Chapter 1171: Ha Tenya!

The power of the reincarnation cemetery has repeatedly emphasized that in the end, the reincarnation cemetery will not be Ye Chen's hole card.

The biggest trump card is the blood dragon bred.

From Jiangcheng to Jiangnan Province, to Beijing, and even Kunlun Xu, Ye Chen almost broke a **** road.

Countless blood qi is absorbed by the blood dragon, and the blood dragon in the body grows as if it can practice cultivation!

Ye Chen could feel the blood dragon's future!

But the blood dragon needs an opportunity!

Turn into substance and fly into the opportunity of nine days!

Ye Chen's body continued to hear the sound of dragons! The flesh even has a crackling sound!

"Master, leave these guys to me!" Huang Zhantian stepped out, holding his fist!

Ye Chen glanced at Huang Zhantian, without any expression, just nodded.

Huang Zhantian got Ye Chen's permission and rushed out immediately. The long sword shook the valley up and down with unparalleled might!

"Everyone, kneel down! Sorrow!"

A scream resounded across the valley, shocking everyone!

"Zhantian, why are you following Ye Jitian?"

"Ye Jitian killed our Huang family genius disciple?"

Huang Wuqiang asked, the mysterious iron war spear in his hand turned a brown luster, a rune lingering around the gun body, light burst out, sweeping through the sky, the fighting spirit was awe-inspiring, but not the strongest state.

"I know it naturally!"

"However, I have appointed Ye Chen as my master!"

"If you don't want to die, if you don't surrender to my master as soon as possible, you may be able to bypass you and wait for your life!"

As soon as Huang Zhantian said these words, everyone in the valley directly exploded!

the host?

No one would have thought that Huang Zhantian, a genius with a distinguished status, would actually regard a madman as his master!

What qualifications does Ye Jitian have!

This is simply an insult to the Huang family!

Many disciples of the Huang family yelled: "Huang Zhantian, you are not worthy to be our young master, you actually recognize Ye Jitian as the master!"

"Our master is only the Blood Spirit Race! Have you forgotten what the elder told us!"

"Huang Zhantian, you are a dog!"

"Huang Zhantian, you are not worthy of being a member of our Huang family!"

"Dog?" Huang Zhantian snorted coldly, and said angrily: "Now when a dog is still alive, he doesn't even have a life when he isn't! The master's merits are good fortune, and you are lucky to be a master's dog!"

He waved his hand to interrupt the sword, turning his golden brilliance all over, and asked: "I will ask one more time, do you surrender or be a dog?"

"Huang Zhantian, dream!"

Shattering! !

One after another, the sword qi, the spear gang jumped and killed, and the mighty power was terrifying, it seemed to take the life of Huang Zhantian!

Huang Zhantian didn't intend to persuade from the beginning. With such a tone, it is no wonder that the crowd below attacked him!

boom! !

Huang Zhantian exploded a lot of sword energy with one punch, then turned over and shot Huang Wuwu with a sword.

In the distance, Ye Chen pinched his fingers, and the five humanoid weapons on the seventh floor of the Dao Source Realm suddenly shot out. They had no feelings and no pain. They were completely unbearable to retreat and dodge attacks. They directly entered the crowd. Minutes, he had already killed ten geniuses of the Huang Family in the Void King Realm!

Ye Chen didn't have the slightest pity for these people from the Huang family.

If you don't use it, I'm afraid it will also be used by the blood spirit tribe and endanger the entire Kunlun Xu!

Kunlun Xu has someone he loves, as well as his parents and relatives, Ye Chen will never let Kunlun Xu have an accident!

"Ye Jitian!"

"You forcibly subdued the Huang family, it was too much!"

"Ye Jitian, you have to pay the price of blood for killing my Ling Haizong people!"

In an instant, Wanyan broke the army, as well as a strong man from the eighth layer of the Dao Origin Realm, and simultaneously shot towards Ye Chen!

Boom boom boom! ! !

A round of sword rain shot out, across the sky, like a meteor shower, bright and beautiful, but with an incomparably powerful killing power, it moved the world up and down, causing hundreds of thunder snakes to roar out!

Boom! !

A round of sword gangs that summed up the sky fell from the sky, like the Milky Way falling stars, terrifying!

These people, placed outside of the Blood Spirit Secret, are among the best!

Some people have not low rankings in the sky list!

Every move has no inheritance!

Can't be underestimated!

At the same time, all kinds of weapons, all kinds of qi, and blood came out, like thousands of stars falling, and the aftermath alone shook the ground to cracks, turning countless vegetation into ashes, as terrifying as the world was destroyed!

"Four people make a move together? You really see me!!"

"If it were before, I might be afraid of it! But now I want to say that you are qualified to take my shot!"

Ye Chen's complexion remained unchanged, holding the Jiuyou Skykiller, turned around and stab a shot violently, the tip of the gun glowed with ice-blue luster, and the gun beam turned into a glacier leaping down, with an unstoppable air force to destroy everything. Crash out!

Ye Chen had already mastered Lin Qingxuan's three great spears, and with a single blow, he could burst out endless spear intent!

This is also the benefit of stepping into Daoyuan Realm!

Kendo and gundo are all Tao!

The Jiuyou Heavenly Killing Spear changed a lot, stabbing hundreds of spears!

Every spear is incomparably real, as if time and space are separated, tracing the past thousands of years, to bring the sky back to the thousand years ago, terrifying, the six blood spirits have fallen, and the entire blood spirit secret realm has little power. Can resist!

Hundreds of spears, attached to the glacier, formed a fierce attack that covered the sky!

Rumble! !

Glacier took the lead in defeating the spears shot by the chaotic spears, and the strong aftermath shook the chaotic spears hundreds of meters away.

Then, the glacier directly wiped out the meteor shower formed by the sword qi, and then smashed the sword gang. At the same time, the Wanyan Pojun and a golden genius from the source of the Daoyuan realm were beaten back tens of meters and rolled back to the ground. The injury is serious!

One person, one shot, against two Dao Origin Realm ninth-level geniuses, and one Dao Origin Realm eighth-level genius!

As a result, the three geniuses were hit hard, Ye Chen was only at the source of the Dao, but he was unharmed, and the glacier he hit was still going forward.

The two geniuses of Ling Haizong in Daoyuan Realm, seeing the glacier spear intent to kill, each squeezed a hand to fight, and a blue dragon phantom appeared behind it. It was a phantom caused by secret law, but its power was not bad. , The sound of dragon chants shook the sky, causing rocks to collapse!

Roar! ! !

Roar! !

The sound of dragon roar spreads beyond the sky, majestic! !

In the blink of an eye, the glacier crushed the two phantom shadows of the blue dragon, and at the same time beat the two heavens of Ling Haizong into blood mist!

Boom!!!

Boom!!

The glacier ran across the entire Potian Valley!

The three geniuses of the Void King Realm, all fell, were directly pressed into blood mud by the glacier, or directly beaten into blood mist by the hundred guns behind!

Now, there are only twenty-seven people left, all of them are Daoyuan Realm!

Ye Chen is almost qualified to be honored in this secret realm!

This is his chance!

But out of the secret realm, facing Mr. Jingshui, it is not so easy for the powerhouses of the big families!

Ye Chen's body is getting stronger and stronger!

The devilish energy on his body was also covered, as if he was wearing a cloak!

Chapter 1172: Rolling

At this moment, Huang Wuqiang is fighting with Huang Zhantian.

Wanyan Pojun and several geniuses on the eighth floor of the Dao Source Realm have been hit hard!

"not good!"

"What is the path of Ye Jitian? This is not the power of Dao Origin Realm at all! He can even burst into Emperor Venerable Realm in Dao Origin Realm! How could it be possible!"

Five Yellow Guns, at the cost of being wounded by Huang Zhantian, forcibly withdrew from the battle group, omitting to the west. He had just left less than a kilometer before he was repelled by Ye Chen's countless sword rains!

bang bang bang! ! !

bang bang! !

The five yellow spears constantly attacked the sword formation set by Ye Chen. Not only did they fail to break the sword formation, they were also pierced by several sword qi, and the blood flowed!

Collect hundreds of warriors! Play free!

When he looked back at the situation in the valley, his expression changed drastically, "How...how could this be!"

"There are so many powerful people, so Ye Xitian led the six traitors to fight like this!"

"how come....."

Huang Wuqiang saw Huang Zhantian and five humanoid weapons, besieging Ling Haizong and the disciples of Luanqiangmen. The two sects were already seriously injured, not to mention that Huang Zhantian's combat power was still in full bloom, and he attacked Wanyan Potian and others. Simply easy!

The five humanoid weapons are even more painful, and they have severely injured dozens of Daoyuan realm disciples!

Nowadays, almost no one can stand!

