Chapter 141: Surprise!

The atmosphere on the court is a bit frozen.

Mother Xia's face changed drastically, and she quickly said to Qin Yuan: "Mr. Qin, the little girl is joking, she will definitely go..."

"I said I won't go, and, mom, didn't you promise me to stay in most cities for a while?" Xia Ruoxue said seriously.

She knows very well that there are some things to fight for! Once I went to the Qin's house this time, it was definitely not a good thing!

Qin Yuanqiang's expression is already a bit wrong, his voice has cooled down, and the pressure is released: "My young master does not like rejection, very dislikes it, once he is unhappy, the consequences will be very serious..."

Just as the swords were drawn, a burst of hearty laughter came.

The laughter fell, and Qin Yuanqiang's coercion was all shattered!

Qin Yuanqiang was slightly surprised, looking along the source of the laughter, he saw an old man slowly walking towards them.

Seeing this old man's appearance, Qin Yuanqiang and Xia Mu's face changed drastically!

Wujia, Wu Xiangming!

Mother Xia clearly remembered that when she invited the Wu family, she was directly rejected.

Why is the other party here?

Wu Xiangming is behind the Wu family.

His Qin Yuanqiang's position in the Qin family is nothing more than a dog, but Wu Xiangming is different. He has certain power in the Qin family!

By the way, Wu Xiangming seems to be one of the referees of the martial arts stage this time, and he obviously dropped in to congratulate Ruoxue's birthday.

But even if you drop by to congratulate you, that would be an extra surprise for the Xia family!

How many times the Xia family wanted to establish a good relationship with the Wu family, but they were ruthlessly rejected, but who would have thought that even Wu Xiangming was attracted to Xia Ruoxue's birthday!

Xia Ruoxue is simply the lucky star of the Xia family!

No more thoughts, Xia Mu greeted her with a smile on her face full of flattery: "Mr. Wu, you came from afar, so we are a little surprised!"

Wu Xiangming smiled: "Ms. Xia's birthday party, my family still wants to join in."

"hiss——"

Hearing these words, not only Xia Mu, but also the younger brothers of the family who had been paying attention to this situation all took a breath.

Wu Homestay gave Xia Ruoxue face!

In Jiangnan Province, the Wu family is notoriously "reclusive"! Do not have too much contact with other families!

But today I actually gave Xia Ruoxue face! It's weird!

Xia's mother laughed from ear to ear, and quickly said to Xia Ruoxue: "Ruoxue, thank you Mr. Wu yet."

Xia Ruoxue just wanted to talk, Wu Xiangming smiled and said, "No need, no, they are all his own."

Your own person?

This time, everyone is even more confused!

The Xia family has never been related to the Wu family. In other words, the Wu family has always looked down upon the Xia family. When did they become their own?

Wu Xiangming glanced at Qin Yuanqiang, and said to Xia Ruoxue: "Miss Xia, I heard that Jiangcheng is picturesque this season, but I suggest Miss Xia stay here for a while."

"Mrs. Xia, do you think so?"

Mother Xia could only nod her head: "Mr. Wu is right..."

Qin Yuanqiang, who has been left out in the cold, was a little displeased, and said to Wu Xiangming, "Wu Xiangming, what do you mean, you should be very clear that Xia Ruoxue will belong to my Qin family in the future!"

Wu Xiangming sneered: "Don't say it too early, who will know the future!"

Qin Yuanqiang knew very well that Wu Xiangming came at him, and said angrily: "Wu Xiangming, please make it clear that your Wu family is no longer the Wu family a thousand years ago. Now Jiangnan Province is not what your Wu family said. Forget it, offend the Qin family, you should know the consequences!"

Wujia?

Wu Xiangming sneered, now in his eyes, what is the Wu family! He only surrendered for one person, that was Ye Chen!

The relationship between Xia Ruoxue and Ye Chen has been investigated long ago, so naturally he would not let Xia Ruoxue go to Qin's house!

As for the contradiction between the Qin family and the Wu family, let's talk about it later!

"Qin Yuanqiang, the Qin family is indeed better than the Wu family, but you are just a dog of the Qin family, in front of me, what's the matter! My Wu Xiangming can represent the Wu family, can your dog represent the Qin family? !"

"you--"

Qin Yuanqiang almost died of anger, and the cold coercion was released, but he was easily crushed by Wu Xiangming!

"Huh! Let's go and see!" Qin Yuanqiang waved his sleeves and walked directly to the rest area!

is obviously persuaded!

Seeing this scene, Xia Mu didn't know what to do.

How come these two powerhouses have ordered explosives!

However, Qin Yuanqiang's status in the Qin family is not high. Now that Wu Xiangming has Wu Xiangming, she naturally knows who is important.

So Xia's mother flattered and said: "Mr. Wu, if there is time, I, Hongye, and the little girl will definitely visit Wu's house and ask Mr. Wu to give us some kind words."

Wu Xiangming nodded, looked at Xia Ruoxue, and said with respect: "Ms. Xia's face, Wu is still going to sell. The birthday party should be about to begin. Wu was in a hurry this time, but he also prepared one. Bo Li, I hope Miss Xia will not dislike..."

"Don't dislike it... Mr. Wu is polite..." Xia Ruoxue was a little dazed.

How noble is Wu Xiangming's identity, and his mother has to wait on him carefully, but why do he respect himself so much?

I was afraid of offending her.

Xia's mother is also very dazed. In the past, people always looked at the Xia family's face and were polite to Xia Ruoxue.

Now it's actually the other way around. The other party seems to be looking at Xia Ruoxue's face, and is polite to the Xia family.

What the **** is this?

Xia Mu racked her brains and couldn't figure it out. Suddenly, she thought of something, and a smile appeared on the corner of her mouth: "By the way, I heard that Mr. Wu came to Jiangcheng this time because of Chen Baoguo and Ye Chen's martial arts battle. I don't know that Ye Is Chen still alive?"

Upon hearing these words, Xia Ruoxue's face instantly paled.

What Budotai? What a battle?

Did something happen to Ye Chen?

Yeah, Ye Chen promised to come early, but why didn't he see him?

Is something really wrong?

Xia Mu saw that Wu Xiangming did not speak, and continued: "That Ye Chen is also looking for death, so she dared to accept the challenge of Chen Baoguo, the top master of Jiangcheng! I can't help myself! Praying man arm as a car!"

Xia Ruoxue's body trembled, and a bad premonition came to her heart, her eyes were red, and she looked at Wu Xiangming very nervously~www.mtnovel.com~ and said: "Mr. Wu, Ye Chen... Ye Chen... ..Still alive?"

As soon as the words fell, a cold and arrogant figure appeared at the gate.

The young man wore a straight suit, a pretty tall physique, a contour carved out of crystal-clear marble, and his body exuded a natural free and easy temperament.

Ye Chen!

Ye Chen outlined a perfect arc at the corner of his mouth, staring at Xia Ruoxue, and said lightly: "Don't forget to curse me on your birthday, how much do you hate me."

Xia Ruoxue covered her mouth, and when she saw Ye Chen, her heart seemed to stop for a while.

Can this guy be scary?

Mother Xia's expression is a bit wrong, this kid went to the martial arts platform, but came back alive?

According to her knowledge, Ye Chen has to face not only Chen Baoguo, but also Jiang Yuanli!

These two people actually let Ye Chen walk out of the martial arts stage alive?

Mother Xia just wanted to drive Ye Chen away, but Wu Xiangming's face changed in front of him, and a momentum was released! Flew towards Ye Chen violently!

Everyone was surprised, didn't Ye Chen go to the martial arts platform and let Wu Xiangming's pigeons go?

It is really possible, otherwise, how could he survive!

Budotai has a rule, once someone accepts a challenge but quits midway, the referee has reason to kill!

Now seeing Wu Xiangming's momentum, everyone sighed, Ye Chen is going to suffer!

I saw Wu Xiangming aggressively coming to Ye Chen, "Boom!", knelt down on one knee, hit the ground with his knees, and clasped his fists!

Very respectful!

This action! It seems to be saluting!

"Wu Xiangming of Wujia, I have met Mr. Ye!"

This scene made everyone's expressions shocked!

Chapter 142: Boast Haikou!

There is silence in the venue!

One by one is petrified like a statue!

Who is Wu Xiangming?

The top five hundred on the Huaxia Grandmaster list, let alone the whole Wu family standing behind him!

Even the Xia family wants to please people at all costs, and now they have such an attitude towards a young man in his twenties!

Mother Xia's beautiful eyes widened, and she subconsciously covered her mouth for fear that she would scream.

impossible!

How could this Ye family waste, who is well-known by Jiangcheng people, have something to do with Wu Xiangming!

