Chapter 151: The devil is coming!

"Please kill me please! Please!" Kawasaki Ueno said weakly.

He begs without dignity!

Ye Chen looked at Kawasaki Youno condescendingly, with his hands behind him, and his indifferent voice sounded: "Kill you? My people begged you for mercy, did you agree?"

Hearing these words, Kawasaki Youno suddenly thought of the scene in the Tianzheng Group. He was going crazy!

At the beginning, he was just crushing the group of people and scrapping the hands and feet of a few people! But you **** are the real torture!

Even the strongest warrior of Wuhuangsha can't bear it!

Devil!

How can China have such a devil!

He couldn't take care of everything anymore, and roared: "Huaxia boy, I will not let you go as a ghost! Once I die, Takeshi Kitano, the Emperor of the Great Japanese Empire will find you and kill you completely!"

"Do you still want to be a ghost?" Ye Chen smiled coldly, "You too look at yourself too highly, today, I will let you die!"

The words fell, Ye Chen pinched his fingers, and pointed at the center of Kawasaki Youno's forehead!

Kawasaki Rightno's pupils kept expanding, and he could feel his soul as if shattered by a force, and a fear from the depths of darkness enveloped him.

Very painful, suffering.

He fell to the ground, not knowing his life or death.

After Ye Chen finished all this, he strolled towards Lu Zewen leisurely.

Lu Zewen witnessed the whole process completely, he was just an ordinary person, how could he have seen such a terrifying way of killing!

He looked around and found that in the entire hotel suite, there was no one alive except himself!

What kind of existence is this man!

Entering the Tianzheng Group, he vaguely knows that this man is the helm of the group, his connections and resources are extremely rich!

Even his boss, Shen Haihua, is extremely respected!

He thought this man was just a young master of the Jiangcheng family.

But who would have thought that this guy is a complete devil!

He was trembling and soaked, he was crying!

Just then, there was a loud noise!

Kawasaki Rightno's body actually burst open!

Not only that, a black shadow unexpectedly emerged from his body, forming a cold face.

Old, but with an invincible momentum.

Ye Chen also found something, turned around and stared at that face firmly.

"Island country actually knows this kind of Chinese secret technique?"

He was a little surprised.

Ye Chen glanced at that face, and suddenly said: "Why are you killing my people? And ruining the soul! Isn't it too much!"

The voice is calm but with a hint of anger.

Ye Chen's eyes flickered with coldness, and said: "It's over? Haha, what are you?"

"Wuhuangsha! Kitano Takeshi!" Shadow said grimly.

Ye Chen suddenly said, "I just say one thing, if your people dare to step into China again, I will see one kill the other!"

The shadow wanted to speak again, Ye Chen pinched his fingers, and a golden rune appeared between his fingers!

shot directly on the shadow!

The shadow seems to have seen something terrible and wants to escape, but it is too late!

It burned in the air, and there was a sound of neighing.

is very miserable.

At the same time, an ancient building in the island country, the Palace of Emperor Yasukuni.

This is almost the holiest place in the island country.

At the beginning of each year, countless people of the island nation would bow down piously outside the Emperor's Hall, seeking the blessing of Emperor Wu.

The generals, officials, and even the prime minister of island nations are no exception!

Numerous powers of faith were born here.

In the Palace of the Emperor of Heaven, a man sitting cross-legged was sitting on the central round table, and around him there were hundreds of powerful men in martial arts uniforms holding their breath.

A black power overflowed from their bodies, toward the man on the round platform.

These powers make Yuantai's man's breath continue to rise!

Suddenly, the man opened his eyes, and a golden rune appeared on his forehead!

"Puff!"

The extremely strong backlash made him spit out a mouthful of blood! The repair is down!
Extremely weak!

The strong people around were shocked.

"Master!"

"Master! What's wrong with you?"

Kitano Takeshi braced himself, raised his head, his eyes fixed on the east! Growled:

"China! Why is China again!"

.....

Picture revolving, hotel suite.

Ye Chen had already arrived in front of Lu Zewen, and said nothing.

Lu Zewen panicked, now everyone in the room is dead!

He is the only one left!

If Ye Chen wants to kill him, he has no way to resist!

He couldn't bear the pressure anymore, he hugged Ye Chen's feet, and begged for mercy: "Mr. Ye...I was wrong, I really knew it was wrong! This archipelago has been bewitching me, and I was lusted Blinded your eyes! Please let me go! I will work hard in Tianzheng Group in the future, even without money!"

Ye Chen smiled.

"Do you think you are still qualified to enter the Tianzheng Group?"

Lu Zewen was startled and shook his head again and again: "No, no, no! I just want to atone for myself!"

Ye Chen stepped on his right foot and directly shook Lu Zewen out! The body broke two legs of the coffee table!

a blast!

"Atonement? Why do you want an atonement?"

"I...I shouldn't steal the secrets of the Tianzheng Group..." Lu Zewen said tremblingly.

Ye Chen shook his head, sat on the sofa, lit a cigarette, and said, "Those Tianzheng Group secrets are not worth any money to me~www.mtlnovel.com~. The real worth is the ten lives!"

"These ten lives, how can you redeem them! Your life is worthless!"

Ye Chen's voice is extremely cold! He was born in the killing, which should not have caused such fluctuations, but seeing someone die tragically in order to leave him the only evidence, the anger in his heart almost rushed over his head.

Ye Chen didn't plan to kill Lu Zewen, it would be too cheap for him.

He wanted Lu Zewen to watch the rise of Tianzheng Group! He wanted Lu Zewen to face the resentful eyes of the families of the deceased!

Let this guy live forever in regret and depression!

If Lu Zewen does not betray, Ye Chen can guarantee that within five years, the three words Lu Zewen will be in the top circle of China!

It's a pity that he made a wrong step, he took a wrong step!

Then, Ye Chen dialed the number of Nanjiang Wang: "Jiangcheng Gangri Hotel, 1801 Presidential Suite, take care of it."

"Yes, the lord."

Ye Chen brought the document back to Tianzheng Group and found that everyone was still discussing emergency plans in the conference room.

He left the file on the table: "The matter is almost dealt with, everyone should go back to rest early."

Everyone's complexion changed, looking at the documents on the table, they were shocked.

How much time has passed since then? Mr. Ye brought the documents back?

Not even the police station was alarmed.

How did he do it alone?

Ye Chen suddenly thought of something, raised his head, and glanced across everyone.

Terrifying hostility envelops the audience.

"I don't allow anyone to do things that go against the interests of the Tianzheng Group. If so, get out as soon as possible! Otherwise, once I find out, the consequences will be cruel."

"Yes, Mr. Ye!"

Chapter 152: You are my woman!

.....

Tomson first product.

Sun Yi felt something wrong with Ye Chen from the time he got in the car.

The breath on his body is very uncomfortable.

"Xiaochenzi, now that I'm home, let's put aside the Tianzheng Group business. I wanted to make crayfish for you, but it's too late today. Tomorrow morning, this little fairy will prepare super delicious egg fried rice for you. kind?"

Sun Yi saw that Ye Chen did not respond, and smiled again: "Do you feel that there is a snail girl in the room?"

Ye Chen looked at Sun Yi, and most of the hostility on his body disappeared.

"Why are you a snail girl, you are simply Chang'e on the moon, but Chang'e is definitely not as good as you."

Sun Yi nodded with satisfaction: "Xiaochenzi's mouth is very sweet, and my palace is very pleased! Okay, my palace is going to take a bath and go to bed, why don't you kneel?"

Ye Chen ignored Sun Yi and went directly to the bathroom to take a shower.

a little refreshed.

Out of the bathroom, he heard the sound of a hairdryer coming from another bathroom, said goodnight and went back to the room.

It was not five minutes before Ye Chen closed his eyes, "creak!" With a sound, the door opened.

A pink figure sneaked in quietly, glanced at Ye Chen, directly opened the quilt, and completely covered it.

Ye Chen naturally knew that Sun Yi had come in.

Usually this girl comes in with a quilt, but today she doesn't.

Ye Chen thought of something. Just when he wanted to talk, Sun Yi poked his head out and whispered: "Ye Chen, I told you a secret. I haven't told anyone about this secret. But you have to tell me a secret, OK? It's not fair otherwise."

Ye Chen nodded: "Okay."