Even standing, his eyes only have fear!

This is the fear of the strong!

Yellow Five Guns are sure that once Ye Jitian leaves the Blood Spirit Secret Realm, the entire Kunlun will be in chaos!

If the Kunlun Void top family and forces outside knew what Ye Jitian was doing in the Blood Spirit Secret Realm, their first reaction would be to kill! !

Before that, although Ye Jitian destroyed some sects, he didn't feel any threat to those top sects!

But now, Ye Jitian stepped into the Daoyuan Realm, but he has the power of the Emperor Realm!

is definitely a stumbling block to those top sects!

Those old monsters will inevitably erase Ye Xitian at all costs!

In the Secret Realm, the three on the 9th floor of the Daoyuan Realm, two of them were seriously injured except the Yellow Five Spears, the five on the 8th floor of the Daoyuan Realm, and the seventh on the 7th floor of the Daoyuan Realm, all injured!

The remaining seven disciples of the Three Schools of the sixth-tier Dao Source Realm, can't last long!

boom! !

There was a loud noise, and a humanoid weapon was shattered.

It was Huang Xuejun who was killed by Luanqiangmen and all the disciples of Ling Haizong, and his body was blown to death.

But shortly afterwards, the other four humanoid weapons attacked them and defeated them again. Two disciples of the Huang family from the sixth level of the Dao Source Realm died on the spot!

The battle below is constant, all kinds of brilliance burst out, countless crystals are elegant, mixed with sword aura and spear, and there are many sword auras, the scene is magnificent and terrible, Ye Chen above, looks down on the audience like a demon!

At this moment, the yellow five guns have long since disappeared!

He looked at Ye Chen and said with no strength: "Ye Jitian, how are you willing to give up?"

"You should be very clear about this answer!" Ye Chen's palm flickered a dazzling divine thunder, directly injuring two Huang Family geniuses on the eighth floor of Dao Origin Realm, looking down at the audience with terrifying eyes, slowly said: " You three factions!"

"If I surrender and sign a slave contract, I can wait for my life!"

"If you don't descend, you will be destroyed!"

Surrender? Sign a slave contract?

He had to be above the sixth level of Dao Source Realm before he had the qualifications to be favored by Ye Chen.

The three geniuses of the other realms, even if they want to surrender, it is impossible. The realm is too low to come and useless!

"Senior Ye, I give up resistance!"

Ling Haizong, a genius at the seventh level of the Dao Origin Realm, threw away the long sword and knelt on the ground and shouted: "I am willing to surrender! Senior Ye, I am willing to surrender, either as a cow or a horse! I beg you to live around me! !"

While he kowtow, he thought to himself: What is it to kneel and kowtow!

As long as you live, you can do anything!

Ye Suotian's strength, resistance is completely looking for death!

Immediately, this man sacrificed a drop of blood and shouted, "I am willing to surrender and serve Senior Ye for life!"

"I am willing to surrender too!"

"I surrender!"

"I am also willing to surrender and serve Senior Ye for my whole life, letting go of the trend..."

.....

Immediately, ten geniuses surrendered!

Ling Haizong and Luanqiang faction's only remaining Dao Source Realm, except for Wanyan Pojun, all knelt on the ground and surrendered.

Pieces of essence and blood appeared, Ye Chen released his own essence and blood, completed the contract, and at the same time erased their minds, turned them into humanoid weapons, and attacked those who had never surrendered!

In a short time, the battle scale had completely fallen to Ye Chen's side!

Ye Chen didn't care about the lives of these people.

Although the Huang family does not have the blood of the blood spirit race, if given the opportunity, everyone present will stand on the side of the blood spirit race.

A genocide, there is no reason to live!

Just when the game was almost crushed, a rebuke resounded through the sky!

"You bastards!"

"We are servants of the noble blood spirit race! How can we kneel down on this kind of trash! I just don't surrender or die..."

A Huang family genius is extremely angry! He shook his spear violently while using his fists and feet together.

He is on the eighth level of the Dao Source Realm, and the Tao of Huangchuan emerges behind him, bursting with a breath of ice, and the ice suddenly turns into a sky-filled ice sword, and he kills the five humanoid weapons in front of him!

Ye Chen glanced at the Huang family genius, and shook his head helplessly: "I don't know how to live or die!"

The next second, Zhanlongwentian sword fell in the palm of his hand!

A sharp and infinite sword slashed across the sky, as if to cut the entire secret realm, a sword was sacrificed, the cloud movement was released, and all directions bloomed!

Wow!!!

Jian Gang cut everything on the spot!

The Huang family genius hasn't reacted yet but it has turned into a blood mist!

A Peerless Genius of the Huang Family from the eighth-tier Dao Origin Realm, but he didn't stop Ye Chen's sword!

"hiss—"

The rest of the people were so breathless!

Dao Source Realm eight heaven!

was killed so easily, what is there to resist!

It's all looking for death!

Immediately, there was a sound of Jin Ge, and the other nine Huang Family geniuses threw down their swords and shouted at Ye Chen: "We are willing to surrender, we can be slaves or servants, as long as you give you a way out!"

"We can serve you and fight for you!"

"Please accept us!"

Ye Chen immediately released his essence and blood, combined with their essence and blood, and established a slave contract. With his backhand, his thoughts and consciousness were obliterated, turning them into nine humanoid weapons, without any thinking ability, only Humanoid weapons fighting for Ye Chen!

In this way, there are 23 humanoid weapons!

Two pieces on the eighth floor of the Daoyuan Realm, nine pieces on the seventh floor of the Daoyuan Realm, and five pieces on the sixth floor of the Daoyuan realm. Of course, including Huang Zhantian who is besieging the chaotic spear and the Wanyan Broken Army!

Chapter 1173: All is ready except for the opportunity!

"Surrender!"

"I have surrendered to my master, are you sure you want to resist?"

Huang Zhantian slammed a punch, layer upon layer of fist strength, hitting a phantom, forcing Yan Pojun to retreat!

"You were all beaten to death by my master, what are you going to beat? Hurry up and surrender. If it weren't for my master to cherish talent, you would have been killed long ago!"

Huang Zhantian looked at Ye Chen with great respect, and said: "Master, wait a minute! These three, I must convince you!"

"No need!" Ye Chen stepped out, holding his hands behind him, exhaling and inhaling, turning his devilish energy, his eyes swept over Wanyan Pojun, Huang Wushang and others, "You guys, if you can stop me. You can leave at will!"

"Of course, if I can't stop it, I will kill you directly!"

Hearing these words, Wanyan Pojun was startled, and the expression in Ye Chen's eyes changed!

He dare not do it!

How to resist such a strong attack!

The key is that he can't see Ye Chen's strength at all!

"Is there a third option?"

Wanyan Pojun still said.

He stared at Ye Chen, waiting for Ye Chen's answer.

At this moment, Huang Wushang was silent, he carefully looked at the surrender of Huang Zhantian, he knew the other party, and the other party had always been arrogant in the Huang family!

But now he is so flattering to an outsider!

I must have seen the power of this masked Ye Jitian!

It's like a nightmare!

Although Ye Xitian gave them two choices, he knew very well that there was actually only one!

However, being able to follow such a powerful figure as Ye Sutian, if Ye Sutian wins in the end, it might be a kind of glory!

He Sunye Killing the Heavenly King is over the world, and he can also stand on the side and rub his majesty!

"The third choice?" Ye Chen looked plain, with no expression, "The third, surrender, contract!"

Huang Wuqiang took a deep breath and shouted: "I Huang Wuqiang, willing to serve Ye Chen as the master, I have voluntarily served as a slave for life, serving Master Ye, always loyal, never betrayed, if there is betrayal, my soul will be destroyed! "

Wanyan Pojun took a deep breath, tearful eyes, and shouted: "I Wanyan broke the army, serving Senior Ye as the master. I have voluntarily been a slave for life, serving the left and right sides, and never betrayed. Destroy, not to die!"

After that, the two of them spilled a drop of blood!

Ye Chen also released two drops of essence and blood, merged with them, and two slave contracts were formed!

From this moment on, Huang Wuqiang and Wanyan Pojun have become Ye Chen's slaves. Ye Chen is in charge of life and death. If these things are spread to the outside world, these two peerless geniuses with such great names would be willing to be slaves. Being a servant will definitely cause an uproar!

Now, count it all down!

Ye Chen's slaves, on the 9th floor of the Dao Source Realm, have a total of four, namely Huang Zhantian, Huang Wuqiang, and Wanyan Breaking the Army. This strength is not trivial. It can destroy the small sect that generally does not have the emperor's state. Next!

Ye Chen raised his head and looked at the sky, the blood spirit secret realm has already appeared a line of lines, it is estimated that it will be opened soon!

