Chapter 131: Despair!

How come this guy is here too!

There is no need to pretend to be a subordinate of Ruo Ye even if it is not exposed.

The moment his eyes met, Nanjiang King Ye Lingtian nodded slightly towards Ye Chen.

Ye Chen knows very well that once he has a problem on the martial arts stage, Nanjiang King will definitely expose it at all costs and even take action!

At that moment, Ying Qing came over and raised a portfolio in his hand.

"The chief minister went to the capital to approve the documents. If something goes wrong by that time, please rest assured, Mr. Ye, I didn't dare to hurt you."

"Do these guys just don't believe in themselves?" Ye Chen shook his head helplessly.

At this moment, there was an uproar from the crowd.

Ye Chen followed the voice and found three old men in Tang suits walking towards the martial arts platform.

The martial arts aura on the three of them is extremely strong, and the one in the middle is even more terrifying!

is actually an aerodynamic force! The opponent must have entered the realm of the master for decades! Extremely dangerous!

This is the strongest person Ye Chen has encountered in Jiangcheng after leaving that place!

That old man is one of the referees this time, Yuan Jingfu!

Ye Chen's current realm is at the peak of the eighth layer of the Kaiyuan realm. Although he is about to break through the aerodynamic realm, it is still enough to meet a real aerodynamic powerhouse!

The three elders glanced at Ye Chen, their expressions were flat, and then when they were about to approach the martial arts platform, their strength gathered under their feet and they jumped directly to the three-meter martial arts platform!

Very calm!

The real master!

With this hand alone, countless warriors clapped and applauded!

Yuan Jingfu's wrinkled face was filled with a trace of coldness, his right hand was raised high, and his five fingers suddenly closed!

The audience is quiet for an instant!

Silence!

The coercion of the strong, who dares to offend!

"My dear Yuan Jingfu, as one of the martial arts platform judges this time, I will inevitably strive for justice and maintain order, and everything will end! If anyone disrupts the balance of the martial arts platform, no matter what identity, you can kill it!"

The other two old men also said similar things.

Seeing Ye Chen frowning, Jin Lengyan explained: "This is the rules of the martial arts stage. The three above are the three referees of the martial arts stage this time. They are Yuan Jingfu, Wang Zhixin, and Wu Xiangming. It is worth mentioning that three Everyone has entered the top five hundred of Huaxia Grandmasters."

"Yuan Jingfu Yuan Lao is the most terrible. He once entered the top 400 of the Grand Masters. As for the current ranking, no one knows. Some people say that he has entered the top 300. Others say that he was injured and fell out of the top 400. But these are not important, what is important is that Yuan Lao is the vice president of Jiangnan Budo Association!

The meaning behind the words Jiangnan Province Budo Association is too great. Looking at the whole Jiangnan Province, not many families and forces dare to offend! Later, if you have the opportunity, you try to please this person, at least be polite. The subjective factors of this person are very important to you. "

Ye Chen snorted coldly: "What is he, why should I please?"

Jin Lengyan almost covered Ye Chen's mouth when she heard these words.

If this is heard by Yuan Jingfu, Ye Chen is just looking for death!

"Also, pay attention to Wu Xiangming. The Wu family is a martial arts clan in Jiangnan Province, with a strong background. If you knew this person, it would be good. If this person wants to protect you, then Chen Baoguo wouldn't dare to move you. "

Jin Lengyan wanted to say more, the bell rang on the martial arts platform!

Yuan Jingfu's majestic voice sounded: "Ye Chen, Chen Baoguo, please go to the ring!"

In the next second, Chen Baoguo stepped forward and came to the arena.

The audience suddenly applauded!

"Master Chen, mighty!"

"Master Chen, kill that Ye family trash!"

Later, Ye Chen also came to the martial arts platform.

In an instant, there were boos everywhere, and some even started to mock Ye Chen ruthlessly.

"How can this kind of **** be worthy of stepping onto the martial arts stage with Grandmaster Chen? What a **** hell!"

"It is estimated that people want to get on the martial arts stage before they die, it is worth it regardless of life or death!"

"Haha, this is the first time I saw this kind of death-finding method these years."

Just as the crowd was all kinds of abuse, Wu Xiangming glanced at the crowd: "Noisy! Whoever talks nonsense, just kill him!"

The crowd was completely quiet.

Wu Xiangming took out two life and death agreements and asked Ye Chen and Chen Baoguo to sign and drew handprints.

"On the martial arts platform, life and death cannot be predicted. Everything ends. If you are not careful about casualties, there should be no more hatred." Wu Xiangming said.

"Thank Master Wu, Master Wu has worked hard." Chen Baoguo arched his hands towards Wu Xiangming with a rather flattering smile.

Wu Xiangming ignored Ye Chen, glanced at the indifferent Ye Chen, sighed, and returned directly to his ring.

The next second, the bell rang!

Budodai, officially started!

Chen Baoguo looked at Ye Chen, his eyes filled with bloodshot and anger: "How can my children and grandchildren offend you? I want to kill you!"

Ye Chen raised his head and glanced at Chen Baoguo indifferently: "They asked for this. It just so happens that I will kill you today, and the Jiangcheng Chen family will become history."

Hearing these words, not only Chen Baoguo laughed, but everyone in the audience laughed!

This is obviously a one-sided ending, Ye Chen actually amplified his words to kill Chen Baoguo.

This the **** didn't wake up!

Jin Lengyan couldn't help shook his head: "Ye Chen is still talking big when his death is imminent~www.mtlnovel.com~Chen Baoguo freezes with a smile, and releases his cold murderous intent: "Then it depends on whether you have this ability, I want to see. What kind of dog did Ye Tianzheng give birth to that dog! "

The words fell, Chen Baoguo moved!

The coldness in his eyes is full, and in an instant, the vigor is flowing, and the momentum of the whole body is released.

is extremely strong!

"Ten years apart, Zongshi Chen is so terrifying just by starting! This kid will die with one move!"

Under the stage, someone said with emotion.

Feeling the momentum, Ye Chen frowned slightly, and Chen Baoguo's strength was a bit stronger than he thought.

"Die to me!"

Chen Baoguo roared, his fists roared, and the tigers were alive, and he slammed directly at Ye Chen's door! The speed was extremely fast and did not give Ye Chen time to react at all.

He knows Ye Chen's methods are fierce and decisive, so he must kill with one blow!

Fisting rain is all over the sky, and Chen Baoguo is constantly rolling up the dust on the martial arts platform! Imposing like a rainbow!

Seeing that this punch was about to hit Ye Chen's body, Ye Chen narrowed his eyes slightly, and avoided the punch on his side.

Chen Baoguo was so angry that he changed his footsteps and smashed with a punch again!

But Ye Chen can easily avoid it every time.

seems to be teasing Chen Baoguo.

The original cheering on the field gradually faded, and everyone's eyes were a little surprised.

Chen Baoguo confronted this kid, but he didn't even kill him with one blow? Instead, he was led by the nose?

"You rubbish, don't hide if you have the ability!" Chen Baoguo's heart was filled with anger, and his face was hideous!

Ye Chen's body is so weird, he can't even touch this guy's clothes!

Fuck! Really frustrated!

Chapter 132: What a despicable!

"I just want to see how **** the so-called Chen family master is, now it seems that I don't need to keep watching."

Ye Chen no longer dodges, turning into an afterimage on the spot, suddenly exerting force.

In the next second, he went to meet Chen Baoguo!

clenched fists, a sharp gust of wind roared, the air rang out with a deep tearing sound, and the cold murderous intent broke out!

Chen Baoguo sneered, and the same punch broke out! With this punch, the powerful energy directly tore his clothes! Scary!

"Strong to break clothes! Grandmaster Chen is too awesome!"

"That kid dared to go head-to-head with Chen Baoguo, he was looking for death!"

"Jiangcheng Ye family has no queen, haha!"

"This kind of waste family is destined to be eliminated!"

Seeing Ye Chen and Chen Baoguo head-on confrontation, the crowd was in an uproar.

Ying Qing under the stage has extremely serious eyes. As long as Ye Chen has a problem, he will definitely come on stage and save Ye Chen regardless of any obstacles!

Nanjiang King Ye Lingtian behind Master Ruo also swept with energy, and the cold killing intent covered the audience.

As long as he is there, no one can move the Lord!

nobody!

"Boom!"

Finally, on the martial arts stage, two fists suddenly collided! Make a dull popping sound!

Chen Baoguo's hideous face suddenly changed color!

He felt a strong storm coming!

Thousand catties of counter-shock force came from his arm! Can't help but let him take a breath!

how is this possible!

If he hadn't used a secret method to remove some of his power, he would have lost his entire hand!