Sun Yi sat up, showing her upper body.

Her upper body is wrapped in a pure white T-shirt, which vividly sets off the fullness of her chest, and her lower abdomen is extremely flat.

is very tempting.

Sun Yi suddenly leaned on Ye Chen's shoulder, her cheeks were red, very cute, she took a few deep breaths, and said: "Actually...I like you."

"I know."

"Then do you know that I liked you five years ago?" Sun Yi said.

Ye Chen was startled slightly, and shook his head.

"Do you remember that incident five years ago? The moment you stood up for me, I couldn't help but fall in love with you. I thought it was just a good impression, but when you disappeared, my whole world went crazy. When I found you, I knew I really liked you.

Later, I learned about what happened in your house. I was very angry, but my ability was too small and too small to change anything.

I thought I would never see you again, but I didn't expect you to appear again.

I once made a wish to the Bodhisattva, if one day, you suddenly appear, I will choose you without hesitation, I want to be your woman. "

Ye Chen felt a little moved, and wanted to talk, Sun Yi stretched out his hand and blocked Ye Chen's mouth.

"Listen to me."

"These days are my happiest days. I like the sense of security you are there. I like to call you Xiaochenzi. I also like to make you all kinds of delicious food all day long.

But the stronger you are, the more I feel insignificant. I am afraid that you will leave me, and even more afraid that you will look down on me. There are more and more excellent women around you, and I am afraid that one day I will be compared to them.

So I want to be your first woman so that you will remember me forever. "

Ye Chen took away Sun Yi's hand, touched her smooth hair, and even held her in his arms, and said very seriously: "No matter how many women around me, I have one of yours in my heart. Location, a location that no one can replace."

Sun Yi's eyes were red, and she was waiting for the answer.

She broke free of Ye Chen, took off her T-shirt, and a pair popped out full, shocking Ye Chen's sight.

The next second, Sun Yi's red lips kissed directly.

Sadistic heartily.

Ye Chen wrapped her tongue gently, and Sun Yi trembled lightly to accept his love.

Sun Yi's body was a little soft after being kissed, and she groaned softly.

The two lay down, Ye Chen's big hands climbed to the towering fullness, kneading hard.

And Sun Yi took the initiative to take off Ye Chen's clothes, and stroked Ye Chen's thigh with both hands.

mobilize the heartstrings.

Feeling deep, unable to extricate itself.

The quilt was lifted, and Sun Yi's almost perfect and proud figure was exposed.

Ye Chen's most primitive desire was completely aroused.

Sun Yi looked blurred, glanced at Ye Chen, and said shyly: "I want..."

Ye Chen couldn't help it anymore, his body straightened and wrapped warmly.

A bright red plum fell on the bed.

Soon there was a sound of groans and physical collisions in the whole room.

The house is full of spring.

.....

Ten o'clock in the morning the next day.

Ye Chen has never slept so deeply, and the moisturizing night lasted almost until three in the morning.

He opened his eyes and found that Sun Yi's fingers were **** Ye Chen's chest.

Sun Yi saw Ye Chen wake up with a contented smile.

"Xiao Chenzi, I'm late for work, you have to be responsible. Shen Haihua has made several calls, and I hung up. I guess he is going to die of anger."

Ye Chen smiled: "You are my Ye Chen's woman now, he dare not be angry."

Sun Yi took a sip on Ye Chen's cheek~www.mtlnovel.com~ What came to mind, and asked: "I told you a secret yesterday, and you promised to tell me a secret. Don't be foolish."

"What do you want to know?" Ye Chen said softly.

Sun Yi pondered for a few seconds, then shook her head: "You have too many secrets, I don't know which one to ask, you choose."

Ye Chen narrowed his eyes and said, "Then I will tell you where I have been in the past five years, okay?"

Sun Yi came to be interested and sat up abruptly, but found that she didn't have any clothes and was a little shy, and she retracted again.

"it is good!"

Ye Chen's momentum changed slightly. He looked at the bird outside the window and said, "Five years ago, I fell in Dongqian Lake and was rescued by an old man. The old man took me to a place called Kunlunxu."

"Kunlun Xu? Is it in the Kunlun Mountains?" Sun Yi tilted her head curiously.

Ye Chen nodded: "His entrance is in the depths of the Kunlun Mountains, where there are many strong people, and the spells are traversed. The laws of China have no effect there.

There is only one rule-the weak eat the strong! "

Sun Yi blinked beautiful big eyes. He thought Ye Chen was joking, but when he saw the other person's serious look, it didn't look like.

"Then can you take me to see it later?"

Ye Chen was startled, looked at Sun Yi in surprise, and then nodded vigorously.

If it was before, Ye Chen would not dare to take Sun Yi to the Kunlun Mountains, but now, he controls the reincarnation cemetery!

stood behind a hundred ancient mighty powers!

What is his fear!

How can the light of fireflies compete with Haoyue!

Ye Chen will eventually be the bright moon above the sky, despising all beings!

And the strong inside can only be regarded as the light of fireflies, becoming a foil!

Chapter 153: revenge!

At the same time, a building in Jiangnan Province.

There are seven vigorous and powerful characters written outside-Jiangnan Province Budo Association!

The inscription was actually a general of China with great military exploits!

is full of background.

In a hall in the building, more than a dozen elderly people are sitting together, and the atmosphere is extremely solemn.

Not long after, an old man sitting at the top spoke: "Who should be responsible for Yuan Jingfu's death!"

"Also! Jiang Luozhen, who was secretly sent by our Jiangnan Provincial Budo Association, who should be responsible for his death? Who can tell me!"

It is Tang Ao, the president of Jiangnan Budo Association!

No. 189 on the Huaxia Grandmaster List! Far more than hundreds of Yuan Jingfu!

Strength!

is the head of the Tang family, one of the top martial arts families in Jiangnan Province!

Tang Ao's question made the air almost solidified, and the few famous masters in Jiangnan province below did not dare to take a breath.

"Are you deaf? No one is responsible for this! Is it my fault, Tang Ao?"

At this moment, the following old man stood up: "Chairman Tang, I personally feel that it is not us who is really responsible, but the kid named Ye Chen. I have roughly investigated the Jiangcheng Budotai incident, although There are many doubts, but it is absolutely inseparable from that kid Ye Chen."

Tang Ao's eyes condensed, and he said coldly: "I checked that kid named Ye Chen, but it was just a waste of the Ye Family. I don't know where he learned Three-legged Cat Kungfu and stepped into the realm of the Grandmaster. He killed the one in Jiangcheng I am not surprised by the two masters, but how could he behead Yuan Jingfu!

Although Yuan Jingfu's strength can't be said to be strong, it's not this kind of garbage that can be killed casually! "

Another old man stood up and said, "Chairman Tang, there are indeed many doubts in this matter. People I have witnessed said that Yuan Jingfu blew himself up, as if he had gone wrong, and the martial arts platform burst."

"Blode?" Tang Ao waved his sleeves and slapped a palm on the solid wood table. "Yuan Jingfu, as the vice president of our Jiangnan Provincial Budo Association, has a bright future. Facing a piece of rubbish, why should he blew himself up? And Jiang Luo Zhen, he has been hiding in the dark, why would he die?"

Obviously, on the martial arts stage, someone broke the rules and rushed! "

The person's face changed and he said with a trembling voice: "Chairman Tang, we brought back a lot of people last night. I don't know why. When we ask the details, we always ask three questions. They have no reason to lie to us! If there is a master at Jiangcheng Budotai, it is impossible to hide so many people. This is the most confusing!"

Tang Ao put his hands behind him, glanced at everyone present, and stopped on three of them.

"Ma Weiqi! Su Yuanxiu! Cui Zhen! The three of you are in the upper reaches of the Jiangnan Provincial Martial Arts Association. Two of you are the vice presidents. You are responsible for the death of Yuan Jingfu! I now order you to go to Jiangcheng to investigate the cause of Yuan Jingfu's death!

can't let go of any clues! If there are no clues, bring the kid named Ye Chen to me!

In this matter, this child can never escape the relationship! Even if there is no result, how about my Tang Ao obliterating this waste!

Our Jiangnan Provincial Budo Association must not die a vice chairman for no reason! "

"Yes, Chairman Tang!"

.....

Tomson first product.

