

Urban Medical 111

Chapter 111: Interlocked!

Chu Shuran shrank her eyes slightly when she heard the words "the car is coming again".

She is really afraid of these words.

Is it possible that all the top figures in Jiangcheng will come to join Tianzheng Group?

Who else can be more terrifying than the previous few?

She looked over subconsciously, it was an extended Lincoln.

But the license plate is South A23660, indicating that it is from Jiangnan Province!

Is it a big man in Jiangnan Province?

Tianzheng Group has affected Jiangnan Province, why?

She trembled.

However, the extended Lincoln did not drive towards the Tianzheng Group, but stopped far away.

The driver opened the car door carefully, and a woman got out of the car.

The woman looks like her in her thirties, her face is a bit like Xia Ruoxue, she is well maintained, her temperament is arrogant, she wears a pair of black high heels, she looks dignified and elegant!

When she saw this woman, a hint of surprise appeared in Chu Shuran's eyes!

Because this woman is to block the real existence of the Tianzheng Group!

is also the first force to stand up against the Tianzheng Group!

The four big families of Jiangcheng blocked the Tianzheng Group to please this woman!

Because behind this woman is the entire Xia family! Her attitude is the attitude of the Xia family in Jiangnan Province!

In front of this powerful woman, what is the leader of Jiang Cheng? What is Ruo Ye? What is even the military commander's doing?

, Zhao Youcheng looked at the woman in surprise, and curiously said: "Miss Chu, who is this woman, and why doesn't she go to Tianzheng Group?"

Chu Shuran smiled coldly and explained: "That woman represents the Xia family in Jiangnan Province! Who do you say she is! With her appearance, even if the two leaders have to weigh and weigh whether to continue to stand with Tianzheng Group Side! There will be a good show next."

Zhao Youcheng suddenly realized that the originally hanging heart also fell.

far away.

Xia Mu got out of the car and looked at her from a distance. When she saw the Maybach, the military vehicle, and some flower baskets visiting at the door, her brows wrinkled slightly.

She heard that someone dared to disobey her and joined Tianzheng Group, so she couldn't help but come over and take a look.

Unexpectedly, the power of the military involved behind the Tianzheng Group.

"Did you find it clear?" Xia Mu asked a middle-aged man next to her.

The middle-aged man nodded and explained: "At present, the champions of the Tianzheng Group are the rudder of the Yuhao Club, the two leaders of Jiangcheng, and Luo Zhengguo of military background. There are rumors that the king of Nanjiang is standing behind the rudder. Behind Luo Zhengguo is Bai Lixiong, the commander-in-chief of the military region.

I just don't know if it's the people behind them. "

Mother Xia frowned and sneered: "I know that both King Nanjiang and Bailixiong are impossible to intervene in the opening of Xiaoxiaojiangcheng Enterprise, and Ye Chen and Shen Haihua are not qualified to contact these two people! But let him With Luo Zhengguo to join in, Tianzheng Group is a bit capable, but I underestimate Ye Chen..."

"But if you dare to disobey my Xia family's will, you have to pay some price. Lord Ruo and Luo Zhengguo I am not moving, but the two leaders of Jiangcheng... are about the same age and should retire... You will meet with the above later. Get in touch..."

"Yes, ma'am."

"By the way, how about the things that I asked you to prepare?" Xia Mu said.

"Ready, in the car."

Xia Mu nodded, and walked towards Tianzheng Group: "Take it, it is so lively, we also give Tianzheng Group a celebration."

.....

Tianzheng Group, Xia Ruoxue's mood is like riding a roller coaster, ups and downs.

Her beautiful eyes have been staring at Ye Chen curiously.

She thought that Lord Ruo was already Ye Chen's biggest trump card, but she didn't expect that Ye Chen could even invite the leaders of Jiangcheng and people from the military area!

Although I don't know how this man did it, he has already given her a big surprise.

Suddenly, Xia Ruoxue's face changed!

She saw her mother walking slowly towards this side, and the more important person behind her mother was holding a small sculpture!

The weird thing is that the sculpture turned out to be a good boy!

How can there be a boy who opens for money to give away money!

This is a big taboo in Feng Shui, it indicates that companies can't gather wealth, only disperse their wealth!

She was trembling with anger! How can mother be like this!

The other people have noticed, their faces are quite ugly, but they know the identity of this woman, they dare not make any trouble!

Ye Chen's eyes shrank slightly, and a playful smile hung on the corner of his mouth.

It seems that Xia Ruoxue's mother really hates herself, is it because she broke the marriage of the Xia family?

Not long after, Mother Xia had already arrived in front of Ye Chen and ordered her servants to put the statue at the door. Then she came to Ye Chen, raised her head, and said lightly: "Mr. Ye is really young and promising. For such a great cause, I don't know why today. I went to a few flower shops and didn't

have any flower baskets. I simply gave up my favorite charity boy to Mr. Ye. I also hope that this boy can make Tianzheng Group's wealth grow..."

"Mom! You are too mean!" Xia Ruoxue really couldn't help it, angrily.

Mother Xia's face changed slightly, and she glanced at Xia Ruoxue and said, "Do you still have the Xia family in your eyes! Standing on the side of an outsider, even against the Xia family's meaning!"

Then she looked at Sun Yi again, and said coldly: "Director Sun, it's working time, you, as the director of Huamei Group, actually appear here! Do you know what it means? Starting tomorrow, you don't have to go to Huamei Group!"

Sun Yi's face was pale, she knew it would end like this, but she didn't regret it! She is really angry!

She glared at Mother Xia, threw out a resignation letter from her pocket, and said seriously: "Resign on resignation! I don't care about your Xia family's business!"

Seeing that a little girl dared to speak to Xia's mother, Ye Chen stood in front of Sun Yi just as she wanted to let the people around her do something, and her cold voice sounded: "You dare to move her to try! I don't mind letting you Disappear completely."

As soon as this word came out, Xia Mu was shaken back for several steps, and her heart thumped fiercely.

The two masters behind her dare not move!

is not the same level at all!

"You actually..."

Mother Xia just wanted to talk~www.mtlnovel.com~ Suddenly, there was a roaring noise from the crowd outside, which completely interrupted her thoughts!

She turned her head and saw a Bentley luxury business car slowly approaching!

She sneered, just a Bentley business car, a group of unseen buns.

But soon, her smile stiffened.

Because she saw the license plate!

She finally understood why there was such a big movement!

The license plate is South A88888!

"This license plate..."

Xia's mother opened her mouth slightly, her eyes widened to the extreme!

Looking at Jiangnan Province, this license plate is enough to be called the top license plate!

The key is that this is not something you can get with money! This must be the top power of Jiangnan Province!

The identity behind is probably scary to death!

She vaguely remembered that the Jiangnan Provincial Government seemed to give this license plate to a family.

As for which family she was, she couldn't remember, it happened many years ago.

The Bentley business car finally stopped.

The car door opened, and a burly middle-aged man walked down, holding two delicate flower baskets in his hand!

When I saw this man, Xia Ruoxue next to Ye Chen suddenly turned pale! The chest is also slightly ups and downs!

She knows this person!

A banquet a few years ago, this person was angry and directly caused a big earthquake in the political arena of Jiangnan Province!

because he is Zhou Fulu!

Zhou Fulu, political commissar of Jiangnan Province!

Chapter 112: What is the way!

Xia Ruoxue looked at Ye Chen and found that Ye Chen had no expression at all from beginning to end!

totally like a okay person!

Can't this guy give some reaction!

After all, I have to give Zhou Fulu some face!

Even the scared eyes of the rudder behind him are almost staring out!

Xia Ruoxue couldn't help it anymore, stretched out her hand and poked Ye Chen's waist.

"How do you know Zhou Fulu?"

Ye Chen shrugged and said lightly: "It turns out that this violent temper was called Zhou Fulu, and he almost fought last time."

Xia Ruoxue was startled, looking at Ye Chen like a fool!

Zhou Fulu is violent!

But this guy actually almost got into a fight with Zhou Fulu?

What a joke!

Who would dare to join Zhou Fulu in Jiangnan Province? You can't die!

In fact, Ye Chen was a little surprised at first, after all, he had a conflict with Zhou Fulu in the hospital.

He has experienced the opponent's violent temper.

But why did he change his **** to give him the opening flower basket today?

Does his dad mean?

Ye Chen glanced at Xia Mu's almost petrified smile, and knew that Zhou Fulu's identity was absolutely extraordinary!

At the gate of Tianzheng Group.

As soon as Zhou Fulu planned to put the flower basket on both sides, he noticed the pair of charity boys sent by Xia's mother.

Suddenly his face was a little wrong.

gave this thing to the opening, this **** is here to find something.