But the wave of air was far from stopping, Chen Baoguo felt his blood surge, and in the next second, the whole person turned a few meters over!

Seeing that he was about to fall off the martial arts platform, Chen Baoguo turned his fist into claws and clasped it on the rocks at the edge of the martial arts platform. His power exploded, like a cheetah, turned up and faced Ye Chen again.

At this moment, the whole world fell into deathly silence!

Everyone's eyes widened, incredible!

With a punch, Chen Baoguo, who has stepped into the ancient martial arts world for decades, was almost defeated!

Jin Leng Yan is stupefied!

Ying Qing's brain was blank, and his hands holding documents were sweaty!

Ye Lingtian's mouth under the peaked cap made a smile.

The Lord is the Lord after all! He never misses anyone!

In an instant, the crowd reacted, in an uproar!

Ye Chen's punch not only shattered Chen Baoguo's power, but also shattered the knowledge of Ye Chen among the warriors present!

Ye Chen is only in his twenties!

Chen Baoguo on the martial arts stage was pale, his eyes were almost blood red! The veins on his neck are violent! Staring at Ye Chen like a hungry wolf!

"This is what you forced me! I don't want to use that trick as a last resort, but there is no way at the moment. Even if I pay a terrible price, I will kill you myself!" Chen Baoguo smiled sullenly.

"Ten years ago, I got a martial art related to cultivation, and did not hesitate to choose to retreat in Wuyi Mountain. Now, it's time to let it show up in the world!"

The words fell, and a strong breath came out of Chen Baoguo!

Killing intent is overwhelming, and the momentum is high!

The expressions of Jiang Yuanli and Yuan Jingfu in the distance changed: "This is not the martial art of the ancient martial arts world!"

Ye Chen naturally discovered it too, and he knows the origin of this martial art better than everyone present!

This is the martial art of a cultivator! And the rank is not weak!

He also finally understood the meaning of Chen Baoguo's words just now, because ancient martial artists and cultivators are very different, their dantian is weak, once they use this martial skill, they will inevitably cause great damage to their internal organs!

"The Devil's Palm of Thunder!"

Chen Baoguo roared all over! The whole person leaped high! The strongest blow broke out instantly!

The big earthquake trembled, and a gust of wind suddenly stirred up!

The surrounding magnetic field was completely disordered at this moment.

Seeing this scene, the expressions of everyone present changed drastically! Because this palm actually triggered a vision! Once hit, Ye Chen might not even have a complete body!

In an instant, Chen Baoguo's palm seemed to expand several times! Falling from the sky!

is even more shining!

"Ye Chen, you must die!"

Ye Chen raised his head, put his hands behind him, and said lightly: "I've seen this trick of you more than a hundred times!"

In the next second, Ye Chen rolled up his body for a burst of terrible evil intentions, his dantian real energy surged and he stepped on it!

A deep depression appeared on the Budodai!

"Damn you!"

"Boom!"

In an instant, the whole martial arts platform shook! The huge dull sound resounded through the world!

The dust is rolling, the whole world seems to cover the sky at this moment!

No one knows what happened inside!

Everyone held their breath, wondering what happened on the martial arts stage! Tension to the extreme!

"That fellow Ye Chen, he shouldn't even have the body."

Chu Shuran trembling in the distance said. She knew very well that no matter whether Ye Chen survived or not, her Chu family could not provoke her.

"what--"

An old scream sounded, and then Chen Baoguo, who was covered in blood, flew upside down and hit the stone pillar in the corner of the martial arts platform!

The stone pillar broke on the spot! There was a loud noise!

At this moment, the crowd took a breath!

Chen Baoguo actually lost! And the loss was extremely thorough!

At this moment, the smoke and dust gradually dispersed, and a proud young figure appeared in front of everyone!

The young man has his hands behind him, his eyes are cold, and the whole person seems to be above the universe~www.mtnovel.com~ overlooking all beings!

unscathed!

This sudden picture is like an invisible fist, tearing the hearts of everyone present to pieces!

Two tricks!

On the martial arts platform, Ye Chen only made two moves!

One move almost knocked Chen Baoguo off the Budotai!

Another trick, directly hit Chen Baoguo almost half to death!

What kind of evil is this!

Jin Lengyan's brain is blank! The chest is trembling constantly!

She has thought about countless endings, but she never thought that Ye Chen could defeat the grandmaster Chen Baoguo with such a crushing force!

Ye Chen couldn't be so against the sky even if he started practicing from the womb!

The golden father sitting next to him firmly grasped the chair with five fingers. The armrest of the chair turned into sawdust. His eyes were fixed on the young man on the martial arts platform, and there was a trace of fear in his heart!

If he stood on the stage to fight against Chen Baoguo, would he be able to survive if the opponent used that kind of martial arts?

Totally impossible!

"Leng Yan, this time, I missed my eyes." For a long time, Father Kim sighed, and the whole person looked like an old teenager.

Above the Budodai.

Ye Chen walked towards Chen Baoguo, he could not let such a threatening person live!

Infuriated in his hands, he was just about to make a move, and there was a beating!

"Until you click, no murder!"

is Yuan Jingfu!

Yuan Jingfu promised Chen Baoguo not to let him die. Naturally, he must stand up at this time!

Ye Chen looked at the murderous intent that swept behind him, and quickly backed away. In order to stop him, Yuan Jingfu actually used a killer move!

mean!

Chapter 133: Jiangcheng! Ye Chen! Rise!

At this moment, Ye Chen was completely angry!

dignified the vice president of Jiangnan Province Budo Association did such a thing!

I kept saying fair before!

Fair fart!

If it is him who loses and Chen Baoguo does it, will Yuan Jingfu still stand up?

Not at all!

Ye Chen has a murderous heart!

Today, this martial arts station, not only Chen Baoguo, don't want to go on living!

He Yuan Jingfu also don't want to leave alive!

Just as Ye Chen retreated, Jiang Yuanli's eyes condensed in the audience, he knew this was the best chance to kill Ye Chen!

He had an alternative plan at the time. If Chen Bao couldn't be the enemy of the country, he would sneak attack at a critical time!

Check out new PVP arena battles!

So the viewing position is infinitely close to Ye Chen!

At this moment, no longer hesitate, Jiang Yuanli curled up with a burst of murderous intent, concentrated in his right palm, jumped to the stage, and headed towards Ye Chen!

All this happened between the electric light and flint, Ye Lingtian and Ying Qing did not react!

Even if it reacts, it is impossible to stop the two masters!

Who would have thought that the Budodai's victory or defeat was out, and there would be people who would break the rules and do it directly!

Ye Chen's life and death are only in one thought!

Ye Chen couldn't pay attention to Jiang Yuanli behind him, Dantian rushed out, and slammed Yuan Jingfu in front of him!

Although Yuan Jingfu's offensive was blocked, his blood surged!

Not only that, Jiang Yuanli suddenly hit his back with a palm, and he had no chance to hide!

can only be carried down abruptly!

"Boom!"

He staggered, spit out a mouthful of blood, eyes filled with endless anger!

He resisted the pain on his body, the red evil aura engulfed his whole body, his dantian's true qi exploded, and his whole body jumped up, with an extremely fierce killing intent!

Left out! fall!

seemingly simple action, but it produces a very strong force!

Jiang Yuanli never thought that Ye Chen would counterattack under his own blow, and could only fight in embarrassment.

"Boom!"

Ye Chen hit the arm blocked by Jiang Yuanli!

Jiang Yuanli retreated ten steps more than ever, and the powerful counter-shock force made him feel numb in his arms.

As soon as he stood firm, a black shadow had appeared in front of him, it was Ye Chen!

"How is it possible! When this guy was seriously injured by me, he still had such a speed!"

Ye Chen clasped a claw on Jiang Yuanli's shoulder and penetrated it abruptly!

Then infuriating swept through, and then broke out!

Jiang Yuanli was directly lifted up by Ye Chen and hit the ground fiercely!

"Boom!"

There is a loud noise from the Budodai!

Jiang Yuanli's eyes were full of horror. He wanted to resist just now, but who would have thought that an invisible air current would wrap him around, making him unable to move at all!

Is this kid the devil!

Jiang Yuanli just wanted to prop up his body, Ye Chen raised his foot fiercely, and then pressed it down!

"Crack!" With a sound, Jiang Yuanli's propped right hand was broken!

"what!"

Jiang Yuanli cried out in pain.

He was almost fainting, his whole body soaked, his face pale to the extreme! Those bloodshot eyes have only fear!

Endless fear!

Ye Chen looked at him condescendingly, his eyes lightly: "This is just the beginning, what is it called?"

After finished speaking, Ye Chen's right foot pressed down again! Bring ten thousand catties!

"Kakkaka!"