Ye Chen and Sun Yi lingered on the bed again, because yesterday was too intense, and it was Sun Yi's first time, it was naturally strange to walk, so Sun Yi simply asked for leave to rest at home.

Ye Chen didn't want Sun Yi to move more, so he planned to go to the supermarket under Tomson Yipin to buy some evening ingredients.

As soon as he came downstairs, he found that his cell phone rang, and Ying Qing called.

"Ying Qing, what happened yesterday, thanks."

Ying Qing on the other end of the phone hurriedly said, "Mr. Ye, this is right."

"By the way, what are you calling me for?"

"Mr. Ye, our Dragon Soul Commando would like to invite..."

Before he finished speaking, Ye Chen felt that it was not a good thing, and directly refused: "No, I'm busy shopping for vegetables."

Ying Qing on the phone almost fell to the ground!

I have the urge to smash the phone!

You are a peerless powerhouse, can you not be so childish! He actually went shopping for groceries!

Is this going to move closer to a good man at home?

When I thought of Ye Chen carrying a bag of vegetables leisurely and leisurely, it was in sharp contrast with the powerful bombardment of the Budotai that day.

Ying Qing's mouth twitched.

"Mr. Ye, it was invited by the chief, he has something to see you..." Ying Qing suppressed his inner emotions and said tentatively.

"No time, that's it, there will be no food later." Ye Chen hung up the phone straightforwardly.

Ying Qing, who was sitting in the car, looked at the leader Lei Shuwei in front of him with a wry smile: "Head, this Mr. Ye..."

Although Lei Shuwei was a little speechless, he opened the door and said: "The strong has the temper of the strong, understandable, I'll go find him personally."

After a short while, Ye Chen noticed a middle-aged man appeared beside him. He glanced at it and stopped.

"Since you are outside, why are you still calling me?"

Lei Shuwei smiled awkwardly: "Isn't this afraid to disturb Mr. Ye?"

When said these words, Lei Shuwei felt helpless himself!

His identity has always been that others murmured to him, watching his face act!

But now, he actually depends on the attitude of the other person to speak!

But when he thought of Ye Chen at the martial arts platform that day, his back was a little cold.

Even all the words are extremely pale at that moment, I can only use 'Fuck! 'Come to vent.

"What's the matter? Let's talk, if I can help, I will help." Ye Chen said.

Lei Shuwei's eyes were overjoyed, and he quickly said: "Mr. Ye, can I take you to a place? It won't delay Mr. Ye's too much time. If you want to buy vegetables, I can send someone the freshest ingredients from the troops. upstairs."

"Mr. Ye, don't be too busy to refuse. I am all for the sake of Mr. Ye. The forces in Jiangnan Province are ready to move. Going to that place will benefit Mr. Ye without any harm!"

"Fine."

Ye Chen got on a Hongqi military custom car and went directly to a small airport, where a camouflage military plane stopped.

"Do you want to take a plane?" Ye Chen was surprised ~www.mtlnovel.com~Mr. Ye, soon, it really won't delay too much time. "Lei Shuwei was in cold sweat.

Ye Chen got on the military plane, took off directly, and landed slowly after about half an hour.

After getting off the military plane, Lei Shuwei drove Ye Chen into the jungle in a military vehicle, and stopped after passing many checks.

"Mr. Ye, here it is."

The military vehicle stopped and Ye Chen came to a special base.

There are dozens of inch-headed men fighting in the base. This is no ordinary fighting!

is a martial arts competition!

Everyone is showing murderous aura, and there is a trace of strong energy between waves!

Although his strength is not as good as him, if these people form a combat team, they will be invincible!

"This is the Dragon Soul Commando?" Ye Chen asked.

Lei Shuwei shook his head: "This team can be regarded as a mysterious force of China, and its code name is Dragon Soul! As for Ying Qing's Dragon Soul Commando team is just one of the branches. Dragon Soul only obeys the command of the head of Huaxia One! Defend China's national dignity! Deal with all China's internal special issues!"

Ye Chen squinted his eyes: "This should be regarded as Huaxia's secret, what are you telling me?"

Lei Shuwei clenched his fists and said very seriously: "Mr. Ye, I hope you join the Dragon Soul!"

"Impossible." Ye Chen refused decisively, and was even ready to turn around and leave.

He is used to being free, and no one or force has the right to restrain him, even the Chinese Dragon Soul!

Even if the Chief No. 1 invites him personally, the result is the same!

At this moment, Lei Shuwei said again: "Mr. Ye, I am not asking you to join the Dragon Soul, I hope you can serve as the chief instructor of the Dragon Soul!"

Chapter 154: you misunderstood!

"Dragon Soul Chief Instructor?"

Ye Chen stopped, seemingly hesitant.

Lei Shuwei saw this reaction and thought it was a play. He clenched his fist slightly and nodded as if to slap his head: "Yes, it is the chief instructor of Dragon Soul. With the strength of Mr. Ye, no one in China is more suitable than you."

"No, I don't like being bound, sorry." Ye Chen said lightly.

After speaking, he headed outside.

Lei Shuwei finally brought Ye Chen here, and of course he would not let Ye Chen leave. He came over quickly and said seriously: "If Mr. Ye doesn't like being bound, don't worry at all. The Dragon Soul instructor is just a The title is just that, it represents China's affirmation of you."

"I can guarantee that the Chinese authorities will not restrain Mr. Ye in any way, on the contrary, they will only help Mr. Ye! Even the people around Mr. Ye will be protected by the Chinese military!"

Hearing the last sentence, Ye Chen showed interest, and turned to look at Lei Shuwei: "What level of protection do you mean?"

When Lei Shuwei sat in this position, he naturally knew what Ye Chen needed, and explained: "For example, Miss Sun Yi and Xia Ruoxue are protected by all-round top snipers. If you are faced with some inevitable danger, The military will directly kill you!"

"Of course, this is only part of it. The Dragon Soul will also arrange for masters to be stationed nearby. Any disturbances will be reported to the Dragon Soul system as soon as possible! This way, the Dragon Soul can react immediately."

At this moment, Ye Chen's eyes narrowed slightly.

He admitted that Lei Shuwei's offer was very attractive.

This degree of protection can almost be compared with the protection of some important leaders.

Although there will still be problems when encountering a terrifying martial arts expert, but it can buy him time to a large extent.

Lei Shuwei saw Ye Chen's heartbeat and continued: "Mr. Ye, don't mind if you say something bad. You have made too many enemies during this period. Jiangnan Provincial Martial Arts Association, Jiangnan Province Qin Family, and even yesterday's Dao Guowu The Royal Club, plus some hidden dangers... These may not be a threat to you, but they are different for Miss Xia and Miss Sun.

Once you become the chief instructor of the dragon soul, you can mobilize part of the dragon soul's power! Can protect the people around you better! Why not do it! "

The air seemed to freeze, and the scene was very quiet.

Lei Shuwei's palms are sweaty, if Ye Chen doesn't agree, he really can't figure out how to persuade him.

Time just passed...

Suddenly, Ye Chen looked at Lei Shuwei and said: "What does the Dragon Soul Chief Instructor need to do?"

Lei Shuwei looked at the strong players who were fighting and fighting, and said: "It is completely up to Mr. Ye. Of course, the core is to make those guys stronger! They are strong, and China is strong!"

This is already Lei Shuwei's greatest authority for Ye Chen!

When talking in the capital, the leaders must arrange standards and assessments for Ye Chen. He knew Ye Chen's character, and if he had these things, he would never agree!

So he abandoned all requirements at all costs, as long as Ye Chen became the chief instructor of Dragon Soul!

So far, only three people have watched that video!

He, Ying Qing, and the one in Beijing!

The old man who holds the rights of Huaxia saw the video and supported him without hesitation! This allowed him to withstand the pressure and Ye Chen's conditions!

"Well, I can become the chief instructor of Dragon Soul, but I want two conditions!"

Ye Chen said.

Hearing these words, Lei Shuwei's blood almost swelled, and a burst of warm blood was burning. He hurriedly said: "Don't say two conditions, I will agree to ten."

"First, I must have sufficient authority and freedom. I may not be able to come once a year! Second, you must protect the people around me. If you fail to do so, I will leave Dragon Soul immediately! Of course, except in special circumstances !"