The key Wu Xiangming kneels down!

abruptly knelt down!

also used the three words "Mr. Ye" as the honorific name!

What qualifications does Ye Chen have! How can it be!

Wu Xiangming is not crazy!

If the Wu family knew that he actually kneeled in front of such a kid, he would be furious!

In Jiangcheng, Wu Xiangming represents the entire Wu family!

Wu Xiangming knelt down, undoubtedly the whole Wu family surrendered to Ye Chen!

Xia's body trembled more and more! Even the back is soaked!

In order to please the Wu family, she surveyed everyone in the Wu family.

She knows Wu Xiangming very well.

This person has a clear sense of grievances, the key is to be extremely arrogant about people and things, and never bow his head like others!

But what the **** is it now!

If it wasn't for Wu Xiangming's aura, she would really think that it was another person kneeling in front of her!

Xia's mother suddenly thought of something at this moment, why did Wu Xiangming, who had been indifferent to the Xia family, have such an attitude toward Xia Ruoxue today!

is not because of the Xia family, nor is it because of Xia Ruoxue's birthday!

but because of Ye Chen!

In other words, the relationship she has always hoped for depends on the young man she has always looked down upon!

She stared at Ye Chen with her eyes, and the latter put her hands behind her, her momentum glowing like a fairy.

"This--"

Xia Ruoxue's face also paled a bit.

She doesn't know much about Wu Xiangming, but judging from her mother's attitude and introduction, this person has an extremely important status in Jiangnan Province.

She was still wondering why such a big person respected herself so much, but now it seems that everything has benefited from Ye Chen.

But she really wondered how Ye Chen did it?

She investigated Ye Chen and knew that Ye Chen was only the son of the exterminated Ye family, and even a joke in the upper circles of Jiangcheng.

But everything that happened recently seems to hit everyone in the face!

If Ye Chen is a joke, the entire Jiangcheng, and all the families in Jiangnan Province are a great joke!

The Zhou family, who is in power in Jiangnan Province, greeted them with a smile, and even went to war with the Xia family for Ye Chen!

She thought this was unbelievable enough, and now the master of the Wu Family of the Wu Dao Family in Jiangnan Province actually kneeled directly in front of Ye Chen!

She even wondered, with the Zhou family and Wu family standing behind Ye Chen, does it mean that they can fight the Qin family?

Then can her happiness be won by herself!

Although the Qin family is really terrible and far stronger than the Wu family, Ye Chen is only in his twenties!

being so young means unlimited possibilities.

If she chooses between Qin Shao and Ye Chen, she will choose Ye Chen without hesitation!

At this moment, she seemed to see a dawn in the dark!

And under this dawn is the mysterious young man who stands proudly-Ye Chen!

The mood of all the people around is ups and downs like a roller coaster. These people are no lack of family children or high-ranking figures in Jiangnan Province. They are almost human-like existences. They remember Ye Chen in their minds!

This person must not be offended!

Not far away, Qin Yuanqiang of the Qin family has been paying attention to the scene here, his eyes gradually turned from shock to sullen.

Because she saw something special in Xia Ruoxue's eyes.

is obviously sentimental!

Qin Shao's woman, no one has the right to move!

Not only that, but in his opinion, Wu Xiangming just stood up against himself, obviously because of the young man named Ye!

"The Wu family is looking for death for such a young man! I want to see where this young man came from!"

At this moment, Ye Chen, as the person involved, naturally felt countless gazes. He looked at Wu Xiangming condescendingly, and shook his head helplessly.

What is this guy doing, is it such a high profile?

Today is Xia Ruoxue's birthday, and this guy's behavior directly made him steal Xia Ruoxue's limelight inexplicably.

"Get up," Ye Chen said.

"Yes, Mr. Ye!"

Wu Xiang Ming stood up fiercely, his body arched slightly, respecting Ye Chen very much.

He knew very well that the youth in front of him had already set a certain restriction on him, and one thought was enough to decide his life and death.

Ye Chen ignored Wu Xiangming, and walked straight to Xia Ruoxue, a smile appeared at the corner of his mouth, and the lingering aura on his body completely disappeared.

"Ruoxue, happy birthday, I'm late, you won't blame me."

Xia Ruoxue only then woke up, her face flushed, and she pretended to be angry and said: "Weird! Of course weird! If you don't give me a satisfactory gift today, hum, this lady is very angry, and the consequences are very serious~"

Ye Chen patted his pocket and believed: "If I say, to you, the whole China is not as valuable as the things in my pocket, do you believe it?"

"hiss——"

Everyone took a breath!

This kid is too bragging!

What can be put in a suit pocket?

The baby of China can't compare with it! Thanks for your export!

People who come to Xia Ruoxue's birthday party, UU reading www.uukanshu.com status and economic strength will be worse!

almost all carefully prepared valuable gifts for Xia Ruxue!

Now this kid boasted about going to Haikou, and everyone was a little upset. If it wasn't for Wu Xiangming, they would have used means to blast Ye Chen out!

Xia Mu glanced at Ye Chen. Although she didn't know why Wu Xiangming had such respect for this person, she was still upset with Ye Chen and said: "Young people, don't be too arrogant. The baby you think may be in the eyes of others. It's hard to mention..."

"Ruoxue, time is almost up, you, the big birthday star, should also play."

After speaking, Xia Mu pulled Xia Ruoxue to the stage built in the center of the villa.

Xia Ruoxue turned her head, glanced at Ye Chen in her beautiful eyes, smiled like a flower, and whispered, "I believe it."

.....

Xia Ruoxue was going to prepare for the birthday party, and it should take a few minutes before Ye Chen went to find Sun Yi.

Wu Xiangming followed closely behind him.

Ye Chen glanced at Wu Xiangming and said, "Don't follow me!"

"Yes, Mr. Ye."

Then, Ye Chen finally found Sun Yi in the crowd. At this moment, Sun Yi was surrounded by a few wealthy children, apparently accosting.

There are many beauties and even celebrities in the entire villa, but Sun Yi will definitely be in the top three in terms of ranking.

The key figure of Sun Yi is really attractive.

At this moment, Sun Yi's eyebrows are frowning, very unhappy, these people are like flies, they can't be driven away.

Had it not been for Xia Ruoxue's birthday, she would have been angry.

Chapter 143: Take it!

Just as Sun Yi was in distress, a familiar figure appeared not far from her, and Sun Yimeng raised her head: "Xiaochenzi, I am here!"

Kotatsuko?

Those rich boys were startled and turned their heads subconsciously. When they saw Ye Chen walking towards this side, their eyes suddenly shrank, their complexion turned pale, their whole body froze in place, not daring to move. !

is that evil god!

The scene of Wu Xiangming kneeling in front of Ye Chen just now, they have witnessed it with their own eyes! Only then deliberately ran farther, but this guy actually came again!

When Ye Chen walked in front of Sun Yi, the few people reacted, with smiles on their faces hurriedly, learning from Wu Xiangming and shouting: "Mr. Ye, hello, I am..."

"Go away."

Ye Chen spit out a faint word.

"okay!"

A few people suddenly dispersed, and in just five seconds, even the figure was no longer found.

Sun Yi didn't expect these people to be so afraid of Ye Chen. After thinking about it, it is estimated that the opening of Tianzheng Group had too much influence.

"Xiaochenzi, yes, you will be my girl's shield from now on!" Sun Yi patted Ye Chen on the shoulder and said with satisfaction.

The few pairs of eyes hidden in the crowd saw Sun Yi shooting Ye Chen, and his body trembled in shock, and silently wrote down Sun Yi's appearance.

Not long after, there was a burst of music in the villa and Xia Ruoxue's birthday party officially began.

Xia Mu came to the stage and said a few words of gratitude, mentioning the Qin family, the Wu family, and some big families, but did not mention Ye Chen.

After that, Xia Ruoxue's grandmother came on stage and said a lot to Xia Ruoxue. Xia Ruoxue's eyes were red.

Ye Chen under the stage can feel from the old man's words that the old man's love for Ruoxue far exceeds that of Xia Mu.

The climax of the banquet was wave after wave, and after that, the popular Chinese actress sang a song dedicated to Xia Ruoxue on the stage.

When the stage was quiet, Xia Ruoxue stood in the center in an evening gown, like a lotus that has grown out of mud but not stained.

Seeing this scene, everyone's heart moved, because they came to this banquet for this part.

A man in a custom-made suit and tuxedo saw that no one was moving around. He quickly stood up, holding a delicate box and came to Xia Ruoxue: "Miss Xia, this gift is for you. I hope Miss Xia will open it now. I will like it."

