

Urban Medical 1691

Chapter 1691: Forever!

"Bastard! What are you talking about!" Huang Can was furious. His cultivation was already at the third level of the Hedao Realm, two realms higher than Ye Chen, not to mention that each realm in the Divine King Realm was divided into nine stages. , Every layer is different, Ye Chen is no different from ants in his eyes, and this ant dares to challenge his dignity now!

Huang Can was angry, and the aura of Hedao realm burst out involuntarily. The infinite force of mountains and tsunamis rushed towards Ye Chen, Ye Chen's expression was severe, and the momentum of the opponent's explosion almost crushed his bones.

He didn't want to cause trouble!

It now appears that conflict is inevitable!

Just as Ye Chen was about to use the power of the reincarnation cemetery, Li Yu's complexion beside Huang Can changed, and he hurriedly called: "Friend Huang Daoist, don't be impulsive!"

Huang Can heard that the secret path was not good, and quickly withdrew his momentum, but it was already a little late. A golden light rose from Ye Chen's body, and the golden light was extremely dignified. Even Huang Can and Li Yu looked extremely small in front of this golden light. Always give him the power of the law of pill!

A ray of law in this pill is added to protect anyone's safety in a short time.

Even if Huang Can regained his aura immediately, he was slightly impacted by the power of the law. He couldn't help but step back three steps, bleeding from the corner of his mouth, and was already slightly injured. His eyes on Ye Chen were full of resentment, and his murderous intentions were revealed!

Ye Chen has relaxed at this time, looking at Huang Can with a smile but a smile: "Why are you looking at me like this? Want to do it? Do you dare? Don't dare to stare at me like this, I haven't been watched by men. This interest."

Huang Can's eyes were cracking, and fire was almost bursting into his eyes. Li Yu hurried out and said, "Brother Huang calmed down and don't forget our business. If this kid is injured here, you and I will take care of it. Sorry."

"Fellow Daoist Ye, please don't be arrogant. You just came here, Little Daoist, maybe you still don't understand this celestial rise, right?"

Ye Chen glanced at Li Yu and showed a hint of interest. Yong Lao said when he sent him here that the Reincarnation Profound Monument may be related to the rising immortality here, so he nodded and said: "I really don't know, this rising immortal What's the matter with Big Bi?"

Li Yu smiled and said: "Anyone who can come here is a top genius in the plane to which they belong, and the outstanding ones, even if they are on the Lingwu Continent, are unique and stunning. The generation, so the major factions and forces have high hopes for these geniuses who do not belong to any forces and have unlimited potential. Of course, they are the best part of them."

Ye Chen's eyes condensed, and he continued: "So, this Immortal Ascension Grand Competition is a competition for the major sects to inspect and select disciples?"

Ye Chen didn't know whether these so-called sects existed in the Western Regions.

If the sects of the Western Regions recognize themselves, it will be interesting.

Fortunately, listening to the meaning of Yong Lao, the news of the Western Regions has not yet reached here, so you should not worry.

At the moment, it is the key to find the reincarnation monument in this place as soon as possible.

"Yes, and as the envoys, our main task is to lead the ascendants to Dengtian City, where all previous Ascension Competitions will be held."

"Dengtian City? What a strange name."

Li Yu smiled and said: "The major forces on the Lingwu Continent are extremely complex. What grade of sects to join can be said to be closely related to the future of the practitioner. In a very large sense, it can determine how far a practitioner can go. It's so powerful you can't imagine!

If you can win the favor of some powerful forces in the Great Dengxian Competition and become a disciple of the first-class forces, then you will be able to reach the sky in one step! "

Ye Chen nodded pretentiously, and asked casually: "This is the junction of the Western Regions and another place. Then, is there a sect in the Western Regions?"

Li Yu was startled, but he did not expect Ye Chen as an outsider to know Lingwu Continent so much, but he still replied: "The Western Regions have a lower status in the Lingwu Continent, but they also have good sects. If you want to it is naturally possible to enter the sect of the Western Regions."

"Oh? It's interesting." Ye Chen heard a wicked smile at the corner of his mouth.

I really don't know what kind of expression the sect of the Western Regions of these populations will look like when they see their evil god.

"Hahaha, Brother Li, is this kid actually wanting to join this kind of sect?" Huang Can sneered at Ye Chen and said, "Do you know that the Immortal Rising Competition brings together the best geniuses from all places?"

Do you know how low the Kunlun virtual plane you belong to among the many subsidiary planes of Lingwu Continent? Do you know that those first-class forces will only select the best performers in the competition?

And you? I'm afraid that even the trash sect will dismiss you. Do you know how miserable the unsuccessful candidates who are not invited by the sect in the Ascension Fair will be?

Boy, maybe you can be crazy in a small place like Kunlun Xu, but when you come to Lingwu Continent, you are just an ignorant frog at the bottom of the well. When the competition is over, you will regret not accepting my suggestions! "

Ye Chen smiled with a very confident smile: "What are you? You are just a shameless villain who covets my wealth, you pretend to be a fart!"

Gather countless geniuses? I stepped on it one by one!

Kunlun Countdown? I still stand out!

Pick only the best people? I will not be the best, because I am the best!

After the big match is over, you will regret that your dog looks down on others, and regret every word you said to me! "

mad! It's crazy!

Ye Chen's arrogance and arrogance simply surpassed Li Yu and Huang Can's imagination. That was the Grand Tournament of Immortals. The powerhouses who participated in the Grand Tournament were all geniuses who stood out from various places. Which one did not crush the existence of the same level? In Ye Chen's eyes, it turned out to be like an ant that could trample at will!

Huang Can looked at Ye Chen like an idiot, but when he saw Ye Chen look at him with the same look, how contemptuous and contemptuous his eyes were, he was even more angry. He just wanted to say something, but was interrupted by Ye Chen. Said: "Do you dare to gamble with me?"

Huang Can was taken aback, this kid is going to bet with himself? What right does he have to gamble with himself?

"Just bet, can I win the Shengxian Grand Competition first!" Ye Chen's eyes were burning and Huang Can looked at each other, and he did not back down: "If I can't win the first place, let alone all my net worth, this is my life. , You can do it at your disposal!"

"And your dog's life, I don't even bother to take it, if you lose, in the promotion of immortals, kowtow to me in public and apologize!"

Let a martial artist in the realm of the gods kowtow an apology to the martial artist of the gods? This is more difficult to accept than killing him in public!

But Huang Can stared into Ye Chen's eyes, and slowly responded a few seconds later: "Okay!"

He must let Ye Chen pay for his arrogance and for his ignorance! He wants Ye Chen to be worse than death, and a thousand catastrophes are over!

Chapter 1962: Ordinary disciple, Chen Zhifan

"Make a contract!" Ye Chen suddenly raised his hand, and something exuding heavenly aura appeared between him and Huang Can.

Huang Can's pupils shrank, and he was slightly surprised: "The best spiritual deed?"

The best spirit deed, even if it is a martial artist like him, if he defies, he will end up with an abject end!

The key is how can a person from the land of ants have such strength!

This is also one of the treasures Ye Chen got from the Dugu Family.

In terms of the background, Ye Chen might not lose to anyone here!

His prestige in the Western Regions is not a rush.

"Why? Afraid?" Although Ye Chen couldn't see Huang Can's cultivation level, he could still sense that the Heavenly Grade Best Spirit Deed was enough to restrain the opponent.

Top Best AI for Forex Trading 2024

Huang Can didn't expect that this kid from Kunlun Xu's low-level plane would be able to take out items of the Heavenly Grade Supreme Spirit Deed, so he couldn't help but look forward to Ye Chen's wealth, and immediately smiled:

"I'm afraid of such a good thing?"

If it is another gambling agreement, Huang Can may still consider it, but the promotion of immortality is the number one. For Ye Chen of the Divine King Realm, this kind of thing is simply an impossible task!

What's more, how many others will participate in this competition!

That is the existence that even a martial artist of the Harmony Realm has to treat seriously!

Ye Chen has no chance of winning at all!

The two forced a drop of blood to be printed on the spiritual deed, and the contract was established!

Now I just want to go back, there is no chance!

Thinking of how to tortured Ye Chen after the big competition, Huang Can couldn't help showing a cruel smile.

"Hey, why are you doing this?" Although Li Yu said so, his eyes looked at Ye Chen with a little sympathy, and he obviously believed that Ye Chen could not win.

"Well, the Ascension Channel has been completely closed. Let's go to Dengtian City now."