Lei Shuwei hesitated, if Ye Chen only came once a year, how could he make this group strong? He is not easy to explain.

Ye Chen seemed to see through Lei Shuwei, and continued: "I can assure you that as long as I come once, this group of people can kill ten more powerful people on the battlefield!"

"Hiss——" Lei Shuwei took a deep breath. Ye Chen would be too boastful.

Being strong does not mean that you can make others stronger.

"Mr. Na Ye, when do you have time to start this year?"

Just about to say something, Ye Chen has already walked towards the group of Dragon Soul fighters!

"It's now!"

Ye Chen opened the iron net gate and walked in with Lei Shuwei.

The dragon soul fighters who were swept by the powerful aura saw Lei Shuwei stopped one after another, their bodies were straight, and they saluted a standard military salute: "Hello Chief!"

Lei Shuwei brought Ye Chen to the middle of the crowd.

Everyone looked at Ye Chen with curious eyes. In their opinion, Lei Shuwei should have brought the new team member.

Their gaze swept across Ye Chen's body continuously, and they couldn't feel any aggression.

Has the threshold of Dragon Soul become so low now?

Can people like this get in?

Some dragon soul fighters even noticed that Lei Shuwei and the youth were standing in a weird posture, and they began to suspect that the youth might be a relative of the chief.

Go through the back door?

There was a hint of coldness in everyone's eyes!

In Dragon Soul, only strength is admired! And what they look down on most is that they have to rely on relationships to come in without strength!

and that young man is undoubtedly the latter

Lei Shuwei sensed that the crowd was a little dissatisfied, so he quickly coughed and said loudly: "Be quiet, everyone, let me introduce someone to you~www.mtlnovel.com~ The gentleman next to me is named Ye. From now on he will be the head of Dragon Soul. Instructor, you must unconditionally obey any orders of the chief instructor! Have you heard!"

As soon as the words came out, the entire base fell into deathly silence!

Like a graveyard at midnight!

Countless double-sword-like eyes shot at Ye Chen! A strong coercion shrouded Ye Chen!

Ye Chen's eyes were flat, and he took a step, holding his hands behind him: "Ye Chen, give me some advice."

The coercion exploded in an instant.

In the next second, the whole world seemed to burst, and an uproar swept in all directions!

Chief instructor?

This young man?

He deserves too!

All eyes are filled with anger!

If such a person can be the chief instructor of the Dragon Soul, this would be an insult to the Dragon Soul! This is a desecration of the dead dragon soul warrior!

"Chief, I am not convinced!"

A burly man stood up!

"I'm not convinced by the chief!"

The terrifying Dragon Soul Warrior also stood up!

Their eyes are bloodshot, and no impurities are allowed to insult the words Dragon Soul!

Lei Shuwei's face was a little embarrassed. Just about to explain, Ye Chen made a gesture to make him not speak.

"Since you are not convinced, then speak with your strength." Ye Chen said lightly.

Then, Ye Chen pointed his finger on the twenty Dragon Soul Warriors who stood up.

One of the dragon soul fighters was a little angry, and said loudly: "Don't order! Who do you want to challenge! The dragon soul is not afraid of anyone!"

Ye Chen shook his head, scanned the audience, and said: "You misunderstood, I'm not trying to challenge someone--"

"I want to challenge all of you!"

Chapter 155: worry!

At this moment, the entire base was astonished.

Challenge everyone?

Just rely on this kid?

They are Dragon Soul Warriors!

Anyone who takes it out is enough to sweep a well-equipped SEAL!

Not only that, their martial arts strength is not weak!

Many of them have even entered the Huaxia Grand Master Ranking! Although the ranking is relatively low, how can those who can enter the Huaxia Grandmasters list be weak?

And now this brazen boy is boasting that he wants to challenge everyone in Haikou?

This is a provocation!

This is ignorance!

This is arrogance!

The bloodiness of the Dragon Soul Warrior was picked up by Ye Chen!

One of the two-meter-tall men stood up directly: "Boy, although the chief is standing behind you, you are not qualified to say something! You don't know what the word dragon soul means! I only have one request now. , Apologize to our dragon soul! Then get out of this base!"

His words were extremely cold, and a strong chill swept the audience!

His name is Gu Dashi, and he is one of the strongest fighters of the Dragon Soul. He is qualified to stand up and represent the Dragon Soul.

The dragon soul fighters behind him also shot at Ye Chen and said:

"Get out of the base!"

"Get out of the base!"

If it were not for the chief's face, they might have beaten this young man to the ground! The opponent is not even qualified to fight back!

Gu Dashi turned around, came to Lei Shuwei, saluted a standard military salute, and said loudly: "Dragon soul warrior Gu Dashi asked the chief to expel him from the base! The report is complete!"

Lei Shuwei was rather helpless. This group of guys is too difficult to tame. Although militarized, these people are almost the elite of the army and ancient warriors. There is no arrogance in his heart!

He just wanted to speak, Ye Chen's eyes had swept over everyone indifferently, and he took the lead and said: "Dragon Soul? How **** are you guys, even the challenge?"

As soon as these words came out, the entire base fell into deathly silence!

Everyone thinks Ye Chen is a lunatic!

actually dared to be mad in front of the Dragon Soul Warrior!

Gu Dashi's cold eyes stared at Ye Chen, wishing to kill the opponent directly!

Dragon Soul garbage?

What a courage!

"Dragon Soul Fang Chao accepts your challenge!"

There is a dragon soul warrior who can't help it anymore! Stand up!

The dragon soul repeatedly gave this kid down the steps, if the other party refused to go, then die!

Fang Chao turned into an afterimage in the same place, rushing towards Ye Chen like a cheetah.

The speed is extremely fast!

The dragon soul fighters saw Fang out of hand, and a cold smile appeared on the corners of their mouths.

Fang Chao is famous for his violent temper in Dragon Soul. Once he starts, he must beat the opponent until he can't stand up!

With Ye Chen's small arms and thin legs, it is estimated that the next life will be spent in a wheelchair!

This is the consequence of insulting the Dragon Soul!

Fang Chao's body turned vigorously, and when he was only three meters away from Ye Chen, he gave a soft drink, suddenly exerted force under his feet, twisted his waist and turned his hips, and took advantage of the traction of his predecessor to kick out a kick!

This kick seems to sweep the world!

even rolled up the dust around him, with great momentum!

But Ye Chen just stood like this at the moment, without blinking his eyes.

"I said, I want to challenge all of you, now you are far from qualified!"

"In that case, I will teach you the first lesson!"

"The energy is on the toes, and the power is in the pubic area!"

The words fell, Ye Chen raised his leg, and went to meet Fang Chao's leg!

In the eyes of everyone, Ye Chen is looking for death!

Fang Super's strongest is the leg skills!

Who dares to face him head-on!

"boom....."

Two legs collided suddenly! There was a dull explosion.

The sky is full of dust, the wind is howling, and the scene is extremely messy!

At this moment, Fang Chao only felt an extremely shocking force extending from the calf to the thigh, and then from the thigh to the chest!

He unexpectedly found himself in front of this power ~www.mtlnovel.com~ giving birth to insignificance!

"Boom!"

He snorted fiercely, and a powerful wave of air was oncoming!

He flew out!

flew a full dozen meters! "Boom!" It hit the ground heavily!

Fangchao stood up awkwardly, panting heavily, arched his waist, his face was painful, and his body trembled slightly.

"He is very strong."

Fang Chao only said these three words.

Everyone was stunned to see this scene!

his face is extremely pale!

All that is left are stunned and solemn eyes!

one move!

Single move!

Fang Chao is defeated! And still so crushed!

Who can think of it!

The key Fang Chao even admitted that the opponent is very strong!

At this moment, Ye Chen stepped forward and hooked his fingers to everyone: "I said Dragon Soul trash, it's not wrong, if you don't agree, stand up! I accept the challenge of all of you!"

The reason why he said so is to kill the arrogance of this group of people!

Otherwise, they will never be in awe of Budo Yitu!

There is no progress without awe!

The next second, those dragon soul fighters moved! Gu Dashi also moved!

Dozens of figures rushed towards Ye Chen!

only because this battle represents the dignity of the dragon soul!

The opponent has provoked to the door, if you don't fight back, the dragon soul is a Muggle!