Xia Ruoxue wanted to hand over the box to her servant, but since the other party asked for it, she nodded.

The box opens, and it is an exquisite and transparent statue of Jade Guanyin, but judging from the material on the jade, it is very valuable.

The man glanced at the audience and said proudly: "This is the emperor green that I bought from Myanmar for nearly 50 million. It took two months to build the jade Guanyin..."

He thought Xia Ruoxue would be very excited, but the latter just smiled and handed it over to the subordinate.

The man was startled, and then walked down dimly.

There was a burst of laughter from the crowd under the stage.

Although this jade Guanyin is of great value, the Xia family is the family that controls the economic lifeline of Jiangnan Province!

The most important thing is money!

Isn't this kind of emperor green showing ugliness!

Sun Yi glanced at Ye Chen next to him, and said worriedly: "Xiaochenzi, I feel that I can't get my things! I'd better send them early. The more you get behind, the more I can't get them. By the way, what have you prepared? ?"

Ye Chen blinked mysteriously without speaking.

One after another, someone started to give Xia Ruoxue gifts, all of which were extremely expensive, but Xia Ruoxue didn't feel any surprise at all.

It was Sun Yi that gave Xia Ruoxue a DIY model of a large apartment apartment, which made Xia Ruoxue excited.

The model not only restored the Dadu apartment, but there were even three villains, one of whom smoked on the balcony, obviously Ye Chen!

"Sun Yi, I love it so much! I love you!"

Xia Ruoxue's red lips kissed Sun Yi's cheek, envious of others!

After , they delivered some more one after another, but there was nothing to excite Xia Ruoxue anymore.

Even Xia Mu next to her shook her head, because so far, nothing has entered her eyes.

In the end, only a few people left.

Wu Xiangming stood up, came to Xia Ruoxue's face, took out a piece of jade pendant, and said respectfully: "Miss Xia, because of the rush, there is no time to prepare. Give this jade pendant to Miss Xia, I hope Miss Xia All wishes can be realized."

As soon as Xia Ruoxue wanted to take the jade pendant, Xia Mu walked over and glanced at it nervously. Immediately, her breathing was rapid.

Because the jade pendant is engraved with the word "Wu" in capital!

Xia's mother quickly said: "Mr. Wu, this Wujia order is too expensive, Ruoxue can't afford it..."

When some people heard this, their faces changed!

Because Wu Xiangming gave out not only jade pendants, but Wujialing!

Holding the Wujia Ling in hand is equivalent to gaining the protection of the Wujia!

Moreover, the Wujia regulations, Wujialing can only be given to one person!

Who would have thought that Wu Xiangming would give such a valuable thing to Xia Ruoxue!

Even if the things given out on the field add up, they are no better than a Ujira Ling!

Countless envious and jealous eyes turned to Xia Ruoxue.

Xia Ruoxue waved her hand quickly: "Mr. Wu, this is too expensive, how am I embarrassed..."

Although Mother Xia really wants her daughter to accept it, she can only say politely: "Mr. Wu, or take it back..."

Wu Xiangming forcibly stuffed the jade pendant into Xia Ruoxue's hands~www.mtlNovel.com~
With a hearty smile, "Precious? This thing is nothing compared to your relationship with Mr. Ye."

"If I have a chance to drink the wedding wine between you and Mr. Ye in the future, then I must prepare a bigger gift!"

Hearing these words, Xia's face turned black!

Not only Xia Mu, but everyone's expressions are wrong!

This is Mr. Ye again!

What does the last sentence of Wu Xiangming mean?

Most of the people present know about the marriage between the Xia and Qin families! Wu Xiangming actually mentioned Xia Ruoxue and that kid in front of everyone!

This is too bold!

Xia Ruoxue blushed, accepted Wu Jialing, and whispered, "Thank you Mr. Wu."

What surprised everyone was that Xia Ruoxue did not even refute such a misunderstanding!

Fuck!

Something happened!

"Swiss!" All eyes fell on Qin Yuanqiang's body in unison!

Qin Yuanqiang came to represent the Qin family!

As expected, Qin Yuanqiang's face was full of anger! Then he stood up abruptly and came directly in front of Xia Ruoxue.

"Mr. Qin, Mr. Wu was joking just now..." Xia Mu quickly explained.

Qin Yuanqiang glared at Wu Xiangming viciously, and said, "Wu Xiangming, I hope you know where you are. When the time comes, the Wu family will blame it and no one can save you."

Wu Xiangming didn't pay any attention to the other party and returned to his position directly.

Then, Qin Yuanqiang suppressed the anger in his heart, and also took out a piece of jade pendant and handed it to Xia Ruoxue.

There is a simple "Qin" carved on the jade pendant!

"Miss Xia, what is Wu Jialing? My Qin family's shelter is the kingly way!"

Chapter 144: It's just a gift!

Provocative!

Blatant provocation!

The key Qin Yuanqiang's words are correct. In Jiangnan Province, the status and strength of the Qin family is obviously stronger than that of the Wu family!

One is the Qin family whose status is rising! One is Wujia who fell from the altar!

Compared, the difference is obvious.

Before everyone could react, Qin Yuanqiang took out another brocade box.

The brocade box was opened, and a simple pill lay quietly in it.

Qin Yuan Qiang glanced at the crowd condescendingly, and said, "This is a gift from the Qin family to Miss Xia. This pill is a soul quenching pill. Anyone who has no training foundation can take this pill and his strength can at least reach the peak of inner strength!"

The crowd took a breath, everyone was shocked!

As soon as the Soul Tempering Pill comes out, directly hang all the gifts!

"This Qin family is too generous to make a move."

"Aren't you **** bullshit, this is the Qin family!"

"The Qin family ranks in the top three among the martial arts families in Jiangnan Province. The background is extremely terrifying!"

"Hey, too few geniuses have been born in the Wu family in recent years, which has caused the Wu family to gradually become lonely, but the Qin family is different. There are three geniuses in the Qin family. The son of Qin who signed the marriage contract with Miss Xia is a rare encounter in a century. A genius, in the future, the gap between the two families will only increase!"

"It seems that it is a wise choice for the Xia family to go to the Qin family..."

The crowd talked a lot, and they were extremely envious of the Xia family.

Mother Xia carefully accepted the two extremely precious gifts, smiling from ear to ear.

"Although Master Qin didn't come, he was still interested. I will definitely let Ruoxue come to visit another day."

"Ruoxue, I haven't thanked the Qin family yet."

Xia Mu ordered.

But Xia Ruoxue didn't have any surprises on her face, she just nodded to express her gratitude.

These two things, no matter how precious, she doesn't like them.

Qin Yuanqiang didn't expect Xia Ruoxue to give him this reaction, and a trace of anger flashed in his eyes. Suddenly, he thought of something, and his cold eyes shot directly at a young man in the audience: "Isn't anyone boasting that there was no him in China. What is precious? Now, how come you don't even have the courage to come up?"

All eyes turned to that young man, it was Ye Chen!

Qin Yuanqiang's hatred for Wu Xiangming has all converged on Ye Chen!

He made Ye Chen embarrassed!

He wants this overweight person to understand that in front of the Qin family, he is just rubbish!

Xia Ruoxue is not something he can use with rubbish!

Everyone suddenly felt sympathy for Ye Chen.

As soon as the Qin family's two treasures are out, anyone who presents a gift is destined to become a foil!

Wu Xiangming naturally wouldn't let others target Mr. Ye like that, and quickly stood up and said, "Wujia Ling was given by me by Mr. Ye, isn't that enough!"

At this moment, Ye Chen stood up, and his tall and straight figure moved towards Xia Ruoxue.

"Since everyone wants to see it so, I won't hide it."

Ye Chen's voice is full of confidence and indifferent.

As if everything were clouds in front of him.

When was approaching Xia Ruoxue, Qin Yuanqiang just blocked Ye Chen.

Ye Chen raised his head and glanced at Qin Yuanqiang with sharp eyes like eagles. The latter seemed to feel that his whole body was covered by pressure!

He still insulted a few words, but when the words came to his lips, he swallowed abruptly, and even subconsciously stepped back a few steps and gave way.

Ye Chen glanced at Xia Mu carefully holding the pill in his hand, his true energy condensed, and the pill fell directly into his hand.

Mother Xia widened her eyes and said nervously, "Ye Chen, what are you going to do!"

Qin Yuanqiang was also excited and said, "You dare to **** the gift Qin Shao gave to Miss Xia, and die!"

It was also a shock off the court, who would have thought that Ye Chen would be so bold and grab the baby directly!

Just when everyone was surprised, something even stranger happened. Ye Chen directly threw the pill in his hand to the ground!