Soon, he glanced at a middle-aged man next to him, his eyes were a little flustered, obviously related to him.

He put the flower basket aside, and walked straight to the middle-aged man.

"You gave this thing?"

How dare the middle-aged man speak!

lowered his head and pretended not to hear it!

"Deaf?"

Zhou Fulu snorted coldly, his identity is not good enough to deal with this kind of person, and directly threatened: "I will give you three seconds. If you don't take it away, I promise to let you understand what my Zhou family means in Jiangnan Province. ."

Zhou Fulu knows very well that if you dare to give this thing to Tianzheng Group in front of the two Jiangcheng City Committees, your status is definitely not low!

"One, two..."

Before Zhou Fulu said three, the middle-aged man rushed over and directly picked up the good-for-profit boy on the ground and hugged him tightly!

He knew very well that he was only a subordinate of the Xia family. If the Zhou family had to deal with him, the Xia family would definitely abandon him without hesitation!

He can only rely on himself!

"Madam..."

After doing all this, the middle-aged man looked at Mother Xia and asked for help.

"Put things down, how can I get back the things my Xia family gave away!"

Mother Xia also eased from the shock, and the cold voice sounded even more!

Although she doesn't know why Zhou Fulu appeared here, right now, it has nothing to do with the grievances between the Xia Family and the Tianzheng Group!

is the grudge between the Xia family and the Zhou family in Jiangnan Province!

Zhou Fulu only noticed Xia's mother and smiled: "Oh, isn't this Mrs. Xia? What brought you here? Oh, look at my brain, it seems that the Xia family came out first to block the Tianzheng Group yesterday. Right."

Xia Mu's face was a little wrong, and she said coldly: "Zhou Fulu, why are you wandering in this muddy water! This is my grievance with the Tianzheng Group. Are you sure you want to take action? The friendship between the Xia family and the Zhou family for so many years may be caused by you. Ruined, do you know the consequences?"

Also, others are afraid of you Zhou Fulu, my Xia family is not afraid! "

Zhou Fulu glanced at Ye Chen, and then said to Xia Mu: "The Xia family can be regarded as a big family in Jiangnan Province anyway. It is ridiculous to come to such a small place to embarrass others! The face of the big family in Jiangnan Province has been lost by you. !"

Upon hearing these words, Mother Xia was angry!

She had heard of Zhou Fulu's madness before, but she didn't expect to be so mad!

"Zhou Fulu, you better figure out the seriousness of the matter! It is not you who sits in the position of the head of the Zhou family! You have no right to represent the Zhou family! And this time I came to Jiangcheng, every decision I made was the Xia family's current The patriarch, my husband personally allowed it!"

Mother Xia's voice was completely cold, and she said to the middle-aged man in the distance: "Put things down! You are from the Xia family, you should listen to me! No one is qualified to threaten you! Remember, everything that happens has Xia Home!"

The middle-aged man is really going to collapse. When Mrs. said this, he can only do it!

He was just about to let go of the son of good fortune, and a voice full of breath came from a distance:

"Fulu has no right to represent the Zhou family, what about me!"

Mother Xia trembled when she heard this voice, her eyes filled with panic.

"Impossible..." There seemed to be a voice roaring in her heart.

She turned her neck stiffly, and soon noticed that an old man in a tunic was walking towards this side step by step!

Almost instantly, her face was pale to the extreme!

The sudden old man, like a heavy hammer, split her heart to pieces.

Zhou Zhengde!

Clan Chief Zhou!

Once the champion of the War of Resistance against China!

How would it appear here!

and the other party's attitude is obvious! It means that the Zhou family will stand on the side of Tianzheng Group!

Why!

Who can tell her why!

Why would the Zhou family prefer to break with the Xia family and stand behind a young man who was genocated!

"Old Zhou..." Xia Mu could only say respectfully.

Unless her husband is here, she has no right to show any disrespect to the old man in front of her.

She is just a woman, and she has no right to speak in front of Zhou Zhengde, who really established the Zhou family's foundation.

When Zhou Zhengde passed by Xia's mother~www.mtlnovel.com~, his footsteps stopped intentionally, and he said in a straightforward voice: "Ye Chen is my little friend, if you Xia family wants to embarrass

him, huh! The Zhou family doesn't mind you. The Xia family is going to war! I only hope that Xia Hongye behind you has the courage to make this kind of decision!"

Threat!

Naked threat!

"Boom!"

Xia's mother only felt a coercion rushing toward her!

This is the coercion that Zhou Zhengde has condensed on the battlefield and politics for decades!

How can she be a woman who can bear it!

Her face was pale to the extreme, she has no right to refute it!

A few seconds later, "Let's go and go back to the villa." Xia Mu's tired voice sounded.

She is not reconciled!

But what can I do!

Jiang City Committee, Ruo Ye, the soldiers are not afraid of the Xia family!

Only Zhou's family! As a last resort, her husband Xia Hongye would never let the Xia family risk offend!

How strong is the economic strength of the Xia family!

Several students and subordinates of Zhou Zhengde even worked in the central part of the capital!

How did businessmen fight the Zhou family, which has a huge influence in politics!

Zhou Zhengde launched Weilai, maybe it could destroy everything in the Xia family!

Before Xia's mother left a few steps, she heard Zhou Zhengde's voice sound again: "Mr. Ye..."

She almost staggered and fell to the ground!

The key Zhou Zhengde's voice sounds respectful!

is completely different from the attitude of talking to her earlier!

is also respected as Mr. Ye!

Mother Xia's heart seemed as if tens of thousands of storms hit her. She turned her head and took a deep look at Ye Chen, wondering what she was thinking!

"Where did Ye Chen come from?"

Chapter 113: Bloody wind!

Tianzheng Group.

Ye Chen naturally heard the conversation between Zhou Zhengde and Xia Mu.

For Zhou's team, he understands what is behind it.

It can only be said that Zhou Zhengde has a vicious eye, and between the Xia family and him, he chose the latter without hesitation.

Even so, Ye Chen still bowed his hands and thanked: "Ye Chen thanked you here."

When Zhou Zhengde heard Ye Chen's thanks, he waved his hand quickly and said with excitement: "Mr. Ye, you are damaging me. If you didn't pull me back from the ghost gate last time, my Zhou family would have been exhausted. , The person to be thankful for is my Zhou family."

heard this conversation.

Xia Ruoxue was a little dazed.

What has Ye Chen been up to this time?

How did you save Zhou Zhengde again?

What can he save?

And Sun Yi immediately thought of the flamboyant pennants that Ye Chen left at home.

Combined with some recent events, she suddenly felt that Ye Chen seemed to be a genius doctor.

and he is an extraordinary doctor.

The muddy eyes of Master Ruo also showed a trace of seriousness.

Before, he didn't understand why King Nanjiang treated this twenty-year-old young man carefully, and he even knelt down and called him the lord.

It seems that the young man in front of me is really extraordinary.

Without taking advantage of the power of the King of Nanjiang, Clan Chief Zhou of Jiangnan Province was so jealous.

This relationship alone, from now on, no one dares to touch Tianzheng Group!

As for the two Jiangcheng City Committee No. 1 and No. 2, they narrowed their eyes, and they wrote down Ye Chen's appearance, and even thought about how to lean against Tianzheng Group in policy.

They do not ask Tianzheng Group to create political achievements for them, but hope that the young man behind Tianzheng Group will not lose his temper in Jiangcheng!

Their little hearts can't stand it!

Among all people, Shen Haihua knows Ye Chen's medical skills best! Naturally, I thought of the origin of the relationship between Ye Chen and the Zhou family.

His fist is clenched now! The blood seems to be boiling!

He knew he had bet right from the beginning!

Following this man, he will definitely be able to show his ambitions!

He asked Ye Chen for three conditions, one of which was to have a strong background!

Ye Chen gave him several amulets in one breath!

This background involves the municipal party committee and the rudder! It also involves the military and Zhou's family in Jiangnan Province! Now, looking at the whole Jiangnan Province, who would dare to stop the development of Tianzheng Group!

"It's ten o'clock, you can put the fireworks." A little sister at the front desk reminded her with a trembling voice.

Ye Chen nodded, and then said to the people behind him: "Everyone, go in and sit down. The group has prepared a small cocktail party for everyone."

"Good, good."

Ye Chen stood in the middle of a group of big men like this, and undoubtedly became the core of the crowd.

His words directly caused everyone to flood into the group.

Only Shen Haihua is still standing outside, looking at the crowd.

The reporters have already left. With the intervention of those characters, the news can only be reported objectively, and there can be no added fuel.

But they have witnessed this historic moment of the Tianzheng Group, and it is not a loss.

Maybe the photos in my hand can be auctioned for big prices in the future.