Lei Shuwei looked at the picture in front of him, the corners of his mouth twitched slightly, and he challenged the entire dragon soul alone. It is estimated that only Ye Chen would dare to say that.

He was actually a little worried.

I'm not worried about Ye Chen's accident, but worried that these dragon soul fighters will get hurt and affect the mission!

Chapter 156: Do you serve it?

on the field.

phantom flickering, roaring vigor and overflowing air waves made the atmosphere solemn to the extreme.

Ye Chen put his hands behind him, his dantian true energy was concentrated, his eyes narrowed as he watched the people rushing over, extremely calm.

Suddenly, he moved!

The footsteps are smart, the steps are strange, no one can touch him, Ye Chen directly rushed into the crowd!

"Boom! Boom! Boom!"

Ye Chen threw three punches, and the few people in front of him smashed back five or six steps!

But there are too many Dragon Soul fighters, a few of them turned fists into claws and patted Ye Chen directly on the shoulder!

He was about to shoot, Ye Chen's body was slightly to one side, and then his true energy surged and he buckled directly on one of the wrists!

A powerful infuriating energy is formed like a huge wave. With the help of his push, the dragon soul warrior lost his center of gravity!

The other party wanted to resist, but when he used his force, he found that his strength was gone!

"Boom!"

His body was pushed out by Ye Chen, and directly hit several other people!

Gu Dashi saw that eight dragon soul warriors had lost their combat ability, and he shouted angrily, his whole body burst out suddenly, clenching his fists with both hands and blasting forward.

rumbling...

This punch came out bursts in bursts, and it was extremely powerful!

Ye Chen naturally noticed Gu Dashi, his eyes condensed. Among this group of people, Gu Dashi is the strongest!

Catch the thief first, catch the king!

Ye Chen's body moved, like a tiger descending from the mountain and a cheetah hunting for food.

Just when he was about to touch Gu Dashi, Ye Chen suddenly punched out, a red evil spirit wrapped his fist, faintly forming a blood evil fist!

"Tiansha Fist!"

This is Luo Yuntian's martial arts of the evil fist sect. He hasn't tried it, and it happened to be used today!

"Boom!"

This punch blasted out, as if a big earthquake ruptured, and the blood evil spirit spread out in all directions! The overflowing energy even directly hurt the dragon soul fighters closest to the two, and threw them out!

But Gu Dashi was even worse, embarrassed, his figure exploded and retreated a dozen steps, leaving rows of deep footprints on the ground! I wanted to stabilize my figure, but was still crushed to the ground by a puff of blood!

Ye Chen's body is constantly swimming in the crowd!

At this moment, he is like a fighter machine, wherever he went, the dragon soul fighters were overturned one by one!

Unmatched!

a mess!

Because the base has an area that simulates a desert fighting area, there was too much energy in this battle, resulting in yellow sand in the base.

blocked everyone's sight!

Some dragon soul warriors lying on the ground stood up. It was impossible to see the situation inside!

After five seconds, silence returned to the court.

The yellow sand gradually dispersed.

But when you see everything inside, the arrogant dragon soul fighters are startled!

Everyone's eyes widened to the extreme! It is full of horror!

Because of the entire base, all the dragon soul fighters have fallen!

There is only one young man standing!

The young man put his hands behind him, standing upright like a green pine, his eyes swept across the audience, and a boundless majesty and dominance spread out.

is like a **** of war!

"hiss—"

All the dragon soul fighters took a deep breath. Who would have thought that all the dragon soul fighters together would be no match for a young man!

It's not that they are too weak, but that the young man is too strong!

is so strong that even words can't describe it!

"Do you take it now?" Ye Chen said, the strength of his words did not conceal the slightest!

The bodies of those dragon soul fighters trembled, they are all like this, what qualifications do they have to refuse!

They stared at the young man standing in the middle, their arrogance disappeared!

Only excitement is left!

With such chief instructors, they will only become stronger!

Gu Dashi stood up, and after a standard military salute, he said loudly: "Gu Dashi, report to the chief instructor!"

Everyone reacted, stood up, and reported to Ye Chen!

Since then, Dragon Soul only recognizes one chief instructor, that is Ye Chen!

Lei Shuwei was very satisfied with the results before him. He thought that Ye Chen would be difficult to tame the tigers, but now it seems.

These tigers dare not even have a temper in front of a giant dragon.

This may be the horror of the martial arts powerhouse.

Ye Chen looked at the dragon soul fighters, and his eyes were actually a little surprised. Although these people have a foundation in martial arts, some of them are even strong, but their fighting skills are more inclined to traditional kills, without a trace of martial arts. .

Once there is a martial art battle, then the strength must rise at least one step!

If these people are successfully trained, not only will China's strength be much stronger, he will also have an extra hole card.

Right now, King Nanjiang controls the underground forces in Jiangnan Province, hiding in the dark, constantly dormant.

The development of Tianzheng Group is bound to be terrifying, and it will provide him with strong cash flow in the future.

In addition to these two hole cards, if there is a military background, the mysterious power Dragon Soul directly under the central government!

Then his power structure is initially completed.

These three forces can not only protect the people around him, but also fight against the Dragon Lord who personally ruined his life in Yunhu Villa!

During this period, Ye Chen has been asking Ye Lingtian to investigate the Dragon Lord in the capital!

But I don't know why, there is always a strong force hindering the investigation.

Even Ye Chen asked Lei Shuwei, but the answer Lei Shuwei gave him was uncertain.

Because Long Ye appeared in Jiangcheng that year, no one at UU Read www.uukanshu.com actually knew his origin, Yao Jingu was his spokesperson.

Everyone can see from Yao Jingu's attitude that this Dragon Lord is terrible, and they only know that Dragon Lord is from Beijing.

The water in the capital is very deep, and the martial arts families hidden behind the capital, even the top power in the capital, must give them face.

Even using military data, there is no information on the few martial arts families in the capital.

just because they have stood on the top of China.

And the children and even the subordinates from these families are rooted at the top of the pyramid in all areas of China!

The clue is completely broken.

Ye Chen is not in a hurry to go to the capital. Although he is very strong now, and even has a reincarnation cemetery behind him, his wings are not yet full, so he rushes in, and it is not always possible to see Long Ye.

.....

One afternoon, Ye Chen almost stayed at the base. Before Luo Yuntian disappeared, he stuffed a powerful flow of information into his mind.

There are a lot of martial arts of the fist sect.

Ye Chen casually took out two ordinary combat martial arts and gave them to these dragon soul fighters!

is ordinary to Ye Chen, but it is a rare treasure to their dragon soul!

After just a few hours, Lei Shuwei, who was standing next to him, discovered that the strength of these dragon soul fighters was rising rapidly!

This progress is terrifying!

He clenched his fists and felt that inviting Ye Chen was simply the wisest choice in his life.

By four o'clock in the afternoon, Ye Chen was about to leave. He, the chief instructor, had done his best, and those two martial arts were enough for this group of people to digest.

As for when you come next time, it depends on your mood. It may be one month, six months, or a year.

He has no restraints anyway.

Chapter 157: Risky chess!

After returning to Jiangcheng, Lei Shuwei took the initiative to send Ye Chen to Tangchen First Grade.

Ye Chen was about to get out of the car, Lei Shuwei thought of something, and quickly took out two things from his pocket: "Mr. Ye, wait a minute, these two things are for you."

Ye Chen glanced around and found that there were two small certificates.

One of the books is black and extremely mysterious. When you open it, there are five words written on it, Dragon Soul Chief Instructor!

As for the other book, it is green and looks a little ordinary, but the content inside is extremely unusual-the rank of major general!

The seal is directly China's highest authority!

Ye Chen was startled slightly, the former one was easy to understand, what happened to the latter one?

Seeing Ye Chen's doubts, Lei Shuwei explained: "Mr. Ye, you can hide the first one. It's best not to show it to others. As for the latter one, it was the result of a consensus discussion between the head of China and several authorities. It can be used in many places. There is no restriction on you, and it will not affect you. This time, China has almost broken the precedent. Please don't refuse, Mr. Ye."

Ye Chen wanted to refuse, but when the other party said so, he nodded and put it in his pocket casually.

These extraneous things are unnecessary for him, and it would be nice if he can solve some minor problems by then.

"gone."