Yes, just throw it on the ground!

Then he lifted his right foot and slammed it down!

The pill was directly turned into a pile of powder, and the energy was scraped and completely dissipated!

"Boom!" Everyone was stunned!

Ye Chen is not trying to grab the pill, but to destroy the pill!

This **** crazy! Such a precious thing will not be destroyed even if you are jealous!

Xia Mu's face flushed, just about to say something, Ye Chen's undoubted voice slowly fell: "Ruoxue, this kind of expired pill can not be eaten, the stomach will be uncomfortable, come, come, my pill will follow You pick!"

In the next second, Ye Chen took out nearly ten pills from his pocket!

and they are all pills with pill pattern!

The strong medicinal fragrance is released, and everyone can smell it!

Xia Mu's flushed face turned pale. She looked at an old man beside her and asked, "Afu, is this pill real or fake?"

The old man stared at the ten pills, and his voice trembled: "Madam... it seems that they are all real... the pill pattern is solid and the medicine smells strong. The refining time should not exceed half a year. Also, Qin just now Although the medicinal pill given by the husband has medicinal effects, it does torture the stomach and intestines after taking it. There is no alchemist in Jiangnan Province, and the pill is extremely scarce. This fresh pill is extremely precious..."

These words of the old man undoubtedly slapped Qin Yuanqiang in the face fiercely!

The Chinese ancient warriors took almost all the long-term problem pills! But who would have expected this kid to have ten fresh medicine pills in his hand!

Fuck!

In comparison~www.mtlnovel.com~ The Qin family's gift is just a pile of shit!

The eyes of Mother Xia looking at Ye Chen have completely changed! She knew that Ye Chen was an ancient warrior, and his strength was pretty good!

But who would have thought that this kid had this kind of pill!

Coupled with Wu Xiangming's attitude, is it possible that this son has extremely terrifying power on his back?

More terrible than the Qin family?

During the whole process, Xia Ruoxue's beautiful eyes were only shocked, but there was no surprise.

She is not interested in these things in the martial arts world at all, otherwise she started to practice ancient martial arts when she was young.

Ye Chen naturally found Xia Ruoxue's emotions, smiled, and directly put the ten pills in Xia Ruoxue's hands.

Afterwards, he took out a carefully decorated brocade box from his pocket: "Actually, the pill is just a gift. What I really want to give you is this. Open it and see if you don't like the clothes of Sun Yi and you. Wash for a year!"

giveaway.

The two words are like heavy punches, torn apart everyone's hearts!

"hiss..."

At this moment, Ye Chen's words, there is no concealment!

Hearing what Ye Chen said, everyone present took a deep breath of air!

These elixirs, which are extremely precious to warriors, are actually **** gifts!

What a joke!

Are the things in this brocade box more precious than the pill?

For an instant, everyone was stunned.

Everyone looked at Xia Ruoxue and Ye Chen, their eyes widened to the extreme! With fear in surprise! A bit of excitement in fear!

Chapter 145: Madden!

on stage.

Xia Ruoxue glanced at the brocade box in front of her, and her heart thumped.

She didn't know what was inside, but if Ye Chen said that, it must be extremely precious.

"Then I opened it?" Xia Ruoxue said to Ye Chen.

"Yep."

The people below are so anxious, they want to know what the treasure is in the brocade box even more than Xia Ruoxue!

Some people have even stretched their necks for fear of missing it.

Xia's mother and Xia Ruoxue's grandmother also looked over curiously.

brocade box opened.

It is a blue crystal necklace with a peculiar crystal shape, shining with the eternal charm of light and shadow, sultry, sparkling under the light.

From a distance, it looks like a distant star.

This was taken by Ye Chen silently at the auction, just to give it to Xia Ruoxue on her birthday.

At this moment, Xia Ruoxue's body was trembling, and tears were already condensed in her eyes.

ticked, ticked on the 'star'.

The tears of the stars.

Xia's mother's eyes were already soaked.

Of course she knows the tears of the stars, this is the last work of her father, just to give to her daughter.

She looked at the trembling old man who had stood up.

The old man is slowly walking towards this side, with a gleam of light in his cloudy eyes.

"This is really the tears of the old man's stars..."

The old man choked.

Xia Ruoxue never thought that she could see the tears of the stars again.

After the auction, she tried every means to communicate with the organizer of the auction, but the other party just didn't tell her who actually took the power of the stars.

This has almost become the biggest regret in her life.

Because this is the last work of her grandfather Ding Yuanchang during his lifetime.

is specially designed for her.

Whether it is color, shape, or even material, he personally chooses it.

Grandpa wanted to finish it at the last moment of her life. She even remembered her grandfather stretched out his skinny hand on the hospital bed to polish it a little bit, so serious.

Now the tears of the stars returned to her hand.

Because of Ye Chen.

Ye Chen was the last buyer, the gentleman who did not want to be named.

Xia Ruoxue raised her head and looked at each other with tenderness.

"Do you like it?" Ye Chen said.

"Like, I like it very much, I like it very much! This is the best gift I have ever received in my life! No one!" Xia Ruoxue said in a breath, extremely excited and delighted.

She felt as if her heart was suddenly filled with something.

The whole world has become warmer.

The people under were dumbfounded. Because of the angle, most of them couldn't see the contents of the brocade box at all.

But when Xia Ruoxue said these words, the things in the brocade box were destined to be extremely valuable!

The key Xia Ruoxue likes it!

was moved and cried!

"What is it exactly?"

"I want to know too!"

"Miss Xia, let us have a look... I am so anxious."

The crowd exploded.

The next second, the sound stopped abruptly, and everything returned to silence.

Everyone's eyes widened! Staring hard at the stage!

Because Xia Ruoxue in the center of the stage rushed to a young man, and then opened his hands and hugged the young man!

Oh my God!

What did they see!

Xia Ruoxue is one of the three golden flowers in Jiangnan Province!

Regardless of family, appearance, figure or other aspects, it is almost perfect!

More importantly, the Xia family and the Qin family are engaged!

You are the fiancée of the Qin family anyway!

But now I actually hugged a man in front of so many people!

Everyone has not yet reacted from this inexplicable hug, Xia Ruoxue's next move directly blanked the brain of everyone present!

completely detonated!

Xia Ruoxue's red lips actually kissed the man's cheek!

Fuck!

Ye Chen was also dumbfounded.

Although the Xia Ruoxue he knows is sometimes different, he is absolutely as cold as an iceberg in front of outsiders!

It is impossible to do such a thing in front of everyone.

But right now, the iceberg goddess in the eyes of countless people did just that.

Very crazy.

He caught sight of Xia Mu's face almost black, but he didn't stop it.

exactly five seconds.

The red lips left Ye Chen's cheeks, leaving a hint of floral fragrance.

"Thank you, gentleman who does not want to be named." Xia Ruoxue's face was slightly red, and said softly.

Ye Chen just wanted to talk, a roar came from behind him!

"Xia Ruoxue! Do you know what you are doing!"

It was Qin Yuanqiang of the Qin family who spoke!

At this moment, his face is flushed, like an angry lion!

Who would have thought that Qin Shao's fiancée dared to kiss others in front of so many people!

Xia Ruoxue is this looking for death!

Qin Shao's terrible anger is not something the Xia family can bear!

Xia's mother reacted and quickly explained to Qin Yuanqiang: "Mr. Qin, there is a misunderstanding, the little girl is just..."

Qin Yuan was shocked, and Xia Mu directly sat on the ground, her face pale!

Then, he even reached out his finger to Xia Ruoxue and said: "Xia Ruoxue, you shameless woman..."

Before he finished speaking, a black shadow flashed before his eyes!

Qin Yuanqiang only felt a strong wind coming from his cheeks. He instinctively raised his hand to block it. With a sound, the bone of his right hand was directly broken!

Not only that, "pop!", a hot palm print landed on his cheek.

The sky is spinning around.

Qin Yuanqiang was even fanned to the audience.

Qin Yuanqiang finally reacted, and just about to stand up, a big foot directly stepped on his chest.

"You should be fortunate that today is Ruoxue's birthday, otherwise you are dead. I don't want your blood to stain any corner of this villa, get out!"

It was Ye Chen who spoke.

Ye Chen's eyes were cold at this moment, and he was no longer as gentle as before.

What he can't tolerate most is that others insult the people around him!

He wanted to kill Qin Yuanqiang directly, but if he did so, Xia Ruoxue's birthday would be ruined~www.mtlnovel.com~Qin Yuanqiang wanted to get up, but found an invisible pressure enveloped him!

makes him unable to move at all!