Jiang Yuanli felt a force penetrate his body, and all his bones broke!

very harsh!

Death is better than life!

In the next second, Ye Chen directly strangled Jiang Yuanli's neck and lifted it abruptly.

"You shouldn't mess with me, you really shouldn't."

"The Jiangcheng martial arts family, the Jiang family? Maybe from today, the Jiang family will disappear forever in the history of Jiangcheng!"

Ye Chen just planned to do it, Yuan Jingfu's cold threatening voice sounded: "If you dare to hurt the innocent, I will kill you!"

"Innocent?"

Ye Chen laughed!

Then an angry blast resounded throughout the martial arts platform-"What are you! I Ye Chen wants to kill, what right do you have to stop!"

In the next second, Ye Chen shook his arm, Jiang Yuanli flew out and broke another stone pillar of the martial arts platform!

The body is almost torn!

Flesh and blood!

Jiang Yuanli, the great master of Jiangcheng, died on the spot!

No. 514 on the Huaxia Grandmaster List, changed hands!

But Ye Chen is not over yet, his icy eyes fell on Chen Baoguo who was panting.

Chen Baoguo's body instantly stiffened, and an invisible murderous intent seemed to lock him.

Fear filled his mind!

Chen Baoguo quickly looked at Yuan Jingfu and stretched out his hand with difficulty: "Old Yuan, save me, you promised me yesterday!"

Yuan Jingfu nodded: "With me here, no one can kill you!"

Hearing these words, Chen Baoguo exhaled, and in the next second, a wind blade broke through the air!

His pupils dilated, and he stared at the arrogant young man not far away.

There was a cold smile on the corner of the youth's mouth.

Like a devil.

Like a **** of death.

He wanted to cover his neck at the last moment, but found it impossible.

His head rolled directly down, to Yuan Jingfu's feet.

Shocking.

Yuan Jingfu's face is completely black!

Slap!

Slap naked!

He promised one second before, and one second later, someone directly killed him!

At this moment, silence.

The Budo stage fell into a dead silence.

Everyone seems to have seen a ghost, who would have thought that Ye Chen would not only kill Chen Baoguo!

even killed Jiang Yuanli of the Jiang family!

Less than a minute~www.mtlnovel.com~ to kill two top masters in Jiangcheng, this kid is crazy!

These are not important, what is important is that Ye Chen actually killed someone in front of Yuan Jingfu of the Jiangnan Provincial Budo Association!

Isn't this tantamount to slap the opponent's face severely!

grumble...Everyone couldn't help but swallowed.

Five years ago, the Jiangcheng Ye family was destroyed, and the Ye family has since become the laughingstock of the Jiangcheng people.

Five years later, the disappeared Ye Family boy returned, and even at the Budotai, he killed two masters one after another! Turn the tide!

If Ye Chen does not die today!

What four big families does Jiangcheng need, and what martial arts families still need!

Just one Ye family is enough!

Today's events are enough to be recorded in Jiangcheng's history, let alone shock Jiangcheng, even Jiangnan Province will be scared enough!

The clenched fist of Ye Lingtian with a peaked cap under the stage gradually loosened, and his eye sockets were a little red.

He knew that perhaps starting today, the Lord of the Palace would rise.

The situation in Jiangnan Province and even China will change.

Zhou Fulu stared at Ye Chen fiercely, turned his head, and said to Zhou Zhengde: "Dad, it seems that my vision is still too narrow. If you didn't show your favor to Mr. Ye in time, maybe this huge ship will be our Zhou family forever. No more."

Zhou Zhengde's eyes narrowed slightly, and his gaze shifted from Ye Chen to Yuan Jingfu's body: "Fu Lu, the next thing is the key. Offending Yuan Jingfu is tantamount to offending the Jiangnan Provincial Budo Association. The fate of Mr. Ye is worrying, although he can Kill Chen Baoguo and Jiang Yuanli, but if you face Yuan Jingfu, alas, everything depends on good luck..."

Chapter 134: Be responsible!

Above the Budodai.

The atmosphere is extremely solemn.

Yuan Jingfu, as the vice president of the Jiangnan Provincial Budo Association, once existed in the top four hundred of the Chinese Grandmasters list, who would dare not give him face!

Many big figures in Jiangnan Province will respectfully call him Yuan Lao!

But this kid in front of him not only scolded him!

also killed his people in front of him!

An invisible anger accumulates on Yuan Jingfu's body! About to break out!

He stepped on his footsteps, the martial arts platform shook slightly, countless dust rose up, and a powerful murderous intent shrouded Ye Chen.

"Boy, it's a foregone conclusion, why do you have to kill the killer! Don't you take my words to your ears!"

Yuan Jingfu's voice had a hint of chill, and the people on the edge of the martial arts platform couldn't help shaking.

Ye Chen condensed his eyes and smiled: "What are you, why should I listen to you?"

"Who am I?" Yuan Jingfu sneered, "I am the referee of the martial arts stage this time, and even the vice president of the Jiangnan Budo Association! You said you are not qualified enough!"

Ye Chen glanced at each other faintly: "Dance Association? You would wear a socks and dance a ballet."

"Pump!" Some girls laughed directly when they heard this, and the person next to them quickly covered their mouths.

Everyone in the field couldn't help but breathe a sigh of relief when they heard these words. Ye Chen was too dare to say it.

Even Yuan Jingfu dare to insult!

Even the Jiangnan Provincial Budo Association scolded it!

Is this looking for death!

Offending the Jiangnan Provincial Budo Association is tantamount to offending the grandmaster of the entire Jiangnan Province!

Isn't this abruptly forcing yourself on the road to the end?

"you--"

Yuan Jingfu's suppressed anger can no longer be controlled!

Suddenly, the martial arts platform swept through an invisible wave of air, causing Ye Chen's figure to stop.

Yuan Jingfu gave birth to lotus in his footsteps, and appeared in front of Ye Chen in an instant. Just as he was about to make a move, a black shadow swept towards the martial arts platform.

fell steadily between Ye Chen and Yuan Jingfu.

"Master Yuan, you are a prestigious master in Jiangnan Province, and even the referee of the martial arts stage this time. How can you attack a junior!"

It is Wu Xiangming who speaks! One of the referees this time!

Behind is the Wu Family of Jiangnan Province's Budo Family!

Yuan Jingfu frowned, and his tone was a little unhappy: "Master Wu, can't you see that this son is killing innocent people! Not only that, this son is also very disrespectful to the referee and deserves to be killed!"

Wu Xiangming shook his head and said seriously: "Zongshi Yuan, first, on the martial arts platform, this little brother beheaded Chen Baoguo. This is in compliance with the rules. This is an agreement that has been signed. Although the methods are a bit too far, it is also in line with the martial arts platform. The rules.

Secondly, Jiang Yuanli made a secret move and broke the rules, he should have been killed! Even if this little brother doesn't kill, Wu Xiangming will do it!

Third, Master Yuan, you as the referee, why did you secretly shoot on the martial arts stage? You should be the one who really broke the rules! "

Everyone present was afraid of Yuan Jingfu, but he Wu Xiangming was not afraid!

Yuan Jingfu's face turned black: "Wu Xiangming, what do you mean, are you questioning me? Do you think you can represent the Wu family behind you!"

Wu Xiangming gave a cold snort, without speaking.

Yuan Jingfu continued: "I warn you, if you insist on protecting this kid, I should also talk to the chairman of the matter."

"You better figure it out, this son has nothing to do with your Wu family, you don't have to protect him, what if I kill him!"

Wu Xiangming heard the word chairman, his eyes hesitated.

He saw Ye Chen's talent, really didn't want Ye Chen to die soon!

And Yuan Jingfu's behavior is too much!

After thinking for a few seconds, Wu Xiangming gritted his teeth and said seriously: "Who said this has nothing to do with the Wu family!"

He turned to look at Ye Chen, and said, "Ye Chen, are you willing to join my Wujia in Jiangnan Province?"

As soon as he said this, not only Yuan Jingfu was stunned, but everyone in the audience was stunned.

In the next second, countless envy and jealous eyes turned towards Ye Chen!

Wu Family is a family of martial arts in Jiangnan Province! A full thousand years of history!

The background is terrible!

In the Ming and Qing Dynasties, the Wu family was even the first family in China!

Although it has gradually declined in modern times, it does not affect his awesomeness!

Wu Grand Master is one of the top masters of China!

Once this kind of olive branch thrown by the family takes over, Ye Chen will surely soar into the sky!

Chu Shuran's face turned pale, she looked at Ye Chen's figure, very regretful.

If... If she had accepted Ye Chen, everything would have changed drastically.

If the Chu family has the Wu family as its backing, it will definitely reach the top in one step!