Lei Shuwei looked at Ye Chen's distant figure, lost in thought.

This move is a dangerous move by China.

The head was under a lot of pressure and criticism.

Since the founding of China, no exception has been given to this title.

Ye Chen is very strong, but is it really worth it?

That night, he couldn't help but speak and asked who was in Zhongnanhai.

The one standing in front of the French window, only answered him one sentence: "China has him, and there is no fear in all battles!"

.....

Tomson Yipin top floor.

Ye Chen just opened the door and wanted to see what happened to Sun Yi, but a beautiful shadow appeared directly in front of the door!

"Sun..." When the words came to his lips, Ye Chen swallowed again, "Ruoxue, are you back?"

Xia Ruoxue wore a dress with a sweet temperament.

She glanced at Ye Chen and joked: "You guys can't see it. There is a Tomson first-class house in silence. Why did the three of us crowd into such a small apartment in the city? Do you think being smaller can take advantage of our two girls?"

Ye Chen smiled: "I just moved in, you can't wrong me, how can an honest man like me take advantage of you..."

"Pump!"

Xia Ruoxue laughed, the shallow dimples and red lips matched, Ye Chen had to sigh, smile Qingcheng should be like this.

"Don't make it difficult for you. By the way, where did you go today? I didn't see you all afternoon. Sun Yi complained. You went downstairs to buy a vegetable for a few hours. Fortunately, someone delivered it. Come up, otherwise you will definitely be told by Sun Yi later." Xia Ruoxue said.

She is obviously in a good mood.

After the birthday party, although her mother had talked a lot with her, in a short time, she would not be allowed to return to Jiangnan Province.

The only trouble is the Qin family, but I heard that some important people from the Qin family in Jiangnan Province have recently visited Mount Emei and have not yet returned.

Including the young master of the Qin family.

It should be fine for a short time.

Ye Chen glanced around and found that Sun Yi was cooking inside, and the rich aroma of vegetables could be smelled throughout the house.

There are already a few dishes on the table, all of which he likes to eat. After swallowing, he replied: "Go to some base and help."

Xia Ruoxue nodded without thinking too much.

Soon Sun Yi walked out holding the food: "What are you two stupid doing standing there? We have dinner."

Her face was a little flustered, and she took a peek at Ye Chen.

"okay."

Three people are seated.

Ye Chen looked at the delicacy in front of him and the two beauties around him, and felt that this kind of life was actually good.

At least not so nervous.

When he was in Kunlun Xu, he felt an extravagant desire even to sleep. When he closed his eyes, his life might be quietly terminated.

.....

At the same time, Jiangcheng Budotai.

The three old men stared at the broken and collapsed martial arts platform with serious eyes.

They are the three powerful men sent by the Jiangnan Provincial Budo Association, Ma Weiqi! Su Yuanxiu! Choi Jin!

Compared with Yuan Jingfu, any one of the three can only be strong, not weak!

Among them, Ma Weiqi and Su Yuanxiu are also vice presidents of Jiangnan Budo Association! Special status!

It can be seen how much Tang Ao cares about Yuan Jingfu's death!

"The break of this martial arts platform should not have been caused by Yuan Jingfu. Look at this trace~www.mtlnovel.com~, it was completely shattered from the inside by a strong force! This force is not like the work of an ancient warrior." Ma Weiqi Said with a frown.

"Do you mean that there are those kinds of people in Jiangcheng?" Su Yuanxiu asked in surprise.

The face of Cui Zhen, who has not spoken, changed drastically. He knew what the kind of person Su Yuanxiu meant!

In the past few years, they have discovered that there are not only ancient martial artists in the Chinese martial arts world, but also an alien.

practitioner!

This kind of people can be said to be the most peak existence in martial arts, but they are extremely rare.

They haven't seen it, they just heard it.

This kind of people don't know where they come from, their methods are unpredictable, and their strength is extremely terrifying!

Ma Weiqi shook his head: "Uncertain, this possibility is very small, I'm just guessing. Judging from the damage of this martial arts platform, maybe an existence like President Tang can barely achieve it."

"Could it be the kid named Ye Chen? According to the investigation, Ye Chen has disappeared for five years. Will there be any adventures in the past five years? In five years, he will have the ability to kill the master, there is definitely a problem!" Su Yuanxiu said.

Ma Weiqi touched his beard and fell into contemplation. For a long time, he opened his eyes and said: "We checked all the information today, and there are too many doubts. The descriptions of those Jiangcheng warriors who were present at the time were inaccurate, which made us unable to restore Yuan Vice. What happened to the president, the only thing that can explain all this is the kid named Ye Chen."

"Chairman Tang said, if there is no clue, directly accountable that kid! Since it is a dead end now, let's start with that kid. I'm curious, what is Ye Chen's ability to kill so many grandmasters!" "

"it is good!"

Chapter 158: Do what you say!

Ye Chen felt satisfied after a dinner.

Because they were too full to eat, Xia Ruoxue and Sun Yi were going to a newly opened shopping mall nearby.

Although he invited Ye Chen, he was directly rejected.

Ye Chen is going to Jiangbei University. The injury that Wang Yuheng suffered at the school last time should be almost healed.

I don't know how well the "Ziyun Ben Lei Jue" I gave him is doing.

If Wang Yuheng is doing well in his cultivation, if he has the opportunity, he can ask if he has any plans to join the Dragon Soul.

As the chief instructor, he can still open this little stove.

Of course, all this depends on the opponent's talent and strength.

Ye Chen came downstairs and planned to take a taxi, but a Mercedes Benz drove over slowly.

A middle-aged man got off the car and said respectfully: "Chief, are you going out?"

Hearing the two words head, Ye Chen reacted instantly.

Only military personnel, subordinates would call superiors like that.

"Lei Shuwei asked you to come?"

The middle-aged man nodded: "Dragon Soul, considering that the head is traveling, arranged a car around. This time I am in charge. The head can call me Xiao Deng."

"Good too."

Ye Chen got into the Mercedes-Benz directly, and said: "Don't call me the chief in the future, call me Ye Chen or Mr. Ye."

"Yes, Mr. Ye." Xiao Deng returned to the driver's seat and asked, "Mr. Ye, where are you going?"

"Jiangbei University."

.....

After half an hour, Jiangbei University arrived.

Ye Chen asked Xiao Deng to wait outside while he came to the roof of the man's sleeping quarters.

Wang Yuheng had been waiting on it for a long time. When he saw Ye Chen, Wang Yuheng looked excited: "Brother Chen, that thing you gave me is too powerful! I am now practicing to the first level, and I feel like my body is full of explosive power. !"

Ye Chen's expression was flat: "You throw a punch and show me."

"it is good!"

Wang Yuheng condensed the only trace of real energy in his dantian, stepped on his feet, and hit the air with a punch!

There is a faint air burst, but it is so light that it can almost be ignored.

Ye Chen nodded: "It's not bad. It is already very good to rely on self-cultivation to achieve this effect."

After that, Ye Chen took out ten pills and handed them to Wang Yuheng, confessing: "If you take one pill every week, you will feel a little discomfort in your body, but you have to hold it back and then run that set of exercises. You will have unexpected results. reward!"

Wang Yuheng clenched his fists and said very seriously: "Yes, Brother Chen!"

He knew that the young man in front of him had completely changed his destiny.

Now he has some ability to protect his parents. He hopes that his strength will be stronger so that his parents don't have to get up early and go to the husband and wife barbecue stall, and no one will bully them anymore. At least he is qualified to protect them.

He even sometimes thinks again, if five years ago, when Ye Chen was called waste by everyone, he would not stand up and support Ye Chen without hesitation, would there be everything now?

Ye Chen guided Wang Yuheng on the rooftop for an hour. Seeing that the time was almost here, he got up and left and let Wang Yuheng continue to practice on the rooftop.

He had just left the gate of Jiangbei University when an old man stood in front of him.

Although he didn't release the martial arts aura, but a threat came to his nose.

It is Su Yuanxiu who was sent by the Jiangnan Budo Association!

Xiao Deng in the car found something, got out of the car and asked: "Mr. Ye, do you need to inform the dragon..."

"Just stay in the car, and I will come as soon as I go." Ye Chen said.

After finishing speaking, without waiting for Xiao Deng's reaction, he headed for a construction site next to Jiangbei University.