Just when the reporters were about to leave, a group of soldiers walked down, blocked their way, showed a document, and said directly: "According to the instructions above, every device must be inspected and deleted. Please cooperate! "

In an instant, the crowd was noisy again.

"Why don't the news report?"

"What right do you have!"

But when one of the leading soldiers showed out a certificate, the group of reporters was completely afraid to speak.

National Security Bureau!

.....

far away.

Chu Shuran glanced at the Tianzheng Building, her eyes flashing with anger and unwillingness, she turned around and left.

She knew that whether it was Tianzheng Group or Ye Chen, her Chu family might not be eligible to move anymore.

The Ye family trash from five years ago is no longer there.

Next, the people involved in the banquet at Yunhu Villa will pay a heavy price.

Because of Ye Chen, I came back.

"Miss Chu, you are gone, what should I do..." Zhao Youcheng just wanted to pull Chu Shuran over, but was directly pushed to the ground by Chu Shuran's bodyguard.

"Go!"

Chu Shuran left mercilessly.

Zhao Youcheng sat on the ground, his brain blank.

His first reaction, it's over, everything is over.

At this moment, he caught a glimpse of a dark shadow, he raised his head suddenly, and found that it was Shen Haihua!

He didn't care about his own face, he directly held Shen Haihua's thigh with both hands and said: "Haihua, we have worked hard for so many years, you will definitely help me, right!"

"Haihua, I apologize to you. The things I did to you before were instigated by the Chu family. You...you will definitely not blame me! We are brothers! Right!"

Zhao Youcheng is like a lunatic, he knows very well that only Shen Haihua can save him right now!

"Haihua, you must save me, otherwise my whole life will be over!"

Zhao Youcheng pleaded bitterly.

Shen Haihua trembled, his face flushed, and kicked Zhao Youcheng out. He shouted with all his strength, "Zhao Youcheng! I used to treat you as a brother! How about you! Do you treat me as a brother? You fell into trouble! Despicable! !"

All the emotions that Shen Haihua had suppressed just now were released at this moment!

If there was no Ye Chen, everything he had of Shen Haihua would be ruined today!

And this man at his feet will inevitably humiliate him mercilessly!

this is the truth!

What else does Zhao Youcheng want to say, Shen Haihua will not give him a chance at all!

"From today, I, Shen Haihua, and you have nothing to do with you. You can live and die for me! Someone will deal with you!"

After speaking, Shen Haihua turned and left.

Only Zhao Youcheng is left on the spot, and countless kinds of negative emotions roar in his mind!

Regret! Scared!

What he just wanted to say, outside of Tianzheng Group, a hundred fireworks suddenly bloomed!

A loud noise seems to have opened up a new era in Jiangcheng!

The prosperity of Ye Chen and Tianzheng Group has just begun!

.....

At the same time, UU reads www.uukanshu.com Jiangcheng International Airport.

Jiangdong Airlines SC8838 aircraft landed.

A rather weird team got off the plane, attracting passers-by crazy photos.

Just because there are a total of eight people in the team, but these eight people are wearing robes and walking on cloth shoes.

A white-haired old man headed by has extremely gloomy eyes, his hands are full of calluses, and he is behind him, and the temperament of a grandmaster makes passers-by retreat to both sides.

Some people even feel short of breath, their complexion flushed, as if the air has been ruthlessly drained!

"Master Chen! Here!"

A man with a horoscope beckoned outside, holding a pick-up card in his hand!

There are simply four words written on it-Jiangcheng Chen Family!

The old man's eyes condensed, and he walked directly to the eight-character Hu man, and soon a few people met.

The eight-character Hu man said respectfully: "Master Chen, you are finally here! My father held a dinner for you..."

He knows what the old man in front of him comes from!

Jiangcheng Chen Family Patriarch!

Although the Chen family has fallen, it is entirely because the old man is not there!

You must know that the old man was the first martial arts master in Jiangcheng! Powerful!

At that time, the Chen family's strength far surpassed the Chu family!

Now that the old man has been practicing in Wuyi Mountain for so many years, his cultivation level is bound to be even more terrifying!

If it were not for the destruction of the Chen family, the old man would not break the barrier ahead of time and return to Jiangcheng!

And starting today, Jiangcheng is destined to be bloody!

Chapter 114: My guarantee!

Jiangcheng Wanye Restaurant, VIP box.

Eight people are seated.

A good dish is on the table instantly.

"Zongshi Chen, come and come, I will toast you a glass, for so many years, Ji Rudong only serves you!"

a gray-haired man in a Tang suit said respectfully.

His eyes glanced at the grandmaster Chen Baoguo, and the murderous intent of the opponent's eyes made him feel a little palpitated.

He knew very well that if Chen Baoguo hadn't gone to Wuyi Mountain, the Chen family might have already jumped out of Jiangcheng and set foot on Jiangnan Province.

I don't know what level Chen Baoguo has cultivated in the mountains over the years.

Estimated to be comparable to Jiang Yuanli of the Jiang family.

Even though Ji Rudong was toasting, Chen Baoguo didn't want to lose face at all, and he didn't even intend to take the cup. Instead, he stared at Ji Rudong directly: "What happened to what I asked you to investigate? Who really killed my Chen family's grandchildren! Me! The Chen family is considered a big family in Jiangcheng anyway, who has such courage!"

His voice was cold, and the whole box seemed to be covered with death.

Ji Rudong and the eight-character Hu Man's face were a little pale.

They knew that Chen Baoguo was in the realm of the master, but they didn't expect that the realm was so terrifying!

The two glanced at the other seven, and it was obvious that each one was a master.

It seems that Chen Baoguo came prepared this time.

Ji Rudong took a deep breath and hurriedly said: "Zongshi Chen, my Ji family has been investigating the incident these days, even through the power of the Jiangcheng police to investigate, but for some reason, everything about that day was blocked for no reason! Obviously, the people who killed your children and grandchildren have a strong background..."

"Pop!" Chen Baoguo took a palm on the desktop!

Almost instantly, the whole table cracked! Plates of delicious food fell on the ground, and there was a crackling sound.

"Ji Rudong, I don't want to listen to nonsense, I just want to know the name of the murderer!"

Chen Baoguo stood up, his eyes were like eagles, as long as Ji Rudong didn't give him a satisfactory answer, the other party would die!

Ji Rudong's scared legs trembled!

He is an ancient warrior, and he is also a figure with a face in Jiangcheng, but in front of Chen Baoguo, there is no emotion at all!

He quickly took out a photo from his arms and carefully handed it over: "Zongshi Chen, although the police is not easy to investigate, I still found out some enemies that Chen Feng and others had made before their deaths. Among them, this kid had the biggest one. Suspected of murder, but there is no conclusive evidence..."

Chen Baoguo moved two fingers, and the photo was directly out of Ji Rudong's hand, and a blood stain was drawn on his hand, and then it fell accurately into Chen Baoguo's hand.

This single move directly set off a stormy sea in Ji Rudong's heart!

Chen Baoguo actually reached this state?

Horror!

Chen Baoguo glanced at the photo in his hand, it was exactly what Ye Chen looked like! He frowned, and said in surprise: "The other party seems to be only about 20 years old, how could he kill my Chen family? Is this person behind the martial arts family?"

Ji Rudong shook his head repeatedly: "Zongshi Chen, this kid is called Ye Chen. Before your son and grandson died, they had conflicts with this kid, and it is said that this kid is extremely powerful...decisive, but according to the latest news, It's better for Grandmaster Chen not to touch this kid... Behind him is the Zhou family in Jiangnan Province..."

Chen Baoguo's eyes condensed, and he roared: "I, Chen Baoguo, do things, and I need your guidance!"

In the next second, a horrible energy slashed away like a blade!

The monsoon head landed on the spot! The blood was directly on the broken table!

Shocking.

The eight-character Hu man saw this scene and knelt down: "Zongshi Chen calms down..."

Chen Baoguo snorted coldly, and just about to do it, the door of the box was pushed open, and an old man with a cane walked in!

is exactly the old man who was abandoned by Ye Chen!

Chen Baoguo saw Ming Lao, his eyes were startled: "You are not dead?"

Lao Ming threw away the crutches and knelt down in front of Chen Baoguo: "Master, I didn't protect the young master!"

Chen Baoguo hurriedly helped Ming Lao up, and he was shocked to find that the other party was already a useless person, and there was no cultivation level.

"Who did all this!"

His heart was extremely angry.

Ming glanced at the photo on the table, and a trace of horror flashed across his eyes: "Master, it's Ye Chen! Ye Chen from the Ye family!"

.....

Tianzheng Building, conference room on the 19th floor.

The opening storm has long since calmed down, and the big figures who joined in have also left one after another. Naturally, it was the first meeting of Tianzheng Group.