He stared at Ye Chen fiercely, and threatened: "Do you know who I am! I am from the Qin family! Try to move me!"

"Qin Family?" Ye Chen repeated.

"Yes, now you are afraid, if you moved me, the Qin family will never let you go unless you kneel down in front of me!"

Qin Yuanqiang said gloomily, with a hideous face.

But the next second, Ye Chen's voice sounded, and his smile stiffened.

"What is the Qin Family? Even if the Qin Family Patriarch comes, the result will be the same!"

Everyone on the field seemed to have their hearts hanging in their throats.

Is Ye Chen crazy!

dare to say this to the Qin family?

What is the Qin family?

The Qin family is naturally not something, he is one of the top martial arts families in Jiangnan Province!

If the owner of the Qin family comes, the entire villa might collapse!

An anger rushed directly to Qin Yuanqiang's head. He stretched out his finger and pointed at Ye Chen and said, "Ye Chen, you are dead!"

"Dead?"

Ye Chen smiled coldly, grabbed Qin Yuanqiang's clothes, and directly picked it up!

Qin Yuanqiang's martial arts strength is not weak, but I don't know why, just can't resist.

Just when Ye Chen was about to walk to the door, he lightly tossed, and then a side kick, which directly kicked Qin Yuanqiang away!

kick out the door!

But this is not over yet.

Ye Chen glanced at Wu Xiangming, and said: "Wu Xiangming, this Qin family dog outside, don't leave a living!"

Chapter 146: 5 years of disappearance!

No one on the field expected Ye Chen to order Wu Xiangming to kill Qin Yuanqiang.

The words do not stay alive are like a steel needle firmly nailed to their chests.

can not breath.

The key Ye Chen said in front of so many people!

He seems to have no fear.

Isn't this guy afraid of Qin's revenge?

How can the anger of the Qin family be bearable by him and the Wu family?

Everyone's eyes fell on Wu Xiangming. They thought that Wu Xiangming would not do anything if he considered the situation in Jiangnan Province.

even persuade Ye Chen a few words.

This is the most likely thing to happen right now.

But everyone guessed wrong, Wu Xiangming stood up, his eyes flashed with fierce light and viciousness! Qiang went directly to Qin Yuan outside the villa!

"Yes, Mr. Ye!"

Wu Xiangming's cold murderous intent wrapped the audience and stopped everyone's breathing!

Wu Xiangming is really going to make a move! And don't even hesitate!

Is he crazy!

Want to push the Wujia behind to a dead end?

If Wu Xiangming killed Qin Yuanqiang, then the Qin family would be furious, and the next battle would be the Qin and Wu family!

In the final ending, both will lose!

Jiangnan Province has completely changed and shuffled!

Who would have thought that Jiangcheng's change was caused by a young man's order!

Everyone looked at the young man with his hands behind him again, the other man descended like a god, with an aura of ants.

Even Xia Mu's bit of resentment towards Ye Chen disappeared!

How does she resent?

Such existence, what right does she have to resent!

Although it is not clear what the reason for Ye Chen's unscrupulousness was, the strength that the opponent showed today is too incredible!

She even thought of the half-year appointment. At present, Ye Chen's economic strength may be far behind the Xia family.

But if the opponent has martial arts strength, it's fine!

Who will make the situation and rules of Jiangnan Province? Not yet those top martial arts powerhouses!

At this moment, she suddenly felt that the Xia family was extremely small!

At least now she has looked up at Ye Chen!

It is not impossible for Xia Ruoxue and Ye Chen to be together, but all this must be based on the condition that he does not die.

Ye Chen is a genius, but can he really survive the anger of the Qin family?

On this point, Xia Mu held a negative attitude.

At least now, she only sees Wu Xiangming and Zhou's family in Jiangnan Province behind Ye Chen.

If the Wu family is involved in life and death, they will naturally abandon Wu Xiangming without hesitation.

How does Ye Chen face the powerful Qin family in Jiangnan province alone?

Huaxia seemed peaceful on the surface, but the blood and blood behind it was beyond ordinary people's knowledge.

At this moment, Wu Xiangming has come to Qin Yuanqiang

His eyes were indifferent, like looking at a dead person.

Qin Yuanqiang took a step back and said with a trembling voice: "Wu Xiangming, you can't move me! If you move me, you are declaring war with the Qin family! This is a contradiction between the Qin family and Ye Chen, and it has nothing to do with you. I will mention you in front of Qin Shao..."

Qin Yuanqiang really panicked. Although he is good at strength, he is not qualified to do it in front of Wu Xiangming, who is in the top 500 of the grandmaster list!

Wu Xiangming wants to kill him easily!

He must survive now!

Only survive to tell Qin Shao everything!

Only survive to get revenge on that arrogant Ye Chen!

Only survive to see the terrible anger of the Qin family!

Wu Xiangming just looked at Qin Yuanqiang indifferently, without wavering.

Suddenly, he spoke: "You shouldn't offend Mr. Ye, and your Qin family is not qualified to offend Mr. Ye. With Mr. Ye's strength, the Qin family can't be destroyed, it's just a sentence."

Wu Xiangming suddenly had Ye Chen's madness on the martial arts stage in his mind!

One foot stepped out, the martial arts platform was cut off!

Condensing sword energy, killing thousands of miles!

This terrifying method can be done by a few people in China today!

Even if someone can do it, who can be as relaxed as Ye Chen!

Qin Yuanqiang heard Wu Xiangming's words, his eyes filled with panic.

From Wu Xiangming's expression, all of this is true!

Ye Chen is even qualified to destroy the Qin family?

how is this possible!

Stormy waves were set off in his heart. Just about to say something, Wu Xiangming's claw was already on Qin Yuanqiang's body!

Very painful!

But Wu Xiangming did not kill him, but took him to the distance!

"Mr. Ye said, your blood is not qualified to dirty Miss Xia's birthday party."

Ten seconds later, everyone at the banquet suddenly heard a terrifying scream!

The voice is far away!

But it is extremely clear.

Everyone just feels creepy, who would have thought that an ordinary young man would be so decisive!

Even the Qin family doesn't pay attention.

After a while, Wu Xiangming came back and nodded to Ye Chen.

Seeing this scene, they all knew that Qin Yuanqiang was really dead!

crazy!

absolutely crazy!

Of course, the birthday party will continue, but fortunately, most of the sessions are almost done.

The Xia family was afraid that something would happen again, so they omitted some links and ended early.

For Xia Ruoxue, receiving Ye Chen's gift is already the biggest surprise for her birthday this time.

End early and end late are actually the same.

She has tears of stars on her neck, she is very beautiful.

Sun Yi sitting below ~www.mtlnovel.com~ I don't know what I'm thinking. She keeps looking at Ye Chen, but she doesn't speak.

"Sister, don't look at me like this, I doubt you are in love with me." Ye Chen couldn't stand Sun Yi's eyes and joked.

In the next second, Sun Yi's hand appeared on Ye Chen's waist, threatening: "Xiaochenzi, who do you think is the eldest sister, am I so old? Believe it or not, my hand rotates three hundred and sixty degrees?"

Ye Chen felt the strength around his waist and smiled: "Okay, I'm wrong, it should be a little fairy."

Sun Yi corrected seriously: "Not enough, I should be called the super cute little fairy Sun Yi."

Ye Chen had a black line on his face, and just about to continue talking with Sun Yi, Xia Mu came over and whispered: "Ye Chen, come with me."

He didn't expect Xia Mu to find him. Ye Chen thought that Xia Ruoxue was looking for him, so he followed Xia Mu, but when he arrived in a room, Ye Chen didn't find Xia Ruoxue, only Xia Mu.

Is this going to be tortured?

Xia's mother's attitude has changed a lot. Without the hint of meanness and arrogance, she even made a cup of tea for Ye Chen and said, "You should know why I am looking for you alone."

Ye Chen frowned and shook his head: "I really don't know."

Xia Mu didn't know if Ye Chen didn't understand it or not. She took a sip of tea and spit out a few words: "Because Ruoxue."

"Ye Chen, I have to say that some of the things you have done recently have opened my eyes to me. I have to admit that I have missed it. I don't know where you have gone in the five years since you disappeared."

Mother Xia knew very well that Ye Chen's life track was extremely ordinary, except for the past five years, which was completely blank.

The Xia family used all their power, but they couldn't find out where Ye Chen had been in the past five years.

Chapter 147: Qin family is very powerful?

"You are looking for me to say these things?" Ye Chen said lightly, "If there is nothing else, I will leave."

Ye Chen was just about to get up, and Xia Mu continued: "Ruoxue has a marriage contract with the Qin family, do you know?"