Su Yuanxiu narrowed his eyes and naturally followed.

Not long after, both of them arrived at the construction site. It was very quiet because there was no construction at night.

Su Yuanxiu touched his beard, and took the lead and said: "You are Ye Chen? I didn't see what you are capable of either."

Ye Chen looked cold, took out a pack of cigarettes from his pocket, took one out, stuffed it into his mouth, and lit it.

"Let's talk, who sent you here and what purpose."

His voice is very flat.

There is no fear.

Su Yuanxiu didn't expect this kid to be so calm when he died, even smoking.

How many ancient warriors still smoke?

He looked serious, and said, "You only have one choice now, tell me what happened at the martial arts platform that day, and how Yuan Jingfu died!"

Ye Chen suddenly, outlined an arc at the corner of his mouth, pinched out the smoke in his hand, and said: "What kind of dance group do you belong to like that guy?"

dancing club?

Su Yuanxiu was taken aback for a moment, and then he reacted immediately, saying every word: "It's the Jiangnan Provincial Budo Association!"

"Jiangnan Dance Association?"

Su Yuanxiu was completely angry, his face flushed, and he roared: "Ye Chen, don't challenge my bottom line! I say one last time, it's the Jiangnan Budo Association! Not dancing! It's the word martial arts! If you don't answer my question again, I will make you regret it."

Su Yuanxiu threatened.

Ye Chen nodded interestingly, and admitted: "I killed Yuan Jingfu."

Su Yuanxiu didn't expect Ye Chen to admit so neatly, shouldn't this guy still have a strong behind?

Does he plan to bear all the consequences himself? He just wanted to ask questions, Ye Chen's indifferent voice continued to sound:

"Also, I killed you too."

Su Yuanxiu was startled, his body surged with energy: "If you want to kill me, you have to be qualified! If you let someone behind you rescue you, there are still some ways!"

"Since you are so uncooperative, then I will abolish your hands and feet today and bring them back to Jiangnan Province myself!"

In the next second, Su Yuanxiu bends his knees and then bursts out, rushing out like a cannonball!

The speed is extremely fast. At the moment when he is about to approach Ye Chen, his five fingers are close together, his strength seems to be condensed into a blade, and he slashes towards Ye Chen's shoulder!

The momentum is like a rainbow!

Once fell, it was enough to cut off Ye Chen's arm!

This is his fame martial art——Bone Broken Blade!

even cut off the arms of 99 strong men!

It seems that the kid in front of you is about to become the hundredth!

"Wow!"

Bone Broken Blade has been cut on Ye Chen's arm!

Very easy!

But ~www.mtlnovel.com~ Su Yuanxiu's face has changed!

Because there is not a drop of blood spilled! No arm dropped!

This is afterimage!

how is this possible? This kid is so fast!

Before Su Yuanxiu could react, a lazy voice came from behind: "Look at your old bones, and let you do another trick. After one trick, you must kneel in front of me and kowtow!"

A trace of anger flashed through Su Yuanxiu's eyes, and he was ranked 334th on the China Grand Master! Dozens more than Yuan Jingfu!

How can be insulted by this kid!

He stepped on his footsteps, his whole person jumped up, and a sharp dagger appeared between the cuffs, the forest was extremely cold! Energetic bursts! The arc that turned into a death was wiped towards Ye Chen!

But in the end, even Ye Chen's clothes could not be touched!

"One trick is here!"

Ye Chen's icy voice suddenly sounded, and then the Canglong phantom body decisively circulated under his feet, and instantly appeared in front of Su Yuanxiu!

Su Yuanxiu felt something was wrong, and just wanted to retreat, it was too late!

Ye Chen's true energy surged, and he took a palm of his hand with extremely strong evil energy! Pat directly on Su Yuanxiu's shoulder!

"Crack!"

Su Yuanxiu's entire arm was removed!

Not only that, but he also felt an overwhelming force falling from the sky!

He can't hold it at all!

"Ka Ka!" With two sounds, his knee broke and he knelt directly in front of Ye Chen!

This is not over yet!

Ye Chen grabbed the opponent's head and slammed it towards the ground!

"I Ye Chen must do what I said, after one move, if you let you surrender, you must surrender!"

Chapter 159: You are a cultivator!

"Boom!"

Su Yuanxiu's head hit the ground fiercely.

He was almost full of blood, and the sky was spinning.

At this moment, he fully awakened!

There is no strong person behind Ye Chen!

The real powerhouse is himself.

Yuan Jingfu was killed by Ye Chen!

Budotai was also destroyed by Ye Chen!

Who would have thought that a 20-odd kid who disappeared for five years would have mastered such unpredictable martial arts strength!

A stormy sea was in his heart, and the pain on his face made him sober!

This guy is a pervert, absolutely perverted!

"Although your strength is very good, but you did not use the most mysterious existence of the human body-Dantian, and your body is too rubbish, so **** I want to kill you, it's easy."

Ye Chen's faint voice sounded.

If he didn't break through to the aerodynamic state, he might really not be his opponent, but after the breakthrough, coupled with some of Luo Yuntian's memories for him, his strength has almost changed dramatically!

Su Yuanxiu's face was pale, and his endless fear, like a violent storm, was constantly raging in his heart.

Dantian!

身法!

"You...you are really a cultivator!" Su Yuanxiu's horrified voice sounded.

Ye Chen didn't expect that the other party understood quite a lot. He clasped the other party's neck and said, "How many people come to Jiangcheng this time and where are they?"

Su Yuanxiu did not speak. Once he reveals the positions of these two people, he will definitely end up like him!

By that time, all three members of the Jiangnan Budo Association have fallen, and it would be an earthquake for Jiangnan Province!

And he knew very well that once he said it, he couldn't live anymore. After all, he knew the secret of Ye Chen.

Only the dead can keep a secret.

"Are you sure you don't tell me?" Ye Chen didn't expect this guy to be so stubborn, he didn't even intend to beg for mercy.

Suddenly, Su Yuanxiu stretched out his palm fiercely, and the remaining energy gathered, "Bang!", a palm slapped on his chest!

"Puff!"

His blood gradually came out, the whole person was extremely weak, and he fell toward the ground!

"Ye Chen, I will not let you go if I am a ghost! Also, if the people of the Jiangnan Budo Association know that I will not go back tonight, you will definitely die! Haha!"

The words fell, and Su Yuanxiu spit out another mouthful of blood, completely losing his vitality.

Ye Chen narrowed his eyes, looking at the corpse in front of him somewhat solemnly.

"I would rather commit suicide than answer my question! It seems that things are getting tricky."

Ye Chen made a call to King Nanjiang and asked him to deal with the corpse. At the same time, he asked him to investigate all the information of the Jiangnan Provincial Budo Association!

This kind of existence must be a threat to him!

Just as he was about to leave, the phone in Su Yuanxiu's pocket rang.

Ye Chen was startled, his palm was really angry, and the phone fell into his palm.

Press the answer button, and an old voice sounded: "Yuan Xiu, have you seen that Ye Family waste? If the opponent resists, don't kill it, President Tang will live!"

Seeing no movement on the other end of the phone, I felt something was wrong, and suddenly asked: "Who are you?"

The phone hangs up suddenly.

Ye Chen took Su Yuanxiu's mobile phone to the school gate, where Xiao Deng was waiting anxiously.

When he saw Ye Chen coming, he let out a long sigh: "Mr. Ye, do you want to return to Tangchen?"

Ye Chen handed the phone to Xiao Deng: "Dragon Soul should be able to locate the information of the phone number, please help me investigate the latest calls on this phone."

Xiao Deng took the phone carefully: "Yes, Mr. Ye!"

.....

Tomson Yipin top floor, secret room.

Ye Chen already has a copy of Jiangnan Provincial Budo Association's information.

He thought that the Jiangnan Provincial Budo Association was just a general force, but now it seems that he was wrong.

Jiangnan Province Budo Association has complicated forces.

involves twelve martial arts families in Jiangnan Province!

Not only that, but there are also several unknown existences, and Ye Lingtian tried all means to investigate them.

Jiangnan Province Budo Association has been established for 100 years, and its history and heritage are extremely long.

Every president in Jiangnan Province will cause an earthquake in Jiangnan Province!

And this president is called Tang Ao!