There were five people on the left and right, all of them were elites from home and abroad recruited by Shen Haihua.

Besides, Xia Ruoxue and Sun Yi also stayed.

Because of the Xia family, both of them were removed from the positions of president and director of Huamei Group. Ye Chen promised to be responsible for them.

Although the Tianzheng Group in Jiangcheng has just started, with the Zhou family standing in line, the Xia family will definitely not dare to move them!

Ye Chen sat on the top, his eyes swept across the crowd, without speaking.

The atmosphere is extremely solemn.

Mainly everyone hasn't been relieved from the morning shock!

They know very well that everything in the morning is the result of the top young man's efforts to turn the tide!

So they dare not speak, for fear of offending this man.

"Do you have nothing to say about the development of the group?" Ye Chen said seriously.

After the words fell, Xia Ruoxue said: "The only thing I am curious about now is that Tianzheng Group does not have the same product that it has sold. What development will it use?"

This is what she is most worried about.

Even if Ye Chen had Zhou family in Jiangnan Province behind him, Ye Chen would not be able to rely on Zhou family forever.

This kind of big family changes their faces too fast, and they have to be hard when they hit iron!

Shen Haihua also frowned and said, "Mr. Ye, this is what I worry about the most. If you don't have a direction, we can only take investment and the Internet, but we want to catch up with the Xia consortium in half a year~[www .mtlnovel.com](http://www.mtlnovel.com)~ is undoubtedly a fantasy."

This is reality, he must speak out.

Those elites were slightly surprised when they heard that they had caught up with the Xia's consortium for half a year, and couldn't help but take a breath!

Have a fart?

This is simply impossible!

When they looked at Ye Chen, they instantly thought that the other party was just a rich second-generation, and it was nothing more than the face of the family to know so many big people.

But this rich second generation really wants to develop a business? impossible!

The other party is obviously just for fun!

For a while, the whole conference room was a little noisy.

Ye Chen looked at everyone condescendingly, his eyes flickered with a hint of playfulness, and then he slapped on the table fiercely: "Be quiet!"

The next second, the conference room returned to silence.

"Our Tianzheng Group does not need the Internet and investment, we only do industry! And it is an absolute profiteering industry!"

Shen Haihua opened his mouth slightly, just about to say something.

With a "pop!" Ye Chen patted a document on the table!

Everyone looked at them, and suddenly their eyes shrank, because it said-Intermediate Replenishing Liquid!

"I assure you that one course of treatment can make any woman at least five years younger!"

Before everyone could react, there was another "pop" and another document was thrown on the table.

Blood Coagulation Yishou Wan!

"I assure you that this thing can extend the life of any old man by three years!"

At this moment, only Ye Chen's voice and everyone's rapid breathing remained in the entire box.

Chapter 115: There is no power to choose! (Also in the evening~)

The scene is a bit quiet.

After a long time, some people reacted and said, "This is a fake, how can there be such a thing in the world..."

"I graduated from Stanford University, and I have never heard of this medicine that can prolong life..."

"If there is such a thing, the top international pharmaceutical manufacturers should have developed it long ago."

There was a voice of doubt from the crowd.

Just then, an affirmative voice resounded throughout the conference room:

"This is true, I can guarantee my life."

It was Shen Haihua who spoke.

At this moment, Shen Haihua stared at the documents of Ningxue Yishou Pill and Intermediate Yanye.

Could this be fake?

Of course impossible!

Ye Chen can save even the dead, and even gave him a pill to increase his life span!

This kind of magical existence can only say that it is normal to take out these things!

With Shen Haihua's guarantee, everyone was stunned.

They don't know Ye Chen, but they know Shen Haihua.

Shen Haihua never joked about this kind of group development!

The key Shen Haihua has guaranteed his life!

Almost instantly, a pair of eyes looked at the two documents, a bit hot!

If this document is true, that day Zheng Group will undoubtedly have the world's top products!

For half a year, surpassing the Xia family consortium, how can it be impossible!

Naturally, Xia Ruoxue and Sun Yi were the least calm at the scene, their beautiful eyes were a bit wide.

They knew that Ye Chen had a magical prescription, and it was true! Great value!

But last time it was only a junior level, now Ye Chen actually took out an intermediate level!

is a level higher, the effect is naturally more powerful!

This is nothing, the key is now another blood clotting Yishou pill!

The three-year life span is not too much for young people like them.

But for those rich and dying, the price of one billion will buy it!

Throughout the conference room, everyone held their breath, and their hearts throbbed.

The things on the table are not exaggerated!

Ye Chen glanced around at the crowd, put his hands on the conference table, and continued: "I have done what I should do, and I will leave the next thing to you. I only have two requirements: first, mass production as soon as possible. And put it into use. Second, the prescription must be kept strictly

confidential! If anyone dares to leak the secret, I guarantee that he will not be able to get out of Jiangcheng alive!"

Threat!

Naked threat!

Shen Haihua stood up directly: "Mr. Ye, no problem, give me one month, I will definitely show you the scene of Tianzheng Group shaking the entire Jiangnan Province!"

"Okay." Ye Chen was very satisfied with Shen Haihua's attitude, then looked at Sun Yi and Xia Ruoxue, and asked, "What position do you want to take in Tianzheng Group, or the original?"

Sun Yi thought about it: "I can be in charge of the market."

Ye Chen thought that Xia Ruoxue would want to continue to be the president, but she shook her head directly: "The Xia family is still my home after all. I don't know how long I can stay in Jiangnan Province, so I won't have the position. What I can do for Tianzheng Group, I will do it. Of course, I have to calculate the salary, and the daily salary is 10,000 yuan."

Ye Chen could feel the helplessness in Xia Ruoxue's words.

Why is this girl suddenly pessimistic?

Ye Chen didn't think too much, and said directly: "That's it! Starting today, Sun Yi will serve as the vice president of Tianzheng Group, responsible for all marketing and marketing business of Tianzheng Group, and Shen Haihua will serve as CEO of the group! As for Xia Ruoxue, she is taking over. In the next few days, I have the decision-making power and the right to veto the development of the group."

"If everyone has no opinion, the meeting will be over!"

.....

Ten o'clock in the evening, most apartments.

The three were busy all night, and when they got home, Sun Yi went to wash up first.

On the balcony of the living room, Xia Ruoxue and Ye Chen just stood outside the window blowing the wind.

Ye Chen turned his head, this was the first time that he looked at Xia Ruoxue so close.

Xia Ruoxue's waterfall-like long hair just reached her waist, and her slender thighs wore a white and blue skirt, showing her perfect figure.

Coupled with the small waist that is gripped by Yingying, the round, beautifully-lined hips, and the towering peaks are really beautiful and amazing.

This girl should be God's most satisfactory work.

It's just that Ye Chen could feel Xia Ruoxue's emotions seem to fluctuate.

"Ye Chen, I'm actually quite curious about you." Xia Ruoxue said, "Where have you been in the past five years? Why have you changed so much? According to my survey of you, you were just a Waste... Uh, it should be said that it is a very small existence."

Ye Chen did not speak, silently lit a cigarette and started smoking.

At that moment, a fair-skinned hand stretched out, took off Ye Chen's cigarette, and whispered, "It's not good for your health to smoke less."

Ye Chen didn't know whether to laugh or cry. As a cultivator, how could nicotine affect him? It was just a habit.

He doesn't have any cravings, so he won't smoke if he doesn't smoke.

Xia Ruoxue took a red wine glass, took a sip, was a little drunk, and muttered to herself: "Ye Chen, I actually like this place. It's much better than my living environment, but I may be leaving soon. , Xia Family, no matter how I hide, I still have to go back. After I go back, it may be difficult to come out again, but I will always think of this time on the balcony."

"You are drunk." Ye Chen didn't understand why Xia Ruoxue was so sad. She just wanted to grab the wine glass, but she didn't expect Xia Ruoxue to finish the red wine directly, and even poured another glass on the balcony table.

There are tears in the corners of his eyes.

"This is the case with the children of a large family. Outsiders envy us, but we envy ordinary people."

"If one day I can choose, I hope to become like Sun Yi."

Xia Ruoxue said to herself like this~www.mtlnovel.com~"You are really drunk, stop drinking..." Ye Chen persuaded.

Xia Ruoxue blushed, and in the next second, she hugged Ye Chen directly, and her **** red lips kissed her directly.

Ye Chen was completely unprepared, what is the president of Bingberg going to make?

Throw your arms around?

He couldn't help but swallowed lightly, the slight movements seemed to be sucking the tip of her tongue.

He could feel Xia Ruoxue's heavy breathing and flexible tongue demanding something.

He subconsciously tightened his hands, hugged Xia Ruoxue's waist, pressed her tightly and pressed her close to him.