The reason why you need two martial artists from the Affinity Realm as the envoys to climb Sendai is mainly to go to the city of Dengtian. The space restriction on this climbing platform is extremely powerful, and you need the power of two fighters from the Affinity Realm to lead others. Break the boundary and go to Dengtian City.

Huang Can and Li Yu led Ye Chen into a magic circle, they cast spells at the same time, powerful and unmatched spiritual power rushed into the magic circle, a stream of light wrapped the three of them and disappeared instantly.

...

A few hours later, in a majestic pavilion in Dengtian City, three figures appeared in the formation in the pavilion. It was Ye Chen and the three.

After arriving at Dengxian City, Huang Can gave Ye Chen a fierce look, and sneered: "Boy, I will go and see how you get the first place in the Big Bi, hahaha."

After speaking, he walked away.

Li Yu smiled at Ye Chen and said, "This is Dengtian City. How do you feel when you are here?"

In Li Yu's eyes, Ye Chen was obviously a newcomer.

Generally newcomers are very curious about their surroundings and even keep asking questions.

However, at this moment, he found that Ye Chen was extremely calm.

The calm is a bit strange.

"That's it, it's more aura than the Western Regions." Ye Chen shrugged.

Li Yu was startled, and said in horror, "Didn't you come up from Kunlun Xu? Have you been to the Western Regions?"

Ye Chen realized that although he did come from Kunlun Xu, in fact, he always deceived everyone with a secret method before letting him step into this place.

This secret cannot be revealed.

He could only smile and said: "I heard a senior say how I have been to the Western Regions before."

Although Li Yu was puzzled, he accepted the answer and explained: "This is the Shengxian Pavilion. The Shengxian Grand Competition will be held three days later. You can live in the Shengxian Pavilion first. If you want to go shopping in the city, No problem, I will arrange a disciple in the cabinet for you. If you don't understand, you can ask him."

Li Yu was on the token. Not long after, a handsome young man in a black robe came into the room and respectfully saluted Li Yu: "Disciple Chen Zhifan, I have met Senior Li."

Li Yu nodded casually, then said: "Chen Zhifan, this is Ye Chen, the immortal ascendant of this year. You are all from Kunlun Xu. You must be closer. Please stay with him these few days. What happened."

"Kunlun Xu?"

At this moment, Chen Zhifan set off a storm in his heart! He glanced at Ye Chen in shock, but soon regained his humble expression and said: "Disciple obey! Please rest assured Senior Li!"

Ye Chen was also shocked!

Only then did he realize that Yong Lao had mentioned this place at the beginning, and Yong Lao also said that this place may also come from the existence of Kunlun Xu on Earth like him!

Unexpectedly, we really met!

At this moment, Ye Chen has the feeling of meeting old friends from another country! Even think Chen Zhifan is extraordinarily kind!

Li Yu nodded with satisfaction, and said to Ye Chen: "Friend Ye Xiao, goodbye to Shengxian, don't have too much pressure on gambling, even if you can't win the first place, as long as the ranking is not too bad, get the sect. Inviting, You Huang Daoyou can't really treat you like that Ye Chen feels good about Li Yu, so he said, "Thank you for your concern, senior, but I am determined to win! "

Li Yu shook his head helplessly, did not say much, turned and left, only Ye Chen and Chen Zhifan were left in the room.

Hearing the conversation between the two, Chen Zhifan frowned slightly, but didn't ask much, and said to Ye Chen blankly: "Come with me, I'll take you to where you live."

Chen Zhifan took Ye Chen to a quiet small courtyard, walked into one of the rooms, and threw a jade talisman to Ye Chen: "Before the big competition begins, you will stay here for a while. There will be food delivery every day. Come to your room, if you have anything or want to go out, use this jade charm to contact me."

After that, turned and left.

As Chen Zhifan left, Ye Chen found a voice coming from the reincarnation cemetery!

From Happy God!

"Disciple, please help me ask, this Chen Zhifan is the true martial **** of the year!"

"Before the Blood Spirit Clan took action on Kunlun Xu, there were indeed many powerful people who entered the Lingwu Continent through this method! After all, the space teleportation array is convenient, but there is a huge crisis!"

"And if a warrior enters the Lingwu Continent through the improvement of his own strength, and even participates in the promotion of immortality, he may be selected by the powerful sect of the Lingwu Continent! At that time, there is a chance that it will soar!"

"At that time, many geniuses in Kunlun used this method to enter the Lingwu Continent! Among them was a genius named Chen Zhifan!"

Ye Chen didn't expect that the young man in front of him would shock the **** of Xiaoyao. Seeing that Chen Zhifan had not left too far, he said:

"You are Chen Zhifan, the true warrior god?"

The words fall! Chen Zhifan paused in front of the door, and after a long silence, he said lonely: "True Martial God Sovereign Chen Zhifan... is dead. The only one who is still alive is Chen Zhifan, an ordinary disciple of Shengxian Pavilion."

Chapter 1693: Chen Zhifan's surprise!

As Ye Chen watched Chen Zhifan's desolate back figure drifting away, he couldn't help sighing for a while. He wanted to create countless myths in Kunlun Xu, revered by thousands of people, and shocked Kunlun's proud son of heaven. Wu Dalu was not as simple as expected.

It is as strong as Chen Zhifan, and it has smoothed out the edges and corners.

After all, not everyone has such a heaven-defying existence in the reincarnation cemetery!

Ye Chen shook his head helplessly, no matter what kind of situation, he would always move forward and never back down! This is his way, what about Lingwu Continent has nothing to do with him!

Once he gets the Samsara Xuanbei and activates the Samsara bloodline, he is eligible to fight Lingyun!
Even rescued Ji Siqing and Xia Ruoxue!

It's a pity that although he knew that the Samsara Xuanbei was here, he could not perceive the specific address.

You can only take one step and look at another step.

Afterwards, Ye Chen set up a shielding formation and went directly to the reincarnation cemetery!

In the reincarnation cemetery, Ye Chen flipped his hand and a vial appeared in his palm.

The vial is a gift from Yong Lao.

Said what kind of monster blood.

Ye Chen opened the bottle, and an extremely powerful fierce air surged out.

There is even a terrible coercion!

Ye Chen's face changed slightly! What kind of monster's blood is this?

Just this coercion, I am afraid it will also be a monster above the Hedao realm.

Xiaoyao Shenjun obviously felt something was wrong, and when he walked over, when he saw the blood, he was surprised: "This is a good thing, the blood of the Gengjin White Tiger! One of the ten ancient beasts!"

"If it is thoroughly refined, it will be of great benefit to your body refining and cultivation!"

"Also, once you combine your God and Demon Reincarnation Art, I am afraid that there will be even more amazing gains. However, this is the essence of ancient beasts after all. It is difficult for you to completely refine it in the Divine King Realm."

Ye Chen's eyes condensed, and he said firmly: "What about the ancient fierce beast, I don't believe that the reincarnation bloodline on my body can't be suppressed!"

In the next second, Ye Chen sat cross-legged, running the God and Demon Reincarnation Art, and began to practice!

...

At this moment, on a high platform of Shengxian Pavilion, Chen Zhifan was looking up into the starry sky, his eyes seemed to penetrate the time, and he returned to a place under another starry sky that did not know how many years ago, and muttered: "Ye Chen, Shengxian Big Bi, don't let me down, I don't have

any future. The earth and even Kunlun Xu have become a shame. I don't know how long this shame will take..."

...

Ye Chen circulated the God and Demon Reincarnation Art for a long time and barely stabilized. Then, his expression was solemnly facing the small bottle in his hand, the bottle cap opened, and a drop of blood flew out from it, faintly turning into a blood-colored giant tiger!

The giant tiger uttered a roar at Ye Chen, exuding waves of terrifying coercion, just a drop of essence and blood, it made Ye Chen feel frightened!

"Huh! It's just a drop of blood, and dare to be presumptuous in front of me!"

Ye Chen snorted coldly, pinched the tactics with his fingers, and yelled softly at the drop of essence and blood teacher: "God and devil reincarnate, respect me, naturalize my body, and let me break it!"

Following Ye Chen's order, the Gengjin White Tiger spirit blood seemed to feel great fear, and he was about to flee with a roar, but how could Ye Chen let him escape!

The surging spiritual power wrapped the white tiger transformed by the essence and blood into Ye Chen's body.

In an instant, a very strong and fierce air rushed straight into Ye Chen's Dantian, and at the same time, the blood was filled with Gengjin sharp energy, continuously cutting his meridians.

"what!!!"

Ye Chen let out a loud roar in pain, his eyes were bloodshot, and he was about to lose his mind!