But there is no regret medicine in this world.

"Pop!" Chu Shuran couldn't help but slapped herself!

On the side of the Jin Family of Jiangcheng Budo Clan, Jin Lengyan and Father Jin also looked at each other and sighed.

When they planned to step down, they took the initiative to make friends with Ye Chen.

Now that Ye Chen has the Wu family, he must look down on their Jin family.

Jin Lengyan was even thinking, if Ye Chen came to the suite with the pill at the auction, if she took the initiative to ask what happened to Ye Chen, it would be fine.

With her **** and beautiful appearance, she takes the initiative to conquer a man, which is difficult for any man to control.

But it's too late now.

Budo stage.

Yuan Jingfu couldn't help cursing: "Wu Xiangming, you actually want to put this waste into your Wu family. What is your Wu family's interest in him."

Wu Xiangming ignored it, UU reading www.uukānshu.com looked at Ye Chen with scorching eyes and said: "How are you thinking about it, as long as you agree, I will take you away immediately, no one dares to move you."

His tone is full of no doubt, in Wu Xiangming's opinion, no fool would refuse this big opportunity!

But, in the next second, Ye Chen said: "I'm sorry, I don't need it."

Wu Xiangming was startled, thinking he had heard it wrong: "What did you just say?"

"I do not need."

So Ye Chen repeated it again. He will not accept any invitation from any forces. What he has to do today is to kill Yuan Jingfu!

This person has already threatened him, and he must not be allowed to leave the Budotai alive!

There was silence under the martial arts stage for just a second, and it exploded in the next second!

Is Ye Chen stupid?

actually rejected the Wujia!

How many martial artists have a lifetime dream, he actually refused without hesitation!

Not to mention, how many opportunities for improvement will be lost if you refuse the Wu family!

Now that Ye Chen has no Wujia, Yuan Jingfu will make things difficult for him without any scruples!

Ye Chen's move is abruptly driving himself to a dead end!

lunatic!

fool!

Ye Chen is over, completely over! This is tantamount to ruining one's own destiny personally!

Wu Xiangming's expression was very embarrassed, he pulled down his face to ask Ye Chen, nothing more than Ye Chen's talent!

But Ye Chen doesn't cherish it, and even pretends to be high-minded, then he can't be blamed!

Budo, this kind of self-righteous existence should be eliminated!

Wu Xiangming waved his sleeves and walked directly under the martial arts stage. A cold voice sounded: "Since you are responsible for your own responsibility, then you are responsible for your life!"

obviously said to Ye Chen.

Chapter 135: come out!

Ye Chen ignored the gazes around him. Instead, he stared at Yuan Jingfu's body, stretched out his hand, pointed at Yuan Jingfu, and said, "Budotai, life and death battle, you Yuan Jingfu dare to accept the challenge of my Ye Chen!"

Wu Xiangming hadn't walked a few steps yet, when he heard this, he staggered and almost fell to the ground!

His horrified eyes looked at Ye Chen!

Doubt!

puzzled!

What the **** is this guy doing? Yuan Jingfu didn't come to him, he actually took the initiative to find him!

Challenge Yuan Jingfu?

When Yuan Jingfu became a grandmaster, you were **** unborn!

Still life and death!

What a big tone!

Everyone off the field was stunned, Ye Lingtian, Zhou Zhengde, Jin Lengyan, and even Ying Qing, everyone's eyes were about to stare out.

Breathing stopped as soon as Ye Chen's words fell!

Ye Chen is too crazy! Mad enough to hit the muzzle directly!

Yuan Jingfu's cultivation base, Ye Chen's cultivation base! What's the difference between this and looking for death!

Ying Qing under the stage even said: "Mr. Ye, don't be impulsive! It's important to save your life!"

Ye Chen ignored him, his cold eyes stared at Yuan Jingfu, and said, "Yuan Jingfu, do you dare to fight?"

At this moment, Yuan Jingfu smiled!

He has seen countless arrogant wastes in his life, but he has never seen an existence like Ye Chen!

"Ye Chen, Ye Chen, are you sure you want to challenge me? I think you want to die more honorably, right! That's right, dying in the hands of my Yuan Jingfu is also your greatest honor in this life."

Yuan Jingfu's conversation suddenly turned, and he said loudly: "I, Yuan Jingfu, I am willing to take a fight! Kill you this trash, three moves are enough!"

In the next second, a grand master's might condensed, and the powerful aura made everyone in the martial arts stage pale!

Ye Chen on the stage instantly felt a powerful force rushing across, like a violent storm, and even a trace of death on the martial arts stage enveloped him.

Although he is only on the eighth floor of the Kaiyuan realm, the opponent is a powerful aerodynamic realm!

But Ye Chen just wanted to feel the strength of the so-called top power!

He wants to see what kind of strength the top 400 of the Huaxia Grandmasters list is!

"Small miscellaneous, the first trick, look good! I will make you feel despair!"

I saw Yuan Jingfu move! It turned into an afterimage in the same place, rushing towards Ye Chen like a tiger!

He turned his fist into a claw, opening and closing, a very strong airflow condensed in his fingers, as if torn the air! There are bursts of bursts!

Vaguely, some people even saw Mars in the audience!

Ye Chen's eyes condensed, and he could clearly feel Yuan Jingfu's coercion falling from the sky!

If caught by the opponent's claw, the whole body will be abruptly torn apart!

No more hesitation, Ye Chen ran his dantian innocent energy, and let out a cold voice: "Blood Yan Palm!"

A blood evil condenses all over his body! The blood evil and true energy gathered on the right palm and burst out suddenly. The two forces were superimposed on each other, red and white rays of light flickered, palm wind swept across, and abruptly collided with Yuan Jingfu!

"Boom!"

A loud bang exploded at the Budodai! A powerful wave of air surging in all directions, the warriors in the front row quickly backed away!

Those scrap chairs shattered on the spot!

Horror!

On the stage, Ye Chen only felt Qi and blood surge, his internal organs were shaken, and he took a step back subconsciously!

Yuan Jingfu also took a step back, a flash of incredibleness in his eyes!

Not only did he not kill the kid with one blow, but the two of them were equal!

how is this possible!

He even heard the discussion from everyone in the martial arts stage. His face blushed and angrily said: "Second move! Go on!"

This time, he did not dare to take it lightly and directly use his full strength!

Yuan Jingfu stepped on his feet, his body jumped high, his palms shot out, as if there were two phantom shadows blasting towards Ye Chen!

Under the shadow, Yuan Jingfu's momentum has risen to the extreme!

At the moment it fell, it penetrated the virtual palm and slapped Ye Chen's neck fiercely!

This is not two palms, it is four palms!

And the power contained in each palm is enough to pat the boy in front of you into a ball of meat sauce!

There was a burst of noise on the Budo stage!

The wind is constantly rolling up!

How much Yuan Jingfu's power soared at this moment!

Wu Xiangming's face changed drastically in the distance, and he exclaimed: "Yuan Jingfu hasn't fallen out of the 400th place on the grandmaster list at all. This force has to advance at least a full fifty!"

"No, Ye Chen is dead!"

Ye Chen naturally also felt the crisis, "Nine Heavens Xuanyang Jue" was running, and a faint dragon roar came out of his body! Just about to punch out! A voice suddenly came from his body!

His face changed, but he withdrew a trace of strength! Instead, he simply threw a punch.

"Rumble..."

In a blink of an eye, the two energies clashed together.

Ye Chen only felt a wave of power coming, he was calculated by Jiang Yuanli and was seriously injured. This blow directly made his chest tight, his throat sweet, and a mouthful of blood came out from the corner of his mouth!

Of course, Ye Chen didn't move at all, his legs were like steel bars inserted in a martial arts platform. At the last moment, he stretched out his hand strangely and caught the blood!

Everyone didn't notice that Ye Chen's palm was pinching a black stone.

The stone shone lightly, and the blood in his hand disappeared in the next second!

is all absorbed by the stone!

Seeing this scene, Yuan Jingfu laughed loudly: "Boy, what did you fight with me, and you actually went head-to-head with me. I really don't know how you cultivated here!"

"If I were you~www.mtlnovel.com~ I would choose to retreat instead of being ruthlessly crushed by power. The third trick, you can go to the underworld and meet your two premature parents!"

Hearing these words, Ye Chen's eyes instantly became extremely cold!

"Crushing? Next I will let you understand what a real crushing is!"

First punch, Ye Chen just wanted to feel Yuan Jingfu's strength.

The second punch, he can take it! Even though he lost to Yuan Jingfu, he would not be so embarrassed!

The most important thing was a voice in his mind, which actually made him withdraw a bit of strength!

This voice comes from among the hundred tombstones!