Time to go out too!

I don't know what kind of expressions Han Daoshan and those high sect elders will look like when they see themselves!

Seeing what Ye Chen was thinking about, Wanyan Pojun hurriedly came to Ye Chen and said excitedly: "Master, where are we going next! Where do you let me go, I will never look back!"

Ye Chen glanced at Wanyan Pojun. He didn't have a slight impression of such flattering people. He looked in the direction of Han Yun's mansion and said directly: "Follow me."

"Yes, master!"

"Yes, master!"

Huang Zhantian and the others bowed their heads, and followed the 23 humanoid weapons, turning into streamers, and the follower Ye Chen went straight to Han Yun's residence!

Blood Spirit Secret Realm. Originally, there were elixir, genius treasures, etc. in various places. It was a secret realm used by various sects and families to cultivate geniuses against blood spirit races. Of course, it was to resist blood spirit races in name. One hundred powerhouses of the emperor realm, so as to be ravaged by the blood spirit race!

But, up to now, this thing is impossible!

It will never be possible, because Ye Chen turned out to be born, and Kunlun Xu will no longer be able to send the blood spirit tribe a strong emperor.

There are so many scattered repairs and sects entering the blood spirit secret realm! But in the end there is very little left!

A large part is controlled by Ye Chen!

...

Han Yun Mansion.

Han Yun had already forcibly broken through the blood spirit secret realm, and set off to some ancient families in advance to discuss with his old friends about fighting the blood spirit race and reconciling all the forces in Kunlun Xu.

Ye Luoer stood in the middle of the yard, pacing back and forth.

She can always feel some kind of dormant power in her body boiling lately.

Countless voices circulated in her mind, which annoyed her.

In this world, besides her master, the only person she believed in was Ye Chen.

But Mr. Ye hasn't appeared yet, she is afraid of any accident.

She stared at her surroundings, and suddenly stood up, staring at a figure!

Among them is Ye Chen!

"Mr. Ye is back. But how about so many people accompanying him?"

She gave birth to lotus step by step, her pleated skirt was extremely beautiful, and she jumped out and said, "Mr. Ye!"

Many casual cultivators also heard Ye Luo'er's figure and raised their heads. When they saw the group of figures, one of them even exclaimed: "No, the Huang family is here too!"

"what?"

"People from the Huang family!"

"The Huang family? Brothers, do it!"

In an instant, dozens of masters of the Dark Palace Void King Realm rushed up.

However, they changed their minds, it seems wrong, these Huang family members are so surrounded by our palace master, it seems that they have become our palace master's subordinates?

"Mr. Ye, who are they?" Ye Luoer asked, with her innocent and cute cheeks, Ye Chen couldn't help but squeeze.

Ye Chenxin happily retracted her hand, her eyes fell on Huang Zhantian and the others, and explained: "Huang Zhantian, Huang Wuqiang, Wanyan Pojun, and others are all used by me now!"

"what!"

"The two heads of the Huang family have actually become servants of the palace master?"

"Ling Haizong's true biography major disciple has become the slave of the palace master? How is this possible!!"

"And that big disciple of the True Spears, who is actually a slave of the Palace Master?"

Zhou Yan, Gu Tian, Nangu, etc., all talked a lot, looking at all this in front of them in disbeliefHuang Zhantian!

Huang Wuqiang, Wanyan broke the army!

These are all peerless geniuses at the ninth level of the Daoyuan Realm. They were actually dormant one by one by the palace master, and all became the servants of the palace master. The palace master is too powerful!

"Master, other people in the Huang family?"

"Hall Master, where are Ling Haizong and the others at Luan Qiangmen?"

Ye Luoer and Ye Lingtian widened their eyes and looked behind, but they didn't see anyone else.

Ye Chen's expression was flat and said: "Those people have already been killed by me. For the rest of them, I think their cultivation is not low, and they don't want to be destroyed directly, so they are simply driven by slaves, although they are also in the dark palace. , But it is the body of a sinner, you don't have to fear their cultivation!"

Chapter 1174: Leave the secret!

At the side, Han Tian rolled his eyes with horror when he heard Ye Chen's words.

Who could have imagined that such a strong man would be Ye Sutian's slave!

This is the ninth level of Dao Source Realm who has entered the secret realm, all of which have become his slaves!

There are also seven Dao Source Realm eighth level, the same realm as him, this is simply unexplainable!

Fortunately, fortunately!

He didn't take the risk, otherwise he would be one of the servants now!

Ye Jitian, absolutely can't mess with it!

After leaving the secret realm, you must tell the Patriarch immediately!

Ye Lingtian on the side swallowed, and said excitedly: "Hall Master, so many slaves, Palace Master, our dark hall will definitely shine in Kunlun Xu!"

"That's natural!" Ye Chen immediately handed over ten humanoid weapons to Ye Lingtian, and said: "These slaves are handed to you. They are all six or seven layers of the Dao Source Realm. They are enough to deal with many people. After the secret realm, you need to operate secretly so that you can expand and complete the mission of the dark hall!"

"Task?" Ye Lingtian asked: "What task?"

Ye Lingtian's eyebrows showed a puzzled look.

He looked at Huang Zhantian and others standing beside him, and asked quietly: "Does the Lord want his men to use these people to arrest the geniuses of the major clans? Or rather, it is important to assassinate the major clans? character?"

"No!" Ye Chen flashed a fierce color between his eyebrows, and said: "I hope you secretly find out the families and sects that take refuge in the blood spirit race!"

The blood spirits oppressed Kunlun Xu for three thousand years!

But not only the Huang family betrayed.

According to Ye Chen's knowledge, there are still many families behind!

It may even be scarier than the Huang family!

These vampires hidden in the darkness are sucking up the blood of Kunlun deficiency bit by bit!

Non-my family, its heart must be different.

"Hall Master, say so."

"I'm afraid, there are a lot of sects and aristocratic families relying on the Blood Spirit Race!" Ye Lingtian was a little worried, and said: "It is of course not a problem to clean up the rebellious small sects and small families. But big families, such as the Huang family, are somewhat difficult, but as long as the master I am absolutely obliged to speak!"

Ye Chen patted Ye Lingtian on the shoulder and said with a smile: "You are going to deal with the Huang family, then who shall I deal with? You are not the one who snatches the life!"

He beckoned to Huang Zhantian and asked, "You should know that the Kunlun Xu family, like your Huang family, have betrayed Kunlun, right?"

"Master, this...I really don't know, but over the years, some families have been closely related to the Huang family, and I have accidentally overheard the conversation between my father and several people, it is about the blood spirit race!"

"I'll write down these families right away!" Huang Zhantian looked sincere and knew that Ye Chen's butcher knife was about to face other rebellious families.

He quickly expressed his determination and said: "I became the master's slave, and the master allows me to do anything, including asking me to go back and kill my ancestor of the Huang family. It's just that you can kill it, not necessarily."

He thought in his heart: Now his life is in the hands of the master!

I can be regarded as standing on the boat of the master, I must do more!

I must let the master see the value of my existence and strive to win the favor of the master!

Wow! !

Huang Zhantian took out a pen, took a piece of straw paper from Han Tian's hand, and wrote directly.

"You write slowly, and talk about it in the evening!" Ye Chen took Ye Lingtian, Ye Luoer, Zhou Yan, Gu Tian, Nangu and other current dark temple powerhouses to another house and set up sound insulation. Formation, a secret meeting began.

The strategic meeting is about to begin!

This meeting is very similar to that when Ye Chen established Tianzheng Group in Jiangcheng, he convened employees above the manager level to discuss the strategic meeting of annexing and cannibalizing other companies!

The dark palace is now Ye Chen's company!

Other families and sects are rival companies!

The mall is like a battlefield, and now the battlefield is also a mall!

"Hall Master!"

Everyone got up, clasped their fists!

"Sit down!" Ye Chen sat on the front seat and said: "This meeting is to determine the direction of our dark palace!"

"I believe Ye Lingtian has told you about the blood spirit tribe's affairs and the pattern of Kunlun Xu's major sects!"

"So I just go straight to the most important part!"

Five people, including Ye Lingtian, Ye Luoer, Gu Tian, Nangu, and Zhou Yan, carefully took notes while listening.

They know very well that the words of the Lord will determine everything!

It can even be said that the entire Kunlun virtual pattern.

Ye Chen glanced at everyone, and said: "Originally, the dark hall was a dark hall hidden underground, but now the Kunlun virtual pattern is different from the outside. I intentionally split the dark hall into two, and one of them continues to be the dark hall. The other one was changed to the Palace of Light!"

"The responsibilities of the dark hall continue to lurch, except for all difficult factors for the bright hall!"