Ye Chen's body was startled, and he sat back again: "Marriage contract? Why haven't I heard Ruoxue mention it."

"This is a long time ago. Although the Xia family is a big family in Jiangnan Province, it only controls part of the economic lifeline of Jiangnan. If the big family in Jiangnan Province wants to survive long and peacefully, they must have the strength of martial arts. This is where the Xia family is weak.

Of course there are several masters in the Xia family, but they are far from enough!

Check out new PVP arena battles!

The Qin family is the only way out for the Xia family. In the past few years, Xia Ruoxue's father has been seeking marriage between the martial arts family, and there has been no result until the appearance of the Qin family. "

"This marriage was brought up by the Qin family on its own initiative, which made us very surprised. The marriage contract was calculated based on time and there are still a few months away."

"Do you know why I said this to you?" Xia Mu stared at Ye Chen with scorching eyes.

Ye Chen didn't speak, his eyes had a hint of chill, and it was like an abyss.

There is no bottom.

Mother Xia sighed and said seriously: "I know you might hate me. I did do something sorry for you before, but I did all this for the Xia family and Ruoxue. Anyone born in a big family For the girl of Japan, the marriage contract is bound to be impossible to choose. Marriage is the only way out for the big family. I met Xia Ruoxue's father because of the marriage."

Ye Chen still did not speak, he knew very well that what Xia Mu really wanted to say was still behind.

Mother Xia has been paying attention to Ye Chen's reaction, but except for a hint of killing intent at the beginning, Ye Chen is completely Gu Jing Bubo behind.

seems to be in control.

She bit her lip and said very seriously: "Ye Chen, I hope you quit Xia Ruoxue's life. You have offended the Qin family, and the Qin family will retaliate wildly against you! Although you have Wu Xiangming behind you, but Wu Xiang Ming certainly cannot represent the Wu family now! The Zhou family can't help you either. Now you are completely isolated and helpless. How do you stand against the Qin family who has rooted in Jiangnan Province for hundreds of years!"

"I say these things for your own good. Before the incident reaches the Qin family, you should leave Jiangcheng as soon as possible and go to a place where no one can find it. This is the only possibility for you to survive!"

Xia Mu almost roared when she said it.

She is not selfish, but for Ye Chen's good.

The silence in the house returned.

There was only the excitement of Xia Mu's gasp.

Suddenly, Ye Chen said: "The Qin Family in Jiangnan Province is very powerful?"

"Yes, it is one of the top martial arts families in Jiangnan Province. From now on, the Wu family is not the opponent of the Qin family." Xia Mu said.

"Then who is better at him or the Jiangnan Provincial Budo Association?" Ye Chen asked.

Xia Mu was startled, she didn't understand why Ye Chen suddenly mentioned the Jiangnan Provincial Budo Association.

Because it hasn't been long since the events at the Budodai, she was busy with the birthday party, naturally she didn't know what happened at the Budodai.

She pondered for a few seconds and still said: "The Jiangnan Provincial Budo Association is more complicated. It is a special organization. This organization concerns the interests of too many martial arts families. Both the Qin family and the Wu family are involved. The two are almost incomparable. In terms of influence, the Jiangnan Budo Association is too strong..."

Ye Chen stood up and said: "I know." Then he walked outside.

Xia's mother is a little dazed, she hasn't finished talking, what is this guy going for?

She thought that Ye Chen was frightened by the Qin family, and she left when she was a little embarrassed and turned into anger, and quickly said: "Ye Chen, when do you plan to leave Jiangcheng, I can arrange a private jet for you."

Ye Chen stopped, didn't turn around, but snorted coldly, releasing an overwhelming aura.

"Although the world is big, there is no power that is qualified to make me Ye Chen condescend! If his Qin family dares to come and die, I don't mind to uproot him!"

The door is closed.

Only Xia's trembling body remained in the house.

She stared at the door, not knowing what she was thinking.

.....

Tomson Yipin top floor.

Ye Chen and Sun Yi returned home. Xia Ruoxue had planned to come today, but her grandmother was leaving tomorrow, so she planned to stay with her for another night.

After all, the time to spend with the elderly will only decrease.

In this regard, it can be seen that Xia Ruoxue is quite filial.

Ye Chen just turned on the TV in the living room, Sun Yi sat down beside Ye Chen, because she was wearing a bottoming shirt, very tight, and directly decorated the magnificent things on her chest extremely perfectly.

"Xiao Chenzi, tell me honestly, if Ruoxue kissed you just now, are you very excited? Very proud?"

Sun Yi leaned over and said softly.

Although it is a joke, Sun Yi always feels something is missing.

She likes Ye Chen.

I really like it.

I liked it at the age when I was in love.

So Ye Chen came back, she was happier than everyone else.

She thought that Ye Chen belonged to her only, but now it seems ~www.mtlnovel.com~ The stronger Ye Chen's strength and ability are, the more beautiful women around him will only increase.

Now she doesn't expect Ye Chen to love her alone, but she hopes that Ye Chen will always have her place in her heart.

"It's okay," Ye Chen said lightly.

"A duplicity man!" Sun Yi said, "I asked you a very serious question, you must answer me."

Ye Chen was startled, just about to speak, a black shadow covered him, and Sun Yi's red lips kissed directly.

Ye Chen subconsciously stretched out his hand to block it, but just happened to press on Sun Yi's magnificent chest.

is so soft that I can hardly grasp it with one hand.

Red lips left, Sun Yiqiao blushed, and said seriously: "This is the problem, I kiss you and Ruoxue kiss you, which way is good? I can't say that, and I can't change the subject!"

Ye Chen really did not expect that Sun Yi would come like this. He knew that in front of a girl, he must not say that another girl is good, and he did not hesitate to say: "Of course you feel good about kissing me."

Sun Yi heard these words, and his serious face instantly burst into laughter.

smile like a flower.

"Xiao Tatsuko, my palace likes your attitude, so today I plan to make secret crayfish for you to taste..."

The air is quiet.

Because the two are so close, the eyes are staring at each other, and the hormones gradually condense.

Ye Chen was tickled by this girl for a long time, and couldn't help it anymore. Just about to make a move, Sun Yi rushed forward.

pressed Ye Chen fiercely on the sofa.

The four lips are pressed together tightly.

moist.

The tips of the tongues demanded mercilessly from each other.

Ye Chen hugged Sun Yi's bee waist and slowly slid down until she reached her attractive buttocks.

Chapter 148: kill!

Sun Yi pressed Ye Chen tightly on the peaks, and kissed his neck and every skin.

Dry wood and raging fire is lit like this.

Sun Yi's bottoming shirt was directly torn by Ye Chen, and a pair of snow-white rabbits bounced out like this, giving people a strong shock to the sight.

The breathing of the two became more rapid, and Sun Yi was even ready to dedicate himself.

Just as the two were preparing to go further, Ye Chen's cell phone rang.

Ye Chen's fingers condensed, and a burst of true energy shot out, and a burst of smoke came out of the phone, completely scrapped.

A few seconds later, Sun Yi's phone rang on the table!

Ye Chen really flew 10,000 grass mud horses in his heart!

Who is calling at this critical moment? He is taken!

Sun Yi wanted to get the phone, Ye Chen's deep voice sounded: "No need to go."

He just wanted to destroy Sun Yi's cell phone with his true energy. Sun Yi smiled and said, "Don't worry, I won't run. What are you worried about? Both of our phones rang. What should be important? I'll pick it up. a bit."

Ye Chen nodded, let go of his hand, Sun Yi stood up, took the desk phone directly, took a look, and said to Ye Chen: "Shen Haihua is calling."

Then, he picked up: "Mr. Shen, what's the matter?"

Three seconds later, Sun Yi's expression suddenly changed, she hung up the phone, took a piece of clothing and put it on, and said to Ye Chen, "Ye Chen, it's not good! There is something big in the Tianzheng Group! Go!"

The voice is very rapid.

Ye Chen didn't hesitate anymore, put on his clothes, took off the SIM card of the obsolete mobile phone, switched to the spare machine, and then went to the underground garage with Sun Yi.

.....

Twenty minutes later, Tianzheng Group, meeting room.

The door opened directly, and Sun Yi and Ye Chen rushed in.

"Mr. Ye..."

Shen Haihua looked pale when he saw Ye Chen.

He knew that he must bear Ye Chen's anger!

But no matter what, he recognized it.

Sun Yi sat in the position, while Ye Chen stood in the front, looking at Shen Haihua, and asked:
"What the **** happened! Give me an explanation!"

Shen Haihua seemed to be a few years old, and explained: "Mr. Ye, at eight o'clock in the evening, the Tianzheng Group was forcibly broken into by a group of people, and several strong men who were stationed in the Tianzheng Group were mercilessly beheaded. The key to our prescription is I was also stolen! All important information is gone!"