Not only that, but the sound made him shoot the blood he vomited on the stone!

At this moment, Ye Chen felt that the whole world seemed to be still.

The black stone in his palm is gushing out with great light!

As soon as the screen turns, the Budodai disappears!

is replaced by the reincarnation cemetery!

And in front of him is a black tombstone!

There are a hundred tombstones, only the tombstone in front of you has changed, it is exactly "Sha Fist Sect, Luo Yuntian!"

A beam of light circulated above the tombstone, and the light continued to rotate, as if it were an ancient text.

Suddenly, Ye Chen found that the tombstone had cracked! Like a spider web!

"Boom!"

The whole reincarnation cemetery shook.

Huhu...

The squally wind ran through the entire cemetery, making low and low whistling sounds.

very ear-piercing.

It seemed as if there were endless heroes crying.

The meaning of the wild and ancient envelopes Ye Chen. Although there is no picture in front of him, he can feel what a terrifying battle broke out here at that time!

The mountain collapsed and the ground cracked. At this moment, the whole graveyard seemed to be shaking.

Chapter 136: Strong posture!

"Boom!"

The tombstone in front of him suddenly cracked, because a figure crawled out of it!

Ye Chen was even a little creepy.

After a short while, that figure appeared in front of Ye Chen.

The other party has a blue robe, a dignified body, a pair of bright eyes shooting cold stars, a broad chest, and the whole person is extremely elegant, like a god, and even has a power of invincibility!

Even if Ye Chen is crazy, but in front of this person, he feels like a leaf boat, extremely small!

Even the other person's thought can kill him!

"Luo Yuntian?" Ye Chen swallowed and asked.

The man's cold eyes shot at Ye Chen, and he said to himself: "Huh? How can this kid have such a realm, how can he master the cemetery of reincarnation?"

Afterwards, he glanced at the tombstones behind him and saw that they were all dim, before he sighed with a sigh of relief: "I thought that this could spur a hundred powerful people. It turns out that I was the only one. No, I'm not like these people? "

He clenched his fists, his face was a little angry, he suddenly thought of something, and shook his head: "Hey, I'm really not as good as the rest of the guy."

"What the **** are you talking about?" Ye Chen asked in surprise.

Luo Yuntian looked at Ye Chen and put his hands behind him: "Boy, since you control the reincarnation cemetery, then my Luo Yuntian inheritance will not dissipate the world. It's just that the aura of the outside world is too weak, and I have been there for a long time. Short, then, you can learn as much as you can."

Then, Luo Yuntian closed his eyes, glanced at the surrounding situation, and sketched a sneer at the corner of his mouth: "The ant from the outside world dares to beat the owner of the reincarnation tomb, so I can borrow your body to use it!"

In the next second, everything around him completely disappeared, and Ye Chen found that he was back on the martial arts platform!

It's just that his body has been controlled by Luo Yuntian.

Ye Chen was still worried about something, but when a burst of words poured into his mind, his eyes instantly rejoiced.

He controls the reincarnation cemetery, as long as he thinks, Luo Yuntian will inevitably dissipate between heaven and earth!

In other words, the other party did not dare to do anything against him at all!

Ye Chen came with a hint of curiosity, he wanted to see how terrifying the ghost behind this tombstone is!

On the martial arts stage, Yuan Jingfu has a hideous face!

In his opinion, Ye Chen is already a powerful crossbow bow, no different from waste!

"Boy, take a look at this world one last time, in your next life, stop being so arrogant! This world is not under your control!"

The words fell, Yuan Jingfu just wanted to take a shot, Ying Qing stepped forward and directly took out a document! Showed in Yuan Jingfu's reluctance!

"Yuan Jingfu, this is a document produced by the central government! Ye Chen has made outstanding contributions to China, so you can't touch him! This is the No. 1 order, and no warrior can disobey it!"

Yuan Jingfu's eyes shrank, staring at the red seal and signature under the document!

The number one person above actually wants to protect the Ye family in Jiangcheng from waste?

how is this possible!

Even if he was jealous, Yuan Jingfu knew very well that if the martial arts station did not kill Ye Chen today, there would be no chance next time!

A few bursts of energy shot out from his hand, and the document was shattered on the spot!

"I want to lie to me with a fake document, get out!"

Ying Qing's expression changed. Before he could react, he was blasted off the martial arts platform by a force.

Who would have thought that Yuan Jingfu would dare to disobey the opinion of the Central Committee!

Yuan Jingfu didn't want to drag anymore, he blasted at Ye Chen with a punch!

The momentum is like a rainbow, who is it?

"Smelly boy, even if I come, you will die!"

At this moment, Yuan Jingfu's fist expanded infinitely, rolling the air, making a roar like a beast.

is about to fall on Ye Chen's body!

Ye Chen didn't move at all! He even closed his eyes and put his hands behind him, very indifferent!

Everyone in the audience opened their mouths wide, and some even covered their eyes, for fear of seeing a young man in his 20s falling apart on the spot!

At the same time, there was also a man wearing a peaked cap shooting quickly, it was Ye Lingtian!

As long as Yuan Jingfu dares to move the Lord, he wants the entire Jiangnan Provincial Budo Association to apologize!

Suddenly, the young man on the martial arts platform opened his eyes!

What kind of eyes are that!

seems to penetrate everything, despise everything and overlook all beings!

Ye Chen sneered: "A trivial ant, dare to show off in front of me!"

In the next second, he waved his big hand, and the entire martial arts platform condensed into a killing intent! Dark clouds are rolling above the sky!

Black clouds are over the city!

is like the end!

Yuan Jingfu's body stopped in an instant, not because he wanted to stop, but because he was restrained by an extremely terrifying coercion!

can't move!

He is not qualified to do it at all!

"Your hands, I want them!" Ye Chen's cold voice resounded through the audience!

Everyone didn't react. Suddenly, there were two crackling sounds from the martial arts, and Yuan Jingfu's hands burst directly!

turned into a blood mist!

The powerful pain made Yuan Jingfu feel unhappy, and screamed like crazy!

Ye Chen looked at Yuan Jingfu condescendingly, with extremely indifferent eyes, and suddenly exclaimed: "What qualifications do you have to stand here with me? Don't kneel down!"

Yuan Jingfu's face was pale, and he hadn't been relieved from the pain, his back seemed to be severely pressed down by a ten thousand-foot mountain!

"Crack!"

His knee broke directly, and he knelt in front of Ye Chen!

At this moment~www.mtnovel.com~Yuan Jingfu's eyes don't have the arrogance of the past, only fear!

Deep fear!

He knows that Ye Chen has a pill to improve his strength, but there is no pill in this world that can rise to this point!

The youth in front of him feels like an abyss!

bottomless!

He even felt that the big people he had been looking up to were dead in front of the youth in front of him!

How did the opponent suddenly become so strong!

incredible!

He couldn't take care of everything, and he quickly kowtowed to Ye Chen: "Ye...Master Ye, I was wrong, I beg Master Ye to go around me, I am willing to be a slave!"

Such a scene shocked everyone!

The ensuing changes made the situation more and more tense.

Yuan Jingfu actually kneeled down and begged for mercy!

The top four hundred, even stronger existences actually begged for mercy in front of a young man! Willing to be a slave!

There was a suffocating and depressive breath in the air, and everyone's eyes fell on the young man on the martial arts stage.

Ye Chen glanced indifferently at Yuan Jingfu, and said: "For me, a slave? You are also worthy of ants like you? Death!"

The voice fell, and Ye Chen stamped his right foot toward the ground!

"Boom!"

The sound of shaking the sky resounded through the sky, like a violent thunder, an invisible wave of air spread from under the feet!

The entire martial arts platform is centered on Ye Chen's right foot, spreading in all directions like a spider web!

When spreading under Yuan Jingfu, an extremely powerful force soared into the sky!

Suddenly, Yuan Jingfu's body burst open, torn apart!

The sky is raining blood!

Chapter 137: Kill in 0 miles!

Yuan Jingfu is dead!

and such a tragic form!

doesn't even have a complete body.

No one thought that things would develop like this.

Yuan Jingfu is the strongest existence in the entire ten-mile radius!

The top four hundred on the Huaxia Grandmaster List!

Vice President of Jiangnan Budo Association!

But it was such a superior existence, but was crushed and killed by a young man.

The scene was extremely quiet, everyone looked at Ye Chen, their eyes became extremely frightened, and they couldn't help but take a breath.

I don't know how long it took, the whole martial arts platform seemed to shook, and it collapsed in an instant!

Only one foot of the ground under Ye Chen's feet is still as stable as Mount Tai.

"Goooo!" Everyone in the audience swallowed hard, and then looked at each other.

"Zongshi Yuan is dead?"

"Seems....."