Xia Ruoxue opened her eyes wide, her knees softened by Ye Chen's kiss, her numbness felt like waves of ocean waves, constantly washing her back...

For a long time, there was a little movement in the bathroom, and Xia Ruoxue quickly broke free of Ye Chen's embrace.

His eyes were a little flustered.

She didn't know why she did that.

This is her first kiss in the true sense.

Unexpectedly, he gave it to Ye Chen.

She touched her cheek and found it was hot. She tried to recover a little calmness and said to Ye Chen: "This kiss is an accident. Just forget it. I might be drunk."

After speaking, he quickly turned and walked towards the room.

The moment the door closed, Xia Ruoxue squatted down with a trembling body and buried her cheeks on her thighs.

She took out her phone, and there was only one text message from [Xia Hongye] on the phone.

"The wedding date has been set, just five months later! Ruoxue, you have no right to regret. You should know the consequences of offending the Qin family, the first martial arts family in Jiangnan Province!

You should be fortunate, because the one you are going to marry is Qin The martial arts genius of the family!"

She deleted the text message and cried silently...

Chapter 116: What kind of monster is this!

Ye Chen naturally didn't know what happened to Xia Ruoxue. He smoked a cigarette directly on the balcony and heard Sun Yi urging him there.

"I'm done washing, who of you washes?"

Sun Yi was wearing pajamas, and her hair was a little wet. Because she was not wearing a bra, Ye Chen's nose was a little hot due to the rough feeling when she walked.

Didn't she know that she had a big breast, she still came like this?

This kind of fiery figure swayed in front of him, it was really difficult to control.

Sun Yi went around in the living room and found Xia Ruoxue in the room, so she asked her if she wanted to take a bath outside. Xia Ruoxue replied hoarsely that she was a little uncomfortable, and she would wash later. Sun Yi could only give up and looked at Ye Chen. He smiled and said: "Xiao Chenzi, today you are lucky to be the second one, go quickly and remember to leave some hot water for Ruoxue."

Ye Chen nodded, took a set of changed pants from the room, and walked to the bathroom.

Just then, Sun Yi received a call.

To her surprise, the call was actually made by Aunt Zhang, who was barbecued by the husband and wife.

Last time I went to dinner with Ye Chen, I specially left a number, so that if I go next time, I can let them prepare the dishes in advance.

This is the key point, what did Aunt Zhang call her?

"Hello? Aunt Zhang..."

.....

One minute later.

"Boom!"

Ye Chen just took off his shirt in the bathroom, and found that the door was pushed open by Sun Yimeng!

"Sun Yi, you are sexual harassment..." Ye Chen joked.

"What is the harassment, something has happened! Hurry! Put on your clothes and let's go out!" Sun Yi said eagerly.

Ye Chen realized that Sun Yi had changed his clothes, and he was obviously ready to go out.

"What's wrong? So hurriedly."

Ye Chen asked as he put on his clothes.

"Don't ask, I'll tell you in the car!"

Not long after, Sun Yi stopped a taxi and said directly to the master: "Master, go to Jiangbei University! The sooner the better!"

"Good." The master stepped on the accelerator directly and the car rushed out.

Ye Chen glanced at Sun Yi, frowned and said: "Now you can talk about it."

Sun Yi's face was a little heavy, and she said softly, "You should remember Wang Yuheng."

"Of course I remember, aren't they the sons of Uncle Wang and Aunt Zhang? Back then, I was a year younger than us, and always called me Brother Chen. When I was alienated by everyone, he was with me. I planned to go back this time. Look at him, there has been no time, but he seems to be still in college." Ye Chen said.

For Wang Yuheng, Ye Chen was actually a little grateful.

When he was scolded for waste by everyone, Wang Yuheng also stood up to reason for him, but was beaten.

Even this guy is afraid that he can't think about it, and deliberately pulls him to the barbecue stall at home every day to eat and drink.

This is also one of the reasons why he and Aunt Zhang and Uncle Wang got together.

If you want to say these years, his friends in Jiangcheng, except Sun Yi, Wang Yuheng should be the second.

"What's wrong? Wang Yuheng is studying at Jiangbei University?"

Sun Yi squeezed the phone tightly, as if determined, and said: "Wang Yuheng, I was beaten and broke a hand."

Hearing these words, Ye Chen was startled, and immediately a wave of nameless anger burned in his heart!

He understands Wang Yuheng, honestly! clever! Motivate! His character generally does not offend people!

But now, how can someone be beaten?

The key is to break a hand!

Who the **** moved his hands, it's impossible to find death!

Sun Yi seemed to have expected Ye Chen to get angry, and quickly persuaded: "I don't know the reason for the matter. Don't be impulsive when it will pass."

Ye Chen suppressed the anger in his heart forcibly, what he thought of, said seriously: "I broke my hand, shouldn't I go to the hospital the first time? How did you go to school?"

Sun Yi took the phone and slammed into the air. This was where she was most angry.

"I heard Aunt Zhang said that not only was Wang Yuheng interrupted by someone, but the other party refused to let anyone take him away. No one from the ambulance came and the school was also blocked. Obviously, the attacker had a background. This should be why Aunt Zhang called us."

"What! Fuck!"

Ye Chen couldn't help but explode! Pressing the palm of his hand on the door of the taxi, an extremely deep depression appeared.

.....

Jiangbei University.

Sun Yi and Ye Chen got out of the car and hurried to the university.

Although it is night, the lights on the campus are very bright, and more importantly, there are screams and screams.

Six or seven security guards stood in front of the school, waiting in full battle.

When they saw Ye Chen and Sun Yi approaching, they quickly said, "Show your student ID!"

Sun Yi smiled and said to the uncle security guard: "Uncle, if you didn't bring your student ID, you will be accommodating. You will close the dormitory door later. Credits will be deducted... You see that we are obviously students. Yeah."

If you change to normal, the school security will definitely be accommodating, but today there was a major incident in the school. The school leaders ordered no outsiders to come in, and they did not dare to take it lightly.

"No! You can't enter without a student ID. Call your counselor to prove it!"

Sun Yi is speechless now, they are not students from Jiangbei at all, how can there be a counselor phone call!

"Go! What nonsense with them!"

Ye Chen's cold voice came.

He walked straight into it without any scruples!

"Stop!"

A few security guards just wanted to stop Ye Chen, Ye Chen stepped on his footsteps, and an invisible wave of air instantly formed on both sides. The security guards took five or six steps backwards and almost fell to the ground as if they were hit by something.

"You kid--"

The security guards reacted and pulled out the sticks around their waists as they planned to stop Ye Chen. The next second, they stopped one by one! The whole person is even more petrified!

Their pupils are dilated! It's like hell!

I saw Ye Chen come directly to the middle of the two iron doors, putting his hands on the iron doors!

Power burst! The steel bars of the iron gate are instantly twisted!

This is the **** iron!

Not only that~www.mtlnovel.com~ The two doors were also pulled down by Ye Chen forcibly!

These are two iron doors!

was directly twisted into a ball of iron bars!

Ye Chen didn't stay at all, and slammed!

"Hah!" As if cutting through the sky! Inserted in front of a few security guards! Sank deeply into the ground.

blocked the way of security!

A few security guards who approached even sat on the ground in shock.

"Is this a **** human!"

Everyone is staring at Ye Chen!

Fear! Scared! I am afraid that the other party will rush them!

"Do you want to stop me!"

Ye Chen turned his back to them, and his cold voice sounded!

Suddenly, he turned around, scanned the audience, and shouted: "School is a place to teach and educate people, not a place to help and abuse! If you still want to block me, I don't mind breaking your body!"

"Pump!"

The security guards knelt in shock!

What the **** is this devil! For a moment, he even felt dying!

It's like that kid sucked all the air around! A pair of invisible hands strangled their throats!

Once you resist!

only one dead word left for them!

Ye Chen snorted and grabbed Sun Yi's hand directly: "Let's go in!"

Sun Yi's brain was blank. She knew that Ye Chen had served as a soldier and was good at fighting, but it was too bad.

The two steel gates were directly twisted like this!

"Hi! What kind of monster Ye Chen is!"

Chapter 117: Ye Chen who went wild!

Jiangbei University, male dormitory E2 floor.

The atmosphere is extremely solemn.

There were several circles of people inside and outside, mostly students who were attracted by the movement.

is a completely numb face.

In the middle of the crowd.

Aunt Zhang held the injured Wang Yuheng, sitting on the edge of the flower bed, shaking.

She hurts!

Wang Yuheng has always been her pride. She has a good academic record since she was a child, and she is sensible. She finally got admitted to the best university in Jiangcheng, but she was interrupted by someone in the university!

