It is better to give up the chance to stay back! This is not a joke!"

Chapter 1070: What bloodline!

Hai, the fastest update of the best city doctor!

"Also, Ye Chen has become a target of public criticism recently, so you shouldn't contact him in the future, lest the Han family say that I'm not righteous."

Mourning was a little angry when he heard the words of his father. He wanted to argue about something, but when he saw Han Daoshan walking towards them, he could only shut his mouth obediently.

Don't bother your father at this time. As for Ye Chen, he can only find a way to get in touch.

No matter what, she must help Ye Chen.

Han Daoshan came in front of Mo Weihai, his eyes were very profound, and said, "Lao Han, what is the relationship between you and this kid? And what is the origin of this kid? How can I let Yuan Lao take action?"

Mo Weihai didn't know himself. He shook his head and hesitated for a long time. He still said, "This son had saved the little girl. He knew that the Mo family was going to enter the Han family, so he begged me to take a ride. As for other relationships, naturally No."

"As for the background of this kid, I only know that it seems to come from the medical gods, a declining medical sect, and there is no background."

After listening to Han Daoshan did not speak, he turned and left.

After a few steps, the voice released, "Who will bring Ye Chen to my Han family in the future? My Han family owes him a favor."

"Also, the meeting is not over yet, go ahead."

Hearing these words, everyone took a breath.

You can get the favor of the Han family with a yellow-haired kid, which is more than anything else.

It seems that Han Daoshan is ready to pay all the price for Ye Chen.

With so many sects watching, I am afraid that this kid will be bound to die once Yuan Lao leaves.

At the same time, there was a small river in the north of the land of the Han family.

Old General Yuan made the children settle down, but Ye Chen and Ji Lin followed him to the river.

Old Yuan was sitting in a wicker chair by the river, holding a fishing rod, as if preparing to go fishing.

Very leisurely.

Ye Chen and Ji Lin glanced at each other, and still took a step forward, and said to Yuan Lao, "Thank you Yuan Lao for your help just now."

Ye Chen naturally wanted to accept this kindness.

Old Yuan opened his eyes, squinted his eyes slightly, and said with a smile, "Thanks, I don't have to. These people are bullying, I just can't get past them."

"By the way, what's your name? I am older and have a bad memory."

"Come here, here is a fishing rod, accompany the old man to go fishing."

Ye Chen took a step forward, sat next to Yuan Lao, picked up the fishing rod, only to find that there was only one line on the fishing rod, as for the bait and the hook.

Even if this old man imitated Jiang Taigong fishing, there is no need to be so exaggerated.

Even so, Ye Chen sat down honestly.

After all, the old man had rescued him, and it didn't look easy.

"Lao Yuan, my name is Ye Chen, I come from China Jiangcheng."

When Old Yuan heard the words Ye Chen and Hua Xia, he was a little surprised, and even murmured a few words "Ye Chen... Ye Chen... Are you related to the Kunlun Xu Ye Family? I remember the Ye Family back then. The stone stele from the sky at the entrance seems to be engraved with the word Ye Chen. This name seems to have become the biggest taboo of the Kunlun Xuye Family."

Ye Chen stiffened when he heard the old man's words!

Because every sentence said by the other party is a fact!

Does Mr Yuan know what!

Old Yuan looked at Ye Chen's surprised expression, naturally knowing that he guessed it right, and smiled. "The Kunlun Xuye family doesn't know what they're up to. There has been no movement for a long time, but if they knew you were living outside, they would think Try to erase you."

"Also, your current situation is a bit dangerous, so many forces are staring at you, once exposed, you may die."

"What's the next plan? If you don't have a place to go to the sect, I can recommend a few. Although it is not the top power of Kunlun Xu, it is not something ordinary people can contend."

Ye Chen shook his head, "I'm going to the Blood Spirit Secret Realm!"

"what!"

Old Yuan's fishing rod directly put down and looked at Ye Chen with his head tilted.

He thought that the words Ye Chen said before leaving was a joke, but he didn't expect that this kid would really go to the blood and spirit secret realm unconsciously!

"Boy, I didn't say you, don't you see how bad the situation is for you? I can't enter the **** secret realm. It will be difficult to help you at that time, are you sure?"

Ye Chen nodded, extremely sure.

Old Yuan could be regarded as serving Ye Chen. After thinking about it, he said, "There are many opportunities in the secret realm, but there are a few strong blood spirit races in it. If you are not careful, you will fall in it. To go, I won't stop you, after all your legs are on you!"

"But before you go, I want to know, Land of Fortune, how do you see the best place?"

This is the biggest doubt in Yuan Lao's mind.

Ye Chen naturally couldn't betray Xiao Huang, although Old Yuan saved him, some secrets still couldn't be easily revealed.

"Old Yuan, the land of Fuze is nothing more than luck. I felt that there was a voice calling me, so I chose that."

"Oh?" Old Yuan glanced at Ye Chen curiously, "Voice? Could the blood in your body be special?"

Thinking of this, Old Yuan's eyes shrank, and he grabbed Ye Chen's wrist, and then with a light stroke of his finger, a drop of blood poured out instantly.

It was suspended in the palm of his hand.

"This blood."

Old Yuan felt something was wrong, something extremely wrong.

A finger pointed out a golden light, wanting to blast away the blood!

But when the golden light touched the blood, it burst out strangely!

"This....."

Yuan Lao Gu Jing Bubo's face was full of shock, not believing in evil, a drop of blood was forced out.

His essence and blood have spiritual roots and strong blood.

Usually the blood is touched, and it will be scattered!

This is also the most direct way to detect the blood of others!

Old Yuan's blood was under his control, and he swallowed Ye Chen's blood and left.

Soon, the blood of Old Yuan swallowed Ye Chen's blood.

Seeing this scene, Yuan Yuan sighed, "That's right, at such a realm, how could my bloodline be stronger than me? It seems that I have been thinking too much..."

However, the words have not been finished yet, the fusion of essence and blood is abnormal!

Old Yuan was shocked to discover that the blood that had been swallowed successfully had disappeared!

Instead, it was Ye Chen's blood!

Even the only trace of contact with him was suddenly cut off!

Old Yuan lost his attitude for the first time and even had a sharp voice "Impossible!"

Looking at the entire Kunlun deficiency, his bloodline is enough to rank in the top fifty, but in front of him, the bloodline of this kid is far stronger than him!

Could it be that the blood of this guy is the blood of the ancients!

And it is the existence that has been hidden!

"Boy, who are you on earth!"

Old Yuan is short of breath!