He didn't expect that with the God and Demon Reincarnation Secret Art, refining the blood would still be so dangerous!

Dan Tian was shocked, Ye Chen fought his destiny to turn his skills, and the six avenues floated out!

Unite against the evil spirit of invasion!

After a long time, Ye Chen regained a trace of consciousness, and immediately ignored the injury of the meridians, and hurriedly operated the God and Demon Reincarnation Art, first suppressing the white tiger's evil spirit!

At the moment when he was running the technique, massive amounts of heaven and earth auras began to gather around the room where Ye Chen was located. The figure outside the room flashed, and one person looked at the house shrouded by the aura vortex with shocked expressions. It's Chen Zhifan!

But he quickly showed a smile. Ye Chen was obviously practicing some kind of extremely powerful secret technique. Although he didn't say anything, Chen Zhifan was still very close to the only compatriot from Kunlun Xu who hadn't known for many years. Witnessing his growth at this time is naturally delighted.

Chen Zhifan stood silently in front of Ye Chen's door. He knew that he was most taboo to be disturbed when practicing this kind of secret technique. He wanted to protect Ye Chen here!

In Dengtian City, several pairs of eyes opened simultaneously, and at the same time they looked in the direction of Shengxian Pavilion, but soon, they all slowly closed their eyes again and were immersed in the cultivation. Obviously, the other party could not arouse their interest. In other words, not enough!

And Ye Chen, with his eyebrows furrowed and sweating profusely, desperately refining the essence and blood in his body. His meridians were severed by Geng Jin sharp energy again and again and healed again and again under the powerful vitality of essence and blood. One can imagine the pain, but the more restless the essence and blood, the more aroused Ye Chen's fierceness. He gritted his teeth and suppressed the spiritual blood in his body with the severe pain!

One day and one night later, Chen Zhifan who was meditating outside the door suddenly changed his expression and stood up. The spiritual vortex covering the house dissipated. He guessed that Ye Chen should have recovered his power, but he did not push the door immediately. Ye Chen should be quite right now. For weakness.

This is a taboo of cultivators.

After another half day, the door of the room opened with a creak, and Ye Chen walked out of the room with a smile on his face, clasped his fist at Chen Zhifan and said, "Thank you Brother Chen for protecting me!"

He sensed the arrival of Chen Zhifan when he refined the essence and blood. Although he had prepared some backhands, it was obviously safer to have Chen Zhifan guarding the law outside the door.

Chen Zhifan waved his hand casually, but his eyes showed a sense of relief. Ye Chen's whole body was lifted up, and his whole body exuded a frightening breath, as if what he was facing now was not A young man in his twenties, but a wild beast!

Although I don't know what secret technique Ye Chen has practiced, Chen Zhifan can be sure that Ye Chen's strength must have been greatly improved, not to mention, Ye Chen's cultivation level alone has improved a lot! Even a breakthrough!

You know, after the Divine King Realm, breaking through a small realm may take decades!

Ye Chen had just arrived in Lingwu Continent less than two days, and he had such a harvest, even in those geniuses of Lingwu Continent, it is rare!

Thinking of this, Chen Zhifan was more confident that Ye Chen would achieve a good result in the Shengxian Grand Competition.

Chapter 1694: 1 love

Chen Zhifan took out a jade slip from his arms and threw it to Ye Chen:

"I've entered some information about Lingwu Continent, the Great Immortal Rising Competition, and other higher planes. Take it, it's useful to you."

Before Ye Chen could speak, he quietly left.

Ye Chen held the jade slip in his hand, and a warm feeling rose in his heart. In a strange place, he was helped by people from his hometown, which made him feel more cordial. Although Chen Zhifan was reticent, he always had a cold face. , But Ye Chen knew that he cared about himself, and that was enough.

From then on, Chen Zhifan was Ye Chen's friend.

Also qualified to be his friend.

Ye Chen returned to the room, did not immediately start to check the jade slip, but clenched a fist, felt the terrifying power in his body, his face was full of joy!

Top Best AI for Forex Trading 2024

A drop of the essence and blood of the ancient fierce beast actually improved his physical body a lot!

Although the realm of body refining has not changed!

But the essence is quite different!

If facing the gunfire immortal now, he wouldn't be so embarrassed!

And more importantly!

Ye Chen discovered that this essence and blood actually contained a special natal technique!

Tiger God Sha!

This comes from that ancient beast!

Yong Lao gave him a great gift!

Ye Chen suddenly took a deep breath, running the God and Demon Reincarnation Art, an extremely strong momentum rose into the sky, and a black tiger phantom with blood eyes formed behind him, and he fit into Ye Chen's body, Ye Chen was all over. Trembling, his body suddenly raised, his muscles bulged, his eyes glowed with blood, and a black king character markings appeared on his forehead, Ye Chen clearly felt that his current body strength had increased by about three times!

"It's really a good thing. I will call you the devil and the devil from now on! This is probably an extremely special exercise."

After practicing the Tiansha Tiger Demon Transformation, Ye Chen took out the jade slip that Chen Zhifan gave him and began to read the content carefully.

Soon, he was attracted by a noun, rising to the celestial list!

The list records information on the high-profile geniuses in the Rising Fairy Competition.

The first place, Ling Longcheng, is from the Beiming Saint Clan. He is 20 years old. He has an extremely powerful and talented bloodline. It is said that the ancestors of the Beiming Saint Clan have the supreme bloodline of the Demon Realm, but the bloodline gradually fades with the passage of time. , But still extremely tyrannical, and Linglong's pure bloodline has the potential to return to the ancestors!

The second place, Long Xuan, comes from the land attached to the Lingwu Continent, 23 years old, in the early stage of Hedao Realm, and is said to be related to the Shenlong family!

The third place, Wuyou, comes from the blood clan. The blood clan belongs to the lower-middle plane among the subsidiary planes of Lingwu Continent, which is much higher than Kunlun!

The blood clan is not under the supervision of Lingwu Continent, so the specific information is not known. At present, only this woman is known as a genius who has never met in a million years. The reason why she ranks third is that after she came to Dengtian City, she was seriously injured. Three Zhao Lingxiao.

The fourth place, Zhao Lingxiao, belongs to the Tianyuan Continent, and he is cultivated in the He Dao Realm...

After reading it, Ye Chen took a deep breath.

They are about the same age, but Dutema is in the same Dao state!

The key information is not complete. If he encounters this group of people, it is extremely dangerous if he does not use the power of Qianbing Bang and the master of the reincarnation cemetery.

He finally understood Yong Lao's reminder.

But Ye Chen didn't feel any discouragement. The purpose of his trip was not these people, but the reincarnation monument.

Since the exact whereabouts of the samsara mysterious stele is unknown, the only way to win the Immortal Ascension Competition is first.

What if the reward of the Ascension Fair is the Reincarnation Monument?

Of course Ye Chen just thought about it.

After all, the value of the Samsara Xuanbei is too high, how can it be rewarded casually.

"Disciple, you have to be careful about this Wuyou." Xiaoyao God Lord's voice sounded in the sea of knowledge.

"Oh? That blood family? Blood family, blood spirit family, is there any connection between the two?" Ye Chen asked curiously.

Xiaoyao Shenjun shook his head and explained: "You have just refined the blood of an ancient beast. Your blood is delicious for the blood race."

Ye Chen was slightly startled when he heard the words. He wasn't scared. He just thought of the appearance of a pale woman looking at her drooling, and he couldn't help feeling a bit of creeps.

Ye Chen shook his head helplessly, then took out the jade symbol to contact Chen Zhifan and said, "Brother Chen, I want to transfer to Dengtian City..."

After all, one's own blood has an effect on the profound monument of reincarnation.

If the samsara mysterious stele was hidden in Dengtian City, he would be able to sense it for the first time.

...

Dengtian city.

Chen Zhifan led Ye Chen on an extremely magnificent avenue. The pedestrians passing by on the road were all breathtaking, and some shops displayed a lot of fairy artifacts!

There are even space-time soldiers!

Things that countless people in the Western Regions grabbed at all costs are placed here at will, which is really incredible!

However, Ye Chen felt the inspection of a strong man in every shop.

Ye Chen is sure, as long as he grabs it!

Sure to die!

Suddenly, Chen Zhifan handed Ye Chen a storage ring.

Ye Chen said strangely: "This is?"

Chen Zhifan smiled slightly, his cold face eased a lot: "You just came here, and as your senior, I should also give you something. These immortal stones can be bought here."

Ye Chen was a little touched, how could he lack such things!

He ransacked so many families, sects and auctions in the Western Regions, and his wealth far exceeds Chen Zhifan.