"At the same time, including the annexation and destruction of sects and families that have already taken refuge in the blood spirit race, Ye Lingtian led five Daoyuan realm 7th-level slaves and five Daoyuan 8th level slaves. Among the annexed families and sects, there are high-level willingness Those who surrender can be escorted to me to set up a slave contract to serve our dark temple!"

"As for the Palace of Light, it is in the bright place!"

Ye Chen paused for a moment, thought for a while, and then said: "The rest of the sects and families that have not taken refuge in the Blood Spirit Race. I will let Han Yun and Shengcao Temple help Guangming Temple!"

"Now, ask if you have any questions!"

Zhou Yan stood up first and asked, "If there is a strong emperor in the sect in charge of the dark temple, how can we solve it?"

"You can go to the Holy Grass Temple and ask for support! If the enemy's imperial state is too strong, I will personally take action! Like the biggest Huang family, I will personally break them down. The responsibility of the dark temple is to deal with people under the emperor's state. !" Ye Chen explained, his whole body glowing with sword aura, an aura that people can't look directly at, quite like a superior person, his words are irreversible even in heaven.

"Hall Master!"

Ye Lingtian got up, lingering in the light cyan luster, and asked, "Then which sects are our goals?"

"This goal Huang Zhantian has already written it!" Ye Chen took the paper that Huang Zhantian handed over, his eyes filled with cold air, and said flatly: "Huang Zhantian, you go down!"

"Yes, Master!" Huang Zhantian sweated profusely, lowered his head, and did not dare to look at Ye Chen at all!

He ran out anxiously, Ye Chen's breath of suffocation was simply too strong!

Ye Chen picked up the paper and looked at it, slightly surprised.

In addition to the Huang family, it also includes the Cui family, the Wang family, and the Shanguan family!

Ye Chen didn't know these three families, but he had also heard that Xu had great power in Kunlun!

The key to these families is definitely not as simple as the surface!

Not only that, Huang Zhantian also wrote five sects!

These five sects are Linghaizong, Luanqiangmen, Qingluanzong, Juwuzong, and Haitianzong!

Chapter 1175: Turtle in the urn!

Ye Chen thought that there were only a few sects and powers who took refuge in the Blood Spirit Clan, but now it seems that it is far from that simple! !

even more!

Among them, Qingluanzong and Juewuzong are the two major sects of Qianjuecheng and Ye Chen as their enemies. At the beginning, they assisted Mr. Jingshui to persecute Ye Chen. If it were not for the help of Luoia Luoyao of Danxu Tower, Ye Chen might have difficulty fleeing Qian. Absolute city!

"Except for the nine forces!"

"There are other small sects and small families, there are 21 in total, and no emperor realm powerhouse is sitting here!" Ye Chen looked at Ye Lingtian and the others, and said: "After the bleeding spirit secret realm, you will surrender with ten. Of slaves, one family after another!"

He paused for a moment, and said: "I will go to Qianjue City first and find trouble with these two schools!"

"The meeting is resolved here, and Gu Tian, Nangu, Zhou Yan, etc. are all incorporated into the Palace of Light!"

"The Hall of Light is also headed by Ye Luoer, leading the other 13 surrendered slaves, and the newly joined brothers. After the Dark Hall destroys these forces, you try to expand your power!"

Ye Chen also gave them all the 23 strong men who had erased their thinking!

"Yes, the Lord!"

"I'll retire!"

Zhou Yan, Ye Lingtian and others left one after another.

Ye Chen took a sip of the ancient tea, thinking about the situation in front of him. The land boundary of the Huang family was also in the city of Qianjue.

In the reincarnation cemetery, Xueqiye is also pointed out. The hometown of the Hundred Swords Sovereign is just outside the city of Qianjue. You can kill two birds with one stone. While taking the Hundred Swords Sovereign's magic power, find Mr. Jingshui and settle the account!

The agreed time is approaching!

However, before that, I have to go to Danxu Pagoda!

Xing Tian Dan Zun!

At the beginning, I was desperate to kill myself, but now that my strength has greatly increased, it is time to go back to this Danzun and settle the accounts!

In the blood spirit secret realm, only a few days left, the Holy Grass Temple also integrated and assembled, came to the Han family land, united with Zhou Yan, Ye Luoer and others of the Guangming Temple, while cultivating and discussing future plans. !

Now, the entire Holy Grass Palace is Ye Chen's pharmacy!

Hurt? Find the Holy Grass Temple!

To improve cultivation, find the Holy Grass Palace!

The powers of the other emperor realm in the blood spirit secret realm had already been summoned by Han Yun, and seemed to have gone to other places.

...

A few days are fleeting!

At the same time, Han Daoshan stood at the door of the secret realm, standing with his hands holding hands, proud of everything.

He waved his hand and said: "The secret realm trial, presumably is about to end, how about the people you are preparing for?"

"Report to the Patriarch, you are ready!" A disciple of the Han family came forward to report: "Three hundred swordsmen and axemen, all of them are in the Nineth Floor of the Void King Realm. In addition, a law enforcement team was transferred, fifteen people, all of them It's Daoyuan Realm!"

"Furthermore, there are three elders of the Heavenly Law Enforcement on the first floor of the Emperor Realm, and they have also arrived!"

"Okay!" Han Daoshan's eyes flashed cold and hot, and said: "Ye Jitian, Ye Jitian, you entered the blood spirit secret realm and wanted to kill me? Today, I will guard you at the exit! So many Manpower, enough to cramp your little beast!"

"But I hope this kid has died inside, otherwise it will only be more painful!"

Ye Xitian?

Forget it, just a junior in the sky list!

Do you think that killing a Xiang family disciple and breaking through the entrance with strange force can resist the Han family?

He Han Daoshan had to mobilize his brigade to kill Ye Jitian on the spot!

Tell everyone!

he!

Han Dosan!

No one can afford it!

"Patriarch!"

The three elders of the Heavenly Law Enforcement on the first floor of the Emperor Sovereign Realm held their fists towards Han Daoshan one after another.

One of the red robe elders asked: "I don't know, the Patriarch mobilized us to kill a junior? How young is it worth using such a big battle?"

"Yes, such a lineup is enough to deal with a few elders of the second-tier emperor realm!"

"Yes!"

The other two law enforcement elders also asked.

"You are here to deal with a little beast!" Han Daoshan looked gloomy, and said coldly: "This little beast is always strange and good at hiding! So, I need to call you over and set up a big formation to solve him, and this little beast. The beast is called Ye Jitian!"

"Ye Jitian?"

"Have not heard!"

The three emperors shook their heads for a moment.

They circulated the ancient Taoism all over their bodies, and in every move, they were like immortals, and the brilliance appeared in the wave of their hands.

A blue-robed elder said: "A junior figure that we have never even heard of, is it worth the family to take the initiative to use such a battle?"

"Inevitably, it's a bit wasted!"

"Naturally I hope to waste it, but I won't waste it either. Ye Sitian is a little bit famous among the younger generation!"

"But it's nothing, a junior of the Void King Realm, but I have arranged it like this, and it has another effect!"

Han Daoshan's eyes swept across the distant mountain peaks, and the thousands of casual cultivators who looked around seemed to be friends who were waiting to enter the Blood Spirit Secret Realm. "I want to use this kind of battle to cramp that little beast and let everyone know. Offend my Han family's fate!"

He secretly said in his heart: Ye Jitian?

It just happened, you killed the Xiang family!

It just so happens that I will take your skin cramps, and then send it to Xiang's house after Li Wei, and you will get personal affection!

However, you can be considered dead!

So many Void King Realm, Dao Source Realm, and Three Emperors Realm!

With such a lineup, if you can escape, you are not human!

Huhu!

At this moment, the exit of the Blood Spirit Secret Realm suddenly violent wind.

Everyone knows that this is a sign that these blood spirit secret realm trialers have completed the trial time and are about to come out!

call! !

Han Tian came out first, staring at the battle in front of him, wondering: "Father, what are you doing?"

"Get out of here!" Han Daoshan pulled Han Tian aside, "This battle is specially used to deal with Ye Jitian's small chopsticks. Today I will cramp this small chopsticks to vent my hatred! "

He pushed Han Tian away: "You leave now!"

"Wait a minute, Ye Xitian?" Han Tian was taken aback, and his hair suddenly yelled: "No!"

"I need you to speak and get out of my work!" Han Daoshan's voice was like a bolt from the blue, pushing Han Tian away, and said, "Although I don't know what happened inside, you might even be Ye Sutian's friend, but Ye Jitian threatened the Han family when he entered, no matter what, he must die! This is the dignity of my Han family! Don't even think about speaking for Ye Jitian!"

"I'm speaking for Ye Jitian? Dad there is something——"

The sound stopped abruptly.