The key is that these beasts are so powerful that they are still colluding with the school, and even calling an ambulance is useless!

Raid: Shadow Legends! Play Now!

All messages are blocked!

What kind of sin was created!

Uncle Wang holds a stick in his hand, just like this, blocking the front of Wang Yuheng and his wife, protecting the mother and son with his stubborn body!

And several people stood in front of him.

Headed by is a young man wearing a brand-name casual clothes. The young man's eyes are full of arrogance, and a woman with a pretty hot figure is nestled in his arms.

It looks like it should be a couple.

There were two burly men standing beside the arrogant young man, with short heads and bulging muscles, which was very scary.

In addition to these, there are a few middle-aged people with big bellies behind the man, who should be school leaders.

The school leader bowed his waist and said a few words to the proud young man from time to time, with a smile on his face.

The arrogant young man cast his eyes on Wang Yuheng and sneered: "Wang Yuheng, who the **** did I think you were looking for, it turned out to be these two old things."

Wang Yuheng shot out flames in his eyes, stood up, but was pressed down by Aunt Zhang again!

"Yu Chengdong, you dare to scold my parents for a try!"

Obviously, the proud young man is called Yu Chengdong.

For Wang Yuheng, no one can insult his parents! If it weren't for his parents to get him up early to earn tuition, he would not be able to go to university!

Although he was not born in a rich family, he is satisfied with such parents!

For so many years, he has been studying hard and studying at Jiangbei University just to get ahead!

But who would have thought that Jiangbei University today completely chilled him!

dignified school leaders actually pleased a student with a background at home at all costs!

What kind of world is this!

Yu Chengdong took a step forward, Uncle Wang became vigilant and waved the stick in his hand: "Don't come here, I've already called the police. If you move my wife and children, I will also drag you to death!"

"Call the police?" Yu Chengdong smiled, "It was your **** who touched my girlfriend. The police are here. Maybe your son will be locked in!"

"I don't!" Wang Yuheng almost roared.

In the evening, he had just started studying in the library to return to the dormitory, but he was caught by a few people somehow, and even beaten up!

When there were more onlookers, the woman next to Yu Chengdong stood up and accused him of attacking his chest.

As a result, this group of people fought harder.

He didn't understand everything until he saw Yu Chengdong appear!

Just three days ago, he witnessed Yu Chengdong almost raped a girl in the school grove, and he slapped Yu Chengdong directly with awe-inspiring justice!

And all this is obviously the revenge of Yu Chengdong!

He knows the identity of Yu Chengdong. His father Yu Xingbang is the boss of Xingbang Industrial. He eats all black and white in Jiangcheng, and his methods are perfect!

How could a poor student fight against such a rich second generation with a background!

He asked the school for help at the first time, but who would have thought that the vice-principal and the dean of the Academic Affairs Office would instead stand on Yu Chengdong's side, accusing himself of being inferior! Destroy the reputation of Jiangbei University!

Yu Chengdong looked condescendingly at the family of three in front of him: "A group of old immortal things dare to threaten me? You provoke Jiangcheng Yu family?"

"And you, Wang Yuheng, aren't you very capable? I'm just **** upright and abandoning your hand, what can you do to me! I'm just being poor, and I dare to learn from others and be nosy! I don't know who gave birth to a **** !"

Wang Yuheng couldn't help it anymore, broke free of Aunt Zhang, and kicked directly towards Yu Chengdong!

Yu Chengdong didn't move a bit, one of the men with an inch head beside him directly grabbed Wang Yuheng's leg and pressed it down, and a heart-piercing pain struck in an instant.

"what!"

Then, Wang Yuheng was thrown out.

Looking at his son being bullied in this way, Uncle Wang directly drew out the stick and smashed it towards the cuff. The cuff snorted and slapped his palm on Uncle Wang's chest. How did Uncle Wang hit such a professionally trained guy? , A handful of old bones fell heavily to the ground.

Yu Chengdong hugged the woman in his arms and stepped on Wang Yuheng's chest: "Aren't you very good? Move me and try! Let me take care of my business, I will not only make you unable to stay at Jiangbei University, Don't even think about staying in Jiangcheng!"

Aunt Zhang's face was pale, and she hurriedly went to the school's leadership: "Vice principal, can you help us Yuheng, he even got a first-class scholarship last year..."

Unexpectedly, the vice-principal directly shook Aunt Zhang to the ground: "You idiot who doesn't have eyesight, offends people who shouldn't offend, ask for trouble!"

After finishing ~www.mtlnovel.com~, the vice-principal came to Yu Chengdong's face, changed his expression, respectfully said: "Yu Shao, what should I do next? Shall I put this kid in for a few days? I have A relative is at the Jiangcheng Police Station..."

Yu Chengdong ignored the other party, but looked at Wang Yuheng from a condescending position, and suddenly thought of something: "Hey, I seem to have remembered something wrong. You touched my girlfriend with the right hand...what I just gave up was like your left hand..."

Wang Yuheng's eyes were full of anger, and he just wanted to get up, but was held down by those two inches.

"Yu Chengdong, you must die, someone will cure you!"

Yu Chengdong laughed loudly: "Heavenly King Lao Tzu can't cure me, Yu Chengdong! I will abolish your other hand today, so you can't hold a pen for a lifetime!"

After finishing speaking, Yu Chengdong raised his leg fiercely and stepped on Wang Yuheng's right hand!

This step definitely ruined a person!

Aunt Zhang's face changed, Uncle Wang wanted to get up, but found that he didn't have any strength!

He is extremely desperate and regretful! Why didn't I work hard when I was young!

Just when Yu Chengdong's feet were about to fall, a screaming roar sounded from the outside: "Try to move him!"

In the next second, the crowd of people seemed to be torn apart by a hurricane with a ruthless hole!

Some students even felt an extremely terrifying force coming from behind, and directly threw them away!

The shadows pass through!

It is Ye Chen who came in a rage!

Ye Chen saw that the beast was about to step on it, and a wave of true energy condensed in his hand, directly blasting out!

Yu Chengdong only felt that his eyes were dark, and he flew out!

"bump!"

smashed heavily on the ground, his back hurts!

Chapter 118: It's you!

Ye Chen glanced at the three people on the ground, and quickly helped Uncle Wang and Aunt Zhang up first, the two of them were not injured too much.

Then, he helped Wang Yuheng aside and said with concern: "Hengzi, how do you feel?"

Wang Yuheng stared at Ye Chen fiercely, suddenly found something, and exclaimed: "You are Brother Chen! You... why are you back!"

Ye Chen nodded, but when he noticed Wang Yuheng's other severed hand and the bruised face on his body, he suddenly curled up with blood!

If you didn't come in time by yourself, the consequences would be disastrous!

Once his hands were abandoned, his Wang Yuheng's efforts for the past ten years were in vain!

He has experienced Wang Yuheng's despair, he knows the pain in Wang Yuheng's heart at this moment better than anyone!

The key is that he never thought that it was a student who abolished Wang Yuheng's hand!

Are universities so social now?

The most unbearable thing is that all this happened in front of school leaders!

What qualifications does such an inactive leader have to teach and educate people!

Social garbage!

Not only that, but also the indifferent people around!

From beginning to end, no one stopped, and no one even called the police!

They just watched these three vulnerable groups being bullied indifferently.

What kind of world is this!

Is this a numb Chinese?

"Brother Chen, don't mix up this matter, I can handle it." Wang Yuheng smiled, looking relaxed.

Ye Chen understands Wang Yuheng's character. He patted his shoulder and said seriously: "Just because you have always called me Brother Chen, today, I will breathe out for you!"

Wang Yuheng's face changed drastically. He knew Ye Chen's strength. He was bullied every day five years ago. He didn't say a word, and the key was not to fight.

Even if you can fight, things will only get more troublesome!

The Yu family is extremely powerful in Jiangcheng!

"Don't don't... Brother Chen, I beg you."

But Ye Chen had already let go of him and walked towards Yu Chengdong step by step.

Wang Yuheng just wanted to stand up and grab Ye Chen, Sun Yi had already squeezed in and held Wang Yuheng.

"Hengzi, you are injured, how about letting sister see the injury?"

Wang Yuheng was startled when he saw Sun Yi, then he reacted and said excitedly: "You...you are...Sister Sun Yi, why are you here too, wow, I almost can't recognize you..."

"But with so many people on the other side, and Chen Ge's strength..."

Before he finished speaking, Sun Yi interrupted: "Don't worry about him. Now no one in Jiangcheng dares to touch him."

"What? Sister Yi, what are you kidding?"

.....

this moment.

Yu Chengdong has been helped by the vice principal and the dean.

"Yu Shao, you... are you okay?"