However, Chen Zhifan gave him such a valuable thing.

But Ye Chen didn't refuse, he could always return it to Ye Zhifan.

He glanced at Chen Zhifan deeply and said in his heart: "Chen Zhifan, I will not forget."

At this moment, a strange voice of Yin and Yang sounded not far away: "Oh, isn't this Chen Zhifan, the trash from Kunlun Xu?"

I usually hide in the Shengxian Pavilion. Why are you embarrassed to run outside today?

Do you know that if someone like you runs out it will pollute the air of our Lingwu continent? "

Chen Zhifan's face was plain when he heard this, but Ye Chen was not!

Ye Chen's eyes were as icy as ten thousand years Xuanbing, and his bitter killing intent burst out without any cover!

Even if he himself was not so angry when he faced Huang Can's humiliation, he had regarded Chen Zhifan as his true friend, and insulting his friends was even more intolerable than insulting himself!

Ye Chen coldly looked at the oncoming people. He was talking about a 27-year-old pudgy young man who was squinting at Chen Zhifan with contempt.

Feeling the bitter killing intent released by Ye Chen, the fat on the face of the short and chubby young man trembled, his eyes swept towards Ye Chen, but he saw that this extremely murderous young man only had the cultivation base of the middle stage of the Divine King realm, and relaxed again. , I was filled with anger!

This anger seemed to swallow him completely!

Any cat or dog can touch his brow?

ridiculous!

Chapter 1695: Tiansha Tiger Demon Change!

The young man sneered in his heart!

This little trash in the middle of the Divine King realm, dare to release murderous aura to Laozi? Scared me! Since this person is mixed with this trash, there must be no background...

He immediately said angrily: "Chen Zhifan! Do you want to rebel? The kid next to you seems to be very arrogant? Publicly release the killing intent to this young man, come, and interrupt this kid's limbs for me!"

The short and chubby young man's cultivation is the first level of the Hedao realm, and the four people beside him are all in the middle of the Hedao realm! ! It is also the realm of God!

When the four warriors heard the words, they smiled at each other and dealt with a warrior in the Divine King Realm. They were still four people, and they walked towards Ye Chen with their heads

upright and shouted: "Little beast, dare to be right. Our son is disrespectful? We will teach you a lesson for your parents, hahahaha."

Ye Chen looked at the few people who were grinning, there was no fear on his face, his whole body was surging, and he wanted to make a move!

He killed countless people in Lingwu Continent!

What's the point of these Hedao Realm!

He can't kill the super god!

Not to mention these guys!

However, the next moment he was stopped by a hand.

It was Chen Zhifan's hand.

Chen Zhifan looked at the four people who came by coldly, and suddenly shouted, "Get out!"

In the next second, the powerful pressure of the pinnacle of the Hedao Realm erupted, and it swept away to the four people. Their complexions changed drastically. Before they could scream, they spewed blood and flew away. Fell in front of the short and fat young man.

"Chen Zhifan? How dare you!?"

The short and chubby young man took two steps back trembling and looked at the young man who looked like a demon in disbelief. This Kunlun virtual trash is usually just an expressionless, silent counselor no matter how he insults, how could it be so terrible?

But he immediately realized his gaffe, afraid of him doing it? This is Chen Zhifan, that Kunlun imaginary rubbish, no matter how high his cultivation base is? I can still cure him to death!

A cruelty flashed across the short and chubby young man's face. Chen Zhifan shot himself, but he had a reason to punish him well, so let's break his hand! With a sudden pinch, a token flew out of his arms. It looked similar to Li Yu's Shengxian Ling, but it was a bit rough.

The short and fat young man named Huang Yuan is the nephew of Huang Can, the envoy of Shengxian Pavilion. He has a mediocre cultivation base and low combat power. However, relying on Huang Can's identity, he was promoted to a deacon in Shengxian Pavilion. There is a deacon decree to restrict his subordinates. Ordinary disciples like Chen Zhifan who have no background will be planted in their bodies to be restricted so that Shengxiange can manage them!

At this time, Huang Yuan sacrificed the deacon's decree, and the decree emitted a strange energy fluctuation, which had no effect on Ye Chen, but Chen Zhifan on the side changed his face greatly!

The coercion dissipated all over, he spit out a mouthful of blood, half kneeling on the ground, staring at the deacon's decree firmly!

"Brother Fan! What's wrong with you!" Ye Chen was taken aback, and he didn't understand how Chen Zhifan, who was so domineering just now, became like this in an instant. That fat man was only in the early stage of He Dao realm, and he could not be Chen Zhifan's opponent at all!

But when he followed Chen Zhifan's gaze and saw that familiar token, he suddenly realized it!

"Hahahahaha, Chen Zhifan, isn't it cool to have a restraining attack? This is the end of your fight against my son! And you..."

Huang Yuan's gaze turned to Ye Chen!

"A waste from the middle stage of the Divine King Realm would dare to kill me? Kneel and kowtow to this young man, I can consider sparing you!"

At this time, there were more and more onlookers, and many people gloated at Ye Chen. Although Huang Yuan was not a strong person, he was banned and suppressed in Chen Zhifan. Under the circumstances, Ye Chen could only lower his head.

"Oh?" Ye Chen grinned, "You are so magnanimous!"

"Hahahaha, it's okay to know, and hurry down on your knees, maybe this son will let you follow this son when he is in a good mood?"

"I'm chasing your mother! You guy who bullies people can really value yourself?" Ye Chen sternly shouted, "Also, my friend of Ye Chen, no one has the right to move! You hurt him, I let you die !"

At this moment, Huang Yuan was stunned, and everyone onlookers stunned.

No one had expected that with the loss of Chen Zhifan's support, Ye Chen would dare to insult Huang Yuan who was many times more terrifying than his own realm!

Being so insulted by a warrior of the God King Realm, this is simply rubbing Huang Yuan's face on the ground. Even if Huang Yuan killed Ye Chen today, he would definitely become the laughingstock of the entire Dengtian City!

Huang Yuan was so angry that all the fat all over his body was shaking! He wants to abolish Ye Chen, make Chen Zhifan worse than life, torturing this insulting **** under the eyes of everyone in Dengtian City, and redeem his dignity!

boom!

The momentum of the martial artist broke out, and a bitter cold light rose from behind Huang Yuan's head. It was a flying knife. Huang Yuan shouted violently, "Guiyuan cut with one sword!"

The crowd onlookers were all slightly surprised. This Huang Yuan had some strength. He had been underestimated before. The extremely sharp flying knife was actually a superb Hedao Immortal weapon!

The move Huang Yuan used was even more difficult for Guiyuan One Slash. This Guiyuan One Sword is an advanced martial skill, known for its power!

Although Huang Yuan's move made him very reluctant, he was just getting started, but it was already strong enough!

It is even more amazing with the best Hedao Immortal Device!

The flying knife trembled, with a hob-like aura like a huge wave, and flew towards Ye Chen with the force of splitting the sky. Everyone seemed to have seen Ye Chen's ending at this time. Recruitment is as difficult as the sky!

What's more, Ye Chen doesn't seem to have any blood yet!

But to everyone's surprise, Ye Chen didn't change his face in the face of this shocking slash, and he was quite...disdainful!

He even felt disdainful of Huang Yuan's knife! ? how can that be?

Ye Chen is naturally not afraid!

Huang Yuan obviously just entered the Hedao Realm not long ago! And it is the result of the pill! The actual level is only Hunyuan Realm!

And his Ye Chen from Kunlun Xu to Lingwu Continent is completely blazing a trail!

There are six more kings of gods and a few masters guarding them What are you afraid of!

But at this moment, Ye Chen didn't plan to use all his strength!

He even wants to try the power of the blood that dissolves in the body!

"Tiger God!" Ye Chen said lightly, and a condensed spirit rushed into Huang Yuan's sea of consciousness with a strong and fierce spirit!

"Ahhhhhhhh!" Huang Yuan screamed while holding his head, his eyes were bloodshot, his sharp sword aura was slightly loose, but he still slashed towards Ye Chen!

"Huh?" This blow did not completely defeat Huang Yuan, which made Ye Chen a little surprised. His spirit and evil spirit easily invaded Huang Yuan's sea of consciousness, and suddenly a wave of knowledge that did not belong to Huang Yuan broke out in the sea. His power blocked his Tiger God Sha!

Presumably a master planted a spiritual protection for him!

One hit missed, but the flying knife had been cut in front of Ye Chen, but Ye Chen still had a faint expression and didn't know what to do.

"Tiger Demon Transformation!" A fierce and shocking black tiger phantom rose up and merged into Ye Chen's back.