Before Han Tian said another sentence, he was directly frozen by Han Daoshan, silenced his voice and cultivation!

This is the strength of Han Daoshan!

Han Tian looked indignant, why am I thinking about Ye Sutian?

I'm so **** thinking about you Han Daoshan!

Just your Han Dosan lineup?

Kill Ye Killing Heaven?

Are you kidding internationally?

Void King Realm, Dao Source Realm, and Three Emperors Realm?

How awesome is it?

It's definitely awesome against other people, but you are against the evil **** Ye Xitian!

Chapter 1176: ridiculous!

Han Tian is now completely anxious like an ant on a hot pot!

He knows that Han Daoshan is arbitrary!

But this girl is completely dying!

The key is that Han Yun's ancestor left the secret realm in advance and didn't tell the Han family about Ye Jitian?

Damn it!

His eyes motioned to Han Daoshan!

But the latter didn't pay attention to Han Tian at all, but the killing intent in his eyes was almost soaring!

"Mmm..."

Han Tian's mouth was sealed, and no one paid attention to him for a long time.

Han Daoshan put his hands behind him, and his breath spread out! Even more to the strong Han family around him:

"You are optimistic about the young master!"

"The young master doesn't know the original situation. He might have a good relationship with Ye Jitian. Even so, if Ye Jitian dares to provoke our Han family, he must die!"

"Also, let the young master go to the mountain to rest first. After I kill Ye Xitian, I will consider letting your young master handle the whole body."

call! !

Hearing this, Han Tian almost fainted, and then stared straight at Han Daoshan!

Bring Ye Xitian's whole body to him?

He was afraid that Ye Xitian would send me your body!

Han Daoshan didn't realize the threat was coming!

He looked at the formation enchantment of the blood spirit secret realm!

This time the Blood Spirit Secret Realm was too weird, it was covered by fog, and I didn't know what was going on inside!

In addition, there have been strong fluctuations outside the secret area several times!

A terrible battle must have broken out!

The strangest thing is that the disciples of the Huang family and even many families have fallen extremely fast!

On the contrary, this time the casual repair was extremely small!

But the truth will be revealed soon!

He doesn't care about the truth, he only cares about that little beast named Ye Jitian!

At this moment, a shocking sound resounded!

The sky is even more dark clouds!

Countless air waves are rolling!

Thunder and lightning!

The huge blood spirit secret realm formation is completely split!

Huhuhu!!!

A group of people came out in the space rift!

It was Ye Chen, Ji Siqing, Ye Lingtian and others, along with Huang Zhantian and other twenty-seven slaves, plus more than 100 members of the Temple of Light, all came out in one burst, and the Han family disciples followed, one by one. , Shengcao Temple is still waiting in line!

"Ye Jitian!"

"Ye Jitian!"

Elder Han Daoshan and Lanpao shouted at the same time!

Han Daoshan waved out an ice-blue Dao Yun to communicate with the aura outside, leading to hundreds of silver thunder and lightning falling, and they fell into the weapons he arranged, and there was a thunderous sound everywhere!

"Position!"

With an order!

Hundreds of powers from the Void King Realm, 15 Dao Source Realm, and Three Emperor Realm, collectively shot, each waved their weapons, and the weapons communicated with silver thunder and lightning. The lightning flashed and thundered, the world changed color, and countless thunderbolts. The radiant black clouds enveloped the sky!

A thunder formation was formed!

Hundreds of virtual kings form a Zhoutian queue, arranging in the south, east, north and west!

The fifteen Dao Source Realm is the second line, lingering in the outer line of defense of Ye Jitian and others, but in the Zhoutian line formed by the powerful Void King Realm!

The three emperor realm law enforcement elders and Han Daoshan formed the third line, each guarding the south, east, north and west!

They are lingering thunder and lightning, holding weapons wrapped in silver thunder and lightning, holding them like a heavenly soldier, supernatural and powerful, and there are thunder snakes overflowing under their feet!

Han Daoshan waved his long sword, pointed at Ye Sutian, and shouted angrily: "Ye Sutian, dare to provoke my Han family!"

"You are such a monstrous thief, you should be blamed for your guilt, and you have not put down your weapon quickly and let me kill you!"

"Otherwise, I will search for the roots and kill all those who are concerned with you!"

"You wait, don't hurry up and put down your weapons, when will you wait!"

The sound was like thunder, and the rumors reached hundreds of miles away, shocking thousands of people around him in a hurry!

Seeing such a battle, the casual practitioners couldn't help being frightened!

This is the Han family's thunder formation!

With such a formation method, it is enough to kill a powerful person in the three-tier emperor realm!

The casual cultivators were surprised, but within the formation, Ye Jitian and his party were completely expressionless, looking at Han Daoshan with a puzzled expression, a bit like an idiot!

Ye Lingtian wondered: "Hall Master, why did we just come out and met such a 250?"

He counted the enemies around him, and said with disdain: "That's how it is!"

He looked at his back again, standing Huang Zhantian waiting for twenty-seven slaves, each of them was in the Dao Source Realm!

"These two hundred and five came out today, I must have taken no medicine!" Zhou Yan muttered!

"Master, did you smoke this stuff today? Are you still nervous?" Ye Luoer looked at Han Daoshan's majestic and inexplicable, couldn't help laughing, and looked around and said: "Fifteen Dao Source Realms? Three Emperors Level 1 day?"

She yelled softly: "Huang Zhantian, you are enough to deal with it alone!"

"Yes, Miss Luo!" Huang Zhantian leaned in front of Ye Chen and said with a silly smile: "Master, should the minions take people and kill them directly? What do you think? These wastes don't need you. Do it!"

The powerhouse of the Daoyuan Realm Nine Heavens!

Huang Zhantian, Huang Wuqiang, Wanyan Pojun and others have returned to their peak state, and they can work together to leapfrog the three law enforcement elders!

Coupled with the humanoid weapons on the 8th and 7th floors of the Daoyuan Realm, it is not a problem to hit Han Daoshan's old and frail goods!

Han Daoshan took a closer look at Ye Chen's lineup, and was a little puzzled, so he shouted: "Two young sons Huang, son Wanyan! Why are you standing next to this little beast?"

He used his blood, his voice pierced through the clouds, and shouted: "If you help me and kill Ye Sitian, my Han family will definitely appreciate it!"

Huh!

puff!

Huang Zhantian and Ye Luo'er both laughed. They had never seen such an idiot. They didn't come down and see for themselves if they couldn't see the situation clearly. They had to stand so high and pretend.

Wanyan Pojun looked puzzled and said: "Master, this Han Daoshan's head is twitched, let's do it!"

"Let's do it!" Ye Chen looked flat looked at Han Daoshan with some sarcasm, and then ordered: "Everyone listens to the order, punish the Han family who besieged me, don't keep your hands, the others wait. Do not participate in combat!"

Although the Han family had some contact with Han Yun, after Han Yun pretended to be crazy, he stopped taking care of the Han family's affairs, otherwise Han Daoshan should also know what's inside.

Since Han Yun didn't care, Ye Chen would not keep his hands!

Even if Han Yun cares, so what!

"Yes, master!"

Huang Wuqiang, Huang Zhantian, Wanyan Pojun and others rushed to the strong Han family like a wolf!

And Ye Chen is not idle, holding the Jiuyou Sky-killing Spear, just about to break the thunder formation!

Ye Chen was holding the Jiuyou Skykilling Spear, and his whole body was tumbling like waves of rivers and seas. The tip of the spear glowed brightly, and suddenly clouds from all directions gathered. On the contrary, it turned into an eternal blood mist, and he slammed a shot!

Chapter 1177: If you don't surrender, your soul will be destroyed!

In an instant, the eternal blood mist gathered at the tip of the gun and shot out violently. It was located in the sky and turned into a blood-colored river. The violent force broke through the infinite lightning, and cut the thunder light in all directions!

boom! !

A loud noise spreads!

The dark clouds that the horses practiced all around collapsed, and countless thunder and lightning turned into dark clouds and floated out!

The huge thunder formation shattered in the sky!

bang bang bang! !

bang bang! !

The power of backlash came out one after another, blasting more than fifty powerhouses of the Void King Realm on the spot!

Fifteen Dao Origin Realm Han family powerhouses spurted blood and retreated. When they returned to the future and reacted, they were attacked and killed by the Huang family disciples. They spurted blood one after another, and two or three of them exploded and died! They are all low-level Dao Source Realms, and most of them are first and second heavens!

The highest cultivation level is only the seventh heaven of Daoyuan Realm!

Facing all the war servants on the seventh and eighth floors of the Daoyuan Realm, how could he resist it, and suddenly retreat!

These Han family Dao source realm, I am afraid I don't know until death, why these Huang family geniuses attacked them madly!