Yu Chengdong pushed away the two of them. Regardless of the dust on the clothes, he stared at Ye Chen who came over and said angrily: "What the **** are you, dare to move me?"

Ye Chen's eyes are cold, with a strong killing intent: "Since your parents can't teach you how to be a human being, I will teach it myself today!"

Yu Chengdong felt that something was wrong, and hurriedly said to the two men with short heads next to him: "Help me interrupt this kid's hands and feet!"

"Yes, master!"

After , the two men with short heads dashed forward, with their right hands claws, shocking like an eagle and a rabbit!

is very powerful.

Yu Chengdong narrowed his eyes, revealing the winner's smile.

Because he knows that these two inch positions have the foundation of Guwu, he has been with him for two or three years and has almost no defeat.

In his opinion, the young man with short eyes is about to fall to the ground, kneeling to beg for mercy.

Ye Chen sneered watching the two strong winds approaching.

"Trash like you is only rationed to this kind of stuff as a dog! Get out!"

Ye Chen stretched out his hands calmly, and directly clasped their wrists!

The expressions of those two inch heads changed a lot, because they felt that their bodies were frozen by a force!

can't move at all!

In the next second, Ye Chen suddenly exerted force, and his fingers were directly buckled into the wrists of the two like steel needles! Blood bursts instantly!

Those two inch heads took a breath, and before he had time to scream, Ye Chen folded his hands and said, "Crack!" With a sound, the most important bones of the two arms broke directly!

The piercing pain hits, making it uncontrollable even with two inches, screaming!

But all this is not over yet, Ye Chen brought a burst of energy with both hands, and his arms suddenly contracted!

Those two inches suddenly collided!

The powerful force directly made the faces of the two people bloody! A mouthful of blood came out of his mouth!

"Guwu didn't let you bully the weak!

"Boom!" Ye Chen slammed the two out! The waists of the two of them smashed against a tall pine tree!

almost twisted!

The two may not die, but they are useless from now on, and they are no longer qualified to use martial arts!

From Ye Chen's shot to when the two were thrown out like mud, the entire process took only five seconds!

Only five seconds!

The key method is extremely cruel and fierce!

At this moment, the whole world is extremely silent.

can't even breathe.

Those students can't even react! They knew how terrible the two men around Yu Chengdong were.

I used to lift the Taekwondo Club and Karate Club with one hand!

But such a terrifying existence can't last for five seconds in front of that young man?

still beaten to death?

Wang Yu is stunned, his brain is blank, is this Brother Chen he knows?

That Brother Chen who was called trash by the whole school?

This is too good to fight, it's like a war machine rushing into the crowd!

Invincible!

There was a flame in his heart for some reason! The blood is boiling! He also wants to become stronger!

Ye Chen's icy eyes fell on Yu Chengdong~www.mtlnovel.com~ and walked over step by step.

Yu Chengdong's face was pale, who knew that this guy in front of him could beat him so well.

I always thought that the strongest bodyguard was directly maimed, and he didn't even hold it for five seconds!

The sudden blow was like a heavy wound hitting him severely!

He stepped back subconsciously, and even pushed the woman in his arms to Ye Chen!

Ye Chen glanced at each other indifferently, rouge and vulgar fan! Even though he has a hot body, it looks neat at first glance, which is incomparable to Sun Yi's real hot body!

One is the earth, the other is the sky!

"Go!"

Ye Chen slapped the woman out with a backhand and slapped the woman to the ground. Blood spilled from the corner of her mouth.

"You...you hit a woman?"

Ye Chen sneered: "Believe it or not, I dare to kill women!"

The woman's eyes narrowed, she was really scared!

And judging from the other party's behavior just now, this man is a thug, he can do anything!

"I'll just ask you, my friend, have you ever molested you! If you dare to tell a lie, I will break your neck on the spot!"

Threat!

Naked threat!

The woman glanced at Yu Chengdong and found that the other party had shrunk to the back, she couldn't count on it at all! Regardless of everything, she hurriedly knelt to tell the truth: "No...no, it was Yu Shao who made me wrong Wang Yuheng..."

All the truth is revealed!

"Slap!" Ye Chen slapped another backhand! This slap directly slapped the woman with blood, and the whole world was spinning for her.

Ye Chen doesn't hit women, except for this kind of bitch!

Chapter 119: What to fight!

Then, Ye Chen walked in the direction of Yu Chengdong again.

At this moment, Yu Chengdong had already hid behind the two school leaders and quickly dialed his father's phone!

Until now, only the father can save him!

"You two, help me stop this guy!" Seeing that the call was not available, Yu Chengdong ordered the two school leaders.

Those two pale faces, how dare they stop the evil **** in front of them!

But the vice-principal still said solemnly: "Which department are you a student, do you know that beating is illegal? When the time comes, the police..."

Before he finished speaking, Ye Chen scolded angrily: "Kneel down!"

The two school leaders who were directly frightened by the powerful pressure directly knelt on the ground, their bodies drenched!

"Just because of you, you are worthy of being a leader, and worthy of teaching and educating people! It's just a dog of the rich!"

"Yes Yes Yes....."

What can the two of them say, they can only nod their heads again and again!

They are almost on the verge of collapse!

They thought that as long as they kneel down and show their stance, the man would not trouble them. Who could have imagined that the other party raised his foot mercilessly and kicked him on the vice principal.

The vice-principal rolled over, and the whole person lay on the ground and ate the soil.

"You owe Aunt Zhang for this foot."

After doing all this, Ye Chen's eyes finally fell on Yu Chengdong.

icy cold.

Like a **** of death.

Yu Chengdong sat on the ground in shock, but soon the phone got through!

"Chengdong? Why do you call me so late?" There was a majestic voice on the other end of the phone.

Yu Chengdong seemed to have caught the last straw, and quickly roared excitedly: "Dad! Someone wants to kill me..."

Yu Xingbang on the other end of the phone was startled. He thought his son was joking, but his tone seemed to be wrong, and he said seriously: "What the **** is going on? Who is going to kill you? Aren't you at school!"

Yu Chengdong hung up the phone quickly and directly sent a WeChat video call.

answered almost in seconds!

"Dad, I'm at school now, you send someone over, or you really want to collect my body..."

Yu Chengdong watched Ye Chen get closer and closer, and he panicked to the extreme.

Through the video, Yu Xingbang found his son's pale face and was completely angry!

Who the **** dare to touch his Yu Xingbang's son with so little eyes!

"Chengdong, give him your mobile phone, and I will tell him! I want to see who dares to touch my son in Jiangcheng!"

"it is good....."

Yu Chengdong quickly raised the phone to face Ye Chen.

"Don't come here, my dad wants to talk to you! My dad..."

Before he finished speaking, Ye Chen rushed forward, slapped Yu Chengdong's face with his backhand!

This palm doesn't have the slightest breath, but it is not something that ordinary people can bear!

Yu Chengdong fell two meters away! The corners of the mouth are bloody.

He clenched his phone tightly, and shouted, "Dad, save me! When will your people come over!"

But when he swept to his father on the other side of the screen, he found that his father was motionless, his face was ugly, his mouth trembled and his voice was chanting Ye Chen...

You must know that Yu Xingbang's Xingbang Group is one of the companies that publicly blocked Tianzheng Group. The key is that he witnessed the entire opening process of Tianzheng Group this morning!

Unforgettable life!

Tianzheng Group is standing behind the municipal committee! Stand the rudder! Standing military!
The key is the top family in Jiangnan Province!

His Yu family only has some money, so what is it to fight against this top power?

"Dad, what are you doing?" Yu Chengdong said in a panic.

In the next second, a shocking roar came from the phone: "Yu Chengdong! Are you **** looking for death? How did you mess with that guy from the Tianzheng Group! You can die outside for Lao Tzu!"

Soon, Yu Xingbang noticed the appearance of Ye Chen in the screen, changed his violent attitude just now, and said excitedly: "Mr. Ye, I belong to Xingbang Group..."

Before he finished speaking, Ye Chen stepped on the phone, and the screen was black and cracked.

Yu Chengdong's only support was destroyed! The point is that he just discovered that his father was actually pleasing the man in front of him!

even gave up his precious son because of this man!

how is this possible!

Before he could react, Ye Chen's icy voice sounded: "You like to interrupt other people's hands and feet? Maybe you should try that taste."

The words fell, Ye Chen fiercely stepped on Yu Chengdong's arm, "click!" With a sound, the bones shattered!

Yu Chengdong screamed frantically, trying to struggle, only to find an invisible force locked in him.

Immediately afterwards, there was another "click!" Yu Chengdong's other arm was also lost!

Ye Chen actually doesn't like torturing such people, just wasting his time.

But he was too angry, because if he didn't come, Wang Yuheng would be injured.

And it will be a more painful price.