Chapter 1696: anger!

Ye Chen's figure suddenly pulled up, his muscles bulged, and his eyes were blood red!

He stared at the flying knife in front of him that seemed to cut the sky, and shouted angrily: "Break it for me!"

A punch to the boundless sword!

There was a loud noise, as if the world collapsed and everything shook!

Raise boundless smoke!

The crowd around the audience used secret methods to protect their bodies. Among them, the weaker ones couldn't help their faces turning white. They stepped back. The aftermath of this blow caused them slight injuries!

Ye Chen's punch was so terrifying!

The eyes of everyone looking at Yanchen have changed, and now they can see that no matter how stupid they are, Ye Chen is by no means a simple warrior in the Divine King realm!

If that punch hits myself...

Many people swallowed, even if they are in the Hunyuan realm, they can't guarantee that they can take Ye Chen's blow safely!

However, although Ye Chen's attack is tyrannical, can he resist such level of immortal weapons and martial arts, can he be safe?

The smoke and dust did not disperse, the spiritual energy of heaven and earth was disturbed by this blow, and even the spirit of everyone was disturbed, and it was unknown whether Ye Chen in the smoke and dust was still alive.

"Look at Huang Yuan!" someone in the crowd exclaimed.

Everyone turned their heads to look at Huang Yuan, and saw him lying pale on the ground, with blood on the corners of his mouth, and his injuries were obviously not light. The flying knife was his life weapon, and only with the help of Huang Yuan could he use such martial skills. !

Even when he successfully used the move to return to the yuan, he was extremely surprised!

Because he knew that this sword was the strongest blow he had ever used in his life, and he could even kill the warriors in the early stage of the ordinary Hedao realm!

But he never expected that a blow far beyond his full strength would be broken by this ant of the Divine King Realm!

Moreover, his own natal weapon was damaged by Ye Chen's attack!

This is the best Hedao Immortal Device!

It is conceivable for its sturdiness, ordinary Hunyuan realm warriors can't easily damage this level of fairy tools!

Thinking of this, Huang Yuan was frightened. His legs trembled slightly. He wanted to stand up, but couldn't do it, but he still struggled to crawl backwards, telling him intuitively that Ye Chen was not dead!

If Ye Chen is not dead, what is waiting for him is...

He knew that he really got into trouble this time, and the shadow of death loomed over Huang Yuan's heart. He was terrified, so terrified that he almost collapsed, regretted it, regretted that he wanted to desperately pray for Ye Chen's forgiveness, what dignity, what Identity, in front of fate, is shit!

However, Ye Chen's words echoed in his ears...

"Also, my friend of Ye Chen, no one has the right to move! You hurt him, I will let you die!"

For Huang Yuan, who has always been pampered, how can he withstand such despair?

At this moment, his body trembled!

Some people even discovered that his crotch was wet.

"This is really the most funny thing in a hundred years of ascending to the sky, it laughs me to death."

"It's more than scared. Take a closer look, he's all peeing!"

Endless ridicule and endless sarcasm came to Huang Yuan's ears. He was so humiliated that he wanted to die, but he didn't dare, he was afraid of death, even if he was a lowly dog, he didn't want to die!

A dark shadow fell, the sound of footsteps getting closer.

The laughter and sarcasm disappeared in an instant, and everyone's attention was attracted by the sound of footsteps in the smoke.

An extremely stalwart figure walked out of the dust.

"Ah ah ah ah, don't come over, don't come close to me!" Huang Yuan turned his head, his spiritual thoughts were muddy and unclear at this time, his vision was blurred by tears, and he couldn't see Ye Chen's appearance at all. A dim and huge black shadow came towards him, just like the devil in the Nine Netherworlds!

After performing the Tiansha Tiger Demon Transformation, Ye Chen's mind was also faintly affected by the Tiansha Devil Tiger's nature. He looked down at Huang Yuan, who was crawling on the ground begging for mercy, like a lamb waiting to be slaughtered.

He glanced at Chen Zhifan, who was scarred beside him.

He knew very well that Chen Zhifan would be even more dangerous once he released the tiger to the mountain.

You may even get revenge crazy!

He Ye Chen is not afraid, and he won't even stay here for long! But Chen Zhifan is different!

Moreover, before he came here, Chen Zhifan must have suffered endless humiliation, which wasted his fighting spirit!

If it wasn't for himself, Chen Zhifan would continue to forbear.

"Please let me go, I'll kowtow to you, I'm rubbish, please let me go this rubbish..." Huang Yuanyu begged incoherently, Ye Chen didn't seem to hear one side, and slowly raised one. The feet fell heavily.

With a click, the meat splashes all over, and the blood is filled.

"Ah ah ah ah ah, my feet! It hurts! My feet!" Then Huang Yuan screamed like a pig.

Ye Chen stepped Huang Yuan's entire thigh into meat foam!

Everyone showed different colors, their eyes moved to Ye Chen's face, and they couldn't help but chuckle!

Huang Yuan screamed, watching the blood stained red and stepping on his foot, his eyes were full of horror!

Anger and panic coexist!

"Boy, I swear that you and Chen Zhifan are going to die! Your whole family is going to die! I will torture you ants to death! I am going to break the **** limbs of you and Chen Zhifan! Five horses!"

"Sorry, I won't give you a chance!" Ye Chen said indifferently.

At this time, the onlookers had an idea in their hearts, it's okay, don't provoke Ye Chen, no matter how high your realm is!

This guy is too weird! so horrible!

Broken limbs are nothing in Lingwu Continent, but Ye Chen's voice and Ye Chen's actions caused a chill in their hearts, as if humans were facing their natural enemies.

Click, the bones are shattered, the flesh and blood are falling apart! Another thigh was crushed by Ye Chen!

"Just now, did you say you want to break my limbs?" Ye Chen looked at Huang Yuan's wound with interest.

Huang Yuan's mind has completely collapsed at this time. Even if Ye Chen doesn't kill him now, he will become a useless person. There is no possibility of any practice, even a normal life. He will live in endless fear. in!

suddenly!

"Boom!" There was a loud noise Huang Yuan, blew himself up!

"It's boring." Ye Chen curled his lips, Huang Yuan begged to die, blew himself without much power.

With his body after the Tiansha Tiger Demon Transformation, even if he suffered Huang Yuan's blew at close range, he did not suffer any harm.

Ye Chen waved his hand and shut down the deacon token on the ground and Huang Yuan's storage, and his gaze swept away at a few shivering figures not far away.

Seeing Ye Chen looking at him, several people let out a scream of fear one after another, kneeling one by one, kowtow desperately, begging Ye Chen and Chen Zhifan for forgiveness.

When Ye Chen was thinking about how to deal with these chores, Chen Zhifan behind him said: "Ye Chen, leave them alone, let's get out of here!"

Ye Chen heard the words and saw that Chen Zhifan could barely stand up at this time, his face was still very pale, and he hurried over to support Chen Zhifan, his body moved, and Chen Zhifan turned into an afterimage to the distance.

...

Chapter 1697: Involved!

Dengtian outside the city.

A forest full of endless killing intent.

The warriors of the Lingwu Continent call this the shadow forest. The trees in the forest, no matter the trunks or branches, are all dark, and the entire forest is shrouded in a strange shadow.

And Ye Chen, under the guidance of Chen Zhifan, came here through a secret passage.

"Okay, stop here, this shadow forest is extremely dangerous, don't move on anymore," Chen Zhifan said.

Ye Chen nodded, put down Chen Zhifan, and at the same time dissipated the power of the ancient fierce beast's blood. Although this thing was powerful, it was extremely energy-consuming.

With his current cultivation base, he still couldn't support it for too long. From the beginning of the battle to taking Chen Zhifan out of the city, it took no more than ten minutes, but it had already consumed a lot.

Ye Chen frowned and looked around. This shadowy forest did give him an extremely uncomfortable feeling, as if there were endless threats hidden in it.

This feeling is like facing the gunfire fairy.

"I'm sorry, Ye Chen, I've hurt you, you forced Huang Yuan to death, Huang Can will definitely not let you go."

Chen Zhifan looked at Ye Chen guiltily. He knew that Ye Chen's potential was terrible. Maybe if Ye Chen was given a few years, Huang Can would be nothing.

But now, Ye Chen is still only a martial artist in the Divine King realm, no matter how strong he is against the sky, he will not be Huang Can's opponent.

There is too much difference between Hedao Realm and God King Realm.

Ye Chen smiled disapprovingly and said: "Brother Fan, I have already regarded you as a brother, so don't say such things.