Ye Chen's eyes condensed: "Impossible."

He set up a prohibition in the safe for storing prescription information, and even layers of anti-theft measures. Without the key and his permission, it is impossible to be stolen!

Only a few core people in the entire group can contact.

Suddenly, Ye Chen's icy gaze shot to an empty seat next to him.

This is Lu Zewen's location!

Lu Zewen is an MBA from Harvard University. He is an elite sea turtle and has strong corporate operations and planning capabilities. He is also one of Shen Haihua's confidants.

He just had access to the prescription information.

"Lv Zewen is not present at this kind of emergency meeting!" Ye Chen said angrily.

Shen Haihua's face was pale, and he said: "Mr. Ye, according to the monitoring outside the group, it was Lu Zewen who brought the group in. Without Lu Zewen's authority, this group of people would not take the prescription so easily."

Ye Chen was lost in thought.

Currently he has only two points of information.

First, Lu Zewen betrayed! It is the response of those people!

Second, the group of people is very strong, and it definitely has some means to kill the master he transferred from Ye Lingtian.

"Mr. Ye, this matter is my negligence. Shen Haihua asks for punishment!"

Shen Haihua knelt directly in front of Ye Chen.

But his knees hadn't touched the ground yet, Ye Chen stepped on his foot, and a strong qi condensed from the ground, abruptly supporting Shen Haihua!

"A man's knee represents the dignity of a man! You can only kneel on your parents and mentors!"

"Now is not the time to pursue accountability, the top priority is to solve the problem! Where are the bodies of those people?" Ye Chen said calmly.

The more this time, the more calm the person who controls the direction.

"It's on the seventeenth floor."

"Go, take me to see."

When he came to the room on the 17th floor, Ye Chen found ten corpses.

He opened one of the corpses, and when he saw the scar and the unyielding of his eyes, there seemed to be a cloud of anger burning in his heart.

These people are almost crushed to death!

The methods are very cruel!

and it seems that the abuser is enjoying the process!

But what surprised Ye Chen was that some of the scars were not the result of Huaxia's true energy and energy at all.

"Have you checked it?"

"The surveillance within the group was ruined by Lu Zewen's dog in advance!"

The clue is interrupted.

Ye Chen asked: "Apart from these, what else do you find?"

"Not yet, I have sent someone to investigate, do I need to notify the police?"

Ye Chen shook his head: "It's useless to inform the police about this kind of thing. We still have to rely on ourselves. By the way, we find the families of the deceased, and apart from the insurance claims purchased by the group, each family will give another 10 million and use my money. Process."

Shen Haihua was startled, Ye Chen was too willing.

The insurance money alone was enough for the families of these people to live a good life, but Ye Chen gave another money.

From the perspective of a businessman, there is no benefit at all.

But from a human point of view, Ye Chen is undoubtedly right to do so.

Suddenly, Ye Chen's eyes shrank, he found something and quickly came to a corpse.

The corpse was held tightly in one hand, and his pale face was unyielding.

Ye Chen opened the man's hand and found a button with a special symbol lying on the palm of his hand.

"It seems that this person knew that he was going to die, and he left the last clue for the group at the last moment."

"Add another 10 million to his parents and children."

Ye Chen ordered.

Then, Ye Chen picked up the button ~ www.mtlnovel.com~ The pattern on it was very strange, not like the Chinese culture, he thought about it, and directly dialed Ying Qing's phone.

"I want to check something, take a photo and send it to your mailbox. I want to know the result within an hour."

"it is good."

The phone hung up.

Ye Chen knows that finding Yingqing is the most correct choice. The Dragon Soul Commando has been performing missions at home and abroad all year round, and they have far more things in their database than ordinary organizations and forces.

Ten minutes later, Ye Chen's phone rang.

"Mr. Ye, I found the news about this button. The pattern on him is from an island power called the Wuhuangshe. The man behind the Wuhuangshe is Takeshi Kitano, who is extremely powerful and has a hundred thousand followers! In the island country, This Kitano Takeshi is almost regarded as a **** by the islanders.

Our Dragon Soul assault team had a conflict with Wuhuangshe in the South China Sea, and we lost both. Seven of our team members died. This is a force that is extremely threatening to China, Mr. Ye, why would you suddenly want to understand this..."

Ye Chen's eyes were cold, and he asked, "Have anyone from Wuhuangshe come to China recently?"

Ying Qing had a bad feeling, but he still said: "I just checked and it is true. A delegation to China recently arrived in China through Jiangcheng Port and stayed in a five-star hotel with Japanese capital. "

"give me the address."

"it is good."

Shen Haihua naturally heard the content of the call and curiously said: "Mr. Ye, what about this Wuhuangshe..."

Ye Chen looked at the coordinates in the phone and smiled coldly: "The country is the cornerstone of everyone's survival. If you find any forces that want to destroy the stability of China, you don't need to have any mercy, kill!"

Chapter 149: Not a pity to die!

Jiangcheng Gangri Hotel, 1801 Presidential Suite.

Two seemingly wretched islanders are sitting on the sofa and smoking cigars, holding a naked **** woman in their arms.

The woman slowly unbuttoned the pants of the two of them, humming something.

The scene was quite chaotic.

Not only that, in front of them, there was a young man wearing glasses kneeling. Behind the young man stood five men with a small head with a samurai sword hanging around his waist, his body straight and his eyes cold.

is like a warrior.

The atmosphere is extremely solemn.

The two wretched men picked up the red wine glasses on the table and made a toast.

One of them said in a hearty voice: "Akita-kun, I didn't expect to have such a harvest on the first day of this visit to China. I feel that the emperor of our Great Japanese Empire is blessing us."

Raid: Shadow Legends! Play Now!

Akita-kun also smiled, touched the sensitive part of the woman under his body, and said, "Uehara-kun, you are wrong about this. The emperor can only protect ordinary people, and we need to thank Master Kitano for beings like us!"

When Uehara-kun heard the name behind, his eyes shrank slightly: "Yes, yes, Akita-kun is right, we are all serving Kitano-sama, so naturally we have to thank Kitano-sama."

At this moment, the man with glasses who had been kneeling raised his head: "Two adults, I should have done some credit for this matter."

If Shen Haihua were here, he would definitely find that this person was Lu Zewen who was missing from the Tianzheng Group!

The two island nations noticed the Chinese man kneeling in front of them and smiled: "That's nature, you are the most loyal slave of our Great Japanese Empire!"

Lu Zewen was startled. He didn't want this sentence. Seeing that neither of them mentioned the meaning, he could only remind him: "Two adults, then should you honor what you promised me..."

"Tianzheng Group will definitely find out that this matter is related to me. Maybe it will call the police. I can no longer stay in China, sir, when will you send me to your place? I have always believed in the culture of your country! I am willing to continue to develop in your country. I am an MBA from Harvard University. As far as my ability is concerned, I will definitely be able to contribute to the great Japanese empire!"

Lu Zewen at the moment is flattering like a dog.

In his opinion, his good life lies in the hands of these two men.

Uehara-kun glanced at Lu Zewen, somewhat surprised: "You said you are going to our place?"

"exactly."

"When did I promise you this?" Uehara-kun frowned.

Lu Zewen was startled, and his face turned pale immediately: "Master Uehara, what are you kidding about? We didn't say yes at the beginning. As long as I help you steal the prescription from the Tianzheng Group, you will take me away and add three more. Ten million dollars."

"Thirty million dollars?" Akita-kun directly pushed away the woman in front of him, put on his pants, and kicked Lu Zewen on Lu Zewen's chest.

The powerful force directly kicked Lu Zewen to the ground.

"You slave of the big RB empire, what right do you have to ask us for money! It should be your honor to serve our country!"

"Also, you group of humble Chinese people, when our country invaded you, if it weren't for your luck, all Chinese people might now become our slaves!"

Lu Zewen's face changed drastically. He stared at the two men, wishing to open his mouth to bite off their flesh, but when he saw the five men behind, he dared not move.

It seems that these two people will definitely not take him out of China, and Tianzheng Group will not be able to go. China has no place for him.

He was ruined in this whole life!

Damn it!

He shouldn't believe in this archipelago at all!

He clenched his fists, stood up, expressionlessly said: "Since there is nothing for me here, then I will leave first."

Uehara-kun's eyes condensed, and he made a gesture. Several Wuhuangshe fighters behind him directly buckled Lu Zewen's shoulders and pressed him to the table!

"The humble Chinese, did I let you go?"

"Take care of this guy!"