"In just ten minutes, three great masters have fallen in Jiangnan Province... This time not only Jiangcheng will change, but Jiangnan Province will also change."

Jin Lengyan's father stood up directly from his seat and exclaimed: "This son is going against the sky! He... how did he do it!"

"Dad...I don't know." Jin Lengyan was a little confused.

Zhou Zhengde's muddy eyes flashed with a gleam of light, and he slammed his fist out, yelling: "Good, good!"

Zhou Fulu's face is completely unbelievable: "Dad, the martial arts station was destroyed by him, does China really have such a master? Why do I feel that this person is not Ye Chen..."

Zhou Zhengde narrowed his eyes, and said in doubt: "I also have this feeling. Since Mr. Ye has such strength, he is enough to kill everyone at the beginning. Why must he be injured before he does it? Is it impossible to say?"

The King of Nanjiang was already standing not far from Ye Chen, his eyes were staring at Ye Chen, his fists were clenched, and there was a blood boiling in his body!

Although I don't know how the palace master did it, this battle alone is enough to be included in the history of Chinese martial arts!

This is a move to kill the top four hundred strong people on the Huaxia Grandmaster list!

Nanjiang King can't do it either!

"It seems that I want to speed up the progress. The journey of the palace lord is not in Jiangcheng, nor Jiangnan Province, but the entire China!"

If you want to say that the most shocking people on the field should be Wu Xiangming and another referee Wang Zhixin.

Both of them are among the top 500 in the Huaxia Grandmasters list, and they have the most say in the power that Ye Chen just broke out!

But they can't see through!

can't even see how Ye Chen moves!

Wu Xiangming felt hot at the moment. He thought Ye Chen was arrogant and arrogant when he refused his invitation!

But looking back now, it's all because the Wu family is not qualified at all!

Ye Chen has such strength, one hand could destroy the millennium foundation of Wu Family!

"Master Wu, the person on the martial arts stage... is really an ancient martial artist... how do I feel something is wrong!" Wang Zhixin tremblingly said.

Wu Xiangming stared at Ye Chen for a while, before he said: "According to my observation, he is not an ancient martial artist, he should be a cultivator."

"What!" Wang Zhixin stepped back subconsciously, "There are really devastating cultivators...The realm master is just the beginning... The legend is true!"

Wu Xiangming nodded, and his face became serious: "I am worried that Ye Chen's sharpness is too revealing. In front of so many people, he will kill the three masters with such strength. Jiangnan Provincial Budo Association, and even the public enemy of the Chinese martial arts world.

People who are too enchanting, some forces will inevitably strangle them, strangle them by all means. "

"Also, according to the rules, there should be a strong man from the Jiangnan Province Budo Association in the dark... If this person leaves, the entire Chinese forces may have to encircle Ye Chen!"

Wang Zhixin's face changed, and he just wanted to say something, a thousand meters away, an angry sound rang through the sky!

"Ye Chen, how dare you kill the vice-chairman of Jiangnan Budo Association! China must know what happened today! Wait for your death!"

Everyone looked at the source of the sound, and saw a black shadow leaving quickly. If it weren't for the ancient warrior, he could stare at a thousand miles, but he couldn't find it!

"No, that person has escaped!" Wang Zhixin and Wu Xiangming lost their voices.

As soon as this person leaves, news that Ye Chen is a cultivator will inevitably spread throughout China!

But at such a distance, there is no time to chase it!

Everyone looked at Ye Chen in the center of the martial arts platform, the other party had no plans to move at all! Still with his hands behind him, his expression was indifferent!

Ying Qing thought of something, and hurriedly said: "Mr. Ye, I will help you intercept this person!"

He just wanted to chase, a faint voice sounded: "No need."

Ying Qing stopped in his footsteps: "But—"

"The person I want to kill, even if the other party is thousands of miles away, can't be killed!"

There was a hint of coldness in Ye Chen's eyes that was imperceptible.

In the next second, Ye Chen spread out his right hand, his dantian surged, and a golden qi condensed from the palm of his hand!

Not only that, his whole body also carries an extremely terrifying evil intention!

Violent wind anger roll, the only trace of aura in a radius of ten miles is used by Ye Chen!

The palm of his hand has gradually formed a kendo phantom!

Kendo phantom gold and red staggered, so angry!

Under the Budo stage, everyone was terrified when they saw this scene, and they couldn't understand it at all.

Is this a special effect?

Is this a movie?

Who can tell them what Ye Chen is holding!

This is the **** reality!

This is the 21st century!

Ye Chen ignored the people around him, glanced at the figure that was almost disappearing, and sneered: "Although I am the master of the fist sect, but I also have a thousand miles of killing skills! go with!"

"Wow!"

Kendo phantom rushed out, piercing the air, and sparking bursts of sparks!

Under a sword, invincible people.

Before the sword's edge arrives, the sword energy arrives first, piercing the sky and tearing the space!

In a blink of an eye, he appeared behind the escaping master.

The man only felt cold behind his back and turned his head fiercely. Before he could react, the sword energy penetrated his body.

"Boom!"

The sound is roaring, like a nine-day mysterious thunder!

That person turned into a blood mist on the spot!

didn't even have a chance to scream.

Several great masters naturally saw this scene, and their faces were extremely pale!

What kind of means is Ye Chen!

They even wondered whether Ye Chen would kill people in order to close the news!

Sure enough, Ye Chen stood on the ruins, glanced at the audience, as if muttering to himself: "Boy, I'll give you a piece of advice, arrogance should be built on the basis of strength, I have about three hours of existence. Before disappearing, I will do you a favor and erase some people's memories.

But there are always people who will speculate about what happened today. I hope that before those people can react, your strength is enough to crush everyone, or you are qualified to see the strong of the second tombstone! "

The words fell, Luo Yuntian, who was controlling Ye Chen's body, waved his hand, and a faint light covered the audience!

directly erased most people's memories.

Of course, this part of the memory is only about the scene of his shot.

After all, it is too shocking to the world, but it will harm Ye Chen.

Chapter 138: Why help me!

However, the strong inside Ye Chen did not erase the memory of the two of them.

One is Nanjiang King Ye Lingtian.

The other is Wu Xiangming.

Ye Lingtian asked Ye Chen to keep his memory, after all, it was his person.

As for Wu Xiangming, it was the strong inside Ye Chen who proposed it.

"Why don't you erase Wu Xiangming's memory?" Ye Chen asked curiously.

Luo Yuntian smiled and said, "You will know it later."

Outside the martial arts platform, the light gradually dissipated, everyone's eyes were almost dull, and their bodies were frozen.

Ye Lingtian naturally noticed something was wrong, looked around and found that everyone's expressions were almost the same.

"This is the method of the palace lord..."

Ye Lingtian looked at Ye Chen and found that the latter stepped out step by step and came directly below, and then walked towards Wu Xiangming step by step

Wu Xiangming wanted to talk to Wang Zhixin, but found that Wang Zhixin's eyes were empty.

"Master Wang?"

No one responded to him.

"Master Wang, are you awake?" Wu Xiangming continued.

At this moment, Ye Chen had already arrived in front of him, glanced at Wu Xiangming with faint eyes, and said, "You can't wake him up."

"Everyone on the scene was sealed off by me. After a minute, when they are relieved, everything that happened just now will dissipate. In other words, some of these people's memories will be erased."

Wu Xiangming was startled and took a step back subconsciously.

how is this possible!

There are even ways to erase memories!

It's better to understand if you erase a person.

Ye Chen actually erased everyone's memory!

This method can no longer be explained by ancient warriors and practitioners!

is simply ancient power!

Only the legendary characters can do it.

Suddenly, he thought of something and said with a trembling voice: "Then... why don't you erase my memory."

"Because you are more valuable than everyone present!"

Ye Chen's voice seemed to come from the vast nine heavens.

Wu Xiangming was startled, and he understood in an instant, a trace of relief appeared on the old face: "What do you want me to do?"

In front of such a peerless powerhouse, he has no right to resist!

The opponent can kill even people thousands of miles away, not to mention him.

"Serving me as a servant, even more loyal than the family behind you." Ye Chen said lightly, "Of course, you have another choice, and I will erase your memory."

Wu Xiangming heard the memory erased, and a trace of coldness oozes from behind.

Even if he practiced for a hundred years, he would not be able to see the scene like today.

For the martial artist, seeing the strong can make him stronger. He doesn't want to lose this opportunity

More importantly, Ye Chen is the strongest person he has ever seen in his life. Becoming Ye Chen's slave is not a bad thing!

is a great opportunity!

Thinking about everything, Wu Xiangming's eyes revealed a trace of determination, and he knelt directly in front of Ye Chen: "I, Wu Xiangming, would like to be Master Ye's servant!"