"old man!"

"Old chopsticks!"

Huang Wuqiang and Huang Zhantian went straight to Han Daoshan, playing a round of frost river, a round of constant ancient sword energy, and swearing to kill Han Daoshan!

Han Daoshan held back the power of backlash, slammed his sword to protect himself, a dazzling brilliance across the sky, temporarily blocking the attack of the two peerless geniuses of the Dao Source Stage Nine Heavens, he couldn't help asking: "Why?"

"You two are talented disciples of the Huang family!"

"Why would you help Ye Jitian?"

"Why?"

"Old Pifu!" Huang Zhantian offered a sword, and the clouds moved from all directions. Along the way, he killed more than 20 virtual kings of the Han family. He said: "Ye Jitian is my master. You dare to provoke my master. I am a slave. I want to kill you!"

"Old man!" The yellow five spear shot out, almost piercing Han Daoshan's shoulder, but was flew away!

Han Daoshan's expression changed drastically, and due to the identity of the two, he didn't dare to really make a move!

While defending, he asked, "How come, how can you recognize Ye Jitian as the master? Impossible!"

"What's impossible!"

"As the master's slave, I am honored! It is you trash who dare to provoke my master, I will destroy you!" Huang Zhantian's combat power was fully deployed and he stormed Han Daoshan. As the eldest son of the Huang family, he can also leapfrog!

Han Daoshan is getting more and more confused!

The Huang Family!

The second son of the Huang family!

How could he be Ye Jitian's slave?

impossible!

This is even more impossible, but the current situation is real.

Han Daoshan's side is still okay, Wanyan Pojun and others, killed the three law enforcement elders of the Han family, and they actually tied!

The three law enforcement elders were shocked as they fought. They wanted to use all their strength but they didn't dare to break the army because of Wanyan's identity!

When I heard that the two Huang family geniuses recognized Ye Jitian as the master, they were all stupefied for a year!

"There are more than one hundred Void King Realms left?" Ye Chen was also idle, put away the Jiuyou Sky-killing Spear, took out the Dragon Slashing Heaven Sword, and cut out a sword across the sky, the sword shining up and down the world, majestic It is fierce and endless, just like the water of the sea, one wave followed by another, it seems that there is the power of the nine heavens, which directly includes more than a hundred Han family geniuses in the virtual king realm!

锵锵锵!!

锵锵!!

The sound of Jin Ge came out one after another, countless sword energy pierced back and forth, and the sword light shone!

A genius of the Void King Realm fell one after another, and his body was pierced by sword energy, and his soul was wiped out!

less than a minute!

More than a hundred geniuses of the Void King Realm, all died in the hands of Ye Chen!

is just one move, killing more than a hundred of the Void King Realm. Such power is completely the power of the Emperor Realm!

The random repairer in the distance watched this reversal scene, and his mouth couldn't close!

A few people rubbed their eyes, and said in surprise: "Ye Jitian! So many powerful people have been destroyed with one sword!"

"Is the Huang family's first son, second son, and Ling Haizong's true disciple become slaves?"

"Oh my God, how come Ye Jitian is a younger generation, he's all a ruthless old man!"

The peerless genius of the Nine-layer Heaven in the Source Realm!

actually willing to be Ye Jitian's minions, are still attacking Han Daoshan and them?

The situation has completely changed, who is slaughtering whom!

"how is this possible!"

"I don't believe it, it must be your partner who lied to me!"

"I don't believe it!" Han Daoshan erupted completely, the infinite luster turned into eighteen icy blue rings, and Huang Wuqiang and Huang Zhantian were stunned. He went straight to Ye Chen to kill, his eyes were fierce, and he shouted: "Ye Jitian, You shit, you actually killed so many people in my Han family, I must kill you!"

Ye Chen clenched the Dragon Slashing Wentian Sword tightly, the sword shot out thousands of lustre, and the blood dragon coiled around his body!

Endless thunder and lightning package!

is like the real king of thunder who has fallen to earth!

"Looking for death!"

"I will perfect you!"

Ye Chen sacrificed a sword in the air, and a sword light shot out. It formed a circle in mid-air, like a moon. After receiving thousands of luster, it burst into a volley giant sword, like a burst of moon. The drive is average, and the tyrannical afterwaves shattered the peaks several meters in radius!

The giant volley sword suddenly shot out and defeated 18 ice blue rings in one fell swoop!

Han Daoshan's weapon shattered directly, and a crack appeared in his arm, and then Henggu's sword qi went straight to the other three law enforcement elders. Unrivaled sword qi destroyed everything, wiped out everything, and smashed the blue robe elder. , Followed by a popping sound!

A law enforcement elder in the emperor's realm!

officially fell!

The other two law enforcement elders were shocked, spurting blood and retreating, greatly reducing their skills!

In mid-air, Han Daoshan spouted blood, who would have thought that Ye Jitian's strength would grow so terribly inside!

is impossible!

He kept backing away, his eyes were horrified, and he said bitterly: "Ye Jitian, I--"

Before he finished speaking, Ye Chen had already appeared in front of Han Daoshan, blasted out with a punch, and the thick blood directly penetrated!

"When you made me so embarrassed at the beginning, after I said it, I will repay it twice!"

"Today is the beginning of repayment!"

After that, when Ye Chen looked back at the origins of the many Han family Dao, his unparalleled spirit shook the world like a king, and he said: "If you don't fall, the soul will be destroyed!"

Chapter 1178: Bear heart and leopard courage!

Ye Chen's voice resounded!

Vibrating like rolling thunder!

The key is that no one would have thought that Han Daoshan was no match for Ye Sutian!

This is Han Daoshan!

The Han family is one of the top families!

The strength of Han Daoshan can be regarded as the first echelon of the Han family! The emperor state!

Ye Jitian's original strength is also clear to everyone!

Although mysterious, it is not so terrible!

An invisible coercion seemed to cover everyone!

They were terrified and stunned! The whole world is like a graveyard at midnight! Quiet to the extreme!

Everyone looked at Han Daoshan again, weak to the extreme, how can there be the demeanor of the strong before!

The badly injured Han Daoshan naturally felt that everyone was looking at him. He stood up with difficulty, staring at Ye Chen with eyes filled with endless anger!

He is unwilling!

How could he lose to a nasty kid!

This is simply a shame!

But he knew very well that he couldn't resist at all!

He wanted to know what happened in the Blood Spirit Secret Realm and why Ye Jitian suddenly became so terrible!

Although his body was in pain, Han Daoshan swallowed a **** mouth, and said angrily: "Little beast, you dare to let my Han family kneel and hurt me even more! Do you know the history of my Han family! Do you know that I have a Han family? The strong man of the ancient times! If you are known by your ancestors, you will definitely die!"

"Even if your emperor is not qualified--"

Before he finished speaking, a black shadow flickered, and Ye Chen had already appeared in front of Han Daoshan.

"Snapped!"

Ye Chen took a palm at random, and Han Daoshan's body instantly heard a crackling sound, and his bones would be shattered!

His eyes widened! I never thought that I could not stop the youth in front of me with such a threat!

"You dare to move me! I swear--"

However, Ye Chen's five fingers had already clasped Han Daoshan's neck.

His eyes were extremely indifferent.

The cold voice slowly fell: "No need to swear, you can't kill me."

"Let's take a breath of fresh air last, even if you are Han Yun's descendant, I won't keep my hands."

"By the way, let me tell you another secret. Han Yun is mine. Don't say I killed you. Even if I destroy the entire Kunlun Xuhan family, Han Yun is not qualified to say anything!"

As soon as he said this, Han Daoshan's eyes widened!

He subconsciously didn't believe Ye Chen's words, but when he saw the firmness and freedom of Ye Chen's eyes, his years of experience told him that all this was true!

Ye Jitian actually knew Han Yun's ancestor!

The key is that Han Yun is still Ye Jitian's person!

how is this possible!

Han Daoshan's pupils were full of bloodshot eyes. He opened his mouth and just wanted to talk, Ye Chen's five-finger power gathered!

Devil energy penetrates!

The blood dragon rushed out and directly entangled Han Daoshan!

"bump!"

The endless power burst out, and Han Daoshan's head was taken off instantly!

The body could not withstand the two forces of Devil Qi and Blood Dragon!

Directly into blood mist!

Ye Chen glanced at the hideous head in his palm, sneered, and threw the head of Han Daoshan to the Dao Origin Realm powerhouse of the Han family!

Next second!

Crackling~~

锵锵~~

The remaining seven Dao Origin Realm powerhouses threw their weapons directly, and knelt down towards Ye Jitian and shouted: "I will surrender, and I will be the master and serve for life!"

"Bring them into custody!" Ye Chen said.