No. 189 on the Huaxia Grandmaster List! Far more than hundreds of Yuan Jingfu!

Strength!

And this is the data from two years ago. No one knows where Tang Ao's strength has reached in the past two years!

Not only that, Tang Ao is also the head of the Tang family, one of the top martial arts families in Jiangnan Province!

Su Yuanxiu, who he killed tonight, is a vice president. Like Yuan Jingfu, he is ranked 334th on the Huaxia Grandmaster list.

Ye Chen estimated that his real strength should now be before the 300th place on the Huaxia Grandmasters list, but it is uncertain whether he can reach 200th place.

So for now, Tang Ao's existence is a threat to him.

Ye Chen put the document aside, took out the black stone, held it in the palm of his hand, a sense of desolation swept across.

The whole room seemed to disappear suddenly, he was in the cemetery of Samsara.

Luo Yuntian's tombstone has disappeared.

The remaining ninety-nine tombstones are almost dim, only one tombstone has a slight change.

The text above is extremely cryptic, Ye Chen can vaguely recognize a few words-Chen Qingcang!

As for the other words ~www.mtnovel.com~ he can't recognize them.

Luo Yuntian told him before he disappeared that the ninety-nine people behind would only get stronger!

Right now, this Chen Qingcang should be his biggest trump card.

It's just that if you want to see this great power, his current realm is far from enough!

No more thinking, Ye Chen put down the black stone, took a few pills, and the rich medicinal fragrance exploded in his body, and at the same time he was running the Nine Heavens Xuanyang Jue! An extremely strong breath gushes from the dantian!

Stepping into the first layer of the Pneumatic Realm, Ye Chen could clearly feel that the Nine Heavens Xuanyang Jue had also changed, as if a warm current was circulating in his body!

The efficiency of operation is greatly improved!

"Is this the effect of "Nine Heavens Xuanyang Jue" or is it because of my own talent?"

Not long after, a golden dragon phantom appeared all over Ye Chen!

The golden dragon phantom circled around Ye Chen's body, and many dragons screamed, and the world was shaking.

But Ye Chen didn't respond at all.

At four o'clock in the morning, Ye Chen suddenly opened his eyes and shouted angrily. The breath on his body surged in all directions!

There was another earthquake in the whole building!

But this breath was quickly controlled by Ye Chen, the tremor was very slight, and some sleeping people did not react much at all.

Even if some people reacted, the tremor gradually disappeared.

Since the last earthquake of Tomson Yipin, the occupancy rate has been greatly reduced.

After all, the people who live here are the top wealthy people, so naturally it is impossible to have this property.

It is the developers who really worry about it. They specially installed a foreign-imported shock detector in Tomson Yipin!

This time, the tremor is detected again. Although the tremor level is not as high as last time, it is enough to make them mess!

Chapter 160: Condensate the wall!

Ye Chen exhaled a suffocating breath and fetched the phone.

There were several calls all night, and it was no surprise that they were all from Dragon Soul.

Ye Chen dialed back, and Xiao Deng's voice came from the other end of the phone: "Mr. Ye, the information you asked me to check has results. Those two numbers are located in the Millennium Hotel in Jiangcheng. We have the military authority. Intervened in the hotel's system. After comparison, no

person from the Jiangnan Budo Association was found. It is estimated that the registered hotel information is through others.

But one thing is certain, they must live in the presidential suite of the Millennium Hotel.

We also compared all flights, train information and Jiangnan Provincial Expressway. After a night of hard work, we finally found specific information. This time we came to Jiangcheng, there were a total of three Jiangnan Provincial Budo Association members, namely Ma Weiqi! Su Yuanxiu! Choi Jin! "

"The status of these three people in the Jiangnan Provincial Budo Association is not low, and their strength is also very strong. If the Dragon Soul is required to intervene in the negotiations, the pressure from the Chinese authorities should help them to restrain themselves."

Ye Chen thought for a while, still shook his head: "No, I can handle it."

"Yes, Mr. Ye!"

The phone hung up, Ye Chen fell into thought.

Even if I kill these two people, the Jiangnan Provincial Budo Association will not stop revenge on him!

Unless the Jiangnan Budo Association is uprooted!

But with his current strength, there is too much uncertainty against Tang Ao.

Jiangnan Province, he must go, but definitely not now.

At least after that Chen Qingcang's tombstone is fully activated!

He has already bought a villa in Jiangnan Province, and he can just live in it.

And Tianzheng Group's products will be launched soon. When the development is almost complete, it will naturally take root in Jiangnan Province.

In addition, Ye Lingtian's power and the branch of Dragon Soul are in Jiangnan Province.

He is actually more secure to go to Jiangnan Province than to stay in Jiangcheng.

The most important thing right now is the two remaining members of the Jiangnan Provincial Budo Association!

Kill or not?

Ye Chen suddenly thought of something, and a smile appeared on the corner of his mouth.

He has forgotten one thing, he wants a person to keep a secret, there is another way besides death.

That is to make them surrender to the death!

Wu Xiangming is the best example.

.....

Millennium Hotel, a presidential suite.

Ma Weiqi and Cui Zhen are pacing back and forth, their eyebrows twisted into Sichuan!

Su Yuanxiu hasn't come back yet!

Coupled with the silent phone call before, an ominous premonition entangled the two of them.

They can only choose to wait!

I hope Su Yuanxiu is delayed because of something!

They wanted to call Chairman Tang, but at this point, how dare they call!

If it's an oolong, doesn't it mean playing with Chairman Tang?

When President Tang is furious, they will all die ugly!

"Cui Zhen, the last coordinates of the mobile phone are displayed near Jiangbei University. Have you seen anything unusual?" Ma Weiqi said.

Cui Zhen shook his head: "I've seen it nearby. There is no aura of Su Yuanxiu. I'm not sure if it was cleared or Su Yuanxiu had left."

"According to Su Yuanxiu's character, it is impossible not to come back until now. I can't wait! Something must have happened!" Ma Weiqi's eyes were extremely serious, and he made up his mind to say, "I can't control so much. Since Su Yuanxiu has something wrong, it must be in the dark. Someone is protecting Ye Chen, and with the strength of the two of us, it is a bit tricky, so we will notify President Tang immediately!"

"Okay!" Cui Zhengang picked up his mobile phone and prepared to broadcast the call when a wind blade broke through the air!

shot directly on his phone!

Phone burst! Turn to pieces on the spot!

"No, someone is coming!"

Ma Weiqi just reacted, a floor-to-ceiling window burst into pieces, and a young man in casual clothes fell in front of them.

When they saw the appearance of this young man, their eyes suddenly shrank!

Ye Chen!

is actually Ye Chen!

Ma Weiqi no longer hesitated, and shot a flying knife in his hand, heading towards Ye Chen's vitals!

He knew very well that since Ye Chen would appear here~www.mtlnovel.com~ it means that Su Yuanxiu is dead!

can kill Su Yuanxiu, this Ye Chen must not be as simple as investigating!

Ye Chen stepped on his feet and waved his arm gently!

Something weird happened!

The flying knife was suspended in the air!

"Go!"

Ye Chen spit out a word faintly.

In the next second, the flying knife reversed and went away!

Cut off Ma Weiqi's beard! Then it was firmly nailed to the wall, and the powerful force even made the flying knife shake constantly!

Seeing this picture, Ma Weiqi and Cui Zhen almost stared out, stunned on the spot!

even stopped breathing!

This is a condensed gasification wall!

Things that even President Tang can't do!

But this is happening to a young man in his twenties!

weird to the extreme!

They stared at Ye Chen fiercely!

Is this still the legendary Ye family trash? Condensate the waste of the wall! ! !

If Ye Chen like this is all waste, what are they?

Ye Chen sat directly on the sofa, regardless of any reaction of the two.

What he wants is to shake everyone with his actions and make them collapse and fear!

He raised his head, glanced at the two petrochemical people, and said: "You don't have to wait for Su Yuanxiu, he has been killed by me. If you really want to wait, I can send you to wait."

The threat is extremely obvious!

Although Ma Weiqi and Cui Zhen are both top powerhouses in the Jiangnan Provincial Budo Association, at this moment, in front of Ye Chen, they actually felt small!

The key opponent completely took the initiative from entering the room!

At this moment, the whole house is covered with death on his body!