Ye Chen nodded, pinched his fingers, condensing a stream of blood, directly into Wu Xiangming's eyebrows.

"I have penetrated the blood into your sea of knowledge, if you betrayed, the jade will be burned!"

Wu Xiangming's body trembled, and he didn't even think that the other party had such a method. He quickly said, "The little ones dare not!"

Ye Chen ignored Wu Xiangming and walked straight to the stage.

Fist Sect Sect Luo Yuntian has left his body, and left a sentence: "I still have some time. You can find a quiet place quickly and let me complete my final mission."

One minute is up.

Everyone woke up with a blank expression.

"What's wrong? Why do you feel dizzy?"

"Me too, right, where is Ye Chen?"

"How did Ye Chen kill Yuan Lao just now, hey, why am I not impressed?"

"I also forgot, it seems that Yuan Lao Yungong has over-exploded."

"Really, I vaguely remember that he exploded himself."

"No, Ye Chen used a secret method to let Yuan Yuan explode..."

"Anyway, in this battle, the three top masters died because of Ye Chen! The Ye Family of Jiangcheng is destined to rise!"

"Not only that, it is estimated that no one in the entire Jiangcheng dared to move the Tianzheng Group! Don't call Ye Chen from now on, call it Master Ye..."

"Yes, yes, where did Grandmaster Ye go? He killed three grandmasters, why don't you say anything?"

Everyone found that Ye Chen was missing.

Not far away, Wang Zhixin also woke up, frowning, and muttered: "How do I feel that there is a break in my memory? No matter how I think about it, I can't think of some things..."

Wu Xiangming watched the reactions of everyone around him, his eyes became more serious, he looked at the direction Ye Chen was going away, and he didn't know what to think about.

"The appearance of this guy is probably going to make Jiangnan Province and China a **** storm, and the situation that has been maintained for a hundred years should also change..."

.....

Tomson first product, top floor.

Ye Chen came to his secret room. Just as he wanted to say something, a phantom appeared in front of him.

It is Luo Yuntian, the master of Shaquan Sect!

The reincarnation cemetery, the power of the first stone monument!

Luo Yuntian put his hands behind his back, and the strong aura spread out. Ye Chen couldn't help but feel the etherealness of such a substantial aura~www.mtlnovel.com~ I know you have a lot of doubts in your heart, I don't want to spend too much time answering you, you Only three questions can be asked. "Luo Yuntian said lightly.

Ye Chen thought for a while, then said: "The first question, why are you stuck in a rock, and why are you helping me?"

Luo Yuntian glanced at Ye Chen with a deep meaning, and said: "You have two problems. First, we are not trapped in the stone, but trapped in the cemetery of reincarnation. The stone in your hand just carries the reincarnation. cemetery.

Second, the reincarnation cemetery has chosen you. You are the reincarnation tomb owner who dominates all ages. The only thing we have to do is to help you, help you clear all obstacles, and help you become an immortal strong! You have one last question. "

At this moment, Ye Chen had to think deeply.

Although he wants to understand the back of this reincarnation cemetery, what can he do even if he knows it?

This is obviously a magic weapon in ancient times.

Ye Chen pondered for a few seconds before he decided on the third question: "How do the remaining ninety-nine tombstones arouse?"

Luo Yuntian explained: "There are only two ways. First, as long as your strength is enough, let them feel that you are qualified, and they can naturally motivate. Second, let them take the initiative to recognize certain things you do.

I can tell you a little bit more, you may think that I am very strong, but among the hundred people, I am the weakest existence. "

Ye Chen was startled, and a stormy sea raged in his heart!

Such a terrifying Luo Yuntian is actually the weakest? Could the remaining ancient powers tear the void and destroy the stars?

Ye Chen suddenly thought of Kunlun Xu.

It is located deep in the Kunlun Mountains in China.

I have only stayed there for five years, and I have reached the current level.

What if Kunlun emptiness exists deeper? How horrible is it?

Chapter 139: Vision! earthquake!

Don't talk about Kunlun Xu, just this time the martial arts platform.

Without the help of Luo Yuntian, Yuan Jingfu should not be able to move him without being injured, but he could not kill the opponent either.

Yuan Jingfu is in the top four hundred masters, which means that at least four hundred masters in China are better than him.

No one knows how strong the real strong are.

While Ye Chen was thinking deeply, Luo Yuntian's voice sounded: "I have two hours left. In these two hours, I will try my best to teach you what I have learned throughout my life. How much you can understand depends on your chance. Yes. You close your eyes, rotate the sky, and raise your dantian's true energy to its peak state..."

"it is good."

Check out this new online game!

Ye Chen sat cross-legged and suddenly thought of something. He took out the two high-quality pills that he had left behind. After taking them, he hurriedly ran "Nine Heavens Profound Sun Jue", only to see a golden breath overflowing from his body.

Luo Yuntian was startled slightly, and said in amazement: "Your skill level is quite good, and it is extremely suitable for you. If there is no reincarnation cemetery, as long as you don't die, your future achievements will be unlimited."

After finishing speaking, he pinched his fingers, and a strong momentum condensed on one finger.

then pointed at Ye Chen's forehead!

In an instant, the whole room plunged into darkness, and in the darkness, it turned into a star.

The light of countless stars poured into Ye Chen's dantian.

"Ye Chen?"

Luo Yuntian said, there was a hint of hoarseness in his voice.

Ye Chen opened his eyes and looked at Luo Yuntian in surprise. He unexpectedly found that Luo Yuntian's original shadow was gradually weakening.

is getting dimmed!

Not only that, he felt a powerful message flooding into his mind!

Various martial arts and mental techniques! Even countless battle scenes! It's just that these memories are intermittent.

He obviously couldn't absorb it completely.

"As the owner of the reincarnation tomb, you have a hundred powerful guides. Now, would you like to call me a master? I really don't want my martial arts to disappear in the world."

Ye Chen was a little moved: "Master."

Luo Yuntian said three good things in a row: "Good, good! My life is worthy of Luo Yuntian! I hope you and I will have a chance to meet!"

The words fell, Luo Yuntian's phantom completely dissipated, and it turned into a starlight and penetrated into Ye Chen's forehead.

Ye Chen was startled, he didn't understand what Luo Yuntian's last words meant.

Have a chance to see you again?

The tombstone is shattered, doesn't it mean that he dissipates the world and throws himself into reincarnation?

At this moment, Ye Chen noticed that a very strong breath was pouring out of the dantian!

is about to break through!

He felt that before Luo Yuntian disappeared, a piece of stars had been created frantically into his dantian, and even into his limbs!

This sense of comfort almost made him groan!

There was even a "cracking" sound from his body, and he could clearly feel that every muscle in his body was shaking.

Shattered, reborn.

When the Dantian energy was at its peak, Ye Chen roared, "Broken!"

His realm steadily stays on the ninth level of Kaiyuan realm! The pinnacle!

But all this is far from over, and the effect of taking the pill began to volatilize in the body.

"Boom!"

His body is like a big wave rushing, and a strong breath breaks through all constraints like a bamboo!

"In that case, I will completely cross a big realm today, a pneumatic realm, break!"

There was a long howl, shaking for nine days.

A powerful wave of air keeps rolling in the house!

Gradually, Tomson's first product shook!

Countless rich people living in Tomson First Grade ran downstairs! The siren resounded throughout the floor!

The whole building is in chaos!

The security is also maintaining order! The big boss behind Tomson Yipin held an emergency meeting!

I thought it was the Jiangcheng earthquake, but no earthquake was felt in all areas, only Tomson first product!

is a hell!

The big boss behind the scenes is extremely confident in his products, because he focuses on Jiangcheng's top real estate, so both materials and labor are the best in Jiangcheng!

But how can the shock feel so strong right now, as if Tomson's first product is a tofu project!

The water downstairs that has been surrounded by reporters is blocked! Just when everyone was about to report on Tomson's first product, the tremor suddenly disappeared.

At this moment, somewhere on the top floor.

Ye Chen opened his eyes, his body was filled with misty air, like a fairy.

Calm down, feeling the surging energy in his body at this time, Ye Chen clenched his fists:
"Aerodynamics! Actually, I really entered the aerodynamics! If Yuan Jingfu stands in front of me again, I am confident that I can kill them easily!"

He thought that China's spiritual energy was thin and the speed of breakthrough would be very slow, but he didn't expect that in just a few days, he actually crossed so many realms!

is incredible!

Ye Chen suddenly thought of something, took out the black stone for the first time, and felt it slightly.

In the reincarnation cemetery, although a tombstone was shattered! But there is a tombstone with a faint light!

Although is very weak, it is enough to show that if his strength is stronger, he will be able to inspire again!