"Okay, the Lord!" Ye Lingtian took Zhou Yan and the others up, and the big iron chain swishfully **** the seven Dao Source Realms, and pulled them aside!

Now, there are only two law enforcement elders remaining in the emperor realm, who are still resisting!

They had been injured by Ye Chen's sword aura, and they were besieged by the peerless genius of the Daoyuan Stage Nine-layer Heaven, and this person had the ability to leapfrog the powers of the Emperor-Zun realm, and the four of them worked together to besiege the two. , Continue to fight, the two will die!

Boom! !

Boom! !

In the battle circle, various brilliance flickered.

Several figures moved extremely fast, sometimes fists and feet crossed, sometimes weapons collided, and the fight was extremely fierce!

Rarely, the Hongpao Law Enforcement Elder was the first to be taken off by Huang Zhantian.

Huang Zhantian laughed and said, "You old thing, you dare to besiege and kill my master, you really eat the guts of a bear!"

"My master doesn't need to do it, we minions are enough to kill you!"

"If you wait and don't surrender, you are looking for death!"

The elder hadn't finished speaking, Ye Chen sacrificed a sword, causing the world to change color, countless horses of practiced sword qi charged and stabbed him into a hornet's nest, and the soul was wiped out by Ye Chen in an instant!

Although Ye Chen's cultivation base is not high at this moment, his combat power is definitely the highest on the scene!

Even if the third level of the emperor realm arrived, Ye Chen could not be taken, let alone two elders of law enforcement!

boom!!!

The elder's physical body burst into the air!

Not long after, Huang Zhantian beheaded another elder, came to Ye Chen with his head, kneeled on one knee, clasped his fists and said: "Master, the minion has cut off the head of this old fellow, please let the master decide!"

Ye Chen's majestic gaze swept the distance slowly said: "His Han family feels that majesty is inviolable! My majesty is also inviolable! Let me know, if anyone wants to kill my Ye Sutian, I Wait here!"

"Also, for the sake of Han Yun's face, I don't do anything anymore, but people who can speak to the Han family must personally apologize, otherwise the consequences will be at your own risk!"

Ye Chen knew very well that after coming out of the Blood Spirit Secret Realm, if he was qualified to deal with things in a year and a half, he must stand up!

Only Liwei can have absolute right to speak in Kunlun!

If it wasn't for Han Yun's face!

This Han family is dead!

"Huh!"

After all the casual repairs came to the next cold breath, I did not expect Ye Jitian to be so strong!

The Han family, one of the Kunlun Xu's top families, is not one of those small families. If the Han family agent came to apologize in person, Ye Jitian must not provoke him!

In the distance, Han Tian shook his head, and other Han family members would lift the seal for him.

He sighed and said helplessly: "Hey, this time, he is really confused, and he wants to offend the evil god! If you don't seal everything from me, you can listen to me to say something, maybe everything will turn around. It's a pity. —"

"Young Master, didn't you just want to protect Ye Sutian?" An old man of the fourth-tier emperor realm asked beside him!

"Save Ye Sutian?"

Han Tian was taken aback and laughed at himself: "Uncle Cheng, do you think I have this ability?"

"You may not know that the ancestor has reached an agreement with Ye Jitian, otherwise what do you think I am so anxious to do!"

Upon hearing this, Uncle Cheng quickly asked Han Tian about the blood spirit secret realm, and quickly understood the whole story.

He lightly touched his beard and sighed: "Ye Jitian can kill six blood spirit tribes. This skill is too strong. Fortunately, I didn't do it just now, otherwise I would be dead as well!"

Chapter 1179:

Uncle Cheng continued to ask: "Master, what should I do now?"

"Go home! Ye Sutian should have plans with the ancestors, let's just leave it alone and go home!" Han Tian said with regret, "Right, let me know, the Han family, don't go to Ye Sui. God's trouble!"

"Yes!" Cheng Bo quickly sent orders to other Han family members!

At the same time, at the entrance of the Blood Spirit Secret Realm, other geniuses and people from the Holy Grass Temple came out!

Countless eyes shot in the direction of the holy grass temple disciples!

The female disciple of the key holy grass temple is so eye-catching!

More importantly, the patterns on their clothes are extremely clear!

This is the mark of the legend in ancient books!

The moment the Holy Grass Temple came out, the whole world suddenly became quiet! The casual cultivators' eyes widened in shock, "Holy Grass Hall!"

"We have never seen these female disciples before, and they must not have entered from Kunlun Xu! And their clothes... are they really the Holy Grass Palace!!"

"It has been hidden, the legendary Holy Grass Palace, unexpectedly has a blood spirit secret realm!"

"Besides, I'm also getting together with Ye Jitian! Oh my god, Ye Jitian is too powerful!"

The key is that everyone on the scene can find that the eyes of those powerhouses in the Holy Grass Temple have been paying attention to a man!

Ye Jitian!

For a while, Ye Jitian became even more terrifying in everyone's hearts!

If the lord of the Holy Grass Temple saw the situation in front of him, he asked Ye Chen, "Do you need me to help you solve anything?"

Ye Chen glanced at the crowd, shook his head and said: "No, let's leave here, go to a place first, and make sure of the rest!"

"Okay!" If the Sect Master led a thousand people in the Holy Grass Palace, the followers of Ye Chen left together!

...

one day later.

Kunlun Xu is in a mountain range!

Ye Chen found an unmanned mountain near the land of the Han family, and temporarily placed everyone in the Bright Hall and the Dark Hall of the Holy Grass Palace here!

In addition, he had already incorporated the seven Dao Origin Realm Han family powerhouses who had surrendered into the dark palace.

Ye Chen's strength is already sufficient right now.

At least Kunlun Xu has a certain right to speak.

Ye Chen stood on the top of the mountain, staring at the scenery below the mountain.

He knew very well that the biggest threat now is always one and a half years from now.

These blood spirit clan powerhouses were beheaded by him, it is bound to let the blood spirit clan powerhouses know.

I'm afraid Kunlun has been imagining it for less than a year and a half.

He is only the Dao Source Realm now, although he has the power of the Emperor Venerable Realm, he is still not enough to face the strong blood spirit race.

We must improve our strength as soon as possible.

Also, it's time to go to China.

I don't know what happened to Xia Ruoxue and those friends.

He has always had a bad premonition recently. Through some magic techniques, this bad premonition comes from China.

I'm afraid something will happen there.

No matter what, you must leave as soon as possible.

But before going to China, there are two threats that must be resolved.

One is the Xing Tian Danzun of Dan Xu Tower, and the other is Mr. Jing Shui!

I am no longer a kid in the Void Return Realm, and now I have entered the Daoyuan Realm and have enough qualifications to face these powerful people!

Some accounts should also be calculated!

Ye Chen didn't think much anymore, and gave a few orders with Ye Lingtian, and then he took Huang Zhantian, Huang Wushang and others, stepped out in one step, and jumped directly from the top of the mountain!

It turned into afterimages and swept down the mountain!

Go straight to Danxu Town!

Judging from the current news, Danxu Town is not only threatened by Xingtian Danzun, but also a Cui family!

Standing behind the Cui family is also the Blood Spirit Race!

Among them, Huang Zhantian and others put on human skin masks, changed their breath, and turned into four others.

After a full half day, everyone saw the tall buildings, and Huang Zhantian clasped his fists and respectfully said to Ye Chen: "Master, Danxu Town has arrived!"

"The specific situation of the Cui family, the minion has already checked it out on the road!"

"In addition, I have also found out the power of Xingtian Danzun. Which one shall we deal with first?"

"Xingtian Danzun!" Ye Chen showed an icy expression between his eyebrows, and said, "First deal with Xingtian Danzun. The grievances between him and me should also be resolved. When he was so embarrassed at the beginning, he should also let him vomit out. Now, wait for Xing Tian Danzun's matter to be resolved, then go to deal with the Cui family!"

On the street, several horse-drawn carriages galloped away. There was a pretty beauty sitting in the carriage, looking forward with a sad expression, and muttered: "Ye Chen, this fellow, it cost me my hard work to save him back. I didn't expect to blink. He disappeared immediately!"

"I don't know where he is hiding. Is it safe?"

"Luo Yao!" Ye Chen saw Luo Yao in the carriage at a glance, but he was Ye Jitian at the moment, so Luo Yao didn't know him.

boom! !

Suddenly, a loud noise came out!

Luo Yao's carriage seemed to be out of control, hitting a wall directly, and countless rubble flew!

On the side of the carriage, a muscular man was glaring at Luo Yao. The scar on his cheek looked very hideous. He waved a long knife, pointed at Luo Yao and asked, "Don't you have eyes?"

"Huh? I'm sorry..."