Besides, when I first came here, I had an enmity with Huang Can. Whether I killed Huang Yuan or not, he wanted to break my body into pieces. I am still not doing well. "

Chen Zhifan shook his head and said, "You just came here with the law to protect it, so it's okay, but now, the power of the law has dissipated."

Ye Chen thought of Yong Lao's explanation when he heard this sentence.

When I came here, I could erase the traces of the gods in my body.

Has it been erased after a few days?

Without thinking about it, Ye Chen continued: "It's okay, I signed a spiritual deed with Huang Can, which is bound by the deed. He can't move me before the Shengxian Grand Competition."

When Chen Zhifan recalled what Li Yu and Ye Chen said, he was a little worried and said: "Is it a bet on Big Competition? This..."

"Brother Fan!" Ye Chen interrupted with a smile suddenly: "I have confidence!"

Chen Zhifan looked at Ye Chen's confident smile, how similar it was to what he used to be. He no longer said more, but nodded heavily and said, "I believe you!"

Ye Chen suddenly looked at Chen Zhifan in a puzzled manner. He knew that Chen Zhifan must have been a proud practitioner in Kunlun Xu.

But why did he become the humble Chen Zhifan in the Shengxian Pavilion and the Chen Zhifan who endured bullying by others?

Ye Chen couldn't help asking: "Brother Fan, what happened after coming up from Kunlun Xu?"

Chen Zhifan heard the words, a trace of sadness flashed in his eyes, but he still said: "Back then, I successfully came to Lingwu Continent, and I was originally full of spirits, but who knows, we are in Lingwu Continent, and we are not being seen by others, and we are rising. In the Great Fairy Fair, I have seen countless geniuses better than me..."

"But even so, I am not discouraged, I am still proud, but who knows, before the competition started, I had a conflict with a warrior in Dengtian City!"

"And this person, who was the number one in the Grand Prix at that time, was much stronger than me. Although I barely saved my life, I was also depressed by his blow, and with my physical condition at that time, it was almost impossible to be in great power. Achieved an ideal ranking in the competition..."

"Right here, someone in the Shengxian Pavilion said to me, if I am willing to contribute precious enough treasures, Shengxian Pavilion, willing to take me in..."

Did you know that in a place like Lingwu Continent, there is no protection from the forces, almost everyone will step on you! "

"So... I agree, but who knows that after being planted and restricted by the Shengxian Pavilion, you have only two choices in the Shengxian Pavilion, either to live with the humiliation, or die!"

"I should have died, but I am not reconciled! I am not reconciled to be defeated by the man who defeated me and die as a dog in Shengxian Pavilion! So, for so many years, I can bear it!"

Ye Chen looked at Chen Zhifan in shock. He knew that letting a proud person endure humiliation to live is far more painful than killing them!

Chen Zhifan's hardship can be imagined!

At the same time, his eyes on Chen Zhifan also showed admiration. He admired Chen Zhifan because Chen Zhifan had not fallen yet!

There is still fighting spirit in his heart! So, even if he is now subjected to more humiliation, his pride still exists in his heart!

Ye Chen doesn't have many friends, but Chen Zhifan in front of him is definitely the most worthy of friendship!

"But thanks to you, I'm going to be free!" Chen Zhifan suddenly smiled.

"Oh? Thanks to me?" Ye Chen asked curiously.

"Huang Yuan's token, is it in your hand?"

"Yes!" Ye Chen nodded, took out the token and handed it to Chen Zhifan.

Chen Zhifan looked at the token in his hand, and his smile became even thicker.

"Originally, the restriction of Shengxian Pavilion had much less binding force on the martial artist of the Dao Realm.

However, after all, it was still a hidden danger. My original plan was to risk escape from Shengxian Pavilion after reaching the realm of Hedao.

But with this deacon token, the situation is much better...Although I have been sent by the Shengxian Pavilion all these years and have little time to practice, my cultivation level has also improved a lot.

You can also see that just now I used the secret method to explode the peak power of Hedao! Although this is not my own strength, it will not take long to achieve it.

I hope it won't be long I can explode this power without resorting to secret methods! Fear no one!

In addition, coupled with this deacon token with the control and prohibition effect, I am confident that the prohibition will be broken now! "

Ye Chen realized that Chen Zhifan's terrifying power came from a secret method just now, presumably Chen Zhifan also had a good opportunity.

But this is the secret of the warrior himself, and he won't ask more.

He felt happy for Chen Zhifan from the bottom of his heart, and said with a smile: "This Huang Yuan is really worth killing!

Even if I didn't have a holiday with Huang Can, I would kill him for Brother Fan! "

He is happy, for Chen Zhifan's happiness, once Chen Zhifan breaks the ban, he can be himself and be the proud one!

Chen Zhifan looked at the token in his hand and was full of expectations, and said:

"Ye Chen, I am about to break the ban now. Huang Yuan should have been annihilated. Huang Can should already know that if nothing happens, he should be rushing to Dengtian City."

Chapter 1698: Huang Can is finally here!

Chen Zhifan continued: "It's okay for you, Huang Can can't move you, I can't go back... Fortunately, I am not unprepared for so many years. By chance, I got it in this shadow forest. A cave mansion, now you have to go there to avoid it, until the ban is successfully broken, otherwise you will not leave the customs, right, what are your plans?"

Ye Chen said without hesitation: "I will protect the law for you!"

Chen Zhifan looked at Ye Chen with a warmer gaze, but still shook his head and said: "No, first of all, you have to participate in the Rising Immortal Competition, and breaking the prohibition will not happen overnight.

Secondly, the cave is very safe for me. Huang Can cannot find it. Even if he finds it, he cannot invade the cave! "

Speaking of this, Chen Zhifan suddenly smiled and said: "Besides, Ye Chen, although your strength is far surpassing the same level, are you sure you can protect the law for me in the face of a martial artist in the combined path?"

Top Best AI for Forex Trading 2024

Ye Chen's eyes condensed, his hands behind him, and said: "What is the He Dao Realm in front of me? I have even killed the Immortal Venerable in the good fortune realm!"

Although Ji Lin was responsible for killing the gunfire Immortal Venerable at the beginning, he really must say that he did kill an Immortal Venerable.

I am afraid that the current sect of the Western Regions will be shocked to hear his own name.

At this moment, Ye Chen burst out with a strong killing intent!

This is proof that he was stained with countless blood and lived in blood!

This powerful momentum even made Chen Zhifan startled!

For a moment, he actually felt he believed it!

I don't know how long it took before Chen Zhifan woke up and couldn't help feeling funny.

He was almost fooled by Ye Chen's aura.

Divine King Realm kills good fortune immortal?

What a joke!

Lingwu Continent has never appeared in thousands of years!

Chen Zhifan did not intend to tear down Ye Chen, he laughed, patted Ye Chen on the shoulder and said:
"Okay! I believe you, you should also trust me, my life is very hard, this, you take it!"

Chen Zhifan raised his hand and threw a jade medal to Ye Chen.

"this is?"

"I have nothing to give you. This is the forbidden card of the cave. You can enter and leave the cave at will with the token.

It also records the location of this cave. I have nothing to give you, only this!

Don't underestimate it. According to my investigation, this card is not only able to open this cave, but several, and I'm sure this cave must be left by a very powerful man.

The one I got is just the mighty temporary cave, and there are no treasures left in it. However, if you are lucky enough, if you discover this mighty other cave in the future, you might be able to inherit him with this jade medal. Inheritance! "

"Brother Fan, you..." Ye Chen knows what a powerful inheritance means. Even if he owns a reincarnation cemetery, this is a great opportunity for him. Inheritance is not too much!

"Okay, don't say anything. You take it when I'm a brother. There are three banned cards. I still have two. If you keep it, you keep it. If you don't give it to anyone, it may not be you. get."

Ye Chen knew that this kind of power inheritance can only be inherited by one person, which is extremely precious.

Chen Zhifan is willing to give this to himself, because he has already regarded him as a friend.

Ye Chen didn't say much, he knew that if he changed himself, he would do the same!

Brothers, no need to say more!

Seeing Ye Chen accept it, Chen Zhifan smiled heartily, and then waved to Ye Chen:

"Okay, you go back, I should also retreat and break the ban. I was disturbed by Huang Yuan. What you originally wanted to do was not done, right?"

Hurry up, it's not that simple to rise to the immortal competition. One point of strength is one point. If you don't rush to leave after the competition is over, you can come to the cave to find me! "

Ye Chen nodded and said, "Brother Fan, take care!"

After speaking, he turned and headed towards Dengtian City.

...