Wang Yuheng is the only hope of Aunt Zhang and Uncle Wang. If they are destroyed, the whole family will be hit.

There were screams from downstairs in the entire male dormitory, and the eyes of the two school leaders beside him were full of horror.

They have just felt Yu Xingbang's attitude change. They know very well that the man in front of them is so unscrupulous and the background is absolutely terrifying!

The key Wang Yuheng's student status information, there is no such big person at all!

Not only the two of them, all the onlookers at UU Reading www.uukanshu.com couldn't help taking a breath. They wanted to take it out with their mobile phones, but when they thought of the man's methods, they gave up again.

Some students even left quietly!

This place is not for people at all.

Yu Chengdong has passed out completely, no different from a useless person.

At this moment, the police sirens made a big noise, and a group of police officers rushed in shortly after.

Ye Chen didn't pay any attention, he called Bai Libing and came to Wang Yuheng's face.

Wang Yuheng still had some reaction: "Brother Chen, you..."

Ye Chen smiled, and lifted Wang Yuheng's broken arm: "It will hurt a little, so bear with it."

In the next second, Ye Chen turned slightly, directly correcting the dislocation of the bones, and at the same time a puff of real energy poured into Wang Yuheng's arm.

The warm feeling envelops the injured area and the pain is relieved a lot.

Wang Yuheng even found that his hands were a little conscious.

"At that time, I will dispense some medicine for you. After a few days, it should be almost the same. If you are not at ease, you can go to the hospital to take a picture."

"As for that guy and the school, I will say hello, in the future, when you go to school here, no one dares to move you!"

Ye Chen's words were beyond doubt, and they clearly fell into the ears of the two kneeling school leaders.

Like a needle stick.

Five years ago, Wang Yuheng protected him with kindness.

Five years later, he repaid him with his strength.

Wait until Wang Yuheng's injury healed, Ye Chen would also give him some mental methods and martial skills to practice if he had plans to embark on a journey of cultivation.

Of course, it all depends on the other's choice.

Chapter 120: Murder in the dark!

Jiangcheng Chen's Villa is brightly lit.

Chen Baoguo frowned as he looked at all the information on Ye Chen.

"This guy is actually Ye Tianzheng's son? The Ye family is just a small family in Jiangcheng. How could such a character be born?"

Elder Ming also opened his mouth and said, "Master, the Ye family has been destroyed. There is nothing to be afraid of. The only trouble is the forces behind the Tianzheng Group, the rudder, the municipal party committee, and the military region. We can all ignore it, but the Zhou family has a very attitude. It's clear, just to protect this son..."

"If we kill this boy, there will be trouble, and the National Security Bureau is very likely to stare at this boy!"

Chen Baoguo's eyes were cold: "Huh! What about the Zhou family and the National Security Bureau! This son killed my Chen family, my revenge is justified! Not only that, doesn't this kid care about the two women around him, I took him personally, Kill in front of him! Let him experience despair!"

Seeing that the old man had been dazzled by anger, he turned his eyes and thought of something. He quickly reminded: "Master, I have a way. Not only can I kill this man in front of everyone, I can only kill him. Family heroism can also make Guoan and Zhou family helpless!"

"What way?" Chen Bao Guodao.

"Since that kid Ye Chen is an ancient martial artist, you might as well use a book of life and death to force him to go to the martial arts platform! On the martial arts platform, life and death are fateful! No one can stop him! With the master's strength, he will be easily killed! "

Chen Baoguo's eyes brightened, but after thinking of something, he said: "My strength is enough to crush this. If he has a little brain, he will definitely not accept the martial arts platform!"

Old Ming smiled grimly: "Ye Chen can't help him if he doesn't accept it. If the master threatens the woman next to him, dare he agree?"

Chen Baoguo's eyes narrowed slightly. Although this behavior is a bit despicable, it is nothing in the face of his own hatred!

At this moment, a majestic voice suddenly came: "For Ye Chen, how about me?"

Chen Baoguo's expression changed slightly when he heard this voice!

He stepped into the realm of the master, and he has not found anyone until now!

how is this possible!

A few seconds later, the door was directly pushed open, and a middle-aged man in a robe appeared in the sight of Chen Baoguo and Ming Lao.

Seeing this man, their eyes shrank together!

Because the other party is Jiang Cheng's hidden martial arts family Jiang family! Jiang Yuanli!

Why did Jiang Yuanli come uninvited?

Chen Baoguo was not at all angry. In terms of strength, Jiang Yuanli is not necessarily weaker than him. He arched his hands and said, "Master Jiang, what wind brought you here?"

Jiang Yuanli walked straight to the sofa, lifted his robe slightly, and sat opposite Chen Baoguo. He glanced at the photo of Ye Chen on the table.

In the next second, he pressed his finger on the photo with terrifying force. He even went through the photo and even poked a hole in the marble table.

Then, he faintly said: "Come for this son!"

Jiang Yuanli has used almost all his power in the past few days. Although all monitoring has been maliciously erased, but Skynet has recovered without leakage, he still found the murderer behind his son, Ye Chen!

Not only that, but during the investigation, he even accidentally discovered that another force was also investigating this little beast!

is the master of Chen Jiagang's return-Chen Baoguo!

After some understanding, he found that Chen Baoguo was more miserable than him. Not only his son was dead, but even his grandson was also dead!

The forces standing behind Ye Chen are complicated. Even if his Jiang family is a martial arts family, he still has to be a little afraid of Zhou family and the National Security Bureau.

And he came this time to find allies!

Chen Baoguo glanced at the traces of the marble table, his eyes showed a gleam of light, and tentatively asked: "Does Jiang Zongshi have hatred with this son?"

Jiang Yuanli snorted coldly: "The hatred of a lost child is not shared!"

Hearing this sentence, Chen Baoguo was startled, and then slapped on the table with a palm: "Okay! In that case, starting today, the Xu family and the Jiang family are allies!"

Jiang Yuanli nodded, what he wanted was this result: "By the way, I heard that you are going to write a war book and let this boy go to the martial arts platform?"

"Yes, this is the only way at the moment. Even if this child is assassinated, the National Security Bureau and the Zhou family will definitely find that it is more interesting to beheaded, right?" Chen Baoguo said gloomily.

Jiang Yuanli's eyes flickered with murderous intent, and added: "I have a more optimized plan. I have investigated this son and now lives in a Dadu apartment. There are two girls who are ambiguous with him. They should be confidantes. We will send someone to plunder. How about one?"

When the time comes, he will definitely go and rescue him himself. As a result, we can understand the true strength of this person. Secondly, I want this kid to be tortured! It's too cheap to kill this son by Budotai alone! I can't swallow this breath! My Jiang family is willing to send three top powerhouses! "

Chen Baoguo thought for a few seconds, glanced at the disciples behind him, and made up his mind: "Okay! I am willing to send my four strongest disciples! I want to see what this kid is fighting against us!"

.....

Ye Chen and Sun Yi left Jiangbei University at 12 o'clock in the evening.

Although Ye Chen treated Wang Yuheng's severed hand, it shouldn't be a big problem, but Aunt Zhang was still a little worried~www.mtlnovel.com~ Lianye and Uncle Wang took Wang Yuheng to Jiangcheng Orthopedic Hospital.

Ye Chen also understands the two couples. After all, they have been hurt for a hundred days. He said so easily, how could the two couples believe?

Breaking a hand is not a trivial matter. If it is not cured, it may be ruined for a lifetime.

As for Yu Chengdong, school leaders and others, they were taken away by the police directly.

With Bai Libing's relationship, the Jiangcheng Police Department didn't even plan to let Ye Chen take notes.

This may be the so-called relationship society.

Because of Jiangbei University's relatively low position, Sun Yi played online for a long time and no one took the order. She regretted that she had driven the Beetle out.

If things were not too urgent, she would not have brought the car keys when she went downstairs.

"Forget it, let's go some distance, maybe there is a car ahead." Ye Chen said.

"Good." Sun Yi nodded.

The wind was a bit strong in the early morning, so Ye Chen took off his coat and put it on Sun Yi.

Sun Yi's body trembled, glanced at Ye Chen, and said nothing.

After not knowing how long, she suddenly said: "Ye Chen, five years have passed, why do I feel that you are so strange now? It's as if you have become another person. Sometimes I can't understand your personality and methods. It's just like twisting the iron door off just now, this is incredible..."

Ye Chen stretched his waist and said lightly: "I have understood a truth for so many years. There are only two ways to live a human being! Either be changed by the rules or changed by myself! I want to be the latter."

Sun Yi read the sentence lightly, and just wanted to ask something, a taxi just came.

"Master! Here! Stop!" Sun Yi beckoned.

Soon, the taxi stopped in front of the two of them.