"Sir, please tell me, I will compensate you." Luo Yao got off the bus with an apologetic expression. When she saw the person in front of her, she quickly exclaimed, "Ah! Cui Yong, why have you become like this? Huh? Your face?"

The Luo family's status in Danxu Town is not low, and Luo Yao knows many people.

And the person in front of him is Cui Yong!

The Cui Yong in her memory was not a handsome guy, but he was of medium build and ordinary appearance.

The person in front of him, except for Cui Yong's face and breath, his body was almost changed.

The gap between before and after is like a child and an adult.

Before he was 1.78 meters tall, now he is almost two meters tall.

"I... this is all given by Xing Tian Dan Zun!"

Cui Yong looked ferocious gradually became crazy, and shouted angrily: "It's all because of you bitch, who brought that **** Ye Chen back and angered Xingtian Danzun. Otherwise, when I go to get the pill, what? Will be injured?"

"Xing Tian Danzun healed me on the surface, but he didn't know what pill for me! I blame you, you **** woman!"

He went further, his body more than two meters high, like a flesh tank, scared the people around and fled.

With each step forward, the huge force of the body will step into the ground one after another, with the cracks spreading, like the previous earthquake.

"Luo Yao!"

"This time the Luo family has no strong guard by your side, just because I don't want to live anymore. I am not qualified to seek revenge from Xing Tian Danzun, let alone Ye Chen's little beast, so I can only kill you today to vent my anger!"

Cui Yong stepped forward abruptly, his figure flew out, with a stab force, the violent sword gang was several meters in size, and straightly split the servant standing in front of Luo Yao into two. The blood spurted out, and he was bathed in blood. But even more crazy, chasing Luo Yao.

Chapter 1180: Get out and die!

Luo Yao concentrates on alchemy, and his martial arts cultivation is not high.

Facing the Cui Yong in front of him, naturally he had no right to stop him.

She is only going to go outside to do business today. Who will move her in Danxu Town?

But I didn't expect to meet Cui Yong who was crazy today!

Her face was pale, she quickly took the pill, planning to cast her spells to escape!

But he was interrupted mercilessly before he cast the spell!

At this moment, Luo Yao was too embarrassed!

Seeing this scene, Ye Chen shook his head helplessly.

It seems that after that battle, the structure of Danxu Town has long changed. Otherwise, how could Luo Yao be manipulated by such a person.

"Luo Yao, Luo Yao, I should save you today."

Ye Chen joked and waved: "Huang Zhantian! Do it!"

Ye Chen didn't need to do it himself for a fellow like Cui Yong, or he would lose his identity.

"Oh, master!" Huang Zhantian jumped, swiftly like lightning, his palms and fingertips flowed with ice-blue luster, turning into a long spear, stabbing a spear in the air, and the spears crisscrossed out, forming a spear net! !

The gun net whizzed out, and Cui Yong was back on the ground without warning.

The Thunder Snake continued to bite and pull Cui Yong's body, devouring its violent power and vitality step by step!

"what....."

"Who, who is blocking me, come out!"

Cui Yong couldn't move, but he opened his mouth and shouted vigorously.

Hearing the sound, Luo Yao also stopped, turned around and saw Huang Zhantian, quite surprised, and asked: "Are you?"

"Master, I have taken this person down!" Huang Zhantian knelt down with a gun and saluted Ye Chen, saying: "This person is too weak, I'm afraid I can't resist my gun net for too long."

"the host?"

Luo Yao was taken aback for a moment, and secretly said in her heart: With such a young and powerful cultivation base, has the person in front of him been the master?

Is it possible that this kind of genius of Daoyuan realm is only worthy of being a slave?

How strong is his master?

Such a powerful young talent, actually speaking to save me in person?

Luo Yao felt dizzy.

"No problem!" Ye Chen walked slowly, with a faint luster lingering around his body. He looked like a young man, but he seemed to never see it through.

Luo Yao stared at Ye Chen, feeling weird in her heart: Well, I can't seem to see this young talented person as the master.

He is clearly close at hand.

However, I feel that he is on the other side of the starry sky, and I can never touch him?

This kind of temperament and cultivation is too strong!

Which peerless genius is it?

"Hello, my name is Luo Yao!" Luo Yao still mustered up his courage and stepped forward rather shyly, bowed to Ye Chen, and smiled lightly: "Thank you, Mr., for saving me today. I don't know how Mr. What is the title?"

"Ye Jitian!"

Ye Chen suppressed his smile forcibly.

"Ye Jitian?"

"Ye Jitian of the sky list?" Luo Yao was shocked, and said: "Are you actually that Lord Ye Jitian?"

She was suddenly overjoyed, her eyes full of little stars, and said: "You are Ye Jitian who killed Xiang Yingjie? Didn't you hear that you have entered the blood spirit secret realm?"

"The trial of the Blood Spirit Secret Realm is over!"

"Now, I'll come out!" Ye Chen said flatly, and asked, "Do you know where Xing Tian Danzun is?"

"Are you looking for Xingtian Danzun to refine the pill?" Luo Yao paused for a moment, and then said: "It is not good for Mr. Ye to find Xingtian Danzun now. This Cui Yong went to get the Cui family when Xingtian Danzun was in a bad mood. The medicine!"

She said: "It turned out to be like this."

"Maybe your cultivation base is very high, but Xingtian Danzun is a strong man in the emperor realm. You should go to Lingyi Danzun. And, three days later, we will hold a pill refining conference in Danxu Town. , It will be more convenient then."

"Pill conference?" Ye Chen asked, "Will all the Danzun in Danxu Town participate?"

"Yes." Luo Yao said seriously: "The pill conference was originally held ten years later. However, the Cui family and the Wang family, as well as Xing Tian Dan Zun and Gu Yi Dan Zun proposed to hold it in advance and persuaded several other Dan Zun. And family."

"So it will be held in three days!"

"It's mainly to test new alchemists, and at the same time, several alchemists will personally refining high-grade pills. It is said that after the emperor realm powerhouse eats them, they can increase a small realm out of thin air!"

"At that time, Mr. Ye, you can go to the pill conference and get some such pill!"

Luo Yao really finished speaking seriously, paused for a while, then smiled and said, "I thought you were alone, Mr. Ye!"

She looked at Huang Zhantian and the others, and said: "Unexpectedly, you are leading so many young masters. You must have reached the emperor realm in your cultivation. Why don't you fight for Kunlun Xu's top ten talents?"

"I think with your cultivation base and combat power, you can definitely stabilize the Kunlun Xu's Ten Talents!"

Ye Chen smiled. Five years later, he didn't know where outside the domain was. What ten geniuses were still fighting for.

He didn't care about Kunlun Xu's ranking.

Kunlun Xu is just the beginning.

What really cares about is the reincarnation cemetery.

"I don't want to fight with them at all, maybe I can still fight with them!"

call! !

As soon as he said this, Luo Yao took a breath and looked at the youth in front of him in surprise!

Oh my God Ye Jitian asked his subordinates to fight, isn't his cultivation level and vision already far beyond the younger generation!

Regardless of the master and subordinates, they are all younger generations.

Such a young and powerful subordinate, the master who surrendered must have a cultivation base far exceeding them, otherwise he would never choose to surrender.

But obviously these subordinates respect Ye Jitian so much, Ye Jitian must have a high cultivation base!

Perhaps, Ye Jitian must have already aspired to the emperor's realm, no wonder he couldn't make the list of Kunlun Xu's top ten geniuses.

Suddenly, Luo Yao thought of something, and then nervously said: "Mr. Ye, you saved me. Why don't you come back to Luo's house with me. I want to have a banquet and thank you personally. Our Luo's family will repay you again."

She knew very well that an accident with Cui Yong would inevitably arouse the Cui family, and it would be absolutely troublesome to find here by then!

"Okay!" Ye Chen agreed without thinking, and a ball of flame burst out from the tips of his palms, instantly burning Cui Yong to ashes.

"Mr. Ye, please!" Luo Yao personally led the way and walked, but she was a little worried: "The Cui family disciples, all have their lives in the family. Cui Yong is dead. The Cui family must know that Mr. go to us as soon as possible. Luo family."

"No need!"

"A little Cui family, it's not worth mentioning!" Ye Chen said plainly, and said from time to time: "Luo Yao, I heard that your Luo family is mainly alchemy, but you do practice all the way, why?"

Luo Yao lowered her head slightly and said with a little embarrassment: "I also want to fly the sword to the sky and ride the wind for thousands of miles. I don't want to spend my whole life in the dark room making alchemy, but talent determines everything. Cultivation is too far away for my Luo family. !"

Before Luo Yao finished speaking, two shouts of anger, like a thunderbolt in the blue sky, reached everyone's ears.

"Bold thief!"

"Dare to kill my disciple of the Cui family, and not quickly get out and die!"