Lu Zewen's face changed drastically, he wanted to struggle, but found it impossible! He was completely panicked when he saw that the person behind him had already drawn out a samurai sword!

"Master Uehara, I don't want anything! Why are you killing me! Please let me go!" Lu Zewen begged.

Uehara-kun smiled coldly: "You humble and humble Chinese, you deserve to die! Kill!"

Just when the soldiers of the Wuhuangshe were preparing to do their hands, a cold voice suddenly sounded from behind them: "Who gives you courage, dare to insult my China!"

The voice was cold to the bone.

Everyone in the suite was stunned, but there were only a few of them in the room. How could there be noise behind?

They look behind them violently!

I saw a young man leaning against the window, smoking a cigarette, and looking at them faintly.

I don't know why, a chill hit everyone's back.

Their eyes are like hell!

The point is, they don't even know when this guy appeared!

This is the 18th floor!

is like a ghost!

Lu Zewen of course knows who this voice is, UU reading www.uukanshu.com, he seemed to have caught the last straw, and said excitedly: "Mr. Ye, save me! Save me!"

Mr. Ye?

Uehara-kun and Akita-kun were stunned. They turned out to be Huaxia. They quickly ordered a soldier from the Wuhuangshe to say: "Kill that Huaxia kid! Bring it over!"

"Yes!"

A warrior of the Wuhuangshe drew out the samurai sword from his waist, the air rushed out, stepped out in one step, and slashed directly at Ye Chen!

This power seems to be tearing the air, whistling!

so horrible!

Ye Chen didn't mean to dodge at all, looking at the katana that was falling rapidly, he flicked his finger, and the cigarette **** with sparks shot out like a bullet!

If you look closely, you will surely find that the surface of the cigarette **** is wrapped in a trace of air flow!

"哧!" The cigarette **** went straight through the eyebrows of the Wuhuangshe warrior! Then hit the wall, sinking a few centimeters deep!

"Pattern!"

The samurai sword fell to the ground, and the warrior of the Martial Arts Society also collapsed to the ground.

There is not a trace of life.

"Guru."

Uehara-kun and Akita-kun swallowed fiercely, and then stared at the cigarette **** stuck in the wall!

Nima!

Is this the **** cigarette butt!

Cigarette butts are made of cellulose! The endurance is similar to cotton!

But how come it gets into the hands of this Huaxia kid, it's like a bullet!

How did he do it!

Is this Chinese kid a devil?

Ye Chen didn't give them time to react, and walked towards Akita-kun and Uehara-kun step by step!

"Those who insult my Chinese, die not to regret!"

Chapter 150: grim Reaper!

When the two saw Ye Chen coming over, they were completely panicked, and quickly said to the remaining Wuhuangshe fighters: "Quick! Stop him!"

The remaining four people drew out katana one after another and headed towards Ye Chen.

Ye Chen glanced at the four of them. Judging from their strength, it was impossible to kill the strong men of the Tianzheng Group.

There are obviously people behind this archipelago, but they are not here.

He didn't want to waste time either, watching the four samurai swords fall, the wind under his feet, one side of his body, his right hand sticking out, and directly clasping one of the wrists!

The power broke out, only a "click!"

The bones of the warriors of the Nakamura Shrine broke directly!

Seeing that the samurai sword was about to fall off, Ye Chen hit the samurai sword with a little bit of real energy!

He only heard a sound of "Whoo!", and the katana directly penetrated one of the necks!

Blood bursts!

Very ferocious!

"stupid!"

The remaining two rushed towards Ye Chen angrily!

Ye Chen stepped straight out, and then his other hand suddenly turned into an eagle's claw and patted one of them directly on the neck!

Power burst!

The warrior from the Wuhuangshe smashed on the wall, and his bones shattered! Spit out blood!

The only one left panicked, and he roared, desperately slashing towards Ye Chen.

But in the next second, Ye Chen held the katana tightly in his hand.

The man's eyes widened, full of panic.

"ding!" The sound was extremely crisp, and the katana was snapped by Ye Chen abruptly, and it shot into the man's chest.

fell completely.

All this just happened between the electric light and flint.

Too fast!

Soon Akita-kun and Uehara-kun reacted, and it was over.

The two naked women screamed when they saw a few dead bodies lying in the hotel suite suddenly, their blood staining the carpet! I wanted to leave, but found that the door had been locked.

They can only rush to the bathroom and lock the door!

Ye Chen would naturally ignore the two women, and walked directly towards the two islanders!

Akita-kun trembled, shrank to the corner, and pointed to Ye Chen and said, "Hua Xia boy, don't come over, I'm a visitor to China, I'm your Hua Xia guest..."

Before he finished speaking, Ye Chen stepped out and kicked Akita-kun's face directly.

The powerful force directly deformed Akita-kun's entire face, and he fell to his back in a vaguely flesh and blood!

died on the spot!

Ye Chen set his eyes on the remaining Uehara-kun, and said lightly: "He's finished talking nonsense, do you have any more?"

An icy meaning of death envelops the audience!

Uehara-kun couldn't help but shudder!

Does he dare to speak?

dare not at all!

At this moment, the door of the room was suddenly blasted open!

The solid wood fell apart instantly! Sawdust is flying!

A middle-aged man with a scar on his face rushed in! The breath is extremely strong!

Uehara-kun saw the middle-aged man, his face was happy: "Kawasaki-sama, help me!"

He knows that Kawasaki Ueno is a mysterious master of the Wuhuangsha, and the masters of the Wuhuangsha are divided into four levels!

There are only ten Xuan-level masters in Wuhuangsha in the island country! Dealing with some Huaxia's masters is easy!

This Chinese kid is dead!

"Bhaga!" Kawasaki Yano roared, "The Chinese ants dare to move the people of our Great Japanese Empire! They are looking for death!"

Ye Chen's eyes were cold, his right foot lifted, and then he pressed it down!

directly hit Uehara-kun's chest!

Uehara-kun's smile was stiff, he had no idea that this Chinese kid would do it in front of Kawasaki Youno!

At this moment, he feels his body is heavy and blood can't help but vomit out! His pupils were pale and fell directly to the ground.

"Kill you, I really dirty my shoes." Ye Chen said.

"stupid!"

Ye Chen's gaze fell on Kawasaki Youye, and he said coldly, "You killed those people in the Tianzheng Group?"

Kawasaki Righto was startled, and immediately laughed: "You are talking about those Chinese waste? I thought your Chinese martial arts masters have any strength!" "It's all rubbish! A guy still kneeled in front of me begging for mercy, Saying that his child was just born and didn't want to die, do you know what's wrong? I just abolished him one by one, making him feel the despair of death!"

"I am enjoying torturing Chinese people like you more and more! Now it's your turn!"

Kawasaki Youye turned into an afterimage, and rushed towards Ye Chen like a cheetah!

At this moment, Ye Chen didn't move, and a burst of blood appeared on his body!

The eyes are bloodshot!

An indescribable anger impacted in his heart! ! !

He wants to kill!

His momentum continues to soar! Dantian's true energy surged towards the whole body! A blood dragon phantom appeared on top of his head!

The dragon chant resounded throughout the house!

"Dead!"

Ye Chen's feet flashed continuously, dragging out an afterimage, and in a blink of an eye he had already rushed in front of Kawasaki Youno, slamming a punch!

Kawasaki Rightno saw that Ye Chen actually fought hard, and the corner of his mouth sneered: "I'm in my country, no one dares to clash with me!"

"Boom!"

Two punches collide!

Suddenly Kawasaki Youno felt a terrifying force and went straight along his arm to his whole body!

Following the arm, that raging force burst straight into the body, as if a bomb wanted to tear his body apart.

how is this possible! What power is this! It is impossible for the Huaxia Grandmaster to have this kind of power!

Before he could react, his right hand exploded directly!

The whole arm is gone!

Ye Chen slapped Kawasaki Right on the chest with a palm, and his body hit the ground directly!

Kawasaki Right wild blood surged, just about to stand up, a leather shoe directly stepped on his remaining arm!

The harsh bone cracking sounded!

His only hand is also broken!

"Ah! Eighth! I'm from the Wuhuangshe. If you move me, you will die!"

Kawasaki Youno fought fiercely, but I don't know why, he could not resist in front of this Chinese youth!

"This is just the beginning! Can't help it so soon?"

A few silver needles appeared in Ye Chen's hand, and they shot directly on Kawasaki Rightye's acupoint.

"In China, silver needles can not only save people, but also torture people. It can magnify human pain more than 20 times. Next, enjoy it!"

Ye Chen has already stomped on one foot!

Kawasaki Right's left leg turned into a pool of flesh and blood, and it burst directly!