He couldn't see the words on the tombstone, but the simplicity and desolation made him feel shocked.

Just then, the phone in my pocket rang.

Ye Chen retracted his thoughts, took out his mobile phone and found that Sun Yi was calling~www.mtlnovel.com~Ye Chen, where are you now? "There was a rapid voice on the other end of the phone.

"At home."

"Which one? Say it quickly, you want to die to death!"

Ye Chen was a little strange, but still said: "Tangchen first-class."

"Why are you still at the Tomson first product? There was a local earthquake in your place just now, didn't you feel it?"

"Earthquake? No, I have always been in the house."

Sun Yi on the other end of the phone sighed, and suddenly thought of something: "Since you have nothing to do, why haven't you come to Xia Ruoxue? Today is her birthday! Everyone is here, I guess you will be missing! She has been at the door! Waiting for you!"

Ye Chen patted his forehead. The incident at Budotai made him forget about it, and he no longer hesitated. He hung up the phone, changed into a custom suit, took the tears of the stars, and went straight downstairs.

.....

at the same time.

An underground base in Jiangcheng.

After listening to Ying Qing's report, Lei Shuwei fell into deep thought.

"You said Ye Chen killed the three masters? Even Yuan Jingfu didn't let it go? How could it be possible!"

Ying Qing nodded, but still explained: "The deaths of Chen Baoguo and Jiang Yuanli were completely crushed. Ye Chen was too strong! But Yuan Jingfu's death was a bit strange. My only impression was that Yuan Jingfu's body exploded. Know why."

"The only impression?" Lei Shuwei was playing with a bullet in his hand, "What do you mean by this term?"

Ying Qing touched his own inch: "I don't know how to say it, but I feel that there is a memory that I can't think of no matter what."

"Memory wiping!" Lei Shuwei tapped the table and suddenly said.

Ying Qing was startled, thinking about it carefully, it really felt like this.

Chapter 140: Directly refuse!

"Are there any abilities in the room?"

Spiritual abilities can indeed erase the memory of others.

Lei Shu stood up fiercely, and came directly to Ying Qing's front, his fingers grabbed the button on Ying Qing's chest!

picked it off!

"Chief, did I do something wrong..."

Lei Shuwei ignored Ying Qing, but asked, "Is the suit you wore today the one I requested yesterday?"

Ying Qing nodded: "Yes, the chief!"

"it is good!"

Lei Shuwei broke the button directly, revealing a small chip.

Then, he carefully put the chip into a device. Then plugged it into the computer!

Ying Qing was stunned, but did not expect that this button turned out to be a sophisticated camera!

Not only Ying Qing did not expect it, but Luo Yuntian, the strong, did not expect it either!

"This is my back hand. In terms of national security, soldiers should not have any privacy. I hope you understand."

Lei Shuwei said as he clicked on the video in the computer, the scenes on the martial arts stage were completely revealed!

The two had no reaction at all, but when they saw Ye Chen slaying Yuan Jingfu and destroying the entire martial arts platform, they were completely stunned!

"Hiss!" The two took a breath, their bodies trembling.

Is that human being?

It is estimated that only the top 50 in the Huaxia Zong list can do it!

But Ye Chen is only in his twenties!

Those in the first fifty are strong people who have been famous for many years!

The two originally thought that Ye Chen killed Yuan Jingfu and it was over, but when they saw Ye Chen condensing the kendo phantom and killing people thousands of miles away, their breathing completely stopped!

The two have wide-eyed, like sculptures!

Not only that, Lei Shuwei, who has supreme military power and controls a mysterious force in China, is soaked behind!

Because even if he used all his hole cards, he couldn't stop Ye Chen's sword!

This can no longer be described as an evildoer, Ye Chen's move is simply against the sky!

Lei Shuwei hurriedly unplugged the device, wiping out all the data on the computer, and then took a palm on the computer.

computerized into powder.

Lei Shuwei looked at Ying Qing and said solemnly: "Ying Qing, you have been with me for so many years, you should know the seriousness of this matter, this matter can not be disclosed to anyone, remember it is anything! Crime of treason!"

"Yes, Chief!" Ying Qing's voice still trembled.

"Also, the Budo Station should have interference devices and cannot record video, but it does not mean that others do not have devices like ours. You put down all the tasks in your hand and investigate everyone in the Budo Station! Once you find that the other party has similar files in their hands, you will directly obliterate them. !"

After giving this order, Lei Shuwei put the U disk device in his hand into the encrypted file box, and said: "Arrange for me an SSS-class military aircraft. I will go to Zhongnanhai immediately and report this to No. 1!"

.....

Pearl River Villa District.

A bustling scene, especially festive.

There are dozens of famous cars parked outside the villa. The worst famous car is also worth five million.

Today, not only the top figures of Jiangcheng, but also the top power and talents of Jiangnan Province are gathered here.

Just because today is the birthday of the daughter of Xia Family in Jiangnan Province!

At this moment, in an oversized room on the fourth floor of the villa.

A beautiful figure stood in front of the French windows.

The girl's flaxen-colored waves draped down, her facial features were perfect, her face was frosty, her agile eyes flashed with a thousand miles away, deep hidden sadness that was not easy to detect.

A custom-made tube top evening dress, revealing round and smooth pearl shoulders, exquisite and bulging figure, proud silhouette looming, two slender white arms like tender lotus root, naturally hanging on the small waist like a water snake.

is Xia Ruoxue.

At this moment, a pair of slender hands embraced Xia Ruoxue's waist.

"Ruoxue, it's your birthday today. What about your frown? Ye Chen is also true. What time is this, and I won't be there! You must punish him heavily later."

Xia Ruoxue turned around, her sorrow flashed away, showing a smile, and then her hands firmly grasped Sun Yi's extremely turbulent softness.

"Little girl, I haven't touched it for a few days, how come I feel bigger again?"

Sun Yi glanced at Xia Ruoxue, pretending to be angry and said: "Ruoxue, don't you have it yourself? Why do you always touch me? The more you touch me."

Xia Ruoxue smiled like a flower: "Who makes my Sun Yi feel comfortable? By the way, whoever marries you will sooner or later..."

The second daughter hurriedly started fighting on the bed.

After a short while, the door was pushed open, and Xia Mu walked in and coughed slightly.

"Ruoxue, here are some important guests, please go and say hello to me, and your birthday dinner will begin soon."

Xia Ruoxue nodded, and then took Sun Yi's hand and said: "Let's go down together. You will have something to eat next to you later, and I'll come over immediately."

"it is good."

Xia Ruoxue, as the protagonist of the birthday party, went to see the stars and the moon, and countless people congratulated Xia Ruoxue. She nodded slightly to express her gratitude.

Xia Mu said in Xia Ruoxue's ear: "Because this time the event was held in Jiangcheng, several large families in Jiangnan Province couldn't leave, so they sent some representatives. You don't need to know these people, but there is someone you must know, that's your fiancée..."

Xia Ruoxue was startled~www.mtlnovel.com~ her face was pale: "He came?"

Xia Mu shook her head: "Listen to me. Although the guy didn't come, the Qin family of the martial arts family sent a strong man to join us. This is considered to be our Xia family's face. That man is called Qin Yuanqiang. The top five hundred on the list, the strength is extremely terrifying...Although our Xia family is a large traditional family in Jiangnan Province, the most lacking is the shelter of the martial arts power..."

Not long after, Mother Xia brought Xia Ruoxue to a middle-aged man. When she saw the middle-aged man, she hurriedly greeted him with a smile on her face: "Mr. Qin, you are here to attend the birthday of the little girl. The banquet really makes the whole house splendid."

When Qin Yuanqiang heard the words, his eyes fell on Xia Ruoxue. When he saw Xia Ruoxue's beautiful face, he was slightly surprised, and immediately said: "Miss Xia, happy birthday! I came instead of the young master. The young master has recently broken through the retreat. , Can't come in person, please forgive me."

Mother Xia quickly grabbed the words and said with a smile: "Qin Shao is a martial arts genius, of course it is important to practice. Obviously, Qin Shao can let you come here, and it is obviously also very important to Ruoxue."

Qin Yuanqiang nodded, thinking of something, and then said: "Miss Xia, after this birthday party, Qin Shao intends to invite you to Qin's house. It can be regarded as seeing you in person. Would you like to?"

Although it was a questioning tone, there was an unquestionable tone.

Qin's request, who dares to refuse!

The Xia family does not have this qualification.

Although the Xia family is the top family in Jiangnan Province, it is vulnerable to the Budo family!

Xia Ruoxue bit her lip lightly, raised her head, and said seriously: "Qin Shao's heart is accepted by Ruoxue, but I have something to do recently, wait for next time."

directly refused!