After bidding farewell to Chen Zhifan, Ye Chen returned to Dengtian City, always running the Soul-seeking Technique, which consumes very little mana, while wandering in the City of Dengtian, buying some favorite items from the shops from time to time.

At the same time, Ye Chen found that the people on the road faintly pointed to himself, it seems that he has already gained a reputation in Dengtian City by killing Huang Yuan.

For half a day, Ye Chen walked around the small city of Dengtian, still did not sense the breath of the reincarnation monument, and was a little disappointed, but it was normal to think about it. If this thing were so easy to find, it wouldn't be so against the sky.

At this time, a sudden shout of anger spread throughout Dengtian City!

"Who killed Huang Yuan!"

Here comes Huang Can finally!

Although Dengtian City is said to be the place where the Grand Ascension Competition is held, it is actually only a small city in the Lingwu Continent. The main power is the Shengxian Pavilion, and Huang Can has the strength of the three-tier Hedao Realm and is already one of the strongest in the city. .

In normal times, Huang Can would definitely look for people who killed Huang Yuan more arrogantly, but at this time there are many forces in the city to watch the Big Competition, and any one of them is not something Huang Can can afford. In order to avoid kicking the iron plate, He is still quite restrained.

Ye Chen glanced in the direction where the sound came from, didn't bother to pay attention to him, and continued to go shopping on his own.

Seeing that no one responded, Huang Can just assumed that the other party was scared, so he felt a little at ease. If it were those of the big powers, for the sake of the majesty of the sect, he would not respond to his calls at all.

He only then began to understand how Huang Yuan was killed. In fact, if a powerful person responded just now, Huang Can would not ask his teacher for the crime at all, but would apologize to the other party. This angry shout was just to protect his in Dengtian City. dignity.

But when he understood what happened, and knew that Huang Yuan was forced to commit suicide by breaking his limbs by Ye Chen, he couldn't help burning with anger, his eyes cracking!

Ye Chen! Ye Chen again!

What made him even more angry was that he wanted to vomit blood, even though Ye Chen was just an ant that he could trample to death at will but because of the spirit contract, he couldn't take action against Ye Chen at all! ! !

A dignified and dignified martial artist in the realm of Dao, and he suffered a series of losses in the hands of a martial artist of the gods, there is no way! How can you not be angry!

I'm so suffocated to death!

But at this time Ye Chen didn't care at all.

He is studying the Guiyuan slash that Huang Yuan used before.

He is not short of martial arts, but he is somewhat interested in this martial arts. This Gui Yuan slashed with one sword, cultivated to the peak, and the power could break through the mountains and rivers at will, but it could be used as a usual move.

Ye Chen is extremely talented, just a casual glance to get a rough idea of Guiyuan's knack for slashing with one sword, he is confident that he can cultivate this martial art to the basic level before the Shengxian Grand Competition.

At the same time, he secretly scolded Huang Yuan as a idiot, and Guiyuan's one-stab cut was not suitable for use as a flying knife, otherwise his power would be greatly reduced!

But what Ye Chen didn't know was that Huang Yuan would not be able to perform this martial skill at all without relying on that flying knife...

Chapter 1699: Everybody is innocent!

As for Huang Yuan's flying knife, because it was Huang Yuan's natal spirit weapon, he couldn't use it, so he could only re-smelt and cast a new weapon. Right now, the Immortal Rising Competition was imminent, but he couldn't wait that long.

He looked around in the reincarnation cemetery and did not find the most suitable weapon for this martial skill.

However, his reincarnation cemetery has a lot of materials, but he can refine it by himself.

However, there are many conditions for forging weapons.

At the moment, you must find a weapon shop or a place where you can forge weapons.

...

Ye Chen recalled the contents of the jade slips Chen Zhifan gave him, and went to a weapon shop called "Shenbing" in Dengtian City, and said to an employee in the store:

"Hello, is Boss Wu here?"

Boss Wu in this weapon shop had some friendship with Chen Zhifan. Chen Zhifan told Ye Chen in the jade slip that he could come here to find Boss Wu if he needed weapons.

The employee did not answer when he heard this, but looked up and down Ye Chen.

Seeing that Ye Chen was wearing ordinary clothes, he only had the cultivation level of God King Realm, a trace of contempt flashed in his eyes, and he spoke indifferently, "Boss Wu is not here."

At this moment, a young man in gorgeous clothes walked behind Ye Chen. The employee immediately beamed his eyes and greeted Ye Chen with a smile on his face and said: "What do you need this son? Come, come, Look here."

Ye Chen frowned slightly, but didn't say anything. He casually browsed the various spirit artifacts and immortal artifacts in the store, and he didn't know much about him.

Unexpectedly, the young man in Chinese clothes behind him didn't even glance at the employee, but walked straight to Ye Chen.

Ye Chen sensed someone approaching him, and looked at the young man in surprise.

The other party looked very handsome at the age of twenty-two, and his cultivation was in the early stage of the Hedao Realm, and his breath was condensed.

Obviously, this person is in the realm of real practice, and it is a huge difference from Huang Yuan's cultivation base with the help of external force. If he really starts, under the same other conditions, this young man can at least fight. Five things like Huang Yuan.

The young man stared at Ye Chen and suddenly said, "This fellow Taoist, my name is Xiao Tianchen. Excuse me, you killed Huang Yuan?"

As soon as Xiao Tianchen said this, everyone in the weapon shop looked sideways and talked: "Dengtian City Xiao Family? That power second only to Shengxian Pavilion?"

"I heard that Xiao Tianchen, the eldest son of the Xiao family, is even more amazing. He has cultivated to the early stage of Hedao Realm at the age of only 21. What's more valuable is that he did not rely on external forces such as pill!"

Ye Chen looked at Xiao Tianchen with an unhappy expression. This Xiao Tianchen faintly released coercion while speaking. Although it had no effect on Ye Chen, such behavior had clearly offended him. Ye Chen has always had no liking for people who use his power to suppress others.

"Does it have anything to do with you?" Ye Chen replied casually, then turned around and continued to check the spirit weapon, leaving Xiao Tianchen aside.

When the audience saw this, their faces were different. This person is the legendary warrior of the **** king who killed Huang Yuan across the realm?

There are rumors that he is an ascendant who came from the land of ants, and his name is Ye Chen.

Xiao Tianchen was also surprised when he saw Ye Chen's reaction. His aura was so strong that even if he released it to ordinary warriors of the same rank, the other party would feel pressured!

However, this Divine King Realm martial artist was able to completely ignore his coercive actions, and he really had some ways.

However, Xiao Tianchen didn't take it seriously!

Kill Huang Yuan across ranks? Like Huang Yuan's kind of waste, he can easily squeeze to death!

If someone treats him and Huang Yuan at the same level, that person will definitely die miserably!

When everyone saw Xiao Tianchen's face gradually becoming gloomy, they couldn't help but gleefully look at Ye Chen who was checking the weapon.

Some of the customers shook their heads and said, "Although this young man is good at strength, he still has too little experience and lacks ethos.

Did he think that after killing Huang Yuan, he would be invincible?

Although Xiao Tianchen and Huang Yuan are both in the realm of Harmony, their strength is one in the sky and the other underground! He has to pay the price for treating Xiao Tianchen with this attitude! "

"Hey, boy, my son is talking to you."

Xiao Tianchen said coldly, if it were normal, Xiao Tianchen would have already taken action to teach this kid, the reason why he did not take action was not because of Ye Chen's strength, but because of Huang Can!

He has checked Ye Chen's information clearly. This immortal ascendant should have no background in Lingwu Continent, but why has Huang Can not attacked him yet?

An anger rose in Ye Chen's eyes, but he suppressed it. This is Boss Wu's shop. Boss Wu is Chen Zhifan's friend, and Chen Zhifan is his brother Ye Chen!

He didn't want to work with people in boss Wu's shop, just because he was worthy of Chen Zhifan, so he hadn't exploded yet!

Ye Chen turned around and looked at Xiao Tianchen blankly and said, "What the **** is going on?"

Seeing Ye Chen's reply, Xiao Tianchen sneered in his heart: "Count you kid who knows you!"

"The flying knife used by Huang Yuan is in your hand, right?"

Xiao Tianchen stared at Ye Chen's dark eyes, very serious.

"That thing is useless to you. My son has accepted it. Don't worry, our Xiao family won't take advantage of you. You can open a price at will. I want to buy the damaged flying knife in your hand!"

Xiao Tianchen looked at Ye Chen confidently. He believed that Ye Chen would not be stupid enough to refuse him in Dengtian City, especially after he offered such superior conditions.

Everyone was shocked when they heard the words, and the Xiao family was really generous!

This is an arbitrary price!

"If you don't sell it, you can go." Ye Chen said impatiently.

At this moment, everyone present was stunned!

They did not expect Ye Chen would refuse!

This is Xiao Tianchen, can that be refused casually?

Even if there is something special about this flying knife, it is not something you can have!

Everywhere, the principle of being innocent and guilty is the same. What's more, Xiao Tianchen's conditions are so good, maybe he can still take this opportunity to climb to the Xiao family, it is not a loss in any way!

But what about Ye Chen? I refused without thinking! Don't save Xiao Tianchen at all, this will arouse his anger!

A good opportunity turned into a disaster, everyone felt a pity for him, and looked at Ye Chen who was trying a spiritual sword like a fool.

Ye Chen didn't have any idea about this flying knife. He wanted to sell it originally, but he would not sell it to Xiao Tianchen, not for other reasons, just because he disliked Xiao Tianchen's behavior.

I don't like it! This reason is enough!

"I'll give you another chance... will you sell it?"

Xiao Tianchen's face was so gloomy that he was about to eat Ye Chen, the violent coercion was completely released, and the sky was overwhelmingly rushed towards Ye Chen, obviously he was really angry!

Chapter 1700: Challenge Xiao Tianchen!

What a strong momentum!

The faces of the customers in the shop changed. Even the practitioners who were in the same way were all slightly changed, feeling that a high wall fell on them!

This Xiao Tianchen's strength is far beyond the same level! Even in the ordinary Hunyuan realm, the warrior of the combined Dao realm faces him, it is estimated that there is no chance of winning!

Really a terrifying genius!

You know, there is a huge power gap in every small realm above the Divine King Realm, Hunyuan Realm, and Hedao Realm!

Everyone thought they would see Ye Chen vomiting blood and getting injured, but Ye Chen surprised them again!

I saw Ye Chen turned angrily and snarled at Xiao Tianchen: "Are you **** annoying! How many times do I have to say it before you understand?"

Top Best AI for Forex Trading 2024

I said not to sell! Tell you to go! Is it loud enough? Did you hear clearly? I didn't hear clearly, I will say it again, tell you to get out! "

silence! Deathly silence!

With a bang, the spiritual tool in a customer's hand fell to the ground, but he ignored it, just staring blankly at the angry Ye Chen.

No one would have thought that Ye Chen would be okay against Xiao Tianchen's coercion, but would yell at Xiao Tianchen instead? A warrior in the Divine King Realm?

Are they dreaming?

Although these people knew that Ye Chen defeated Huang Yuan, they were just hearsay after all. They did not see the cruel scene of Ye Chen smashing Huang Yuan's limbs. The shock in their hearts was far lower than that of the audience present at the time, only that it was Huang Yuantai. It's only weak.

But now, they remember, Ye Chen's performance is difficult for them to remember.

Even Xiao Tianchen was slightly sluggish when he was scolded. He looked around and found that no one was standing beside him. Then he pointed to himself and asked in disbelief, "Are you talking to me?"

"Fucking idiot."

Ye Chen shook his head helplessly, put down the weapon at will, and turned around to leave the spiritual tool shop. It was too hard to communicate with the low energy. Being so disturbed by Xiao Tianchen, he was not in the mood to wait for Boss Wu anymore.

When Ye Chen was about to walk out of the shop, Xiao Tianchen reacted.

This **** in the Divine King Realm actually dare to ask me to go away? Still calling me an idiot?

Xiao Tianchen's face went flush all of a sudden, his blood was surging, and his eyes were bloodshot, that was his anger!

When did Xiao Tianchen endure such humiliation!

"Boy! You're looking for death!" Xiao Tianchen roared and made a bold move!

For a moment!

The situation has changed!

The boundless and majestic aura of heaven and earth instantly gathered in his palm, and a palm print exuding a terrifying aura rushed towards Ye Chen who had just stepped out of the store!

"It's actually the Xiao family's nirvana, Heaven and Earth Hun Yuan Zhang!" someone exclaimed.

"Moreover! Seeing the power of his shots, he has cultivated to the realm of Xiaocheng!"

"Genius! Genius! Ye Chen is over!"

Xiao Tianchen shocked them again. With such a powerful martial art, it's good to say that someone who can cultivate to the level of Xiaocheng at Xiao Tianchen's age is definitely a well-deserved genius in Dengtian City, even in the entire Lingwu Continent. Can be considered excellent!

Ye Chen turned around and punched. The moment he punched, his figure was pulled up, and a pattern of king character appeared on his forehead, exuding a terrifying aura like a wild beast!

He does not intend to use other martial arts! Not even planning to fight with the King of God!

Just use the power of the refined drop of ancient beast blood!

Flesh fists and palm prints struck each other, everyone thought that Ye Chen would be shot into a cloud of blood in an instant, bursting!

but! The one that burst was indeed Xiao Tianchen's palm print!

There was a loud bang, palm prints burst, and the aftermath of horror rushed to the surroundings. Aura flashed in the shop, prohibited triggering, a light curtain emerged, and pieces of spiritual weapons also emitted aura to resist this powerful energy!

Ye Chen actually took a palm of Xiao Tianchen!

Moreover, it seems effortless!

Did Xiao Tianchen release the water?

Absolutely not! Customers in the store felt the horror of this blow! Even with the prohibition and protection, everyone felt the shock of energy and blood under the impact of the aftermath!

Xiao Tianchen looked at Ye Chen also incredible.

This is his full blow! It was actually blocked by a warrior of the God King Realm!

After Ye Chen used the Tiansha Tiger Demon Transformation, the whole person's temperament suddenly became evil. He glanced at Xiao Tianchen with a little excitement and said: "Yes, there is some strength, it should be able to withstand my punches, since You've done it, now it's my turn!"

"Tiger God Sha!"

Ye Chen let out a low cry, and first displayed a divine mind attack. With the surging divine mind, the unparalleled evil spirit rushed to Xiao Tianchen's sea of consciousness, Ye Chen couldn't help but frown!

This Xiao Tianchen's divine consciousness is several times stronger than Huang Yuan, only slightly worse than himself. If his divine consciousness is not as pure as his own, he will not be able to break the defense. Although he barely invades, Xiao Tianchen also has a sea of consciousness. Divine Sense Defense that does not belong to him will soon suppress the Tiger Sha!

However, even though it had only been invaded for a while, Xiao Tianchen was still affected. An abnormal red glow flashed across his face, and his whole body was in a mess, and at this moment, Ye Chen moved!

Everyone felt a flower in front of them, and the street under Ye Chen's feet suddenly burst into a cobweb-like crack, and a figure appeared in front of Xiao Tianchen, blasting him with a punch!

On physical training, on strength! He does not lose any genius of Lingwu Continent!

After only a moment of aura disorder, Ye Chen took the lead!

However, Xiao Tianchen is obviously different from a straw bag like Huang Yuan, and he has quite rich combat experience.

At the same time I sneered in my heart, boy, do you think that palm print just now is the real power of Heaven and Earth Hunyuan Palm? He even chose to fight me close to me, the world is in the palm of my hand, and my hand-to-hand combat is stronger!

boom!

The fists intersected, the huge impact spread to the surroundings, the restraint broke, and the spirit weapons around the two of them were dimmed!

This fist intersected, Xiao Tianchen, retreated!

Moreover, the palm he collided with Ye Chen was bloodshot and swollen like a pig's hoof!

how can that be!

As soon as they fought, Xiao Tianchen fell into a disadvantage and was injured!

Now, everyone finally had a general understanding of Ye Chen's horror.

At this moment, Ye Chen saw that Xiao Tianchen had taken a punch of 70% of his strength, and his eyes flashed with excitement, and he grinned and said, "Very well, come again!"

You know, in terms of true strength, he may not be so easy! He is even embarrassed!

But on melee he has refined the blood of an ancient beast!

Human warriors and fierce beasts are more powerful than melee?

This is not looking for death?

And Xiao Tianchen, looking at Ye Chen's gaze at this time was extremely complicated, shocked and puzzled, but more of it was fear!

Ye Chen's strength has already made Xiao Tianchen feel terrified!

The second punch, 80% strength! Boom towards Xiao Tianchen!

"Ahhhhhhh! Impossible!" Xiao Tianchen yelled, full of real energy, running beyond the limit, holding up another intact palm, fully using the Heaven and Earth Hunyuan palm to meet Ye Chen!

Boom!

There is another loud noise!

Xiao Tianchen backed away again and again, vomiting blood, his left hand was deformed!
